**AGED RESIDENT PASSES AWAY**  
MRS. CAROLINE BENNETT, ONE OF PLYMOUTH'S MOST HIGHLY ESTEEMED AND OLDEST RESIDENTS, DIED AT HER HOME HERE LAST SUNDAY, MARCH 6.

Four more days added to the long life of Mrs. Caroline Moreland Bennett would have rounded out a full eighty-five years, all spent in the vicinity of Plymouth. She was born March 10, 1836, and died at her home in Plymouth, Sunday, March 6, 1921. She was the daughter of John and Prudence Moreland, and was born in Livonia township, about two miles from Plymouth. Her girlhood was spent not far from her birthplace near the Briggs school, at that time named for her father, the Moreland school.  
At the age of thirteen she was left by the untimely death of her mother to the care of her father and three younger brothers, and this family she mothered until the boys were fully grown, and two boys had died. With the exception of two years in school in Ypsilanti, she gave her girlhood and youth to the care of her brothers. When she was married in 1855 to Washington Bennett, and went into her new home, she took the three brothers with her, cared for them as a mother, nursed them in their fatal illness and two of them died in her home at the ages of twenty-three and twenty-six years. The brothers died in 1868, 1869 and 1874, and in 1877 two sad bereavements came into her life within the year in the death of her father and of her husband. So she knew many times in a few short years the grief of losing loved ones upon whom she had bestowed her love and strength in service.

At the death of her husband, Mrs. Bennett was left with her two sons, Charles F. and Harry C., who have continued to be her life long companions, always living in her home, with the exception of a few years that the younger son was in a home of his own nearby. The two sons were her only children, but she was the same as a mother to Lott Davesy, now Mrs. J. J. Baker of Lansing, who lived in the home with her for sixteen years.  
For almost fifty years Mrs. Bennett had been an invalid, and for forty years had not been inside one of the stores only a block away. For the past two years she had been confined to the house.

Mrs. Bennett was a member of the Methodist Episcopal church, uniting with that communion about 1870, and continued as long as her health would permit, an earnest and faithful attendant at all the church services. Quite early in life falling health compelled her to narrow her world to the walls of her home, but her mind continued active throughout the years, and although unable to mingle with outside life, she maintained to the last an active interest in the outside world. Her life was that of a typical, self-sacrificing mother, who lived for others, first for her father and motherless brothers, and then for her children, who rise today and call her blessed. Her suffering was intense, especially for the past two years, but was borne with patience.

Besides the surviving relatives, the sons, Charles F. and Harry C. Bennett, the grandson, Pierre S. Bennett, and a half brother, D. W. H. Moreland of Detroit, she leaves many friends, perhaps nearest of all, Mrs. H. J. Baker of Lansing, who for many years enjoyed the blessings of her home.  
The funeral services were held from Schrader Bros. Funeral Home, Wednesday afternoon, at two o'clock, Rev. Frank M. Field officiating. Mrs. R. E. Cooper sang two beautiful selections. The floral offerings were very beautiful. The remains were placed in the vault in Livonia cemetery.  
The following out of town friends were present at the funeral: D. W. H. Moreland, Mrs. Marjorie Moreland, Mrs. Fred Robinson, Mrs. Chas. Neale, James Criswell, Paul W. Voorhes of Detroit; Miss Betty Barnes of Pontiac; Mr. and Mrs. Fred Hines of Livonia; Dr. H. C. and Mrs. J. J. Baker of Lansing; Mr. and Mrs. Al. G. and Mrs. J. J. G. of Northville; Mrs. H. C. and Mrs. J. J. G. of Northville; Mrs. H. C. and Mrs. J. J. G. of Northville.

**I. O. O. F. FAIR AND BAZAAR**  
BIG EVENT WILL TAKE PLACE AT THE PENNIMAN HALL, THURSDAY, FRIDAY AND SATURDAY, MARCH 17, 18 19.

Toniquish Lodge, No. 32, I. O. O. F., are making big preparations for their fair and bazaar, which will take place at the Penniman hall, next Thursday, Friday and Saturday afternoons and evenings.  
There is going to be plenty of fun and entertainment for the big crowds, who are going to attend. There will be booths of all kinds for the sale of candy, cigars, cupie dolls, pillow tops, groceries and meats, fruits, soft drinks, popcorn, fancy work and aprons, baked goods, canned goods, farmers' market, fish pond, ice cream and lunches, etc.  
Thursday evening there will be music and vaudeville as a special feature; Friday evening, Patterson's orchestra will furnish music, while on Saturday evening, the Millard band will render one of their popular concerts.  
Don't miss going to the fair and bazaar. No admission will be charged, and everybody is most cordially invited to attend. Open from noon until midnight. Remember the time and place, Penniman hall, next week Thursday, Friday and Saturday.

**WILL REPEAT HOME TALENT PLAY**  
LOCAL TALENT WILL REPEAT THE COMEDY DRAMA "STAR BRIGHT" AT THE PENNIMAN ALLEN THEATRE, WEDNESDAY EVENING, MARCH 16.

It has been requested by many who saw the play, "Star Bright," and many more who did not see it, that it be repeated. The cast has very kindly consented to do this, and it will be given Wednesday evening, March 16th, at the Penniman Allen theatre. Mrs. Allen has very kindly donated the use of the theatre, for which they feel very grateful.  
The proceeds this time are to be used for the relief of the needy families of Plymouth. If you saw the play before, and liked it, come again, and help in this worthy cause. If you did not see it before you surely will want to this time.  
The price of admission will be as before, 25c for children and 35c for adults. Anyone wishing to give more, it will be very gratefully received.

**DEATH OF MRS. GEORGE ROBBINS**  
Mrs. Helen Robbins, aged twenty-one years, wife of George Robbins of this place, and daughter of Mr. and Mrs. Chris Wisniewski of Salem township, passed away at Harper hospital, last Sunday evening, March 6th, after an illness of only a few weeks. The deceased was married only two months ago, and prior to her marriage held a position in the Bell telephone office.  
The remains were brought to Plymouth and the funeral was held from the home of Mrs. George Patterson, who was Mrs. and Mr. Robbins' home, Wednesday morning at ten o'clock. Rev. F. M. Field conducted the services, assisted by Miss Della Leland, organist of Detroit. The deceased was a native of Detroit, and was survived by two sisters and one brother. Plymouth friends deeply sympathetic with the bereaved family in their affliction.

**FORMER RESIDENT DIES IN DETROIT**  
Just before going to prison, he was able to receive word of the death of Mrs. George Robbins, late of this place, and he was very glad to hear of her passing. He was a former resident of this place, and was a member of the First Presbyterian church of Detroit.

**OBSERVE ANNIVERSARY**  
WOMAN'S CLUB CELEBRATED ANNIVERSARY DAY LAST FRIDAY AFTERNOON WITH APPROPRIATE PROGRAM.

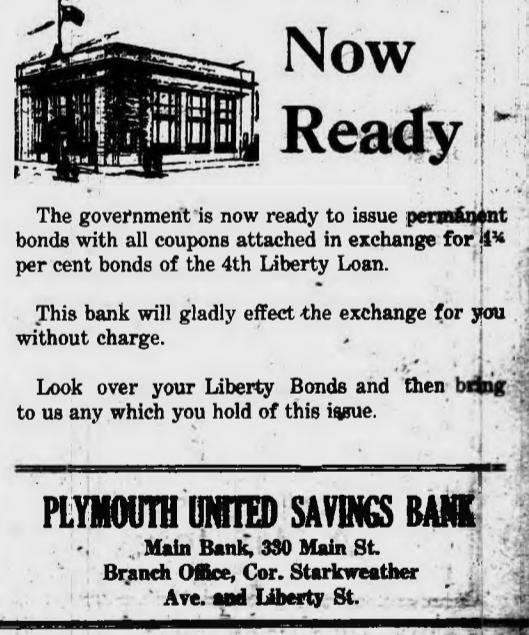

Anniversary Day was pleasantly celebrated in the Woman's Club, last Friday afternoon, March 4th. Mrs. Luther Peck acted as hostess for the afternoon. The meeting was called to order by the president, Mrs. D. F. Murray, who presided over the business session. One new name was placed on the membership roll. The club voted to send again this year, as in previous years, five dollars to aid in the work at the Chicago Shelter Home. The chairman of the building fund, Mrs. R. E. Cooper, reported that \$118.70, the net proceeds of the play recently given, had been added to the building fund account in the Plymouth United Savings Bank.  
The nickname of a state and why, was the response given to roll call.  
An interesting program in charge of the fourth division, with Mrs. E. Foster, leader, was presented as follows: First number was music by the kindergarten band, under the direction of Miss Alban, kindergarten teacher. This was very pleasing and was responded to by an encore.  
The following reading, "Buyin' a Feller," "VanDyck's America" and encore, "She Had No Occupation," were pleasingly rendered by Mrs. Martin Stringer.  
A brief but interesting history of the Woman's Club was given by Mrs. F. A. Dibble.  
Reminiscences of the club in its younger days and a visit to one of its meetings, by Mrs. R. E. Cooper, was read and enjoyed.  
Miss Evangeline Foster favored the company with two pleasing solos, Miss Evelyn Thomas presiding at the piano.  
The program concluded with a humorous reading, entitled, "Josiah Allen's Wife at Stewart's Store in New York," by Mrs. Charles Humphries. This was greatly enjoyed and responded to by an encore, after which the company was asked to stand and sing, "The Star Spangled Banner."

The program was followed by a social hour and light refreshments. A birthday cake with twenty-eight candles reminded those present that another year had passed by, and it is believed that the purpose of this club has not been fruitless during the past year, but that the community has been uplifted by having such an organization. It is earnestly hoped that the coming years may bring greater results and that the Woman's Club of Plymouth will be a greater factor for the advancement and betterment of womanhood.  
The next regular meeting will be held Friday afternoon, March 18th, at the regular meeting place.

Debate, Mt. Clemens vs. Plymouth, at the High school auditorium to-night.

Mr. Hanson related many interesting experiences and stated since he last visited Plymouth friends he had been in twenty different countries and participated, and had visited forty-two of the principle cities of these countries.

## KANSAS MEN CHOOSE FLOYD

Arkansas City Man Selected as Chairman of State Americanization Committee.

Kansas members of the American Legion have selected as chairman of their state Americanization committee John R. Floyd of Arkansas City, a prominent insurance man and third vice president of the United States Junior Chamber of Commerce.  
Mr. Floyd was commissioned a first lieutenant at the second officers' training camp at Fort Sheridan. He served at Camp Grant, Ill., Jefferson Barracks, Mo., and Camp Dodge, Ia., with the Eighty-sixth division and at various times as insurance, signal, ordnance and athletic officer and as judge advocate.  
In 1918, Mr. Floyd was appointed district manager for a well known insurance company with headquarters at Arkansas City and in the year following his discharge from the service wrote the largest number of applications ever written in his state in one year for his company, and ranked fifth in the United States. He has served in various offices in Arkansas City post and as a member at large of the Legion state executive committee.

## THE THEATRE

In the cast of "Go and Get It," which has its first local showing at the Penniman Allen theatre on Saturday evening, March 12, will be seen Agnes Ayres, Wesley Barry and Pat O'Malley. "Go and Get It" marks the third independent production of Marshall Neilan's under his history making contract with Associated First National Pictures. His two former successes have been, "The River's End" and "Don't Ever Marry." "Go and Get It" is said to eclipse his efforts.  
"What Happened to Jones" the screamingly funny George Broadhurst comedy of wet days in a dry town, has been made into a Paramount Arctcraft moving picture, with Bryant Washburn as the genial star. It will be seen at the Penniman Allen theatre, Tuesday evening, March 15.

The rare patience and deliberation of a human mind bent on outwitting Fate itself, cannot help but arouse the most engrossing interest and if the advance reports are true, Lionel Barrymore in "The Master Mind," booked to be shown at the Penniman Allen, gives a remarkable demonstration of how far one superior designing mind can go towards changing whole groups of precocious lives. The prospect of seeing a real close-up of a "master mind" in action, is one which the legions of photography fans naturally anticipate with more than passing interest.

## WHEN TO WEAR THE UNIFORM

Former Service Men Inclined to Be Too Modest in Appearing in Army Togs.

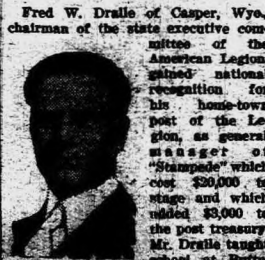

Former service men are too modest to appear in uniform on special occasions, according to a letter from a member of the American Legion.  
The letter follows:  
"Armistice day brought with it some new revelations of viewpoint on the wearing of the uniform at ceremonies and celebrations, and, inasmuch as in the future we must confront the problem time after time, I believe the question should be settled now, one way or the other. I am neutral on the subject and am willing to do as the 'bunch' does."  
"Since their discharge the majority of both officers and enlisted men have shown more than a little hesitancy in putting the uniform back on for special occasions. The true spirit of the Legion is not manifest in any parade when the majority of the men appear in civilian clothes and a handfull march in uniform. On such occasions the uniformed man is in an embarrassing position, and he vows: 'Never again!' I think modesty is responsible for most men's preference for civvies on formal occasions, but I know that some argue that they do not want to be in uniform with a bunch of men wearing officers' uniforms and insignia.  
"I am sure there is not an ex-officer in the Legion who would not willingly discard his insignia if it operated as a barrier to harmony. But let's have a standard rule—either civvies or uniforms."

## Methodist Matters

The members of the Pontiac district cabinet of the W. F. M. S. met in the local Methodist church last Wednesday forenoon and at noon were the guests at dinner of the local missionary society. The following district officers were present: Mr. A. B. Huesman and Mrs. Robinson of Ann Arbor; Mrs. P. Walker and Mrs. F. I. Walker of Pontiac; Mrs. Calkins of South Lyon, and Miss Anna Cady of Wayne. They were also present at the meeting of the Missionary society in the afternoon. Mrs. F. M. Field is also a member of the district cabinet.  
Rev. and Mrs. N. F. Jenkins, who have been spending the winter in St. Louis, Mo., are visiting their daughter, Mrs. F. M. Field, at the parsonage, before returning to their home at Bellaire, Mich. Next Sunday evening, Rev. Jenkins, who is a member of the Michigan conference, will preach in the local Methodist pulpit. All who can should hear him as this is the opening of two weeks of special Easter meetings.  
Last Sunday was a record making day in the Methodist church here. Two large congregations were present, the evening attendance being the largest in months. The pastor preached a sermon especially directed to the mother and daughters, using the theme, "Wise Girls," and a men's chorus of twenty voices furnished special music. At the morning service the holy communion was received by the largest number in the history of the church, and three men and four women were received into full membership. Baptism was administered to two children and two adults.  
The March meeting of the Ladies Aid society will be an all day gathering at the church next Sunday for the purpose of sewing for needy families and busy mothers. Gifts to be made over and new material are being turned in this week. At one o'clock a St. Patrick's dinner will be given at the church.

The Boys' Basketball team is in Wayne tonight in charge of Mr. Millard. Mr. Holcomb and four of the squad will be in East Lansing, where an indoor track meet is being held at M. A. C. for both high school and college teams. Among the entries are Carl Johnson of the 1920 Olympic games. The boys expect valuable experience from this trip, and it is hoped that they will gain as good a showing as compared with the other schools of the state. Plymouth will enter the relay, forty-

yard dash, the high jump and possibly the hurdles. The team has been practicing in the indoor track at Northville by the courtesy of the Northville Athletic Association.

**EXTENSION SCHOOL AT DENTON**

An afternoon and evening meeting will be held at the Ladies' Aid Hall in Denton, on Wednesday, March 16. Supper will be served at six o'clock.

William Bowman, a specialist in lime, will talk on fertilizers in the afternoon and lime in the evening.

The evening meeting will be part of the county milk campaign. The pupils of the Denton school, under the direction of Miss Nancy Bird will give a short play, "Mother Nature and Her Children." Miss Coral Havens, Nutrition Specialist from M. A. C., will give an illustrated lecture on "Milk for Children." Miss Lydia Olsen, Public Health Nurse, will also be present.

This is a community meeting. All are welcome.

If you know an item of news, phone or send it to the Mail office.

**OF SUNNY SPAIN**

Titbits That Have Won Popularity in America.

"Turron," a Christmas Delicacy, is Declared to Be Unsurpassed in the Line of Sweetmeats.

"Sea sleeves, each in his ink," reads the quaint label on the little cans that bring us one of the queer harvests of the Mediterranean. The ink is the protective fluid of the calamare, but the chef turns it to use as a sauce. Pen-and-ink fish is another name for this small squid, because his inner shell looks like a quill pen. Sea sleeves are a delicacy that one would have to get used to, like snails, white bait, and crawfish, but those who are fond of them rather pride themselves upon it. They can be found at all Spanish delicatessen shops.

But Spain's masterpiece, many think, is turron—a nougat incomparably delicate and rich, made from nuts, fruits, and honey, its sweetness varying somewhat with each of the places which are celebrated for its manufacture: Alicante, Valencia and Murcia. Turrones are in famous demand at the holidays, and Spanish groceries in New York are seldom able to fill all their orders, for this is a Christmas sweet par excellence. An epicure has called turron "a sweetmeat delicious beyond words." The most popular of the several kinds is probably Turron Alicante. Others are Turron Jijona, Turron Yeina, and Turron Matapan.

Hearts of palm might be thought a tragic delicacy by the lover of trees, for every salad made of this asparagus-like edible means the death of a mountain palm. They come from Algiers, as well as from Spain, and the supply seems to hold out, but conservation does not concern those lands as yet.

The true globe artichoke, also known as natural, keeps its unique flavor, though it journeys from Spain in cans. It is a portion of the immature, thistle-like flower, violet or white, and in Jerusalem artichoke which looks like a potato. Artichokes grow wild in the south of Europe, but they never have been cultivated here except by wealthy epicures, and though purchasable in season at the finer markets, our public treats them rather formally—for a dish so appetizing.

Down on Pearl street there is a large Spanish grocery where all these Spanish delicacies and many others may be bought, and where you will notice in particular the very aristocratic meats that do not disdain the tin can—partridges with truffles and mushrooms, stuffed hare, Catalonian sausages, "Galician dinner," foxtails prepared with sweet red peppers. And then the quince paste, apricot paste, dried Malaga figs, almond cheese, and Spanish wafers.

**SELECTION IMPORTANT IN POULTRY BREEDING PENS**

MARCH THE MONTH TO MAKE PENS, SAYS M. A. C.—CARE OF EGGS ESSENTIAL.

"March is the month when the breeding pens for the spring hatch of chickens should be made up, if the work has not already been done," says C. H. Burgess, head of the poultry department at the Michigan Agricultural college. "Hatch early if you want eggs next year when the price is up."

Vitality and vigor are the most important factors to consider in selecting the birds for the breeding pens. Birds with vitality are those that have not been sick during the year. Vigor is indicated by good red combs, lustrous feathers, constant singing or crowing every five minutes.

"Pen breeders by themselves," says Professor Burgess, "feed them grossly upon grains, both whole and ground. Give them green food, and sour skimmed milk. Feed grain in deep litter. Make hens in breeding pen work, if possible giving them free range."

"Eggs should be gathered often during the colder days of spring, and kept in a temperature that is less than 60 degrees Fahr., but not below 50 degrees Fahr. Turn the eggs often."

"Those who intend to hatch artificially should order their incubator at once, in order to be sure of delivery on time. Purchase of reliable, standard make is economy in the end."

**RESOLUTIONS**

To Mr. and Mrs. Thomas Maxwell and Family: Whereas, It has pleased Almighty God to remove from our midst our late Brother William Maxwell. During our association with him in our lodge room we have found him an energetic and successful member, a congenial and valuable friend and useful brother, and while you mourn the loss of a son and brother, we too have lost a brother, whom we ever loved and respected, and cannot but mingle our sorrow with yours. Therefore be it Resolved, That while we humbly bow to His divine will, we do hereby tender to you, his father, mother and sister, our heartfelt sympathy in your bereavement and join you in the consoling thought that we hope to meet him in a better world. And we hope and trust that you as an unbroken family and we as an entire lodge may meet above in that temple not made with hands, whose light is the Lord. Be it further Resolved, That a copy of these resolutions be placed on the records of our lodge, and also published in the Plymouth Mail.

Signed on behalf of the lodge, Fred Wagenschutz, W. A. Rosenburg, George Knapp, Committee.

**RESOLUTIONS**

Resolutions of Plymouth Rebekah Lodge, 182, I. O. O. F.:

Whereas, The Divine Ruler has called from our midst our beloved Brother, William Maxwell, leaving grief and sorrow a father, mother and two sisters, and while we deeply mourn our sad loss, be it Resolved, that we as a society extend to the relatives and friends our sympathy in this their hour of bereavement, and extend to them that consolation which warm hands can give who feel their sorrow is our sorrow, and above all would we commend them to Him who doeth all things well; therefore be it Resolved, that our charter be draped in mourning for a period of sixty days, a copy of these resolutions be sent to the bereaved family and placed on our minutes; also that they be printed in the Plymouth Mail.

Emmie Meddaugh, Emma Reiman, Isie Howes, Committee.

**A Good Medicine for the Whole Family**

Foley's Honey and Tar is a scientific combination of carefully selected remedies that experience proves loosens and breaks up a cough in short order.

**Fools Like a New Man Now**

Jan. Edward, 208 Hartford St., Montgomery, Ala., writes: "I feel like a new man now from using Foley's Honey and Tar. I can sleep all night and cough has left me. My whole family is using it—the little ones and the old ones. My wife tells me just as soon as the bottle gets low I had better get another. I have relieved all of our coughs and broke our colds. They are all in better shape than we now, and I am in good shape myself. My health is getting good—my cough is broken—the soreness in my chest is all gone, so many thanks to you for your treatment."

**Foley's Honey and Tar COMPOUND**

STOPS THAT DISTRESSING COUGH—checks it quickly and surely, clears the throat of phlegm and mucus, and coats the raw, inflamed surfaces with a healing, soothing medicine.

We can prove no imitation or substitute is as good as the genuine Foley's.

**FIRES OF PECULIAR ORIGIN**

Many Disastrous Conflagrations Have Been the Result of Incidents of Most Trivial Character.

There have been a number of cases lately of women's frocks catching fire without any obvious cause. The mischief has now been traced to an "art silk" which is really material prepared during the war for the manufacture of cartridges.

Fires are started in all sorts of odd ways. A man had just taken his seat at dinner when his dress jacket burst into flames. The solution was found in the fact that a potash throat lozenge, loose in his pocket, had become ignited by pressure against the side of a safety match box.

A few years ago a rounded window in a chemist's shop at Scarborough focused the rays of the sun so that they set fire to a celluloid box, while a fly was responsible for the destruction of a large house at Westport, in New Zealand. The insect flew into a gas jet, and, escaping with its wings ablaze, blundered into a muslin curtain which at once burst into flames.

Birds have been responsible for more than one conflagration. At Coverack, in Cornwall, a chimney in a farmhouse took fire. Out of it fluttered an owl with its feathers burning. It settled on a hayrick, and the latter was completely destroyed.

Rain falling on a truck of lime at Beccles Station caused a fire which destroyed the truck and its contents, and the string of a military kite falling across overhead tramway wires and a wooden house caused the destruction of the latter.

A strange case occurred in a wood near Grange over Sands. Red ants had constructed a huge hill in the roots of a splendid fir tree. Hot weather dried the heap, which was composed of vegetable matter. Then came warm rain and a return of heat. Chemical action resulted in spontaneous combustion, and the heap ignited, setting fire to the tree and bringing it to the ground.—London Tit-Bits.

**Colors Affect the Health.**

It is no longer a theory, but a proven fact, that certain colors produce certain desirable or extremely disastrous effects, even upon the ordinarily sensitive mind. Psychologists, eminent physicians, and skilled decorators are making a keen study of this subject, and each year discloses some new and valuable truth.

For a long time we have known that blue and violet were employed successfully in treating nervous cases; and so soothing indeed is blue that, when used in a whole room scheme—walls, curtains, rugs—it acts as a partial anesthesia upon extremely sensitive natures, sufficient for dental purposes or the carrying out of minor operations.

Red develops the action of the muscles as much as 50 per cent and is often employed in the medicinal world where stimulating results are desired, as in the treatment of smallpox, melancholia and certain forms of anemia. Red, therefore, is not a good color to choose when decorating the room of a "teenage" child, far, aside from its hot and heavy suggestion in summer, it overstimulates the already restless nature of the growing boy or girl.—Good Housekeeping.

**Rich Agricultural Land.**

The Egyptian fellah rarely eats meat. He works with every member of his family, twelve, fourteen or sixteen hours a day. He rarely touches wheat flour. He makes a flour of his own from a plant which we would call a weed. But he works the most valuable agricultural land in the world. Under irrigation it produces three crops a year. It sells for as much as \$1,500 or \$2,000 an acre. His cotton sold last year for \$200 a basket of 105 pounds weight. Prices just now are down to a quarter of that. Banks and corporations and such like sound financiers are much worried over the situation.

But not the fellah. He followed the good old advice and put last year's money into land.

**Speaks Contradictory.**

One of the features of Sir Oliver Lodge's "Raymond," which attracted much comment, was the alleged statement of the spirit Raymond that tobacco and cocktails were available in the spirit world. Raymond's testimony receives a challenge in "Revelations of Louise," by Albert A. Crockett. One of the spirits in this record asks for a cigar and says: "I have not smoked since I died. We don't have tobacco over here." He then explains that when the spirit re-enters the flesh its appetites come back as in life.—From a Bulletin of E. A. Stokes Company.

**Promoting Chapped Faces and Hands.**

Chapped hands and faces, a well-known physician says, are a form of inflammation of the skin caused by unnatural dryness. In winter the fat glands are inactive and to prevent chapping, the skin should be supplied with lubrication. Too frequent washing should be avoided and the skin tried very carefully. Then cold cream or olive oil should be rubbed into the skin. Before retiring the skin should receive the same treatment.

**American Houses for France.**

American contractors are constructing a thousand wooden houses for France. The windows, doors, paint, nails and bolts go with each house. Each house will consist of three rooms and a shed, and will occupy about 22 square feet.

**Why Colds Are Dangerous**

It is the serious diseases that colds lead to that makes them dangerous. They prepare the system for the invasion of influenza, pneumonia, tuberculosis, diphtheria, scarlet fever, whooping cough and measles. You are a much more likely to contract these diseases when you have a cold. For that reason you should get rid of every cold as quickly as possible. Chamberlain's Cough Remedy will help you. It is the only remedy known as a cure for the cold.—Advt.

The American Legion

IN PLEA FOR NEGLECTED MEN

Three Thousand Veterans From Legion Ranks Are Explaining Situation to American People.

Three thousand volunteer speakers from the ranks of the American Legion in every state are now carrying by word-of-mouth to the American people the Legion's story of the "suffering, shameful neglect and injustice" in the government's administration of the nation's debt to the disabled, which was contained in the formal memorial which the Legion has presented to President Wilson, President-elect Harding, and to all members of congress. Probably never before in the history of the country has such an army of orators been mobilized to speak at the same time upon a single text.

John Thomas Taylor.

The Legion aims to present to the people of the United States the facts regarding the disabled in the same language as they were presented to the officials of the government. The Legion's memorial was carried to the President at the White House by John Thomas Taylor, vice chairman of the Legion National Legislative committee. National Commander F. W. Galbraith, Jr. gave it to Senator Harding at Marion, where he had a long and important conference on the disabled situation with the next President.

The Legion denounces the present method of caring for the disabled as a "failure" which only can be remedied by the entire reconstruction of the federal machinery dealing with the problem.

The functions of the three agencies, which deal with the problems of the disabled, the bureau of war risk insurance, the federal board for vocational education, and the United States public health service, "must be co-ordinated, their machinery decentralized and all three placed under common control," the memorial states.

As an equally essential remedy for existing conditions, the memorial urges the immediate appropriation for the use of the unified organization of a sum ample to build or rent a sufficient number of hospitals to take care of the 10,900 ex-service men who are unable to receive treatment at present because of lack of beds and shelter.

The "failure" of the government to afford justice to the sick and wounded veterans is attributed by the Legion to "an astonishing state of divided responsibility and wasted effort among the government agencies with which the problem rests."

The break in the chain of responsibility occurs, according to the memorial, as a result of the fact that the war risk bureau is under and responsible to an assistant secretary of the treasury, an officer of the executive branch of the government, while the federal board for vocational education is responsible only to congress, and is under none of the executive departments of the government.

The memorial asserts that the United States has been more liberal than any other nation in its provisions for the disabled soldiers, but that it has failed in large measure to make these provisions available in spite of the benefit of the experience of other nations in the recent war and the experience of this nation in previous wars.

"In the re-habilitation of a disabled man there are three needs—medical treatment, vocational training and financial support," the memorial states. "The government has recognized the three needs, but overlooks the fact that they are the simultaneous needs of one man, not of three different men or of one man at three different times. It makes three problems out of what really is one problem."

"Continuing this faulty conception, it has given the problem over to three agencies. All, by force of circumstances, are exercising functions they were not intended to exercise. This presents an amazing spectacle of administrative chaos, duplication, wasted energy and conflict, which is the key to the present condition."

"The result is the suffering of the disabled veterans. Thousands are waiting and have waited for months for compensation for their injuries. Thousands have waited for months for an opportunity to re-establish themselves as self-sustaining members of society by vocational training. Thousands are in need of hospitalization, and the government has no hospital facilities available for them. Of

She States It Mildly

While suffering with a severe attack of grip and threatened with pneumonia, Mrs. Annie H. Cooley of Middlefield, Conn., began using Chamberlain's Cough Remedy, and was very much benefited by its use. The pain in the chest soon disappeared, the cough came loose, expectoration easy, and in a short time she was as well as ever. Mrs. Cooley says she cannot speak too highly of this remedy.—Adv.

**CAVE OF WONDERS AUCTION!**

Lewis and Clark Cavern Never Fully Explored.

To insure its Preservation From Destruction by Vandals It Has Been Made a National Monument.

Overlooking for a distance of over fifty miles the trail by which Lewis and Clark traversed the great Northwest is a wonderful limestone cavern which rivals the well-known Luray caves in Virginia.  
This location was designated as a national monument in 1908 so as to protect the wonderfully colorful stalactite and stalagmite formations from the destruction of vandals.  
The cavern contains innumerable vaulted chambers, but up to the present has only been explored for a distance of 700 feet horizontally and 250 feet vertically.  
The cave is in the deposit known as Madison limestone, which inclines steeply at this spot toward the southwest, the cavern following closely the direction of the dip.  
So far only two small entrances have been found, both of these being on the same side of a steep canyon, about 500 feet below the rim and 125 feet apart.  
Only one of these can be used without ropes. From the main entrance a stairway descends for about 175 feet to the main portion of the cavern, which is nearly horizontal.  
Ladders have been built at places in order to reach still lower levels. A very narrow passage about 100 feet long is followed to reach the lowest points.  
Due to the fact that there is no custodian in charge, it is necessary to keep the door of the main entrance locked, so that it is not accessible to visitors at all times. The monument has been placed in charge of the superintendent of Yellowstone National park.  
It is expected that a permanent custodian will be appointed shortly so that the cavern can remain open. The location is about forty-five miles southwest of Butte on the Northern Pacific railway, and about three-quarters of a mile northeast from the post office of Cavern.

**Golf Now Presidential Game.**  
What a part golf has come to play in our public life! Thirty years ago there were two or three golf courses in America. The few people who played it were regarded as faddists who had encountered some form of aerial croquet, observes the Cincinnati Times-Star.  
In quest of recreation, President Cleveland sought the quietude of boat and bait in a side stream. So far as records show, President Harrison had no form of sport. President McKinley found his sole form of relaxation in the smoking of cigars. Then came Theodore Roosevelt, whose strenuously turned him to tennis with an occasional boxing match until a professional or a more youthful if less vigorous amateur.  
But after Colonel Roosevelt golf reigned supreme. President Taft played the game regularly and President Wilson, until his unfortunate illness, was seen on the Chevy Chase course almost every day. Senator Harding now is to move his golf clubs into the White House.

**Bird Protection Effective.**  
That the passage and enforcement of the law preventing spring shooting and marketing of migratory game birds is now producing excellent results is pointed out by officials of the biological survey. Without such restrictions they say the game birds not only would be greatly reduced in numbers, but in many instances would be brought near extinction. The biological survey, which is charged with the enforcement of the federal law and regulations protecting migratory birds, is receiving reports from all sections of the country showing that with the protection now enjoyed by the birds, their numbers are increasing each year, and that they are returning in spring to numerous breeding grounds which they have deserted for several years.

**Are Pies Round or Square?**  
The teacher of a class in arithmetic was explaining how to find the circumference of a circle. After measuring a number of circles the children found that the circumference was always 3.1418 times the diameter. It was called pi. Then the teacher asked the class: "Why do you suppose the mathematicians call it pi?" No one seemed to know and finally one girl held up her hand.  
"Well, Mary," said the teacher.  
"Because pie is round," was the reply.  
"It isn't; sit down," was the command.  
Mary sat down, murmuring: "Well, I never saw a square one."

## PLYMOUTH DEBATES MT. CLEMENS TONIGHT

Mt. Clemens comes to Plymouth tonight expecting to win the sixth debate in the state series. The Plymouth team will do their best to defeat the Mineral City trio, which consists of two speakers from the last year's team, which we did defeat. The Mt. Clemens squad consists of Herbert Irish, Otto Nicks and Bernice Smith. Plymouth High school will be represented by the same people, Lyman Judson, Etha Wiseley and Charles Chappel, who have done so well for Plymouth thus far this year. The High school orchestra will furnish music. Come and hear the Mt. Clemens-Plymouth debate, Friday evening, March 11, at 7:30 o'clock.

That all interested may know just who the members of the Michigan High School Debating League are and what they have done, we have printed the following outline, through the courtesy of the Plymouth Mail. In reading the schedule of 130 schools, A means affirmative side, N means negative side, F means won by forfeiture; 4 means points for a debate won unanimously; 3 means winning with a 2 to 1 decision. The names of the schools in capital letters are those 16 having the highest score and thus entitled to go on in the elimination contest:

### W. C. T. U.

The last meeting of the W. C. T. U. was held at the home of Mrs. Sewell Bennett, and was a very enjoyable meeting. About forty were present, and report a good time. The meeting of March 17 was to have been with Mrs. Nelson Cole, but she having moved into the country, is unable to have the meeting, so it will be held at the home of Mrs. George Smith on Union street. Everyone try to come and we'll have a good meeting. There are a few who have not paid their 1920 dues. Please bring or send them before the annual meeting.

### Baptist Notes

The pastor was sick last week, so no notes were sent to the paper. On February 27, the Sunday-school held recognition day for the cradle roll. The superintendent read sixteen new names that had been placed on the roll, and the primary department sang a song for the babies, and the recitations were given along the same line. The superintendent asked the pastor to offer prayer for these new ones on the roll, and the parents that the children might be trained in the nurture and admonition of the Lord." Mrs. Daly is superintendent of the cradle roll department. A good audience listened to the sermon on "The Second Coming of Christ," with its simple illustration on the board. Sunday, March 6, plans were made for decision Sunday, March 13, in Sunday-school. Special music is

planned for the opening exercises. Male quartette will furnish the songs.

The young married people's class is growing. Bring your friends next Sunday.

The B. Y. P. U. seems to be gathering interest as the weeks pass along. Every week Mr. Allenbaugh gives studies in the scripture after the devotional exercises are over. Every Sunday night at 6 p. m.

The Ladies' Aid society met with Mrs. Charles Grainger on Mill street, this week Wednesday.

The choir has begun rehearsing for Easter. A good program is being arranged for that date.

Remember the date, March 24th, when the Ladies' Aid hold their apron sale and serve that good supper.

The label on your paper tells when your subscription expires.

your friends*

Are you letting those you care for drift away from you?

That girl or boy at college. That chum in a nearby town. That relative.

Distance is no excuse for neglecting them.

Although perhaps you cannot visit them frequently, you still have an intimate and convenient means of communication.

Long Distance Telephone Service brings them as near to you as your telephone.

Connections with state towns are a matter of minutes; then you are all ready for a good heart to heart visit.

Speak in a low ordinary tone; conversation can be heard distinctly.

There is no need for neglecting acquaintances in other towns these days.

Keep close to your friends. Show them that you care.

# Do You Know the Facts About Building Costs?

Do you know that lumber and building materials are down?

Have you talked to us lately about building?

Do you know how reasonably you can make needed repairs, build your new home, or remodel your old one?

Better get in touch with the situation at once.

The big building program that was expected in 1920 failed to develop. The manufacturers were caught with too large stocks, and were forced to turn them over at almost cost.

We can show you a substantial saving on every item in our line.

But it's only fair to tell you this condition may be only temporary. The country is short more than a million homes. Our own city is short many homes. When people begin to do this long delayed building, demand will increase rapidly, creating another shortage of materials, and prices will advance again.

If you are planning to build, remodel, or repair, come in and let us give you figures. Then when we show you the actual savings over last year's prices and show you how favorably present costs compare with those of 1914, make your own decision.

Get in touch with us today.

## WAYNE COUNTY BUREAU NEWS

### INTERESTING ITEMS OF NEWS OF THE FARM ORGANIZATIONS OF WAYNE COUNTY.

The only county in Michigan in which all branches of the federal and state extension service is conducted in Wayne, where there is a county agent, boys' and girls' club leader and home demonstration agent. This was explained by representatives of the M. A. C. in complimenting the members and executives of the Wayne County Farm Bureau at the annual meeting of that organization, held at Romulus on Saturday. This was about the most enthusiastic as well as the largest meeting of the farming industry ever held in Wayne county, the Grange hall being crowded to capacity at both the morning and afternoon meetings.

The annual report of Secretary-Treasurer Carmichael showed that the organization had had a very prosperous year, that the amount of business transacted exceeded the expectations of the officers, with future prospects very bright. The extension staff explained the projects for the coming year, broadening the scope of the work in each department. The seven members of the executive board were all re-elected by acclamation, as follows: August L. Bunte, Flat Rock; N. L. Rogers, Belleville; Jas. H. McKenney, Sumpter; Ray T. Gibbs, New Boston; Ernest Bird, Romulus; Levi Clemens, Livonia; Mrs. Maud L. Bennett, Plymouth.

A very excellent dinner was served at noon by the ladies of Romulus Grange. The afternoon speakers included Mrs. Campbell, state leader of home demonstration work, and R. J. Baldwin, head of the extension department, M. A. C. They spoke in particular of the fine work being done by the Wayne County Farm Bureau, and also the fact that this was the only county in the state carrying on the three branches of work being pushed by the college in the agricultural districts.

The new executive board will meet at Dearborn this Saturday to complete the work of organization.

### THE UNITED GUN CLUB

Regardless of the heavy snowfall on Saturday, the regular semi-monthly club shoot was held Sunday with eight contestants in the 50 target program. As is usual when he is present, Mr. Cavers carried away first honors, with a score of 48 out of 50. Our genial guest, George McCall, was close on his heels with 47 breaks. Mr. Vallaux, who has been shooting but a short time "found" 15 out of 20 the last time up. Following is the result of the afternoon's sport at the traps:

C. Merritt	45 out of 50
M. Powell	45 out of 50
H. Passage	46 out of 50
F. Hills	41 out of 50
G. McCall	47 out of 50
W. Cavers	48 out of 50
R. Vallaux	32 out of 50
A. Evans	41 out of 50

Secretary.

### FREE CHURCH

Mr. and Mrs. Charles A. Root entertained at their home on Thursday evening, Mr. and Mrs. T. Gardner, Mr. and Mrs. Wm. Grammel, Mr. and Mrs. F. A. Hesse, Bryan Czaplak and Mansel Gardner.

Mr. and Mrs. George Wright and family and Mr. and Mrs. T. Gardner spent Friday evening at Peter Faulet's.

Mr. and Mrs. William Grammel entertained on Sunday evening at a six o'clock dinner: Mr. and Mrs. Thomas Gardner and Frank Hesse and family. Mansel Gardner of Redford, visited his brother, Thomas, a few days last week.

Harlow Ingall has been confined to his home on account of sickness. School was opened again on Monday in the Miller district, which has been closed for the past two weeks on account of not being able to secure a teacher.

### Presbyterian Notes

Extensive repairs were made this week to the roof of the church.

The Busy Woman's Bible Class held its monthly social and business session at the home of Mrs. M. G. Hill, on Ann Arbor street. A splendid music and a program of songs and impromptu readings was given. The April meeting is to be held at the church house.

Arthur W. Church of Detroit, was a visitor at the manse, last Tuesday. Something new in the way of a vesper service is being planned for Easter Sunday.

### GRANGE NOTES

Plymouth Grange held a very enjoyable all-day meeting, February 26, at the hall, conferring degrees on a class of six, and in the evening gave a very very successful social dancing party. The party will be repeated in two weeks, the members being requested to contribute toward refreshments the same as before. At the afternoon session, J. F. Root demonstrated how farmers could graft their own fruit trees.

At the last regular meeting, Thursday, March 3rd, Mr. Holcomb presented the consolidated school question in a very interesting and instructive manner. Discussion was led by Mr. Postill, Mr. and Mrs. Becker, Mrs. C. W. Root and Mrs. Maud Bennett. The program, which was in charge of Mrs. C. W. Root, was interspersed with instrumental music delightfully rendered by three of Miss Penney's pupils, Marguerite Wood, Juanita Coe and Gladys Schrader.

Mr. and Mrs. Swegles were elected to become members of the order. The next regular meeting occurring on "St. Patrick's day in the morning," the color scheme and selections will be suited to the day. The vote on the amendment to the by-laws, changing the day of meeting from Thursday to Saturday, will be taken at this time, proper notice having been given.

Let us not forget our slogan—Every member, one member, nineteen twenty-one.

### STARK

The surprise party given at Mr. and Mrs. Roy Clement's, last Saturday evening, in honor of Mrs. Howard Bentley was well attended.

Pedro was the game of the evening. Mrs. Lillie Kehri and Charles receiving first honors. Mr. and Mrs. Clement surely did serve a dainty lunch, and all report a very fine time.

Mrs. William Maynard and Delbert Maynard and son visited at Mr. and Mrs. George Maynard's, Sunday.

Mr. and Mrs. Hazen Fisher and daughter, and Mrs. William Johnson and Fred Johnson visited Mr. and Mrs. Dick Fisher and family, Sunday.

Mrs. Belle Fisher of Newburg, spent Saturday and Sunday with her son, Dick and family of Belleville.

Mrs. Mary Maynard spent Friday afternoon in Plymouth, calling on E. Maynard, who has been sick.

Mrs. H. E. Flaherty entertained her cousin from Detroit, last week. Mr. and Mrs. Ed. Egloff and sons and Elmer Sessions spent Thursday evening with Mr. and Mrs. William Maynard of Stark.

No man knows just how foolishly he can act until he gets out to a woman's afternoon social party.

FRAINS LAKE

Mrs. C. H. Freeman was a caller at Mrs. Theresia Lyke's, Sunday. Lyke, George and Edward Lyke were patients and Ann Arbor shop on Saturday.

count of the latter nursing a sick horse. The entertainment given last Thursday night by members of Palestine Lodge of Detroit, netted the G. R. O. W. class \$87.00, which will be applied on electric wiring.

for boys and girls, has organized a sewing club here in the school, with Mrs. Lena Staebler as leader. The birthday party, which Mrs. Ed Lyke had planned for Mrs. Theresia Lyke, had to be called off on account of the latter being taken sick some time before, and she is now failing very fast.

PLYMOUTH WINS AND LOSES A GAME

GIRLS WIN FROM FARMINGTON GIRLS 17-12, WHILE P. H. S. BOYS ARE DEFEATED BY FARMINGTON BOYS 32-7.

Last Friday night a return game with Farmington was played on the Plymouth floor. The game started out very favorably for Plymouth, as the score at the end of the first half was 11-4. But at the beginning of the second half, Farmington became wide awake, and ran their score up to 20, making a tie score at the end of the third quarter. It was up to both sides to fight now and no sides did.

Farmington baskets—T. Catherman, one basket; I. Hambleton, three baskets and four free throws. Referee—Miss Laura Curtis from Ypsilanti State Normal.

When the Plymouth boys played at Farmington, the score was 50-3 for the Oakland county boys, who came over here last Friday to duplicate the feat.

The line-up: Plymouth—Tait, Walker, r. f.; Walker, Stevens, l. f.; Wisely, Stevens, c.; Syles, l. g.; Wilcox, r. g. Farmington—Banfield, r. f.; L. Harger, H. Catherman, l. f.; Roth, L. Harger, c.; R. Catherman, l. g.; D. Harger, Tredway, r. g.

Baskets—Tait, Wisely, Stevens, Banfield 3, L. Harger 4, Roth 2, R. Catherman 3, H. Catherman 2, D. Harger 1, Wilcox, 1 of 3; Banfield, 2 of 6.

The quarantine has been lifted from the Reiley Wolfrom home, and Miss Lundy is to be an after-noon attack of influenza.

The school will give a dancing party at the hall, Thursday evening, March 17. Everybody is urged to attend and help swell the piano fund. It is expected that the piano will be purchased before that evening, and will be used to furnish the music, so you can see that your money helped to pay for. The school is badly in need of a musical instrument.

Do not forget the Republican caucus, Saturday afternoon, at 2:30. The Democrats will hold their caucus Monday afternoon.

NEWBURG

There was a very good attendance at church, Sunday, considering the condition of the roads. A lively interest is kept up in the League, there being fifty-six present Sunday night. Mrs. William Meeker will read next Sunday evening, the subject being, "What Does it Mean to be a Christian?"

Mr. and Mrs. Robert Holmes and two sons spent several days recently with Mr. Holmes' sister in Salem.

Charles Carson, who was so brutally attacked and robbed by two men, last week Thursday, is able to go to the store again. His head is still bandaged. There were three detectives out from Detroit, also the police from Plymouth, to find out what they could about the affair. So far the bandits have not been apprehended.

GREATEST RELIGIOUS SCREEN DRAMA

"STREAM OF LIFE," SIX REEL PHOTOPLAY WILL OPEN TWO WEEKS OF PICTURE EVANGELISM AT METHODIST CHURCH MONDAY.

An epoch in moving pictures and also in the development of church work will be marked by the showing of "The Stream of Life," a six-reel religious photoplay, at the Methodist church next Monday. As an artistic production, the picture is unequalled, applying Tennyson's "The Brook" to the unfolding of a human life, and the fact that the every-day scenes of the church will be shown in the picture.

But more distinctive than this is the fact that the Rev. F. M. Field has chosen this picture for the first night's use, as the basis of the entire week of Easter services. The picture will be shown at 8 p. m. for school children and at 7 p. m. for adults and young people.
