Let Music
Brighten the
Lives of
Your Children

After all, it's not the school training, but the home atmosphere which molds the child. Children brought up in the cultured home betray that fact during their entire lives. It leaves a lasting imprint. A home with any claim to culture is a home in which good music is enjoyed and understood. A child whose interest in music is fostered will become a man or woman who possesses a resource which makes for lasting happiness. You want to give your children every advantage. That is just one reason why you want

If you have a tire of any kind or a fracture, bring it in and if it is not worth repairing we will frankly tell you so, for we want you to get the money out of your tire that you put into it. If we repaired a tire that did not give you service and satisfaction, we have done an injustice to our trade. Other tire repair men will tell you that they guarantee their work. We don't only guarantee our work, but the whole tire must give you service—not only the part that we repaired.

Don't forget that other parts of your car want the best—VEEDAL OIL is the best oil for your car and tractor.

NEXT NUMBER ON LECTURE COURSE

THE RICH-WERNO ENTERTAINERS WILL APPEAR AT PENNIMAN ALLEN THEATRE NEXT WEDNESDAY EVENING.

Miss Rita Rich and Miss Laura Werno, who will be heard here on the Citizens' Entertainment Course, Wednesday evening, February 18th, as the Rich-Werno Entertainers, are well known to Lyceum audiences. They first won popularity as members of the Killarney Girls' Company. They are both entertainers of high rank.

"Miss Rita Rich," says the Daily Pisayune, New Orleans, La., presents a novelty in the line of vocal programs that is entertaining, artistic and educational in equal measure. She possesses a most beautiful voice, thoroughly cultivated, and has excellent control of it. She throws herself completely into the spirit of the songs of the different countries, and people which she presents.

A special meeting of this club will be held this (Friday) afternoon, February 13th, at the usual meeting place, for the purpose of hearing George A. Smith, who at that time will talk to the club on the Monroe Doctrine. This very important and much talked of subject in regard to the peace treaty should be of interest to every member of the club, and it is earnestly hoped that all members will make an effort to attend this meeting. Special music will also be furnished. Remember the date, this (Friday) afternoon at three o'clock in the Kindergarten room at the school building.

Concerning an appearance by Miss Werno in Ashland, Ohio, the Times-Gazette of that city, said: "As for Miss Laura Werno, the 'fans' distributed throughout the audience, took notice when she gave her base ball routine. Miss Werno successfully worked the 'squeeze play' on the audience's laughter."

"The voice of Miss Werno is a splendid mezzo-soprano," says the Santa Cruz, Cal., Sentinel.
"Don't fail to hear them at the Penniman Allen theatre, next Wednesday evening. Single admission, 50c."

DELPHIAN CHAPTER ELECTS NEW OFFICERS

The Plymouth Delphian Chapter held its first annual meeting, Wednesday evening, February 4th. The following officers were elected:
President—Mrs. L. I. Teft
First Vice Pres.—Mrs. Luther Peck
Second Vice Pres.—Miss Alice Safford
Secretary and Treasurer—Mrs. B. E. Champ

After the business meeting a very interesting literary program was given. Little Thelma Peck gave a very pleasing recitation for the special feature of the program. The subject for the evening was, "Social Life in Greece," including Greek clothes, wearing apparel, meals and food, position of women, education, sports and pastimes, and laboring classes.

For the next meeting there will be several interesting papers read, besides the study, which will be "Early Rome." Roll call will be responded to by "Current Events." The next regular meeting will be held at the High school building on Tuesday, February 17th, at 7:00 p. m. All Delphians are requested to be present.

MRS. FRED JOHNSON DIES OF PNEUMONIA

Mrs. Mae Madison, aged 32 years, wife of Fred Madison of this place, passed away at her home at 206 Northside, Plymouth, Mich., on Wednesday, February 11th, at 10:30 a. m. She was born in Michigan and was the daughter of Mr. and Mrs. John Madison. She also leaves one son, Fred, and one sister, Mrs. John Madison.

The funeral was held from the Manman Allen Auditorium, Plymouth, Mich., on Friday, February 13th, at 10:00 a. m.

WOMAN'S LITERARY CLUB

The ninth regular meeting of the Woman's Literary Club of Plymouth, was held in the kindergarten room at the school building, Friday afternoon, February 6th, the president, Mrs. C. H. Bennett, presiding, with one guest, eighteen active and ten associate members present. The chairman of the building fund committee reported another gift to that fund, which was gratefully received, and the corresponding secretary was instructed to send a note of thanks and appreciation to the giver.

South American Industries was the response given to roll call. The following program prepared by the second division with Mrs. F. A. Dibble, leader, was presented as follows:
Paper, "Argentine—Amazing Developments"—Mrs. E. E. Foster.
Two instrumental selections, piano and mandolin, by Mrs. E. B. Samson and Mrs. B. E. Giles were greatly enjoyed by all present.

W. Hillman.
The program concluded with Current Events by Mrs. William Freyman.
Hostesses—Mrs. F. A. Campbell and Hilda Wagoner.

A double funeral service will be held for the father and son from the Schrader Bros. Funeral Home, this Friday afternoon, at 2:00 o'clock. The family have the sympathy of the entire community in their double affliction.

PLYMOUTH WINS OVER MT. CLEMENS

THE PLYMOUTH HIGH SCHOOL DEBATING TEAM WON ITS THIRD CONSECUTIVE DEBATE LAST MONDAY EVENING.

Plymouth High school had its third debate of the season with Mt. Clemens High school in our High school auditorium, Monday night. E. V. Jolliffe presided, and the timekeepers were Winifred Willett and Charles Chapin. Music was furnished before the debate by the High school orchestra. The Plymouth team, consisting of Lyman Judson, Hanna Straesen and Grace Hawkins, won a 3-to-0 decision over the Mt. Clemens trio, which consisted of Herbert Irish, Bernice Smith and Charles Doh. The judges were Superintendent of Schools Sawyer of Redford; Mr. Archibald of Ypsilanti, and Mr. Fricklen, principal of the Highland Park High school. Both teams did good work in subject matter and delivery, but the Mt. Clemens team's best work was done by the second speaker, Bernice Smith. Special credit should be given to Grace Hawkins of the Plymouth team, for the splendid way in which she took her place, after only four days of preparation. The next debate is scheduled with Ypsilanti, here at Plymouth, Saturday evening, February 14th. At that time Plymouth will uphold the affirmative side of the question. Plan to hear what our debating team has to say for municipal military training, Saturday evening, February 21.

WILL CONDUCT MEETINGS IN FLINT

An invitation from the official board of the Oak Park Methodist church in Flint, for Rev. Frank M. Field to lead them in special evangelistic meetings the last half of February has been accepted by the Plymouth pastor, who will begin his work in the large city church next week.

This opportunity will be of special delight to Mr. Field, who organized the Oak Park church ten years ago, preaching its first sermon in a rented tent, July 11, 1909. He served as its pastor for five years, receiving four hundred fifty people into its membership, and leading the congregation in two successful building campaigns.

The church now has a membership of nearly one thousand, a Sunday school of seven hundred and a church property valued at \$100,000. The present pastor is Rev. Ralph M. Pierce, known to many Plymouth people as a former popular pastor at Northville. He and Rev. Field will work together in the evangelistic campaign the remainder of the month in Flint, and then in March will work together in a similar campaign in Plymouth.

Mr. Field will be back for Sunday services in his own church.

PNEUMONIA CLAIMS FATHER AND SON

William Weeks, a life-long resident of Plymouth, died at his home on South Main street, last Monday evening, after a few days' illness of pneumonia. Mrs. Weeks and their son, Elmer, aged 17 years, were first stricken with the disease, and in caring for them, Mr. Weeks, who had not been well, fell an easy victim of the dread malady. Tuesday noon, Elmer also passed away. Mrs. Weeks was removed to the home of her daughter, Mrs. Beulah Bolitho in Detroit, Tuesday, and it is thought she has a fair chance for recovery.

Mr. Weeks was born in Plymouth, and was 59 years of age. Besides the widow, he leaves three children, Mrs. Beulah Bolitho of Detroit; Glenn of Salem, and Mrs. Glenn Smith of this village. He also leaves two brothers and one sister.

A double funeral service will be held for the father and son from the Schrader Bros. Funeral Home, this Friday afternoon, at 2:00 o'clock. The family have the sympathy of the entire community in their double affliction.

HOW WILL YOU SPEND

Next Sunday, February 15, 1920

We are not asking how WILL YOU SPEND ETERNITY? But how you spend next Sunday may be something of an indication as to how you will spend eternity.

THINK IT OVER

Will you get up late, lounge around the house, root around through the voluminous Sunday newspaper, seek only comfort or entertainment? Where is your soul going to get any fuel or inspiration out of such a selfish Sabbath? Or where will God get any glory?

OR WILL YOU REMEMBER THE SABBATH DAY TO KEEP IT HOLY?

OBITUARY

Charles Lundy was born June 20, 1865, and died February 4, 1920. Mr. Lundy was born in Newmarket, Canada, and came to the United States at the age of 25 years. In 1894, he was married to Martha Louise Hopkins of Ypsilanti. To this union four children were born, Claribel, Olive, Lillian and Lloyd, who with the widow survive him. Mr. and Mrs. Lundy resided at Salem a time after their marriage, and while at that place united with the Baptist church. Later they moved to a farm near Plymouth, where they resided for a time before coming to this village. The deceased is also survived by one sister, Mrs. Elnora Brown of Toronto; two half-sisters, Mrs. Leslie McCashey of Pontiac; Mrs. John Mitchell of South Dakota; and one half-brother, Fred Randall of Detroit. The funeral was held from the Methodist church, last Saturday afternoon, Feb. 6. Field officiating. Interment in Riverside cemetery.

LANGUAGE ENRICHED BY WAR

English Newspaper Comments on Addition of American Slang to the Ordinary Vocabulary.

An enterprising publishing firm has issued a post-war English dictionary which professes to contain words that came into use during the war. It might have saved some perplexity on the part of the Willenden magistrate who was told by a witness last week that a man in the case was "all pushed up," and that a certain turn of events "put the kybosh on him." "Pushed up" recalls dreadful things to the demobilized man, for how many weary hours has he not spent in "pushing up" for parades and inspections? To "push up" means, of course, to make oneself look smart. In civilian life it means specklessly polished boots, starched collar, neatly pressed trousers, carefully brushed hair, and a shining morning face. In the army it meant buckles, buttons and cap badge polished to distraction. Leather equipment with a supergloss, and well "blanched" haversack and valise (khaki color, of course). And for the man "warned for guard" behind the lines or in camp at home there was always the hope that by "pushing up" to the nth degree he might escape duty, the prize awarded by the inspecting officer to the smartest man paraded. As for "kybosh," the word is familiar enough to the music-hall public. The extinguisher puts the "kybosh" on the candle, and the allies, in the words of a war-time song, "put the kybosh on the kaiser."

A secret emulsion, invented by a Russian professor, which, it is asserted, will make color photography possible for everybody, is about to be introduced into this country, says the London Times. The problem of making the process capable of snapshots as well as time work is claimed to have been overcome, and the exposure can be as rapid as with the ordinary emulsion, thus fitting the invention for moving-picture work also.

SCHOOL NOTES

Viola Birch, Roy Millman and Thurber Becker of the fourth overflow room, wrote the tables from 2's to 12's correctly. Miss Ida Burman visited the third grade, last Friday.

The first grade people are reading from the Akins book one.

The boys team in the game at Trenton, last Friday night, presented a very changed line-up from the week before. Doubt has left school, and with Captain Wilcox, Clemens and Harris sick, and Randall unable to make the trip, a shift of players was a necessity. The new line-up, however, was nearly as strong as the old, except for lack of team work and failure to find each other on the floor, when passing a ball. The main cause of failure to win was the floor, which was as slippery that even the referee found it difficult to keep his feet, and which made quick stopping or starting impossible. In the fourth quarter Waller and Birch were disqualified on personal fouls. After that Trenton got 9 points to Plymouth's 2, the score being 14 to 10 for Trenton before their removal. Roe, acting as captain, showed up well through the whole game. Waller out-jumped Bishop at center, and proved an excellent defensive man, his greatest weakness being in passing to teammates. This was true of Birch, who made up for it in part by getting 6 points of the total 12. Miller and Tait as guards, repeatedly broke up Trenton's offense, which seemed impossible to prevent scores. Wisely and Walker in the last quarter, were handicapped by being unused to their teammates and the floor, but both show promise as team players. The summary of the game follows:

Plymouth—Roe, Capt., R. F.; Birch, L. F.; Waller, C.; Tait, R. G.; Miller, L. G.

Trenton—Barrow, R. F.; Ayles, L. F.; Bishop, Capt., C.; Armstrong, R. G.; P. VanHorn, L. G.

Substitutions: Wisely for Waller; Walker for Birch; Purdy for Ayles; W. VanHorn for P. VanHorn. Free throws: Miller, 1 in 3; Roe, 1 in 7; Ayles, 1 in 6; Bishop, 4 in 8. Referee—Tweinhart. Score—First half, Trenton, 7; Plymouth, 5. Final, Trenton, 23; Plymouth, 12.

Belleville H. S. boys' and girls' teams will play here Friday night. It is expected that the games will start at 7:30. Admission as usual, 25c.

Our girls basket ball team played against the Trenton girls' basket ball team at Trenton, Friday night. The Trenton girls led out with a fairly good score, but when the first half ended the score was a tie, 8 to 8. The score remained about even all through the last half, and, of course, because of that the game was very interesting. At times it looked as if we must go home unable to say we won, but regardless of the slippery dance floor which our girls were surely not used to, we came out victorious by a small margin, with a score of 13 to 11. The girls who can work when the score is about even. The line-up was as follows: Sarah Wilson, Capt., R. F.; Doris Proctor, L. F.; Edith Pierce, J. C.; Merle Roe, R. C.; Mildred Hood, R. G.; Florence Greenlaw, L. G.

B. J. Holcomb, coach and teacher of agriculture, together with William Sutherland of the Board of Education attended "Farmers' Week" or what was formerly called the "Round-Up" of the State Farmers' Institute, at Lansing last week. One of their privileges was a lecture by Dr. McCollum of Johns Hopkins University. Dr. McCollum is the greatest living authority on nutrition.

Thursday of this week, the civics class of Mr. Ross gave a Lincoln program. The roll call consisted of some quotations from Lincoln or an anecdote relating to him. There was an original story dealing with Civil War times and biographical material in essays.

For the Children

Too much care cannot be exercised in selecting a cough medicine for children. It should be pleasant to take, contain no harmful drug and most effectual in curing their coughs and colds. Long experience has shown that Chamberlain's Cough Remedy meets these conditions. It is a favorite with many mothers.—Adv.

PLYMOUTHITES ENJOY PICNIC IN ARIZONA MOUNTAINS

Mr. and Mrs. George VanDeCar, sons, Earl and Lester, with their wives, and little granddaughter, Jean, and H. C. Hager and wife enjoyed a delightful picnic in the mountains on January 24th. The party started from Phoenix about 10 a. m., driving in two cars through the beautiful wild desert scenery of Scottsdale, circling the foot of a chain of mountains, getting a glimpse of Paradise Valley, and after a drive of 15 or 18 miles, we ended up at Camel Back Mountain, just back of which is the famous Echo Canyon. Here under the frowning height of Camel Back, we saw little natural cave houses, but there were 29 other tourist cars grouped around these, so we stopped a little farther back and found an ideal camping spot between two drooping pines on a sloping hill at one end and a small natural cave. Here the ladies proceeded to unpack the delicious picnic lunch, while the men gathered sticks for a fire, on which we fried meat and heated coffee. Everybody thoroughly enjoyed the frolic, and after packing up the dishes, the party started to climb the steep ascent of Camel Back, and it was no light task, as in places there was very little foot-hold to be found, and one had to hang on with their hands, with a prospect of a drop of 500 feet, if their feet slipped. The party reached the first lap, and here we took pictures, and then resumed the climb, sending out various calls, which echoed from rock to rock of Echo Canyon, and gave back a perfect echo of the human voice. It takes several hours to get to the very pinnacle of Camel Back, but owing to lack of time, we did not reach this point. Some more pictures were taken and then we proceeded to work our way down, which was a great deal more difficult than going up. After all had reached the ground safely, we visited the camp fire again, and those of which were still hot, each enjoyed a cup of hot coffee and finally started for home on a different route, and arrived at seven o'clock, very tired, but all agreeing that none of us had ever spent a more delightful day, than this one had proved to be.

On one of the pictures enclosed you will find a cross above a stone figure to the left of the mountain. This is supposed to be an old Indian shrine, and wonder if it would be possible to print them in the Mail, so your readers may note the difference in weather conditions. It was so warm that day that it was impossible to wear a coat. The sun shone all day brightly, and its setting was one of the most beautiful sights of Arizona, which is famous for its sunsets.

Yours very truly,
MR. AND MRS. H. C. HAGER

Editor's Note—We regret that it is not possible to reproduce the pictures above referred to in this issue of the Mail, but may be able to do so later.

Baptist Notes

Mrs. Ora Chilson visited her old church home and was cordially welcomed. It does seem good to have those who have been members and, indeed, still retain membership, come and see us. Mr. and Mrs. Chilson are living in Redford now.

The boys and girls are sending \$20.00 to Swatow, China, for a baby organ for a kindergarten in that city. It will not be long before we can think of the children of that city as singing songs of praises to God on the instrument we have enabled them to get.

Our organist, Miss Young, joined the great crowd of absentees on account of illness. All are falling in line.

A COMMUNICATION

Editor Mail: Some of your readers may look for the promised word relative to our water supply, otherwise we would not intrude upon your time or ask for valuable space in the Mail.

We find ourselves unable to add anything to the suggestion of last week: Namely: That the authorities have meters installed and sell water at meter rates. We believe that the equitable way, whether the quantity of water be great or small. The thing now is to conserve water. We believe the installing of meters will have that effect to an extent that will remove for a time the necessity of bonding for several hundred thousand dollars for new main.

We know that if a meter is placed on the line in our home, the water meter washing machine will not be started in the evening, and left to run all night. The faucets in the bathrooms will not be open and left running twenty-four hours per day during freezing weather, and milk in bottles will not be cooled or kept cool in the hot water sink, by placing them in the kitchen sink and turning the city water upon them. Water has and is being wasted in other ways "too numerous to mention."

To eliminate some of this waste, buy and install meters as soon as possible, and in these piping times of plenty, each household or owner might help a good thing along by paying for meter. The village later to reimburse him or her with an amount of spring water equivalent to cost of meter and finally own same.

STRIKING SCENERY IN "THE MIRACLE MAN"

CROOKS IN CLOVER IN DRAMATIC GEORGE LOANE TUCKER PRODUCTION.

From the sordid slums of New York's Chinatown to the grandeur of high mountains and the majesty of the ocean—that is the range of the setting in "The Miracle Man," a big Paramount-Artcraft picture, produced by George Loane Tucker, which is coming to the Penniman Allen theatre, Friday and Saturday, Feb. 20 and 21. The same expansiveness of vision is reflected in the absorbing story, written by Frank L. Packard, later dramatized by George M. Cohan, and produced with striking success on Broadway.

The central figure is a white-haired patriarch, who lives in the hills near the sea, and who has the reputed power to heal the sick and crippled. Tom Burke and his band in their haunt in the New York underworld read of his miracles and conceive the idea of capitalizing them for their own gain. So they go to the town where the old man lives and frame up a miracle for him. To their surprise they discover that he really possesses the healing powers accredited to him.

Gradually under the beneficent influence of their new environment there is worked a transformation in the hearts of the crooks that makes Rose, the gangster's beautiful decoy, the charming girl she is at heart, that evolves a farm hand out of a dope fiend, and finally brings out the better nature of even the hardened, sophisticated Tom Burke himself. In the hands of such capable artists as Thomas Meighan, Elinor Fair, Joseph J. Dowling, Betty Compson, and others of similar merit, this powerful story becomes a vital, living thing and one of the greatest dramatic spectacles the screen has yet revealed.

PLYMOUTH CHICKENS ARE WINNERS

John Oldenbug received one first on pullet and cockerel in the Golden Lace Wyandotte class at the recent Detroit poultry show. At the Lansing State show held last week, he was awarded the grand championship prize on Golden Lace Wyandotte cockerel and won second on pullet. Maxwell Moon won four firsts and one second on his Light Brahmas and Black Rosecomb Bantams at the Lansing show.

Lot Owners Attention

This is in answer to your question relative to Water Main Extensions.

This is an answer to your question relative to water main extensions. Many of you have asked if there would be any difficulty about getting water onto some of the new subdivisions. DON'T WORRY about water very much, before the time that you will need it, then present proof of your need and wants to the proper authorities in the right and legal way, be on hand at the right time and place to back up your request, perhaps it will be granted. When it comes to what authorities may do for a citizen or taxpayer, we have not and cannot guarantee anything. If you lived outside of the village limits you might find it comparatively easy to get the village water onto your premises.

We served the village six consecutive terms. During that time, not a single tap was made for a person outside the village. We took the position that those who wanted to enjoy the benefits of our public utilities should come inside the lines and also share its burdens of taxation and government.

During the summer months, we are restricted to half-hour periods for sprinkling purposes. Some of those living outside the village limits, supposed to have the village water for domestic needs only, may use it when and for what they please. Mighty fine people too, whom we count among our friends, we say of them, they are fortunate, indeed. They never would be using the village water under the present arrangement with our sanction.

Some of our citizens years ago urged that steps be taken for the laying of a larger main to the spring, yet as late as last fall, the authorities permitted connection to be made with the village main and water to be piped onto properties far beyond the southern village limits. CAN YOU BEAT IT?

Just call attention to that fact when you present a petition for extension of main onto lots WITHIN the village limits.

Buy Your Moline Tractor Now

BECAUSE

You may not be able to get a Moline-Universal if you delay ordering.

You will help relieve spring congestion of shipping by buying now.

You will have plenty of time to become familiar with its construction and operation before the spring rush and will be able to work your tractor in on belt work and other light jobs.

It is the only tractor which does all farm work including cultivating.

One man operates both tractor and implement from the seat of the implement where you must sit in order to do the best work.

Tractor and implement form one unit—backs as easily as it goes forward—turns in a 16-ft. circle.

It has plenty of power for your heaviest work, yet light in weight to operate economically on light jobs. All the weight on two big drive wheels—no dead weight—no extra expense.

Substantially constructed for many years of service.

Electric lights for night work and self starter for non-robust labor.

You can practically double your efficiency and produce more food with less help. You will need to order now.

Mid-winter Farm Bargain

ONLY 32 MILES FROM DETROIT

You can buy 80 acres, equipped with stock and tools, part rich, black muck celery and onion land, for \$5500 and only a small down payment. This bargain is located on a good gravel road that will be made a state road next summer, only 2 1/2 miles to a good railroad town having a grain elevator, milk station, store, churches and other conveniences. Hour and a half drive to Detroit: 45 acres in tillage, 3 acres rich black muck tiled drained and under cultivation; 20 acres timber containing a maple grove and hundreds of cords of wood; 15 acres (besides the woods) heavy pasture capable of caring for 10-15 head of stock and watered by a spring fed brook; milk route by the door. A five-room house with a cellar that never freezes; telephone, daily mail route, fine water and in a good neighborhood. Two good barns, each with a stone basement; stanchions for six cows, two horse stalls, two box stalls, granary, large hay mows, hay fork, living spring in barnyard. A fine new concrete milk house, with cooling tank and cream separator. Chicken house, tool shed and corn crib. On account of the owner's health this farm is too large for him to work, and he offers to sacrifice it for \$5500 and include his stock and tools, consisting in part of 4 fine milk cows, 1 heifer, a team of horses, a good wagon, hay rack, mower, rake, 2 drag, land roller, drill, 4 cultivators, 2 incubators, 2 brooders, etc., and all the hay, straw, and feed for winter use, and only requires a cash payment of \$2500. Ask about 55 when you write or call.

Clothes last Six Times Longer.....

Proved by actual test! Clothes do last six times longer when they are washed in the Electric Washing Machine than when they are washed by hand.

Just as long as you continue to rub those delicate fabrics on the wash-board they are going to wear out more quickly than they should.

Rubbing causes those thin places in your linen. The linen of table-cloths and napkins never was made to be rubbed on the wash-board. Linen never should be rubbed.

There is no rubbing with the Electric Washer. That is why clothes last six times as long. Ask your neighbor what she thinks about her Electric Washing Machine.

Ask us for particulars.

The funeral services were held from the family residence, Tuesday afternoon at two o'clock. Rev. F. M. Field, pastor of the Methodist church, conducting the services. The remains were placed in the vault at Riverside cemetery. Many friends extend sympathy to the bereaved family.
Darling sleeper, short thy mission. Brief thy sojourn here below. Early did our Saviour call thee. From a world of ain and woe. Whilst on earth, we called him Oscar. And we call him still, the same; But we know the angels call him By a far, far sweeter name. Soar aloft, thou happy spirit. Blessed, guiltless soul arise. Would that we were all as fitted, For a welcome to the skies.

A CARD—We desire to thank our friends, neighbors and relatives for the beautiful flowers, kind help and sympathy at the late loss of our baby, Oscar J. Matts.
Mr. and Mrs. Elmer Matts.

A CARD—To the many friends who have remembered us in our hour of sorrow, we wish to express our thanks. Any sympathy and care to alleviate sorrow, it is the sympathy of the home folk, and we appreciate every kind expression of thought.
Florence Mitt-Mott, Fannie Mott, Alice Mott-Lange.

HARNESSES

It does make a difference where you buy Harness. If you are interested in getting the most service for the money invested it will pay you to buy your Harness of us.
Our Harness has the reputation of giving service longer than many others. I am working harder than ever to keep up this reputation.
I have the largest stock of Harness in Wayne County outside of Detroit, but they will not last long at present prices. My advice is to purchase early if you wish to save money.
