

Ford Rd. nightclub planned

BY ROBERT KIAN

A local developer has announced plans for a proposed 1,000-seat nightclub-style entertainment center on Ford Road east of I-275 in Canton.

According to Don Soenen of Plymouth Township, one of the developers, the 16,000 square foot building will feature concerts and will serve liquor.

The proposed project will be built in a C-2, general business district. No rezoning is needed for the nightclub, although Township Planner

George Peek recommended some changes in the site plan.

The Canton planning commission Monday told the developers to clear the wooded area on Lotz to make way for a "berm treatment," a decorative mound of earth at the Ford Road entrance to keep car headlights from disturbing nearby residents.

The developers were also directed to come up with a revised drawing to have the berm within the height specified in Canton ordinances and

incorporate as many trees into the planned entrance as possible.

Construction is scheduled to begin in the next few weeks with completion before the year's end.

Walnut Creek, according to Soenen, will feature nationally known entertainers and will also be used for speaking engagements, and catered parties and banquets. Kitchen facilities are scheduled to be added some time after completion.

The only access to the facility will be Ford Road, with the possibility of one on Lotz if paving is approved at a later date. Soenen sees no traffic problems, saying that there would be a steady flow of customers, and not a mass influx and subsequent exodus seen in large auditoriums.

The motion to postpone approval of the plan was made by Commissioner Richard Kirchgatter with Commissioner Brian Schwall supporting.

Ruling may end 'opting out' of ESY

Greenstein may want supervisor's job back

Former Canton Supervisor Robert Greenstein, now a part-time township police officer and Livonia attorney, told The Crier Monday there was "a definite possibility" of his running for supervisor this year.

Greenstein, who was elected in 1974 was narrowly defeated by current Supervisor Harold Stein in a hotly-contested campaign in 1976. In both races, he ran at the head of a slate of candidates, members of his New Democratic Club. This time, he says, he'd run alone. "I would run as an individual, that's for sure," said Greenstein. "No team, no slate. I'm not sure which party."

Greenstein said he didn't know whether he would run for the supervisor's seat or for trustee. "I'm waiting to see what others will do," he said.

The 41-year old attorney said he would take a political leave of absence from his part-time police job while campaigning, but that, if elected, didn't think he would have to give up his job.

"I want to work a few times a month to keep my experience up," he said. "I like the idea of helping protect Canton."

Republican attorney Peter Bundarin, who ran against Stein and Greenstein in the 1976 election, has said he will not run for office again in Canton for "personal reasons."

Sec'y of State office due

On July 1, the Plymouth-Canton Community will once again have its own branch office of the Secretary of State.

According to a spokesman for Secretary Richard Austin in Lansing, the office will be located in a shopping center under construction on Lilley Road just south of Ford.

Plymouth's old office, on Passiman Avenue, closed last year when its operations were merged into a new office in Northville.

Twp. to buy building; offices will expand

BY HANK MEIJER

If the purchase of a vacant adjacent building is approved, office space in Plymouth Township Hall may soon be nearly doubled.

Township officials have taken an option to purchase, for \$117,000, the 4,100-square foot Teledyne-Howell-Penn-craft plant on Ann Arbor

Road directly east of Township Hall.

According to Supervisor Tom Notebaert, trustees are awaiting an opinion from Township Attorney Donald Morgan on how the township may approve the purchase.

Although Morgan originally

BY CHAS CHILD

Students in Extended School Year (ESY) attendance areas might not be allowed to attend schools with traditional calendars next year, following a State Attorney General's opinion announced Monday.

In a ruling issued April 11, but sent to the Plymouth-Canton School District only last week, Attorney General Frank Kelley ruled that the district must provide transportation to the children "opting out" of ESY schools.

Under the Plymouth-Canton policy, if a student opted out, he must provide transportation to the school on the traditional calendar, no matter if he did so voluntarily.

The decision was made on the basis of the State School Code, which states that school districts must provide transportation to students who live farther than one and one-half miles from school.

"Since we do not have the money or the buses to transport the opt-out students, the end result of the decision may be that we will end the option to go to a traditional school," said School Superintendent Mike Hoben. "The opt-out students may have to go to their ESY schools."

For the 15 days remaining in this school year, however, Hoben said the approximately 45 opt-out students will be bused to the traditional schools they have been attending all year. "We don't want to disrupt their schedules," Hoben said.

Today, Hoben plans to meet with State School Superintendent John Porter on the attorney general's opinion. A final decision on whether the opt-out program will be kept next year will be made after the meeting, Hoben said.

Since parents in the opt-out program signed a form which supposedly relinquished their rights to be bused, the attorney general's decision may bring into question any such

City awaits plan for parking ramp

BY CHAS CHILD

A proposal to build a parking structure in downtown Plymouth may be presented to the City Commission in less than a month.

Planned for the Weidman Lot on Main Street behind the Mayflower Hotel, the structure would be funded by assessments from merchants surrounding the structure and by city parking meter revenues.

Under the scheme being prepared by the Plymouth Parking Commission, the merchants' share would be determined by how close they are from the Weidman Lot.

Fifty-foot concentric rings would be drawn around the lot, and the assessment would be set according to which ring the store or business was in.

The size of the business would also be figured into the assessment formula. The larger the store, the higher the assessment.

Harold Guenther, chairman of the parking commission, said the merchants would pay one-half of the costs of paying off the bonds needed to build the structure, and city parking meter revenues would pay the other half.

The parking commission's plans got off the ground last Monday when the City Commission gave the parking group \$2,500 to hire an architect to draw up preliminary plans for the structure.

The grant was sparked by the complaints of a number of downtown businessmen at the meeting who told the commissioners that the parking crunch in the downtown area was critical. This shortage was exacerbated last week when Chuck Finlan erected a fence around his 23-space lot on Main Street.

At the City Commission's June 19, a complete proposal will be presented by the parking commission, including a final drawing of the structure and the assessment rates, said Guenther.

The structure may have two

or even three raised levels, said Guenther. Two raised decks would add about 160 parking spaces to the lot, which would still leave a parking shortage in the area.

The block bounded by Ann Arbor Trail, Main Street, Wing Street and Forest Street is 315 spaces shy now, he said.

"More parking is essential for the economic health of the city," said Guenther. "We can't rely on just the city government or just the merchants to handle the problem."

The present ordinance prohibits a merchant from building in the city unless he provides parking to go along with it. Under the assessment scheme, the merchant would be able to build if he is helping pay for the structure.

Although the first target is the Weidman lot, Guenther said there are preliminary plans to build structures in the central lot and the lot behind the Penn Theater.

Dodge successor due soon

City of Plymouth Mayor Tom Turner is expected Monday, June 5 to recommend a replacement for former Commissioner Scott Dodge, who resigned recently to take a job in California.

Among the names that have been mentioned by some observers of the city's political scene are those of Planning Commission Chairman Eldon 'Bud' Martin; Erick Carne, also a planning commissioner and a local architect; and Clay Fechter, another planning commissioner and an unsuccessful candidate in last fall's commission election.

Norb Battermann, a former city commissioner and the recently elected chairman of the city-township unification committee, has also been mentioned.

Colonial Chef bites dust

AN UNIDENTIFIED WORKER watches the tearing down of a building next to the Schrader Funeral Home on Main Street. The structure once housed the Colonial Chef Restaurant. An addition to Schrader's will occupy the site. (Crier photo by Bill Bresler.)

Fire guts central stand

TWO CITY of Plymouth firemen carefully pull a lawn tractor away from a fire that broke out Friday morning at Central Middle School's concession stand. The tractor had a full tank of gasoline and an explosion was feared, City Fire Chief George Schoenneman said.

Canton sign debate goes on

BY ROBERT KIAN

The Canton Township Planning Commission Monday heard citizens' suggestions on the proposed township zoning ordinance dealing with signs.

One directive in the ordinance is the placement of signs 660 feet back from the freeway. Joseph Bloch, a property owner and developer, said that motorists willing to read the advertisement would be an "invitation to an

accident. They'd really have to stop." Reducing the distance to 160 feet would make more sense he said, "than having billboards bigger than a lot of buildings... the safety factor is a consideration."

An objection to the illumination of signs was voiced by Lynne Goldsmith, a township resident, who felt that lighting should be restricted to evening hours with spill-

over into residences measured and controlled.

She said also that the 15-foot limit for "low-profile" signs is too high.

"I don't think 15 feet is Cont. on pg. 27

Boy nabbed for assault at Smith

A 14-year-old Plymouth youth has been apprehended for sexually molesting a girl near Smith Elementary School two and one-half weeks ago.

During the assault on May 7, the youth told the victim, also a 14-year-old Plymouth resident, which street he lived on. Det. Sgt. Dan Carpenter went door to door on the street and made a list of suspects.

He got pictures of the suspects from middle school year books, and the victim identified the youth from one of these pictures. The whole investigation took about a week, Carpenter said.

The youth was turned over to officials of the Wayne County Juvenile Court and in two weeks, they will decide whether to admit him to a juvenile home or place him under psychiatric care, said Carpenter.

"He admitted he did it," said Carpenter. "And oddly enough, he was wearing the same clothes when he came in as on the day of the assault."

The victim is still "really shook up" over the incident and takes calming medicine, said Carpenter.

Auction draws crowd...pg. 25

Twp. Trustee Millington won't seek 3rd term

Plymouth Township Trustee, Frank Millington at 77 the oldest member of the township board, announced yesterday that he will not be a candidate for re-election.

At his home called "Sue-bonne," a rolling 27-acre property on Beck Road within earshot of M-14 Expressway construction, Millington said he had borrowed a phrase from prizefighter Gene Tunney.

"With what's going on on the board, with the divisiveness that's there," he said, "I'm going to quit while I'm ahead."

FRANK MILLINGTON

1965. Now, he said, times have changed.

"This is the era of opposition," he said. "Note how easy it is to get 1,500 signatures to stop the extension of a sanitary sewers, even though other people really need them."

"It appears that the 'in' thinking today is, 'we have what we want, let the others look out for themselves.'"

Often siding with the township clerk, supervisor and treasurer on crucial votes, Millington held a pivotal position on the township board, tilting the balance in favor of the administration in confrontations with the board's three newer trustees, Lee Fidge, Maury Breen and Dick Gornick.

The retired Cadillac executive has served on the board since 1970. He was re-elected easily in 1974.

Looking back on his years in the township - Millington and his wife moved here in 1949 - he concluded that he should have sought the supervisor's post after he retired in

Girl injured by lawn mower in backyard accident

A two-and a half year old Canton girl was injured last Wednesday evening in a lawn mower accident in the backyard of her home on Proctor Street, Canton police report.

Alisa Barlage's leg was caught under the mower housing of a tractor lawn-mower her eight-year old sis-

ter was driving, said police. According to the report, Catherine was mowing the backyard alone after her father left to do something else in the front yard. Police

said the father, Edward Barlage trusted Catherine with the tractor because she had mown the lawn all last summer. The accident occurred when

Alisa was playing in the yard with a six year old neighbor, police said. Canton officers report that Alisa's leg went under the lawnmower when she tried to climb on the left fender of the tractor, after the boy tried to jump on the left fender. Police report Catherine immediately stopped the tractor and the boy shut it off with the key.

PROTESTING inadequate ventilation at Bathey Manufacturing Company in Plymouth, these workers struck the plant Monday. Their action closed the plant and they said they will not return to work until their demands are met. (Crier photo by Robert Kian)

Wildcat strikers shut down Bathey Co.

BY ROBERT KIAN

About 15 wildcat strikers protesting alleged poor working and health conditions and the suspension of two employees at the Bathey Manufacturing Company on Mill Street in Plymouth, shut down plant operations Monday.

The strikers walked out at noon, following the five-day payless suspension of the other employees for "impeding production." They are claiming that Bathey, a manufacturer of metal automotive parts containers, does not provide adequate plant ventilation around welding areas and has not repaired roof leaks - including some near 480-volt electrical switching boxes. Harassment by shop foremen and chemical leaks are also being alleged by the strikers.

According to the strikers, Teamster's Local 614 of Pontiac has not backed them in their demands. Said one striker, Jim Williams, "They say, 'it's uncomfortable, but it's not that bad.' Well, it is that bad."

When inspections fall due, Williams added, fire extinguishers and red warning lights at electrical junctions are placed in working areas by management.

"They set the stage," he said.

Teamster representatives met this morning with plant officials but did not meet further with the strikers, Williams said.

Bathey employees work on production quotas, making it possible for a worker to command eight hours' pay in six. It was over this that the disciplinary action resulted against the two. But, as Williams said, it was not possible for quotas to be met when a water main was out and a shipment of parts had not arrived.

The strikers have promised to remain out until their demands are met. Only nine persons from the noon shift of 150 stayed on the job, following advice to go home from management.

Company president Jim Zimmerman said Monday he had no comment on the wildcat strike.

Canton cop halts suicide

Robert Valith, a part-time Canton police officer prevented a 19-year-old youth from jumping off an expressway overpass last Monday, Canton police report.

The youth, who had no known address or employment, was at the I-275 freeway and Cherry Hill Road overpass at noon that day. Officer Valith came from behind the youth, grabbed him and pulled him away from the overpass, police report.

Cows stroll on US-12

Four cows ambled on to Michigan Avenue and Beck Road during morning rush hour traffic May 13 and caused a "traffic hazard", according to Canton police.

The Canton farmer who owned the cows was called and all four were rounded up and taken back to the Beck Road farm, police said.

Why the "Light Bill" became the "Electric Bill"

It's simple. Back in the 1930s lights accounted for nearly all of the electricity used in your home. But as times changed and convenient, modern appliances were invented, lights became a much smaller part of your total electric costs. And today, with frost-free refrigerators, air conditioners, furnace blowers and ranges,

lights actually account for less than 20% of the electricity you use. That's why proper use and maintenance of major appliances is so important. The more efficiently these big energy users operate, the more economical they'll be. And that can save a lot of money and a lot of energy. Detroit Edison can tell you how

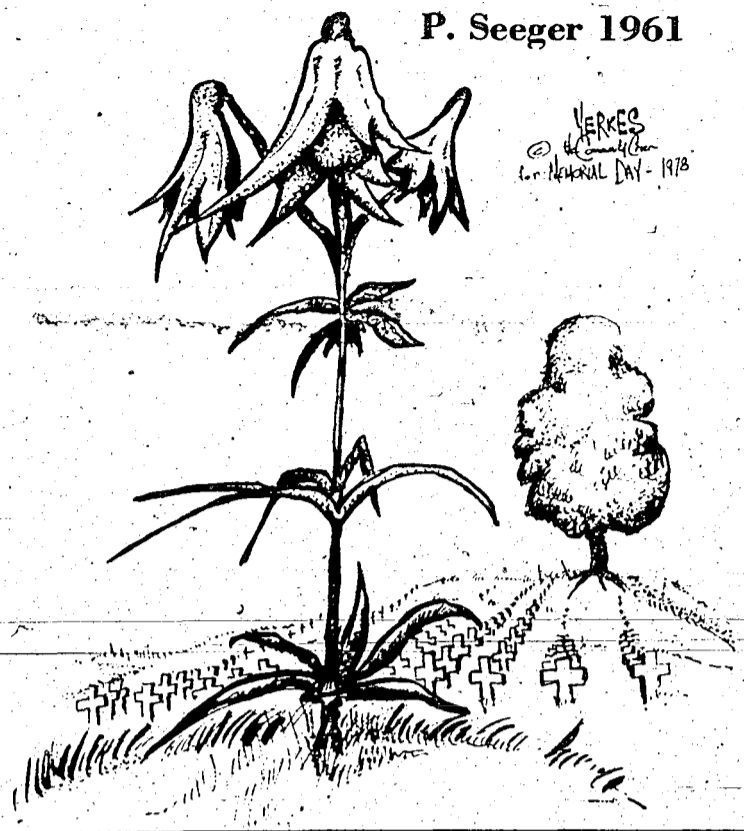

to get the most out of the major appliances in your home. So call or stop in at any Detroit Edison customer office for helpful information. Save where it really counts. The power is in your hands.

Same faces in races

If you're one of those people who like a choice of capable candidates when you close the voting booth curtain, you might say June 6 is dangerously near.

June 6, a week from next Tuesday, is the deadline for candidates for township (as well as state and county) offices to file their nominating petitions.

So far, the petitions have not exactly been flowing out of our township halls. And most of the people passing the petitions are the old familiar faces.

Both of our supervisors, Harold Stein in Canton and Tom Notebaert in Plymouth Township, are running again. So far, no one in Plymouth Township, Republican or Democrat, has said he'll tackle the GOP incumbent - although the leader of the sewer rebellion, Greg Dean, who lost to Notebaert in the Republican primary last time around, might be ready to try again.

In Canton, the past looms still larger in the form of former Supervisor Bob Greenstein, who seems poised to throw down the gauntlet to the man who squeezed by him in a nasty little nip-and-tuck campaign two years ago, Harold Stein. And who would the Republicans field? The "Irreverend" Jim Poole, a former trustee, may pick up where Peter Bundarin appears finally to have left off.

Where are the new faces? They haven't shown much interest in the other jobs either.

Our townships have become home to hundreds, perhaps thousands, of new residents since the last regular election. There must be some talent out there, reckless enough or determined enough to want to shape the future of the Plymouth-Canton Community.

After all, it's not as though everybody is running for school board. Those two seats, to be filled June 12, attracted only three candidates.

But take heart, those of you who imagine that good government grows best from the competition of good candidates - everybody's just waiting until the last minute, right?

Bills to hurt troopers?

Police protection is like one's health. It is not appreciated unless it's lost.

And many Michigan State Police (MSP) troopers fear that the protection they provide will be lost if two related bills in the Michigan legislature, SB 1517 and SB 1518, are passed.

With a close-by post on 7 Mile Road in Northville Township, this could have a far-reaching effect on the thousands of persons in Plymouth and Canton townships who rely on the MSP, considered the best police organization in the country.

Are the troopers' fears well-founded?

In this year or next, probably not. Beyond that, however, the two bills set some legislative precedents which have many observers worried.

A concern by many people across the state the various county sheriffs and state troopers were patrolling the same roads help bring the bills before the legislature.

To avoid a costly duplication of services, the bills are aimed at "role definition" of the State Police and the county sheriffs. The state troopers will primarily be responsible for the interstate, and U.S. highways, as well as the state truck lines (M-14, M-153).

The sheriffs' major task would be the county and secondary roads under the bills.

Despite this role definition, both departments would respond to calls on any roads. The police powers of neither group would be reduced.

So on the surface, the State Police don't stand to lose. Also, there are no plans to cut the State Police budget, according to State Sen. Robert Geake, whose district includes Plymouth Township.

The role definition does, however, put the state troopers on shaky ground. The temptations will be great to cut their budget as their role on the county and secondary roads is reduced.

And SB 1517 and SB 1518 take the first step towards this. The bills will provide \$10 million to the sheriff departments across the state.

The first of the bills, SB 1517, passed the Senate 32-0 and the House is reviewing this week. So far, the lobbying has been intense, especially by the ALF-CIO, whose members in the sheriff departments, stand to gain immensely by the bills.

In this kind of atmosphere at the statehouse we wonder: Are state legislators thinking more about their campaign treasure chests or police protection for the citizens?

Customer likes Side Street's fare, ambiance

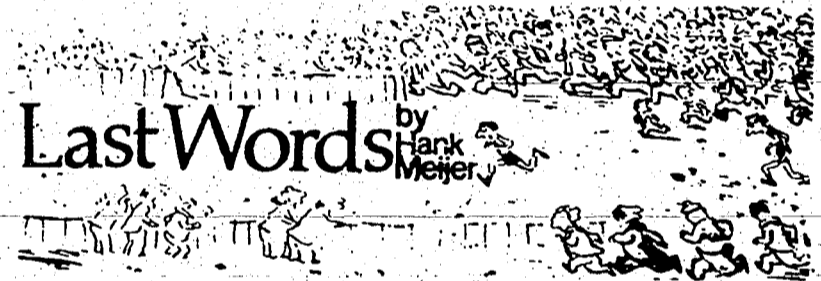

EDITOR:

It is true that Marsha, Linda, and Cindy work at the Side Street Lounge and go to work in shorts. They are definitely not obscene. The food is excellent and the service is better than average for busy lounges.

Many businessmen wear suits and ties and discuss business in a quiet atmosphere. Many young people during their time off wear sport shirts and other casual dress. Time does definitely not hang heavy during my attendance at the Side Street.

Ken Bakewell or Jack Neil or one of them is always on the job. There is no rowdiness. I object vehemently to Tom Schram's insinuations.

RICHARD J. TUCKER

Township opens doors

The Plymouth Township Board of Trustees called my bluff last week.

Whether it was the warm spring weather or a collective troubled conscience, the trustees threw open the doors on a meeting they had previously announced would be closed to the public and press.

They were talking about a report by Tom Fidge, husband of Trustee Lee Fidge, which recommended changes in township personnel procedures, including vacation policies, disciplinary action, payroll practices, etc.

The meeting was to have been the third such session, and like the other two had been billed by the township as a closed meeting. We didn't see any reason why the meetings should be closed, and although some of the other trustees didn't vote their minds when they closed the first two, they apparently agreed.

But it was Lee Fidge, to her credit, who asked her colleagues to open up the meeting, and Trustee Maury Breen, who previously had pushed for a closed session (and whose office helped prepare the \$2,500 study, who handed me a copy of the report).

I was surprised - and pleased. But I didn't eat dinner before the meeting, because I figured I'd just show up and be asked to leave.

Instead, the township board decided policies regarding township employees could be shared with the citizenry.

Fidge's report sparked some good discussion, and although there are places we'd all rather spend a spring evening than in Township Hall, I'm relieved our trustees decided not to spend it behind closed doors.

Ex-school president urges 'yes' on millages

EDITOR:

I am writing in regard to the school millage proposals on the June school election ballot. At the onset, let me try to make my position clear. I am no longer on the school board. My term ended almost a year ago; since some citizens still call me about school matters, I gather all do not know this.

Secondly, my wife is a special education teacher at Central Middle School, but we understand her position is not one of those threatened by millage failure. This is said to try to remove my comments from the selfish interest category.

I am one of the community's older citizens. My youngest child graduates from college

Community opinions

this year, and I will be looking to retirement in less than a decade, but I strongly favor all of the millage proposals. Why?

1. Good schools make a community strong. They make positive use of our youth's time today and help to equip them for an uncertain future.
2. Our schools have a good record. While much of the country has been deeply concerned about declining

student performance, our Plymouth youth have continued to do well.

3. We are a growth community. While schools all over the nation have had dropping enrollments, ours has increased. This is in part because we have good schools which attract new residents.
4. Good schools help keep property values up. In this period of severe inflation our property values have stayed ahead of inflation rates. Study will show this not to be true in some areas with poor schools.
5. Schools are my investment in the future. Since the people who had no children in school helped to pay for my children's education, I owe it to them and to the future to do the same for those who are in school today.
6. We must keep the build-

ings repaired. The buildings are a part of our community. As we use them more months of the year (in many of them, throughout the year) the need to repair them to offset heavy wear becomes even greater. The cost of repair is greater too, but we dare not let them run down.

Property taxes are too high. Schools should not be dependent on property taxes for their support. Only our legislature and governor can change this. Voting against local millages will not change it. Contacting our representatives in Lansing can.

Increased property valuations help very little, if at all. The state's "so called" equal yield formula provides that when local valuations go up, state aid goes down. This is one more reason why local property tax should not be the basis for school financing. In

four years on the board, I saw no evidence that the schools were wasteful or profligate. Your board was always watchful for any evidence of this.

The small increase that is requested seems like little indeed to try to cope with growing numbers of students and rampant inflation.

Each is entitled to his or her view on such matters as random selection, alternative schools, year-round school assignments, the reading program, open classrooms, and the special education services. These issues will continue to be with us, but without adequate funds the opportunity to develop other approaches and better options will be denied.

I hope my fellow citizens will join me on June 12 in voting yes on all three issues -- they merit our support.

DR. E.J. MCCLFNDON

Somewhere in Plymouth...

Somewhere in Plymouth there's a man who knows: it was he who killed 15-year-old Craig Schultz on a cold, foggy night seven years ago.

He told no one then that he was driving the car that hit Craig, and he'll tell no one now.

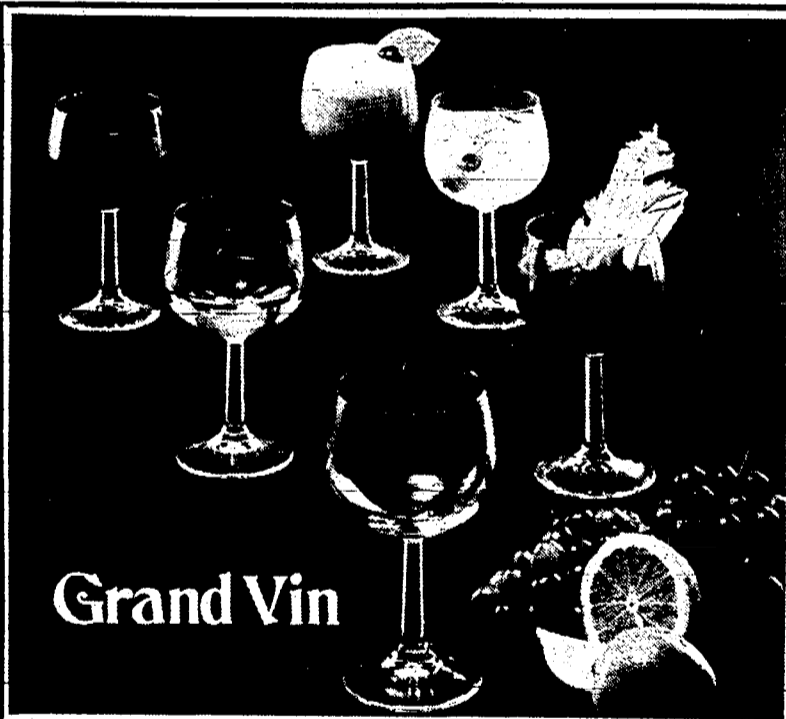

The police cannot reveal

his name, although they solved the case two weeks ago and the statute of limitations ran out. But somehow we'd think he would want to explain how it happened -- for Craig's family; for himself.

Somewhere in Plymouth there's a man without a conscience.

WSDP airs millage talk

Today following Mike Schulte's Easy Listening Show and "The Art of History" program, WSDP will air Parameters. Parameters is a bi-weekly news and informational magazine that focuses on the Plymouth-Canton Community. Leanne Lanphear and Andy

Melin are the Hosts for the show. The program starts at 7 p.m.

On June 1, WSDP will present a discussion of the June 12 millage election from 6 p.m. to 8 p.m. This program is a discussion of the upcoming millage election for the Ply-

mouth-Canton community schools. Listeners may call WSDP and ask questions of the program's participants.

As of press time, Tom Yack, president of the school board, John M. Hoben, superintendent, Sam Ulsaker, Florence Beier, administrative assistants for the Plymouth-Canton Community are the participants in this informational discussion program on the millage election of June 12.

The phone numbers to call are: 453-0035 and 453-3390.

Army to host ice cream social

The Plymouth Salvation Army will hold an ice cream social Friday, June 2 at its headquarters at 290 Fairground in Plymouth.

The social will feature ice cream, home-made cakes and pies and beverages. In addition, games, a spook house, boutique table, hot dogs, and a fish pond will be featured. Admission is 75 cents and the serving time is from 6 p.m. to 8 p.m.

Money raised will be used to send children to summer camp.

What's happening

BREASTFEEDING TALK

The Plymouth-Northville La Leche League will hold four meetings on breastfeeding, beginning Wednesday May 17 at 8 p.m. in the home of Joan Mason, 549 W. Dunlap, in Northville. Subsequent meetings will be held at the same time and place on June 21, July 19 and Aug. 23. Information is available from Kay Semion, 981-1028 or Charlene Frellick, 349-2840.

PSYCHOLOGIST SPEAKS

Gordon Blush, a clinical psychologist will speak at Central Middle School on "The Seven Steps to Becoming a Parent Worth Liking." The meeting is open to the public and will be on Thursday, June 1 at 7:30 p.m. The address is organized as a Parent-Teacher-Student Organization function.

ABUSE HELP

Our House Crises Center is offering a free group for women who are victims of domestic violence. The group meets Tuesday evenings from 7 p.m. to 9 p.m. For further information, call 455-4902 or come in at 185 S. Harvey.

CRISIS HELP NEEDED

Our House Crisis Center is having a volunteer training program beginning soon. Please call 455-4902 for further information.

What's happening

Community calendar published next week

A monthly community calendar listing events of interest for June will appear in next week's Crier.

The community calendar is a regular feature sponsored by the First National Bank of Plymouth.

Included will be important civic, cultural, school, service club and other events submitted in writing to The Crier. Events must be submitted by the Thursday before publication. Public relations persons for community groups may contact The Crier for details by calling 453-6900.

The calendar will supplement the "What's Happening" calendar column which appears each Wednesday only in The Crier.

ICE CREAM SOCIAL

The Board of Deacons of The First Presbyterian Church of Plymouth is sponsoring an Ice Cream Social on the church lawns, Sunday, June 4, from Noon to 2 p.m. Served will be ice cream, cake, tea, coffee and KoolAid. All proceeds will go to the Benevolence Fund of the Board of Deacons. Everyone is invited.

SALVATION ARMY DAY CAMP

Sessions in the Salvation Army Day Camp will begin June 19 for youngsters aged eight to 12. Times are from 9 a.m. to 2:30 p.m. and includes t-shirts, field trips, swimming, sports and arts and crafts. Fee is \$12.50. For more information, call 453-5464.

PILGRIM GARDEN MEETS

The Pilgrim Garden, Federated Garden Clubs of Michigan will hold its next meeting Thursday, May 25, at 7:30 p.m. at Hulsing Elementary School. Our guest speaker will be Evelyn Edgar whose topic will be "Wildflowers Part II". Guests and prospective members are most welcome.

TRASH AND TREASURE SALE

On Saturday, June 3, the Plymouth Christian Academy will present its first "Trash & Treasure Sale". This giant sale will be held at the Calvary Baptist Church, 43065 Joy Road, Canton. From 9 a.m. until 6 p.m. you will be able to bargain hunt for items from many different categories. Among the items to be sold are: wall decorations, records and tapes, tools, baby items, toys, crafts, baked goods, appliances and furniture. All of the proceeds from this sale will go toward building a permanent school at the Joy Road site.

NEWCOMERS SOCIAL

A couples' social for Plymouth Newcomers, the Scotch Doubles for Bowling, will be held Saturday, June 3 at the Plaza Lanes, on Ann Arbor Road in Plymouth. No skills are needed, the meet is strictly for fun. Prizes will be given. The evening begins at 7 p.m. with submarine sandwiches and soda being served at 10. A cash bar will be available. Tickets are \$10 per couple and are available from Kathy Shaw at 455-9285.

SOROPTIMISTS INTERNATIONAL

The annual awards banquet for the Plymouth chapter of Soroptimists International will be May 24 at 6:30 p.m. at the Mayflower Roundtable. Scholarships to outstanding women high school seniors will be awarded. Speaking will be the recipient of the first scholarship the chapter awarded.

PLYMOUTH NEWCOMERS

The Plymouth Newcomers will hold their June luncheon on June 1 at the Hillside Inn. Nancy Jones of the Plymouth Nursery will speak on landscaping and gardening. Tickets are \$5.25 and are available until May 30 from Deb Johnson at 459-4987. Hospitality hour is at 11:30 a.m. with lunch at noon. New officers will also be installed. Call Sheryl Boszak at 455-3988 for baby-sitting.

TOWN HALL MEETING

Mike Granger of the Wayne County Office on Aging will speak at a "Town Hall - Ask Your Commissioner" meeting May 27 at 9:30 a.m. in Plymouth Township Hall. The public is invited.

GARDEN CLUB MEETING

The Mayflower Garden Club will meet Thursday, May 25 at the home of Mrs. Edwin Ash at 10 a.m. The co-hostess will be Mrs. Ansley Osborne. Each member will be making a dry flower arrangement. Further information is available from Katherine Lewis at 455-9584.

FOOSBALL TOURNAMENT

A foosball tournament will be held at the Plymouth Youth Center, 271 S. Main St., Saturday, May 27 at 4:30 p.m. There is a \$1 entry fee with cash prizes to be awarded. The public is invited to watch or play.

ST. KENNETH'S FAMILY FUN FESTIVAL

Will be June 3 and June 4 from noon to 9 p.m. each day! The features are: a T.V. Clown, the Pistons Coach, Dick Vitale and Tim Corcoran, and Phil Mankowski, Tiger baseball players and more. St. Kenneth's Church is at 14951 Haggerty Road between 5 Mile and Schoolcraft roads.

CB monitors move here

The Plymouth Area REACT team, CB channel 9 emergency monitors, has moved its headquarters to the Hilton Inn on Northville Road in Plymouth Township from the Northville Police Department.

"We moved mostly because the Hilton has height," said a REACT spokesman. The relocated base will monitor CB Channel 9 each weekend and all four-day holidays from 6 p.m. Friday to midnight either Sundays or Mondays.

Disaster volunteers and tornado spotters are among the services provided. The REACT team says it is now looking for volunteers and donations to continue its projects.

A "Safety Coffee Break" will be held this Friday, May 26 and Saturday, May 27 until midnight at the rest area on I-275 just north of Palmer Road in Canton. To help with donations of coffee or doughnuts call Warren Terch at 420-0614.

Cycle stolen

A 1975 Suzuki motorcycle was stolen from Kirk McCarty of Plymouth Rd., between May 6 and May 16, Plymouth police report.

Mackenzie's photo hobby is shooting bubbly roses

BY PHYLLIS REDFERN
Awards in photography are nothing new to Plymouthite Percy Mackenzie — he has won trophies and ribbons world wide.

He started taking pictures as a hobby in 1958, and won a five-star medal for pictorial slides in 1965. He has also been awarded a four-star medal in the nature division.

Many of Mackenzie's pictures deal with nature, his specialty is underwater flowers. His most famous picture is

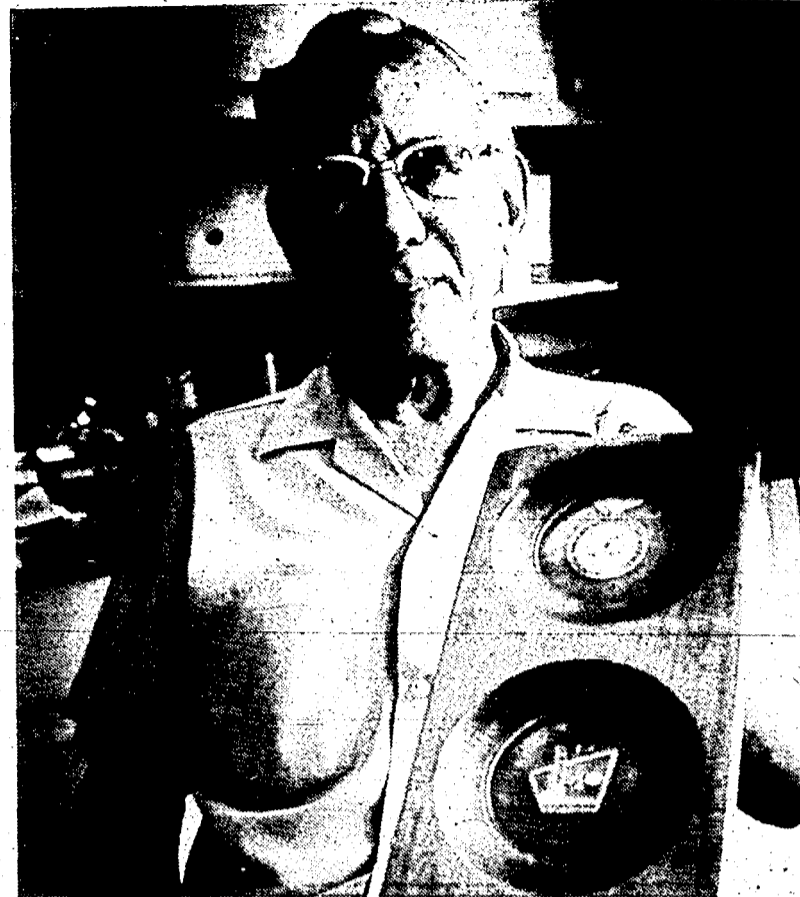

"champagne rose". The underwater shots show little bubbles which give them the champagne look. These little bubbles make the rose appear to have tiny pearls around its petal edges.

Mackenzie was the 82nd person in the United States to receive a five-star award. To win the award, he had 640 acceptances from photography salons throughout the world.

His wife, Marjorie, acts as assistant by keeping all the

books and records of each prize he wins. Together, the Mackenzie's have put together some travel shows which they have shown to different groups in the area.

But Plymouth will soon lose one of its talented photographers — the Mackenzie's are moving to Florida this summer. The weather down there is apparently more temperate for shooting 'champagne roses' and Mackenzie says he can "hardly wait to get his equipment set up down there."

PERCY MACKENZIE, of Plymouth, displays some of the awards he has won in photography salons and exhibits. (Crier photo by Bill Bresler.)

Neal, Ohno win PCAC honors

Cheri Lynn Neal and Barbara Ohno of Plymouth were chosen as recipients of Joanne Winkleman Hulce (JWH) Awards sponsored by the Plymouth Community Arts Council.

Cheri, daughter of Mr. and Mrs. Richard Neal of 11524 Aspen Dr., Plymouth, and Barbara, daughter of Mr. and Mrs. John Ohno of 11650 McClumpha Rd., Plymouth, were presented checks for \$500 during the annual PCAC

Spring Luncheon Monday. Named in honor of PCAC founder Joanne Hulce, JWH Awards are presented to graduating seniors who have displayed exceptional ability in the visual, performing or literary arts and who desire to continue his or her education in that field.

Ohno, a senior at Our Lady of Mercy High School, plans to continue her education in the visual arts at The School of Visual Arts in New York City. She is experienced in drawing, painting, calligraphy, sculpture, ceramics, macrame, basketry, weaving, stitchery, wood cuts and prints, interior decorating, jewelry and flower arranging.

During high school, Ohno has received 21 awards in art including a Hallmark Award (signifying one of the five best in show) in the Detroit area Scholastic Art Competition.

Neal, a senior at Canton High School, has been playing piano for 11 years and plans to continue her musical studies at a music conservatory. She also plays the violin and viola. The University of Michigan has offered her a scholarship in viola.

While finishing high school Miss Neal has been attending Schoolcraft College part-time on a full scholarship. She has also received \$250 in scholarship to Interlachen from the University of Michigan.

The JWH Award was established in 1975 to help fulfill one of the PCAC goals — "To encourage and help individuals interested in pursuing a career in the arts." Five hundred dollars comes from the PCAC budget and matching funds are raised through solicitation in the community.

Chorus sings June 4

On Sunday June 4, the Plymouth Community Chorus will join the choir of St. Martha's Episcopal Church in Detroit in presenting "Songs of Celebration", a choral concert featuring "The Spring Cantata" by Robert Washburn, choral selections from the Broadway Play "Godspell", "He Watching over Israel" by Mendelssohn, "Sheep May Safely Graze" by Bach, "Harmony" by Simon, and other selected songs.

The concert will be conducted by Canton resident David Gladstone, accompanied by Frank Kuhlmann on organ and Carol Chen on piano.

There will be two performances on Sunday, June 4. The first will be at 3:30 p.m. at St. Martha's Episcopal Church, 15801 Joy Road (between Greenfield & Southfield) and the second at 7:30 p.m. at First United Presbyterian Church, 701 Church Street. Admission for the concert is \$2 for adults and \$1 for senior citizens and youths 18 and younger. Tickets may be purchased at the door.

Elder tree insects bug Smith folks

Residents near Smith Elementary School have got the school bug.

No, not a desire to attend school. Rather, they are bugged by swarms of a certain insect that lives on some box elder trees on the Smith School property.

Emma Mae Philip of 1199 S. Sheldon told the Plymouth-Canton Board of Education Monday night that the problem may seem like a small one, but the horde of bugs from the trees has become a "great nuisance." She asked the board to replace the box elders with other varieties of trees that do not support the bothersome bug.

said that the district was going to spray the trees, and if that failed to work they would be replaced. Two sprayings were planned, one in the spring and one in the fall, said Hoben.

Spraying had been tried in the past without success, said Mrs. Philip. Also, the chemicals in the spray should not be put on the children's playground, she added.

Math wiz

Mark Davis, a sixth grader at Central Middle School, was one of 25 regional winners in a statewide mathematics contest April 29, and will compete in the finals Saturday at Central Michigan University.

CEP grads plan parties

If you're a senior at Salem High and you've never been hypnotized, you won't want to miss the Salem Senior Party on Friday, June 9.

Not only will hypnotist James Hoke be there, but an astrologist will read your sign and a palmist will be on hand to read your palm.

Also, the band "Masquerade" will play and plenty of food, including pizza, tacos and sandwiches will be served. Over 100 prizes will be given, including a cash prize awarded at 10:30.

Tickets are \$6 and will be on sale from 10 a.m. through 1 p.m. by the Salem main office on May 24, 25, 30, 31, and June 1. At the door the tickets will be \$7.

Given by the senior parents, the party will last from 9:30 p.m. through 4 a.m. at Salem High.

Canton High seniors and their parents are invited to the Senior Honors Convocation at the Little Theater at Canton on Tuesday, May 30.

Outstanding achievement by Canton senior will be recognized.

Ceremonies start at 7:30 p.m.

A party will be held for seniors following graduation June 8 and June 9. Parents organizing the two parties say they need assistance.

East talent on display

Home Economics, Industrial Arts and Art students presented a sampling of their achievements last week at East Middle School. Displays for the Arts and Crafts Evening were set up in each of the classrooms.

Students in art classes displayed hand puppets and masks and ornate and complicated macrame plant hangers.

Home economic students presented "Vegetabella" a short play. The cast included:

Debbie Rogers, Diane Giummi, Kristy Tadlock, Lisa Lutz, Marc Holland, Joe Kinnich, Julie Cannon, Nancy Zulka and Kirsten Plonski.

School as church

The Plymouth-Canton Board of Education gave permission for The First United Presbyterian Church to use Central Middle School's cafeteria from June 13 through Sept. 3 at Monday night's meeting.

Youth can learn road safety

Children eligible for kindergarten this fall can sign up for a two-week 'Safety Town' program beginning June 19. 'Safety Town' is a program that instructs four and five-year olds in everyday

safety when crossing the street, bicycle, home and school, said Safety Town spokesperson Mans Papars. The classes will be held at Central Middle School and will be taught in cooperation

with the State Police, Plymouth Police, Wayne County Sheriffs' and Plymouth and Canton Fire Departments.

Fee is \$15 and registration deadline is June 5. You must register in person at the Continuing Education Office in Room 117 at Canton High School on Canton Center Road.

The first session will begin June 19. The second session begins July 3, the third, July 17. The fourth and last session will begin July 31. Two sessions are available, either at 10 a.m. or in the afternoon at 1 p.m.

Board alters site

Regular meetings of the Plymouth-Canton Board of Education will be held at the administrative offices starting June 26, the board decided Monday night.

Currently, the board meets at Canton High School, and the switch will last only through the summer to save the cost of keeping the high school open.

Stein quits panel

Canton Supervisor Harold Stein will resign June 1 from the Canton Beautiful Committee and the Canton Library Committee "to divorce himself from subsequent political interpretations" work with the committees" could have during this election year."

tell it to Phyllis

Call 453-6900 Or write 572 S. Harvey

The good ole' warm sun shone last week and along with it appeared many pink noses and freckles.

The third graders in Pat McDonald's and Dee Chapell's class at Hulsing School took advantage of the good weather and spent a day at the Botanical Gardens. It was interesting to see what a real banana tree looked like, especially one with a flower on it. The children were fascinated with the diamond plant that looked like a real diamond when pushed under water. Everyone enjoyed the nature trails back through the woods, (I'm sure glad we didn't see any snakes).

As the sun continued to shine (on and off) through the week end, neighbors went outdoors with hoes, shovels and lawn mowers getting the yard in shape. It was a great time to plant a garden or add a new shrub to the landscaping.

Isn't it funny how you take for granted a black bug crawling through the dirt in the garden, yet have a fit when that same big, black bug crawls across the waxed kitchen floor? (And they don't even leave scuff marks.)

The beautiful weather Saturday was helpful to the Pioneer Youth Group at Geneva Presbyterian Church. They had a car wash going all day until it rained in late afternoon. Members of the group who helped at the car wash were Al Wehrheim, Linda Monroe, Laurie Shufelt, John Beggs, Flo Beggs, Kim Starr, Karl Wehrheim, Pam Willoby, Margie Smith, Todd Worscheck, Pat Harrison and Joel Schwelback. Other group members who helped clean the inside as well as the outside of the cars were Sam Barrie, Kim Breen, Kelly Starr, Kim Mcland, Tim Richardson and Rachel Ludlow.

Parents helping the group wash cars were Bob and Pat Beggs, Al and Harriet Wehrheim, Jim and Darleen Starr and Shari and Mason Ludlow, who recently moved out of town but came back for the day to help out. The money earned will go towards the Pioneer's expenses on their trip to Cedar Point in June.

Western Michigan University recently announced the Deans list for the winter semester. Students from Plymouth on the list are: Susan Butler, daughter of Mr. and Mrs. Patrick Butler of Burroughs; Barbara Croci, daughter of Mr. and Mrs. Arthur Croci of Nantucket; Denise Detwiler, daughter of Mr. and Mrs. Donald Detwiler of Farmbrook; Michael Sochacki, son of Mr. and Mrs. Leo Sochacki of Brentwood; and Mary Beth Whittaker, daughter of Mr. and Mrs. Robert Whittaker of Colony Farm Drive.

James Richter, son of Mr. and Mrs. Donald Richter of Kingsbridge in Canton recently graduated from Purdue University with a Bachelor of Science in Pharmacy.

Mark L. Lazarcheff, son of Mr. and Mrs. Theodore L. Lazarcheff of Plymouth, has been promoted to Cadet Sergeant, Howe Military School.

Superintendent R. R. Kelly has announced. Cadet Lazarcheff, a first year student at Howe, is in the 10th grade.

Canton clean-up recruit

MIKE DUNN, a Salem High student, collecting a soda can Saturday as part of "Clean Up Canton" week. Helping Mike were Rob North, a Pioneer student; Mike Asquini, of Salem. Also picking up were Canton cub scouts Ryan Koths, and Jim, Jeff and Mike Hammonds. (Crier photo by Bill Bresler.)

Lunch choices cut

To eliminate waste, middle school children in the Plymouth-Canton School District will be able to choose only three lunch items next year rather than the current five.

Given a unanimous stamp of approval by the Board of Education Monday night, the new policy makes the schools eligible for reimbursement by the United States Department of Agriculture's school lunch program.

Under the new policy, the

student starts with an empty tray and may select all five parts of the meal (meat, vegetable, fruit, bread, and milk) if he likes, but he only needs to take three.

The price will remain the same no matter how many the student takes, however, said school officials.

Under the present policy, each student is given a tray with five items and cannot choose less.

Four marching bands, a VFW Rifle Team and Color Guard and Drill Team will highlight Plymouth's observance next Monday of Memorial Day.

The annual parade is scheduled to begin behind Central Middle School at 10 a.m. At the beginning of the parade, the VFW Post 6695 Rifle Team will fire a volley of shots in front of Central Middle School. The parade will proceed south on Main Street past the reviewing stand at Penniman to Plymouth Rock, where VFW and American Legion members will place wreaths to honor the military dead.

Parade Marshall this year will be Kurt Oldenburg of the VFW and Gerald Olson of the American Legion is scheduled to be Grand Marshall. VFW members Ken Springer and Jack Olsaver will Honorart Parade Marshalls.

When the parade reaches Kellogg Park, the VFW Rifle team will fire another volley as wreaths are laid at Plymouth Rock in honor of Plymouth servicemen killed in action.

Anthony Russo, commander of the VFW and Chuck Orr, commander of the American Legion will lay the wreaths.

Plymouth Mayor Tom Turner will speak and an address will be given by Paul Szabados, commander of the Dearborn Army Recruit Center, which serves the Plymouth-Canton area. Three Boy Scouts from Pack 1531 will lead the audience in the Pledge of Allegiance. A Salem High School student will recite "In Flanders Fields."

Many offices close

Plymouth City Hall and Canton and Plymouth Township offices will be closed Monday, May 29 for the Memorial Day holiday.

The Plymouth Post Office lobby will be open Monday, but no clerks will be on duty. Most area banks will be closed until Tuesday.

Garbage pick-up in the City of Plymouth and in Canton Township will be Tuesday next week, instead of Monday. Plymouth Township does not provide municipal garbage service.

Canton part-time police will operate its usual hours - 6 p.m. to 11 p.m. - Monday and City of Plymouth police will be on duty.

Canton gets LEIN machine

The Canton police department is scheduled to hook up its Law Enforcement Information Network (LEIN) machine tomorrow, a township spokesperson said.

The machine will enable the police to receive information quicker, instead of calling the Wayne County Sheriff's Department for information.

fruit cocktail, cookie.

Lunch BOX

BY
BY ROBERT (it moved!) KIAN

The protean pizza. Since it was adopted as an American dish, we have found ways to square it, freeze it, English muffin it and bagel it. The clever chefs at Isbister have now found a way to "puff" it. And couple it with buttered beets. Now I understand the fuss about random selection.

Spring field days traditionally involve brown-bagging it, yet East Middle's field day is being billed as "junk food day." Don't the cooks know they get that day off?

WEDNESDAY
Lasagna w/meat & cheese, tossed
salad, chilled peaches, garlic toast.
THURSDAY
Turkey in gravy, fluffy mashed
potatoes, butteed biscuits, chilled
peaches.

SMITH
MONDAY
No school.
TUESDAY
Hamburger on bun, mustard or
catsup, corn, peaches, cookie.
WEDNESDAY
Pizza, meat and cheese, peas,
applesauce, cookie.

THURSDAY
Hot dog on bun, mustard or catsup,
french fries, cheese sticks, pine-
apple, cake.
FRIDAY
Fried chicken, mashed potatoes
and gravy, hot roll and jelly,
pears, cookie.

STARKWEATHER
MONDAY
No school.
TUESDAY
Peanut butter & jelly sandwich,
soup, fruit cup, cake.
WEDNESDAY
Taco, celery & carrots, fruit cup,
cookie.

THURSDAY
Oven baked chicken, mashed pota-
toes & gravy, hot roll, fruit cup,
cookie.
FRIDAY
Fishwich, tater tots, fruit cup,
cookie.

TANGER
MONDAY
No school.
TUESDAY
Hot dog on bun, relishes, vege-
table, chilled fruit, cake.
WEDNESDAY
Spaghetti, cinnamon roll, vege-
table, chilled fruit.
THURSDAY
Tacos w/trimmings, applesauce,
bread, butter, cookie.
FRIDAY
Pizza burger, vegetable, chilled
pears, red jello w/whipped cream.

CENTRAL MIDDLE
MONDAY
No school.
TUESDAY

Merger panel taps leaders

Former City Commissioner Norb Battermann was elected chairman of the City of Plymouth-Plymouth Township Unification Committee last week at the group's first meeting.

Another former city commissioner, Arch Vallier, now a township resident, was elected vice chairman. Assistant City Manager Mark Wollenweber was named secretary.

Three subcommittees were also formed at the organizational meeting.

The first will study advantages and disadvantages of merging fire departments of the city and township. It is headed by Vallier, with Battermann, Joe West and Bill Silvis as members.

Carol Levitte will chair a sub-committee which will investigate alternatives when the fire departments have merged. Bill Hartmann is also on that committee.

Ed Wendover was named chairman of the third sub-committee, which will study consolidation as the ultimate

alternative. City Mayor Tom Turner, E. J. McClendon and Wilma Newton are on that committee.

The group decided to alternate its meeting places between the city and township halls.

Meetings will be held every other Thursday. The next meeting is scheduled for June 8 at 7:30 p.m. at Plymouth Township Hall. All meetings are open to the public.

Notebaert suggests fire dept. first goal

In the wake of the first meeting last week of the City of Plymouth-Plymouth Township Unification Committee, Township Supervisor Tom Notebaert has suggested that merger of the two municipalities' fire departments be the first goal of the committee.

"Since our fire chief is gone (Chief Jim Gignac resigned late last month) and theirs (City Chief George Schoenneman) is thinking of retiring, it might be natural," the supervisor said. "I think we could save \$100,000 a year each if we had a combined fire department."

Notebaert noted that the city and township now have two ambulances each, but could probably do with a total of three - one at the city station and at each of the two township stations. Also, quick access to the city's Old Village area from the township's new fire station on Haggerty might permit the city to close down the unmanned station it still maintains on Spring Street across from Starkweather School.

Twp. to consider senior housing

The Plymouth Township Board of Trustees was expected last night to consider a senior citizen housing project proposed by a group from St. John's Episcopal Church on Sheldon Road.

The Township Planning Commission last week told the group's architect, John Culotta of Plymouth, that it had no objection to senior citizen housing, but suggested the proposed project be brought before the Board of Trustees before plans proceed further.

Culotta and the St. John's group have proposed a 40-unit, three-story complex to be constructed behind the church, south of Middle School West. Culotta said the \$800,000 structure would provide housing for about 60 senior citizens, and would be financed by a church-related non-profit corporation that would seek federal financing.

The church already owns the 3.6 acres proposed as the site of the project, but would likely require a zoning change from single to multiple residential before the project could begin.

Growth report arrives

Canton Township Board of Trustees were expected last night to discuss the summary of a recent development rights purchase study done to determine if the western half of Canton farmlands could be bought.

The summary was requested from the township planning firm of Wade and Trim Assoc. and township accountants Seidman and Seidman to clear up confusion about the first report. Recommendations are also expected to be in the study.

Tax groups seek limits

BY ROBERT KIAN

John Tripp knows. He knows enough not to sound "mad as hell" when he asks people to sign a petition. The 90,000 signatures he speaks of are not a solo effort but the work of the organization he belongs to, Taxpayers United.

"Our goal is to get an amendment to the (state) constitution which will put a cap on the amount the legislature or the governor can spend," Tripp explained.

The cap they would like to see is a fixed percentage of an individual's income going into the state treasury.

"Governors and legislators have been totally irresponsible in the way they spend money," he said, pointing to a pamphlet showing a 100 per cent increase in the state's income tax since 1968, the incriminating evidence coming from the Department of Management and Budget.

Taxpayers United was behind the ill-fated Proposal

C on the 1976 ballot to limit state spending. Tripp recalled that pressure from the Michigan Education Association kept the proposal at bay.

"The problem is each official seems to think his need is to propose some improvement or program in his area," he said. "Pressure groups get the legislation passed and the state hires people to administer them. This perpetuates it," he went on.

The number of state employees has risen by half in the past decade while the state's population has grown only seven per cent., he noted, pausing to find some humor in the State's own statistics.

The bill Taxpayers United hope to get on the November ballot will limit the state to 8.3 per cent. of personal income. Tripp feels that it stands a good chance of being passed, saying that it is flexible.

"They're not trapped into a dollar figure," he said.

The bill will force legislators to screen proposals more carefully. "It'll make them operate like a businessman," Tripp said. "People need to make their choices on how they want their money spent." Referring to the upgrade struggle the school millage is facing, Tripp said that taxpayers "are not mad at the schools; they're mad because their taxes are going up and that's the only place you can register your dissent."

Tripp says that Tennessee has a limitation bill in force, and that some 15 other states have drives in various stages of development.

"We're not out to destroy government," Tripp emphasized, "Government's out to destroy us. If we don't stop them, they'll bankrupt the state and the country."

He feels confident about obtaining the 266,000 signatures needed for a slot on the fall ballot. He added that some 40 legislators favor the bill.

Another piece of experimental legislation on the horizon that grew out of taxpayer's movement is a so-called "Sunset Law," which requires a review every four years of government's every facet of operation. Committees and commissions found wanting would receive prompt cancellations.

Woman robbed

While taking money from her account at a 24-hour banking service on Ford Road in Canton, Nicky Sue Cullen was robbed by a suspect who stuck a gun in her stomach and told her to give up the money, Canton police report.

Cullen was at the National Bank of Detroit office at 45345 Ford Road. The suspect fled on foot, police report.

Correction

Janet Richwine, past president of the Plymouth Business and Professional Women, was mistakenly identified as the present president of the organization in last week's Crier. Marion Kehrl is the current president.

City repairs water mains

WORKERS REPAIRING a broken water main on Ann Arbor Trail early Friday morning. According to City of Plymouth DPW Director, Ken Vogras, workers have repaired broken mains on Harvey, Linden, Carol and McKinley streets. Only two broke during the winter, he noted. Exact repair costs, aren't known yet, but Vogras said it could be in the several thousands.

Canton gets Bell office

A Canton office for the Michigan Bell telephone company will probably open sometime this fall, said Hazen Wilson, manager for the Plymouth-Canton phone district.

While Bell officials did not say where the office would be located, Crier sources report the phone company will lease space in New Towne Plaza, on Ford Road west of Sheldon.

Community deaths

Harris

John V. Harris, 67, of 1560 Northville Forest, Northville, died May 12 in Portland, Oregon. Funeral services were held at St. Kenneth Catholic Church with the Rev. Fr. John Lombardini officiating. Arrangements were by Schrader Funeral Home. Burial was in Mt. Olivet Cemetery, Detroit.

Mr. Harris is survived by his wife, Mildred, daughter Joan Moci; brothers, Al, Ted James; sister, Fran and six grandchildren.

He was an accountant and a member of St. Kenneth's Catholic Church.

Hitt

Ira O. Hitt, 93, of 2181 Hamata, Ferndale, died May 20 in Ferndale. Funeral services were held at Schrader Funeral Home with the Rev. Samuel F. Stout of the First United Methodist Church officiating. Burial was in Riverside Cemetery.

Mr. Hitt is survived by his wife, Nellie; daughters, Mrs. Kathryn Day of Douglas Lake, Mrs. Shirley Clark of Ferndale; sons, Odene Hitt of Augusta, Ga., Terence Hitt of San Jose, Calif.; 12 grandchildren and 10 great-grandchildren.

He was a long-time Plymouth resident, a teacher and a farmer.

Dunn

Gladys Dunn, 79, of 15439 Northville Forest Dr., Northville, died May 18 in Garden City Osteopathic Hospital. Services were held at St. Kenneth Catholic Church in Plymouth Township, the Rev. Fr. John

Lombardini officiating, with arrangements by the Schrader Funeral Home. Burial was at Mt. Olivet in Detroit.

Mrs. Dunn is survived by her husband Joseph; by five nephews and three nieces.

She was a switchboard operator for Riverside Storage and Cartage Co.

Evans

Veronica Evans, 38, of 44448 Marc Trail, in Plymouth, died May 16 in New Grace Hospital. Services were held at the Northrup Funeral Home in Northville, with the Rev. James Crawford officiating. Burial was at Parkview Cemetery.

Mrs. Evans is survived by her husband John; her mother, Veronica Thomas; son Michael; daughters, Monica and Michelle; and by a brother, Richard.

She was a homemaker and affiliated with Village United Presbyterian of Redford.

Eidt

Ralph R. Eidt, 93, 9f 770 Deer Street, Plymouth, died May 16 in Westland Convalescent Center. Funeral services were held at Schrader Funeral Home with the Rev. Fr. Robert J. Keller officiating. Burial was in Greenlawn Cemetery, Ohio.

Mr. Eidt is survived by his wife, Lottie; daughters, Mrs. Elizabeth Phillips of Plymouth, Mrs. Geraldine Flechtner of Westland; three grandchildren and seven great-grandchildren. He was a machinist at Burroughs and was a member of Our Lady of Good Counsel.

School hopefuls discuss LWV issues

CAROL DAVIS

CAROL DAVIS, 11750 Parkview Drive, Plymouth Township.

Biography: BA from Adrian College; former high school teacher; volunteer in P.T.O. activities; served on school district Citizen's Advisory Committee, Curriculum Coordinating Council Committee, Gifted and Talented Committee; Member of American Association of University Women, Plymouth Arts Council, Plymouth Symphony League, and Plymouth-Canton Association for Academically Talented.

1. I have had the opportunity of serving on the board since August. I feel that I have gained valuable experience and knowledge of the school district that should be retained by the voters. I have a deep interest in the education of the children in the Plymouth-Canton Community Schools.

2. Transportation - We need to eliminate double tripping, standardize the E.S.Y. routes, have the same driver on the route morning and evening, and stagger opening and closing times of the schools to maximize the service to students and keep the best economy in the transportation system.

A combination of eliminating double tripping and staggering opening and closing times will better utilize the buses we have without making children late to school. Having the same driver gives the children a chance to become acquainted with the driver and helps avoid fear and confusion.

By standardizing the E.S.Y. routes, confusion of changing stops each three weeks is avoided and the principals can better balance class sizes.

3. I would like to see educational options for all students at all levels. Children learn in different ways just as teachers teach using various styles.

All schools could provide opportunities for students with a learning style of open classroom to be placed with a teacher who teaches using this method. At the same time all schools could provide for children who learn best in a traditional setting to be placed in a classroom with a teacher who uses a more structured style.

I would like for the middle
Cont. on pg. 27

Here are the questions posed by the League of Women Voters:

1. Why are you a candidate for the Plymouth-Canton School Board?
2. In which areas do you think the school district could make improvements?
3. Beyond the basic skills such as language arts and mathematics, what are your priorities for education?
4. Do you favor student testing other than state mandated testing? Why?
5. Do you support the concept of an alternative school; Please explain.

WILLIAM JOHNSON

WILLIAM E. JOHNSON, 41, 12065 Tall Tree Drive, Plymouth Township.

Biography: BS, Chemical Engineering - University of Detroit; Masters, Engineering - University of Michigan; Juris Doctor - De Paul. Member of Bar in Michigan, Illinois; Federal District Court, Eastern District of Michigan; Sixth Circuit Court of Appeals; U.S. Supreme Court; married - two children (8th grade and 5th grade); Member Our Lady of Good Counsel.

1. I am seeking a seat on the Board because I believe that having at least one citizen of the community with a legal background on the Board would be of value.

2. Improvements can be made in communication between the Board and the citizens of the community. Perhaps Board meetings could be held at the various schools of the district with an effort being made to focus, at such meetings, on the problems and concerns of the school's students and their parents.

3. Besides basic skills, I believe that a school system should strive to develop a student who is ready, willing and able to take his or her place in society as a useful and productive citizen.

4. I believe we have adequate comparative testing. I do believe, however, that testing of a student in courses being taken is a fundamental method by which progress of that student can be measured. I believe that course testing should be used extensively as a means of student development.

5. I have no objection to an alternative school if there is a demonstrated need for such a school and if the school is located at a site where the students are of the same age bracket.

ELAINE KIRCHGATTER

ELAINE KIRCHGATTER, 37, 48377 Gyde Road, Canton.

Biography: Thirteen-year resident of Plymouth-Canton; married, with three children; June, seventh grade Pioneer; Jill and Joy, fourth and first grade, Gallimore. BS; home economics, Iowa State University; former 4-H agent, N.Y.; Past president AAUW and PCAC; former member Fall Festival Board; member Plymouth-Canton School Board; Boundary Committee, chairman, two years.

1. I have been fortunate enough to have been able to serve the Plymouth-Canton community in various ways during the past 13 years. Having been appointed to the school board in January, I would like the opportunity to continue to serve the people of this community by helping to establish school policy. By serving on the Board, I have gained valuable information which will be needed for future decisions.

2. I feel our school district would be improved if students, parents, teachers, administrators, employees and school

board members worked together more closely. Much misunderstanding could be eliminated. Some of our present programs need to be evaluated.

The extended school year program, especially as it exists at the Middle School, is one area which will be evaluated next year. Another area to be assessed is the delivery system at Centennial Educational Park. There is a definite need for improved bus transportation.

I would like to see a District wide calendar printed in the Fall and a weekly newspaper column dealing with school district issues.

3. I would like to emphasize language arts and mathematics, as well as science and social studies. In addition, I feel we should be preparing each student to be a productive, well-adjusted member of our society. For some, this means vocational education, for others a good college preparatory course.

Public education must first be concerned with the majority, then with the various parts of the whole. If the community is willing to continue to financially support the important areas of music, art, sports and gifted I support all, but only after the basics.

4. This is an area of much interest and controversy, even among educators. I would favor testing only as a means of helping the individual student measure his/her ability in a certain area.

Testing should be used as a tool to individualize a student's particular program, i.e., learning skills needed in the language arts area - more phonics, improve spelling, etc. I do not feel testing should be used for the sake of measur-

ing a teacher's ability or to determine where a student stands in relation to his classmates.

5. Yes, I have and will continue to support the concept of an alternative school at the high school level, as well as offering options at the

Are you ready to look as great as you can?

Members of D. D. Hair Fashion's talented team, Suzanne Rander, Laurie Winkel, Dimple Rikard, Dotti Conn, recently attended a 2 1/2 day Scientific Seminar designed exclusively for Top Beauty and Barber Professionals at the Hyatt Regency Hotel, Dearborn. Sponsored by Redkin Laboratories, Inc. of Canoga Park, California, leaders in hair and skin care products, research and development. The event featured prominent cosmetologists and barbers from across the country. Lectures and audio-visual demonstrations focused on Tomorrow Today and new techniques in perming for control and direction. Hair Coloring for Sun Kiss Look, LaClue Tone that require a very minimal of up-keep that would be GREAT looks for both men & women. "Looks All Right!!," say the D. D. Team and will look better as they enjoy summer fun outdoor. Skin conditioning, make-up, even nutrition and Kerametrics in Redkins unique method of hair cutting, in addition the program highlighted Redkins exclusive Tricoanalysis Service, a system utilizing scientific instruments to determine hair damage and recommend effective treatment. Scientists from Redkin's Department of Research and Development under the director Dr. Ron DeSairo outlined up-to-date research findings concerning hair and skin structure, nutrition and cosmetic chemistry in the field of bio-chemistry, bio-physics, trichobiology and medical science. Educational lectures and demonstrations on these fore-mentioned subjects were presented as part of an on-going program to improve "professional knowledge and customer service," said John E. Meehan, President of Redkin. "Through our educational seminars, given since the inception of our company in 1960, more than 150,000 cosmetologists and barber stylists throughout the world have trained in Redkins Scientific Approach to Hair & Skin Care."

DOUG SMITH of Canton raises dust as he slides home with the winning run against Churchill.

(Crier photo by Eric Olson.)

Canton cops crown

BY ERIC OLSON

Canton won its fourth straight Western Six baseball title as Brian James three hit Waterford Mott on his way to a 3-0 victory. Craig Lee paced the Chief attack with two hits, two runs batted in, and a run while Ray Smock added an RBI double.

Competing in the Midland Invitational Tournament the Chiefs had a rough weekend as they lost two games. After falling behind to Alpena 4-0 early in the game Canton fought back to tie, 4-4. But victory was not to be as Alpena scored two more and a seventh inning rally by the Chiefs fell one run short, 6-5.

"With runners on base we hit two screaming linedrives," said Canton coach Fred Crissey, "but both were caught. Somedays they fall for you and others they don't."

In their second game of the tourney the Chiefs fell behind early again, 4-1. And again the Chiefs fought back as they deadlocked the game at 4-4, but Mother Nature settled the contest.

"We had runners at second and third and then it started to rain. Boy did it rain! For about 45 minutes and it washed out the runs we scored and the runners we had on base," explained Crissey. "However, I was still pleased with our performance because of the way we fought back in both games. We came within inches of winning both games."

By beating Churchill 3-2 the Chiefs improved their season mark to 18-3 and conference record to 9-1. Canton got four hit pitching from James and scored single runs in the first, fifth, and sixth innings.

Scott Collins scored the

first run as he singled, stole second base, and came home on a double by Russ Mandle. In the fifth it was Collins again who scored after a single, a sacrifice hit by Jeff Campbell, and a run producing basehit by Mandle. Doug Smith scored the winning run after he singled and went to third after a walk to Ray Smock and a passed ball. Tom Norton's fly ball to shallow centerfield brought Smith home with the winner.

In the 8-6 win over Northville which clinched a tie for the Western-Six championship for the Chiefs Scott Dawson picked up the win with relief help from Smith. Campbell had three hits in three at bats and four RBIs. Collins and Mandle added two hits a piece to the 13 Canton hit attack.

In golf tourney

Chiefs nip Rocks

Led by Cathy Andersen, the Canton golf team edged its cross-CEP rivals, Salem Monday to place second in the Central Five Golf League.

Anderson fired a sparkling 83 over the Lake in the Woods course near Belleville to take medalist honors for the league meet. Linda Nurmi followed with a 100 and Janis McGlone carded a 102. Peggy Visser rounded out the Chiefs' tally with a 115.

The totals gave Canton a 400, which was 20 strokes behind Saline's 380. Salem shot a 410 and Willow Run and Brighton were far behind with a 467 and 476, respectively.

"Cathy did an excellent job," said her coach, Anne Bue. "It's the best score she's ever had."

The meet ended the Chiefs' season since they failed to qualify for the state meet in the regionals at Rochester on Saturday.

Andersen was low scorer for Canton turning in a 94. Janice McGlone carded a 105. Linda Nurmi shot a 112

and Peggy Visser recorded a 118.

Rochester Adams was winner of the tournament with a 379, Saline finished in second with a 396, Salem scored a 403 and Kingswood carded a 421.

On Thursday the Chiefs finished their regular season action by defeating Brighton, 225-254.

Andersen was medalist at the meet sporting a 49, McGlone recorded a 55 and Linda Nurmi shot a 57.

Rocks go to state

BY ERIC OLSON

Finishing third in the regionals the Salem girl's golf team qualified to compete in the state tournament. Taking first was Rochester Adams with a score of 379, Saline second with 396, and the Rocks had 403. Canton placed sixth in the competition.

CANTON GOLFER Cathy Andersen chips onto the seventh green in the Chiefs' victory

over Brighton last Wednesday. (Crier photo by Chas Child.)

Salem nips Trenton

The Salem baseball team beat Trenton 3-2 yesterday to stay atop the Suburban Eight League standings.

Both teams scored two runs in the second inning at Trenton, but the Rocks pushed a run across in the fifth for the victory.

In the fifth, Paul Dillon walked and moved to third on a wild pitch. Sam Meriill then lofted a sacrifice fly to centerfield for the winning tally.

The Rocks are now 8-3 in the league, a full game up on the three second-place teams: Allen Park, Bentley, and Redford Union.

OUT! Third baseman Doug Holloway puts the tag to the Harrison runner's head in the fourth inning of Saturday's district qualifying game. However, the only run of the game scored earlier on the play and Salem

lost, 1-0. Leftfielder Sam Merrill (background) threw the ball to Holloway, and shortstop Mike Michalek, right, watches. (Crier photo by Chas Child.)

Hawks shock Rocks

BY CHAS CHILD

Farmington Harrison ended Salem's state baseball title hopes before they even got started Saturday.

The Hawks squeaked by the Rocks, 1-0, in the district qualifying round on Harrison's home field. A Salem victory in the contest would have set up a Salem-Canton contest, in the pre-district round, but it was not to be.

Although the Rocks had only two hits all day, they were in the contest until the final out. A lead-off double by Matt Etienne in the top of the seventh inning but was left stranded by cold Salem bats.

And in the sixth inning, Paul Dillon also led off with a double. He moved to third on a fielder's choice, but was tagged out in a rundown between home and third after a grounder to the pitcher. "They weren't a bad team," said Salem Coach Brian Gilles. "We just didn't put any pressure on them. We weren't hitting."

Salem's hitting woes started on Thursday when they tallied eight safeties in the 3-2 victory over Redford Union on Thursday, but few came at the right time. Friday, the Rocks

managed only five hits against Dearborn and lost 4-3.

In the three games, the Plymouthites scored only one run by way of a hit by a Salem batsman. "If I knew the answer to hitting, I'd be the manager of the New York Yankees," said Gilles, referring to the collapse of his team's hitting.

Bruce Piper gave up seven hits and struck out three and allowed only one base on balls in the tough defeat to Harrison.

Despite the end of the play-off chase, the Rocks are in an excellent position to win the Suburban Eight League championship. They have a 7-3 league mark and lead Allen Park (5-3) by percentage points.

"I was very disappointed after Saturday but if we can win the next four games and the league championship, it'll still be an excellent year. We'd end with an 18-6 record and I'll take that every year."

After playing Trenton last night, the Rocks face Allen Park in a big game at home today. Then they wrap up their season with a road trip against Edsel Ford on Thursday and Dearborn on Tuesday.

The victory Thursday over

Redford Union lasted 10 innings and Salem would have lost the game if RU's right-fielder had not made a crucial error in the seventh inning. With two outs and Salem behind 2-1 in the seventh, John Lewelling hit a fly to right which was dropped, allowing Joe Goodsir to race home from second base.

A single by Sam Merrill and a walk by Bob Waite followed by two wild pitches brought in the winning run for the Rocks in the 10th. Pitcher Doug Holloway went all the way for the win.

Against Dearborn, however, Salem wasn't as lucky. Behind 3-0 going into the fifth Rock Mike Michalek singled, Paul Dillon walked and both proceeded to score on two errors by Dearborn.

Salem tied the game in the seventh when Goodsir walked and stole second and came home on a double by Michalek.

The Pioneers won the game in the eighth, however with a single and a double.

Matt Etienne went the whole way in picking up the loss on the mound as he gave up six hits and struck out nine.

Last Wednesday, the Rocks thrashed Belleville 12-2.

Schultz wins tennis regional

BY ERIC OLSON

Led by Curt Schultz at number one singles and the number three doubles team of Larry Kummer and Mark Thomas the Salem tennis team finished second in the regionals which qualifying the entire team for the state tournament. Livonia Stevenson was first with 23 points, the Rocks second with 16, and in third was Northville only one point behind Salem with 15.

Schultz defeated Dan Horfath 6-2, 6-4 in the finals and Kummer and M. Thomas won in the finals 6-1, 6-4. Losing in the finals for the Rocks was Scott Crespo, who had won 13 straight matches, 7-5, 6-3.

ANCHORING Canton's 880-yard relay, Rich Fleischer is just edged for third place in the regionals by the Churchill runner who is out of

the picture to the right. The Chiefs' time, however, broke the school record. (Crier photo by Chas Child.)

CANTON runner Cathy Brophy breaks the string and wins her heat of the 880-yd. run Saturday at the regional meet in Farmington. Her time was good for sixth place. (Crier photo, by Chas Child.)

Fleischer wins 220-yd. run

With Brent Eckles forced to default in the 100 yard dash and the longjump because of a back injury only Rich

Fleischer was able to qualify for the state meet. Fleischer won the 220 in a time of 23.0. The 880 relay team almost placed high enough to qualify.

"It was a real tight race and at the finish three teams came in almost at the same time, but they gave the race to Churchill," said a disappointed Canton track Coach Mike Tiano. "Now we'll be sending only one person (to state) rather than five."

"I thought that there were suppose to be people watching the finish to decide who had won, but they went by the time. The way they crossed the finish line I thought we had won," said Tiano.

If there is any consolation for the relay team of John Tarr, Dan McGlenn, Eckles, and Fleischer it is that they set a new school record in a time of 1:33.1.

Losing to Northville 99 1/3 to 58 2/3 the Chiefs took seven firsts. Fleischer was a double winner taking the 440 (54.0) and the 220 (23.5) as was Andy Lewis who won the discus with a throw of 137' 11" and shot the put 41' 6".

Tying for first in the highjump were McGlenn and Dave Talaga at 5 1/2 feet. Eckles ran first in the 100 in 10.4 and the aforementioned 880 relay team was first. Martin Hinkle was the lone second place finisher for the Chiefs as he competed in the 330 low hurdles.

"It wasn't a terrible loss, we didn't get blown out or anything. It wasn't like the losses against Waterford Mott and Bentley in which we lost by 100 and something points," said Tiano after the Northville meet which dropped the Chiefs' season log to 0-5.

Chief striders sweep

BY ERIC OLSON

"Hey, we finally won a couple," said Canton girls track Coach Ken Zornes after wins over Garden City East, 95-40, and Northville, 85-51. The wins helped soften the blow when the Chiefs failed to qualify anyone for state in the regionals.

Placing highest for the Chiefs in the regionals were Kelley Heaton who was fifth in the shot put with a toss of 33 feet 8 1/2 inches, Kathy Brophy ran a school record time, 2:30.4, in the half-mile, and Jeri Shaufelt was eighth in the two mile in a time of 12:57.

"Jeri might have placed

higher if we or I had used a different strategy. I wanted to see what would happen if she ran the first mile fast so that we could prepare for the league meet," explained Zornes. "She ran a real fast mile, about six minutes, but I think that if she had ran her usual race she would have finished about fifth and would have qualified for state."

Against Garden City East firsts were taken by Brenda Bigelow in the highjump (4' 6"), Heaton in the shot put, Sue Coll in the 100 yard dash (12.5), Lynn Rudolph running first in 6:04 in the mile, Shaufelt in the two mile in a clocking of 12:43.1 which set a school record; and the 880 relay team of Jenny Tregembo, Jan Pederson, Heaton, and Kathy Sochaki.

Others who placed were Brophy, a second in the 880, Donna Malke copped a fourth in the highjump, and Shaufelt took a second in the mile.

Leading The Chiefs, now 2-6 on the year, in the win over Northville was Heaton who set a school record in the discus with a throw of 99 feet 10 1/2 inches which was good for a first. She also took a first in the shot put (32' 1 1/4"). Veronica Gray was second in the shot.

Also taking seconds were Rudolph in the two mile, Sochaki in the longjump (15' 2"), and Gray with another runner-up finish in the 220 yard dash.

Rudolph came back to win the mile in a 6:03 timing as did Shaufelt in the two mile (13:09).

Salem girls win 1st track meet

Paced by Ann Meixner's 14 points and Jenny DeVenny's 10, the Salem girl striders won their first dual meet of the year downing Allen Park 87-49. DeVenny won the mile and the two mile while Meixner took the

440 yard dash (67.4), the 220 (29.3), and had her best mark; 14 feet 5 1/2 inches, in the long jump to take a third.

In regional action, Carin Ford in the shotput was the lone Rock to qualify for state. Her third place toss was 35 feet. She also set a school record, 93, in the discus. Other high place finishers were Diane Perpich who took a fourth in the highjump with a school record jump of 5' 2". If Perpich had had one less miss, she would have qualified for state. Kathy Sample ran her best time (5:25.7) in the mile to finish fifth.

Against Allen Park other firsts were by: Kathy Kilke in the 880, 2:34; Erin Lucas in the 110 low hurdles, 16.1;

Canton netters win, lose two

BY ERIC OLSON

In net action last week, Canton beat Waterford Mott 6-1, and lost to Northville, 4-3. Losing their first match this week, the Chief netters are 3-7 on the season.

Monday, the Chiefs fell to Churchill, 6-1. No. 3 singles Doug Hetu won the only match of the day for the Plymouthites as he overcame Dave Baiak, 6-2, 6-3.

At No. 4 singles, Chris Davio lost only his third match of the year as he fell to Tom Vettese, 6-4, 6-4.

Rounding out the rest of the singles Dan Schmidt lost to his No. 1 singles opponent, 6-1, 6-1. And Dave Keen at second singles lost, 6-4, 6-1.

In doubles, Mike Tegge and Bob Young fell, 6-4, 6-4 at the first spot. At No. 2 doubles, Len Weber and Greg Stratton lost 6-3, 6-3, while Peter Lee and Mark Roberts lost 6-7, 6-0, 6-0.

"We have lost a lot of close matches like 4-3," said Canton net coach (Jim) Hayes after the Northville meet. "We should be stronger next year because we are only losing two starting seniors, which should give us a lot more experience next year."

Hayes hopes for his team to improve during the summer and winter. "My number one, two, and three single players played last summer and improved. They really didn't get into tennis until they played in some summer tournaments. Playing inside in winter is important," said Hayes.

Against Northville, number two and four singles players Dave Keen and Chris Davio were victorious. Keen won 6-1,

6-1 and Davio won 7-6, 6-2. Losing in singles play were (no. 1) Dan Schmidt 6-1, 6-1 and number three Doug Hetu 6-3, 6-1.

At one doubles, Mike Tagge and Bob Young were defeated 2-6, 1-6; but at two doubles Len Webber and Greg Stratton won easily 6-1, 6-1. The number three tandem of Matt Campbell and Steve Jones handled their opponents 6-3, 6-3.

In the Waterford Mott meet only Hetu, three singles, was defeated. He lost 6-4, 6-1. Schmidt and Keen each captured their singles in three set matches. Schmidt came back after dropping his first set 7-5 to win 7-5, 6-1 and Keen won the third set 7-5 after splitting the first two sets by 6-4 scores.

All the doubles teams won with the number one duo of Tagge and Young winning 6-3, 6-0, Webber and Stratton 6-3, 6-4, and in a three setter Dexter Lee and Matt Campbell won 7-5, 4-6, 6-4. At four singles Davio was the winning end of a 6-0, 6-4 score.

Winning in the future for the Chiefs could be directly related to the junior varsity. "Tom Williams, the new JV coach, helps out on a part time basis. They practice when we have an away match. It gives the younger kids and opportunity to develop into tennis players," said Hayes.

White No. 2

Brett White, 12, of River Oaks, in Plymouth Township was runner-up in the Pitch Hit and Run contest held last weekend in Westland.

GARY DAVIS of Salem, second from left, crosses the finish line third in the 100-yard dash Saturday in the regional meet. Teammate Curt Lewis, right, finished fifth in the event. (Crier photo by Chas Child.)

Dasher bound for state

BY JEFF REY

"We had some real bright spots and some real low spots," said coach Gary Balconi.

The Salem track team competed in the regionals meet last Saturday at Farmington and Balconi's words could not have summed up the meet any better.

Bob Dasher qualified for his third state meet of the year with a 147-foot toss in the discus for a fifth. Dasher came back and qualified his second event, the shotput with a 53' 2 1/2" third place finish.

"Dasher just had a tremendous day," said Balconi.

The low spots Balconi was referring to came when all of the Rock pole vaulters failed to make opening height.

Scott Kappler, Dennis Ogdon, and Mark Choma all had jumped the opening height of 12' in previous meets with Kappler's best at 14' 8 1/2".

"It was just one of those bad things that happen," said Balconi. "All three of them should be going to state."

The Rocks' second disappointment came when Chris Ritchey was disqualified in the 220 for stepping on the inside line. Ritchey would have won his heat and qualified for state had he not been disqualified.

Greg Davis was the second Rock to qualify finishing third in the 100 yard dash.

Tom Rubadue turned in a spectacular state qualifying time of 1:58.2 in the 1/2 mile for a third place finish, and Salem's 440 relay team qualified with a 45.6 third

place finish. Greg Stevens, Dave Booker, Mike Christie, and Ritchey ran the event for Salem.

Salem's No. 1 ranked 880 relay team represented their final disappointment when a dropped baton during and exchange costed the Rocks their only chance to qualify. On Wednesday, Salem ran past league foe Allen Park 108-50.

Dasher and Christie were the only two Rocks to achieve

double wins, with Dasher winning both the discus and shotput and Christie grabbing firsts in the 330 low hurdles and 120 highs.

The Rocks host Redford Union on Thursday for their last meet of the year, until the league meet on May 31 at Salem.

Salem's 4-2 league will have no bearing at the league meet since the meet determines each team's final outcome of the year.

Rocks head to state

Cont. from pg. 21

The number one doubles team of Jeff Bearup and Ed Thomas lost in the semifinals 6-1, 6-2 and at two doubles Craig Stevens and Dick Cook also lost in the semifinals 7-6, 6-4.

Bob Braun, two singles, lost in the quarterfinals 6-1, 6-2 and Blake Lumberg at three singles lost in the first round 6-1, 6-3.

Coach Jim Stevens points to a 6-1 over Ypsilanti just before the regionals as the key to his team's success in the regionals. "Against Ypsi it was a total team effort, perhaps the best team effort we've had in years at Plymouth Salem. It really set the stage for the regionals because if we had had just one less point we would have tied for second," said Stevens.

Linksters now 5-3

Cont. from pg. 20

"We were very, very successful in finishing third because we go to state and will be in the top twenty teams in the state," said an exuberant Bob Waters coach of the Rocks.

"We were ahead at the halfway - a real surprise - we were up by about seven strokes, we had the other teams talking to themselves."

Betty Delano paced Salem with a 93 which was the fourth best score in the field of 66 players. Other scores were: Beth Maggio 97, June Delaney 104, and Meg McGee 109. Carin Johnson of Saline was the medalist with an 88.

In qualifying for the state tournament Salem became the first girls golf team from Plymouth to do so.

"Our score for the front nine set a school record as we averaged about a 48 for each girl and that's playing golf," said Waters.

Against Willow Run the Rock linksters pushed their season record to 5-3 with a 201-222 victory. Delano fired a 49 to lead Salem and she was followed by Nancy Debear 50 and Maggio and McGee who both carded 51's.

Wrestlers will wash

The Salem wrestling team is holding a car wash on Saturday, May 27 from 9 a.m. through 3 p.m. at the Plymouth Elks club, 41700 Ann Arbor Road. Funds raised will go toward equipment and trips to summer wrestling camps for team members. Washes will cost \$2 or a donation.

Chief softballers down Bentley

THE COMMUNITY CRIER: May 24, 1978

BY JEFF REY

The Canton softball team finished a long week of action by beating Bentley on Friday in pre-district action 5-2.

The Chiefs dropped two games earlier in the week, the first a 26-11 drubbing by Waterford Mott on Tuesday and a 10-7 defeat at the hands of Northville on Wednesday.

Canton came back on Thursday and blanked Willow Run, 16-0. The game was called after five innings by the mercy rule. Lucy Howe pitched five innings of no hit baseball to notch her third win of the season.

Friday's win over Bentley was a must for the Chiefs in order to stay in the single elimination district tournament.

The Bulldogs jumped out to a quick 2-0 lead in the opening inning which held all the way until the fifth.

The Canton bats finally began to warm up when Howe started the inning off with a single. Kathie Peck followed with another single

and Judy Freiman walked to load the bases. Cindy Stevens and Val Harben each followed with singles scoring one run apiece and Sherry Pijanowski knocked in Cantons last two tallies of the inning on a single.

The Chiefs came back with an insurance run in the seventh and Canton's steady defensive play held the Bulldogs scoreless.

Despite the Chiefs' record, a number of players are hitting the cover off the ball. Judy Freiman leads all Canton sluggers with a .514 batting average, while Sherry Pijanowski hefts a .500 mark. Jean Karshevetz is hitting at a .458 clip, while Lucy Howe boasts a .471.

Two players are at the .400 mark - Cindy Stevens and Kathie Peck - while Val Harben is hitting .375 and Pam Schipani, .368.

CANTON'S Kathie Peck catches the ball just in time to nab a Bentley runner. The Chiefs won the pre-district contest on Friday. (Crier photo by Bill Bresler.)

Rock girls outslug Bulldogs

BY ERIC OLSON

Bombing Franklin 14-2, the Salem softball team raised its season record to 10-2 and pitcher Debbie Pitera ran her season mark to 8-2. The Rocks scored their runs in bunches talling three in the first inning, five in the second, and six in the seventh.

In the first inning, the Rocks got a lead-off single from Nancy Horwood which was followed by five straight walks that pushed three runs across.

Exploding for five runs in the second, Donna Goodrich and Horwood were safe on errors. Pitera walked, and back-to-back triples by Becky Crespo and Kathy Dillon cleared the bases. The final run of the inning scored on a walk to Cindy Cindrech, who stole second, and a base-hit by Sue McDowell.

Salem, batted around in the seventh scoring six runs. Cindrech singled and came home on a triple by Kathy Gardner.

Then three straight singles, a walk, and another single produced five more scores.

In action earlier in the week the Salem softballers won two and lost one. The wins came against Dearborn, 13-2,

and Belleville, 4-3; and the setback was 13-10 to Redford Union. Pitera tossed a one-hitter and struck out 13 in beating Belleville. Jan Boyd picked up the win against Dearborn.

Tennis passes needed

The Plymouth-Canton Community Education Dept. has instituted a pass system to be used on school tennis courts starting June 5, and running until September 2.

Passes are available from the Community Education office in Room 117 of Canton High School, weekdays from 9 a.m. until 4 p.m. Those interested may also register at one of the courts beginning on June 5 from 4 p.m. until 9 weekdays, or from 10 a.m. until 9 p.m. on weekends, when court attendants will be on duty.

A family pass will cost district residents \$8 for the

season. A single-person pass will cost \$5. Non-residents must pay \$30 for a season family pass or \$20 for a single pass.

Residents showing up without a pass will be charged \$1 and non-residents, \$2.

Residents with or without a pass will get priority over non-residents without a pass.

Playing time is assigned on a first come, first served basis with playing time limited to one-and-a-half hours if others are waiting, although children under the age of 13 may be asked to limit their play if adults are waiting.

Players must show passes to the attendant upon request.

School officials feel that these new procedures will help the courts to be run more smoothly.

Pair leads Canton golf

Despite an off and on drizzle the Canton Men's Golf League got in nine holes of league play this week.

Mike Mattingly and Paul Oberhelman swept five points from Bob Bednarz and Larry Salde to take over first place all alone. Glen and Don Ponte took four and one-half points from Dennis Stuebben and John Seewald to obtain second place.

Tony Valenti and Mike Roemer shot the best rounds of the week as they both posted 40's. Gordon Lapierre posted the next best with a 41.

Auctioneer's potpourri draws crowd in Canton

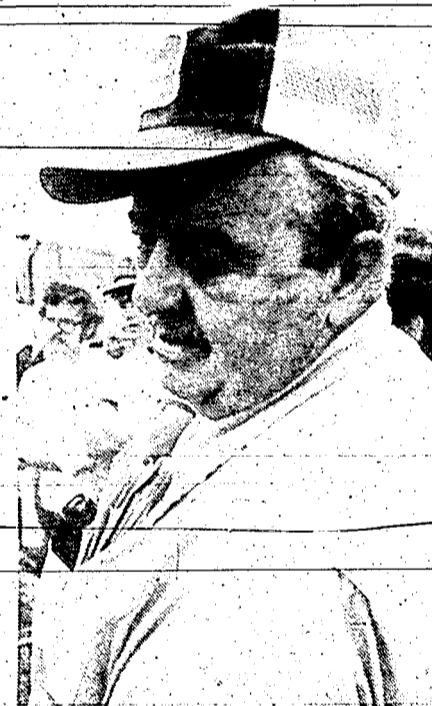

It's not every day you get to bid on a World War II vintage half-track - - or aluminum stretchers or adding machines or cranes. But all those things and more went on the block last Saturday in the Canton DPW Yard on Geddes Road.

A RUSTING HALFTRACK was among the more exotic items auctioneer Rollo Juckette sought bids for last Saturday in Canton.

The center of attention at the township's first auction sale was auctioneer Rollo Juckette, whose fast-talking, fast-figuring style helped the township clear its garage of all sorts of surplus stuff.

We thought the halftrack - - obtained by the township during the days of Civil Defense - - would be a great way to parade The Crier Flier at Fowl Festival, but spirited bidding pushed it out of our price range. The dilapidated vehicle sold for \$1,250.

The event was a reunion of sorts for many township old-timers and politicians, who took time out for reminiscing between the moments of decision.

PAUSING to tally his purchases, Willis Dolson studied his bidding card Saturday while leaning on a crane in the DPW yard.

What is... "VOLUNTARY PAY?"

The Crier is a "voluntary pay" newspaper. That is, you may receive The Crier whether you choose to pay your carrier or not. Let's consider, for a moment, what happens when you DO pay. Your carrier keeps 25% of his or her collections, 100% of his or her tips and in addition, is paid 2 cents for every paper delivered. This first-job experience teaches these youngsters valuable lessons in money management and budgeting, and provides them with

an opportunity to develop personal motivation. Crier carriers strive to do their very best. Next collection your carrier would be more than grateful if you pay 70 cents for the past four weeks, but a friendly "I'd rather not pay," would be accepted. Either way, a valuable lesson is learned . . . and you can be assured of continuous, conscientious delivery of local news, sports and advertising.

Canton sign furor goes on

Cont. from pg. 3

too high," Commissioner Bart Berg said. "I'm almost inclined to think that's almost low profile. I think everybody has to have some exposure of some kind."

The ordinance currently requires signs for newly-developed areas to be reviewed. Goldsmith said that she would like to see all signs reviewed, the point being echoed by Jackie Westbay of the League of Women Voters, who said that a review timetable should be enacted.

Existing law requires that real estate firms wanting to place "for sale" signs larger than five square feet must appeal to the Zoning Board of Variances for a permit. Dave Miles, a real estate agent suggested that until the complete ordinance is acted upon, that the limit be raised to 12 or 24 square feet, saying that five is useless.

The tug-of-war between residents protesting billboard pollution and businessmen footing the bulk of the property

taxes was underscored by Anne Andreozzi, who with her husband, owns the Donut Scene on Ford Road and Lilley.

Saying that they live in Farmington Hills, Mrs. Andreozzi said that she does not benefit from the \$4,000 in taxes paid yearly.

"Businessmen are the backbone of the community. Would residents be willing to double their taxes?" she asked. "We need the traffic from Ford Road and I-275 that's going 45 miles an hour. They're not going to turn around and come back," she said, adding that signs are necessary for a profit.

Former Dearborn residents, Mrs. Andreozzi said that property taxes there are low because of the presence of the Ford Motor Company.

Added sign height is also necessary, she said, to cut down on vandalism. She said, "We are tired of paying for repairs. Unless we can get some co-operation, I don't know how long we can continue."

The sign ordinance is scheduled to appear on the June 12 agenda in a revised form, with the suggestions assimilated. It will then face a final hearing before being submitted to the Canton Twp. Board.

Durkin granted hearing

James Durkin, a probationary teacher at Salem High School, has been granted an informal hearing by the Board of Education on whether he should be retained by the district.

Two weeks ago, the board voted not to renew his contract but offered him an informal hearing to listen to his claims that he got "lost in the paper shuffle" when the administration failed to recommend that he be hired permanently.

The hearing is scheduled for June 5 at the administrative offices of the schools and will be closed at Durkin's request.

Bus ruling

Cont. from pg. 1

voluntary program, said Hoben.

This has important implications not only for the Plymouth-Canton district, but districts throughout the state, including the mammoth Detroit school district, said Hoben.

The full implications of the decision have not determined, however, he warned, adding that more will be known after today's meeting with Porter.

ESY schools operate year-round, with students on four separate rotating tracks that are in school for 45 days and on vacation for 15 days. The uniqueness of the schedule prompted the board of education to offer the opt-out policy.

Twp. buys land

Cont. from pg. 1

suggested that such a decision to purchase property would have to be placed on the ballot, Notebaert said township board members might also be able to approve the purchase after holding a public hearing on the proposal.

"The law is kind of vague," he said. "Should the question require a vote of township residents, Notebaert said it would be placed on the Aug. 8 ballot."

The Teledyne building, vacant since April 1, when the firm consolidated local operations with those of its plant in Wayne, is divided into offices and a plant area. That open plant section, at the rear, would become the township board's new meeting room, Notebaert predicted. The clerk and supervisor's offices would move into the

front half of the building. Officials say the township's accounting and public works departments are cramped for office space now and would expand into existing administrative offices.

"The building lends itself very well to remodeling for office space," Notebaert said.

He has proposed a corridor and conference room for part of the space between the two buildings, now occupied by a driveway.

Teledyne's driveway would become the township's new entrance drive off Ann Arbor Road. A storage building on the property could also be converted to township use.

Notebaert said the township's capital improvement fund can absorb the purchase cost. The township's option to buy the building expires Sept. 1.

Ask school hopefuls

Meet and question the candidates for the Plymouth-Canton School Board at a candidates' forum on Thursday, June 1 from 8 to 10 p.m. at Pioneer Middle School.

The forum is co-sponsored by the League of Women Voters of Northville-Plymouth-Canton-Nov, and the American Association of University Women, Plymouth branch.

Davis answers LWV

Cont. from pg. 19

schools to have options so that each student receives the kind of teaching that best suits his needs. At the Park, we should also provide options for students who are capable of producing, while providing for students who need more structure and supervision.

By offering choices, all students will receive a quality **Kirchgatter's LWV response**

other levels. However, I am also realistic and practical about it. If we can afford it, in dollars and space, then I am more than supportive of alternatives throughout our system.

There are students who function better in one environment or type of program than another. Once again, public education must first be concerned with the majority.

education that fits their learning style.

4. The Plymouth-Canton Community Schools have a policy that states that in every grade except kindergarten, second and 12 some district wide standardized achievement or intelligence test is given. Additional tests for diagnostic purposes are given students when recommended by the professional staff.

I favor testing that is done for a specific purpose, that is diagnostic testing for better placement. I do not favor wholesale testing of each child every year.

5. Yes. All students don't learn under the same conditions. I believe each student is entitled to receive a quality education that best meets his or her needs. An alternative school provides an option for students to receive an education that they cannot obtain in a regular school setting.

**AMENDED
ARTICLES OF INCORPORATION
OF THE
CANTON, VAN BUREN AND SUMPTER
WATER AND SEWAGE DISPOSAL AUTHORITY**

These Articles of Incorporation are adopted by the incorporating municipal corporations for the purpose of creating an authority under the provisions of Act No. 233, Michigan Public Acts of 1955, as amended (hereinafter sometimes referred to as the "enabling act").

ARTICLE I

The name of this Authority is "Canton, Van Buren and Sumpter Water and Sewage Disposal Authority" The registered office of the Authority will be located in the Township Hall of the Charter Township of Canton, Wayne County, Michigan.

ARTICLE II

The incorporating municipal corporations creating this Authority are the Charter Township of Canton and the Townships of Van Buren and Sumpter, all in the County of Wayne, State of Michigan, which are hereby designated as the constituent municipalities.

ARTICLE III

The purpose of this Authority is to acquire, own, improve, enlarge, extend and operate a water system or sewage disposal system or any part thereof in accordance with the enabling act. The term "water system" as used in these Articles shall include all water mains, interceptors, laterals, water purification plants, pumping stations, wells, and all other plants, works, instrumentalities and properties used or useful in connection with the obtaining collection, treatment, purification and distribution of water. The term "Sewage Disposal System" as used in these Articles shall include all interceptor sewers, storm sewers sanitary sewers, combined sanitary and storm sewers, sewage treatment plants, and all other plants, works, instrumentalities and properties used or useful in connecting with the collection treatment and/or disposal of sewage and/or industrial wastes.

ARTICLE IV

This Authority shall be a body corporate with power to sue or to be sued in any court of this state. It shall be comprised of the territory lying within the corporate boundaries of its constituent municipalities. It shall possess all of the powers granted by statutes now in effect or hereafter adopted or amended, and by these Articles, which are necessary to carry out the purposes of its incorporation, and those incident thereto. The enumeration of any powers herein or in the enabling act shall not be construed as a limitation upon its general powers unless the context shall clearly indicate otherwise. It shall have a corporate seal.

ARTICLE V

This Authority shall continue in existence perpetually or until dissolved by act of the parties or by law: Provided, however, that it shall not be dissolved if such dissolution would or could operate as an impairment of the bonds or other contracts.

ARTICLE VI

The fiscal year of this Authority shall commence on the first day of January and end on the thirty-first day of December in each year.

ARTICLE VII

The governing body of this Authority shall be a board of Trustees, hereinafter referred to as the "Board", which shall consist of six trustees, two of whom shall be residents of the Charter Township of Canton and be appointed by the Township Board of said Township and two of whom shall be residents of the Townships of Van Buren and Sumpter each and be appointed by the Township Boards of said Townships. Members of the first Board shall be so appointed within thirty days after these Articles become effective and their terms shall be staggered so that the two trustees from the Charter Township of Canton shall serve for terms expiring on June 30, in the years 1974, and 1976, respectively, the two trustees from the Township of Van Buren shall serve for terms expiring on June 30 in the years 1975 and 1976 respectively, and so that the trustees from the Township of Sumpter shall serve for terms expiring on June 30 in the years 1979 and 1980 respectively. Succeeding trustees shall be so appointed on or before the fifteenth day of June of each year and shall serve for three-year terms beginning on the following July 1 and until their respective successors are appointed and qualified. Each trustee shall file his oath of office with the clerk of the constituent municipality from which he is appointed. Trustees shall serve without compensation but the Board may by majority vote of its total membership authorize payment of actual expenses incurred by any trustee in connection with the business of the Authority. The members of the first Board shall qualify by filing their oaths of office and shall meet for the purpose of organization within thirty days after their appointment and thereafter the Board shall meet for such purpose on the third Monday in July of each year at the time and place fixed for the holding of regular meetings. At each such organization meeting the Board shall select a Chairman and a Vice-Chairman, who shall be members of the Board, and a Secretary and a Treasurer who may but need not be members of the Board. The offices of Secretary and Treasurer may be combined and held by one person if so provided in the By-Laws. Such officers shall serve until the next annual organization meeting and until their respective successors shall be selected and qualified. Failure to hold meetings or appoint or select trustees or officers as herein provided shall not render invalid any action taken by the Board or its officers. No appointment of any trustee or election of any officer, and no action taken at any meeting, shall be invalid because it did not occur within or at the time specified in these Articles. Any member of the Board may be removed for cause at any time by majority vote of the legislative body which appointed him. Any officer of the Board may be removed at any time by majority vote of the total membership of the Board.

ARTICLE VIII

In the event of a vacancy on the Board, the legislative body of the constituent municipality which appointed the trustee whose position has become vacant shall fill the vacancy for the unexpired term. In the event of a vacancy in any office of the Board, such vacancy shall be filled by the Board for the unexpired term. In case of the temporary absence or disability of any officer, the Board may appoint some person temporarily to act in his stead except that in the event of the temporary absence or disability of the Chairman, the Vice-Chairman shall so act.

ARTICLE IX

Regular meetings of the Board shall be held at such time and place as shall be prescribed by resolution or in the By-Laws of the Board. Special meetings of the Board may be called by the Chairman or any four members thereof, by serving written notice of the time, place and purpose thereof, upon each member of the Board personally, or by leaving it at his place of residence, at least twenty-four hours prior to the time of such meeting, or by depositing the same in a United States Post Office or mail box within the limits of the Authority, at least seventy-two hours prior to the time of such meeting, enclosed in a sealed envelope properly addressed to him at his home or office address, with postage fully prepaid. Special meetings of the Board at which all members are present shall be deemed to be valid even though no written notice thereof may have been given as above provided. Any member of the Board may waive notice of any meeting either before or after the holding thereof and written consent to any action taken by the Board shall have the same effect as if the consenting member had been present and had voted in favor of such action. At least four members of the Board shall be required for a quorum. The Board shall act by motion, resolution or ordinance. For the passage of any resolution or ordinance providing for the issuance of bonds there shall be required the affirmative vote of at least four members of the Board. For all other actions,

a majority vote of those present shall be sufficient for passage, unless otherwise provided herein or in the By-Laws. The Board shall have the right to adopt By-Laws and rules governing its procedure which are not in conflict with the terms of any statute or of these Articles. The Board shall keep a journal of its proceedings, which shall be signed by the Secretary. All votes shall be "Yeas" and "Nays", except that where the vote is unanimous, it shall only be necessary to so state. Each member shall be required to vote upon all matters unless he shall be disqualified therefrom. No member may vote upon any matter in which he has a personal interest. No trustee shall have any financial interest in any contract with the Authority.

ARTICLE X

The Chairman of the Board shall be the presiding officer thereof. In the absence or disability of the Chairman, the Vice-Chairman shall perform the duties of the Chairman. The Secretary shall be the recording officer of the Board. The Treasurer shall be custodian of the funds of the Authority and shall give to it a bond conditioned upon the faithful performance of the duties of his office. The cost of said bond shall be paid by the Authority. All monies shall be deposited in a bank or banks, to be designated by the Board, and all checks or other forms of withdrawal therefrom shall be signed by two officers of the Board as shall be designated in the By-Laws or by resolution of the Board. The officers of the Board shall have such other powers and duties as may be conferred upon them by the Board. The Board shall prior to December 15 of each year, prepare, adopt and file with the legislative bodies of the constituent municipalities, an annual budget for the next fiscal year covering the proposed expenditures to be made for the organizing and operating of the Authority, and for the necessary funds required from each constituent municipality for the next fiscal year.

ARTICLE XI

The Authority shall have power to acquire property necessary for its purpose by purchase, construction, lease, gift, devise or condemnation, either within or without its corporate limits, and may hold, manage, control, sell, exchange or lease such property. For the purpose of condemnation it may proceed under the provisions of Act 149, Public Acts of Michigan, 1911, as now or hereafter amended, or any other appropriate statute.

ARTICLE XII

The Authority and its constituent municipalities may enter into a contract or contracts providing for the acquisition, purchase, construction, improvement, enlargement, extension, operation and financing of a water system or a sewage disposal system or any part thereof as authorized and provided in the enabling act. The Authority may, subject to the prior approval of the constituent municipalities, enter into contracts with any non-constituent city, village or township for the furnishing of water or sewage disposal service by any sewage disposal facilities owned or operated by the Authority, which contract shall provide for reasonable charges or rates for such service furnished. No contracts shall be for a period exceeding forty years.

ARTICLE XIII

For the purpose of obtaining funds for the acquisition, purchase, construction, improvement, enlargement or extension of a sewage disposal system or any part thereof, the Authority may, upon ordinance or resolution duly adopted by the Board, issue its negotiable bonds, secured by contractual full faith and credit pledges of each contracting municipality, in accordance with and subject to the provisions of the enabling act.

ARTICLE XIV

The Board shall have power to secure all necessary services and to hire all necessary officers and employees to carry out the functions of the Authority and to fix the compensation therefor: Provided, however, that no officer or employee of any constituent municipality shall receive any compensation from the Authority except by the unanimous vote of the total membership of the Board.

ARTICLE XV

The Board shall cause an annual audit to be made of its financial transactions by an independent certified public accountant and shall furnish at least five copies thereof to each constituent municipality.

ARTICLE XVI

These Articles shall be published once in the Community Crier, The Daily Eagle and The Belleville Enterprise and Legal Times, newspapers having general circulation within the territorial limits of the Authority, and one printed copy of the Articles, certified as a true copy thereof, with the date and place of publication, shall be filed with both the Secretary of State and the Clerk of the County of Wayne within thirty days after the execution thereof has been completed. The Township Clerk of the Township of Van Buren is hereby designated as the person to cause these Articles to be published, certified and filed as aforesaid. In the event he shall be unable to act or shall neglect to act, then the Township Clerk of the Charter Township of Canton shall act in his stead.

ARTICLE XVII

This Authority shall become effective upon the filing of certified copies of these Articles as provided in the preceding Article.

ARTICLE XVIII

These Articles of Incorporation may be amended at any time so as to permit any other municipality to become a constituent municipality of this Authority, if such amendment and the Articles of Incorporation as so amended are adopted by the legislative body of such other municipality and if such amendment is adopted by the legislative body of each constituent municipality of which the Authority is composed. Other amendments may be made to these Articles of Incorporation at any time if adopted by the legislative body of each constituent municipality of which the Authority is composed. Any such amendment shall be endorsed, published and certified, and printed copies thereof filed in the same manner as the original Articles of Incorporation, except that the filed and printed copies shall be certified by the recording officer of this Authority.

These Articles have been adopted by the several incorporating municipalities, as hereinafter set forth in the following endorsements, and in witness whereof the Supervisor and Clerk of the Charter Township of Canton and the Supervisors and Clerks of the Townships of Van Buren and Sumpter have endorsed thereon the statement of such adoption.

The foregoing Articles of Incorporation as amended were adopted by the Township Board of the Township of Canton, Wayne County, Michigan at a meeting duly held on the 9 day of May, 1978.

CHARTER TOWNSHIP OF CANTON BOARD PROCEEDINGS

A regular meeting of the Township Board of the Charter Township of Canton was held on Tuesday, May 9th, 1978 at 7:00 p.m. at 128 Canton Center Road.

Present: Bradley, Daley, Flodin, Goldsmith, Schwall, Stein. Absent: Myers.

The following items were added to the agenda.

1. VanBuren Canton Sumpster Sewer and Water Authority.
2. Oral Board for Recreation Director.
3. Weed Bids.
4. Consider amendment to Disorderly Persons or School Ordinance.
5. Tree Planting.
6. Rear yard Drainage Resolution.

A motion was made by Bradley and supported by Stein and unanimously carried to approve the agenda.

A motion was made by Daley and supported by Schwall and unanimously carried to approve the minutes of May 2, 1978 as corrected.

A motion was made by Bradley and supported by Stein and carried that bills in the amount of \$91,071.79 be paid.

Yes: Bradley, Daley, Flodin, Schwall, Stein. No: Goldsmith.

A motion was made by Stein and supported by Bradley to adopt a resolution providing for the taking of certain tests by applicants for full time positions in the Police Department. The motion and support were withdrawn.

Marvin Meltzer spoke on the activities of the Southeastern Michigan Transportation Authority.

George Peek spoke to the Board regarding the Capital Improvement Program.

A motion was made by Goldsmith and supported by Flodin and unanimously carried to appropriate up to \$3,000.00 for an update of the Capital Improvement Program.

A motion was made by Schwall and supported by Daley and unanimously carried to adopt the following ordinance as an emergency ordinance, and give it immediate effect upon its publication.

ORDINANCE NO. 64

THE CHARTER TOWNSHIP OF CANTON ORDAINS:

25.700 AN EMERGENCY ORDINANCE FOR THE PURPOSE OF CONTROLLING AND ERADICATING NOXIOUS WEEDS WITHIN THE TOWNSHIP OF CANTON FOR THE PUBLIC HEALTH AND WELFARE; TO PROVIDE FOR THE ASSESSMENT OF EXPENSES INCURRED IN CONTROLLING AND ERADICATING SUCH WEEDS; AND TO PROVIDE PENALTIES FOR VIOLATIONS OF SAID ORDINANCE.

25.710 SECTION I. NOXIOUS WEEDS DEFINED. For the purpose of this Ordinance, "noxious weeds" shall include canada thistle, doddars, mustards, wild carrot, bindweeds, perennial southistle, hoary alyssum, ragweed, poison ivy, goldenrod, quackgrass, crabgrass, poison sumac, or any other plants which are recognized as inducing hay fever, rose fever, or other diseases, or as being in any way deleterious to the health or comfort of the community.

25.720 SECTION II. AREAS TO CUT. The provisions of this Ordinance shall apply only to lots or parcels of land within the Charter Township of Canton which are within or adjacent to platted residential areas, in any subdivision where construction has begun on 50% of the lots in each individual plat, and in shopping areas, facilities or other areas where large numbers of persons can be found or congregate. The weeds may be cut to a distance of 300' from the areas mentioned above.

25.730 SECTION III. UNLAWFUL TO PERMIT. It shall be unlawful for the owner or occupant or any person, firm or corporation in charge of any such lot or parcel of land within the Charter Township of Canton to permit or allow to grow thereon any noxious weeds as herein defined. Presence of such weeds upon any such lot or parcel of land within the Township of Canton is hereby declared to be a public nuisance and inimicable to public health and safety.

25.740 SECTION IV. DUTY TO CUT. It shall be the duty of every owner, occupant or person having charge of any such land within the Township of Canton to cut down or cause to be cut down and destroyed in Section I (Section I 25.710) prior to the first day of August in each year and/or as needed and as often as may be necessary to prevent same from going to seed, and to notify the Township that such weeds have been destroyed within three days of such cutting.

25.750 SECTION V. AUTHORITY TO DESTROY NOXIOUS WEEDS AND COLLECT THE COST OF SAME. In case any such owner, agent, or occupant shall refuse to destroy such noxious weeds or cause the same to be destroyed, it shall be the duty of the Township of Canton to enter upon such lands and to destroy such noxious weeds or cause the same to be destroyed, and such entering upon said lands shall not be deemed as trespassing. Express power to so enter upon such lands and destroy such noxious weeds is hereby conferred upon the Township of Canton. In the event the owner, agent, or occupant has failed after ten (10) days notice as provided herein, to destroy such weeds or cause the same to be destroyed, then the Township of Canton or any other officer or agent authorized by the Township may enter upon such lands or lots and destroy by cutting with or without mechanical equipment which will not damage the property or the sidewalk adjacent thereto any such weeds, and all such expenses incurred in such lands shall be paid by the owner or owners of such lands. In the event any owner or owners billed for same by mail, who have not paid for such services after 30 days from billing, the Township shall have the right to spread such expense against the property of such owner or owners on the County and School tax roll of the general Township tax roll and/or place a lien upon the property to secure the collection of such expense.

The Township Treasurer shall, subject to the approval of the Township Board, set up such billing procedures as may be required to accomplish the purpose of this ordinance.

25.760 SECTION VI. NOTICE. It shall be the duty of the Township of Canton to post notices in not less than three (3) conspicuous places within said Township and to publish a copy of said notice at least once in a newspaper of general circulation within said Township, not less than ten (10) days prior to the time when such weeds must be cut, said notice to be in substantially the following form:

"NOTICE TO CUT NOXIOUS WEEDS"

To the owner or occupant or any person or persons, firm or corporation having charge of any land in the Charter Township of Canton:

Notice is hereby given that all noxious weeds growing on any land in the Charter Township of Canton, Wayne County, Michigan, must be cut and destroyed on or before the day of A.D., 19 . . . And every owner, occupant, or person having charge of any such land must notify the Township that such weeds have been destroyed within three days of such cutting. Any person failing to comply with this notice on or before the date mentioned shall be liable to the imposition of the penalties set forth in Ordinance Number . . . of the Charter Township of Canton, Wayne County, Michigan, and shall be liable for all expenses incurred by the Township in destroying said noxious weeds, which expenses, if unpaid by the owner or occupant, shall be spread against the property on the next County and School tax roll or the next general Township tax roll and/or place a lien upon the property to secure the collection of such expense. The Township of Canton may notify by certified mail with return receipt requested, the owner, agent, or occupant, as shown on the current County and School tax roll, of any lands on which such noxious weeds are found growing. Such notice shall contain methods of treating and eradicating such noxious weeds and a summary of the provisions of this section of the Ordinance. Failure of the Township to give such notice shall not, however, constitute a defense to any action to enforce the payment of any penalty provided herein or any debt created hereunder.

25.770 SECTION VII. PROSECUTION OF VIOLATORS. It shall be the duty of the Township of Canton to prosecute or to complain to the proper authorities of any person, firm or corporation who may violate any of the terms of this Ordinance.

25.780 SECTION VIII. PENALTIES. Any person, firm or corporation convicted of a violation of any of the provisions of this Ordinance shall be punishable by a fine of not more than \$100.00 or by imprisonment for not more than 90 days, or by both such fine and imprisonment in the discretion of the court.

25.790 SECTION IX. SEVERABILITY. The various parts, sections and clauses of this Ordinance are hereby declared to be severable. If any part, sentence, paragraph, section or clause is adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of the Ordinance shall not be affected thereby.

25.800 SECTION X. REPEAL. Any section of Ordinance No. 64 dated September 9, 1975, inconsistent with the provisions of this Ordinance is hereby repealed.

25.810 SECTION XI. EFFECTIVE DATE. This ordinance is declared to be an emergency ordinance necessary for the preservation of the peace, health, safety and welfare of the people of the Township of Canton and is hereby given immediate effect.

A motion was made by Schwall and supported by Bradley and unanimously carried to accept the low bid of General Electric of \$15,269.00 for radios subject to perusal and review by the Police Chief.

A motion was made by Stein and supported by Flodin to accept the grant to purchase two radios for ambulances.

A motion was made by Flodin and supported by Bradley and unanimously carried to create a new position of clerk in the Treasurer's Department and fill the position from the list of tested applicants.

A motion was made by Bradley and supported by Schwall and carried to instruct the township attorney not to pursue the litigation relative to the Standard Federal Savings sign, and to dismiss the violation at the first scheduled court hearing on May 17th.

Yes: Bradley, Daley, Flodin, Schwall, Stein;

No: Goldsmith.

A motion was made by Daley and supported by Bradley and unanimously carried to table the request for an appeal to a denial of a request for a zoning change on Canton Center Road.

A motion was made by Flodin and supported by Stein and carried to approve the site plan for State Wide Auto Sales Inc. located at 44625 Michigan Avenue.

Yes: Bradley, Daley, Flodin, Schwall, Stein.

No: Goldsmith.

A motion was made by Daley and supported by Flodin and unanimously carried to review and possibly revise all township ordinances as soon as is practical.

A motion was made by Stein and supported by Bradley and unanimously carried to adopt the following resolution:

BE IT RESOLVED, that the Township Board of the Charter Township of Canton, Michigan, does hereby adopt the Articles of Incorporation of the Canton, Van Buren and Sumpster Water and Sewage Disposal Authority which are attached hereto and made a part hereof, and does hereby authorize and direct the Supervisor and the Clerk to execute the said Articles of Incorporation on behalf of the Charter Township of Canton, in as many original counterparts as may be deemed necessary, and to cause the same to be filed as provided by law;

BE IT FURTHER RESOLVED, that said Articles of Incorporation shall take effect upon its adoption.

A motion was made by Stein and supported by Bradley and unanimously carried to request the Recreation Committee to choose four members of their committee, and that those four choose a professional person to conduct the oral interviews for the planning position.

A motion was made by Bradley and supported by Schwall and unanimously carried to request the Recreation Committee to choose four members of their committee, and that those four choose a professional person to conduct the oral interviews for the planning position.

A motion was made by Bradley and supported by Schwall and unanimously carried that since only one bid had been received that the opening of weed cutting bids be tabled.

A motion was made by Schwall and supported by Stein and unanimously carried to amend either ordinance No. 35 or the Disorderly Person Ordinance to control the consumption of alcohol on school premises.

A motion was made by Daley and supported by Schwall and unanimously carried that the Supervisor and Clerk be authorized to approve agreements with the Wayne County Road Commission, providing for maintenance by the Township of all collector sewers which serve rear yard drainage and/or footing drains in certain subdivisions being developed in the Township and further that the Supervisor and Clerk are authorized to approve drainage agreements and sign drainage permits providing for maintenance by the Township, of certain storm sewers to be located in Wayne County right-of-way, which will be installed in connection with the development of certain subdivisions, commercial developments and multiple developments, upon the recommendation of the township engineer.

A motion was made by Bradley and supported by Schwall to adjourn at 10:40 p.m.

HAROLD STEIN

SUPERVISOR

JOHN W. FLODIN

CLERK

NOTICE OF PUBLIC HEARING VACATING OF ALLEY CITY OF PLYMOUTH, MICHIGAN

Notice is hereby given that on Monday, June 5, 1978, at 7:30 p.m., a Public Hearing will be held by the City Commission of the City of Plymouth, Michigan, in the Commission Chamber of the City Hall, upon the question of whether or not the following alley is to be vacated:

North and South 18 ft. alley running between Arthur and Irvin Streets, from William Street northerly to Blanche Street.

All interested parties will be given ample opportunity to participate in the hearing and, at the close of said hearing, comments and suggestions of those citizens participating will be considered by the City Commission prior to rendering its decision.

PAUL V. BRUMFIELD,
CITY CLERK

POSTING AND FILING OF CITY COMMISSION MINUTES CITY OF PLYMOUTH, MICHIGAN

Notice is hereby given that on the 23rd day of May, 1978, true copies of the minutes of the regular meeting of the City Commission held on Monday, May 1, 1978, at 7:30 p.m., were posted on the official bulletin boards of the City of Plymouth, located at the Southeastly corner of the intersection of S. Main Street and Penniman Avenue; the Southeastly corner of the intersection of Starkweather Avenue and W. Liberty Street; the South entrance of the Central Parking Lot facing S. Harvey Street, and also on the bulletin board in the City Hall at 201 S. Main Street. These minutes are posted in accordance with Section 5.11 of the City Charter for the benefit and information of all interested citizens of the City of Plymouth.

PAUL V. BRUMFIELD,
CITY CLERK

NOTICE DOG LICENSES CITY OF PLYMOUTH, MICHIGAN

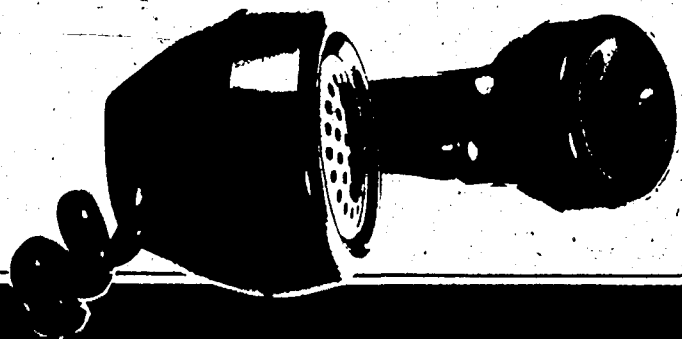

Notice is hereby given that current dog licenses will expire on May 31, 1978, and owners of all dogs that are over four (4) months old and are not vaccinated and licensed by June 1, 1978, will be subject to violation tickets.

Licenses may be obtained at the Treasurer's Office at the City Hall, 201 S. Main St., Monday through Friday, from 8:30 a.m. to 5:00 p.m. You must present a Rabies Vaccination Certificate which is valid during the next license period. Please do not bring your dog. The City Hall will be closed on Monday, May 29, 1978.

LICENSE FEE - \$2.00

President Tony Piccirilli

and his staff invite you to visit the
Showroom of Metro Chrysler-Plymouth
27777 Ford Rd. at Inkster, Garden City

A Tradition of Service & Value

Metro's new president, Tony Piccirilli, has been active in the Automotive Business most of his life. He has served the Plymouth, Livonia and surrounding communities for over 8 years as proprietor of a quality Auto Shop.

Today, as President of one of our area's leading new and used car dealerships, he combines a record of quality service with the best values on fine Chrysler & Plymouth new cars and a selection of all models of used cars.

If you've worked with Tony before, stop in and say hello. If the best value and quality is important to you, Tony Piccirilli and the Metro Staff are at your service.

The Dealer that Cares
