PLYMOUTH HIGH WINS STATE CHAMPIONSHIP IN DEBATING CONTEST

NEARLY FOUR HUNDRED ENTHUSIASTIC PLYMOUTHITES WENT TO ANN ARBOR LAST FRIDAY EVENING TO HEAR THE CONTEST

PLYMOUTH HIGH SCHOOL DEBATING TEAM.
Reading from Left to Right—Lyman Judson; Grace Hawkins, alternate; Hanna Strasen; Lillian Lundy; Miss Ruth Huston, coach.

Plymouth High school received the decision, 2 to 1, in the state championship debating contest, last Friday evening.

Nearly four hundred people went to Ann Arbor, last Friday evening, to hear the state championship debate between the debating team of the local High school and the team from the Kalamazoo Western Normal High school. Two special cars on the D. U. R. were well filled, while many automobiles carried the great part of the crowd of rooters to the University city. The debate had been the all absorbing talk in the school and village for the past week and enthusiasm ran high among the large representation of Plymouthites, in their support of the local team, and they lost no opportunity to cheer them on to victory.

The debate took place in the Pat-tengill auditorium. The judges were Registrar Arthur G. Hall of the University; Dr. Hessel E. Yntema of the department of political science, and Louis Eich of the department of public speaking. Dr. W. D. Henderson presided as chairman. Time-keepers—Grace Hawkins, Plymouth; Laura Shaw, Kalamazoo.

Silver trophy cups awarded as first and second honors by the University Oratorical association, were given in token of its interest in High school debating and in especial acknowledgement of the splendid work of the two teams competing in this state debate.

The question considered in the debate was, "Resolved, that congress should adopt a system of universal military training for able-bodied citizens between the ages of 18 and 25."

The Plymouth team, which included Lyman Judson, Hanna Strasen and Lillian Lundy, had the affirmative side of the question, while the Kalamazoo team, composed of Mary Cayan, Roland Maybee and Allan Maybee, took the negative side of the question.

They were entertained at a luncheon at the Michigan Union.

The winning of the state championship oratorical contest is considered a great honor by every school in the state, and the winning of the contest by the local debaters has not only brought honor to themselves, but to the Plymouth High school and the village as well. The members of the team have worked hard to achieve the success and honors which they have won and are to be congratulated on their splendid efforts.

Too much credit cannot be given to Miss Huston to whose splendid ability as a coach, the team owes in a large measure the great success they have had in winning the state championship. She has been tireless in her efforts to produce a winning team, and she as well as the team are entitled to much praise.

We give below a summary of the several contests:

Saturday, January 10th—Northville, affirmative, vs. Plymouth, negative. Decision, 2-1, Plymouth.

Saturday, January 24th—Birmingham, affirmative, vs. Plymouth, negative. Decision, 3-0, Plymouth.

Saturday, February 9th—Ypsilanti, affirmative, vs. Plymouth, negative. Decision 3-0, Plymouth.

Friday, March 5th—Flint, negative, vs. Plymouth, affirmative. Decision, 3-0, Plymouth.

Thursday, March 18th—Ann Arbor, negative, vs. Plymouth, affirmative. Decision, 3-0, Plymouth.

Thursday, April 8th—St. Johns, affirmative, vs. Plymouth, negative. Decision, 3-0, Plymouth.

Friday, May 7th—Kalamazoo Western Normal High, negative, vs. Plymouth, affirmative. Decision, 2-1, Plymouth.

WILL ENTERTAIN DEBATERS

The party to be given at the Methodist church this (Friday) evening, is to be in special honor of the victorious debating team, which won the state High school championship, last week, three members of which are members of the Epworth League. One of the attractive features being planned for the party is a mock debate on the subject, "Resolved, that universal percolating coffee pots should be installed in every American home." A selected team will uphold the proposition, which will be opposed by Lillian Lundy and Grace Hawkins of the champion team. The first half hour of the evening beginning at 7:30, will be devoted to the annual election of officers of the Epworth League. The voting will be by the Australian ballot, two tickets having been placed in the field.

If subscribers do not wish to miss a copy of the Mail, see to it that the subscription is paid promptly when due.

The work of the local team was particularly brilliant and they easily out-distanced their opponents in every department of the contest. The locals were especially strong on their rebuttal speeches.

At the conclusion of the debate, when the announcement was made that Plymouth had won the decision, the crowd from the "biggest little town in Michigan" broke loose and the big audience sang with their cheers for the home team, and then everybody congratulated the victors.

Members of the team and their coach, Miss Ruth Huston, teacher of English in the local school, and they were highly commended with congratulations on the victory they had gained.

After the debate the members of both teams and a few invited guests

BAND CONCERTS IN NORTH VILLAGE

The business men of the north side of the village have made arrangements with the Millard band to give a series of Saturday evening concerts during June, July and August. A bandstand will be erected on Louis Hillmer's lawn. The program for the coming concerts will be published in the Mail each week. Watch for the first one.

R. C. Lockwood of New York City was a guest at C. H. Bennett's on Main street last Sunday.

We call the attention of our readers to the half page advertisement of the D. J. & E. Ry. announcing a change of time on that road. Look it over carefully and avoid missing the car.

WHERE THANKS ARE DUE

We've thought over it a good bit, and we've about come to the conclusion that there's no profession on earth in which the worker gets less appreciation and more knocks and abuse than in the newspaper game. And we have also reached the conclusion that the reason all newspaper editors go to heaven when they die is they get so much of the other place while they're on earth.

No matter how nobly the editor boosts for the development of his town and community, no matter how loyally he may support a friend in politics or extol the virtues of a citizen of the town, no matter how loudly he sings the praises of the town belle about to be wed, or how gently he lays a wreath of pretty words on the grave of a departed citizen, he seldom hears those magic words, "Thank you." And few times in his life does he catch a whisper of that cheering sentiment, "Well done."

But let him make a slip in his paper—let him say Bill Jones did something he didn't do, or Mrs. Brown said something she didn't say, and everybody in town takes a whack at him. This is true in the newspaper game everywhere in the world, and being a part of the world, Plymouth is no exception. But with all the knocks, with all the lack of

thanks and little cheering words that could be said but are left forgotten, the editor drives right on boosting, and he always will. He was born to help the other fellow and like the birds; learned early in life that if no one else feeds him heaven may. And maybe that's why the Lord keeps so many editors on earth—to keep the balance of the world from souring and turning stale.

Newburg School Notes

Sadie Lomas was elected librarian for the coming two weeks.

An epidemic seems to have entered our school, ten pupils being ill with measles; Gwendolyn Gunsolly and Margaret Kramer are both quite ill with pneumonia, and Lawrence Holmes and Charles Duryee have the chicken-pox.

The girls are interested in learning to wind the May pole.

Clean-up day was observed at school, Friday. Brigades were formed, with a lieutenant over each brigade, and work progressed rapidly. The school yard was raked thoroughly and all rubbish burned. Three trees and some shrubs were set out, a flower garden made and two bird houses placed on the grounds.

The seventh grade are reading, "Evangeline."

Three eighth grade students, Ruth Kidder, Harold and Clifford Cochran are taking the county eighth grade exams in Plymouth this week. Lawrence Holmes, another eighth grade student, was unable to attend on account of illness.

Those who were neither absent nor tardy during the past month are: Gladys Clemens, Leona Knickerbocker, Virgie Tracy and Ralph Bulmon. The bridesmaid was gown'd in gray messaline and carried sweet peas.

Immediately after the ceremony, the bridal party repaired to the home of the bride's parents, where an elegantly appointed four-course wedding dinner was served to twenty-two guests. Numerous and beautiful were the wedding gifts received by the young people, showing the high esteem in which they are held.

After a short wedding trip by motor to Ohio, Mr. and Mrs. Bradner will be at home to their friends with the groom's mother, Mrs. Joel Bradner, on the farm north of town.

Their many friends join in wishing them much happiness. As they sail down the sea of time in the matrimonial boat, may no storms ever arise to cause ripples or waves to mar or jar their journey. May health and prosperity attend them all along life's highway, and as life's journey ends, may they sail peacefully into the harbor of rest, where they will quietly rest from their labors and enjoy eternal rest.

O. E. S. INSTALL NEW OFFICERS

THE CEREMONIES WERE WITNESSED BY OVER ONE HUNDRED AND FIFTY MEMBERS AND GUESTS.

About one hundred and fifty members and guests attended the installation of officers of the Order of the Eastern Star in Masonic hall, last Tuesday evening. The installation ceremonies were beautifully rendered by the retiring matron, Maude Schrader, assisted by Past Matron Sarah Cook as Marshal. During the evening two vocal solos, one by Mrs. Jessie Bake and one by Calvin Whipple, added much to the pleasure of the occasion. The Star floral work was impressively given during the installation by Mrs. Schrader, each Star point being presented with a pretty basket of flowers in color symbolic of the degree.

At the conclusion of the work, the newly elected worthy matron, Flora Rathburn, in a gracious manner thanked the chapter for the honor conferred upon her and pledged herself to fulfill the duties of her office to the best of her ability. She asked the chapter for co-operation in the year's work. Then in behalf of Plymouth chapter, and in fitting words, she presented the two installing officers with baskets of roses, and the retiring patron, C. H. Rauch, who has filled his office for the past six years with earnestness and zeal, a pair of gold cuff links. Each in turn responded in a feeling manner. The matron then called upon the newly elected patron, George A. Smith, for remarks, who responded in his usual happy way. Later Past Matron P. B. Whibeck was invited to speak, and his remarks were most pleasing and appropriate. He paid a glowing tribute to Robert Morris, the founder of the Eastern Star.

Ice cream and cake were served in the dining room after the installation ceremonies, and the tables were attractively decorated with Japanese magnolias. Guests were present from several chapters in our own state, as well as more distant ones.

The following officers were installed for the coming year:

- W. M.—Flora Rathburn

BRADNER-HUMMEL

Beautiful in its simplicity was the ceremony, which took place at the home of the Rev. S. Conger Hathaway in Ann Arbor, Wednesday afternoon at half after three, when Edna Irene, only daughter of Mr. and Mrs. Irwin W. Hummel, and Butler Bradner, son of Mrs. Joel Bradner, both of near Plymouth, were united in marriage, an impressive ring ceremony being used. Miss Hazel Middleworth of Bellevue, Ohio, acted as bridesmaid, and Floyd Fulton of Wayne, served as best man. The bride was prettily attired in beaded pink georgette, with white hat and slippers, and carried a shower bouquet of bride's roses and sweet peas. The bridesmaid was gown'd in gray messaline and carried sweet peas.

After a short wedding trip by motor to Ohio, Mr. and Mrs. Bradner will be at home to their friends with the groom's mother, Mrs. Joel Bradner, on the farm north of town. Their many friends join in wishing them much happiness. As they sail down the sea of time in the matrimonial boat, may no storms ever arise to cause ripples or waves to mar or jar their journey. May health and prosperity attend them all along life's highway, and as life's journey ends, may they sail peacefully into the harbor of rest, where they will quietly rest from their labors and enjoy eternal rest.

OPENING BALL GAME

THE PLYMOUTH BUICK'S AND THE ROMEO BUICK'S WILL OPEN THE BASE BALL SEASON IN PLYMOUTH, SATURDAY, MAY 15.

The stage is all set for the opening ball game of the season, tomorrow, Saturday, May 15th. The Plymouth Buick's will contest honors with the Romeo Buick's, headed by Frank Bowerman, the famous catcher of the National league. The Romeo team are considered a fast aggregation of ball players and the game tomorrow promises to be a real contest from start to finish. Manager Bentley has gotten together an outfit that will make the Romeo bunch "go some" if they win.

Harry German, who is known to every ball fan in this neck of the woods will twirl the first part of the game for the locals. Harry began pitching for the Northville High school thirty years ago, and has pitched every year since. Harry has lost none of his old time pep, and he is still able to deliver the goods with the best of them. Plymouth fans will be pleased to see Harry in a Plymouth uniform this season. It might not be out of place to note here that Mr. German's son began pitching last season for the same school that his father started with and at the same age, fifteen years.

At 2:30 o'clock a parade, consisting of the Romeo and Plymouth bands, ball players and citizens will form at Kellogg Park and march to the ball grounds on the Starkweather property in north village. Everybody is invited to join in the parade.

The Plymouth Buick's will wear their new uniforms for the first time, Saturday. The uniforms are white with a dark stripe on the pants. The Buick emblem appears on the front of the shirt, and the letter P appears on the sleeve and cap. The boys will look nifty in their new suits. Manager Bentley announces the following line-up for Saturday's game: Pitchers, German, Hatchina, Wood; catchers, Hauntz and Payne; 3rd, Carl Stimpson; ss, Jack Dunn; 2nd, M. Knods; 1st, Ray Smith; r. f., Roy Burgess; c. f., Joe Schaub; l. f., Jay Stimpson.

The cooking class entertained another group without a voice's mothers, Friday noon at luncheon.

The seventh grade arithmetic classes handed in a story in arithmetic, entitled, "The Story the Arithmetic Told," last week Friday.

The pupils and teachers are looking ahead to May 21, which is "open day" at the school.

Light refreshments will be served free. A special exhibit in the auditorium of "Made in Plymouth" articles, and also the annual bake sale for the benefit of the athletic association.

Below are a few of the original poems made by one of the seventh grade English classes:

The Street Singer I heard him singing in the square, A song of other times; And there was nothing in the air, And little in the rhymes.

He sang without a bit of style, He sang without a voice; But somehow, for a little while, He made my heart rejoice.

Oh! little girl, with curls so brown, What is your name? Now please don't frown, Why do you scowl, And look so sad?

Maybe you're thinking something bad, My name is Jane, And I live down the lane; I am very bashful, So please don't complain.

I have a little "doggy," His name is Ted; And after I wash him, I put him to bed.

The Squirrel The squirrel is brown and sits just so, He frolics among the trees, you know; He chatters as he works away, Storing food for another day.

He digs a hole for him just so, To make his friendship good, you know. The lowly peasants, with heads that are bent, Give thanks for daily bread and meat.

That the loving Lord has sent, The proud heads of rich are also bent, In honor of the All Father above, Who to them prosperity has sent.

All give thanks for his unceasing love. When the sun is shining bright, And all the world seems gay, We love to hear the children's voices, When at school, at home, or play.

But when the voices die away, And the sun is beneath a cloud; The whole world seems so lonely, And life seems changed all about.

Winter The day is ending, The night is descending, The marsh is frozen, The river is dead.

Through the clouds like ashes, The great sun flashes, On the village windows, That glimmer red. The snow recommences To bury the fences, Which mark no longer The road or the plain.

The bell is pealing, And every feeling Within me responds To distant knell. Shadows are trailing, My heart is bewailing, And tolling within Like a funeral bell.

Springtime When the sun is shining bright, And all the world seems gay, We love to hear the children's voices, When at school, at home, or play.

But when the voices die away, And the sun is beneath a cloud; The whole world seems so lonely, And life seems changed all about.

When the sun is shining bright, And all the world seems gay, We love to hear the children's voices, When at school, at home, or play.

But when the voices die away, And the sun is beneath a cloud; The whole world seems so lonely, And life seems changed all about.

When the sun is shining bright, And all the world seems gay, We love to hear the children's voices, When at school, at home, or play.

But when the voices die away, And the sun is beneath a cloud; The whole world seems so lonely, And life seems changed all about.

When the sun is shining bright, And all the world seems gay, We love to hear the children's voices, When at school, at home, or play.

But when the voices die away, And the sun is beneath a cloud; The whole world seems so lonely, And life seems changed all about.

About Rheumatism

People are learning that it is only a waste of time and money to take medicine internally for chronic and muscular rheumatism, and about ninety-nine out of a hundred cases are one or the other of these varieties. All that is really necessary to afford relief is to apply Chamberlain's Liniment freely. Try it. It costs but 35 cents per bottle. Large size 60 cents.—Adv't.

OBITUARY

WILLIAM TILLOTSON

William Tillotson, son of Randolph and Elizabeth Tillotson, was born at Newark, New York, June 10, 1849, and went to his rest April 30, 1920. He was the youngest of a family of eleven children. When he was only two years old his father passed away, leaving him, together with another brother and sister and his mother, to the care of a brother, Oscar, who is still living at Newark, New York, at the age of 90.

Mr. Tillotson came to Morenci with his mother in 1865, where he built a home and cared for her until 1872, when she passed away.

In October, 1874, he was united in marriage to Miss Rose Jones of Morenci. To this union were born four children: Mrs. Arthur Griffith of Detroit; Clyde and Randolph of Lemhi, Idaho; Don of Morenci, and a foster son, Herbert, of Highmore, South Dakota. He leaves two little granddaughters, a grandson having preceded him in death a few weeks before.

For the past eight years Mr. Tillotson has resided in Plymouth, Mich., where a large number of friends have warmed his heart by their kind and loving interest which they have expressed in many ways during his long illness.

The funeral service was held at the home of his brother-in-law, William Jones, of Morenci, Monday afternoon. The Rev. H. W. Moody officiated and Mrs. Moody sang. The bearers were Ed. Gallup, Elmer Flint, Forest Snow and Will Miller. Friends from out of town at the service, besides the widow who accompanied the remains here, were: Mr. and Mrs. Arthur Griffith of Detroit; Mr. and Mrs. Will Acker, Mrs. George Acker, Mr. and Mrs. Frank Hicker, Mrs. Clara Roosa, Mrs. Opha Tillotson and daughters, Mildred and Madelyn, Mrs. Elmer Siles of Fayette, Mr. and Mrs. George Darling of Hudson; Mrs. Frank Dill and two children of Detroit.—Adrian Telegram.

NEWBURG

On account of sickness in the neighborhood, there was not as large an attendance as is usual on Mothers' Day. However, those who were there enjoyed the fine sermon by the pastor, also the beautiful duet, "My Mother's Prayer," by Misses Anna and Ada Young. The children of the Sunday-school are learning the books of the bible. Everyone invited to both services.

Don't forget the L. A. S. meeting, this Friday afternoon. Sunlight Arbor spent a pleasant evening at the home of Mr. and Mrs. James Bassett, last Thursday evening. After the business meeting, a social time with refreshments was enjoyed.

The many friends of Mrs. George Chilton will be pained to learn that she suffered a paralytic stroke last week Thursday. She is lying in a helpless condition, with no hopes for her recovery.

Margaret Kramer has been very ill the past week with plural pneumonia, caused by measles, but is much better at the present time. Gwendolyn Gunsally is quite ill with measles.

Three freight cars loaded with glass and crockery were thrown from the Pere Marquette track back of C. E. Ryder's woods, last Thursday night, being badly demolished. A good many visited the wreck, carrying away some souvenirs.

Miss Marjorie Wight of Jackson, spent Sunday at the Smith home-stead.

Mr. and Mrs. Harry Bassett of Jackson, spent Sunday with Mr. and Mrs. Allen Geer.

Bible Students
Revelation 13 for Sunday, May 16, at David Bitch's residence, 2:00 p. m. In this chapter two wonderful beasts (religious-political powers) are brought to our attention. Are they of the past, present or future? Why the one from out the sea, the other from out the earth? Why great religious-political powers are represented in "the seven heads and ten horns," both of Rev. 12 and 13, also chapter 17. Why the change in the picture in chapter 13 per the crowns upon the horns, rather than upon the heads as in chapter 12? Did the one beast have power just 42 and 3 mo.—a time, times and a half or 1260 days or years as we have noted all along? Why the first word in Rev. 9 of last week's should be unfaithful.

Every Plymouth man should know something about the Bible. If he is looking for the key out of it, that's another matter.

Suggestions for a Camping Trip
Buy a bottle of Chamberlain's Colic and Diarrhoea Remedy before leaving home. As a rule it cannot be obtained when on a hunting, fishing or prospecting trip. Neither can it be obtained while on board the cars or steamships, and at such times and places it is most likely to be needed. The safe way is to have it with you.—Adv't.

Finish your walls and ceilings with a beautiful lustreless coating equal in appearance to the soft velvety effects of water color or fresco, but possessing the durability of an oil paint or enamel.

Why Brunswick Tires Win Preference

There are two main reasons—one, the name itself, which certifies superfine value—the other, that time tells the same story.

Thus reputation and performance unite in giving you all you expect—and more.

Yet Brunswicks cost no more than like-type tires. Many motorists would pay more readily, but the Brunswick idea is to GIVE the utmost, rather than to GET the utmost. And this has been true since 1845. You can appreciate what Brunswick Standards mean by trying ONE Brunswick Tire. It will be a revelation. You'll agree that you could not buy a better, regardless of price.

And, like other motorists, you'll decide to have ALL Brunswicks. Then you'll know supreme satisfaction from your tires—longer life, minimum trouble, lower cost.

"More Power"

You know what happens when a car runs dry for lack of gasoline—it is just naturally out of business.

In other words you can't run a car without gasoline. A telephone company, or any other company, is in exactly the same fix; it can't run unless it gets enough financial "power" to keep the employees working "on all cylinders", and to insure proper operating conditions.

WE MUST HAVE YOUR SUPPORT IF YOU ARE TO HAVE THE TELEPHONE

You also know that it takes more "power" today to keep a business going than it ever did before. Workers must be paid more if they are to meet the increased cost of living; also everything that goes into the building and repairing of property has gone up in price.

So long as you furnish the necessary "power" we will see to it that the telephone keeps running.

PENNIMAN ALLEN THEATRE ANNOUNCES THAT THEY HAVE SECURED FROM UNITED ARTISTS THE YEAR'S GREATEST COMEDY EFFORT.

Mack Sennett's newest comedy creation, a five-part comedy production, "Down on the Farm," regarding which there has been no end of exceptionally favorable comment since its issuance by United Artists Corporation will be the feature at the Penniman Allen Theatre on Friday and Saturday, May 21 and 22, giving the people of this community the opportunity of witnessing a comedy production that is making film history.

The release of "Down on the Farm" through United Artists Corporation is not to be wondered at, for the production is of such magnitude that it fits in admirably with the type of pictures in which the "Big Four" has been specializing. It has been known for some time that United Artists would not confine itself only to the distribution of the productions of Mary Pickford, Charlie Chaplin, Douglas Fairbanks and D. W. Griffith, exclusively, but would distribute the occasional big productions that came to the open market for specialization in distribution. This is an indication that the "Big Four" will have a release list of wide variety in addition to the big productions of its four principals.

Critics everywhere throughout the country have praised this production "to the skies," placing it in a class all its own, as a production that reaches the greatest heights that have ever been reached by a producer of comedy spectacles. Every resource of the enormous Mack Sennett studios in California are involved in the results of this production; every means that was ever contrived in a studio to bring merriment to motion picture lovers has been brought into play and every incident that is brought about by the story, which is laid on a real honest-to-goodness farm in the inimitable manner in which none other but a Sennett could do, brings forth results that are thrilling, comic, hilarious, farcical and furiously funny.

Anticipating in the extreme is the wonderful manner in which Mr. Sennett is training the birds and beasts of the farm to act the leading roles in this production. A dog, a cat, a cow, a flock of turkeys, ducks, geese and chickens, all lead themselves to parts in the production in a way that has never before been accomplished. The work of these habitues of the farm is of such a calibre that every audience becomes amazed at the manner in which they perform.

"Down on the Farm" is an exceptional feature and has been a sensation in every community in which it has appeared. It is not a matter of wonderment why United Artists decided to release it, since it surely is in excellent keeping with the best that is being produced for the lovers of amusement.

Today's Reflections

When a Plymouth woman visits the dry goods store oftener than she visits the grocery, the chances are hubby eats at the restaurant as often as he can.

What's the use trying to get in communication with Mars. We might find it even more troublesome than Mexico.

In lots of towns they're still looking for the old-fashioned grocer who used to stick a potato on the spout of the coal oil can.

Why is it a Plymouth man never starts in to talk about germs in kisses until after he gets married.

And some Plymouth men like to fish simply because it is the next thing to doing nothing.

Another reason why this old world isn't a bad place to live in is because so few men ever learn their wife's private opinion of them.

There is not going to be the usual number of houses built this season, but more political fences will be mended than ever before.

Every day brings us closer and closer to the belief that it isn't as much of a revelation in Mexico as it is a free-for-all fight.

Occasionally when a Plymouth man tries to stand on his dignity somebody spoils it by sitting on it.

During the sugar famine Plymouth people can learn what it means to "take the bitter with the sweet."

It is being whispered around the country that the fellow who "could take it or leave it alone," now spends his time in making home-brew.

Another thing in favor of wearing overalls is they hold their crease so long.

It may have been the scarcity of white paper or the high cost of it, but at any rate we're thankful for the shortage in this season's output of spring poetry.

GOT \$350,000 IN VARIOUS HAULS, BUT CONVERTED, WILL SPEAK HERE SUNDAY.

All the Detroit dailies ran stories last week with big headlines, concerning the arrival in the city of "Razor" Fenton, one-time famous criminal, whose coming to a city was a warning to the police to be on their guard, but now is working with the police department in an anti-crime crusade. One paper said: "Times have changed. The presence of 'Razor' Fenton, international crook, five years ago in Detroit would have been sufficient to warn the police of coming depredations. Today Robert W. Fenton arrived in Detroit unnoticed by the police. For 'Razor' has reformed. During his stay in Detroit, Fenton will conduct an anti-crime campaign, which will be inaugurated Sunday with a meeting in the Y. M. C. A. in the afternoon and a talk at St. Mark's M. E. church in the evening.

"Fenton's criminal career began in Montreal 25 years ago. He started as a petty pickpocket. He became affiliated with a gang of international thieves, was involved in some of the most daring robberies ever staged, and was arrested a number of times in Detroit." Fenton was converted about two years ago, after being released from Bridewell prison in Chicago, and ever since has devoted his time to warning others of the evils of righteousness. Most of his appearances in Detroit are return engagements, he having spoken there many times a year ago.

Mr. Fenton will make one appearance before a Plymouth audience, occupying the pulpit of the Methodist church, next Sunday morning, at ten o'clock.

TO ORGANIZE HOME ACCOUNT CLUB

Every woman interested in lessening the cost of living is invited to join the Home Account Club, which will be held at the Plymouth High school at 2:30 p. m., May 17th. Miss Edna V. Smith, Household Management Specialist from the Michigan Agricultural College, will talk on Household Accounts. The club plans to meet every two months for a lecture on some phase of home account keeping, and to compare experiences. Many women feel that keeping of accounts is an important part of the housework, but find it a difficult task to do regularly. The Home Account club is designed to keep up the enthusiasm of its members in this work, and to clear up points of difficulty. It is just as economical to run a home on an efficient basis as a business, and some sort of accounts is necessary in each case. Everyone who has been keeping home accounts or wants to begin is urged to attend this meeting.

Do Your Best

Everyone should do all he can to provide for his family, and in order to do this he must keep his physical system in the best condition possible. No one can reasonably hope to do much when he is half sick a good share of the time. If you are constipated, bilious or troubled with indigestion get a package of Chamberlain's Tablets and follow the plain printed directions, and you will soon be feeling all right and able to do a day's work.—Advt.

BEAN CROP OUTLOOK CHANGES FOR GOOD

DEVELOPMENTS ALTER SITUATION MAKING CROP SAFE FOR MICHIGAN GROWERS, SAYS M. A. C.

Recent developments have changed the outlook on the bean situation in Michigan, with the result that the crop is now as safe as one as farmers of the state can grow, according to Prof. J. F. Cox, head of the Farm Crops Department at the Michigan Agricultural College. Assurances by business interests that laborers will be provided to help the farmer carry his rush work at harvest time, the low visible supply of beans in America, the marked lessening of Japanese competition and recognition of the superior quality of Michigan beans are among the factors which have brought about the altered situation.

"Reliable reports show that the Japanese bean crop has been seriously damaged by rains," says Professor Cox. "This damage is estimated as high as 60 per cent. Fear of American tariff has prevented any Japanese acreage increase, and the large American canners have found by experience that Michigan beans are better than the imported ones. This has largely removed the danger of Japanese competition."

"The visible supply of beans in America, and in fact in the world market, is lower than it has been for years. The California crop is reported as only 30 per cent of last year's. The great dumping of government beans on the market, thus knocking the bottom out of the bean industry, is over, and will not happen again."

"In addition there is already great evidence of interest on the part of manufacturers and other large city employers in the farm labor situation. A concerted effort will be made to furnish laborers to help the farmers carry their peak load at harvest time. A farmer can plant from 3 to 5 times as many beans as he can harvest, and assurance has already been given by the business men of Grand Rapids and other cities that the laborers will be provided when the rush comes."

"Because of these factors I feel that beans will be as safe a crop as Michigan farmers can grow, in spite of the low prices that have prevailed. Failure on the part of many to plant oats and barley leaves land open, and this is still time for a large acreage to go to beans."

Baptist Notes

The Plymouth Baptist church called for volunteer subscriptions to the sum we are to give in the next four years to the \$100,000,000 Forward Movement, on Sunday morning. The amount was over-subscribed promptly. With what is yet to be pledged, we will be giving about three times as much this year as last.

We are going to miss Mr. and Mrs. Daggett from our services. They have sold their property and will be absent from the city at least for a while.

At the election of officers for the Sunday-school, Mrs. S. E. Campbell was re-elected superintendent; Morris Williams, assistant; Miss May Smith, secretary; Olivious Williams, organist.

The children's hour for Sunday afternoons will be taken up until later.

There may not be an over-production of the things we need this year, but we won't be able to say as much about political arguments between now and November.

MORE LOCAL

Mr. and Mrs. J. T. Yarden of Detroit, were visitors at the home of Mr. and Mrs. Jesse Tyler, last Sunday. Word has been received from Mr. and Mrs. Lester B. VanDeCar of Phoenix, Arizona, announcing the birth of a little daughter, Virginia Vee, Wednesday, May 5, 1920. Corporal Walker and Trooper Scribner found a stolen car near Phoenix. They reported same to Detroit, found the owner lived in that city, and also got the fellows who stole the car. Miss Ada Safford attended the Nurse's Community Commencement at Orchestra hall, Detroit, Wednesday night, at which 154 nurses from the various hospitals received their diplomas and badges. The staff of the Red Cross Nursing Service of Wayne county, of which Miss Safford is a member, acted as ushers.

COUNTY RED CROSS WORK

NURSING SERVICE BEGINS IN CANTON, LIVONIA AND NANKIN.

In starting work in the townships as public health nurse, I take this opportunity to greet my people who are readers of the Plymouth Mail. The service is part of a nationwide movement to improve the health of the country. The war draft disclosed through neglect of small defects; as well as other conditions brought about by ignorance, even among good classes of society, that it has seemed necessary to educate people along these lines. The Red Cross has seen the vision of caring for the rural communities to correspond with the board of health in the cities. The old adage about the ounce of prevention has a more vital meaning today than ever before, and the aim is now to seek out and encourage corrections of all conditions which are known to reduce the effectiveness of the individual. The scope of the work is not limited by definite lines other than the welfare of the community with special reference to health. The work begins in the schools under the direction of Commissioner Kost, but extends into the homes and the community in the hope of helping to solve health problems. Hygiene and sanitation are emphasized, and advice in contagion, tuberculosis and infant welfare are part of the nurse's duties. Nurses are in no sense to take the place of the doctor, but often would be his assistant by helping you to carry out his orders. Bedside care can be expected only in emergency, and that for a very limited time. For this service patients who are able to pay are expected to contribute that fee to the Red Cross to further the work. I am at your service for better things. ADA M. SAFFORD, R. N. May 10, 1920.

Since taking Foley Kidney Pills I have been relieved of all such ailments." They rid the system of the poisonous acids that cause aches and pains. Sold Everywhere in Plymouth.—Adv.
