MALLORY HATS

FOR SPRING

No man by preference wears dingy, discolored, dilapidated hats. If you could tell in advance you'd always buy the hat that will keep its looks the longest. The expert can tell, but the average buyer can't. Well, here's an idea. Assuming that you're going to buy the hat from a dependable store—say this one—try paying **JUST ONE DOLLAR MORE** for the hat than you generally pay. If you usually pay \$4.00 pay \$5.00; if \$5.00 pay \$6.00 this time. See if the extra dollar doesn't buy at least \$2.00 extra wear! We say it will. Who's going to challenge us?

EXTENSION SCHOOL AT GRANGE HALL

MONDAY AND TUESDAY, MARCH 3RD AND 4TH ARE THE DATES SET FOR THIS INTERESTING MEETING.

Monday and Tuesday, March 3rd and 4th, an Extension School will be held at the Grange hall, Plymouth, will be of sufficient interest and importance to induce people to attend from all parts of the county. The following program will be given: Monday, 10 A. M.—Eastern Time Fireless Cookers as Time and Fuel Savers—Bessie L. Rogers, Home Demonstration Agent.
Incubation and Brooding of Chickens—Miss Annabel Campbell, Ext. Specialist in Poultry from the Michigan Agricultural College.
1:30 P. M.
Demonstration—One Dish Meal—(This is a time saver)—Miss Coral Havens, Home Economics Ext. Dept. Tuesday, 10 A. M.

Demonstrations:
Boning of Fowl—Miss Annabel Campbell.
Meat Canning (Can your excess beef, pork and chickens for summer)—Bessie L. Rogers.
1:30 P. M.
Use of Sewing Machine Attachments—Sewing Room Helps—Miss Coral Havens.

These meetings are open to everyone, and we hope you will avail yourself of this opportunity. Miss Campbell and Miss Havens are both specialists along the line of work on which they will give their talks and demonstrations, and if you have special problems which you would like discussed, come to the meetings prepared to ask them and they will be glad to discuss them with you. The committee in charge and the county agents are doing all in their power to make these meetings interesting and helpful to you, but to make them successful, we need your co-operation and attendance.

BOYS' AND GIRLS' CLUBS

One of the largest agricultural organizations in Michigan is the Boys' and Girls' Clubs. The organization is a big one because its members have, through their industry, pluck and enthusiasm, gained the respect and admiration of all the grown-up people, who have had an opportunity of observing what is being done. In Wayne county, garden clubs for boys and girls have proven very popular in the past few years. But with the development of the County Farm Bureau it is very evident that club work will spread over the county rapidly and cover the entire field of farm and home enterprises.

This past week meetings have been held at Cherry Hill, Denton, Martinsville and Redford. These meetings were held under the auspices of the Wayne County Farm Bureau. They were community meetings where fathers, mothers and children took an active interest. At these community meetings specialists from the Michigan Agricultural College, gave talks on "Health," "Farm Management" and "Farm Accounts." Local problems formed discussions and these were led by O. L. Gregg, County Agricultural Agent; Bessie Rogers, Home Demonstration Agent, and G. O. Stewart, County Club Leader.

The father and mother, teachers and other interested people are seeing the need of organized work with boys and girls and is the one method of demonstrating to both urban and rural youth that farming and home making is profitable and tolerable.

Davis Hillmer and Mr. and Mrs. Max Hillmer were Sunday visitors to the home of their parents, Mr. and Mrs. Louis Hillmer.

Mrs. Frank Gotschalk, who recently underwent an operation at the Homeopathic hospital at Ann Arbor, has returned home and is slowly convalescing.

The children, grand children, great grand children and other relatives, thirty-two in number, gathered at the home of Mrs. William Goben in north Plymouth, for a family reunion. The occasion was the thirty-seventh birthday of a beloved uncle who was born and the father was the youngest of several sons. There were many of special gifts, flowers and food made at the occasion of the day. Mrs. Goben is in excellent health and is in the city with her family.

PROMINENT CITIZEN DIES

A. W. CHAFFEE DIED IN ONTARIO, CALIFORNIA, SUNDAY NIGHT.

FUNERAL SERVICES WILL BE HELD FROM THE HOME HERE, NEXT TUESDAY AFTERNOON.

Alfred W. Chaffee, for many years a prominent and well known citizen of this village, passed away at Ontario, California, late Sunday evening, February 23. Mr. Chaffee had been in poor health for some time, and last December, he and his wife and Mrs. Robert Baird went to California to spend the winter, hoping that his health might be benefited by the change, but he has gradually been growing worse, being confined to his bed for the past month, and his death was not entirely unexpected by his relatives and many friends here.

The deceased was born in Plymouth township, June 16, 1843, and has resided here his entire life. In 1876 he was united in marriage to Miss Jennie Phillips, who survives him. He is the last of a family of four brothers. He also leaves several nieces and nephews.

ALFRED W. CHAFFEE

Mr. Chaffee has been identified with the air gun industry here for thirty years, and was known as the pioneer air ride salesman. He has traveled all over the world in this capacity and was very successful. During these years of travel he has made countless business friends and acquaintances, with whom he was very popular. He was a member of Plymouth Rock Lodge, No. 47, F. & A. M., O. E. S., Detroit Commandery No. 1, K. T., and of the Moslem Shrine.

Mr. Chaffee was always identified with every movement that was for the progress and best interests of Plymouth, and was a man of sterling worth and character, who will be greatly missed in the community where he has lived for so many years.

GRANGE NOTES

Plymouth Grange will hold its regular meeting, Tuesday, March 5th. The contest is becoming a most novel and interesting surprise feature for the gentlemen is being planned by the ladies. We hope for a large attendance. Every member present is an encouragement to our captain.

C. F. Lofgren has sold a fine new Maxwell touring car to Mr. E. H. Lewis Hillmer and family were guests of Mrs. Hillmer and Mrs. Hillmer at the home of Mrs. Hillmer in Plymouth.

A PLEASANT GATHERING

The Newburg Patriotic Society met at the home of Mrs. Clara Baulmon at Newburg, Friday, February 21st, with thirty-six present, six of the number being old comrades of '61, who partook of the delicious dinner at noon in their honor. The dining room was prettily decorated with the national colors, while Old Glory with pictures of Presidents Washington, Lincoln and Wilson graced the walls of the living room. After dinner, a program in charge of Mrs. Higgins, consisting of readings of the presidents and others; recitations; Gladys Horton and Zaida Thomas sang, "The Rose of No Man's Land," and Leona Joy gave two beautiful organ selections, which everybody enjoyed. Mr. Field was unable to be present on account of his wife being in the hospital, so the many good things he always has to tell us were greatly missed. Everyone declared Mrs. Baulmon a royal entertainer. The society will meet with Mrs. Thomas at Newburg in May.

WASHINGTON'S BIRTHDAY PARTY

The Washington's birthday party given in the Penniman Allen auditorium, last Friday evening, was well attended and was a most delightful affair. The hall was prettily decorated with red, white and blue, and placed in a prominent position was the picture of the "Father of Our Country." Excellent music was furnished by Finzel's orchestra of Detroit.

BOLTON-THOMPSON

Cass R. Bolton of Plymouth, and Miss Alberta B. Thompson of Salem, were quietly married at the Methodist parsonage, last Tuesday afternoon, the ceremony being performed by Rev. Frank M. Field. The young couple were attended by William Thompson, brother of the bride, and Miss Eva Abbott of Rushton. The groom is a prosperous young farmer living west of Plymouth, and the bride is a young lady highly esteemed. They left on a wedding trip and will be at home after March 15th on the Bolton farm. Their many friends will unite in wishing them a happy and prosperous nuptial voyage.

Mark Ladd has sold his residence on East Ann Arbor street to John Rattenbury.

Mrs. Kate Shippey and Miss Mae Lyon of Detroit, were over Sunday guests at Alfred Lyon's.

Mr. and Mrs. J. W. Bickenkaff and little daughter visited relatives at St. Johns Thursday and Friday. Mrs. Bickenkaff and daughter will visit her parents at Lake Odessa, before returning.

THE COUNTY AUDITORSHIP

There are ten candidates for the Republican nomination for county auditor at the primary election to be held March 5th. It is going to be as pretty a political contest as has been staged in Wayne county for some time. The women voters will be a mighty important and uncertain factor in the election this spring.

A BUSINESS BOOM

We have talked recently with a good many business men and farmers in and around Plymouth, and they are all in the belief that this section is in for a business boom, a business revival, during the coming spring.

And what holds true with them on a big scale should hold true with our merchants right here in Plymouth on a smaller scale. The people have money to buy with, and if they get the money they must spend it.

ABOUT PIG CLUBS

When somebody proposed a few years ago that the boys of Georgia form pig clubs, and raise pigs, it was declared to be a tad, and would not last. Throughout the west, kids have been doing the same thing—and with profit—for years.

AEROPLANE EXHIBIT AT DETROIT AUTO SHOW

Detroit's automobile show which is to be held March 1st to 8th will probably be the first exhibit in the country which can boast of an aeroplane exhibit where the product is actually offered to the buying public.

Aeroplanes have been shown before on numerous occasions but merely as curiosities. Now comes a manufacturer who will offer the buying public an opportunity to purchase airplanes for general use.

PLENTY OF MUSIC ASSURED

Best Bands of Detroit On Entertainment Program of Auto Show.

One of the many features which will place the 1919 Detroit Automobile Show in a class by itself is the musical program which is being arranged in conjunction with the many motor car factory bands which will give concerts throughout the week during the afternoon and evening of each day.

There are said to be 3,450 kinds of cars, and with Plymouth man's wife says she has something to say to him in private he experiences every one of them.

The opening night of the show the Ford Motor Company Band will be on hand, and this organization is undoubtedly one of the best known in this part of the country.

When the doors of the Detroit Show are opened March 1st, an exhibition which is more truly automotive than any ever before produced will be offered for public approval. Not only is this exhibit one of motor cars, but there will also be found in the big auditorium commercial cars, tractors, accessories and an aeroplane, an array practically covering the entire automotive field.

AUTO SHOW, MARCH 1 TO 8

With every inch of available exhibition space in the enormous Crostown Building taken by exhibitors, the management of the 1919 Detroit Automobile Show is now devoting its entire time to working out details in connection with the decorations which assure Detroit of a show far superior to anything she has had in the past.

The show opens March 1st and is open every day including Sunday, until March 8th.

EXHIBITS OCCUPY ALL SPACE

INCOME TAX FORMS MAY BE OBTAINED

DISTRIBUTION OF BLANKS FOR \$5,000 OR LESS ORDERED.

Individuals with incomes of \$5,000 or less may obtain income tax forms at the offices of revenue collectors or banks. The revenue bureau announces today.

The forms have been distributed throughout the country, and were released for distribution today.

The forms for individual incomes of more than \$5,000 and other tax return forms will be available within two weeks.

Married persons or heads of families, who make \$2,000 or more, and single persons who made \$1,000 or more in 1918, must make out returns before March 15th.

Accompanying the individual return form is a certificate for use of farmers in determining net income in 1918.

This will assist a farmer in determining value of crops, live stock, corn products, live stock products and other materials, sold and on hand and expenses. The form is itemized in detail.

There's one thing that legislation cannot do—and that is to raise the suit case above suspicion.

There are said to be 3,450 kinds of cars, and with Plymouth man's wife says she has something to say to him in private he experiences every one of them.

There are Plymouth men who will laugh at a woman when she pays five cents for a package of chewing gum—and then they'll turn right around and spend three times as much for a hunk of tobacco.

It has long since been said that happiness is the cheapest thing to buy. And yet lots of rich men can't buy it.

The more careful a Plymouth woman is about her complexion, the more careless she usually is about her housework.

You have also doubtless observed that when some people "speak their minds" they don't say very much.

When it is announced that a newly-elected official has "entered upon his duties," it is another way of saying that he has started in to draw his salary.

It is much easier for the average Plymouth young man to fool his own mother than it is to fool any other woman.

Written columns declare that Germany is not a land of graves. And yet, unfortunately, we can't go to a cemetery to hunt the ex-kaiser and his six sons.

Four years at West Point in order to become a warship's captain to the average young American like the shortest measure of last year did.

The Plymouth man who can "drub" of love is said to be "entered upon his duties," it is another way of saying that he has started in to draw his salary.

William Habermann is not attending the peace conference, owing to circumstances over which he has no control.

What has become of the old-fashioned "made" who used to say, "I will do it myself" to a man if his wife's a waster?

OAT SMUT AND ITS CONTROL

The importance of oats is exceeded in acreage and value only by corn and wheat.

The average area annually devoted to oats in the United States for the last five years was 39,459,000 acres. The average production has been 1,296,437,000 bushels with an average value of \$593,486,000.00.

The acreage in Wayne County devoted to this crop is 30,000 acres with an average production of 50 bushels per acre. This means an annual production of 1,500,000 bushels.

Treating of all the seed oats for smut yearly would mean a saving of \$37,500.00 in Wayne County alone as the annual loss is on the average 2 1/4 bushels per acre or 5 per cent yearly.

Cost of Treatment
The cost of treatment including labor and the material is less than 12 cents per acre or a total for Wayne County of \$3,600.00, making a saving due to treatment of \$1.13 per acre or a total for the county of \$33,900.00.

In order to make work successful over the entire county, each and every farmer must not only realize what a saving can be made, but be willing to treat his own seed and see that his neighbor does also.

More than 50,000 farmers co-operated with the agricultural county agents last year in the 33 northern and western states in treating seed oats for smut. Their efforts resulted in more than 1,000,000 additional acres of oats being sown with treated seed.

Based on reports made the previous year, the results of this work increased the yield an average of four bushels an acre, and this increase was brought about in most cases at a cost of less than 10 cents an acre.

A LODGE OF SORROW

A Lodge of Sorrow, under the auspices of the Masonic Masters' Association of Wayne County, will be held in Arcadia on Monday evening, March 23rd, at 8 o'clock.

This memorial service will be in honor of the members of the Masonic fraternity, who have made the supreme sacrifice in the great world war, and will be public for Masons and their families.

Boxes will be reserved for the mourners. Monroe, Pennington and King Chapters, Monroe Council, Detroit, Damaeas and Highland Park Commandries, Michigan Sovereign Consistory, the Shrine and Grotto will act as honorary escort, and it will be the first time in Masonic history that all bodies of Masonry will meet on a common level.

The arrangements are under the supervision of Brother Past Master George W. Graves of City of Straits Lodge, as master of ceremonies.

NOTICE!

CHANGE OF RATE!

The extra high cost of repairs and labor entering into the adjusting of claims has made it necessary for The Automobile Protective Association to change its rate from 25c to 40c per h. p. on all cars and trucks. The rate of 25c per \$100.00 of the list price of the car when new and \$1.00 membership fee will remain the same. The new rate is in effect March 1st, 1916. All applications received during February or post marked February 28th will be accepted at the old rate of 25c per h. p. Under no conditions will applications dated March 1st, 1916, be accepted at the old rate.

Bear in mind at the new rate The Automobile Protective Association is yet giving the driver more and better protection than he can secure from any other source and for less money. Our policy is the most liberal one we know of. Our collision clause is very broad. Our records show that half of our claims are for collision. If you want this protection, which we were the first mutual company to give, at the old rate get in your application by February 28th.

KING'S CORNERS
The Helping Hand society will meet Wednesday, March 6th, at the home of Mrs. Charles Jubberville. Dinner will be served at noon. All will be welcome.

While cutting logs, last Tuesday afternoon in the woods north of Livonia Center, Matt Pisarek was hit by a falling limb, that had lodged in a tree nearby, breaking his arm near the wrist, which was also dislocated. Eye witnesses say it was a miracle that both men were not killed.

Mrs. James Burns, who has been visiting her sister, Mrs. C. F. Jubberville, the past two weeks, returned to her home in Memphis, Tennessee, Monday.

Mr. and Mrs. Fred Steinable and daughter, Evelyn, were Sunday guests of their uncles, Jacob and Benjamin Bland.

The Liberty Club met last Thursday at the home of Mrs. David McCracken, with fifteen ladies present. Knitting and sewing was the order of the day, and as the noon hour drew near, they all did simple justice to the sumptuous dinner prepared by the hostess.

Mr. and Mrs. Lewis Jubberville and two sons, Charles and Richard, of Royal Oak, were visitors from Saturday till Monday with the former's parents at this place.

Robert McKee was seen on the King road, last Saturday.

William Witt is drawing gravel and other material and is getting ready to build a new barn on the farm he recently purchased.

Matt Pisarek called on his daughter, the Mesdames Kaiser, near Plymouth, Monday.

Miss Minnie Theock is spending a few days with her daughters at Easton.

Mr. and Mrs. Edward Kempf and son, Alvin, and Mrs. Marie Proctor and son, all of Detroit, were week-end guests of their parents, Mr. and Mrs. Herbert Bakewell.

Several from here attended the party at Joe Bock's, Tuesday night. There was quite a large attendance at church, last Sunday. Let us try and make it more next Sunday. The "Entre Nous" will also hold their meeting at the church on Sunday afternoon. Meetings will begin at 7 o'clock. Everybody cordially invited to attend.

Private Edward J. Holmes, a well known young man from here, now with the Marines in France, in a recent letter says, "France is all right but give me the U. S. A. for mine."

Mr. and Mrs. John Beyer and son, Donald and Ted Cousins, spent Sunday last, visiting Mr. and Mrs. N. P. Anderson of Detroit.

The Salem Institute was postponed to March 23 in Salem town hall.

FRAIN'S LAKE
Mrs. Lena Staebler spent Monday afternoon with Mrs. Albert Staebler. Mrs. Theresa Lyke is still in Ypsilanti, where she has been under a nurse's care. She has the influenza, but is much improved.

Wallace Hewitt, living on the Frank Murray farm, had a narrow escape from drowning, last Friday, while cutting ice in the center of Mud Lake. He was assisting the Carter Bros. in cutting and had just returned from dinner and was alone. The first time he came up to the surface, he was unable to see enough to find anything to cling to, but the second time he grabbed a straight edge, a board used for marking ice, which was partly frozen to the ice so to enable Mr. Hewitt to cling to it until he could pull himself out. Had it not been for the straight edge, he would have been in exactly the same place he went in, he could not have saved himself.

The many friends of Mr. and Mrs. Wallace Hewitt gathered at their home, Tuesday night, and gave them a farewell party, as they are about to take up their residence in Detroit. The evening was spent in dancing, after which a bountiful supper was served.

Ralph Lyke and wife spent Sunday in Ypsilanti as guests of Mrs. Lyke's mother.

Don't forget the Ladies' Aid dinner, Saturday, at the home of Thos. Geer. The men will entertain.

WEST PLYMOUTH
Mrs. Don Packard visited her mother in Wayne, Thursday. Mrs. Durfee's health is very poor.

Don Packard-made a business trip to Detroit, Thursday.

R. L. Sackett and Mrs. George Butler of Detroit, visited at John Butler's, Sunday.

Mrs. Adelaide Stout and Mrs. Theresa O'Bryan were guests at James Heeney's at Northville, Monday and Tuesday of this week.

With these items the present correspondent closes her work. She wishes to thank all those who have so patiently and courteously contributed to the success of West Plymouth items; also the Mail for many courtesies.

AMERICAN PEOPLE READY TO COMPLETE THE JOB
Victory Liberty Loan Must Succeed to a Degree in Keeping With Success of Former Loans.

By CHARLES M. SCHWEPPE, Director of Victory Liberty Loan Campaign, Seventh Federal Reserve District.

Despite the fact that hostilities have ceased and preliminary steps to the signing of a peace treaty been taken, our big war job is not finished. The job will not be completed until the war bills are paid and the state of the nation is clean. Those of us who remained on this side of the water still have work to do to polish off the great victory won by our soldiers and sailors, and the work before us is as patriotic and essential as that already accomplished.

The Victory Liberty Loan must succeed to a degree in keeping with the success of the four previous loans. This success can be attained only through the efforts and enthusiasm of the entire people. Liberty Loan organizations must put into their efforts the same vim and fire that characterized their work in the previous loans. The people must do everything within their power to aid the organizations in performing the task that is as much theirs as in the time when the nation was warring.

The spirit of thanksgiving should permeate the American atmosphere—should dominate the heart of every citizen, for if it had not been for the extensive preparation to fight the central powers until victory perched upon our banner the war would have been prolonged indefinitely, with a consequent loss of thousands of lives that otherwise were saved to us when the German general staff acknowledged the futility of continuing the struggle for world domination. The great victory was achieved very largely through the shells that were never exploded, through the soldiers that did not go across, and through the general preparations in other directions. The American people can give expression to their thanksgiving by subscribing to the limit of their ability in making the Victory Liberty Loan an overwhelming success.

The fullness of the great victory will not be realized until the war bills are paid and all the boys brought home. The expenses of the war have been huge, but America set out to win the war at any cost, and now, with victory secure, the American people stand ready to complete the job assigned to them—providing the money necessary to win the victory.

—HELP "FINISH THE JOB."—

MARTYR HELD IN REVERENCE
St. Catharine Occupies Exalted Position in the Calendar of the Roman Catholic Church.

Among the earlier dates of the Roman Catholic calendar St. Catharine holds an exalted position, both from rank and intellectual abilities. During persecution instituted by Emperor Maximus II. St. Catharine was martyred, the tyrant reserving a more cruel punishment for her than any of the rest of his victims. She was placed in a machine, composed of four wheels, connected and armed with spikes so that the victim would be torn to pieces as they revolved. A miracle, it is said, prevented the completion of this project, as a flash of lightning severed the chords with which she was tied, shattering the engine and killing the executioners. Maximus ordered that she be carried beyond the walls of the city; scourged and beheaded. From the circumstances relating to the wheel, the well-known circular window in ecclesiastical architecture is known as Catharine-wheel, and also a firework of the same name. This St. Catharine, who lived in the fourth century, is not to be confounded with the equally celebrated St. Catharine of Siena, who lived ten centuries later.

Our War With Mexico.
The Mexican war of 1846 lasted nearly two years. The first actual combat and bloodshed was on April 25, 1846, between a band of Mexican troops that had crossed the Rio Grande and a company of American soldiers. On May 17, 1846, President Polk sent a special message to congress setting the facts and circumstances, and said: "As war exists, and notwithstanding all our efforts to avoid it, it exists by the act of Mexico herself, we are called upon by every consideration of duty and patriotism to vindicate with decision the honest and just rights and the interests of our country." During 1846 the battle of Palo Alto was fought, May 8; battle of Resaca de la Palma, May 9; battle of Buena Vista, February 22, 1847; the battle of San Jacinto, September 8, 1847; the battle of San Antonio de Padua, December 10, 1847.
