"The Lord Is In His Holy Temple"—Habakkuk 2:20

Indeed, the Lord has many temples; temples of stone and brick and wood; old temples, with ivy that has been climbing over them for a thousand years; new temples, all in the most modern fashion; great temples where the crowds of big cities, the rich and the poor, the sad and the merry, the youthful and the aged, have for generations come and gone in an endless procession; small temples on a thousand hill-tops and in a million villages, where humble people quietly assemble to give God thanks for his goodness. Plymouth does not lack such a trysting-place for God and man. Why not

COMMUNITY BANQUET A GREAT SUCCESS

NEARLY FOUR HUNDRED PEOPLE ENJOY BANQUET AND PROGRAM AT HIGH SCHOOL AUDITORIUM ON WEDNESDAY EVENING.

The citizens of Plymouth responded very readily to the invitation to attend another of the popular community banquets that have become a feature in Plymouth life, and all the chairs at the tables set in the auditorium of the High school, last Wednesday evening, were filled, the number being placed at nearly four hundred. It was an ideal place for holding the banquet, there being plenty of room and ample conveniences. The ladies having the banquet in charge carried out the service admirably, and many thanks are due them for their successful efforts. As usual with occasions of this kind, the affair was enjoyable all around. The program was not too long, and the speakers and entertainers were received with courteous attention and appreciation throughout. W. J. Burrows, president of the village made some introductory remarks, closing by introducing as toastmaster Paul W. Voorhies, a Plymouth product, now prosecuting attorney of Wayne county. Mr. Voorhies still claims semi-citizenship in Plymouth, and said he was always glad to meet the people of his home town, and the people who have seen him grow up and on in his profession are equally glad to extend to him a cordial welcome.

"A Study in Values," was the subject Dr. William H. Phelps, editor of the Michigan Christian Advocate, handled from the standpoint of his calling. The home, the church, the school, should be made the basis of every man's life, and with these as a foundation, success would ultimately be reached.

The Hon. Horatio Earle took for his subject, "The Ideal Town," and injected much "pep" as to how an ideal town might be built. His remarks were most pertinent, and if strictly followed Plymouth undoubtedly would acquire a wide reputation as the ideal town of the country.

The Northville quartet, Patterson's orchestra and Miss Lucile Lincoln, soloist, served the musical program, and all were enthusiastically received. Miss Lincoln is probably one of the finest soloists in Detroit, and her singing was especially well received.

The banquet closed with the audience rising to their feet and joining in singing, "America." In this manner closed perhaps the most generally successful banquet given in the community, and we hope also not without great results. Certainly with the spirit manifested at the festivities, no one should now become possessed with the spirit of "Let George Do It," but each one push and boost to the best of his ability, and let the results show at a similar occasion next year. Here's hoping.

PLYMOUTH WINS AT NORTHVILLE

Last Friday night, February 25, the Plymouth girls played their return basket ball game with the Northville girls on their floor. Anyone could tell by the very atmosphere that both sides were out to win, and both sides were going to fight and fight hard. The first basket was made by Plymouth, M. Kiely making a field throw. At the end of the first half the score was 10 to 4 in favor of Plymouth, and the game seemed ours. But beginning with the third quarter the Northville girls ran up their score 6 points, making the score 12-10 in favor of Plymouth at the close of the third quarter. The outlook seemed rather doubtful, but by the good and fast work of our centers, E. Pierce and M. Roe, and close guarding of B. Mueller and W. Shutts, the ball was kept down to our forwards, L. Wright and M. Kiely, thereby enabling them to make 6 more points and holding Northville at the score they had at the end of the third quarter. The final score was 18-10 in Plymouth's favor.

Plymouth line-up—Wright, r. 2; M. Kiely, l. 4; E. Pierce, f. c.; M. Roe, a. c.; B. Mueller, r. g.; W. Shutts, l. g.

Northville line-up—N. Dodge, r. f.; I. Balch, l. f.; F. Williams, j. c.; M. Creiger, j. c.; Montgomery, s. c.; M. Murdock, r. g.; D. Beckman, l. g. Plymouth baskets—L. Wright 4; M. Kiely 5. Northville baskets—N. Dodge 3; I. Balch 2. Referee—Miss Elder. Umpires—Holecomb and McKnight.

NEWBURG STOREKEEPER HELD UP BY BANDITS

C. R. CARSON ROBBED AND KNOCKED DOWN BY TWO MEN SHORTLY AFTER NOON YESTERDAY.

About 12:30 o'clock yesterday afternoon, two men, one short and one tall, entered the store of C. R. Carson at Newburg, and asked to purchase some tobacco. While in the act of paying Mr. Carson, who was waiting upon them, one of the men shoved a gun in his face and commanded him to raise his hands and then went through his pockets, getting about \$90.00. He was then ordered back of the counter, and as he was complying, he was brutally knocked down, the blow inflicting a severe wound on his head. He was removed unconscious by the blow, and it was some time later before he was able to call for assistance. The officers were notified, but at the time we go to press, the bandits had not been apprehended.

MT. CLEMENS PLYMOUTH DEBATE

Once more the president of the Michigan High School Debating League has decreed that Plymouth should have the affirmative, and that the debate should be here in Plymouth. The debate will occur on Friday evening, March 11, at 7:30 o'clock. Our opponents will be Mt. Clemens High school, whom we succeeded in defeating 3 to 0 last year. Although that does not guarantee that we can defeat Mt. Clemens again this year, it ought to encourage all of our Plymouth rooters to be at the debate to do their share, which they did so generously at the Plymouth-Howell debate.

Thus far Mt. Clemens has defeated Hamtramck, Marine City, Dryden, Almont and Rochester. Plymouth has defeated Northville, Ypsilanti Normal, Hamtramck, Ecorse and Howell. The Plymouth-Mt. Clemens debate is an elimination debate. The winner goes on the state championship.

Our Plymouth team, Lyman Judson, Etha Wiseley and Charles Chappell will do their best to win for Plymouth. Don't miss hearing the contest. Admission, 15c and 25c.

FOX-SAMSEN

Miss Ruth Samsen, daughter of the editor of this paper, and Walter Fox of Northville township, were married by Rev. S. Conger Hathaway at the Presbyterian manse, Saturday afternoon at 4:30 o'clock. Following the ceremony a six o'clock dinner was served to the members of the immediate family and a few invited guests at the home of the bride's parents, 279 Blank avenue. The bride and groom will make their home on a farm in Novi township. They have the best wishes of many friends for a happy and prosperous wedded life.

WILL BUILD CONVENIENCE STATION

Village Manager Sidney D. Strong has about completed plans for a convenience station to be built in Kellogg Park, this spring. The plans call for a very neat and artistic little building, 20x28 feet in size. Brick and stucco will be used in its construction, and all modern equipment will be installed. It will be heated with steam. The building will be located somewhere near the center of the park, and it will be surrounded with ornamental shrubbery and vines with walks leading to it from the street. Plymouth has felt the need of such a building for a number of years.

AN ORATORICAL CONTEST

The Michigan High School Oratorical association has been in existence for twenty-five years, but Plymouth High school has never before entered its contests. The object of the local oration and declamation contest Tuesday evening, March 8th, is to choose a representative in oration and a representative in declamation for the state series of six contests, and to promote interest in public speaking.

Tuesday evening, the winner of first place in oration and the winner of the first place in declamation, will each be presented with a bronze medal. The winner of second places will each receive books. Music for the evening will be furnished by the Girls' Glee Club, and the admission is free. It is hoped you will enjoy the following program in the High school auditorium, Tuesday evening, March 11th, at 7:30 o'clock:

- Toussaint L' Ouverture—Eva Griffith
- "America Invincible"—Kenneth Bartlett
- "The New South"—Marian Bennett
- "The Hills of Death"—Donald Sutherland

WOMAN'S CLUB PLAY A GREAT SUCCESS

The three-act home talent play, "Mrs. Tubbs of Shantytown," presented by the third division of the Woman's Club at the Penniman Allen theatre, last Friday afternoon, was largely attended. Everyone present was delighted with the splendid presentation of this interesting little drama, which was so true to everyday life. Each member of the cast is deserving of special mention, so well did they take their parts, in fact, their interpretation of the characters could not have been better. The Ladies' orchestra furnished splendid music for the occasion. The Club realized about \$100 from the proceeds of the play, which becomes a part of the building fund.

ABOUT BUSINESS

We noticed an article in the daily paper to the effect that business conditions throughout the country are not half as bad as some people would have you believe. The article was written by a financial expert and he takes occasion to say that the business situation is largely a "state of mind."

We don't know how much stock the average Plymouth man takes in that sort of reasoning, but we do know that too much pessimistic talk does have and is having a bad effect on conditions. Usually the man who

drives ahead in the belief that things are not as bad as reported and who realizes that the situation in the business world could be much worse, is the fellow who is getting along best during these critical times. The business man, the laboring man, who stops to worry about what tomorrow may bring forth, instead of making the most of today, works himself into such a state of mind that he isn't in position to appreciate a change for the better when it comes.

There may be, after all, something worth thinking about in the statement that conditions are largely "a state of mind." At any rate it is worth while looking around a little and seeing if the men who are succeeding best are the ones who prefer to look on the bright side. Comparing business with former years; comparing this country with Russia; comparing your lot with the other fellows, isn't going to get you very far in the right direction. Try smiling; try believing that tomorrow will be better than today and we fully believe you'll find business conditions

getting better from the very moment you start to do so.

BEFORE YOU MOVE

We are now approaching the season when a desire to pick up bag and baggage, and move to another locality seizes upon a fellow stronger than at any other time of the year.

We personally regret to see any good citizen leave this locality. But of course, their going is a matter of their own concern, and we are not inclined to tell them their business. But if you feel the desire to change surroundings, take everything into consideration before you start. Don't go merely because you can buy this or that a cent or two cheaper on the dollar. Don't go because higher wages are offered than you are getting here—there is probably a higher house rent, too, or higher taxes than you pay here. And above all, especially if you have children look into the educational advantages offered by the new location and compare them with those you have here. You owe it to your family more than to yourself to be absolutely sure of your ground before you take them into a strange community, where they possibly never can acquire neighbors like you now have, neighbors who are worth more than their weight in gold. Don't let the spring moving germ cause you to do something in haste you will regret the remainder of your life. It's better to be half-satisfied here, than wholly sorry somewhere else.

Methodist Matters

Special Easter meetings for the deepening of the spiritual life of christian believers and of offering the gracious benefits of the gospel to all who will receive them, will be conducted in the Methodist church during the two weeks preceding Easter Sunday. Every member should begin to plan for prayer and work for this season of grace. One unique feature of the meetings this year will be the use of pictures to help convey the gospel message. On Monday, March 14th, the great six-reel religious photoplay, "The Stream of Life," will be given in the afternoon for the school children and in the evening for adults, with impressive musical accompaniment. This picture will be the only sermon for that evening, and the sermons for the next four evenings will be based upon it. During the second week stereopticon views will be used to illustrate each sermon.

The Fathers and Sons service, last Sunday evening, was a very impressive occasion. The presence of so many boys and men helped to swell the congregation about fifty per cent. Each father was presented with a copy of a poem by Edgar Guest, prepared especially for the occasion.

The newly appointed director of recreation, F. L. Barrows, and his assistant, Frederick J. Thomas, have already got things moving in their line, and this week the church has been open for basket ball, volley ball and other games every afternoon and two evenings, giving every Sunday-school class in the junior and intermediate departments a chance at the floor. The children play from 3:45 to 5 after school, and the evening hours run from 7 to 9. About one hundred boys and girls have had healthful recreation at the church this week. The official board voted to buy a good, high grade, basket ball, and it will be on hand the first of next week.

Treasurer George Richwine, has an attractive "Sunny Jim" smile when he reads his reports at the official board meetings. The receipts during the past three months have been \$1,124.49, so that the deficit of \$75.99 on December 1st, has been changed into a cash balance of \$26.98 on March 1st. The credit goes to every loyal, faithful contributor of the church.

Steps are being taken to provide darkening curtains for the windows of the church auditorium, in order that the very bright light of the opalescent windows may be regulated and the room may be darkened for day-time projection when it is desired. Messrs. Sutherland, Robert Julliffe and W. S. Thomas are the committee in charge.

The official board last Tuesday evening voted to have the church doors varnished, to protect them from the ravages of the weather.

By unanimous action of the official board, the church motion picture projector has been offered to the public school, and also to the other churches for use at such times as it might be desired. No charge will be made, unless it be expense in connection with an operator.

The quarterly communion service of the church will be held next Sunday morning with the most impressive service of the church religion. The sacrament of the Lord's Supper, a love feast at 9:30 is for all church

tian believers, followed by the communion service at ten o'clock.

Mothers and Daughters Night will be observed at the evening service next Sunday. The women and girls will be the special guests of the service, but all are invited to attend. Special music will be given by a men's chorus, as all the women singers have struck, for that particular service.

Roy Wheeler won the box of cigars offered for the highest bowling score at the Penniman Allen bowling alleys for the month of February. His score was 265. His nearest Plymouth competitor was Bert Leadbeater, 238.

In "A Cumberland Romance," given at the High school auditorium, March 9th, we find that she was used to high mountains; he to high society. All they had in common was youth, but that is a great deal. See Mary Miles Minter, the heroine.

The bowling tournament between Northville and Plymouth teams at the Penniman Allen bowling alleys, Tuesday evening, was won by the Northville bowlers by 153 points over Plymouth. The teams were composed of the following bowlers: Northville—German, Mosher, Grace, Maas, Woolley. Plymouth—Wheeler, Goodale, Freeman, Leadbeater, Thornberry.

L. L. Ball has just completed a fine lot of photographs to be used in the annual year book being gotten out by the Northville schools. Mr. Ball was in competition with Detroit photographers for this work, but was awarded the contract over all other competitors. Mr. Ball is giving close attention to business, and this fact together with his superior work is gaining for him a large and increasing patronage in Plymouth and vicinity.

Letters have been received recently from the Plymouth colony at Sebring, Florida, saying that the weather is ideal, and that they are enjoying the winter to the fullest extent. The sixth and eighth of February respectively were the birthdays of W. J. Stewart and Mrs. G. H. Whitney, and the latter entertained at a dinner party at the home in honor of the occasion. Mr. and Mrs. E. C. Leach were among the dinner guests. Mr. and Mrs. Whitney have recently purchased a bungalow at Sebring, and have grape, fruit, oranges and pineapples on their property. They are enjoying the grape fruit and oranges, but the pineapples will not ripen until August.

Watch for further announcements in regard to the Plymphean plays to be given Wednesday, March 16, in the auditorium. The short one-act plays, combining into a program of one to one and one-half hours, are being prepared. It has been possible to select a widely varying type of play, and there is something that is sure to appeal to everyone.

Report cards for the High school will be out next Wednesday. Everyone of the six High school grades is having a spelling lesson twice each week, besides what is being taught in English classes.

Today's Reflections

Some of these fellows who are always complaining that the world doesn't understand them, ought to be glad of it.

When a Plymouth man gets through talking about how rotten business is, mother usually starts to tell about the pain in her back and the children of what happened at school.

Don't be boasting about the price of sugar as compared with last season—remember that it isn't canning season yet.

One reason why nations are not disarming faster is all of them want to talk peace with one finger on the trigger.

The Plymouth citizen who has the right kind of material in his backbone doesn't care whether he was born with a silver spoon in his mouth or an iron ladle.

The man with the hoe used to be the man with the dough, but now he's the man with the woe.

Chains in the tires will prevent accidents, and chains on a few reckless drivers might do the same thing.

After all is said and done, the Plymouth man who lives so no one can call him a knocker is best prepared to die.

Population figures from Russia show that the "Red" cities are fast fading out.

That story about the finding of a sea monster off the coast of Florida, would sound better if the man who told it hadn't just returned from Cuba.

Most any Plymouth girl who has been told once or twice that she is pretty can't get it off her mind.

Now that Uncle Sam has refused to loan any more money, Europe may interpret it as a gentle hint to go to work.

If they pass a law permitting doctors to prescribe beer, there is going to be an awful increase in sickness in this country.

The average Plymouth man may not have all the polite manners that are coming to him, but he never gets to the point where he likes to see a woman spit.

Judging from some of the styles the women wear they must think all of our men folks are "from Missouri."

We've also noticed that the smaller a Plymouth woman's pocketbook, the oftener her husband is called upon to fill it.

Walled lake, Pine lake, Cass lake and Orchard lake are dotted with fisherman's shacks. This winter has been a lucrative one for the anglers. Many Farmington men have reported big catches. Pike, pickerel, perch and bass are plentiful and many pickerel have been hooked in the report.—Farmington Enterprise.

Vernon Spencer, the Wixom ball player, who has been signed by the N. Y. Giants again this year, leaves Saturday to join the McGraw crew at San Antonio. Spencer has spent the winter on his father's farm engaging in the regular farm work and in his spare moments worked out at the end of a crosscut saw. He is as hard as nails, and hopes 1921 will be his best year. He will have a bunch—the old bunch—of fans here who will pull for him.—South Lyon Herald.

James Van Every of Franklin, Mich., near Pontiac, died at his home early Saturday morning, at the age of 98 years. He was born in Detroit, Sept. 18, 1822, on his father's farm, a portion of which is now Waterworks park. At that time, the entire city of Detroit lay between the river and the site of the present city hall. Mr. Van Every lived in the vicinity of Detroit throughout his life. He is survived by one son, James Van Every, six grandchildren and five great grandchildren.

Gus Pankow, who will have a sale at his farm on the Seven Mile road on Thursday, March 10th, sold his farm last fall to the Northland Golf and Riding club of Detroit. Some work was done last fall on the grounds to be used as the golf links and in the spring extensive improvements will be made about the farm. Mr. Pankow has purchased a home in Plymouth, and will move there about April 1st. Mr. and Mrs. Pankow have richly earned their vacation, and it is the hope of their many friends that they may live to enjoy many years in which to "take life easy."—Northville Record.

She States It Mildly

While suffering with a severe attack of grip and threatened with pneumonia, Mrs. Annie H. Cooley of Middlefield, Conn., began using Chamberlain's Cough Remedy, and was very much benefited by its use. The pains in the chest soon disappeared, the cough came loose, expectation easy, and in a short time she was as well as ever. Mrs. Cooley says she cannot speak to highly of this remedy.—Advt.

The Needle Club was entertained by Mesdames Hours and McGee at their home, on the Waterford road, Thursday afternoon. A large representation of the club was present, and the guests were: Mrs. Gray, Mrs. Schroeder, Mrs. Bell and Mrs. Walter Livrance. Victrola music and a social time was enjoyed in connection with the needlework. Prizes were awarded to Mrs. William Garchow and Mrs. John Dethoff in the drawing contest. A pleasant departure from the ordinary was the appearance of a number of the husband's just at the time of serving the lunch, which was an elaborate affair, and to which all did ample justice. The club will meet Thursday, March 10, at the home of Mrs. Denbeck.

Miss Etta Mae Johnson was a Detroit visitor, Friday.
The Pedro Club will hold a dance at the hall, Friday evening, March 11. Everybody is invited.
There were six members of the Junior Sewing club who braved the storm, Saturday, and attended the meeting at the home of Grace Lee, Saturday afternoon. The afternoon's entertainment consisted of music and games, after the busy hour, and Leona Garchow and Viola Baze were winners of prizes in a blind-folded contest. Dorothy Bentley of Elm, was a guest, and she remained over Sunday at the Lee home. Miss Etta Mae Johnson will entertain the club, next Saturday afternoon.
Mr. and Mrs. Ed. Halstead of Novi, were guests at the Palmer Chilton home, Wednesday.

LAPHAM'S CORNERS

Presbyterian Notes
Next Thursday evening, March 8th, a "Hard Times social" will be given in the church house at 7:30. Small fines will be collected from all persons wearing good clothes or luxuries of any kind, for example, jewelry, linen collars, new materials, bone hair pins, good shoes, silk, satin, neckties, etc. Fines will not exceed nine cents each and, including supper, the entire cost per person will not be over fifty cents. Everyone is urged to come, men, women and children. Come and enjoy an evening of fun, good program and supper. The social is to be given by the Ladies' Auxiliary.
The monthly meeting of the Ladies' Auxiliary was held Wednesday afternoon in the church house. The potluck supper was postponed on account of the Community banquet.
The trustees held their monthly meeting Monday night in the pastor's study. Rev. Hathaway was appointed a committee to draw up rules governing the use of the High school auditorium, Saturday afternoon, by the boys and girls of the community.
Mrs. Ida Hamilton of Fenton, was in Plymouth, Tuesday, in the interest of the Coit Lyceum Bureau of Cleveland.
A unique method of raising money for missions was inaugurated last Sunday at the Christian Endeavor meeting. David Alexander loaned his cash-register-bank to the society, donating its contents, \$3.35, to the cause. The bank registers nickles, dimes and quarters. By the time the hour was over it had rung up to \$5.75, and others are planning to make gifts so they "can see it work." It will be used during the month of March.
A "traveling basket" is visiting the homes of all Presbyterian people in Plymouth. It contains a book and an assortment of good things to purchase. Each is marked with a price indicating the amount the purchaser is to put in the bank, and record in the book together with her name. Then she adds something to take its place, marks it with a price, and sends the basket, thus filled, to her nearest Presbyterian neighbor. None is to keep it over a day or let it Sunday pass without notifying the nurse as to its whereabouts. Watch for it, for it will eventually come your way.

Don't Suffer
MANY men and women are suffering because they are treating effects instead of removing causes.
Why bother with ailments and lotions for rheumatic pains, backache, stiff joints, sore muscles, biliousness, nervousness, floating specks in the vision, dizziness, puffiness under the eyes, or other symptoms of kidney trouble when the kidneys can be made well and strong, thus removing the cause of the symptoms?
Foley Kidney Pills
have been used for kidney troubles and bladder ailments by men and women with success for many years. They seem to get right at the root of the trouble, invigorating and strengthening the kidneys and enabling them to do their duty. They help the kidneys throw out of the system the waste and poisons that cause the symptoms of kidney trouble.

OBITUARY

Mary Jane Middlemiss, wife of the late John Taylor, was born at Longwood, Middlesex county, Ontario, Canada, July 10, 1859, and passed away at Newburg, February 24, 1921, after 61 years seven months and fourteen days. Mrs. Taylor was well known in social and church life in this community, acted as president of the Ladies' Aid of Newburg, also a member of the W. C. T. U., and formerly an active member in the Rebekahs. Coming into this vicinity about eight years ago, Mrs. Taylor soon endeavored herself to all with whom she came in contact. She, with her family, formerly lived in Detroit. She leaves to mourn their loss two sons, G. E. and S. E. Taylor and three grandchildren, all of Newburg. Two brothers, G. B. Middlemiss of Manchester, Mich., and E. A. Middlemiss of Detroit, two sisters, Mrs. F. Walters and Mrs. J. B. Betsner, both of Detroit.

The funeral services were conducted by Rev. Raycraft in Newburg church, Saturday afternoon at two o'clock. Music was furnished by Mrs. Carson and daughter, Marian. A profusion of beautiful flowers from friends and different societies attended the esteem in which she was held. Six nephews acted as pallbearers. She was laid to rest in Riverside cemetery beside her husband, who preceded her to the better land last June.

Out of town relatives and friends, who attended the funeral were: Mr. and Mrs. William McCully of Pittsford, Mich.; Mr. and Mrs. J. B. Betsner, Mr. and Mrs. F. W. Walters and family, Mr. and Mrs. J. Hubert, Mr. and Mrs. E. A. Middlemiss and family, Mr. and Mrs. G. Stimpson, Mr. and Mrs. E. Middlemiss, Jr., and family, Mr. and Mrs. G. Middlemiss, G. M. Middlemiss, Mrs. R. Bunnell, Mrs. Lesta Clark of Detroit; G. B. Middlemiss of Manchester; Miss May McCully of Northville; Robert Taylor, Chatham, Ont.; Will Taylor, Mull, Ont.

NEWBURG

Rev. Raycraft's fathers and sons sermon was listened to with intense interest. Last Sunday, by everyone present. It was unfortunate that more fathers were not present to hear it. However, the boys were there. They, no doubt, will give their fathers a few pointers.

A very interesting League meeting, led by the school teacher, Miss Lawton, was held Sunday night, with fifty-four in attendance. Mrs. Donald Ryder has charge next Sunday evening. This is a fine affair, which she will demonstrate by the use of the blackboard. Everyone invited to attend.

A number from here attended the matinee, last Friday, at the Penniman Allen theatre. Everyone thought it splendid.

The L. A. S. will hold their annual meeting next Wednesday, March 9th. A 25c dinner will be served at noon, proceeds to apply on pastor's salary. The following committee will have charge: Mesdames Smith, D. Ryder, Bassett, Ruff, Thomas and Beckett. The yearly reports will be given at this time. Everyone cordially invited to attend.

Mr. Beckett had the misfortune to be run over by a load of ice on the mill pond, Monday afternoon. Fortunately no bones were broken, but he was badly bruised.

Fred Secord of Plymouth, is moving his family into the house known as the Bovee place now owned by Henry Ford.

Mrs. Henry Grimm, Jr., and little Virginia returned to their home, last Sunday, from Mrs. Harrison's, feeling fine.

Burt Paddock and two children spent the week-end at the Ryder homestead.

The Taylor family have the sincere sympathy of all in the loss of their mother and grandmother.

Newburg School Notes

The Roll of Honor pupils for the month of February are: Gladys Horton, Gladys Clemens, Sadie Lomas, Dorothy Dunn, Leona Joy, Robert Taylor, Leonard Curtis, Ralph Bulmon, Mildred Bennett, Dema Funk, Milo Thomas, Virgil Dunn, Mae Beckett, Florence Wleklinski, Frederick Thomas, Lillian Schryer, Ivan Youngs, Eldora Morrow, Lelia Morrow, Leona Knickerbocker, Ruth Cochran, Marion Taylor, Eleanor Bartel, Lena Schultz, Ruth Foerster, Donald Elliott, Frank Clemens, Elda Foerster, Charles Thompson, Douglas Elliott, Donald Dunn, Avis Perkins, Mary Bennett, Hazel Lomas, Lester Knickerbocker, Kenneth Gates, Lester Bassett, Irene Zielasko, Gladys Allen, Kenneth Youngs.

Thirty pupils have been neither absent nor tardy in February. Robert Holmes, our director, has certainly worked hard to help fit the pupils for the increasing number of pupils. Within the past month, he has made a convenient table for the chart class, and has furnished individual chairs for these little ones.

Our school has had a real sorrow in the death of Mrs. Taylor of Newburg, because it is such a sorrow and such a great loss to Robert and Marion—two of our best-loved school children.

WEST PLYMOUTH

The Epworth League of the Methodist church enjoyed a sleighride and party at H. A. Hills', Monday evening.

Norman Miller was a Sunday guest at Melburn Partridge's.

Mrs. Don Packard visited her mother, Mrs. Frances Duffee, at Westville last week Wednesday.

There were two flocks of wild geese seen flying northeast, Tuesday evening, at sundown, in this vicinity. Thelma Rice, the seventh grader of the Tiffin school, is preparing for the history and geography examinations.

"THE TURN IN THE ROAD"

EXCEPTIONAL PICTURE AT THE METHODIST CHURCH MONDAY NIGHT.

"The Turn in the Road," which will be shown at the Methodist church, next Monday evening at seven o'clock, is the story of the regeneration of the soul of a man gone wrong, and the appeal of a child to a mind turned blunt and desperate by adversity. It played for a record run of eight weeks in one Los Angeles theatre and crowds demanded its return. It is in every list of the five best pictures of the year prepared by eminent critics. Julian Johnson, editor of Photoplay, placed it second in the list.

The picture for the following week, March 14, "The Stream of Life," is noteworthy not only because of its own worth, but because it is being used by Rev. Field as the opening of two weeks of special Easter meetings. That will be the only sermon that night. Then Mr. Field will preach from the message of that picture the next four nights of the week. The picture will be shown for the school children at four o'clock in the afternoon.

PERRINSVILLE

Rev. Raycraft was on time last Sunday in spite of the roads and snow, and a goodly number were out to the services. Thirty were out to League, Sunday night. The young people are certainly taking interest in the League.

There was a large crowd at the fathers and sons banquet, and all seemed to enjoy the evening. Rev. Raycraft and wife were with us. A very nice program was arranged, and a good speech was given by Rev. Raycraft, on "Fathers get near to the boy."

Earl Steinhauer is working in Plymouth on the new bridge.

Mrs. Grace Hanchett visited Mrs. Adelaide Baehr, Saturday.

Mrs. George Baehr spent Thursday in Plymouth.

The Ladies' Aid society of Perrinsville will meet for lunch, Wednesday, March 9th, at the home of Mrs. John Beyer. Election of officers.

George Baehr's house burned to the ground, Wednesday, about noon. Most of the contents were saved.

STARK

Mr. and Mrs. Mack Cook and son and Leo Cook of Plymouth, spent Saturday and Sunday at Mr. and Mrs. Emil Larden's.

Mrs. Roy Clement and children spent last week Friday in Detroit.

Miss Francis Poloni spent last week in Detroit, visiting relatives.

Misses Ethel and Goldia Kuhn attended a birthday party at Miss Caroline Creiger's.

THE THEATRE

The announcement that Mary Pickford will be seen at the Penniman Alle theatre, Saturday, March 5, in "The Love Light," a gripping emotional drama, is one that is bound to prove of great interest to her thousands of admirers. Since the "World's Sweetheart" announced her policy of avoiding the conventional and hackneyed forms of photoplay, and try not only to advance herself, but the motion picture industry as well, her productions have aroused interest among her fans. "The Love Light" is the story of a little Italian girl in an Italian fishing village among the cliffs bordering on the Mediterranean in Northern Italy. How the little girl presides over the family of her orphaned brothers, how a great tragedy comes into her life, the final realization with its accompanying sacrifice, makes, not only an unusual story for the screen, but is a startling innovation for Mary Pickford.

There's only one sure cure remedy for all troubles and worries. If your sweetheart has given you a one-way ticket to the ice-house, or the boss has cut your salary, or the mice have made a nest in your new hat, or the landlord has hiked the rent, or the hubby failed to notice the new way you've fixed your hair, or wife burned the dinner to a crisp, just take a good dose of Will Rogers, and you'll be sure to come up smiling. If you don't believe it just try it at the Penniman Allen, next Tuesday, March 8th. He'll be here in "Honest Hutch."

The Penniman Allen theatre announces for its attraction for Thursday, March 10, a new Allan Dwan production called "In the Heart of a Fool." This is said to be one of the best productions Mr. Dwan has ever made. The story deals with a series of events that might happen in the life of anyone in any community. There are numerous big punches in the plot, and the cast selected by Mr. Dwan is an unusually good one. It is a First National attraction, and is presented by the Mayflower Photo-play Corporation.

WAYNE COUNTY FARM BUREAU NEWS

INTERESTING ITEMS OF NEWS OF THE FARM ORGANIZATIONS OF WAYNE COUNTY.

The annual meeting of the Wayne County Farm Bureau will be held at the Grange hall, Romulus, on this Saturday, the fifth of March. The delegates will begin the transaction of official business at 10 o'clock in the morning, aiming to complete their work, including the election of directors for the coming year before the noon hour when dinner will be served by the ladies of Romulus Grange. The program of the afternoon will be the best ever attempted by the Farm Bureau in Wayne county. The State Farm Bureau will be represented by Mr. Ballard, president of the county agents association of Michigan; the M. A. C. by R. J. Baldwin, head of the extension department; and Mrs. Elizabeth Campbell, director of home demonstration work in the state. Owing to the rapid growing interest in the consolidated school proposition, this subject will receive particular attention. R. M. Arbaugh, director of rural schools in Wayne county, will explain how districts can be consolidated under the present laws. Vocal selection will be given by Dr. J. J. Marker of Eloise.

The invitation extended to the general membership of the Farm Bureau at Romulus also includes the wives and daughters, as it is planned to hereafter calculate the entire family as parts of this great agricultural organization. The section and activities of the women will receive a due share of the attention of the county bureau during the coming year.

The present officers of the Wayne County Farm Bureau are: August Bunte Flat Rock, president; Nelson L. Rogers, Belleville, vice president; directors, Lev Clemens, Livonia township; Ernest Bird, Romulus township; Ray Gibbs, Huron township; J. H. McKinney, Sumpter township; Mrs. Maude L. Bennett, Plymouth township; Milton Carmichael, secretary-treasurer.

Delegates elected to represent the various townships at the annual meeting at Romulus on March 5th include the following: Livonia township, Perry Losey and Fred Wolfrom; Northville township, Carmi Benton; Plymouth township, Walter Postiff; Canton township, Clyde Truesdell, Mr. Ford and Jacob Dingledey.

Although club work is rather new among the boys and girls of Wayne county, the fact that two state champions were captured during the past year is all the more surprising and it speaks well of the high character of this part of the County Farm Bureau as conducted under the direction of Glenn O. Stewart, leader in this work.

Miss Louise Spicer, daughter of Mr. and Mrs. Samuel Spicer, Canton township, has been selected as the best all round first year canning club girl in the state of Michigan. Miss Louise is only twelve years old, and she canned 41 7/8 quarts of fruits, vegetables and meats during the past year.

Howard McPherson, member of the Sand Hill Poultry Club, near Wyandotte, was chosen as the state poultry club champion. He has been three years in the poultry club work, during which time his record has been remarkable. Young McPherson's pullets won first prize in the state-wide laying contest at the State Fair last fall; also first at the Northville fair.

Both of these county club champions will be given a trip to the M. A. C. during the year as a special reward for their work.

Where You Goin' at that Speed?

I'm going to get a Peninsular Full Coverage Automobile policy before I run my car another mile.

That's a good idea, where can you get it?

At Parrott's, of course, and they only cost \$22 on a Ford touring car, cover all accidents, including Skidding, Fire, Theft, Windstorm, Public Liability and Property Damage; defend me against all suits; are good anywhere in the United States or Canada, and don't contain the objectionable deduction clause.

GREAT! I need one of those policies myself.

American Lady Corsets

Boned throughout with Mightybone

"... and the beauty of it is it will keep these good lines"

What a satisfaction it is to be able to say that! What a joy to know that your corset will keep its good lines. That is the perfection of American Lady Corsets—so unlike your experience with other corsets, that quickly lose all their smartness because the boning becomes misshapen, "played out!" For the style-lines that clever designers skillfully embody in these corsets, last as long as the corset itself. Mightybone—with which every American Lady model is boned—holds the corset always in its original lines of fashion.

And not only does Mightybone prove its superiority by splendid service, but it makes for more comfort, more natural grace of figure. Because of it American Lady corsets are never over-boned. (Over-boning, you know, gives that very apparent, much-to-be-avoided "corseted" appearance.)

For your protection, the Mightybone tag is attached to every American Lady model. It is a positive pledge that the corset you are buying will continue to render the perfect service in comfort, style and fashion that you enjoy when you first put it on.
