## EASTER MEETINGS FINE SUCCESS

LARGE AUDIENCES AT METHO-  
DIST CHURCH.

The special Easter meetings con-  
ducted by Rev. Frank M. Field at  
the Methodist church, assisted by the  
Conner Trio of Lima, Ohio, were  
more successful than most of those  
interested dared to hope. For three  
weeks the church was filled nearly  
every night and several times on  
Sundays, and scores of people have  
testified to the genuine uplift and in-  
spiration received at the meetings.

The forty enlistsments for the Chris-  
tian life do not represent all the good  
accomplished, for the whole church  
is stronger and more alert for Chris-  
tian service.

Mr. and Mrs. E. G. Conner and  
Miss Helen won hosts of friends by  
their genial ways and consecrated  
talents. They made a wide acquain-  
tance for the short time they were in  
Plymouth, being entertained in three-  
different homes.

Next Sunday will be Membership  
day at the M. E. church, as a fitting  
sequel to the Easter meetings.

## COMMUNITY NIGHT PICTURES TUESDAY

BABIE MARIE OSBORNE PIC-  
TURE SCHEDULED.

It has been decided to have the  
weekly Community Night at the  
Methodist church with motion pic-  
ture programs on Tuesday evening,  
instead of Friday, as was announced  
last week. The first number will be  
next Tuesday evening, when "Cupid  
by Proxy," one of the popular pic-  
tures starring Babie Marie Osborne,  
will be shown. The program will be  
in at 7:30 instead of 8:00 o'clock as  
formerly and several new features of  
a social nature will be added.

## COVERDILL FARRAND

The marriage of Miss Marjith  
Farrand to Forrest L. Coverdill took  
place at the home of the bride's  
parents, Mr. and Mrs. William Far-  
rand, on East Ann Arbor street, at  
10:30 on Easter Monday. Rev.  
Frank M. Field, pastor of the Metho-  
dist church, performed the cere-  
mony in the presence of the im-  
mediate families. The bride, com-  
panied by her father, wore a gown  
of white silk and a train of white  
satin. The groom, who is a gradu-  
ate of the University of Michigan,  
wore a suit of dark gray. The wed-  
ding service was a simple and beau-  
tiful one. The bride and groom were  
seated on a carriage and returned  
to their home at 11:30. The celebra-  
tion will be continued at a dinner  
at the home of the bride's parents  
at 1:30 p. m. on Tuesday.

## TWO NEW INDUSTRIES

NATIONAL FOUNDRY AND MA-  
CHINE CO. PURCHASE THE  
PLYMOUTH MOTOR CASTINGS  
CO. PLANT AND HAVE COM-  
MENCED OPERATIONS.

Plymouth citizens will be pleased  
to know that the plant formerly own-  
ed by the Plymouth Motor Castings  
Co. is again in operation. The Na-  
tional Foundry and Machine Co., with  
plants in Ypsilanti and Detroit, are  
the new owners, having purchased  
the property from the receiver of the  
Plymouth Motor Castings Co.

The new company will produce a  
high grade of gray iron castings, and  
while the plant is in actual operation  
at the present time, there is much  
preparatory work to be done in get-  
ting the buildings in shape before  
work on a larger scale can start.

The general office of the  
company is located in Ypsilanti.  
The officers of the company are  
Robert E. Vincent, president; William  
E. Downey, vice president. Both of  
these gentlemen are connected with  
the Vincent Steel Process Co., of De-  
troit. Secretary, W. D. Allen; treas-  
urer, Ira S. Parke. Mr. Allen and  
Mr. Parke are son-in-law and son  
of the late Mr. Parke of Parke  
Davis Co., Detroit. Assistant treas-  
urer and general manager, William  
Nickles.

The new company have an outlet  
for all of their production, and there  
is every reason to believe that the new  
plant will be one of Plymouth's most  
prosperous and successful industries.

In connection with the new foundry  
company, another industry has come  
to Plymouth. The Central Specialty  
Co. of Detroit, have acquired some  
space in the foundry and are turning  
out piston rings in large quantities  
daily. Machinery has been installed,  
and the company has about a dozen  
men employed at present. This com-  
pany also has a plant in the city.

## VILLAGE COMMISSION IN REGULAR SESSION

The village commission met in  
regular session Monday evening.  
The usual routine of business was  
transacted. The commission ac-  
cepted the bid of S. E. LaFave for  
building cement walks. The price is  
17c per foot for sidewalks and 20c  
per foot for street crossings. There  
were three bidders. The several  
petitions for drains presented at a  
previous meeting, were placed on the  
table for further investigation and  
consideration. New sidewalks were  
ordered built on Harvey street and  
Fairground avenue. The matter of  
transferring an auto fire truck was  
disputed at some length by the com-  
mission, but no action was taken.

## WILSON-RICHWINE

The marriage of Miss Edna E.  
Richwine to William Wilson took  
place at the home of the bride's  
parents, Mr. and Mrs. William Wilson,  
on Sunday morning, April 24th. The  
ceremony was performed at eleven  
o'clock by Rev. Frank M. Field, pas-  
tor of the Methodist church. The  
bride, who is a graduate of the Uni-  
versity of Michigan, wore a gown  
of white silk and a train of white  
satin. The groom wore a suit of  
dark gray. The wedding service  
was a simple and beautiful one.

## A NEW RAILROAD FOR PLYMOUTH

The following item appeared in the  
Pontiac news column of last Sunday's  
Detroit News Tribune, which will be  
of interest to Plymouth citizens:  
"Work on the survey for a con-  
necting railway belt line which has  
been proposed for a year, is said to  
be practically completed, and the  
right of way secured with the excep-  
tion of a few parcels. The plan is to  
start from a point on the river sev-  
eral miles below Detroit, and take  
in Plymouth, Romulus, Wayne,  
Northville and Farmington, Pontiac,  
Utica and Mt. Clemens and proceed  
to Marine City, connecting with the  
Bay City and Southeastern. This  
would give connection with the Wa-  
bash, Michigan Central, Pere Mar-  
quette and Grand Trunk roads."

## FORMER PLYMOUTH BOY GETS PROMOTION

The following item from the Mich-  
igan Investor, tells of the promotion  
of a former Plymouth boy, Clay A.  
Hoyt, son of W. H. Hoyt of this vil-  
lage.  
Because of ill health F. A. Green-  
felder, who for the past 15 years has  
guided so successfully the affairs of  
the Chesaning State Bank at Ches-  
aning, has resigned the position of  
cashier and is succeeded by Clay A.  
Hoyt, former cashier of the American Sav-  
ings Bank of Lansing. Mr. Hoyt was  
formerly connected with the Ex-  
change Bank of B. G. Coryell of  
Chesaning. In the 15 years that  
Mr. Greenfelder has been the active  
head of the bank, it has made steady  
growth and today is in splendid posi-  
tion with assets in excess of \$75,000.

## THE VICTORY LIBERTY LOAN

The Victory Liberty Loan cam-  
paign in Plymouth is progressing  
rather slowly, only about \$30,000 of  
\$155,000 quota had been subscrib-  
ed up until Wednesday night. The  
local committee are making the can-  
vas of the village and township,  
and it is hoped that by Saturday  
night the greater portion of the  
quota will have been subscribed.  
Plymouth has never failed on any  
previous loan in going over the top  
with its full quota, and we will not  
fail on this last one. If you have  
not already subscribed for the best  
investment in the world, do it today.

Mrs. Wyman Bartlett, Mrs. Sewell  
Bennett and Mrs. Sarah Bartlett were  
guests at a dinner party at the home  
of Mrs. Emma Gill in Ann Arbor,  
Tuesday, the occasion being the  
birthday anniversary of Mrs. Jennie  
Gill of Ypsilanti.

## TO OUR PATRONS

We take pleasure in an-  
nouncing that we have se-  
cured the services of Chas.  
Newman of Grand Rapids,  
an expert Plumber, Steam  
and Hot Water Fitter of  
many years experience in  
this line of work to take  
charge of this department  
of our business.

F. W. HILLMAN

## MAY BE HALF LUCK

It is said success is the result of one-  
half luck and one-half ability.

Ability means precaution, alertness,  
patience, stability, earnestness, thrift  
and work.

A good thing may come your way by  
pure chance.

A checking account with this bank  
may place you in a position to take  
advantage of the opportunity that  
comes by chance.

 Price . . . \$1.50 per year

**THE HOUSING PROBLEM AGAIN**  
 The housing problem in Plymouth is daily becoming a most serious drawback to the progress and growth of the village. With the employment of more men by the local factories, the crying need for more houses is keenly felt. It is hard enough to secure new, but to get houses for them to live in is a still harder problem in Plymouth. It has been well known that the organization of a building and loan association by local capitalists would be a big step toward the solution of more houses for Plymouth. Such organizations have been very successful in other places, why not in Plymouth? Other towns like Plymouth have found a remedy for housing problems through the energetic efforts of a well organized Board of Commerce, who have staged a "Build a House Campaign" by inducing a number of individuals to pledge themselves to build one of a number of moderate priced houses for renting purposes. In building a number of houses in this manner they are enabled to get the buildings constructed at a price that brings the investor a fair profit on his investment. It is a cinch that something will have to be done along this line here, in the not very distant future. It is a matter that should interest every business man in Plymouth. In fact it is time for us to wake up and welcome an opportunity that is knocking at our door—a larger and better Plymouth.

**BUILDING RESTRICTIONS**  
 There is a great need in Plymouth for an ordinance providing for building and fire restrictions within the corporation limits. At the present time it is possible to build almost any kind of building on one of the most highly placed in the village. It is also possible to move an old shack to any highly located and nothing can be done about it unless it be by condemnation proceedings. Aside from the unsightliness of such buildings there is always an ever present danger of fire and the endangering of adjacent property. There has been more or less talk of enacting an ordinance of this kind for several years, but as yet it has not materialized. The prompt enactment of such an ordinance would mean much for Plymouth in the future.

**THE RUBBER STAMP**  
 Sometimes we think the man who invented the rubber stamp did so to keep some business men from prospering as they would had such a device never been originated.  
 You see a business or professional man using neatly printed, clean and attractive letterheads and envelopes and billheads and cards, and you set him down as a substantial fellow, one worthy of your business. You see another satisfied to go along with a rubber stamp, and you at once put him down as either a tight-wad or one who doesn't possess much ability along business lines.

No matter what business or profession a man is engaged in, the impression left by his printed matter on the minds of those who do not know him, and never see him, is lasting. They rate him by his taste. And certainly a daubed up return card on an envelope, or a gaudy rubber-stamped letterhead doesn't make a very favorable impression on a stranger. It is written far better to use plain paper altogether.  
 And yet there are in all communities—some right here around Plymouth—who haven't learned these business facts, and who have not discovered that nowadays printed matter is not expensive and yet a thing which may win or lose many dollars in the business world. A word to the wise is sufficient—and it ought to have some effect on the man who uses a rubber stamp.

**ANOTHER BUMPER CROP**  
 According to Uncle Sam's forecast we're in for another bumper wheat crop in this country, and a big wheat crop means prosperity in proportion. He says indications at this time are that the crop will run right around 900,000,000 bushels or enough to warrant classing it as a "billion bushel wheat year."

Everyone will welcome this good news, but at the same time everyone would be glad to know that the time is approaching when food prices are going to take a drop. No one expects them to get back to where they were before the war, but with a loaf of bread costing twice what it originally did, and with sugar selling at exactly double what it retailed for two years ago—with everything else that goes on the table bringing proportionate prices, the news that we are going to have a monster wheat crop, but no cheaper necessities is not going to be as enthusiastically received as Uncle Sam hopes for. Living costs in Plymouth are as reasonable as anywhere else in the

**The Children's Banker.**

**WOMEN WILL RECEIVE MANY VICTORY LOAN MEDALS**  
 As in Former Liberty Loans, Women of District Will Do Great Work in "Carrying On" to Succeed the Victory Liberty Loan.

Ten thousand medals made from captured German cannon are to be distributed to women Victory Loan workers throughout the states of Illinois, Iowa, Michigan, Indiana, and Wisconsin at the close of the coming campaign.  
 The United States treasury department has taken this means of showing its appreciation of the work done by thousands of volunteer workers in Liberty Loan drives. The medals are to be made from German cannon captured by American troops at Chateau Thierry. These cannon have been melted, and the metal rolled into sheets, from which the medals are made.

This badge will be the first of its kind to be distributed in the United States since the war. It will be about the size of a half dollar, and will contain on one side a reproduction of the United States treasury building, with the words, "Victory Liberty Loan," and on the other side the certification of the work done in the Victory Loan campaign with a blank space in which the name of the recipient will be engraved.  
 Women all over the country have shouldered a large share of the work in proceeding loan campaigns, and the roll of honor undoubtedly will be just as large in the coming Victory Loan. In the last drive more than \$3,000,000 was subscribed in amounts of \$1,000 or less, much of which the women's committees were responsible for.

Victory Liberty Loan workers will include many prominent women from this as well as from other districts. Mrs. G. Edgar Allen of Detroit has been appointed state chairman for Michigan. Other state chairmen working under the leadership of Miss Grace Dixon, woman's director for the Seventh Federal Reserve District, are: Mrs. Edward T. Wilson, chairman for Illinois; Mrs. James Mariner, Wisconsin; Mrs. F. H. McCulloch, Indiana; and Mrs. W. W. Marsh, Iowa.

These are only a few of the many women who will lay aside social and business responsibility for patriotic service during the Victory Liberty Loan campaign, and who will be among the thousands of recipients of the Victory Liberty Loan medals.  
 —HELP "FINISH THE JOB."

**PIANO OR LIBERTY BONDS**  
 Successful Business Woman Says She Cannot Buy Luxuries Until Victory Liberty Loan is Triumphantly "Put Over."

"No, I haven't bought my piano yet. I was just about to buy one when the first Liberty loan was announced, and I couldn't make it seem patriotic to spend for purely personal purposes the money that might also help the government. I felt just the same way about the second Liberty loan and the third and fourth, and of course I shouldn't think of buying a piano now until the Victory loan has been triumphantly 'put over.' I couldn't make it seem right."

The speaker last year "wrote" over \$100,000 worth of life insurance business. This year she expects to attain a \$200,000 total, having already \$148,000 to her credit since last July, when the current "insurance club year" started. Oh, yes, she's a real woman! Her name is Maud M. Freeman and she's known to thousands of Chicago business men and women.

She could have bought a piano several times over and still have done her duty by herself and her country in the way of buying Liberty bonds. But her full duty, as this patriotic and successful citizen sees it, means helping on the work of the United States government in every possible way.

She does her duty in the way of War Savings stamps also, to say nothing of Thrift stamps. The latter she uses as tips when traveling, etc. Last

United States. And yet there is not a soul residing here but realizes the fast dwindling power of a dollar. Naturally they want the farmer to get all he possibly can for his products. And they want the retailer to make a fair profit. But it would be mighty hard to convince them that there isn't too great a margin on food stuffs somewhere between the time they leave the farm and reach the table.

**GRAVY**  
 Lead us to the man who doesn't like gravy—some kind of gravy—and we'll show you an unnatural man. And show us the Plymouth girl who hasn't learned to make gravy—all kinds of gravy—and we'll show you a girl whose education has been neglected. Recipes have been written, songs have been composed, and poems have been dashed off on the subject, but like the proof of the pudding the greatest glory is in the eating. Believing you'll agree with us, we submit for your edification the following, handed in by a subscriber: When Ma makes the gravy, us boys have a spell, and Tommy's so tickled he lets out a yell; and big brother Bill comes a-kittin' down stairs, "Somebody set up the chairs!" She stirs in some flour, with the grease piping hot, and then pours the milk in—a whole dandy lot; and sister Belinda starts taking things up—The meat and potatoes—and steps on the pup, 'Cause he's hungry too, and the gravy smells fine! (Stopped over a biscuit the way I like mine!) And Ma says: "My goodness, it simply beats all, You youngsters all act like I'd starved you since fall." Then Pa puts his paper away on the shelf, and tells her: "Make plenty, I'm holler myself," And all of us giggle, and everything hums—When Ma makes the gravy, and supper-time comes.

**ORGANIZES COMMUNITY COMMITTEES**  
 In order for any community to be able to successfully work out any problems they may have, it is necessary to know what those problems are, study how to work them out and have a committee to see that they are properly accomplished. All can not be done in a day, but the start can be made whenever a community decides to take the initial steps necessary to accomplish the big job. The Wayne County Farm Bureau has started to aid the different communities in Wayne county through the community committee plan. The five communities organized during the week of April 14th were: Eureka, Flat Rock, Cherry Hill, Martinville and East Nankia. The community committees, with the section of work they are to be responsible for in each case are here given:

Cherry Hill, Cassin Township Organization—Ralph Jameson of Ypsilanti  
 Boys' and Girls' Club—Miss Alta Fortlog, Ypsilanti  
 Dairying—E. W. Moyer, Ypsilanti  
 Poultry—Mrs. E. W. Moyer, Ypsilanti  
 Horticulture and Vegetable Gardening—Frank Miller, Plymouth  
 Farm Crops—Samuel Spicer, Ypsilanti

Food and Health—Mrs. Charles Root, Plymouth  
 Home Accounts—Mrs. Carl Lewis, Ypsilanti  
 Home Conveniences—Mrs. John F. Root, Plymouth  
 Community Laundry—Charles Root, Plymouth  
 East Nankia Community Organization—Joseph McGarvey, Inkster

Good Roads and Telephone—Cyrus Lathera, Inkster  
 Dairying—E. J. Lathera, Inkster  
 Vegetable Gardening—Chas. Beck, Inkster  
 Boys' and Girls' Clubs—Charles Hough, Dearborn  
 Farm Crops—E. M. Stewart, Inkster  
 Poultry—Mrs. William S. Lathera, Inkster

Hot School Lunch—Mrs. Chris Jorgenson, Inkster  
 Home Conveniences—Mrs. E. J. Lathera, Inkster  
 Drainage—DuBert Lathera, Inkster  
 Food and Health—Mrs. M. J. Lathera, Inkster

This plan of organization means that something will be taken up and carried through in each community so organized. Other communities in Wayne county will be organized as soon as the need and the desire of a community warrants them.  
 O. J. GREGG, County Agent.

**LOCAL NEWS**

Ross Willett was home from Detroit, over Sunday.  
 Charles Olds visited his daughter, Mrs. Earl Stevens, at Ypsilanti, Sunday.  
 Ed. Thomas has purchased the Van-Kwagan property on South Main street.  
 Mr. and Mrs. Claude Williams of Detroit, visited relatives here over Sunday.

Mrs. Ella Hood and daughter, Marian, of Detroit, are spending the week here.  
 A new lot of Children's Hats at Mrs. Charles Dickerson's, 122 Harvey street.  
 The bridge club met at the home of Mrs. B. E. Bennett on Main street, Thursday afternoon.

Mr. and Mrs. William Arthur have moved back from Dearborn to their home on Harvey street.  
 Mrs. Titus Ruff and Mrs. C. Killian were guests of Mr. and Mrs. William Showers at Wayne, Tuesday.  
 Mrs. E. Minor and Mrs. William Rentz of Toledo, and brother, Charles Ruppert, of Montana, are visiting their mother, Mrs. Charles Ruppert, in north village.

Clyde Bentley reports the sale of new Buick cars to the following: Dr. R. E. Cooper, roadster; Dr. D. B. Henry, roadster; R. O. Mimmack and Ira Wilson, touring cars.  
 Born, a little son to Mr. and Mrs. Wesley, Thursday, April 24th.  
 Mrs. Wesley has been living with her aunt, Mrs. C. DePorter, the past winter, while her husband has been at Camp Custer.

Mrs. Henry Hondorp pleasantly entertained several neighbors and friends at her home in north village, Wednesday afternoon, in honor of her mother-in-law, Mrs. Hondorp, of Grand Rapids.

The following out of town friends attended the Richwine-Wilson wedding: Mrs. George Richwine, Sr., and son, Lawrence, of Detroit; the Misses Helen and Jeanette Hubbard of Pontiac.  
 Mrs. E. O. Huston, who underwent a serious operation at Harper hospital, three weeks ago, is getting along nicely, and her friends are hopeful that a second operation will not be necessary, as at first feared.

Mr. and Mrs. Thomas Bacot are visiting the latter's parents, Mr. and Mrs. William Felt. Mr. Bacot has just returned from overseas. He has been in the military service for the past nineteen months, and is now honorably discharged.  
 Thomas Smith, while working in the Pere Marquette yards, last Monday night, fell from a box car and was quite seriously injured. He was taken to a hospital in Detroit, Thursday morning for examination and treatment. The physician in charge was fearful that a bone in his hip was broken, and that he had sustained internal injuries.

Mrs. Bina Wingard of Wayne, sister of Mrs. H. J. Fisher of this place and well known here, was united in marriage to Walter Hull of Wayne, at her home, Saturday evening. They were attended by Miss Edna Fisher and Fletcher Campbell of this place. Mr. and Mrs. H. J. Fisher, Mrs. William Bhaskars, Mrs. Oliver Wingard and Mrs. Sarah Gayds also attended the wedding.

A young man giving his name and address as Abe Alpert of Chicago, fell in some manner from the Pere Marquette Grand Rapids train at Elm station, Thursday morning, while the train was under motion. He was seriously injured about the head. He was brought to Plymouth on the Saginaw train following, where he was given medical attention and later taken to Elms hospital in Schrader Bros' ambulance.

A special meeting of the Order of the Eastern Star was held in Masonic hall, last Tuesday evening. Two candidates were initiated into the order. At the conclusion of the work two selected readings were pleasantly rendered by Miss Edna J. Houls, after which several of the guests were called upon for remarks. The following chapters were represented: Arabion chapter, Lansing; Elms, Royal Oak, Henry and Farmington chapters. After the meeting refreshments were served to about eighty members and visitors. All who attended report an enjoyable evening.

**DELPHIAN CHAPTER MEET**

The Plymouth Delphian chapter held its regular meeting Wednesday evening, April 24th. The subject under discussion, was: Description of Theobald, King of Ansbach I, Saxon Empire, Emperor of East Germany, 1190-1209. At the close of the program, a special prayer was read by Mrs. Paul W. McEwen, of Royal Oak. The next regular meeting will be held on the 30th inst., at which time the 10th annual meeting of the

### Methodist Mention

Next Sunday morning the worshipers at the Methodist church will find a supply of brand new hymnals in the pews, made possible through the generosity of Mr. and Mrs. W. S. Thomas.

The following personal note, taken from the Central Mirror, official publication of the Central Methodist church, Detroit, will be of interest to Plymouth Methodists: "Mr. and Mrs. Frank L. Barrows have just moved to Plymouth, Mich., where Mr. Barrows will act as assistant superintendent of one of the air rifle factories. The Barrows have been in Central for some time, and it is with regret that their many Central friends see them go. Mr. Barrows was active in the Parker class and was on the cabinet. The best wishes for success in his new work go with him."

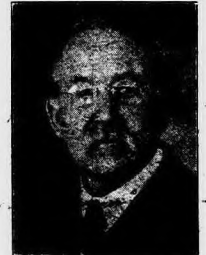

About twenty boys of George Richwine's Sunday-school class had supper at the church last Monday night, and then had a good time playing basket ball. Plans are being made for many good times for the boys, including games, hikes, suppers and a summer camp. The Kappa Sigma Pi, a boys' club, will also furnish many opportunities for the boys to have good times and also to develop true manly character.

The official board held a special meeting at the church, Tuesday evening, and considered a number of important matters of church business. The next regular meeting of the board will come Monday, May 5th.

About twenty young women of the Sorosis Bible Class had a supper and social gathering at the church, last Friday evening, in honor of Miss Murrill Farrand, whose marriage to Bertrum L. Coverdill took place the following Monday. Several other guests were present, including Miss Helen Conner, who entertained the girls with several reading selections.

The Plymouth church was the first one on the Detroit East district to go "over the top" on their quota of Tithers in the big Centenary campaign. Instead of 20 per cent of the membership, the Plymouth church enrolled a little better than 26 per cent as christian stewards. The other churches on the district are following the lead, however, and it will not be long before every church will have done its share toward the "Methodist Million" of tithing stewards.

The Rev. Dr. Dimond, superintendent of the Flint district, was a guest at the parsonage last Monday. Dr. Dimond was a pastor in Flint at the same time as Mr. Field several years ago, following Rev. G. H. Whitney, now of Plymouth, as pastor of the Garland street church.

A. D. Macham is building a new house on Blinnk avenue.

Mr. and Mrs. A. G. Burnett were Chelsea visitors, Monday.

George B. Shafer of Detroit, was a Plymouth visitor, Friday.

William Wood of Beamsville, Ont., visited at E. C. Leach's, this week.

Mrs. Carl Isaminger of Detroit, spent Sunday with her parents, Mr. and Mrs. William Felt.

Harry O'Brien of Detroit, has purchased Ed. Chase's farm just outside the village on the Plymouth road.

Frank Whitbeck, who has been visiting at home for the past ten days, returned to Sioux Falls, the first of the week.

Mr. and Mrs. Cass Benton and Mr. and Mrs. E. C. Laufer went to Wayne, Sunday to attend the funeral of Cal Colykendall.

Mr. and Mrs. Francis Proctor and Morris Proctor and little daughter, Leone, of Detroit, were guests of Mr. and Mrs. William Felt, Sunday.

W. W. Murray has purchased Harry Purdy's house on Starkweather avenue, recently occupied by William Cassidy, and has moved into the same.

Mr. and Mrs. Charles Boyce of Lapham's Corners, have moved to Plymouth. Mrs. Boyce has been a valued correspondent for the Mail at Lapham's for a number of years.

Mrs. L. C. Hall has sold her property on Main street to her nephew, Dr. J. M. Voorhees of Romeo, Mich. Dr. Voorhees expects to move here about the first of May. The cottage adjoining, which is owned by Mrs. Hall is being remodeled, and when completed, Mrs. Hall will move into the same.

Bert LaBundy, who has been employed by F. W. Hillman for several years past, has resigned his position and will move his family to Memphis, Tennessee, where he has a good position. Mr. Hillman has secured the services of Charles Newman of Grand Rapids, an expert plumber and mechanic, thoroughly posted in all that pertains to steam and water heating, also power work and the installation of the same, ventilating, etc.

ONCE MORE, AMERICA!  
Once more, once more, America!  
This is our glory-day!  
And if from now the price is gold,  
We'll smile, and pay and pay!  
There's not a bargain on the books  
We'll stop to question when  
Our homes can pay for victory  
With coin instead of men.  
Great plants that never turned a shaft,  
Great wings that never flew,  
Are better deals to settle now  
Than France and England knew.  
The guns we never fired we'll charge  
To profit, not to loss.  
And count them all less dearly bought  
Than one small wooden cross.  
Thank God for this America!  
For ship and shell and truck;  
Thank God, you million mothers, for  
The blow we never struck!  
Weep for our little mounds in France,  
But laugh with the Spring again—  
We'll rather pay for victory  
With money than for men.

**CHURCH NEWS**

First Church of Christ, Scientist,  
corner Main and Dodge streets, Sunday morning service, 10:30 o'clock. Subject "Probation After Death."  
Sunday-school at 11:30 a. m. Wednesday evening testimony service, 7:30. Reading room in rear of church open Mondays, Wednesdays and Saturdays, holidays excepted, from 2:00 to 4:00 p. m. Everyone welcome. A lending library of Christian Science literature is maintained.

St. John's Episcopal Mission

# The WOMEN have Always Helped—

*God Bless Them!*

We reverence the spirit of America's womanhood. The Bonds they bought were precious, sacred things to them. They felt that every Bond was silent, material proof that they could fight too.

And how they have kept the faith! How they have given their boys, their husbands, their brothers!

How they have sold Bonds and how they have bought them!

And now that the Victory Liberty Loan has come, they will work and save once more.

And let every last man stand shoulder to shoulder with these women and see that the Victory debt is paid.

CHARLES THOMPSON, AUCTIONEER.

Utility, as expressed in the various Buick Valve-in-head models for nineteen-nineteen, is a composite thing, made up of those elements, which may be considered vital factors in the serviceability of a motor car.

Always Buick cars have been developed, not redesigned. And for nineteen-nineteen they reach the highest pinnacle in this development. Each model has a certain scope, a particular range of usefulness. Enough models have been provided in the complete Buick line to enable any purchaser to select a Buick car which is exactly equipped to serve him to the utmost limit of his utility.

**BENTLEY, Agt.**

The Justice court reveals many differences of human nature in the handling of the same case. In the case of the Plymouth family, the father, who is a real "sass" and try to tell the court where to "head in." But that doesn't help their case any. Others are willing to abide by the testimony of the officer, but they were sure they were not "driving over twenty." But most of the victims take it as a joke, say "guilty" as quickly as they can get their breath, pay their fine and hope to dodge the next speed cop. Of the latter class is a Detroit man who was arrested one day last week by Austin Carroll on the Holly-Milford road. He was taken before a Milford Justice, pleaded guilty, paid a fine, thanked the court and officer and proceeded on their way. And a day or two later the officer received by parcel post a box of fine cigars from the same fellow.—Holly Herald.

### CLOVER SEED SHORTAGE REPORTED DANGEROUS

GENERAL USE OF EMERGENCY SUBSTITUTE CROPS NEEDED ACCORDING TO THE M. A. C.

An unprecedented shortage of clover seed demands the general use of this year of emergency crops for hay purposes, if the farmers of the state are to escape serious loss, according to Prof. J. F. Cox, head of the Farm Crops Department at the Michigan Agricultural college.

The danger lies not only in a shortage of the clover crop this year," declares Prof. Cox, "but also in the prospect of serious future loss in cultivated crops such as corn, beans, beets and potatoes, and in decreased production of grains, since on a majority of soils vigorous clover sod is necessary for the success of these crops."

Alfalfa and sweet clover can be substituted where clover seed cannot be obtained. The use of corn (as a forage crop), millet, soybeans, sudan, grass, oats for hay, peas and oats, and sorghum is also possible to meet the shortage of clover. Corn is counted on to supply the largest amount of acceptable forage which can be substituted for hay.

Full information on substitute and emergency hay crops may be had by writing to Prof. J. F. Cox, East Lansing.

### W. C. T. U.

The executive board of the Woman's Christian Temperance Union held a meeting Tuesday afternoon at the home of Mrs. Phoebe Patterson. Vice presidents and superintendents of the various departments were nominated. The hostess then served dainty refreshments and the guests enjoyed a pleasant hour.

We clip the following from the Union Signal of April 17: "Three thousand internal revenue agents working in special enforcement zones throughout the United States will enforce prohibition after July 1, according to plans announced April 9 by the revenue bureau. Nearly 800 inspectors will be trained for the work, to be added to the force of 2,283 revenue agents already available for police regulations and the machinery for enforcement will be in working order before the date when absolute prohibition becomes effective."

### RESOLUTIONS

Resolutions adopted by Plymouth Rebekeh Lodge, No. 182, I. O. O. F. Whereas, In His divine wisdom, it has pleased our Heavenly Father to remove from our midst our beloved sister, Alice E. Hubbell, be it Resolved, That Plymouth Rebekeh Lodge, No. 182, I. O. O. F., has lost a member, one for whom we mourn, who was in every way worthy of our respect and regard. We extend to the bereaved children, brother and grandchildren our deepest sympathies. And out of the darkness and sorrow may God's richest blessing shine as a comfort to those who remain to mourn her decease; therefore, be it Resolved, That a copy of these resolutions be sent to the family of the deceased, that they be published in the Plymouth Mail, and that they be placed upon the minutes of this Lodge, and the charter be draped for a period of sixty days.

"They are going, always going.  
Loved ones going, one by one;  
They are passing, swiftly passing,  
Jesus calls them, one by one."

- Ella Knapp,  
Eva Willett,  
Isle Howe,  
Committee.

### GRANGE NOTES

A very enjoyable meeting of the Plymouth Grange was held Saturday, the 19th, with about eighty present. The session created a great deal of merriment and netted the Grange quite a nice sum. The next regular meeting will be held May 1st in the afternoon.

**If I Were a Farmer**

If I were a farmer I would keep on hand a few reliable medicines for minor ailments that are not so serious as to require the attention of a physician. Such as Chamberlain's Colic, Cholera and Diarrhoea Remedy for children and adults.

Chamberlain's Cough Remedy for cough, cold and croup.

Chamberlain's Linctament for sore throat and throaty pains.

Chamberlain's Tablets for stomach ailments, indigestion and constipation.

These medicines are the kind of a medicine that the farmer should keep on hand in the barn, and would be sure to bring him the best results.

### Today's Reflections

Spring has reached a stage where members of the average Plymouth family are expecting mother to serve stewed rhubarb every day.

According to some fellow's view of reducing living costs, it would consist in raising the price of butter and eggs and reducing the price of parsnips.

Maybe that little boy was not far wrong when he told the Plymouth teacher the other day that the war was caused by "spontaneous combustion."

It is our opinion that if there had been no armistice Foch would have had the kind of peace by this time that the world is really entitled to.

Nothing is more annoying, said one Plymouth man yesterday, than to be range of a pretty girl's smile and then find out that she intended it for someone else.

Ralph DePalma made a record of 120 miles an hour over the streets of Denver, and we suppose when some Plymouth autoists see this they will be encouraged to try the same thing here at home.

A Berlin paper says the German army is defeated, but not the German people. Is that a threat or an invitation?

Now that Mexico is going to have another revolution we can have a little relief. It looked as if as though she was going to behave herself for as long as six months at one time.

A Plymouth man is also known by the company which refuses to keep him on the payroll any longer.

You can never tell. Maybe Mr. Wilson only hunted trouble in France to get out of sight of the suffragette pickets around the White House.

It is not a rule, but it nearly always works out, that the man who can't play poker, but thinks he can finance the game in the long run.

You never hear any pity for the fly in the ointment, and the same is true of the Plymouth man who isn't satisfied with his married life.

There ought to be a law prohibiting some Plymouth men from telling the jokes they think up themselves.

Do You Sleep Well?

To be at his best a man must have sound, refreshing sleep. When wakeful and restless at night he is in no condition for work or business during the day. Wakefulness is often caused by indigestion and constipation, and is quickly relieved by Chamberlain's Tablets. Try a dose of these tablets and see how much better you feel with a clear head and good digestion.—Adv't.

**MICHIGAN STATE FAIR**  
AUG. 29 TO SEPT. 7

Announcement was made April 9 by G. W. Dickerson, secretary and manager of the Michigan State fair, that August 29 to September 7, inclusive, have been selected as the dates for the 1919 exposition.

At a recent meeting of the board of directors, Mr. Dickinson was unanimously re-elected as head of the fair for the seventh consecutive year. Plans to increase the premiums were also adopted.

Indications point toward the coming exposition as being the greatest in the history of the Michigan State fair. The 1918 fair leaped into the lead of state fairs throughout the country, with the largest single day's attendance, the largest gross, and the highest average of premiums per acre and outstanding payment of premiums.

During the past two years the state of Michigan has assumed a leading part in the country, but as union in agricultural, industrial and live stock activities. As the state has progressed, the State fair has increased its exhibits and attractions in both number and quality, until now it is recognized, not as one of the five leading fairs of the country, but as the leader.

In this great era of reconstruction Michigan is not only holding the place it has attained, but is forging further into the front ranks. In the same proportion the Michigan State fair, which is merely a gigantic exhibit of this commonwealth's activities, is advancing by leaps and bounds.

"There seems to be no limit to what the State fair can do this year," Mr. Dickerson said today. "While we have one of the greatest exhibition grounds of the country, indications at present point toward their being too limited. The exhibitors are flooding us with requests for space. Never before in our history has there been such a demand. "We are receiving hundreds of requests for premium lists from farmers and others who have not heretofore exhibited. This condition exists in every part of the state."

Of course this is partially occasioned by the fact that the people throughout the country are awakening to the advantage of fairs. They see they can benefit from their neighbors' experience. Then our premiums are such that the producers of the state cannot afford to keep out of the competition. Last year we paid nearly \$76,000 in prizes, and this year the premium list will not only show more prizes, but also larger individual amounts."

Look at the label on your paper. It tells you when your subscription expires.

**Commissioner's Notice.**

IN the matter of the estate of David Oliver, deceased. We, the undersigned, having been appointed by the Probate Court for the County of Wayne, State of Michigan, Commissioners to receive, examine and adjust all claims and demands of all persons who will present the law office of John S. Dayton, 250 Main street, Plymouth, Michigan, in said County, on Saturday, the 21st day of June, A. D. 1919, and on Thursday, the 21st day of August, A. D. 1919, at two o'clock P. ## Racine Horse-Shoe Tires

This is the tread of the Horse-Shoe Tire, as efficient as it is distinctive, now to be advertised nationally for the first time. Since our first tire was produced eight years ago, we have earnestly striven to make the Horse-Shoe not merely the pattern of an efficient tread, but also the mark of a truly great tire.

Its nearly a million users have been our best salesmen—their spoken word our only advertisement, yet in five years the demand has grown thirty-fold.

We believe this exceptional growth is directly attributable to our earnest ambition to build America's best tire—an ambition that has been the guiding spirit in the erection of a new model plant—an ambition you will continue to find reflected in every Horse-Shoe Tire we produce.

"Remember the Horse-Shoe Tread."

Mr. and Mrs. George Fairchild and Mr. and Mrs. George Chilson. Saturday. After two weeks' visit with Detroit friends, Mr. and Mrs. Fairchild will go to Vancouver, B. C., where they expect to locate. They will be remembered as former residents of this place.

Mrs. William Klipple and son, Edward, were also guests at the Palmer Chilson home, Saturday. Mrs. Alfred Janis and Miss Anna Davis of Plymouth, were Sunday guests of their parents, Mr. and Mrs. Frank Davis.

Mrs. Harry Bennett of Middleville, is a guest at the home of her parents, Mr. and Mrs. J. D. Peters. A number from this place went to Detroit, last Thursday, to see the parade, but were disappointed. William Samp was taken to Harper hospital, last week for treatment, and after an examination it was found that an operation was necessary. He called from the operation, but his malady was a fatal one, and he passed away Monday night at the hospital.

### ELM

Mr. and Mrs. James Glass spent Easter with Mr. and Mrs. A. Crosby in Detroit.

Clarence Hobbs has left for an extended visit with relatives in Chicago. Hazel Bathburn is much improved at this writing. She received a beautiful bouquet from her schoolmates by whom she is greatly missed. It is hoped she will soon be able to resume her studies.

Richard Smith, Jr., has purchased a new Ford tractor. He will open a garage at Elm. Mr. J. C. Wheeler was in Ann Arbor, Friday.

Spring bazaar at the Baptist parsonage April 25. An "excellent" lot of fancy things, an "excellent" supper for 15c and "cognit" at your pleasure. Everybody invited. Mr. and Mrs. Peter Martin of Detroit, spent Sunday at George

Mr. and Mrs. Will Shipley and daughter, were Plymouth visitors, Saturday. Mrs. Roberts and family, F. J. Roberts and wife were Northville shoppers, Friday.

Mr. and Mrs. Robert Smith and family, F. J. Smith and family and Mrs. N. C. Wheeler were in Ann Arbor, Friday.
