PLYMOUTH, PLYMOUTH TOWNSHIP AND CANTON'S HOMETOWN NEWSPAPER

May 8, 1974

ANNEXATION PETITIONS FILED

With the consolidation vote taking place yesterday, the Plymouth City Commission, Monday evening unanimously passed three resolutions which petition the State Boundary Commission for the approval to annex two territories within Plymouth Township. The third resolution deals with the total annexation of Plymouth Township to the City of Plymouth. The first resolution calls for the annexation of the 3.06 acres where the Hillside Inn now stands. The Hillside is now bordered on three sides by the City, a situation resulting from the existence of liquor laws in the city, which are now obsolete.

The second resolution calls for the annexation of the northwest corner of Haggerty and Plymouth roads. The purpose for annexation of these two territories is to restore order and logic to the city's boundaries.

The third petition filed with the Boundary Commission calls for total annexation of Plymouth Township to the City. The purpose for this, from the petition filed with the commission reads as follows:

"The City of Plymouth and Plymouth Township lie in the Northwest corner of Wayne County, and, together, form the lower one-half (18-square miles) of what was once a typical (36-square mile) Michigan township.

Since 1825, the City of Plymouth has served as the socio-economic center of the surrounding area, having its greatest influence on Plymouth Township, which completely encircles the City.

According to the Wayne County Office for Industrial and Commercial Development, Plymouth and Plymouth Township lie on the western extremity of a growing industrial corridor. The planned construction of Interstate Freeways I-275 and I-96, both to be completed in 1976, are expected to increase the industrial development of this corridor.

It is the City's position that the anticipated industrial development and the expected population increase of this area will serve to intensify the demands for municipal-type services, that can only be met with through orderly planning and development for the future of the entire area.

Presently pending before the State Boundary Commission is a request for annexation to join the City of Northville and Northville Township, which, combined, form the northern one-half (1/2) (18-square miles) of a typical Michigan township, into a single governmental unit."

The three petitions were filed with the State Boundary Commission at 7:30 a.m. Tuesday morning by City Attorney Charles Lowe, and City Manager Fred L. Yockey.

The boundary Commission could approve the first two petitions without a vote of the people, but the third petition could only be past by a favorable vote of the people.

140 Years Old And On The Move

By Dan Herriman

Nobody wanted it. The 140 year old house on Ann Arbor Trail in Plymouth was going to be demolished until Doug Cash eagerly accepted it when the township agreed to let him have it. Cash, a Plymouth resident, is to move and restore the house by next March, 18 months after it was given away.

The house is located on the

60-acre Plymouth Township Recreational Park. Little League Baseball diamonds are presently under construction at the Park. They are expected to be in use this season and are replacing the ones in the city adjacent to Riverside Cemetery. The cost of leveling the diamonds alone was \$20,000.

Helen Richardson, Plymouth Township clerk, said that the

lights for the diamonds will be working this week. She also said there is talk of a municipal swimming pool and hopes that local service organizations will help with the project. The township hopes to obtain Hilltop Golf Course which adjoins the recreational property and perhaps make it a self-supporting 18-hole course in the future.

Operation Edith Begins

Help prevent tragedy in your family from death or injury due to fire. Plymouth and Canton Twp. Jaycee Auxiliaries are working together with AAA, Plymouth, Plymouth Twp. and Canton Twp. fire departments and the Plymouth Community School District. Safety Committee in making your home a safe place to live. MOCK FIRE DRILL AND ALERT DAY is set up for May 18 at 12 noon. At this time we would like each family to set up two exit escapes from their home.

School children may also make a poster if they are in kindergarten or first grade and a written essay for children in grades two through eight on WHAT I LEARNED ABOUT FIRE SAFETY and return it to their school no later than May

15, 1974. There will be prizes awarded in each grade level in each school of the district. The prizes will be awarded at each school during the week of May 20th.

Following the MOCK FIRE DRILL ALERT on May 18th there will be open houses held at each of the community fire departments from 3 to 5 p.m. Additional information on smoke and heat detectors and other fire safety measures will be available at this time, and your children can take a guided tour of the fire department that serves your neighborhood.

FIRE DRILL PROCEDURES

Appoint a fire chief for day and night care, usually the heads of the households. Remain calm, move rapidly, purposefully and safely.

Doors within the home should be closed at night. It takes 10 to 15 minutes to burn through a wooden door. Closed doors delay, spread and suppress fire's growth. Valid reasons for not closing bedroom doors include cross-ventilation, ability to hear a child if he cries and illness. Remaining doors in the home should then be closed.

The entire family should visit each bedroom. There, everyone, including the little tots, should learn what to do if they are awakened and smell smoke and how to use the two escape routes: (1) through the rooms and halls to the outside and (2) through the window to the ground below.

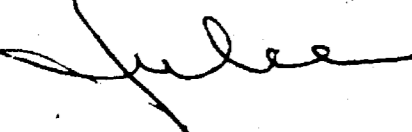

When awakened turn on the light and check the intensity of the smoke. If light does not go (continued on page 2)

Mark Stephens

Local Boy Is Outstanding Soloist

MT. PLEASANT - Mark Stephens, a senior at Plymouth Salem High School, has been named one of the 10 Outstanding Soloists for 1974 by the music committee of the Youth Arts Festival of Michigan Week.

The selection was made at an audition held April 20 at Central Michigan University among 80 finalists from all over the state. The competition culminated a series of festivals sponsored by various music organizations in Michigan which began with over 25,000 participants.

Stephens, who is a French hornist, performed "Concerto No. 1" by Haydn. He is the son of Mr. and Mrs. Harper Stephens, 11410 Southworth, Plymouth. His music teachers are James Griffith and Michael Endres at Plymouth - Salem.

The soloists will return to Central Michigan University May 17-18 and perform their solos in a two-day program showcasing top high school talent in music, art, dance, drama and creative writing. The concerts and exhibits are open to the public without charge.

Stephens will be a featured soloist with the Cass Technical High School band directed by David A. Milliross. The concert will be at 3 p.m. in Warriner Auditorium, Saturday, May 18.

Free Eye Clinic

On Saturday, May 11, the Canton Lions, under the direction of Lion Don Fogarty, Chairman, and Lion Bill Loughran, Co-chairman, will be sponsoring a free glaucoma clinic at the Canton Lions Den. The Den is located on Canton Center Road and Proctor Rd., Canton Township.

Edith

(continued from page 1)

on, fire has gained considerable headway and situation is serious enough so that escape may have to be through the windows.

If smoke is light proceed to the other bedrooms and awaken others. If smoke is thick close the door and awaken the others by shouting and pounding on the door. There is usually a smoke free area about 18 inches above the floor and crawling on hands and knees will enable you to breathe this air.

If the door is closed upon awakening to the smell of smoke and the light is on then the door should be checked for warmth. If one were to open a hot door, a wave of super-heated smoke and toxic gas under considerable pressure would instantly engulf him, render him unconscious or even kill him. Feeling the temperature of the door is all important!

A problem arises when a home has someone who is quite ill or bedfast. In these cases it is mandatory that the person's door be closed every night since the fire must be delayed as long as possible until the firemen arrive. If you have this situation it is wise to inform the fire department and windows in their bedrooms should be marked on upper left corners (looking from the outside) alerting the firemen for a speedy rescue operation.

Escape through a window - one-story homes almost everyone can drop the distance to the ground without injury. However if the bedroom has only half-windows four or five feet above the floor it would be necessary to use a chair, dresser or ladder to climb on before squeezing through the window. Second floor bedrooms means a drop of 15 to 20 feet to the ground. For older children this might not be too serious but for adults it could be almost impossible.

Ann Arbor Road Sidewalks Are Discussed

by Dan Herriman

A public hearing was held on the construction of a sidewalk along Ann Arbor Road at the City Commission meeting Monday, May 6. A hearing on the proposed zoning ordinance to permit apartments above commercial or office uses in the Central Business District (CBD) was also on the agenda.

With attendance pertaining to the sidewalk to be built along Ann Arbor Rd., Bud Grace, owner of Daly Restaurant at Ann Arbor Rd. and Main, asked the commission if the state planned to appropriate funds for the construction. Mary Childs, Planning Commission member, responded with a 'no' and said merchants in that area had supposedly been notified of such.

Jack Selle, whose Buick dealership is located on Ann Arbor Rd., questioned the cost of the sidewalk project. According to City Manager Fred L. Yockey, one bid at \$7.95 a running foot was estimated at a total cost of \$37,000. Ann Arbor Rd. is a boundary line between the city and township and apparently these two governments cannot come up with similar figures for the cost of the sidewalk. The Planning Commission reported that they would be prepared to take formal bids within 45 days.

The zoning ordinance to allow apartments above commercial or office areas in the Central Business District was approved by the City Commission. Al Thomas, a member of the Planning Commission, informed those present that residential apartments which were not previously permitted under the fourth floor. Apartments will now be allowed on the second floor in the C.B.D.

Monday, May 27, is Memorial Day. The American Legion's Memorial Day Parade participants will assemble at 9:30 a.m. on Monday at the parking lot of Central School (the old high school). The parade is to start at 10 a.m. and will end at Kellogg Park.

Canton Jaycees presented a \$700 check to Plymouth State Home last week. Pictured, left to right, are Dan Golec, Dale Houghton, John Gregory, Ken McDermott and Frank Hlavin.

Area Residents Attend MNBA Convention

Six area residents attended the third semi-annual convention of the Michigan News Broadcasters Association (M.N.B.A.) over the past weekend, (May 3, 4, 5). The convention was held on the campus of Central Michigan University.

Attending the convention from the Plymouth Schools' 10 watt radio station (WSDP 89.3 FM) were Paul Sincok, Mike Radzik and Bill Collins. Attending from WEMU, Eastern Michigan University's radio station were Tim Adler, Bill Gulau and Dennis Hartford. All are Plymouth area residents.

The group attending workshops covering the legal aspects of broadcasting, covering

the State Capitol, network news, editorial decisions and public affairs programming, among others. The keynote speaker at the convention was Republican Governor, William G. Milliken.

The purpose of the M.N.B.A. is to promote radio and television as a new media... to improve professional standards... and to promote the exchange of information among members. Members of the M.N.B.A. are radio and T.V. newsmen from across the State of Michigan.

Death Notices

Mrs. Nellie I. Mayfield of 257 Hamilton, Plymouth passed away April 30 at Hendry Convalescent Home. Mrs. Mayfield was 73 years old. She is survived by her spouse, Edgar A. Mayfield; daughter, Rose Ann Brayshaw; stepsons, Paul and Robert; brother, Armsey Peacher; eight grandchildren and five great grandchildren.

Mrs. Mayfield came to Plymouth 40 years ago from Grand Rapids, Michigan. Services were held Friday, May 3 at Schrader Funeral Home; Rev. Philip Rodgers Magee officiating. Interment was at Cadillac Memorial Gardens West in Westland.

Mrs. Gladys G. Brown of 22608 Lange, St. Clair Shores, passed away May 1 at St. Joseph Mercy Hospital. She was 75 years old. She is survived by five sons, Arthur, Chester, Charles, Raymond and Ronald Finney; three daughters, Mrs. Marguerite Coe, Mrs. Lenora Coe and Mrs. Dortha Brown; four stepsons, Lloyd and Lester Brown, and Edwin and Ross Farr; and one stepdaughter, Mrs. Ruth Cole; 43 grandchildren and 36 great grandchildren.

Mrs. Brown was formerly of Westland. Services were held May 3 at Schrader Funeral Home. Rev. Forest Hampton officiating. Interment was at Arbor Crest Cemetery, Ann Arbor.

Last Monday a Memorial Service was held at the Salvation Army Church in Plymouth for Urbin R. Sutfin age 88. He was known by all who knew him as "Doc Sutfin." He worked seventy five years as a butcher and meat cutter. His last years were with John Rogin in his Penniman Avenue market.

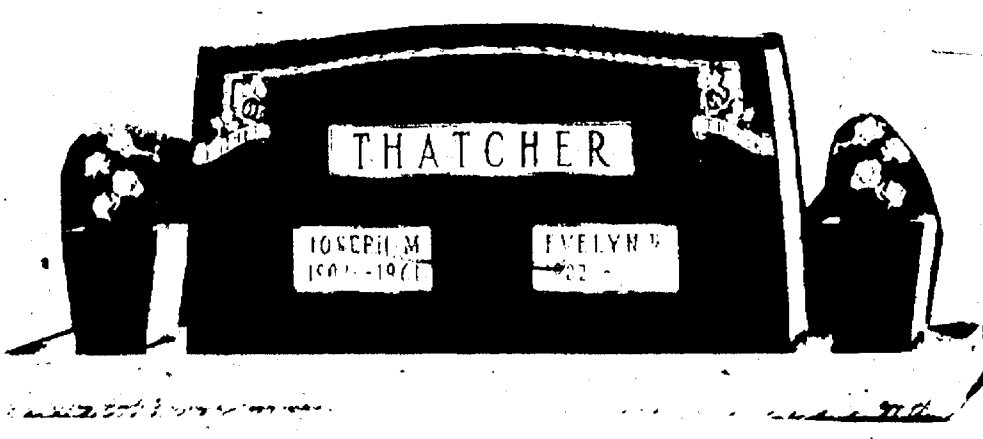

Mr. Sutfin is survived by his wife, the former Gladys Herrick - Ebersole. Also four children, Jack Sutfin of Blanchard, Fay Sutfin of Alma, Ilah McCuaig of Lansing and Erma Kegley of Minneapolis, Minnesota. He leaves also a brother Lewis Sutfin of Flint and sister, Florence Oakes of Elwell.

Step children who knew him as "Dad" are Howard Ebersole of Starkville, Mississippi,

Dorothy Kahal of Mission Viejo, California, Clare Ebersole of Livonia and Keith Ebersole of South Lyon.

Mr. Sutfin suffered a severe stroke at his home on Maple Street where he had lived the past twenty eight years. He succumbed one day later on April 26th. Ashes, after cremation, will be taken to his former resort home on the shore of Intermediate Lake in Antrim County.

Infant Deirdra Jean Cunningham, daughter of Mr. and Mrs. Dennis Cunningham of Plymouth, died April 25. Services were held April 26 at 11:00 with Reverend William Ritter officiating. Interment was at Riverside Cemetery.

CRIER'S LITE

On July 22, a 45-15 pilot program will begin at Miller elementary school. The decision to use the 45-15 program was strictly up to the parents of the students at Miller School. The general consensus is that these parents and their children are enthusiastically waiting to try the pilot program. It will be interesting to see the outcome of the program and how it will be accepted at other elementary schools in the area.

At a presentation at Fiegel School, Dr. Earl Hogan pointed out to the people the advantages and disadvantages of 45-15. The majority of the people were receptive, and as Hogan

mentioned that this system will not become mandatory, people then seemed to be more in favor of the system.

But as in any group of people, there are always the ones that are unaccustomed to change. If the 45-15 plan is to work and work well, the people of the community must give it a chance. It's unfortunate, that the people that were skeptical, didn't really present any valid reasoning. The majority of the people in favor of the plan liked it because their children have an opportunity to retain knowledge longer by using the plan and 45-15 is hopefully the best alternative plan in comparison to

other plans used in over populated school districts. But the minority disliked the program because it was new or that it interfered with vacation plans.

If the program is going to work, the people must give it a chance. The people that are pro 45-15 will benefit in the long run. The people that are against the plan should re-evaluate their reasoning and after looking at the alternate plans, (split sessions, new buildings, longer days) realize 45-15 is not only a good plan for over population, but also a benefit to the person that needs it the most... THE STUDENT.

Letters to the Editor

Bond Proposed

To the editor:

As a property owner and registered voter in the Plymouth Community School District, I wish to make some comments on the coming Bond Proposal for three Elementary Schools and the needed addition at Canton High School.

I would urge every citizen to take a drive through Canton Township, from the newly built subdivision to the homes under construction. Take a good look at the number of bicycles, swing sets, and other signs of the many children that are living there. We need more Elementary Schools to give these youngsters a good education. We also need the completion of Canton High School. One year of gym is required for graduation and every student at Canton must walk to Salem (and back) for their gym classes.

Since attending most of the School Board meetings and some Workshops this School year, I know that our School Board Members and Administrative Staff have spent many hours in making the decision of what the School District needs. And we need the Millage Renewal and the Bonding.

The voters also have the opportunity of approving a badly needed Safety Millage. I would encourage every citizen to be informed and vote YES on all three proposals on June 10th.

Sincerely,

Loretta J. Olson

P.S. We enjoy reading your paper and want a one year subscription.

Thank Optimists

On behalf of the members of the Centennial Educational Park Chess Club and their sponsors,

may I extend to the Optimist Club our sincere appreciation for your recent donation of 12 chess sets to the Club. I am sure the boys and the sponsors appreciate your cooperation and will put the chess sets to good use.

I believe you are aware that Mr. Kaiser and Mr. Anderson plan to host the first annual Centennial Park Chess Tournament sometime before the end of the school year. I am sure the chess sets will be an important part of that tournament and will be most helpful to our sponsors.

Once again, my sincere appreciation to you and the members of the Optimist Club.

Sincerely yours,

Kent A. Buikema, Principal,
Plymouth / Canton High School

Bus Safety

To the Editor:

For the past two weeks, Mr. Jack Seward and myself had the privilege of being invited to Plymouth Schools to give school bus ridership assemblies for grades kindergarten thru 12th.

After giving these assemblies, we felt we should take time to express our sincere "THANKS" to the complete student body, Administration, the Jaycees, and the Kiwanis for their courteous attention and interest. These students are certainly a great credit to themselves and your whole community.

We are sure after giving programs for several thousands of students that each bus driver, teacher, and school administrator who attended the programs must have been very proud of the leadership you must have to accomplish this.

Of the many districts these programs have been presented, it has been our opportunity to objectively evaluate an opinion of the students, teachers, and

administrators. In none other have we found more resourcefulness, interest, enthusiasm, and desire to bring student motivation, and response.

It has really been a pleasure to share this experience with the students of this fine community.

Respectfully

Yours For A Safer Ride,
Barbara Vos

Eastern and Western Michigan University Pupil Transportation Division, Ypsilanti and Kalamazoo

Ecology Week

May 6 marked the beginning of Ecology Week for Canton High School students in Plymouth.

During Ecology Week, students will learn about home gardening and transplanting trees and shrubs in mini-courses taught by Community Service teacher Bob Thams and Community Service student teacher John Abernathy. Jerry Draheim, from Wayne County Extension Service, will speak to students on planting trees and flowers.

The students plan on planting Moraine Locust shade trees discounted by Folker's Nursery and constructing a mall area complete with gravel donated by Whittaker and Gooding Company. In addition, 500 pine seedlings will be planted along the back of the school to beautify the area and act as a windbreaker.

Plants will also be brought inside the school and hung in the corridors through the use of hanging planters made by Canton student, John Moore, in Mr. Patrick Gorman's plastics class.

Come out and see what the Canton students are doing!

Name Withheld

Immunization Program

Plymouth Board of Education
Mr. John M. Hoben, Superintendent
454 South Harvey
Plymouth, Michigan 48170

Dear Mr. Hoben:

I would like to take this opportunity on behalf of the Wayne County Department of Health to thank you and your staff, especially Dr. Edwin Page and his staff, for the help and cooperation extended to our immunization team during the school clinics.

I am pleased to inform you that the school clinics were extremely successful. I have listed below the amount of vaccine administered by school and type.

School	Vaccine Administered		
	Oral Polio	Measles	Rubella
Miller	249	99	88
Treadwell	23	12	14
Smith	152	82	74
Allen	208	108	85
Tanger	152	88	81
Central	94	56	55
Farrand	174	89	79
Starkweather	110	58	54
O.L. of Good Counsel	154	70	66
Bird	123	59	58
Fiegel	189	81	82
St. Peters	29	10	12
Geer	13	5	4
Isbister	208	104	106
Gallimore	183	84	90
	2061	1005	948

The total attendance was 2,295. Almost 50 percent of your children received one vaccine or another.

At the end of each clinic a list of children and the vaccines they received was left with the principal. This will facilitate his secretary in up-dating the childrens' medical records.

We realize that it is difficult to please everyone in a clinic situation such as this and unfortunately many children had to be turned away for one reason or another (i.e., medical contraindications, illness, age, incomplete consent form, child on medication etc.). When a child had to be turned away a letter was sent home with him advising his parent of the situation.

We certainly hope we created as little disturbance as possible while visiting your buildings.

Sincerely,

Henry C. Downs, W.C.H.D.

Immunization Representative

THE 1974 WINNERS of the annual Pinewood Derby of Allen School Pack 743 are first place Greg Kennel, second place John Retting, third place John Speers, fourth place Ron Hurley. (Best appearance trophy went to Tad Hall and Best Design was given to Mark Bistersky.)

Local Girl is Governor

by Dan Herriman

Shelly Robb, a senior at Plymouth Salem High School, was elected governor when the Michigan Hi-Y Clubs met in

Local MACLD Chapter Meets

The Plymouth - Northville Chapter of MACLD (Michigan Association of Children with Learning Disabilities) had its first board meeting at the home of Patsy Rollins, publicity chairman, to organize the chapter.

In the future, the chapter hopes to accomplish: (1) a presentation to the Plymouth Board of Education to inform them of the organization and its purpose; (2) publication of a monthly newsletter for parents of Learning Disabled children and teachers, in hopes of educating them in the area of Learning Disabilities; (3) presentation of speakers who are well known in the area of Learning Disabilities; (4) to inform the public of the Mandatory Education Act PA 198, as to what Learning Disabilities are, what services are available, who to contact for information, what members of MACLD are doing and can do to help; (5) to promote the Bucket Brigade throughout the Plymouth School System, which is a voluntary tutorial type of help or one to one tutoring for children in kindergarten-through third grade; (6) to have a motor development gym program for Learning Disabled Children.

The next board meeting of the MACLD will be held on May 8, 1974 at 7:30 p.m. at Pioneer Middle School.

Lansing recently for the 26th annual Youth In Legislature Convention.

Shelly is interested in politics and has actively supported various candidates. She plans to continue her education after graduation, but is undecided as to where she will go.

"I'm considering going into social work and I hope to minor in political science," said Shelly of her career.

Ms. Robb enjoys playing tennis and reading while she isn't working at Grandma's Take Home where she holds down a part-time job.

Performing the same duties Governor Milliken does, Shelly reviewed all the legislature that other students submitted. She met Milliken and several representatives and senators.

"I consider this a very valuable learning experience and I am honored to have been elected to this position. I'm looking forward to the experiences it will bring," commented Ms. Robb.

Shelly will go to the National Youth Governors Convention in North Carolina in June and then on to Washington, D.C. in July. She was offered the opportunity to visit Asia but has turned it down.

Church Open House

A family open house to discuss the topic "God, his prophets past and present," will be held at the Church of Jesus Christ of Latter-day Saints in Plymouth, 496 W. Ann Arbor Trail, Friday, May 10, at 7:30 p.m.

The public is invited to the program which will trace the influence prophets have had in the lives of men from the Old Testament days to the present.

A belief of the Latter-day Saints Church (Mormon) is that revelation still exists between God and Man.

The dramatization will include the family home evening concept of the church as a means of strengthening the family unit.

The National Farm and Garden Society of Plymouth donated money to help defray the cost of materials for various projects during Plymouth Canton High School's Ecology Week (May 6-10).

Features

Light the Night

by Tim Ford

Plymouth Police Chief

(last of a three-part feature)

In addition to making household security a habit each time you leave your home, there are many other ways to protect your property and yourself.

Females living alone should never advertise the fact. Telephone book listings and apartment house bulletin boards should never list "Miss" or "Mrs." and first names should never be used. Instead of "Miss Mary Jones" it should read simply "M. Jones." Should a stranger call on the telephone, be guarded in your conversation. Don't let him know that you live alone or when you may be away.

Arrange with your immediate neighbors to watch your house while you are away. Leave a key with them and a phone number where you can be reached in an emergency. DON'T leave door keys in milk chutes, under door mats, or on top of door frames. The burglar knows all these places. Don't make it easy for him.

If a prowler is spotted, don't shout or turn on lights. Go to a phone and dial the operator. Ask for Police Emergency. Give the answering officer the prowler's description and other pertinent information, keep the prowler under observation until the police arrive. Don't try and tackle him yourself. A trapped burglar is extremely dangerous.

Keep your garage locked. Undoubtedly there are ladders and tools stored there which could possibly assist the burglar. The theft of garden tools such as power mowers is also on the increase. Remove the keys from your garaged automobile.

If you have a milk chute, make sure that if it is forced open, the thief cannot reach in and unlock an adjoining door. If the milk chute is fairly large, as in older houses, latch and bar it. There are cases on record where burglars of slight build have gained entry through milk chutes.

A major problem facing police departments today is tracing and identifying recovered property. Thousands of dollars worth of

recovered stolen property cannot be returned to the rightful owners simply because the goods cannot be traced or identified. Record full descriptions and serial numbers of all articles of value which are attractive to the house burglar. This would include TV's, radios, stereos, cameras, projectors, watches, all small appliances, shotguns, rifles, handguns, typewriters, etc.

If you must keep certain valuable items in your house, use imagination in selecting a place of concealment. A burglar will invariably ransack the bedrooms, check all the closets in the house, search all drawers, and give your basement a quick check in the hope that there may be a small safe in the fruit cellar. Try to avoid keeping anything of value in a safe, but if this cannot be avoided, anchor the safe securely to the structure. This will prevent him from attacking it successfully right there.

Stocks, bonds, securities and the like should NOT be kept in the home, but rather in a bank safety deposit box. Valuable coin and stamp collections and jewelry should likewise be protected. If for some reason you cannot follow this advice, record all information available and take close-up photographs of all valuable items of jewelry. Any article which does not bear a serial number, and those from which the number can easily be removed, should be marked in such a manner that POSITIVE identifications can be made. Articles of clothing, especially fur coats, should be marked with indelible ink as labels can be easily removed, reducing chances for identification.

Mrs. Elizabeth Levin demonstrates just some of the varied travel materials available at the Dunning-Hough Library.

Photo by Bruce Phillips.

Library Aids Vacationers

by Elaine Edford

Thinking of going on a trip? Before you get out your AAA card (or make plans to borrow someone else's) stop by the Dunning Hough Library in Plymouth and take a look at the many travel materials they have on hand.

In addition to the usual array of tour books and maps (all of which you can check out) the library has a store of economic guides, cassette tapes, records, picture guides and local maps for just about any place in the world. The library stocks detailed information about every state in the U.S. and just as comprehensive information about many countries around the world. Even language tapes can be checked out if you are planning a trip to a foreign country and want to brush up on the local language.

States Elizabeth Simescu, of the Dunning-Hough Library, "Everyone thinks that a library just stocks books - we have much more here than books." Even if you're not planning a trip, Ms. Simescu welcomes anyone who would like to explore the varied facilities of the library. The library is open Monday thru Friday 10 a.m. to 9 p.m. and Saturday 9 a.m. to 5 p.m.

Good times were had by all at the Canton Newcomers' Rock n' Roll Revival dance last Saturday, May 4. Dick Puritan was the Master of Ceremonies and he presented albums to the best dancers. Everyone was dressed for the occasion in everything from bobby socks to prom dresses. It was a smashing success.

Westland Nursery 'Spring Roundup'

Westland Nursery, Inc. will be holding it's Spring Roundup on May 15, 1974 at 7:30 p.m.

Westland Nursery, Inc., a cooperative nursery school, is located in the Newburgh United Methodist Church, 36500 Ann

Arbor Trail, 1/4 mile east of Newburgh Road, and one mile west of Wayne Road.

Each nursery session includes free play, creative projects, story time, juice and cookies, and

group activity with the teacher.

Approximately once a month, field trips are arranged. In the past, those have included visits to a farm, an apple orchard, a turkey farm and the library.

More Bike Rodeos

The first of a series of bicycle safety programs or bicycle "rodeos" sponsored by the Plymouth Schools took place in late April. Students from Farrand, Tanager, Starkweather, St. Peters, Our Lady of Good Counsel and Central Middle School met at Central to participate in bicycle skill tests and instruction aimed at teaching youngsters safe bike riding skills and habits. Instruction was offered for elementary students through high school students. Bright bicycle safety flags were given away to the participants through the cooperation of the National Bank of Detroit.

The third rodeo will be held May 11 at West Middle School for students from Bird, Smith, Geer, Central Elementary, Canton and Salem High Schools and West Middle School students. The time will be 9:30 a.m. until 12 noon.

The final rodeo will be at Pioneer Middle School, May 18, 9:30 a.m. to 12 noon for Isbister, Miller, Gallimore and Pioneer students. At this time six bicycles will be presented to the students whose names will be picked at random. To qualify for the drawing the student must have answered all the questions correctly on the bicycle safety test that was given at each school.

Special Interview With A Special Teacher

by Dennis O'Connor

Mr. Pat O'Donnell is a very important part of Plymouth Centennial Education Park as he is an instructor of the special education children at the high schools.

Along with Sally DeRoo, O'Donnell is part of a team which is building a new program to help the "Special Ed" kids around the community.

To be a teacher of this nature, a person must have the patience and desire to help these kids learn things which will help them be part of the society. Mr. O'Donnell has this patience and desire that helps him relate to the children and for the children to respond to him.

Besides regular classroom work, Mr. O'Donnell takes the boys down to the auto shop area where he instructs them on the mechanics of a car. O'Donnell also instructs the children on the preparation of food, waiting on, and serving people. The children get their practice in this field as they prepare a lunch for the Canton teachers twice a week.

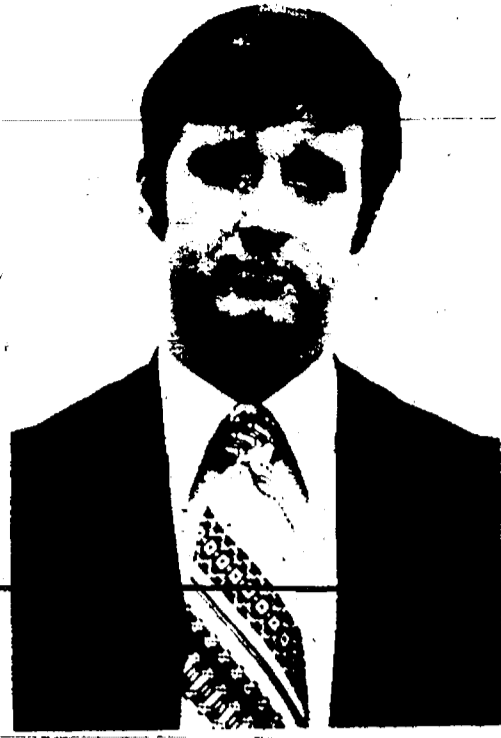

O'Donnell is an Indiana boy where he attended Purdue University before being transferred to St. Joseph's College, Rensselaer, Ind.

He graduated from St. Joseph's in 1968 and obtained his master's degree (Special Education) from Indiana University in 1972.

His graduate research at Noble Center for Retarded Children (in Indianapolis) saw him working with pre-school mongoloid children.

In his first year at Plymouth, Mr. O'Donnell has showed everyone his unselfish caring to make the children a wanted part of the community. With him, the whole "Special Ed" system has taken a change for the better.

Mr. O'Donnell was also quite an athlete in his school days as he played freshman basketball and two years of track at St. Joseph.

PAT O'DONNELL

He coached junior high basketball in Indiana before taking over the reins as the freshman coach at Plymouth-Salem. His Indiana basketball knowledge (along with his leadership) sparked his team to a 9-5 record this year. Coach O'Donnell has never coached a team to a losing record.

O'Donnell has also taught economics and government, but the Plymouth Community is glad he's here being a special teacher for some special kids.

Plymouth-Salem Graduation Exercises

The Plymouth - Salem senior class will hold it's graduation exercises on Wednesday, June 12, at 8 p.m., at the Centennial Park football stadium.

Dr. Maurice A. Crane will be the guest speaker that evening. Dr. Crane received his M.A. from the University of Illinois, where he was a teaching assistant in the English Dept. In 1953, Dr. Crane became an instructor in communication skills at Michigan State University, where he is now involved with the audio - voice library.

Crane has written various articles for professional journals, and his poetry has appeared in the University College Quarterly.

He received awards from Omicron Delta Kappa, and was one of six faculty members honored at the First Honors College Convocation in 1969.

Crane has studied at Cambridge, England, and traveled extensively in Europe and Asia during the mid 60's.

WHAT IS CHIROPRACTIC?

Chiropractic is a Philosophy, Science, and Art of things Natural; a system of adjusting the articulations of the spinal column, by hand only, for the correction of the cause of the disease.

The adult spinal column consists of the superior 24 freely movable bone segments, called vertebrae, together with the sacrum and coccyx. All the great nerve trunks emit thru the openings between these vertebrae which openings are known as the inter-vertebral foramina. The vital nerve force within man is carried by these nerve trunks from the brain to the various organs, muscles, and tissues of the body.

For every effect you must have a cause; that is a fundamental law of physics. If a person is ill, then the condition of disease, regardless of the name applied to it, is in fact an effect for which there must be a cause.

The Chiropractic premise is that the cause of disease is due to the subluxation of vertebrae, which produce pressure upon the nerve trunks and thus interfere with the normal transmission of vital nerve force.

The Chiropractic objective is to locate the point in the spine, where nerve pressure exists, due to a vertebral subluxation, and, thus proper adjustment by hand, to restore the subluxated vertebra to its normal position, thus releasing the pressure on the nerves involved and thereby removing the cause of disease in the body. Renewed health is the natural result.

Chiefs Are for Real

by Dan Herriman

The Plymouth Canton Chiefs are on their way to the top, defeating first rated Livonia Churchill last Wednesday, 1-0, at Haggerty Field. The seniorless Chiefs are now tied for first place with the Churchill Chargers; both teams holding 4-1 league records in Western Six Competition.

Canton Coach Fred Crissey had this to say to his Chiefs enroute to Haggerty Field, "There are many times in your life you will look back and say, 'I wish I'd have done that.' Let's be able to look back and say, 'We did it!'"

And the Chiefs can say just that. 6'3" Sophomore Bill Parson pitched a one-hitter against the number one team. Parson struck out nine, walking zero in his seven innings on the mound for his second league victory. The first one came two

Mark Stephens makes a dash to first.

(continued on page 14)

Plymouth Beats Edsel Ford

by Dennis O'Connor

The Plymouth - Salem bats were alive last Tuesday (April 30), as they banged out 13 hits in a 12-3 demolishing over Dearborn Edsel Ford.

The Suburban Eight league win was the Rocks' third of the season.

The homerun ball told the tale in this one as Plymouth's Jeff Waller, Mark Stephens, and Darry Hamlin knocked shots over the fence. All three homeruns came in the first two innings as the Rocks compiled a 9-0 lead.

The second inning featured a big outburst of six Plymouth runs as they sent ten men to the plate.

The Rocks' scoring assault continued in the third inning when they added two more to make it 11-0.

A single run in the fourth closed out Plymouth's scoring as it made the score 12-0.

Junior lefthander Tom Willette started for the Rocks and worked the first four innings in picking up the win.

John Chiatialis finished up for the Rocks giving up all three runs to Edsel Ford. Both pitchers struck out eight batters.

Stephens led the hitting attack for Plymouth going 3 for 3, adding two RBI's. Hamlin batted 3 for 4 picking up a triple besides his homerun while batting in three runs. Danny Moore collected two singles and Jeff Waller had two hits and two RBI's.

Waller is a welcome addition to the Rocks' lineup after being out earlier this season. He serves as Plymouth's clean up hitter and plays a steady third base.

Plymouth suffered its first Sub-8 loss last Thursday (May 2) as they fell to the Bentley Bulldogs 6-3.

With the score 2-2 in the fourth inning, the Bulldogs exploded with four runs to put the game on ice. Bentley scored its runs on four hits and were

helped by two Plymouth errors.

The Rocks collected a mere four hits all day with Hamlin accounting for two of them.

Bill DenHouter started and took the loss as he worked the first three innings. Willette pitched the next two with Waller finishing up.

Curt Richards picked up the win in relief for Bentley as the starter Doug Murphy was thrown out in the third inning for throwing an illegal spitball.

Coach Wayne Sparkman's Plymouth Rocks now have an overall record of 5-6 for the year.

Mr. Kaiser and Mr. Anderson's Plymouth Centennial Educational Park chess team defeated Stevenson High School 5½ games to 3½ games May 1 at Plymouth Canton.

Chiefs

(continued from page 13)

days earlier against Northville in that 2-1 triumph.

Churchill's man on the mound, Kevin Nelson, gave up four hits, walked one, and hurled six strikeouts in his seven innings.

After a scoreless tie through six innings, Canton's Mike Verduce singled to left in the top of the seventh. Catcher Tom Close sacrificed Verduce to second. Brian Stemberger popped out to first, followed by Dave Pink who chopped a single to right to score Verduce for the winning run.

In the bottom of the seventh, Charger Al Leirstein started with a base hit. Larry Lipa was struck out, but B.J. Lajoi gave Churchill hope when he was hit by Parson to move Leirstein to second. Jay Nelson flied out and Pitcher Kevin Nelson struck out to end all aspirations.

Canton took another league win 48 hours before the unexpected victory over Churchill. They defeated the Northville Mustangs, 2-1, in an extra inning at Central.

The win was Bill Parson's as he pitched the last three innings, allowing no runs on two hits, and striking out four. Chris Marfucci started for Canton. He struck out three, giving up five hits in his five innings on the mound.

Mustang Pitcher John Boland hurled 11 strikeouts as he pitched the complete game. He walked two and gave up three hits.

After four scoreless innings, Boland singled to the infield in the top of the fifth, and Ed Kritch doubled him to third. Bill Leu grounded to left field; Brian Stemberger grabbed it and threw Boland out at the plate. Kritch moved to third and Leu was safe at first. Bill McDonald singled to score Kritch.

Canton came around in the bottom of the fifth when Stemberger walked and Dave Pink sacrificed him to second. Paul Major ran for Stemberger. Mike Verduce struck out and Chris Martucci singled Major home to tie it up, 1-1.

In the bottom of the eighth, Ed Periseau ran for Pink who walked to first. Verduce singled to right moving Periseau to second. Martucci was at bat when the ball got away from Mustang Bill McDonald and Periseau raced home on a hurried throw to third that went into left field.

Waterwaves Kathy Malin (front) and Janet Begne (back) practice for the "Three Rings on the Waves" swim show, May 9, 10 and 11, 8 p.m. at Plymouth Salem High School.

Swim Show at Salem

With months of hard practice behind them, the Water Waves have only final preparations to make for this year's show titled "Three Rings on the Waves."

The 31 synchronized swimmers will perform Thursday, Friday and Saturday, May 9, 10 and 11 at 8 p.m. in the Plymouth Salem High School pool. Admission is \$1.

The show revolves around a circus, with each routine representing a different circus act.

Privileged Soloist, Mary Beth Whittaker chose to interpret "The Sad Clown."

Three duets consist of Shirley Roebuck and Rita Walker in "Evil Knivel," Pat Hayden and Barb Smith in "Cannon Misfits," and Janet Boyne and Kathy Malin are the "Jerky Jugglers."

The trios are Diane Hissom, Sandy Kilgour and Kathy Lewelling as "Salty, Sausy, and Sassy" the seals. And Gail Bowe, Sandy Drouillard and Gail Schultheiss as "The Vanishing Magicians."

There will be four quartets this year. They involve Julie Gladstone, Pat Hayden, Barb Smith and Shirley Roebuck in the senior number "Teetering Topsy-Toes." Allison Cook, Sue Dostie, Kathy Malin and Sinda Nichols will be "Regal Royalty." Gail Bowe, Julie Gladstone, Diane Miller and Kathy Shephard swim to "Balloons and Memories," and "The Amazing

Aquabats" are Janet McCue, Diane Pickens, Ann Hewett and Nancy VanScoit.

Two quintets will be done with Rita Walker, Lauren Chatterly, Tamie Crespo, Diane Miller and Barb Rutter in "Rolling on the Waves." Comedy diving involves Jane Anderson, Lauren Chatterly, Tamie Crespo, Diane Miller, and Kathy Shephard who call themselves "The Clumsy Clowns."

"Pink Panthers" is one sextet with Sandy Kilgour, Diane Hissom, Kim Joiner, Jan Tittle, Sinda Nichols and Sandy Drouillard. A "Stampede" will be done by Janet Boyne, Bryelle Broome, Kim Joiner, Kathy Lewelling, Debbie Ochman and Gail Schultheiss.

There will also be one group of eight doing "Under the Big Top, After the Show" with Mary Beth Whittaker, Jane Anderson, Bryelle Broome, Allison Cook, Sue Dostie, Debbie Ochman, Barb Rutter and Jan Tittle.

The club is under the supervision of Mrs. Anne Massey, Salem Gym Teacher and Mrs. Laurie Howe, Canton Business teacher.

After the show, the club has a banquet at the Hillside Inn where awards are presented for best routine, outstanding senior, rookie of the year, high ticket salesman and highest in stunts. A \$100 Scholarship will also be awarded to a senior Water Wave.

Barb and Jackie Croci Talk About Track

by Brian Smith

Enthusiasm rates high on this year's girls track team, especially where rivalries are concerned, and none better exists than between two of the team's premier runners - Barb and Jackie Croci. Both have run track for two years, and both are very proficient in their endeavors.

Barb runs the 100 yard dash, the 220, and anchors the 440 relay. Barb has to be considered one of the best runners in the league, as last year she placed fourth in the Regionals in both the 880 run and in the 440 relay. Already this year she has won the 100 once and brought the 440 relay team home for a new school record of 54.7.

When asked why she runs track Barb responded, "It is a real challenge to press yourself to your own physical limit, and I believe that through track, you can find that limit - and strive to be the best." Barb continued by saying, "I believe this team can be a winner, a big winner, if they just start to have the confidence in themselves."

Barb's interest are not limited to track alone. Barb is very musically minded, as demonstrated by Jackie and her performances in the Rockette Show and the Joe Crissy Benefit, as well as Barb's singing role in Oklahoma. Barb is the Vice-President of the Junior Class, and is very active in student government. Barb also has played on the girls varsity basketball team for two years, and one year on the varsity volleyball team.

Jackie is equally talented. Running the 220 yard dash, and the 880 and 440 yard relays, Jackie has also achieved much success. Last year, Jackie's time was listed as the second in the State in the 220 yard dash for that year. After two meets this year, Jackie has won the 220 once and helped in obtaining new records in both of the relays.

Jackie is so fast, that she was considered a possible recruit for the boy's track team, but her reaction to that was, "I feel I have an equal opportunity for

success on the girl's team as on the guy's, and I can do just as well staying on the girl's team. Jackie related a problem that exists on the team, that of lack of team unity. Jackie feels that too much emphasis is placed upon individualism rather than team success. However, she said that one must realize that for the most part, track is an individualistic type sport.

Jackie has also gained notoriety in other pursuits than track. Jackie has been in the choir for two years, and Jackie and Barb have teamed up to make quite a duet, as evidenced

by the recent performances. Jackie is also a hard working member of the student government, and she and Barb were major contributors to the success of the Junior Class. This was Jackie's first year on the varsity volleyball team, and this is her second year as a varsity runner on the track team.

Coach Thomann is very lucky to have Barb and Jackie on the team, as they make for quite a pair of athletes, and Barb and Jackie are the high quality type of athletes that are successful on AND off the track in their interests.

Patty Larson, Kim Sellman (left) and Diane Balsley and Jon Gastin (right) pose during their "Dixie" number at Plymouth's first ice show last week.

Girl's Track

by Dennis O'Connor

The Plymouth-Salem and Plymouth-Canton girls participated in two triangular meets last week with Westland John Glenn and Livonia Bentley.

Glenn edged the girls in the first triangular held at Glenn (April 29) by the score of 57 1/2 to 46 for Plymouth-Salem and 12 1/2 for Plymouth-Canton.

The first place winners for Plymouth-Salem were Shawn Haarz in the half mile run, Sue Mills in the high jump, Barb Croci in the 220 yard dash, Colleen Modre in the 440 yard run, and the Plymouth-Salem 880 medley team. The lone first place winner for Plymouth-Canton was Sue Myrtle in the mile run.

Coach Fred Thomann (Ply-Salem) and Ann Buie (Ply-Canton) took their respected teams to Bentley last Wednesday (May 1) as Plymouth-Salem won 55 to Bentley's 35 and Plymouth-Canton's 25.

The Rocks dominated the action as they took seven first place wins of the eleven events.

The Chiefs had two first place winners in Sue Rutter (long jump) and Sue Myrtle (mile).

Results - Plymouth-Salem 55; Bentley 35; Plymouth-Canton 25.

Long Jump: Rutter (PC) 14'6"; Preyer (B); Balan (B).

Shot Put: O'Neil (B) 29'5 1/2"; Mills (PS); Cezat (B).

Business

Safety and Business

The Occupational Safety and Health Act of 1973 is an all-encompassing law providing for extensive safety programs and practices in U.S. businesses. As part of the program to educate employers and supervisors on the importance of worker safety and on the employers' great responsibility should an accident occur, the OSHA publishes monthly instruction booklets called "Safety and Security for Supervisors." The following questions, and answers and information are taken from OSHA literature. All of the following information is available at the nearest U.S. Department of Labor OSHA office:

Q. What are some basic steps my company and its supervisor can take to comply with the safety law?

A. Here are some suggestions from the Labor Dept.:

- 1) Know the OSHA law - and keep up with new developments;
- 2) Organize safety seminars and meetings;
- 3) Develop job-hazard analyses for all operations that are potentially dangerous;
- 4) Maintain an effective safety training program for the workers;
- 5) Let your workers know that job safety is just as important as productivity.

Q. What kind of violations are inspectors on the lookout for?

A. Here is a list put out by OSHA of safety standards most frequently violated:

Machinery, sanitation, exits, ladders, materials handling, respiratory protection, condition of cords and cables, walking and

working surfaces, portable fire extinguishers, electrical grounding - electricity, overhead and gantry cranes, flammable and combustible liquids, outlets, switches, junction boxes, hand and portable power tools, powered industrial trucks, personal protective equipment.

Betty Pint

NBD Appoints Betty Pint

National Bank of Detroit has announced the appointment of Betty J. Pint to the Bank's Management Group. At the same time, Mrs. Pint was promoted to Manager at NBD's Ann Arbor Road - Harvey Office in Plymouth.

A lifelong resident of Plymouth, Mrs. Pint has been a banker for the past 30 years. She had been with the Plymouth United Savings Bank and

remained with NBD when the two banks merged in 1952.

She is a member and Past Treasurer of the Plymouth Business and Professional Women's Club. In addition, she is a member of the Plymouth Historical Society, the Plymouth Order of the Eastern Star and the NBD Women's Club.

Mrs. Pint and her husband, John, reside in Plymouth.

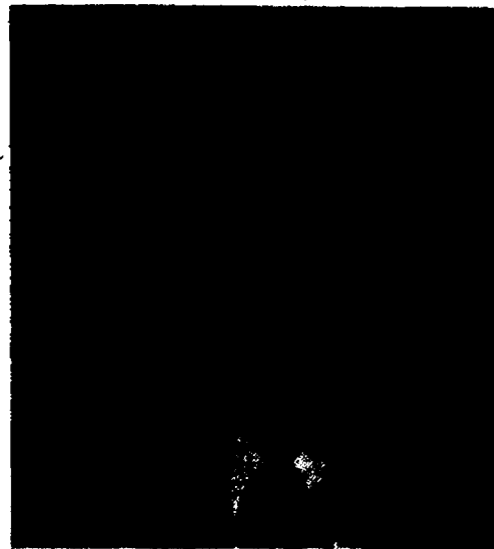

Local Woman at Real Estate Institute

Joyce Tschirhart of Plymouth was among the 75 persons attending Real Estate Institute II held at Holiday Inn, Farmington on April 29, 1974. The Institute is one of a series presented during the year throughout the state by the Real Estate Program of the University of Michigan Extension Service and Graduate School of Business Administration.

Courses in the program lead to a Certificate in Real Estate which is approved by the National Association of Realtors and the Michigan Association of Realtors as meeting the academic qualification toward the Graduate, Realtors Institute (G.R.I.) designation. These courses also provide preparation for the licensing examinations for salesmen and brokers administered by the Michigan Department of Licensing and Regulation.

Topics covered in the week-long intensive course included Tax Factors in Marketing, Closings in Real Estate Transactions, Advanced Marketing, Ethics Marketing and Legal Aspects, Residential and Income Property Appraising, Investments and Appraising, Real Property Management, Advanced Real Estate Finance, and Financing Construction.

For further information about the Real Estate Program and other Institutes scheduled for 1974, contact the Real Estate Program, the University of Michigan Extension Service, 350 S. Thayer, Ann Arbor, Michigan 48104.

Bruce Goodsite

Detroit Diesel Appoints Goodsite

Among public relations staff appointments at Detroit Diesel Allison Division of General Motors was that of Bruce Goodsite as public relations administrator. Goodsite operated his own marketing communications firm before joining the division's sales department in 1971 as advertising manager.
