

## Battermann won't run again

# Record 11 file for city race

A record field of 11 candidates will vie for the four city commission seats up for election this year.

That means a primary election will be held Aug. 2 to narrow the field to eight hopefuls for the Nov. 8 general election. The top three vote-getters in that election win four-year terms while the fourth place finisher wins a two-year seat.

Two years ago, nine candidates filed for four seats, forcing the first city primary in recent history.

Of the four incumbents up for re-election, only Commissioner Norbert Battermann, who ran fourth two years ago, is not seeking re-election.

Mayor Joe Bida, of 585 Hamilton; Commissioner John W. Moehle, of 1279 W. Ann Arbor Trail; and Commissioner Mary Childs, of 1439 Ross;

each filed for re-election to their seats.

Also filing were:

Mark O. Wehmeyer, of 1470 Maple, a member of the city's personnel services appeal board; Lorraine F. Watt, of 525 Lindsay Drive; Penelope A. Wright, of 298 Blunk, president of the PROGRESS group which campaigned successfully against a proposed senior citizen high rise project; Clay M. Fechter, of 397 N. Evergreen, a Schoolcraft College administrator; James B. Arlen, of 1441 Hartough, now 17 years old but who will turn 18 by the primary; Ronald G. Loiselle, of 503 Ann St.; David A. Pugh, of 964 Roosevelt, a city planning commissioner who ran unsuccessfully for the city commission two years ago; and James C. Houk, of 1200 Maple, a former mayor of the city.

# Stein recall election assured for Canton

BY CHAS. CHILD

Political opponents of Canton Supervisor Harold Stein handed in 72 signatures last week, virtually assuring an election asking for his recall.

The recallers were only 31 valid signatures shy, and the 72 new ones are bound to put them over the top.

Stein is charged with trying to "rescind" the 1976 Master Land Use Plan; undermining property values of homes; holding secret meetings; and removing a professional police officer over Canton's police force without providing a suitable replacement.

Stein said the charges were totally false. But he "wanted to get on with it. The recall has been a ploy to distract me from my everyday township functions. If I have to work 24 hours a day to do what I set

out to do for this township, I'll do it."

He said he considers the recall a definite threat, but he said he wouldn't organize his campaign to retain office until a date had been set for the recall election by the county election commission.

"I want to spend full-time working for the township," he said.

Responding to the charge that he was trying to rescind the '76 master land use plan, Stein said he was in favor of

modifying and revising the plan.

"There wasn't enough input into the plan before it was written," said Stein. "The people in the township did not know what it was about."

"I am for balanced growth in the township," Stein said. "We should have more industry and commercial development to provide tax revenues."

"I am for controlled and planned growth, but you must have a solid plan behind you to do it or you will run into big legal

problems," Stein said. "It takes time to get the plan implemented. The Planning Commission is working on it now and has a timetable to stick to. You can't just put a town out of business."

"I also called for a moratorium on all new subdivision platting last week."

Peter Gabbert, chairman of the Stein recall committee, said Stein's call for the platting moratorium was a direct result of their campaign. "He's like a speeder who's decided

to slow down after getting a speeding ticket."

The petitions also charge Stein with holding secret meetings and not making the township government an open one. "I have not held any secret meetings," Stein said.

The Supervisor also said his administration is reorganizing and up grading the police force and is about to hire a new police chief.

"The board removed Greenstein as head of the police department. He was not a professional police chief."

Peter Gabbert, said he will ask the county election commission to hold one election to recall Stein, Treasurer Anne Bradley and Trustee Gene Daley, should enough signatures be gathered in the Bradley and Daley recall effort currently underway.

The co-ordinator of the Bradley and Daley recall campaign Lynn LaBell, said she agreed with Gabbert on this after talking to him.

"This township is a joke," Gabbert said, "We're the laughingstock of Michigan. I just don't think Stein is qualified to supervise."

## Vote could be held in 90 days

The recall timetable goes like this, according to a spokesman for the Wayne County Election Commission:

1. Canton Clerk John Flodin returns the validated signatures to the Recall Supervisor Harold Stein Committee, headed by Peter Gabbert and Cindy Monks. 1,251 signatures are required. (25 per cent of Canton's vote total in the last election for governor.)

2. The recallers must file the petitions with the Wayne County Election Commission which

has 15 days to ascertain that the signatures are valid. (If there are insufficient signatures, the recallers have 10 days to collect more.) Any signatures penned before 90 days prior to the filing date is invalidated.

3. After validation, the County Clerk must call an election within 60 days.

4. If the supervisor is voted out of office on the "yes" or "no" vote, the Board of Trustees appoints a new supervisor after the count board of canvassers certifies the election.

(usually within two or three days after the election.)

5. The county clerk must call a new election within five days of certification to replace the appointed supervisor. The special election must be within 60 days of this time.

Any registered voter can be appointed supervisor and run in the special election, except Stein. He can, however, run in the next regular election for the post in November 1978.

## Baby, baby, baby

The first born of Canton's Robert and Pat DeCelle turned out to be three yesterday when Pat gave birth to triplets at Oakwood Hospital in Dearborn. Nicole, Kimberly and Robert Jr., are the new additions to the DeCelle home at 43106 Devon.

LT. ROD CANNON DISPLAYS A 10-SPEED BICYCLE, and a CB radio, two of the items featured at the City Garage Sale and Police Auction, Saturday, June 11, at 9 a.m. in the Plymouth Cultural Center. (Crier photo by Brian Watkins.)

## City garage sale and auction set for June 11

The Plymouth Parks and Recreation Department, along with the Police Department will be sponsoring the Annual Community-Wide Garage Sale and Police Auction on Saturday, June 11.

The garage sale will open at 9 a.m. at the Plymouth Cultural Center. Persons wishing to sign up for the sale may do so at the Parks and Recreation office during regular business hours - Monday through Friday, 8 a.m. to 5 p.m. The fee is \$4 per day or \$6 for both

Saturday and Sunday. Tables extra.

This year, the added event will be the annual City of Plymouth Police Auction, which will start at noon on Saturday June 11. All items will be on display starting at 9 a.m. for inspection. Articles included will be more than 30 bicycles, televisions, tape recorders, C.B. radios, tape decks and other property confiscated during the year by police.

For more information, contact the Department of Parks and Recreation office at 455-6620.

In an out-of-court settlement last Wednesday, a home builder, Smokler Homes, agreed to stop building new houses in Willow Trails Subdivision in Canton. The subdivision's homeowners feared the new "cheaper" homes would lower their property values.

Michigan National Bank, the owners of the majority of the lots in the 160-lot subdivision will now option the property to a new builder, according to the attorney for the homeowners, Peter Bundarin.

He said he argued that the original subdivision building agreement, prevented Smokler from building less expensive houses.

Canton Supervisor Harold Stein was displeased about the ruling. "They drove a good builder out of this community. If this is kept up, do you know what kind of people will be building homes in Canton? People who build homes out of the back of their car."

The houses Smokler was building in Willow Trail were "crackerboxes," Bundarin said. "If Stein feels we drove a good builder out of Canton then he has no more right to be supervisor than the man in the moon."

Stein said Smokler had agreed earlier to not build one model that the homeowners complained about. "They had a legal right to build those houses," he said.

He said it would be impossible to build a balanced community of business and industry as well as homeowners, if the businesses such as Hudson's were scared away by anti-growth residents.

# School candidates to discuss issues tonight

The three candidates running for the single Plymouth-Canton School Board seat, will meet face to face tonight to debate the issues in the race.

Arlene Calahan, Steve Harper and Mary Jane Mulaski will appear at tonight's League of Women Voters forum starting at

8 p.m. at Gallimore Elementary School on Sheldon Road just south of Joy Road.

The program will include brief presentations by each candidate followed by questions posed to the candidates by audience members.

In today's Crier on Pg. 4, the

three hopefuls; who are vying for a four-year term, are up for election June 13, answered these questions posed by the LWV:

\* What importance do you place on citizens committees? Specify how you would utilize information from a citizens committee?

\* Are there any areas of the present budget you would like to see trimmed? If additional budget cuts were necessary, where specifically would you make them?

\* Would you propose any changes in the scheduling at the high schools?

\* How would you order priorities in programming? Would you make any changes in the programs offered by the district?

\* What qualifications do you feel you have that would make you a desirable school board member?

## Canton Fair starts next Tuesday

It's Canton Fair time.

On Tuesday, the Canton Fair will open, featuring games, rides, booths, a dunk tank and much more.

Sponsored by the Canton Jaycees, the fair at Ford and Lilley Rds. will run through Sunday, June 12.

The Canton Chamber of Commerce will have an 80 foot tent with local merchants and service

organizations selling wares and running games.

Also featured will be a dunk tank sponsored by the Centennial C.B. Club. "Papa Joe" (Joseph Caloia) said people can get a shot at "the C.Bers who've been stepping on their TV sets all year." Friday night, Wayne County Sheriff Deputies will man the tank.

The Canton Jaycettes will be

running a general store and a bake-off, and more than 20 rides will be on the fair grounds.

Proceeds will go to the Jaycee's scholarship fund and hopefully a nature trail at Hulsing School, said Tom Salapatek, chairman of the Jaycee's fair committee.

The fair's hours will be 5 to 11 p.m., Tuesday through Thursday, and 1 p.m. through 11 p.m. Friday through Sunday.

## Twp. eyes separate sewer plan

BY SUSAN NICHOLAS

The Plymouth Township Board of Trustees approved the concept of an independent sewer authority last week.

The board's action was on a resolution designed to show support for a new Huron Valley Wastewater System Authority.

Canton Township Supervisor, Harold Stein, is the chairman of the Huron Valley Development Committee. Presently, the committee is seeking support from area governments for the idea of a new authority.

Trustee Maurice Breen was concerned about the contracts the township has with the county.

"The one question posed as far as Plymouth Township is concerned is what are our contractual obligations?" said Breen.

"Personally, while I have no objections to exploring the possibility of a new authority, I am opposed to our joining a new authority until we know all the problems we might face therein."

Trustee Richard Gornick fa-

vored the idea of separate authority.

"I don't have the same trepidation Mr. Breen has, particularly when we're only being asked to endorse the concept, not join it," Gornick said. "I, for one, am tired of being threatened and cajoled by the county. I endorse this independence business particularly when it tells the county we

## County to sell Sheldon site

The unused Wayne County Child Development Center at Sheldon and Five Mile Roads - eyed as a prison site by the state - will probably be put on the block Thursday.

By a 4-1 vote Tuesday afternoon, the Wayne County Public Works Committee passed an emergency resolution to sell the property by bidding on July 19. The committee's resolution goes to the full county board Thursday and approval is expected.

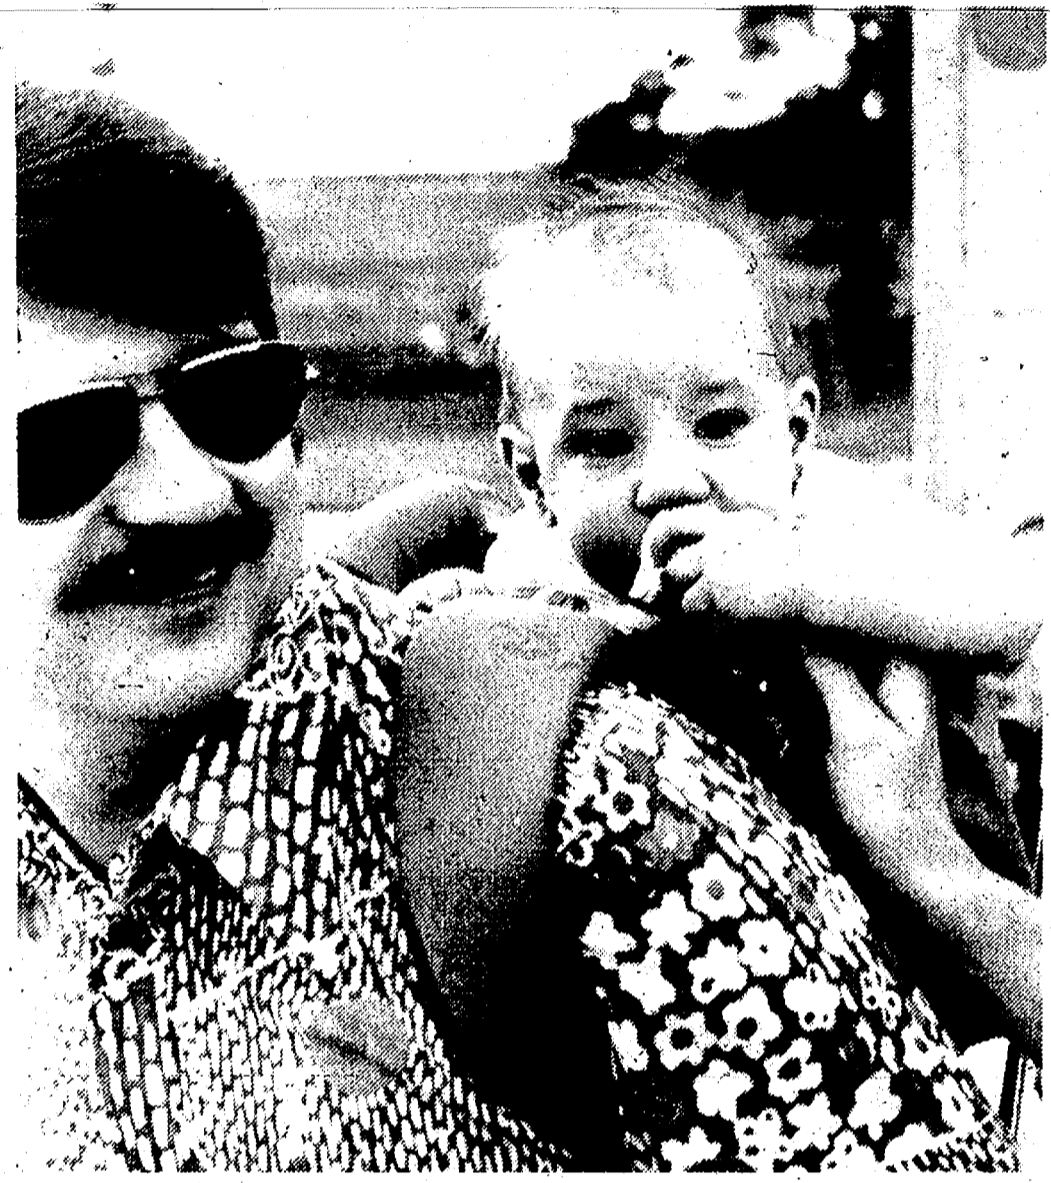

mean business."

Breen then said the township could act on its own.

"I think there is stronger action Plymouth Township can take on its own," said Breen. "For one, we can refuse to sign the sewage rate hikes they send us. Second, we can investigate the threats that have been sent to us over the signature of Coleman Young threatening to cut off the flow from Detroit. We have a contract for that and maybe we could investigate suing them for breach of contract."

The resolution then passed by a voice vote, but afterwards, Breen again raised the contracts question.

"What everybody seems to forget is that we have certain, contractual obligations with the City of Detroit which go back to 1960," said Breen. "Passing resolutions isn't going to do you any good if they (Wayne County) are within the law. The question is, 'Have they violated a contract?'"

1st cone marks 150th

PLYMOUTH TOWNSHIP'S 150th birthday party last week was a big hit for six-month old Scott Salla whose folks, Hank and Kathy Salla of 6763 Devonshire, bought him one of the 10 cent ice cream cones - his first ever. Some 300 persons (based on the number of cones used) attended the event at the township's recreation site. (Crier photo by W. Edward Wendover.)

## Jaycees seek funds for 4th fireworks

The Plymouth Jaycees need contributions for their parade and fireworks display coming on the Fourth of July.

Anyone giving \$200 or more will receive an engraved plaque, and each contribution will be acknowledged weekly in alphabetical order in The Community Crier.

The Jaycees' goal for both the parade and fireworks is \$4,400 to \$5,000.

Funds are welcome from industry, professionals, retailers, and residents. As a last resort, the Jaycees say, money will be solicited from those attending the display.

For more information call, Jaycee President Jim Picard at 455-4781.

## Bradley, Daley recall rolling

A petition effort to recall Canton Treasurer Anne Bradley and Trustee Eugene Daley is in full swing, according to Lynn LaBell, leader of the drive.

More than 600 signatures have already been collected, she said.

Both Bradley and Daley are part of Supervisor Harold Stein's slate. Opponents of Stein handed in recall petitions with 72 signatures against him last

week, virtually assuring them of an election to vote on Stein's recall. They only need 31 valid signatures more to force a recall election.

"The response has been overwhelming," LaBell said. "I would guess over 90 per cent of the people we ask, sign."

LaBell also needs 1,251 signatures on each petition for an election to recall Bradley and Daley.

## Polka at Gallimore

was sponsored by the Plymouth Community Arts Council. (Crier photo by Brian Watkins).

# School hopefuls discuss budget, modular

## Harper

What importance do you place on citizens committees? Specify how you would utilize information from a citizens committee?

Citizen participation of all types including committees is vital to successful operation of schools. I strongly advocate more of it and would require that the Board work in full partnership with committees to find solutions to our problems. Board should take committee recommendations as presented or work with the committee to modify recommendations that may not be workable. Board should never ignore or arbitrarily

change recommendations of any committee.

Are there any areas of the present budget you would like to see trimmed? If additional budget cuts were necessary, where specifically would you make them?

The 1976-77 school year is virtually over and it is not possible at this time to make any significant changes in the budget. For 1977-78, however, I recommend we thoroughly examine the expensive consulting and support services that we purchase from the Intermediate School District, Westinghouse Learning, Ecotran, various universities, etc., to see if we are really getting our money's worth. In the area of educational programs, we must carefully evaluate all of them and scrap the failures. The staff and funds saved must be reallocated to expand successful, effective programs and to handle our continued growth. If forced to cut the budget significantly, I favor shortening the school day.

Would you propose any changes in the scheduling at the high schools?

It is essential that we provide more real, meaningful educational options and alternatives so we can meet the needs of all students at the Park. We must continue to offer the present programs for those students who can use them effectively. But we must recognize the needs of all the other students at the Park and start offering real programs to meet their needs also.

How would you order priorities in programming? Would you make any changes in the programs offered by the district?

Most important is a firm foundation in the basics. Next are the survival skills necessary for living in our complex society. Our programs need more vertical integration between the elementary, middle, and high school levels. At each level we need more district-wide uniformity to minimize disruptions as students move between schools because of attendance boundary changes, intra-district household moves, and opting out to take advantage of other educational options and alternatives. We must also offer more specialized programs to meet the needs of all of our students, some of whom we do not now serve adequately or, in some cases, at all.

What qualifications do you feel you have that would make you a desirable school board member?

I am an active, dedicated volunteer working for the improvement of our schools. I have a thorough understanding of their operation at all levels - their strengths and weaknesses. I have experience in the management of large, complex organizations and how to improve them. I have spent my career practicing the same kind of team planning, decision-making, and directing required of an effective board member. I have a positive, constructive outlook on the problems that confront us: a desire to unify the Board, restore the confidence of the community, and give our kids the best education anywhere.

## Calahan

What importance do you place on citizens committees? Specify how you would utilize information from a citizens committee?

Citizen committees that are representative of the community are the leading edge of citizen opinion and this opinion should be of primary importance in the decision-making process of administration and the board. Citizen committee's should report directly to the board, with the committee chairman given a list of recommendations and minority reports, if any. If administration and the board should choose not to follow committee recommendations, the stated reason's should be reported to the committee and the people of the district.

Are there any areas of the present budget you would like to see trimmed? If additional budget cuts were necessary, where specifically would you make them?

There are always areas in the budget that can be trimmed, starting with the areas of non-essential instruction. Most important to a good school system is a strong elementary program, therefore any necessary budget cuts would have to start at the top and filter down.

Would you propose any changes in the scheduling at the high schools?

We should continue to offer both modular and traditional scheduling at the high school, however, we need tighter controls on modular scheduling and we must offer a viable, workable program for those students and parents who desire a traditional schedule in grades 9 thru 12.

How would you order priorities in programming? Would you make any changes in the programs offered by the district?

Teaching of basics is number one. When students have mastered the basics programmed enrichment would be added as time and money allowed. We don't need any sweeping changes, but we do need educational equity across the district, and programs that have the ability to meet the changing needs of students and their parents. We should not change programs for experimental reasons or because someone things something new or different is automatically better. Any problem changes must have proven long term value.

What qualifications do you feel you have that would make you a desirable school board member?

I have been an interested active, and informed parent since we moved to this community some five and a half years ago. I come from the system as a parent, taxpayer, and an involved continuing member of the P.T.O., as a school volunteer, a millage campaign worker and a member of various district-wide school committee's. I believe I have a good dose of common sense and the ability to look at problems in perspective. I have the experience of working closely with the children, teachers, parents and taxpayer's of this district and I believe I can represent their concerns.

## Mulaski

What importance do you place on citizens committees? Specify how you would utilize information from a citizens committee?

Citizens Committees are very important. We must have community involvement with the schools. However, many times it has been frustrating for the members to spend many hours working on a committee only to

find that their results were ignored, or barely utilized. We must be sensitive to community input. Education is too important to be left solely to educators. Information presented by citizens committees should be used to guide board deliberation and board votes.

Are there any areas of the present budget you would like to see trimmed? If additional budget cuts were necessary, where specifically would you make them?

I believe that by utilizing a central kitchen to supply hot quality lunches to the elementary and middle schools we could eliminate costly duplication of expensive equipment, space and personnel. There is room at Central School for such a kitchen, and it is adjacent to the food warehouse which already supplies the district. We should upgrade our present buildings to reduce energy waste. A building can lose 20 percent of its energy by improperly maintained equipment. In the future, schools should be built with energy savings in mind. Research should be done on federal money now available to build solar energy facilities, such as in the Taylor district. If each school's PTO were able to help purchase school supplies, maybe a partial cut could be made in this area.

Would you propose any changes in the scheduling at the high schools?

I think modular scheduling is a great opportunity for the students, but must be more controlled and better supervised. I also favor evaluating the present curriculum with an eye toward a better balance between the modular and traditional schedule. I think we should further consider the possibility of a small, separate, alternative high school.

How would you order priorities in programming? Would you make any changes in the programs offered by the district?

I feel strongly that we must find the needs of the students, then try to meet them. We must strive towards a program that meets needs of all students, the gifted, retarded, and emotionally impaired. Set the priorities on what the students are lacking. This may not be the same in each school in our district, or even in each classroom. I would like to see reading management, math skill builders, and more individualized education. We must teach each child for a successful program.

What qualifications do you feel you have that would make you a desirable school board member?

My most important qualifications are that I am concerned, I am a parent, I have a good education, an open mind, and I am ready and willing to work. I have spent lots of time with kids in the schools and I care about them getting the best education possible. I feel I could add fresh input and a new perspective.

# New Morning holding auction

A gala country auction to benefit New Morning School will be held Sunday, June 5 at 4 p.m. in the Mayflower Meeting-house, 455 S. Main, Plymouth.

Going on the auction block will be a variety of utilitarian, off-beat and collector's items. Car tune-ups, salami, an antique feather duster, a day sailing

on a yacht, a weekend at the Detroit Plaza and celebrity dinners are among the many items up for bids. Crier Curiosities will also be auctioned off.

Collectors and connoisseurs will have the opportunity to purchase works by several outstanding artists and craftsmen: \*a handcrafted fireplace wood-

box of native butternut, donated by a cabinet-maker Dave Catton of Made in the Shade.

\*a covered jar created by nationally acclaimed Farmington potter John Glick donated by the artist

\*"Painter's Place" an oil painting by award winning Northville artist Caroline Dumphy donated by the artist

\*"Night Bird" a brilliantly colored serigraph by Arthur Secundo donated by Plymouth House Galleries

\*"Shoal Bay" a water color by Eric Carne donated by the Old Village Gallery of Plymouth.

A fresh summer salad, hot french rolls and lemonade will be served. Advance tickets are required, Admission charge is \$3.50. For further information please call, 349-1742.

All proceeds from the sale will help support New Morning School, a state accredited elementary and middle school. The school offers individualized experimental programs to children from nine metropolitan Detroit communities.

BIBS N' BASSINETS will be some of the items featured when the Plymouth LaLeche League holds a Garage Sale this weekend at 47048 Irongate, Canton, all day Friday and Saturday. Here, Joan Klaas diapers her daughter Bethanie while Alex Stchekine and his sister Ericka play with a stuffed snake. (Crier photo by Brian Watkins).

# Community Opinions

THE COMMUNITY CRIER: June 1, 1977

## Fall Fest faults can be solved if we all help

What are the answers to the growing concerns with the annual Fall Festival?

The Festival board of directors has been searching for those answers but, thus far, have found no major solutions.

One problem encountered by the Festival's administration last year was the attitude of Cantonites towards the "Plymouth" Fall Festival. This problem faces us in many ways besides the Festival of course, but the solution for the board is the same as others have used - call it the Plymouth-Canton Fall Festival.

While this recognizes the individual nature of each area, it recognizes that the community is made up of two major parts. The Festival has always been supported by the community as a whole.

The money problem is not so easily solved.

Last year the Festival ran in the red. This is in part due to the cost of many services in bygone days the Festival received for free.

To counteract this loss, the board has hiked the booth fees from \$25 to \$100 for this year's Festival. While that price is probably justifiable in relation to the expenses, it is about the most some of the non-profit groups which have booths can afford.

Along with the money problems comes the "success" dilemma which has threatened many community events elsewhere (like the Ann Arbor Art Fair for instance.)

The past half dozen years have seen the Fall Festival mushroom.

At some point, just as we wonder about the community at large, we wonder if this growth detracts from the quality of the event?

As originally inspired, the Festival would be arty, with little or no carnival atmosphere. But as the greater number of volunteer groups tried to make a buck off the Fest, it soon became clear that there is more money to be made from kiddie rides than from selling kazoo's.

This problem will become more acute as the Festival fees get higher.

One solution is to have some booths set aside for non-electric use (except perhaps a string of lights). This would eliminate

one major cost factor in setting up booths.

Additionally, the Festival must be better run. This is not to slam those who have given so freely of their time in the past. But last year the Festival folks complained that the groups weren't turning in their money on time. No business which sells on credit (in effect this is what the Festival is doing) can expect to sit back and wait for the checks to come in. The board's criticism of the groups' tardiness must be seen also as a criticism of itself.

Follow up, once the Festival is running, has been the Festival's problem for some time. The manager cannot be expected to provide that service - he's too busy worrying about the yellow jackets in Kellogg Park during the Festival.

The board must itself pay more attention to follow up.

Another problem with the Festival (related to the last one) is its entire structuring. How can a group comprised only of major service club members expect to police the service clubs without tripping over each others' toes? Broader representation is required.

Every year, almost without question, the streets of the city are turned over to the Festival. The benefit to the community is tremendous. It's just a darn good time.

Can't the city, the township, Canton and the school district find room in the budgets to provide some in kind help to the one event which draws thousands to our community? Certainly the city could stand the cost of the rubbish pickup, the township could supply a little labor to help set things up, etc.

The local governmental units must pitch in too.

But first the Festival board must attack those internal problems which it says it has.

No problem is insurmountable - but if not tackled quickly, problems get out of hand. The service groups which realize gain from the Festival have a stake in this too and they should make their feelings known.

Let's get Fall Festival into shape.

W. EDWARD WENDOVER

Expensive facilities are there

## Schools must face music, split CEP band into 2 parts

Sooner or later the Plymouth-Canton School District is going to run out of excuses and have to face the music.

While the band program at Salem and Canton High Schools has been an emotional issue, there are no longer any valid reasons for not having separate programs for each high school.

Before Phase III of Canton was open, the music men said there was inadequate facilities. Prior to that, they complained that

there weren't enough trombones at Canton or too many drummers at Salem to split up the band into two equal parts.

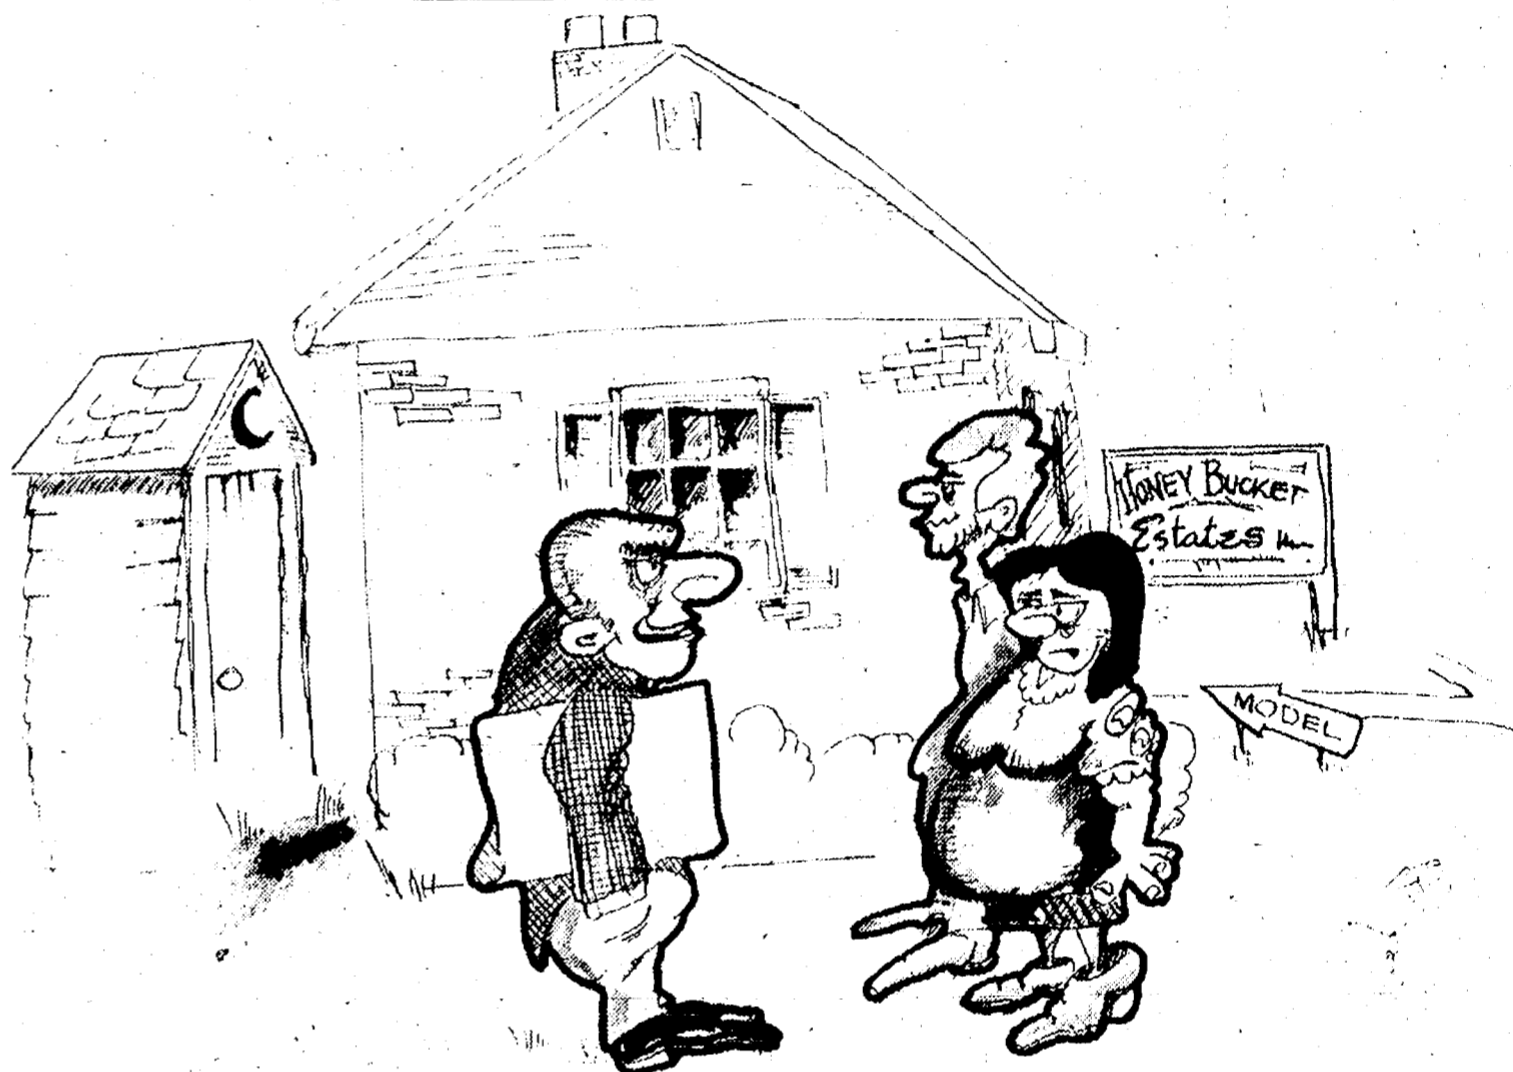

Even the sports department didn't use that excuse about quarterbacks when the athletic teams were split. Of course the state athletic association required that split, so the school board couldn't drag its feet there.

Now is the time for the school board to get moving. It must

realize that while the educational park concept allows great flexibility in shared facilities, it still requires some identity for each school and a band is an integral part of a school spirit.

The school board has been run by the music department long enough. It's time to justify having spent all the money for music facilities at Canton High. Let's have two bands!

'As the builder, I can assure you there are no sewer capacity problems with this house'

Principal still maintains

## Student edit inappropriate

EDITOR:

May I thank you for your fair coverage of the recent censorship issue.

I must call to your attention the fact that you misquoted me in your May 18th article entitled, "Board Votes 4 - 2 to Let

Censored Student's Editorial Run." You quoted me as saying, "... my act in screening it was inappropriate..."

At no time did I say that my act was inappropriate. I did say the article, in my judgement, was inappropriate for a high

school newspaper. I still believe this.

The fact that the article will (and has) been printed does not change my mind. I believe in Tom O'Callaghan's objective; I disagree with his method of attempting to achieve it.

Unfortunately the courts do not allow a high school principal to screen out articles such as this; perhaps an editorial board is the answer.

My action can best be described in a quote by Howard Hurwitz, Principal of Long Island High School, New York who states, "The principal who anticipates that disruption will follow, or that the borders of decency will be violated by a student publication, should act to prevent such publications."

I was pleased with the mature actions of editor Chris Morin and the writer of the story, Tom O'Callaghan. I feel they dealt with the situation in an acceptable manner. I also wish to thank the many parents who have written or spoken to me in support of my action.

KENT A. BUIKEMA  
Principal, Canton High

# City Police handled stray dog problem cruelly

EDITOR:

On Tuesday, May 24 the Plymouth Police shot a stray dog on Main Street near Daly's restaurant.

That was bad enough in itself - but they did not kill the dog, he got up and ran bleeding and foaming at the mouth down Simpson and Ross Street leaving blood on sidewalks, porches and neighboring houses.

They finally (the neighbors - not the police) found the dog

## Community opinions

laying dead at the entrance of Smith School - - not only was that an extremely cruel act - - but what would have happened if my nine-year-old or someone else's child would have tried to pet that dog - in pain, with a

bullet in him - before he died.

Last year they (the police) also shot a cat on Ross Street not knowing whether they killed the cat or not.

What's wrong with our police when they can do something like this and nobody seems to care.

I just wish us Animal Lovers would get together and tell the Plymouth Police what we think of such a cruel act.

MRS. SHIRLEY McCAIN

## Recall has no substance

EDITOR:

In answer to Mrs. Martha E. Miller's letter in The Crier of May 25 which was in answer to my letter in The Crier of May 4.

Sorry, Mrs. Miller, but I wasn't

and am not now, as you claim, an 'obvious biased Stein supporter'. For the record I supported and voted for, Peter Bundarin... the gentleman you mention as the recall leader. However, I in no way support Mr. Bundar-

in's recall efforts nor yours, an apparent Greenstein supporter, and repeat that should enough signatures be found to force a recall vote, I will work for the re-election of Harold Stein so that he can finish the term he legally won in November. Again, I have never met nor have I ever spoke to Mr. Stein.

Your letter indicated you have no love for Mr. Dingledey. In my opinion Mr. Dingledey, his trustees, and his planning commission did an excellent job in an area that experienced an unbelievable growth in a very short time. (I was a Planning Commissioner for approximately six months and can take no credit... good or bad.)

If Mr. Dingledey and the original Canton residents had not done such a good job, I wouldn't have the pleasure of living here and might still be in Northwest Detroit where I came from. How about you, Mrs. Miller? The idea seems to be that now that we are out here enjoying the rural life, let's keep it to ourselves. I'm glad those original Canton people didn't feel that way. The Courts do not feel that way either!

One more item... As a member of the Canton Planning Commission in 1974, I attended together with Township Officials from all over Southern Michigan, a Michigan Township Meeting in Ann Arbor. In two instances at that meeting Canton officials were complemented for their efforts in preparing the land for the influx of homeowners... like you and me, Mrs. Miller. Another item at that meeting... An official from another township asked the attorney that was conducting a seminar on the legal problems of townships, how townships could stop growth.

The answer was loud and clear. "YOU CAN'T... it's against the law". He stated you might be able to stop it for a little while, but it would only be temporary and the cost (to the residents like you and me, Mrs. Miller) would be great.

Sorry Mrs. Miller, but your letter has not changed my mind. I oppose the recall because it has no substance. How about changing your mind and begin to think positive about helping the elected officials do what they were elected to do. How can you help as a member of the grassroots? For starters how about leaving them alone and letting them do the job they were elected to do?

ROBERT J. SHEFFERLY

## Schools may need PCJAA

### offer some day

Let's hope that the Plymouth-Canton School Board remembers the generous offer it unani- mously rejected from the Junior Athletic Assoc. to handle sev- enth grade basketball and foot- ball.

When the budget going gets tough, as it is sure to do sooner or later, the schools would do well to let the PCJAA take over as many school programs as it can accommodate.

Our community's junior sports programs is one of the finest to be found and its philosophy -- that all youths interested in partic- ipating should play -- better suits the needs of middle school

sports than the current varsity tryout system.

While the state athletic associ- ation stipulates many of the rules for our schools athletics, (and some of the rules are great ones), middle school sports are not best played only to win. At the high school level, it's a different story.

Schools need to provide physi- cal education, yes. But they don't need to provide a varsity- type program in the middle schools when the PCJAA pro- grams (using volunteer help more effectively than the schools' paid coaches) are available.

THE COMMUNITY CRIER

## Carl: please write me

EDITOR:

Population increases, and the ever-increasing complexity of the world and issues surrounding us, require an ever-greater reliance on representative democ- racy and a continually decreas- ing emphasis on direct democ- racy. In my opinion, direct democracy is the basis for our representative form of govern- ment. I think it's a primary responsibility to encourage citi- zen involvement in governmen- tal policy.

In our 2nd District we have a very active and, in my opin- ion, knowledgeable group of citizens. We get a great deal of mail every day (30 to 50 letters is the average) on an in- credible range of topics. That's one good source of citizen in- put.

By returning home each week- end for meetings and local of- fice hours, I receive another valuable source of direct input.

But it's still not enough. At latest count I was repre- senting over 466,000 of you. And no matter how many let- ters, phone calls and direct meet- ings I schedule it's literally im- possible to talk with everyone I represent.

Over a two-year term that

would require personal meetings with 640 people per day. On a schedule of 12 hours per day, seven days a week, that would mean 53 meetings per hour or very nearly one per minute, just to hear the opinions of all citizens. And that's on top of our extensive legislative sched- ule.

All of this is by way of convinc- ing you to fill out and return to me the Congressional Policy Survey I'm now distributing throughout our 2nd District.

This is the first survey on key issues I've circulated since tak- ing office as Congressman, so it's very important to me that you fill it out and return it. This is really the only way I can get a good cross-section of opinion at one time, from the very diverse constituency in the 2nd District.

I very much want you to con- tinue to write, call and talk with me directly on important pub- lic issues. But I also consider it a vital part of direct democ- racy for you to participate in the survey now being distri- buted to the homes of you and your neighbors.

CARL PURSELL  
U.S. Representative

BOB CALOIA, CIRCUS CHAIRMAN  
OF THE PLYMOUTH TOWNSHIP FIREFIGHTERS No. 1496  
asks you to:

### SAY "YES" TO THE CALL

Within a few days your phone may ring and the pleasant voice you hear will be a member of the Plymouth Town- ship Firefighters or one of their helpers. They will be ask- ing you to help sponsor some less fortunate children in the area to their presentation of the International All-Star Circus.

### SAY "YES"

We take great pride in bringing to our area the International All-Star Circus, one of the greatest fun-filled 90 minutes ever, for your family pleasure. Additionally, we are looking forward to providing an opportunity for the less fortunate children in the area to participate - at no expense to them- selves or their schools - in the traditionally wholesome American experience of enjoying a circus performance. Your help to defray the cost of these admissions would be greatly appreciated by our organization - and more impor- tant - by hundreds of children who would not ordinarily have this opportunity.

### SO PLEASE, SAY "YES"

Just put your name on the Special Passes which will be mailed to you and return them with your check. A group of deserving children in our community can attend the circus with your compliments. The Big Show will be Monday evening, June 27th. Show place and times to be announced later.

WE THANK YOU FOR YOUR SUPPORT!!

## Local ceremonies mark Memorial Day

COMMUNITY CRIER CARRIER SUSAN SHARP (second from the left) read the poem, "Flanders Fields" at Memorial Day ceremonies in Kellogg Park Monday. Joining her is Congressman Carl Pursell (right) and Parade Marshall Gerald Olson (left).

### IN FLANDERS FIELDS

John McCrae

*In Flanders fields the poppies blow  
Between the crosses, row on row  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.*

*We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders fields.*

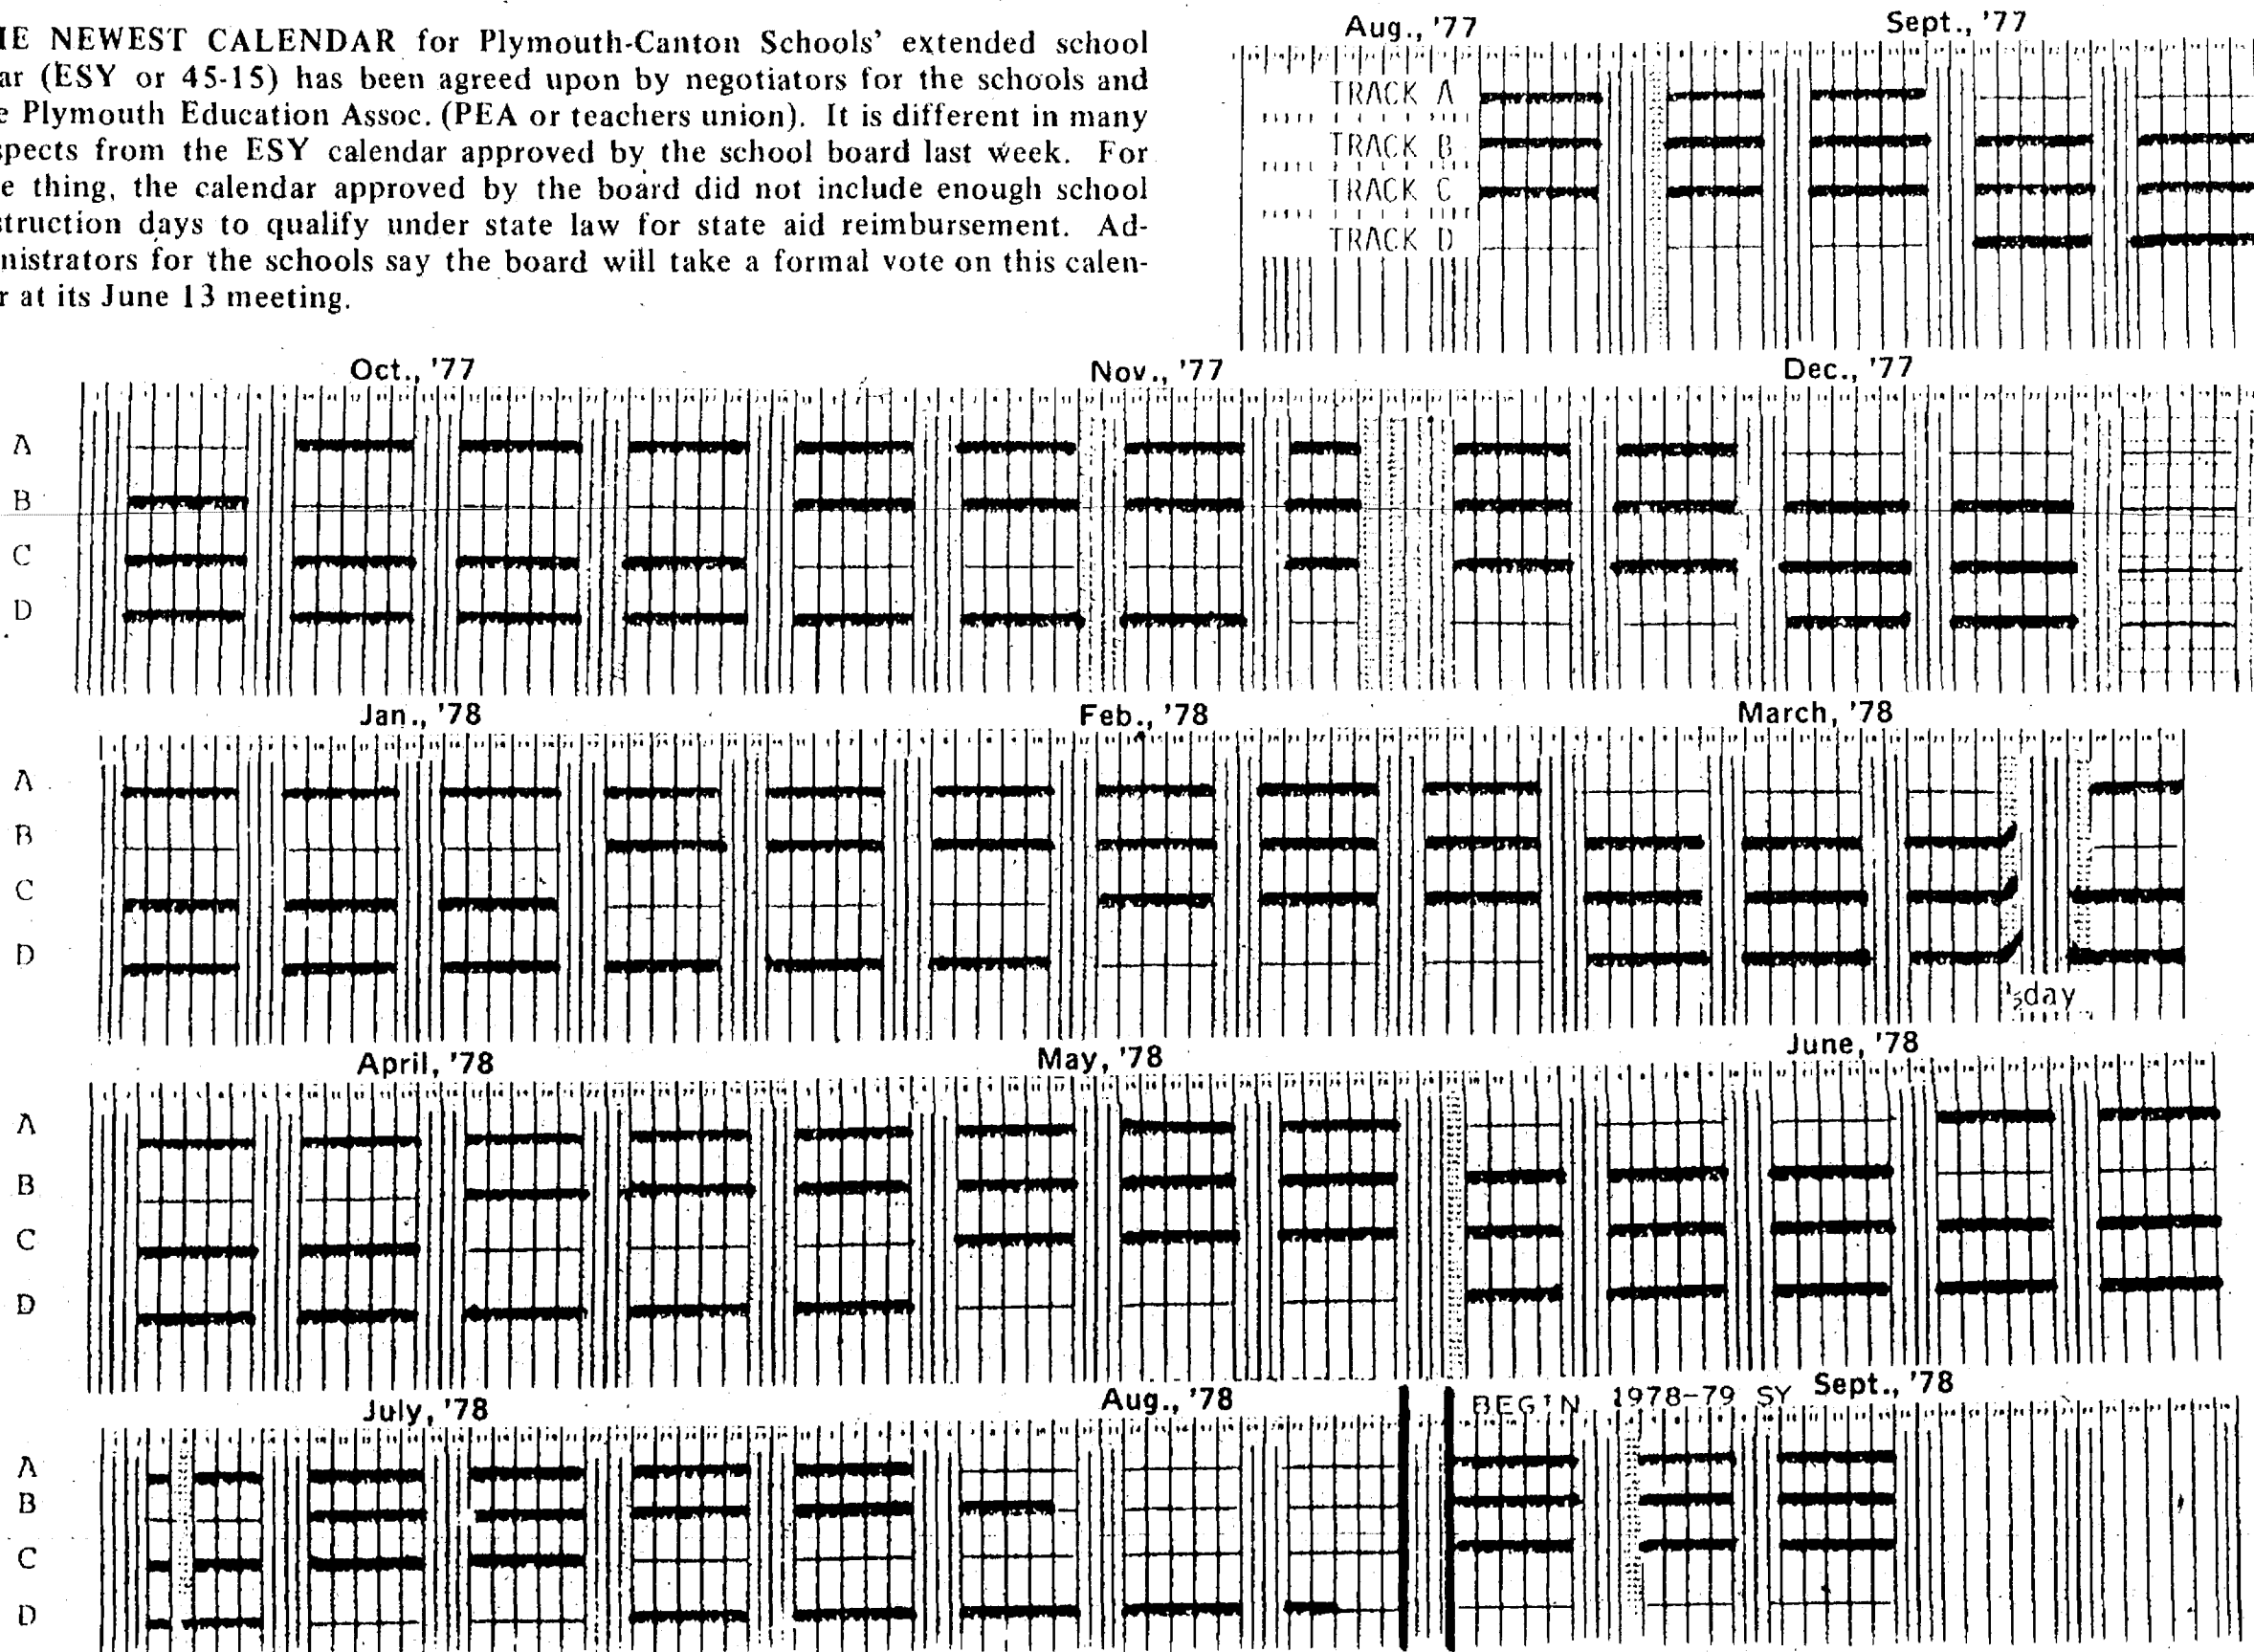

*Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.*

# Schools release latest 45-15 schedule

THE NEWEST CALENDAR for Plymouth-Canton Schools' extended school year (ESY or 45-15) has been agreed upon by negotiators for the schools and the Plymouth Education Assoc. (PEA or teachers union). It is different in many respects from the ESY calendar approved by the school board last week. For one thing, the calendar approved by the board did not include enough school instruction days to qualify under state law for state aid reimbursement. Administrators for the schools say the board will take a formal vote on this calendar at its June 13 meeting.

# Wagons, ho! -- local Girl Scouts head west

BY DAWN BOEGLER

From the moment the jet liner touches down in Jamestown, N.D., seven girls and the leaders of Plymouth Girl Scout Cadette Troup 411 will take a giant step back into the past.

"The girls have worked long and hard all year for this trip," said JoEllen Odom. "Many of them have earned as much as \$175 toward the \$250 fee required for the Fort Seward

Wagon Train Trip coming up June 18 - 25.

"We held our cookie, calendar, geranium and garage sales in addition to a number of service projects and the babysitting and other money-making projects they did on their own."

Four - ninth graders and three - seventh graders and their Scout co-leaders, Mrs. Odom and Carol Scruggs will

don bonnets and long skirts to travel by foot, horse or wagon for the colorful trip to Big Rock River. Included in the trip is a chuck wagon and a long list of restrictions - preventing anyone from bringing the world of the 70's back into the late 1800's to spoil the spirit of the pioneer trip.

"We have received some criticism because of the expense of the trip," said Mrs. Odom.

## the Crier's friends & neighbors

"But going by air from Detroit to North Dakota is the most costly part of the adventure.

"But we've received a great deal of support too, from the community, parents and our sponsors, The Smith Parent-Faculty Organization.

"Imagine campfires, chopping wood so you can eat, sing-alongs in the open prairie, sleeping under the stars ("No school" chirped some of the girls) and stealing yourself away from television; radio, phones ringing, traffic, sirens and modern-day confusion," sighed Mrs. Odom.

Imagine yourself dressed in the latest styles of 1870 - breakfast eaten, gear packed and camp broken before the sun peaks up over the hills. Can you see the wagons stringing

out before you in a jagged line, surrounded by nature's undisturbed splendor?

"This wagon train started out as a one-time thing back in 1969 by a group of farmers who wanted to preserve the natural beauty and history of their land. They received such an overwhelming response and sense of accomplishment, they do it every year now and without financial compensation," said Mrs. Odom.

Picture the sunset, the cool breezes and the crickets.

"Once we leave Jamestown and head-out toward Big Rock River," said Mrs. Odom, "We leave modern civilization and conveniences behind. We expect it to be a fun, exhilarating, teaching experience none of us will ever forget."

# Memorial Day summons forth summer

Memorial Day means many things to many people. It is a day to remember those who have died while fighting for the freedom of this country. It is also the real beginning of summer - the weekend to open up the cottage and haul out the picnic basket. One of the most popular ways of spending the holiday if you're not on the beach or on the roads, is in your own back yard digging up the dirt and watching the worms burrow through as you plant the seeds that will (hopefully) one day be vegetables and flowers.

Through the local news wires, we hear that the birthday party of Donald R. Bidwell was a real blowout (with 50 candles what do you expect?) Many friends and family gathered out by the pond for a great barbeque. A belated Happy Birthday Don - hope you enjoyed your cool, refreshing dip in the pond. By the way, if you need any help in retaliation against a certain son-in-law who has a birthday coming up, just let us know.

With graduation fast approaching, many area seniors are making final plans for next fall, and scholarships play a big part in those plans for the future.

Congratulations to Kathleen McKenna of Hanford Road in Canton on receiving the Canton Newcomers Scholarship. Kathleen will be attending Michigan State University this fall, majoring in veterinary medicine. The scholarship will be presented today (June 1) at the Newcomers luncheon.

Karen Rosner of Provincial in Canton, received the Russell Isbister Memorial Scholarship Award at Plymouth Salem High School. As a senior majoring in the field of education, Karen received the award from the Plymouth Education Association. Karen plans to have a career working with the mentally handicapped.

Karen Gould of Greenbriar in Plymouth received the Russell Isbister Memorial Scholarship Award at Plymouth Canton High School. The Plymouth Education Association presented the award to Karen who hopes to work with emotionally disturbed children.

Kristin Joann Schubert of Gov. Bradford in Plymouth has been selected to receive a March of Dimes Health Careers Award in the field of Speech-Audiology.

Congratulations to Mr. and Mrs. Kenneth Dersey of Dewey Street in Plymouth on the birth of their son, Paul Kenneth. Paul was born May 16, and welcomed into the family by his sister Marisa. The proud grandparents are Mr. and Mrs. Paul McKelvey, Mrs. Esther McKinner, and Mrs. Bryan Dersey.

The Motor City Speakeasy Toastmasters Club held their annual Ladies night recently at The Ramada Inn. Following dinner, the group went to United Airlines for a tour of a DC-10. Their host Don Merton showed them the interior, exterior and computer systems. Also hosting the tour were a DC-10 captain, hostess, chief mechanic and flight crew. The club meets every second and fourth Monday and visitors are welcome. For more information call Harry Wheaton at 642-8385.

Mad and Mellow, a local singing group, are looking for someone to sing harmony with them. The group started last year with a few girls who like to sing just for fun. Anyone interested in

## tell it to Phyllis

Call 453-6900 Or write 572 S. Harvey

having a good time singing may call Becky Winnie at 981-2214.

The Plymouth Theater Guild has announced their new board members for the 1977-78 theatrical season. They are: President, Don Watkins; Vice President, Patricia Bray; Corresponding Secretary, Thomas Hinks; Recording Secretary, Dale Feldpausch; Treasurer, Richard Brown; Membership, Carole McNulty; Publicity, Robyn McLean; Script Committee, Cynthia Richards; and House Committee Thelma Parrish. Congratulations to the new board and "Break a Leg" for the best season ever.

New officers recently elected in the Plymouth Welcome Wagon Club are Lucille Ling, 1st Vice President; Linda Nixon, 2nd Vice President; Audrey Brumbaugh, recording Secretary; Geraldine Brownlie, Corresponding Secretary; Charlotte Leicht, Treasurer; Linda Nicolin, Historian.

## 'What's Happenings' move

Starting this week, the Community Crier's 'What's Happenings' calendar of local events will be found on Pgs. 12 and 13.

This change in location is being made to accommodate the frequent overwhelming reader response to The Crier's 'Opinion' section which will continue to begin on Pg. 6 and run as many pages as necessary.

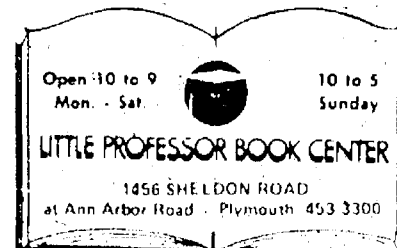

Unless special sections warrant major changes in any particular edition of The Crier, readers will find: 'Opinions' starting on Pg. 6, 'Friends and Neighbors' starting on Pg. 10, 'What's Happening' on Pgs. 12 and 13 and 'Sports' preceding Crier Classifieds in the back of the paper.

When special events force a rearrangement of these loca-

tions, an index will be provided on the front page for our readers' convenience and to help The Crier staff figure out where everything should go.

## Tales out of school

News from Salem and Canton High Schools  
BY SANDY HAWLEY

Besides the change in modular scheduling next year, there will be a few more changes at Centennial Educational Park.

Among these, will be the current form of STP (Student Teacher Planning).

Students will be having some form of STP. A study committee appointed by the Board of Education is currently studying what form of STP that will be used to help make students more accountable for their time.

Canton Principal, Ken Buikema, said "We're going to try to get students out of the halls, they're going to have to be some-pace."

One of the ways this might be done is, instead of filling out a weekly STP, students would fill out one for a marking period or semester. Also, for juniors and seniors, whether on a structured or open-mod scheduling, would determine what kind of an STP form you fill out. The same criteria would be used for freshmen and sophomores, to determine if they will be on a traditional or a modular schedule.

If you are on a structured modular scheduling, and fill out your STP form that you'll be in the English Resource Center at a certain time, you have to be there at that time for that marking period or semester. It would be like a classroom because there would be a class list.

Another change taking place next year is no vending machines and, possibly, no penny candy sold in the Rock Shop or Canton Cannery.

The main reasons for this is because of the "mess that it causes and concern based on some of the things Mrs. Barb Masters is doing with the group (The Independent Study Nutrition Project), says Buikema.

There will be two new sports for girls next year, the Girl's Gymnastics Team and ninth grade basketball. We have a girls gymnastics club now, but they don't regularly compete against other schools. The main reason for having a girls gymnastics team would be so they can compete regularly.

There is a proposal to the Board of Education to begin, over a period of a few years, to split the bands at the lower levels. How it would work is there would be one Centennial Park Symphony Band made up of band members from both schools, a Canton and Salem Varsity and Concert Band, and marching bands from both schools. The marching bands would be able to play as one on occasions, such as homecomings and holidays.

The Chorus Departments of both schools will be making a similar change. There will be one Concert Choir that will perform together on occasions. The rest of the groups would be left as they are now.

Says Buikema, "When our kids are going into state competition they're not rating as well as others because they don't have as many voices." According to Buikema, the directors feel "there is value to being able to have a larger group."

REV. & MRS. FRANK SMITH

## Community deaths

### Isbell

Lawrence N. Isbell, 74, of Plymouth Township, died May 25, at home. Funeral services were held in the Ross B. Northrup Funeral Home, Northville, with the Detroit Commandery of the Number One Knights Templar officiating. Burial was in Acacia Park Cemetery, Birmingham.

Mr. Isbell is survived by his wife, Bettie.

He was a retired safety engineer with Woodall Industries. He was also a member of Palestine Lodge No. 357 F & M, a past high priest with Palestine Chapter No. 159 R.A.M., and the Detroit Commandery of the Number One Knights Templar.

### Wilson

Helen M. Wilson, 71, of Detroit, formerly of this area, died May 28, in Mt. Sinai Hospital Detroit. Funeral services were held in the Schrader Funeral Home with the Rev. Larry L. Lewis officiating. Burial was in Riverside Cemetery, Plymouth.

Mrs. Wilson is survived by daughters Joanne Derva of Detroit and Carol Cable of Grand Rapids, and eight grandchildren.

She was a member of the Ver-green Presbyterian Church, Detroit, and the Mabel Rebekah Lodge Number 44.

### Tritten

Bernice Tritten, 69, of 41940 E. Ann Arbor Trail, Plymouth Township, died May 22 at home. Funeral services were held in the Terwilliger Funeral Home, Kaleva. Burial was in Corfu Cemetery, Manistee Co.

Mrs. Tritten is survived by two sisters, Mrs. Lucrein Conistable of Goliath Bay, Ont., and Mrs. Katherine Wilson of Sault Ste. Marie, Ont.

She worked in manufacturing.

### Mecklenburg

George F. Mecklenburg, 72, of 11217 Southworth, Plymouth Township, died May 21 at St. Joseph Mercy Hospital in Ann Arbor. Funeral services were held in Schrader Funeral Home with the Rev. William A. Tirrer officiating. Burial was in Oakland Hills Cemetery.

Mr. Mecklenburg is survived by his wife, Margaret, sons George of Brighton and Russell of Northville; a daughter, Mrs. Beatrice Marks of Fountain; a stepson, Fred Proctor of Livonia; a stepdaughter, Mrs. June Merlino of Livonia; sisters Mrs. A-liee Snyder of Plymouth and Miss Phyllis Mecklenburg of Canton; and a brother Fred of Canton.

He was a tool and die maker for the Ford Motor Co.

## Smiths celebrate 50th anniversary

The Rev. and Mrs. Frank B. Smith will celebrate their 50th wedding anniversary June 11, in the Calvary Baptist Church, Plymouth.

Rev. Smith retired from the active ministry in 1967. Presently, he is the Calvary associate pastor of visitation and senior adults. He also does pulpit supply work for various Detroit area churches.

Rev. and Mrs. Smith have three children - Irene Comstock of Westland, JoAnn Schultz of Warren, and Richard of Farmington Hills - and eight grandchildren.

The Smiths make their own home in Port Lambton, Ontario.

On Tuesday evenings at 7:30. Duplicate Bridge meets at the Cultural Center. Party Bridge takes place at the Cultural Center on Thursday from 1 - 4 p.m.

## PARENTS WITHOUT PARTNERS

The Plymouth-Canton Parents Without Partners Club meets on the first and third Thursdays of each month at the American Legion Hall, 888 N. Sheldon Road., Plymouth. For information call 453-9167 or 453-1873.

## LAKE POINTE FARM AND GARDEN

The Lake Pointe Branch of the Women's National Farm and Garden Assoc. will meet June 2, at 7 p.m., at the Chalet on Plymouth Rd. Branch members will enjoy cocktails and dinner for their final meeting of the year.

## ICE CREAM SOCIAL

The Salvation Army, 290 Fairground, Plymouth, will be having an ice cream social, Friday evening, June 3. The 75 cent ticket includes cake or pie, ice cream and a beverage. There will be games and entertainment. The social will begin at 6 p.m. and close at 8:30 p.m. The money which is raised will be used to pay for summer camp fees this summer. For tickets or information call 453-5464 between 9 a.m. and 2 p.m.

## FIGEL P.T.O. ICE CREAM SOCIAL

The Figel P.T.O. is having an ice cream social Monday, June 13, from 5:30 to 7:30 p.m. at the school, 39750 Joy Rd. Included in the social will be a cake and animal walk, ice cream delights, popcorn and punch. All are invited.

## RUMMAGE AND BAKE SALE

St. Colette Church, 17600 Newburgh, between Six and Seven Mile Rd., will hold a one-day only rummage and bake sale on Saturday, June 11, from 9 a.m. to 4 p.m. A bag sale will be held from 2 to 4 p.m.

## LEARN TO SING

If you are a woman who enjoys singing and you are searching for a new hobby, plan to attend a "get acquainted with Sweet Adelines" on Wed., June 1 or Wed., June 8 at 8 p.m. at Epiphany Luthern Church, 41390 Five Mile Rd, Plymouth, sponsored by We-Way-Co Chapter. Call 453-4681 or 464-8129 for more information.

## FLOWER GARDEN LUNCHEON

The Christian-Women's Club will hold a "How Does Your Garden Grow" Luncheon on Thursday, June 9, at noon in the Mayflower Meeting House. Cost of the luncheon is \$4.25. A nursery will be available at 42021 Ann Arbor Trail. For reservations call Dorothy Mowry at 453-4282 or Linda Murphy at 522-5116. Cancellations must be in by Monday, June 6. For further information call 474-6084.

## PARK ORCHESTRA AND CHOIR COMBINE

The Plymouth Centennial Park Orchestra and the Salem High School Choir will perform in concert today, in the Canton High School Little Theatre at 7:30 p.m. The groups will play two pieces by Mozart: "Allegro in C" and "Coronation Mass in C"

## PLYMOUTH GARDEN CLUB

The Plymouth Garden Club will hold a picnic on Monday, June 13, at noon at DiPonio's Saddle Ridge on Curtis Road. Members are asked to bring a table service and a plant for a plant auction. Guests are welcome. Chairmen are Mrs. Edwin Schrader and Mrs. George Schoneman.

## THE PLYMOUTH EX-NEWCOMERS

The Plymouth Ex-newcomers will meet Mon., June 6 at the Methodist Church, 45201 N. Territorial. Hospitality begins at 6:30 with dinner at 7 p.m. For reservations, call Patsy Rollins 455-4797 by May 27.

## PLYMOUTH NEWCOMERS

The Plymouth Newcomers Club is having a luncheon Thursday, June 2, at the Mayflower Meetinghouse. Hospitality begins at 11:30 a.m. with lunch at noon. For reservations call Lois DeBell, 459-9315. For babysitting call Kim Lee at 453-1289.

## SCHOOL COMMUNICATOR MEALS

The Plymouth-Canton Schools are hosting a "communicator" breakfast and lunch for those interested in learning more about school issues. The breakfast is June 2, 8 - 9 a.m., and the lunch is June 8, 12 - 1 p.m., both at the school board office, 454 S. Harvey. Call 453-0200, ext. 419 for details.

## FRANKLIN SQUARE GARAGE SALE

The Franklin Square Subdivision will hold a Super Garage Sale, June 3 and 4 from 10 a.m. until 7 p.m. A wide variety of household goods, clothing, tools, etc., have been contributed by the homeowners in the subdivision. In addition, there will be baked goods and plants for sale. The purpose of this sale is to raise funds for the development of a park and playground for the children in the subdivision. Franklin Square is located just south of Ford and east of Lilley Road.

## PLYMOUTH PATHFINDERS - IRISH HILLS

The Plymouth Pathfinders are planning a trip to the Irish Hills and Hidden Gardens on Saturday, June 25. The trip includes a visit to the Pre-Historic Forest, Myster Hill and House, the Irish Towers, Stagecoach Stop and Train Ride, Catholic Shrine, a Gun and Antique Shop, and Hidden Gardens. Cost of the trip is \$11.75. Call the Plymouth Parks and Recreation Department, 455-6620 for further information. Reservations should be made no later than June 10.

# Plymouth Hills halts exit fee until state rules

Michigan Attorney General Frank J. Kelley announced that his office has issued a "notice of intended action" under the new Consumer Protection Act to

Plymouth Hills Mobile Court, Inc., owner of Plymouth Hills Mobile Home Park, which consists of 379 lots, located in Plymouth Township.

"This company," Kelley said, "is in effect charging a \$500 exit fee to tenants who sell their mobile home to someone who wishes to leave it on the same lot. This type of practice is prohibited by direct or indirect means by the 'mobile home commission act,' which was effective January 9."

The Department of Commerce is charged with enforcing the "mobile home commission act," but was not provided with funding or staff for enforcement activities.

"While no additional funds were provided to enforce the new Consumer Protection Act, my Consumer Protection Division is actively enforcing this important new law," Kelley said.

Plymouth Hills Mobile Court, Inc., is based in Lathrup Village.

Joe Ruggirello, owner of Plymouth Hills, told the Crier, that he had requested a ruling from the state over the issue and that he did not get an answer.

In the meantime while Kelley's charges are being investigated, Ruggirello said, "We're going to respond in favor of the tenants until it can be resolved."

"(Kelley's) complaint alleges a violation of the law that has been in effect for three months," the mobile home park owner said. "We have doubt as to whether we are in violation or not."

## Lice crisis

The Our House Crisis Center, at 185 S. Harvey, will be closed this week due to a minor exposure to body lice.

According to Our House Director, William Henry, the lice were brought into the facility by a client requiring emergency services early last week.

"The entire house is not infested," states Henry, "just one room on the second floor. We are, however, taking the maximum precautions to eliminate the problem." The facility will reopen Friday evening at 6:30 p.m.

# Rocks roll, 4-3

BY CHAS. CHILD

A sparkling one-hitter in relief in Friday's 4-3 victory over John Glenn may have put pitcher Doug Holloway in the hot seat.

"I haven't made up my mind yet, but I'm definitely leaning towards starting him against Canton Saturday," his coach, Brian Gilles, said.

"He was getting his fastball and curve over. He was changing speeds very well. Their hitters were all-off balance," said Gilles.

The victory gives the Rocks the right to play crosstown (cross-CEP?) rival Canton. The big game will be played in Belleville at 10 a.m.

Salem got a quick run in the first when Bennie Wilcox grounded to the shortstop but wound up on second when the throw went wild.

Bobby Waite then grounded out to first, moving Wilcox to third. A sacrifice fly off the bat of Bobby Smith brought in the run.

John Glenn's Rockets didn't wait to come right back, though, as they jumped on starting pitcher Tom Chiatialis for three runs.

Two hits, two walks, a hit batter and a wild pitch brought Gil-

les to the mound as well as Holloway to start his brilliant hurling.

He went the rest of the way (6 1/3 innings) giving up only one hit. It might have been no hits had rightfielder Bobby Waite not lost a fly in the sun during the fourth inning.

The Rocks themselves came right back in the top of the second with two runs to tie it up.

With one out, Dave Nidzgursky tripled down the rightfield line. The smash may well have been a homer, but the ball got bogged down in the sand in right field.

Pat McKendry nullified the sand, however, with a double, scoring Nidzgursky. A single by John Lewelling brought McKendry home to tie the game.

It remained 3-3 until the sixth inning when Bobby Smith singled. Tim Lilley came in to run for him and took second on Doug Holloway's sacrifice bunt down the first base line.

Lilley moved on to third when Bruce Gerish grounded out to the second baseman. A wild pitch scored him and that was the game.

*"I'm looking into my crystal ball, darling. It's getting clearer and clearer. I see a line drive up the power alley in right, my dear. I see a swift-footed young man rounding third and heading home with the winning run. But I can't quite read his uniform darling. It says Canton. . . no, Salem. . . no, no, it's. . ."*

Our predictions

## Rocks vs. Chiefs

Chiefs: poised, powerful

BY CRAIG BRASS

There is no doubt in my mind who'll win Saturday. The Chiefs have proven time and time again that they can win under any circumstances. Anybody who picks Salem to win has rocks in their head.

Check out the facts:

\*Canton has if not the best pitching staff in the state, one of the top three.

\*The mark of any great team is the ability to come from behind and win, and the Chiefs have come from behind no less than ten times this year and can do it again.

\*Three consecutive Western Six Titles. No team has ever done this in a league considered one of the elite in the state.

\*Revenge? Salem defeated Canton two years ago in district action after Canton had been rated number one in the state. The Chiefs have not forgotten this.

\*The bench? Many players on Canton's bench could be starting for other teams. Coach Fred Crissey has no frets about going to his bench in tight situations.

Summing it up, I feel Canton's pitching is too tough for the Rocks. Everybody says Salem hitters are good, but who's been pitching against them? In high school ball you don't see the best pitchers unless you're the best team.

## the Crier Sports

### Rocks: incentive is there

BY CHAS. CHILD

Everyone knows Canton is the obvious favorite in Saturday's game right? They're 22-2 and Western Six Champs, right? All true, yes, but consider this:

\*Salem has won five out of their last six games, losing the one in the seventh inning, 3-2.

\*They will be sending seven batters to the plate with over .300 averages.

\*The Rocks are out of the running for first in their league, giving them special incentive to win in the post-season playoffs.

Now there's nothing magic about all this, but it shows that Salem is a much tougher team than its 12-12 record indicates.

No one has blown them away all season and there are no weak links on defense or with the bat. Also, the Chiefs have come from behind too many times this season. They can't do this forever.

The Rocks main problem all year has been intensity -- good old mental concentration -- that most valued commodity that coaches scream and pray for year after year.

Will they have it Saturday? I

think so, and I pick them to win. The incentive should be there and one other thing may still be playing on the back of both teams' mind: The older-school "big-brother", influence. Does Salem still have that psychological advantage? We'll see Saturday.

### Easy route to Sat. game

An easy way to get to the game in Belleville is to take I-275 to I-94 west. Get off on Belleville road south and continue until you reach the second light in the city of Belleville. Turn right and the school is about a half mile down on your left.

The seating arrangements at the field are limited and not very good. The Crier recommends that you get there early if you want a good selection of ground seats.

The game starts at 10 a.m. and the winner plays again at 3 p.m.

## Thinclads honor Mangan

BY CHAS. CHILD

In what was essentially a fun exhibition, the boy and girl tracksters of CEP still set four school records in last Saturday's Jeff Mangan Memorial Meet.

Almost all the competitors bested their personal marks as they reached top form heading into the league meets and State meet next week.

Salem's Mike Christie set a school record with a 40.1 time in the 330 low hurdles. His teammate Walt White ran the mile in 4:20.3 to also break the school record.

On the Canton side of the ledger, a new mile relay mark was set by Veronica Gray, Cheryl Coble, Jennifer Tregem-

bo and Beth Richardson as they turned in a time of 4:17.0. Also, William Murphy ran a 4:28.0 mile to share the lime-light.

Both the boys and girls team competed in the meet honoring Jeff Mangan, a Salem runner who died recently. With both scores combined, Salem won, 189-79.

About 300 people attended the meet, contributing \$225 that will go toward improving the track at CEP.

"We hope to make a girl-boy meet an annual affair," Salem boys' coach Gary Balconi said. "I was very pleased with the size of the crowd and everyone had a lot of fun."

Crier photos by Brian Watkins

PHOTOS CLOCKWISE, from upper left: Salem's Sandy Ezzo takes off after receiving baton from Polly Richards; Diana Perpich high jumps; Rock Rich Hewlett prepares to put the shot; and Chris Ritchey reaches back to get the baton from his Salem teammate, Tom Kindree.

## Canton whips Belleville

BY CRAIG BRASS

Doug Smith gave Canton yet another fine pitching performance as the Chiefs handily defeated Belleville in pre-district action to set up another Canton-Salem duel. The two meet in the first game of district play-downs Saturday morning in Belleville.

The Chiefs were never really

threatened by the Tigers as they led all the way finishing with a 6-2 victory over Belleville.

Canton was stymied in the first two innings but came to life in the third. John O'Connell reached first on a fielders choice and advanced to third on Doug Brickners single.

O'Connell came home with the first run on Kevin Randazzo's single to center and Brickner went to third. Randazzo then walked off first base causing Belleville's Lance McArthur to walk bringing in Brickner from third with the Chiefs second run.

The Chiefs scored three more times in the sixth. Scott Collins started things off with a one out double and advanced to third when John Young reached first

on the shortstop's error.

Collins scored on Rob Mandle's perfect execution of a suicide squeeze, sending Young around to third. Mark Zydeck walked and stole second. Young and Zydeck scored on back to back singles by Smith and O'Connell.

Canton picked up one more in the seventh to take a commanding 6-0 lead with them into the bottom of the seventh.

The Tigers picked up two off Smith in the seventh as Smith had trouble finding the plate, as he gave up three walks before shutting off Belleville.

Smith raised his personal record to 6-1 and the Chiefs to an unbelievable 22-2 as he scattered six Tiger hits while striking out four.

# Salem relay time in top 10

Salem's 440 relay recorded one of the 10 best times in the state this season against Belleville last Tuesday, but unfortunately, they won't get a chance to run in the state meet.

The team of Jerry Kachenko, Tom Kindree, Curt Lewis and Jerry Basierbe won the event with a 44.1 time, shaving a hefty .4 off the old school mark of 44.5.

The race was the highlight of the Rocks' sweep of two dual meets last week: a 91-67 victory against Belleville, and an 82-76 squeaker over Livonia Bentley Thursday.

The victories leave Salem with a 4-3 record on the season and a dual meet win streak of four in a row heading into the league meet today at Belleville.

The 440 relay team isn't going to the state meet despite their time because they failed to run as fast in the regional

meet just three days earlier.

To get to the state meet you have to qualify in the regionals.

In the Belleville meet, the Rocks jumped to a sizable 42-13 lead after the field events. "We knew we had to do well in the field, because Belleville is good on the track," Coach Gary Balconi said.

Bob Dasher took first in both the discus (137'9") and shot

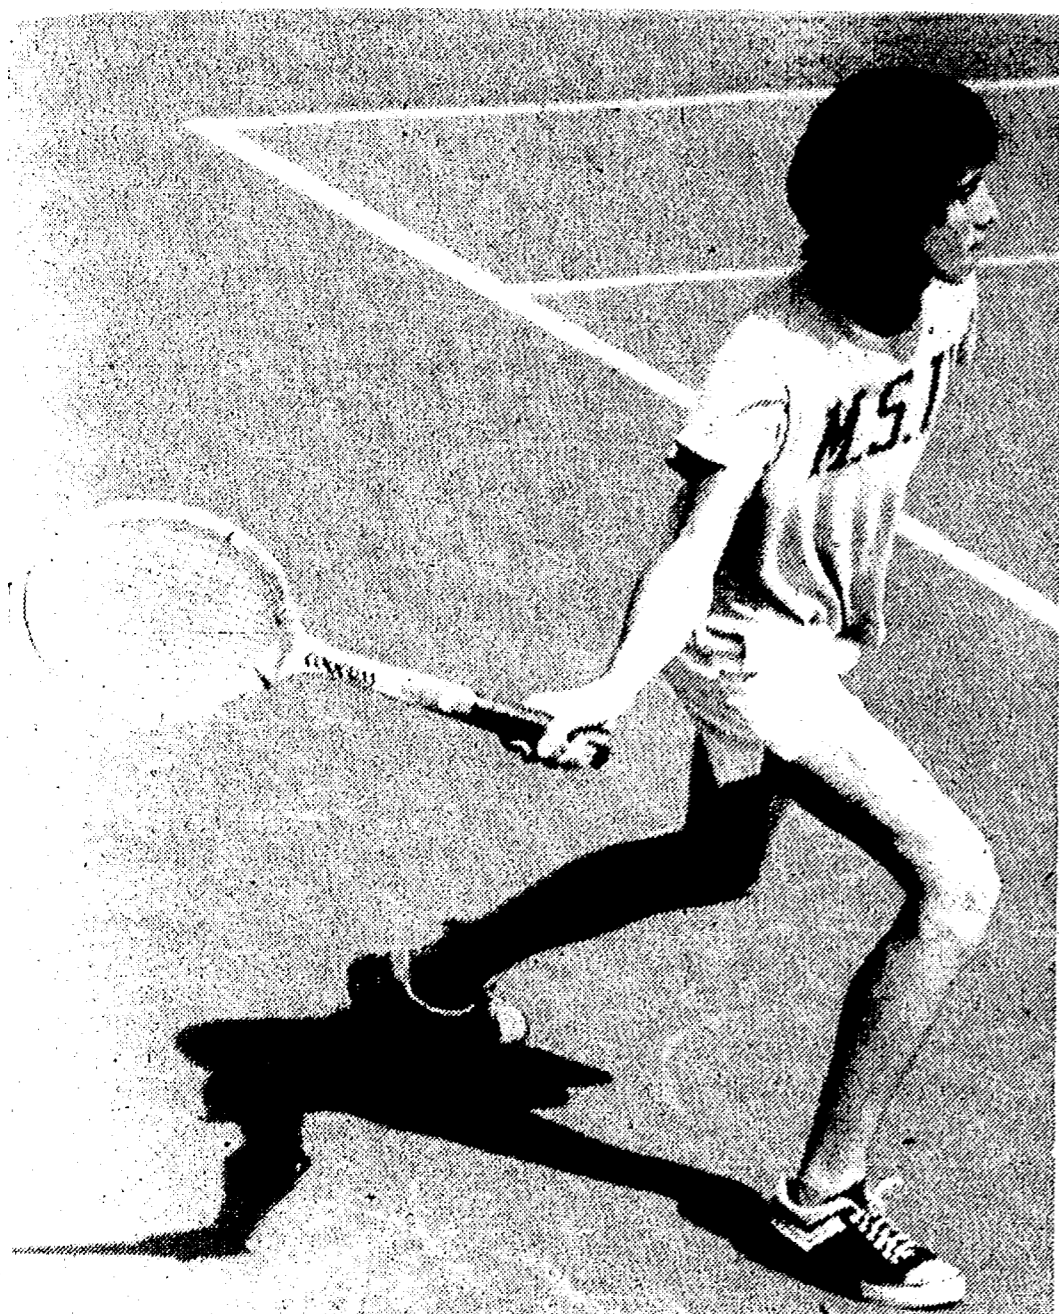

put (46'6"). Salem swept the pole vault with Mark Choma taking first with a 13'0" jump, followed by Scott Kappler, also at 13'0", and Jack Wellman, 11'0".

As it turned out, the big lead garnered in the field events was not that crucial, as the Rock runners did very well themselves.

Scott Klean took first in the two-mile at 10:06. Tom Rubadue ran the event in his personal best time of 10:26, good for third.

On Thursday, Bentley was leading 75-72, with just one event to go, the pole vault. It proved no contest, though, as the Rocks swept the event. Mark Choma, Scott Kappler and Dennis Ogden all equaled or bested their season best with identical 13'0" vaults.

Dasher took the discus and shot put again with tosses of 142' and 45'7", respectively.

CHRIS DAVIO

## Davio leads Chiefs to final net win

Canton's Chris Davio was the right man in the right place last Thursday.

With all his teammates off the court, leaving the Chief-Bentley match tied 3-3, Canton's steadiest winner was battling it out for the team's victory.

He was up to the task, winning, 7-5, 5-7, 6-4, giving the Chiefs a victory in their final dual match of the season.

"He played very well," Coach Jim Hayes said. "He came to the net and made some fine overhead volleys."

In other matches, number one singles Steve Pasley won in straight sets, 6-1, 6-0; as did number three Dave Keen, 6-2, 7-5. Number two singles Kurt Hopfner dropped his match however, 6-3, 7-5.

On the doubles side, Tim Wise and Don Perchard, number one, lost 6-2, 6-1. "The match was much closer than the score," Hayes said. "They played well."

Number three doubles Matt Norris and Stuart Sobczynski won 7-5, 1-6, 6-2; and Doug Hetu and Dan Schmidt lost 6-4, 6-4.

## Salem netters lose two

Salem's netters dropped a pair of dual meets last week as they headed into the Suburban Eight league meet today.

The Rocks lost 5-2 to Dearborn on Thursday. Number one singles Curt Schultz won, 6-3, 6-2, as did number two doubles, Craig Stevens and Ed Thomas, 6-4, 6-2. Stevens and Thomas are now 11-3 on the season.

Wednesday, Ann Arbor Huron swept the Rocks, 7-0. The league meet is at Henry Ford Community College in Dearborn today.

## Canton thinclads break record

BY MATT NORRIS

Canton girl thinclads broke one school record and scored eight first places Wednesday, beating league foe Farmington Harrison 77-59. The Chiefs finished the dual meet season with a 5-4 record.

Heading the list of firsts was Geri Shufeldt in the two mile; with a Canton record of 13:38. Lynn Rudolph took second behind Shufeldt in the two mile, won a first in the mile, and a second in the discus. Meaghan Ford, school record-holder in the discus, tore a muscle in regional competition, and will be unable to compete in the league meet today.

Winning first places for Canton were: Kathy Kiefer in the long jump, Veronica Gray in the high jump, Kathy Kidston in the

880, and shotputter Sue Vitoratos. The 440 relay combination of Jill and Jan Pedersen, Annette Piethe, and Carol Durocher turned in a winning time of 66.3 seconds, and the mile relay team of Gray, Cheryl Coble, Jennifer Tregembo, and Beth Richardson took first. Melinda Breen was second in

the shotput, and Robbie Bennett took second in the 100 yard dash in 12.5 seconds. Jill Pedersen also won second place behind Kiefer in the long jump.

The Chiefs compete in the Western Six meet today at Waterford Mott. Canton girls finished with a 2-3 record in dual meets in the league.

# Rocks lose race; rebound, 11-8

BY MATT NORRIS

Salem softball squad was eliminated from the race for the Suburban Eight championship Tuesday (May 24), when they lost to Edsel Ford, 11-8. The Rocks rebounded two days later, beating Dearborn Thursday, 4-3. Salem is now 9-4 in the league, with one game against Bentley left on the schedule.

Edsel Ford sewed up the conference crown Tuesday, although Salem out-hit them 9-1. The Thunderbirds only scored six earned runs off pitcher Debbie Pitera, as Salem had eight errors. "Our pitching and hitting got better near the end of the game, but it was too late," commented coach Livi Way.

Salem scored runs in every inning but the third and fourth at Edsel Ford. Doris Hoelscher and Pitera each had run-scoring singles in the first inning, and Kathy Lehmann had an RBI in the second.

Centerfielder Donna Goodrich hit a solo home run in the fifth inning, and the Rocks scored two runs on fielder's errors in the sixth stanza. Lehmann tripled in the seventh inning, but

the Rocks couldn't catch up, scoring just two runs in the final inning.

The Rocks are tied with Dearborn after beating them Thursday, and each team has one league contest remaining. Salem only needed eight hits to edge the Pioneers, 4-3.

Lynne Stone singled and scored on Peggy Moore's double in the second inning. Lehmann singled in the fourth inning, stole second and third, and scored on Kathy Dillon's base-hit. Dillon then stole second, third, and home to tie the score at three. The Rocks scored the winning run in the fifth inning, when Sue McDowell reached base on an error and moved to second on a hit by Diane Goodrich. Both runners advanced on a passed ball, and McDowell scored on a sacrifice fly by Nan Horwood.

Salem played Ann Arbor Huron in a pre-district game yesterday. Coach Way said, "Our hitting and pitching are getting stronger, so we're working to win the districts." If the Rocks beat Huron, they play Ann Arbor Pioneer Saturday in Ann Arbor.

**ROCK KATHY LEHMANN** singles against Dearborn last Thursday. She later later stole second, stole third and came in on a hit by Kathy Dillon.

## Canton comes close

BY MATT NORRIS

The Canton High Boys' track team came close to winning their first meet in the schools history Wednesday, but lost to Farmington Harrison, 82-76.

An injury to Steve Barnes may have cost the Chiefs the victory, as the sprinter pulled a muscle in warm-up, and was sidelined for the meet.

Chief runners set four school records Wednesday in the discus long jump, mile run and low hurdles. Andy Lewis broke the old discus record by 18 feet, hurling a 144'6" first place. Randy Reinas leapt 20'6" in the long jump for a first place, and Bill Murphy's 4:40 mile time set a new Canton mark, winning first place. Martin Hinckley broke his own record in the 330 low hurdles, with a :42.7 time.

It took great effort by Mike Mowry for the mile relay team to win its race. Norris and Mike Kiefer were even with Harrison in the first two legs, but Kiefer's baton handoff to Dan McGlenn was spoiled when Kiefer stepped on McGlenn's heel. McGlenn stumbled and somersaulted twice, but held on to the baton and gave it to Mowry 30 yards behind the Farmington team. Mowry ran the fastest Canton leg all season, sprinting the quarter mile in 53 seconds and winning the race.

"We lost but it was a good feeling to be that close," said Canton Coach Spitz. Spitz predicted that the Chiefs could beat two teams at the league meet today. "It depends on our relay teams, but I think the guys can do it", he said.

## Youth hockey sign-up

The Plymouth Hockey Association will hold their 1977-78 registration on Sat., June 11 at the Cultural Center between 10 a.m. and 2 p.m. The association hopes that the players will make every effort to register at this time, since the number and ages of the boys and girls who register will help them to plan the '77-78 season.

Fees will be \$25 for first player in the family; \$20 for the second and \$15 for the third.

After June 11 a \$5 late registration fee will be charged.

## Rocks win squeaker

Salem's mile relay team came from 220 yards back to win, giving the Rocks a last-event victory over Livonia Bentley last Thursday.

In fact, anchorwoman Polly Richards was ahead by 75 yards as she crossed the finish line. Kathy Sample, Kim Brown and Kathy Zielke ran the first three legs of the race.

"The Bentley team couldn't believe it. They thought they had it in the bag with their lead," Coach Scott Kurtz said.

Also in the 72½-67½ victory, two Salem school records fell. Kathy Sample broke her own mile mark of 5:48.2 with a 5:47.9 effort. And Sharon Radioff threw the discus 91'2½" beating the old school record of 90'11".

Fans witnessed a freak dead heat in the 880-yard relay. All four judges called it a tie and the teams split the points. The team of Polly Richards, Sue Jenkins, Julie Milz and Joann Lang-

kabel ran their best time of the year, 1:52.1.

"It was one of the best performances we've had all year," Kurtz said. "Practically every girl recorded her best time of the season."

## Grand slam

A grand slam home run by Judy Freiman capped an 11-run third inning, leading Canton's softball team past Adrian Friday in pre-district play, 17-11.

The win moved the Chiefs into the first game of the district tournament at Ann Arbor Huron on Saturday, 10:30 a.m.

Pitcher Lucy Howe took the win and helped her cause at the plate, going four for five, including a double.

Her teammates also backed her up, banging out 13 hits. The Rocks play a make-up game today at 4 p.m. against Walled Lake Western at CEP.

## Kuhns hits hole-in-one

Ted Kuhns, a 17-year-old Salem student who is on the school's varsity golf team, hit a hole in one last week at Hill-top Glen Golf Course.

Kuhns, of Plymouth Township, used a pitching wedge on the 116-yard fourth hole and finished the round with a par of 34.

# Briefcase

## Penniman mall opens

A new mall of shops has officially opened on Penniman Avenue.

Formerly housing the Top Drawer, and before that, Shrader's Furniture, the new mall is called "Penniman Avenue Shops."

The street level shops at the mall, 825 Penniman, are open. They include: Marti's Antiques & Exotic Plants, Shirtworks, Hands on Leather, Family Emporium and Sue Ann Fabrics.

A lower level of shops is scheduled to open later this month. Located there will be: The Baliwick, Reflections, The Health Shoppe (currently located on Ann Arbor Trail) and the Alphabet Gallery (currently hard to find on Main Street).

Owners of the new mall are Mr. and Mrs. Dave Pugh, and Mr. and Mrs. Rod Cannon. Pugh is city planning commissioner and Cannon is a lieutenant in the City of Plymouth Police Dept.

## Charter flights available

Charter flights are now available from the Plymouth Aero Co. for anywhere in the continental United States. The company located at Mettetal Airport, 8528 Lilley Rd., also gives flight instruction.

The new look at Wing and Forest in Plymouth is the facelift being given to 895 Wing St., for Cher's Closet. Cheryl Byerly is the owner of the factory outlet for ladies' first quality apparel.

Harvard Square Shopping Center, located at Ford and Sheldon Rds., in Canton, has been sold to Equitable Life Assurance Co. as its first equity purchase in Michigan. The 36-unit center is still being managed by the Harvard Company, its previous owner.

CHARTER TOWNSHIP OF CANTON  
 BOARD PROCEEDINGS

A special meeting of the Township Board of the Charter Township of Canton was held at 7:00 p.m. at 128 Canton Center Road on Tuesday, May 17, 1977.  
 Members present: Daley, Goldsmith, Flodin, Myers, Schwall, Stein  
 Absent: Bradley

The special meeting of the Township Board, the Planning Commission and the Growth Management Control Committee was called for the purpose of discussing the report of the Growth Management Control Committee.

Recommendations as a result of the discussion will be considered by the Township Board at their meeting of June 7, 1977. Planning and attorney input will be necessary to determine what is legally correct and can be implemented.  
 Harold Stein, Supervisor John Flodin, Clerk

CHARTER TOWNSHIP OF CANTON  
 BOARD PROCEEDINGS

A regular meeting of the Township Board of the Charter Township of Canton was held on Tuesday, May 10, 1977 at 7:00 p.m. Present: Bradley, Daley, Flodin, Goldsmith, Myers, Schwall, Stein. None absent.

A motion was made by Bradley and supported by Myers and unanimously carried that the minutes of May 3, 1977 be approved as presented.

The following items were added to the agenda:

1. Payment of Bills
2. Appointment to Compensation Commission
3. Attendance at Congressman Ford's Washington D.C. Conference.
4. Procedure for hiring two people in D.P.W. Dept.
5. Purchase of park property from Detroit Edison.
6. Consider request from Miller School P.T.O. to solicit donations from Canton merchants.

A motion was made by Schwall and supported by Myers and unanimously carried to accept the agenda.

A motion was made by Bradley and supported by Flodin and unanimously carried that bills in the amount of \$33,765.25 be paid.

A report from the Recreation Committee was presented by Frank McMurray. A motion was made by Myers and supported by Goldsmith and unanimously carried that the Recreation Committee report be accepted, and further that the Board approve the recommendation that the Canton Jaycees be allowed to construct a nature trail through the township owned public park area adjacent to the Huling School.

A motion was made by Flodin and supported by Stein and unanimously carried that the Board accept the recommendation of the Recreation Committee that Rudy Baas, Jack Koers be removed from the Recreation Advisory Committee.

Russelle Sturtevant presented the report of the Growth Management Study Committee. It was agreed to have a joint meeting of the Township Board, Planning Commission and the Growth Management Study Committee on May 17, 1977 at 7:00 p.m.

Mr. Harold Fischer spoke to the Board on the request to split into five parcels a parcel of land on Beck Road, between Warren and Hanford. A motion was made by Daley and supported by Bradley and unanimously carried that the Board agreed in principle to the request to split the Bassett property

and directed the Township Planner to make a recommendation to the Board of a means of accomplishing the split with certain controls and restrictions on the maintenance of private roads.

A motion was made by Schwall and supported by Myers and carried that the request from Borman's Inc. for a new SDM license at Warren and Sheldon Road be tabled.

Yes: Bradley, Flodin, Goldsmith, Myers, Schwall, Stein  
 No: Daley

A motion was made by Stein and supported by Bradley and unanimously carried that the Board approve the request of Plymouth Salem High School Senior Class, and Miller School P.T.O. to solicit gifts in the township.

A motion was made by Bradley and supported by Daley and carried that the amendments to Ordinance 64 (Weed Cutting Ordinance) be approved.

Yes: Bradley, Daley, Flodin, Goldsmith, Schwall, Stein  
 No: Myers

A motion was made by Bradley and supported by Myers and unanimously carried that the following ordinance be approved as an emergency ordinance and be given immediate effect upon its publication.

ORDINANCE NO. 64

The Charter Township of Canton Ordains:  
 25.700 AN EMERGENCY ORDINANCE FOR THE PURPOSE OF CONTROLLING AND ERADICATING NOXIOUS WEEDS WITHIN THE TOWNSHIP OF CANTON FOR THE PUBLIC HEALTH AND WELFARE; TO PROVIDE FOR THE ASSESSMENT OF EXPENSES INCURRED IN CONTROLLING AND ERADICATING SUCH WEEDS; AND TO PROVIDE PENALTIES FOR VIOLATIONS OF SAID ORDINANCE.

25.710 SECTION I. NOXIOUS WEEDS DEFINED. For the purpose of this Ordinance, "noxious weeds" shall include ~~canada~~ thistle, doddars, mustards, wild carrot, bindweeds, perennial southistle, hoary alysum, ragweed, poison ivy, goldenrod, quack-grass, crabgrass, poison sumac, or any other plants which are recognized as inducing hay fever, rose fever, or other diseases, or as being in any way deleterous to the health or comfort of the community.

25.720 SECTION II. AREAS TO CUT. The provisions of this Ordinance shall apply only to lots or parcels of land within the Charter Township of Canton which are within or adjacent to residential areas, in

# Crier Classifieds

DEADLINE: MONDAY

any subdivision where construction has begun on 50 percent of the lots in each individual plat, and in shopping areas, facilities or other areas where large numbers of persons can be found or congregate. The weeds may be cut up to 300 feet of the areas mentioned above.

25.730 SECTION III. UNLAWFUL TO PERMIT. It shall be unlawful for the owner of occupant or any person firm or corporation in charge of any such lot or parcel of land within the Charter Township of Canton to permit or allow to grow thereon any noxious weeds as herein defined. Presence of such weeds upon any such lot or parcel of land within the Township of Canton is hereby declared to be a public nuisance and inimicable to public health and safety.

25.740 SECTION IV. DUTY TO CUT. It shall be the duty of every owner, occupant or person having charge of any such land within the Township of Canton to cut down or cause to be cut down and destroyed all noxious weeds described in Section I (Section I 25.710) prior to the first day of June, and the first day of August in each year and/or as needed and as often as may be necessary to prevent same from going to seed.

25.750 SECTION V. AUTHORITY TO DESTROY NOXIOUS WEEDS AND COLLECT THE COST OF SAME. In case any such owner, agent or occupant shall refuse to destroy such noxious weeds or cause the same to be destroyed, it shall be the duty of the Township of Canton to enter upon such lands and to destroy such noxious weeds or cause the same to be destroyed, and such entering upon said lands shall not be deemed as trespassing. Express power to so enter upon such lands and destroy such noxious weeds is hereby conferred upon the Township of Canton. In the event the owner, agent or occupant has failed after ten (10) days notice as provided herein, to destroy such weeds or cause the same to be destroyed, then the Township of Canton or any other officer or agent authorized by the Township may enter upon such lands or lots and destroy by cutting with or without mechanical equipment which will not damage the property or the sidewalk adjacent thereto any such weeds, and all such expenses incurred in such lands shall be paid by the owner of owners of such lands. In the event any owner or owners shall fail to pay such expenses within 30 days of being billed for same by mail, the Township shall have the right to spread such expenses against the property of such owner or owners on the County and School tax roll of the general Township tax roll.

The Township Treasurer shall, subject to the approval of the Township Board, set up such billing procedures as may be required to accomplish the purpose of this Ordinance.

25.760 SECTION VI. NOTICE. It shall be the duty of the Township of Canton to post notices in not less than three (3) conspicuous places within said Township and to publish a copy of said notice at least once in a newspaper of general circulation within said Township, not less than ten (10) days prior to the time when such weeds must be cut, said notice to be in substantially the following form:

"NOTICE TO CUT NOXIOUS WEEDS"

To the owner or occupant or any person or persons, firm or corporation having charge of any land in the Township of Canton.

Notice is hereby given that all noxious weeds growing on any land in the Charter Township of Canton, Wayne County, Michigan, must be cut and destroyed on or before the day of , A.D., 19 . Any person failing to comply with this notice on or before the date mentioned shall be liable to the imposition of the penalties set forth in Ordinance

Number of the Charter Township of Canton, Wayne County, Michigan, and shall be liable for all expenses incurred by the Township in destroying said noxious weeds, which expenses, if unpaid by the owner or occupant, shall be spread against the property on the next County and School tax roll or the next general Township tax roll. In the event any noxious weeds remain uncut or uneradicating upon the expiration of such published notice, the Township of Canton shall notify by certified mail with return receipt requested, the owner, agent or occupant of any lands on which such noxious weeds are found growing. Such notice shall contain methods of treating and eradicating such noxious weeds and a summary of the provisions of this section of the ordinance. Failure of the Township to give such notice shall not, however, constitute a defense to any action to enforce the payment of any penalty provided herein or any debt created hereunder.

25.770 SECTION VII. PROSECUTION OF VIOLATORS. It shall be the duty of the Township of Canton to prosecute or to complain to the proper authorities of any person, firm or corporation who may violate any of the terms of this Ordinance.

25.780 SECTION VIII. PENALTIES. Any person, firm or corporation convicted of a violation of any of the provisions of this Ordinance shall be punishable by a fine of not more than \$100.00 or by imprisonment for not more than 90 days, or by both such fine and imprisonment in the discretion of the court.

25.790 SECTION IX. SEVERABILITY. The various parts, sections and clauses of this Ordinance are hereby declared to be severable. If any part, sentence, paragraph, section or clause is adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of the Ordinance shall not be affected thereby.

25.800 SECTION X. REPEAL. Any section of Ordinance No. 64 dated September 9, 1975, inconsistent with the provisions of this ordinance is hereby repealed.

25.810 SECTION XI. EFFECTIVE DATE. This ordinance is declared to be an emergency ordinance necessary for the preservation of the peace, health, safety and welfare of the people of the Township of Canton and is hereby given immediate effect.

Effective May 10, 1977.  
 A motion was made by Bradley and supported by Daley and unanimously carried that the following billing procedures for weed cutting be adopted:

Billing Procedures: Invoices will be mailed out after services are rendered. After cutting season is over, a statement will be mailed requesting payment within 30 days. If payment is not received the invoice amount will be doubled. Internal liens will be placed, through the building department, on properties with unpaid invoices, and no permits will be issued until outstanding charges are paid. There will be a \$10.00 administrative charge on each parcel or lot where services are rendered. A motion was made by Bradley and supported by Stein and carried that a penalty of 100 per cent of the weed cutting bill be established for failure to pay the bill within the prescribed time.

Yes: Bradley, Daley, Goldsmith, Stein  
 No: Flodin, Myers, Schwall

A motion was made by Stein and supported by Myers and unanimously carried to approve the site plan of the Dental Clinic located on the west side of Lilley north of Ford Road.

A motion was made by Flodin and supported by Myers and unanimously carried that the bid of Peter Payette Co., in the amount of \$6,028.25 for a fire station siren and controls be received but purchase of the equipment be delayed pending receipt of another bid.

A motion was made by Myers and supported by Daley and unanimously carried that the following resolution be adopted:

RESOLUTION

Whereas: The Township of Canton is within the study area of the Huron Valley Wastewater Control System Facility Plan; and,

Whereas: The State of Michigan, Department of Natural Resources under date of November 20, 1975 adopted a notice of intent to impose a moratorium on all of the communities within the Huron Valley Wastewater Control District; and,

Whereas: The Wayne County Board of Public Works was designated to develop the necessary plan for system improvements; and,

Whereas: The Wayne County Board of Commissioners restructured the Wayne County Board of Public Works without proper representation to the communities within the Huron Valley Wastewater Control District; and,

Whereas: The Wayne County Board of Commissioners at their meeting of April 28, 1977 refused to reconsider their action; and,

Whereas: A Water and Sewage Disposal Authority is a reasonable alternative to the Wayne County Board of Public Works; and,

Whereas: Act 233 of Public Acts of Michigan 1955 is available for this purpose,  
 NOW, THEREFORE BE IT RESOLVED: that the Charter Township of Canton hereby approves the concept of joining with the other communities in the Huron Valley Wastewater Control System area in the formation of a joint authority to construct, operate and maintain a Wastewater Control System.  
 May 10, 1977  
 Date Signature

A motion was made by Bradley and supported by Myers and unanimously carried that the resignation of Richard I. Wolfe be accepted with regret from the Compensation Commission, and that Roger A. Haslick be appointed to fill the vacancy.

A motion was made by Bradley and supported by Flodin and unanimously carried that approval be given for expenses of Township Board members and Mike Gorman, to attend Congressman Ford's conference in Washington D.C. in June.

A motion was made by Flodin and supported by Stein and unanimously carried that a new position of Laborer be established in the D.P.W. Department and that the Civil Service Commission test the applicants with advice from the D.P.W. Superintendent regarding qualifications.

A motion was made by Daley and supported by Schwall and carried that the Supervisor and Clerk be authorized to sign a purchase agreement with the Detroit Edison Co., for the purchase of 28.504 acres located in the southwest 1/4 of Section 14 for park purposes in the amount of \$126,000.00

Yes: Bradley, Daley, Flodin, Schwall, Stein  
 No: Goldsmith, Myers

A motion was made by Schwall and supported by Flodin and unanimously carried at 9:45 p.m. that the Board adjourn to an executive session to screen the applications for Chief of Police which will then be forwarded to the Michigan Municipal League for testing.

The Board reviewed the applications which were submitted for the position of Chief of Police and agreed to send the following names to the Michigan Municipal League for testing as soon as possible: Berryman, Blanchard, Caviston, Dansfield, Fredlund, Hislop, MacGregor, Meldrum, Silvers, Spickard.

A motion was made by Schwall and supported by Flodin and carried to adjourn at 10:30 p.m.

Notice is hereby given that on the 31st day of May, 1977, true copies of the minutes of the regular meeting of the City Commission held on Monday, May 2, 1977, at 7:30 p.m., were posted on the official bulletin boards of the City of Plymouth, located at the Southeasterly corner of the intersection of S. Main Street and Penniman Avenue; the Southeasterly corner of the intersection of Starkweather Avenue and W. Liberty Street; the South entrance of the Central Parking Lot facing S. Harvey Street, and also on the bulletin board in the City Hall at 201 S. Main Street. These minutes are posted in accordance with Section 5.11 of the City Charter for the benefit and information of all interested citizens of the City of Plymouth.  
Paul V. Brumfield, City Clerk

**NOTICE TO PROPERTY OWNERS**  
WEEDS AND GRASSES TO BE CUT ON LOTS IN CITY OF PLYMOUTH  
On or before June 15, 1977, it shall be the duty of every owner, occupant or person having charge of any land within the City of Plymouth, Michigan, to cut and destroy noxious weeds and grasses upon said land, or shall cause the same to be done. Failure to comply with this notice and Article 6 of Chapter 109 of the City Code of the City of Plymouth, Michigan, means that the City will enter upon said lands and mow the weeds and grasses and bill the property owners for the service.  
The City will begin mowing all unmowed lots or plots of land on June 20, 1977, without further notice to the property owners.  
Paul V. Brumfield, City Clerk

## CRIER CURIOSITIES

TUCKER hasn't enough sense to come in out of the rain - but she's still smarter than a meatball.

I APOLOGIZE for using Donnie Bidwell's towel that says, "Sweet Dreams" and has a little green dragon on it. It was so cute I couldn't resist it.

DON R. BIDWELL was all wet at his 50th bash.

BOB CAMERON is older again. But you know birthdays - hair today and gone tomorrow.

DID YOU SEE Mike & Rose Arnholts' new moat?
