

**Edison Spent  
Three Million Dollars  
for You**

**The NEW EDISON**

This wonderful instrument has been compared more than two thousand times in public with more than forty different gramophones—singers and instrumentalists—and in each instance its RE-CREATION of the singer's voice, or instrumentalist's performance, could not be told from the original.

We are prepared to sell you today, for \$285, an exact duplicate of Edison's Three Million Dollar Phonograph. You may even have extended terms of payment, if you desire that accommodation. First of all, however, we want you to hear this wonderful new instrument. May we have the pleasure of demonstrating to you that Music's RE-CREATION is a reality and not merely a fanciful phrase?

**FLINT PREACHER HERE NEXT WEEK**

**REV. R. M. PIERCE WILL BE THE PREACHER AT EACH EVENING MEETING FOR THE NEXT TWO WEEKS AT THE METHODIST CHURCH.**

The special Easter meetings which begin at the local Methodist church next Sunday are a part of the most concerted evangelistic movement in the history of the country in which every Protestant church in the United States is participating. "A Million New Lives for Christ" is the goal for the year.

At the close of the business meeting, the president presided over the program. Several new names were added to the membership list.

At the close of the business meeting, the president, Mrs. C. H. Bennett, gave a brief resume of the aim and purpose of the club during the past year.

**WOMAN'S LITERARY CLUB OBSERVE ANNIVERSARY**

**JUDGE HENRY HULBERT OF DETROIT TOLD OF HIS WORK IN THE JUVENILE COURT OF WAYNE COUNTY.**

A pleasant meeting of the Woman's Literary Club was held in the kindergarten room at the school building, last Friday afternoon, when the twenty-seventh birthday anniversary of the club was celebrated.

As this was a regular meeting day, a short business session, with the president presiding, preceded the program.

At the close of the business meeting, the president, Mrs. C. H. Bennett, gave a brief resume of the aim and purpose of the club during the past year.

**LITTLE HELEN HUMPHRIES PASSES AWAY**

Little Helen, aged nine years, daughter of Mr. and Mrs. George Humphries, Jr., died at the home of her parents on Starkweather Ave., last Saturday evening, March 6th, after only a four days illness from bronchial pneumonia.

The remains were placed in the receiving vault at Riverside cemetery.

**DEATH OF BERNICE SPRINGER**

Bernice Springer, aged eleven years, granddaughter of Mrs. Conrad Springer of this place, died at the Wyandotte hospital, Friday, March 5th, after a three-week illness. The child had not been strong for the past year and death was due to a complication of diseases.

**Something to Know About Plumbing**

Here is a way in which you can save money. When a leak develops in your home, or a faucet needs repairing, try to find out, before you call us, the exact nature of the work to be done.

One unacquainted with the plumbing business cannot always explain just what is needed. But the more complete the information which you give us before we call, the better prepared we shall be, to make the necessary repair. This will save not only our time, but your money.

Customers find our repair work neat, satisfactory and our prices fair.

Call on us when anything goes wrong.

Phone 287-F2

**DEATH OF BERNICE SPRINGER**

Bernice Springer, aged eleven years, granddaughter of Mrs. Conrad Springer of this place, died at the Wyandotte hospital, Friday, March 5th, after a three-week illness. The child had not been strong for the past year and death was due to a complication of diseases.

She is survived by her father, Wm. Springer of Northville; her mother, Mrs. L. B. Rathburn of Wyandotte, with whom she resided, one older sister, Katharine, besides many more distant relatives.

The remains were brought to Plymouth and the funeral services were held from the Lutheran church Sunday afternoon, the pastor, Rev. Carl Strassen officiating. Burial in Riverside cemetery.

**WOMAN'S LITERARY CLUB OBSERVE ANNIVERSARY**

A pleasant meeting of the Woman's Literary Club was held in the kindergarten room at the school building, last Friday afternoon, when the twenty-seventh birthday anniversary of the club was celebrated.

As this was a regular meeting day, a short business session, with the president presiding, preceded the program.

**LOCAL DEBATE WINS FIFTH VICTORY LAST FRIDAY**

The debate between Flint and Plymouth High school teams occurred in the local church, Friday evening.

The debate between Flint and Plymouth High school teams occurred in the local church, Friday evening. The local team won its fifth victory in a series of debates held in a series of public schools.

T. H. Foley, Manchester, N. H.  
"I surely know the worth of Foley's Honey and Tar. It has cured me of coughs and colds, and I have had it used by my family for years."  
A. L. Smith, Westchester, N. Y.  
Children Use Foley's Honey and Tar. It is sweet and delicious, and will not injure a child's stomach."  
W. J. Bennett, Boston, Mass.

Little Madeline Huston, daughter of Mr. and Mrs. Lloyd Huston, is very ill.  
Near Plymouth High debate with Ann Arbor High, next Thursday evening, at High School auditorium.  
Holly Masons have bought a site for a fine new temple which they will erect this season. The building plan includes two stories on the first floor for rental purposes.

Unless the Plymouth & Northville Gas Co. receive a car of coal, which they have rolling, today, they will be forced to shut down Saturday, until a supply of coal arrives. Every effort is being made to secure coal and avoid shutting down, even for a day.  
The following from out of town were here to attend the funeral of Bernice Springer last Sunday: Mr. and Mrs. L. E. Rathburn and Katherine Springer of Wyandotte, Mr. and Mrs. William Springer of Northville; Mr. and Mrs. James Stewart of Detroit, and Mr. and Mrs. Rathburn of Wayne.

Francis Beals, who received a fall about a week ago, sustaining painful injuries to his knee and head, was taken to the University hospital, Ann Arbor, Tuesday, where the X-ray was used. Mr. Beals' condition is improved at this writing, but he will remain at the hospital for treatment on his knee.

Thomas Lamb, aged about sixty-five years, who has been living at the Plymouth Hotel for some time past, suffered a stroke of paralysis at the hotel last Sunday, and continued to grow worse until he passed away, Wednesday evening, March 10. He is survived by three sons, two in New York City, who have not been located, and one in Akron, Ohio, who was notified of his father's illness and death, but was detained on account of a death in his immediate family. The remains were taken to Schrader Bros' Funeral Home, where they are awaiting the son's arrival. Mr. Lamb had been a resident of Plymouth for the past ten or twelve years. He was a painter by trade, and during his residence here he has been in the employ of Dewey Holloway.

**PRESBYTERIAN MEN GIVE BANQUET**  
MEN OF THE CHURCH GIVE  
SPLENDID BANQUET TO THE  
LADIES OF THE CHURCH LAST  
WEEK THURSDAY EVENING.

On Thursday evening, March 4th, a very fine banquet was given by the men of the Presbyterian church to the ladies of the church, and to which those who are in any way especially interested in the church were cordially invited. Owing to the inclemency of the weather many were detained from going, but a large company however, was gathered about the tables which were prettily decorated with fern leaves and various colored carnations. A most delicious menu was served in good form by the men, who acted as waiters. C. H. Bennett had charge of the dining room, and the success of the banquet was due in a large measure to his thoughtfulness in arranging all the details that help to make such an occasion delightful. William Kaiser had charge of the kitchen, and was assisted by an efficient corps of workers. During the evening, the High school orchestra rendered several selections that were greatly appreciated and added much to the pleasure of the evening.  
After the banquet the program of the evening was given, with F. D. Schrader acting as toastmaster. Mr. Schrader introduced each speaker in a most happy and pleasing manner, and he is entitled to much credit for the splendid success of the evening's program. The program was given as follows:

Solo—Miss Evangeline Foster  
Address—Prof. John Doe (H. J. Green)  
Solo—High School Orchestra  
Address—W. B. Shaw  
Trio—Mrs. Wm. Bake, Mrs. Maxwell Moon, Mrs. John Olavav  
Address—D. E. Foster  
Duet—Miss Ada Leach, Miss Hope Conkey  
Address—Lionel Blake  
Address—Supt. Geo. A. Smith

**Today's Reflections**

From present indications wood alcohol is the best thing yet discovered in which to drown sorrow.

There's more than one Plymouth family boiling the coffee grounds over more than once these days.

Now they're talking of running Sergeant York for the presidency. Haven't he suffered enough for this country already?

We've never been able to understand

why some parents insist on their children studying Spanish or French, when they don't even know how to speak good English.

We heard a well-known Plymouth man declare yesterday that the trouble with this world is the widow gets too much of the sympathy that should go to married women.

Living costs are coming down in some cities. You can now buy a five-cent sandwich for ten cents instead of fifteen.

An Ohio woman arrested for mur-

dering her husband says she killed him because she loved him. Some women will persist in permitting their affections to get the best of them.

The Plymouth man who insists upon "boasting" his own home is usually the last man in the world to have this privilege.

Possibly you, too, have noticed that there is a good deal of "dry" reading in the city papers these days.

A Kentucky professor claims to have discovered a way to turn lead

into gold. If he could turn it into sugar he'd make more friends.

We wonder if, in case the women ever get control of Plymouth, they'll want all the town officials to wear silk hose.

Now they're making a liquor from raisins called "raisin Jack." And it is said the fellows who drink it are "raisin' Ned."

If Mars knows anything about our congress and our high cost of living, she'll quit trying to get in commu-

cation with us before some of our troubles reach her.

Some people still bank on the robin as the harbinger of spring, but the wise Plymouth man knows its coming when the seed catalogue starts circulating.

Take the fellows who write sarcastic jokes about mothers-in-law, and ninety-nine times out of a hundred they are not fit for a decent mother-in-law to associate with.

The latest prediction is the world

will last but 150 years. That will still give some Plymouth folks time to fix up those bad places in their sidewalks.

If you have anything to buy or sell, try a liner in the Mail.

A Timely Suggestion

The next time you have a cough or cold try Chamberlain's Cough Remedy. It is pleasant to take and you are sure to be pleased with the relief which it affords. This remedy has a wide reputation for its cures of coughs and colds.—Adv't.

**TELLS OF HIS WESTERN TRIP**

F. W. HAMILL LATELY RETURNED FROM THE WEST WRITES AN INTERESTING LETTER FOR THE MAIL.

Aside from Grand Canyon our Catalina Island trip was the most enjoyable and interesting. This would be my choice for a winter home of all the places visited. The Island of Santa Catalina, one to five miles wide and twenty-two miles long, is located about thirty miles from San Pedro out in the Pacific Ocean. Area 55,000 acres well diversified country. The highest mountain, Mt. Orizaba, being 2,109 feet.

Cabrillo is said to have discovered the island in 1542. It was inhabited by Indians, who were fine looking and lived in large dwellings. Their people, dressed in well cured skins, canoes were well built and held twenty men each, who were skillful fishermen. About 150 years ago the friars enticed the entire population to the mainland, and now there is nothing but crumbling bones and old stone implements to tell of the days that were. Today the island is owned by William Wrigley, Jr., of Spearmint gum fame. Rumor says he will spend two millions this year in improvements on the island and another transport boat.

Through round trip tickets can be purchased at the Pacific Electric Railway station, Los Angeles, and these include trolley ride to the beach at San Pedro, about twenty miles, then the thirty mile ocean ride and also the glass bottom boat ride, the wonderful submarine gardens, around the shore of the island. About 200 sea gulls followed the large boat from San Pedro to the island, flying close up to the boat, and passengers were amused by throwing pieces of cookies or crackers at them to be caught in mid-air by the birds. If, perchance, a piece reached the water, it was scooped out immediately by the keen-eyed scavengers. We were told the water in the ocean was 800 feet deep enroute. It was also a little rough so we were willing to take the captain's word for it. After about two hours' ride, we arrived at Avalon, where "Sugar Loaf," a mountain like rock stands a lonely sentinel at the entrance to the little bay. Avalon is the mecca of fishermen. Fish of all kinds are caught, some of them up to four hundred pounds. Some of these big fellows it takes half a day to land. Be some sport. Was very sorry could not stay a week at least. The trip to Catalina, three miles south of Avalon, is interesting and one can approach very closely to the noisy seals that cover the rocks.

Moonstone Beach is a pretty little cove four miles distant from Avalon. On this beach are found the moonstones, agates and water opals.

Summer avenue, Avalon, leads back to the golf links and tennis courts. Full Greek theatre, where the famous Crescent avenue band plays every evening during the summer months. Then there are the famous submarine gardens in Avalon Bay. Glass bottom boats give one a trip through these wonderful gardens long to be remembered. The water is clear as crystal. The lava-like floor of the sea is covered with most beautiful vegetation. There are five kinds of kelp, two kinds of alga, nine kinds of moss, three kinds of fern sea grass, sea lichen, purple water, or sea violet. Hundreds of different specimens of fish ignore your presence. Thousands of shells, some as large as a plate strew the bottom. Exclamations of surprise and delight are heard continually by the fifty or more passengers as new objects of wonder come within their vision. In thirty feet of water a champion diver, who has a record of three minutes and forty-eight seconds and fifty-eight feet deep, dived down and walked around on the bottom, picked up an armful of large shells and swam around as easily and leisurely as a fish for some two minutes. Nothing on but an ordinary bathing suit. These shells sold for 25c each. He probably brought up a dozen and every passenger bought one to three. I noticed one of mine was dry. Then I found they had several bushels aboard to supply the demand.

"Ticks in all trades but ours."

The climate of Catalina is better than the mainland, as the winters are warmer and the summers cooler, and there is much less difference between day and night. Sea bathing can be indulged in all year around. When I returned to Catalina I passed several war vessels, including the flagship of the Pacific fleet, New Mexico, which is one of the largest warships afloat.

(to be continued)

**Baptist Notes**

We neglected to mention in last week's notes that Rev. Palmer Hart-rough was visiting his sisters and attended church morning and evening. At least two centuries of christian faith and service is represented in that wonderful family of three sisters and one brother. Who can measure the influence of such a family.

A life insurance statistician looking into the faces of the boys and girls at the children's hour, last Sunday would have said, "Here is an aggregate of a possible 8000 years. I will take this group in my company on that possibility." Jesus, looking at them doubtless said they are mine, I want them when I make up my jewels. Many of them already belong to Him by their act of giving.

While we are considering the possibilities of human lives, how great is the opportunity of any one church in Plymouth. We meet, a small company possibly, and come into contact with the eternal. We associate to bear that influence to our homes and neighbors. The church may become the great changing station, where ship of worn out and wearying out bodies of our spirits may become refreshed with God's spirit that we may continue to bear light and power to those out of God.

We missed from our children's hour last week's note of our little friend, Helen G. Hart-rough. She has come to us with the same old love and spoke so often. We will miss her.

A CARD—We wish to express our sincere thanks for the generous contributions of money and services for the funeral of William W. Hamill.

EVERY battery has to stand more or less pounding every day of its life, for even the best springs in the world can't absorb *all* the jolts. The effect of big and little bumps will be greatly lessened if you see to it that the battery is clamped tightly in place. Or ask us to see to it next time you come in.

**START RIGHT**

We have never known a young man to fail in life who saved his money.

Saving is the secret of success and an opportunity is worthless unless you are prepared to grasp it.

A savings account started now may mean much to you later in life. It's worth trying—you'll never regret it.

**THE PEOPLES STATE BANK OF REDFORD**  
REDFORD MICHIGAN

The powerful worm drive of the Ford Model T One Ton Truck, we believe is the most dependable method in the transmission of power, as coupled with its tremendous strength is the positive reliability of motion. The worm drive is the essential equipment of the highest priced motor trucks and its advantages over chain drive and direct transmission, comprise power, stability and durability. After three years of hard practical service, we have yet to hear of any kind of trouble with the Ford One Ton Truck. On the farm, in the city, anywhere and everywhere, the motor truck is an economy that the aggressive business man cannot deny himself, if he would get the most out of his business. Come in and let us show the many strong merits of this most excellent motor truck. It is a "Ford," and that is a certain guarantee of efficiency and economy. Price without body, \$560 and \$590 f. o. b., Detroit. We will build any kind of a body you want and assure you of a fair price, likewise the assurance of a satisfactory and reliable "after service." We advise placing your order without delay because the factory is not running on normal conditions. Won't be for some time. The firm signed below extend the solicitation to call and examine the truck.

2 1917 Ford Touring Cars, each ..... \$350  
1 Willys-Knight Coupe ..... \$2,000

If you have anything to buy or sell it will pay to put an ad in the Mail, surprised at the results. It costs but little.

**SCHOOL NOTES**

G. E. Stewart, manager of county boys and girls clubs, was in town, Monday and Tuesday in connection with the organization of a tomato club. Mr. Stewart organized a rabbit club among the boys here about a month ago.

Monday High school visitors were Vivian Parmenter, Bonnie Mueller and Evelyn Hibert of Northville.

The basketball teams will play at Redford, tonight, March 12. Next Friday, March 19, Redford will close the season here.

The fifth grade boys and girls are very much interested in the booklets they are making in geography on China and Japan.

Benlah Coe, Ruth Hamilton, Dorothy Fish, William Bake, Virginia Giles and Myrtle Pullen are on the honor roll in the third quarter.

Thurber Becker, Viola Birch and Dorothy Hillman are on the honor roll in the fourth quarter.

Mr. Henry Murray entertained the local debating team and coach at his store, Tuesday afternoon. The girls' basketball squad and their coaches also enjoyed this treat. It pays to win.

**Girls' Basketball Game**

The biggest basketball game of the season was played here, Friday night, when the Plymouth girls defeated the Northville girls by a score of 35 to 24. Almost every time during the first part of the game a basket was made by Plymouth, the ball would go to Northville's count and a score was made by them. There was not a slacker on either team and our guards, besides our centers, surely had to work and felt a great responsibility, but when the ball entered our court we were almost sure of a basket.

One basket was made on a free throw and one missed by Sarah Wilson. One basket was missed and another made by Northville on a free throw. Of the score made by Plymouth twenty-five points were made by Sarah Wilson and ten by Doris Proctor. The line-up follows with no substitutions: Sarah Wilson, Capt., R. F.; Doris Proctor, R. F.; Edith Pierce, J. C.; Merle Roe, R. C.; Mildred Hood, R. G.; Florence Greenlaw, L. G.

**Boys' Basketball Game**

The boys' game with Northville team, last Friday night, was a real disappointment to Plymouth fans. With Green, Moffatt, Chapman and German out of the line-up, Northville presented a team far inferior to their regular line-up. Their defense however, was slight for the first few minutes, and after that Plymouth made no attempt to penetrate it, being contented most of the time to stand back and take impossible chances on long shots. Neither team could score regularly, the score of the first quarter being 4-2, of the second, 4-3, of the last 2-1, Northville leading in each, with one basket each quarter from two-thirds the length of the floor. The final score was 15-9 for Northville. The line-up was: Plymouth—Roe, R. F.; Birch, L. F.; Waller, C.; Harris, R. G.; Miller, L. G.

Northville—Bowen, R. F.; Litzberger, L. F.; Cook, C.; H. Freydl, R. G.; Stillwell, L. G.

Substitutions: A. Freydl for Harris; Tait for Birch; Hall for H. Freydl. Baskets—Litzberger, 4; Bowen, Stillwell, 2; Roe, Waller, Harris. Free throws—Stillwell, 1; Harris, 2 in 4; Roe, 1 in 3. Referee, Calder.

**Newburg School Notes**

Those who were neither absent nor tardy this month are Gladys Horton, Ruth Kidder, Calvin Stevens and Michael Novak.

Leona Knickerbocker has returned to school after an absence of six weeks caused by illness.

The third grade are memorizing, "A Pleasant Way."

The geography contest, Friday afternoon resulted in a tie between Ruth Kidder of the eighth grade and Sadie Lomas of the seventh.

The eighth grade is beginning the study of Michigan civics.

The kindergartners are dramatizing, "The Three Bears."

The second grade is memorizing, "The Night Wind."

The following names appear on the honor roll for February: Gladys Horton, Sadie Lomas, Leona Joy, Calvin Stevens, Imo Campbell, Eleanor Staub, Donald Elliott, Charles Thompson, Frank Clemens and Douglas Elliott.

The sixth, seventh and eighth grades are spending the morning this week in the study of Current Events.

The primary grades are memorizing, "In Summer."

The fifth grade is beginning the study of calculation in arithmetic.

The eighth grade is having daily work in oral and mental arithmetic in connection with their written work.

Gladys Horton was elected librarian for a term of two weeks to succeed Ruth Kidder.

Lawrence Holmes is ill again and unable to attend school.

The third grade is having lessons in correct letter writing this week.

Robin Redbreast has put in his appearance at Newburg, and the date of his arrival has been duly registered on the bird chart.

The eighth grade is having written reviews in agriculture, having completed their text book.

The primary grades are learning a new folk song, "Humpty Dumpty."

The primary and intermediate grades are learning bible quotations for chapel, Thursday morning.

**Back Hurt?**

When the kidneys do not properly do their work the poisons which are secreted in the system and pass through the rheumatic joints, lungs, etc., cause pain, stiffness, loss of back and similar symptoms.

**Doan's Backache Pills**

These pills are the healthiest, normal remedy for backache, bringing relief to the sufferer with few exceptions. Doan's Backache Pills are sold in all drug stores and by mail. Price, 25c per box, 60c per box of 12 boxes. Name on wrapper, Doan's Backache Pills.

**NEIGHBORHOOD HAPPENINGS**

The Milford Fair Association has changed its name to the Oakland County Fair Association.

Howell voters will have a chance at the spring election to say whether or no they want the moving picture show open on Sundays. The council has decided to put the question to a vote of the whole people.

Seymour Orr, an uncle of William Orr and Mrs. Frank Kelsey, died at the home of his son, Fred Orr, and family in Plymouth, February 28. He was at one time a resident of York township, having lived for several years on the farm now owned by Edward Guenther. William Orr attended the funeral.—Saline Observer.

The steam was turned on the rebuilt engine at the Ford plant in this village Monday and when some minor adjustments have been made, there will be plenty of motive power available to operate the new machinery soon to be installed. Work of installing the new machines will be the next step in the equipment of the plant for active operations in the spring.—Northville Record.

Michigan's 50 million dollars for good roads will not build as many miles of highway as was expected unless other roads can be built cheaper than the Grand River road west of New Hudson. A little over 2 3/4 miles of 18-foot cement road was let for \$103,981.20, or about \$36,400 a mile, and the heavy grading is practically all done. With the bridges, culverts and grading this six miles of road will cost approximately \$300,000.00.—South Lyon Herald.

Mrs. Roy Clark entertained a company of ladies on Wednesday at her home in honor of her mother, Mrs. A. P. Scott of Plymouth, whose birthday anniversary occurred on that date. After a bounteous dinner was served little Miss Bernice Clark sang a number of songs to the delight of all. The afternoon was pleasantly spent with visiting and as the guests took their departure they extended their best wishes to Mrs. Scott for many more happy birthday celebrations. Mrs. Scott was kindly remembered with a number of pretty gifts. The guests from out of town were Mesdames Burgess, Hinman and Haddock of Detroit.—Northville Record.
