FIRST PRESBYTERIAN CHURCH

Rev. S. Conger Hathaway, Pastor-elect

SUNDAY, JUNE 27

The pastor will speak next Sunday morning on the theme, "The Mile of Good Measure." Mr. Frank Fitzgerald of Detroit, will sing a solo at the 10:00 o'clock service.

Sabbath-school immediately following.

Arrangements are being made to hold the installation service, Wednesday evening, June 30, at 7:30 p. m.

Trustees meet at church Monday evening at 7:30. Matters of importance to consider.

BIG CROWD DANCES ON PAVEMENT

STONE'S ORCHESTRA AND SINGER PROVIDED EXCELLENT MUSIC FOR FIRST OF A SERIES OF SATURDAY EVENING ENTERTAINMENTS.

The dance on the Penniman avenue pavement, last Saturday evening, marked the first of a series of free entertainments, which are to be given this summer by the business men of the south side of the village. There was a large crowd of people on the streets, both sides of Penniman avenue from Main street to the alley at the Mail office being packed. Stone's seven-piece orchestra and a singer from Detroit, provided excellent music, which was thoroughly enjoyed by the dancers and onlookers alike. The singing of Howard Jefferies drew round after round of applause, especially the rendition of the "Rosary." The next free entertainment, which will be given on tomorrow, Saturday evening, June 26th, a vaudeville program will be given. It is planned to have this entertainment given on Main street at the edge of the park. The committee have secured three big headliner attractions—The Boston Trio, consisting of three young ladies, singers and musicians; Freeman, a slack wire artist, who is a wonder in his line, and Allen & Allen in an aerial trapeze act that will provide plenty of thrills. Everybody is cordially invited to come to Plymouth and enjoy this free entertainment.

WOMAN'S CLUB ENJOY ANNUAL PICNIC

EIGHTY-FIVE MEMBERS OF THE CLUB WERE IN ATTENDANCE.

The annual club picnic of the Woman's Club of Plymouth, was held at Meadow Brook Farm, two miles east of Northville, last Friday afternoon. At 1:30 o'clock a two-course luncheon was served to eighty-five members and guests. The tables were placed on the enclosed porch at the rear of the club house, and looking south the golf links with a background of beautiful green trees and rolling hills made a picture most restful to the eye. After the luncheon, a short business session was held, with Mrs. C. H. Bennett presiding. This was followed by the program of the afternoon, which was in charge of Mrs. Cecile Hamilton. The opening number on the program was music by the Ladies' orchestra. This was followed by two pianologues, "The Old-Fashioned Girl" and "The Usual Way," pleasingly rendered by Miss Ellen Gardiner, with Miss Czarina Penney accompanying. Miss Gardiner responded with an encore, "Mammy's Little Boy," by Edwards. The Ladies' orchestra then entertained the company with two selections, after which the retiring president, Mrs. C. H. Bennett, was called upon for a ten minutes' talk. Mrs. Bennett spoke of the work of the club and its progress during the past two years. Said she, organization, reciprocity, co-operation and harmony are the four essentials for the success of any club. She spoke briefly of a few things accomplished during the past two years, viz.: The starting of a building fund, which some day, it is hoped, will terminate into the new dream of a club home; the establishment of an annual bazaar and the addition of three committees, the social committee, the outside talent committee and the historical committee, all of which are stepping stones toward the advancement and betterment of the club. Mrs. Bennett then introduced the new officers, with a pleasant word of greeting and encouragement to each one, and in closing she presented to the club a fine new scrap-book for the use of the historical committee. The new president, Mrs. Dan Murray then thanked Mrs. Bennett for the gift in behalf of the club, and asked the co-operation and support of the club members during the coming year. The chairman of the program, Mrs. Cecile Hamilton, then with appropriate words presented the retiring president, Mrs. Bennett, with a book of remembrance about the history of the club.

club. Mrs. Bennett responded with fitting words. The program concluded with two vocal selections, "A Perfect Day" and encore, beautifully rendered by Miss Evangeline Foster, with Miss Czarina Penney at the piano.

SPECIAL ELECTION WEDNESDAY, JUNE 30

SPECIAL ELECTION CALLED TO VOTE ON A PROPOSED AMENDMENT TO FRANCHISE HELD BY LOCAL GAS COMPANY.

On next Wednesday, June 30th, a special election will be held in Plymouth for the purpose of voting upon a proposed amendment, in the form of a section to be added to the present franchise, held by the Plymouth & Northville Gas Co., which provides that the price which may be charged for gas under the terms of the ordinance shall be revised and readjusted at the expiration of each three-year period during the life of the franchise, the first revision and readjustment to be made for the three-year period beginning July 1, 1920. Such revision may be made by mutual consent between the gas company and the village commission. In case the gas company and the village commission are unable to arrive at an agreement as to the price to be charged for gas, the matter of adjustment shall be submitted to the Public Utilities Commission or any other state board having the same powers. Provision is also made whereby the matter of rates can be submitted to arbitration should there be no state board.

The local gas company like many other gas companies throughout the state finds itself absolutely unable to produce and furnish gas to its consumers at the maximum price fixed by the franchise. The unusual conditions, which prevail everywhere in the production of gas, such as coal, labor, etc., finds the local company operating their plant at an actual loss. The increase in the cost of coal is 140 per cent; labor is 155 per cent more, the cost of distribution has been increased 126 per cent and supplies 88 per cent. The actual cost of production and distribution in this village, independent upon any return on the investment is \$1.58 per thousand cubic feet. The franchise provides that the maximum price that may be charged, based upon the production of the plant, is \$1.50 per thousand cubic feet, subject to a 15 per cent discount, or a net price of \$1.35 per thousand cubic feet. Thus it will be seen that the company is facing a deficit of 23 cents on every 1000 cubic feet of gas sold.

No concern, be it a public or a private one, can long operate at a loss. It would not be good business to do so, and if the company cannot obtain better prices based upon the increased cost of production, discontinuance of service seems absolutely inevitable. The proposed amendment to the franchise as asked by the gas company seems fair and equitable, and not at all unreasonable, when existing conditions are taken into consideration. The discontinuance of gas service in Plymouth would prove a mighty serious inconvenience, not only to the present consumers, but it would retard the future growth and prosperity of the village. Many places in the state have granted increased rates to gas companies operating within their borders. Grand Rapids granted an increase from 90¢ to \$1.50 per thousand feet; Marshall from \$1.50 to \$2.00; Ionia from \$1.40 to \$2.00; Charlotte, \$1.20 to \$1.75; Mt. Clemens to \$1.75. Every consumer of gas should give the matter careful and serious consideration, and then express themselves accordingly at the election next Wednesday.

P. M. WILL SPEND \$300,000 IN PLYMOUTH

THE IMPROVEMENTS IN THE LOCAL YARDS INCLUDE NEW ENGINE TERMINAL.

Plymouth citizens are rejoicing over the fact that the Pere Marquette, are going to spend \$300,000 for improvements in the local yards of that company. The improvements call for a complete new engine terminal here, including a fifteen stall round house to be constructed of brick and a turntable, having all the modern auxiliaries and accessories. Engineers have already been upon the ground and set the stakes for the round house. The ever increasing business in the local yards necessitates larger and more adequate facilities for handling the same.

BAND CONCERT SATURDAY EVENING

A GOOD BOOST FOR PLYMOUTH

R. R. Parrott, who represents the E. A. Strout Farm Agency, in Plymouth, has just issued a handsome booklet setting forth some of the farm bargains he has to offer in this vicinity. The booklet also contains a splendid boost for Plymouth in the way of several illustrations of public buildings, street scenes, etc., and a write-up of the many attractive advantages Plymouth has to offer to those seeking a farm home in this community. It's a dandy booklet and a good booster for Plymouth.

Alex J. Groesbeck, attorney-general, has made formal announcement of his candidacy for the governorship. Mr. Groesbeck says in his statement that he favors a revision of the primary law, punishment of profiteers, help for farmers and teachers, road bonds through automobile license fees, rather than by taxation, a new national guard bill for disabled soldiers, investigation of waste lands of the state, revision of criminal laws, help for blind, deaf, and other unfortunate cases, and a variety of state institution expenses.

DEATH OF MRS. JANE CONNER

Mrs. Jane Conner, a pioneer resident of this place, wife of the late Michael Conner, passed away Wednesday afternoon, June 23rd, at their cottage at Walled Lake, where she had been staying for the past week. Had Mrs. Conner lived until the third of July, she would have passed her 88th birthday. The deceased had been in failing health for several years, and confined to her home the most of the time. She is survived by a son and daughter, William T. Conner of this place, and Miss Mary Conner with whom she resided. The funeral services will be held from her late residence on Penniman avenue, Saturday afternoon, at two o'clock. An obituary will be given next week.

A PLEASING RECITAL

A pleasing recital was given in Methodist church, last Monday evening by thirty-eight pupils of Miss Carina Penney, assisted by Mrs. Mary Mace Underwood of Detroit. The class was composed mostly of Miss Penney's youngest pupils, and the children did great credit to themselves as well as their teacher by the pleasing way they rendered the various selections. All of the numbers, except the duets, were memorized, which added greatly to the program. Mrs. Underwood gave an interesting reading entitled, "The Selfish Giant" by Oscar Wilde.

LAFAYE-WOLFF

Miss Lillian Wolff, daughter of Mr. and Mrs. Charles Wolff, Sr. of this place, and Harold LaFaye, also of Plymouth, were quietly married at the Lutheran parsonage at Wayne, Wednesday evening, June 16th, by Rev. MISS HAMILTON WEDS PERRY CLARK

BRIDGES HALL IS SCENE OF MORNING CEREMONY TODAY.

From Pomona, California, Progress Claremont, June 8.—The first June wedding in Claremont was solemnized this morning at half past ten in the auditorium of Bridges Hall of Music, when Miss C. Estelle Hamilton, daughter of Mrs. Lizzie E. Hamilton, became the bride of Perry W. Clark, son of Mr. and Mrs. E. E. Clark of Pomona. Invitation to the wedding was a general one, announcement of the ceremony having been given out from the pulpit of the Claremont church, and Bridges auditorium was filled with college and community friends and well wishers of the couple.

To the opening strains of the Lohengrin march, Mr. Clark and his best man, E. Paul Young, of Los Angeles, entered the auditorium from the upper right entrance and took their places before the officiating clergyman, Dr. James Harvey Garrison. They were followed by two groomsmen, Robert J. Bernard and Warren Elliott. Miss Hamilton, on the arm of her mother, entered from the left rear entrance. She was preceded by two bride's matrons, Mrs. Donald F. Kimball of Los Angeles, a school girl friend of the bride, and Mrs. Robert J. Bernard of Claremont, and the maid of honor, Miss Ruth Olmstead of Pomona.

The impressive Episcopal marriage service was used by Dr. Garrison and during the ceremony Mrs. Smith L. Russell, at the organ, played softly "Dupuis le Jour," from the opera, "Lohengrin," and at the conclusion of the benediction struck the joyous chords of the Mendelssohn march, to which the bridal party left the hall. Just before the ceremony Miss Harriet Pasmore sang, "Beloved, It is Morn," accompanied on the organ by Mrs. Russell.

From Bridges Hall the wedding party and intimate friends to the number of forty went to the home of Mrs. Hamilton, 325 West Sixth street, where a beautifully appointed wedding breakfast was served, after which Mr. Clark and his bride took their departure for a week's honeymoon trip. For the ceremony Miss Hamilton wore an exquisite gown of bride's

satin and georgette, made pannier style, with bodice and trimmings of old Dutch lace, the latter the gift of Mrs. Frank P. Kenyon of Pomona, an old friend of the family. The gift of the groom was a string of Richelieu pearls. A tulle veil, arranged in coronet style, was fastened with orange blossoms, while bride's roses, sweet peas and baby gladioli composed the shower bouquet. For her going away gown Miss Hamilton chose a suit of golden brown faille, made with accordion plaited skirt, and worn with brown hat and shoes in harmonizing shades.

The bride's attendants were dressed in dainty ruffled frocks of yellow organdy and wore yellow organdy hats; their bouquets were of yellow roses and white sweet peas, with the exception of Miss Olmstead's, which was composed entirely of yellow roses. Mrs. Hamilton, who gave her daughter away, wore a becoming dress of pale yellow dotted swiss, trimmed in bands of yellow organdy.

All the appointments for the wedding and the reception were carried out in the color scheme of yellow and white, this arrangement being observed in the table decorations and the menu of the wedding breakfast. The bride's table was especially beautiful, with the bride's cake in the center and three white pedestals bearing baskets of yellow and white daisies. Each basket was tied with a bow of yellow tulle, while streamers of the tulle were caught up to a wedding bell suspended from the chandelier. Yellow hearts centered the molds of ice cream and yellow and white cakes were served.

Miss Hamilton is a Pomona College graduate of the class of '18 and following a year of advanced study at the University of California.

Mr. Clark, a former member of the class of '20, is connected with the Title Insurance and Trust company in Los Angeles, having returned just last August from 21 months in the national service, ambulance corps. More than a year of this period was spent overseas and with the Army of Occupation in Germany. He formerly made his home in Claremont, while a student at college, but his parents now reside in Pomona.

Mr. Clark and his bride will make their home in Los Angeles, but will be in Claremont to attend the festivities of commencement week at Pomona college. Miss Hamilton has been the honoree at a series of interesting prenuptial showers in the weeks before her marriage, the first of these having been given by a former classmate, Mrs. E. Paul Young (Judith Garrison) at her home in Los Angeles. Miss Ruth Olmstead of Pomona and Mrs. Robert Bernard of Claremont also entertained for Miss Hamilton.

Among the out of town guests who came here for the wedding were Mrs. Helen McMechan and Miss Maud McMechan and Miss Geraldine Pilcher of Tucson, Ariz., the former home of Miss Hamilton; Mrs. Bruce Hannah of Nogales, Ariz.; Mr. and Mrs. Arthur F. White of Berkeley, Mr. and Mrs. Frederick Brackett of Pasadena; Mr. and Mrs. Donald Kimball and Mr. and Mrs. E. Paul Young of Los Angeles; Mr. George Shattuck of Santa Ana; Dr. and Mrs. Frank P. Kenyon and Mrs. Jeannette Olmstead of Pomona.

Cadillac—Mrs. R. B. Jennings, 55 years old, died of burns suffered when she fainted and pulled a scalding pot of coffee on her.

Jackson—The re-opening of old coal mines just west of the city is arousing considerable interest among owners of adjacent property.

Negaunee—John Kusbisto, 28, met almost instant death in Maas mine, Negaunee, when he was hit on the back of his neck by a chunk of ore.

Traverse City—Despite combative efforts, the grasshopper pest in northern counties is spreading rapidly. Hundreds of thousands of dollars damage has been done by the pests.

Marcellus—Warren Maxam, a Marcellus farmer, 80 years old, died of lockjaw caused by a scratch caused when he accidentally rubbed his arm over the jagged jaws of a mole trap.

Flint—A special committee sent to Washington by the city to investigate the fuel and shipping situation, has submitted a report advising citizens to lay in their next winter's fuel supply immediately.

Pontiac—Mayor F. G. Ely, of Pontiac, says he will not raise the ban on pyrotechnics for July 4. The city will have to observe a "safe and sane" Independence Day, he says. The mayor will not permit local dealers to handle fireworks.

Flint—Through an agreement ratified by the common council, the gas rate in Flint, for the next five years, will be fixed by the State Public Utilities Commission. All other regulatory powers will remain in the hands of the city officials.

Sault Ste. Marie—Devil's Island, Eagle Harbor, Marquette and White Fish Point are four places where radio compass stations and wireless stations will be established on Lake Superior for the assistance of lake navigation and to aid in life saving service.

Bay City—Nicholas Hartingh, court stenographer, who was removed by Judge Widdis, of the Iosco Circuit, won his appeal to the State Supreme Court. He was ousted after 23 years' service in the courts, and brought mandamus proceedings to hold his position.

Grand Rapids—Levi Moore, 8-year-old son of Mr. and Mrs. Fred J. Moore, was drowned in Muskrat Lake three miles northwest of Grattan Center, when the canvas boat in which the boy, with his father and Charles F. Feedback were fishing, suddenly was swamped.

Pontiac—Announcement has been made by the Oakland Motor Car company of authorization of an addition to its engine plant which will cost about \$3,000,000. The work is to be started at once and rushed through, so that the plant will be working with double capacity by the first of the coming year.

Bay City—The Common Council has referred the demand of the gas and the traction companies for increased rates to the Public Utilities Commission. The decision follows an agreement between the city and the two companies to submit the question to the commission and to abide by its decisions for five years.

Grand Rapids—After a three-day canvass of the situation, the joint conference of the executive boards of the National Association of Retail Clothiers and the National Association of Manufacturing Clothiers at Atlantic City arrived at the conclusion that clothing prices for fall will not show any recession, says Meyer S. May, who was present.

Detroit—Detroit has been asked to open trade relations with the soviet government of Russia. Lieut. Col. E. Roustan Bek, military critic and accredited representative of the soviet Russian government, is in Detroit to obtain contracts from Detroit industries to ship commercial products to Russia, and in other ways aid in the construction of Russian industries along American lines.

Port Huron—By appropriating \$2,500 to be paid to F. F. Rogers, state highway commissioner, to help pay the premium for marketing highway bonds, Port Huron is assured of a concrete road one mile long in city limits. The state highway law will not permit bonds to be sold for less than par and will not allow a premium to be paid for marketing them. Port Huron will pay premium on bonds to get road work under way.

Muskegon—A state park located on the shores of Lake Michigan within eight miles from the heart of the business section of this city is being planned for Muskegon. The old Bronson Farm, located on a low hill, with a long level beach running down to the lake is the site for the new park, and it is understood that the state will immediately start the expenditure of at least \$15,000 on improvements in making the place one of the most beautiful in Michigan.

Detroit—A saving to American industry of 100,000,000 tons of coal annually is assured, it is claimed, by the invention of Elbridge C. Collins, Detroit refrigerating engineer. Discovery of a new system of power production by which boiler capacity can be increased more than 500 per cent and the efficiency of the ordinary steam plant increased 400 per cent was announced by him. Under the Collins method, in which sulphur dioxide is used as the gas, 30 per cent of fuel efficiency is utilized, under present methods only 18 per cent is utilized.

Get This Out and Take It With You. A man often forgets the exact name of the article he wishes to purchase, and as a last resort takes something else instead. That is always disappointing and unsatisfactory. The safe way is to cut this out and take it with you, as an insurance against getting Chamberlain's Tablets. You will find nothing quite so satisfactory for constipation and indigestion.—Advt.

Owosso—Many orchards near Byron, south of here, have been ruined by canker worms and are being cut down.

Marcellus—Frank Crego, 50, a farmer near Marcellus, was kicked to death by a colt he was attempting to halter.

Big Rapids—The farms of Mecosta County are overrun by grasshoppers. It is feared that many crops will be ruined.

Owosso—A log house, built in 1835 on Main street, has been bought by the local chapter, D. A. R., and will be preserved.

Wakefield—The laying of more than three miles of sewer at a cost of approximately \$43,000 has been started by W. S. Peters.

Petoskey—Mildred, 16, and John Helder, 8, children of George Helder, Central Lake, were drowned in Intermediate Lake while bathing.

Rochester—Parke Sippary, 63 years old, well known farmer, was found in a ditch beside the road near his home. He had laid there four hours, from a stroke.

Pontiac—Dr. Eben Mumford, head of the Michigan Farm Bureau, says Oakland County leads the state in the number of its farm organizations. It has 40 community organizations.

Grand Rapids—The Gleaners Clearing House Association and the Gleaners Corporation will take over the elevator interests of the Armour Packing Co. and the Llewellyn Bean Co. July 1.

Grand Rapids—Bert Walker, Barry County farmer, fell dead at a garage, where he had placed his automobile, after driving here from Hastings, to visit his wife, who was ill at a local hospital.

Olivet—Two trucks of chloride of lime have been received here to be placed on two of the main streets. The product is considered better than oil for keeping down dust and preserving the roads.

Big Rapids—William Higgins, a student in the college preparatory department of Ferris Institute, and catcher on the institute's base ball nine, was drowned while swimming in the Muskegon River.

Hillsdale—L. P. Reynolds, who came here from Erie, Ill., for the college commencement, is 80 years old. Mr. Reynolds is the only person living whose name appeared in the first Hillsdale catalogue.

Detroit—The Lutheran Laymen's league turned over to the syndicate \$2,050,000, invested in government securities "of this country only, mostly Liberty bonds," as an endowment to provide for "veterans of the cross" and their dependents.

Grand Rapids—The Gleaner interests at a meeting here subscribed \$308,000 towards the sugar beet division of the Gleaners, to be capitalized at \$1,250,000. It is proposed to buy a going factory, if possible, and if none is to be had, to build one.

East Tawas—Active work of the first state park has begun on East Tawas on the shore of Tawas bay. The plans call for the construction of two bathhouses, a boat dock for launches, yachts, canoes and rowboats, open fireplaces and picnic tables.

Iron Mountain—Three men, who posed as federal agents, visited Joe Deconants' place at Florence, Wis., near here and made a search for liquor. Not finding any they then forced Mr. Deconants to take them to his home, where they seized a quantity of whiskey valued at \$5,000, making their getaway in an auto.

Detroit—Relief from inadequate sewer facilities, which result in the flooding of streets and basements in the east Jefferson avenue district after heavy rainstorms, cannot be had until Mayor Cousen's \$25,000,000 sewer improvement bond issue is passed and made available, according to J. R. Hendry, engineer of sewer design in the department of public works.

Kalamazoo—Clarence Stoops, aged 15, was fatally injured at the close of what was to have been his last day's work as elevator boy at the Peck Building, he and his 13-year-old brother, who assisted him, having been ordered by the transit officer to give up the work. Clarence tried to jump from the car while it was descending. His head was caught between the car and the door.

Detroit—That two boys, one nine years old, the other eight, might have the pleasure of seeing the fire engines come, 11 horses were burned to death in two barn fires, according to statements made by the lads when arrested after the last blaze. According to Patrolman Bruce Phillips, who arrested the boys, the elder originated the idea by throwing lighted matches into the hay.

Owosso—Arthur Mitts, 35 years of age, a fireman at a local plant, was instantly killed when a boiler exploded hurling his body 600 feet across the Shiawassee river. The boiler, weighing several tons, crashed through the rear of a house 100 feet from the factory, and moved the building a foot from its foundation. None of the occupants of the house was hurt. Mitts' body was found an hour after the explosion, stripped of all the clothing except the shoes.

Grand Rapids—District Attorney Myron H. Walker has announced that all local firms, which have been allowed to accumulate reserve stocks of sugar for sale during the canning season, must release the commodity soon or that they will be compelled to do so. With the arrival of the canning season, the local sugar situation is becoming much easier and there is no longer any danger of an immediate shortage, states Colonel Robert J. Bates, chief of the bureau of investigation, department of justice, at Grand Rapids and western Michigan.

Ford

THE UNIVERSAL CAR

There are more than 3,000,000 Ford cars in daily service throughout the world, and fully eighty per cent of these are Ford Touring Cars. There are many reasons for this, not the least of which is the simplicity in the design of the car, so easy to understand; likewise it is easy to operate; and mighty inexpensive compared to other motor cars. On the farm, in the city, for business and for family pleasure, it is the car of the people, and the demand is increasing every day. Let us have your order promptly if you want one.

A Liger Costs Little, But Accomplishes Much

NEWBURG

There was a full house, Sunday, to hear the Children's day exercises. It was an exceptionally good program. There were so many good things that it is hard to say which was the best. It all lead up to one thing, that of education. Over eleven dollars were raised to assist worthy young people to acquire an education. Two babies, William Barlow and Betty Jane Quinn received the sacrament of baptism.

Often times the few who keep up the expenses of the Newburg church get discouraged and wonder if it is worth while. But when one sees the fine bunch of young people who took part Sunday, they feel like pressing onward.

There was a large attendance of neighbors and friends at the funeral of John Taylor, last Saturday afternoon, at Newburg church. The beautiful flowers attested to the esteem in which he was held. The bereaved widow and family have the sincere sympathy of everyone in this community. The following friends from away attended the funeral: William Taylor, William Taylor, Jr., and family, Mr. and Mrs. Robert Taylor, Vert McCoig and Mrs. Mae McLaughlin of Harwidge, Canada; Mr. and Mrs. William McCully of Pittsford, Mich.; J. B. Middlemiss, Russell Middlemiss of Manchester; Eli Middlemiss, Jr. of Lansing; Mrs. Roundeau Bunnell, Mr. and Mrs. Eli Middlemiss, Sr., Mr. and Mrs. P. Deverise, Mr. and Mrs. J. B. Betzner and family, Mr. and Mrs. Fred Walters, Mr. and Mrs. Hubert and family, George Middlemiss, Mrs. Horace Middlemiss, Edwin Bayes, Mrs. Gus Franks.

Mrs. Mary Paddock of Detroit, is visiting at the Ryder homestead while her daughter, Florence, is attending commencement week in Ann Arbor.

Mr. and Mrs. Jack Quinn and baby of Detroit, and several others took dinner with Mr. and Mrs. Mark Joy, Sunday.

Mr. and Mrs. John Thompson and Leigh Ryder spent Sunday at George Henry's, near South Lyon.

Mr. and Mrs. Leigh Clemens motored through to Canada, last week Thursday, to spend a week among relatives.

Miss Ellen Gardiner visited Mrs. Henry Grimm, Jr., Monday afternoon.

Mr. and Mrs. Andrew Bauer of Hillman, and Mrs. Baxter of Plymouth, called at C. E. Ryder's, Monday evening. Mr. and Mrs. Bauer lived here some forty years ago, this being the first time they have been here since they went away so many years ago.

Sidney Coats of Detroit, spent the week-end as the guests of Clarence Clemens.

FRAIN'S LAKE

Mrs. C. H. Freeman entertained at a senior class party, Saturday evening, thirty couples being present. The honored guests were: Glen Freeman, Lloyd Lyke, LeRoy Gale of Ypsilanti High school, and Lorella Hollis and Michael Latson of Ann Arbor High. Florence Willett, included with the graduates, being ill with measles, was absent.

Fred Judson and son, Nathan, were callers at Linus Galpin's in Plymouth, Sunday.

Mrs. Fred Fishbeck entertained the King's Heralds at her home, Thursday.

The G. R. O. W. Bible class will be entertained Saturday evening in Ann Arbor, at the home of Walter Mulholland, West Washington street.

The young people had a barn dance at the Latson home on the Whitmore Lake road, Wednesday night.

The Queen Esther Circle will be entertained tonight at the home of Miss Lorella Hollis in Dixboro.

Thos. Geer and wife were callers at Ed. Lyke's, Tuesday.

Mr. and Mrs. Will Grammel entertained a large party of friends, Saturday night.

Mr. Edwards and the pastor at Saline exchanged pulpits, Sunday morning.

Helen Artley of Belleville, and Irene Davis of Ypsilanti, were week-end guests at the Freeman home.

Clifford Fishbeck, a patient at Burrett hospital, Ann Arbor, is convalescing.

DEATH OF A LITTLE GIRL

Erma Lorenz, aged six years, ten months and four days, daughter of Mr. and Mrs. J. Lorenz, died at Ann Arbor hospital, last Sunday, at about noon of diphtheria. Besides the father and mother, she leaves two brothers and one sister to mourn their loss. The remains were brought to Plymouth, Tuesday afternoon, and a short service was conducted at the grave in Riverside cemetery by Rev. Frank M. Field. The family have the sympathy of the community in their sorrow.

Booze Is Not a Good Cure

From the Ames, Iowa, Intelligencer
When a man comes to you all doubled up with pain and declares he will die in your presence unless you procure him a drink of whiskey, send him to a doctor or else give him a dose of Chamberlain's Colic and Diarrhoea Remedy. OBITUARY

JOHN TAYLOR

John Taylor was born near Port Hope, Ontario, April 14, 1855, being the youngest of seven children. While he was still a small child, his parents moved to Harwidge township, Kent county, Ontario, and here was his home during his boyhood, and until his marriage in 1881. He went to Kansas for his marriage to Mary Jane Middlemiss, who had moved there from Canada with her parents, but after their marriage they returned to Canada, and he worked at his trade as a blacksmith for several years before they came to the United States to stay. About thirty-two years ago they came to the states, his work for the railroad taking them to points in Indiana, Illinois and Michigan. In 1902, they came to Detroit, where they lived for nine years, moving out to the vicinity of Newburg in 1911. He was an expert at his trade, being a true blacksmith of the old school, and found ready demand for his skill in different lines of industry. For nearly three years he had been employed at the Ford plant in Dearborn, until the attack of rheumatism, which caused his death, made it necessary for him to give up his work about six weeks ago.

Two sons, Guy E. and Thomas Edwin, were the only children, both of whom are living, and also three grandchildren, Jack, Robert and Marion Taylor. Besides the wife and children, Mr. Taylor leaves three brothers, all older than he was, Thomas, William and Robert Taylor all of Harwidge, Ontario. Mr. Taylor had been a member of the Independent Order of Odd Fellows for twenty-five years, having united with that order at Bloomington, Illinois, in 1896. Two years later he became a Past Grand and was also a member of the Encampment and of the Carletons at the same place. He was also a member of the order of Modern Woodmen.

For the past six weeks he had not been well, and on Wednesday afternoon, June 23, he passed away very suddenly at his late home in Newburg. The funeral services were conducted by Rev. F. M. Field in Newburg church, Saturday afternoon. The Odd Fellows conducted the services at the grave in Riverside cemetery.

A CARD—We wish to extend our sincere thanks to our many friends, Odd Fellows, Rebekahs, Gleaners, employees of the blacksmith, stock and receiving departments of the Fordson Tractor plant for their kindness, sympathy and beautiful floral offerings during our late bereavement; Rev. Field for his consoling sermon; the Misses Youngs for their singing.

Mrs. M. J. Taylor,
G. E. and T. E. Taylor.

RESOLUTIONS

To Mrs. John Taylor and family from Tonquish Lodge, No. 32:

As it has pleased God in His wisdom to remove from our midst our worthy brother and friend, John Taylor, be it

Resolved, That we, as a Lodge of Odd Fellows, tender our heartfelt sympathy to the bereaved family in this their hour of affliction. We feel that in the loss of our brother we have lost a friend, indeed. He was an active, hard-working member of our Order, filling the important position to which he was selected with fidelity and satisfaction to the brotherhood. His devotion to Odd Fellowship was attested by an exhibition of zeal commencing with the date of his initiation, and continuing unabated until his death. His record is that of a devoted Odd Fellow, a firm friend and an ardent advocate of the principles of friendship, love and truth. In his death this order has lost one of its most honored and worthy members and his memory will long live in the hearts of his brethren.

An honored one from us is gone,
A voice we loved is stilled;
A place is vacant in our Lodge,
Which cannot be filled.
Be it also further
Resolved, That a copy of these resolutions be placed on the records of our Lodge, one sent to the family, and one to the Bloomington, Illinois, Lodge, No. 400, and also published in the Plymouth Mail.

Signed in behalf of the Lodge,
GEO. KNAPP,
A. TRINKAUS,
F. S. WILSON,
Committee.

Our Ambition : Ideal Telephone Service for Michigan

The Michigan State Telephone Company has set itself earnestly to the task of making the telephone service in Michigan as near ideal as possible.

To us, ideal telephone service is summed up as follows:

First—When the service given present subscribers is as intelligent and as nearly perfect as human ingenuity and mechanical accuracy can make it.

Second—When every home and business, that has any use for a telephone, has one.

Third—When there is a mutual understanding between the Telephone Company and its subscribers, that fosters confidence and encouragement and courtesy.

The attainment of such an ideal calls for the best brains, the nimblest fingers, the most careful training, the expenditure of vast sums in buildings and material—yet it is a task that we are entering upon with all the enthusiasm of an age when mighty things are being accomplished.

There will be many obstacles and discouragements, but honest effort will overcome them all.

It is our purpose in these announcements, from time to time, to tell you of the progress we are making, and if we can know that we have your confidence and co-operation it will lend strength to our efforts and courage to our hearts.

Cornell-Wood Board

Think-wood. Takes the place of plaster—on Walls, Ceilings, Partitions, Repairs, Alterations and New Work

Improve Your Farm Interiors NOW

NOW—before you are busy with field work—is the time to make your home, garage, dairy barn, chicken house, barnyard and milk house warmer, clean and sanitary. Strong, rigid Cornell Wood Board, that takes the place of plaster, will quickly and easily accomplish all this at little expense.

"Cornell 32" for Farm Buildings

The 32-inch width—Cornell feature—makes attractive panels for hallways, small rooms and borders and cuts very economically for outbuildings on the farm. However for large barns, etc., the 48-inch width is more desirable.

Both the 32 and 48 inch widths are guaranteed not to warp, crack, buckle or chip if directions for applying are followed. The special Cornell Triple-Sizing Process—which protects against moisture, expansion and contraction—makes this guarantee possible. Paint or coloring can be immediately applied. The oatmeal finish—mill-primed surface (both sides) saves the cost and labor of a sizing coat.

Stop in the next time you are in town for samples of this remarkable board, estimates and names of neighbors who are improving their farm buildings with Cornell.

MORTGAGE SALE

Default having been made in the conditions of a certain mortgage made and executed by Ralph D. Harlow (a single man) to Charles H. Tiffin, dated February 5th, 1917, and recorded on the 9th day of February, 1917, in Liber 804 of Mortgages on page 662, in the office of the Register of Deeds in and for Wayne County, Michigan, and the said mortgage having elected that the whole amount secured by said mortgage shall become due and payable immediately, on which said mortgage there is claimed to be due and unpaid at the date of this notice for principal, interest, and taxes as paid by said mortgagee, the sum of three thousand eight hundred twenty-six dollars and ninety-four cents (\$3826.94), together with any additional sum mortgagee may pay for insurance and taxes, and no suit or proceeding at law or in equity having been instituted to recover said moneys or any part thereof.

Now therefore, by virtue of the power of sale contained in said mortgage and the statute in such case made and provided, notice is hereby given that on Saturday, the thirty-first day of July, 1920, at 10 o'clock in the forenoon, Eastern Standard Time, the undersigned will sell at public auction, to the highest bidder, at the southwesterly corner of the Street entrance to the Wayne County Building, in the City of Detroit, County of Wayne and State of Michigan (that being the building where the Circuit Court for the County of Wayne is held), the premises described in said mortgage, or so much thereof as may be necessary to realize the amount due, with six per cent interest and all legal costs allowed by law and provided for in said mortgage, including an attorney's fee, the said premises being situated in the Township of Plymouth, Wayne County, Michigan, and described as follows:—to-wit:

The northwest one-quarter of the southeast one-quarter of Section Number Thirty-three (33) and the north twenty-four (24) acres of the east one-half of the southwest one-quarter of said Section Thirty-three (33) in Town One (1) South of Range Eight (8) East, Michigan.

Dated at Plymouth, Michigan, this 5th day of May, 1920.

The Secret of a Superlative Tire

The whole question of a super-tire is a matter of principles. For there is nothing exclusive in the industry. No patents, no secret formulas prevent a conscientious maker from building the best.

But cost and competition modify ideals. The Brunswick idea is to pay perfection's price and get it.

That has been the Brunswick policy since 1845. And it accounts for the growing preference for Brunswick Tires. Motorists expect the utmost from a tire bearing the name of Brunswick—and get it.

You, too, will be convinced by your first Brunswick, that here is an extraordinary tire, and that more money cannot buy a better.

Better tires of their type are impossible—or better tubes. That we guarantee.

Try ONE Brunswick—learn how it excels.

WE'RE ready for the Glorious Fourth. Are you? Come in and let us give you an Independence Day musical program—a vivid suggestion of how to make the Fourth a day of finer meaning in your home. We'll send a New Edison to your home—together with a fine group of patriotic selections.

The NEW EDISON

"The Phonograph with a Soul"

Our Budget Plan will turn your "fireworks" money into a first payment. It will make similar economies provide the balance. It's a systematic thrift idea.

Why throw your money into the air on the Fourth? Isn't it a finer patriotism, a bigger family policy, to spend it on music—good music? What's a Fourth without music?

The thrill in those grand, old airs of the Republic! The exultation! The memories! The ringing pledge!

All these and more—have been given life by the soaring art and the fervid hearts of great artists!

All these and more are RE-CREATED for you by the marvelous realism of the New Edison.

The perfect realism of the New Edison was proved again in an astonishing test made March 10, 1920, at Carnegie Hall, New York City. Anna Case, world-famed soprano, marched her voice directly against its RE-CREATION by the New Edison. During the test, the lights went out. The audience, in the darkness, could not tell whether Anna Case was singing or whether the New Edison was RE-CREATING her voice.

You can experience the New Edison's supreme realism for yourself. Come in and let us give you Mr. Edison's Realism Test.

Today's Reflections

Next to Christmas and the Fourth of July nothing seems to happen as often as our birthdays.

If you'd believe some Plymouth women about the only thing their husbands do around the house is to eat, sleep and wind the clock.

And once more we are in the midst of a season when the pants withereth, the shirts fade and the collar runs back to a rag.

After all, the best looking thing a mail order house puts out is the picture that goes with the ad.

A lot of Plymouth people have to get a mighty big hurry on these days to keep up with running expenses.

About the best policy known for a president of Mexico is a life insurance policy.

The difference between the old-fashioned city restaurant and the modern one is the difference between gorge and gouge.

We still have several women in Plymouth who insist on wearing the best they have when going on a journey, not because they want to look good, but for fear they'll be in a railroad wreck.

Nearly every Plymouth man takes his spite out on his wife when he gets mad at somebody he's afraid to argue with.

The offer of a reward for Villa dead or alive has probably caused no more amusement than Villa.

And long about this time of year citizens of Plymouth would welcome the introduction of a scratchless hen.

We are fully agreed that the Kansas editor who says if a candidate can stand on the platform he can sleep on his bunk.

In one respect humanity hasn't changed a bit—we still lose the biggest fish when nobody is along.

As one Plymouth man said yesterday, what capital and labor need in more tearing and less scheming.

A lot of men have long ago learned that a lecture in the town hall is worth two of the kind you get at home.

Baptist Notes

In spite of the rain, Children's day exercises were a great success. A good attendance greeted the children, and they did themselves proud. The church was beautifully decorated with flowers and maple leaves. The Women's Mission Circle of the Baptist church will meet at the home of Mrs. Robert Birch on South Main street, June 30, at 2:30 p. m. There will be a report from the delegates who attended the convention at Pontiac.

The church has recently bought a piano, which it is expected will help in the music.

CONGRESSMAN MICHENER HOME FROM WASHINGTON

In a letter to the Mail Congressman Earl C. Michener of this district, says congress has adjourned until December 1, and until that time he will have his headquarters in his Adrian office. He asserts that he has made arrangements in Washington so that all departmental work referred to him during the recess will be properly cared for. Those who desire to communicate with him are directed to address him at Adrian. During the time that Congressman Michener has been in congress, he has made a splendid record. He has given careful and considerate attention to every matter pertaining to the best interests of the people of the second district, always ready and willing to render every possible service to his constituents.

NEIGHBORHOOD NEWS

Wayne is another town that will have a celebration on July 5th.

Rev. W. T. Fillmore, who has been pastor of the Baptist church at Pontiac for the past nine months, has resigned.

Pontiac has 7,096 children of school age, a gain of 898 over last year. The census is a fair indication of the city's remarkable growth.

The Detroit city council have authorized the expenditure of \$3,000 by the health board to provide a summer camp for children from the congested parts of the city, at Northville.

Instead of having the Alley Festa in Ypsilanti this summer, the Mulholland Amusement Company has been secured to take its place, and will be in that city on the 5th of July.

The Detroit Auto Dash Co., who have a branch plant at Milford, want to move their Detroit plant to that village, providing the citizens there can meet with the demand for more houses.

Selfridge Field at Mt. Clemens, containing 640 acres, has been purchased by the government for aviation purposes. Improvements to the property by the government already amounts to \$2,000,000.

One of the very pleasant affairs of the week was a surprise given Mrs. Cass R. Benton by relatives on Monday afternoon at their delightful country home. Guests were present from Plymouth, Newburg and Northville. One who shares the genial hospitality of the Benton home does not soon forget it.

The Saline Observer will raise the subscription price of that paper from \$1.50 to \$2.00 per year on and after July 1, 1920. Present conditions existing in the paper market and the printing business generally, make this step absolutely necessary. Many other country weekly papers will be forced to do the same if they continue in business.

Officers of the Solway Process company of Detroit, have purchased the Lakewood hotel property at Whit-

more Lake, formerly owned by James Burke. The Detroit men plan to remodel the hotel building into a private clubhouse for the Solway officers and their families. They took possession June 15. The transaction is said to have involved \$25,000. The Solway officers intend to close the beach in front of the Lakewood hotel, making this section of the beach also private.—South Lyon Herald.

Those who were hoping to see a cement road on Grand River from Island Lake to New Hudson this year are destined to be disappointed. It is impossible to procure cement for the job this season and State Highway Commissioner Frank F. Rogers, who was here a few days ago, has given the contractors an extension of time of one year in which to complete the work. The grading will be finished this summer and then the road will be opened to traffic.—Brighton Argus.

Tuesday afternoon two airplanes were forced to make landing in J. E. Warner's clover field, just west of the city. Mr. Warner claims that considerable damage was done to his clover crop by the crowd which rushed over the field to view the airplanes. The machine that was forced to land was driven by Harry E. Slater, secretary of the Guilbert Air Line, Inc. H. B. Woodleton, pilot of the second machine, went to the assistance of Slater. The matter was taken before Judge Stadtmiller, but it is rumored that it will be settled out of court.—Ypsilanti Record.

A Detroit concern manufacturing washing machines has signed a tentative agreement with the Howell Board of Commerce for removal to that city, occupying the plant vacated by the Howell Steel Truck Company. The company will make a full line of hand and electric washing machines, starting with twenty men. As a result of a conference with heads of some of the local factories, the Howell Board of Commerce has ordered a number of tents, which will be set up near Thompson lake and used for housing purposes until more dwellings are available.
