PLYMOUTH, PLYMOUTH TOWNSHIP AND CANTON'S HOMETOWN NEWSPAPER

Vol. 1, No. 16

School Officials Ask for 'Yes' Vote

by Cheryl Nicholas

Citing the importance for continued excellence, school officials are asking for a yes vote on the renewal and bonding issue proposals in the upcoming school elections, June 10th.

The elections will also present voters with a new .4 safety millage and a decision on four school district board members.

The proposed \$9,975,000

bond issue will cover the construction of three new elementary schools, the completion of athletic and music facilities for Plymouth Canton High School, site purchases, and building renovations in each of the district's 19 schools.

The renewal issue would request voter permission to continue the use of 6.5 mills for operating costs. Approval of the

6.5 renewal mills would not involve a tax increase but a continuation of present operating expenditures.

And if passed, a one year .4 safety levy would be used for the following: Pedestrian overpasses, walking paths, walkways along school property, safety speed control devices, crossing guard equipment, and

two-way radio for bus emergencies.

Assistant Superintendent of Schools, Raymond Hoedel, maintains that passage of the bonding and renewal issues is vital if the present quality of the school system is to be maintained.

Reports issued by professional planning agencies of Wade Trim and Associates and Alden Dow Associates revealed that with existing school capacity, the school district will be minus facilities for 882 K-5 students by 1975-76 school year. By 1977-78 this figure will have reached 2,193.

Defeat of the building proposed in the bonding issue, according to the Citizens Election Committee, would mean increased bussing, higher pupil-teacher ratios and eventual extended school days or split sessions.

An unsuccessful renewal vote, says the committee would mean more students per teacher and less instruction and services to students.

However, Deputy Superintendent Earl Hogan, thinks that this year the campaign will be more successful as people familiarize themselves with the issues.

Hogan observed that when Central Middle School stood vacant for one year it was 'tough to sell people on building.' But now he believes with the use of Central School and the districts efforts to utilize facilities to the maximum by alternatives such as year round school, people recognize the need for building.

Proposals to initiate more building have been defeated twice by area voters in past years.

What will the three propositions cost school district homeowners?

Proposition I - 6.5 renewal mills represents no increase to taxpayers.

Proposition II and III are as follows:

| Home Market Value | Proposition II | |
|-------------------|----------------|--------------|
| | Cost Per Yr. | Cost Per Mo. |
| 30,000 | 19.35 | 1.61 |
| 40,000 | 25.80 | 2.15 |
| 50,000 | 32.25 | 2.69 |
| 60,000 | 38.70 | 3.23 |

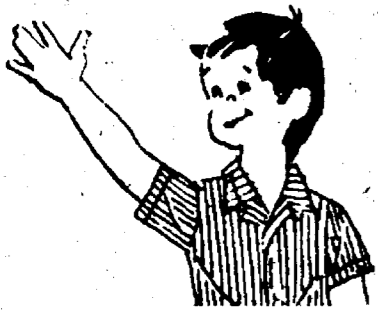

| Home Market Value | Proposition III | |
|-------------------|----------------------|-------|
| | One Year Safety Levy | Costs |
| 30,000 | 6.00 | 8.00 |
| 40,000 | 8.00 | 10.00 |
| 50,000 | 10.00 | 12.00 |
| 60,000 | 12.00 | |

CARRIERS WANTED

With the summer months approaching, many Crier carriers are going on vacation, and the Plymouth Community Crier needs delivery boys in all areas of Plymouth, Plymouth Township, and Canton. If you would like to earn some extra summer money, and are at least eight years old, please call 453-6900. Leave your name, address, and phone number.

Canton Democratic Club Announces Slate

by Cheryl Nicholas

Emphasizing the need for a 'people government' the Canton Democratic Club announced its five member slate of candidates for the August 6 primary election in the Canton High School cafeteria last Thursday night.

Nominees for the Democratic slate are Bob Greenstein for Supervisor, Carl Parsell for Treasurer, and Bob Myers, Jerry Cheske, and Joe Delauro for the three Trustee posts. The five candidates will run as a team in the upcoming elections.

In explaining the concerns of the five member slate, Bob Greenstein, Democratic Club chairman and Supervisor candidate stressed the importance of having civic representatives who would listen. Greenstein stated that if

elected the board would get as many people involved in the township as possible.

Featured among the slate's proposals for a responsive and participatory government was a consumer council to deal with building and commercial complaints and an executive assistance program to utilize the talents of the community on a 'voluntary, donated basis.'

The slate also suggested the formulation of an overall plan for the development of the community and the hiring of a full time lawyer to serve the township.

Slate candidates maintain that to pursue their objectives the 'team effort' spirit of a slate program is required. "You run as a slate so you have a team effort, have a majority of votes, and can get the things done that have to get done," stated Greenstein.

However, Brian Schwal, a prospective Trustee candidate objected to the slate approach.

Following the meeting Schwal remarked, "The thing I'm afraid (continued on page 3)

Dirt Dumped at L & D Texaco

by Dan Herriman

June 14, 1973 — a turning point in the lives of Mr. and Mrs. Chester Budzynski of 9125 Ridge Rd., Plymouth, marking the beginning of an episode which has not yet seen a break of daylight.

On that late spring day, L & D Texaco, located on the southwest corner of Ridge and Ann Arbor Roads, began hauling in the dirt that was originally to have been the foundation for a new gas station. It came continually for three weeks to follow. During this time, the eyesore was brought to the attention of the Plymouth Township Board.

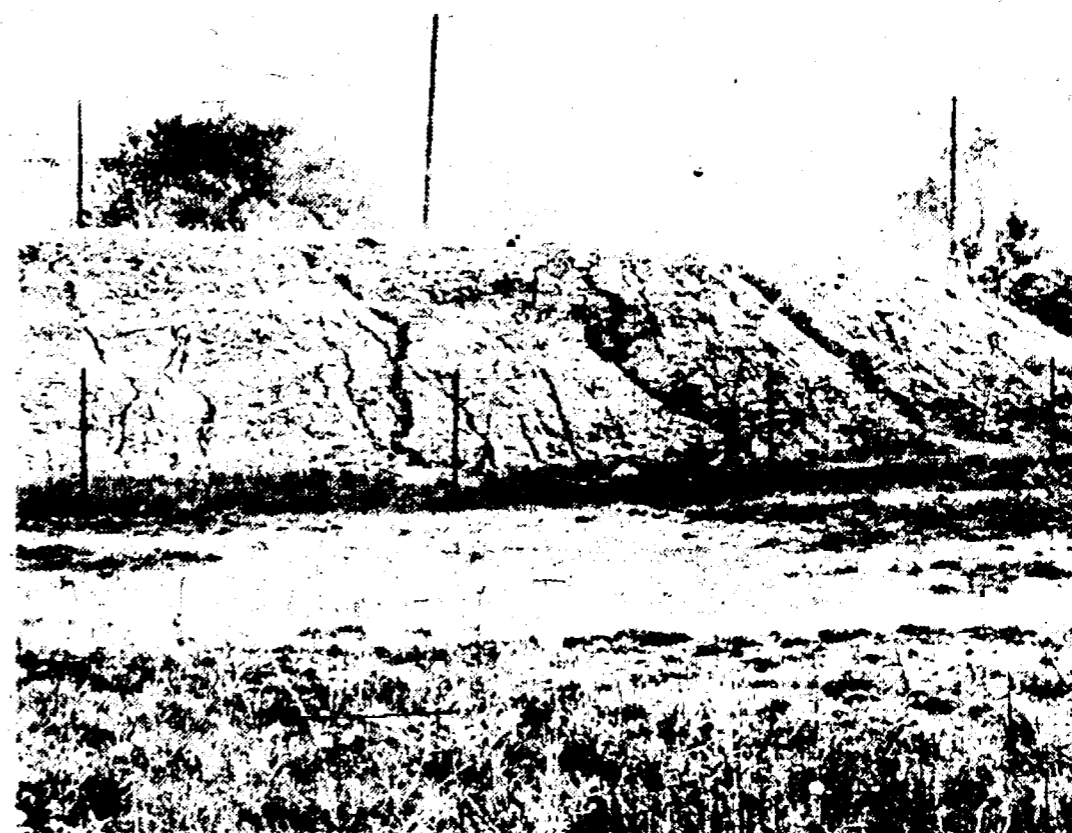

Chester and Mary Budzynski own the property adjacent to L & D Service.

"We now look out the back door of our house and see a pile of dirt 71 feet from the back door, 11 feet above our property line, and extending 300 feet inward from Ann Arbor Rd. At one time we had a beautiful view," said Budzynski.

Mr. and Mrs. Budzynski, who have resided at their Ridge Rd. residence for 26 years, are doing everything possible to fulfill their request for action. At the Township Board meeting Tuesday (May 14). Dennis Richardson and Lou Hoffman, owners of L & D Service, were

present for discussion of rezoning of the small house they own directly behind the service station. Also in attendance, Chester Budzynski rose and requested that the situation behind his house be cleared up first. The dirt pile has been declared a violation of the

Plymouth Township Zoning Ordinance which reads, "The dumping of dirt, sand, rock, or other material excavated from the earth is permitted in any district provided the surface of such material is graded to a height not exceeding the surrounding area..." The problem simply lies in the enforcement required by the township or the lack of it.

Editor's Note: The owners of L&D Service Station were contacted regarding this problem and refused comment to the press.

Possible Millage for Fire and Police

by Bruce Phillips

Canton Trustees discussed fire and police protection, and mini transit at the May 14 meeting. Approval was given to the PUD Mocerri and several other projects.

John Flodin, Township Clerk, discussed the submission of a millage proposal for the August 6, 1974, primary election for fire and police service. If the Sheriff's Road Patrol is cut off in Canton, which has been threatened for August, the Township would have to start their own police protection. Further, the necessary expansion in the fire department with the recommendation to add six more men, would necessitate funds being set aside to cover Township services. Brian Arrowsmith, County Commissioner, requested that the Board wait two weeks before making a decision on the millage. With the election year and alternative plans being negotiated, it's possible that the threat of curtailment of the Sheriff's Patrol will not happen.

Arrowsmith also brought up the proposal of a Mini Transit, to service Canton, Plymouth and western areas. He suggested three mini buses that would hold 10 to 13 passengers picking people up at stations every 20 minutes at a cost of about 35 cents a trip. This system would be a non-profit organization and businesses in the area have been

expressing their support by making donations.

The Trustees have begun steps in the possible purchase of Mettetal Airport. They are looking into federal funds that will pay for 75 percent of the purchase price. The State Aeronautical Board will have to make a feasibility study before the purchase.

Approval was given to the 112.9 acre PUD Mocerri project located at the southern section of Sheldon and Joy Roads, with the only objection by Trustee Brian Schwall. James Poole, Canton Trustee, expressed the concern about building an overpass on Sheldon Road to service school children at Gallimore School. The overpass construction should be settled before final approval is given to the housing development, even if the cost has to be a three-way split between the builder, Township, and School Board. This decision should be made now so that there won't have to be a 10-year wait like at Fiegel School.

The request to rezone 49.6 acres located on Geddes Rd. west of Canton Center Rd. from R-1B (80 ft. single family lots) to R-1 (60 ft. single family lots), and 80 acres at the southwest corner of Geddes and Beck from AG (agricultural) to R-1C (60 ft. lots) was approved with, again,

the only objection by Trustee Brian Schwall.

The Board also approved the following site plans and preliminary plans: an auto clinic on Michigan Ave., an addition to Williams Music, Crosswinds West Apartments, Century Farm Apartments, Cavalier Village South Subdivision, and Canton Industrial Park. The request by Wayne Federal Savings and Loan Assoc. to appeal denial by the Planning Commission to rezone lots 287 and 288 in McIntyre Manor Sub. to commercial was denied by the Board.

Democratic Club

(continued from page 1)

of with slate is the problem of alliances and in effect, selling one's vote. And getting elected is not worth the price of sacrificing one's integrity."

Betty Hammond, of Windsor Park, feared the possibility of having a lack of dissent on the Board if slate candidates were elected.

When confronted with Mrs. Hammond's objections, Greenstein replied "We couldn't agree on a slate for eight months. I don't think we'll have any problems disagreeing."

The Democratic Club is not nominating anyone for the office of clerk in the hope that John Flodin will announce his candidacy.

State to Improve Travel on M-14

There hasn't been a whole lot of good news for motorists recently. But there's one ray of sunshine today for those who travel M-14 through the Plymouth and Livonia areas.

State Senator Carl Pursell of Plymouth, in cooperation with James Houk, director of the Plymouth - Canton Development Commission revealed that the Michigan Highway Department is now ready to proceed with plans to improve a 4.2 mile stretch of the important artery from just west of Sheldon Road, to Hines Drive.

Rumors based on much fact had the project delayed one more year since Federal Officials wanted more time for study. "I am pleased to say that we have expedited this project without additional study" said Pursell.

In a letter to Senator Pursell, Highway Director John Woodford responded to his inquiry by explaining that the widening and resurfacing program had been delayed by efforts to obtain federal aid. That effort has been successful, and Woodford reported that bids on the project, with an estimated cost near \$2.5 million, will be let June 19.

With the help of the Wayne County Task force, Highway Department officials were able to convince federal administrators to provide funding for the first 2.4 miles of the improvement project, from Sheldon to I-275. That portion has an estimated

price tag of \$1,455,000 with 72 percent to come from Washington and 28 percent from Lansing. The other 1.4 miles to complete widening and resurfacing from I-275 east to Hines Drive has an anticipated cost of \$1,026,000. This will be a state/local project, with Livonia providing 12½ percent and the state the other 87½ percent.

The department told Pursell that if all goes as planned, construction should get underway about one month after the bids are let, providing a target starting date of approximately mid-July. Completion date estimates are still being developed.

The new project will be sandwiched around I-275 construction at M-14. The I-275 work is part of a separate project which is already under contract.

Unusual Retreat Planned

The House Church of Plymouth, Mich., has announced an unusual retreat not only for laity but by laity, beginning Thursday evening June 27 to Sunday afternoon, June 30th. The community of Roman Catholic laity, including Ann Arbor members, will conduct the novel retreat in facilities of Concordia Lutheran College, Ann Arbor.

The weekend retreat is to be a mutual sharing experience, a combination of liturgy, dialogue and exploration in progressive Christian living. Christians of all denominations are welcome. The retreat theme is "Grow where you are planted."

A 'house church' is composed of Christians exploring outside the traditional parish for more active religious sharing. Usually meeting in homes of members, the Plymouth House Church community is an all-lay group, including two married priests.

The total retreat fee will be \$30 per person. Interested persons may call 453-7784 evenings or weekends.

Mich. Week Art Exhibit

by Cheryl Nicholas

Over 20 local artists marked the opening of Michigan Week here last weekend in a spring art exhibit at the Masonic Hall.

Artists displayed a wide range of media, from African and Eskimo Art to lucite embedments, acrylics, finger weaving as well as lace, pottery, and pastel portraits.

One very distinctive exhibit featured the handcrafted pewter of Jim Paulson, student of the renowned Greenfield Village pewter craftsman, John Groot.

The two day show also contained demonstrations by Ralph Bulmon doing pastel portraits, Regina Springs - pottery, Grace Kabel - weaving, and Teresa Ohno - handmade lace.

"Michigan has plenty to be proud of," stated Michigan Week Committee head Jack Sellers, "and this art exhibit opening today is certainly proof."

Lamaze Classes

The Plymouth Childbirth Education Association will sponsor a series of Lamaze Childbirth classes which meet at 7:30 p.m. once a week at the following locations:

Newburgh United Methodist Church, 36500 Ann Arbor Trail, Livonia - begins Thursday, June

6; North Farmington Baptist Church, 32500 W. 13 Mile, Farmington - begins Wednesday, June 12; and St. John Episcopal Church, 555 S. Wayne Rd., Westland - begins Wednesday, June 19.

CRIER'S LITE

The newly formed Canton Democratic Club has entered the Canton Political Arena, and with the presentation of its slate last Thursday evening seems to be off and running. The president of the club, and one of its original founders, Bob Greenstein, announced each member of the chosen slate, and then proceeded to announce his candidacy for Township Supervisor.

The slate, which represents the feeling of the club, is running with the improvement of Canton Planning in mind. The platform

is aimed at the "orderly development" of Canton - a project which Canton has lacked for some time.

It seems the Township of Canton has been badly hurt by the building boom. The planners of the township seem to have a love of 60-foot lots. It seems that it is formal practice for some members of the Township Board of Trustees to rezone farm acreage into 60-foot lots, for the convenience of the new builders in the Township. If Canton continues with its current planning program, the Township will consist of apartments, condominiums, and

houses. The plans of the Canton Democratic Club are to allow the farmer and the homeowner to live side by side. This could be accomplished by providing the needed outlet for the farmers' produce. By doing this, it would entice the farmer to continue to live in the township, and benefit from the added population.

Although I am personally not in favor of slate politics, any organized group of individuals who will work as a team, with the better planning of Canton in mind, should be given a chance to express its game plan.

- J. F. Foley

Letters to the Editor

Parking on the Grass!

To whom it may concern:

As taxpayers and parents of the Plymouth Community School District, we are appalled and ashamed by some of the attitudes and examples we see given to our children by a supposed "civilized" sector of this community, i.e., the Little League parents. The students of Canton High School have recently completed Ecology Week activities which included massive clean-up of the grounds, planting of trees and flowers, etc. Unfortunately, beautification of this nature is a very temporary thing. Ecology Week ended last Friday.

On Saturday morning, the Little League parents embarked upon their annual de-beautification drive at the Educational Park. The major activity engaged in by these paragons of "deecology" is PARKING ON THE GRASS!!!! Last year they succeeded in killing off all the grass in the back of Canton High School, but I see that this year's campaign has extended to the front of the building as well. As they encourage their children to become involved in Little League athletics, these thoughtless individuals prefer to destroy the Park rather than walk a few extra feet from the paved parking lot.

No doubt some of these lazy and inconsiderate "deecologists" are the loudest to complain about our inconsiderate and vandalizing youth. How can they expect respect for public facilities, consideration and decency from children whose parents give such thoughtless examples? Children respect the actions of their parents and attempt to emulate their actions and attitudes. There's the rub!!!

Plymouth Centennial Educational Park is a beautiful

site, and many people have worked hard to make it that way. But they are fighting a losing battle as long as the Little League parents continue their Saturday morning and evening invasions of the lawns and no parking areas. "KEEP OFF THE GRASS" signs do not help, "NO PARKING" signs do not help, chained off areas do not help. WHAT WILL???

Plymouth Community School District Parents

P.J.A.A. Donation

This is to acknowledge receipt of the donation from the Plymouth Community Crier to the Plymouth Junior Athletic Association. I know that this marks the beginning of a long and mutually satisfactory relationship that will benefit the youth of our community.

Speaking for the young boys and girls involved in the four sports represented by the Plymouth Junior Athletic Association, I want you to know that your donation is appreciated and will be put to good use. Also, that our organization looks forward to the continued success of the Crier, which has already proven itself a welcomed and worthy addition to the Plymouth Community.

Please feel free to call upon us at any time.

J.L. Gray, President
Plymouth Community Junior Athletic Association

Humiliation Day

Letters to the Editor:

It would seem appropriate that Plymouth City Commissioners designate May 7th as "Humiliation Day." It coincides with December 7th, Pearl Harbor Day. I refer to the delivering of annexation petitions to the Boundary Commission in Lansing early on May 7th while its citizens were voting on consolidation with Plymouth Township and with the results of the vote not being tabulated for many hours later. Plymouth officials did not intend to let their citizens decide the issue at the polls. As I stated previously many times, citizens of Plymouth have their voting done for them. How much did imported talent contribute to this? How do the members of the Ad Hoc committee for consolidation feel? Are they embarrassed? Were they led down the garden path so to speak?

Just what is the strategy behind the annexation move. Quoting one city official, they are not really interested in annexing the entire Township, they just want those two pieces of property, Hillside Inn, plus the parking lot of Burroughs, across the road. With these two minor petitions approved in Lansing the City is then in a position to grab all big industry as far east as Eckles Road.

Very shortly, all of the top corporate officials of one of Michigan's largest corporations, with a plant in Plymouth Township, will visit our community. Government officials, businessmen, and community leaders have been invited to a meeting in the Mayflower Meeting House. The Corporation is hosting the meeting with personal invitations a must. In The Area."

Instead of being able to greet these people as a united community, as represented by many citizen groups with a reasonable level of cooperation between governments, we must appear as a house divided. Certainly not something to encourage business to expand here. Does anyone hear bells ringing when there are no bells?

The filing of the annexation petitions amounts to an outright act of war. Its effect will be felt and remembered in the minds of many for years to come. It has destroyed the efforts of cooperation much of which was

accomplished contrary to news articles given the media.

For the information of those residents who keep calling to ask "what is being done about matters?" May I say "Rest easy, the rutabago growers, the hidebound ruralists, the stagnant minds, the relic of governmental antiquity "The Township Board" as we are referred to by one local newspaper, are lighting up the pot bellied stoves, putting out the hitching posts and waiting the gathering of the clans. C'mon McEwen."

Frank Millington, Trustee,
Township of Plymouth.

New Officers for Women's Club

by Dan Herriman

The Western Suburban Junior Women's Club installed its 1974-75 officers at their annual banquet Monday (May 13) in the Hillside Inn's Country Room.

Installed as president was Carolyn Kleinsmith of Plymouth. Her first and second vice presidents are Ann Lindamood of Plymouth and Mary Beth Baxter of Northville.

The new secretaries are Kay Noren, corresponding secretary and Fran Kretschmeyer, recording secretary. Both are Livonia residents.

Sandy King of Novi was installed as treasurer, '73-74 president Carolyn Zecman of Plymouth, Ways and Means; Rainey Kirchhoff, Plymouth, philanthropy; Carole Dunn of Plymouth, program; Pat Nixon, Northville, publicity; Diane Ramsey, parliamentarian, and Bonnie Shomo, Livonia, and Judy Trexler of Plymouth, social.

Along with a skit performed by the new club members, entertainment included the Tudor Singers directed by Mr. Henry Nassko.

Any young woman interested in joining the Juniors' Club may contact any member anytime during the year.

Church Choir Tour

The Plymouth Outreach Commission teen choir of the Plymouth Church of the Nazarene, 41550 E. Ann Arbor Trail, recently completed a tour of the south singing in six states including Kentucky, South Carolina, Georgia, North Carolina, West Virginia and Ohio. Thirty-one teens and six adults made the trip.

Part of the group traveled last summer to northern Wisconsin where they staffed a Vacation Bible School in a church and ministered on the Chippewa Indian Reservation.

Plans are being formulated now to do Home Missions work in an integrated section of Columbus, Ohio this summer.

Rev. Patrick Hartley is the Minister of Music and Youth. Rev. B. Edwin McDonald is the Pastor.

Mrs. Norma McKindle, of the Plymouth Ladies' Auxiliary, wishes to thank all the people who donated to the May 16th Poppy Sale.

One of the fine homes on the House Walk Tour sponsored by the Plymouth Symphony League, May 30. See page 4 for details.

Mr. and Mrs. Pedersen.

Photo by Bruce Phillips

Pedersen's Celebrate 61st

Mr. and Mrs. Pedersen are called so very fondly by family and friends "Paw Pete" and "Grandma Pete." They have been married since 1913 making it 61 years together.

Married in their native country Denmark and that same year came to America, they later became citizens. Grandma Pete and Paw Pete speak fluent Danish.

Paw Pete at the present age of 86 years, does all the house cleaning, cooks and takes care of the yard right down to cutting grass and planting vegetables and shoveling snow; he also does water color paintings and walks to do his grocery shopping

uptown.

Grandma Pete at the age of 82 is active in her church work and also walks to church (weather permitting) and walks to visit friends and family. Grandma Pete visits elderly people who may be sick and helps them to smile.

They are glad to have family and friends stop in for coffee, and some of Paw Pete's great homemade coffeecake.

Their outlook on life is a cheery one and one of honesty.

Grandma Pete and Paw Pete have three children, two sons and one daughter, seven grandchildren and 14 great-grandchildren.

Fiegel Ice Cream Social

The Fiegel School P.T.O. is planning an ice cream social on Monday, June 10th, from 5:30 to 8:30 p.m. There will be assorted ice cream flavors, cake ala mode and ice cream sundaes served. A cake walk will be featured. Tickets may be purchased in advance or at the door.

"Pure Imagination" at Central

Central Elementary School will be performing their spring program of "Pure Imagination" on Wednesday, May 22, at 7:30 in the Central Middle School cafeteria. The entire school, grades 1-5, will be participating. There will be candy men, patch girls, and Indians, along with special appearances by Laurel and Hardy, Groucho and Harpo Marx. The special feature of the program will be excerpts from the musical adaptation of "Tom Sawyer," with a slide and light show combined.

New Library Hours

The Dunning-Hough Library will be operating on its summer schedule during the months of June, July and August. Summer hours are Monday through Thursday, 9 a.m. to 8 p.m.; Friday, 9 a.m. to 5 p.m., closed Saturday. The Library will not be opened Saturday, June 1.

WHAT IS CHIROPRACTIC?

Chiropractic is a Philosophy, Science, and Art of things Natural; a system of adjusting the articulations of the spinal column, by hand only, for the correction of the cause of the disease.

The adult spinal column consists of the superior 24 freely movable bone segments, called vertebrae, together with the sacrum and coccyx. All the great nerve trunks emit thru the openings between these vertebrae which openings are known as the intervertebral foramina. The vital nerve force within man is carried by these nerve trunks from the brain to the various organs, muscles, and tissues of the body.

For every effect you must have a cause; that is a fundamental law of physics. If a person is ill, then the condition of disease, regardless of the name applied to it, is in fact an effect for which there must be a cause.

The Chiropractic premise is that the cause of disease is due to the subluxation of vertebrae, which produce pressure upon the nerve trunks and thus interfere with the normal transmission of vital nerve force.

The Chiropractic objective is to locate the point in the spine, where nerve pressure exists, due to a vertebral subluxation, and, thus proper adjustment by hand, to restore the subluxated vertebra to its normal position, thus releasing the pressure on the nerves involved and thereby removing the cause of disease in the body. Renewed health is the natural result.

Stimulating Summer Program Envisioned for Starkweather

by Cheryl Nicholas
Starkweather mothers Marcia Borowski and Laurie Watt are attempting to provide a stimulating educational program for the school area's children this summer.

The program, the women state, is in part a memorandum to the activities offered by the YMCA in past years at the Starkweather site. Beset by financial difficulties and obligations to other school areas, the YMCA abandoned its Starkweather program two years ago. This summer however, Mrs. Borowski and Mrs. Watt believe meaningful activities for the school area children should be offered.

The women envision a different type of summer program than has previously been sponsored in the Plymouth-Canton area. Mrs. Borowski says she is not at all interested in seeing the traditional playground program implemented at Starkweather. Instead, she and Mrs. Watt have planned a more intensive educational experience. The emphasis, the two women maintain, will be on a more open-ended approach toward learning. Thus, as Mrs. Borowski states, "The child will go as far as his/her interest carries with no institutionally imposed boundaries."

A joint effort will be made by students and teachers to plan each days activities. In order to maximize the educational opportunities for each child, a variety of educational experiences will be offered. Learning centers will be set up in the beginning by teachers; and later by students themselves.

Initial proposals for the school range from ecology centers with plant growing experiments, to mini-trips to Wilcox Lake, the beauty salon, farm, or bakery. Mrs. Watt suggested that children could use these experiences to write about in their diaries, create art projects, or to put on plays or puppet shows.

Other suggestions include codes and ciphering centers with telegraph building materials, music centers equipped with instruments and records, and food centers where children could plan, prepare, and budget nutritious meals.

A more flexible approach toward learning says Mrs. Watt will encourage children to be self-directive and self-reliant. Mrs. Watt said the program can further expand children's creative abilities and language skills.

Marda Benson, the Plymouth Community School Board's most vocal proponent of individualized instruction, believes the project is a tremendous idea. "Valid summer school programs have been needed around here for a long time," she stated. Mrs. Benson also feels the project is a beginning toward total school-community use and "a unique opportunity to further individualization of instruction. The community," she added, "should be very supportive of this program. It's expanding the creative opportunity for both children and adults."

(continued on page 10)

Even Frankenstein was present at Farrand's School Fair. The "Haunted House" was just one of the many events of the fair last week.

Local Students Display Art

Each art teacher in the Plymouth Schools has been invited to send two pieces of student art work to Plymouth Canton High School. These will be on display during Michigan Week. During this week, Marylyn Karl and Barbra Foy and another judge, to be named, will select no more than nine pieces of work to be added to the Isbister collection.

The Isbister Memorial Collection was created during the Plymouth visit of Art Train. Money was donated by the Rotary to carry the Isbister name and to fund a permanent community art collection.

The collection is 25 pieces of children's art work and two adult works. It has been on display in the community and in the schools for three years. If any particular building or business is interested in having this collection on display during the summer, please contact Mrs. Thomas Karl.

Summer Program

(continued from page 9)

Starkweather principal, John Howe, says he thinks a summer program for the school area children is necessary. "We have a lot of kids who don't get the opportunity to travel," he stated. "A program here at Starkweather has always been something special for the kids to look forward to."

Catering to the 5-10 age group, the program will last six to eight weeks. Monday through Friday, from 8:30 a.m. to 3:00 p.m. Children will be charged five dollars each week or thirty dollars for the summer. Activities will be available free of charge for those students unable to pay.

Presently Mrs. Borowski and Mrs. Watts are operating with a donation made by the Starkweather PTA. For a successful program, additional community support is required. To donate money, ask questions, or participate in any way call Marcia Borowski (455-2398) or Laurie Watt (453-8902).

A tentative daily schedule for the proposed summer program at Starkweather reads as follows:

8:30-9:15 breakfast; 9:15 - 9:30 discuss plans and special activities and options for the day; 9:30 - 10:00 physical education; 10:00 - 11:30 activities in learning centers, mini field trips, sports, music, drama; 11:00 - 11:30 lunch detail will prepare lunch; 11:30 - 12:00 quiet hour activities, stories, reading, handicrafts; 1:00 - 2:00 learning centers, trips, sports, drama, special programs, etc.; 2:45 - 3:00 evaluation of the day. Plans for the next day.

Schools Honor Michigan Week

This week is both a festive and educational one for Plymouth school children as each of the district's schools honor Michigan culture. Although two days of celebration have passed, there is still plenty in store for school area children. Some of the more outstanding events will be:

CENTRAL MIDDLE SCHOOL - On Thursday night, May 23 the school will host a Spaghetti Dinner at 5:00 and Open House until 8:30 p.m.

EAST MIDDLE SCHOOL - Throughout the week a series of filmstrips will be shown portraying, through the use of paintings, the history of our state from 10,000 B.C. to 1966.

PIONEER MIDDLE SCHOOL - A spring choral program will be presented on Thursday, May 23 during the day and evening.

WEST MIDDLE SCHOOL - Students will conduct an intensive study of Michigan History, Folklore and Industry with oral presentations, study, and discussion.

CANTON AND SALEM HIGH - On Pioneer dress-up day, Wednesday, May 22nd, a Flap-jack Eating Contest will be held between 11:30 and 12:30 p.m. The following day Thursday, May 23rd is Lumberjack Dress Up Day. And on Friday, May 24 a tug-of-war between the Salem and Canton Michigan History classes will be held after school.

CENTRAL MIDDLE - Parents and friends are welcome to the Wednesday evening musical program 'Pure Imagination' at 7:30 p.m.

FARRAND - Children in all grades will be learning Michigan Songs in music classes. The movie, 'Paddle to the Sea' will be shown to the third, fourth, and fifth grades.

FIEGEL - A teacher exchange program will be held with the Miller School on Thursday, May 23rd, Education Day. On Wednesday morning the school will sponsor all school Michigan Breakfast for the Fiegel Children.

GALLIMORE - An all school presentation which features an imaginary motor tour through Michigan will continue throughout the week. At particular points of interest along the route the class will stop and tell interesting facts about the location, through pictures, poems, plays, and

dances.

GEER - To mark the AAUW's selection of Geer as the 'Landmark Building of the Year,' the school is sponsoring an Open House May 23.

ISBISTER - Primary classes will celebrate the week's activities with a Michigan products breakfast on Friday. The fourth and fifth grades will sponsor a music program for

parents on Thursday, May 23rd. **MILLER** - Michigan Luncheons and Michigan Breakfasts featuring food products from around the state will be held all week long.

SMITH - A teacher exchange day will be held on Thursday morning when staff members will switch with classrooms. Classes will study the various jobs, food and recreational activities of the people of Michigan.

TANGER - An Open House will be held all week and on Education Day, May 23rd there will be a children's puppet show.

TRUESDELL - The week will be highlighted by a breakfast for the morning classes and a luncheon for the afternoon classes on Friday, May 24. All Michigan products will be used for the food.

Senior Class Party Tickets

This June 12 marks the tenth consecutive time the parents of graduating seniors, under the auspices of the local YMCA have united to hold the Senior Class Party.

The party is scheduled June 12, following commencement at Plymouth Salem High. The party is informal and is planned as a final, seniors only, "fun night." Varied activities have been planned including swimming, games of chance, door prizes, fortune telling and much more. Refreshments are promised to be in abundance.

The theme of this year's party is "Mystic Moments." Entertaining will be rock band "Salem Witchcraft" - chosen for the party by the senior class.

Past senior classes have spoken well of the Senior Class Party. Senior class parents wish to personally invite each senior to attend the party.

Parents are reminded that the Senior Class Party Committee still needs any stamp books and/or a one dollar donation to aid the party plans. For ticket information call Jo Wilson at 453-4158. Tickets go on sale the week of May 28.

Thirty-five year delicatessen businessman, Joe Klemprer, has announced the opening of his new store in the Northville Square Shopping Center.

Plymouth Girls Qualify

by Dennis O'Connor

The girls track teams from Plymouth - Salem and Plymouth - Canton competed in Regional play at Walled Lake Western last Saturday, May 18.

As a team, Plymouth - Salem finished third in competition trailing Western and Stevenson.

These three fine teams meet each other tomorrow (May 23) in a triangular at Western.

From Plymouth - Salem five girls qualified for State competition by finishing third or better.

Jackie Croci won the 440 yard run with a time of :59.9.

Barb Croci finished third in the 220 yard dash and Shawn Haarz, who usually runs the mile, placed third in the half-mile run. Croci's time was :26.9 while Haarz's time was 2:31.4.

The 880 medley team consisting of the Croci sisters, Jean Sellman, and Pam Adams also won with a time of 1:54.4.

Barb Smith just missed making the State competition as she finished fourth in the shot-put, three inches short of third place.

The lone Plymouth - Canton girl to qualify was Sue Myrtle in the mile run. Myrtle ran it in 5:37.4 finishing third.

Plymouth - Canton's 880 medley team did a good job as they finished fourth.

Jeff Baldwin, Allen School, competes in the softball throw.

6th Annual Track Meet

The 6th annual all-school track meet for 4th and 5th grade boys and girls was held last Saturday at the Plymouth-Canton track.

Over 500 youngsters selected by physical education teachers from all of the district's elementary schools participated in the meet.

Medals were awarded to students qualifying for first place in both track and field events. Second, third and fourth place contestants received ribbons.

The first place winners were: 440 run, 5th, Margie Brown, John Gray; 4th, Eileen Moore, Jeff Rudd; 100 yard dash, 5th, Sally Fry, Laura Arnold, Fred Goldston; 4th, Kristin Beauchamp, Scott Rubin; 50 yard dash, 5th, Tina Hann, Scott Crespo; 4th, Ruth Langkabel, Joe Humphries.

Softball throw, 5th, Jay Gornick, Fred Goldston; 4th, Eileen Moore, Bill Hannis; running broad jump, 5th, Vonnie Szabla, Doug Moffatt; 4th, Lynda Carlson, Jeff Rudd; high jump, Kave Billa, Bill Childs; 4th, Sean Martineau, Jill Anderson, Scott Dublin; 440 relay, 5th, girls, Farrand, boys, Farrand, 4th girls, Starkweather, boys, Allen.

The second place winners were: 440 run, 5th, Kelly Hubert, Leigh Langkabel; 4th, Joni Mack, Jeff Hubert; 100 yard dash, 5th, Annie Norton, Pam Howard, Matt Kurtz; 4th Regina Ruggiero, Kevin

P.S. J.V. Wins

by Dennis O'Connor

The Plymouth - Salem JV Rocks kept on rolling last week as they won another baseball game. The victim this time was Dearborn JV in a wild 13-11 slugfest.

Coach Brian Gilles' Rocks are now 8-1 overall and first in league play, pending yesterday's game against Allen Park.

Although the game was played well by both teams defensively, many walks marred the pitching performances on both sides as a total of 17 base on balls were given up during the game.

With the score 10-8 (Dearborn) in the sixth inning, Plymouth exploded for five runs to put the game out of reach.

Vern Nagel and John DenHouter paced Plymouth's attack with two hits apiece. Nagel picked up five RBI with DenHouter accounting for three.

DenHouter got credit for the win, his fourth against no loses, in relief of starter Doug Ward and Mike Primeau.

Plymouth JV plays Edsel Ford JV Friday, (May 24) in a home affair.

FAMILY BIKE FUN is in store with the closing of portions of Hines Drive June 1. BICYCLE OWNERS are encouraged to record their bicycle serial numbers for reference when necessary.

Canton Baseball

by Dan Herriman

Don't let it get you down, Bill. The Chiefs aren't out of it yet.

Bill Parson took the defeat Monday against No. 1 Livonia Churchill, in ten innings, allowing three runs in the 10th. Canton now stands at 5-3 in the Western Six and Churchill at 7-1 after their 4-1 win over the Chiefs.

Both teams have two leaguers left, Churchill - Mott and Northville, Canton - Northville and Walled Lake. If Coach Crissey's prayers are heard, the games will be two losses for one and two wins for the other.

Parson and Chris Martucci shared mound chores for Canton; Parson 6 through 10 and Martucci 1 through 5. Chris allowed one run on four hits, struck out two and walked two. Parson gave up three runs (all in the 10th) on five hits, struck out seven, walked one and hit one.

Livonia's Dave Panzoff went the distance for Churchill, pitching ten innings. He threw six strikeouts, three walks and gave up one run on eight hits.

The top of the tenth saw Coach Frayer's Churchill Chargers clamp down on Canton. Larry Lipa's solo homerun to left field on a 1-0 count made it 2-1 for the Chargers. Al Leirstein was hit by

Parson, stole second and watched Gary Condon fan. Kuhn hit a full count pitch over the left field wall to score Leirstein, and then proudly followed him in to make it 4-1.

In the bottom of the last inning, Tom Close was thrown out at first, Martucci singled a blupper to left, but Parson grounded into a double play, third to second to first.

Canton's lone run came in the fifth when Scott Dunagan collected the first of two hits on an infield single. Paul Major grounded to the pitcher on a fielder's choice, Dunagan moved to second. Keith Randazzo grounded out to third for out no. 2. Tom Close doubled to center to score Dunagan and Chris Martucci went down swinging.

After Northville and Walled Lake this week, they will go into district play Saturday. Canton will face Brighton 1:00 at Brighton.

Chiefs Eliminate Mott

The Canton Chiefs eliminated Waterford Mott, the defending Western Six champions, from this year's title chase with an exciting 3-2 extra-inning victory.

Mott opened the scoring in the first inning as Jeff Bormly reached first base on an error and scored on Mike Grace's double. The Chiefs bounced back in the second on Mike Verduce's single; Matt Wiley sacrificed Verduce to second and pinchhitter Dan Lloyd ripped a hard ground ball into the hole. Shortstop Kevin Martiney threw the ball away allowing Verduce to score from second and knot the score 1-1.

The game remained a pitchers' duel into the bottom of the sixth when the Chiefs took the lead on a slick bit of larceny. Bill Parson led off the inning with a sharp single to right. Parson's was sacrificed to second by Dave Pink. Scott Dunagan ran for Parson and promptly stole third on a swinging third strike to Mike Verduce.

With the count 1 and 1 on pinchhitter Greg Barnes, Dunagan stole home to make the score 2-1 for Canton. With two out in the last of the seventh, Mott struck back with a homerun off pitcher Bill Parson by second baseman Matt Treais to tie the score once again.

In the top of the ninth, Mott threatened to break the deadlock when rightfielder Bruce Lovett singled to left and stole second. First baseman Tim McKat then lined a single over second but Paul Major, Canton centerfielder, rifled a perfect throw to the plate and catcher Tom Close put the tag on Lovett. Parson bore down and got the neat two-hitters and the Mott threat died.

The chiefs won the ball game in the last of the ninth. Ray Mandle singled to left, Brian Stemberger then laid down a perfect bunt between the mound and first and beat the throw for his second basehit. Tom Close struck out swinging. Bob Ayotte walked to load the bases. Bill Parson ripped a single between the outfielders in the first pitch to score Mandle with the deciding run.

The win upped Canton's league record to 5-2, and kept them hot on the heels of league leading Churchill who stands at 6-1, with their only loss being a 1-0 defeat to Canton. Bill Parson pitched the last five innings to notch his fourth victory of the season giving up two hits, fanning six and walking two. Chris Martucci pitched a strong four innings, giving up one hit, fanning three and walking none.

Plymouth Drops Three

by Dennis O'Connor

It was a disappointing week for Coach Wayne Sparkman and his Plymouth Rocks as they came out on the short end of yet another one run ball game last Tuesday (May 14).

The victorious opponent this time was the league leading Dearborn Pioneers.

The following day Plymouth dropped both ends of a doubleheader to Wayne Memorial (6-2 and 4-2). This doubleheader loss eliminated Plymouth from both State Tourney play and Les Andres play.

Plymouth's record is now 4-4 in league competition and 6-11 overall pending two games which were played yesterday and Monday (May 20 and 21)

The Rocks got off on the right foot against Dearborn as Mark Stephens opened the game with a single. Don Bidwell, who had two hits that day, promptly moved Stephens to second on a sacrifice bunt. Jeff Waller followed with an infield smash to shortstop which scooted between the fielder's legs to score Stephens.

The game stayed 1-0 until the fifth inning when Dearborn touched up Plymouth's ace Tom Willette for two runs followed

(continued on page 16)

Canton Track

by Anne Sullivan

The Plymouth - Canton Chiefs were defeated by Northville 49½-72½ in a track meet Wednesday, May 15 at the Centennial Park track.

Even though Canton's scores are not the best, things aren't all bad. They took first place in six events and five of them are school records.

In the Pole Vault was Mack from Canton in first at 12'6".

The other firsts were Mike Potter in the 880 yard run at 2:03.5, Mike Guzman in the one-mile run at 4:50, Phil Schulte in the 120 high hurdles, 16.5 and the 180 low hurdles 21.4, and Canton's mile relay team came in at 3:14.8. These are all new records for the Canton team, and they have set new goals for the Chiefs.

Hines Bike Path Planned

A committee of the Wayne County Board of Commissioners has recommended that the Board spend up to \$50,000 for construction of a 20-mile bicycle path paralleling Edward Hines Drive through the Middle Rouge Parkway between Dearborn and Northville.

In a meeting May 15, the Board's Public Works Committee approved at least \$25,000 for the project and proposed an additional \$25,000 upon assurance of an equal match from the County Road Commission.

The money would help fund a program sponsored by State Senator Carl Pursell (R-Plymouth) under which the State will provide \$50,000 if the Board of Commissioners and the Road Commission each contribute \$25,000.

Construction on the project will begin this summer in Livonia if the proposed expenditures are also approved by the full Board of Commissioners and the Road Commission.

The proposed path is an eight-foot wide asphalt surface that would run through or adjoin the cities of Garden City, Dearborn, Dearborn Heights, Westland, Livonia, Plymouth and Northville, and also Plymouth and Northville Townships.

Commissioner Edgar L. Harris (D-Taylor), a member of the Public Works Committee, said Wayne County "is drastically in need of recreation facilities" of

Plymouth

(continued from page 15)

by one more in the sixth.

A seventh inning Rock rally fell one run short of overcoming the 3-1 deficit.

Willette and Chuck Thomas, who also had two hits, led off with back-to-back singles. Pinch hitter Tom Davison sacrificed both runners forward. Willette scored on a ground out but Thomas was left stranded at third.

A five run fourth inning in the first game and a three run first inning in the second game was the downfall for Plymouth's pitchers Bill DenHouter and John Chiatialis in the Wayne doubleheader.

Except for these two big innings both pitchers settled down and hurled great balls for Plymouth.

Unfortunately the Plymouth bats couldn't overcome these big leads.

DenHouter struck out 12 in his ball game while Chiatialis walked only one in the second game. Both pitchers went the distance in picking up the losses.

Don Bidwell accounted for two Rock hits in the first game while Dan Moore had two of his own in the second.

Plymouth encounters Edsel Ford this Friday (May 24) at Ford.

this kind and that "this is a very good opportunity to provide some."

"We can't continue to keep spending money just for the automobile," he added.

TOWNSHIP OF PLYMOUTH COUNCIL PROCEEDINGS

REGULAR MEETING
TUESDAY, MAY 14, 1974

The meeting was called to order at 8:00 p.m. by Supervisor McLaren. All members were present, with the exception of Elizabeth Holmes and Gerald Burke.

READING, CORRECTING AND APPROVAL OF MINUTES - Regular Meeting, April 23, 1974. Mr. Millington made several additions to the minutes concerning Tax Abatement. Mr. Ash moved the minutes be approved as corrected. Supported by Mr. Millington and carried unanimously.

READING, CORRECTING AND APPROVAL OF BILLS. Mr. Millington moved the bills in the grand total amount of \$35,528.41, be approved. Supported by Mr. Ash and carried unanimously.

OPENING OF BIDS - Sewer on Lilley Road. Mrs. Richardson moved the bids be closed. Supported by Mr. Overholt and carried unanimously. The bids were closed at 8:07 p.m. The following bids were opened by Mrs. Richardson and read by Mr. Hamill:

| | |
|-----------------------------|-------------|
| Ace Craft Excavating, Inc. | |
| Defiance Construction, Inc. | \$46,466.00 |
| A Joint Venture | |
| Peter A. Bando Sons, Inc. | \$63,643.00 |
| Ben D. Fike & Sons, Inc. | \$89,617.00 |

Supervisor McLaren referred the bids to the Township Engineer and asked that he return with remarks and/or recommendation later in the evening.

One (1) 1974 Half Ton, 8 foot Smooth Side Pick-Up Truck

One (1) 1974 3/4 Ton, 8 Foot Fender Side Pick-Up Truck

Mr. Ash moved that the bids on both trucks be closed at 8:10 p.m. Supported by Mr. Overholt and carried unanimously.

| | | |
|-------------|---------------------|---|
| Lou LaRiche | 1974 Half Ton Truck | \$3,419.50 less \$777 on 1970 Truck Trade in - \$2,642.50 |
| Leo Calhoun | 1974 Half Ton Truck | \$3,629.71 less \$375 on 1970 Truck Trade in - \$3,254.71 |
| Lou LaRiche | 1974 3/4 Ton Truck | \$3,581.00 |
| Leo Calhoun | 1974 3/4 Ton Truck | \$3,769.14 |

| | | |
|-------------------------|---------------------|---|
| James Martin Chev. Inc. | 1974 Half Ton Truck | \$3,557.70 less \$225 on 1970 Truck Trade in - \$3,332.70 |
| | 1974 3/4 Ton Truck | \$3,691.35 |

Supervisor McLaren referred the bids to Mr. Kincade for his examination and recommendation letter in the evening.

NEW BUSINESS. John B. McEwen, Mayor DeFacto, Plymouth Heights. Re: Legal Fees to fight Annexation. John D. McEwen of 44475 Governor Bradford Road, Mayor DeFacto of Plymouth Heights, identified himself and said there had been petitions filed that infringe upon territory on the City of Plymouth Heights. Mr. McEwen requested funds from the Township for the purpose of retaining an attorney for the purpose of getting an injunction against the City of Plymouth and/or the Michigan Boundary Commission or possibly both if deemed necessary by the legal staff. Mrs. Richardson moved that our Township Attorney, Donald Morgan, be authorized to proceed with whatever legal action is deemed necessary to fight annexation on behalf of the Township of Plymouth and the City of Plymouth Heights. Supported by Mr. Overholt. Mr. Overholt asked if we were fighting one case or two. Mrs. Richardson said her thought would be one law suit for both the Township and City of Plymouth Heights but felt it wise to leave this decision to our Attorney as to the best method to proceed. Mr. Ash wished to request that the Township attorney investigate any action that would be feasible for annexation of our own to establish our own boundaries on the west side of the City of Plymouth where they have been made crooked, thus squaring off our boundaries. The question was called and carried unanimously.

W. Edward Wendover, 6255 Napier Road. Re: Requesting Board to install a streetlight at intersection of Napier and No. Territorial Road. Mr. Ash said that since it meets all the criteria of Plymouth Township that he would move adoption and request a street light at the eastern intersection of Napier and North Territorial Road. Supported by Mr. Overholt and carried unanimously.

Web Kincade, D.P.W. Superintendent. Re: Requesting permission to purchase 600' of Replacement High Pressure Hose for Conco O'Brien Sewer Machine. Mrs. Richardson stated that due to the fact that this money was budgeted for and this Board agreed that he would be allowed to purchase the hose, she would move approval that Mr. Kincade be allowed to purchase the hose at the best possible price but that it not exceed \$1,567.00. Supported by Mr. Millington and carried unanimously.

Brender Hamill Associates Inc. Re: Requesting Board to declare H. Wilson Construction Co. in default for not starting construction of the Minehart Drive Water Main. Mrs. Richardson moved that the recommendation of the engineer be approved and that the Board declare the contractor, H. Wilson Construction Company in default of the contract on the Minehart Drive Water Main and the Maryland Casualty Company, the insurance carriers be so notified. Supported by Mr. Ash and carried unanimously.

J.D. McLaren, Supervisor. Re: Requesting Board to rescind Resolution 1274 regarding the State Highway's installation of sidewalks. Mrs. Richardson stated that the Board adopted this resolution at the last Board meeting and set a public hearing for June 11, 1974. Mrs. Richardson further stated that they would not be having that hearing because they have notified the State that if and when the highway goes through that the Township would have the sidewalks put in themselves and contract it out. Mrs. Richardson moved that this Resolution No. 1274 be rescinded. Supported by Mr. Millington and carried unanimously.

Township Board of Trustees. Re: Discussion of rezoning of property owned by Dennis Richardson on Ridge Road. Mr. Dennis Richardson said that the problem is that the ultimate right-of-way is 60' in from Ridge Road and 60' from Ann Arbor Road. Mr. Richardson admitted that they had put the fill dirt in without permission and have offered to alter it but have received no comments one way or the other. Mr. Millington stated that he has said the alterations were good. Mr. Richardson wants to know who to see to get permission to go ahead. Mr. Ash stated that this is an ugly situation but that rezoning as the agenda calls for is premature. Mr. Ash stated that he would like to see some type of plan to rectify the situation, that up to this time nothing had been presented to the Township Board. Mrs. Richardson suggested that Mr. Richardson and Mr. Hoffman send a letter to the Board requesting time on the May 28 agenda for presentation of their proposals for landscaping the site, and enable the Board to clear up an unsightly and a past insurmountable problem. Mr. Overholt questioned the word proposals. He agreed with Mr. Ash that rezoning is improper being brought before this Board before it goes to the Planning Commission. Mrs. Richardson said proposals as what they want to do with the property, not proposals for rezoning. Mr. Ash reiterated the meeting should solve the problem of what they could do with the property to satisfy everyone concerned and a date for the conditions to be solved, but not for rezoning. Mr. Ash explained that with the road right-of-way that the original site would allow for only a 10 foot gas station. That is why the station will have to be moved back where the property is deeper. Mr. Ash moved that the Township Board not recommend to the Planning Commission that the Dennis Richardson property on Ridge Road be rezoned on their own motion. Supported by Mr. Millington. Mr. Overholt stated that the motion as it is stated suggests to the Planning Commission a position taken by this Board. Mr. Overholt asked if the suggestion by the Clerk for a plan to be presented was no longer in effect. The reply was that the owners could present whatever they wished if they asked for time on the agenda. Mrs. Richardson called the question and the following roll call vote was taken: Yes: Ash, Richardson, Millington, McLaren. No: Overholt. The motion carried.

Donald Morgan, Township Attorney. Re: Option to purchase the Hilltop Golf Course. Mrs. Richardson read a letter from Mr. Morgan that states that Mr. Thompson is still conferring with his lawyers. There is no objection to the mode of payment. Mr. Morgan expects to have particulars by the May 28, 1974 Board Meeting. Mr. Ash moved to table this item to the May 28, 1974 meeting. Supported by Mr. Millington and carried unanimously.

J.D. McLaren, Supervisor. Re: Blue Cross-Blue Shield Drug Rider. Mrs. Richardson moved approval of the recommendation of the Supervisor, that

being that the Township provide the drug rider for all employees of the Township, with the exclusion of those employees who are under contract and said coverage is not a part of their contract. Supported by Mr. Millington and carried unanimously.

Web Kincade, DPW Supt. Re: Requesting permission to procure two Hydrant Water Meters for use in selling water to industrial customers. Mr. Millington moved approval of the DPW Superintendent's request. Supported by Mrs. Richardson and carried unanimously. Brender-Hamill & Associates, Inc. Re: Requesting Change Order on Five Mile Road Sanitary Sewer. Mrs. Richardson moved approval of the recommendation of the Engineer to approve the change order increasing the amount of the D'Agostini contract by \$3,390.00. Supported by Mr. Millington and carried unanimously.

AFTER NEW BUSINESS, Supervisor McLaren then referred back to the BIDS.

SEWER ON LILLEY ROAD: Mr. Hamill recommended that the bid be awarded to Ace Craft Excavating, Inc., Defiance Construction, Inc., a Joint Venture. Mr. Overholt moved that we accept the recommendation of the Consulting Engineer, Mr. Herald Hamill with Brender-Hamill and Associates, Inc., and award the contract for construction of a sewer on Lilley Road to Ace Craft Excavating, Inc., Defiance Construction, Inc., a Joint Venture, in the amount of \$46,466.00. Supported by Mr. Ash and carried unanimously.

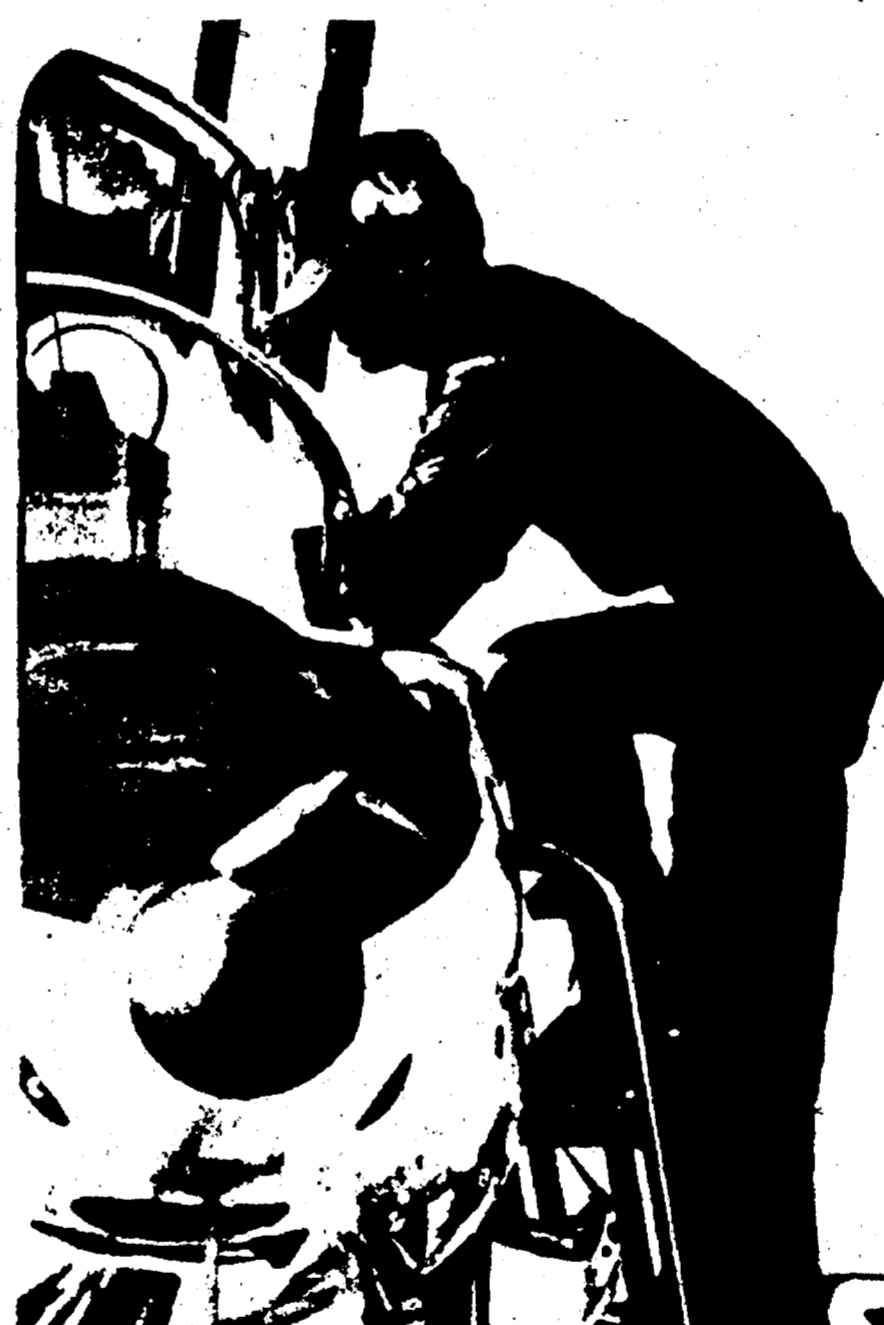

ONE 1974 Half ton and One 1974 3/4 ton Pick-Up Trucks. Mr. Kincade, DPW Superintendent recommended that the Township accept the bids from Lou LaRiche, but added that they had left out a pennel hook, but this should not exceed \$100.00. The total of both vehicles would be \$6,223.50 plus the pennel hooks. Mrs. Richardson moved approval of the bid submitted by Lou LaRiche and that the purchase of the two vehicles be approved at a cost of \$3,419.50 less \$777.00 allowance for the trade-in of the 1970 pick up truck for a total of \$2,642.50 and the 3/4 ton pick up in the amount of \$3,581.00 as recommended by Mr. Kincade, DPW Supt. Supported by Mr. Ash and carried unanimously.

ITEM NO. IV - RESOLUTIONS. Helen Richardson, Clerk. Re: Honoring Steven Hulce for Outstanding Service to the Plymouth Township Planning Commission. Mr. Ash moved adoption of the resolution as submitted. Supported by Mr. Overholt and carried unanimously.

Alice Dittmar, Westland City Clerk. Re: Requesting endorsement of Senate Bill No. 1244 which provides for a Special Census in order to adjust the share of State, Sales, Intangible and Income Tax received by Political Subdivisions of the State between the Decennial censuses. Mrs. Richardson moved adoption of a similar resolution to be written by the Township of Plymouth and submitted to the municipalities in Wayne County and to our Senators, Representatives and Governor in Lansing. Supported by Mr. Millington and carried unanimously. Mr. Ash moved adjournment. Supported by Mr. Millington and carried unanimously. Supervisor McLaren adjourned the meeting at 10:20 p.m.

Respectfully submitted,
Helen Richardson, Clerk
Approved,
J.D. McLaren, Supervisor

These minutes are a synopsis. The official minutes are on file in the Clerk's office.
