## DEATH OF FORMER PLYMOUTH BOY

### ROY R. MOTT PASSED AWAY AT HIS HOME IN DETROIT LAST WEEK THURSDAY OF PNEUMONIA.

Plymouth friends were shocked and deeply grieved last week Thursday afternoon, when word came of the sudden death of Roy R. Mott, which occurred at his home 150 Cass Gardens, North, Detroit, last Thursday due to pneumonia, and Mr. Mott was ill only a few days.

The deceased was born in Canton township in 1890, and when a small lad moved with his parents to Plymouth, where he spent his early boyhood. He received his education in the Plymouth High school. For several years past, he had been in the employ of A. Krolik & Co., wholesale dry goods, Detroit, and although his home has been in that city, he has kept in touch with Plymouth and Plymouth friends. Mr. Mott was married in 1914 to Miss Florence Nitz of Detroit, who survives him. He also leaves his mother, Mrs. Fannie Mott, and sister, Mrs. Alice Lang, both of Detroit, besides many more distant relatives and friends.

The funeral services were held from his late residence, Saturday afternoon, at two o'clock, and later the remains were brought to Plymouth and placed in the receiving vault at Riverside cemetery, Plymouth Rock Lodge, No. 47, F. & A. M., of which deceased was a member, took charge of the services at the cemetery. Mr. Mott was an enthusiastic member of this organization, having taken the higher degrees, and was laid to rest in his Knight Templar uniform. The many beautiful floral tributes spoke of the love and esteem in which the deceased was held by his friends and associates. The bereaved family have the deep sympathy of Plymouth friends in their affliction.

## ANOTHER CIVIL WAR VETERAN PASSES AWAY

### DAVIS WILDEY DIED AT THE HOME OF HIS DAUGHTER, MRS. E. J. BURR, SATURDAY. AGED 85 YEARS.

In the death of Davis Wildey, which occurred at the home of his daughter, Mrs. E. J. Burr, Saturday, January 31st, taps were sounded for another soldier of the Union army. Mr. Wildey was born May 7th, 1834, at Yates, New York. He enlisted August 12, 1862, in the 17th New York battery, and was mustered out June 12, 1865. He was present when Lee's army surrendered at Appomattox. He came to Plymouth in 1876, and with the exception of four years spent in Lansing, has lived in this vicinity ever since. Since the death of his wife, which occurred October 10, 1918, he has made his home with his daughter, Mrs. E. J. Burr, on East Golden road.

The funeral was held from the Methodist church, Sunday afternoon, Feb. 1st, at 2 o'clock. Eddy Post, G. A. O., was officiating. An honored member had a part in the service. Interment in Riverside cemetery.

## CHARLES LUNDY DIES SUDDENLY

Charles Lundy, a much respected resident of this place, passed away suddenly at his home on Dodge street, early Wednesday morning. Mr. Lundy suffered an attack of grippe about two months ago, from which he never fully recovered. He had been in the employ of the Daisy Mill Co. for some time. The deceased is survived by his wife and four children, three daughters and one son. The funeral services will be held from his late home, Saturday afternoon at 2:00 o'clock. A more extended notice will be given next week.

## MT. CLEMENS VS. PLYMOUTH

### THIRD DEBATE FOR THE LOCAL TEAM TAKES PLACE AT THE HIGH SCHOOL AUDITORIUM NEXT MONDAY NIGHT.

Plymouth High school's third debate for this year will take place with the Mt. Clemens High school debating team in Plymouth High school auditorium, Monday evening, February 9th, at 7:15 o'clock. It is necessary to begin the debate at this hour, so that the judges may leave at 9:45. The Plymouth High school team, consisting of Lyman Judson, Hanna Strasen and Lillian Lundy, will debate the negative side of the proposition, "Resolved, that congress should adopt a system of universal military training for all able-bodied male citizens between the ages of 18 and 25."

The timeliness of this topic of universal military training is proved by the fact that the military affairs committee of the United States just last week reported to the United States senate, the army reorganization bill with its compulsory military training provision. That means that sometime during the next few weeks, congress will vote either for or against universal military training. Therefore every intelligent citizen ought to be informed about the question. You may get this universal military training information at the debate Monday night. Mt. Clemens High school, represented by Herbert Irish, Bernice Smith and Charles Doll, will tell you why you ought to believe in universal military training. Plymouth High school, represented by Lyman Judson, Hanna Strasen and Lillian Lundy, will tell you why you should not believe in universal military training. Hear the debate, Monday night and see which side wins. Admission, 20c for adults and 10c for students. It was necessary to raise the admission price in order to defray the expenses of the judges and the visiting team.

## DEATH OF FORMER PLYMOUTH LADY

### MRS. CAROLINE STEVER PASSES AWAY AT THE HOME OF HER DAUGHTER IN DETROIT LAST SUNDAY.

When on the 1st of December, Mrs. Caroline Stever attended the funeral services of her nephew, John Ellenbusch, she said to her pastor as she crested him, "My turn is next. I will be the next one." So when on last Sunday afternoon at 1:45, the Lord called Mrs. Stever from this world into eternity, not only her imagination came true, but her heart's desire was fulfilled.

Mrs. Caroline Stever, nee Koenig, was born February 23, 1838, in Hinterpommern, Germany. She was christened in the Evangelical church of that country and received her education in the parochial school of the same church. In the year 1865, she married August E. Stever, and in 1870 came to America and to Plymouth, Mich., with him. From this matrimonial union came four children—two boys and two girls, whom she reared to adulthood. She was a member of the Plymouth church, and also one of the grandmothers of many of our citizens.

Mrs. Stever lived with her daughter, Mrs. Alice Phillip, for many years. She was a devoted mother and a kind and generous heart. She was a member of the Plymouth church, and also one of the grandmothers of many of our citizens. She was a devoted mother and a kind and generous heart. She was a member of the Plymouth church, and also one of the grandmothers of many of our citizens.

## GREENVILLE MAN HONORED

### R. A. BROWN APPOINTED ON ADVISORY BOARD OF STATE HEALTH COMMISSIONER.

We take the following from the Greenville, Mich., Independent, regarding a former Plymouth boy, R. A. Brown, son of Mr. and Mrs. Armon Brown of this place: "R. A. Brown of this city, has been appointed by Dr. Olin, State Health Commissioner, as a member of his advisory board on the Bureau of Embalming. This board is composed of six members, two having been appointed from Detroit, one from Grand Rapids, one from Lansing, one from Owosso and Mr. Brown of Greenville. At a meeting held in the commissioner's offices in Lansing, last Thursday, Mr. Brown was elected chairman of the board. This is a nice honor for Mr. Brown, and speaks highly for his standing among the embalmers of the state. The appointment is a particularly good one."

## A COMMUNITY BANQUET

### WILL TAKE PLACE AT PRESBYTERIAN CHURCH, THURSDAY EVENING, FEBRUARY 12.

The second annual community banquet will be held in the dining room of the Presbyterian church on Thursday evening, February 12, at 7:00 o'clock sharp. A fine turkey dinner with all the trimmings will be served. Good speakers and fine music. This is not a church or money making affair, but just what the name implies, a get together for a good feed and talk fest. On account of the generosity of the dining room, but 175 tickets will be sold at \$2.00 a plate. Last year many put off buying tickets until the last day, and then were disappointed because the capacity of the dining room had been sold. Tickets will be on sale, Saturday, at the Pinckney Pharmacy and Gayde Bros' store.

Dr. B. E. Charpe has purchased a fine Overland sedan of Rambo & Macham.

Mrs. Harry Brown, who has been quite seriously ill the past week, is slowly improving.

The Misses Bertha and Lena Bertram of Rodgers City, are visiting their sister, Mrs. William Peltz.

Mrs. Carl Lamminger of Detroit has been ill this week at the home of her brother, Roy Feltz, on Kellogg street.

Mr. and Mrs. Eugene Riggs were called to Ortonville the first of the week on account of the death of the latter's mother, Mrs. Job Warren, who passed away February 3rd. Mrs. Warren had been failing health for the past year, but her death came unexpected. Plymouth friends extend sympathy.

Mr. and Mrs. E. O. Huston have a fine new Oldsmobile sedan, purchased of William Petz, local agent.

About twenty ladies attended the thimble party given by the Lutheran Ladies' Aid society, at the home of Mrs. William Gayde on Mill street, Wednesday afternoon. The ladies sewed during the afternoon, after which refreshments were served.

Last Friday afternoon about sixty members of Plymouth and Northville L. O. T. M. went to Wayne, where officers of Plymouth lodge conferred the degrees of the order upon twenty-one candidates. At 6:30 a delicious chicken-pie supper was served, and in the evening the officers of Wayne Hive were publicly installed. Mrs. Carrie Gilbert of Detroit, acted as installing officer, assisted by Mrs. Anna McKeever, Mrs. Jessie Terry and the color bearers of this place. Later in the evening a fine program was presented by the Northville lodge.

### DAISY EMPLOYEES' ASSO. GIVE PLAY

Last Wednesday evening, an amusing three-act home talent play, entitled, "A Poor Married man, Who's Who," was presented at the High School auditorium under the auspices of the Daisy Employees' Association. Early in the evening a business meeting of the association was held in the auditorium, followed by the play, to which the members, their families and a few friends were invited.

Following is the cast of characters: Professor John B. Wise, a poor married man—William Maxwell, Doctor Matthew Graham, a country doctor—M. M. Willett.

Billy Blake, a popular college boy—Francis Beals.

Mrs. Iona Ford, some mother-in-law—Mrs. Emer Blunk.

Zoe, her charming daughter—Irene Hartung.

Rosalind Wilson, a college reporter—Minnie Groth.

June Graham, a little freshman, daughter of Dr. Graham—Hazel Cooper.

Jupiter Jackson, a black trump—Fred Jordan.

The scene is laid in a small town in the middle west, and the first act opens showing the interior of Prof. Wise's pretty little bungalow. The professor has taken unto himself a wife and that day is returning from Niagara Falls. He is not only accompanied by his wife, but also his mother-in-law, who immediately sets about changing the order of the household, and at the close of the first act there are rumbles of a dis-

### GAVE "SHOW" UNDER GUARD

Peculiar Experience of American Musical Comedy Company in the City of Vladivostok.

A belated story of how an American musical comedy company which had volunteered to give an entertainment for the troops at Vladivostok was caught in that city while the "reds" held sway, has been received by the Knights of Columbus from Garry McGarry, who is in charge of the welfare activities of the order in Siberia. The troupe was in charge of W. R. Bandvard and had come from China to the Russian seaport, where they were held up for several weeks awaiting a steamer.

During their stay, every one went around with a revolver, and the city took on the appearance of a western "boom" town in pioneer days. During the period the bolsheviks killed about 22 persons, and many of the actors had narrow escapes. Several of the women actresses had to be taken to and from the theater guarded by a squad of allied soldiers, and at the hotel where they stayed a guard was constantly posted. However, the American troupe "carried on" for the doughboys amid all the panoply of war and revolution. There were armed soldiers inside the theater, outside, behind the scenes, and in the box office. All the audience brought their rifles with them or carried side arms and hand grenades.—Chicago Post.

### IN THE NEIGHBORHOOD

ITEMS GATHERED HERE AND THERE THAT WILL BE OF INTEREST TO OUR READERS

The Oakland factory at Pontiac expects to build 100,000 autos this year.

Clayton Bunn has sold his farm of 160 acres, three miles north and one-half mile east, to Redford parties. The consideration is understood to have been \$18,000.—South Lyon Herald.

A survey of Pontiac reveals the fact that the vast sum of \$20,000,000 is scheduled to be spent there the coming season for factory extensions, churches and schools, homes and municipal improvements.

Pontiac Presbyterian and Baptist congregations have sent petitions to Governor Sleeper asking that picture shows, ice cream parlors and other business places be kept closed on Sunday.

Joseph E. Barr of Wixom, is named as one of the men who figured heroically in the transfer of the passengers from the liner Powhatan to the shore, recently. Barr was one of the North Pacific crew assigned to rescue work.

The water power of the St. Clair river district is to be further utilized by the Detroit Edison Company, which is planning a large power plant at Bunces creek. The plant will ultimately have a capacity of 180,000 kilowatts. Officials of the company are planning to begin at once a plant which will have a 40,000 kilowatt capacity. It will be ready for use in less than a year, according to their plans.

During the past few months a number of farms bordering on Walled lake have been sold, and they will be platted and sold as residence property. As a result of this real estate flurry, it is expected that many new cottages will be erected around the lake next season. Cottages, or any kind of a home for that matter, rents readily during the summer season for \$25 per week.—Northville Record.

### AN EXPLANATION

The Woman's Christian Temperance Union of Plymouth deeply regrets that Mrs. Kate Allen should have construed as a personal criticism the petition sent to the management of the Penniman Allen theatre. It was very well understood that the management of the theatre was entirely in other hands than hers, as is evidenced by the fact that the petition was not addressed to Mrs. Allen, neither was her name mentioned in connection therewith.

It is now generally conceded that the picture has become a permanent part in the education of the youth of this city. The youthful mind is susceptible to impressions and pictures of murders and other crimes that would have no effect upon the adult mind. To often have an ill effect upon the mind of the child. It was with this thought, that the W. C. T. U. sent its plea to the management of the theatre, and with no thought whatever of hurting or offending Mrs. Allen, whose beautiful building is most assuredly an ornament to the city.

PLEMOUTH W. C. T. U.

### STATE NEWS

Grayling—Local lodges of the railroad brotherhoods have decided to open a co-operative store here.

Standish—The harvest of natural ice in this district is complete, a superior grade of ice from 16 to 20 inches thick having been secured.

Hart—Mrs. Mary Rankin, deputy county treasurer for nine years, has announced her candidacy for the Republican nomination as treasurer of Oceana County.

Monroe—The capital stock of the Monroe Paper Products Co. has been increased from \$850,000 to \$1,000,000. The concern will erect an \$800,000 box board paper mill.

Cara—A mail pouch sent from Cara to go east was stolen from the station platform at Vassar. The pouch contained considerable value in the nature of checks, bonds and other documents.

Battle Creek—Found seriously ill and alone in her room, without fire or other comforts, Mrs. F. M. Agular, 30, was hurried to Nichols hospital by the police. She died a few hours later from a complication of diseases and exposure.

Detroit—The department of internal revenue sold at public auction 2,000 pounds of confiscated granulated sugar. The sale was conducted at the postoffice. The highest price paid was 26 3/4 cents a pound and the low at 20 cents.

Lansing—John H. Bopp, of the Bopp Brothers meat market, may lose the sight of an eye as a result of a can of paint exploding when he attempted to open it. The lid was blown against his glasses and glass entering his eye ball.

Fort Huron—The first robin was discovered last week by E. W. Smith, 118 Leeper avenue. The bird attracted attention when he fluttered to a win low sill of the Smith home. H. W. Emigh of Lexington also declares that he saw a robin in his yard.

Detroit—An altercation over religious differences between Joseph Safy, and Nomer Parkood, in a bakery on Dix avenue, where the two defendants were working, led to their being sentenced to 30 days in jail or to pay fines of \$25 and \$5 costs, in police court.

Lansing—Announcement is made of the appointment of Mrs. William J. Anderson, of Grand Rapids, as vice-chairman of the Democratic state central committee. Thad Preston, of Ontonagon, is chairman. A full representation of women on the committee is planned.

Albion—Deputy Sheriff George V. McCarty's zeal in ringing the local bell cost him a couple of teeth. An alarm came in when he was in the engine-house and with his first pull on the rope an iron weight attached to its end flew up and struck him in the mouth—result, two loose molars.

Sand Lake—Demanding a 30 per cent increase on their contract salaries, Sand Lake school teachers went on strike when their demands were ignored by the board of education. The teachers were recently paid a \$50 bonus, but they considered this inadequate in face of the steady increase in cost of living.

Kalamazoo—H. A. Crawford, head of the Lull Carriage Co. of this city, has been elected president of the Kalamazoo Motor Corporation, manufacturer of the Kalamazoo motor truck. The capital stock of the corporation has been increased from \$250,000 to \$1,000,000. The minimum production for 1920 is placed at 1,000 trucks.

Monroe—The jury selected to decide whether it is necessary to deepen and widen the Ottawa Lake outlet drain, was discharged here because, it is said, one of the parties along the drain had discussed the need of the drain to the jury when the objectors were not present. A new jury will be drawn March 2.

Saginaw—Nearly \$100,000 is left to the Saginaw general hospital, \$10,000 to St. John's Episcopal church, and about \$400,000 to relatives by the will of William S. Fish of Detroit and Saginaw. The estate is estimated at \$500,000. The will will be contested by Smith V. Fish of Detroit, a nephew, and Mr. Fish's guardian for several years.

Miss Ruby Lyke.

NOTICE  
The time for the payment of water bills for the month of February 1st, has expired. All bills are now due. Please give this notice your prompt attention.

## The Volunteers of America

Inc. 1896

Under the Leadership of Gen. Ballington and Maud Booth.  
Capt. and Mrs. W. J. Kelly in Charge Detroit Post.

### What Is Home Without A Mother?

BUT

### What About A Mother Without A Home?

We have seven homeless families in our institution at the present time (41 women and children. In the past year we have taken care of HUNDREDS SUCH FAMILIES and supplied them with FOOD, CLOTHING and SHELTER FREE. We never charge. "Freely ye have received, freely give."

We have a nine-year-old girl for adoption.  
We would be glad to hear from anyone who knows of a house we could rent or lease; to be used for a CHRISTIAN HOME for working girls. We turn away every day from our home, 705 East Jefferson, who are looking for rooms, but unable to find them. A girl we have staying in our home at the present time told us when she worked in a store it was common talk among the girls "THAT IT WAS EASIER TO GET A ROOM WITH A FELLOW THAN IT WAS TO GET A ROOM ALONE." The City of Detroit needs a dozen such homes, such as I have in mind. We operate about SIXTY homes of this character in different parts of the country, and they have been the means of saving thousands of girls from going astray.

A business man, asked me the other day: "What did your organization do overseas?"  
The Volunteers of America gave the highest type of patriotic service to our beloved country, both at home and overseas, through the sending of 363 of our Commanding Officers for every kind of service, including actual fighting in the trenches, the voluntary service of a number of the best Surgeons from the VOLUNTEERS' HOSPITAL IN NEW YORK CITY; service clubs in the various centers at home and the great work of MRS. MAUD BALLINGTON BOOTH.

Mrs. Booth saw many months of actual personal service overseas, going to Paris, to Verdun, through to Coblenz, Germany. She also instituted the "MOTHERS' BOOK," through which THOUSANDS of our boys were kept in touch with the folks back home. In the past year, in the City of Detroit, we have helped Hundreds of the boys, and have never turned any of them away.  
Through our Mission work we have been able to reach THOUSANDS on the street corners with the Gospel, and have had over SEVEN HUNDRED requests for spiritual help. One of our converts is now organist in one of the city churches, another a Sunday-school teacher, and a number have affiliated with the different churches and Young People's societies.

We have now opened a New Mission Hall, 177 First Street, Beginning Sunday, we will hold Evangelistic meetings every evening. Capt. and Mrs. W. J. Kelly will have charge of the meetings. We give all Christian Workers a hearty invitation to come and help us. "The Harvest is ripe and the reapers are few."

## CHRISTIAN SCIENCE LECTURE

JUDGE SAMUEL W. GREENE, C. S., OF LOUISVILLE, KY., GAVE SPLENDID LECTURE IN PENNIMAN ALLEN THEATRE, MONDAY EVENING.

The Christian Science lecture given under the auspices of First Church Christ Scientist of Plymouth, at the Penniman Allen theatre, Monday evening, by Judge Samuel W. Greene, C. S., of Louisville, Kentucky, was well attended. Judge Greene is a most eloquent and able speaker, and held the closest attention of his audience throughout his splendid lecture. The speaker of the evening was introduced by Henry Baker, who said: "The Mother Church, the First Church of Christ Scientists of Boston, Mass., has provided a board of lectureship, the members of which go about the world explaining the teaching of Christian Science. They point out the importance of the study of metaphysics and the overcoming of the world of material sense. They convince one that it is only by the overcoming that true happiness, health and complete salvation is gained. Judge Samuel W. Greene, C. S., of Louisville, Ky., is the Christian Science lecturer with us this evening."

Judge Green said in part: "The promise made through Christian Science as stated by its Discoverer and Founder, Mrs. Eddy, is, 'Divine Love always has met and always will meet every human need.' (Science and Health, page 494.) Christian Science is the unfading light to human consciousness of divine love, and its practical application to the healing of all human discords. Christian Science is first of all a religion, notwithstanding some of its uninformed critics have not so believed. It is the religion of Christ Jesus come again to the world to heal the sick and sinning by the same principle or law."

Christian Science in its healing ministry is not a patent cure-all, nor is it blind faith cure. It is not the action of the will power, nor is it the action of the human mind. On the contrary, it leads to the divine mind, to that Mind which was also in Christ Jesus, and in the proportion that Christian Science is understood, the life and words of Christ Jesus become practical for all ages and all people.

The Bible from beginning to end is filled with the most splendid promises for God's children, and unless we may believe that these promises are meant for the here and now, even for today, we are of all men most miserable; for otherwise we are without joy and peace in this life. What the world is wanting—is seeking—is a religion that comes to the sick and tells them how to be well; that comes to the discouraged and despondent and lifts them out of the slough of despair and despond into the boat in which the future, life and joy, of a closer walk with God. Christian Science is supplying this need through the spiritual interpretation of the Bible and the consequent spiritual understanding of God, and is enabling the world to find the rest and the peace promised by the Master.

Jesus' Practical Ministry.  
Jesus taught and proved the possibility of solving all of life's problems here and now. He overcame all the man-made laws of disease by healing all manner of sickness. He overcame the laws of lack and want by providing food in abundance for the thousands in the desert place, and by finding tax money in the fish's mouth. He overcame the law of gravity by walking upon the stormy wave, the law of space and time by entering into the boat in the midst of the sea and immediately it was at the other side. He overcame the law of death by restoring to life those who had died, and in his own case reappeared to his wondering disciples after three days in the tomb.

Among the last things he said to his disciples was, "Be that heareth me, do the works that I do shall he do also, and greater works than these shall he do because I go unto my Father." Also in perhaps the last conversation he had with the beloved eleven disciples, in perhaps the last hour of his human existence, he said, "These things shall I do for them that believe. In my name they shall cast out devils; they shall speak with new tongues; they shall lay hands on the sick and they shall recover." With these and other positive promises from Jesus we must believe in the present possibility of healing the sick, raising the dead, and performing all of these wonderful works, if we do believe in him; that is, understand him and his teaching, which is the correct interpretation of the Greek word translated by our word believe in the new version.

Contrary to some critics of Christian Science, Mrs. Eddy never intended that the text book should take the place of the Bible, but it is to be read and studied in connection with the Bible. It was meant to be just what its name implies, a "Key to the Scriptures" and a text book on Christian Science. Within the pages of the book itself Mrs. Eddy says, "As adherents of Truth, we take the inspired Word of the Bible as our sacred guide to eternal life." (Science and Health, page 497.)

As the years have come and gone during these more than fifty years since Mrs. Eddy's discovery, an ever widening circle has been covered by Christian Science, and an ever increasing host of its adherents, men and women, are daily bearing witness to its healing and saving power, and rendering their tribute of praise and thanksgiving to its Discoverer, its Teacher and Founder. There is, however, nothing of worship or dedication in the attitude of Christian Scientists toward Mrs. Eddy, but rather the natural spontaneous expression of gratitude, which one might expect from persons whose lives have been uplifted and who are being uplifted by the power of her inspired teachings.

God  
Christian Science has revealed the correct concept of God. It has courageously and reverently asked the question, "What is God?" and has given this answer that is satisfying to thinking men and thinking women. God is Love, Life, Truth, Soul, Mind, Spirit, Principle. Perhaps the term Principle as used for God has more than any other aroused the opposition of the critics of Christian Science. They contend in their minds that God is a person, a being, a God as Principle takes away His personality, His form, His color, His shape, His size, His location, His

human attributes. Christian Scientists believe that it is time the world was getting away from the idea of an anthropomorphic or man-made God, a sort of superman. The text book says, "Human philosophy has made God man-like. Christian Science makes man God-like." (Science and Health, page 269.)

Principle is eternal, without beginning or end, is perfect, immovable, inviolable, unerring, ever active. Principle can not be moved by the breath of praise or flattery or by entreaty or threat. In the thought of God as Principle, Christian Scientists have abandoned the idea that God interferes in the affairs of men at the behest of this one or that one, or that he interferes with His own laws, causing the unnatural or super-natural to be happening in the affairs of men. Christian Science shows that God's creation is already perfect, complete, consequently the true mission of Scientific Christianity is to reveal this fact to us and then to show us how to live in our own lives and experiences everything and every thought that is unlike God and His creation.

Christian Science is trying to teach man that for every human need he should look to God, to the spiritual and not to the material. There is nothing in all God's creation to fear for God is all in all and one can not fear God or good.

Why is man's first thought "where-withal shall I be clothed and housed and fed? Has man so soon forgotten that Jesus said, 'Seek ye first the kingdom of God and his righteousness and all these other things shall be added unto you.' In that connection Jesus had just been talking about clothes and food. Should it be thought a strange thing that God does give good things to the children of His love? Jesus told us in effect, that much more than our earthly father does the heavenly Father knows how to give good gifts to them that ask Him. One may ask, if Jesus' promise means that to take up the study in earnest of Christian Science would result in health, happiness and prosperity. The answer is found in the lives of a great host of men and women the world around who have sought the kingdom of God and His righteousness and whose business has prospered and whose lives are filled with health, harmony, love and gladness. It is but a verification of what the apostle said, "Every good gift and every perfect gift is from above and cometh down from the Father of lights with whom is no variableness, neither shadow of turning."

Jesus, the man, came to earth to be the Way-shower, or, as Paul says, He came to show us these powers to overcome in this life, sin, disease and death. He possessed more of the Christ, the divine Spirit, than any person who has ever lived, and he was therefore called Jesus, the Christ, or Christ Jesus.

The Christ can no more be confined to an individual than can God, or divine Principle or Love, but coming even as the spirit of Love into the lives of men as they rightly seek Him and desire Him. It is true that Jesus said, "I and my Father are one," but this expression is not at all inconsistent with Jesus' other statements concerning himself. He was one with the Father, as explained in the Christian Science text book, "one in quality, not in quantity," even as a drop of water is one with the ocean, but it is not the ocean, or a ray of light is one with the sun, but it is not the sun. So is every man and woman an idea of God one with the Father, also how could Paul have been correct when he said, "For in Him we live and move and have our being." When Jesus said, "Come unto me all ye that labor and are heavy laden," it was not to the human Jesus he was asking us to come, but to the Christ, Truth, that redeems and saves. To those of us who have but touched the hem of his garment, have but caught even a faint glimpse of this Christ that heals of sin, sickness, sorrow and death, has come the fulfillment of Jesus' promise, "And I will give you rest."

## Have Your Harness Oiled and Repaired

DURING THE WINTER MONTHS

It has been the custom of farmers and horse owners in the past to wait until early spring months to have their Harness Oiled and Repaired, before beginning the spring work, thus causing more or less congestion of work for the harness maker. We want to urge our customers to help us to avoid this rush during the busy season by planning to have this work done during the quiet winter months.

Harness Shops and Harness Makers are not as numerous as they used to be. If we are to do the work for those in our own and surrounding towns, where there are no Harness Makers, we must have more time in which to do it. If you will co-operate with us by planning to have your work done earlier in the season, we will be in a position to give you prompt service and will appreciate your assistance.  
With the present high price of leather goods, it is more essential than ever that you take the best possible care of your harness. Harness that is oiled at least once a year and is kept in repair, will last twice as long as those that have been neglected. Why wait until you are busy and when time is so precious.

## Buy Your Moline Tractor Now

## BECAUSE

You may not be able to get a Moline-Universal if you delay ordering.

You will help relieve spring congestion of shipping by buying now.

You will have plenty of time to become familiar with its construction and operation before the spring rush and will be able to work your tractor in on belt work and other light jobs.

It is the only tractor which does all farm work including cultivating.

One man operates both tractor and implement from the seat of the implement where you must sit in order to do the best work.

Tractor and implement form one unit—backs as easily as it goes forward—turns in a 16-ft. circle.

It has plenty of power for your heaviest work, yet light enough to operate economically on light jobs. All the weight on the big drive wheels—no dead weight—no extra expense.

Substantially constructed for many years of service.

Electric lights for night work and self starter for non-restart labor.

You can practically double your efficiency—you can produce more food with less help. You will need it, order now.

## H. J. FISHER

## Over 600 People Signed This Petition

After reading the article published last week in the Plymouth Mail and signed by Mrs. Allen,

We, the undersigned citizens and habitues of said theatre wish to hereby extend our thanks and to show our gratitude and appreciation for the opportunity of enjoying the privileges of the theatre and auditorium which she has been so kind as to erect for the benefit of our town.

We wish to give our hearty support to these places and we believe that no greater calamity could come to our town than to have those places which we know to be conducted above reproach closed to us, when our pleasures in a town the size of Plymouth are so limited.

---

Those who circulated the above petition wish to apologize to those whom they were unable to see for lack of time, who they feel would have been only too glad to have signed the petition had they had the opportunity to do so.

The petition has been presented to Mrs. Allen.

SCHOOL NOTES

The ninth grade English classes have begun the study of Dickens' Christmas Carol. The classics being studied in the seventh and eighth grade English classes are: "The Great Stone Face" and "Robinson Crusoe," respectively. The third overtone language class is dramatizing, "The Little White Flower." Edith Holcomb and Viola Birch of the fourth overflow, wrote the best short stories in the language class. The "A" class of the first grade has completed the primer, and will begin to read from the Aldine reader, Book 1. The children of the first grade are now bringing valentines for the big box in the front of the room. The contents of the box will be distributed throughout the grade on Friday, February 13. Mrs. William Petz and Miss Lena Bertram visited the third grade Monday afternoon. Girls' Basket Ball Game. Last Friday night the Plymouth girls' basket ball team played the Northville girls' team at Northville. The score started out thoroughly in our opponents favor, but soon our girls became used to the floor and baskets, and so we did not keep the low end of the score very long. At the end of the first half the score was 15 to 9 in our favor. Our guards who usually play did not enter the game until the second half. Our jumping center, Edith Pierce, had a heavy girl to play against, but when the ball went to our forwards, we were sure of a basket. One thing that encouraged our girls so much was the applause from the people of Plymouth, for we were surely well represented there. The game was very exciting for we would advance quite rapidly in the score and all at once Northville would leap almost up to us, but when the whistle blew at the end of the last quarter the score was 30 to 25 in our favor. We meet them here March 6th. Boys' Basket Ball Game. The boys' game at Northville last Friday night was Northville's from the start, chiefly because of two factors—their knowledge of their own playing floor and superior team work. Chapman and Stillwell were the shining lights of the Northville team on both floor work and defense. For Plymouth, Miller showed up well in his new position at center, and Birch playing his first game at forward, showed up well. Both Wilcox and Randall did good work at guard positions. Clemens showed up especially well at the foul line, getting in all 10 of the 16 points for Plymouth. Northville—Litzenberger, r. f., Bowen, l. f.; Chapman, c.; Stillwell, r. g.; German, l. g. Plymouth—Birch, r. f.; Clemens, l. f.; Doudt, c.; Roe, r. g.; Miller, l. g. Substitutions: Miller for Doudt,

Newburg School Notes

Those whose names appear on the honor roll this month are: Ruth Kidder, Sadie Lomas, Leona Joy, Leona Knickerbocker, Ima Campbell, Marian Taylor, Harold Cochran, Frank Clemens, Kenneth Gates, Donald Dunn, Harry Wiekenski and Albert Kramer. Leona Joy and Michael Novawek were the only ones who received all A's and B's in their semester exams last week. The following pupils are absent on account of illness: Gladys Clemens, Russell Stevens, Edna Spangler, Leona and Lester Knickerbocker, Mamie Ostrowski, Marguerite Thomas and Donald Dunn. Sadie Lomas is given the honor of being the champion speller of the school, having won in two out of three spell downs. The new library books have arrived and the pupils are anxiously awaiting the arrival of our book-cases, so that the books can be tabulated, numbered and ready to be drawn for reading and references. The kindergarten class is learning two folk songs, "Soldier Boy" and "Around the Mulberry Bush." Sadie Lomas and Michael Novawek were the winners in the bird contest of last week. The following pupils have returned to school after absence caused by illness: Lawrence Holmes, Frank Clemens, Donald and Douglas Elliott, Calvin Stevens, Joseph Tracy, Milo Thomas, Frederick Thomas, Arthur Amrhein, Charles Thompson, Margaret and Albert Kramer and Raymond Deja. The seventh and eighth grades are studying, "The Courtship of Miles Standish." Much interest and enthusiasm is being shown in the Friday afternoon drawing and painting lessons, and this is the one afternoon of the school week when no notices when the hour hand of the clock points to the closing hour. The kindergarten and first graders are interested in making Lincoln booklets and valentines, this week. The first semester reports to the parents of each pupil were sent out this week. It is to be hoped that the parents will co-operate with the teacher in helping to bring the class work of each pupil to the grade standard, and thus turn the first semester failures into a passing credit at the close of the year's work. Gladys Horton is absent from school this week; helping to care for her mother, who is ill. The following magazines have been subscribed for by the school, and will make a valuable addition to the school magazine table: The American Boy, The Youth's Companion, The Woman's Home Companion, The American Current Events and Popular Science Monthly. The pupils are memorizing the first Psalm for chapel this week. The bible stories told by Gladys Horton, Ruth Kidder and Margaret Amrhein were much enjoyed. The fifth grade is learning, "The Stranger on the Shore."

OFFICIAL PROCEEDINGS OF THE VILLAGE COMMISSION

February 2, 1920. At a regular meeting of the Commission of the Village of Plymouth, called to order by the president on the above date, Commissioners present—Burrows, Daggett, Henderson, Pierce, East—None. Minutes of regular meetings of January 5 and January 19 were read and approved. An ordinance creating a Fire Department for the Village of Plymouth, State of Michigan, and providing for the election of members thereof, was presented and given its first and second readings. Moved by Robinson, supported by Henderson, that the ordinance be suspended and that the ordinance be given its third reading. Carried. Moved by Robinson, supported by Pierce, that the ordinance be adopted as read. Ayes—Burrows, Daggett, Henderson, Pierce, Robinson. Nays—None. Moved by Daggett, supported by Robinson, that the plat of the Thomas subdivision be approved by the Commission, subject to the delivery of deeds covering property for the opening of Theodore street, through to property owned by Aaa Lyon, and also for the opening of Bianch street through to Adams street. Carried. Moved by Pierce, supported by Henderson, that the billing of firemen be approved by the Commission. First Call Men—Ed. Bolton, LeRoy Jewell, Earl Barlow, Fred Wagon, Schutz, August Myers, Fred Dreaus, Frank Dicks, Titus Ruff, Fred Rhead, Burt Crumble, William Geigler, Geo. Parks, Charles DeWolf. Reserves—John Reamer, William Felt, Chester Arthur, Frank Toncray, Henry Fisher, William Holmes, Roy Felt, Albert Gates. Motion carried. Moved by Henderson, supported by Pierce, that Ed. Bolton be named chief of the fire department for the balance of the year. Carried. Moved by Daggett, supported by Henderson, that Ed. Bolton, Roy Jewell, Earl Barlow, together with the Manager, be designated as drivers. Carried. Moved by Henderson, supported by Pierce, that the appointment of Mr. George Robinson and Mr. E. R. Daggett as members of the Board of Registration, be approved, and that Saturday, February 28, be designated as Registration day for the Village of Plymouth. Carried. Moved by Henderson, supported by Pierce, that the appointment of Miss Lina Durfee, Mrs. Chauncey Baker, Mr. William Pettigill, Mr. George Robinson and Mr. E. R. Daggett, as members of the board of election inspectors, be approved. Carried. Moved by Daggett, supported by Pierce, that the order for road oil be placed with the Standard Oil Co., as per their quotation contingent upon the shipping date being changed from June 15 to June 1, 1920. Carried. An ordinance providing for fire limits and for the construction and equipment of buildings within said fire limits, in the Village of Plymouth, State of Michigan, was presented and given its first and second readings. Report of the treasurer was received and recorded as follows: General—Cash on hand Jan. 1, 1920, \$6508.63. January receipts, \$32.00. Total, \$6540.63. January disbursements, \$791.29. Cash on hand Feb. 1, 1920, \$5749.34. Highway—Cash on hand Jan. 1, 1920, \$1074.81. January disbursements, \$11.30. Cash on hand Feb. 1, 1920, \$1063.51. Sinking—Cash on hand Jan. 1, 1920, \$2527.83. Cash on hand Feb. 1, 1920, \$2527.83. Water—Cash on hand Jan. 1, 1920, \$3910.64. January receipts, \$2631.45. Total, \$6541.99. January disbursements, \$1192.15. Cash on hand, Feb. 1, 1920, \$5349.84. Cemetery—Cash on hand Jan. 1, 1920, \$1645.73. January receipts, \$22.50. Total, \$1668.23. January disbursements, \$35.51. Cash on hand Feb. 1, 1920, \$1734.72. Total—Cash on hand Jan. 1, 1920, \$15,867.44. January receipts, \$2,765.95. Total, \$18,633.39. January disbursements, \$1,998.25. Cash on hand Feb. 1, 1920, \$16,635.14. Wm. T. Rattenbury, Treasurer. The following bills were presented for payment: Charles Smith \$59.00 William A. Reddeman 72.00 Nat. Rider 55.00 Bert Knapp 4.00 C. E. Penney 17.00 Fred Bird 54.00 Detroit Edison Co. 16.75 T. B. Bayle & Co. 14.40 Voorhies & Dayton 10.06 George Springer 50.17 Helen Be... 4.00 Commission... 26.00 D. G. Brown 194.54 Fire Department 12.00 Harry C. Robinson 2.30 Murray W. Sales & Co. 192.26 Oscar Matts 3.48 Total \$789.96 Moved by Daggett, supported by Henderson, that the bills be allowed and warrants drawn on the proper funds for the payment of the same. Carried. Moved by Henderson, supported by Pierce, that we adjourn. Carried. D. G. BROWN, Clerk.

Methodist Mention

The Methodist church, Epworth League and Sunday-school will greet this week to the members in American Boy, The Youth's Companion, The Woman's Home Companion, The American Current Events and Popular Science Monthly. The pupils are memorizing the first Psalm for chapel this week. The bible stories told by Gladys Horton, Ruth Kidder and Margaret Amrhein were much enjoyed. The fifth grade is learning, "The Stranger on the Shore."

Wayne County Beekeepers Institute

Wayne County Beekeepers Institute. HELD UNDER AUSPICES OF THE M. A. C. The Wayne County Beekeepers are to hold an institute, Friday and Saturday, February 13 and 14, at the Board of Commerce at Wayne and Lafayette, Detroit, Mich. Arthur Sharrow and Edwin Ewell of the Michigan Agricultural College will lecture on all phases of beekeeping, which will doubtless prove of great value to beginners, as well as those who are engaged in the industry in this locality. Following is the program: FIRST DAY. 9:00 a. m.—Making a Start in Beekeeping—Mr. Ewell. 10:00 a. m.—Queens, Queen Rearing, Introducing and Uniting—Mr. Sharrow. 11:00 a. m.—Comb Honey Production and Swarm Control—Mr. Ewell. 1:00 p. m.—Extracted Honey Production—Mr. Sharrow. 2:00 p. m.—Winter Condition of Colonies and Wintering—Mr. Ewell. SECOND DAY. 9:00 a. m.—Making Increases—Mr. Sharrow. 10:00 a. m.—Beekeepers' Organization—Mr. Ewell. 11:00 a. m.—Marketing, Grading, etc.—Mr. Sharrow. 1:00 p. m.—Feeding—Mr. Ewell. 2:00 p. m.—Bee Diseases—Mr. Sharrow. 3:00 p. m.—Transferring—Mr. Ewell. Exhibits of bee diseases and equipment will be made. Beekeepers are invited to bring articles of interest with them and be prepared to give others the benefit of their experience. These meetings have been very well attended all through the state this winter, and I hope Wayne county beekeepers will show their appreciation by attending in large numbers. MRS. ARTHUR SHARROW, Sec'y Wayne Co. Beekeepers' Assn. Have you noticed the label on your paper? It tells how your subscription stands. COMMISSIONER'S NOTICE. In the matter of the estate of George C. Macumber, deceased. We, the undersigned, having been appointed by the Probate Court for the County of Wayne, State of Michigan, Commissioners to receive, examine and adjust all claims and demands of all persons against said deceased, do hereby give notice that we will meet at the residence of C. W. Ferguson in the Village of Plymouth, in said County, on Monday, the 22nd day of March, A. D. 1920, and on Friday, the 21st day of May, A. D. 1920, at 2 o'clock P. M., of each of said days, for the purpose of examining and allowing said claims, and that four months from the 21st day of January, A. D. 1920, were allowed by said Court for creditors to present their claims to us for examination and allowance. Dated January 21, 1920. CHARLES LUNDY, C. W. FERGUSON, Commissioners.

More Power To You. POWER! That's the big thing you expect in a motor car. Power to make the hills look like the level. The powerful worm drive of the Ford Model T One Ton Truck, we believe is the most dependable method in the transmission of power, as coupled with its tremendous strength is the positive reliability of motion. The worm drive is the essential equipment of the highest priced motor trucks and its advantages over chain drive and direct transmission, comprise power, stability and durability. After three years of hard practical service, we have yet to hear of any kind of trouble with the Ford One Ton Truck. On the farm, in the city, anywhere and everywhere, the motor truck is an economy that the aggressive business man cannot deny himself, if he would get the most out of his business. Come in and let us show the many strong merits of this most excellent motor truck. It is a "Ford," and that is a certain guarantee of efficiency and economy. Prices without body, \$550 and \$590 f. o. b., Detroit. We will build any kind of a body you want and assure you of a fair price, likewise the assurance of a satisfactory and reliable "after service." We advise placing your order without delay because the factory is not running on normal conditions. Won't be for some time. The firm signed below extend the solicitation to call and examine the truck.

2 1917 Ford Touring Cars, each ..... \$350  
1 Willys-Knight Coupe ..... \$2,000

**LETTER FROM FLORIDA**

**REV. G. H. WHITNEY WRITES THE MAIL AN INTERESTING LETTER FROM THE SOUTHLAND.**

Editor Plymouth Mail,  
Dear Sir: Perhaps a word from the Southland will be welcome to some of your readers. We arrived in Sebring, Florida, our present residence on the night of January 13, after an uneventful trip of five days. We traveled by easy stages, stopping nights at Cincinnati, Chattanooga and Jacksonville, stopping at the latter place over Sunday. There was no trouble in getting accommodations. However, we would have had trouble in Chattanooga, but by the kindness of Mr. Wood, through the Old Country Club we were nicely cared for. The snow line, where we said farewell to the "beautiful," was about 100 miles south of Cincinnati. There the country grew more rugged, hills and mountains appear, and in many places it looks as if the Almighty had thrown down great armfuls of soil and rock, and had forgotten to spread it around.

There are seventeen tunnels between Cincinnati and Chattanooga—not the underground railroad of ante-civil war days, but underground just the same—affording excellent opportunity to the young folks on the train, only unfortunately the brakeman had a way of turning on the lights just before we entered. Wages do not seem to be so extravagantly high in Kentucky and Tennessee as in the north. Two young men boarded the train somewhere in Kentucky. Questioning them regarding their work and wages, they told us they were laborers and received from one to two dollars per day. We felt like engaging them to work in Plymouth all summer.

We found on arrival in Chattanooga that a bridge over the Tennessee river was in process of building. In consequence two trains had been temporarily taken off. This disarranged our plans somewhat, and we were forced to ride all night, stopping in Atlanta a couple of hours, arriving in Jacksonville about 10 o'clock the next morning. It was a tedious ride and some of us were nearly exhausted. However, we recuperated in the queen city of the south over Sunday. Feeling much better, we resumed our journey.

Jacksonville is a beautiful city of 15,000. It is the gateway to Florida, and at this time of the year is crowded with tourists, going or coming, mostly going. A few people are like the man we met in the depot. His face was set rigidly to the north, a look of discontent there, his language was not of the Sunday-school variety. It is clear that he would not give his back yard for the whole of Florida, and that he was going back north to get warm. I reckon from what I have heard of you there, he will have to burn some high-priced coal to accomplish that result.

Sebring is about 250 miles south of Jacksonville, with a chain of motor cars at the junction—Haines City. We arrived at our destination about 9:30 p. m., Monday night. A taxi met us at the depot, and we were whirled away to our hotel, glad to feel that we had arrived, and to sleep and rest, and awake in the morning to hear the birds sing and to behold the marvelous land of sunshine and flowers. Oranges, grapefruit and tangerines and roses and an infinite variety of flowers on every hand. The climate is ideal. The mercury registers from 75 to 85 in the middle of the day, and the nights are always cool, necessitating a blanket on the bed.

This town of Sebring has about 2000 people, and is growing rapidly. It is situated on Lake Jackson, which is about nine miles long and five miles wide, a beautiful lake with excellent fishing opportunities. The catch is mostly bass, sometimes to the size of 12 or 15 pounds. They are just now constructing a boulevard drive around the lake with asphalt pavement. Sebring is named after the little city of that name near Alliance, Ohio, where the Sebring brothers and their works are located. One of the brothers came down here about seven years ago, bought a large tract of land and founded this town. The surrounding country has been set out to citrus fruits and now thousands of acres are of bearing age, and many thousands of boxes of fruit will be shipped this year. Standing on an eminence some three or four miles from the city, I looked out upon more than three thousand acres of orange orchard stretching in every direction—a beautiful sight.

But I presume I have more than occupied my space in your columns and must close. Allow me to say that Mr. and Mrs. Leech, who accompanied us here, are well and enjoying the climate and the fruit very much. It seems almost like one of the tricks with Aladdin's lamp to be transported out of the cold and frost of the north into the favored land of sunshine and flowers. We appreciate the coming of the Mail. It seems like the face of an old friend in this faraway land.

Very sincerely yours,  
G. H. WHITNEY.

**Baptist B's**  
The people who attend the Sunday service have opportunity frequently to see some beautiful flowers. Mrs. Knapp brought a fine bouquet of amaryllis from her conservatory recently.

The voluntary offering for the missionary fund with the pledge made assures us that our obligation to the Baptist societies will be met in good time.

Mr. Allenbaugh has made a place for his class of boys in the basement of the church, and that class is going to grow. Many of the boys are Christians now and are deciding the matter. These boys are going in for athletics this spring, too. They can thus show the manliness of Christ.

The children have begun raising money for the purpose of helping needy people. Their generosity in giving sets a good example for older people. Dorothy Malow has been appointed treasurer. The prevailing influenza has cut the attendance down for the first time. The usual attendance is over 50 children.

**Periodic Bilious Attacks**  
Persons subject to periodic bilious attacks will observe that their appetite falls then just before an attack. That is, they do not really crave food, but eat because it is meal time. If they will eat only a light meal and use a laxative, their bile will be secreted and the attack will be avoided.

**IN MEMORIAM**  
In loving memory of our mother, Julia Ann Stevens, who died ten years ago, February 5, 1910.  
Have been thinking of you, my Mother dear,  
Can almost feel your presence near,  
And hold you by your loving hand,  
A gift that only God can understand.  
Though ten long years have passed and gone,  
Since you left your earthly home,  
Still memories of you hold very near,  
It's sweet to think of Mother dear.  
Your dear face was sweet and mild,  
As dear and sweet as a little child;  
Your love, so true and almost divine,  
I can't forget you, Mother mine.  
Her Daughter,  
Mrs. Mabel Stevens Penney,  
Sons and Daughter.

**OBITUARY**  
John Hix was born in the township of Nankin, Wayne county, Michigan, March 17, 1842. He was united in marriage to Josephine M. Fish, March 17, 1868, and departed this life January 26, 1920, at the age of 77 years, ten months and nine days. To this union seven children were born, six of whom survive him, one daughter, Ellis, passing away ten years ago. He leaves to mourn their loss, his faithful wife; four sons—Ben and Cady of Wayne, Ralph of Los Angeles, California, and Perry of Sheldon; two daughters—Mrs. Fred Reiman and Mrs. Ed. Pettibone of Plymouth; also fifteen grandchildren and six great grandchildren. Ten years ago he suffered a stroke of paralysis, since which time he has been in failing health and for the past fifteen months had been a helpless invalid. In all his suffering and helplessness Mr. Hix was a most patient sufferer, never complaining, but ever trying to make it easier for those who cared for him. He had lived on the farm where he spent his last days for fifty-five years, with the exception of one year spent in Plymouth, and for twenty-one years had been a faithful member of the Tonguish Helping Hand. He was a maker of many friends, a loving husband and kind father.

A CARD—We wish to thank all for their acts of kindness and words of sympathy spoken during the illness and death of our husband and father, and especially do we thank those who furnished sleighs and the beautiful floral offerings, Rev. Field for words of comfort and Mr. Whipple for the singing.  
Mrs. Josephine Hix and Family.

### Mid-winter Farm Bargain

ONLY 32 MILES FROM DETROIT

You can buy 80 acres, equipped with stock and tools, part rich, black muck celery and onion land, for \$5500 and only a small down payment. This bargain is located on a good gravel road that will be made a state road next summer, only 2 1/2 miles to a good railroad town having a grain elevator, milk station, store, churches and other conveniences. Hour and a half drive to Detroit: 45 acres in tillage, 3 acres rich black muck tilled drained and under cultivation; 20 acres timber containing a maple grove and hundreds of cords of wood; 15 acres (besides the woods) heavy pasture capable of caring for 10-15 head of stock and watered by a spring fed brook; milk route by the door. A five-room house with a cellar that never freezes; telephone, daily mail route, fine water and in a good neighborhood. Two good barns, each with a stone basement; stanchions for six cows, two horse stalls, two box stalls, granary, large hay mows, hay fork, living spring in barnyard. A fine new concrete milk house, with cooling tank and cream separator. Chicken house, tool shed and corn crib. On account of the owner's health this farm is too large for him to work, and he offers to sacrifice it for \$5500 and include his stock and tools, consisting in part of 4 fine milk cows, 1 heifer, a team of horses, a good wagon, hay rack, mower, rake, 3 drags, land roller, drill, 4 cultivators, 2 incubators, 2 brooders, etc., and all the hay, straw, and feed for winter use, and only requires a cash payment of \$2500. Ask about 55 when you write or call.

Frank Jones, 350 Fifth street, Detroit, conducts a horse auction sale every Thursday. Horses of all descriptions, fully guaranteed. Harry C. Robinson, auctioneer.

Plymouth friends will be pleased to hear that Miss Marian Hood, who has been seriously ill with pneumonia at her home in Detroit, is now much improved and hopes are entertained for a rapid recovery.

We were obliged to leave out several items this week on account of not having time to put them into type, among them a communication from Louis Hillmer on the water question, which will appear in our next issue.

Mr. and Mrs. S. W. Spicer are in Lansing, this week, attending the Farmers' Week convention at the Agricultural college. Mrs. H. A. Spicer is staying with her two granddaughters at her son's home during their parents' absence.

William Cooper, an aged man who had made his home with Mr. and Mrs. William Johnson at Stark, for the past few years, died last Sunday, February 1st, and the remains were laid away in the Perrinville cemetery on Tuesday. Rev. Frank M. Field conducted a brief service at the grave. Mr. Cooper was past eighty-seven years of age, having been born in 1832. He lived for many years in Nankin township, but in 1916 went to live with William Johnson in Livonia.

A pleasant gathering was held at the home of Mr. and Mrs. H. A. Spicer on East Ann Arbor street, last Saturday evening, when the children and families, Mr. and Mrs. William Wakely and daughter, Geraldine, Mr. and Mrs. Norval Ayers and little son of Highland Park and Mr. and Mrs. H. S. Doerr and two sons of this place, gathered there in remembrance of the former's birthday. A fine supper was enjoyed and music and a social hour made the evening a pleasant one.

DELCO-LIGHT
