Both Suit and Overcoat
At \$20 to \$40

You'll probably want a neat overcoat this fall, as well as a new suit. But with prices as they are on account of the war, you may have thought you couldn't afford both. You can!

You can get a Clothcraft Suit for \$20 to \$30, and a Clothcraft Coat for \$20 to \$30—and the two together will cost no more perhaps than you had expected to pay for either alone!

If that looks too good to be true, just come in and try on some of these splendid garments. You can then judge of the fit and looks, which we think you'll find very satisfactory—and the wear is guaranteed.

NINETEEN SELECTED MEN LEFT MONDAY

Local Board for Division No. 4, Wayne county, sent sixteen men from this division to Rockwell Field, San Diego, California, Monday morning. The following Plymouth boys were among the contingent: Sanford Shattuck, Steven Davis, Richard Hartung and William School.

Three men were sent to Love Field, Dallas, Texas. Two Plymouth boys were among this number: David Davis and Frank Peters. All the men go as "ground men" in the Aviation corps.

SURVIVORS OF LUSITANIA

The Royal Welsh Concert Co. Will Be Here November 4th.

Arrangements have been made through a local organization for the Royal Welsh Concert Company, now making their sixth American tour, to appear in Plymouth, Monday evening, November 4th.

The Royal Welsh Company have an enviable reputation as artists, and appeared in the White House at Washington as guests of President Wilson in a select concert given by the President. They were on the Lusitania when it was sent to the bottom by a German submarine, and three of the company, including the director, were drowned. The remaining members are now making another American tour and drawing bigger crowds than ever. Beside the musical program, the leader, Risa Williams, gives a thrilling account of the sinking of the Lusitania, and this is a great drawing card.

LITERARY CLUB ENTERTAINED

A Pleasant Gathering Was Held at the home of Mr. and Mrs. E. C. Leach, Last Friday Evening.

A pleasant gathering was held at the home of Mr. and Mrs. E. C. Leach on Main street, last Friday evening, when the members of the Woman's Literary Club entertained their husbands, the board of education and wives, and the superintendent of the school and teachers. The house was prettily decorated with autumn flowers and foliage, and the spacious rooms were filled with guests, nearly one hundred being present. As the guests arrived, they were greeted by a receiving line composed of the president of the club and officers. After greetings had been received, Mrs. C. H. Bennett, president of the club, in a few pleasing words welcomed the guests and briefly explained the aims and purposes of the organization. This was followed by an interesting talk by the new superintendent of the school, Prof. Geo. W. Smith. The following musical program, which had been previously prepared, was rendered and greatly appreciated, as nearly every number was responded to by an encore:

Piano Duet, "Zenobia"—Mrs. L. A. Thomas and Miss Madeleine Bennett.
Vocal Solo, (two numbers) "Mammy" and "Rosebud"—Mrs. R. E. Cooper.
Piano Solo, Schubert's "Impromptu"—Miss Evelyn Thomas.
Violin Solo, "Warp Sounds"—Miss Anna Baker.
Piano Solo, "Praeludium"—Miss Madeleine Bennett.
Vocal Duet, "Who Knows"—Mrs. Maxwell Moon and Mrs. J. L. Olmeyer.
Piano Solo, Chopin's Etude—Miss Czarina Peapay.

Later in the evening ice cream and cake were served. It is believed that this gathering was of mutual benefit to both teachers and members of the club, as it was an opportunity for them to meet and become better acquainted. It is hoped that such occasions may become more frequent, as it is for the best interest of the school and pupils that parents and teachers should know each other better.

FIRE PREVENTION DAY NOVEMBER 2

Gov. Sleeper Urges Inspection of Premises.

Fire Losses Impair American Financial Resources When War Conditions Call for Retrenchment and Thrift.

Following we give Governor Albert B. Sleeper's proclamation for fire prevention day, which is self-explanatory:

"One of the greatest problems confronting the American people today is the great destruction of property by fire and these losses have increased to an alarming extent. During the year 1917, the losses by fire in Michigan exceeded the sum of \$10,000,000 and in the United States the losses were approximately \$275,000,000, which is nearly \$3.00 per capita for each man, woman and child in the country.

"These great financial losses thus impair American financial resources at a time when war conditions call for the utmost retrenchment and thrift, and in keeping with the spirit of conservation I earnestly request that all efforts of prevention of fire shall be aided and I do, therefore, proclaim Saturday, the second day of November, fire prevention day, and urge all citizens of the state to properly observe the day by thoroughly inspecting their premises and removing causes which would permit needless conflagration.

"That public buildings and factories be cleaned of rubbish.
"That all heating, wiring and fire extinguishing apparatus be examined and placed in proper condition.
"That all chimneys be thoroughly examined, cleaned and properly repaired, and
"That appropriate exercises be held in all schools throughout the state on Friday, November 1st, and the teachers assisted by municipal officers and the fire department give the children such information and instructions as they may have at their command on the subject of fire prevention.

"We should remedy the conditions that entail such enormous losses in life and property, and let us co-operate in helping to make Michigan fire proof."

OPENING NUMBER POSTPONED

The First Number on the Citizens' Entertainment Course for Next Monday Night Postponed Until November 28th.

When it seemed probable that the influenza closing order would make it impossible to open the Citizens' Entertainment Course with the concert by Antonio Sala and his company, the matter was laid before the Redpath Lyceum Bureau, which is furnishing the course, and the local committee was assured that the full course would be given, and an adjustment of dates made. The Sala concert will probably be given some time in March, and the opening number in the course will come November 28.

Although the first number could not be given next Monday night as scheduled, it was thought best to go on with the ticket sale at this time, and a good number of seats were served at the high school on Wednesday. However, there seemed to be some misunderstanding, and many patrons have not yet secured their reservations. The seat board will be at the Hillier Laundry, where further reservations can be made.

PLYMOUTH SOLDIER WOUNDED

Mrs. Julia Goodale received a message, last Sunday evening, from the war department at Washington, stating that her son, Private Vernon Goodale, had been wounded in action, degree undetermined, about the 30th of August.

NEW CLUB ORGANIZED

The physical culture class, which has been receiving the instruction of Mrs. L. L. McIntyre for the past week, have formed a permanent organization to be known as the Plymouth Health Club. Mrs. Karl W. Hillier is president, and Miss Vera Bonner, secretary and treasurer. The club will meet every week. The next meeting will be held at the home of Mrs. George Robinson on Maple avenue.

PUBLIC GATHERINGS PROHIBITED

State Board of Health Orders All Churches, Theatres and Public Gatherings be Abolished During Spanish Influenza Epidemic.

In compliance with the orders from the State Board of Health, the churches, moving pictures show at the village hall, and all other public gatherings have been declared off until there is an abatement of the Spanish influenza epidemic, which is sweeping the state, or until the ban is lifted. While there have been but comparatively few cases in Plymouth, the new order of the health authorities will prevent a spread of the disease should it break out here to any great extent. The public schools have not been closed, but every precautionary measure will be enforced by the teachers in the school rooms.
