Soldier Boys of the Fourth District Will Be Honored and Royally Entertained at Plymouth, Tuesday Afternoon and Evening, September 18

Committees from the Various Villages and Townships in the District Have Been Appointed. Will Be General Holiday Throughout the District.

At a meeting of citizens held last Monday evening for the purpose of making some arrangements for a demonstration in honor of the soldier boys of the Fourth District, who have been called for service on September 21st and October 3rd, it was unanimously decided that it was altogether fitting and proper that an event of this kind be held in Plymouth on Tuesday, September 18th, afternoon and evening. F. D. Schragder was chosen chairman; L. B. Samsen, secretary, and Edward Gayde, treasurer.

After some discussion of the matter, it was decided that the chairman appoint a committee to visit the several townships of the District, asking that a representation of that village or township be sent to Plymouth, Wednesday afternoon, to meet with the local committee to make final arrangements and to co-operate in the matter.

Wednesday afternoon there assembled in the village hall, a goodly representation of nearly every township in the District. Those who were not present will be asked by the committee to co-operate in this patriotic movement, which they will be only too glad to do. The meeting voted to make the temporary officers permanent.

A committee to purchase suitable gifts for the soldier boys was appointed, with Rev. Evans of Redford, as chairman.

It was decided that the day be called "Send Off Day" for the National Army, and that the proper authorities in each village and township be asked to declare it a half holiday, and business places to close. The various schools in the District will be asked to close and as many as possible of the children will be brought to Plymouth to take part in the monster parade at 2 o'clock. The committees in the several townships will secure automobiles for this purpose.

There will be five bands to furnish patriotic music. A big parade of the soldier boys, G. A. R. and Spanish American war veterans, boy scouts and school children will feature the day's festivities.

There will be a moving picture show in the opera house and a mammoth dance on the pavement on Penniman avenue. There will be a basket picnic in Kellogg park. The committee on speakers are busy on this part of the program as we go to press, and it is a sure thing that there will be something worth while in this line. Everything will be free and you are invited to come and enjoy yourself.

The dinner and banquet for the soldier boys to be given at 5:30 o'clock in the afternoon, are in charge of the Red Cross branch of Plymouth. This dinner will be for the boys and one lady guest only. The boys invited will be the 166, who have been certified to the district board at Detroit.

Banquet—C. H. Bennett, Evered Jolliffe, John Henderson.
Parade—John Patterson F. A. Dibble, W. T. Conner, W. J. Burrows.
Decorations—Harry J. Green, Roy Parrott, John Williams, Fred Holloway.
Next Tuesday will be the biggest day in the history of Plymouth, and every citizen is urged to help make it so.

Formal Opening of New Edison Building

Last Saturday afternoon the doors of the new Edison building on Main street were formally opened to the public for the first time, and many of our citizens took the occasion to inspect the handsome new office of The Edison Co. in Plymouth. As a feature of the opening day, a demonstrator was present to explain and demonstrate the many electrical devices sold by the company. The display windows in front were beautifully arranged with electrical goods for the event, and was a most pleasing feature. Mr. Fitzgerald, district manager, and A. W. Lyon, who has charge of the local office of the Edison Co., received the public and showed them about the new building.

The new building is 30x65 feet, and in its construction design has somewhat of a bungalow effect. It is built of tapestry brick with art stone trimmings. It has a stained shingle roof, and the whole building on the exterior has an artistic and classy appearance. At the main entrance there is a small vestibule with terrazzo floor. From the vestibule one enters the salesroom and office. This is a large and well lighted room, giving ample space for the display of electrical goods, business counter, office desks, etc.

This room is decorated in a brownish shade with a light tinted ceiling. The interior woodwork and office furnishings are of oak, while hard wood floors are used. Six large bowl lights makes the room as light as day at night. The building is provided with lavatories for both ladies and gentlemen. There is a large work room at the rear of the building while the large basement is used for a storeroom and furnace room. The building is heated by steam. The new building is one of the finest in the state of its kind. It is a credit to the village of Plymouth as well as the Edison Co., who by the way never do anything by halves.

New Officers Elected

At a meeting of the Citizens' Entertainment Committee held Monday evening, in the directors' room of the Plymouth United Savings Bank, the following officers were elected for the ensuing year:
President—Rev. Karl P. Miller
Vice Pres.—George W. Richwine
Secretary—C. F. Reebe
Treasurer—Karl Hillmer

Michigan Losses Heavy

The report of the Michigan fire marshal for the six months ending June 30, 1917, shows the fire loss in this state the first half of the year exceed the loss of the entire year of 1916 by nearly half a million dollars. This report shows 5,161 fires in Michigan, with a property loss of \$6,185,785.

Red Cross Attention!

All members of the Plymouth Branch of the Red Cross and all other ladies are asked to assist in the work that will be necessary for the entertainment of the soldier boys here, next Tuesday. Baking donations will be very acceptable. All who are willing to help in any way, please call Mrs. F. F. Bennett.

Opening of New Garage

The formal opening of William Beyer's new garage on Main street occurred last Saturday, and was well attended. The visitors were regaled with candy and cigars, while a victrola furnished music. The new garage is 43x163 feet in size and is constructed of cement blocks. On the right of the front entrance is a well appointed office. On the left side is a large show room for new cars. One of the convenient features of the new building is a comfortable rest room for the ladies. There are also lavatories for both ladies and gentlemen. Back of the ladies rest room is a large and conveniently arranged stock room. There is a large room for the storage of cars in the center of the building, while the rear part is given over to the repair department. The building is heated by steam and is complete and modern in every particular.

Poultrymen Take Notice!

There will be a meeting of the Plymouth Poultry and Pet Stock Association at the village hall, Friday evening, September 21st, to make arrangements for the holding of another poultry show. All members of the association and all others interested in poultry are cordially invited to be present. Prof. Gregg, agricultural agent of Wayne county, and a poultry expert from the Michigan Agricultural College will be present and give talks that will be of particular interest to poultry raisers.

The Woman's Home and Foreign Missionary society of the M. E. church held a very interesting meeting at the home of Mrs. H. S. Doerr, Wednesday afternoon, Sept. 12. Miss Mabel Spicer, who has been spending her summer vacation with her parents and other relatives here, has returned to Youngstown, Ohio, where she will teach this year.
