

Proposal would ban most hunting in township

BY DENNIS O'CONNOR

Most hunting will be banned in Plymouth Township if the board of trustees approves a

recommendation which includes two rules drawn up by the law enforcement division of the Michigan Department of Natural Resources.

One rule states that hunting with or the discharge of a firearm is unlawful in that portion of Plymouth Township east of Beck Road. The other says

firearms other than a shotgun loaded with shot not larger than numbers two are unlawful except for on approved target ranges.

Anything larger than number two such as buckshot and other ammunition used to kill larger game would be unlawful. Anything smaller than the number two would be legal to fire.

A public hearing last Wednesday at which the recommendations were made, drew an overflowing crowd of nearly 70 persons to Plymouth Township Hall.

Bruce Andrews of the Department of Natural Resources; Lt. William Tomczyk commander of the Plymouth Post of the Michigan State Police; Township and Treasurer Joe West unanimously accepted the recommendations and fielded comments from the audience.

One landowner opposed to hunting said "We people are

afraid to go out of our homes, hunting signs are always torn down. What are we supposed to do if people are hunting on our property? How are we supposed to know if a hunter is using number two?"

Andrews said that most of the complaints of property owners were matters of trespassing and not hunting.

"We do operate on complaints," Andrews said, "but it's been our experience that nine out of 10 landowners will not sign a complaint if it's just a trespassing violation instead of illegal hunting. Either people are gone when we get there or the owner won't sign a complaint."

At this statement, one spectator in the back was overheard saying, "They property owners) have no guts. They will bitch but won't do anything about it."

After the meeting, West said, "What people don't realize

Twp. turns out the lights

Plymouth Township officials recently discovered that two large pole lights have been burning unnecessarily at the township's recreation area on Ann Arbor Trail.

The township board of trustees agreed last week to remove the fixtures, both close to Ann Arbor Trail.

The largest of the two had lit the farmhouse that once stood on the site and has since been moved across the street. The other, near the entrance drive, is no longer needed since lights have been installed along the perimeter of the facility.

Until last week, both had been constantly lit.

Elimination of the two fixtures will save the township \$18.77 per month, according to Township Clerk Helen Richardson.

Canton Chamber opens office

THE CANTON CHAMBER OF COMMERCE opened for business last week in its new office in the Harvard Square shopping center at Sheldon and Ford. Overseeing operations in the new building, which the chamber shares with Norwood Realtors, are Bart Berg, Chamber president; and Joyce Willis, secretary. (Crier photo by Hank Meijer)

Gate crashes on car

A 64-year old Plymouth man escaped injury last Saturday morning when a gate at the C & O crossing on Main Street came down without warning and struck the roof of his car.

Roland E. Hoolmquist of 14635 Huntington told Plymouth Police he was alone in the car and driving south on Main at about 9:45 a.m. when the gates crashed. No bells rang and no light flashed.

Vandals take panes

WINDOWS WERE BROKEN last week at three Plymouth business establishments. A beer bottle was found inside Lent's Men's Wear, where this photo was taken. A block west on Ann Arbor Trail, a window was broken at Famous Men's Wear. Vandals also struck at the Clark gas station on Main, breaking a \$600 plate glass window Friday night, Plymouth Police said.

Asphalt threat prompts action Twp. merchants seek walks

BY HANK MEIJER

After the dust of Ann Arbor Road construction settles, merchants on the Plymouth Township side of the street may have sidewalks to match those of their city counterparts.

Last-minute efforts last week by merchants and township officials halted state highway department plans to lay asphalt approaches to driveways on the township side.

City property owners get concrete automatically, because they are installing sidewalks under a special assessment district. Township merchants had resisted such a move last year, opposing sidewalks assessments.

Then last week, state contractors moved in. They announced that they would shortly begin laying asphalt for driveway approaches on the township side.

The state puts in concrete approaches where sidewalks are due, but installs asphalt on driveways without sidewalks, since they must extend farther and lack the effective drainage of sidewalk-drive combinations.

So even as the city-side merchants waited for their concrete approaches, asphalt was to be poured on the township side.

News of the incongruity irked township merchants, who wondered why their side of the street shouldn't be improved to match the city's.

Merchants and local official on both sides of the street have recently discussed beautification plans for that commercial area and some felt driveways on both sides should be uniform and both should have sidewalks.

Hardware store proprietor

Warren Smith hastily contacted other property owners along the Plymouth Township side and a rounded up their commitments to pay for sidewalks. With that he approached the township board last week at its special meeting for help in stopping the state's asphalt plans.

The state had set a deadline of Wednesday morning following the Tuesday night board meeting after which the asphalt would not be delayed.

Impressed by the merchants cooperation in what some officials termed an emergency, the township board agreed to back the sidewalk bid, vowing that it would special assess property owners if necessary to pay for walks.

"I'm willing to take a chance," said Township Clerk Helen Richardson, "I have faith in our merchants."

The township board unanimously approved a resolution to "stand ready to do whatever is necessary to make sure concrete driveways are put in."

The next morning, Township Planner Norm Dietrich was on the phone to Lansing to stop the asphalt. He did, but now the merchants must move to carry out their sidewalk plans.

"I called to let them know we in the township would put in sidewalks," Dietrich said.

"We hope we can prevail upon time (the state)," Dietrich said. "They're all ready to put asphalt in."

"The township will pay for engineering and I understand we'll get the same prices as the city got some months ago."

"We're hoping to get the sidewalk plans done in the next few days, if we're not done in two weeks, we're out."

Twp. opens fire bids

The Plymouth Township Board of Trustees is expected to Aug. 12 to award a contract for the construction of its fire station no. 2 on Wilcox Road.

Bids were opened last week at a special meeting of the township board. Low bid for the project was \$189,800 by the R. E. Davis Construction Co. Township officials and the architect had predicted bids of about \$190,000. A total of 19 contractors submitted bids ranging up to \$304,000.

If bids are awarded as planned within two weeks, township officials hope construction can begin before the end of summer.

Bids were also opened last week for a storm sewer to serve the township water tower when it is relocated.

Eleven bids were submitted for that project, with the lowest a bid of \$28,773.25 by the A&P Construction co.

While the water tower will be moved to make way for expressway construction, the existing fire station will be replaced.

Kaufman resigns

The Plymouth City Commission has accepted the resignation of Planning Commissioner Charles Kaufman.

Crossing repairs due

Three of Plymouth's busiest railroad crossings are slated for major improvements in the next year that should ease the bumps for area motorists.

Repairs are scheduled for this fall on grade crossings at Sheldon Rd. and Starkweather St.

Chessie System engineer John Copenhaver said a private contractor had been signed to make the Sheldon repairs.

Crews making such repairs begin in Detroit and work their way west. A crew now at Livernois and Joy is expected to reach Sheldon early this fall.

At the Starkweather crossing, the tracks are lower than the road and must be raised before paving and other improvements can be made. That work is planned for September or October.

C&O engineers recently completed plans for next year's repairs, and the Mill St. crossing is on that list. Improvements there will probably be made in August 1976.

"We program these crossings now," Copenhaver said, "We'll be working on materials this winter for next year's projects."

"In the Plymouth area in the next year or two we'll be able to complete major repairs that should pretty much take care of the problems we get calls on."

Canton OKs Harvard Square

In a special meeting last week, the Canton Township Board of Trustees granted final site plan approval for a 23,500 square foot phase II office and commercial addition to the Harvard Square shopping center at Sheldon and Lilley.

Approval was delayed earlier this month, when township officials and Harvard partner Ed Boutrous were unable to agree on the size of berms for the new development.

Boutrous last week proposed "undulating" berms ranging in height from two to six feet - a departure from the township's required four-foot berms which some merchants contend obscure their storefronts.

The board accepted the compromise and work on Harvard Square phase II is expected to begin later this summer.

City, DWP hourly workers approve new wage pact

City of Plymouth DPW hourly employees have agreed to a seven per cent wage increase for the last year of their current three-year contract.

Under the existing agreement, the contract was open to renegotiation for the 1975-76 year.

Voting as members of Teamsters Local 214, the 18 DPW employees ratified the pact last Friday. Although the Plymouth City Commission has not yet given formal approval to the agreement, it falls within limits which City Manager Fred Yockey said would be acceptable. Commission approval of the contract is expected Aug. 4.

The revised contract also calls for a new dental package which would cover the bulk of employee dental costs.

Boy dies from pool mishap

A five year old Canton Township boy died last Thursday in Wayne County General Hospital after he apparently ingested too much water while swimming in a friend's pool July 17.

Paul R. Klein of 43138 Washington Way was playing in a pool on Hanford in Canton when the accident occurred.

Funeral services were held in Schrader Funeral Home with The Rev. Richard K. Schultz officiating. Burial was in Glen Eden Cemetery.

Paul is survived by his parents, Mrs. Patricia Pleasant and Frank J. Klein Jr.; a brother, Christopher; and two sisters, Mrs. Anita Zejec and Susan Ann Klein.

FESTIVE FINERY from the turn of the century will be seen about town once again this year in the costume contest of Plymouth's 1975 Fall Festival.

Costume contest adds fashion to Fall Fest

Turn-of-the-century fashions will add to the colorful melange of activity at Plymouth's 1975 Fall Festival, set for Sept. 4-7.

Vintage costumes will be displayed in the Fall Festival's AAUW - sponsored costume competition. The contest requires costumes that reflect the 1890 to 1920 period.

The ensemble must be authentic or a good reproduction, and complete in detail except for footwear. Categories

will include: family - two or more related persons; children - youngsters under 14; and adult - persons 14 and over.

The contest will be held Sunday, Sept. 7. First, second and third place cash prizes will be awarded. Judging will be held from 1:30 p.m. to 2:30 p.m. behind the bandshell in Kellogg Park. Winners names will be posted at 2:45 p.m. with the awards presented on stage at 3 p.m.

Jaycees' fair gets underway

The Second Annual Canton Jaycee Fair got underway yesterday with a full big-top, amusement rides and plenty of food for everyone.

Jaycee Phil Meloche reports that Thursday will be Kiddies' Day, with the Cookie Monster from Sesame Street making an appearance with several other

animal friends. Rides for the kids will be 10 cents cheaper.

On Saturday the Jaycees will raffle off a citizens band radio system and two bicycles. Five hundred tickets will be used in each drawing, so with every 500 tickets sold, two bikes and a citizens band system will be given.

Could help clean up Hines

'Judges: put rowdies to work'

The Wayne County Board of Commissioners last week endorsed a proposal that persons convicted of "disruptive or destructive acts" in county parks - particularly in vandal-plagued Hines Park - be sentenced to work terms in the parks.

The commissioners' resolution urges judges to mete out such

sentences in vandalism or rowdyism cases.

According to Ed Mika, parks chief for the Wayne County Road Commission, troublemakers in Hines Park are the chief targets of the proposed measures. He recently suggested that a police mini-station in the

middle area of the park might help curb vandalism.

"We believe that to sentence offenders to work in the parks, repairing other people's destruction and picking up other people's litter, would have a deterrent effect and save the taxpayers some money," said one commissioner.

Please...somebody VOTE Aug. 5

Even in the best of times, voter turnout in Plymouth city commission elections is often meager. And August hardly seems like the best of times.

You're on vacation or just back or just going. Or you've been so busy filling in for others while they're at the beach you've had little chance to follow civic affairs anyway.

Besides, this is just the primary - a crowded field will be pruned slightly, from 10 candidates to eight. How many of those 10 names do you know?

We've tried to help. The League of Women Voters questioned the candidates on their views, and their responses - or those of eight of the 10 candidates, prophetically enough - were printed in last week's edition of *The Crier*.

Beyond that, however, it's hard for us to do much more. We've decided it would be more appropriate to save our endorsements for the November election, rather than suggest eight names of 10. To do otherwise would be premature.

So as voters, you're left in no small measure to your own resources. Convince yourself it's an important election. (In the back of your mind you know they all are.)

The 10 candidates are: Leonard L. Budnick of 685 Herald, Mary V. Childs of 1439 Ross, John C. Cummings of 1300 Dewey, Scott H. Dodge of 382 Blunk, Kenneth B. Kisabeth of 1008 Roosevelt, Alfred "Tex" Thoman of 345 Joppa Pl. and Thomas A. Turner of 1300 Linden.

Remember to vote Tuesday, Aug. 5. If you don't, who will?

Schools offer chance to air band opinions

Editor:

I am sorry there was a conflict in the announcement as presented in the two newspapers of the July 21, 1975 Music Workshop.

Time did permit citizen participation at the end of the study session with the Board of Education, central administration, Centennial Park administration and Mr. Griffith. We are most anxious to hear the remarks of all interested students and citizens because they are the people most directly involved by our decisions.

All of you who believed there would not be citizen participation at the July 21, 1975, meeting and did not attend because of the conflicting announcements will have a chance to express your views.

Time within our regular board agenda is scheduled from 7:30 p.m. to 8 p.m. to hear "Suggestions from Citizens". However, on August 4, 1975, if there is a response from the community, we will extend this period until 8:30 p.m. A decision concerning the music program will not be made at this meeting.

MARDA BENSON PRESIDENT
BOARD OF EDUCATION
PLYMOUTH SCHOOL DISTRICT

COMPLETION of the Plymouth School District's pedestrian overpass at Sheldon and Ann Arbor Trail has now been delayed until Oct. 25, well after school opens. Although safety millage funds were earmarked for the project last year, school board squabbles

slowed final acceptance of the plans. Now a material shortage will force Bird and West Middle students to cross this busy intersection amid cars and construction, rather than in a safe overhead walkway when they return to school.

Ann Arbor Rd. merchant marshals sidewalk support

Merchants on the Plymouth Township side of Ann Arbor Road between Main and Sheldon rose to a challenge last week in an unprecedented show of cooperation.

Thanks in large part of one property owner, Warren Smith, the merchants agreed to pay for sidewalks in front of their properties.

While such progress may have been inevitable, an odd bit of timing forced the issue. Without Mr. Smith's labors, the merchants might have missed the boat.

As part of its Ann Arbor Road paving and widening project, the department of state highways is putting in driveway approaches on both sides of the street.

A special assessment district was created last year on the city side to cover the installation of sidewalks.

Township merchants, however, dragged their heels on sidewalk improvements.

So come widening time, the state planned approaches that would tie in with plans for the roadside. The city side was getting sidewalks, so the state was willing to install concrete approaches. The township side, however, had no plans for sidewalks, so the state was going to put in cheaper asphalt approaches since they would have to extend beyond a sidewalk line.

The contractors were making preparations for the asphalt approaches when Warren Smith started asking questions.

If Ann Arbor Road is ever to be beautified, shouldn't driveways be uniform on both sides?

We pay taxes, too, why should the state install concrete approaches for city merchants and not for us?

Smith soon discovered township merchants would have to commit themselves to sidewalks to receive the concrete approaches. So he talked to every property owner he could get hold of along that street. Within two days, all but one agreed to go in on a sidewalk project.

When the Plymouth Township Board met last week, Smith was ready with a list of name committed to the project. The township trustees, impressed by his efforts, vowed to go to the state in support of concrete.

The next morning, Plymouth Township Planner Norm Dietrich called Lansing.

The state agreed to stop the contractor from laying asphalt on the township side.

The merchants' last minute commitment to sidewalks and the township's call to the state brought concrete approaches and, ultimately, sidewalks, within reach. A quandary that could have set back plans to beautify the Ann Arbor Road shopping area may now speed improvement. Warren Smith's legwork will have made the difference.

THE COMMUNITY CRIER

City merchants spruce up Trail

Some downtown Plymouth merchants also made a contribution recently which should not go unremarked.

Several business people donated five Norway maples for planting along the north side of Ann Arbor Trail between Main and Joppa Place.

The trees provide needed greenery along that street, and other merchants may be inspired to join in giving Plymouth a tree-lined downtown.

Car, horse crash, local woman hurt

Washtenaw County Sheriff's deputies said a car driven by Mrs. Yvonne Tanner, 52, of 39683 Greenview, Plymouth, was injured slightly July 21 when the car in which she was riding collided with a horse on North Territorial Road east of Pontiac Trail.

The horse was killed in the crash.

Yvonne Tanner, 52, of 39683 Greenview, Plymouth, was injured slightly July 21 when the car in which she was riding collided with a horse on North Territorial Road east of Pontiac Trail.

Pursell would aid non-smokers

Citing evidence that non-smokers are better insurance risks, State Sen. Carl Pursell (R-Plymouth) says Michigan insurance companies should offer cut rates for non-smokers. The Plymouth senator is seeking a legislative resolution on the subject. It would express legislative desire for the move, but would not have legal force to compel the price breaks. "I'm convinced non-smokers offer insurance companies lower risks in property and auto insurance, as well as health insurance," Pursell said.

He said he would back up his resolution with a request for a bill which would require lower rates. If voluntary action is not forthcoming from the insurance companies, the legislature could then take up the bill to mandate the price reduction, he said.

Is PCDC on the ropes?

Cont. from Page 1

that time the fate of the agency may well be determined.

"The signs are there that we're going to have trouble continuing this thing," said PCDC president Harold Guenther, a Plymouth city commissioner.

Guenther said both Canton and Plymouth township officials have questioned the agency's value for their locales.

"I think we in the city will vote to continue it," he said.

The school district had once been thought to benefit more from the PCDC than any of the individual municipalities, but a change in state school aid formulas has minimized the help the PCDC can provide.

Guenther said that until the September meeting, members of the PCDC board would follow

up investment prospects themselves. At that meeting PCDC officials will likely be faced with a choice of sharing duties among themselves as they are doing now, hiring a new director - a move which some officials predict is unlikely - or disbanding the organization altogether.

The PCDC currently operates with a \$20,000 annual budget - \$5,000 each from the three municipalities and the school district.

PCDC officials had hoped the

Plymouth chamber would be in a position to assume more and more of that budget over the next few years, but those prospects have been dimmed with McCartney's resignation.

Patrol extended

The Wayne County Board of Commissioners last week formally extended funding for the Sheriff's Road Patrol in Canton, Plymouth and five other townships through the end of the fiscal year, Nov. 30.

Festival trailers moved

A resolution to shift the Michigan Travel Trailer Club's Camp-in to the northeast corner of Centennial Educational Park was unanimously approved by the board of education last Monday.

The trailer club has visited during the Fall Festival for several years, always at East

Middle School.

Board member Joe Gray expressed concern over the possible damage of school property if the visit were approved, citing previous problems with other groups, such as carnivals.

Member George Lawton said moving to the Centennial site would not interfere with students' activities that weekend, and that a group of people of 45 to 65 years of age with a fine reputation wouldn't create the problems of other traveling groups.

Norm Hood dies

Norman Hood, 79, of 14051 Shady wood in Plymouth, died July 22 in St. Joseph Mercy Hospital, Ann Arbor. Services were held in Schrader Funeral Home with The Rev. Samuel Stout and The Rev. Philip Rodgers Magee officiating. Burial was in Riverside Cemetery.

Mr. Hood is survived by his wife, Helen Bachelder, a daughter, Mrs. Betty Nelson of Plymouth and three grandchildren.

He was a retired manager for General Foods Corp. and a member of the American Legion and the St. Marys West, VFW.

Mrs. Robinson graduates

Graduating from Western Michigan University at Kalamazoo this summer is Mrs. Shirley Robinson of Kalamazoo, formerly of Plymouth. Mrs. Robinson has completed her requirements for a B.S. in elementary education. She is the former Shirley Baumgartner, daughter of Mr. and Mrs. William Baumgartner of 515 Byron, Plymouth.

Lisa Toth wins scholarship

A Schoolcraft College music scholarship has been awarded to Lisa Toth, daughter of Mr. and Mrs. Joseph Toth of 14716 Dogwood. Miss Toth plays the violin. She is a 1975 graduate of Plymouth-Canton High School.

Cantonites seek new fire millage

Cont. from Page 1

year's May election or do we want a referendum which needs a formal petition?" said Mrs. Hamann. "The time is ripe now and the need is there now."

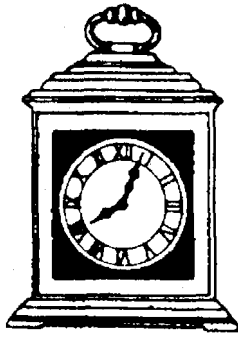

According to Township Clerk John Flodin, there is some question as to whether a specific number of signatures is required for a formal petition.

"The best interest of the township would be served by having the millage question on the May, 1976 presidential preference primary ballot," he said. "A special election for this would probably cost the township \$3,000 to \$5,000. Even if it were passed now, the millage wouldn't be levied until the tax bills went out next December."

Mrs. Hamann said a meeting to decide the committee's next move was tentatively set for Thursday July 31, at 7:30 p.m. in her home.

Canton Township is served by one fire station staffed by 19 full-time and 19 voluntary firemen. Two previous millages elections to provide for construction of a second station on Warren near Haggerty Road have failed.

INTRODUCING

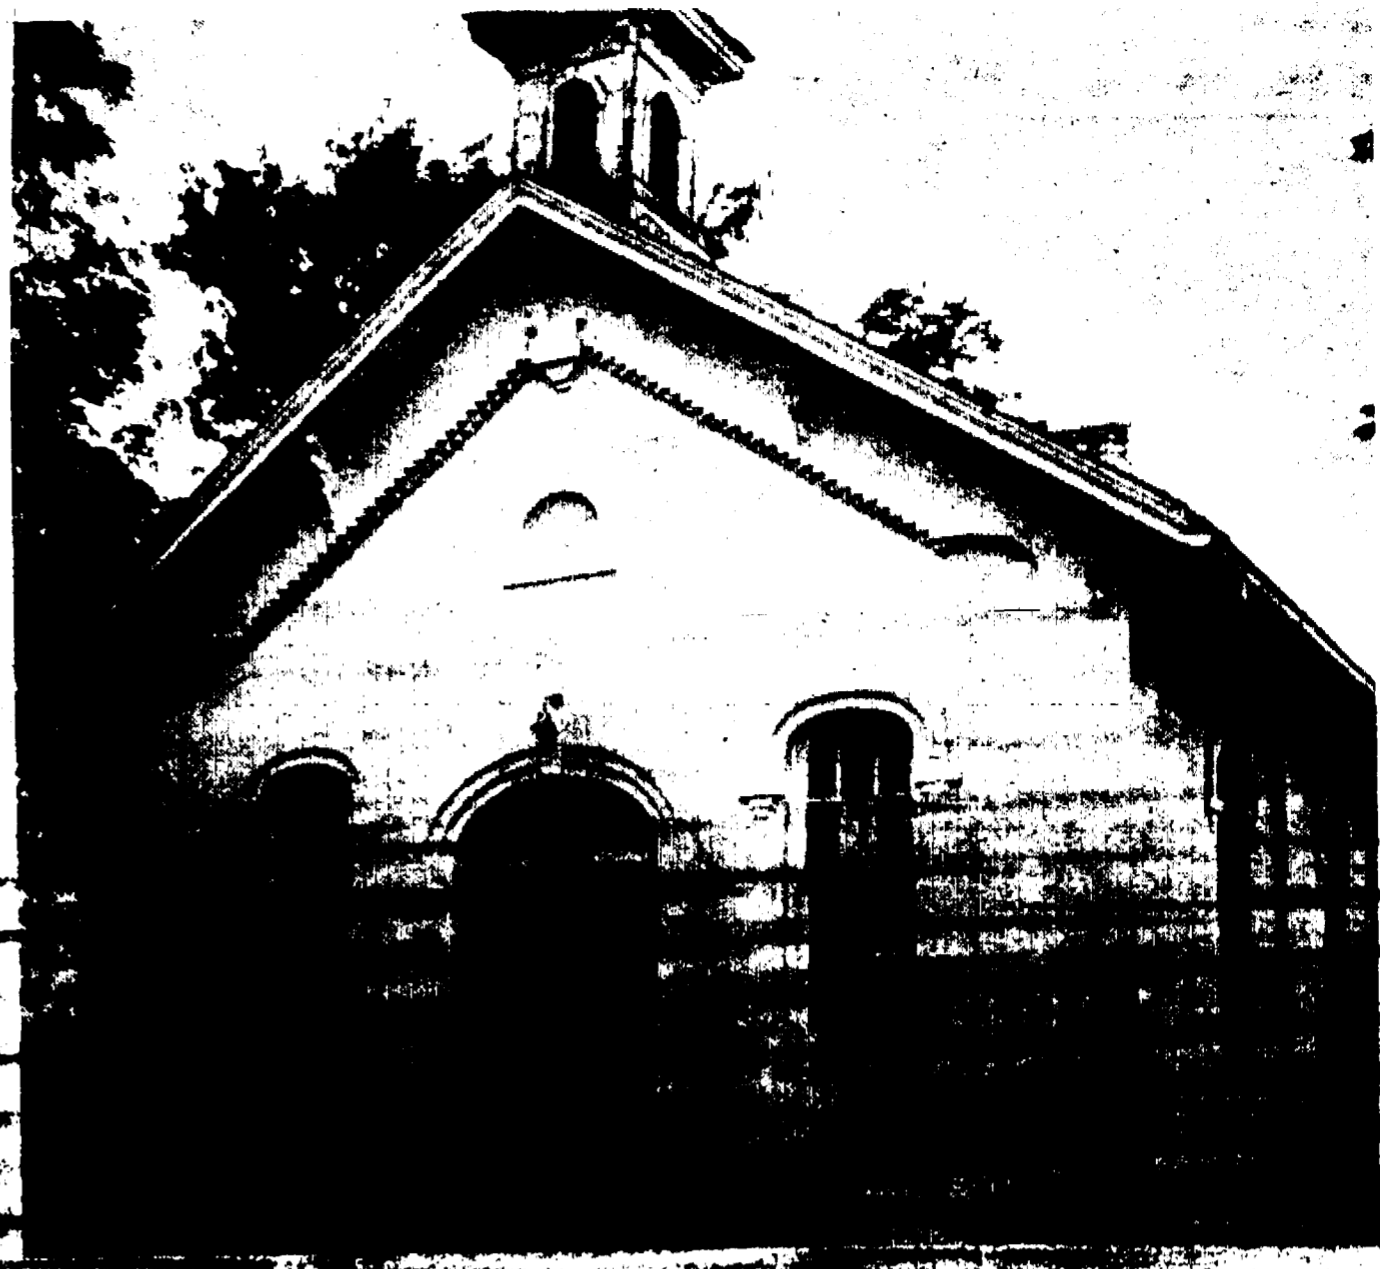

Plymouth FALL FESTIVAL

Sept. 4th thru Sept. 7th

In observance of the annual Plymouth Fall Festival, The Community Crier will publish a special edition as part of its September 3 paper. 10,000 additional copies will be distributed in nearby areas of Livonia and Ann Arbor and the Chamber of Commerce's information booth at the Festival. The Fall Festival section will include stories on the festival activities and the official events and entertainment schedule. Advertising space is still available; (deadline Aug. 28) contact your Crier advertising representative or call 453 - 6900.

Canton Center School (above) and
Cherry Hill School (right)

Old schools weather change

Photos by Bob Cameron

While the face of education here has changed, reminders of schools as they used to be are never far from view in the Plymouth School District.

The school system owns five buildings which mark an era when slates and firewood were priority supplies.

Geer School, on Ann Arbor Road at Gotfredson, still serves local youngsters. Although the cost of providing a modern education in its two aging rooms casts a cloud over its future, parents and children alike see it as a symbol of education's roots here. Geer was built in 1880, and like the other old schools since incorporated into the Plymouth system, it was once the center of its own district.

South Salem Stone School, on North Territorial at Curtis, is crumbling today, although neighbors have formed an informal preservation association with hopes of renting or buying it. Meanwhile, vandals have broken in, scrawling obscenities on the walls and littering the interior.

In another corner of the district, Cherry Hill School stands at the heart of the Cherry Hill settlement in western Canton. The old Victorian structure, built in 1870, was enlarged half a century ago through a donation from Henry Ford, who sought to aid the family of a Ford worker who lived nearby.

Today, the building is occupied by a church group from Westland. Canton Township had leased it from the schools for \$1 per year, and in turn rented it to the church and its minister, who lives there. School officials have terminated that arrangement and are looking into other uses for the building. It has been mentioned as a possible center for the Canton, Plymouth Northville YMCA.

Canton Center School, built in 1886 on Canton Center at Proctor Road, currently houses the Canton Lions Den, again until recently through a lease arrangement with Canton Township.

Last month the board of education decided to rent the structure directly to the Lions on a month to month basis, with the thought in mind that Bicentennial plans might include relocation of the school as a museum that could be set up on the Centennial Educational Park site.

Youngest of the five ancestors of today's Plymouth schools is the Hough School on Warren Road in Canton. Built in 1900, Hough is still alive today as the home of a cooperative nursery.

The five relics, some thriving, some crumbling, are all that remain of days when going to school here meant one room for all - for reading, writing and 'rithmetic.

Geer School (above) and Hough (below)

Stone School inside (above) and out.

JACK HIRSCHAUER of McMurray Insurance claimed his all star trophy from Canton umpire and softball director **Dave Raimer**. Hirschauer was the winning pitcher for the East all-stars in their 7-5 triumph over the West last Sunday. (Crier photo by Robert Cameron)

East stars come back to win

Overcoming a 5-3 deficit after four innings, the East squad rallied for four runs in the top of the fifth and went on to beat the West team 7-5 in the Canton Men's Slow-Pitch all-star game played at the township field last Sunday.

East scored its initial run in the opening inning, when Kevin Smith of Strock singled and came home on a triple by Don Gullekson of Perlongo. Gullekson notched three hits on the day.

West struck back in the bottom half of the inning with two runs to take the lead. Ken Yulasy and Tom Battiston, both of Stoneybrook and John Raimer of Red Door put together three singles for the two tallies.

West added to its lead in the third to up the score to 5-1. Rick Paulin of Clark Block, Yulasy and Dale Merritt of Smith Realty all singled for one run. After a force play, Raimer picked up his second hit with a two-run homer to right center field.

East cut the lead to 5-3 in the fourth. Mike Evans of McMurray led off the inning with a solo home run to right center. Jack Hirschauer, also of McMurray, knocked in the next run with a single that scored Gullekson from second.

But it wasn't the single by Hirschauer that helped the East win, rather the outstanding pitching performance by the McMurray ace that led to the victory. Hirschauer came on the mound in the fourth and quickly stifled the West attack to not further scoring the rest of the game.

Hirschauer sent down the side in the fourth and seventh, while allowing just a single and two walks in the other innings.

Sports

The East's four-run rally in the fifth was a stiff greeting for Jack Stewart of Stoneybrook, who had just come to the mound. Wayne Butzin of Perlongo led off with a single, after an out, he moved to second on a single by Joe Stoneybrook of Meijer.

Smith then knocked home Butzin with a single. Eves Triple sent tow mor home with he scored the fourth and final run of the stanza on Gullekson's single.

The manager of the East squad was Massey's Tom Zurchner. Massey finished second in the East last season behind McMurray, but since Hirschauer (McMurray's manager last season) was playing, Zurcher got the honors. Terry Ransier of Plymouth Construction was the West manager in the contest.

Trophies were handed out after the game to all the stars by Dave Raimer, umpire and head of the Canton slow pitch league.

Dolphins top Belles for 'G' crown

Dolphin batters got to the Belles early and went on to win the championship game 11-5 in G league action last Monday night.

After the first two Dolphins were put out in the top of the first inning, the winners came alive, putting together five singles and a double to score four runs.

The Belles struck back for two runs in their half of the first, but the Dolphins put the game out of reach with two more tallies in the second and third for an 8-2 lead.

The Belles scored one more

run in the fourth and their final two in the fifth. The Dolphins added their final three tallies in the fifth.

The Dolphins had a well-balanced attack with one player smacking three hits and five more with two each.

The Belles, the Cinderella team of the play-offs, were led by shortstop Joni Sommerville and pitcher Becky Bell. They finished the regular season with an 8-6 record, but upset both the Dolles and the Lassies in playoff action.

The Dolphins finished their season losing only two games while winning 15.

Lions cut Thornbladh

Bob Thornbladh, a Plymouth High School Graduate Class of 1970 was put on waiver last Saturday by the Detroit Lions at their summer football camp at Oakland University.

Thornbladh was a fullback and linebacker during his Plymouth year, playing for present Plymouth-Salem football coach Tom Moshimer.

He attended the University of Michigan, playing fullback during his years with Bo Schembechler.

When he was drafted by the Kansas City Chiefs last season, they converted him back to a linebacker position. The Lions had picked up Thornbladh on waivers this season.

Alumni practice set

Conditioning sessions for the Plymouth High school Alumni football team have been set for Monday and Wednesday nights at Centennial Educational Park. The workout starts at 7 p.m.

A mandatory practice is

It's time for physicals

Any athlete, boy or girl from Plymouth high schools or middle schools who plans on participating in school sports during the 1975-76 season can receive the required physical next month for only \$2.

According to athletic director John Sandman, physicians from University Hospital have arranged to come to Plymouth Aug. 11 and 12 to give the physical examinations.

Reporting time is 5 p.m. at the Plymouth-Salem upper commons. Boys are to report Aug. 11 and girls Aug. 12.

City tourney coming

CITY TENNIS TOURNAMENT play will be held Aug. 8 - 10 at the Plymouth Canton High School courts. Entry deadline is Friday Aug. 7 for a singles, doubles and mixed doubles. Cost is \$1 per event. Entry blanks are available at the recreation office at the Cultural Center, 525 Farmer.

scheduled for every Sunday afternoon in August at 5 p.m., also at the CEP field.

The alumni are preparing for a football game against a Northville Alumni squad during Fall Festival weekend.

For additional information call John Sandmann at 453-0200, or athletic liaison Paul Cummings at 453-3100, ext. 288.

Cindy Stevens hurls no hitter

MORE THAN 50 CHILDREN competed Centennial Park football field. (Crier photo by in last week's Junior Olympics at the Hank Meijer)

Young athletes meet in Jr. games

Some 58 boys and girls age 10-15 took part in the annual Junior Olympics, co-sponsored by the recreation departments of the City of Plymouth and Canton Township, last Thursday at Centennial Educational Park.

There were 30 first place winners in the various events and age categories. They will go to Metropolitan Beach tomorrow to compete with athletes from 50 other cities in the Michigan Youth fitness Day.

Plymouth Elks take 4th straight crown

Winning is becoming a habit for coach Wayne Sparkman and his Plymouth Elks teams as they picked up their fourth consecutive Connie Mack divisional title last week.

Sparkman was aided this summer season by assistant coaches Gary Temple and Russ Carlson.

Coming off a state championship in the 1975 Plymouth-Salem High School season, the Elks, full of sophomores and juniors, started off slowly in the Mack season, winning only half of their first eight games. But they came on strong in the latter part of the season to win their last seven games and finish with a 11-4 record and the top spot in their division.

SLIDING IN SAFELY with another Thursday is Sandy Modowski. (Crier photo Vettese run in a 10-3 victory over Daly last by Dennis O'Connor)

Unbeaten Vettese gains title

First place in the Plymouth Women's Slow-pitch softball league belongs to Vettese Builders for the second year in a row.

Vettese gained a tie for the top spot last Friday night with a 27-0 romp over Sun Plastics. These two teams met last night

(July 29) and a Vettese victory would give the squad undisputed possession of first place.

Earlier in the week, Century 21 handed Daly Drive-In its first setback of the season, re-vengeing an earlier 1-0 loss with a solid victory.

Vettese gave Daly its second loss last Thursday, as the battle of the two leaders saw the undefeated Vettese win easily. Vettese lead-off hitter Sue Myrtel scored the first run of the game when she came home in the top of the first inning on a Judy Blake single.

Daly game back in its half of the first to tie things up, as lead off hitter Randa Williams doubled and scored on a single by Kathy Faron.

Vettese put the game away for food in the fourth, breaking the 1-1 tie by exploding for seven runs on seven hits to put the contest out of reach. Twelve Vettese batters went to the plate

in that stanza. Dee Szczdrowski, Sandy Modowski, Sue Myrtle, Colleen Moore, Judy Blake, Peg Boyce and Jenny Gadberrry all crossed the plate in the fourth.

The final two Vettese runs in the sixth were matched by two Daly tallies in the seventh, but the game had already been decided after the fourth.

Pitcher Phyllis Cunningham displayed excellent control on the mound for the winners as she pitched a five-hitter. Solid in the infield was marked by the stalwart performances of Myrtle and Cheryl Szczdrowski.

Bidwell 8-17

Bidwell Masonry, the Plymouth representative in the Livonia Adray Baseball League, closed out its season last week by losing two games. Bidwell ended the summer with an 8-17 record.

Plymouth Township Minutes

TOWNSHIP OF PLYMOUTH
BOARD OF TRUSTEES - SPECIAL MEETING
JULY 22, 1975

Supervisor McLaren called the meeting to order at 8:01 p.m. All members were present with the exception of Gerald Burke.

Mr. West moved approval of the minutes of the regular meeting of July 8, 1975 as submitted. Supported by Mr. Gornick and carried with Mrs. Richardson abstaining as she was not present at this meeting.

Mr. Millington moved approval for payment of bills in the total amount of \$57,992.05. Supported by Mr. Ash and carried unanimously.

Bid for Proposed New Fire Station No. 2 - Mrs. Richardson moved that the bids for the Proposed New Fire Station No. 2 be closed. Supported by Mr. Gornick and carried unanimously.

Supervisor McLaren closed the bids at 8:03 p.m. The bids were opened by Mrs. Richardson and read by Mr. Carrigan. All bids had been properly signed. Addendum No. 1 had been received on all bids and a bid bond had been included with all bids except the bid from Five Brothers, Inc.

Bids for Storm Sewer in Wilcox Road to Service the proposed Fire Station No. 2 - Mr. West moved to close the bids for storm sewer in Wilcox Road to Service the Proposed Fire Station No. 2. Supported by Mr. Gornick and carried unanimously.

The bids were closed at 8:18 p.m.

The bids were opened by Mrs. Richardson and read by Mr. Hamill.

Mrs. Richardson moved that the bids on the proposed new Fire Station No. 2 be referred to the firm of Cummins & Barnard, Inc. and that bids on the storm sewer in Wilcox Road to Service the proposed Fire Station No. 2 be referred to the firm of Brender-Hamill & Associates for their respective recommendations to the Board of Trustees. Supported by Mr. West, carried unanimously.

New Business.
Plymouth Village East - Application No. 272 - Re: Final Plat approval.

Mr. Gornick moved final plat approval for Application No. 272 - Plymouth Village East - as recommended by the Planning Commission. Supported by Mr. West and carried unanimously.

Distribution of \$20,000 from Sale of McAllister Well Site - Mr. Ash moved that the \$20,000 from the sale of the McAllister Well Site be divided \$16,000 to the Township General Fund Contingency Account and \$4,000 to be Water and Sewer Department. Construction Account. Supported by Mr. West and carried unanimously.

Clock Restaurant - Re: Storm Sewer versus dry well - Mr. Gornick moved that in light of the fact that the only thing acceptable to the Township is a storm sewer for the best interest of the Township, the Township Board authorized the Supervisor to contact Mr. Shrey to see if a negotiation can be arrived at and if Mr. Shrey will contribute towards the storm sewer which will greatly benefit him. Supported by Mr. Ash and carried unanimously.

Concrete Drives and Sidewalks - General Beautification of Ann Arbor Road. - Mr. McLaren explained that the City of Plymouth agreed to replace all driveways with concrete rather than asphalt and that the plan in the Township was to replace like with like or concrete driveway approaches with concrete, asphalt approaches with asphalt.

Mr. Warren Smith, property owner on Ann Arbor Road, felt that the Township side should look as well as the city side and wanted concrete driveway approaches. Mr. Smith stated that himself and 90% of the property owners on Ann Arbor Road between Main and Sheldon would like to have sidewalks, and that with sidewalks the State will put in concrete driveway approaches. All but one owner contacted, Better Homes and Furnishings, wanted sidewalks. Mr. Smith had quoted a price of \$5.00 per running foot to install the sidewalks. He was unable to contact anyone from Detroit Edison, Molnar Electric and Kentucky Fried Chicken.

The question of advertising for bids arose, Mrs. Richardson feeling it would be simpler for the merchants to find out how much would be charged and install it themselves and not involve the Township.

Mr. Gornick moved that the Township Board go on record as needing sidewalks on Ann Arbor Road from Main Street to Sheldon Road on the south side and that the Township will create a special assessment district in order that these sidewalks are constructed and that the Township provide the option for individual merchants to put the sidewalks in individually or collectively and that the intent is further solidified by the fact that the trades are established and the Township Planner stands ready to share those with the State Supported by Mr. Ash and carried unanimously.

Mr. Gornick moved that the Board of Trustees authorize Mr. Dietrich to contact the State Highway Department on Wednesday morning, July 23, 1975, and authorize him to share the previous motion and to see what kind of date could be worked out and indicate that the Township wants concrete driveway approaches from Main to Sheldon on Ann Arbor Road on the south side and that the Township stands ready to insure that those kinds of approaches are put in. Supported by Mr. West and carried unanimously.

Joseph West, Treasurer - Re: 1% Collection Fee on 1975 Tax Bills - Mr. Millington moved to add this item to the agenda. Supported by Mrs. Richardson and carried unanimously.

Mrs. Richardson moved that the 1% be added to the tax bills due to the fact that it was placed in the 1975 - 76 budget and, therefore, was the intent of the Board that it be added on. Supported by Mr. Gornick and carried unanimously.

Mrs. Richardson moved to adjourn the meeting. Supported by Mr. West. Supervisor McLaren adjourned the meeting at 10:36 p.m.

Approved, J.D. McLaren, Supervisor
Respectfully Submitted, Helen I. Richardson, Clerk
These minutes are a synopsis. Original minutes are on file in the Clerk's office.

Padre vets top 'A'

BY DENNIS O'CONNOR

A 10-8 victory over the Angels earned the A league championship for the Padres in the 12 year old division of the Plymouth Community Junior Baseball League.

The Padres finished a top of their division after the regular many regular season with a 14-2 record. At the beginning of the summer, many picked the Padres to win the National League crown, and they did just that with playoff wins over the Giants, 11-0 and last year's champs, The Red Legs, 6-2.

Padres manager Mel Johnson started coaching in the system as a B league manager two years ago. He moved to an A position last season and brought the expansion Padres to a 9-7 record, missing the playoffs by only one game. With almost all the same players back this year, the veteran Padres took it all.

No "negative feelings" was installed in the players by Johnson and his coaches, they said, citing that spirit as one of

the reasons for the success of the ballclub this season.

"We had a well-balanced team all year," said Johnson. "When one didn't hit another would."

An example of every one hitting at the right time came in the championship game against the Angels. Dave Skone who was in a hitting slump toward the end of the season, came up with the winning homerun.

Johnson stressed a team effort and constant parent support as other keys to the squad's success.

"I feel it is important that all the parents be at their child's game," he said. "Right before the championship, my wife called all the parents to make sure they were coming."

Bill Morre and his players on the American League champion Angels also deserve recognition. It was the second year in a row that the Angels finished second in their division, winning the American league only to lose to the National champs in the finale.

Twp. hunting studied

Cont. from Page 2

is that it is a matter of policing. All we can do is control the firearming."

"The hunting area was there before the people moved in," another observer remarked. "People should know the law before they move into an area."

One angry hunter opposed to any cutback in hunting area said, "Hunters are good, law abiding citizens, we aren't painted black."

Eye water study

The Plymouth City Commission has called upon the state legislature to require an immediate audit of the water and sewer budgets of the City of Detroit, "fair and equitable" suburban representation on the Detroit Water Board, formal procedures for rate hikes and a study of existing water rates "to insure that said rates are justifiable and necessary."

The resolution, part of an effort by several suburban communities to better police the water board's actions, was adopted unanimously.

Bndrews said that in the areas where hunting has been completely banned, it has limited trespassing, but not completely.

Upon completion of the panel's recommendation, it will be brought to the township board for approval or rejection. It was doubtful that it would be on the agenda for the next meeting, township officials said.
