## NEXT NUMBER ON ENTERTAINMENT COURSE

CHARLES R. TAGGART, THE MAN FROM VERMONT, WILL GIVE THE NEXT NUMBER ON MONDAY EVENING, FEB. 28.

On Monday evening, February 28, on the Citizens' Entertainment course will be heard an unusually clever entertainer in Charles R. Taggart, who is styled the "Man from Vermont." Vermont is the state in which Mr. Taggart lives, and his rendition of "Pineville Folks" is in part descriptive of the real Yankees near the town where he grew up.

Mr. Taggart's programs are made up of piano selections and songs, recitations and character sketches, ventriloquial dialogues and violin mimicry. Among those who have heartily recommended his program appear such names as Florence M. Kinsley, Dr. S. Parkes Cadman, Strickland Gillilan and Edward J. Wheeler, editor of the Literary Digest. Mr. Taggart has appeared 200 times in New York City and vicinity.

Descriptive of his own work, he says: "If you contemplate spending an evening with me, I can assure you that I shall be delighted to see you and I trust that we shall enjoy ourselves to the fullest extent. My aim is neither to preach or teach, to advise or lecture. I shall not seek to give you information on any special subject nor influence your minds in any special direction. If I can turn your worries into pleasure by music, your worries into wonderment by mimicry, and your lips to smiles by humor, in short, if I can assist in lifting the cares and burdens of your life for one evening only, my purpose will have been accomplished. The entertainment will be held at the Penniman Allen theatre. Single admission tickets, 50c.

## HOME TALENT PLAY GREAT SUCCESS

A LARGE CROWD SAW LOCAL TALENT PRESENT THREE-ACT PLAY AT PENNIMAN ALLEN THEATRE WEDNESDAY EVENING.

"Star Bright," the three-act home talent play, given under the auspices of the L. O. T. M., in the Penniman Allen theatre, last Wednesday evening, was a great success, and was attended by a large crowd, every seat in the opera house being filled. The play was given under the direction of Mrs. C. L. Jaynes, and great credit is due the director as well as the cast for the splendid way in which it was interpreted. Each one is deserving of special mention, would space permit, as everyone presented their part in an easy and natural manner.

Between the acts several readings were given by little Miss Virginia Giles, which delighted the audience immeasurably, and music by the Ladies' Orchestra added not a little to the success of the evening.

The play was given for the benefit of the starving children of Europe, and \$18.45 was netted for this worthy cause.

## RECITAL AT NEWBURG

A recital, consisting of a number of select readings by little Miss Virginia Giles of Plymouth, assisted by the Misses Hall, music and physical training teachers in the Plymouth High school, who will play on the celesta and sing, will be given under the auspices of the Newburg Epworth League in Newburg church, Thursday evening, March 3rd, commencing promptly at 7:15, and will be through in time for anyone wishing to get the 9:00 o'clock car. Admission, 15c and 25c. Those who have heard this little girl think she is a wonder.

Eva Tilson of Saint Ste. Marie, visited Mrs. E. L. Hills, over the weekend.

The Plymouth Woman's Club will present a three-act play, entitled, "Mrs. Tabbs of Shantytown," at the Penniman Allen theatre, this Friday afternoon, Feb. 25, at 2:30 o'clock. This play is open to the public. General admission, 50c.

## THE COMMUNITY BANQUET

STAGE IS ALL SET FOR THE BIG GET-TOGETHER EVENT AT HIGH SCHOOL AUDITORIUM, NEXT WEDNESDAY EVENING, MARCH 2.

It is good for us as citizens, once in a while, to assemble ourselves, and by partaking of a good meal, by interchange of greetings and conversation, and by listening to good speeches and music, to become acquainted with our neighbors. Our different viewpoints and our petty misunderstandings become harmonized by a common love for our home village and a healthy community spirit is fostered.

A realization of Plymouth's needs in this respect has resulted in the plans for a big community banquet to be served in the High school auditorium at 8:30 p. m., on Wednesday, March 2nd. Tickets are \$1.00.

It is hoped that the seating capacity of the hall, which is nearly 400, will be spoken for long before the time of serving. In fact, tickets will be on sale only until Monday night, February 28th, so it will bevoid everybody to buy early to avoid being left out.

A splendid program is to follow a fine supper. The ladies of the various churches are responsible for the feed, and it would make your mouth water to sit at a committee meeting and hear the plans they are making.

Paul W. Voorhies is to act as toastmaster. He needs no introduction to Plymouth people who will give him a big welcome as he speaks for his home village. Dr. William H. Phelps, editor of the Michigan Christian Advocate of Detroit, is one of the speakers. He was at one time pastor of the First Methodist church at Battle Creek, and for twelve years was a district superintendent of the Methodist church. He has a reputation of being one of the keenest and wittiest speakers to be heard. His subject will be, "A Study in Values." The other speaker will be Horatio S. Earle, known throughout Michigan as the sponsor of the good roads movement. He is noted as an after dinner speaker, and Plymouth citizens will be fortunate to have this opportunity to hear him.

Miss Lucille Lincoln will sing two solos, and the Northville male quartet will give two numbers, so those attending the banquet will be assured of good music, beautifully rendered. An orchestra headed by Donald Patrick will play during the serving of the supper.

## CELEBRATED SILVER WEDDING ANNIVERSARY

Mr. and Mrs. Ernest Westfall celebrated their twenty-fifth wedding anniversary at their home on Union street, last Tuesday afternoon, Feb. 22nd, from twelve o'clock to five. At 2:30 o'clock, Mr. and Mrs. Westfall stood before a background of large palms and the wedding ceremony of twenty-five years ago was re-enacted, with Rev. Charles Straesen officiating. A delicious chicken dinner was served, and during the afternoon a musical program was rendered, which was enjoyed by all.

About eighty guests were present. The following remark was made by Rev. Straesen: "Among the guests are two druggists, one doctor, one undertaker and one minister." The host and hostess were the recipients of many lovely silver gifts. After a most pleasant afternoon, the guests departed, wishing Mr. and Mrs. Westfall many more years of happiness.

The out of town guests present were: Mr. and Mrs. Paul Westfall and daughter, Margaret, of Port Huron; Mr. and Mrs. Alfred Westfall of Detroit; Mrs. Mary Dietz and son, Grinnell, of Cheboygan; Mrs. E. W. Grinnell and daughter, Ellen, of Detroit; Mr. and Mrs. Fred Stassen and family, Mr. and Mrs. Fred Westfall and family, Mr. and Mrs. John Lundau and family of Farmington; Mr. and Mrs. Herman Stassen and Mr. and Mrs. John Stassen and families of Northville. One daughter, Mrs. W. Harner of Saris, Ont., was unable to attend on account of illness.

If bandits and hold-up men keep on multiplying in this country, we may soon see the need of a detective course in all our public schools.

## PLYMOUTH WINS FROM HOWELL

LOCAL HIGH SCHOOL DEBATERS WIN OVER HOWELL BY A 3 TO 0 DECISION.

A large crowd heard the debate between the teams representing the Howell and Plymouth High schools at the local High school auditorium, last Friday evening. Mrs. D. F. Murray presided as chairman. The judges were Prof. Lott, psychology department, and Prof. Lyman, mathematics, Michigan State Normal College, Ypsilanti, and Prof. L. M. Dudley of the Pontiac High school. The timekeepers were Miss Ilene Rattenbury of Plymouth, and R. Platt of Howell.

The Plymouth team, composed of Lyman Judson, Etha Wisley and Charles Chappell, upheld the affirmative side of the question under debate, "Resolved that the adjustment of disputes between employers and employees should be made a part of the administration of justice," while the Howell team, composed of Winfield Line, Maude Marshall and Francis Line, maintained the negative side of the proposition.

The local team presented their arguments in a clear, convincing manner, and in their rebuttal speeches were far superior to their opponents. The 3 to 0 decision handed down by the judges at the conclusion of the debate was received with much enthusiasm by the large crowd present. The splendid work of the local team in winning their fifth consecutive victory is deserving of much praise, not only upon the members of the team themselves, but their coach, Miss Ruth Huston, as well.

#### A FINE COMPLIMENT

A stranger who recently had occasion to spend several days in Plymouth, told us just before departing for his home that the thing which impressed him during his stay here was the number of latch-strings that were hanging out. He was from a big city, where one hardly knows his next-door neighbor, and it was pleasing to him to be where people spoke to him whether they knew him or not, and where they appeared to have time to answer his questions and to treat him courteously. That is a mighty nice compliment for the town, but it also proves that

there is still another good reason for making your home in a place this size. You bump right into neighborly help and courtesy at every turn. You find people are more interested in life than in seeing how many dollars they can pile up. You feel that community spirit which the smaller towns of this country possess, but which the large cities brag so much about. The gentleman was impressed with the fact that our people had time to answer his questions, and seemed pleased to be of assistance. He is carrying the same report wherever he goes, and such reports never do a town any harm.

If making and hoarding money is your prime object in life, then you belong, possibly, in the large city. But if you want to feel that you are cared for by your fellowmen; if you want to feel the real community spirit, and know what it is to have real neighbors and neighbors you can depend on, then our advice is to stay right here, where the latch-strings are hanging out and where people have time to be polite.

#### STOCK CLUBS

Farmers around Plymouth will be interested in knowing that splendid progress in live stock and poultry breeding by boys' and girls' clubs is reported from many sections of the country, and made the basis of an interesting report by the government. The department of agriculture is interested in these clubs, and reports that in seven states last year there were 1186 of them, with a total membership of 28,490. Of this number 12,786 made reports, showing that 731,709 eggs were set. From these 510,478 chickens were hatched. The value of these products sold was set at \$94,791.32, while the value of the stock on hand was estimated at \$382,777.37. A total of 712 exhibitions were held with 5,616 competitors participating. The prize money divided among the winners amounted to \$9,681.14.

The department urges farmers throughout the United States to lend every encouragement to the boys and girls, and to assist them in forming live stock and poultry clubs whenever possible. They are the ones who will be running the country in a few years, and there is nothing more important than imparting in their minds now the dignity and opportunities offered to intelligent men and women in agriculture.

Anyone interested in promoting this work in this community will find plenty of help, advice and encouragement if they care to write the department of agriculture at Washington and ask for it.

#### OBITUARY

Ma May Walker was born June 28, 1887, in Salem township, Washtenaw county, Michigan. She spent almost all her girlhood days here. Upon finishing the district school, she attended the Dexter and Plymouth High schools, graduating from the latter, June, 1909. She taught school before her graduation and after. While in Pontiac she became a member of the First Methodist church of that city. On Feb. 20, 1921, our Heavenly Father, whom she dearly loved to serve, called her home.

### SCHOOL NOTES

In the second and first grades, as well as those above, special attention has been given during the past two weeks to the learning of America. It is a song that everybody should know and be able to sing, but it is surprising to find out how many really do not know it well enough to sing it from memory.

Friday afternoon, February 19th, the Girls' Glee Club sang for the Ladies' Literary Club. They sang two numbers, "The Night-bells," by C. Vincent, and "Dacon," by M. Saroni, both exhibiting good thought and splendid preparation on the part of the girls.

All the voices of the boys' glee club have been recently tested, and they are now ready to start something worth while. The Junior chorus has an addition of a few new voices this semester, all of which have tested up pretty well. Monday the school received the following articles from the state boxing commission: 6 foot balls, 6 soccer balls, 6 volley balls. These articles will be useful in physical training this spring and next fall, and the school fully appreciate the gift.

Last Friday the Plymouth basketball teams went to Howell. They left Plymouth on the 2:25 train, getting to Howell in time to see some of their class games after school. At 7:30 the girls game commenced. Our girls were under difficulties, as their floor was slippery and nearly twice as large as the Plymouth floor, but in spite of these two facts they won 18-13, making a fast and very interesting game. The regular girls' team and one substitute were taken to Howell, and they were very nicely entertained by some of the Howell young people at their homes over the night, and they left for Plymouth on the 11:01 train Saturday morning. Plymouth line-up—L. Wright, r. f.; M. Kiely, l. f.; E. Pierce, j. c.; M. Roe, s. c.; B. Mueller, r. g.; W. Shuts, l. g.

Howell line-up—West, r. f.; Vogt, l. f.; Johnson, j. c.; Wigglesworth, s. c.; Ryan, r. g.; McDowell, l. g.

Plymouth baskets—Wright 3 and 2 free throws; Kiely 5. Howell baskets—West 5 and 1 free throw; Vogt 2 free throws.

Mr. Holcomb refereed the game, with one of the Howell teachers umpiring.

The eighth grade is working on the lethe this week in manual training. The sixth grade history class have finished maps on, "The Revolution." Helen Lafave re-entered school, Monday.

The first grade had a valentine party last week Monday.

Jimmie Stimpson was ill last week. Vaughn Taylor has been out several days, and it is hoped that he will soon be back.

**The COUNTRY GENTLEMAN**

I don't believe I ever ran across anything that will help us more in our plans for making this a better, happier, richer place to live.

Next week's story is just one of a generous series that E. H. Taylor is contributing. He has visited successful counties the country over, and has collected all the ideas and methods that have brought prosperity. Besides giving the individual farmer the most complete and authoritative farm service that money can buy, THE COUNTRY GENTLEMAN offers invaluable help to farmers collectively—plans for successful organization, for community development, for cooperative shipping, buying, packing, marketing, etc. And yet ONE DOLLAR buys this great weekly for a whole year (52 ISSUES.) # The Hutzel Shop's Spring Season Opens in Triumph!

Everything new that New York has introduced so far is here!

Every train from the East brings its quota of lovely Suits, Dresses, Coats, Skirts and Blouses!

Best of all, they're Hutzel quality in every detail of workmanship and style—and they bear the customary Hutzel low prices.

This Spring, more than ever before, we can certainly boast of Hutzel values.

## Suits...

include scores of interesting models in navy, tricotine, serge and poret twill—three of the most satisfactory and good-looking materials ever planned for suits. The chief difference from the suits of other years is in the lines, which are straight and simple and youthful.

One particularly good style combines plain colored wool jersey coat with a skirt of matching plaid, which is repeated in the coat lapel. Stunning!

See these new suits before you plan your Spring wardrobe. You'll find it very much worth while.

## Dresses...

Whether for street wear or for dress wear, they are many, many lovely dresses to choose from here. The street frocks of tricotine, wool jersey and serge, and show touches of contrasting color and gilt embroidery. The dress frocks are of taffeta and crepe de chine, exquisitely embroidered and often lace-trimmed and piped with gay colors. Quite inexpensive, too.

### NEWBURG

Rev. Ragraft preached an excellent sermon, last Sabbath, from Proverbs 29:18, his text being, "Where there is no vision, the people perish. But he that keepeth the law happy is he." Seventy-five were in Sunday-school and fifty-five in Epworth League. A bible study of class has been organized and will meet before the League. Everyone welcome to all these services.

The second quarterly conference, held in the church, last Friday evening, was well attended. Mr. and Mrs. Love represented the Perrinsville charge. After the meeting, they were all invited by the Epworth League to go to the hall, where they were served with refreshments, and a social time was enjoyed by all.

Newburg Patriotic society met with Comrade Perkins and wife, last Friday, fifty-two partaking of a fine dinner. The table was beautifully decorated, the center piece being a miniature campfire with tiny guns stacked around it. The place cards were small flags and miniature hatchets. The program consisted of singing the national anthem; an excellent paper on George Washington by Rev. Frank M. Field; short sketches on Lincoln; reading by Mrs. M. Eva Smith; humorous reading by Mrs. Donald Ryder, and song by Marjory Field. There were only four old veterans present, and one world war veteran, Mayford, Siehoff, of Salem. A vote of thanks was given to the host and hostess for their delightful entertaining.

A little daughter, Virginia Fay, was born to Mr. and Mrs. Henry Grimm, Jr., Thursday, Feb. 17th. Mrs. Grimm is being cared for at Mrs. Harrison's hospital in Plymouth.

Charles Kramer left for Seattle, Washington, last week Thursday, where his family will join him if he finds the climate beneficial and work to his liking.

Mrs. C. E. Ryder called on Mrs. Emily LeVan and little Vera Woods, last Saturday evening, finding both of them improving.

The Glenners have purchased chairs, tables, dishes and silverware from the Ford restaurant at River Rouge. The L. A. S. have also purchased some articles from there.

Mrs. Stewart Lowry returned home last Sunday, from Rose Center, where she had been caring for Mrs.

Elmer Barlow, who was ill with scarlet fever. She suffered a relapse, and her mother, Mrs. Jesse Jewell has gone there to care for her.

### Today's Reflections

There has been so much rain in this country during the past several weeks that the "drys" can strike up as their anthem, "Water, water everywhere—and not a drop to drink."

There is nothing a sensible Plymouth man admires more than a girlish girl or a womanly woman.

Once in a while you come across a man who saved enough of his earnings to pay off his income tax.

Most Plymouth girls have more bravery than prize-fighters. They are ready to match with a man twice their size.

Speaking of bootleg whiskey, one swallow doesn't make a spring, but it frequently sends a man to a warmer climate.

The trouble with the man with the hoe is he is apt to lay it down for the lure of the city, where he can see the hose.

Any Plymouth married man will tell you that after marriage a fellow quits paying compliments and starts in paying bills.

One of the biggest liars in this country is the man who argues that he can work just as well when he has a bad cold.

We've always noticed that the Plymouth man who wastes the most time usually sits around and broods over the time he has already wasted.

If someone in Plymouth is gossiping about you, don't lose any sleep. Gossip will rub off as soon as it gets dry.

Maybe the groundhog heard some of Plymouth's amateur weather prophets making guesses, and he was afraid to come out.

If you ever wanted something, and didn't have the money to buy it with, you have a pretty good idea of the shape Germany is now in.

**THE THEATRE**

Rockcliffe-Fellows, one of the leading men with "Yes or No?" the new First National production, featuring Norma Talmadge at the Penniman Allen theatre, Saturday evening, Feb. 26, was formerly leading man in the spoken drama. His greatest success in that line of work was with "With-in the Law." He is a Canadian, and his christian name was taken from Rockcliffe Park in Ottawa, his native city.

Enid Bennett has another of those wistful young wife roles which she made popular in "Stepping Out" in her latest Thomas H. Ince picture, "Hairpins," coming to the Penniman Allen theatre, Tuesday, March 1st. Matt Moore is the leading man, and Fred Moore directed the picture, which is a Paramount offering. It is the appealing story of a household drudge, who took a lesson from her husband's stenographer and blossomed out as a drawing room favorite. C. Gardner Sullivan wrote the story.

For the first time in her screen career Anita Stewart appears as a vamp in a motion picture, "The Yellow Typhoon," from the novel by Harold MacGrath, which will be shown at the Penniman Allen theatre, Thursday, March 3rd. She plays the double part of twin sisters, Berta and Hilda Nordstrom, the former a striking blonde of the adventures type, and the latter a sweet brunette with characteristics quite the opposite.

**CANTON**

Carence Mott spent Sunday with his uncle, Frank Utter. Mr. and Mrs. Delbert Avery and son, Delbert, and daughter, Mabel, and George Evans spent last Tuesday evening at Mr. and Mrs. Frank Utter's. Jack Blackmore and Frank Utter spent Monday at Flat Rock. George Evans and Mabel Avery spent last Wednesday evening with the latter's uncle, William Avery of Heldon. Warren avenue was scraped, Tuesday. There will be a meeting of the Grange at Plymouth, Saturday. Mrs. George Maynard is on the sick list this week. Mr. Kretzmar and family expect to move to Detroit, Saturday. Mr. and Mrs. Roy Stanley of Plymouth, spent Sunday with the latter's parents, Mr. and Mrs. John Mott. Mr. and Mrs. Delbert Avery and son, Delbert, called on their daughter, Mrs. Frank VanDeCar of Romulus, last Friday.

**WATERFORD**

Mr. Seidelberg and Mr. Forest of Plymouth, have rented the Ed. Saisons farm. W. H. Smith is getting ready to move upon his own farm. Mr. and Mrs. A. E. Ebersole went to Detroit, Saturday, on business. Arthur Smith has been drawing gravel for John Nelson the past week.

W. H. Smith and son, Arthur, called on John Baze of Livonia, Tuesday. Ernest Layaz is able to be out again.

A dance was given Friday evening at W. H. Smith's. About fifty were present, and all had a very fine time. Mr. and Mrs. W. H. Smith called at Frank Taylor's Saturday, afternoon.

William Waterman and family called at C. A. Waterman's, Saturday afternoon. Ivan Dickerson and family are busy moving into their new home, which they purchased of Earl Adams.

**Methodist Matters**

Every Methodist in Plymouth is interested in hearing Dr. William H. Phelps, editor of the Michigan Christian Advocate, who is to be one of the speakers at the Community banquet, Wednesday, March 2nd. The Advocate goes into one hundred thirty homes in Plymouth, and has a circulation of nearly 25,000 in Michigan. But very few here have had the privilege of meeting Dr. Phelps, because he has only recently come to this part of the state. He is one of the keenest, wittiest speakers who could be secured for an after-dinner speech. But that is not all the banquet will offer. Horatio S. ("Good Roads") Earle, the other speaker, has a reputation throughout the state as a banquet speaker. We prophesy the full allotment of tickets for the Methodist church will all be sold out soon. Ticket sale absolutely closes next Monday, or as soon as 350 tickets have been sold.

The home of Mr. and Mrs. Charles Newton on North Harvey street, was the scene of a merry Washington's Birthday party, last Tuesday evening, the women of the Friendly Bible class entertaining their husbands and friends. There was not a dull moment throughout the evening. Elaborate refreshments were served.

Fred Thomas' class of live-wire boys enjoyed an athletic evening at the church, last Tuesday evening, and Mrs. Mollison's class of girls played basket ball at the church in the afternoon.

**Presbyterian Notes**

Rev. and Mrs. Harry G. Kellogg of Caro, were week-end visitors at the manse. In the evening service, last Sunday night, Rev. Kellogg preached the sermon.

A very able address on religious education was given, last Monday night, before the members of the Ready Service class by Rev. W. B. Shirey of Ann Arbor. Miss Evangeline Foster sang and responded to an encore, and a pleasant social hour was enjoyed by those present. The community banquet committee met Tuesday night at the manse.

**W. C. T. U.**

The meeting of the W. C. T. U., which was held at the home of Mrs. Oliver Loomis, on February 17th, was not as well attended as it should have been, but all who were there report a very pleasant time. Miss Safford gave a splendid talk on child welfare, and related some of her own experiences, which, of course, added more interest. The meeting of March 3rd, was to have been held at Mrs. L. Hillmer's, but as Mrs. Hillmer is unable to have it there, Mrs. Sewell Bennett has kindly offered to have the meeting at her home. As it is a tea meeting, please bring your own spoon, fork and cup. Each member is privileged to invite a guest. Don't forget the date, March 3rd, at Mrs. Sewell Bennett's on Stark-weather avenue.

## YOUR MONEY— IS IT SPENT OR INVESTED?

When you make a purchase these days you insist upon value received—you are not looking for an opportunity to spend your money, but to invest it.

### THE ELECTRIC WASHER

is a real investment—it's even more than a money-saver—it saves your time, clothes and health in addition.

The Electric Washer will cut out entirely high prices of laundries and washwomen with their indifferent work. Your clothes will last longer and look better because they have been carefully washed under your own supervision—automatically—by electricity. It washes, wrings, rinses and blues—all the real work—and does it in one-third the time.

What you save in laundry bills pays for the machine. Call and let us demonstrate.

**LIVONIA CENTER**

Miss Helen Hottenstein and Mrs. Fred Lee were Detroit shoppers, Saturday.

Mrs. Charles Smith was a Detroit visitor, Saturday.

The Farm Bureau held an interesting meeting at the hall, Thursday evening, and a large attendance is reported. County Agent O. I. Gregg and Miss Rogers, were present, also Mr. Waid, the potato expert, who gave a talk on the diseases of potatoes. He explained the cause of blight, which is caused by a fungus which floats in the air and lights upon the potato vines. This is carried to the tubers through the stalk by rain. In dry weather it does not develop to damage the crop to any extent. Orders were taken for a carload of fertilizer at a great reduction in price. Another meeting will be held March 2.

The Junior Sewing Club spent a pleasant afternoon at the home of Lena Reiger, Saturday. Out-door sports were enjoyed by the girls in connection with their work, and a contest also added to the afternoon's entertainment. A dainty lunch was served. The club will meet next Saturday with Grace Lee.

The weather of the past few weeks has been ideal, and we feel that spring is here, since the appearance of the real estate agents upon our streets during the past week. The farm buyer usually precedes the robin a few days.

Livonia School Notes

The fifth and sixth grades entertained the room, Tuesday, by giving sketches of Washington's life and stories of his career.

The first, second and third grades made booklets in remembrance of Washington's Birthday.

The question debated by the eighth grade, Friday, was: "Resolved, that McKinley was a greater man than Washington." The affirmative won by four points.

Joseph Vorbeck was the winner of the spelling contest, Friday afternoon.

The fourth grade are reading "Carpenter's Travels in North America." The second and third grades have completed their Baldwin readers and are reading from the Elson Readers.

The fifth grade arithmetic class are reviewing decimal fractions.

**Effects of Constipation**

Constipation causes a stoppage of the sewerage system of the body. The poisoning refuse matter that should be carried away is retained in the system and often poisons the blood and causes numerous disorders. No one can afford to neglect his bowels. A dose of Chamberlain's Tablets will afford relief. Avoid drastic cathartics as they take too much water out of the system, and their use is likely to be followed by constipation.—Adv't.

**WOMAN'S CLUB MEETS**

A regular meeting of the Woman's Club was held in the kindergarten room at the school building, last Friday afternoon, February 18th. The business session was in charge of the president, Mrs. D. F. Murray. Several new names were received into membership.

Mr. Hathaway chose Nathaniel Hawthorne as the author to illustrate this subject, and gave a brief review of the "Scarlet Letter" to show the author's view at that time. Mr. Hathaway gave an interesting talk which was greatly appreciated by the seventy-five ladies present.

Two selections, "The Night Bells" and "Dawn," rendered by the High School Glee club, under the direction of Miss Hall, added to the pleasure of the meeting.

The next regular meeting will be held Friday afternoon, March 4th.

She attended to her usual household duties on Tuesday and also the other articles given by the Ladies Aid society. On Tuesday she was at the home of a friend from this city.

ers and post cards were also received by her in remembrance of the occasion. Mrs. Gates is surrounded by many loving relatives and friends, who carefully look after her, and it is the earnest wish of all that she may remain to enjoy many more such occasions.

**TIMELY HINTS BY SETLIFFE**

Illinois State Adjutant Offers Eleven Commandments Which He Has Found Useful.

Eleven commandments in "reverse English" have been found useful by William Q. Setliffe, state adjutant of the American Legion in Illinois, in building up the Legion's program for that state. They are as follows:

1. Don't attend meetings if it rains. You might get your feet wet, and you are not in the physical condition you were at the cantonments, or at West.
2. Don't think of going if it is a warm, moonlight night. There are lots of other things you could do that sort of a night. For instance—Oh, roll your own idea.
3. If you should attend a meeting, and fault with everything that's going on. If your officers are showing pep, demand to know in open meeting what political offices they intend running for.
4. Never accept an office in the post. Most offices have duties connected with them, and it is much easier to criticize the way the other fellow is trying to handle the job.
5. Get sore at the organization if you are not appointed on a committee.
6. If you are appointed, don't bother about attending the committee meetings. They often are a bore.
7. During discussion of a motion keep still. After it has passed, tell some one why they should have voted it down.
8. Forget to pay your dues. The post can get along awhile longer without your contribution.
9. Don't try to get new members. George will do it.
10. Don't do any work on post affairs, or any more than is absolutely necessary. When other members roll up their sleeves and give unselfishly of their time and ability to help things along, get up on your hind legs and howl that the post is being run by a clique.
11. Remember, you owe no duty or obligation to a sick or disabled buddy—your own personal comfort comes first.

**DOCTOR IS DEPT. COMMANDER**

Ira L. Parsons, M. D., is Leader of the Mississippi Department of the American Legion.

Dr. Ira L. Parsons, commander of the Mississippi department of the American Legion was one of the thousands who left lucrative practices to enter the military service during the World war. However, his case is exceptional in that he was 41 years old at the outbreak of the war.

Born in Lincoln county, Miss., Dr. Parsons was educated in the public and high schools of his native state, Mississippi college and Tulane university. Since graduation he has been engaged in the practice of medicine at Brookhaven, Miss.

During the border troubles, Dr. Parsons served as first lieutenant and captain, respectively, in the Mississippi National Guard. Later he was promoted to major and placed in charge of Field Hospital 153. He went overseas in command of the Seventh corps field hospital and served with that unit until December, 1918, when he was placed in command of collecting hospital, Seventh corps at Wittich, Germany. Dr. Parsons was a member of the executive committee and was elected state commander of the Mississippi department of the Legion in 1920.
