NEWBURG.

The Sunlight Arbor will give a picnic dinner at the home of Chief Gleaner, Wm. Farley, Thursday, Nov. 16th. All Gleaners and their families invited to attend.

Word was received last week from District Supt. Allen that Rev. Warren would fill the pulpit at Newburg Sunday afternoon. Therefore, a large and attentive audience was there to greet him, as well as the new choir, which was pronounced to be a success under the leadership of the Misses Young. It is expected Rev. Warren will be with us this coming Sabbath. Every one cordially invited to church service and Sunday-school.

The many friends of Mr. and Mrs. Warren Brown were pained to learn of the accident that befell Mr. Brown while out hunting at Farwell, Mich., a few days ago. Mr. B. was a former resident of this place.

Mr. Gage of Plymouth, a veteran of the civil war, spent the day recently with Mr. and Mrs. James King and they passed the time talking over their experiences in Salisbury prison from 1864-5.

The G. A. R. and W. R. C. will hold their quarterly dinner at the home of Mr. and Mrs. James King, Tuesday, Nov. 14.

Every one far and near turned out last Friday evening and gave Mrs. Ida Stoneburner and son Harvey a farewell surprise party at the home of Mr. and Mrs. G. N. Dean. A social evening was enjoyed by all. Light refreshments were served, after which Miss Hattie Hoisington, in a neat little speech, presented Mrs. Stoneburner with an oak rocker and two pretty stands for her new home in Plymouth. The company then joined in singing "Blest be the tie that binds." Mrs. S. has the best wishes of all.

Mrs. James LeVan visited her daughter, Mrs. Hilliken in Ann Arbor a few days, returning home Tuesday evening.

We are glad to note that Mrs. M. A. Armstrong of Ann Arbor is much improved at this writing.

Lutherans Celebrate.

Last Sunday, November 5th, the Ladies' Aid of St. Peter's Evangelical Lutheran congregation celebrated the 25th anniversary of the founding of the society. A special divine service was held, at which Rev. George Ehnis, of Monroe, former pastor of the church, delivered the sermon. The Hon. William Renz, of Toledo, pastor of the church 25 years ago and founder of the society, was the guest of honor.

The society was founded 25 years ago the 6th of November, in the year 1886. The society began with about 28 members. The first officers of the society were Mrs. Henry Reichelt, president; Mrs. Peter Gayde, vice president; Mrs. Eva Streng, treasurer; Mrs. Kruger, secretary. During the 25 years of its existence the society raised the sum of \$3,000 for various purposes of the Kingdom of our Savior, mostly within the home congregation. Among the many things, which the society has done for the home congregation in that time might be named the procuring of the church bell, the furnace, the electric lights in the church and parsonage, the decorating of the church with fresco painting, the remodeling of the parsonage and so forth.

During the 25 years the following members were called into Eternity: Mrs. Henry Reichelt, Mrs. Caroline Schroder, Mrs. Martha Fischer, Mrs. Johanna Fischer, Mrs. Dora Schroder, Mrs. Eva Streng, Mrs. Margaret Streng, Mrs. Amrhein, Mrs. Gebhardt, Mrs. Brunner, Mrs. Wagon Schultz, Mrs. Kruger, Mrs. Dingley, Mrs. Schilling and Mrs. Frank. For each one of the departed the society procured a wreath of greens, which were hung up in church during the celebration and placed upon their respective graves the following day.

Among those who were members of the founding of the society and who are members to-day are the following: Mrs. Peter Gayde, Mrs. William Hillmer, Mrs. Caroline Gentz, Mrs. Hellmuth, Mrs. Blankenburg, Mrs. Samuel Widmair, Mrs. Conrad Springer, Mrs. Chas. Wilske, Mrs. Louis Reber and Mrs. Gus. Kaiser.

Rev. Ehnis of Monroe delivered a beautiful and appropriate sermon, after which the Hon. William Renz addressed the ladies and extended congratulations and well wishes. The pastor, Rev. O. Peters, spoke a few words in English suitable to the occasion. After the services a bountiful dinner was served to all the attendants of the church. As a special offering of thanks the society donated \$25 for the benefit of the Michigan Lutheran Seminary at Saginaw.

The society now numbers 60 members. Its present officers are Mrs. William Last, president; Mrs. William Gayde, vice president; Mrs. William Blankenburg, treasurer; Miss Mathilda Kaiser, secretary.—M.

A meeting was held last week Thursday evening, at the council room of the officers of the Plymouth Improvement Association and members of the council and a representative of the Michigan Manufacturer, published at Detroit, at the magazine man was authorized to publish a write-up of Plymouth and its advantages as a manufacturing point, the same to cost \$100. It was tentatively agreed that the village council pay one-half this amount and the balance be provided for by the Improvement Association. The publisher will furnish 1000 extra copies for Plymouth, to be sent where?

"I do not believe there is any other medicine so good for whooping cough as Chamberlain's Cough Remedy," writes Mrs. Francis Turpin, Junction City, Ore. This remedy is also unsurpassed for colds and croup. For sale by all dealers.

One week from next Monday evening, Nov. 20, the Tyrolean Alpine Singers and Yodlers will give the second entertainment on our course. This same company will give a matinee on the afternoon of Nov. 30 to school children only. Admission 10c. The program for afternoon and evening will be entirely different. All school children in town or country will be admitted to this matinee for 10c. Watch next week's paper for further announcement.

To be Happy.

You must have good health. You can't have good health if your liver is not doing its duty. Slow but sure poisoning is going on all the time under such conditions because bilious impurities are getting into the blood. Dr. Horlick's Sugar-Coated Pills put the liver in order, purify the stomach and bowels and act as a tonic on the entire system. Price 25 cts. Sold by Beyer Pharmacy and Pinckney Pharmacy.

A large attendance is desired and automobiles will be provided for those who feel unable to walk to lower town. Presbyterian Guild at 6 o'clock. Subject, "The Lease Against the Saloon." Leader, Miss Maurine Jones. Evening service at 7 o'clock. The Masonic lodge will attend this service in a body. The pastor will preach an appropriate sermon and there will be special music. Prayer meeting on Thursday evening at 7 o'clock. Subject, "The Last Journey to Jerusalem." Luke 17:11-18; 14.

We extend a cordial invitation to attend these services.

The first monthly meeting of the Presbyterian Guild was held Saturday evening, Nov. 4th, at the church parlors. After enjoying a social hour and lunch a business meeting was called to order by the president, Miss Woodworth. The minutes of the last meeting were read and accepted. The treasurer being absent there was no report from that department. The chairman of the membership, program and social committees gave good reports of their work. Twenty-two new members have been added since the beginning of this society, there now being sixty-six members.

SCHOOL NOTES.

Mrs. Forest Gorton and Miss Roberts were H. S. visitors this week.

Friday of this week will be visiting day for the teachers in our school.

The seventh grade designed various Halloween borders for the blackboard last week.

A half dozen new benches have been received for the Manual Training department.

The kindergarten children are studying the winter clothing of men and animals.

Clara Miller has left the second grade. The Chess game resulted in a score of 17 to 3 in favor of the visitors. The game is to be played at Wayne Friday. The eleven put in part of its practice hour on the pavement Monday because of the mud on the field.

The seventh grade has begun the study of Evangeline.

The boys and girls of the 6th and 7th grade are enjoying the reading of "The Young Crusader," a paper which the W. C. T. U. of the city have kindly placed on their reading table.

The members of the Caesar class have handed in some excellent free-hand maps. One of them is to be framed for use in the class.

Miss Hanford is again meeting her classes which, although they have done remarkably well under the student teachers, are glad to have her with them again.

The teachers report a very profitable time in Detroit where they attended the meeting of the M. S. T. A. Some new phases of education were there presented and are being made the subject for discussion in teachers' meetings.

Doings of the Council

Council met pursuant to adjournment Monday evening, Oct. 30th.

The sewer proposition on Mill street was approved and a resolution passed that the same be constructed at a cost of \$400, property owners to be assessed \$300, the village to pay the balance.

Dr. Patterson was appointed health officer to act during the absence of Dr. Kimble in the West.

Three Watchdog water meters were ordered purchased at a cost of \$3.40 each.

Bills were ordered paid amounting to \$203.59.

The regular monthly meeting was held Monday evening, Nov. 6th.

On motion the resignation of Trustee Taylor from the electric light committee was accepted.

Bills amounting to \$811 were ordered paid.

The clerk was instructed to purchase water pipe enough to lay mains on Harvey and other streets in the Penniman and Blunk subdivisions of the village of Plymouth, same to be laid this fall if possible.

The Pere Marquette asked for a reduction in the rate for electric lights, which request was refused.

Street commissioner was instructed to place a catch-basin at the corner of Church and Harvey streets.

Lute Passage was designated to act as street commissioner in the absence of H. H. Passage and also as marshal in the absence of Marshal Springer.

An oil heating stove was ordered purchased for the opera house ticket office.

Adjourned till Nov. 20th.

Drama at the Opera House

"The Little Girl that He Forgot," by Beulah Poynter, will be presented by Thos. Sewell at the opera house this (Friday) evening. It is said to be a very fine play and has been presented in many of the leading cities of the country. Popular prices. Reserved seats at Wolverine drug store.

Dayton Herald:—With Agnes Bial in the title role, Beulah Poynter's pretty little stage story of love and homey wisdom, "The Little Girl That He Forgot," is receiving a most commendable presentation at the National theater. Here it is a popular priced show much above the average.

It depends on no sudden bursting forth of retribution to make it "go" but rightly depends upon the quality of its story. A capable company is found presenting the effort. Miss Bial being especially capable of handling the principal role. Surrounding her are Stella Gray, Madge Enright, Claire Bisnet, Will Sherry, Milton Weston Hyatt, Tom Conrad, Frank Tobin and Arthur Jones.

The lecture at Salem last Sunday on "Earth's Restitution" was a success in every way. Besides the hall being filled, much interest was shown. The speaker, Mr. Algiers of Detroit was at his best and as he portrayed some of grandeur and beauties of the glorious age just dawning upon us, his listeners gave rapt attention.

This lecture is to be followed at the same place and hour next Sunday, Nov. 12, by the "World's Hope." "Is There Hope for the World (the non-elect) beyond the Grave; if so, What is It?" Nearly all great philosophers of the past, both Christian and otherwise, hold out no hope for these non-elect eternally lost. The Bible does not so teach. We have more light on nearly every other subject in this, our enlightened day, why not on the bible. Come and you will see that it is even so.

This lecture is to be given by one of Salem's own young men, Eugene H. Nelson. Mr. Nelson is well known by his many friends and neighbors as a sincere bible student and invites all to come and hear what he may have to say on this important subject, the "world's hope" in the coming age.

Town Hall, Salem, Sunday, Nov. 12, 2:30 P. M. No collection is lifted at these meetings. They are purely for the promotion of Christian knowledge.—S.

There is little danger from a cold or from an attack of the grip except when followed by pneumonia, and this never happens when Chamberlain's Cough Remedy is used. This remedy has won the great reputation and extensive sale by its remarkable cures of colds and grip and can be relied upon with implicit confidence. For sale by all dealers.

Urgent necessity.
A distinguished theologian was invited to make an address before a Sunday school. The divine spoke for over an hour and his remarks were of too deep a character for the average juvenile mind to comprehend. At the conclusion, the superintendent, according to custom, requested some one in the school to name an appropriate hymn to sing.
"Sing 'Revive Us Again,'" shouted a boy in the rear of the room.—Life.

"Castor oil!" he exclaimed, sure that he had guessed it.—Youth's Companion.

DEMOCRATS WIN BIG OHIO CITIES

G. O. P. LOSES OUT IN CINCINNATI, COLUMBUS AND CLEVELAND.

SOCIALISTS POLL HEAVY VOTE IN BUCKEYE STATE.

Eugene N. Foss Democratic Governor of Boston, is Re-elected Over Frothingham Republican.

Eight Ohio cities elected socialist mayors Tuesday. These cities are Lorain, St. Mary's, Martins Ferry, Fostoria, Mt. Vernon, Barborton, Salem and Cuyahoga Falls.

The democrats were swept into power in the three largest cities of Ohio Tuesday, Columbus, Cincinnati and Cleveland returning decisive democratic pluralities.

A feature of the elections throughout the state was the large socialist vote. In Columbus, Eby, the socialist candidate for mayor, according to early returns, was running a close race with Mayor Marshall, the republican nominee for second place, while George J. Korb, democrat, had been elected by far from four to six thousand plurality.

Foss Re-elected.

On the face of the returns from 954 out of 1,070 election districts, the democrats won the state election Tuesday and kept Massachusetts in the party column by continuing Gov. Eugene N. Foss in office for a second term. The returns gave Foss, democrat, 187,353; Frothingham, republican, 177,074. Last year the same districts gave Foss, democrat, 201,324; Draper, republican, 197,497.

PEKIN IS CAPTURED

IMPERIALISTS FIRE INFAMMABLE SHELLS IN THE CITY.

The following cable dispatch dated Pekin has been received by Tong King Chong, secretary of the loyal junta of the Chinese revolution, and editor of the Chinese Free Press:

"Insurgents captured Pekin. General uprising in city successful. Manchus slaughtered. The emperor flees north to the Jehol river with the dowager. Prince Ching, regent, captured. The Forbidden City is in insurgents' hands. The national assembly has declared for a republic. The republic is now firmly established.

"Wu Ting Fank is to be minister of foreign affairs; Dr. Sun Lat Sen will be named first president and dictator."
Gen. Li Hung Peng, the rebel commander-in-chief, has rejected the peace terms presented to him by Gen. Yuan Shi Kai, who was commanded by the government to restore peace in China.

Dr. Wu Ting Fank, former Chinese minister to the United States, accepted the post of foreign affairs in the new Chinese cabinet, throwing the weight of his vast experience in statecraft to the revolutionary cause.

Wen Tsung Yao, another prominent Chinese, has joined the rebel cause. News of the action of these statesmen caused a sensation here.

Almost the whole of the native city of Hankow has been burned and it is feared that the Wesleyan mission near the Han river, in which are 30 blind boys and 150 wounded persons, who with the staff of the mission, make up a total of 300 persons, was destroyed.

Dr. Booth, the medical head of the mission, asked the imperialists to grant an armistice of two hours to permit removal from the mission but the firing ceased for only a half hour.

A Red Cross steamer which attempted to rescue the inmates of the mission was driven back by the fire from the rebel fort. One shell struck the steamer's deckhouse.

The Chamber of Commerce asked the foreign consuls to protest against the burning of the city, but the consuls declined to do so.

Massacre of civilians is reported to have been started again by both sides, the rebels killing Manchu families and the imperialists slaughtering the Chinese.

The new revolutionary government, which is apparently impersonal, nevertheless effectively controlled the situation in Shanghai and on the Yangtse delta.

Study to Save Hunters' Lives.

The so-called "list of immortals" of the United States biological survey—a roster of all hunting fatalities in this country—already this year has had added to it 47 names. From the information the bureau hopes after a few years to be able to deduce general principles which will be of value in framing "life saving" federal and state game laws.

Two monoplane collided while in flight at the Garden City aviation field in Mineola, N. Y. Both were badly damaged, but their pilots, Walter I. Fairchild and Wilbur Kimball, escaped with a bad shaking up.

The bodies of Walker McDaniels and Commodore McClure, who were entombed in a mine near Fort Branch, Ind., by the explosion of a "wind" shot, were recovered after the rescuers had battled several hours with the poisonous gases. There were no marks on either body, indicating that death was due to asphyxiation.

A SERIOUS ERROR.

Many a case of kidney disease has proven fatal because the symptoms were not recognized. If you suffer from backache or bladder irregularities, follow the advice of G. H. Tuttle, Rogers street, Broken Bow, Neb. Says Mr. Tuttle: "I was confined to my home for weeks, unable to walk more than ten feet at a time. The doctor said I had gravel, and his treatment helped me temporarily, but soon the symptoms returned with greater severity than before. Being urged, I used Doan's Kidney Pills and received almost instant relief. In a few weeks' time I was completely cured."

"Wha' fo' does de Lawd send epidemics into de land?" she asked him one day.

"When folks get so bad dey must be removed, some of em, Sist' Candace, den de Lawd permits de coming ob an epidemic," said Mr. Jefferson, and took a large bite of gingerbread.

"Uh-h!" said Aunt Candace. "Ef dat's so, how come de good people gets removed along wid de bad ones."

"De good ones are summoned to 'witnesses,'" said Rev. Sojourner, fortified in spirit and clarified in mind by the gingerbread, although slightly embarrassed in his utterance. "De Lawd gibs every man a fair trial."—Youth's Companion.

CANADA'S CENSUS

A THIRTY-TWO PER CENT INCREASE IN THE PAST TEN YEARS.

That Canada has come rapidly to the front in the past ten years is amply shown in the results of the census recently made public. The population of the Dominion is now placed at 7,081,869, which with outlying points to be heard from, may bring it up to 7 1/2 millions as compared with 5,371,315 in 1901. Though these figures are large, they do not present a total as large as was expected but they do show a greater increase of percentage in population for the decade than any similar increase in the United States. The highest percentage ever reached by the Republic was 24%; the percentage of increase in Canada for the decade is 32%. Thus it will be seen that the provinces west of the lakes, with the great broad fertile acres ready for the sowing and immediate reaping of grain and the Valleys of British Columbia capable of producing fruit with which to supply its neighboring provinces east of the mountains, have attracted numbers, which has exceeded the most optimistic of the expectations of ten years ago.

Upon the prairies of the ten years ago there was but a sparse scattering of people; but today, no matter in which way you go, take any direction, and you find homes and farms and good ones too, occupied by the very best class of people in good sized settlements with plenty of room for five or six times as many more. The population of Alberta is set down at 372,919, as compared with 73,022 in 1901; Saskatchewan 453,508 as compared with 91,270 in 1901; Manitoba's 454,691 compares well with its 255,211 in 1901; and so does that of British Columbia—362,768 as against 178,657 in 1901; but in a territory as large as this a population of 1,643,000 is little more than discernible in point of numbers. The work through it has been great. Look at the towns that have been built up; its cities, Winnipeg with 135,000; Vancouver with upwards of 100,000; Calgary with 43,000; Edmonton, Regina, Saskatoon; Lethbridge, Medicine Hat, Moosejaw, splendid cities—none better anywhere; well maintained and equipped. These have come with existence and been built as they have been built by reason of the splendid agricultural country by which they are surrounded. The population is scarcely discernible. A population ten or twelve times that shown by the recent census could be easily maintained in even greater wealth than that which maintains the present numbers. There is certainly a wonderful future for Western Canada and that which goes to the development of the west will enrich the last. This is the growing time in Canada and what has been done in the past ten years is but a beginning. The next decade will show a far greater advancement. In the meantime Canada is bidding welcome the progressive and industrious citizen. The invitation is a standing one. At the forthcoming land exposition in Chicago, Canada will have one of the best exhibits of farm products that has ever been made and it will be well worth while inspecting it and getting information from those who may be in charge.

DIET FOR THE TUBERCULOUS

General Idea That Too Much Food Cannot Be Given is Shown to Be Erroneous.

Many traditions with regard to the feeding of tuberculosis patients, and with regard to food in general, are given severe blows in a series of articles published in the October number of the Journal of Outdoor Life, the official organ of the National Association for the Study and Prevention of Tuberculosis. Dr. John R. Murlin of New York, assistant professor of physiology at the Cornell university medical college holds in an article entitled "The Dynamic Principles of Nutrition," that a consumptive will gain weight and do well on three pints of whole milk, eight ounces of cream, five ounces of milk sugar, six eggs and two slices of buttered toast as a ration for 24 hours. The entire diet, with the exception of the bread and butter, could be prepared in advance and served for a cost of about fifty cents for the day. Miss Cecelia Flick of the Henry Phipps institute of Philadelphia, also offers some simple diets which the ordinary family can prepare for even less than fifty cents a day.

Dr. David R. Lyman of Wallingford, Conn., and Dr. Paul B. Johnson of Washington, D. C., both agree that the ordinary person eats too much, and that the old notions about stuffing a tuberculosis patient at all times and seasons have been proven false. Dr. Lyman holds that eggs are not a necessary article of the consumptive's diet, and that a tuberculosis patient should eat anything that agrees with him that is nourishing. He thinks that a tuberculosis patient should eat only a little more than a person in ordinary good health.

Not for Him.

ERUPTION COVERED BODY

"Three years ago this winter I had a breaking out that covered my whole body. It itched so it seemed as if I should go crazy. It first came out in little pimples on my back and spread till it covered my whole body and limbs down to my knees, also my arms down to my elbows. Where I scratched it made sores, and the terrible itching and burning kept me from sleeping. I tried several remedies all to no purpose. Then I concluded to try the Cuticura Remedies. I used the Cuticura Soap and Cuticura Ointment, also the Resolvent, for about four months, and they completely cured me of eczema. I have had no return of the disease since. I never had a good night's rest after the skin eruption first broke out till I commenced using the Cuticura Soap and Ointment. I had only used them a few days before I could see they were beginning to heal, and the terrible itching was gone.

"Those that lived in the house at the time know how I suffered, and how the Cuticura Soap and Ointment cured me. I never take a bath without using the Cuticura Soap, and I do not believe there are better remedies for any skin disease than the Cuticura Soap and Ointment." (Signed) Miss Sarah Calkins, Waukegan, Ill., Mar. 16, 1911. Although Cuticura Soap and Ointment are sold by druggists and dealers everywhere, a sample of each, with 32-page book, will be mailed free on application to "Cuticura," Dept. 5 K, Boston.

WHAT'S THE MATTER WITH YOUR BABY?

The young mother—and many an old one, too—is often puzzled to know the cause of her child's ill nature. The loudness of his crying does not necessarily indicate the seriousness of its trouble. It may have nothing more the matter with it than a headache or a feeling of general dullness. It cannot, of course, describe its feelings, but as a preliminary measure you are safe in trying a mild laxative.

Stops Lameness

Sloan's Liniment is a reliable remedy for any kind of horse lameness. Will kill the growth of spavin, curb or splint, absorb enlargements, and is excellent for sweeny, fistula and thrush.

Here's Proof.
"I used Sloan's Liniment on a mule for 'high lameness' and cured her. I am never without a bottle of your liniment; have bought more of it than any other remedy for pain."
Bobby Kirby, Cassidy, Ky.
"Sloan's Liniment is the best made. I have removed very large shoe boils off a horse with it. I have killed a quarter crack on a mare that was awfully bad. I have also healed raw, sore necks on three horses. I have healed greasy heel on a mare that could hardly walk."

It is stove buyers for whom we have facts worth considering—practical, profitable facts whenever you are thinking of buying any kind of a stove or range.

Buy Where You Can See What You Get—AT HOME

We do not say this selfishly. We only ask that you investigate Garlands before you buy. That's all. We are glad to rest the matter on your judgment then—when you see our full line of latest style Garlands for every purpose to suit your needs.

Quality
For over 40 years *Garland* stoves and ranges have had the greatest sale of any stoves and ranges in the world—in over 4,000,000 homes. *Garland* Quality costs you no more than stoves and ranges of inferior grade. So why not secure The World's Best?

Service
Permanent economy in buying any stove or range should be considered not only from its first cost, but also from the point of view of durability, materials and workmanship. *Garlands* are the world's best for baking, cooking or heating and do each with the least waste of fuel.

Avoid Harsh Drugs.
Many Cathartics Tend to Cause Injury to the Bowels.

If you are subject to constipation you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely relieve constipation. This preparation is called *Rexall Orderlies*. These are prompt, soothing and most effective in action. They are made of a recent chemical discovery. Their principle ingredient is odorless, tasteless and colorless. Combined with other well-known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy. They may be taken at any time, either day or night, without fear of their causing any inconvenience whatever. They do not gripe, purge, nor cause nausea. They are ideal for children, weak, delicate persons and aged people, as well as for the most hearty person.

They come in three size packages, 12 tablets 10 cents; 36 tablets 25 cents; 80 tablets 50 cents. Remember, you can obtain them only at our store—The Rexall Store. Beyer Pharmacy.

A Great Discovery.
Certain ingredients that Really Promote Hair Growth when Properly Combined.

Resorcin is one of the most effective germ destroyers ever discovered by science, and in connection with Benz Naphthol, which is both germicidal and antiseptic, a combination is formed which destroys the germs which rob the hair of its natural nourishment, and also creates a clean, healthy condition of the scalp, which prevents the development of new germs.

Pilocarpin, although not a coloring matter or dye, is a well-known ingredient for restoring the hair to its natural color, when the loss of hair has been caused by a disease of the scalp.

These ingredients in proper combination, with alcohol added as a stimulant and for its well-defined nourishing properties, perfect perhaps the most effective remedy that is known for scalp and hair troubles.

We have a remedy which is chiefly composed of these ingredients, in combination with other extremely invaluable medicinal agents. We guarantee it to positively cure dandruff and to grow hair, even though the scalp in spots is bare of hair. If there is any vitality left in the roots, it will positively cure baldness, or we will refund your money. If the scalp has a glazed, shiny appearance, it's an indication that baldness is permanent, but in other instances we believe baldness is curable.

We want every one troubled with scalp disease or loss of hair to try *Rexall '93' Hair Tonic*. If it does not cure dandruff and grow hair to the satisfaction of the user, we will without question or quibble return every cent paid for it. We print this guarantee on every bottle. It has effected a positive cure in 93% of cases where put to a practical test.

Rexall '93' Hair Tonic is entirely unlike, and we think, in every particular better than anything else we know of for the purpose for which it is prescribed. We urge you to try this preparation at our entire risk. Certainly we know of no better guarantee to give you. Remember, you can obtain *Rexall Remedies* in Plymouth only at our store—The Rexall Store. Beyer Pharmacy.

Has the Right Idea.

Notices have been sent out to school officers all over the state that the books prescribed in the pupils' reading circle course can be purchased of any dealer. This notice was sent out by the department of public instruction and puts a summary end to the monopoly features of the sale of these books. An attempt was made to induce Superintendent Wright to not officially act in this way, but to leave it to book dealers to inform all schools of the situation in order that there might not be any official notice made of the abolishment of trust sales. The superintendent, however, insisted that as a matter of good public policy the state could not countenance even indirectly any scheme of that character and he decided that the notices must be sent out.

Auctions.

Otto Schwocho, living on the Ann Arbor road, one mile east of Newburg, will have an auction sale of farm stock and implements on Friday, Nov. 17, at 12 o'clock noon. Sale includes 5 horses and 12 head of cattle. Frank Boyle, auctioneer.

Mrs. C. J. McKernan, 2 miles east of Plymouth, on the Plymouth-Livonia town line, will sell at auction one horse, 3 cows, 7 hogs and farm implements of all kinds on Tuesday, Nov. 14, at 12 o'clock noon. Frank J. Boyle, auctioneer.

Warm Floors Insure the Children's Health

Cole's Hot Blast Draft on top of the fire burns the coal from the top—burns the gas, which is wasted with all other stoves. The force of this down draft forces the heat to the base which is made of steel—cannot burn out—and heats the floor. Thousands of testimonials have been written regarding the base heating qualities of

Cole's Original Hot Blast Heater

The ideal heating stove is one which radiates all the heat thrown off from the fuel—into the rooms—instead of letting it go up the chimney.

The durable heater is the one which will withstand the severe use, year after year, which a heating stove is necessarily subjected to. Sheet steel is the quickest radiator of heat and is used as radiating surface only in Cole's Hot Blast heater. Wherever the fuel comes in contact with the lining—only first quality gray cast iron is used.

Cast iron withstands the wear of the heat from active combustion better than any other material, and the large, sensitive, sheet metal body and base radiate all the heat into the rooms.

Burns Soft Coal, Slack, Lignite, Hard Coal, Wood and lighter fuel. Make your selection now.
