THE TOWNSHIP TICKETS

REPUBLICAN TICKET

The Republican caucus held Satur-
day afternoon at the village hall, to
nominate township officers was not
largely attended. Sixty-four ballots
was the largest number cast. One
of the surprises of the caucus was
the small number of ladies present.
It was supposed by local party lead-
ers that the ladies would be a dom-
inant factor in the making of a town-
ship ticket this spring.

The caucus was called to order by
Supervisor W. T. Rattenbury, chair-
man of the township committee. W.
H. Hoyt was chosen permanent
chairman and Julius Kaiser, secre-
tary. The chairman named Miss
Corra Peihaga and F. B. Park as tel-
lers.

For the nomination of supervisor
there was a real contest with N. I.
Moore, Albert E. Eckles and Arthur
V. Jones the leaders in a field of
five or more favorites. On the fifth
ballot Mr. Jones withdrew his name
and the nomination went to Mr.
Moore on the sixth ballot. Miss
Lina Durfee for clerk, Julius Kaiser
for treasurer and Mrs. M. A. Pat-
terson for justice of the peace, full
term, were nominated by acclama-
tion. There was little or no oppo-
sition in nominating the balance of
the ticket. The following is the ticket as
nominated:

Supervisor—N. I. Moore
Clerk—Miss Lina Durfee
Treasurer—Julius Kaiser
Justice of the Peace (full term)—
Mrs. M. A. Patterson
Justice of the Peace (vacancy)—
John E. Wilcox
Highway Com'r—Nelson Cole
Highway Overseer—H. A. Spicer
Member Board of Review—S. E.

Drain Assessor—Theodore Chilson
Constables—George Springer, Wm.
Henry, Clarence Pelley, Charles Mil-
lard
Caucus Committee—W. T. Ratten-
bury, N. I. Moore, S. E. Campbell.

DEMOCRAT TICKET

At the township Democratic caucus
held at Connor's store, Tuesday
evening, the following nominations
were made, a total of 24 votes being
cast, John Quastel, Sr., acting as
chairman, and Ruth Huston as secre-
tary of the caucus:

Supervisor—George Robinson
Clerk—Ruth Huston
Treasurer—Mrs. Roy Parrott
Justice, (full term)—Edward H.
Tyrhe
Justice (vacancy)—Arestus D. Ford
Highway Com.—Wm. A. Robinson

Constables—Fred Mills, Marshall

A PLEASANT OCCASION

A pleasant meeting of Rebekah
Lodge, No. 183, was held in Odd
Fellows Hall, last Friday evening,
March 14th. The address of the
order were impressively conferred
upon five candidates. During the
evening a Ladies' Dramatic Society
gave a most enjoyable performance
with a special benefit of coffee
and pastries in remembrance of
his birthday. Captain Archie
Henderson also presented the drama
with a special benefit of coffee
and pastries. At the conclusion
of the work, light refreshments
were served. All present declared it
one of the most enjoyable meetings
of the year.

THE TOWNSHIP TICKETS DRY COMMITTEE IS CHOSEN

TO LEAD IN CAMPAIGN TO DE-
FEAT SALOON AMENDMENT
IN PLYMOUTH.

A meeting of those interested in
the defeat of the proposed saloon
amendment to be voted on April 7th,
was held in the village hall, last
Friday evening, and steps taken
toward organizing for the campaign
in Plymouth township.

Rev. Frank M. Field called the
meeting to order and made a few
remarks concerning the nature and
importance of the proposed amend-
ment, calling attention especially to
the cunning trickery of the propo-
sition, it being so camouflaged as pur-
posefully to mislead the voter. A discussion
followed, which was participated in
by a number of citizens, both men
and women.

It was the unanimous judgment of
the meeting that W. R. Shaw be
asked to serve as chairman, assisted
by a committee consisting of
D. Brown, Fred H. Bird, F. M. Field,
Mrs. George Robinson and Mrs. Wm.
Sutherland. This committee met and
outlined a plan of campaign, provid-
ing for the division of the village
into nine districts, six in Precinct No.
1 and three in Precinct No. 2, with a
captain over each district, and also
in each school district outside the
village, and both a man and a woman
to look after registration and getting
the voters out on election day for
each twenty or thirty houses.

The committee are all of the
opinion that most is to be feared from
the stay-at-home voter and the
women who fail to register and vote.

A CHANCE TO BOOST THE HOME BAND

Plymouth is fortunate in having
one of the very best bands in the
state. Plymouth is proud of the
Millard band, and our citizens appre-
ciate the fact that they have ever been
ready to give their services on every
public occasion, and almost always
with little or no compensation. Frank
Millard, the director, is entitled to
much credit for the splendid musical
organization, which he has developed.
It has been no easy task, but he has
had the hearty co-operation of all
the members, and the result is an
excellent band of thirty pieces.

It is now time to begin planning
for the Saturday evening concerts,
which have always been so popular
in Plymouth. A plan has been formu-
lated whereby everybody in the vil-
lage will have an opportunity to
help in financing these concerts, aside
from the sum that is received from
the business men. Subscription pa-
pers have been placed in the Ply-
mouth United Savings Bank, and the
branch bank in north village, where
everybody will have a chance to
voluntarily subscribe any amount,
large or small. These contributions
can be paid at the bank now or at
any time before next Labor Day.
The money is to be handled by the
bank, and the director will receive a
statement of the receipts and dis-
bursements will be published. This
is the first time that our citizens
have been asked to contribute to the
band, and we believe that they will
show their appreciation in a most
substantial manner. The boys have
been very anxious to express their
gratitude to the director, and we
trust that they will be able to do so
by all means in providing the money
for the coming season's concerts.
They will be particularly glad to
contribute to give Plymouth a high-
class band.

DEATH OF PROMINENT LIVONIA LADY

MRS. JOHN BENTLEY PASSED
AWAY AT HARPER HOSPITAL,
FRIDAY, MARCH 14.

The funeral of the late Mrs. John
Bentley was held Tuesday afternoon,
March 18, from the residence of her
son, George N. Bentley, at Elm, Rev.
L. M. Bicknell officiating. Interment
at Riverside cemetery, Plymouth.
The bereaved family have the sym-
pathy of the entire community.

Margaret Bredin was born March 6,
1861, in Londonderry, Ireland. She
was the eldest daughter of William
M. and Sarah E. Bredin. At the age
of fourteen years she came with her
parents to Michigan. After residing
in Redford township for four years,
they removed to Livonia, where the
deceased had spent the remainder of
her life. November 9, 1869, she was
united in marriage to John J. Bentley
of Livonia. To this union three chil-
dren were born, George, Clyde and
Shirley, who died in infancy.

Since early youth Mrs. Bentley has
been an earnest church worker, being
baptized in the Presbyterian church
when a child. About sixteen years
ago she became a member of the
Baptist church at Plymouth. For
several years she attended church
at Livonia Center, being a member
of the Ladies Aid society of that
church, since its organization, and
acting as president of the society for
several years. On Easter Sunday,
1917, she with her husband united
with the Presbyterian church of
Plymouth. After an illness of nearly
four weeks, she passed away, Fri-
day, March 14, 1919, at Harper hos-
pital, after undergoing an operation.

Mrs. Bentley was a loving, faith-
ful wife, a kind and devoted mother,
and a true Christian friend to all who
knew her. It has been said: "God
could not be everywhere, so He made
mothers," and she certainly was a
true mother in the finest sense of the
word. She was an energetic member
of the Elm Red Cross and was ever
ready to help in all charitable work.

She leaves to mourn her departure
her husband, two sons, George N. of
Elm, and Clyde A. of Redford; two
sisters, Mrs. J. E. Robbe and Mrs.
J. E. Glass; two brothers, William E.
and Robert Bredin, all of Livonia;
also two grandchildren, Dorothy and
George Nelson Bentley, and a host of
relatives and friends by whom she
will be greatly missed.

DEATH OF PROMINENT LIVONIA LADY

MRS. JOHN BENTLEY PASSED
AWAY AT HARPER HOSPITAL,
FRIDAY, MARCH 14.

The special number on the Citizens'
Entertainment Course was given in
the High School Auditorium, last
Tuesday evening, when the Schumann
Quintet, composed of two ladies and
three gentlemen, gave a delightful
musical entertainment. The program
was composed almost entirely of
classical music, and each member of
the company proved to be an artist
of unusual ability. It was indeed a
treat to all lovers of high class music.

OBITUARY

ADOLPH SEITING

Adolph Seiting was born in Bocknaw Germany, June 28th, 1846. He left his parents, three brothers and two sisters, and came to America in 1871, at the age of twenty-five years. Later his brothers and sisters came to this country, but have passed on some years ago. Three years after coming to this country, Mr. Seiting married Miss Caroline Helm, and located in the present home in Livonia township. October 17, 1876, a son, Frank, came to bless their home. On March 5th, Mr. Seiting fell from his wagon, apparently from heart trouble. He lingered a week suffering greatly. He was very patient in his suffering and died on Wednesday, March 12. He was respected by a host of friends, and leaves a widow and a son to mourn their loss. The funeral was conducted by Rev. Luther Moore Bicknell from his late residence, Saturday afternoon at one o'clock. Interment was made in Riverside cemetery.

MRS. FREDERIKA MELOW

Fredrika Melow, nee Garchow, was born in Mecklenburg, Germany, October 24, 1842. She was one of a family of four children, and being left an orphan at the age of six years, was given a home by the minister of their church and his family. At the age of 26, she came to the United States, where in 1868, she married the late Otto Melow, and for forty-nine years lived a happy and prosperous life in this immediate vicinity. To them were born ten children, two dying in infancy and Otto, passing away at the age of 39 years. Mother Melow was a faithful, kind, considerate, economical, uncomplaining. She was a wonderful mother; ever ready with sympathy, love and encouragement, and a true Christian. In her church, whenever her health permitted, she was an interested worker. In her home and neighborhood, the same christian spirit permeated. This wonderful faith developed in her a broadness and generosity of mind that you felt you were fortunate to know her. Since the death of her husband, Nov. 28, 1917, she has made her home with her daughter, Ella, near Farmington. Although content with health, comfort and loved ones near her, yet in her heart was a loneliness that must come to those who have known a close companionship for nearly fifty years. She was ready to go and only waited her call. Truly such as she can enter the kingdom of heaven. She was ill only a few days, starting with a hard cold and developing neuritis. On Friday her condition became worse, but her family was not seriously alarmed. At nine o'clock in the evening a decided change took place, and at 10:30, she peacefully closed her eyes and passed so serenely to her eternal rest. She attained an age of 76 years, four months and eighteen days, and leaves her children, Mrs. Ed. Baumann of Farmington; Mrs. Albert Schroeder, Mrs. E. Rewald, Mrs. A. Miller, Fred Melow of Livonia; John Melow of Farmington; William Melow; the sons and daughters-in-law and fourteen grandchildren. The funeral services were held at the Lutheran church in Livonia, Monday afternoon, Rev. Chas. Straesen officiating. Interment in Livonia cemetery.

Vote "No"

Voters of Plymouth, men and women, are you doing your best to help defeat the so-called "Beer and Wine Amendment," or are you careless and indifferent. With devilish cunning, the liquor men have fashioned a law to overthrow all previous prohibition laws in our state, and make Michigan again a "wet" state, where liquor can be freely sold without let or license.

Listen to Section 12: "It shall be forever lawful in this state to import, transport, manufacture, use, buy, sell, keep for sale, give away, barter or furnish every kind of Cider, Wines, Beer, Ale, and Porter and to possess the same in a private residence."

What would happen if this Amendment should be adopted. It would take effect May 7, 1919. Saloons would then be legal for every kind of beer, wine, ale, porter and hard cider. The legislature would have been adjourned before that time—therefore no laws could be passed to regulate the manufacture and sale of the above named liquors for nearly two years unless a special session should be called. No village or city could impose regulations upon saloons, for the legislature only may pass laws upon such subject and its laws must be general—applying to the whole state.

It will be lawful to place kegs of beer, ale, wine, porter or hard cider where anyone may get it anytime, Sundays, holidays and election days included. Giving away of such liquors on trains, inter-urbans and at depots will be lawful. It would be lawful to give such liquor to any boy, girl, common drunkard, locomotive engineer, electric motorman, jitney driver, prisoner inside jail or prison, policeman on his beat, inmates of insane asylums or any one else. Danger will be encountered everywhere from drunken drivers, street brawls, on trains and trolley, wherever men become crazed with liquor.

We have seen the benefits of a "dry" state. We have had a Peace Day celebration, with the largest crowd ever gathered in Plymouth, and no drunkards to be seen, no fights, no accidents.

God help us to keep our Michigan dry. Women, if you have not registered, do so now. Register with the Township Clerk at Beyer's Garage, before March 29th. Then cast your ballot April 7th, and let your vote be "No."
