## Canton budget includes 1/2 mill cut

BY CHAS CHILD

Despite an expected 0.5 mill decrease in Canton Township taxes, the proposed 1979 budget is the largest ever — 15 per cent more than last year.

The budget calls for expenditures of \$3,284,000, up from this year's total of \$2,768,841.

The bulk of the increased revenue comes from an infusion of \$500,000 from the township's \$1 million surplus. Besides this, the other expanded sources of funds are: licensing and permit fees (a \$63,000 increase), and state-shared revenues (\$72,000 more).

These excess funds will more than make up for the \$140,000 expected to be lost by a cut in the township's millage rate from 5.0 to 4.5.

Supervisor Harold Stein was scheduled to ask the Board of Trustees at last night's meeting to lower the taxes.

"Our \$1 million surplus makes the cut possible," said Finance Director Mike Gorman.

A public hearing on the proposed budget is set for the board's regular meeting on Oct. 10, starting at 7 p.m. at the township's new hall on 1150 S. Canton Center Road.

Copies of the budget are available to the public at the hall.

On the expenditure side of the ledger, the police department shows the largest increase from last year.

The force's allocation is proposed to jump \$260,000, with most of the money going to fund six new officers and remodeling of the old township business offices on Geddes Road into a new police headquarters.

Also, garbage collection will cost the township \$319,000,

up \$124,000 from this year, due to a price increase granted by the board last Tuesday. The Municipal Disposal Service will receive \$2.60 per house rather than this year's \$1.80. Inflation and cost increases were behind the hike, company representatives said.

Another major increase is planned for salaries in the Fire Department. Pay raises and extra overtime will consume \$113,000 more in 1979, up from \$380,000 to \$493,000.

Overall, the Fire Department will operate on a total of \$913,000 next year if Gorman's budget is approved. This figure is a total of \$330,000 raised from the special fire levy of 1.25 mills, and \$583,000 additional allocated from the general fund.

The fire total represents 3.5 mills, compared to 3.0 mills worth of funds necessary for the police force. The police levy will raise \$528,000 from township taxpayers, while another \$260,000 is proposed to be added from the general fund.

Other sizable increases in the budget include a \$100,000 hike in salaries and fringe benefits for township

employees. Building Department (from \$268,000 to \$370,000), and a \$72,360 increase in the Recreation Department (from \$113,640 to \$186,000).

Were any items reduced? Yes, Gorman has budgeted a \$262,554 cut in the capital improvement allotment. He proposes, however, that this money be made up by about \$268,000 of federal revenue-

sharing funds.

Planned purchases in the capital improvement budget are: a future fire station site in the western half of the township (\$18,000); a park site (\$185,000); and park improvements (\$65,000).

A hearing on the proposed uses for the revenue sharing money was scheduled for the board's meeting last night.

## Hilltop clubhouse burns

BY PATRICIA BARTOLD

A lit cigaret left in a trash barrel may have been the cause of a fire that ravaged the Hilltop Golf Clubhouse Sunday night and left the place in charred ruins, Dan

Ross, operator of the Plymouth Township recreation center, speculated after the fire.

No official report was available from Plymouth Township fire officials by Tuesday.

TOSSING SCORCHED INSULATION, township firefighters extinguish the last smoldering flames of the fire that ravaged the Hilltop Golf Clubhouse Sunday night about 9 p.m.

The clubhouse, insured for about \$25,000-\$35,000, according to operator Dan Ross, was left in charred ruins after the blaze. (Crier photo by Bill Bresler.)

Plymouth Township Supervisor Tom Notebaert said the fire at the clubhouse would not change the Oct. 17 closing date to submit bids to operate the golf course. He said a travel trailer would be used as a temporary clubhouse until it could be replaced.

Ross said that at about 8:15 or 8:30 Sunday night he was told the fire alarm was ringing at the clubhouse by a neighbor living on nearby Beck Road. Ross found the building smoke-filled and a trash can in flames. After removing the burning can and extinguishing the flames behind the clubhouse, Ross said he opened all the doors and windows allowing smoke to escape.

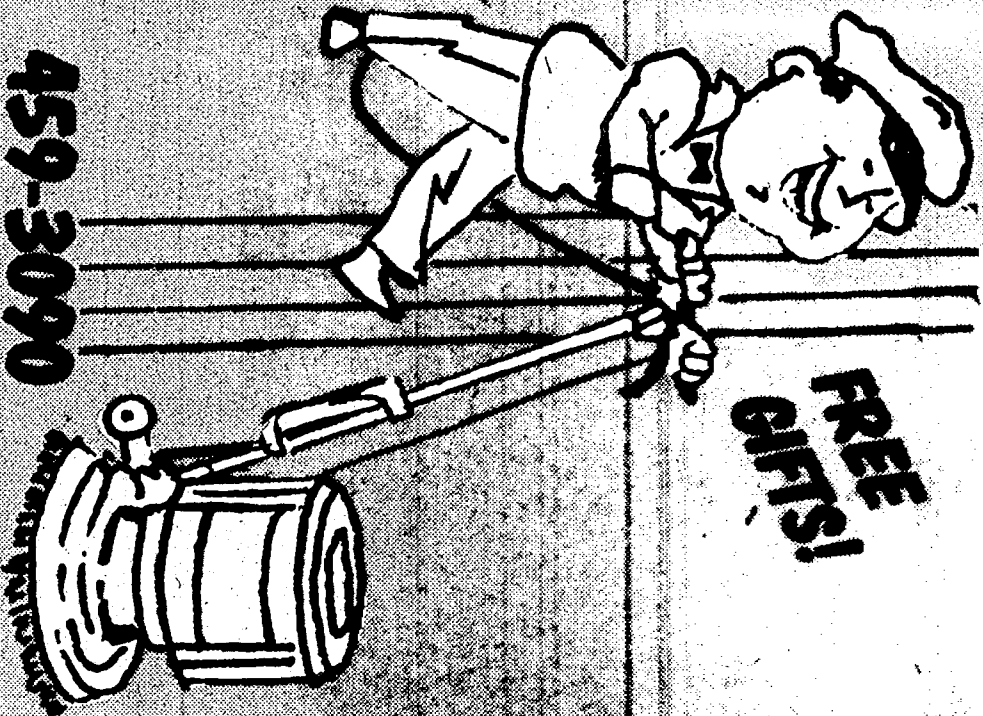

Then he left.

When Ross returned a second time at about 9 p.m., he said he found the building engulfed in flames.

Although no official estimates were available from the township fire department, Ross said the building was insured for \$25,000-\$35,000.

The cause of the fire is still under investigation by the township fire department.

# City doubles parking fines

Persons who park their cars illegally in the City of Plymouth will soon face much higher fines.

The City Commission approved Monday night a new schedule of fines which approximated double violation fees.

Under the new rates, fines on illegally parked cars which create hazardous situations were boosted the most. Parking in front of theater exit, fire escape and emergency exit doubled from \$5 to \$10.

## 6 days left to register

If you plan to vote in November's general election, you must register by Tuesday, Oct. 10.

Residents of the City of Plymouth and Canton, and Plymouth townships can fill out registration forms from 8 a.m. to 5 p.m. on weekdays at their city or township offices. The offices will also be open on Saturday from 8 a.m. to 5 p.m.

The extra charge for late payers was also increased in each hazardous case. Under the old rates, if the fines were not paid within 14 days, the charge went up to \$7. The new schedule calls for a payment of \$20.

To arrive at the new schedule, Police Chief Tim Ford compared Plymouth's rates, which were established in 1967, with six other cities: Ann Arbor, Dearborn, Northville, South Lyon, Ypsilanti, Wayne and Livonia.

Plymouth's old rates are significantly lower than the other cities, said Ford. He also said that the police department is running low of the old tickets, and since it was time to print new ones, it was therefore convenient to set new rates.

New rates for other violations include: expired meter, from \$1 to \$2 (after 14 days, from \$3 to \$5); and parked more than 48 hours (after 14 days, from \$7 to \$20.)

The new fines will take effect Oct. 15.

## Canton Homecoming court

CANDIDATES FOR CANTON HOMECOMING QUEEN. Hoping to be selected 1978 Homecoming Queen for Canton High School are the following candidates: (from left to right) standing, Kathy Kiefer, senior, Lynne Rudolph, senior, Ledah Schrader, senior,

Sue Sobczynski, senior, Lynn McAllister, senior, and Renee Weinman, junior. Seated in the background, from left to right, are Reggie Ruggiero, freshman, and Lynn Bakers, sophomore. (Crier photo by Bill Bresler.)

## City wants warning on Harvey

A sign warning drivers of the hazardous intersection of Harvey and Linden streets in the City of Plymouth was requested by the City Commission Monday night.

Last month, the commission was presented with a

petition signed by residents of the area which asked for a four-way stop at the intersection.

Police Chief Tim Ford, replied in a letter to the commission, however, that neither the amount of traffic nor the number of accidents

at the intersection warrant a four-way stop.

"There is a problem, and we'd like to know what we can do, not what we can't do," said Turner, in requesting another recommendation for warning signs on Harvey.

## Mettetal, Salem airports fights taxes, suburbs

BY CHAS CHILD

Are the two airports in the Plymouth-Canton Community doomed to go out of business?

Probably not soon, but the financial plight of Mettetal Airport in Canton and Salem Airport in Salem Township may eventually force pilots and

businesses to fly elsewhere, say the owners of the two airports.

"We're surviving on a day-to-day basis," said Winetta Shoebridge who owns and operates Salem Airport with her husband, Ronald. "Rising prices and taxes eat up all the money we make."

A similar situation exists

at Mettetal, said its owner, Bob Mettetal. "I've had to sell 12 acres over the years just to pay the taxes," he said. "And I've got nothing to show for it."

If Mettetal closes, its owner said the business community of Plymouth-Canton would definitely suffer. "We fly executives, machine parts — you name it — out of here," said Mettetal. "All those pilots would be forced to fly out of Metro or Willow Run if we weren't here."

About 60 planes are based at Salem, while 150 craft fly out of Mettetal. The danger of these airplanes moving to the larger airports was made clear by the collision in San Diego last week between a commercial carrier and a small plane which claimed about 150 lives, said Shoebridge.

"It's like putting bicycles on a major highway," she said.

What will it take to insure the airports' survival? Shoebridge and Mettetal said that their airports should be taken over by municipalities.

The trouble with this, however, is that in these days of tax revolt, assuming the financial burden of airports is not popular, said Shoebridge.

"In 1977, the state tried to set up an airport authority to take over Salem, but it never got off the ground. The people don't want it," she said.

Mettetal was under consideration for takeover by both the City of Plymouth and Canton Township on two separate occasions. In 1976, Canton's Board of Trustees

decided it was unfeasible, while in the early 1950's the voters of Plymouth rejected a bond issue to buy the airport.

The Michigan Aeronautics Commission is still seeking answers to the problem, however, as it announced last week that it was scheduling meetings with owners of private airports all over Michigan, including Mettetal and Salem.

"If we could expand, we would be an excellent executive airport," said Mettetal. "But we would have to be a municipal airport to condemn the property necessary to add on to the runway."

Mettetal also thinks it would be feasible for the

township's Economic Development Corporation (EDC) to help his airport. The EDC, which can sell bonds to make industrial improvements in order to lure industry into Canton, is wasting its time by pushing development near the township's railroads, he claimed.

"Airports are the facility of the future," he said. "Railroads are in the past. If industry goes elsewhere, the homeowners' taxes will just go higher."

Another loser in the long run is the pilots of the small craft, said Shoebridge. "If we close, we're gone forever. They won't open new airports."

### In Canton

## Building snafu fizzles

BY CHAS CHILD

The evidence on possible wrongdoings in Canton's Building Department does not warrant further investigation, said Lieutenant William Tomczyk of the Michigan State Police.

Tomczyk was presented with the evidence at a meeting with Supervisor Harold Stein on Friday.

Stein raised the possibility of wrongdoings in the department last weekend in a letter to the board, and last Monday phoned Tomczyk from Washington, D.C. to ask for an investigation.

On Monday, Stein said he had no comment on the matter because he did not want to jeopardize any possible investigation.

Neither Stein nor Tomczyk would comment on the nature of the evidence or the allegations that had been made.

# Vacant Barnes plant slated for renovation

BY PATRICIA BARTOLD

A Livonia manufacturing plant with 200 employees has announced plans to transfer production lines and offices to the vacant Whitman Barnes plant on Plymouth Road by the first of February.

The Otto Durr Company of Livonia will renovate the buildings and increase production crews by 50 employees within the next three or four years, said Peter Spiro, assistant to the Durr president.

The announcements were made by Spiro as he explained the project plan and an alternative financing plan submitted in two separate resolutions to the Plymouth Township Board of Trustees at last Tuesday's meeting.

Both resolutions were approved by the trustees.

The company will move if they can finance the land purchase and renovation of the buildings through the Job Authority Act (JDA), or through the issuance of bonds by the township, if it is rejected by the JDA.

In seeking bonds through the JDA from the state of Michigan, the company needed the township's approval in order to acquire and lease the site. The project plan was approved by a vote of 5-2 with trustees Maurice Breen and Lee Fidge dissenting.

JDA will hear the request for bond purchase on Oct. 10, according to Spiro.

In a second resolution, the Durr Co. asked the township to provide alternative financing if the JDA plan is rejected through the issuance of industrial development revenue bonds. The township would issue bonds to the company and lease payments would come from the Durr Co.

Spiro said the township would not be held liable for payment of the bonds and the township would not be required to pay the principle or interest on the bonds. The cost, acquisition, ownership and financing would be

totally supported by the Durr Co., according to Spiro.

The second resolution providing alternative financing by the township passed 4-3 with Trustees Fidge, Breen, and Frank Millington voting "no".

The Durr Co. hopes to finance bonds through the state or township in order to take advantage of lower interest rates, according to Spiro.

The Durr Co. will renovate the interior and exterior of the Whitman Barnes plant including the electrical and mechanical workings, and it hopes to begin the renovation project by the end of November, said Spiro.

Township Supervisor Thomas Notebaert said, "It's a good clean manufacturing plant, and I am quite pleased the vacant buildings will be occupied." Notebaert was also encouraged by the prospect of expanding production to hire more people from the immediate area.

The Durr Co. designs, engineers and paints finishings for the automotive industry, and present facilities are located at 12163 Globe in Livonia.

The Whitman Barnes plant is located on Plymouth Road near Haggerty Road.

# Parents: don't let kids play in streets, we pay for parks

EDITOR:

I would like to address this letter to parents who live in the Ford Road-Sheldon Road area who belong to the Carriage Hills Homeowners Association. This is in reference to the parks which every person has access to. I am 18 years old and have no children, but I do reside on a park.

My parents and yourselves are paying thousands of dollars to upgrade the parks and to install playground equipment for the children to play on. Over \$2,000 has been spent on each park. Since the equipment has been installed, I have seen many children playing in the street.

I don't see how you parents can let your children play in the street since a majority of you griped about the absence of the equipment. Now that it's there, encourage your children to use the park.

The Ford Road-Sheldon Road area has grown tremendously and this means more traffic through the streets. One of these days it may be your child who gets hit. Whose fault will it really be? ... the drivers or yours? Please watch your children more carefully. I wouldn't want to be the one to carry the guilt with me throughout my life.

SOMEONE WHO CARES

## Child's play

By Chas Child

A sadly predictable thing happened to Canton's Farmland Preservation program when township officials finally computed its cost: Its former supporters dropped it like a hot potato.

Why? For political mileage in the election year.

Township planners have estimated that four mills will be needed to pay for the program, and the request to boost the tax rate will be on the November ballot.

Now, in these days, as taxpayers itch to take a meataxe to government, few politicians are going to come out in favor of nearly doubling the township's tax rate.

Nevertheless, the former supporters of preserving farmland pushed many of the studies which made the development rights proposal a reality. So they shouldn't be so quick to flee their former roosts.

If the program makes sense, the candidates who said they favored preserving farmland, Jim Donahue, Carol Bodenmiller and Robert Greenstein should be willing to keep the faith. And in the long run, the program will probably save taxpayers money. Although the taxes are high at first in order to buy the development rights, in time, taxpayers are expected to save money by not having to build sewers, roads, schools, etc., in the preserved area.

But what's a little common sense worth in an election year? Not much when politicians smell votes.

# Teens: think about bus drivers' responsibilities

EDITOR:

Dear Restless Teenagers --

You are going through the most difficult years. You want to be treated as an adult and want the responsibilities of an adult.

We, the Bus Drivers, are concerned for you. We raise our voices and constantly repeat our simple requests. However, you may consider us as another adult putting you down.

You do make unreasonable demands upon us as individuals, such as, walking along the roadway/streets, being late to the bus stop and taking a

short-cut, not looking when you walk out into traffic -- between cars or school buses at the high schools.

We, the drivers, do not have nerves of steel nor hearts of iron. Most of us are mothers and realize our heavy responsibilities concerning our precious cargo -- future adults.

Please think before you walk a roadway/street and especially when it is dark. You must see us, but we cannot see you.

Plymouth-Canton Community Schools SCHOOL BUS DRIVERS

LINING UP TO WAIT. Drivers approaching the intersection of Joy and Canton Center Roads need an extra dose of patience to wait out the traffic congestion there every day because of poor scheduling at Centennial Educational Park. (Crier photo by Steve Settles)

## CEP shuffle

# Board members should lead

During elections, local decision-makers can provide information to make choices more clear for voters.

At last Monday night's Board of Education meeting, President Tom Yack presented a report from the Michigan Association for Improved School Legislation recommending a "no" vote on the Tisch, Headlee, and voucher proposals facing voters on the November ballot.

The board accepted Yack's report, but failed to take a position on either of the three proposals itself.

According to the Wayne County Office of Corporation Counsel, a closer examination of the Tisch Amendment shows the Plymouth-Canton schools would lose \$8,720,010 in operating revenues if the proposal is approved.

Can the Plymouth-Canton

schools absorb such a decrease in operating funds?

Where will the cuts take place?

The Board of Education will face these unpleasant decisions if it fails to make voters aware of the results of adoption of these proposals.

However prevention is the best medicine and before the election, the board can provide leadership in helping make the choices crystal clear for voters

in November.

I think it is the responsibility of the Board of Education to inform concerned parents and taxpayers with specific details on how the Tisch, Headlee, and voucher proposals will affect the Plymouth-Canton schools.

Whether the proposals are rejected or adopted, the ultimate choice still rests with the voters.

## Pig in a poke

# bites Twp. back

You get what you pay for.

That adage should be firmly lodged in the minds of Plymouth Township officials who are complaining about recent criticism they're receiving from an "expert" they hired.

One hates to remind the Plymouth Township Board that "we told you so," but if the board recalls, it was soundly warned it was buying a

pig in a poke when it commissioned Tom Fidge to review and update township personnel policies and practices.

Now that Fidge has found some concerns and expressed them, township officials are screaming bloody murder.

What did they expect?

Without even going into the inadvisability of hiring the husband of a township trustee (who happens to be locked

into political rivalry with the township administration), hiring Fidge without a better idea of what the township was getting for its money was shortsighted.

It may be a bitter pill to swallow, but the township board wrote its own prescription and must now take its medicine.

Instead of accepting Fidge's recommendations for whatever they're worth and using them to make improvements (just as the township's auditors' advice is taken), the township administration is taking the criticism personally.

And now the administrators are criticizing Fidge for being unprofessional in his approach. This, of course, leaves the obvious question of why the board hired someone it feels is less than professional in the first place.

The more the administration cries foul, the worse it looks for them having spent \$1,000 of township money. It would be better off for the township, at this point, to accept Fidge's report, use what of it is valuable, and say nothing else.

After all, the township board got itself into the stew in the first place.

# Tales of high adventure promised in travel series

BY CHAS CHILD

George Pierrot lovers, here's your chance.

The fascination of faraway places -- Africa, Columbia and Japan -- will be brought to Plymouth-Canton with the Travel and Adventure film series sponsored for the second year by the Kiwanis Clubs of Plymouth.

"High Adventure in Central Africa," filmed and narrated by Ron Shanin, starts the series at the Salem High School auditorium on Wednesday, Oct. 18.

Next is Romain Wilhelmsen's Adventure in Columbia on November 15, while Bill Kennedy extends a "Welcome to Ireland," on January 17.

"America on Parade," featuring scenes of the United States will be shown by Robert Brouwer on Feb. 21, and Earl Summers's "Faces of Japan," will be presented March 14.

The series will end with "The Colorado Capers," a scenic look at the Centennial State by Hoard and Barbara Pollard on April 18.

All the travelogues are personally filmed and narrated by the hosts. Each show will start at 8 p.m. sharp.

Tickets for the entire series will cost \$10, while for senior citizens, the price is \$8. A series ticket admits the bearer six times throughout the season. That is, he may go once to each show, bring a friend to three shows, or admit himself plus five persons to one show.

Tickets for single performances are \$2, and can be ordered from Plymouth Kiwanis Foundation, PO Box

449, Plymouth, Michigan, 455-5100; Joe Crowther, 455-48170. Tickets may also be ordered from Harold Fischer, 455-5100; Joe Crowther, 455-6350; Tim Yoe, 453-6280 or Jim Case, 455-7938.

# New Rec. Supt. Mike Gouin looks ahead to bright future

BY CHAS CHILD

Canton's new Superintendent of Recreation has big plans for the township.

"I would like to see adult volleyball and basketball leagues, programs for handicapped persons, as well as dramatic arts activities," said Mike Gouin, who started last Monday in his new job.

Gouin, 35, came from the City of Wayne, where he was Recreation Co-ordinator, the No. 2 position in the department.

"Canton has come a long way in some areas," said the new superintendent. "For example, its senior citizens program is excellent. The youth athletic activities are

also good.

"I want to work with the Plymouth-Canton Junior Athletic Association and if they need any help, I'd be glad to provide it," he said.

The township's biggest need is facilities, said Gouin. "We have the small recreation building on Michigan Avenue, but the schools are booked solid." He said he looked forward to the day when Canton can build its own recreation center.

Overall, recreation should include many more activities than just sports, he said. "I want to have a program for everyone, young and old," said the superintendent. "Canton is an affluent area and

things like a youth theater should be very well received."

One-time activities, such as egg hunts, youth days and summer festivals are other non-athletic events which Gouin said he will encourage in Canton.

"Right now, I'm trying to get a feel of the community and discover what the people here want," he said. "I welcome suggestions and ideas from anyone in Canton."

A native of Wayne, Gouin is well-known as one of the mainstays of the World Champion Detroit Caesars professional softball team.

In the recently completed season, Mike was third on the squad with a .603 average, and he contributed 30 home runs.

Despite his dedication to softball, Gouin said his job comes first. "We play all our games on the weekends, so I won't miss work. On the Friday night games, I'll stay here and miss batting practice," he said.

In addition to the many activities Gouin foresees for Canton, he said "passive" programs are just as important.

Places where Cantonites can go for a picnic or bicycle ride are just as important as organized events, he said. More land will probably be needed for this, and Gouin said he wants to plan property purchases in the future.

"I don't want to move too fast, though, in all of these ideas," he said. "I want quality as well as quantity."

# Legal questions raised by farmland proposal

*Editor's Note: This is the last in a two-part series on Canton's Farmland Preservation Program.*

BY CHAS CHILD

Canton Township will likely be sued if it proceeds with its Farmland Preservation Program.

That's the opinion of Township Attorney Bert Burgoyne, who said that the program is "at the frontier of the law."

As proposed by township officials, the plan calls for buying the development rights of about 5,100 acres in the western half of Canton.

Under the proposal, the landowner would still hold the title of his property; he simply couldn't develop his land or sell to a developer. The concept is similar to mineral rights.

Voters will be asked in November to raise their taxes four mills to pay for the program. The mills will raise approximately \$16 million over a 20-year span.

The basic legal problem with the preservation proposal is that state law does not provide for the sale of bonds to purchase the development rights, Burgoyne said.

"Buildings, sewers, land and many other things are stipulated in the statute, but not development rights," he said.

An obvious reason for the omission is that the concept of development rights is relatively new. No other municipality in Michigan is proposing such a preservation plan.

However, the statute does say that bonds can be sold for "public improvements." Whether development rights would fall within this general term is unclear, said Burgoyne.

To solve this problem, Burgoyne recommended that the township attempt to amend the bonding statute to include specific reference to the purchase of the rights.

"I would be in Lansing the next day if the voters approved the millage," Burgoyne said. "It might take two or three years to change the law, but it could be done."

Finance Director Mike Gorman has said that it would take three years after the program is approved by voters to purchase the rights of the

first piece of property, in any case.

Another change in the law would help the township also, said Burgoyne. Like the bonding statute, no specific mention is made of development rights in the law which spells out the purposes for which townships can condemn property.

That is, if the development rights of some parcels aren't given up voluntarily, can the township acquire them via eminent domain? Again, the law is vague, and Burgoyne recommends new legislation.

If the township persuades the legislature to change the laws governing the sale of bonds for the purpose of

buying development rights, Burgoyne said that the township would be free to implement the program.

Citing legal precedents where states were permitted to acquire scenic land next to highways, Burgoyne said that simple purchase of the rights is constitutional.

Moreover, the township attorney said that one approach to preserving the land would be to buy "well-situated public parks throughout the township and then acquire scenic easements, as large as possible, abutting the township's parks, for the purpose of protecting the parks from encroachment, and abutting the public

thoroughfares."

Although the development rights plan does have weaknesses, it does have some legal legs to stand on, said Burgoyne.

"Landowners or developers

might say that we are being confiscatory if we prevent them from developing their land," he said. "But if we offer them fair payment for the development rights, they would be justly compensated."

## Security lighting has always meant "Glad to be home?"

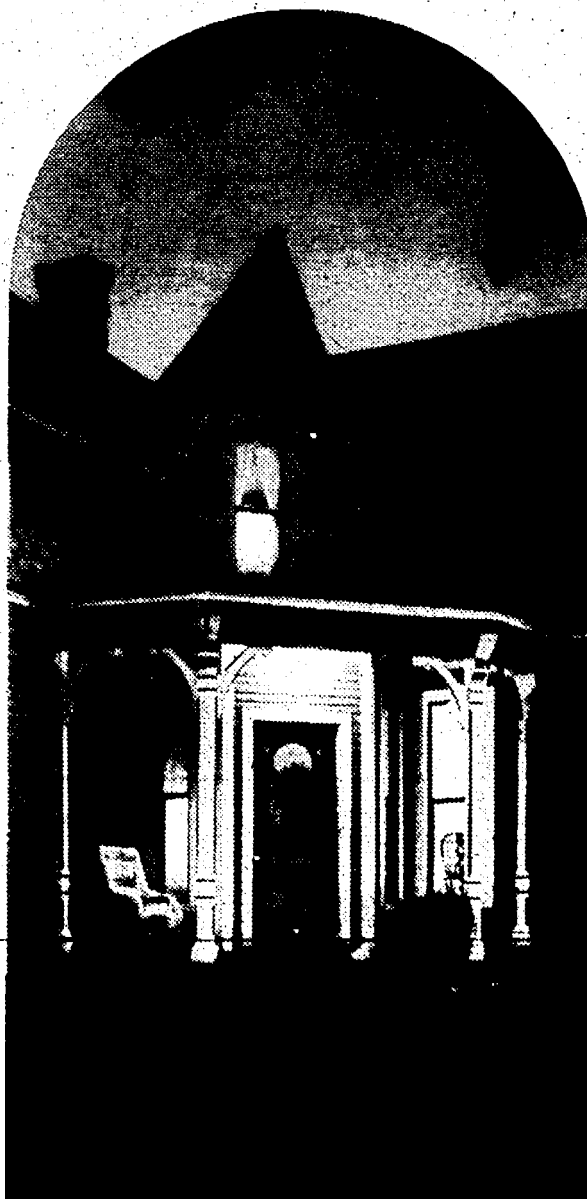

Seeing the lights on, waiting for you to arrive home after dark, has always been a welcome sight.

And when you're at home, lights can give you a feeling of security.

In the old days they didn't call it security lighting. But that's what it was. Because lights at night have always offered safety and protection.

Today you have a wide choice of security lighting. Including electric post lanterns for your front and back lawns that operate only from dusk til dawn. Floodlights to light your driveway and garage. And garden lights that not only protect, but add new dimensions to outdoor living.

Even the lights inside your home can be part of your security lighting system and, with automatic controls, can give your house a lived-in look when you're away.

Security lighting costs less than you might think. Neither energy nor dollars are wasted when your system is automatically controlled with timers or photoelectric cells to go on only when needed.

Detroit Edison can help you plan energy-efficient security lighting for your home or business. Call or stop in at any Detroit Edison Customer Office.

Security lighting. It's a bright idea that's come home.

Save where it really counts. The power is in your hands.

## Romp in the fields

This is a great time of year to tromp through fields and marshlands looking for just the right things to make that special dried flower arrangement. It's also a great way to get your pant legs covered with burrs and a shoe full of mud.

Members of the Pilgrim Garden Club took their chances with bees and allergies and took to the fields in search of dried flowers to use in arrangements for their up coming plant sale boutique.

The plant sale will be held in the Edison Mall on Friday, Oct. 20 from 6 to 9 p.m. and Saturday, Oct. 21 from 9:30 to 5 p.m. They will offer many kinds of plants and gift ideas at the boutique.

The garden club board members were officially installed at a dinner meeting last Thursday evening. The new officers are Dianne Bodell, president; Nancy Chapman, vice president; Donna Sarrach, treasurer; Nancy Zelek, secretary. Committee chairwomen for this year are Cheryl Gibbons, awards; Carole Brooks, books; Antje Wolf, community projects; Jan Dersey, historian; Kathy Darling, horticulture; Mary Jane Theobald, hospitality; Suzi Coker and Sharon Rucinski, membership. Lynn Deahl, newsletter; Dianne Bodell and Nancy Chapman, plant boutique; Nancy Chapman, program; Antje Wolf, publicity; Jeanelle Corbin, telephone; Mary Streeter, ways and means; Sue Dividock, workshop and field trips. Lynn Deahl, yearbook; and Dianne Bodell and Sharon Rucinski, library.

The Club's main projects for this year are the continuation of beautification of the library, begin a program of working with the aged in nursing homes.

Pilgrim Garden Club also has interest groups which meet regularly. The African Violet group and outdoor gardening and herbs are just a few examples.

## Slide show focuses on farmlands

Canton Township residents who want to learn about the Farmland Preservation Proposal may attend slide show and question and answer sessions scheduled during the next month.

Also, other organizations than the ones listed below who want a presentation of plan are encouraged to call Township Planner James Kosteva, 397-1000, ext. 220.

"Homeowners Associations are especially welcome," Kosteva said.

On the November ballot, Canton voters will be asked to raise the limit on the number of mills that can be levied by the Board of Trustees from five to nine.

The money raised - ap-

proximately \$16 million - will buy development rights of about 5,100 acres of farm and open land in the western part of the township, according to the plan.

Following is a list of scheduled educational sessions:

Oct. 5 - Rev. Jeff Goldsmith, Geneva Pres. Church and League of Women Voters; Oct. 6 - Ridge United Methodist Church, 7:30; Oct. 11 - Canton Chamber of Commerce (full membership) 7:30 p.m. Recreation Hall; Oct. 12 - Farm Bureau & Rural Residents, 128 Canton Center 8 p.m.; Oct. 17 - Royal Holiday Park Senior Citizens, Warren Avenue Club House, 1 p.m.; Oct. 17 - Sunflower Association 8:30 Plymouth

Canton High School Cafeteria, J. Cheske; Oct. 18 - General Public Meeting, 7:30 to 9:30 p.m. Plymouth Canton High School Auditorium; Oct. 19 - St. Michael Luthern Church, Sheldon Rd., Senior Citizens, 1 p.m.; Oct. 19 - Jaycees, REcreation Hall, 7 p.m.; Oct. 19 - Church, Pioneer School, Daryl Bell, Peoples Comm. Church, Warren at Beck (Pickwick, Mayfair & Sunflower Sub.); Oct. 20 - Senior Citizens, Recreation Hall, 1 p.m.; Oct. 25 - League of Women Voters/American Association of University Women, Candidate Night, New Township Hall, 7:30 p.m.; Nov. 1 - Public Meeting, 7:30 p.m. New Township Hall, 1150 S. Canton Center Rd.

WOMEN OF PLYMOUTH. Recently elected officers of the Womens' Club of Plymouth are (from left to right): Fran Land, president; Mary Ellen Kenyon, director; Carolyn Loesch,

first vice-president; Marge Kidston, treasurer; Barbara Pray, corresponding secretary; Elizabeth Holmes, recording secretary; and M.J. Willette, director. (Crier photo by Bill Bresler.)

## Fairy Tale wins 3rd annual contest

BY CHAS CHILD  
 Yesterday's flyers are today's fryers. Such was the fate of at least one magnificent flying chicken, anyway, after Plymouth's third annual chicken flying contest Sunday. Eddie Rickenchicken, who failed to live up to its sponsors boasts, was served with dumplings to the folks at Don Massey Cadillac and radio station WCAR, for lunch on Monday.

Three chickens, however, left their sponsors eggstatic. Fairy Tale, owned by the Stars Wars Club of Plymouth, winged 125 feet from the starting perch to win the Fowl Festival's top price of \$200.

The capon capers were witnessed by about 5,000 persons who lined Main Street in downtown Plymouth (Ply-beak?) to cheer their favorite. It looked as though Chicko-slovakia, not colonial Plymouth, provided the inspiration for the town.

Fleebus Orbus Et Tu, sponsored by Ronald Myers, was awarded second place by the judges with a flight of 71 feet. Saxton Garden Center's Weed Eater flapped 49 feet, 2 inches, to take third place.

Judging the poultry efforts, were Dunbar (nyard) Davis, George Bowles, and Virginia Sobotka.

Bill Saxton's third grade finish earned him an all-expense trip to Fowlerville for a weekend visit, a local Jaycee.

Overall, 108 members of the species Gallus Domestica took to their, some eagerly, most reluctantly.

Fowl honor was not on the line in just the chicken flying. In the contest for best float in the parade which preceded the chicken flying, the Penniman Avenue Shops won the \$100 first-place prize. Entitled "Gone with the Chicken," the float was complete with characters, scenery and authentic costumes (Tara feathers?).

The Hillside Inn won an honorable mention with its float depicting a chicken coming out of an egg with costumed characters. American Airlines and Chevrolet Division, won honorable mentions, also.

Also, the Elm Street Ella float won a special award for most spectacular.

The event raised about \$3,700 for its sponsor, the Plymouth Chamber of Commerce.

KIRK LORENZ and The Crier Flier, "Tabloid," have a fowlsophical discussion at the starting gate. "Tabloid" flew a negative three inches.

PICTURED ARE: (clockwise from upper left) two musicians atop the Mayflower Hotel taxi; "Hoben's Heroes" representing the Plymouth-Canton School offices; Ken Garret (the official parade marshal); Joan Gerigk, celebrating at the Fowl Ball following her surprise crowning as next year's Fowl Fest Queen; chicken catchers and their runaway charges; the U.S. Army Reserve entrant and keepers; (center) the youngest entrant in the chicken flying race, A Good Egg.

# Attorney feted for 50 years of service

Attorney Perry Richwine of Plymouth was honored Thursday for his 50th year in practice by State Bar Association.

The party at Detroit's Renaissance Center honored about 100 attorneys who have practiced law for 50 years.

A graduate of Detroit College of Law, Richwine opened his office in Plymouth on May 9, 1928. "It wasn't a

great time to start practicing, since the Depression hit the next year," said Richwine.

"During the Depression, we were paid in eggs, vegetables, strawberries on many occasions," he said. "There wasn't much cash around."

Over the years, Perry said he had had more than 5,000 new clients. "And I'm still taking more, I have no plans to retire."

PERRY RICHWINE

# Stein still wants choppers for Canton

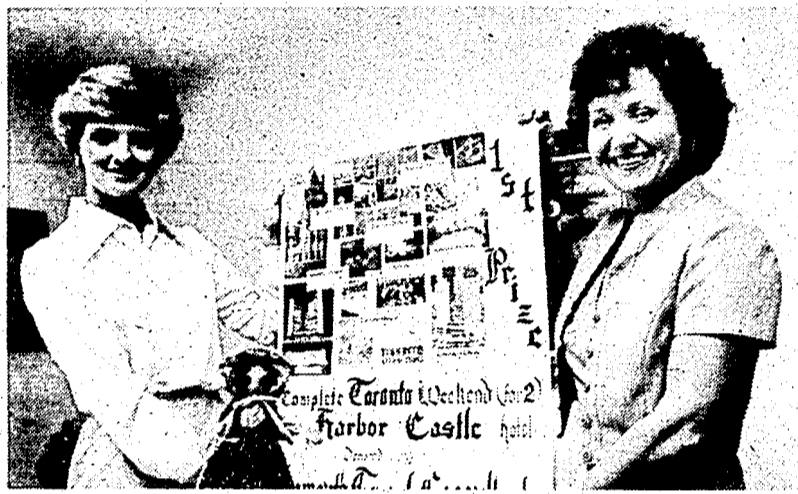

Canton Supervisor Harold Stein said Monday that he still plans to purchase three surplus helicopters, despite revelations that they must be operational within one year or returned to the federal government.

Stein originally claimed that Canton had five years to find funding for the choppers and if they weren't in the air at that time, they could be sold for a profit.

"They changed the rules," said Stein. "But if you don't give the program a chance, it'll never go."

On Monday the supervisor said he was going to announce new plans for a helicopter program at last night's Board of Trustees meeting. "I can change my game plan," he said. "There is a way to go."

Answering the critics of the purchase, Stein said, "Those persons never tried to educate themselves on the merits of the program."

# Fidge answers critics

Tom Fidge, who was hired by Plymouth Township to review personnel practices of the township, has countered charges made by three township officials.

Fidge was criticized by Supervisor Tom Notebaert, Clerk Helen Richardson and Treasurer Joe West for alleging that township personnel policies were lax and that employees could be getting paid or work not performed.

The report which Fidge has been compiling was presented to the board in June where several charges were made but has not been submitted

in final form. In the report Fidge, the husband of township trustee Lee Fidge, said many policies and record keeping procedures of the township were not properly controlled.

Notebaert, Richardson and West sent a letter to Fidge last week accusing him of trying to discredit the township administration and asked for a public apology.

Responding to the officials, Fidge also asked for an apology. "The severity of your comments compels me to demand from you a public retraction," Fidge said.

"Your expression of my 'intention of injuring reputations' is a direct attack on my character and reputation and is totally false," Fidge said in a letter to the officials.

## Rocks slaughter Belleville, 66-0

BY ERIC OLSON

Belleville got its bell rung Friday night.

Sixty-six times in all, as Salem gridders destroyed Belleville 66-0.

Belleville came into the game with an 0-3 record, but Rock head coach Tom

Moshimer warned his team not to take them lightly. As it turned out, Moshimer need not have worried because the contest was never in doubt as Salem rolled to three first quarter touchdowns to lead 21-0 at the end of one period of play.

The Rocks added two more touchdowns in the second quarter to increase their bulge to 33-0 at half time.

Quarterback Rich Hewlett again directed the Salem wish-bone offense almost flawlessly as he ran for three touchdowns and passed for another in

route to his best game of the year statistically.

For the game, Hewlett had 113 yards rushing on five carries, which averages out to a whopping 22 yards per rush. He also completed the only pass he attempted, a 62-yard touchdown toss, to Rich Hanschu.

The Rocks now seem to be rolling, since squeezing out a 10-7 win over Dearborn in their second game on the year as they have now outscored their opponents 101-6 in the last two games.

The victory lifted Salem's season mark to 4-0 and their Suburban Eight mark to 3-0. Salem shares the top spot in the league with Trenton and Farmington Harrison, which both kept pace with wins. (Trenton whipped Livonia Bentley 41-0 and Farmington Harrison squeaked past Walled Lake Western 20-13.)

The Rock's first score came with 10:53 remaining in the first quarter when Hewlett hit Hanschu with the 62-yard TD bomb. Hewlett accounted for two more scores in the period on runs of 32 yards and 53 yards. Hanschu converted all three of the extra points to make it 21-0.

With 9:10 left before the intermission Hewlett capped a 25-yard drive as he went over from the one. Hanschu ended the first half scoring (with 6:31 left) as he raced 32-yards into the endzone to finish off an eight-play, 71-yard drive.

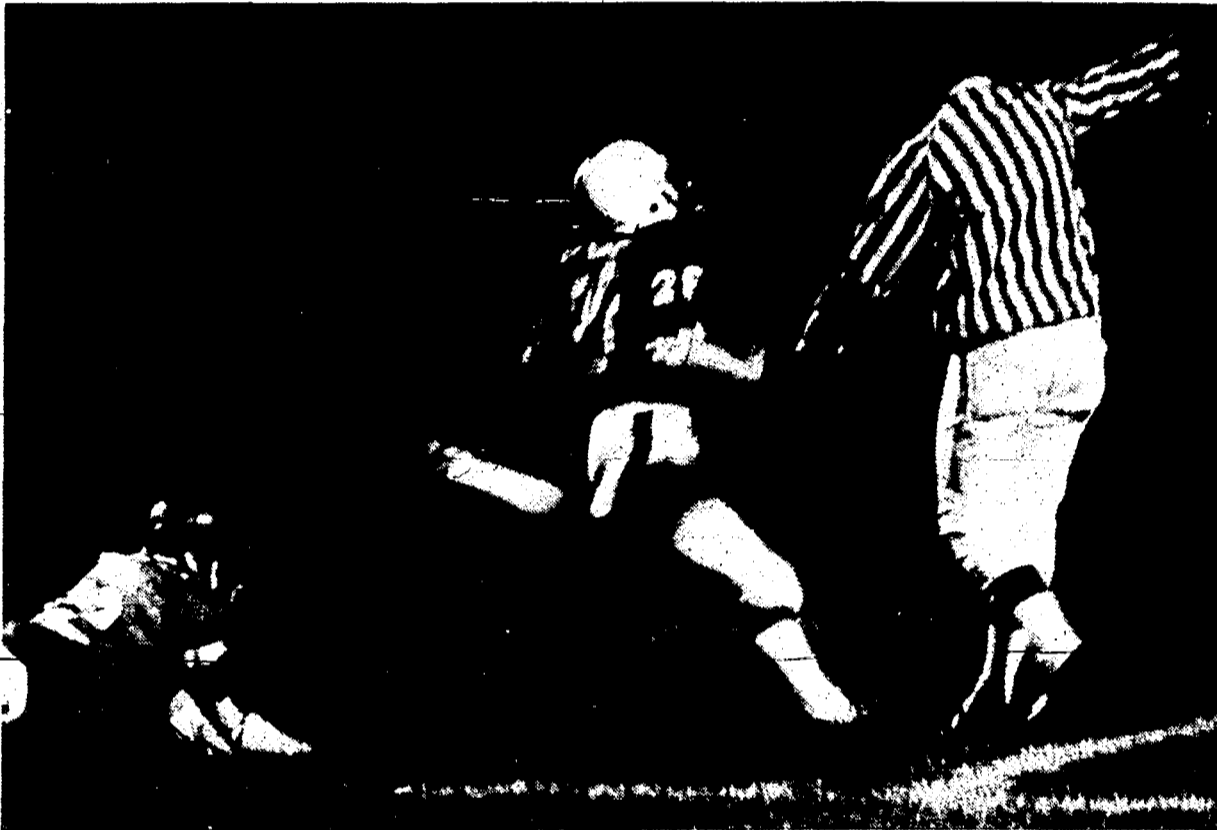

Halfback Craig Stack opened the third period scoring on a 39-yard gallop, after which Moshimer began to substitute freely as Salem lead 39-0.

Reserve halfback Jim Daratony got the next Rock six pointer on a 13-yard run following a fumble recovery.

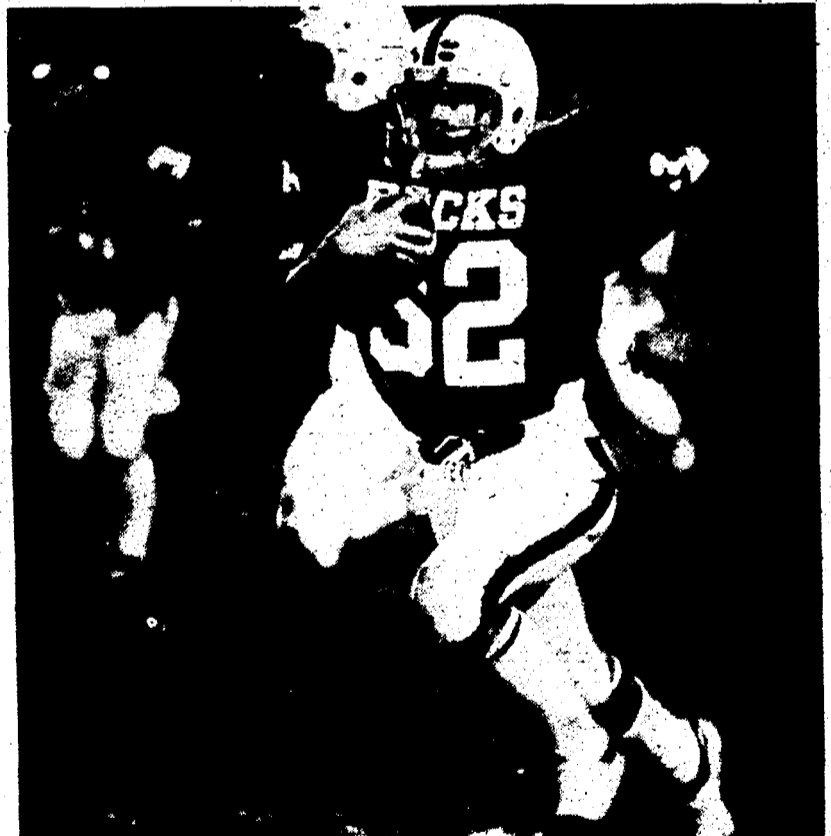

In the fourth quarter, the Rocks again tallied three touchdowns. Fullback Phil Anderson scored the first on a 15-yard sprint with 11:23 remaining in the game. Then, cornerback Sam Merrill made the defensive play of the game as he intercepted a Belleville pass and raced 50-yards with it for a TD.

And with just 32 seconds left Jim Anderson hit split end Dennis Ogden with a 33-yard TD strike to complete the scoring. The Rocks also had a safety in the fourth quarter.

Cont. on pg. 22

TOUCHDOWN. Jim Daratony (No. 28), Salem halfback scores his first TD of the season in Friday night's 66-0 rout of Belleville. (Crier photo by Bill Bresler.)

SAM MERRILL (No. 32) of Salem races down the field against Belleville. Merrill's 50-yard TD run after an interception was a highlight of the game. (Crier photo by Bill Bresler.)

and from as far west as California. Admission is \$1 for adults and 50 cents for children. Novice skaters will enjoy the dance exhibition that will be given at approximately 7 p.m. Sunday evening.

In penalty filled game

# Chargers stomp Canton, 26-14

BY PATTY RADZIK

Opposing coaches don't usually see eye to eye after a football game. No so, Friday night, however.

Head Coaches Dave Schuele of Canton and Ken Kaestner of Livonia Churchill were both disgusted with the officiating.

"It's the worst football game I've seen in my 21 years

of coaching, Kaestner said. "The end of the game was like watching the Ali-Spinks fight."

Schuele echoed Kaestner's remarks: "The officiating was terrible. When both coaching staffs say that - it's bad."

The cause of the bitterness aimed at the men in the striped jerseys came from a rash of

penalties and a breakdown in discipline in the fourth quarter. Canton alone was assessed 12 penalties, and three Chiefs and one Charger were ejected after they were called for personal fouls.

After the dust settled in the game, Canton was handed its second straight loss of the season, as they bowed to the Chargers, 26-14.

"They let the game get out of hand and they thought by throwing four people out they were putting it under control," said Schuele. "It hurts. I think we played very well. We played hard and came back. Churchill's a fine ball club. It's just unfortunate about what went on."

The Chargers scored twice in the first quarter to put Canton in a hole.

Four minutes into the game, Quarterback Rick Coppola of Churchill passed to Rick Zaborowski, who caught the 24-yard pass sitting down in the end zone.

Churchills' next score was set up when an onside kick was fumbled by Canton. After nine plays, Coppola ran it in the needed nine yards himself. The Chiefs were only able to make four plays before the first quarter ended.

Less than three minutes into the second quarter, however, Canton got on the scoreboard. Bob Hamblin did the honors, running 16 yards for the six points. The touchdown was set up by quarterback Scott Dawson's 30-yard pass to Mike Mullen.

Churchill who are ranked ninth in the state got nowhere with the ball for the third time in the game. Cantons' defense did the best job it did all night.

With only four minutes left before the half, Canton started a drive which appeared to be heading toward paydirt.

With 30 seconds to go, Rusty Mandle caught a pass on fourth and 11 to move the Chiefs within nine yards of the

goal line. Mandle again was called upon to receive a pass, this time dropping it in the end zone. Trying again to score, Dawson's pass was intercepted in the end zone to end the half.

In the third and fourth quarters, Canton watched as Churchill scored two more times; Coppola running both in for a total of 24 yards. An incredible pass was used to set up the second score of the half as Mark Leidholdt caught a 54-yard bomb.

The Chiefs scored once more when Bill Van Hoose ran over the goal line from 7 yards out. Rusty Mandle then ran in for the two-point conversion to end the scoring.

Canton's next game is this Friday, against Waterford Mott. "Mott is a good-sized ball club," Schuele said. "They are a little on the slow side. Everyone has to play an excellent game because we are not large. It has to be that way in every game."

OOPS! Steve Gray can't seem to find the handle in Friday's 26-14 loss to Churchill. (Crier photo by Bill Bresler)

## Salem rated No. 3

The first coaches golf association poll of the year came out a week ago today and the Salem linksters had cause to celebrate as they were ranked third among the class A high schools.

And with a 157-171 trouncing of Dearborn Edsel Ford on Thursday the Rocks' lofty position appears safe. The win lifted Salem's dual meet record to 8-0 on the year.

"It is a great honor for us," commented Coach Bob Waters on the No. 3 ranking. Defending state champion Birmingham Brother Rice was the No. 1 squad.

Against Edsel Ford, Craig Stevens, Rob Jarvis, and Ed Heidt each fired 39's to lead the Rocks to their third Sub-8 win without a loss.

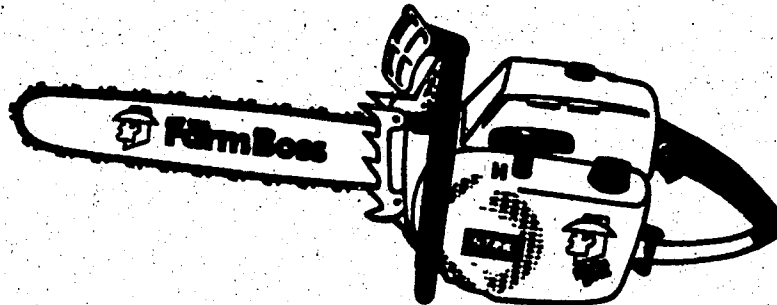

In the Plymouth Best Ball Tournament, Salem did not fair as well as they finished 11th in a field of twenty-six teams.

The teams of Stevens and Jarvis (74) and Ed Thomas and Blake Lundberg (79) were the low scorers for Salem as they combined for a team score of 153.

"I'm not trying to make excuses," said Waters, "but one of our starters was stung by a bee (Ed Thomas) and we didn't putt very well."

## BONUS! Fall Sale!

### WE HAVE THE FARM BOSS® AND IT IS A STIHL.

#### IT STARTS EASIER.

Because of a hotter spark, better carburetion and a flood-free design.

#### IT'S MORE RELIABLE.

Because it has longer-wearing moving parts that won't break down.

#### IT'S MORE POWERFUL.

Because it has the biggest power-to-weight ratio of any popular saw.

#### IT'S QUIETER.

Because its large, baffled muffler is more than just a tin box.

#### IT COSTS LESS.

Because a saw that'll last about twice as long will only cost about half as much.

#### IT COMES WITH A BONUS.

Over \$30 worth of free accessories including a spare cutting chain really make the Farm Boss a Stihl.

# Real Estate

BY WILLIAM DECKER

REALTOR

### MOMENT OF TRUTH

The situation is this. Husband is transferred to a new job a great distance away. The family decided to sell their home. If it is not sold prior to the husband's departure, should the wife and children remain behind or accompany him to the new location and try to sell an empty house?

Speaking as a REALTOR - not a marriage counselor - I must advise that the choice will be a matter of finance versus emotions. Why?

Experience shows that an empty house is tougher to sell and brings less money. A house devoid of furniture loses its charm and appear-

ance of livability. Scars and blemishes show up. Empty rooms look smaller without furniture.

On the average, an empty house will bring about 5 to 6 percent less. In some cases, discounts of up to 10 percent are not unusual. Also, selling time is longer for an empty house despite the paradox that the buyer can move in almost immediately.

\*\*\*\*\*

If there is anything we can do to help you in the field of real estate, please phone or drop in at REALTY WORLD, Wm. Decker, Inc. Realtors, 670 S. Main St. Plymouth. Phone: 455 - 8400. We're here to help!

SHARON ROSS shows her 100-yard butterfly stroke in Thursday's home meet against Belleville which Salem won 101-71. (Crier photo by Bill Bresler.)

## Rock swimmers win two

The Salem girl's swim team won its second and third meets of the season last week, defeating Redford Union and Belleville by identical scores of 101-71.

In the R.U. pool, the Rocks finished most of the events in first place. Natalie McClumpha tallied up 155.5 points to nab a win in the diving competition.

The foursome of Jill McCann, Karen Kohler, Sharon Ross and Sarah Stanwood, placed first with a time of 2:06.4 in the 200-yard medley relay.

McCann also finished first in the 200 IM and the 100 backstroke with times of 2:30.5 and 1:07.9.

Kohler finished first in the breaststroke with a time of 1:22.4, while Ross came in first in the 100 Freestyle and

the 100 Butterfly, and Stanwood took first place in the 50' and 100 freestyle races.

Kim Coates won the 500-yard freestyle event with a time of 6:20.3, then teamed up with Renee Lakatos, Sue Sparling and Kelly Brandt, as they won the 400 freestyle relay race.

Against Belleville, the Rocks first league meet, McCann, Kohler, Stanwood and Ross got together again and won the 200 medley relay race.

McCann then set a new team record and qualified for the state meet, as she won the 100-backstroke in 1:06.4. She also placed first in the 50 freestyle with a 27.6 time.

Karen Kohler won the breaststroke in a 1:20.5 time. Sue Evans followed right behind, coming in second, two seconds later.

Stanwood came in first in

the 200 IM with a 24.3 time, while Ross finished first in the 100 butterfly and 200 freestyle. Renee Lakatos came in second in the 200 freestyle. She also placed second in the 100 freestyle with a 1:03.1 time.

In 4:40.7 Kelly Brandt, Linda Frazee, Linda Wochna and Cathie Green came in second in the 400 freestyle relay race.

Natalie McClumpha took second place in the diving competition with a high total of 185.55 points.

"Everybody swam much better," said Coach Chuck Olson. "Things are looking up."

The Rocks have this week off, having only to practice for the Oct. 7 Redford Union Relays.

The next scheduled meet for the girls is on Oct. 10

## Chief tankers prepare

Canton girl swimmers have a lot of fortitude and will try to swim their best, predicted Coach Anne Massey in estimating her team's performance at the Redford Union Relays on Saturday, Oct. 7.

Coach Massey hopes to place sixth or seventh out of the 12 teams entering, but she says the team may be in over its head against teams like Bloomfield Hills, North-

ville, and Stevenson.

"They've got girls who have been swimming competitively for five or six years and they've developed depth that's hard to beat," said Massey.

Meanwhile, the swimmers splashed to two victories last week over Thurston and Churchill, and also set new pool records.

Against Thurston on Tuesday night, the girls tallied 98 points to their 74 and

Canton swimmers placed first in all 11 events.

Canton swimmers recorded the following times in these events: 200-yard medley, Cindy Shelanskey, Kim Massey, Lisa Forsythe, and Missy McMurry, 2:10.0; 200 freestyle, Mary Reardon, 2:22.0; 200 individual medley, Forsythe, 2:29.6; 50 freestyle, McMurry, 0:30; 100 freestyle, Julie Stratton; 100 butterfly, Massey, 1:02.4; 500 freestyle, Reardon, 6:30.5; 100 backstroke, Shelanskey, 1:09.4; 100 breaststroke, Forsythe, 1:23.4; 400 freestyle relay, Shelanskey, McMurry, Reardon, Massey and diver Jamie Zuverink tallied 153.5 points during the diving competition.

On Thursday night, Canton swimmers set four new team records, and boosted their overall record to 3-1 by churning to a 108-63 victory over Churchill.

Record breakers were: Lisa Forsythe in the 200 yard individual medley, 2:25.7 and in 100 butterfly, 1:07.0; and divers Jamie Zuverink and Chris Wennerberg totaled 175.9 and 172.45 in diving competition respectively.

## Canton golfers seek to break three team hold

BY PAT BARTOLD

After tallying two wins and five losses this season, it's evident Canton golfers haven't shot their best games.

Three teams dominate the Western Six League - Northville, Waterford Mott and Harrison, said Coach John Crosson and he admitted those teams were hard to beat.

Canton golfers depend on a starting line-up of juniors Dave Visser, Tom Matthews, Scott Adler, Kirt Rasmussen, and

Dave Urfa, and sophomore, Doug Moffatt.

"We hope to win at least once more," said Crosson.

Team scores have included: Churchill-211, Canton-216; Harrison 192, Canton 216; Walled Lake Western 206, Canton 211; Waterford Mott 192, Canton 228; Northville 192, Canton 205; Bentley 158, Canton 165.

In their first game of the season, Coach Crosson said that they beat Churchill by four strokes in extra holes.

# Netters trip Trenton, 5-2

BY PATTY RADZIK

The Salem girls' tennis team kept in contention for the Suburban Eight League title the past two weeks, as they made a clean sweep of all their opponents.

The Rocks strengthened their record to an impressive 6 and 0, with an emotion filled 5-2 victory over Trenton. It marked the first time in four years that Salem had defeated Trenton.

No. 1 singles player Becky Crespo was forced to split sets as she won, 6-4, 4-6, 6-3. Kathy Horton, the No. 2 singles netter, also won her match in split sets, 6-3, 0-6, 6-3. Betsy Moon suffered her first loss of the season, 5-7, 4-6. The fourth singles player on the roster, Renee Braun, won in straight sets, 7-6, 6-1.

The No. 1 doubles team of the Hathaway sisters, were outplayed in their match and lost 4-6, 1-6. Partners Laurie Smith and Kathy Weber played their best match of the season and were victorious, 7-6, 7-5. Number 3 doubles Kathy Somers and Vicky Sterling remained undefeated, winning 6-3, 7-6.

"It was a very sweet victory," Coach Janet Lawson said of her team's win. "We were pressed, but the girls went out and got it."

Participating in the Ann Arbor Huron Quad meet with Huron, Dearborn and Flint Carmen, Salem won its matches against all three schools, but finished second

because of the way the meet was scored.

Ann Arbor won with 28 points, Salem had 27, Dearborn with 14 and Flint ended the day with 13 points.

The Rocks' matches with Ottawa Hills and Edsel Ford were cancelled because of rain and will be replayed on Oct. 3 and 9. The girls were well on their way to defeating Edsel Ford when the rains came. "It was really no match," Lawson stated. "We handily won half way through the match."

Should Salem win the Sub

8 meet scheduled for tomorrow, the match with Edsel Ford will not be made up. If, however, the girls finish in a tie or in second place, the Edsel Ford game will be finished to determine the champion in the Suburban Eight League.

"This year we have the best chance to take the league," Lawson commented. "The team is playing very well. The Trenton match and the Quad meet proved that," Lawson said.

Regionals begin Wednesday, Oct. 13, in Ann Arbor.

## Rock harriers await Trenton challenge

BY ERIC OLSON

"I don't think Trenton can beat us on our own course," said Salem cross country coach Scott Dunson after absorbing a 30-25 setback in Thursday's tri-meet.

"They (Trenton) have a straight course and we don't," explained Dunson. "But I'm still a little disappointed that we didn't beat them."

However, the Rocks salvaged the day by whipping the third member of the meet, Allen Park, 41-16, as they had runners taking nine of the top 10 spots.

Against Trenton, Paul Hess

was the top harrier for Salem as he came in second in a time of 16:15. He was followed by: Dave Truesdale in fifth (16:44), Dave Rubadue in sixth (16:45), Kevin Waara in seventh (16:55), and Jeff Haretel in 11th in a time of 17:16.

Hess was individual winner in Tuesday's 30-25 victory over Churchill as he clocked in at 16:55. Rubadue and Truesdale followed in fourth and fifth positions, respectively.

Adding depth were Waara in seventh (17:49) and Haretel in eighth place with a 17:59 time.

## Basketball registration starts

Sign up for the Plymouth-Canton Junior Basketball Association at Canton High School on Saturdays, Oct. 7, Oct. 14 and Oct. 21.

PCJBA President Cindy

Merrifield expects about 1000 students from 3-12 grades and 225 adults to join the program as players, coaches, or referees.

She asked students to register early because it may be

necessary to limit the number of participants in the program. Even those students who plan to try out for a school team should register during those dates, and if the student plays school ball, he or she will receive a refund.

Registration fee is \$12 (except for boys "AAA" which is \$15) and the child should be accompanied by one parent during registration which takes place from 9 a.m. to 1 p.m.

The season starts on Oct. 31 and ends on March 3, 1979, and each boy or girl that registers will be placed in the team and play a minimum of eight minutes and not more than 24 minutes per game.

Merrifield is the first woman president of the PCJBA and she helped start the girls basketball program six years ago. She has six years' experience as a coach and member of the PCJBA Board of Directors.

The association stresses sportsmanship and knowledge of basketball on the court, and complete details of the program will be provided in an information handbook distributed at registration.

For more information call Ron Mack at 453-1400 (ext. 3466) during the day and 420-0557 at night.

The Salem Girls Basketball team rallied to beat two more opponents last week, boosting its overall record to 6-0 this season.

Carrying out an intense rivalry on the courts, the Rocks beat Redford Union 56-51. Guard and co-captain Nan Horwood chipped in 13 points, center Patti Weidman and forward Erin Moore each tallied 11, and forward Diane Goodrich scored 10 points to pace the Rocks.

On Thursday night, the Rocks beat Ann Arbor Huron 68-36, by taking advantage of the River Rats' weaker defense and shorter stature, said Lori Shannon team manager.

Center Patti Weidman scored 17 points, forward Doris Hoelscher tallied nine points, and guard Jan Boyd put eight points through the hoop.

The Salem cagers will meet Edsel Ford on Thursday, Oct. 5 in Ford country at 6:30 p.m.

## Substitutes win Canton rec golf

Don Johnson and Mike Roemer, playing for Dick Kraft and Tony Valenti, took three points from Gary Rehberg and Dan Riggs to win the second Canton Township Men's Golf League.

Don turned in the best round of the year in league play with a one under par 35. John Mogelnicki and Sam Natoli got three points from Bud Brock and Coleman Taylor to take second place.

Merph Eminger and Charlie Sheets took three and one-half points from Jerry Yuchas and Ron Hoffman to nail

down third place. Joe Pietryka shot the third best round of the night by posting a 39, also his best round of the year.

## TD explosion, 66-0

Cont. from pg. 18

On the evening Salem racked up 317 yards on the ground and 95 in the air for 412 total yards offense. Belleville was limited to 161 rushing and 64 passing.

Following Hewlett in rushing was Phil Anderson who had 59 yards on seven carries. Stack added 48 yards on three runs and Jim Anderson rushed

five times for 42 yards. J. Anderson also completed three of four passes for 33 yards and one touchdown.

Moshimer said, the 66 points was unofficially the most ever by a Salem team and the 66-0 score was also the widest margin of victory unofficially.

Salem's next game is at Redford Union with a starting time of 8 p.m.

## Ryan resigns as coach of Canton softballers

Joan Ryan, who coached the Canton softball team to the regional finals last spring, has decided to resign her position.

"I have decided to resign for various personal reasons," said Ryan in a statement on Monday, adding, "I just want a change."

Ryan, the Chief softball coach for the last four years, also said that no replacement has yet been named.

One of Ryan's coaching highlights came last spring when Canton upset Salem in the district finals.

# Canton tennis team edges Western for first victory

BY ERIC OLSON

Neither Mother Nature nor Walled Lake Western could prevent the Canton girls tennis team from winning its first match of the year.

The match, which began last Wednesday, had to be continued on Thursday because of rain, saw Western jump to an early 3-0 lead only to have the Chiefs bounce back to win 4-3.

Singles players Eileen McGlenn, Barb Ruppracht, and

Lori Smith all won. Smith and Ruppracht both won in straight sets at No. 4 and No. 3 singles respectively, while No. 2 McGlenn was victorious in three sets 3-6, 6-3, 6-3. The doubles duo of Bridgett McNamara and Kim Young at No. 2 also won in three sets 6-7, 6-3, 6-2.

"I was really happy that we won because it showed to us that we can win," said Canton coach Cindy Burnstein.

On Friday the Chief netters dropped a 4-3 decision to Harrison and on Monday they lost to Churchill 6-1, which was the same score they lost to them earlier in the year.

**CHIEF BOB HAMBLIN** leaps into a ballet-like pose after scoring in Friday's loss to Churchill. (Crier photo by Bill Bresler)

## Chiefs chalk up 5th win of season

The Canton girls basketball team opened their defense of the Western Six League championship Thursday at Farmington Harrison and came away with a 55-39 victory.

The Chiefs blew the game

open in the first quarter as they outscored the Hawks 14-3 to stake them to a 26-17 at half time lead.

They increased the advantage to 39-23 at the end of the third stanza, thus allowing

Coach Mike McCauley to clear his bench.

Center Kelly Heaton paced Canton with 14 points. Laura Butler and Jill Pederson each added eight markers to help the Chiefs to their fifth straight win of the season.

## Counseling offered in workshops for parents of handicapped kids

Workshops aimed at helping parents of handicapped children identify deviant behavior patterns will be held on four Tuesdays - Oct. 3, Oct. 17, Nov. 7 and Nov. 21.

The workshop, taught by Christine Tracy, child development teacher at Wayne State University, will be held at Farrand School and is open to all parents of handicapped children in the Plymouth-Canton school district.

Counseling sessions are also offered to help parents cope emotionally with a handicapped child in the family and Eileen Cook, parent coordinator of the program, said, "We treat about as many parents as we do children."

There are about 70 students registered in the Infant Preschool Special Education classes now offered at Farrand, and Cook expects about 50 parents to attend the workshop.

The IPSE program is open to parents and children with the following handicaps: learning disability, emotionally impaired, mentally retarded, speech and hearing problems, and cerebral palsy. For more information call Cook at 420-0363.

## community deaths

### Domke

Mr. John Domke of Plymouth Township, 97, died on Oct. 1 at the Nightingale Nursing Home in Westland. Memorial services will be at the First Baptist Church of Plymouth on Friday, Oct. 6 at 7:30 p.m. with Dr. William M. Stahl officiating.

Mr. Domke is survived by one son, Charles; grandson, John C.; and great-grandchildren, Kyla and Kimberly.

He came to the community in 1967 from St. John, Ind.

### Gilchrist

Norma Bess Gilchrist, 61, of 734 Kellogg, Plymouth, died on Monday, Sept. 25 at Beaumont Hospital. Funeral services were held at Lambert Funeral Home with Father Byrne officiating on Wednesday, Sept. 27. Burial was at Evergreen Cemetery.

Mrs. Gilchrist is survived by her husband, John F. Gilchrist; sons, Michael, David and John P. Gilchrist; and brother Howard Murphy.

Mrs. Gilchrist was a housewife.

## CHARTER TOWNSHIP OF CANTON BOARD PROCEEDINGS

A regular meeting of the Township Board of the Charter Township of Canton was held on Tuesday, September 26, 1978 at 7:00 p.m. at 128 Canton Center Road.

Members Present: Bradley, Daley, Flodin, Goldsmith, Myers, Schwall. Absent: Stein.

In the absence of the Supervisor, the meeting was called to order by Clerk Flodin. A motion was made by Flodin and supported by Bradley and unanimously carried to appoint Schwall Chairman of the meeting.

The following items were added to the agenda:

1. Adopt resolution designating 1150 S. Canton Center Road as official meeting place for township board meetings.
2. Approval of Landscape plan for Grosse Pointe Quality Foods.
3. Hiring of Building Inspectors.
4. Adopt Proclamation designating October 8-14 as Fire Prevention Week.

A motion was made by Bradley and supported by Myers to accept the agenda.

A motion was made by Bradley and supported by Goldsmith and unanimously carried to approve the minutes of September 19 as presented.

A motion was made by Bradley and supported by Goldsmith to approve the minutes of September 21, 1978.

A motion was made by Bradley and supported by Daley and unanimously carried to pay bills in the amount of \$100,960.62.

A motion was made by Daley and supported by Bradley and unanimously carried to open the public hearing on approving the Project Plan of the Precision Spring Corporation, under the terms of Act 338.

There was no testimony either for or against the proposal.

A motion was made by Flodin and supported by Myers and unanimously carried to close the public hearing.

A motion was made by Daley and supported by Bradley and unanimously carried to adopt the following:

WHEREAS, there exists in the Charter Township of Canton the need for certain programs to alleviate and prevent conditions of unemployment and to assist and retain local industries and commercial enterprises in order to strengthen and revitalize the Township's economy; and

WHEREAS, a program to alleviate the aforesaid conditions has been initiated by the Economic Development Corporation of the Charter Township of Canton (the "Corporation"); and

WHEREAS, the Corporation in conformity with Act 338 of the Public Acts of 1974, as amended, ("Act 338") has prepared and submitted a project plan, as amended, providing all information and requirements necessary for a project; and

WHEREAS, the Planning Commission of the Township has recommended its approval to this Township Board; and

WHEREAS, in conformity with Act 338 this Township Board has conducted a public hearing on said project plan;

NOW, THEREFORE, BE IT RESOLVED:

1. The project plan, as submitted and approved by the Corporation and by the Township's Planning Commission, meets those requirements set forth in Section 8 of Act 338.

2. The persons who will be active in the management of the project for not less than one year after approval of the project plan have sufficient ability and experience to manage the plan properly.

3. The proposed methods of financing the project as outlined in the project plan are feasible and the Corporation has the ability to arrange the financing.

4. The project as submitted is reasonable and necessary to carry out the purposes of the Act.

5. Based upon the information submitted and information obtained at public hearings, the project plan, as submitted and the project to which it relates, serves to alleviate and prevent conditions of unemployment, strengthen and revitalize the Township's economy, encourage the location and expansion of enterprises in the Township, and, therefore, constitutes an essential, vital and necessary public purpose.

6. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded. AYES: Bradley, Daley, Flodin, Goldsmith, Myers, Schwall. NAYS: None.

RESOLUTION DECLARED ADOPTED.

JOHN W. FLODIN, TOWNSHIP CLERK

Four bids were received for moving of trees on the Administration Building property. A motion was made by Bradley and supported by Myers and unanimously carried to refer the bids to Mr. Dingeldey for

recommendation.

A motion was made by Bradley and supported by Flodin and unanimously carried to table action on the bids until the end of the meeting.

A motion was made by Flodin and supported by Bradley and carried that tentative approval of the preliminary plat be given to Hollybrook Woods Subdivision.

Yes: Bradley, Daley, Flodin, Myers, Schwall. No: Goldsmith.

A motion was made by Bradley and supported by Flodin and carried to grant tentative approval of the preliminary plat to Timberline Estates Subdivision.

Yes: Bradley, Daley, Flodin, Myers, Schwall. No: Goldsmith.

A motion was made by Bradley and supported by Flodin and unanimously carried to table the request for site plan approval for Michigan Eye Institute.

A motion was made by Flodin and supported by Daley and unanimously carried to approve the request of the American Cancer Society to solicit funds.

A motion was made by Flodin and supported by Bradley and unanimously carried to reappoint Michael Wallace to a five-year term on the Compensation Commission, ending on September 30, 1983.

A motion was made by Bradley and supported by Schwall and unanimously carried to approve expenses of Michael Gorman while attending Municipal Finance Officers Convention.

A motion was made by Bradley and supported by Daley and unanimously carried to approve the site plan of the Pyramid Shopping Center and Warehouse complex.

A motion was made by Flodin and supported by Daley and unanimously carried to extend the contract of Municipal Disposal Service to March 1, 1979 at a price of \$2.60 per stop per month, and further that a performance bond shall be provided, and that the public bids be requested for rubbish pick up prior to March 1, 1979.

A motion was made by Goldsmith and supported by Myers and unanimously carried to grant permission to UNICEF to solicit funds, subject to approval of the Chamber of Commerce.

A motion was made by Bradley and supported by Flodin that the 1978 General Fund Millage be established at 4.5 mills.

A motion was made by Goldsmith and supported by Schwall that the millage question be tabled for one week.

Yes: Goldsmith, Myers, Schwall. No: Bradley, Daley, Flodin.

The motion failed.

A vote was taken on the original motion.

Yes: Bradley, Daley, Flodin, No: Goldsmith, Myers, Schwall.

The motion failed.

A motion was made by Goldsmith and supported by Myers and carried to consider the 1978 millage at the meeting of October 3, 1978.

Yes: Flodin, Goldsmith, Myers, Schwall. No: Bradley, Daley.

A motion was made by Flodin and supported by Myers and unanimously carried to make application for Rehabilitation money for the Housing Rehabilitation Program.

A motion was made by Flodin and supported by Bradley and unanimously carried to change the official Township Board meeting place to 1150 S. Canton Center Road, effective October 3, 1978.

A motion was made by Bradley and supported by Daley and unanimously carried to approve the Landscaping plan for Grosse Pointe Quality Foods.

A motion was made by Bradley and supported by Daley and unanimously carried to comply with the recommendation of the Interview Board, and hire Dennis Weberlein and Edward J. Bowler as Building Inspectors, and recommend that the three other applicants recommended by the committee be retained on the eligibility list by the Merit System Commission.

A motion was made by Flodin and supported by Myers and unanimously carried to create the position, and advertise for a new Mechanical Inspector.

A motion was made by Myers and supported by Goldsmith and unanimously carried to proclaim October 8-14 as Fire Prevention Week.

A motion was made by Myers and supported by Bradley and unanimously carried to award the bid for moving trees to the Blacey Co. for the following unit prices:

1 1/2" to 3" trees 20.00 each

3" and above 75.00 each

A motion was made by Myers and supported by Bradley and unanimously carried to adjourn.

#### TOWNSHIP OF PLYMOUTH BOARD OF TRUSTEES -- REGULAR MEETING SEPTEMBER 26, 1978

All members were present.

Mr. West moved approval of the minutes of the September 12, 1978 meeting as submitted. Supported by Mrs. Fidge and carried unanimously.

Mr. West moved approval of the minutes of the September 18, 1978 meeting as submitted. Supported by Mrs. Richardson and carried unanimously.

Mr. Millington moved approval of the bills in the grand total of \$199,604.68. Supported by Mr. Gornick and carried unanimously on a roll call vote.

Mrs. Richardson moved that the Resolution approving the Contract with the County of Wayne for the Byron, Tonquish, Sly, Plymouth Hills Laterals Sanitary Sewer be approved. Yes: F. Millington, J. West, H. Richardson, T. Notebaert. No: L. Fidge, R. Gornick, M. Breen. The motion carried 4-3.

Mr. Gornick moved that the Township accept the Stipulation for Bids to operate the Hilltop Golf Course, as amended and further that the advertisement for bids be placed in the local newspaper. Supported by Mr. West and carried unanimously.

Al Simkins - Application 413 -- Re: Zoning change from R-1 to R-2, property located on the north side of Joy Road, just west of Sheldon Road.

Mr. Gornick moved that the rezoning request on Application No. 413 be denied, per the recommendation of the Planning Commission and for those reasons given by the Planning Commission, as follows: 1) The Commission feels compelled to view the total area, instead of in a piecemeal fashion, for future land use and 2) the property concerned in this Application is of an unusual configuration. Supported by Mr. Breen and carried unanimously.

Mr. Breen moved that this item be tabled to February 1, 1979 to allow time for the Supervisor's studies and committee to complete their reviews and until we have an idea of what is happening on the Bond project, known as Byron, Tonquish, Sly, Plymouth Hills Laterals Sanitary Sewer. Supported by Mrs. Fidge and carried unanimously.

Detention Pond and Road Improvements at the Plymouth Township Recreation Park. Mrs. Richardson moved that the Township approve the recommendation of our Township Attorney and Township Engineer and award the bid to E.W. Garlick in the amount of \$134,153.90 with completion to be within 305 days and further that the addendum be cancelled as sent out to the bidders last week. Supported by Mr. West and carried unanimously.

Sewer System Evaluation Study -- Mr. Breen moved that this item be tabled until the next regular meeting. Supported by Mrs. Fidge and carried unanimously.

Proposal from the Pitometer Associates -- Mr. Gornick moved that the proposal from the Pitometer Associates for an Engineering Study of the water distribution system of the Township be approved and further the sum of \$20,000 covering the investigation and studies outlined in their August 25, 1978 letter be approved, as well as the \$1,000 for Computer expenses. Supported by Mr. West and carried unanimously.

Mr. Gornick moved that the request from Rescom Development Corporation for an extension to June 1, 1979 for completion of the Landscape Improvements for Westbriar Village Subdivision No. 1 be approved. Supported by Mrs. Richardson and carried unanimously.

Mrs. Richardson moved approval of the Land Split for 47566 Joy Road, as requested in Application No. 429. Supported by Mr. West and carried unanimously.

Mr. West moved approval of the Land Split for 41310 Schoolcraft Road, as requested in Application No. 432. Supported by Mr. Millington and carried unanimously.

Mrs. Richardson moved approval of the Planning Commission's recommendation for the splitting of lots 104 and 105 of Rocker Subdivision, and the adding together to create three new lots, subject to the certified survey being presented to the Clerk's office. Supported by Mr. West and carried with Mr. Breen voting "no".

M and B Contracting. Re: Land Balancing -- Landfill for Ford Motor Company, Sheldon Road: West side of Haggerty Road, C & O Railroad; and exchange at the N.E. corner of Haggerty Road and M-14 (Freiman property) and Ann Arbor Trail in the rear of Bird School.

Mr. Gornick responded as to the action taken by the Planning Commission when prior approval had been given by the Township Board and the consensus being that it was unnecessary for the Board of Trustees to act on three as they had given prior approval to same. The Board had not acted upon the Ford Motor Company Land Fill.

Mr. West moved that the recommendation of the Planning Commission be approved for land balancing-land fill at the Ford Motor Company site on Sheldon Road. Supported by Mr. Millington and carried with Mrs. Fidge voting "no."

Russell Bjornbak, Park Superintendent -- Re: Requesting permission to attend the fall meeting of the Michigan Forestry and Parks Association at Boyne Mountain on October 4, 5, and 6, 1978.

Mr. Breen moved that the request from Mr. Bjornbak be approved. Supported by Mr. Gornick and carried unanimously.

Mr. Breen moved that the Board approve the necessary insulation of the Furnace Duct Work. Supported by Mr. Gornick and carried unanimously.

Mrs. Fidge moved that the Township retain the Cassette Tapes for all meetings of the Township for a period of three years, said tapes to be re-used at that time. Supported by Mr. Gornick. Yes: R. Gornick, M. Breen, L. Fidge, T. Notebaert -- No: J. West, F. Millington. Abstaining: H. Richardson. Motion carried 4-2-1.

Mrs. Richardson moved that the Township accept the Quit Claim Deed covering the exchange of property at Ann Arbor Road and Ann Arbor Trail and record same. Supported by Mr. West and carried unanimously.

Mr. Gornick moved that the Township accept the Utilities for Waverly Village, per the Engineer's recommendation. Supported by Mr. Breen and carried unanimously.

Mrs. Richardson moved that the request for two personnel from the Building Department to attend the Building Officials conference of Michigan at Traverse City, Michigan on October 11, 12 and 13, 1978, at a maximum cost of \$282.00 be approved. Supported by Mr. West and carried unanimously.

Mr. Breen moved that the recommendation of Mr. Hollis, Water and Sewer Superintendent to establish a maintenance program for large meters at a basic charge for initial testing of \$2,940.00 be approved. Supported by Mr. Gornick and carried unanimously.

Mr. Gornick moved approval of the request for Mr. West and Mrs. Sadowski to attend the Institute for Community Development at Michigan State University on October 16, 17 and 18, 1978 at a total cost of \$300.00. Supported by Mrs. Richardson and carried unanimously.

Mr. Breen moved that the Township accept each and all of the fifty-two (52) Quit Claim Deeds and Bill of Sale instruments for the sanitary sewers and water mains in the Colony Farms Subdivision No. 1. Supported by Mr. Gornick and carried unanimously.

Mr. Gornick moved approval of the three resolutions for vacating, surrendering and extinguishment of the three easements as outlined in Mrs. Richardson's communication. Supported by Mr. West and carried unanimously.

Mr. Gornick moved that the Resolution approving the Project Plan for Otto-Durr Inc. be approved as drafted and presented. Supported by Mrs. Richardson. Yes: J. West, F. Millington, R. Gornick, H. Richardson, T. Notebaert. No: L. Fidge, M. Breen. Motion carried 5-2.

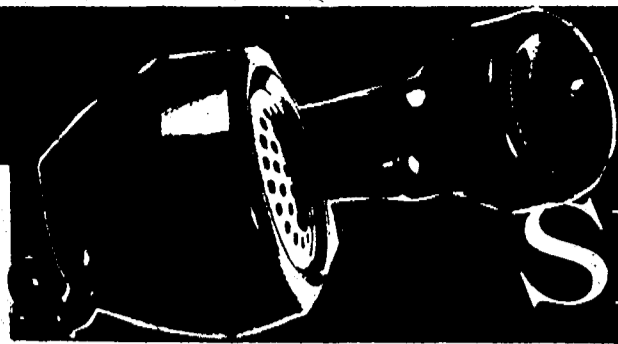

Mr. Gornick moved approval of the Resolution of intent to provide alternative financing by Otto Durr Inc. by the Township of Plymouth through issuance of Industrial Development Revenue Bonds under Act. 62 of 1963. Supported by Mr. West. Yes: J. West, R. Gornick, H. Richardson, T. Notebaert. No: F. Millington, L. Fidge, M. Breen. The motion carried 4-3.

Mrs. Fidge moved that the meeting be adjourned. Supported by Mr. West. Supervisor Notebaert adjourned the meeting at 11:15 p.m.

APPROVED,  
THOMAS G. NOTEBAERT,  
SUPERVISOR

RESPECTFULLY SUBMITTED,  
HELEN I. RICHARDSON,  
CLERK
