

Root Family Aids Chorus

by Bob Ameen

A pioneer family of the Plymouth community came to the rescue of the struggling, young Plymouth Community Chorus with the donation of a vitally needed piano.

Charles Root and his wife, Doris, of 265 Ann St., Plymouth, presented the PCC with a Baldwin piano which has been in the Root family since about 1916 when it was purchased by his mother, then a first grade teacher at the old Central School.

Root commented that the instrument, known as an "upright grand piano," in excellent condition. He said that William Grimmer, director of the chorus, was pleased with the piano's performance.

Donation of the piano came at an opportune time. Two weeks ago, Grimmer requested \$1,700 from the Plymouth City Commission, of which \$1,100 would go for a new piano and \$600 for music. The commission wisely deferred action as Comm. Robert J. Sincock remarked that a piano might be donated soon by a local resident.

Root told the Crier that the

subject came up when he was visiting Sincock at his home, the latter commenting that the PCC was in need of a piano as the one they were using at the Plymouth Cultural Center was in bad repair.

Residents of Plymouth for 30 years, the Roots have one son, Richard, a professor of music at Cornell University. His grandparents, migrated here from New York state and operated a large farm midway between Plymouth and Ann Arbor. Root is retired from the Ford Motor Co.

Mr. and Mrs. Charles Root, Jr., Bob Sincock, City Commissioner, and Bill Zirblis, Director of Parks and Recreation gather around the "upright grand."

One Percent Just Replaces Old Charge

by Bob Ameen

A one percent (1%) collection fee which will appear on tax bills received Dec. 1, 1974 by Plymouth Township residents merely replaces an older charge previously built into the total tax bill, according to Mrs. Elizabeth Holmes, township treasurer.

Formerly, she explained, the township board under state law added what is known as "excess of roll" into each tax bill. The original intent of this addition was to add just enough to the tax rate to round off decimal places and obtain a whole number of convenient tabulation.

"The excess of roll procedure has been going on for years. When it started, I don't know, but it has been going on long enough that it became accepted as part of the total tax bill received annually by taxpayers throughout the state," the treasurer said.

The matter came to a head recently, she commented, when Clarence Hicks, Jr., director of the Wayne County Bureau of Taxation, asked the county corporation counsel's office for a clarification of an amendment to Act. No. 109, Public Acts of

1973, State of Michigan.

On June 28, 1974, Hicks received a legal opinion from William F. Koney, assistant corporation counsel, which stated that in townships in which the treasurer is on salary, the township board may "... waive all or part of the collection fees on taxes paid on or before February 15."

In other words, Mrs. Holmes noted, the addition of a collection fee is up to the discretion of the township board. Last July 23, the board voted to levy the one percent (1%) collection fee, she said.

Net result of the change in charge for collection of taxes, Mrs. Holmes explained, will be a "very slight increase" in the total tax bills next December.

"Based on the 1973 tax rate, a resident with a house whose assessed valuation is \$10,000 will pay up to 45 cents more in total taxes in 1974. This amounts to about 4.5 cents more per \$1,000 of assessed valuation," the treasurer said.

Actually, she added, it is the Wayne County Bureau of Taxation which physically adds the one percent (1%) collection fee to resident's tax bills, but only after approval by the local township board.

Thank You

Since the Plymouth Community Crier began publishing last February in the city of Plymouth and the townships of Plymouth and Canton, we have received overwhelming support and recognition from the citizens of our communities.

As our seventh month of publication begins today, the high cost of newsprint and initial high overhead dictate adjustments and changes.

We believe that our communities deserve another newspaper, a newspaper that cares about us, a newspaper that is not so big it can't be bothered with attending our important meetings and a newspaper with low advertising rates!

Therefore, we ask your further support in two areas:

- (1) Purchase of classified ads.
- (2) Your acceptance of our voluntary pay plan.

Currently, we are circulating 20,000 copies of the Crier to the community. Your assistance in paying for subscriptions now will go a long way toward putting us on a paying basis and enabling us to continue serving the area.

Under our commission pay plan for carriers, your paid subscription will help a young boy in your home community. The more papers delivered and collected for, the more money earned for the carrier.

Candidates Discuss Goals

As a community service the Plymouth Township and Canton Township candidates were asked to respond to questions posed by the Plymouth Community Crier. Their answers to these questions appear in today's edition.

Since both township clerks Helen Richardson and John Flodin are running unopposed in both the primary election and general election, their answers were not printed.

The four trustee candidates running, Richard Gornick (rep), Frank Millington (rep), Thomas P. Sullivan (dem), and Orville L. Tungate (dem) are also running unopposed in the primary, and their answers will be kept on file until the general election in November.

We hope this information will allow you the opportunity to evaluate each candidate more effectively and cast a sound vote August 6.

'No' Vote Urged for Cable TV

The Canton Township Board of Trustees voted four to one to re-appoint four members of the Planning Commission. The Township attorney, William Sempliner, advised in a letter, "It is our opinion that the failure to formally appoint these Commissioners to their present terms will not adversely effect the actions of the proceedings of the Commission. The Commissioners were formally appointed by the Board and the only flaw is that the terms were not specified. They were Commissioners de facto and the proceedings are valid regardless of the fact that there may be some question as to the Commissioners holding office de jure. I recommend that formal action be taken by the Board to appoint Mrs. Tonda, and Messers Berg, Kaiser and Campbell to their respective terms which they are now serving."

Terms of office as determined by Sempliner were disagreed with by Trustee Brian Schwall due to his findings of terms designated in past meeting minutes.

Trustee James Poole made the motion to accept the recommendation of the Twp. attorney and re-appoint the four members. Also, the public hearing on the master plan is to be delayed until Schwall and the Twp. attorney can resolve their differences. The motion was carried with Schwall casting the only opposing vote.

The Board continued with a vote to oppose the passage of

The Candidates - Plymouth Township

Supervisor

Maurice M. Breen (Rep.), age 41, Supervisor Plymouth Township.

Graduate - Wayne State University Law School, B.A., L.L.B.

Political affiliations - Republican member Exec. Committee- SEMCOG, Vice chairman western Mayors and Supervisors Association, Chairman, Western Wayne Out-County Supervisors Association.

Was a candidate for public office in 1968, 1970, 1972. Elected to Township Board of Trustees in '68. In 1970 ran for supervisor and won, and in 1972 was a candidate for supervisor.

Goals if elected - Recreational needs of this community must be met.

Law enforcement needs must be met. Studies have been made and the information should be implemented. Re-establishing a working relationship with the Plymouth school administration and City of Plymouth administration.

Plans for fulfilling these goals - Better use of available funds.

Based on past studies, establishing a Township Police Force is not financially sound, however a contractual agreement between the Township and the City would allow township control of the police activity at the least cost.

J.D. McLaren (Rep.), age 58, Supervisor Plymouth Township.

Graduate - Plymouth High School, 1933. Attended Detroit Business University, Wayne State University, University of

Michigan.

Has run for public office twice, and both times was elected. In 1963 to a four year term on the Plymouth Community School board and in 1972 as Plymouth Township Supervisor.

Goals if elected - To continue to work for the improvement of the entire Township. To continue our efforts to consummate the purchase of the Hilltop Golf Course and to constantly improve and up-date our recreation site. The continuation of efforts to find an acceptable solution to the problem of adequate police protection. And the constant search for the best possible solution to the refuse problem.

Plans for fulfilling these goals - Any plans must be continued along those lines that would enable us to fulfill the goals and that means working with all units of our government and department heads and planning commission as well as committees of concerned citizens. And of course, close cooperation with the engineers and planners for the township.

Treasurer

Weyona "Lee" Fidge (Rep.), Treasurer Plymouth Township.

Graduate - Fordson High, Assoc. Degree of Science, Registered Nurse Henry Ford Community College.

Political affiliations - Republican. Has never run or been elected to public office.

Goals if elected - Prevent uncontrolled development in the community which would cause overcrowded schools, increased

property taxes, higher utility rates, congested and inadequate transportation facilities, and the careless loss of irreplaceable open lands.

Plans for fulfilling these goals - My responsibility if elected will be to be responsive to the community and to help make decisions only for the community's needs. I would work to have the master zoning plan updated, and adopted, incorporating projected utility needs and traffic patterns.

Anna Milligan (Rep.), age 49, Treasurer Plymouth Township.

Graduate - Sacred Heart High.

Ran for Township Treasurer in 1972 against Elizabeth Holmes. Lost by 299 votes.

Goals if elected - My goals if elected are first of all to work hard and learn everything about the office. I would like to see the formation of our own Police Dept., greater cooperation between the Township and the City and finally the careful planning of the Township which remains to be developed. I would also like to see some type of Youth program started for the young people of our community.

Plans for fulfilling these goals - My plans for fulfilling these goals, are the continued and further study that has been done on Police protection. Also set scheduled meeting between the City and Township with the minutes published so the public will be aware of what has transpired. Finally, very careful planning on all rezoning.

Thomas G. Notebaert (Rep.), age 51, Treasurer Plymouth Township.

Graduate - Attended University of Illinois School of Engineering, University of Michigan department of real estate appraising.

Political affiliations - Plymouth Republican Group. Has never run or been elected to public office.

Goals if elected - I plan to use my almost 29 years of business experience and residence in the Plymouth Community to help maintain the atmosphere we have enjoyed through the years, in well planned growth.

Plans for fulfilling these goals if elected - We have large vacant area of the Township which must be developed in such a way to maintain Plymouth as we know and like it. I believe my experience will be very helpful to this goal.

Joseph H. West (Rep.), age 58, Treasurer Plymouth Township.

Graduate - Ypsilanti High School, Bachelor Commercial Science Degree, Cleary College.

Political affiliation - Republican Party. Has been elected as Canton Township Supervisor, 1945-46; City of Plymouth Air Condition and Refrigeration Board; City of Plymouth Traffic Study Committee; Plymouth Township Civil Service Board, 1973-74; Plymouth Township Board of Review, 1974; Plymouth Community Fund (9 yrs.), Treasurer, 2 yrs., President, 1971; Plymouth Fall Festival Board, Treasurer, 3 yrs., President, 1971.

Goals if elected - Building unity in the community, better police protection, greater safety for our school children.

Plans for fulfilling these goals - I feel that the office of Treasurer is a full-time job, and if I am elected, I will put my Real Estate License in escrow, so there will be no opportunity for conflict of interest."

Janet G. Pierangelino (Dem.), age 36, Treasurer Plymouth Township.

Graduate - Cass High School, 1 1/2 years Michigan State University.

Political affiliations - Member Michigan Democratic Party. Has never run or been elected to public office.

Goals if elected - Maintaining our own police department, township garbage pick-up service and future recreational needs are foremost. Outdoor public swimming pools and preservation of land for the benefit of all. The eastern portion of the township has been ravished by developers, we can't let this happen to the western portion. Bike trails are essential for the safety of cyclists.

Plans for fulfilling these goals - Certainly we will need a millage increase to maintain our own police dept. I believe this will be forthcoming on the November ballot. Outdoor public swimming pools would eventually pay for themselves. Federal revenue - sharing funds might help pay for bicycle paths, if not we would have to ask the people of the township for a millage increase. One way or another we will eventually have to pay for increased urbanization.

The Candidates - Canton Township

Supervisor

Ralph Foote (Rep.), age 63, Canton Twp. Supervisor.

Graduate - High school, Professional student - Psychology.

Served as the Justice of the Peace for 12 years, Constable for two years.

Goals if elected - Good clean honest Government respects the rights of others. Endorses safety mileage. Wants Canton's own police dept. Endorses adequate fire protection and strict enforcement of building and zoning ordinances.

Plans for fulfilling these goals - Seek all Federal funds available to augment safety mileage thereby saving the taxpayers money. Will if necessary add more inspectors due to fast growth and hasty erections of buildings and homes.

Robert E. Greenstein (Dem.), age 37, Supervisor Canton Township.

Graduate - Wayne State

University, Wayne State University Law School.

Political affiliations - State Democratic Party, president and Co-Founder Canton Democratic Club. Member of the 15th Congressional district.

Appointed by the Township of Canton to be the Judge of the Justice Court. Ran for 35th district court, defeated by Judge Dunbar Davis.

Goals if elected - revamp and update entire ordinance structure with surrounding communities. Limit the zoning and erection of multiple dwellings. Attempt to conserve and protect the present rural and ecological atmosphere, and erect a Farmers Market so as to generate a desire for the farmer to reside in Canton.

Plans for fulfilling these goals - revision of zoning laws, township ordinances, fire laws.

Jack Marts (Dem.), age 50, Supervisor Canton Township.

Graduate - BA and Masters at Eastern Michigan University.

Political affiliations - registered Democrat. Has run for Canton Twp. Supervisor in 1970, and 1972. Was not elected.

Goals if elected - To develop Canton into a unique community with sculptured lakes and recreation facilities, and to make Canton a community where people will want to live with no industrial development.

Plans to fulfill these goals - Seek Federal assistance in terms of eliminating paid urban development. Utilize facilities of federal and state funds to develop a unique community.

J.E. Poole (Rep.), age 44, Supervisor Canton Twp.

Graduate - Wayne State University, Henry Ford Community College, University of Maryland, and University South Mississippi.

Political affiliations - Republican party, ran for trustee in 1972 and was elected,

presently serving as Township Trustee.

Goals if elected - Unity of people, conduct meetings in a business like manner. Vote down cable t.v. - seek franchise and competitive bids. Reduce tax burden. Put my sales license in escrow. Appoint a seven member citizen development committee and a five member consumer protection council.

Plans to fulfill these goals if elected - We can develop slowly and properly if we work together as a cohesive group. But not if we are dominated by a small segment of the community and controlled by a slate.

Treasurer

Carl Parsell (Dem.), age 50, Treasurer Canton Township.

Graduate - Redford High School, Courses Wayne State University labor relations.

Political affiliations - K of C, VFW, Elks, Crisis Club, Economic Club of Detroit.

Goals if elected - To turn around direction of Canton Township in areas of planning. Begin a citizen consumer council, reactivate a citizens planning council, go over all ordinances, fire codes, and stop future development of apartments to preserve the country atmosphere.

Plans to fulfill these goals - by putting these plans into effect with a group of persons with similar goals.

Richard I. Wolfe (Rep.), age 33, Treasurer - Canton.

U. of M. - Eastern Michigan graduate. Financial management, U. of M. - Accounting.

Political Affiliations - Nat. Association of Counties, Michigan Township Association. Member of the 15th district Republican Party. Was elected to Precinct Delegate - Highland Park

Goals if elected - (1) developing and maintaining the best Fire and Police security

(continued on page 6)

What's Happening

The NOVI-NORTHVILLE Chapter of PARENTS WITHOUT PARTNERS will present a family night evening of comedy and surprises on Friday, August 9, at the First Presbyterian Church of Northville. Admission is \$1.00 for family members and \$2.00 for guests. Tickets will be available at the door. For additional information call 340-9346.

The City Recreation Department is sponsoring a trip to the TIGER versus BALTIMORE ball game on August 3rd. Cost for the game is \$3.50 which includes bus and ticket. Leave Cultural Center at 12:15 p.m. and return immediately after the game. Open to senior citizens, children under 14 and all girls and ladies. Other males over 14 years may use the bus, but must purchase their own ticket. No rain refunds if trip is already in progress or if game is cancelled after a few innings.

A BACKYARD POOL PROGRAM is being sponsored by the Livonia Family Y. Beginner and advanced lessons will run each Tuesday, Wednesday and Thursday for two weeks. The six-day sessions will be held July 22-Aug. 2 and Aug. 5-Aug. 16. Fee is \$10. The Y is looking for neighborhood pools. For further information and registration call the Y at 261-2161. Ask for Barb.

Canton Recreation Department DAY CAMP SESSIONS are being held at a cost of \$5.00 per session dated July 29-Aug. 2; Aug. 5-9 and Aug. 12-16. The five day sessions are being held at the Fiegel and Gallimore Schools. For further information contact the Canton Recreation Department.

The Plymouth-Northville chapter of the A.A.R.P. is sponsoring an eight day trip to the NEW ENGLAND STATES from September 16th to the 23rd. The \$300 cost includes transportation, hotels, eleven meals and sightseeing tours. Non-members are welcome. Interested persons are asked to make their reservations soon. For further information call Fanny Bear 453-8262.

Registrations are now available for the POWER SKATING CLINIC offered at the Cultural Center. The first session of the Parks and Recreation sponsored session will be held from August 19 to August 24. Mite through Bantam division ages are eligible. For applications or information contact the Plymouth Department of Parks and Recreation, 525 Farmer Street.

The PLYMOUTH FALL FESTIVAL BOARD meets at 8:00 p.m. at the Board of Education office. The dates for the meetings, held on Wednesdays, are Aug. 7, 14, 21, 28, and the last meeting before the festival will be Sept. 4. For further information contact Doug Hincker, festival president, at 41948 Brentwood.

Fleming to Chair Community Fund

Mr. Donald S. Fleming has been appointed General Chairman of the 1974 Plymouth Community Fund Campaign, it was announced by Helen Richardson, the Fund's President. He replaces Ralph Brown who has been transferred from the Plymouth Area.

Born in Pennsylvania, Mr. Fleming is a 1954 graduate of Lebanon Valley College, Annville, Pa. After graduation, he served two years in the Armed Forces in the United States and West Germany.

In 1956, Mr. Fleming joined Western Electric and held various assignments with the company in New Jersey and Illinois. In 1968 he was transferred to Plymouth, Michigan and currently is the Production Manager for all Western Electric operations in Plymouth.

Active in many Plymouth Community affairs he has served as director of the athletic association, coach for baseball and basketball programs, a member of the P.T.A., Chamber of Commerce, Plymouth Rotary Club and a director of Junior Achievement.

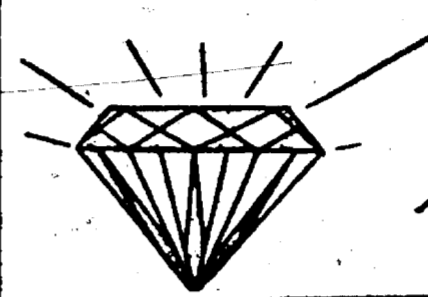

Mr. Fleming is married and has two children.

Any interested Plymouth area youth are invited to attend a meeting of the 2nd Congressional District Republican Youth Caucus. Discussion will concern the party platform to be voted on at the upcoming state convention. The caucus will meet Wednesday, July 31 at 7:00 p.m. at the Ann Arbor Republican Headquarters, 2255 S. Industrial Highway in Ann Arbor.

Continuing Education Courses Dept.

The Plymouth Community Schools Continuing Education Department would like to extend the opportunity to you to share in the building of their program. For those adults who have a particular skill or avocation that you feel qualified to teach, or for those of you who have new suggestions that could be implemented into their program, contact the Continuing Education Department at the Canton High School by calling 459-1180. Final plans for the Fall program will be completed by August 5, 1974 and for the Winter program by December 16, 1974.

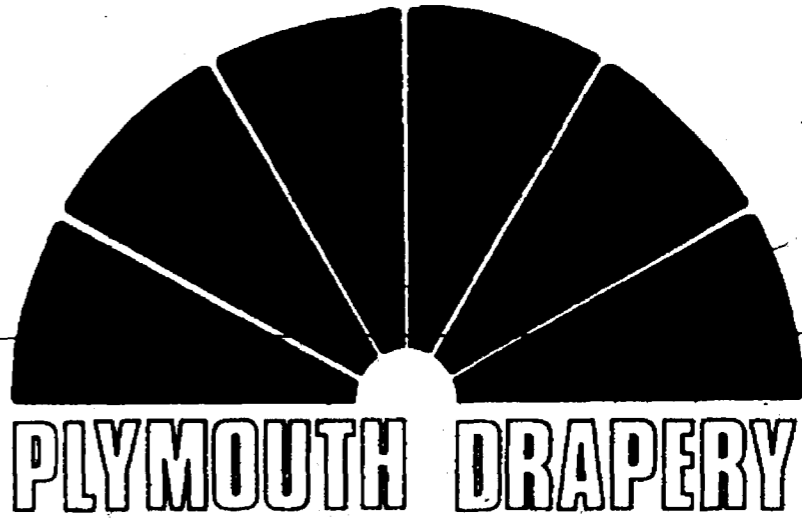

Special Booth

A SPECIAL CHILDREN BOOTH for the sale of all children's arts and crafts, age K through 12, from the Plymouth School District will be coordinated by Dee Schulte and Lillian Payne. Children are urged to prepare for the occasion in the coming weeks; for further information regarding the young peoples participation, you may call 453-7961.

Over 50 artists and artisans will participate in this year's show.

No hobby kits, paint by number or commercially made products will be on sale.

All proceeds go directly to the Community Arts Council from the sale of tickets, which will be sold at the door for 50 cents for adults and children free when accompanied by their parents.

The Candidates - Canton Township

Treasurer

(continued from page 3)

protection that available resources and the Township budget will allow, (2) achieving maximum efficiency in utilizing the Township funds, (3) development and continual evaluation of the Township "Master Plan,"

Plans for fulfilling these goals

I plan to stress and achieve the maximum efficient use possible of the Township funds. However, as a Township, we are entitled by State statutes for many services, such as law enforcement protection, from the County and from the State. Therefore, we shall seek additional funding from these levels in order to supplement our local treasury.

Trustee - Four Yr. Term

Warren Attwood, age 43. Trustee - Canton Twp., (Rep)

Graduate - Wayne High School, Detroit Institute of Technology. Has never run, or been elected to public office.

Goals if Elected - To strive for economy in the township government so that residents can obtain the services they are entitled to. Development of a sound tax base, balanced with industrial and commercial growth which will provide jobs and revenue for the growing community of Canton and its residents.

Plans for fulfilling goals - By seeking additional grants from State and Federal Government. By giving additional support and working more closely with the Chamber of Commerce. Encourage support from citizens and service clubs. Develop

enforceable codes for weed control and disposing of junk cars, etc.

Joseph W. DeLauro, (Dem) Age, 58. Trustee - Canton Twp.

Graduate - Yale University - B.F.A. University of Iowa M.F.A. Has never run or been elected to public office.

Goals if elected - I wish to emphasize the importance of a good, well-thought out master plan for Canton Township. We have an opportunity now to control the environment and design.

Plans for fulfilling these goals - Each bad decision that will be made in the future cannot be reversed. Whatever decisions are made now for Canton Township will hold true for the future of those that follow us.

Robert L. Myers (Dem) age 29 trustee Canton Twp.

Attended University of Detroit - one year.

Political Affiliations - Democrat, a member of the AD Hoc Committee on the Construction Code Commission, a board officer through the Consumer Alliance of Michigan; president of Michigan Mobile Homeowner's Association, I am a member SEMTA.

Has never run or been elected to public office.

Goals if elected - The haphazard fashion in which a township has been developed to date has left scars on the landscape, which will take years to correct. The integrity of the single family neighborhoods must be maintained.

Plans for fulfilling these goals - I would suggest an immediate moratorium on all building of multi-family dwellings; restructuring of all zoning

ordinances to meet the needs of the growing township and to protect the rural atmosphere and the beauty of our township.

William F. Ryan, (Rep) Age, 41. Canton Trustee.

Graduate - St. Francis Seminary - Philosophy, post graduate Wayne State University; Communications Course. Has never been elected or run for public office.

Goals if elected - Increase communication between the board, home owner groups, and citizens, implement master plan of development, develop parks and recreation program, re-analyze township budget and spending.

Plans for fulfilling goals - Creation of Citizens Advisory committee and Board Publicity Director, Intensive work with planning Commission to solidify and adopt Master Plan, Evaluation of program and budget for parks and recreation director, work with qualified treasurer and accounting firm to obtain firm information on budget.

E. Brian Schwall - age 34 - Canton Trustee - (Dem)

Graduate - B.A. cum laude, the Catholic University of America, Washington, D.C. 1962; M.A. University of Detroit, 1967; additional graduate work, University of Tulsa and Wayne State University.

Political Affiliations - Participating member, Democratic Party of Michigan and 15th District; former president, Holiday Park Homeowners' Association, and member, Holiday Park Citizens for Safety Committee.

Has never been elected to public office. Is presently serving

as a Trustee. Appointed by the Board of Trustees in March of 1973.

Goals if elected - My goal as a Trustee over the next four years is to continue to be personally responsive to the needs of the people of Canton. With the election of a responsive Board in November, I believe that we can do much to insure that future land use in Canton will be rational and orderly so as to assure the environment necessary for the quality of life we seek.

Plans for fulfilling these goals - I will continue to speak and vote for a well developed master plan with sufficient citizen input, continuation of the Citizens Advisory Council, preservation of open space, establishment of recreational programs and areas for all residents of Canton, improvement and expansion of our fire protection, adequate police protection for our residents, and for appointments made by the Board only after serious screening and interviewing.

Two Yr. Term

Gerald Cheske (Dem.), age 33, Trustee Canton Township.

Graduate - Wayne State University, BA in Mass Communication.

Political affiliations - Member Board of Directors and Publicity Chairman, Democratic Club of Canton; Publicity Chairman, Federation of Canton Homeowners Assoc.;

Has never run or been elected to public office.

Goals if elected - to bring a strong effective government to Canton, which will emphasize an orderly approach to the future development. Improve communication between residents and officials. Obtain a new census to allow revenue sharing and other items based on present population of about 11,000. Reduction in the percentage of multiples.

Plans for fulfilling these goals

- Re-write Cantons construction code. Give the Township strength in its dealing with developers and builders. Update the master plan to reflect growth. A consumer protection agency is needed. Form a committee to attract desirable industry to enhance the tax base. Upgrade the P.U.D. concept to end the giveaway of commercial and multiple zoning to builders.

Frank A. McMurray - (Dem) Age, 35. Trustee - Canton Twp.

Graduate - Wayne Memorial High School, LUTC I and II, State Farm career school. Has been a candidate for the office of Trustee in 1972 primaries, placed fourth out of ten nominees.

Goals if elected - Unity for the people of the Township. More recreational facilities for residents. Better planning and zoning. Better police and fire protection. Improve roads.

Plans for fulfilling these goals - Unity for the people in the Township. We are 36 square miles, three school districts, four different mailing addresses and a population that grows daily. There are people in this township that are concerned only with certain sections and their individual interest groups. We must think of our Township as a whole and not parts. We must think of the tax base as coming from all sections and that the services rendered should be spread to all sections.

Irene G. Murphy, age 61, (Dem) Canton Trustee

Graduate - High school diploma. Has never run or been elected to public office.

Goals if elected - Influence in the betterment of both community and senior citizens.

Plans to fulfill these goals - An avid interest in politics and concern for the community.

No response to questions from - Thomas B. Stevens, Grant Campbell, and Joseph R. Kivnick.

Letters to the Editor

Letter to the Editor:

Although the Plymouth Jaycees do charge a nominal entry fee for the 4th of July Parade, we feel it is one of the most attended events in the community. The Plymouth Jaycees SOLELY fund the parade. At no time has any organization come forward with a donation to help offset the costs.

If it is so important that the Jaycees, as a community service organization allows free entry into the parade for Plymouth residents and organizations, then why do organizations from the community (i.e. Plymouth Community Band) expect a sizable donation in order to march in our parade?

If a small, unattended parade is what Plymouth wants - fine. However, I do not believe 12,000 people in-attendance at the last parade will agree. In order to have a quality event, it costs money. Until such time as the Jaycees receive outside

donations (i.e. Northville Jaycees receive \$500.00 from local community government) we will be forced to charge entry fees.

No Mr. Faust, you are wrong. It's too bad you do not have the facts. We are a community service organization. If you don't think so ask the elderly at Tonquish Creek. Ask the youngsters who play in the playground at the Salvation Army. Ask the kids who call Santa every Christmas; Ask the elderly who get their sidewalks shoveled by Jaycees. Ask the needy at Christmas when a Jaycee gives them a food basket. What Mr. Faust have you DONE for YOUR community?

I extend a personal invitation to you to attend a Jaycee meeting and find out the facts behind Jaceeism. Until you have all of the facts, you cannot criticize.

I sincerely hope you will accept my invitation. I'm sure once you do have the facts you

will want to partake in the greatest young mans organization in the world - THE JAYCEES.

Duane Goudy, President, Plymouth Jaycees

Dear Crier:

On behalf of the Youth Center, I would like to extend my appreciation to the Plymouth Community for its support of our fund raising efforts. Although our financial problems are far from over, the active support of our friends has been overwhelming. They have aided us in raising over \$6,000 since June 1.

Without media coverage and support, it is doubtful that the community would have mobilized on our behalf. We wish to thank the Plymouth Community Crier for its assistance. The Crier's active coverage of our efforts and its concern has been invaluable. Once again, thanks.

For the Center, Dale Yagiela

PEA Takes A Stand On Contract Negotiations

The objective of this formal statement of the Plymouth Education Association is to inform the Board and the community in a public setting and be established as a matter of public record that the current status of negotiations indicates that a crisis situation has developed in contract negotiations between the Plymouth teachers and the Plymouth Board of Education. It appears that the PEA and the Board of Education is at a total impasse and that the gap between the two parties is widening with the introduction of:

to heighten unless Superintendent Hoben recommends changes in the economic parameters that were proposed to the Board.

3) We submit that in fact, the Plymouth teachers have demonstrated their concern for this community by confronting the issue of a Master Agreement before the beginning of the 45-15 Program in July rather than causing interruption and eventual scrapping of the program in the fall, if a Master Agreement was not reached by the beginning of school. We regret that the PEA's cooperation in working out

(continued on page 19)

1) Undue political pressure upon the Board individually and as a group to acquiesce their elected right in taking part in the business of this school district, specifically, contract negotiations. We submit that Superintendent Mike Hoben in collusion with members of the press are attempting to keep Board members in line and the Board from being totally informed and taking part in employee negotiations as evidenced by the editorial in the Plymouth Observer Eccentric of July 22, "How can Administrators negotiate under those conditions and with Board members becoming directly involved?" Also as evidenced by an earlier editorial statement of June 24, 1974, "It will be interesting - as it always is in teacher negotiation - to see the votes of the Board members, who when running for election were endorsed by the PEA."

2) Further, we submit that arbitrary parameters set prior to negotiations is illegal under Public Act 379, and that negotiations must take place at the table where those parameters must be established, and that this crisis situation will continue

'No' Vote Urged for Cable TV

(continued from page 1)

the cable TV franchise that will appear on the August 6th ballot.

The Board had once accepted the cable TV franchise, with the exception of Poole. After reconsideration and listening to a speaker from the American Assoc. of University Women

(AAUW) stressing action against the cable TV franchise, the Board decided by a three to two vote and one abstention by Trustee Richard Wolfe that the franchise be denied.

VOTE - AUGUST 6

Finlan's fine print

Q. I repair power lawnmowers in my garage in my spare time and have tools and equipment as well as a neighbor's lawnmower or two.

How does my homeowners policy protect me for loss?

A. The homeowners policy provides broad coverage against the perils indicated in your policy up to the limits you've selected. One of the extensions of coverage provides 10% of the limit you've selected on your dwelling applicable to your garage, if detached, and any other structures you may have on your premises. That coverage is suspended however if the structure is used in whole or in part for business purposes. The contents of the garage, if used for business purposes, are not covered but your personal belongings, while in the garage, are. You have an option to cover items belonging to others while in your care if not for business purposes.

Special circumstances often require specific insurance to provide coverage. Selection of the right insurance agent can help you avoid an uncovered loss.

If you have a question regarding insurance write or phone it in. We will attempt to answer your questions in this column each week.

DR. ED PIERCE

Endorsed by Good People, for Good Reasons

BEVERLY McANINCH, Mayor of Plymouth: "Ed Pierce is more impressive to me than any other candidate I've ever met. He is a doctor of medicine who is more interested in helping people than in making money."

DETROIT FREE PRESS: "We endorse Edward C. Pierce... a Physician whose medical practice is largely for the poor... who seems to understand issues and people slightly better than the other candidates."

MARDA BENSON, Vice-President, Plymouth School Board: "Edward Pierce has demonstrated his concern for the people of this district. He has consistently given freely of himself; of his time, his energy, and his talents. The Second Congressional district could elect no better representative to Congress."

ANN ARBOR NEWS: "Dr. Ed Pierce is a humanitarian, an idealist and a person of integrity, all qualities which stand out against the squalid goings on in Washington. Ed Pierce... is a man who is willing to help form public opinion instead of merely being part of it."

MARCIA BOROWSKI, Plymouth School Board: "What makes Dr. Ed Pierce truly outstanding in his integrity. I have never been so certain in my life of a candidate's human concern, personal honesty, and commitment to his district."

ANN ARBOR CITY EMPLOYEES: "AFSCME Local 369 is strongly endorsing a man who has dedicated his life to taking care of the health and welfare of the working class. This dedicated physician would make an honest Congressman."

DEMOCRAT - CONGRESS

VOTE AUG. 6

The Scene by Ameen

Own a television set? Black and white or color? No matter. If you're 30 years of age or older, chances are you never had one as a kid. Today millions of

Americans live and breathe this new electronic marvel of communication.

Television has been described as the most effective medium of communication ever devised, combining sound and sight for events from around the world at the touch of a finger tip, right in your living room. And, any time you want it! Almost.

Now called the "boob tube" or "idiot box" or various and sundry other names, the TV set has addicted the major portion of our citizenry to the point where they sit in front of the screen as if in a trance.

This very phenomenon has changed American life so drastically that it will never be the same again. So intense is the concentration of viewers that family togetherness and neighborliness are no longer in vogue.

Your best friends, a couple you've known for years, drop over unexpectedly as they do on occasion. When I was a kid, such a situation would call for an exchange of inquiries about each other's health, the weather, an overdue raise in pay, a coming baby, politics, plans for parties and picnics and, **SENDING THE KIDS TO BED WHILE THE GROWNUPS ENGAGED IN GROWNUP TALK!**

Now, when America has reached an almost Utopian pinnacle of electronic marvels performing wondrous feats in no time at all and bringing us pleasures not even a king could summon a few decades ago, the words "friendship" and "togetherness" have faded completely from the scene.

When company calls, everyone says hello, sits back as if on a prearranged signal and glare fixedly at the TV screen, hardly exchanging a word until the time comes when the visitors get up and go home. At this time, everyone condescendingly gives in to an old American habit and says goodbye! Great, huhh.

By the way, the kids are still watching!

So, like the parents who lost a daughter, but gained a son-in-law, America has lost the pioneer closeness that saw neighbors pitch in to harvest their sick neighbors' crops and gained a monster that smacks of callousness and indifference to our fellow man!

Being an inorganic thing, the TV set cannot be blamed. It is the misuse and abuse of the damned invention by a society so intent on getting ahead materially that it sacrifices feelings of compassion, understanding, consideration

and just plain friendliness!

Viewed objectively, in spite of all the joy and entertainment brought to millions, TV overall has done more harm to mankind in America than good.

Television is like an all-powerful genie - very desirable to have, but hard to control. There must be a way to channel and harness and control all of that miraculous energy and still maintain a semblance of the Christian belief in loving your neighbor and your enemies!

We all take television for granted because there are no limitations placed on its use or who can have one or two or three. About the only controls which come quickly to mind are parents telling the kiddies they cannot watch a certain show because of the sex or violence involved. Unfortunately for our children, this happens only a very small percentage of the time.

If one had to pass a minimum appreciation and comprehension test to earn the right to watch television, then pass another more rigid test which would allow him to let his offspring watch only at prescribed hours for specified programs and finally discipline himself through church-related and sponsored group sessions to turn the contraption off when guests are present - that's a horse of another color!

Then, Americans could have the best of two possible worlds - to see and hear the best in

education and entertainment and to carry on close relationships with relatives, friends and neighbors.

So, the next time you walk over to your TV set and flick on the switch, realize what a powerful tool you have in your home - for good and for bad!

Used properly in regard to children, the TV can provide your son or daughter with an educational headstart in life that you never had and expose them to situations that they will face later in life. With proper supervision and guidance, these "previews" of life will help them invaluablely when they become adults.

Used improperly, TV can make your child an absolute slob - one of the know-it-alls who paraded in campus demonstrations and who impulsively indulged in some of the violence they learned when watching the wrong shows at too early of an age. Also, TV can convert your child to an introvert, robbing him of the joy of making lasting friendships as a child, some of which last a lifetime.

In short, improperly supervised TV watching by young children can result in a grownup lacking in the traits our parents tried to instill in us, a person deprived of a well-rounded background and upbringing, thus handicapping them for successfully meeting the challenges of life!

Westside Wins Tourney

The Men's Slow-pitch Softball representative from Plymouth, Westside Sporting Goods, won a double-elimination tournament from 28 different teams in the Michigan area.

Westside, under the management of Brian Gilles, was the only team not to be defeated in tourney play.

The clincher for Westside came last Sunday (July 28) as the two weekend tournament came to an end.

In their third and final game of that Sunday Westside beat the Pumpers from Clawson 8-4.

The Pumpers started quickly off Westside's pitcher Joe Martin as they tallied twice in the opening inning of play.

Westside evened things up at 2-2 in the second as Bobby Green scored on a two run homer by A.J. Vaughn.

The Pumpers put together

three solid hits to score two more in the third but Westside also scored two of their own earlier in that inning.

Westside tallied their third and fourth runs with the help of three hits by John Varvari, Rick Mareski (triple) and Milo Karhu.

After two scoreless innings on both sides, Westside broke the 4-4 tie when clean-up hitter Mike Griffin clouted a three run homer over the left centerfield fence in the sixth inning.

Westside's final run came in the seventh on a pinch hit homerun off the bat of Dave Broad.

The Pumpers scored their other runs in the third inning. They outhit Westside 12-9.

"You'll never see a better defensive team (around this area) than ours," commented

manager Gilles.

And such was exactly the case as all ten men on the field played tough defense the whole way.

If Gilles had a worry during the tourney it would have had to be in his offense which didn't play up to its potential at certain times.

After a Saturday (July 22) victory over the Ann Arbor Travelers 8-3, Westside beat Wayne Oakland Police 9-5 and the Pumpers again 13-9 in other Sunday action leading up to the championship.

In the Ann Arbor game, Westside put together three good initial innings as they collected all eight of their runs on eleven hits. Milo Karhu lead the 14 hit attack with three.

Westside once again wasted no time in the Wayne Police contest as they used "single power" to produce five first inning runs on six hits.

Rick Muraski and Pete Woodard had three hits each.

Westside showed what a

balanced line-up they had in the first game with the Pumpers as the bottom five men scored eleven of their thirteen runs. Bill Fraser collected three hits in that one.

Westside, with this tourney victory, now has a chance to compete in a Nationwide tourney held in North Carolina over the Labor Day weekend.

In Plymouth League play, Westside continued its dominance with a 20-4 victory over BG's Lounge.

The final two innings were the biggest offensively for Westside as they tallied 11 runs.

Manager Gilles led the 24 hit attack with remarkable four triples.

Pete Woodard smacked five singles and picked up four RBI's.

Ron Kreger, A.J. Vaughn, Gary Nustead, and Bill Fraser all picked up three hits apiece.

Vaughn went all the way on the mound giving up a mere nine hits.

Westside's next game is tonight (July 31) at Canton High School. Game time is 6:15 p.m.

Strong Aces At Hilltop

Thirty-eight year old Roger Strong scored his first hole in one at the Hilltop golfcourse last week.

Strong, a Livonia resident who has been golfing for 16 years, used a nine iron to ace the 140 yard sixth hole.

Elks Advance to State

It was a must game for both squads as the Ply. Elks met Bentley Crowe at Ford Field last Thursday, July 25. The winner would advance to the state tourney with the loser going to a local tournament. Both coaches went with pitchers who had no-hitters during the school season, Kurt Richards for Crowe and Tom Willette for the Rocks.

Crowe drew first blood in the bottom of the second as catcher Dave Waldock was safe on an error by third sacker Tim Dillon. He went to second on a wild pitch, and scored on a single by Kurt Richards.

Things looked really bad for the Rocks as Crowe scored two more runs in the third. A single by Mark as well, and a bunt single by Ernie Storm put two runners on base for Bentley. Advanced on a wild pitch and trotted home on Tom Durrey's two run single.

The Rocks couldn't get anything going until the fifth when John DenHouter reached first on an error, after Brian Wolcott flew out. Vern Nagel walked and Tim Dillon rapped a single to load the bases. John Major singled in DenHouter to make the score 3 to 1. Then

with the bases still loaded, Dave Pierce hit a tremendous blast over left fielder for a double which knotted the score at three apiece.

It stayed that way until the top of the seventh when the Rock bats became alive again. The Crowe coach brought in Felix Veznia to pitch. It seemed as if the strategy had worked as Veznia struck out Howard Inch. But Veznia hadn't reckoned on Tom Willette who promptly drilled a single to right, knocking in Dillon and Major, while moving Pierce to third to give Plymouth the lead for the first time 5-3.

After Doug Tripp was safe at first with a fielder's choice, he attempted to steal second and in the process the Crowe catcher threw it into Center Field scoring Pierce from third, making the score 6 to 3.

Tom Willette then put down Crowe in the bottom of the seventh with no trouble, striking out two and retiring the last batter on a pop-up to shot.

Willette finished the game with seven strike-outs while giving up only two walks. He retired the last twelve Bentley players in

a row. The win was his sixth of the summer year.

The Rocks lost a game earlier that week (July 23) to Stevenson by the score of 11-4.

But that really didn't seem to matter as Plymouth came up with the big win when they needed it.

The tournament bound Rocks will now travel to Lincoln Park and play their first game on Saturday, Aug. 3.

Coach Wayne Sparkman's crew finished the regular summer league season with a 9-7 record, good enough for the first place finish in the Connie Mack American League Red Division.

DiPonio Nips A.P.

In an extra inning affair which had to be continued on another day, Plymouth DiPonio of the Mickey Mantle League won a game, 6-5, in ten stanzas over Allen Park.

DiPonio blew a 3-1 sixth inning lead in the Wednesday (July 24) contest as Allen Park fought back to tie things up in the seventh at three-all.

Plymouth Merchants Victorious

The Plymouth Merchants were victorious in their final two games last week to handily wrap up the Connie Mack National League title.

Coach Fred Crissey and his squad finished the regular summer season with an impressive 11-2 record which was three full games ahead of their closest competitor.

The clincher to the title came last Tuesday (July 23) as they beat Bentley, 3-1.

Chris Martucci, who was working on the mound with only two days rest, went all the way for the victory. It was Martucci's fourth win of the year and third in a row.

Chris scattered five hits, all singles, striking out six and walking one.

The lone run Martucci gave up came in the fourth inning.

The Chiefs did all their run producing in the opening two innings. They scored two in the first and one more in the second.

With one gone in the opening inning, Dave Pink singled and scored on Mike Verduce's RBI double. Verduce went to third on a passed ball and scored on a ground out.

The final run was scored by Scott Dunagan who came home on an RBI single by Keith Randazzo.

The Chiefs used a big six run inning to win their last league game of the year.

This time the Plymouth crew made Stevenson their victim, for the third time, with a 7-3 Thursday night victory (July 25).

Neither team was able to tally a run through the first four

DiPonio

(continued from page 14)

Allen Park promptly took a 5-3 lead in the first extra inning only to see Dave Pierce's two run, single knot things up again at five-all.

With the game then being called on account of darkness, DiPonio won the game that Sunday (July 28) on Howard Inch's base loaded single.

Brian Wolcott went all the way on the mound for the victory.

The eleven hit DiPonio attack was led by Pierce's three hits and two safeties apiece for Inch, John DenHouter, Brian Bogenschutz, and Kirk

stanzas, but the Chiefs were able to break that scoring barrier in the fifth with one run.

Bill Parson led off the inning with a walk. He moved to second on a stolen base and advanced to third on a throwing error. Brian Stemberger then followed by promptly knocking Parson home with a single.

The Chiefs put the contest "on ice" in that sixth inning as they sent ten men to the plate.

The big blow came off the bat of Bob Ayotte as he blasted a three run homer over the center-field fence, 350 feet away. Scoring ahead of Ayotte were Ron Lack and Verduce.

Lack knocked another run home that inning as he scored Dave Pink on a beautifully executed suicide squeeze.

Dunagan also picked up an RBI as he scored Chris Martucci on a "Texas League" single.

The final run came when Stemberger and Dunagan pulled off a double steal.

Parson went the distance for the Chiefs as he struck out seven and walked four. Parson gave up all three Stevenson runs in the final two innings and didn't allow them a hit until the fifth.

The Plymouth Merchants now travel to Flint to compete in tournament play. The first game will be this Saturday, August 3.

SAFE PLACE TO BORROW

Player of the Week

Tom Willette of the Plymouth Elks has been selected as the P.C.C. Player of the Week.

Willette is the number one pitcher on the Plymouth Elks (Plymouth - Salem) squad. The southpaw senior-to-be is known for his lightening quick fastball which has riddled opponents for the past two years of varsity play.

Tom's record for the summer season is 6-2 along with an impressive 1.21 era.

Willette has also been very productive with the bat this summer as he has served as the Rocks' clean-up hitter most of the season. He came through with the winning hit in the first place battle with Bentley last week which enabled Plymouth to compete in tournament play.

During the past school year, Tom accounted for six of the eight Plymouth pitching victories. This, along with a 1.75 era, earned him a spot on the all-area baseball team. Tom also plays first base and the outfield.

Congratulations to Tom for being the Player of the Week and much success to him and the Rocks in tourney play.

SAFE PLACE TO SAVE

HOURS:

9:00 - 5:30 Mon.-Thur.
9:00 - 7:00 Friday
9:00 - 1:00 Saturday

Bidwell's Season Ends

Plymouth Bidwell, the Plymouth representative of the Adray League, saw their season come to an end last week as they were ousted by Royal Oak 15-5 in playoff action.

Bidwell finished in the League with a 12-11-1 mark which was good enough for the fourth and final playoff spot.

In the first playoff game Bidwell met up with first place Redford Adray, with the results being a 13-0 victory for Redford. Bidwell was no match for the Redford team as their pitching and hitting left something to be desired.

With the format of the playoffs being double-elimination (two losses allowed), Bidwell was still in contention.

A 9-5 victory over Livonia brought their hopes up as they stayed on top all the way.

Terry Caird did a superb job on the mound as he didn't allow a run in 5-1/3 innings of relief.

The Bidwell bats also came through in great fashion as they put together a 14 hit attack.

But the contest against Livonia was Bidwell's last hurrah as their lack of pitching caught up with them against the hard hitting Royal Oak squad.

Steve Robb, a 1973 Plymouth high graduate, sparked during the playoffs as he ripped two triples to the 367 foot mark in right center.

Congratulations to managers Rod Ferguson and George Little and the players for their successful summer campaign.

Braves Even Record

The Trading Post Braves (Plymouth-Canton) evened their record to 6-6 in Mickey Mantle League play with a 5-4 upset victory over a first place Dearborn Heights team.

Trading Post started quickly by scoring three opening inning runs on a bases load two-run single off the bat of Dave Pink, and John Young's RBI single.

The Braves added one in the third as Kevin Randazzo was safe at second on a fielding error. He advanced to third on Steve Dugan's sacrifice and scored on Scott Collins' ground-out.

The winning tally came in the fourth when pinch runner Steve McIntosh scored on Steve Morman's RBI single.

But Dearborn Heights made it

close all the way as they scored one in the third and three more (all unearned) in the fourth.

The game-saving play for Trading Post came in the sixth inning. Dearborn had the bases loaded with only one down. A fly ball was hit to Steve Dugan

who caught it and rifled a strike to home plate to nail the potential tying run who was trying to score after the catch.

Mark Perkins, second of three Brave pitchers, was credited with the win. Collins hurled the last two innings to pick up a save.

Pierce Gains Support

Dr. Ed Pierce, the Ann Arbor Physician running for the Democratic nomination for Congress in the Second District, picked up more influential support today with the announcement of the endorsement of the only two women members of the Plymouth Community School District School Board, Marda Benson and Marcia Borowski.

Mrs. Benson is Vice-President of the School Board, which covers not only Plymouth and Plymouth Township, but also Northville Township in Wayne County, and Salem as well as part of Superior Townships in Washtenaw County, all within the Second Congressional District.

Mrs. Borowski, recently elected to the board by a wide margin over two incumbents since her original endorsement of Pierce, is the board's secretary. She is also a former officer of the Northville-Plymouth League of Women Voters, and a prominent local Democrat, currently serving as Vice-President of the United Democratic Club of Northville and Plymouth.

In her endorsement, Mrs.

Benson said: "I have personally known Ed Pierce for 18 years, since he and my husband were both medical students at the University of Michigan. Dr. Ed Pierce has consistently and humanely demonstrated his concern for people, operating a medical center which meets the needs of low-income people who might otherwise not have a doctor."

"Ed has consistently given of himself; of his time, his energy, and his talents. I strongly urge my neighbors to vote for Edward C. Pierce. The Second Congressional District could elect no better representative to Congress."

Mrs. Borowski in her statement said that she had "never before had the opportunity to endorse such a fine candidate."

"What makes Ed Pierce truly outstanding is his integrity," she continued. "His past life has been a commitment to doing what needs to be done... and he has never compromised his principles or his beliefs. I have never been so certain in my life of a candidate's human concern, personal honesty, and commitment."

Congratulations Vettese

Ever since the Women's Slow-pitch Softball League got started (four years ago), the team sponsored by Daly Drive-In has always won the title.

But such isn't the case this year as Vettepe Builders ended Daly's three year reign when the two teams met for a first place showdown last Tuesday, July 23, night.

Behind the five hit pitching of Phyllis Cunningham, and a seven run opening inning, Vettese won the game in easy fashion, 9-2.

Despite a little wildness which

resulted in Cunningham walking-ten players, she was in control all the way giving up single runs in the first and fourth innings.

Cunningham didn't allow a hit until the fifth.

Meanwhile, Vettese was putting together an eleven hit attack led by Colleen Moore (3 hits), Barb Smith (2 hits), and Judi Blake (2 hits).

With two out in the first inning, Vettese broke the contest wide open as they combined key basehits along with some sloppy defensive play

on Daly's part to score seven runs.

Scoring the runs in that inning were Dee Sczcodrowski, Linda Calois, Sandy Modowski, Cheryl Szcoldowski, Smith, Cunningham, and Blake.

Vettese sent eleven players to the plate in that inning.

Daly, Hartford, Realty, A & W, and Vettese (the top four teams) will now compete in double-elimination playoff action this week to determine the champion of the Women's League.

RE-ELECT

McLAREN

PLYMOUTH TOWNSHIP SUPERVISOR

WE ARE SUPPORTING J.D. McLAREN FOR RE-ELECTION TO THE OFFICE OF TOWNSHIP SUPERVISOR. HE HAS AND WILL CONTINUE IN HIS EFFORTS TO INSURE:

(continued from page 7)

problems in contract language dealing with the 45-15 Program was interpreted as a blank acceptance that teachers either starting to work in July or September would do so without the protection of a Master Agreement.

We again offer to this Board and to the public our compromise proposal to the Board's demand for Binding Arbitration. We will tentatively agree to the prior informal table position for the 1974-75 school year and continue to negotiate the two year agreement until September, at which time the unresolved issues will be submitted to Binding Arbitration. This will allow the Miller 45-15 Program to open tomorrow.

Respectfully submitted,
PEA Negotiating Team
Dolly Carter, Candi L. Mair,
Alan J. Nurrin

Editors Note - The above letter was received last week, after our deadline. The letter was to be read on Monday, July 21 at the school board meeting.
