Interviews slated for 6 applicants

School board to fill vacant seat tonight

BY CHAS CHILD

A new member of the Plymouth-Canton School Board will be chosen tonight from six applicants.

The following six applied to the Board of Education for the seat vacated by George Lawton who resigned earlier this month: Elaine Kirchgatter, Richard A. Smith, Elizabeth Griffin, Richard A. Ostella, James D. Walaskay, and R. Richard Hayes.

The board will interview

Ostella, Walaskay and Griffith at the board offices tonight beginning at 7:30 p.m.

The new member will be chosen at a special meeting at 9:30 after the interviews. The other three persons applied for the seat vacated by Marcia Borowski and were interviewed then.

Kirchgatter, of 48377 Gyde Road in Canton, has been active in many local organizations, including the American Association of University

Women, Plymouth Fall Festival Board, 4-H, her church, and the Plymouth Symphony League.

"My community activities have given me the experience in understanding various needs, special interests and how best to attain solutions mutually satisfactory to all," she wrote to the board in the letter expressing her interest in the seat. "All must be taken into consideration when making decisions."

Richard A. Smith, 42, of 1948 Brookfield Road, is a lawyer with offices in Livonia. He taught high school in Toledo for seven years and moved to the Plymouth-Canton School District two years ago.

"Forty-two years of growing experience, including the practice of law, teaching and 21 years as a student, and recent involvement in the PACTS program, still leads me to believe... that I can help provide the direction that is required to preserve a strong educational system," he wrote in his letter to the board.

Elizabeth Grffith, a housewife, of 44741 Erik Pass in Plymouth Township, moved to the Plymouth-Canton School District four and one-half years ago.

"My main concern for applying is my desire to see all children receive an equal and fair education in all grades. Cont. on pg. 16

Decision due soon on hiring of cops

Negotiations between Canton and its police officers over who will receive the 10 full-time jobs in the township's department may be settled within 10 days, the attorney for the police officers said Monday.

James Garber, attorney for the Canton Police Officers Association, said his talks with township attorney Bert Burgoyne were "progressing" and he expected a settlement soon.

Garber said on November 28, however, that he expected a settlement, "very soon." The negotiations have been going on since November.

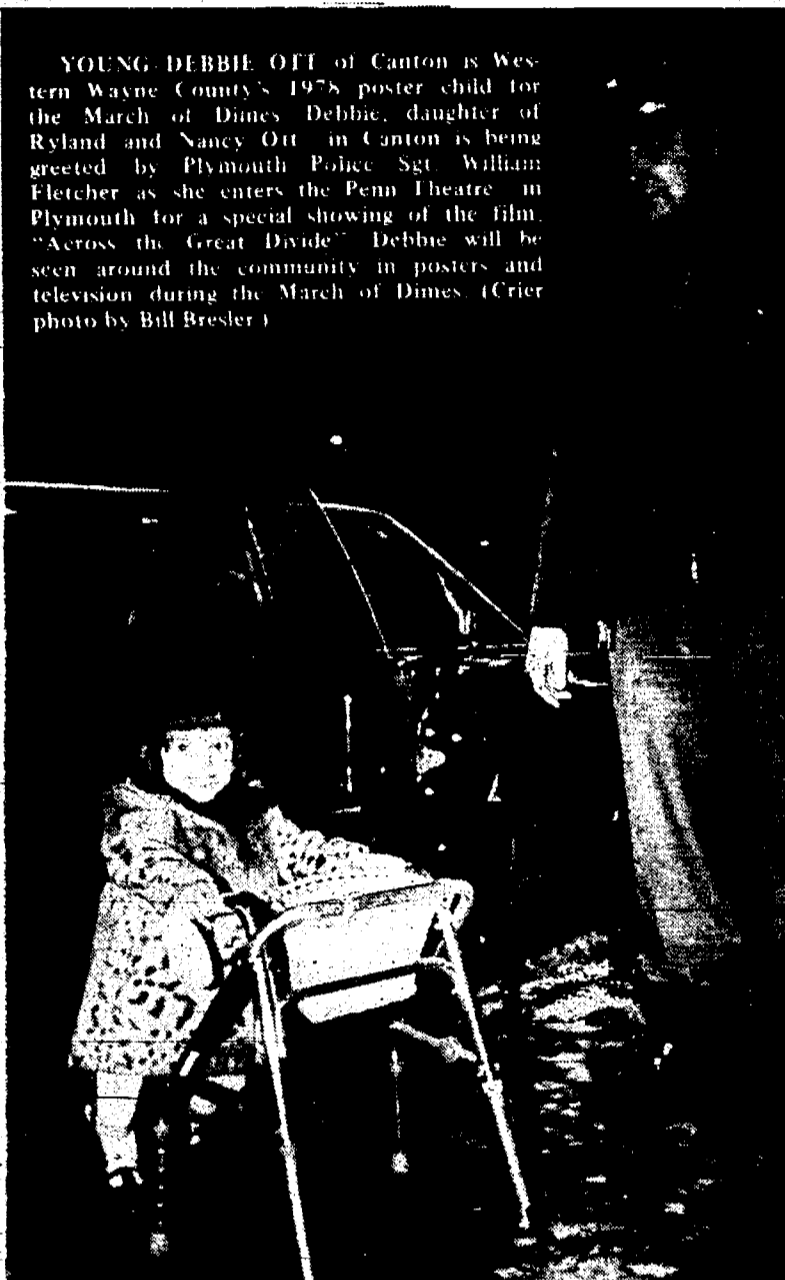

The Canton police officers

forced the negotiations after the township administration proposed to accept applications for the 10 positions from candidates other than the present Canton reserve police officers.

The full-time patrolman positions were created after the voters approved on Aug. 27 two mills to form a full-time Canton police force.

Canton Police Chief Walter MacGregor originally said the full-time force might start Jan. 1 but later targeted March 1 as the start-up date.

Further delays in the negotiations may delay the start of the full-time force.

Twp. panel rejects shop center zoning

BY HANK MEIJER

The Plymouth Township Planning Commission last week rejected a rezoning proposal which would have enabled a developer to build a shopping center, restaurant-lounge and apartment complex on Northville Road across from the Plymouth Hilton.

Before a Township Hall audience crowded with neighborhood residents, the commission voted 8-1, with Commissioner (and Trustee) Maurice Breen dissenting, not to rezone portions of the 15-acre site along Northville Road from single-family residential to C-1 commercial. To fully develop the proposed center, developer Art Kobierzynski, former owner of the Thunderbird Inn -- before it became the Hilton Inn -- would have needed additional C-2 commercial zoning.

Said Planning Commission Vice-Chairman Fred Davids on the eve of the roll call, "We shouldn't be kidding ourselves. The ultimate goal (of the developer) is to establish C-2 occupancy in this area."

Kobierzynski has retained the Class C Liquor License (for sale of liquor by the glass) which he held for the Thunderbird, and was expected to apply it to the lounge proposed for across the street.

Most of the residents who addressed the commission said they were against the proposed development.

Said Clemons Drive resident Alan Stuart, "I've yet to hear anyone except the developer indicate there is a need for the development here."

Added Ruth Covell, who lives on Hamill Road, "I see no reason to have a bar or an all-night restaurant -- that will bring in most undesirable people."

The 15-acre site is bounded on the north by Hamill and on Cont. on pg. 16

Northbound freight derails

A C&O FREIGHT train on its way to Saginaw Monday afternoon derailed just east of the Northville Road underpass. C&O officials say no one was injured in what was termed a "serious derailment". Damage was limited to one car that carried canned foods. C&O offi-

cials are investigating the cause of the derailment. Twelve cars left the tracks, railroad officials said. Two boxcars slid down a 20-foot embankment before coming to rest. (Crier photo by Bill Bresler.)

Trooper crime calls drop with Canton cops

All crime in 1977 seems to have stayed even with 1976 in Plymouth and Canton townships, according to State Police statistics from the Northville post.

Major car accidents in the two townships showed the biggest drop - in Plymouth Township down from 264 in 1976 to 196 in 1977, and in Canton, 117 in 1976 to 71 last year.

The figures aren't true crime statistics, however. They are simply the number of responses

from Northville State Troopers on calls in the various categories.

This would explain the almost uniform drop in calls from Canton since the township's force has been upgraded.

"Apparently, the people in Canton are beginning to rely more on their own police," said Lt. William Tomczyk, commander of the Northville post.

Breaking and entering showed a drop also. In Plymouth Township, there were 113 B&E's

in 1977, versus 138 in 1976. In Canton the figure fell from 108 to 59 over the two years.

Calls from citizens on suspicious persons and cars showed the biggest rise. They went from 53 to 144 over the two years in Plymouth Township and 40 to 74 in Canton.

"This reflects our campaign to encourage people to call us if they see any suspicious persons," Tomczyk said.

Overall, the commander said many categories had few cases,

making it hard to detect a trend. These include the major personal crimes: Robbery assaults, assaults and sexually-related crimes.

Robbery assaults stayed the same in Canton - two in each year, while in Plymouth Township, they went from two to five from 1976 to 1977.

Sex crimes (rapes, indecent exposure, etc.) looked like this: Canton had 13 last year and three in 1976. And Plymouth Township had six last year and 11 in 1976.

Assaults dropped in both places, from 63 to 51 in Plymouth Township and 50 to 35 in Canton over the two years.

Drugs other than alcohol (marijuana, cocaine, etc.) showed a significant increase over the two years. In Plymouth Township the incidence went from 23 to 41 and in

Canton, from 29 to 55.

Larcenies stayed even in Plymouth Township, going from 252 last year from 263 in 1976, while in Canton they dropped from 290 to 202.

Drunk drivers also stayed stable. Canton showed a slight increase from 68 to 79, while Plymouth Township showed a slight drop over the two years, from 68 to 62.

Crime statistics for the City of Plymouth will not be available until the summer, said Chief Tim Ford.

To help prevent crime, Tomczyk said his post had an engraving tool to imprint any citizen's driver license on his household property.

The post's community relations officer is available to lecture to any group on prevention, Tomczyk said.

Old woman robbed

An elderly woman who let a man inside her Plymouth home Friday to use her telephone was robbed of her purse, Plymouth police report.

Nellie Craddock of Penniman Avenue told police that two men knocked on her door around 9:25 p.m. and asked to use her phone to call a wrecker because their car had broken down.

enter and showed him the phone, the police report.

She left the room, however, and when she returned, the man had left and she later discovered her purse containing about \$20 and assorted identification missing, the police said.

Dauids heads plan panel

The Plymouth Township Planning Commission elected new officers for this year. The following members were appointed:

As chairman, succeeding chairman John Goulet, was Fred Davids. Smith Horton was elected vice-chairman. Planning Commission Secretary Tom Sullivan, will remain secretary until March 15. Clinton Strobel was named secretary-elect. All votes were unanimous.

Company shuts plant in labor dispute

MEMBERS OF TEAMSTER LOCAL 247 in Plymouth were locked-out of National Concrete Products, where they work, due to a breakdown in negotiations, according to Bob Terwin, Office Manager for the Plymouth National Concrete Products office. Terwin said progress on the labor dispute is stalled and the lock-out began last week. "We continued to operate without a contract as long as there is progress," Terwin said. "The lock-out is an attempt to get the contract resolved with minimum effect on employee's and the company. Terwin added that the Plymouth concrete pipe manufacturing company is not individual in the lock-out. Terwin said other members of the Concrete Pipe Association (of which National Concrete is a member) in Lansing, Grand Rapids, Taylor and other

cities are also having lock-outs.

"It's the only lever we have," said Terwin. "We need to know what our costs are -- and labor costs are a big part -- and we can't continue (operation) without that knowledge. We're not pleased about this either." Tony Leonardi, shop steward for the Teamsters local, told The Crier they had been working without a contract since Dec. 1 and were locked out last Friday. "What a Friday the 13th!" he said. "In effect, we're laid off," he added and said that the workers should receive unemployment pay. Terwin said negotiations had been going on for several months and that more meetings are scheduled. National Concrete Products employs "up to 105 people" at peak periods. Terwin said the lock-out affects 70 employees (Crier photo by Bill Bresler)

Elderly urged to apply

Local tenants can get subsidy

Local senior citizens, many of them on a six-year waiting list for housing at Tonquish Creek Manor, may soon be eligible for another form of housing subsidy -- rent support from the federal government.

A representative of the Department of Housing and Urban Development Monday night explained the program to half a dozen local landlords in a meeting at Tonquish Creek Manor.

The program allows local residents -- up to 30 elderly singles or couples and five low-income families -- to select a rental unit in the City of Plymouth from among those offered by landlords who qualify for participation in the program.

Qualifying tenants would then be obligated to pay no more than 25 per cent of their total income toward the monthly rental lease.

The landlord would be re-

sponsible for collecting the tenant's share of the rent, with the Plymouth Housing Commission -- the agency supervising the program here -- mailing the rent subsidy directly to the landlord.

In the past, the government has approached housing for the elderly and low-income groups through housing projects this time it's starting with the people, the HUD spokesman said.

Starting Friday, the Plymouth Housing Commission, at 455-3670 in Tonquish Creek Manor, will accept calls from prospective subsidized tenants for interviews which could lead to certification for the program.

The spokesman stressed that landlords need enter into a rental subsidy arrangement with a tenant only if they choose to.

"The landlord must approve the tenant," he said. "This is not a program where we're filling Plymouth with federal dollars and sending out bunches of low income tenants, but now the small landlord can take advantage of a federal subsidy.

Also, he noted, "This is the first time tenants can receive a subsidy from where they're renting now." As long as he

Canton Trustees were expected to hear a presentation from a representative from the Michigan Liquor Control Commission last night on transferring a liquor license for the township's newly-acquired Fellows Creek Golf Course.

According to Township Clerk John Flodin, "the township can't own a liquor license, so we will have to transfer the present license that came with the golf course to whomever will manage it."

The trustees were also scheduled to receive proposals from six firms who want to manage the golf course. The following have applied, according to Supervisor Harold Stein: James Vargo, who managed Fox Hills

Country Club; Sand Management, Southfield; Don Loomis and Associates, Livonia; John Garvor, Farmington; and Hill-Top - Glen Golf Inc., Plymouth Township.

Canton Chief still sore

Canton Police Chief Walter MacGregor reports he is still sore and stiff as a result of a car accident he was in last Monday.

The chief was driving from work last Monday evening when he was struck by a car driven by a Westland man at the corner of Newburgh and Glenwood roads in Wayne.

BY DONNA LOMAS

Nobody knows how, but it happened again.

A mix-up in publication of legal notices has once again clouded plans for development of a private hospital on Canton Center Road south of Ford.

A decision earlier this month by the Canton Planning Commission to rezone a 10 acre parcel from residential to restricted office zoning with an amendment designating its use as hospital site was declared null and void Monday. Commissioners agreed to schedule a new public hearing on the controversial development for Feb. 27.

Action on an initial request for rezoning to commercial use was delayed last fall when The Crier, the township's designated legal newspaper, omitted a second notice of a public hearing. In the latest case, the notices apparently disappeared somewhere between the township clerk's desk and The Crier's production department. Township officials also neglected to revise a sign on the hospital site to reflect the new proposal.

State law requires that notice of a public hearing be published twice within thirty days prior to the date of the hearing. Publications of the proposed rezoning were to be published Dec. 14 and Jan. 4.

The hearing held Jan. 9 was declared illegal by Planning Commission Chairman Robert

Padgett, who said "the thing has to be redone."

The parcel in question is a 10-acre parcel requested to be rezoned by developer Melvin Stein of the Great American Building Corporation

Stein had approached the commission last year with a request to rezone the land from single family residential to C-2 general business but was denied.

He then approached the planning commission with a request to rezone the parcel from residential to restricted office use (RO-1). The medical complex is planned in three stages, according to Stein: the first includes a 15,300 square feet medical office complex, the second a 200-bed nursing home, and finally, had the Jan. 9 rezoning been legal, Stein would have been able to apply for a certificate of need from the state for a private 200-bed general surgical hospital.

State officials issue certificates of need to avoid a surplus of beds in hospitals.

No land on Canton Center Road south of Ford is currently zoned commercial. Township planner George Peek recommended the parcel be zoned for office use, since it was not suitable for residential use.

Stein--no relation to Supervisor Harold Stein--still refuses to discuss details of his previous hospital ownership experience.

Canton gets school

Canton Supervisor Harold Stein received the deed to the Canton Center School from the Plymouth-Canton Board of Education Monday night.

The board gave the historic building to the township with the provision that it be used as a museum.

Stein asked the board to

delay the deed restriction, however, to give the Canton Lions time to vacate the building.

The structure is located on Canton Center Road at Proctor Road near the new Canton Township Hall under construction which is due to open in early summer of this year.

Car dealer asks rezoning

The Plymouth Township Board of Trustees was expected last night to act on a request by a local auto dealer for rezoning of a parcel on Ann Arbor Road between Terry and Haggerty from residential to commercial to permit construction of an auto dealership.

Seeking the rezoning was Bob Jeannotte Pontiac, currently located on Ann Arbor

Road west of Main in the City of Plymouth. The township planning commission earlier this month recommended that the rezoning be denied. Planning commissioners, voting 8-1 with Chairman John Goulet dissenting, said the dealership would have a "negative impact" on the subdivision of single-family homes immediately to the north and east.

Twp. can't decide hunting

Plymouth Township voters don't have the final say in whether the entire township should be closed to hunting.

Responding to complaints from residents of the still partly-rural western area of the

township, the board of trustees last year approved placing the question on the primary ballot this August. But Township Clerk Helen Richardson said the state Department of Natural Resources decides whether land should be open to hunting.

Although the majority opinion of township residents is not sufficient to end hunting, some residents have raised the possibility of an advisory vote that could influence the state agency's decision in the matter.

The township board was expected last night to drop plans for the primary election vote, with discussion of the value of an advisory ballot.

Fest chief sought

The Plymouth Fall Festival Board of Directors is scheduled to meet tonight (Wednesday) at 7:30 p.m. in Plymouth City Hall to choose a chairman for the 1978 event.

Current President Robert Richardson has announced his intention to step down.

EDITOR:

If you are against the random selection of your child for high school, please contact your school board immediately. If enough of us protest in a concerned manner, possibly they will change the program. It's imperative that the board knows how you feel before the end of January.

With random selection friends are separated. These are friends that have gone all through school together. High school is traumatic enough without separating close friends who who live in the same neighborhood.

It's apparent that the board is afraid that the majority rather than the minority are against random selection. Otherwise, they would change the 42 appeals that they have, and balance out the schools when they get those new enrollments from Canton this fall that they're expecting.

Again I urge you - CONTACT YOUR SCHOOL BOARD BEFORE FEB. 1, 1978.

Money wasted?

EDITOR:

The politicians of Canton wish to purchase a golf course for the citizens of Canton. I would much rather prefer and appreciate some relief from the steady, yearly exorbitant tax increases instead.

I suggest the politicians concentrate all their efforts on attaining achievements for the common good and stop creating more problems by trying to run a golf course which is way out of their customary sphere of activity.

this opportunity, on behalf of the Board of Directors and our most capable manager, Mr. Carl Glass, to thank you and your staff for the excellent coverage and advance publicity given to the 1977 Fall Festival.

At this time, all the entrants have reported in and our best estimate is that there should be approximately \$50,000 available from the different organizations, which will be put back into the Plymouth community by their individual clubs. We had fewer entrants this year, but the gross figures show in excess of \$131,000 which means a very successful year for everyone concerned.

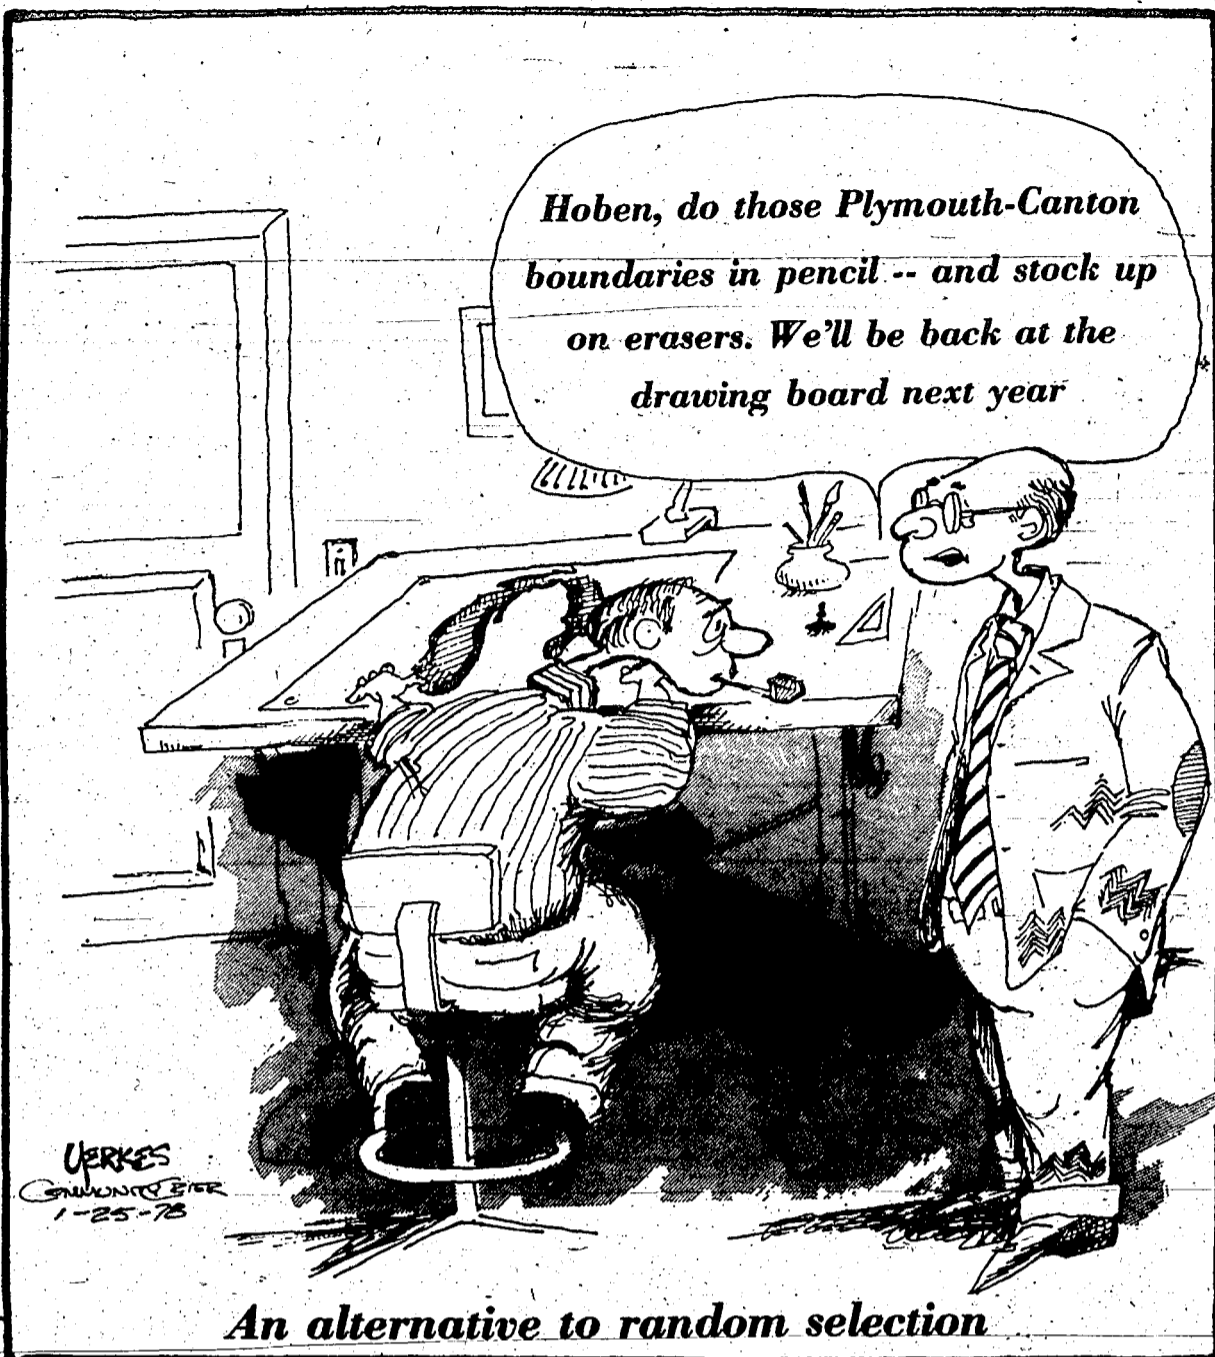

At this writing, I am most happy to announce that the Fall Festival is no longer operating at a deficit through the generosity of the individuals who made donations to the board in advance of the Fall Festival, the individual board members and the manager who watched expenses very closely.

We have managed to pay last year's indebtedness through frugal review of our past expenditures, especially in the area of reducing labor costs in many areas and especially in the area of a sizeable reduction in the cost of entertainment for the various events. It is our sincerest wish that we can continue to maintain that position and meet the expenses involved in getting the event underway in '78.

A special "thank you" to The Crier for your contribution to the Produce Tent and to the members of the various Garden Clubs of the area who donated their time and efforts in helping with the display and its operation.

Again, our sincerest thanks to The Crier for its cooperation and to the many who made the Fall Festival the success that it was.

An alternative to random selection

Only & oldest kids lack choice Random pick discriminates

EDITOR:

The Community Crier published on Jan. 18, '78 contained, on page six thereof, an article entitled "Random Selection is Best Choice for Growing Schools." This article apparently was prepared by the editorial staff.

As a parent of a child who is present undergoing high school assignment through this program, I respectfully take issue with the editorial position adopted by your paper.

I take issue with you for two points. The first point is that the program discriminates against certain classes of children, as I will point out hereinbelow.

The second point is that the title "Random Selection Program" is totally misleading and, in fact, does not describe the program that is being carried out. This point will be discussed below.

I would appreciate that the editorial staff consider the positions set forth below and reply thereto, if desired. I would also request that this letter be printed in your next issue or as soon as possible thereafter.

In the selection program, Phase I provides that any student having a sibling attending a high school may select

that high school. If a student has no sibling attending a high school, that student gets no selection. Thus, Phase I of the selection program contains "a difference in treatment or favor to a particular class in disregard of individual merit."

One may argue that there is some justifiable reason for this act of discrimination. If the campuses of the two high schools were at separate ends of the townships, then one might argue that all of the children in one family should attend the same high school.

Thanks, Crier

EDITOR:

I would like to take this opportunity to thank you and your staff for the coverage you gave the Jaycees on the benefit basketball game with WDRQ.

With the cooperation of the Middle Schools and the news media, the game was a success and the proceeds from the game went to the Canton Library Fund.

We, of the Jaycees are hoping to have another game in the fall or next year and are looking forward to your cooperation and assistance.

EDWIN N. RASMUSSEN, JR.
CANTON JAYCEES

It is believed that the program used for high school assignment had discriminated against students without older siblings. It is also believed that the program is mislabeled and properly should be called "Computerized Student Assignment After Initial Phase of Discriminatory Selection Program Has Been Completed."

It is requested that this act of discrimination against students without older siblings be eliminated by permitting those students to select freely the high school they wish to attend, or, in the alternative, by developing a program for student assignment which places all students entering the high schools on an equal footing.

If a student is placed on an equal footing with every other student is seeking to enter a particular high school and he does not get the high school desired, then he has no complaint because he has not been discriminated against.

However, if the student has not been placed on the same basis to achieve the high school desired as every other student, then he has been discriminated against every bit as much as if he was put into a special group because of his race, color, sex or creed.

Quotable Joan gets bird

This week the Bird belongs to Joan Gerigk, owner of the Alphabet Gallery and the petite P. T. Barnum of downtown Plymouth retailing. Joan claims the prize for her canny assessment of downtown's commercial ambience as somewhere on the "extinct dodo bird" side of sophistication. The quote concluded a story on downtown's revitalization which appeared last Sunday in one of the metropolitan dailies.

EDITOR:

I agree with Mrs. Flossie Tonda's and Mrs. Shirley Roberts' contention that random selection at CEP is discriminatory against eldest and only children in a family. It does break up the neighborhood school concept and may also be unfair to younger siblings who are randomly selected to attend the same school as in older child when all their friends and neighbors are going to the other school.

Perhaps the parents of middle-schoolers could be surveyed by mail or phone to determine their preference, if any. It may well be possible to achieve a balanced school population and accommodate personal preferences as well. If this proves unfeasible, the board could consider a return to the old system. However, I suspect that this would necessitate boundary changes and cause more unrest in concentrated areas than they are currently facing with unhappy students scattered over the whole community. If this is the tip of the iceberg, as Mr. Harper suggests, wouldn't it be wiser to give in to the families currently requesting a change and dispose of the problem before it becomes a major issue?

I have no "personal ax to grind". Our son was chosen to attend Canton. At first he was unhappy but he has since found that some of his friends outside our neighborhood are going there, too. We have not requested a change.

Schools mull track rotation

A mother who said her children are on the least desirable track on the Extended School Year (ESY) program asked the Board of Education to rotate the tracks.

Mrs. Carol Rodwell said track "D" has six less vacation days during the summer than tracks "B" and "C" and 11 less than

track "A" during the summer. This was the primary area of concern, she said, and listed other disadvantages to track "D."

School Board President Thomas Yaack said that the question of track rotation will be discussed at a board workshop Feb. 23 at the school

administration offices at 7:30 p.m.

Responding to Rodwell, Superintendent Mike Hoben said that in a survey, reaction to ESY was favorable in all tracks, but, as Mrs. Rodwell indicated, it was slightly less popular among track "D" parents.

New cop rules for Canton

The Canton Township Board of Trustees was scheduled to discuss Canton police rules and regulations at last night's township board meeting.

According to Canton Police Chief Walter MacGregor, the proposed rules and regulations "grew out of the reserve rules when the reserves were first organized. However," he added, "the board may modify those."

The trustees were also expected to pass a new disorderly persons ordinance for the township.

CEP expels 6

Six students at CEP were expelled from school by the Plymouth-Canton School Board Monday.

"Disciplinary" reasons were the basis of the expulsions, said Superintendent Mike Hoben.

Canton mulls car purchase

Canton Trustees were expected to approve for purchase a total of five cars for the police and building department.

Monies for the vehicles are coming from the general budget, township officials said.

Two police vehicles are needed immediately, the township says. One police car was wrecked while in pursuit of a fleeing vehicle and the other was struck at a Wayne intersection last week by a Westland man while Chief Walter MacGregor was driving.

Y post open

The Plymouth-Canton YMCA is looking for a maintenance person, a position created from CETA funds recently made available to the Y from the City of Plymouth.

The maintenance person will enable the Y to help more than 200 cases of residents who need work done on their homes or property, said Y director Jeanne Campeau.

The \$7,000 is available for nine months. Persons who wish to apply must be over 18, and a resident of the City of Plymouth or Canton.

Home ransacked

Entering through a rear porch, an unknown person or persons "ransacked" a house at 580 Simpson, Plymouth, Saturday night and stole approximately \$600 worth of cash and a \$200 pearl necklace, the City of Plymouth police report.

Canton clubs: service and satisfaction

BY PHYLLIS REDFERN

As the population in Canton continues to grow, service clubs in the community are beginning to develop. According to the Chamber of Commerce the service clubs now existing in Canton are Jaycees, Rotary, Lions, Goodfellows, Newcomers, Welcome Wagon, Kiwanis, Jaycettes and the Canton Historical Society.

Unlike their sister and brother groups in Plymouth who have been established for many years, the fledgling clubs in Canton are, for the most part, just getting started.

The potential growth for these clubs is high because of the rapid growth in Canton. Canton clubs have another distinction in that the average age of their members is younger than those of neighboring community's service clubs.

The Kiwanis club is the newest club to start in Canton. They started meeting just last October and were officially chartered Jan. 16 this year. Plymouth Colonial Kiwanis is the parent club that sponsored them. Canton Kiwanis membership is now up to 22.

According to club president,

Bill Brooks "We want to help Canton in any way that Canton needs help (we will donate money and work on projects)". Brooks also said that "the club welcomes any new members who are community minded". Dinner meetings are held every Monday at 6:30 p.m. at the Roman Forum on Ford Rd.

The Canton Rotary started meeting last May and thus far have completed two projects. The first project was a back brace for a Canton woman to help her become mobile, and recently they supplied the Canton Fire Department with a resusci-Annie (a dummy to help with resuscitating training programs).

Sponsored by the Plymouth Rotary, Canton's membership now totals 27. John Schwartz, president said they are currently involved in a membership drive. "We select people from all phases and businesses", he said.

Canton Rotary has many selling projects (fruitcakes) with the proceeds going to Canton projects. They work closely with the Easter Seal Society helping crippled children. According to Schwartz, Canton Rotarians do

many of the same types of projects that the Plymouth club does but they are smaller, younger and have newer businesses. They meet every Monday at noon at the Roman Forum.

The Jaycees started about six years ago with 25 members. According to Canton Jaycee president George Halloran, they are now at 75 members and "still growing."

Main projects Canton Jaycees work on every year are a Haunted House, the Canton Fair, a Millionaires Party plus a scholarship fund which is awarded to students living in Canton.

"We're smaller but we're better" replied Halloran when asked what made the Canton Jaycees club different from others in the area.

"We are concerned with what we can do in Canton not just what the state board says we should do" he said. "Our chapter growth depends on more and better projects to serve Canton."

The Jaycees meet every third Tuesday of the month at 8 p.m. at the Roman Forum.

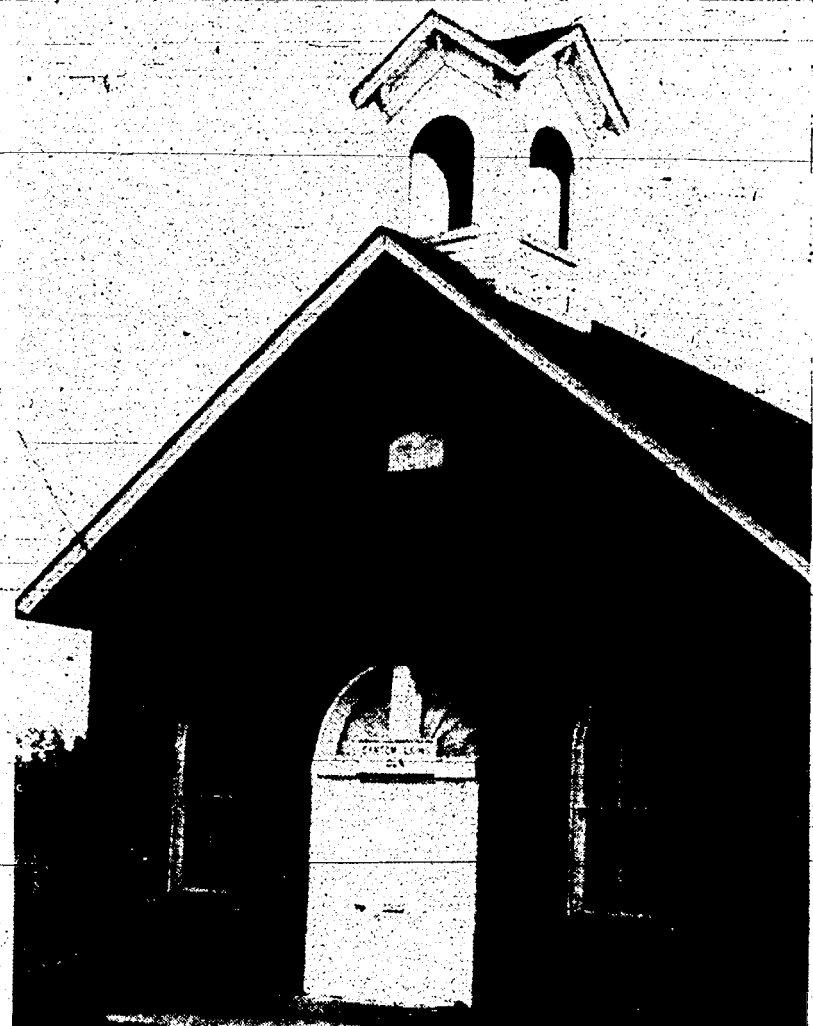

The Jaycettes are related to but separate from the Jaycees. Their members are mainly wives of Jaycees but any woman between the ages of 18 and 35 can belong.

Sue Dickey, president of the Canton Jaycettes said one reason for their club's existence was to help the Jaycees with their projects. However, they have recently started some independent projects.

The Lions Club, one of the oldest service clubs in Canton, was chartered in September 1968. It started with the help of members from the Wayne Club and now has 30 members.

According to club president Lewis Jones they are involved with local, state and national projects. They help with Leader dogs for the blind, homes for the blind and also sponsor a loan closet at the fire hall in Canton where they loan wheel

chairs, crutches and canes to any Canton resident. They put up back stops at Griffith Park and also supply glasses for people from needy families.

The Canton Historical Society began meeting in 1975 and held its organizational meeting in October 1976. They now have 30 members and invite

anyone to join them.

"You don't have to live in Canton to be interested in the history of the township" said Dorothy West, club president.

The Welcome Wagon held its first meeting September 1973. Val Gildo, club president said

ED AND JENNIFER WENDOVER WITH JESSICA

Wendovers celebrate Jessica's birth

W. Edward and Jennifer Wendover of Parkhurst Street in Plymouth Township announce the birth of Jessica Bidwell Wendover on Jan. 20.

Jessica was born at 11:15 p.m. at St. Joseph Mercy Hospital in Ann Arbor and weighed seven pounds, two ounces.

Grandparents are Donald and Margaret Bidwell of Salem Township and Billie Bidwell of Sarasota, Fla.; and William and Jean Wendover of Plymouth.

Symphony concert a family affair

The Plymouth Symphony's Family Concert, an annual affair since 1952, will be presented this year on Sunday, Jan. 29 at 4:00 p.m.

This particular concert, always planned to excite young people as well as seasoned music lovers, is exceptional in both respects. Not only will it feature the father and son combination of Louis B. Stout Sr. and Jr., but our own outstanding young trumpeter, Arthur E. (Skip) Larson, Jr.

Also appearing will be a group of young violinists from the Suzuki Association of Plymouth, all trained in the renowned Suzuki method.

The conductor for this concert will be Clark Etienne Suttle, formerly of Livonia, now living in Ann Arbor where he is a lecturer in music at the University of Michigan and also conductor and musical director for Easter Michigan University orchestra.

The Stouts, french horn virtuosos, are nationally known. They have performed with symphony orchestras all over the country, as well as appearing on TV shows and special lecture-demonstrations of the senior Mr. Stout's creation, "THE HORN, FROM THE FOREST TO THE CONCERT HALL".

Symphony supporters seek funds

The Nightingale Group of the Plymouth Symphony League is hoping to raise funds for the Symphony by the sale of a coupon book to local residents.

The book, to be sold for \$10 each, will feature coupons from local businesses, each with specific offers from each business.

The Nightingale Group hopes to sell 300 coupon books. Coupons will be good in each from May 1978 to May 1979.

The Plymouth Chamber of Commerce has approved the coupon book idea.

There will be no charge to the merchant to participate in the coupon program, says Nightingale co-chairpersons, Joyce Kelly and Jean Sigmon.

Tickets for the concert may be purchased at the door, or prior to the January 29th concert date, at: Arnoldt Williams Music, Inc. at Ford and Canton Center roads, Audette Office Supply, Beitner Jewelry, Book World and Heide Florist. Adult tickets are \$3.50, Senior Citizens, \$1.75 and students (K-12) are free. The Girl Scouts will again provide baby-sitting service, and Senior Citizens will have free bus service, leaving Tonquish Creek Apts. at 3:15.

Tom Sawyer debuts

Rorabacher chosen for GS cookie sale

Doris Rorabacher, 9566 Gold Arbor, will serve as area chairman for the 1978 annual Girl Scout Cookie Sale which begins Jan. 30.

In this position, she is responsible for coordinating the sale for the 27 selling troops or approximately 530 Girl Scouts, ages 9 to 18, in Plymouth.

In addition to serving on several Area Committees, she has been a Brownie Girl Scout Troop Leader for three years and a Junior Girl Scout Troop Leader for five.

Profits from the sale will help fund the construction now underway of a large troop house at Camp Crawford in Washtenaw County. Funds also underwrite camp maintenance and development for Camp Linden in Livingston County, and Camps Crawford and Hilltop in Washtenaw County.

This year's sale features a new cookie - the Snow Drop, a chocolate cake cookie topped with marshmallow frosting. The other five traditional favorites: Peanut Butter Patties, Thin Mints, Vanilla Sandwich Cremes, Shortbreads, and P.B.'s (oatmeal cookies filled with peanut butter frosting) will also be available.

The cookies are \$1.25 a box, a price Girl Scouts have held for two years.

Jaycees honor Stetz, Yagiela

Sylvia Stetz and Dale Yagiela were chosen as the 1978 man and woman of the year by the Plymouth Jaycees and Jaycettes at a banquet honoring all nominees Friday night.

The winners of the Distinguished Service Awards were announced following a speech by Lt. Gov. James Damman and a U.S. senate candidate.

Other nominees were Shirley Auchinloss, Anne Hommes and Romaine Kling. Other nominees for Man of the Year were Thomas Sullivan, David Pugh, and Mark Wollenweber.

Mrs. Stetz is a homemaker with two children and is active in the Allen school PTO. She is a block chairperson for the American Cancer Society and was instrumental in starting up the Helping Hands program in Plymouth-Canton schools.

Twp. waives penalty tax

Plymouth Township trustees were expected last night to waive a four percent penalty on 1977 property tax payments by extending the deadline for paying the taxes from Feb. 14 to Feb. 28.

Minock engaged

Mr. & Mrs. Ellsworth Minock of Plymouth announce the engagement of their daughter Jean E. to Michael H. Coss, son of Mr. & Mrs. Paul Coss of Pittsburgh, Pennsylvania.

The bride is a graduate of Plymouth High School and Eastern Michigan University. The groom is a graduate of Grove City High School. Both are currently serving in the U. S. Army stationed at Fort Hood, Texas. Wedding plans are set for April 1.

Mrs. Stetz is currently serving as president of the Allan PTO. She is a graduate of Wayne State University with a degree in Family Life Education.

The Helping Hands program was organized locally by the Plymouth Jaycettes and the PTO Council. Mrs. Stetz was instrumental in starting the program last fall, and more

than 1,500 residents now have the bright red Helping Hands signs in their front windows.

Yagiela is director of Growthworks Youth Center in Plymouth.

"Dale's entire life is dedicated to helping young people in Plymouth-Canton to find direction in their lives," wrote David L. Smith, Chairman of the Growthworks Board of Directors in a nominating letter.

PHS Class of '38 reunion coming up!

After 40 years a class of high school seniors can scatter far and wide. And so for the reunion of the Plymouth High School Class of 1938 coming up in June anyone with information on the whereabouts of a '38er should call one of these people: Ernestine Cooper, 937-9184; Eleanor Epps, 348-9062; or Helen Shepard, 464-0384.

The reunion will be held at the Plymouth Elks Club on June 24 starting at 6 p.m.

From burgers to books

White Castle restaurant of Canton, has donated \$200 to the Canton library fund.

"We repeatedly stressed we take a very real interest

in the welfare of the communities we do business in," said Jack Reynolds, area manager of the restaurant. White Castle is currently building in Canton.

Schools approve charity donations

The Plymouth-Canton School Board approved in concept the policy of donating to charity any unsold materials that are obsolete, excess or salvageable. Materials won't be donated

to school employes, however, the board said.

The discussion of the policy was its second posting and presumably it will be approved later by the board.

Canton panel rejects apartments in Stonegate

BY DONNA LOMAS

Thirty homeowners from the Stonegate subdivision in Canton turned out at a Canton Planning Commission meeting Monday to support a zoning amendment banning apartments within their subdivision.

The Commission approved the amendment by a vote of 4-3, with chairman Robert Padgett and Commissioners Bart Berg and Robert Shefferly dissenting.

The amendment would allow the developer, Dominic Mocerì, to build 113 single family lots in place of a school and a shopping area in a planned unit development.

Plymouth-Canton School District officials told the developer they were not interested in the site. A representative from

Mocerì's company said he had been working closely with Stonegate homeowners on the kind of single family homes that would be built there, and assured the audience the dwellings would be within the \$60,000 range of the homes already there.

Mocerì's representative said 2.2 acres have been added to the existing park and the intent of the amendment was to safeguard the township against "intense use."

T. J. Rivard, president of the Stonegate Homeowners' Association, said the homeowners were in favor of the amended zoning.

He said that corner of Canton already had too much multiple-family zoning (apartments, townhouses, condominiums). The property is located at the northwest corner of Lilley and Palmer Roads.

Some of the residents said they favored the zoning amendment because it would keep their property values high and because "homeowners care more about Canton than do transient apartment people."

Still more homeowners added that they were concerned with the quality of growth in Canton and they urged the commission to look at "total growth management in Canton."

Planning Commissioner Bart Berg said the reason for the requested change was that there was no market now for multiples. "We should accommodate all lifestyles," he said. "A planned unit development is to provide for a mix of people."

"Palmer is not a good road and there is no ready access to I-275," noted Commissioner Dick Kirchgatter. "The Edison

power corridor surrounds the property, and I think it tends to deflate the value of the property there. On that par-

ticular parcel, my gut feeling is that we would perpetuate a mistake out there (if the amendment were denied)."

Alternate school talk planned

The proposed alternative high school for the Plymouth-Canton School District will be discussed at a Board of Education workshop Feb. 6.

The report of the Alternative Education committee will be covered at the meeting which will start at 7 p.m.

The board scheduled the discussion at Monday's board meeting.

Random selection, the controversial process that uses computers to assign eighth graders to either Canton or Salem High School, will also be discussed at the meeting.

REALTOR

THE IMPACT OF EXTERNAL APPEAL
The external appearance of your home has an important impact on potential buyers. You will never get a prospect interested unless he stops to look. Don't rely on the inside of your home "selling" it. Your prospect may be "turned off" before he reaches the front door. So look at the exterior with a critical eye.

Give the house a fresh coat of paint if needed. Replace any broken or cracked windows. Replace loose shingles. Fix the fence. Keep the lawn mowed and the shrubs trimmed to give your house that "well-cared-for" look. Make sure your screen or storm door is in top

shape and your wooden door is inviting with a fresh coat of paint or varnish. It is not uncommon to see a hundred dollars worth of improvements and some elbow grease increase the value of a house over a thousand dollars.

Put yourself in the buyer's shoes. He is looking for charm, comfort, location and a bargain. Give him the best show for the money.

If there is anything we can do to help you in the field of real estate, please phone or drop in at REALTY WORLD, Wm. Decker, Inc. Realtors, 670 S. Main St., Plymouth. Phone: 455-8400. We're here to help!

I live in a high growth area and would be representative of these people and their concerns," she wrote in her letter.

Richard A. Ostella, 32, of 679 Adams in Plymouth, works as a bricklayer and as a minister of the Plymouth Fellowship Church.

"I am compelled by the fact of corporate responsibility which rests upon each individual in the school district (to his family and to all families of Plymouth-Canton) to express this interest and to offer my time and effort," he wrote.

Ostella moved to the Plymouth-Canton district one and one-half years ago.

R. Richard Hayes, 31 of 44526 Clare Blvd. is an executive for Burroughs Corporation in a plant in Detroit. He moved to the Plymouth-Canton district three and one-half years ago.

"I seek fiscal responsibility and sound management of education programs in a system known for quality but facing critical challenges in the future," he wrote.

James D. Walaskay of 43007 Ann Arbor Trail in Plymouth Township is an assistant to the Secretary-Treasurer of the Hoover-NSK Bearing Company.

"My interest in being appointed to the board is to help in the many vital decisions in the area of financing and budget control and hopefully, to add new and progressive views. I feel that the financial area is one of the most important in today's education," he wrote in his letter.

The board originally planned to choose the new member Monday, Jan. 30, but this would be 21 days after George Lawton resigned and state law permits only a 20-day span to fill a vacancy.

A special request from the Plymouth-Canton board to the Wayne County Intermediate School District for the one-day extension was denied, President Tom Yack said at Monday's meeting.

Tenants subsidized

lives in the city, a qualifying tenant would not have to move from his present apartment to get his rent subsidized.

Rent subsidy levels reflect the "fair market rent" on local homes and apartments, and Plymouth has the highest fair market rent in Michigan, the HUD spokesman said.

Income levels beneath which subsidies begin are \$11,200 for an elderly person or couple and \$13,500 for a family with children.

Prospective tenants include local senior citizens - numbering more than 100 - now on the

waiting list for apartments at Tonquish Creek Manor. Notices have been sent out informing them of the new program, for which they can apply without losing their place on the Tonquish Creek list.

But that list right now has a six-year waiting period. "A good number of people on the waiting list for this building won't live to make it," the HUD spokesman said.

Coordinator of the program here is June Nichols, working with Fran Yoakam, director of the Plymouth Housing Commission.

Chamber taps Janes

Larry Janes, owner of the Gourmet Gallery on Ann Arbor Trail, has been elected chairman of the retail committee of the Plymouth Community Chamber of Commerce.

He succeeds Joan Gerigk of the Alphabet Gallery, who resigned last November.

CPR workshop set at Salem

A Cardio-Pulmonary Resuscitation (CPR) workshop will begin at Salem High School on Jan. 26. The CPR workshop will give participants the basic knowledge and practical experience to aid a cardio-pulmonary arrest victim.

Classes will be held each Thursday for four weeks in room 2512 from 6 to 8 p.m. Participants must be at least 13 years of age and have a seventh-grade education.

There is no cost for the workshop but a textbook, "Basic Life Support - CPR", costing 26 cents, is required. Allie Suffety, a Red Cross certified cardio-pulmonary resuscitation instructor, will teach the class.

To register call 453-3100, extension 247, weekdays between 1:30 and 3 p.m. The last day to register is Monday, Jan. 23.

the south by Clemons Drive. Planned in addition to a restaurant and lounge and a shopping center with grocery, hardware, drug and smaller stores is a 204-unit apartment complex that would have included two-to five-story buildings. To permit five stories, the township would have had to alter current zoning restrictions, which allow five-stories-mid-rise under the current zoning code - only adjacent to expressways. The site of the proposed development is about a block and one-half south of the new M-14 expressway.

The Plymouth-Canton area seems to be a very transient area as many friends go and come. A lot of people are getting transfers to the warm climate of the South but the Whiteleys - Ron, Billie, Steve, Bryan and Kendra - decided they could withstand the cold weather. Ron recently received a transfer to Minnesota.

Bobby and Jenell Powell hosted a going away party for Ron and Billie. Among the neighbors joining in to wish them well in their new home were Barb and Phil Castrodale, Angie and Don Shereden, Cathy and John Prince, Ruth and Jim Huddleston, and Pat and Skip Hentz.

Others joining in to say their goodbyes were Jack and Ann Hommes, Kathy and Jim Bendike, Flo and Bud Pinkston and David and Sharon Anyan. Some of the gifts they received were pen and ink sketches of Plymouth landmarks, antique napkin rings (which Billie collects) and a neon-lighted scoreboard of the U of M and Texas A & M game.

Bryan was guest of honor at a surprise party at Little Caesars. Helping him chow down the pizza while saying their goodbyes were Bob and Jeff Powell, Vinnie and Mike Messana, Paul and Steve Swartzinski, Rickie Cummings, Kyle Austin, Adam Kocik and Mike Wortz.

Following a skating party, Kendra's Blue Bird troupe presented her with a handkerchief with each of their names embroidered on it. Saying their farewells were troupe leaders Sandy Durham and Bev Barr and Kendra's friends Michelle Barr, Lisa Castrodale, Leeann Pace, Kelly Cooper, Amy Durham, Darcy Stranik and Lisa McAmber.

Some of Steve's friends from Geneva Church said goodbye to him in December at the home of Jim and Jane Scott.

Camp Fire Girls from the Plymouth-Canton Cluster attended a roller skating party at Sakteland-West last Saturday. Participating in the fun were girls from the Bluebirds, Adventures and Discovery Club along with their leaders: Mrs. Rosemary Hix, Mrs. Cheryl Brining, Mrs. Kay Williams, Mrs. Darlene Goemer, Mrs. Pat Armstrong, Mrs. Thelma Harwood, Mrs. Judy Clement and Mrs. Nancy Smith.

By going on this roller skating party the Adventure level of Camp Fire girls earned honor beads and other requirements to obtain their Try-Ad beads.

Plymouth Paw Prints 4-H Dog Obedience class recently graduated their fall class. Members of the class who went on to join the 4-H club are: Pam Gillespie, Gayle Davidson, Vicki Bruce, Heidi Pfosch, Liz Leicas, Jennifer Janover, Michelle Kild, Robin Brandt, Glenn Golanda, Cheryl Smith, and Kathy Meah.

The club meets every Wednesday at 7 p.m. in a heated area at the Youth Center. A new class will start March 1 with trainer Carol Lamb. Information can be obtained by calling 453-6760 or by writing to 9350 Southworth in Plymouth.

Whether you are watching your weight or gobbling up the calories Canton Newcomers has just the thing for you.

They have recently come out with a new cookbook with favorite recipes from club members. Anyone interested in receiving a cookbook at \$3.25 may call Karen Cifrodella at 981-0264 or Sue Lawrence at 453-7305. The proceeds will go toward a local charity.

State may build berm on M-14

The State Highway Department has tentatively agreed to build a berm along the north side of Ann Arbor Road east of Canton Center in Plymouth Township - provided the township will maintain it.

Township officials said they welcomed the plan for the berm, but expected to ask residents of the Trailwood subdivision, who will benefit from the berm as a buffer from Ann Arbor Road traffic, to assume responsibility for it.

It came to my attention that the cooks truly enjoyed the column by our photographer Bill Bresler last week. Unfortunately for the cooks things are back to normal. I have recovered from the flu and Bill is back in the dark room dreaming of the hot cinnamon rolls he never received. However, the way to my heart is not through my stomach (as in the case of one dieting photographer who is not suppose to have cinnamon rolls) and praise will only be given when praise is due. A student's choice lunch program is being offered at Tanger. That's great - food is certainly more enjoyable when you can have it your way. Friday's brunch idea with french toast and applesauce also deserves merit. Also a salute to the northeastern section of the country this week: the beans are from Boston, the beets from Harvard and the copper country pasty pie from our own Upper Peninsula.

Jaycees fall for charity

3 cops subdue man in backyard

A 64-year-old man slugged a Plymouth officer in the chest last week as the patrolman was chasing another person through the man's backyard.

According to the police report, it took three officers to subdue the man, James E. McKenna of 233 W. Ann Arbor Trail who was charged with interfering with a police officer.

The original suspect escaped. The incident started when officers Anne Herndon and Robert-Henry discovered two vehicles at the intersection of Fairground and Maple in Plymouth.

After Lt. Robert Commire and Officer Ed Ochal arrived on the scene and the occupants of the cars were ordered outside, one person jumped out of his car and fled north on Fairground toward Ann Arbor Trail, the police said.

Ochal gave chase and while running through McKenna's backyard, the police report said, McKenna said, "Who are you?"

Ochal replied he was a police officer chasing a suspect, but McKenna replied, "Not in my backyard," and "severely struck" Ochal in the chest, the police reported.

Meanwhile, Herndon left the occupied vehicles and found Ochal on the ground, apparently injured and fighting with McKenna, the police said.

While attempting to handcuff McKenna, Herndon was struck in the stomach and it wasn't until Henry arrived that McKenna was handcuffed and arrested, according to the police.

The original suspect escaped.

Car swiped

A woman who left her car running while she left it for a moment Saturday, returned to find it stolen, police report.

Joanne E. Potter, of Livonia, started her car around 11 p.m. Saturday and returned to the Penn Theater where she is employed. Moments later she returned and discovered her late model two-door car gone, she told police.

Canton studies sewers

Some 1900 feet of sewer is expected to be installed on the north side of Ford Road between Sheldon and Morton Taylor roads in Canton.

The item was discussed at last night's regular board meeting, and the sewer extension was expected to be adopted. All land surrounding the extended sewer is zoned commercial.

A sanitary sewer extension on Lilley Road was also discussed by the board Tuesday. Several residents had complained to the township about the lack of adequate sewer facilities township officials said. The land there is zoned residential.

Estimated cost of sewer per foot is \$40, township clerk John Flodin said.

Canton service clubs growing

Cont. from pg. 10

The Canton Newcomers Club started in the fall of 1972 with the help of the Plymouth Newcomers. They are a service club but also enjoy many social activities. "We have 275 members with new people coming in all the time" said Ginny Koon, club advisor.

the main idea behind the club is to "promote good feelings in the community". Their meetings are open to anyone in the Plymouth-Canton area. They meet the first Thursday of each month.

Their yearly projects include giving a scholarship every year to a Canton student, helping in a nursing home and filling baskets of food on Thanksgiving for needy families in the township.

The club meets the first Wednesday of the month at 7:30 p.m. at Pioneer Middle School on Ann Arbor Road.

The oldest service club in Canton is the Goodfellows. They

have been active for 27 years. They started with the help of the Plymouth group and have been selling papers every year at Christmastime to bring Christmas to children of needy families.

Not only are sizes of the service groups growing in Canton but the number of service clubs is also increasing, keeping pace with the rest of the Canton community.

Rocks whip A.Park

BY CHAS CHILD

You wonder why they play these kind of games sometimes. Salem's junior varsity could have probably beaten the hapless Jaguars from Allen Park.

As it was, the Rocks, with liberal substitutions from the bench, clubbed Allen Park Friday, 76-42.

The Jaguars had the misfortune of playing Salem after the Rocks suffered two frustrating losses (Bentley and Belleville) and had beaten Edsel Ford by a close margin.

A laugher was probably just the medicine for Salem's frustrations and the team took it without complaint as it rolled up a lead of 36 points at one time in the fourth quarter.

In fact, Coach Fred Thomann put his starting five in late in the last period with a 30-point lead and Tom Ellinghausen poured in 10 straight points for the Rocks.

After the offensive display, the five — Mike Christie, Rich Hewlett, Steve Horton, Doug Agnew and Tom Ellinghausen — were replaced all at once to an ovation from the homecourt fans.

Allen Park's coach, David Sherrard, said he thought Salem Coach Fred Thomann was trying to roll up the score by putting in the starters in the fourth quarter. But Thomann objected strongly.

"My starters hardly played eight minutes in the second half. I've got to prepare my team for the season. They didn't break a sweat in the second half," the Salem coach said.

The victory gave the Rocks a 6-2 Suburban Eight League mark and a 10-2 record overall.

In the first half, both teams played uninspired ball, although the Rocks had a 29-16 lead at intermission.

Salem came out in the second half, however, and with crisp passing and some fast breaks, outscored the Jaguars 21-10 in the third quarter to squash any hopes Allen Park had to catch up.

Tom Ellinghausen, by virtue of some excellent inside work, led the Rocks in scoring again with 24 points.

Mike Christie and Dave Monk were the only other Rocks in double figures with 13 and 10 points respectively.

The Rocks next game is Friday against Dearborn on the Pioneers' court.

Salem squeaked by Dearborn in their first game by two points, 46-44, and Thomann expects the Pioneers to slow the game down and try to set the tempo of the contest.

"If we can handle their zone, we'll be in good shape," he said.

Canton downs Bentley

In a classic showdown between the Western Six and Suburban Eight League basketball leaders last night, Canton hardily defeated Livonia Bentley, 59-48, in Livonia.

Butch King was Canton's big gun again, scoring 25 points. Ten of these were poured in during the incredible second period which saw the Chiefs erase a 15-6 deficit after one quarter and take a 24-19 lead into the lockerrooms.

Starting in a 1-2-2 zone, the Chiefs hoped to keep the ball outside and away from Bentley's big men underneath.

The strategy failed, however, and Canton Coach Casey Cavell switched to a man to man defense at the start of the second quarter.

It proved precisely the thing to do and the Chiefs came storming back. Led by Mike Leary's defensive hustle and King's hot shooting, the Plymouthites outscored the Bulldogs 18-4 in the second quarter.

"Leary did an excellent job covering 6'8" Chris Bollin," Cavell said. "He forced bad passes and helped us control the boards."

Although the Chiefs never broke the game wide open in the second half, they controlled the tempo of the game and the Bulldogs never got closer than five points.

"It was our best ball game of the season," Cavell said. "It was a tremendous team effort, especially on defense. We had discipline, team work, and control. I think we're starting to gel."

Besides King, the only other Chief in double figures was Brent Eckles with 10. Leary chipped in eight, Keith Fuelling added seven and Rusty Mandel scored six points.

The victory upped Canton's season record to 7-5. Their 4-1 Western Six mark is good for first place while Bentley is 7-0 in the Suburban Eight and also in first place.

Chiefs hold off Harrison

BY JEFF REY

The Canton basketball team fought off a final three-minute Farmington Harrison comeback to victimize the Hawks for the second time this season 69-65.

The Chiefs were simply not about to blow a three and one half quarter lead in the last few minutes. They demonstrated some excellent ball control, stalling for 30 seconds and ending the stall with some superb outside shooting.

Canton's defense once again did well totaling 17 steals. "We didn't expect to play man to man, but there was no need to go to a zone," Coach Casey Cavell said.

The Chiefs jumped out to a quick 20-13 lead in the opening quarter with Canton's leading scorer Butch King scoring eight points. Canton extended their lead to nine in the second quarter to take a 42-33 lead at the half.

"Mike Leary came in and played a good second quarter," said Cavell. Leary scored eight points during the period.

The Hawks scored 16 points in the third quarter to cut Canton's lead to seven 56-49.

Farmington staged a mild final quarter comeback which proved to do nothing more than add a little excitement to the final minutes of the game.

The Chiefs put the game

on ice when Harrison committed three fouls in the final minute trying to regain possession.

The win strengthened the Chief's grasp on first place in the Western Six with a 4-1 League record.

King led the Chiefs in scoring with 22 points followed by Kurt Herbert with 12.

Randy Rienas snatched nine rebounds and Junior Rusty Mandle had ten assists and nine steals. Overall the Chiefs had 29 rebounds and 24 assists.

"We played a tough game defensively," said Cavell, "King was shooting good and Doug Smith played real well."

The junior varsity squad won their fourth league game of the season also, defeating Harrison 65-50.

Dave Visser and Scott Adler both finished with 16 points followed by Brad Westin with 15 and Dave McGlenn with 12.

Canton takes on Walled Lake Western on Friday at Walled Lake. JV begins at 6:15, Varsity follows at 8 p.m.

EMU icers to play here

Chief gymnasts win opener

In the first Canton gymnastics meet ever, the Chiefs were victorious, whipping Walled Lake Central, 75.9-63.2, last Monday.

Leslie Bublin did it all for the Plymouthites as she swept to first place in all four events: vaulting, uneven bars, balance beam and floor exercise.

The Chiefs copped the top

three places in vaulting. Bublin led with a 7.2 score, followed by Katy Heaton, 7.1, and Ledah Schrader, 6.9.

Bublin and Schrader finished one-two in the floor exercise with scores of 7.1 and 6.75.

In both the beam and uneven bars, Schrader placed third behind Bublin's two firsts. Bublin had a 7.25 and Schrader a 6.2 in the beam and in the

bars, Bublin's winning score was 6.75 and Schrader tallied a 5.05.

"Leslie did very well for her first meet. I think she's close to qualifying already for the state meet," said Coach Barb Wynne.

"Although the first meet went well, I think the girls will work harder now that it's over. They know what to work on," Wynne said.

Tonight, the Chiefs take on their second opponent, Belleville, in their first season of varsity competition. The meet starts at 7 p.m. at Belleville.

Rock gymnasts lose opener to Belleville

No Rock finished in the top three places in any event as the Salem gymnasts lost their first meet of the season last Wednesday.

Belleville beat the Rocks, 69.1 to 33.34.

Nicole Rollins did come close, however, in the floor exercise, earning a 6.2. The Tigers' third place finisher had a 6.5.

Rene Louks in vaulting tied for fourth with a 4.35, while

Rollins had the best Salem score in the uneven bars and Bonnie Peters did the same for the Rocks on the balance beam.

"I'm hoping we can improve our team score by 10 points for our next meet," said Salem Coach Gretchen Parcels. "We had a lot of nervousness to overcome."

The Rocks go against Northville and Oak Park at Northville tonight. The meet starts at 7 p.m.

Haze Wilson,
Community Relations Manager,
Livonia, offers you this
telephone tip:

Teach your children how to use the phone in an emergency!

Anyone can have an emergency at home that calls for fast, intelligent use of the phone . . . a sudden illness, accident, fire. Hopefully, you already have a list in your phone book or elsewhere near the phone, giving the numbers of your doctor, hospital, poison control, police, fire department and your home address. But, if you have children at home, would they know how to use the phone in an emergency? Make sure they do.

Show them where you keep the emergency numbers and how to call the operator, if necessary. Your babysitter should be told who to call, too. Know if 911 can be dialed for fire, medical and police help in your area. Nobody likes to think about emergencies at home. But, it's better to give it a little thought now, than be sorry you didn't later. Why not check out the family on your emergency phone call procedure right now?

Rock grapplers grab 2nd place

Tuning up for a head-to-head meeting with Belleville the Salem wrestlers thrashed Allen Park on Thursday and placed second in a tough field of eight teams in the Monroe Invitational on Saturday.

Wally Brown was named the "Outstanding Wrestler," of the Monroe Invitational, taking first place at 155 pounds and whipping the second, third and fourth place finishers.

He pinned Mike Johnson of Monroe in the finals at 5:27 and scored a fall over the third placer at 4:05. And the fourth place finisher at 155 pounds lost to Brown 5-3.

Monroe won the event.

Four Rocks battle to the finals of their weight classes but lost to take second place: Jeff Brown, Steve Ernst, Roger Penix and Bob Doherty.

Ernst lost in a tough match in the finals to last year's state champion, Ron Vig, by a 10-6 score.

In other weight classes, Jim Ross pinned David Jefferson

of Highland Park in the consolation finals to take third place.

Also finishing third was Bruce Piper at 178 pounds. He beat a Saline wrestler 3-1 in the match.

At heavyweight, Bill Jacobi took fourth, as did Bob Barackman at 126 pounds and Mark Ross at 119.

Against Allen Park, Bob Barackman, Joe Piccola, and Bob Dasher pinned their opponents and Jim Schultz, Jeff Brown, Roger Penix, Wally Brown and Bruce Piper won their matches to lead the Rocks to victory.

Last night, Salem battled for supremacy in the Suburban Eight against Belleville.

Both teams were undefeated in the league and whoever wins will have an edge for the league championship which will be decided Saturday during the league meet at Livonia Bentley.

Belleville finished third at the Monroe Invitational.

Canton whips C'hill

Canton's wrestlers whipped Livonia Churchill Thursday to even their mark at 2-2 and boosted their overall record above .500 to 5-4.

Also, from an historical perspective, the two league wins exceeds the total of the last four years combined. In the four previous years, the Chiefs were 1-18-1 in Western Six action.

The momentous event comes on the eve of the Western Six league meet on Saturday hosted for the first time by Canton.

Before the league meet, however, The Chiefs must face on Thursday imposing Farmington Harrison, undefeated in league action this year.

"We're going to be a factor in the league meet," Canton Coach, Dan Chrenko said. "Harrison is the favorite but with a couple of breaks we could be knocking on the door."

Against Churchill, two Chiefs scored falls: Craig Lee at 128

pounds in 1:43 and Dennis Howell at 4:58.

Also, Kyle Heaton superior decisioned Bill Olive 13-0.

Three Chiefs won by forfeit: Mark Gladden, Gary Brokas and Jeff Rey.

At 147 pounds, Dave March beat Brad Noranoff 4-2 in the closest match of the meet.

The league meet starts at 11:30 on Saturday at Canton's Phase III. The consolation finals will start at 6:30 and the championship matches will start at 7:30.

Admission is \$1 for the 11:30 session and \$1 for the 6:30 and 7:30 sessions.

Chief spikers reach semis

In a field of 35 teams at the Schoolcraft Invitational Saturday, the Canton volleyball team battled to the semifinals before losing to Livonia Bentley.

The final-four finished was the best ever for Chiefs in the Invitational. Earlier in the week, Canton upped its dual meet record to a perfect 5-0 by downing Brighton, 13-15, 15-12, 15-7.

"We're real happy," Coach Cindy Burnstein said, referring to the Schoolcraft finish. "It's a big thrill."

The 35 teams in the Invitational were divided into seven pools of five teams each. The Chiefs finished second in their pool (behind Flint Kearsley) to move onto the qualifying round.

Royal Oak Kimball fell Canton in this round and the Chiefs moved on to defeat Dearborn Fordson, 15-6, 9-15, 15-12, in the quarterfinals.

The semifinals were the end of the line, however, as Canton lost to powerful Bentley, 15-8, 15-12.

Two setters, Laurie Beck and Sue Rekuc, played especially well in the tourney. "Laurie's net play and fakes were ex-

cellent and Sue was alert and hustling," Burnstein said.

Kathy Sochacki did some nice defensive work while Kelly Heaton added several good spikes in the tournament.

The Brighton victory boosted the Chiefs' record to 5-0 overall. It was the first defeat for the Chiefs opponents although they did hand Canton its first game loss of the season.

Salem cops loop win

The Salem Volleyball squad won their first league match of the season last Wednesday, by whipping Edsel Ford in the final two games of the three game series.

The Rocks dropped their first game 15-13, but they battled back to snatch the next two, 15-11 and 15-8.

"Our setters Sue Busha and Chris Ann Minoff did an excellent job along with our spikers Clarisse Harnett and Karen Prikosivitz," said Coach Kathy Hines.

Salem participated in the annual Schoolcraft Invitational on Saturday winning five games and losing three to take a second in their pool.

Their second place finish was not good enough to qualify the Rocks for the finals, but

none the less Hines said, "our girls played excellent, there were just alot of tough teams at the tournament."

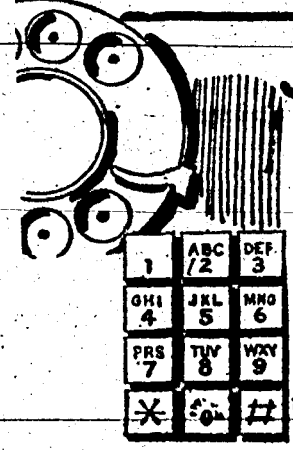

The Rocks host Trenton tonight in the Salem gym. The game begins at 7 p.m.

Canton dunks 2 league foes

BY JEFF REY

The Canton swim team showed no signs of slowing down after losing to Northville last Thursday as they picked up two dual meet victories in the Western Six this week.

On Tuesday the Chiefs dunked Farmington Harrison 93-78. Canton won eight out of 11 events with Steve Wood and Paul Pederson both receiving double wins.

The meet came down to the last event in which Harrison's No. 1 relay team was disqualified for jumping the gun, giving Canton a one-two finish in that event for the final victory.

Then on Thursday the Chiefs

blew the Churchill Chargers out of the pool by a score of 109-60.

"We swam a lot of people in different events," said coach Bill Faunce. Canton also won eight out of the 11 total events.

The Chiefs finished first and second in the 100 medley with times of 1:52.3 and 1:57.9.

Paul Pederson won two events and set two pool records.

The first in the 200-yard individual medley with a 2:01 and then again in the 100 backstroke turning in a 59.6.

Dave Tanner grabbed a first in the 50 freestyle with a 23.8 finish followed by Mike Gaab finishing second and Doug Hetu finishing fourth.

Bob Cline finished on top in the 200 freestyle with a 1:55.2 followed by Dave Smith with a third in that event.

In diving sophomore Steve Gray recorded his personal best for a second with an 158.15 point total.

The Chiefs posted a grand slam in the 100 fly with Wood grabbing first place honors turning in 57.4, followed by Tanner with a 59.0, and Paul Ardanowski with a 1:07.0.

Canton's other top finishes include Gaab with a second in the 500 freestyle turning in 5:47, John Hawkins with a 1:14.4 in the 100 breaststroke and Jeff Simpel finishing second in the 100 backstroke.

The 400 freestyle relay set a new pool record and copped first place honors with a 3:28.4 finish. Swimming the event were Cline, Wood, Pederson and Tanner.

Thursday's victory boosted the Chiefs record to 5-1 overall and 3-1 in the Western Six. The Chiefs now have a strong hold on second place in the League.

Rock tankers tie Bentley

Salem's swimmers settled for a tie with Livonia Bentley Thursday but at least they pulled it off with style.

With the last event to go - the 400-yard freestyle relay - the Rocks were 10 points to tie and had to first and second place for the tie.

The two relays came through, the Salem earned an 86-86 tie to give them a 2-3-1 mark overall and an 0-1-1 league record.

The team of Jeff Harris, Barry Lee, Jeff Stella and Tom Rubadue touched first in the event, while Charlie Spurlock, Mike Etienne, Scott Plagens and

Craig Finley came in second. In other events, Etienne copped two firsts, in the 100-yard and 200-yard freestyles.

Finley broke his personal best in the 200-yard individual medley with a time of 2:07.3 that was good for first place. He also swam a second in the 100 yard backstroke with a time of 1:07.

Salem's only other first was Tom Rubadue's in the 500-yard freestyle. He also picked up a second in the 50-yard freestyle.

In the 100-yard butterfly, Kirk Albert and Rob Kuebler took second and third respec-

tively and in diving, Dale Hartford placed fourth with 123.65 points and John Atkinson was fifth with 120.8 points.

The Rocks copped another second and third combination in the 100-yard breast stroke. Bob Simone touched second and Jeff Stella, third.

In the 200-yard medley relay, the quartet of Bruce Harwood, Simone, Kuebler and Charlie Spurlock finished second.
