## Plymouth Community Crier

PLYMOUTH, PLYMOUTH TOWNSHIP AND CANTON'S HOMETOWN NEWSPAPER

June 19, 1974

Vol. 1, No. 19

Incoming Army Corps Officer Lieutenant Cadet and Mrs. Charles Raby (left) with Captain and Mrs. Yoder (right). The Yoders have been transferred to Midland, Michigan after serving Plymouth for four years.

## Captain and Mrs. Yoder Transferred

Senior Citizens honored outgoing Salvation Army Corp officers Captain and Mrs. Warren Yoder at a small reception at Tonquish-Creek Manor recently. The Yoders, who have been stationed at the Plymouth Salvation Army for four years recently received Marching Orders to go to Midland, Michigan.

The group also welcomed incoming officers, Cadet Lieutenant and Mrs. Dallas Raby. The Rabys were given the rank of Cadet-Lieutenant and appointed to command the Plymouth Corps Center on June 8, 1974.

Under Captain Yoder's direction the Salvation Army has brought several new services to the Plymouth community including a drop-in center for pre-school children and transportation services for citizens of Tonquish Creek Manor.

The Jaycees chose Captain Yoder as 1973 Man of the Year in Plymouth. Mrs. Captain Yoder was to have been president of the Rotary Ann Club this coming year.

The Yoders say they are excited about moving to Midland but will miss their friends and associates in Plymouth.

## 37 Plymouthites Named to Dean's List

Recognition for outstanding scholarship has been extended to 37 Plymouthites named to the Dean's List at Schoolcraft College. The students were honored for academic performance in the Winter semester.

Those honored were announced by Dr. Robert Keene, vice president of instruction, who has notified and congratulated each student by personal letter.

To be named to the Dean's List a student must carry at least

12 hours during the semester, and must earn a 3.5 (B+) grade point average or better. Six Plymouthites on the Winter List have earned perfect 4.0 averages.

Students from Plymouth with superior academic ratings are noted on the listing which follows:

Mary L. Adams (4.0), Irvin E. Chope, Jr. (4.0), Karen A. Hadsall (4.0), Sharon A. Richard (4.0), Kay Walker (4.0), Gary A. Wiener (4.0), Vicki D. Beyer, Marilyn J. Calkins, Robert D. Cheal, Elaine Y. Clark, Barbara A. Clawson, Patrick M. Creedon,

Donald D. Devore, Stewart J. Dodge, Barbara J. Grob, Lewis W. James, Eric J. Johnson, Jean M. Johnson, Susan M. Kivisto.

Linda M. Lewis, Marcie M. Loudon, Laura M. MacQueen, Gerald M. McIntyre, Janet F. McNamara, Dale F. Miller, Deborah A. Moore, Russell W. Olsen, James D. Smith, Thomas E. Smith, Gary L. Stec, Tony Szado, Velvin E. Thornton, Kenneth B. Valrance, Kirk W. Watkins, Dennis E. Watson, Nancy A. Wollens and Joyce R. Ziegler.

Photo by Bruce Phillips

Rotary Club members began their preparation for the Plymouth Fall Festival last Friday by planting corn for their annual chicken barbecue in conjunction with Plymouth farmer Okie Hamblin. Rotary members from left to right are: Harold Head, Earl Merriman, Mark Warshauer, Jim Somers, Wilford Bunyea, Bob Sparling, Glenn Meadows, Scott Dodge, Guy Bunyea, Kal Jabara, Dr. E.J. McClendon, Okie Hamblin, Carl Lampton. Pictured above the Rotary members are the Hamblin brothers; Jim, Steve, Bob and Tom. The Plymouth Community Crier was there.

### Carriers Collecting

Beginning June 20, your Crier carrier will be coming to your door to collect for the month of July. Your carrier is in business for himself, he delivers your local, hometown paper. For \$5.50 a month you can receive the Plymouth Crier at your door, and you will also receive a valuable 50 cent discount coupon for your Crier Classified Ads.

Remember, begin looking for your P.C.C. carrier June 20, he not only works for himself, but is working for you.

# Celebrate the Strawberry Season Pick-Your-Own

Now is the time for Plymouthites to celebrate the peak of the strawberry season by taking advantage of a Pick-your-own policy offered by several area farms.

According to produce farm owner, Roy Schultz, the best strawberry picking begins this week - from June 15th to 25th.

To reap the rewards of area strawberry patches, only some containers, a modest sum of money and a few picking pointers are needed.

For the greatest poundage of fruit, size is an important factor to consider when picking. Most fruits increase in size during the last few days of maturity. To get the most flavor and vitamin and mineral packed fruits, you must harvest at the proper stage of maturity.

Strawberry varieties such as 'Marshall,' 'Catskill,' 'Premier' 'Dersett' and 'Fairfax' are ready for picking when they are entirely red - there should be no green areas. Other varieties, such as 'Red Heart', are not ready until they have turned a deep red, giving them the appearance of being stale. However, do not wait for varieties such as 'Blakemore' to develop the typical strawberry red color.

At most farms, produce owners or staff will be on hand to direct pickers to the appropriate patch.

Once strawberries are picked, they can be presented in a variety of simple, easy to fix ways.

Served sliced or whole in small containers strawberries can be used as a convenient snack for after play or even after a dinner party.

Combined with hard sauce, strawberries can make an excellent topping for waffles or hot biscuits at brunch or dessert time.

And for a very common, yet ever popular use, simply mash strawberries with sugar to taste and pour over ice cream.

Or, dip in a light creamy sauce for a refreshing summer's day treat.

The following farms in the Plymouth area will be open this week so people can park and pick at their convenience.

**BLESSED STRAWBERRY FARM**, 49601 Powell Road. (3 miles west of Plymouth, 1 mile south of North Territorial, 1/2 mile west of Ridge Road.) Call at 453-6439.

**ROY SCHULTZ FARM**, 7854 Lilley Road between Joy and Warren. Open at 9 a.m.

**P A R K - U - P I C K STRAWBERRY FARM**, 8779 Dixboro Road, South Lyon. 437-1394.

There will be a super duper GARAGE, ATTIC and PARKING LOT SALE at the Cultural Center Arena from June 13 to 16. Hours are from 9 a.m. to 9 p.m. on Thursday, Friday and Saturday, and from 12 noon to 6 p.m. Sunday. Come to browse or bring your own things.

The Democratic Club of Canton will present Sander M. Levin June 26 at 8:00 p.m. in the Canton High School cafeteria. There will be discussion of issues affecting state and township.

## MEETINGS

DUPLICATE BRIDGE PLAYERS meet every Tuesday, 7:30 p.m., Plymouth Cultural Center on Farmer St., in Plymouth.

PLYMOUTH ELKS, Lodge No. 1780, meets the 2nd and 4th Wednesday of each month. Visiting Elks always welcome, 41700 Ann Arbor Road, Plymouth.

## College Classes Offered

Registration for the eight-week summer session at Schoolcraft College will be held on Monday, June 24. Classes begin the following day.

Registration in the auxiliary gym begins at 8:30 a.m., starting with those who will be summer graduates. At 9, students whose last names begin with A through L will register, while those with last names from M through Z will report at 1 p.m.

Evening students are scheduled to register between 6:30 and 9, also in the auxiliary gym.

The College is offering 74 day and evening classes in 15 subject areas. These include biology, business, chemistry, economics, English, foreign language and history. Also, mathematics, music, practical nursing, political science, psychology, sociology, speech, and related instruction.

Tuition for residents is \$11

per credit hour. Member districts of the College include Clarenceville, Garden City, Livonia, Plymouth and Northville public schools. Non-residents pay \$22 per credit hour.

For further details about the summer session or admissions requirements, telephone 591-6400, extension 228. The College is located at 18600 Haggerty Road in Livonia.

## 'Y' Offers Summer Program

The Canton, Northville, Plymouth YMCA has announced their 1974 Summer Program. Activities have been scheduled for most age groups in the community.

Each weekday at Fiegel and Gallimore Schools the YMCA and Canton Recreation Department will jointly sponsor a Day Camp for children 7-12 years old at a cost of \$5.00 each week.

For four and five year olds a Kiddie Camp will be held at Allen School. The two Kiddie Camp sessions will begin July 22nd and end August 2nd. The fee is \$10.00 for Y-members, and \$12.00 for non Y-members per session.

A baseball skills class will be offered to 6, 7 and 8 year olds on Wednesday evenings from 7-8 p.m. at Starkweather School beginning June 20th. The fee is \$10.00 for Y-members, and \$12.00 for non-members.

Beginning June 25th or June 27th, young adults and adult tennis skill classes will be held either Tuesday or Thursday evenings from 8-9 p.m. at the Canton Tennis Courts. Class members should bring their own tennis racket and three balls. The fee is \$10 for Y-members, \$12 for non Y-members.

In addition, a five week golf skills class will be taught at Starkweather School on Tuesday evening, from 7-8 p.m., starting June 25th. The cost is \$12.00 for Y-members and \$15 for non Y-members.

Registration for the programs will be held at the YMCA, 670 Church Street at Adams. For further information call 453-2904.

Sgt. and Mrs. Dale Cunningham announce the birth of a daughter, Julie Lynn, May 30 in Fort Eustis, Virginia. Mrs. Cunningham is the former Sandra Fielden. Julie has two brothers, Kenyon and Jason. Sgt. Cunningham is stationed with the Army at Fort Eustis, Virginia. Maternal grandparents, Mr. and Mrs. Fielden, and paternal grandmother reside in Plymouth.

## Chamber Hosts Harness Racing

Persons who are members of a Chamber of Commerce in Southeast Michigan, are invited to attend harness racing at Northville Downs on Thursday, July 11 - Chamber of Commerce Night.

The invitation to be a guest of the Downs is extended by the Northville Community Chamber

of Commerce.

Mrs. Margaret Zayti, corresponding secretary of the Northville Chamber, said that local chamber members interested in attending should contact their president or secretary for free tickets.

For additional information, Mrs. Zayti may be reached by telephone at (313) 349-7640.

## Youth Inc. Offers New Courses

The Plymouth Youth Center will soon be offering courses in auto mechanics, sewing, and the art of self defense.

Classes in TAI CHI CH'UAN will begin Thursday, June 27, at the Youth Center. Tai Chi is an ancient martial and meditative art. Classes will cost \$10.00 for the first six weeks. Interested persons may come to a demonstration by instructor Jim Kaiser on Thursday, June 27, at 8:00 p.m.

Beginning Wednesday, June 26 at 2:00, The Youth Center will offer a class in fun sewing. Instructor Jean Karpicke will show how to make denim vests, patchwork shirts, how to decorate jeans, and many other creative, easy sewing techniques. Instruction is free.

A course focusing on either theory or on Auto Maintenance, which includes tune ups, checking fluid levels, and general care will also be offered. Women are encouraged to enroll.

For further details contact the Youth Center at 455-4090.

## Classes for K-12

The Plymouth Schools are offering academic classes for all age groups of students ranging from High School credit classes to pre-school classes for four and five year olds. In addition, there is a variety of recreation classes which include: a basketball camp for boys and girls ranging from fourth graders to 12th graders; baton lessons; bowling and golf lessons; gymnastics and swimming lessons and student tennis lessons.

All classes begin the week of June 24th except for swimming which begins June 17. For further information on times, location, and fees call the Continuing Education Dept. at 459-1180.

Dixboro Cooperative Nursery School has openings for the fall term for three and four year old boys and girls. The nursery school meets on Monday, Wednesday and Friday from 9:00 a.m.-11:00 a.m. at the Dixboro Methodist Church, 5221 Church Street in Dixboro. For more information call Dorothy Conway, 487-9233 or Ronnie Brown, 437-2314.

## 'Y' Hosts Backyard Pool Program

A Backyard Pool program emphasizing water safety and swimming skills will be offered to people in the Plymouth-Canton community this summer.

The Livonia Family Y-sponsored program will be taught by qualified YMCA personnel. Forty-five minute classes will run each Tuesday, Wednesday and Thursday for two weeks. Four sessions are planned dated June 24-July 5, July 8-July 19, July 22-August 2, and August 5-August 16. Beginner and advanced beginner classes will be offered at a fee of \$10 for six lessons. All age groups will be considered.

The Y is looking for neighborhood pools. The

children of parents who donate their pools will receive free swimming instruction. For registration and further information call the Y at 261-2161. Ask for Barb.

## CRIER'S LITE

This certainly is the year for elections. With the consolidation vote, and the school board elections under their belts, the voters of Plymouth, and Canton Townships must now examine local politics.

In Plymouth Township, the seats of Supervisor, Clerk, Treasurer and two Trustees are available.

In Canton Township, the race is practically the same with the exception of the Trustee posts.

Three are open rather than two.

The election is vital for both Townships, but to the citizens of Canton, it is the most imperative election that will ever be held in that township. With its building, and population boom just

beginning, the voters must now make a decision that will effect the township forever.

If the voters of Canton elect public officials simply on the basis of their promises, ideas, and ideals, then the populous of that township will suffer, not only for the next two years until the next elections, but repercussions will be felt when the building boom is over and the effective planning of the township is lost.

Once a house is built, it stands a lifetime. Once a subdivision is built it stands forever. I have yet to see any shopping center or apartment complex moved or abandoned because the voters decided after it was built that they disliked it, or it was no longer needed.

The candidate who presents his ideas, and promises effectively is not always the best public servant. But the candidate who presents his ideas, and his plan for accomplishing those ideas, if elected, must be commended.

The people must now ask those running, how their ideals, and promises will be turned into realities.

The voters must realize that it is their future the candidates are talking about. It is the future of the township that each candidate pledges to correct. But the power still remains with the people to choose the candidates whose platforms not only promise reform, but have the means to fulfill their promises, and make the necessary changes.

John F. Foley III

## Letters to the Editor

### Jaycees Explained

The Plymouth Jaycees have begun another "Jaycee Year," and as the newly elected and installed President, I can assure you we are looking at a totally involved chapter in the Plymouth community.

For those of you not familiar with Jaycees, it is an organization of young men dedicated to two principles: Leadership Training Through Community Involvement.

The Leadership Training is the inner workings of the chapter. We have several programs designed to develop the individual member's leadership abilities. The Community Involvement portion is the part that you, the community see, i.e., Haunted House, 4th of July Parade, 4th of July Carnival, and the Annual Beef Rib Dinner at Fall Festival, to name but a few. (How many of you realized the Jaycees were totally responsible for the 4th of July activities?)

By the same token, Jaycees do not build communities; rather, Jaycees build young men who build communities. Once the leadership potentials have been brought forward in an individual, there is no limit to which he may excel. Many of our presidents have been Jaycees.

The one way that Jaycees can be successful in their community is to know the needs of the community. I therefore urge you to come forward with any ideas that you feel are needed in the community and the Jaycees will sincerely look at them. We need YOUR ideas, the citizens of Plymouth. Help us to become involved and relevant.

Duane Goudy, President  
Plymouth Jaycees

### Canton Building Codes Criticized

The editorial in your June 12 issue concerning the increasing danger of fires both in homes and especially in apartments in the Township of Canton was impressive.

It is obvious to anyone who

attends Township meetings and perhaps more painfully obvious to those people who reside in apartment buildings within the

Township of Canton that our Township has no interest whatsoever in the danger of mass annihilation of its citizens because of the substantial danger of a fire spreading from one apartment to all attached apartments in that particular complex.

After a very large and nasty fire occurring in the apartment complex next to the Holiday Park Subdivision where many, many apartments were destroyed after a rather small fire was started in just one apartment, I took it upon myself to go to the City of Livonia and complete a study on the various Livonia ordinances and requirements for the building and construction of apartment units so as to confine any apartment fire within the particular unit where it originates and make it almost impossible to spread to adjoining units. All ordinances, laws and research were typed and presented to the Township Supervisor, Mr. Dingledey, the Township Clerk and to the Chief Building Inspector.

One week later I personally appeared before a Township meeting and explained that I had been at the above described fire and that it was a miracle that many, many lives were not lost. I further stated that I thought that an emergency ordinance should be passed immediately conforming with the Livonia ordinances, requiring cement floors, cement roofs, and block walls among other protections in every apartment built in the Township of Canton from that day forward. That was eight months ago. No action whatsoever has been taken by any member of the present Board.

The Board has shown no interest whatsoever in the saving of lives or in the protection of little children who may be sleeping next door to someone who unfortunately may have fallen asleep with a lit cigarette in bed. There can be no excuse

for that type of blatant neglect on behalf of our Township officials and that type of callous disinterest must be dealt with by the voters of this Township in the upcoming election in the strongest of terms. No one on the present Board can be excused from the neglect and disinterest I have described.

Just as an aside, there would have been a very profitable and additional benefit from the enactment of the emergency ordinance which I have described. The cost per unit would have risen substantially for each builder or developer and we would have found that the demand for the construction of apartments in Canton and the rezoning of every possible square inch for multiple dwellings would have substantially decreased because of the new ordinances.

Your editorial is correct. Our Township Board has shown itself to be clearly interested in allowing any type of structure to be built almost anywhere in our Township, no matter how safe, how ugly, how uninhabitable, and no matter how it affects the environment surrounding it, or the other types of structures which would necessarily have to be built next to it because of the particular construction that they allow.

If I had had my way, this Township would have had an ordinance that would have protected the residents of apartments eight months ago.

Very truly yours,  
Robert E. Greenstein

### Outstanding Help

Dear Crier,  
This spring, I worked on Publicity for the Senior Graduation Party. Some outstanding help was given by Mrs. Fick, Mrs. Hopkins, Mrs. Kraay, Mrs. Upton, Mrs. Paul and Mr. Dittmar, art teacher at the high school, the radio station, Mrs. Cunnirgham and the senior class officers.

Thanks for the pleasant memory,  
Bob and Shirley Kinsler

# Introducing A.A.R.P.

By Elaine Edford

"We'd like people to know that Senior Citizens do a lot more besides sit around, play cards and take a few bus trips. Unfortunately, a lot of people know about how we entertain ourselves, but few people know much more about us", states Fred Bradley in his characteristically cheerful and enthusiastic manner. Mr. Bradley is president of the Plymouth-Northville chapter of the American Association of Retired People.

As a national organization, the A.A.R.P. is the largest Senior Citizens group in the U. S. The A.A.R.P. boasts 1600 local chapters around the country and over five million members.

Up until 1972, the Plymouth Community did not have an A.A.R.P. chapter of its own. At the first organizational meeting at Plymouth Presbyterian Church in June of '72, 50 interested Seniors were present - from this the Plymouth-Northville A.A.R.P. has grown to the over 300-member group that it is today. As Mr. Bradley put it: "The local A.A.R.P. was formulated on the idea that, as interested citizens of our community, we (Seniors) did not want the stigma of being put on the shelf. We wanted to become a service organization - to help other people."

Mr. Bradley is the first to agree that "even though we could always do better", the Plymouth-Northville A.A.R.P. has come a long way in realizing its goals in the two years that it has been in existence. Many social and recreational activities for Seniors are offered through weekly A.A.R.P. meetings. Luncheons, potlucks, and bus trips are only a few of the activities offered. This year saw the Seniors travelling as far as northern Canada and Williamsburg, Pa.

In addition to the social aspects of the A.A.R.P., are the activities which Fred Bradley considers "the most important."

The first is providing continuing education for community Senior Citizens. In addition to supporting and endorsing the quite extensive selection of courses for Seniors at Schoolcraft College, the local A.A.R.P. does a little educating on its own. At monthly A.A.R.P.

meetings, informative guest speakers have been featured. The last few meetings featured a speaker from the Lutheran School for the Deaf as well as an expert from the Metro Park Authority in Wayne County. June's meeting will feature a spokesman from Detroit Edison. The topic will be "The Energy Crisis." Such talks are geared to be educational as well as to demonstrate how the various subjects relate to the Senior as a citizen.

The state and local government also provide information for Seniors through the A.A.R.P. New trends, legislation, programs, etc., pertaining to Senior Citizens are channeled through local chapters via written material, which is then made available to members. Thus, if there is a change in an income tax law pertaining to Seniors, A.A.R.P. members are the first to know about it.

The Plymouth-Northville A.A.R.P. is also locally active in what Mr. Bradley terms "community services." Through a special program at Fiegel school in Plymouth, some of the Seniors are involved as Teaching Assistants for children in grades one through three. Specializing in helping children with learning or social problems, the Seniors tutor these children in reading, math, or in any other subject in which the child is having problems. "Sometimes we don't even have to help the child with a particular subject - sometimes it's enough just to make a friend," says Mr. Bradley.

Under the heading of "community services" also comes the World Medical Relief program. Every Monday, eight A.A.R.P. members board a bus which takes them to downtown Detroit to the World Medical

Relief Center - an organization which warehouses surplus drugs and medical supplies and sends them to underprivileged countries in time of need. The Seniors offer their help in any way possible during the day.

Speaking of the community services aspect of the A.A.R.P.,

Mr. Bradley states: "We also hope we're in the mill for helping nursing and convalescent homes in the area - although this is still in the planning stage." At the present time, some A.A.R.P. members are engaged in making robes for people confined to wheelchairs.

The latest project of the Plymouth-Northville A.A.R.P. concerns Senior Citizen housing. The A.A.R.P. is going to take a survey of 500-1000 Seniors in the area to find out just what kind of housing they would like. "The way it is now, says Mr. Bradley, builders often build a Senior Citizen housing project the way that they think Seniors would like to live - but the fact is that few of us have even been asked where we'd like to live. Do we want apartments, condominiums, single family homes? Do we need clubhouses, shopping areas, recreational services and so on? Can we, or are we willing to pay for these things? No one really knows."

The purpose of the survey is to find out what the real housing needs are for Seniors in the middle income bracket. Mr. Bradley pointed out: "Places like Tonquish Creek Manor exist for Seniors in the lower income brackets, and they're just fine. But if you have an income which is over the maximum allowed you can't live there. In addition, there's a waiting list of about 150 people."

The proposed A.A.R.P. survey has already attracted the attention of the University of Michigan, as it would be the first survey of its kind in the U. S. The University has offered the use of its computers to help A.A.R.P. analyze the results of

## WHAT IS CHIROPRACTIC?

Chiropractic is a Philosophy, Science, and Art of things Natural; a system of adjusting the articulations of the spinal column, by hand only, for the correction of the cause of the disease.

The adult spinal column consists of the superior 24 freely movable bone segments, called vertebrae, together with the sacrum and coccyx. All the great nerve trunks emit thru the openings between these vertebrae which openings are known as the intervertebral foramina. The vital nerve force within man is carried by these nerve trunks from the brain to the various organs, muscles, and tissues of the body.

For every effect you must have a cause; that is a fundamental law of physics. If a person is ill, then the condition of disease, regardless of the name applied to it, is in fact an effect for which there must be a cause.

The Chiropractic premise is that the cause of disease is due to the subluxation of vertebrae, which produce pressure upon the nerve trunks and thus interfere with the normal transmission of vital nerve force.

The Chiropractic objective is to locate the point in the spine, where nerve pressure exists, due to a vertebral subluxation, and thus proper adjustment by hand, to restore the subluxated vertebrae to its normal position, thus releasing the pressure on the nerves involved and thereby removing the cause of disease in the body. Renewed health is the natural result.

'When Your Spine's In Line...

# Plymouth Hockey Assoc. Requests School Program

by Dan Herriman

Varsity athletics may include something new this fall — ice hockey.

The program, if put into effect, will involve 20 boys at each of the two high schools.

The Plymouth Hockey Association, (P.H.A.) represented by Dr. Wendell Hough at the June 10 Board of Education Meeting, requested that the school board implement the school hockey program for the 74-75 season.

Last year the program was not implemented because the millage did not pass.

George Lawton, School Board Trustee, made a motion to form a committee for the implementation of a school hockey program in Plymouth.

"We are willing to assist in any way with the study of the program," said Dr. Hough, who was asked to respond through the P.H.A. Board of Directors.

The committee to study the program consists of Hough, Gary Mirto, School Board member,

John Sandmann, athletic director, and Raymond Hoedel, assistant superintendent of business.

There is no problem identifying teams with which to compete, said Hough, although it is too late for league scheduling this fall. League competition begins in November.

With the participation of 350 boys and girls, the Plymouth Hockey Association has a waiting list of 40 girls. Through the

establishment of two varsity teams, there will be room for the girls in P.H.A.

The motion to form a committee was passed by all the board members except Marda Benson, who said, "I'm not interested in the implementation of a school hockey program until we see the implementation of a learning disabilities program, the 45-15 program at Miller School and complete sports facilities for girls."

## Bike Paths Approved

Plans for a 20-mile parkway bicycle path has been approved by the Wayne County Board of Commissioners.

The County legislators, meeting June 6, earmarked up to \$50,000 for construction of an asphalt bicycle path along Edward Hines Drive through the Middle Rouge Parkway,

extending from Northville to Dearborn.

The board's contribution is to be matched by up to \$50,000 from the County Road Commission, plus up to \$75,000 each from the State and Federal governments.

Construction is expected to begin this summer in Livonia.

Photo by Bruce Phillips

Buggy rides, butterchurning, spinning, quilting and embroidery were just part of the activities offered at Forest Place Mall's first anniversary celebration last Saturday. Between rain showers these girls had an opportunity to pet 'Mr. Ed.' Pictured from left to right are: Wendy Jibson, Rene Bjornbak, and Kryoton Bjornbak.

Anyone who wishes to enter the Plymouth Fourth of July Parade, should contact John Stow, Parade Chairman at 455-1090.

Costs for units, floats, etc., entering the parade are: \$15 for business organizations, \$10 for adult organizations, and \$5 for youth.

### Hamlin Engaged

Mr. and Mrs. Merle Hamlin of Robinwood, Plymouth, announce the engagement of their daughter, Cynthia Marie, to Everett R. Smith of Springfield, Ohio. The bride-elect is a 1971 graduate of Plymouth High School and is now employed by Kernitz Candies in Plymouth. Her fiance graduated from Olivet Nazarene College and is employed at KanKaKee Steel Company. An August 10th wedding is planned.

### Plymouth Symphony Awards Plaque

Schoolcraft student Julia Broxholm of Livonia is this year's recipient of the Outstanding Music Student award sponsored by the Plymouth Symphony Orchestra.

Fine arts director Richard Saunders said Ms. Broxholm was the unanimous choice of the music faculty from 75 music majors. She is the sixth student to receive the symphony plaque.

The selection is based on performance and academic achievement. Ms. Broxholm was judged on voice, piano and violin.

Accompanying the plaque is a small financial scholarship award. This will be helpful as Ms. Broxholm continues her music education at the University of Michigan next fall.

## Potpurri

by Ginger

Four parents watch with pride and love as the beautiful bride in her breathtaking wedding gown of peau de soie, and her handsome groom in his formal attire are joined in marriage.

We at the Plymouth Community Crier feel the write-up of your wedding is important news for you, your family, friends, and the community. Each person can share the joy and beauty of the occasion if you share your picture and the details with us. We have informational sheets available in our office at 895 Ann Arbor Trail. There is no charge for any service as long as we have the space in the newspaper. We extend our invitation to bride, groom, and family for bridal descriptions in your hometown newspaper.

## Waterbury-Hicks

Wed

The First Congregational Church of Ann Arbor was chosen by Catherine Ana Hicks and her bridegroom, Luther H. Waterbury, as the setting of their wedding at 7:30 p.m. June 1st.

They exchanged vows in a double ring candlelight ceremony with the Reverend Ronald Phillips officiating.

The bride is employed by the Professional and Administrative Staff, University of Michigan Medical Center and is presently Director of the Medical Records Department at the Chelsea Community Hospital. Her husband has served in Vietnam and is presently a senior at Eastern Michigan University.

The bride wore an empire style gown with seed pearls accenting the waist and neckline. She wore a matching hood trimmed in seed pearls which she designed and made.

She carried a bouquet of white

roses and stephanotis.

Mrs. Blair Eisenlord was honor maid in a yellow quiana nylon halter dress with a short bolero jacket accented by white collar and cuffs. She carried an arrangement of mixed spring flowers.

Cindy Lewis of Ypsilanti, cousin of the bride, and Cynthia Waterbury, of Saline, sister of the groom, were bridesmaids with gowns matching those of the maid of honor.

The groom's brother, Richard Waterbury of Saline, was best man. The bride's brother, Gary Hicks of Lansing and the groom's brother, Christopher Waterbury, of Saline, were ushers.

A reception followed at Weber's Inn in Ann Arbor.

After a wedding trip through Colorado and New Mexico the couple plan to make their home in Ann Arbor.

## Bob Seger Stars at Cultural Center

by Gene Haymen

Despite a small turnout, Bob Seger put on a fine show Saturday night at the Plymouth Cultural Center. From the moment he walked on stage Seger had the small crowd on its feet and they still clamored for more after a 10 minute encore. His well organized set interspersed some tasteful mellow numbers with the expected high energy rock and roll. 'Ramblin Gambler Man,' sounding crisp as ever still proved to be Seger's strongest tune. 'Get Out Of Denver' from the latest release 'Seger 7' received an excellent response, indicating that Seger may well be heading for a comeback.

Musically, Seger's present band introduced as The Silver Bullet is probably the best he's ever put together. It consists of Drew Abbott on guitar, Chris Campbell on bass, Charlie Martin on drums, and Robbin Robins on keyboards. The sound is solid and the changes used are refreshingly ambitious at times.

## Heindryckx Meets With House Rep.

Anne Heindryckx recently met with Lynn Jondahle, house representative for the state of Michigan.

Miss Heindryckx, the daughter of Mr. and Mrs. A. O. Heindryckx of 46000 Ann Arbor Trail, is an MSU senior majoring in natural resources and environmental education and a 1970 graduate of Plymouth High School. She was among 32 Michigan State University students who participated in Project LEAD, a class sponsored by MSU's College of Agriculture and Natural Resources.

Project LEAD is a unique leadership development program for sophomores, juniors and seniors in the College of Agriculture and Natural Resources at MSU. The major objective of the class is to create a better understanding of social, political and economic problems facing society. Their visit with Jondahle was one of their weekly group activities used to increase awareness.

Students are first nominated by faculty and student leaders and are then interviewed by Project LEAD's faculty advisers. The students range in age from 19 to 24 years and represent the top students in the college.

The issues dealt with change each year to remain current. This year they included drugs, poverty, welfare, environmental topics, criminal justice, political systems and numerous other current social problems facing society.

Besides the class work, the students were required to participate in a group project and also an individual independent study of a topic approved by the adviser. The class took place over the winter and spring terms.

giving hope to the idea that rock and roll is beginning to sophisticate itself.

Preceding Bob Seger and the Silver Bullet on stage were a few members of the theatre-mime-musical company Friends Roadshow and the rock band Hot Lucy. Friends Roadshow performed a medley of 50's rock spoofs to open the show and then Jango Edwards highlighted their segment with a graceful fire eating act. Friends short routine was only part of a three hour show they perform in night

clubs and concerts in both the United States and Europe.

Hot Lucy followed with a well received set of hard rock and roll that drew many people to their feet. A noble achievement for a warm-up band -- and then after a short break the concert followed on to Bob Seger and the Silver Bullet.

The only unfortunate part of the concert was the small turnout which caused the huge hall to echo in the back and at the sides.

Photo by Bruce Phillips

## Mineral, Fossil Display at Library

An exhibit highlighting Michigan minerals and fossils will be on display at the Dunning Hough Library this month.

The showing is the result of an effort by the Michigan Mineralogical Society and the Rock Exchange Club of Garden City to educate the public about their hobby. The organizations will assemble 26 displays in Detroit area libraries through the summer months.

Viewers at the Dunning Hough exhibit can see the native copper of the Keweenaw, minerals of

the iron region, blue celestite, sulphur, calcite and selenite. Other specimens will include marcasite and pyrite -- the fabled "fool's gold" of gold rush days.

Interested viewers can ask the librarian for further information on geology and local collecting clubs.

## DiPonio Wins First Game

by Dennis O'Connor

Plymouth DiPonio, the Plymouth-Salem representative of the Mickey Mantle League, won their first game of the season last Sunday (June 16) with a nine inning victory over J. J. Curran, 5-4.

DiPonio's record now stands at 1-6 for the year.

A bases loaded walk did the trick for DiPonio as Kirk Brannock picked up the RBI.

With one out in the ninth, John DenHouter and Chad McDonald singled with Howard Inch walking in-between to load the bases before Brannock's base on balls.

Brian Wolcott started DiPonio's scoring in the bottom of the opening inning with a 335 foot solo home run. After Curran scored three, DiPonio came charging back to make the score 4-3 in their favor with a three run fifth inning.

Mike Primeau singled, went to second on a wild pitch, and scored on Dave Pierce's RBI single. Vern Nagel followed with a base hit to move Pierce to third.

DenHouter grounded out to score Pierce and inch singled to score Nagel.

Curran forced the game into extra innings with a single run in the seventh before DiPonio's late inning heroics.

Brian Wolcott picked up the win in relief of Mike Primeau going the last 2-1/3 innings, and striking out five.

Wolcott also paced the Plymouth ten hit attack with three sateties while Primeau had two.

A good crowd of 80 people came to the Plymouth field to see the game.

Earlier in the week, DiPonio dropped two ball games to Melvindale (5-1) and Winsor (5-4 in eight innings).

DiPonio scored its only run in the Melvindale game in the opening inning.

Brian Wolcott walked, Dave Pierce was safe on an error moving him to second, and Vern Nagel singled to score the DiPonio shortstop.

Mike Primeau went all the way in picking up the loss, striking out nine and walking three.

Mike Jolly did a great job for Melvindale, hurling a three hitter at Plymouth and getting eleven men on strikes.

DiPonio came back from an early two run deficit to Winsor with single runs in the second and fourth innings.

The game went into extra innings with the score 2-2 before Chad McDonald singled home two runs to make it 4-2.

But Winsor came back with three runs in their half of the eighth to win it. The big blow was a two run "Texas League" double down the right field line.

Brian Bogens Chutz had an RBI single for DuPonio, and Tim Lilley scored two runs.

DiPonio will try to avenge an earlier 4-2 loss to Dearborn when they face the Pioneers today (June 19).

This Friday, DiPonio faces Dearborn Heights followed by a Sunday game against Allen Park. Both games are on the Plymouth home field.

## Plymouth Merchants Victorious in Mack League

by Dennis O'Connor

The opening game of the Connie Mack League Season was a sweet one for the Plymouth Merchants (Plymouth-Canton Chiefs) as they won a 7-2 rained shortened game over Michigan National Bank (Stevenson) in a National League contest.

Michigan National jumped on starter Bill Parson in the very first inning as they accounted for two runs on a single, double, and triple.

The Chiefs bounced back in their half of the first when Tom Close doubled. Mike Verduce followed close with a walk. Both players scored on an error by the Stevenson centerfielder.

They added to their scoring assault in the following inning as Brian Stemberger led off with a double, Boy Ayotte immediately knocked Stemberger home with an RBI single and scored on an error by the rightfielder.

The Chiefs scored their final three runs in the fifth inning as nine men went to the plate.

Mike Verduce banded a triple over the left fielder's head. He scored on a passed ball.

Bill Parson started things up again with a walk. Dave Pink moved him to third with a single.

Keith Randazoo scored Parson and Boy Ayotte scored Pink on back-go-back singles. Ayotte's hit was his second single accounting for just as many runs batted in.

With the game moving into the bottom of the sixth inning, Mike Verduce laced a single to right. It was Verduce's third hit of the night. Then the rains came and the game was halted.

Parson went all the way for the Chiefs going six innings and striking out nine while giving up five hits. He settled down after his poor start to retire the next seven out of nine hitters, and was in control the rest of the way.

The Chiefs had eleven hits and played errorless ball.

This Tuesday night victory (June 11) was the only game played last week for coach Fred Crissey and his players as Saturday's game against Garden City Sport was cancelled because of rain.

The Plymouth Merchants now have a long layoff before their next game which will be next Tuesday (June 25). They face Franklin at Rotary Park Field in Livonia. Game time is 6:00 p.m.

## Little League News

The Plymouth Crier Sports Section will continue its coverage of the Plymouth Community Junior Baseball League with standing and results of the C, E, and F leagues which started play this week.

The other three leagues (A, B and G) will still appear with their standings and results until the end of the season.

# Plymouth Sweeps Double Header

by Dennis O'Connor

Plymouth's entry in Adray League baseball is off to a great start as it has won its first four out of five ball games.

Plymouth's first two wins came in a doubleheader sweep over Garden City Sport last Sunday (June 9).

The first victory was just a matter of "hanging on" as Plymouth ran out to a quick 4-0 lead at the end of two innings. The final score was 4-3 with Steve Huss going the distance.

The night cap of the doubleheader was a comeback victory as Plymouth scored a run in the seventh inning to the things up at 3-3, and eventually won in the ninth with a three run rally.

Chris Martucci, from Plymouth-Canton High School, came through with a two out RBI double to take things into extra innings.

Then in the ninth, Bidwell put together two singles, two doubles, and a sacrifice bunt for the winning three runs.

# Elks Games Cancelled

by Dennis O'Connor

The first two games of the 1974 Connie Mack League season for the Plymouth Elks were cancelled last week.

Tuesday's game (June 11) against Berry Appliance (Red), the Churchill High School representative, was called off due to the fact that Churchill was still playing school ball in the Michigan High School Baseball Tournament.

Saturday's game (June 15) was not played due to rainy weather. Plymouth was scheduled to play Berry Appliance (Blue), the team from Franklin High School.

Plymouth Elks is the team which consist mainly of the Plymouth High Rocks Varsity squad of the past year.

Wayne Sparkman, who coached the Plymouth team during school, will also direct the summer team.

Wednesday's victory (June 12) was another comeback thriller as they scored four runs in bottom of the seventh to overcome a 5-2 deficit to Griffin Sport (Livonia). The big blow of that inning was a two run single by Wayne Darragh.

Plymouth High School's 1973 graduate, Steve Robb, had two hits in the game and picked up an RBI.

Plymouth Bidwell lost its first game of the summer season Sunday (June 16) as they dropped the opening end of a doubleheader 7-1 to Dick Nick Equipment.

Bidwell came back to even things up in the second game with a 3-2 victory.

Their next two games are at home against Westland Burger King and Redford Adray, tonight and Friday night, June 21. Both games are at 6:00 p.m.

Sunday, June 23, Plymouth encounters Griffin Sport again at Henry Ford Field in a 5:00 doubleheader.

Plymouth Elks are competing in the American League.

Their opening game was yesterday (June 18) against Fischetti Floors (Clarenceville High School).

Plymouth competes tomorrow (June 20) against Adray Appliance (Redford Union) at the Plymouth field.

Next Tuesday (June 25), Plymouth encounters Crowe Associates (Bentley) at Haggerty Field. Both games are at 6:00 p.m.

# Vettese Wins

by Dennis O'Connor

The half way mark of the 1974 women's slo-pitch softball league was highlighted by a battle between the top two teams last Thursday (June 13) at Canton H.S.

Vettese Builders, who were in second place losing once to Daly Drive-In, revenged that only loss to the front-runners with a 10-5 victory.

Both teams are now tied for first with identical 5-1 records.

After Vettese was held scoreless in the top of the first inning, Daly jumped into a quick three run lead in their half of the stanza.

Vettese came back with two in the second but Daly added one in their half to make it 4-2.

Then the roof fell in on Daly as Vettese exploded with two four run innings in the third and fourth frames.

Daly's last run came in the fifth.

# A.A.R.P.

(continued from page 7)

the survey. If the survey is a success, they hope to use the results nation-wide as a suggested standard for Senior Citizen housing in the future and as a guide for future surveys.

From the first meeting of 50 interested Seniors to involvement in a wide variety of projects, including a possible national survey, the Plymouth-Northville A.A.R.P. has come a long way since the summer of '72. As Mr. Bradley put it: "We do a lot more besides entertain ourselves... and we'd like to do more in the future."

# Trading Post Victorious

The Plymouth Trading Post Braves took their second league victory in three outings with a 2-0 rain shortened win over Southfield Woods. Steve Morman recorded his first win of the summer with a strong performance giving up one hit, walking two, and fanning four.

The Braves scored both their runs in the first inning. After Kevin Randazzo grounded out, Steve Dugan ripped a double down the left field line. Dugan went to third on a wild pitch. John Young grounded sharply to shortstop and Dugan held at third. Matt Wiley bounced a single to right scoring Dugan and Eddie Pariseau drove Wiley home with a triple to right field to give the Braves all the runs they needed.

Morman set Southfield down in order in the first three innings and pitched out of trouble in the fourth when a one out double and infield error put two runners aboard for Southfield. Morman struck out the next two hitters

to preserve the shutout. The rains came in the bottom of the fifth and the game was called with Trading Post a 2-0 victor.

Trading Post now stands with a record of two wins and one defeat in the Northwest Mickey Mantle loop which includes teams from Catholic Central, Garden City, Southfield, Dearborn Heights, and Southfield Woods.

Manager - Ben Wilcox  
 Details — After the National All-Stars came within one run (5-4) in the top of the sixth inning, the Americans scored six runs in the last four frames for the seven-run win.  
 Jim Michalek and Jerry Swantek paced the Americans' hitting attack with two a piece. Roger Anison hit a two run triple in the fourth.

Manager - Bill Runge

## Braves Win Over Shamrocks

A fine 4-3 comeback victory over the Catholic Central Shamrocks marked the initial win for the Trading Post Braves (Plymouth Canton) in Mickey Mantle competition. C.C. parlayed two walks and two base hits into two wins in the bottom of the first inning. The Shamrocks upped the count to 3-0 on pitcher Phil Dial's long homerun in the second. Trading Post broke the scoring ice in the third when after one was out Bob Rapson lined a single to left. John O'Connel sacrificed Rapson to second and Rapson moved to third on a passed ball. Steve Dugan walked.

On the next pitch Dugan broke for second and Rapson scored in the ensuing run-down before Dugan was tagged out. In the fourth the Braves added an unearned new. Matt Wiley

walked. Ed Pariseau laid down a base hit bunt but Wiley was nailed as he rounded second with a quick throw from first to short.

Pariseau stole second and Gary Birdsall walked. Ray Smock grounded to short but beat the relay at first on the double play attempt, Pariseau moving to third. Kevin Randazzo topped a ball off the right side of the plate and was hit in the back on the catchers throw to first allowing Pariseau to score and make the score 3-2.

Trading Post tied the score in the sixth inning. Eddie Pariseau roped a single to left and promptly stole second and third. Ray Smock delivered a sacrifice fly to leftfield to knot the score. The Braves went ahead to stay in the seventh. Bob Rapson lined his second hit of the game to

center. John O'Connel sacrificed Rapson to second and Steve Dugan lined a single to right scoring Rapson. Mark Perkins picked up his first win of the summer allowing five hits walking three and striking out five in six innings. Steve Morman recorded a save as he set C.C. down with no hits in the final inning.

## Moto-races at Northville

by Dan Herriman

The motorcycle races at Northville Downs Saturday, June 1, were divided into four main events, each more exciting than the last for the 7,500 enthusiastic fans; 139 riders from across the U.S. and Canada competed.

In the five-lap Match Race for \$2,000, Team Michigan beat Team Can-Am. Michigan was led by the team's youngest member, Jay Springsting from Flint. Springsting rides a Vista-Sheen Special.

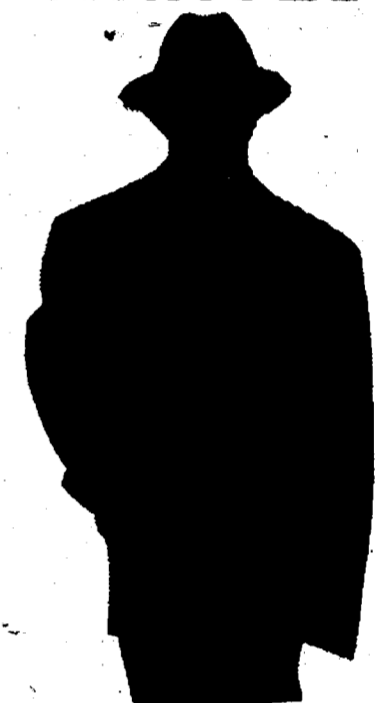

In the 10 lap Experts Event, Corky Keener placed first on his Yamaha 750. Dave Selle from Atlanta, Georgia was second on a Harley 750.

The Junior Event saw Jay

Springsting place four seconds faster than the Experts. Jay and his brother, Larry, have the best sponsorship in the nation.

In the Novice Event, Larry Beale from Texas was first on a Yamaha in the closest race of the night.

## Minutes of the Board of Trustees

TOWNSHIP OF PLYMOUTH  
BOARD OF TRUSTEES - REGULAR MEETING  
JUNE 11, 1974

The meeting was called to order by Supervisor McLaren at 8:00 p.m. All members were present.

**READING, CORRECTING AND APPROVAL OF MINUTES** - Regular Meeting, May 28, 1974. Mr. Burke moved that the minutes of the regular meeting of May 28, 1974 be approved as submitted. Supported by Mr. Overholt and carried unanimously.

**READING, CORRECTING AND APPROVAL OF BILLS** - Mrs. Richardson stated she had two additional bills: one to Wayne County Road Commission for Dust Palliative in the amount of \$1,500 and the second bill was to the International Association of Electrical Inspectors, annual dues for Joe Attard in the amount of \$20.00. This made a total General Fund of \$28,331.82 and a Grand Total of \$31,514.49. Mr. Ash moved approval for payment of bills in the corrected total of \$31,514.49. Supported by Mr. Overholt and carried unanimously.

**Web Kincade, D.P.W. Superintendent, Re: Report on Public Hearing of Board of Public Works, County of Wayne.** Mrs. Holmes moved that the Board authorize the Township Engineer to make whatever additional studies necessary on the seven combination sewers to report to the Board the condition, feasibility and an estimated cost to eliminate the combination sewers one at a time. Supported by Mr. Burke.

Mrs. Richardson asked if the Board was authorizing the Engineer to do this study regardless of cost. Mrs. Richardson stated she thought they were going to ask the Engineer to come back with a cost of the study rather than authorizing him to go ahead and do it regardless of cost. Yes: E. Holmes, G. Burke, G. Overholt, R. Ash, F. Millington, J.D. McLaren.

No: H. Richardson  
The motion carried.

**OLD BUSINESS** - Lewis B. Hoffman and Dennis W. Richardson, L. & D. Service, 49429 Ann Arbor Rd. Re: Requesting permission to present a plan for correcting fill dirt. (Tabled for two weeks only on May 28, 1974 to allow time to negotiate a settlement). Mrs. Richardson read a letter dated June 10, 1974 written by Mr. Leon Spence, of Brashear, Brashear & Duggan, attorneys for Mr. and Mrs. Budzynski regarding the dumping dispute at Ann Arbor Road and Ridge Road wherein Mr. Spence stated that a settlement had not been reached between the parties involved and asking the Board to settle the dispute. Mr. McLaren asked both Mr. Spence and Mr. Draugelis that if there is flexibility on their parts where it is. After lengthy discussion by Mr. Spence, Mr. Draugelis, members of the audience and the Board members, Mrs. Holmes moved that the Township Board accept the grading proposal as presented by L. and D. Supported by Mr. Overholt. Additional discussion was held and comments made about proper drainage, terracing and other problems that may arise and Mr. Briggs suggested that something be added that would request L. and D. to furnish the Township Engineers a Grading Certificate, thereupon Mrs. Holmes moved to amend the motion to say that the Township Board accept the grading proposal as presented by L. & D. with a completion timetable of 60 days and that they (L. & D.) furnish the Township with a Engineers Grading Certificate after completion. Supported by Mr. Overholt.

Yeas: E. Holmes, G. Overholt, F. Millington, G. Burke, H. Richardson, J.D. McLaren.

No: Russell Ash  
The motion carried.

**NEW BUSINESS** - J.P. Binder, 40518 Governor Bradford, Re: Drainage problem on his property. Mr. Hamill recommended that the backyard grade be constructed under plans which the Township should prepare and get approval from the Road Commission and the cost of construction be passed on to the developer. Mr. McLaren asked the Board for permission to work with Mr. Briggs and Mr. Hamill to get started on this item. Mrs. Holmes agreed to meet either tomorrow, June 12, 1974, or no later than Thursday, June 13, 1974 and prepare such a letter to Dover Homes.

**Helen Richardson, Clerk, Re: Transfer of funds.** Mrs. Holmes moved approval of the transfer of funds as requested by Mrs. Richardson. Supported by Mr. Ash and carried unanimously.

**Clerk, Re: Amendment to Dog Ordinance No. IV.** Mr. Ash moved that Ordinance Amendment IV-E to the Dog Ordinance No. IV, known as the Township Dog Ordinance be approved. Supported by Mr. Burke and carried unanimously. (Copy of Ordinance IV-E attached to official minutes).

**Herald Hamill, Brender-Hamill and Associates Inc. Re: Requesting approval of water connection for Oak Haven Trailer Court.** Mrs. Holmes moved approval of the engineers recommendation of the water connection for Oak Haven Trailer Court and that the plans be forwarded for construction permits. Supported by Mrs. Richardson and carried unanimously.

**J.D. McLaren, Supervisor, Re: Recommending the Board of Trustees appoint Mr. Perry Richwine to Museum Board representing the Township of Plymouth.** Mr. Ash moved adoption of the Supervisor's recommendation that Mr. Perry Richwine be appointed to the Historical Museum Board representing the Township of Plymouth. Supported by Mr. Overholt and carried unanimously.

**J.D. McLaren, Supervisor, Re: Authorizing the Supervisor to contact architectural firms for their proposals for construction of a new fire station to replace station no. 2 now being taken by the State Highway.** Mrs. Richardson moved approval of the location on Wilcox Road as suggested by Mr. Wines and as agreed by the Township Fire Chief and Supervisor McLaren and authorize the State Highway to proceed with acquisition and also authorize the Supervisor to contact architectural firms for their proposals for constructing a new fire station. Supported by Mr. Burke and carried unanimously.

**RESOLUTIONS** - City of Romulus, Re: Opposition to Senate Bill 781. Mr. Burke moved that the Board adopt a similar resolution. Supported by Mr. Millington and carried unanimously. (Copy attached to official minutes.)

Mr. Overholt moved for adjournment. Supported by Mr. Burke.

Supervisor McLaren adjourned the meeting at 9:55 p.m.

Approved.  
Respectfully submitted,  
J.D. McLaren  
Helen Richardson, Clerk

These minutes are a synopsis. The official minutes are on file in the Clerk's office.

## Louise Cargo Graduates From Wellesley

Elizabeth Louise Cargo, daughter of The Rev. and Mrs. Paul M. Cargo of 1401 Palmer, Plymouth, received the Bachelor of Arts degree from Wellesley College, Wellesley, Mass., at the 96th Commencement held on campus Saturday, June 1.

John Kenneth Galbraith, Paul M. Warburg Professor of Economics at Harvard University, delivered the main address. Nearly 450 members of the Class of 1974 were awarded degrees by Barbara W. Newell, 10th president of the College.

A graduate of Plymouth High

School, Ms. Cargo majored in English. A member of the Wellesley College Choir, she is the director of a smaller choral group, the Madrigals, and a soloist for the Chamber Music Society.

She was named a Wellesley College Scholar for her academic achievement. She will enter Vanderbilt University's Ph.D. program in Southern literature after a year of studying music and working in Boston. Her mother, Martha Hatcher Cargo, is a member of the Wellesley Class of 1945.

## "I've Been Robbed"

You have been away on a trip. As you walk up to the house you notice the front door is standing wide open. Immediately, you think "Did I lock that door before I left?" Coming closer you see the lock has been broken, and through the open door you see the contents of the hall closet strewn about the floor. Now the realization strikes you - "I've been robbed!"

Throughout the house, the terrible aftermath of the burglar is seen. Drawers have been pulled out and dumped, closets emptied, coin banks smashed. Your jewelry, appliances, silverware, and other valuable belongings are missing.

When the police officers arrive, they begin asking questions. "Did you lock all the doors and windows before you left? Did you leave a light on? Did you have an alarm? Do you have a list of the serial numbers of the missing items? To each question, you answer "No, I never thought of that." Slowly you realize that you had taken hardly any precautions against the possibility of being burglarized. And now your home is a shambles and your property is gone.

### IT CAN HAPPEN TO YOU!

If this, or something like it, didn't happen to you consider yourself lucky. It DID happen to over a million persons last year, causing nearly \$800 million in losses. All indications point to another large increase in the number of burglaries again this year. To insure that you will never have to live through this experience, your mayor with the assistance of the Police Department has proclaimed the week of June 23 through June 29, 1974 as Burglary Prevention Week. During this special week police authorities and insurance companies will offer tips in foiling the would-be intruder.

### TIPS ON HOW TO PREVENT BURGLARIES

There are many things the average person can do to avoid becoming a burglary victim. Some require a little advance preparation, while others are as simple as turning a key. All of these hints are the result of years of experience by your police department.

### BASIC HOME PREPARATION

Your home or apartment should be protected with several simple devices. All doors should be equipped with strong pin-tumbler locks which have the "dead bolt" feature. This type of lock is "jimmy-proof" which means that the bolt cannot be forced back by a burglar tool or pocket knife. It locks and unlocks only with a

key. If the door has a glass panel, it should be small and placed high in the door so that entrance cannot be gained by breaking the glass and crawling through or reaching it to unlock the door.

Windows, also, should be protected with a strong lock, preferably one which locks the window when open slightly as well as when closed. Particular attention should be paid to basement and second story windows, which are frequently overlooked. Storm windows and screens, hooked on the inside, also provide additional protection to windows.

Your home can be "cleaned out" in just minutes by experts, so see to it that your windows and doors are locked and alarms set every time you leave the house.

### WHAT YOU SHOULD DO BEFORE LEAVING ON VACATION

Even though your house will be empty, it should appear as though it is "lived in." One or more lights should be connected to an automatic lamp timer which turns them on at dusk and off at bedtime. This creates the impression that some one is inside. Outdoor lights that turn on in the evening also add to the lived-in look and put a spotlight on attempts to break in. Shades and drapes should be left in their normal positions, not pulled tightly shut. All deliveries, such as milk, newspapers, etc., must be discontinued. Arrangements could also be made with a neighbor to keep the grass mowed and to remove circulars and handbills left on the porch. Mail can be held at the post office or removed from the mail box by a friend until your return.

The garage should be closed and locked whenever you are away. This protects you in three ways. First, it protects the tools, ladders, mowers, etc., which are kept in the garage, from being stolen. Second, it prevents these tools and ladders from being used to break into the home itself. Finally, it keeps the would-be burglar from knowing that the car is not there, which is an indication that no one is home.

Whenever you plan to be away for several days, be sure to notify the Police Department. Tell them when you will leave, when you will return and where they can obtain a key in case of emergency. It is advisable to leave a key with a relative or friend who will check the house occasionally, water the plants, and take care of any minor difficulties which may arise.

While it is advisable to notify the police and one trusted neighbor about your planned absence, be careful not to tell everyone in town. Don't leave notes on the door or in the milk bottle and don't allow the local

newspaper to mention your trip until AFTER you return.

### KEEP THE RISKS LOW

In spite of your precautions, a particularly determined burglar may disregard all your efforts and break in anyway. In case this happens, try to make the burglar's "haul" as painless to you as possible. Don't keep cash around the house. Jewelry, stocks, bonds and other valuables should be kept in a safe deposit box. A storage vault is an ideal place for furs during the summer for double protection against hot weather and burglary. Keep a record of the serial numbers which are found on appliances, typewriters, cameras and many other valuable items. This will assist the police in recovering the stolen goods and also provides the necessary information for a quick settlement of your insurance claim.

### YOUR GOAL: A HOME SAFE FROM BURGLARY

The benefits to be gained by following these helpful tips are many. You can prevent financial loss, personal inconvenience, and possibly even physical danger by taking a few moments to protect your home. The average burglar is looking for the easy job, the unprotected, empty house. Few will take the extra time and effort to overcome the obstacles you place in this path. So remember the basic steps:

1. Prepare your home with adequate locks, lights and other protective devices. Noise is a deterrent; connect TV or radio to timers.
2. Give your home a "lived-in" look whenever you are away.
3. Notify police when you are leaving town.
4. Keep your valuables in banks, safe deposit boxes, vaults and other safe places outside the home.

Let these tips serve as a guide to keep your home safe from the danger of burglary.

## Roy Smith Runs For 52nd Rep

Former State Representative Roy Smith, announced that he will seek nomination as Republican candidate for the State Legislature in the 52nd Representative District.

Smith represented the 52nd District from 1967 through 1972 before it was reapportioned. Since 1972 he has been serving as administrator for the City of Saline.

His public career began in 1959 when he was elected Supervisor of Ypsilanti Township, which position he held until he left to serve in the State House of Representatives. During his tenure as Supervisor of Ypsilanti Township he served on the Washtenaw County Board of Supervisors, being elected Chairman of that board in 1966.

# Automotive

## Profile...

To the American eye, the new Plymouth businessman, Tony Piccirilli, could represent the quintessence of the American Dream. His story as a young boy from Rome who came to America and 'made it big' in the automotive business is reminiscent of a 19th century immigrant's tale.

Tony reveals his modern day success story matter of factly; without pretense. Using carefully chosen words Tony tells how he worked to master English, how he drove a tow truck to learn every aspect of the automotive business, and his determination to get involved with people and learn 'many things about everything.'

'When you want something' says Tony 'you work.' The 29-year-old businessman says what he wanted most was 'to be my own businessman and please the people my way.'

A recently opened collision shop on Plymouth Road and Industrial Drive stands as testimony to Tony's ambition. Tony said he wanted 'everything the best' for his shop where cleanliness and modernity is emphasized.

According to its owner, the modern equipped building has new and unique spray equipment, a portable frame to straighten impaired frames and the capacity to handle 15 cars at one time.

Prior to opening his new shop Tony had worked as manager, estimator and repairman in a part owned business. Tony left his business in 1974 to go to Australia but returned to the U.S. so he could rejoin his long time friends in the community and "please Plymouth with good service" in his own automotive shop.

## Plymouth Consumer Power Company Office Closes

James P. Thomas, Consumers Power Company's West Wayne division manager, has announced plans for closing the company's offices in Plymouth and Farmington, effective August 31, 1974.

All customer services will continue to be maintained at the company's division offices at 11801 Farmington Road, Livonia. The Wayne local office also remains open.

Consumers Power had rented offices in Plymouth at 461 S. Main and Farmington at 23612 Farmington Road since 1934.

The decision to close these offices was made to control costs and reduce expenditures, Thomas said.

"Studies of the number of customer contacts and bill payments in the Plymouth and Farmington offices showed it was not economically sound to keep these offices open," he said. "It is prudent that during a time when the company's earnings are low and return on investment is far less than authorized by the Michigan Public Service Commission that we re-evaluate our services and facilities and curtail the less economical."

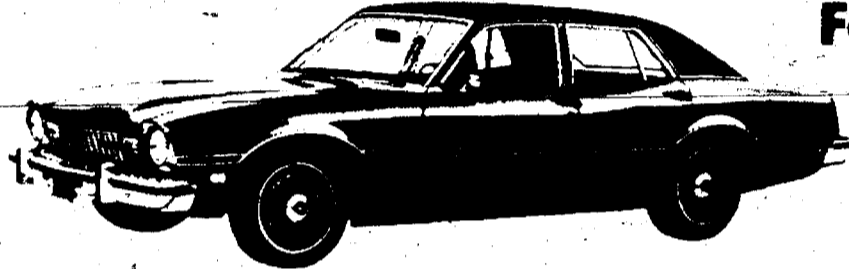

Use of the Plymouth and Farmington offices was greatly reduced by the company's decision in late 1972 to discontinue the sale of appliances.

Thomas said that consolidation of departments, records and personnel into the Livonia office will allow the company to provide the most efficient service to the customer
