STAGE ALL SET FOR HOME TALENT PLAY

LOCAL TALENT WILL PRESENT "STAR BRIGHT," A PLAY IN THREE ACTS, AT PENNIMAN ALLEN THEATRE, WEDNESDAY EVENING, FEBRUARY 23.

"Star Bright" the home talent play to be staged by local talent at the Penniman Allen theatre, next Wednesday evening, February 23rd, promises to be one of the best that has been given here for some time. The play is given for the benefit of the starving children of Europe under the auspices of the L. O. T. M. Virginia Giles will give several readings between the acts. The admission is 35c for adults, and children under 12 years of age, 20c. The following is a short story of the play.

The scenes of this play are laid in Mountdale, a village in the Adirondack region. Lemuel Bright, a pious, narrow-minded "pillar of the church," and his wife, Honor, who is a college woman, had two daughters, Star and Sunshine. When Star was sixteen years of age she was sent to college, where, clandestinely, she met an actor named Arthur Pulver, who induced her to elope with him for the stage career she had coveted from her infancy. As a result her father disowned her, and for twelve years her name was never allowed to be spoken in the home; while the mother's grief over the father's attitude nearly cost her her life and condemned her to an existence of almost hopeless invalidism.

Twelve years after, at the time of the opening scenes of the play, this same man comes to the neighborhood under an assumed name, represents himself as an artist, and securing board in the Bright family endeavours to tempt Sunshine to leave home with him in order to secure the college career her father has always denied her, because of her sister's experience, of which she herself knows nothing at all.

The elopement is frustrated through the intervention of Smith, a private detective, who has come to the house as a boarder and has been taken in by the different members of the family as the new minister, the doctor, the new editor, the tax assessor and a photographer agent, which is the role he himself has elected to play in the vicinity, as well as the lover of Bird Denton, a college girl, spending her vacation in the home, whose lover is a slightly different name. In reality Smith has come to the village in the service of the absent daughter, Star, to prevent her betrayer from carrying out his nefarious designs against her sister. A phonograph record is employed to reveal to the detective the real state of mind of both the father and the mother regarding the lost daughter, who comes in person to the old home in the guise of a boarder just in time to prevent her sister from being forced into marriage with the villain, as a means of saving her reputation, which he chooses to endanger by the attempted elopement.

The detective then reveals to the astonished family the truth of the elder daughter's legal marriage, and all the tangles are rapidly untwisted as the optimistic Sunshine is made happy by the promise of her longed-for college course, and the renewed joy of her mother and sister.

The comedy is carried by a neighbor, Jake Hoover, and his matrimonial designs on Melinda Bandy, a romantic spirit employed in the Bright home, not to mention the soulful Ethelbert Ferdinand Delancy, whose mythical personality, when finally unmasked, is a strong ally in Jake's cause.

The deceased was the daughter of the late William and Alice Cole, and was born in Hamilton, Ontario, October 14th, 1859. PLYMOUTH HIGH WINS AT BASKET BALL

BOYS' AND GIRLS' TEAMS OF PLYMOUTH WIN FROM TRENTON HIGH ON LOCAL FLOOR.

The return game with Trenton was played here last Friday night, with both boys and girls winning from them. The girls' score was 58 to 7. No substitutes were used, the regular team playing the entire game. One reason why the game was so easy and the score so one-sided was because the Trenton guards were not very strong, giving many chances to our forwards to shoot for basket. The game was a rough one, and a great many fouls were called on both sides.

Plymouth line-up—Lenore Wright and Marion Kiely, forwards; Edith Pierce (capt.) and Merle Roe, centers; Bonnie Mueller and Wanda Shuts, guards.

Trenton line-up—R. St. Ouge and S. Purdy, forwards; G. Woodruff and P. Mitchell, centers; E. Haas and A. Lafayette, guards.

Referee—Elder

Plymouth baskets—L. Wright, 15 and 2 free throws; M. Kiely, 13.

Trenton baskets—R. St. Ouge, 2 and 3 free throws.

In the boys' game, Trenton ran up against a changed line-up, but the same spirit of confidence and aggressiveness that marked the game at that place. From the referee's first whistle it was Plymouth's game, and although the visitors threatened, they could not come up with the Blue and White. Stevens started things in the first quarter with three baskets, then Tait took up the tale in the second, and when the half was over the score was 16-8 for Plymouth. In the second quarter Wiseley replaced Miller, and when Trenton got three in a row matters looked doubtful. Tait thought it "was time to go," and dropped three more through, and the rest was easy. Just one basket was made the last quarter, and the game ended 27-20. The line-up and summary follows:

Plymouth—Tait, r. f.; Stevens, l. f.; M. Strasen, c.; Wilcox, r. g.; Miller, Wiseley, l. g. Baskets—Tait, 7; Stevens, 4; Strasen, 2. Free throws—Tait, 1 of 6.

Trenton—Alyea, r. f.; Purdy, l. f.; Mans, c.; VanHorn, r. g.; Armstrong, l. g. Baskets—Alyea, 4; Purdy, 4; Mans, VanHorn. Free throws—Alyea, 0 of 3.

The Howell-Plymouth debate is the last chance of hearing our home team which we can guarantee.

YOUR HOME TOWN

We've never been able to diagnose his case properly, or to tell exactly what is the matter with him, but there is something radically wrong with the man who doesn't care for the town he was born in, and who doesn't go back to it occasionally with a feeling of joy.

The man who boasts that all places are alike to him and that any place where he hangs his hat is home, misses one of the first and best incentives to decency and duty—which is the desire to win the general esteem and good opinion of the com-

munity in which he once resided. No reward in money compares in value with the golden treasure of a good name. If a man cheats and lies and steals and bears false witness, he may build up a great fortune and still be plagued at night with the knowledge that those about him hold a low opinion of him and his works.

The favorable opinion of one's home town people is always worth earning and retaining. And that applies to every man, no matter how successful he may have been in business in the outside world.

We like to see a native son return to Plymouth with a display of joy at being back. We like to welcome him, and after his visit is over, we like to wish him the best luck in the world as he journeys on through life. Citizens generally admire him, and they never fail to notice that he is big enough and manly enough to still retain his love for the old home town and its people. But we actually pity the poor cuss who is so narrow as to lose interest in the place of his boyhood days.

WHY THEY FAILED

Plymouth business men should be interested in a report sent out by the government showing the percentage of failure and the causes during 1920. Of course it forms rather disheartening reading, this story of the other fellow's misfortune, but it carries a lesson of value, and one that deserves careful study.

The high spot in the report is that of the entire number of concerns which failed in the United States in a single year, more than 90 per cent of them—think of that—more than 90 per cent of them were establishments that did not advertise. If there was ever an argument in favor of using printer's ink in a judicial way, your Uncle Sam has presented it through this report.

We presume that in most instances these unsuccessful concerns did not advertise because they were satisfied to drag along. Then came the readjustment period and they found that the very thing which was putting their competitors over the hump—advertising—had been the very thing which they had ignored. The merchants who used printer's ink got rid of the war-price stocks at even money or better, and were able to stay on their feet. The fellow who had goods that were declining in value daily and didn't have brains enough to use the papers to tell the people that he wanted to get them under, took his place in the 90 per cent who are now sadder but wiser in the ways of the business world.

If you want the best reason in the world why you should advertise judiciously and sensibly, Mr. Home Merchant, just sit down and think over Uncle Sam's own figures—that ninety per cent of all the business failures in 1920 were of concerns that didn't advertise.

THE THEATRE

In "Forty-Five Minutes from Broadway," George M. Cohan's famous Broadway success, the screen version of which has just been released through the First National, Charles Ray in the title role is at his very best.

Robert Warwick in kilts is a feature of "The Fourteenth Man," the picture that is coming to the Penniman Allen theatre, Tuesday, Feb. 22.

In its theme, Constance Talmadge's latest First National attraction, "The Perfect Woman," is entirely different from anything that has been used as a subject for humorous photoplays.

Effects of Constipation Constipation causes a stoppage of the sewerage system of the body. The poisoning refuse matter that should be carried away is retained in the system and often poisons the blood and causes disorders. No one can afford to neglect his bowels. A dose of Chamberlain's Tablets will afford relief. Avoid drastic cathartics as they take too much water out of the system, and their use is likely to be followed by constipation.—Adv't.

EDEN TO LET More About Apples It was a fall in apples that depopulated the Garden of Eden. A rise in nursery stock threatens to depopulate the apple orchards of America. But there's money to be made in fruit, says Benjamin Wallace Douglass, in The COUNTRY GENTLEMAN He knows, because with his big Indiana orchard he's making money every year. He is now contributing a most helpful series of articles, How to Grow Apples, a series that it will pay every grower to read. One of the articles is in next week's issue. So is E. V. Wilcox's new apple marketing story—Thousand-League Boots. I wish all you fruit farmers could read this issue; it would help you to realize what a big lot of helpfulness you get for less than 2c. a week in a year's subscription to the great National weekly at \$1.00. There isn't a farm interest that THE COUNTRY GENTLEMAN doesn't touch. And on every subject it offers that sensible, concretely helpful guidance that you've always hoped some farm weekly would be able to give you. You'll like it. And if you send me your check or a dollar bill today, I'll see that your enjoyment begins next week. Take it from me, it's a bargain! FRANK W. FUN, ENTERTAINMENT, INSTRUCTION

COMBINATION MOVIE PROGRAM AT M. E. CHURCH NEXT MONDAY NIGHT.

Old folks buried alive, girls frequently killed and eaten, strangers killed on sight, and natives cutting themselves to ribbons as a sacrifice to Pagan gods; there are a few of the things the missionaries in the Cannibal Islands had to contend with. How well they succeeded is shown in the Martin Johnson picture, "Saving Savages in the South Seas," which will be the thrilling feature of the movie program at the Methodist church, next Monday night.

For the drama and the fun there will be Booth Tarkington's "Edgar and the Teacher's Pet," which every school boy and ex-school boy will want to see. One purely educational reel, "Our Earth and the World Beyond," showing the movements of the planets so you can understand it, will round out the program in which everybody can find something which appeals to him.

The program starts at seven o'clock. A collection will be taken, and Rev. Field says if you don't find as much fun, entertainment and instruction packed into two hours as you ever saw before, you needn't put in a cent.

OBITUARY.

Mrs. Maria Meinhardt, nee Engler, was born March 12, 1868, in West Prussia, Germany, where she also spent her youth, until in July, 1887, she came to America and to Plymouth, Mich. April 10, 1890, she was united in matrimony to William Meinhardt. From this union came nine children, of which six survive, and three preceded their mother in death. Mrs. Meinhardt was very industrious, and worked hard all her life to care for her family, although different ailments were constantly causing her pain. She was sick with pneumonia one week, when she felt well enough to be up and around. Wednesday morning she had a relapse and in the evening at 11:30 had already passed away. Her age was 52 years, ten months and twenty-eight days. She leaves to mourn her death, the husband, the sons, Herman, Adolf, Walter and August, and the daughters, Anna and Lillian, besides one sister, Mrs. Hans Krause, of Detroit. Many distant relatives attended the burial services at the Lutheran church, Saturday afternoon, conducted by Rev. Charles Strasen. Interment took place in the family lot in Livonia Center cemetery.

THE UNITED GUN CLUB
 Ideal weather conditions favored the ninths who attended the semi-monthly club shoot of the United Gun Club, Sunday. In the regular program of fifty targets, Harry Passage topped the list with 50 out of 50. Jim Hartwick was a close second, scoring 49 out of 50. To keep Hartwick from feeling lonesome in second place, Frank Hills dropped one. In a 25-target handicap, Mr. Hartwick, shooting from 20 yards, lead the field and finished with a perfect score. In a sixteen-yard special event, he again went straight, his score on all targets being 99 out of 100. Jim is a general favorite among the shooters, and we hope he will favor us often.
 Following are the scores:
 H. Passage 50 out of 50
 A. Hall 38 out of 50
 J. Hartwick 49 out of 50
 Mrs. H. B. Hall 45 out of 50
 J. Patterson 43 out of 50

LIVONIA CENTER

The following obituary was taken from the paper published at Mountain Mound, New Mexico:

George W. Green The subject of this sketch was born in Farmington, Mich., Oakland county, December 31, 1834. He departed this life at 6 o'clock on Sunday morning, January 30, 1921, at the ripe old age of 86 years and one month. He was united in marriage to Harriet Dutton, March 2, 1858. To this union were given four children, Mary C., Charles E., Effie J. and William S. Surviving are his wife, his daughter, Mrs. Mary C. Criege, son, William, whom the friends were unable to locate seven grandchildren and ten great grandchildren. His whole life was spent on the farm, living with his parents for 33 years, but shortly after his marriage, he and his wife moved to Livonia, Wayne county, Mich., where he remained for 53 years. While not a homesteader, yet he saw the country develop from a wilderness to one of the most prosperous sections of Michigan, and saw Detroit, the leading city of the state of Michigan, develop from a hamlet. While never united with any church or society, yet was ever ready to help in good causes. His motto was always, live and let live. His farm was his whole ambition. But with his declining days and ardent love for his daughter, Mrs. Mary C. Criege, and being unable to secure good help, he decided to leave the farm and spend the remainder of his days, with his aged companion, at the home of his daughter at Levy, New Mexico, accordingly they moved in September, 1920. The sheaf was ripe for the garner, and who shall dare say that God in His all wise providence has not a place for one like he. Mrs. Palmer Chilson and Mrs. Lee were guests of Mrs. William Klipple in Detroit, last week, and while in the city attended the Bosworth meetings. The box social and dance, which was given by the school, at the hall, Monday, was largely attended, and all report a good time. O. E. Chilson of Redford, was present, and in his usual jovial manner acted as auctioneer, and the price of the boxes ranged from \$1.00 to \$4.50. The proceeds of the evening amounted to something over \$68. This money will be used to start a piano fund, and another entertainment will be held in the near future for the same purpose. Watch for the date later. Lincoln Day was properly observed at the school, Friday. Mrs. Fred Gergee entertained the Needle Club at her home Thursday afternoon. There was an unusually large attendance of members of the club, and a number of visitors were present. The afternoon was profitably spent with needlework, and a social time was also enjoyed. A pot-luck supper was served at five o'clock. The next meeting will be held at the home of Mrs. McGee, Thursday, Feb. 24. A pleasant gathering of the Junior Sewing Club was enjoyed at the home of Leona Garchow, Saturday afternoon. All the members were present, and a jolly time was had by the young people. The club will meet with Lena Reiger, next Saturday afternoon. Mrs. John Redding was a Detroit visitor, last week Wednesday.

The neighbors and friends of P. L. Townsend and family surprised them, Wednesday night, by flocking to their home for a good old-fashioned time.

Be Strong

The strong and vigorous man or woman is envied by less fortunate humanity afflicted with aches, pains, stiffness and ailments. The sufferer says to himself, "If I could only be well, how happy I would be," for health is more essential to the joy of living than is wealth.

The kidneys almost literally wash the blood and keep it clean and free from impurities. When the kidneys are out of order, they fail to filter out this waste and poison matter. It results in the system to become toxic, rheumatic pains, nerve troubles and still others.
