More police planned for Canton force

BY CHAS CHILD

Canton's Board of Trustees is scheduled to add up to six officers to the township's police department next week.

Responding to requests from Police Chief Walter MacGregor and persons in the audience at last Tuesday's public hearing on the police budget, the board tentatively agreed to beef up the force.

A two-mill levy was set by the board to fund the department, but the board agreed that the money raised by the special assessment would be inadequate.

To supplement the millage, the board informally decided to hire the new policemen with money from the general fund.

"If you are going to demand these services, you are going to have to pay for them," said Supervisor Harold Stein.

One resident urged the board to raise the millage

since the department is understaffed. "It's unsafe for the citizens and our officer," she said.

However, Finance Director Mike Gorman recommended that the board keep the police levy at two mills. "The people have had enough this year. We have a surplus so we should use it."

At next Tuesday's meeting, the board is expected to authorize at least three and perhaps six new officers. MacGregor said Monday that he will probably recommend six positions.

If new positions are created, MacGregor said he would present the names of candidates for the jobs at the board's following meeting on Sept. 12.

These names would be taken from the list of Canton's police reserves, he said.

Besides 10 full-time patrolman, the Canton force has four sergeants, and the chief.

Although the board supplemented the police levy with the general fund surplus, Gorman said the excess would not be available for too many years.

"The millage will have to be raised at some point," he said.

MacGregor's budget for next year asked for three new officers which would start Jan. 1, 1979.

With just the three, however, expenditures for 1979 were expected to exceed revenues from the two mills by \$112,910. Two mills will raise \$528,000 and expenditures with three new officers are projected in 1979 at \$640,910.

If the six new officers are hired immediately, however, the extra funds needed from the general fund surplus will obviously increase.

Gorman said that the township will have at the end of this year a surplus of approximately \$1 million.

The Canton force has been relying on its reserves to beef up its patrols but this has become unfeasible "due to their job and family commitments," MacGregor wrote the board in his budget statement.

"If we don't add some personnel, it will be necessary to pay the full-time personnel time and a half their rate of pay for overtime beyond a minimum of (an) estimated 10 per cent," he said.

6th, 9th grades may be shifted

BY PAT BARTOLD

A regrouping of grade levels - pushing the ninth grade back to junior high level and the sixth grade back to elementary school - may be one alternative to the growth problems facing the Plymouth-Canton school district.

School enrollment, estimated at 15,900 for 1978-79, is expected to soar to 19,444 by 1983-84, according to figures released by Supt. Mike Hoben last week.

Other alternatives which might be considered for the next five years include: using schools in split sessions, renting schools from other districts, and expansion of the Extended School Year (ESY) programs.

"All the alternatives have disadvantages which must be weighed carefully before any ideas can be acted upon," said Hoben.

All classes below the third

grade exhibit some form of declining enrollment, however, the middle school level shows continued growth through all six years of projection, as does the high school, according to Hoben's report.

Hoben cautioned against using these figures as very definitive: "We've seen that these figures are only accurate for the first two years - after that we can map trends from them."

"However it is very apparent," says the report accompanying the projections,

"that our problems will soon shift from overloads in the elementary to rather massive overloads in middle school and high school."

Various alternatives for dealing with this influx of students will be considered by a faculty-administrative committee to study proposals and alternatives.

"We know the problem is there and we're going to deal with it now," said Hoben. "But we're dealing with a tight budget, so that makes our problem more difficult."

Dog killer appeals case

BY CHAS CHILD

The owner of a children's farm in Canton was found guilty of careless use of firearms in 35th District Court Monday.

Jack Marts was sentenced to 90 days in Detroit House of Corrections for shooting two German Shepherds who were on Denton Road on July 11.

One of the dogs died while the other was wounded in the shooting witnessed by a number of children, according to the Canton police.

Marts, who claimed the dogs were on his property when

he shot them, has appealed the case to Wayne County Circuit Court, according to District Court Judge Dunbar Davis.

Karen Stevens of Plymouth, who was driving north on Denton at the time of the shooting, said she had to slam on her brakes to avoid being shot, according to police.

She said that many youngsters on Mart's children's farm on Denton Road witnessed the shooting, police said.

The dogs belonged to Donald LaFramboise, a neighbor of Marts.

Plymouth man killed in motorcycle crash

Jeffrey Lyn Cruce, 19, of 695 Simpson St. in Plymouth, was killed instantly at 9:03 p.m. Monday in a motorcycle accident in Novi.

Cruce was travelling north on Taft road on his motorcycle and failed to stop at the intersection of Taft and Grand River roads, police said. He hit a 1975 Cadillac, driven by Walter Joseph of West Bloomfield, broadside and was killed.

Although Joseph sustained no injuries, both vehicles were badly damaged.

City may re-adopt old parking ordinance

The City of Plymouth's parking ordinance which permits merchants to substitute payments to the city for parking spaces will probably be re-enacted by City Commission.

Declared improperly adopted by a Wayne County Circuit Court judge two weeks ago, the ordinance was an attempt by the city to allow

merchants to expand their businesses if no parking was available.

Instead of changing the law, however, City Manager Fred Yockey said he will recommend to the City Commission that the ordinance simply be re-enacted.

Yockey said the re-adoption procedure would take about two months.

Canton OKs post office land

Plans were laid by Canton Board of Trustees last Tuesday to provide for a U.S. Post Office in the township.

The board set aside five acres of township land at Proctor and Canton Center roads for the future building.

Although the facility is probably eight or 10 years off, Supervisor Harold Stein said if the land was reserved, "it might come about quicker. It would be a sign of good

faith, and it would aid the post office in planning."

Canton residents can now use the contract station at Meijer Thrifty Acres or the regular post office in downtown Plymouth, which some board members and persons in the audience said was inadequate.

"The postal service has a large facility in Westland which is a major reason why they won't build now in other

areas," Stein said.

When a post office is built in Canton, however, "they would reimburse us for the land," he said.

The board voted 4-2 to set the land aside. Stein, John Flodin, Lynne Goldsmith and Bob Myers voted "yes," while Eugene Daley and Anne Bradley voted "no."

Bradley said five acres was too large a parcel.

Pursell on junket to European capitals

U.S. Rep. Carl Pursell, whose district includes the City of Plymouth and Plymouth Township, is on a two-week junket in Europe.

Travelling with his wife, four other congressmen and their wives, and eight staff aides. Pursell's itinerary includes two days in London, four days in Paris, two days in Stockholm, two days in Bonn and two days in Munich. The entourage is due back Sept. 3.

The group is studying equal employment and juvenile delinquency on the trip which is being financed by the House of Representatives Foreign Travel Account.

Transportation is being furnished by the U.S. Air Force.

Pursell, a Republican, is seeking a second term in the House and faces Democrat Earl Greene of Ann Arbor in the upcoming general election.

Dem 2nd hopeful denied place on November ballot

Earl Greene, the Democrat who is challenging Plymouth's Carl Pursell for the 2nd District U.S. House of Representatives seat lost a bid yesterday to get his name on the November ballot.

The State Board of Canvassers refused to place Greene's name on the November ballot, even though he won a write-in campaign for the Democratic nomination in the Aug. 8 primary.

No public reason for the refusal was given by the board, but a spokesman for Greene said that the four members believed that he needed propeminating petitions, not a write-in campaign, in the primary to get his name on November's ballot.

Greene was forced to resort to the write-in effort when the board ruled before the Aug. 8 primary that his nominating petitions lacked the required number of signatures.

"We're going to take the rulings to court to get on the ballot," said Jan Cook, a spokesman for Greene.

Harvest veggies for Fest

To many persons, the best part of the fall season is its harvest of fruits and vegetables. And so for many, the best part of Fall Festival is its produce tent.

Full of the best results of the Plymouth-Canton Community's gardens, the tent is your chance to show off your green thumb.

So join the fun. Fill out the accompanying registration form and send it to the listed address. As you can see, anything from pumpkins to floral bouquets are welcome.

The deadline for the form is Wednesday, Sept. 6, although you may register when the tent opens during the festival. Ribbons will be awarded in every category.

The produce tent is sponsored by The Community Crier and its advertisers.

Tree-planting, barrier-painting proposed by Canton trustees

BY CHAS CHILD
Already sound-proofed by concrete barriers, I-275 in Canton may be beautified as well, if Wayne County officials approve a township grant request.

Canton's Board of Trustees gave Township Planner Jim Kosteva a green light last Tuesday to apply for a grant that would fund tree planting along the barrier and painting of the barrier itself.

The board also authorized Kosteva to apply for grants to fund three other projects: Part two of a growth management study; a solar house-heating project; and a study on cogeneration, a process where energy is reused in industry or in the home.

The growth management study was ranked as the top priority by the board, followed by the I-275 beautification, solar heating and cogeneration. The proposals will be competing for a share of \$406,000 allocated by the federal government to the Innovative Projects Fund of the Wayne County Community

Development Block Grant program.

Aimed at determining the impact slowing growth would have on the township's fiscal standing, the growth management study is the second part of a similar study completed last year.

The solar retrofit project would install solar heating devices to six to 10 homes in Canton belonging to low and

moderate income persons. The devices would heat hot water only, Kosteva said.

Cogeneration is where excess heat from an industrial plant, for example, is piped into a greenhouse to grow plants.

Kosteva said that the process is widely used in W. Germany and if Canton became knowledgeable in its applications, it could attract industry to the township.

Remodeling due for new court

BY CHAS CHILD

A third district courtroom in the Plymouth-Canton Community was guaranteed last Tuesday when Canton's Board of Trustees awarded a construction bid to remodel the township meeting hall into a courtroom.

Located at Canton Center and Cherry Hill roads, the building will join the two other 35th District courtrooms in the cities of Northville and Plymouth.

The 35th District won't just get a new building by Jan. 1, 1979, it will have a new judge. The State Legislature created in May a second judgeship in the district and attorneys James Garber of Plymouth and Philip Ogilvie of Northville are running for the spot in November's election.

Dunbar Davis holds the original seat and is running unopposed in the election.

How will the two judges divide their time between three courtrooms?

Davis said that has yet to be determined. "I have asked Mr. Garber and Mr. Ogilvie to meet with me to discuss the arrangements. We will have to make a decision," he said.

However, Davis said he favors a plan where one judge would sit permanently in Plymouth's City Hall to handle cases from the City of Plymouth and Plymouth Township as well as all civil cases in the whole 35th District. The other judge would divide his time between Northville and Canton, he said.

Now, Canton Township provides 40 per cent of the case-load in the district, Davis said. Plymouth and Plymouth Township are responsible for 30 per cent and Northville and Northville Township create the remaining 30 per cent, he said.

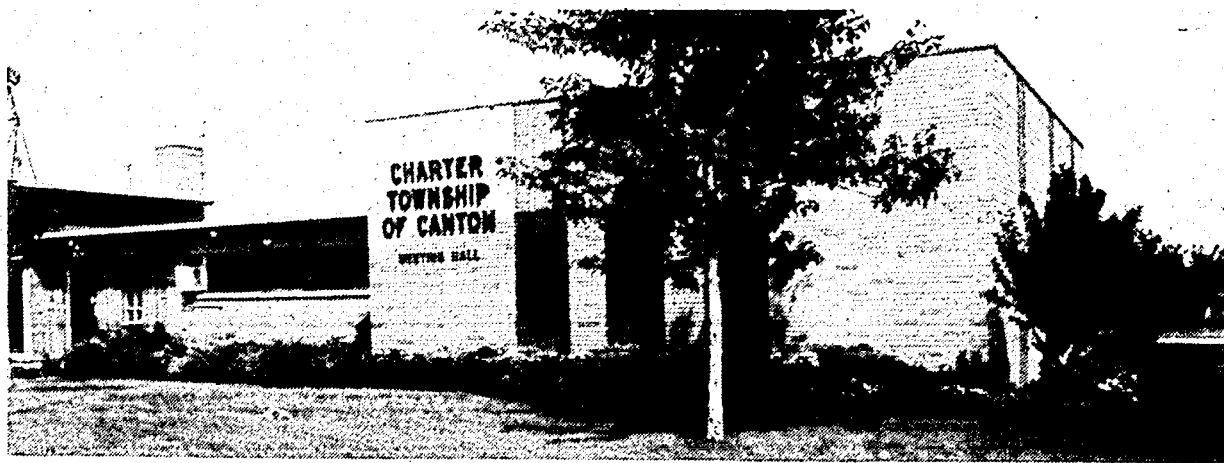

Canton is the only municipality remodeling for court facilities. The City of Northville plans to start building an addition to its City Hall in the spring, Davis said, while a \$568,000 addition to Plymouth's City Hall was approved by the City Commission earlier this month.

Davis said that the new courtroom in Canton will need a number of new employees. One additional court clerk with a salary of about \$15,000 will be required, as well as a

court recorder who will be paid about \$20,000, he said.

Also, a court officer with a salary of about \$12,500 and approximately \$1,000 worth of supplies will be needed, he said.

The cost of the employees will be divided between the court and the Canton government.

SPINAL NERVE INVOLVEMENT CAUSES MANY CONDITIONS

The spinal chart shown above is directed especially to those people who have tried to regain their through methods other than chiropractic, and have failed. **THAT FAILURE SHOULD NOT LEAD TO DISCOURAGEMENT**, but to greater determination to discover the fundamental cause of all disease.

Since the discovery of chiropractic, no one needs to feel that he or she is destined to be sick all their life. Remember, "Where

there is life there is hope and he who has hope has everything."

If your condition is not described in the above chart, contact your participating doctor for a consultation, examination and x-rays - if necessary. He will determine by his analysis of your spinal condition what you can expect from chiropractic care.

Remember, time is a friend to disease!

Plant site OK'd

The Precision Spring Corp. received site plan approval for a \$3.5-\$4.5 million plant by the Canton Board of Trustees last Tuesday.

The company has already broken ground at the north-west corner of Lotz and Van Born roads for the plant which will employ about 100 persons.

New leadership needed for Canton Goodfellows

Is there anyone in Canton willing to make sure that this year there's "No Kiddie Without a Christmas"?

Since last month, when Sgt. Kenn Witt of the Fire Department announced that neither he nor John Wiles would be leading the township's Goodfellow fund-raising efforts this Christmas, no one else has stepped forward.

Witt and Wiles, along with Ed and Mary Hauk and a handful of other township residents, have volunteered their time year after year to help local needy children. They have served their neighbors well.

The time has come for volunteers who share their dedication to step forward. Needy youngsters in our community have benefitted from the food, toys and clothing purchased by the Goodfellows for more than a quarter of a century. There might even be a few adults in the township whose childhood holidays were brightened by Goodfellows here or in another community.

It is a tradition of sharing too important to lose. With Canton growing so fast, new residents who seek a sense of community might look to the Goodfellows.

New residents or old, Cantonites have a heritage of charity here too rich to forsake.

Chamber says thanks

EDITOR:

We would like to publicly thank all our helpers at the Canton Chamber of Commerce Third Annual Chicken barbecue held at Griffin Park on Aug. 6.

Our Senior citizen band provided music as did Andrew Henderson from Arnoldt Williams Music, Inc. We would also like to thank local merchants and business people who donated gifts and services for our drawings.

Corn for the barbecue was donated also by a member. The Recreation Department held their local softball play-offs in conjunction with our barbecue.

This was an example of our basic Chamber philosophy - a joint project with the participation of residents, business community and municipal offices.

The barbecue is one of the many examples of the Chamber of Commerce involvement in its community.

Joy zoning story unclear

EDITOR:

According to your article 'Residents fight Joy Plaza' (Aug. 23, pg. 8), Bob Bepley stated 'the Planning Commis-

sion voted to recommend the rezoning after a number of the objecting homeowners left the meeting'.

Actually the rezoning issue was discussed and voted upon before the next item on the agenda was taken up.

The tone of Mr. Bepley's remarks leaves the impression that the Planning Commission waited to vote on the rezoning request until the residents opposing the rezoning left the meeting. I'm sure your reporter will confirm this was not the case . . . or if he/she wasn't there it can be checked by reading the July 24 minutes.

Thanks for setting the record straight.

Child's play

An interesting choice is going to be made soon in Canton Township politics.

It seems likely that one of the two candidates for supervisor will line up with the powerful organization of former supervisor Robert Greenstein.

Most likely, the Greenstein family will have a solid core of three votes after November's election: Greenstein, (seeking a trustee seat) Jim Donahue (running for treasurer) and Carol Bodenmiller (a trustee candidate). Greenstein and Bodenmiller are Democrats, while Donahue is a Republican.

A fourth vote added to this trio would comprise a majority on the seven-member board, making it tempting for one of the potential supervisors - Republican John Longridge or Democrat Noel Culbert - to join them.

The question facing them is: Would I be more or less powerful allied with Greenstein's family? Considering that the other three members of the board are a diverse lot and hard to mold consistently into

majorities, the drift toward Greenstein is plain.

Also, neither Longridge nor Culbert are experienced campaigners. The help of the Greenstein family would certainly give one a leg up on election day.

Despite this, Longridge has already said he "does not want Greenstein's help and will not ask for it."

This leaves Culbert. Monday he said he has not made up his mind if he will throw in with Greenstein. He did say, however, that as a Democrat, he supports fellow Democrats in the election.

The price for lining up with Greenstein may be high, however. Two persons, Canton planning commissioner and a trustee, told me that Greenstein, (who was commander of the township police) wants to be Canton's police chief. And support for that goal is the price of his support in the election.

Greenstein's reaction: "I'm not going to comment on every damn rumor The Crier makes up."

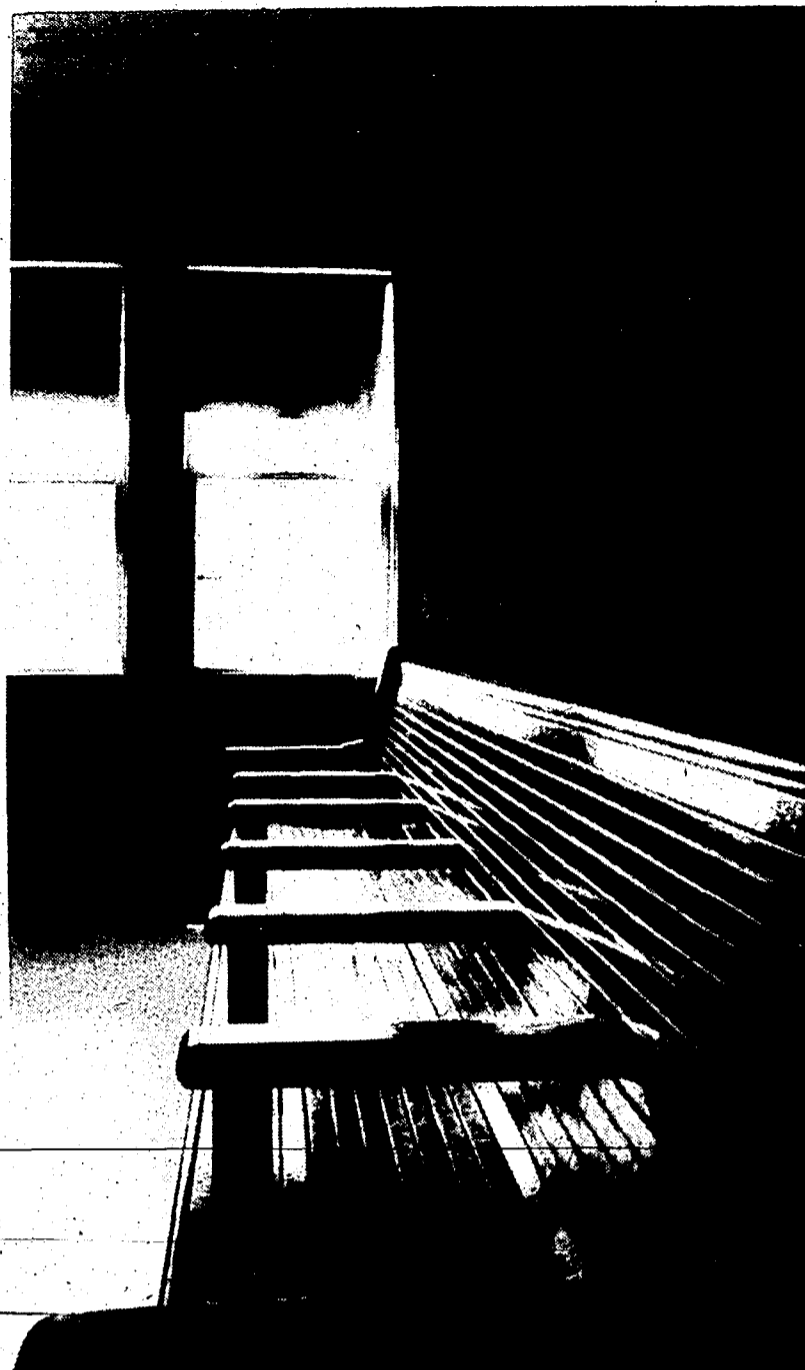

Growth Works is grateful

EDITOR:

I would like to express my appreciation on behalf of Growth Works, Inc., for the donation made to us by the Metropolitan Club of Plymouth, Northville, and Canton.

The Metropolitan Club is a fraternal organization made up of policemen, firemen, and postal workers and all of us at Growth Works thank them, not only for their support, but also for the work they do in the community as civil servants.

Let's bring commuter trains back to Plymouth

There should be a commuter train running between Plymouth and downtown Detroit.

We used to have such a service, of course. It was discontinued less than a decade ago. Since then, the population of our community has grown and the cost of driving has increased.

Commuters can now ride trains into Detroit from Pontiac and Ypsilanti. Doesn't Plymouth seem like a natural

terminus for a third route, stopping in between Livonia and Redford?

We think so. The recipe is there for resurrecting the commuter train in Plymouth. The cost of gas and the nostalgia we attach to trains complement the most compelling ingredient - twice as many prospective customers as when the trains last made the run downtown.

Subdivisions get truck ban

The Wayne County Road Commission has voted to ban trucks from streets in 13 Plymouth Township subdivisions. The new restrictions will be marked by signs to be placed in those areas.

Trucks are now prohibited from all three Beacon Estates subdivisions, Trailwood Subdivisions No. 2 and No. 3, Colony Farms No. 2, Mayflower Village, Plymouth Meadows, Plymouth-Joy, Plymouth Village East, Quail Hollow Estates, Walnut Creek and Westbriar Village.

Millage set for firefighters

A levy of one and one-quarter mills will be assessed on Canton property owners this year to support the township's fire department.

The Board of Trustees set the millage after Tuesday's public hearing on the proposed budget, which totals \$330,000.

Salaries account for \$212,000 of this, while fringes total \$85,000. Equipment equals \$10,000 and utilities account for \$8,000. Supplies and vehicle expenses total \$5,000 and \$10,000, respectively.

FIREMAN SHOVEL burned debris outside a window of the candy store as its owner, Kurt Hann, watches.

Fire damages Corner Candy

A major fire was prevented Saturday morning in Plymouth when an alert nine-year-old spotted smoke in the Corner Candy Store and told police.

Robert Montoya of Starkweather Street probably saved most of the building at the corner of Mill and Spring streets, said Plymouth Fire Chief George Schoenneman.

"If we had gotten there any later, the fire could have easily spread to the attic," said Schoenneman. "Lots of kids would have run away, but not him."

As it was, it took firemen about 30 minutes to extinguish the troublesome fire which was half-burning and half-smoldering in the roof of the first floor.

With the first floor choked with smoke, firefighters donned with breathing masks, chopped away a large part of the ceiling and quenched the fire with hosed water.

Schoenneman had just returned from vacation and arrived at the scene from his house without his uniform. Overheated ballast from a fluorescent light started the fire, he said.

The chief termed the smoke and fire damage to the building "moderate."

Stray dogs may cost more

BY HANK MEIJER

Letting your dog run loose may be a more expensive proposition soon in Plymouth Township.

Township trustees were expected last night to consider a proposal by Treasurer Joe West to place a \$5 fine on the recovery of stray dogs picked up by the township dog warden.

Township residents whose

strays are picked up and taken to the Parkway Veterinary Clinic must already pay a \$5 fee to the pound to get their dog, so the combined penalty would be \$10.

"The cost of enforcing the dog ordinance is constant-

Spectators cheer as cops silence car

After 20 minutes of working on a blaring car alarm, Plymouth Police were rewarded with a round of applause Wednesday night when they stopped the racket.

Police were summoned to a Lincoln Continental parked by Kellogg Park after the alarm went off. The owner wasn't around so the police tinkered with the car to shut off the high-pitched wail.

Succeeding finally, the police were greeted by rousing applause from the bystanders who'd gathered in the park.

Crier sets circulation mark

Circulation of The Community Crier this week exceeded 17,000 for the first time in the four-year-old newspaper's history, Circulation Director Phyllis Redfern announced.

The opening of several new routes, particularly in the Canton area, prompted the jump from The Crier's record press run of the week before of 16,750. This week's press run was 17,400.

"Our circulation has risen steadily in recent months," Redfern said, "but we have reached a new plateau that will strengthen The Crier and its role as our community's most effective advertising vehicle."

"I really appreciate the efforts by our carriers and the acceptance by our readers that has made this growth possible."

Stein: Pairing Haggerty would bring more industry

To encourage industry to locate in the Plymouth-Canton school district, Canton Township Supervisor Harold Stein has proposed that Haggerty Road from Joy to Ford roads be paved.

"Canton needs to protect its residents from skyrocketing tax rates by actively seeking industrial clients to contribute to the tax base," Stein told the Board of Trustees last Tuesday.

"The Haggerty corridor is the prime area of insutrial de-

velopment within the Plymouth-Canton school district. Without paving this corridor we will not attract the industrial tax base desperately needed in this school district," said Stein.

Also, the section of Haggerty must be paved in a Class A manner which permits industrial uses, said the Supervisor.

Since the township controls much of the land in the industrial park off Haggerty, "special efforts can be made to insure proper aesthetic buffering of industrial sites from residential land west of Haggerty," Stein said.

Landowners with Haggerty Road frontage and the township would pay for the paving through a special assessment district under Stein's proposal.

Stein's junket to Washington draws fire from Canton trustee

Four Canton Township officials, including lame duck Supervisor Harold Stein, will travel soon to Washington D.C. to discuss relations with the federal government.

The Board of Trustees authorized the two-day journey despite objections from Trustee Lynne Goldsmith. "This is an untimely proposal. It should be delayed so the new administration can go."

Stein said, however, that "the township can't afford to wait. We're losing valuable

time and money."

Besides the supervisor, the entourage will consist of Township Planner James Kosteva, Grant Co-ordinator Terry Carroll, and Finance Director.

Kosteva and Carroll were recently hired by the township to staff the Community Development Department. "I started the department and these two gentlemen can't wait," said Stein.

In Washington the group will meet with the township's Washington liason, Ron Linton, and with Congressmen

William Ford's staff "for a half a day so that our people will better understand how Mr. Ford's office operates and what they can do for Canton Township," Stein wrote the board.

The cost will be \$120 per person for round trip airfare and \$90 per night (two double rooms) for two or three nights depending on available flights, according to the supervisor.

Goldsmith and Trustee Bob Myers voted "no" on the trip. Stein, John Flodin, Anne Bradley and Eugene Daley voted "yes". Brian Schwall was absent.

New roof at East

A bid of \$215,000 to replace the roof of East Middle School was unanimously accepted by the Plymouth-Canton Board of Education Monday night.

The bid from Schreiber Corp. was chosen from among six contracting firms after bids had been opened on Tuesday, Aug. 22.

The total roof will be replaced or reroofed, according to Schreiber firm representatives, and they plan to start the job immediately and finish the job within 120 days.

The project will be funded from 1974 bond funds.

Real Estate

BY WILLIAM DECKER

REALTOR

ESCROW

One word used frequently in real estate matters but not too well understood by the layman is the word "ESCROW".

This word normally pops its head with regard to "deposit" or "earnest money" paid at time of signing a purchase and sales agreement. This deposit is held in "escrow" or a "trustee" account until the closing. The word "ESCROW" may occur again at the culmination of the sale of a home if any of the terms of the purchase and sales agreement are incomplete. This sum of money is placed in the hands of an impartial party (usually the attorney

or the bank) by one party of the transaction and is not released to the other party until he meets specific conditions.

For example, if there is painting or landscaping to be completed at the time of the closing, the money for this work can be held in escrow until it is completed. In this way, the passing of title will not be held up until the job is completed, yet both parties are protected.

If there is anything we can do to help you in the field of real estate, please phone or drop in at REALTY WORLD, Wm. Decker, Inc. Realtors, 670 S. Main St. Plymouth. Phone: 455 - 8400. We're here to help!

COMMUTER TRAFFIC on Ann Arbor Road was snarled for about 30 minutes Friday at rush hour by this accident east of Main Street. According to Plymouth police, Susan

Lunch prices unchanged

The Plymouth-Canton Board of Education recommended there be no increase in the price of school lunches for 1978-79 during its meeting Monday night.

The recommendation, made by Supt. John Hoben, was based on a proposal by Dan White, food services coordinator, saying food services could continue with money already allocated in the budget.

Hoben also considered high school students are required to pay a \$15 book deposit fee, and may not have additional money for food.

The final vote was 6-1 with member Richard Arlen dissenting. At a prior workshop, Arlen maintained that

food prices and services would undoubtedly rise and the board should "plan ahead" for those added expenses.

Basketball in jeopardy

No action was taken by the Plymouth-Canton Board of Education regarding a request by the Junior Athletic Association to rent school gyms and facilities at the board meeting Monday night.

The program, involving about more than 1,000 students, requires gym usage from about 8 a.m. to 3 p.m. on Saturdays, according to Ray Hoedel, assistant superintendent for business.

"We've had to face an \$8,000 cut in overhead expenses and this cut has effected our custodial budget," said Hoedel. He indicated paying custodians time and

one-half for coming on Saturdays was impossible in light of recent cutbacks.

Member Joseph Gray suggested that a responsible person be in charge of locking and unlocking the gym facilities, but member Elaine Kirchgatter objected saying that she feared vandalism if too many keys were in too many different hands.

Hoedel said that he would continue looking for a solution to the problem.

Lottery winner

Ralph H. Foote of Canton recently won \$5,000 in the Michigan State Lottery.

City tax share

City of Plymouth gas stations contributed \$43,857 during the second quarter of 1978 to the state gas tax, according to the Michigan Department of State Highways and Transportation.

This figure is slightly more than \$42,929 which was collected in the same quarter in 1977, and represents a 1.8 per cent increase from last year, according to the State Highway Commission.

Commission Chairman Peter Fletcher of Ypsilanti indicated that lighter automobiles and more efficient engines have combined to level off the revenue for Michigan's transportation programs.

Board agrees

A cooperative agreement between Northville and the Plymouth-Canton Boards of Education was approved by the latter board Monday night.

The agreement, pertaining to continuing education classes, allows the Plymouth-Canton district to provide facilities and administration for the smaller district of Northville.

"The state encourages such a consortium between districts, so that smaller districts can have adult education programs, too," said Supt. John Hoben during the meeting.

School taxes set at 38.62 mills

A resolution setting the 1978 tax rate at 38.62 mills was adopted by the Plymouth-Canton Board of Education Monday night.

This figure sets the tax rate for schools at \$38.62 per \$1,000 in state equalized valuation, so that a person owning a home valued at \$40,000 would pay \$766.20 in school taxes this year.

The total levy for 1978 includes 33.45 for operation and 5.17 for debt retirement, and represents an increase of .62 mills more than 1977.

Canton, with the largest

tax base at \$247.3 million will generate the most local revenue with about \$9.5 million in taxes.

Plymouth township has a taxbase of \$213.4 million and will generate about \$8.2 million, and the City of Plymouth will provide \$3.5 million in school revenues. The city has a taxbase of \$92 million.

State aid will save taxpayers in the school district 0.31 mills due to a roll-back figure which is based on school enrollment figures. This will save taxpayers \$6.20 on a \$40,000 home.

Board to meet on Harvey

The Plymouth-Canton Board of Education voted to continue meeting on the second floor of school administrative offices at 454 S. Harvey.

The board rejected the idea of moving back to the Plymouth-Canton High School Little Theatre, by a vote of

5-2 with Flossie Tonda and Tom Yack dissenting. The board moved to the administrative offices from Canton High in June.

The board further moved to authorize the installation of radio equipment so that meetings could be broadcast over the radio.

EDWIN & JEANETTE WILKIE

Wilkie surprised on 60th anniversary

A surprise party for the 60th Anniversary of Edwin and Jeanette Wilkie was given by Virginia and Edward Brandmier, Thursday, Aug. 24 in Canton.

The party, attended by 45 friends and relatives, was at the home of Mr. and Mrs. Roy

Schultz on Lilley Road. Three generations were represented including daughter Virginia, grand-daughter Janice Gibbons, and two great grandchildren, Cheryl and Daniel.

Mr. and Mrs. Wilkie will return to their home in Largo, Fla., about Oct. 1.

Dramatists start 33rd season

BY PHYLIS REDFERN
Looking forward to an exciting year, the Plymouth Theater Guild is beginning its 33rd season. The new season begins in September with auditions for "Cheaper By The Dozen" taking place Sept. 12 and 13 at 7:30 p.m. at the Cultural Center.

According to publicity chairman, Vi Roberts, "The Plymouth Theater Guild is dedicated to bringing outstanding plays to the people of Plymouth, Canton and neighboring communities."

The group now has about 40 or 50 active members said Clemmie Cyburt, producer of this fall's plays. "We like to get whole families involved

(mothers, fathers and kids). We offer something for everyone, from retirees to children," she said.

"Working behind the scenes can be just as exciting as being on the stage," said Ms. Cyburt. She added that there were a lot of committees for anyone interested in the theater to work on, such as make-up, costumes, tickets, props. And many more. Anyone interested may call her at 453-4140.

The guild meets the third Tuesday of every month at 7:30 at Central Middle School and everyone is welcome, "even if they don't want to get involved, but just want to see what the group does," said Cyburt. Get acquainted with your community theater

guild is the theme for the Sept. 19 meeting.

"Cheaper By The Dozen" will be presented in November, followed by "Mary, Mary" a comedy by Jean Kerr, which will be presented in January as a dinner theater. Other productions planned for this year include, "The Lion in Winter," a drama to be presented in February, and "Play It Again Sam," a comedy by Woody Allen, which will be presented in April.

The guild is now accepting applications for director and producer for the upcoming shows. Applications should be mailed to the Plymouth Theater Guild, P.O. Box 451, Plymouth.

Fall Fest is coming

Costumed families modeling their 1900-style wardrobe, melodic directions of the square dance caller, the scent of roasting chicken on an open barbeque. These are some of the sights, sounds and smells of the Plymouth Fall Festival.

Held annually, the four day event will take place September 7-10 in the heart of the city of the Plymouth - Kellogg Park.

The festival started 22 years ago as a picnic in the park given by the Rotary Club. Chicken was barbecued and sold as friends and neighbors helped support this fund-raising event.

Over the years other service groups mastered their own

menus and the festival grew into a four-day feast.

You can go to Italy on Thursday with the Colonial Kiwanis Spaghetti Supper, enjoy a Fish Fry on Friday with the Lions Club.

Pancakes and sausage will be served by the Kiwanis Club for breakfast, lunch and dinner on Saturday, or you can dine with the Jaycees Saturday evening as they spread out their Beef Rib Barbeque.

The Rotarians of course hold Sunday as their day for the traditional chicken barbeque.

Food is not the only interest. Flowers and vegetables are displayed and compared at the Produce Tent on Sunday,

and costumes are judged for authenticity by the AAUW that afternoon at 1.

Saturday brings out the animal lovers in everyong as the Optomist Club hosts the Pet Show.

Visit the Oddfellow's Flea Market, the Arts Council's Arts and Crafts Show, and the Symphony Antique Show. Businesses of Plymouth share in the fun by decorating their windows in an old-fashioned theme.

Spend awhile and just tap your feet and clap your hands at the music and dance teams brought in from near and far.

Anywhere you turn during the four days you can see what makes Plymouth a special community.

ROBERT BECK & LISA TRIPP

Tripp, Beck are engaged

Lisa Kay Tripp and Robert Howard Beck have announced they will wed Sept. 29.

Lisa, daughter of Mr. and Mrs. Charles Ellis Tripp of 547 McKinley in Plymouth, is a 1975 graduate of Salem High and is employed by Kroger Co.

Robert lives in Brighton and is the son of Mr. and Mrs. Howard Beck of 12138 Amherst Ct., Plymouth. He graduated from Plymouth High in 1965 and is employed by Wickman Corporation.

The ceremony will take place in Plymouth's St. John Episcopal Church.

Julie Spring to marry

Mr. and Mrs. Herbert J. Spring of Plymouth are pleased to announce the engagement of their daughter, Julie Marie Spring to Thomas Joseph Tighe, son of Mr. and Mrs. Thomas J. Tighe of Hicksville, New York.

Both young persons are members of the United States Air Force. Julie is presently assigned to the United States Air Force Academy in Colorado Springs, and Thomas is assigned to Lajes Field, Azores, Portugal.

Julie was a 1973 graduate

of the Salem High School. A December wedding is planned.

Kathryn arrives

John and Beth Gilles of Plymouth are pleased to announce the birth of their daughter, Kathryn Anne, on Aug. 7 at St. Joseph Mercy Hospital in Ypsilanti.

Weighing nine pounds, five ounces at birth, Kathryn has joined her brother Adam, 2, at the Gilles home on 349 Adams St.

Turning point for Mary

MOST PERSONS like to see their 30th birthday slip by unnoticed but Mary Meier of N. Harvey in Plymouth wasn't afforded that luxury by her neighbors. They put up this sign on her lawn Monday to announce her milestone. (Crier photo by Phyllis Redfern.)

Fun planned for 45-15 kids

Canton Township Parks & Recreation Department is sponsoring a 45-15 Fun Club trip to Jackson Space Center on Wednesday, Sept. 13 for Track D children. The cost will be \$2 per child.

Crier respite

Offices of The Community Crier will be closed Monday, Sept. 4 for Labor Day and Friday, Sept. 8 for Fall Festival.

Deadlines for classified and display advertising in the Sept. 6 annual Fall Festival Guide edition of The Crier will be Saturday, Sept. 2. Offices at the newspaper will be open that Saturday to accommodate preparations for the Sept. 6 issue.

The group will leave from the Canton Parks & Recreation office on Sheldon & Michigan Ave. at 9:30 a.m., and return at 1:30 p.m. Bring a bag lunch and drink to eat on the bus. Limit first 24 to sign up.

The next week Track A will be bowling at Super Bowl

Lanes on Ford Road across from Meijer Thrifty Acres. Cost will be \$1.40 per child for two games and shoes.

Meet at the Super Bowl Lanes at 9:30 a.m. The bowling will be done about 11:30 a.m. Please pay and register at least a week before each event. Any questions call 397-2777.

Pre-cooked lunch: threat or menace?

School is back in session and the ever-creative cooks are hard at work trying to generate the ultimate lunch. This week's best effort seems to be West Middle School's Devil Dog (cooked in the "Plymouth Triangle", no doubt.)

Cafeteria workers got the news last week that they may be an endangered species. The schools will be trying a "satellite" program where all the food is prepared at one school and shipped out to the other schools.

One cafeteria worker said that the "personal touch" will be lost if food is delivered in packages. Under the present system, at least somebody has to face the kids when the food hits the trays.

What will the cooks try to get away with if they can send those lunches out, anonymously from some isolated kitchen?

tell it to phyllis

It's harvest time in Canton, and to celebrate residents of the Windsor Park Subdivision held their second annual corn roast last Saturday. Members of the homeowners association cooked corn in a big pot in the middle of one of the subdivision parks.

The smell of corn, cotton candy, and popcorn drifted through the air. There was a moon walk for children and clowns giving rides in antique cars. The clowns, members of the Livonia Jaycees, donated their time with the proceeds from the rides going to Muscular Dystrophy.

In the evening, residents gathered around a big bonfire in the park to sing songs and roast marshmallows.

Officers of the homeowners association who worked to make the cornroast a success were Jim Maisel, Larry Markiewicz, Cynthia Betley, Sharon Wiltsie, John Burdziak, Don Ritcher and Jim Hunter.

Residents of the Bradberry Condominiums on Newport in Plymouth Township gave a party for their mailgirl, Kathy Sharland, last Wednesday. Kathy, who is expecting her first child in September, has delivered mail to the condominiums for almost three years. "She is always so friendly," said one of the residents, Clara Miller.

Helping plan the baby shower were Mrs. Miller, Margaret Willhite and Herta Gahrs.

The women of the Plymouth Symphony League are planning the 16th annual Antique Mart to be held at the Cultural Center during Fall Festival. The hours will be from noon to 9 p.m. on Friday and Saturday, and from noon to 7 p.m. on Sunday.

Committee chairmen for the event are: general chairmen, Fran Lang and Joyce Kelly; treasurer, Jean Sigmon; dealers, Helen Merrill and Sharon Davy; set-up and signs, Carol Mikaelian and Sue Britzloff; posters, programs flyers, Martha Bentley and Peggy Jennings; hostesses, Judy Dalburg and Jo Ellen Odom; dealer-meals, Evelyn Funk and Ruth Paul; and publicity Marge O'Day.

The local chapter of the Michigan Association for Children with Learning Disabilities has recently announced the new board members for the coming year.

Serving on the board are: Sharon Young, co-chairperson; Jean Bicknell, co-chairperson and parent advisor; Margo Panko, newsletter editor; Bonnie Graham, recording secretary; Laverne McKinney, corresponding secretary; and Margaret Hanna, treasurer.

Other group positions are: Barb Leffler, parent advisor, Bev Hoedel, membership, Arlene Macek, program; Jackie Payne, Librarian; Alice Plas, publications; Shirley Cervenak, Hospitality; Micki Rainald, phone chairperson; and Susan Taylor, publicity.

Pewter, silver steal museum showcases

BY PHYLLIS REDFERN

Silver and pewter will be featured at the Plymouth Historical Museum in the special fall exhibit. The exhibit will run from Aug. 31 to Nov. 18.

The pewter on display dates back to the 1700's and 1800's. One of the main attractions is an ink stand dating back to the Civil War era. "It's just like the ones used at Independence Hall during the signing of the Declaration of Independence," said Barb Saunders, director of the museum.

Other pewter on display includes whale oil lamps, porridge dishes and many different styles of pitchers. One of the most popular styles during the late 1800's is the upside-down pear shape, but according to Barb, the styles also changed depending on the taste of the craftsman.

The silver exhibit includes many serving pieces that are unfamiliar to the modern homemaker. Have you ever eaten ice cream with a fork? Back in the late 1800's ice cream forks (shaped like a spoon with prongs on the end) were quite popular.

The elegant hostess during the Victorian age might use such things as a silver biscuit, a spooner or a pickle caster. According to Barb, the spooner was placed on the table in case someone needed an extra spoon during the meal. The pickle caster is a tall serving piece with tongs attached. Other unusual items used on the table include salt spoons, cream dipper, berry spoons, and crumers.

The museum also has silver platters and serving spoons on display with a grape pattern which was popular during the Victorian era.

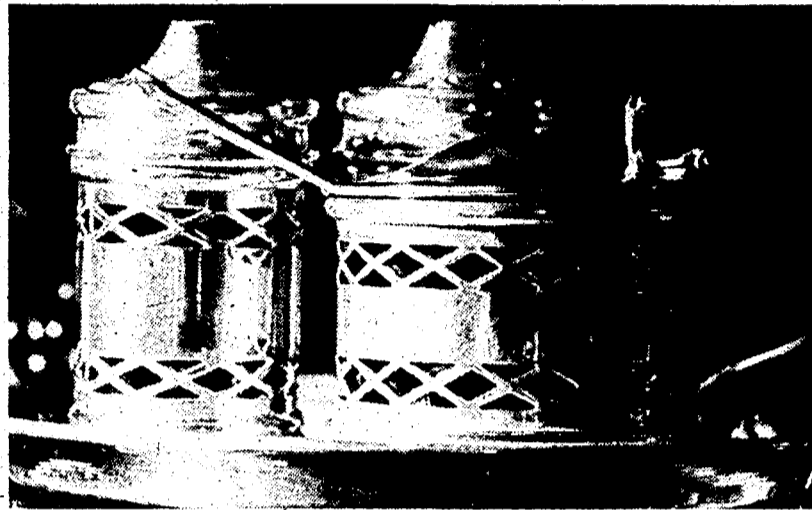

An egg carousel is on display, which according to Barb, was brought to this country from England. "The English used them to serve soft boiled eggs," she said. Silver coffee and tea services are almost as popular today as they were then.

Silver was used for things other than just table wear. A ring tree was used by both men and women to hang their

rings on, said Barb.

A hundred years ago, people used chamber sticks (candle holders) to light the way to their bedrooms at night. Also popular back then were silver ink wells.

The pewter and silver exhibit at the museum offers a great chance for everyone to see and compare household goods that were used 100 years ago to what we use today.

VICTORIAN SALT AND PEPPER SHAKERS and jelly bowls are only a few of the silver pieces featured at the Plymouth Historical Society. This exhibit will run until Nov. 18.

Advisory panel set for Plymouth Center

Plymouth Center for Human Development has established a Citizens' Advisory Council.

The first meeting will be held at the Center on Tuesday, August 29 at 2:30 p.m.

The purpose of the Council is to review policies and procedures, programs and services, budget requests and allocations and make recommendations to the director.

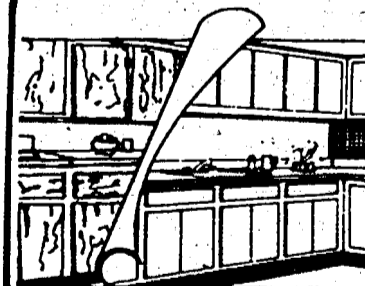

According to Erannel McIntosh-Wilson, acting director, the council will also review the recipient rights protection system, with particular attention to complaints and facility actions pertaining to abuse and/or neglect.

The Council chairperson is Lorraine Beebe, member and former vice-chairperson of the Presidents' Committee on Mental Retardation and former State Senator.

Plymouth-Canton residents on the council are Jack Bologna, and John Graves, former member of the Plymouth School Board.

THE COMMUNITY CRIER: August 30, 1978

BOOTLEG. Canton quarterback Scott Dawson (15) hides the ball behind his hip after faking a hand-off. Dawson is the likely quarterback starter for the Chiefs. Canton hopes to rebound from a 0-9 season last year. Head coach Dave Schuele said that he was happy the way the defense played in Friday's red-white, but he added that the offense still needs to be sharpened. (Crier photo by Bill Bresler.)

All-Stater Hewlett QB returning

Rocks ready to roll

BY ERIC OLSON

An undefeated 9-0 regular season and a berth in the Class A State playoffs — what can Tom Moshimer's gridders do for an encore?

To repeat last year's performance will be difficult because 28 players have been lost to graduation from the squad and there is only one starter returning from a year ago.

However, the returning starter is player extraordinaire Rich Hewlett, an All-State quarterback. He will serve as the Rocks co-captain with Paul Dillon.

Head Coach Moshimer foresees plenty of hard work in order for his team to be able to duplicate last season as he calls the squad "a green team" because of its inexperience. Making matters harder for Moshimer is the fact that he is set with starters at just a few positions.

The offense will be directed by signal caller Hewlett. Dillon, who is the back up quarterback, will probably open at a halfback spot. The only other likely starter at this time is center Dan Smith.

"We have several players competing at each position for starting assignments," said Moshimer, adding, "its too early to see who will start."

Other backs who will run out of the wishbone attack will be halfbacks: Sam Merrill, Jim O'Brien, Greg Stack, Greg Flower, and Steve Burnias. The fullback will be chosen from Khris Kappler,

See inside covers for complete Plymouth and Canton High School fall sports schedules. Football, cross country, girls basketball, boys golf, girls swimming, and girls tennis are this autumn's sports.

Dave McKenzie, and Phil Anderson.

Targets for Hewlett's passing will include returning senior split ends Dennis Ogden and Dave Casler. Others as juniors Ron Schultz and Mark Basierbe. The tight end will come from one of five hopefuls: Lantz Willissey, Jim Cooper, Jeff Spencer, Mike Perchilik, and Bob Malard.

Facing life in the pit will be tackles Dave Wilcox, Kyle Baker, Jeff Bruner, and Bob LaVeck. The guards are Chris Papa, Scott Piper, and Scott Maguran. John Frozan will serve as backup center.

"Our offense will be explosive with the wishbone which we are now using for the seventh straight year," stated Moshimer. "Our quarterback is a slick ball handler and an excellent runner, essential in the wishbone offense."

However, Moshimer stressed that defense was just as important as offense and that they practice it as much as their offense.

Salem will sport a 5-2-4 defense this year.

Up front the line looks like this — Chris Papa and Jeff Powers and defensive ends, Bruner and LaVecc at the tackles; and either Baker or Kapple at noseguard. Second stringers will consist of Piper, Smith, and Willissey.

Protecting the middle are linebackers Jeff Spencer, Anderson, Kappler, and Wilcox.

Chiefs on warpath for victory

BY ERIC OLSON

A 26-21 loss to Livonia Bentley on the last play of the game (a 37 yard touch-down pass), an overtime loss to Annapolis, a two-point defeat to Waterford Mott, another overtime loss, this time to Northville, and a tough 14-7 setback by Garden City East were all events that led to a 0-9 season for the Canton football team last year.

Something has to break for the Chiefs this year and it should be their losing streak.

Realistically the Chiefs have a slim chance of winning the Western Six Championship, but let's not forget the miracle Mets of 1969.

Waterford Mott is picked to finish on top followed by Northville, Churchill, and Farmington Harrison.

"Staying healthy is the key to the season - to keep in one piece and keep the right RMA or the right mental attitude," said Head Coach Dave Schuele.

Schuele added, "We're not real big, but we are quicker than last year."

Starting with the defense, which Schuele considers strong this year, the middle guard is Alan Olszewski. The replacements are Doug Ward and Paul Rainey.

Canton is deep at tackle with George Hamblin, Paul

Mooney, Bill VanHous, Ken VanKirk, Joe Santilli, Russ Schuman, Joe Mallard, and Gerald VanBerkle.

Guarding against the sweep will be defensive ends Steve Eddy, Frank Kellogg, Charlie Nyhus, and Greg Gerhaes.

Backing them up are linebackers Dave Tanner, Jammie Koch, Russ Mandle, and Bob Hamblin. At monster back is Dennis Howe who Schuele describes as "outstanding". We're expecting a lot from him.

The secondary is manned by cornerbacks Mike Phillips, Steve Gray, Jay McKinley, Mike Kittie, and safeties Mike Pathe, George Trudell, and Chris Lochard.

After the squad's red-white game Schuele was pleased with his defense because of its hustle, gang tackling, and enthusiasm which he termed "a large and important part of the game."

"The thing about an inter-team scrimmage is that you don't know if its a good team against a good team or a bad team against a bad team," said Schuele.

He added, "On offense our line was a little off and quarterbacks need to sharpen up their game."

Scott Dawson will likely direct the offense and he will be backed up by Mallard and Lochard. Russ Mandle who played some quarterback last year has been shifted to tailback where he played well in the red-white game.

Other runners include: Hamblin, Koch, Goldsmith, John Tarr, Gray, and Phillips.

Blockers for the runnign backs are centers Schuman and Mooney; tackles G. Hamblin, Eddy, Gerhaes, and Kellogg; and guards (two returning starters) Tanner and Nyhus.

Nyhus will also be responsible for the placekicking duties and either Dawson, Kellogg, or Eddy will be the punter.

The tight end job belongs to VanHouse with Ted Toll and Mike Swisher as the second stringers. Other receivers are Pathe, McKinley, and Howe. McKinley can also play quarterback.

The Chiefs will use a veer offense with a pro split backfield which Schuele hopes will help them utilize some of the quickness that they have this year.

If Canton can win the close games they should finish over .500.

THE COMMUNITY CRIER: August 30, 1978

Defense key for Salem

Cont. from pg. 18

The last line of defense is held by safeties Hewlett, Jim Anderson (also a quarterback), Dillon, and Schulz.

Fighting it out for cornerback spots are Dave Dantony, McKenzie, Merrill, Stick, and Julian Martinez.

The point after touchdown and kickoffs will be handled (footed) by Rich Hanschu and Baker is the punter.

The annual Blue-White game was played Saturday and Moshimer was pleased with the outcome.

"It went real well considering we're real young," commented Moshimer. "We've made a lot of progress in one week."

Moshimer sees Trenton as the Sub-8 favorite followed by Edsel Ford, Redford Union, and Dearborn. There may not

be any Dearborn teams unless their millage in September passes.

"Our first game against Livonia Franklin and our second game against Dearborn are very important to us and our success for the entire year," said Moshimer.

Maybe the Rocks won't win a state playoff berth this year, but maybe they can squeeze out a Sub-8 title.

Vickery, Beggs better lead

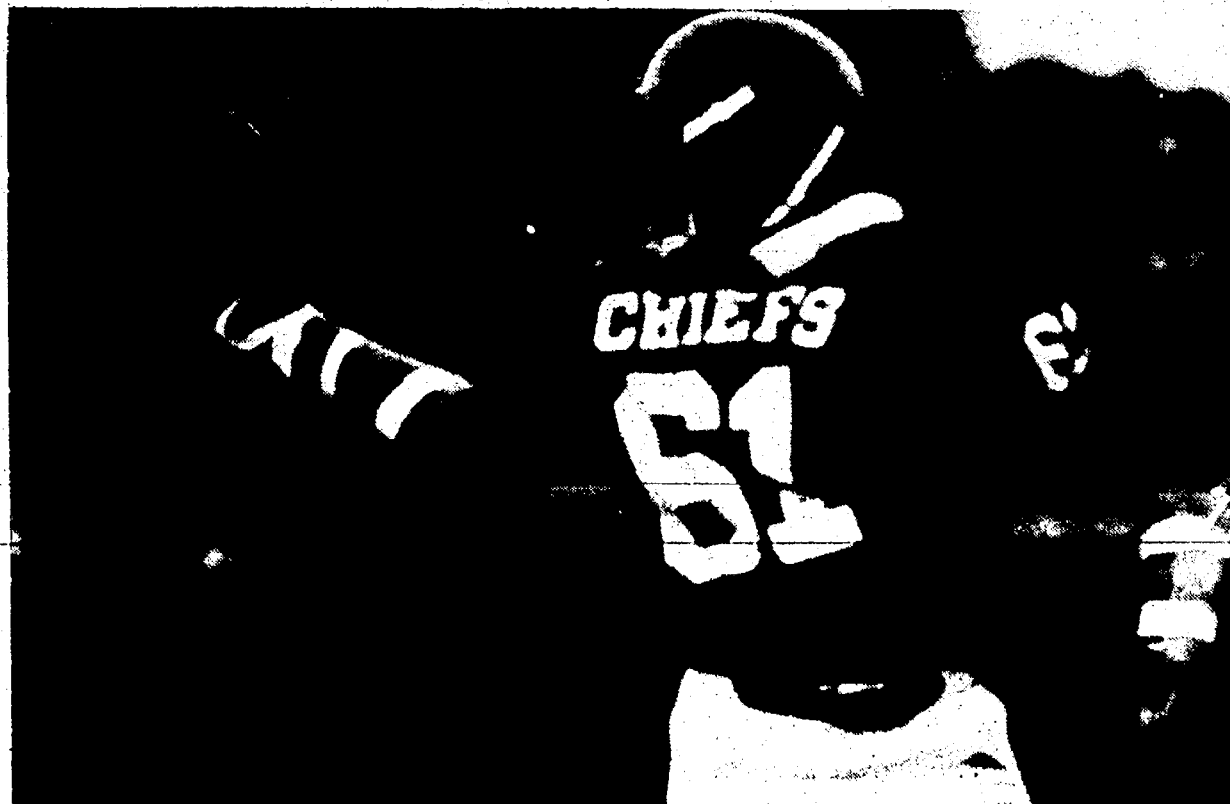

Floyd Vickery and Bill Beggs increase their lead in the 10th week of play in the Canton Seniors Golf League by 12 points over Emma and Gary Aleman.

Hilda Hayden and Skip Keller found themselves in

third place after Keller shot an exceedingly strong round of 57. Judy Bond and Ralph Dietz are trailing behind but are expected to gain more before the end of the season.

Long-term purchasing plans win Canton board's OK

A five-year guide for major purchases by Canton Township was approved by the Board of Trustees last Tuesday.

Top priority in the list of capital improvement needs was given to recreational landsites. "The absorption of land in Canton by developers is enormous," said Canton Planner George Peek.

Seven parksites ranging from four through 25 acres should be purchased either this

year or next, according to the report.

With payments spread from this year through 1983, the cost of the parkland is put at \$665,000 by the report.

Trustee Lynne Goldsmith objected to the locations of the proposed purchases, saying they were too concentrated in the northwest quadrant of the township.

Goldsmith and Trust Robert Myers voted against

the general purchasing plan, while "yes" votes came from Harold Stein, John Flodin, Anne Bradley and Trustee Eugene Daley. Brian Schwall was absent.

Other proposals include a \$1 million multi-purpose recreation building, a new fire station, library and DPW building.

In a separate action, the board gave approval to the architectural firm of Ralls-Hamill of Livonia to proceed with construction drawings for the new DPW building to be located on Sheldon Road south of Michigan Avenue.

Money for the purchases would come from general revenues, the police, and fire millages, water and sewer fees and state and federal grants, Peek said.

A second priority group of recreation land purchases to be considered in 1982-83 includes an 80-100 acre central township park; and two 20-25 acre community park/playfields.

Needed in 1983-84, the new fire station will cost somewhere between \$100,000 and \$300,000, according to the report.

Other projects included in the report are: off-street parking at the new court (\$100,000); streets and utilities in industrial sites south of Michigan Avenue (\$734,000) and tree planting (\$195,000).

Pizza Hut approved

Canton's Board of Trustees approved the following commercial properties for the township last Tuesday:

A Pizza Hut restaurant planned at 44995 Ford Rd.; a Classy Chassis Car Wash on the east side of Canton Center Road north of Ford Road;

a Knights Inn Motel planned at the northeast corner of Ford and Haggerty roads; the Haggerty Hill Medical office building at the southwest corner of Haggerty and Cherry Hill roads; and an addition to Plymouth Construction Equipment Co. located at 41889 Ford Rd.

Schools add teachers

Student shifts have resulted in the addition of four teachers to the total teaching staff, Supt. John Hoben told members of the Plymouth-Canton Board of Education Monday night.

The board approved seven resignations, two professional leaves of absence, and new contracts for 18 teachers by a vote of 7-0.

Last year's teaching staff numbered 700 and the total is 704 now, said Hoben. Although 10 teachers were added to the core part of the program, the staff has been increased by four, he said. Six teachers from the unified arts program in the elementary program were shifted to other teaching assignments, Hoben said.

Fire overtime reviewed

Plymouth Township may hire a management consultant to review the amount of overtime pay its firefighters receive.

Supervisor Tom Notebaert

said he wants to find out whether it would be cheaper to hire additional firefighters or continue to pay what he considers a substantial amount of overtime.

Chamber issues directory

The Canton Chamber of Commerce has announced it will mail this week a township business directory to all residents of Canton.

The directory includes all businesses in the township and

general information like a list of emergency phone numbers, clubs, schools, and churches, said Mary Dingeldey of the Chamber.

A map of the township is also included, she said.

Court offers alcohol program

An Alcohol Awareness Program sponsored by the 35th District Court and the Northville Jaycees has scheduled three sessions in upcoming

weeks. On Sept. 5, Dr. Frank Hollingsworth will speak on the pharmacology of alcohol and its effect on the body.

Hollingsworth will speak on the progression of alcohol as a disease concept during the second session Sept. 12.

At session three, two persons from Alcoholics Anonymous will discuss how alcohol affected their lives and how AA or Alanon helped them.

All sessions are open to the public and will take place at the 35th District Court in the second floor of Plymouth City Hall, 201 S. Main, 455-2640.

Storm sewer gets easement

Unanimous approval was given to an easement request for residents of Carriage Hill subdivision in Canton at the Board of Education meeting Monday night.

This easement will allow the construction of a storm sewer as an extension of the existing system to allow drainage during heavy rainfall.

The area is located east of Canton Center Road north of Ford Road and west of Sheldon Road.

Township seeks plans for hall

Plymouth Township Supervisor Tom Notebaert said the Township Board would consider last night hiring its planning and engineering firm, Norman L. Dietrich Associates, to design the renovation of the Teledyne building on Ann Arbor Road as an addition to Township Hall.

Also called for are plans for a connecting structure between the two adjacent buildings. Township voters approved the purchase of the Teledyne building on a ballot proposal earlier this month.

Yes: Bradley, Daley, Flodin, Goldsmith, Stein. No: Myers.

A motion was made by Daley and supported by Stein and unanimously carried to adopt the following Merit System Ordinance which was introduced and tabled at the meeting of March 14, 1978, and published in the Community Crier of March 29, 1978, and was approved by the electorate at the Election of August 8, 1978, be adopted and become effective upon its publication:

ORDINANCE NO. 85

AN ORDINANCE TO ESTABLISH and provide a merit system in the Charter Township of Canton; to create a merit system commission, and to prescribe the appointment and duties thereof; to provide means to recruit, select, develop, and maintain an effective and responsive work force; to prescribe penalties for the violation of the provisions of this Ordinance; work force; to prescribe penalties for the violation of the provisions of this Ordinance; and to prescribe the manner of adoption of this Ordinance by the Charter Township of Canton.

SECTION 1. GENERAL PURPOSES.

The general purpose of this Ordinance is to establish pursuant to Article 11, Section 6 of the Michigan Constitution, a merit system of personnel administration for the employees of the Charter Township of Canton that meets the social, economic, and program needs of the people of the Township. This system shall provide means to recruit, select, develop, and maintain an effective and responsive work force; and shall include policies and procedures for employee hiring and advancement, job classification, discipline, discharge, and other related activities. All hiring and promotions in the Township classified service shall be made without regard to sex, race, religion or political affiliation, and shall be based on merit and fitness.

SECTION 2. MERIT SYSTEM COMMISSION.

The Township Board, at a regular or special session within thirty (30) days after this Ordinance takes effect, shall create a merit system commission. The merit system shall be appointed by the Township Supervisor with the approval vote of at least four (4) members of the Township Board, and he/she shall serve for a term expiring six (6) years from December 31 of that year. The second member of the commission shall be selected by the paid full time employees of the Township and he/she shall serve for a term expiring four (4) years from December 31 of that year; a majority of the votes cast of the aforesaid employees shall be necessary to select such member and if no person obtains a majority in the initial voting, a run-off election shall be held between the two persons receiving the highest number of votes. The third member of the commission shall, within thirty (30) days after the appointment of the second of the aforesaid two members, be selected by those two members of the commission and he/she shall serve for a term expiring two (2) years from December 31 of that year, provided, however, if the said two members fail to make the appointment of the third member within thirty (30) days, the third member shall be appointed by the Township Board of Trustees. Thereafter all appointments shall be made for a period of six (6) years each; each commissioner to serve until his successor is appointed and qualified by the appointing power hereinbefore designated.

The three (3) members of the commission shall together elect one of their number to act as chairperson of the commission, who shall serve for one (1) year. Each year thereafter the commissioners shall elect one of their number chairperson, the member so elected to serve one (1) year. No member shall serve as chairperson for more than two consecutive terms. Any vacancy occurring on the commission shall be filled for the unexpired term by the appointing power hereinbefore designated and within thirty (30) days of such vacancy.

No person shall be appointed a member of said commission who is not a citizen of the United States and who has not been a resident of Canton Township for a period of one (1) year and an elector of Wayne County for a period of at least three (3) years immediately preceding such appointment. No commissioner shall hold any other elective or appointive office, place or position under the United States, State of Michigan, or any city, county or other political subdivision thereof; nor shall any commissioner serve on any political committee or take any active part in the management of any political campaign. Not more than two (2) of the said commissioners, at any one time, shall be adherents of the same political party. Two members of the commission constitute a quorum thereof. The Township Board by a vote of five (5) members may remove a commissioner for cause during his/her term of office, but only after serving the commissioner with a statement in writing of the reasons for such removal, and allowing him/her an opportunity to be represented and publicly heard in his/her defense.

SECTION 3. COMMISSIONERS COMPENSATION.

Each commissioner shall receive compensation for each day's service in an amount to be determined by the Township Board for not to exceed thirty (30) days in any one year, and such necessary traveling expenses and mileage as may be incurred in the actual performance of his or her duties. For the first year after the adoption of the merit system, compensation may

SECTION 4. PERSONNEL DIRECTOR.

The commission, with the approval vote of four (4) members of the Township Board, shall choose a personnel director upon a basis of education, technical knowledge of personnel work; and knowledge of Township government and its operation. The personnel director shall be a classified employee subject to the provisions of this Ordinance, unless by resolution of the Township Board it is provided that the personnel director's position is to be part-time. The compensation of the personnel director shall be fixed by the commission subject to the approval of the Township Board. The personnel director shall act as secretary of the commission and shall at all times be subject to the control and direction of the Commission. The personnel director shall be hired through the same procedures as those used in Sections 9 and 10 of this Ordinance.

SECTION 5. CLASSIFIED AND UNCLASSIFIED SERVICE.

The merit system of personnel administration of the Township is hereby divided into the unclassified and classified services as hereinafter defined.

- The unclassified service shall include officers elected by popular vote and persons appointed to fill vacancies in such elective offices; one assistant each for the supervisor, clerk and treasurer; members of boards and commissions; persons employed to make or conduct a temporary or special inquiry, investigation or examination on behalf of the Township Board, a committee thereof or the Township Supervisor; persons engaged on an independent contractor basis; and part-time employees.
- The classified service shall comprise all positions not specifically included by this Ordinance in the unclassified service.

SECTION 6. MEETINGS.

The commission shall hold regular meetings at least once a month and shall designate the time and place thereof, unless it is determined by any two (2) members of the commission that a meeting in any given month will not be necessary in which case the meeting shall not be held.

Special meetings may be called at the request of the chairman or any two (2) members of the commission.

SECTION 7. POWERS AND DUTIES OF COMMISSION.

In order to carry out and make effective the purpose and intent of the provisions of this Ordinance in establishing a merit system; the merit system commission shall:

- Establish and administer a position-classification plan, examinations and other policies and rules governing entry into, and change of status within, the classified service.
- Make rules and regulations as it deems necessary and advisable for the administration of this merit system Ordinance.
- Make such investigations as may be necessary to enforce the provisions of this Ordinance, and of its own rules and regulations. In aid of such investigation, the commission or its representative may administer oaths, and issue its subpoena to secure both the attendance and testimony of witnesses and the production of books and papers relevant to the investigation.
- Exercise such other powers and perform such other duties as may be necessary to carry out the provisions of this Ordinance and or as may be conferred upon it by statute or Ordinance.

The commission, if authorized by the Township Board and subject to its approval, may contract for such technical personnel services and advice as may be reasonably necessary to the performance of the foregoing duties.

All wages, hours of work and other fringe benefits of employees shall be recommended by the commission, but shall not take effect until approved by at least four (4) members of the Township Board.

SECTION 8. EXISTING EMPLOYEES TO HOLD POSITIONS. -- CONDITIONS, EXCEPTIONS.

An employee of the Township or any department thereof at the time this act takes effect, who has been an employee of the Township for more than two (2) years prior thereto whose position is included in the classified service, shall hold his/her position without examination until he/she retires or is discharged, reduced, promoted, or transferred, in accordance with the provisions of this Ordinance. An employee of the Township or any department thereof included in the classified service by this Ordinance, who shall have been so employed for more than one (1) year and less than two (2) years prior to the time this Ordinance takes effect, shall be required to take a qualifying examination, he/she shall be placed on one year probation and shall not be entitled to the protection of Sections 13 and 14 hereof until the expiration thereof. An employee who shall have been so employed for less than one (1) year prior to the effective date of this Ordinance shall be required to take a competitive examination. Any employee of the Township or any department thereof holding a position included in the classified service by this Ordinance, who, within the two (2) years prior to the adoption of this Ordinance, took a competitive examination consisting of a written test and oral interview conducted by an examining committee or commission appointed by the Township Board or an agency contracted by the Township Board and who was employed as a result of such testing, shall be exempt from the requirements of this section and shall be included in the classified service without examination.

In addition to the above conditions, all applicants for full time position as a Police Officer below the rank of sergeant shall take and receive a pre-determined passing score on a physical fitness examination, which includes agility testing, and a psychological examination. The physical fitness and psychological examinations to be used by the Township shall, from time to time, be selected by the Township Board from model examinations recommended by a professional organization of law enforcement agencies and/or from examinations in actual use by other law enforcement agencies.

SECTION 9. HIRING AND PROMOTIONS.

(1) Positions in the classified service shall be filled according to qualifications and fitness to be ascertained by competitive examination and shall be open to all persons qualified to compete for the particular position for which the examination is to be conducted.

(2) Notwithstanding the foregoing paragraph, where existing employees possess the qualifications to fill a position in the classified service, a competitive, promotional examination limited to existing employees shall be conducted for the purpose of filling such positions; provided, however, that if no examinee obtains a passing score on the competitive, promotional examination; an open, competitive examination under subparagraph (1) of this section shall be held.

Examination papers written by applicants are considered privileged documents not open to or subject to public inspection or examination. The examination papers of any applicant, however, may be reviewed by the applicant at his/her request.

SECTION 10. CERTIFICATION OF CANDIDATES.

Whenever a position in the competitive classified merit system is to be filled, the Supervisor shall notify the commission of that fact, and the commission shall certify the names and addresses of the three (3) candidates standing highest on the eligibility list for the class or grade to which the position belongs, and the Supervisor shall, with a majority vote of four (4) members of the Township Board, forthwith appoint one of the three persons so certified to the position. The appointment shall be for a probationary period to be fixed by the rules of the commission, but not to exceed one (1) year. At or before the expiration of the probationary period, the Supervisor, by presenting specific reasons for such action in writing to the commission, may discharge a probational appointee, or, with approval of the commission, transfer him/her to another department. If not discharged prior to the expiration of the period of probation and if no complaint has been made as to the service rendered, the appointment shall be deemed complete.

SECTION 11. EMERGENCY HIRING.

To prevent the stoppage of business or to meet extraordinary conditions or emergencies, the Supervisor, with the approval of the commission, may make temporary appointments not to exceed sixty (60) days, and only until regular appointment under the provisions of this Ordinance can be made. Any emergency appointment made under this section may, with the approval of the commission, be extended for a period to be determined by the commission. Any person appointed under this section shall not be entitled to the protection of the due process standards set forth in Sections 13 and 14 of this Ordinance until such person is regularly appointed under the provisions of this Ordinance.

SECTION 12. VALIDATION.

All examinations for entry into and promotion within the classified merit system shall, to the maximum extent possible, be professionally developed examination, supported by empirical data demonstrating that the examination is predicative of, or significantly related to, successful performance in the position or positions for which applicants are to be tested.

SECTION 13. DISCIPLINE.

Any employee in the classified merit system may be discharged, suspended or reduced in rank or compensation for cause by the Supervisor after expiration of his/her probationary period by an order in writing, stating specifically the reasons therefor. The order shall be filed with the commission and a copy thereof shall be furnished to the person to be discharged, suspended, or reduced. The employee may reply in writing to the order within five (5) days from the date of its filing with the commission. Any person discharged, suspended or reduced in rank or compensation, within ten (10) days after presentation to him/her of the order of discharge, suspension or reduction, may appeal to the Commission. The commission, within two (2) weeks from the filing of the appeal, shall commence the hearing thereon, and shall thereupon, fully hear and determine the matter, and either affirm, modify or revoke such order. The appellant shall be entitled to appear personally, produce evidence, and to have counsel and a public hearing. The finding and decision of the commission shall be certified to the Supervisor and shall forthwith be enforced and followed by him/her, but under no condition shall the employee be discharged or suspended from the payroll or reduced in rank or compensation until the finding and decision of the commission is so certified.

SECTION 14. JURISDICTION: CO-ORDINATION WITH LABOR CONTRACTS.

The commission procedure for discipline set forth in Section 13 above shall be exclusive for classified employees covered by a collective bargaining contract. A classified employee covered by a collective bargaining contract containing a procedure providing for a final and enforceable resolution of a grievance may, unless the contract procedure is made exclusive, elect to use either the commission procedure the contract procedure, but may not use both.

A classified employee covered by a collective bargaining contract containing a grievance procedure that does not result in a final and enforceable resolution of the grievance may, if the collective bargaining contract so provided, pursue the contract procedure and then file under the commission procedure.

SECTION 15. ANNUAL REPORT.

The commission shall make an annual report to the Township Board at the first (1st) regular meeting in January of each year, and at such other times as may be required by the Township Board.

SECTION 16. POLITICAL ACTIVITIES PROHIBITED.

No employee of the Township in the classified service, directly or indirectly shall solicit or receive, or be in any manner concerned in soliciting or receiving any assessment, subscription or contribution for any political party or any political purpose whatsoever, except as otherwise permitted by law. Any employee violating the provisions of this section may be removed from the office.

SECTION 17. WITNESSES: PUNISHMENT FOR CONTEMPT, PERJURY AND VIOLATIONS.

Any person who is served with a subpoena issued by the commission in the course of investigation conducted under the provisions of this Ordinance, to appear and testify, or to produce books and papers, and who refuses or neglects to appear and testify or produce evidence as commanded in the subpoena, is guilty of a misdemeanor. The fees of witnesses for attendance and travel shall be the same as the fees of witnesses in the circuit court, and shall be paid from the appropriation for the expenses of the commission. The judge of the circuit court, either in term or vacation, upon application of the commission, shall compel the attendance of witnesses, the production of books and papers and the giving of testimony before the Commission in the same manner as the production of books and papers and the giving of testimony before the Court. Every person who, having taken an oath or made affirmation in a proceeding, swears or affirms willfully, corruptly or falsely is guilty of a misdemeanor. Any person who knowingly violates any of the provisions of this Ordinance, and any person who neglects or refuses to perform any duty enjoined upon him by this Ordinance, is guilty of a misdemeanor. When, by this Ordinance, any act or duty is required to be done by or under the supervision or authority of any officer, and such act or duty is not done or performed, then the officer who has willfully neglected to perform such duty, or has willfully permitted the omission or nonperformance of such duty or act, is guilty of a misdemeanor.

SECTION 18. PUNISHMENT OF VIOLATIONS.

Any person convicted of any misdemeanor shall be fined not less than Fifty (\$50.00) nor more than One Hundred (\$100.00) Dollars, or imprisoned for not to exceed ninety (90) days, or both.

SECTION 19. DISCRIMINATION PROHIBITED.

No person in the classified service or seeking admission thereto, shall be appointed, reduced or removed, or in any way favored or discriminated against because of sex, race, religion, or political affiliation, except for membership in any organization which has advocated or does advocate disloyalty to the government of the United States or any subdivision thereof.

SECTION 20. BUDGET APPROPRIATION.

The Township Board shall provide the necessary appropriations to pay the expenses of the commission and to carry out the provisions of this Ordinance.

SECTION 21. SEVERABILITY.

If any provision of this Merit System Ordinance or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of this Merit System Ordinance.

SECTION 22. EFFECTIVE DATE.

Upon the adoption of this Ordinance by a majority vote of the members elect of the Township Board, and the subsequent approval by a majority of the Township electors voting thereon at an election to be called by resolution of the Township Board, and upon the publication of this Ordinance in accordance with the provisions of state law, the provisions of this Ordinance shall become effective.
