KANTLEEK

It Can't Leak, Because It's Made in One Piece

EVER been scalded by a leaking hot-water bottle? This can't happen with a Kantleek.

Kantleek Hot-Water Bags can't leak. They are "one-piece" water bags—moulded from pure soft rubber into a single piece—no joints or seams. Most hot-water bottles are made in sections and cemented. Cement cracks—bag leaks.

We guarantee a Kantleek for two years—or a new bag free. Ask to see the Kantleek. You may need it tonight.

PLYMOUTH ATHLETES AT LANSING

PLYMOUTH HIGH HAD FOUR MEN ENTERED IN THE INTER-SCHOLASTIC INDOOR TRACK MEET AT M. A. C. LAST FRIDAY NIGHT.

Four Plymouth High school students entered the interscholastic indoor track meet at Michigan Agricultural College, last Friday, and stacked up against the representatives of Lansing, Jackson, Ann Arbor, Highland Park and Kalamazoo. All of these schools have an indoor running track, except the last, which uses that of Western State Normal. The boys who went to Lansing with Coach Holcomb were McHale, Walker, Stevens and Freydl. Only four events were open to High schools, and due to Miller's absence from the list on account of sickness, no one was entered in the high jump. In the 40-yard dash, four heats were run, first place from each entering the finals. McHale and Stevens each ran second in this heat, each losing by the margin of distance lost due to his slower start on the unaccustomed indoor track. Stevens' competitor was Gaudier of Kalamazoo, who lost first place only by a few inches in the final in 4 3-5 seconds, equalling the time of the best men of the Intercollegiate meet. Plymouth ran as well as Lansing or Ann Arbor, and but one man of Jackson and Highland Park did better.

In the relay, the teams drew for places, running two by two. Plymouth was "out of luck" here, drawing Kalamazoo, the team which won the final heat. Plymouth lost in better time than that of Ann Arbor, which won the first heat by beating Lansing High. Kalamazoo's time in the final lowered the M. A. C. indoor record and was only 2-5 second more than that of Kalamazoo College.

In short, while the Plymouth boys showed inexperience and lack of training on such a track, they made a showing of which the school may well feel proud.

PLYTHEAN PLAYS

The scene is in "The Haymarket," which was the Fifth Avenue of London in 1760. The beautiful Betty Burnay is the lord of the town. Beverley and Lord Cranford fight a duel as suitors for her hand—a duel with dice. To the amazement of both suitors, it turns out that Lady Betty has been hidden in the room all the time, and so is convinced of the correctness of her judgment of the two men. Be sure to see "The Haymarket."

Another short farce is "Boosting Bridget." The young woman who tries to apply her very theoretical ideas derived from a course of lectures in her city to the so-called "uplift" of Bridget, gets a severe jolt when her aristocratic friends call and find a big Irish maid drinking tea in the drawing-room and monopolizing the conversation. Delicate hints are lost on Bridget, and how to get rid of her without hurting her feelings is a great problem.

"Three Pills in a Bottle" is a fantasy and totally unlike the other plays. It is the kind of thing you will like to think about afterwards for it contains much that you will carry away with you.

These three short one-act plays are to be given in the High school auditorium, Wednesday evening, March 23, at 7:30 o'clock. Admission, 25 cents.

DEATH OF HENRY MERRITT

Henry M. Merritt, brother of Mrs. Ella Rathburn, Mrs. Burt Crumble and Mrs. William Verkirk of this place, died suddenly at the home of his niece, Mrs. Wm. McCullough, 254 South Mill street, at 3:00 p. m., Tuesday, following a stroke of apoplexy. The funeral will be held at 2:00 p. m. Friday, at Schrader Bros. Funeral Home. A more complete account will follow next week.

The ladies of the Baptist church will hold their annual apron and other articles sale in the basement of the church, Thursday, March 24. Self-serve supper from 5 p. m. until all are served.

PLYMOUTH WINS SIXTH VICTORY

PLYMOUTH HIGH DEBATERS WIN FROM MT. CLEMENS HIGH TEAM BY A 2 TO 1 DECISION LAST FRIDAY NIGHT.

Plymouth High school's sixth debate resulted in a 2 to 1 decision for Plymouth. Sidney D. Strong, our city manager, was a most able chairman, and the judges were Dr. N. A. Harvey of the Michigan State Normal College, Ypsilanti; Superintendent of Schools Ericson of Ypsilanti, and Prof. Pator of the Economics Department of the University of Michigan. The Mt. Clemens team, which consisted of Otto Nickel, Herbert Irish and Bernice Smith, showed great improvement in their work since they met Plymouth's team last year, which is to be expected when we realize that the Mt. Clemens people were coached by Robert Ward, who represented the University of Michigan on its varsity debating teams in 1917 and 1918, when the subject was compulsory adjustment of labor disputes. Nevertheless our team beat them in main argument, rebuttal and at least matched them in delivery. Our Plymouth team did the best in rebuttal that it has done so far this year.

Next Friday night, March 23, Lyman Judson, Etha Wisley and Charles Chapel will go to Bad Axe, where they will debate the team representing the High school of that city.

REPUBLICANS NOMINATE TICKET

THE CAUCUS HELD LAST SATURDAY LARGELY ATTENDED; ONLY ONE TICKET IN THE FIELD THIS SPRING.

The Republican caucus held in the village hall, last Saturday afternoon, was one of the largest attended that has been held in Plymouth for many years. J. S. Dayton was chairman of the caucus; Julius Kaiser, secretary, and W. T. Pettingill and George A. Smith, tellers. There was a close contest for supervisor, P. B. Whitbeck receiving a majority of one vote over W. R. Shaw and I. N. Moore. On the one ballot, Miss Lina Durfee was nominated for clerk by acclamation. R. A. Wingard was elected on the first ballot for treasurer. It took several ballots to nominate a justice of the peace for full term. There were several candidates, and J. O. Eddy was finally nominated.

The Democrats have failed to nominate a ticket, so there will be only ticket in the field this spring.

The following is the Republican ticket:
 Supervisor—Preston B. Whitbeck
 Clerk—Lina Durfee
 Treasurer—Russell A. Wingard
 Justice of Peace (full term)—James O. Eddy
 Justice of Peace (fill vacancy)—Oliver H. Loomis
 Highway Commissioner—Charles F. Roberts
 Highway Overseer—Bethune Stark
 Member Board of Review—George H. Robinson
 Constables—George W. Springer, Charles F. Millard, Robert Ketcham, LeRoy Beiman

ANNUAL VILLAGE ELECTION

The annual village election in Plymouth, last Monday, was a very quiet affair, there being no contests for the three offices of commissioner. A total of 52 votes were cast. E. R. Daggett received 49; George H. Robinson, 48, and J. W. Henderson, 49. Scattering 1, and three spoiled. The three gentlemen elected were candidates to succeed themselves, and all have served the village efficiently and well.

The Plymouth Delphian chapter will meet at the school house, Tuesday afternoon at 3:00 o'clock.

FAIR AND BAZAAR OPENED THURSDAY

MANY ARE ATTENDING THE BIG I. O. O. F. FAIR AND BAZAAR IN PENNIMAN HALL; FRIDAY AND SATURDAY WILL BE BIG DAYS.

The big I. O. O. F. fair and bazaar, which opened in Penniman hall, Thursday at noon, is now on in full swing. The various booths for the sale of candy, cigars, cupie dolls, pillow tops, groceries, meats, fruits, soft drinks, popcorn, fancy work, baked goods, canned goods, farmers' market, fish pond, ice cream and lunches, etc., present a very attractive appearance with their decorations. It is a real fair and there is plenty of entertainment for the big crowds, who will attend each afternoon and evening. Patterson's orchestra will furnish music tonight, Friday, and Millard's band on Saturday evening. Don't miss the fair and bazaar. Open from noon until midnight.

WILL REPEAT HOME TALENT PLAY

The three-act home talent play, "Mrs. Tubbs of Shantytown," which was presented in the Penniman Allen theatre, Friday afternoon, February 25th, by the third division of the Woman's Club, will be repeated on the evening of Friday, April 1st. The entire proceeds will go toward the building fund of that society. The members of the club are very desirous of having a club home, and are working hard with that object in view.

The play is full of mirth and pathos, and if you have not seen it come and have a good laugh at Mrs. Tubbs' homely philosophy; if you have seen it come and help swell the building fund. Remember the date, Friday evening, April 1st. General admission, fifty cents; children, twenty cents.

MASONS WIN AGAIN FROM ODD FELLOWS

The Masons again conquered their Odd Fellow opponents in a hard-fought basket ball game last week Thursday evening, by a score of 25 to 10. Much life was added to the fray by the keen rooting for both teams. The Millard band was present and put enthusiasm in the top notch before the game and during time between halves. The last game of the series occurs Friday evening, March 18th, giving the Odd Fellows their last chance for victory. The line-up was as follows:
 Masons—Champe, r. f.; Millard, l. f.; Finn, c.; Sob, r. g.; Jewell, l. g.; Odd Fellows—Compton, r. f.; Wheeler, l. f.; Schrader, c.; Wollgast, r. g.; Gray, l. f.

How to Reduce the Cost of Your Next Crop

Lowering the Cost of Farming is the Important Thing Right Now
Farmers everywhere are cutting the cost of raising crops by using the Moline Universal Farm Power Plant.
One farmer says that he is farming 195 acres with but two horses where he previously kept six. He says he has saved the up-keep and feed of four horses for one year, also a man's wages and keep for 9 months. Last year this farmer used his Moline to—
Plow 100 acres
Harrow 40 acres
Disc 140 acres
Cultivate 200 acres
Mow 20 acres
Harvest 24 acres
Another farmer says he can do better work with the Moline than with horses and horse-drawn implements and that he has reduced his horses from 9 to 3. He also says that the housework is made easier by not having to cook for the hired hands.
A total of 2680 acres plowed, disced, harrowed, seeded, cultivated, harvested and ditched in 237 days, and the saving of one man for 12 months, is the record of another Moline owner.
You can use the "drag behind" or horse-drawn implement you now own with the Moline the same as with any other make of tractor.
The Moline System of Farming with Power will lower your cost of raising crops just as it has for thousands of other farmers who have been glad to write about their experience with it.
Costs are lowered because the work can be done faster and less men and less horses are needed to do it. It saves men and it saves horses because the Moline does belt work and all field work including cultivation with one man.
Make your plans now for lowering this year's costs. Prosperity is not reached by false economy. Come in today.

PLYMOUTH WINS AND LOSES AT WAYNE

THE GIRLS TEAM WIN BY A SCORE OF 43 TO 12; BOYS ARE LOSERS WITH THE SCORE 22 TO 13.

The girls' basket ball team played their return game at Wayne, last Friday evening in Hoop's hall. The first basket was quickly made by Plymouth, which made the players feel safe. As the game progressed, the Wayne girls played harder, making it a more interesting game. The score from the first was in Plymouth's favor. At the end of the first half the score was 19-8. The final score was 43-12. Following was the line-up:
Plymouth—Wright, f.; F. Kiely, f.; Duce, c.; Roe, c.; Mueller, g.; Shutte, g.
Wayne—Hoops, f.; True, f.; Taylor, f.; Deitman, c.; Nicks, g.; Rayerat, g.; Theredin, g.
Baskets—Kiely, 13; Wright, 8; Hoops, 5.
Fouls—Wright, 1 of 4; Hoops, 1 of 3; Truesdell, 1 of 1.
This week Friday the team plays at Redford. The game is expected to be the hardest of the season. When Redford played at Plymouth, the score was tied on the final whistle blow, and Plymouth made the deciding basket, making the game Plymouth's.

The boys' basket ball team traveled to Wayne on Friday, March 11, and played at Hoop's hall at Hoop's hall. The game started out to be a serious one, although Referee Ellsworth let the boys continue presented being too rough. The score stood 12-7 at the end of the first half. The team was handicapped by playing on a strange floor with a low ceiling, also by the fact that they had few substitutes to put in. The final score was 22-13. Crook, g., responsible for most of Wayne's scoring, and Sherrick for Wayne's guarded well. The line-up:
Wayne—Luko, f.; Crook, f.; Porter, c.; Carpenter, Cuzzell, r. g.; Sherrick, l. g.
Plymouth—C. Tait, r. f.; D. Sayles, T. Strasen, l. f.; W. Wisley, c.; B. Wilcox, D. Sayles, r. g.; M. Strasen, l. g.
Baskets—Crook, 6; Luko, 3; Sayles, 1; Wisley, 2; Tait, 1.
Fouls—Luko, 2 of 12; Tait, 5 of 6.
Referee—Ellsworth of Wayne.

STATE TROOPER KILLED

SUSPECTS EXCHANGE SHOTS WITH POLICE FROM ROADSIDE NEAR NOVI.

We take the following from an extra edition issued by the Farmington Enterprise, last Saturday morning, a few hours after the shooting of Corporal Harold Anderson of the state police, in a roadside battle near Novi:
"At twenty minutes of four this morning the State Police office received a call from near Novi, stating that a large car had been starting on a dark road off Grand River Avenue near the road. Mr. Gray made the report and stated that a man had recently held an auction sale and the mysterious car was parked near this man's home. He was reported to have considerable money in his house representing the proceeds of the sale.
Troopers Charles Hughes and Harold Anderson called Norman Lee, the Deputy Sheriff, at about four o'clock the three proceeded to the spot where the mysterious car was reported. Mr. Lee was driving a high-powered Nash.
As they came in the vicinity where the death car was reported to be, the officers began to swing the search light around the cross road, when suddenly the light hit upon a shiny Cadillac car.
They stopped the car at once at a short distance from the other car. Troopers Anderson and Hughes stepped out of the car and ran to the death car. Trooper Anderson opened the front door and seeing five men, asked what they were doing? They answered that they were out having a good time. Trooper Anderson told them to get out of the car so that he could look them over. They laughed at him, and Trooper Anderson reached for the man sitting next to the driver for the purpose of pulling him out of the car. The man said "let go," and stuck his gun to Trooper Anderson's breast and shot him through the heart. Anderson shot his gun six times. He then ran toward Lee's car. Climbing into the front seat he exclaimed, "My God, I'm hurt," and they got me through the heart." Hughes, in the meantime was attempting to get a man out of the rear seat. After the man in the front seat shot at Trooper Anderson twice, he emptied his gun at Trooper Hughes. They started the car at a high rate of speed and brushed Hughes from the running board. Hughes emptied his revolver into the rear of the disappearing car. Sheriff Butler of Pontiac, with a large force of deputies discovered rips near the scene this morning. Trooper Anderson's body was taken to Dr. Holcomb's office at Novi. Trooper Hughes then notified Headquarters at Lansing and the surrounding cities including the Detroit police.

Efforts to trace the car and capture of the bandits have as yet proven unsuccessful.
Anderson, who was 22 years old, was until recently stationed at the state police barracks in Plymouth, and was well liked by all who knew him here, and the untimely death of the young officer is most sincerely regretted by all. Trooper Hughes has also been stationed at the local barracks. Funeral services for Corporal Anderson were held at Bic Rapids Tuesday, six members of the state police acting as bearers.

FIRST ORATORICAL AND DECLAMATION CONTEST

Plymouth High school's first oration and declamation contest, Tuesday evening, March 8th, was a decided success judging from the remarks of the audience. Every one of the thirteen speakers spoke clearly, enunciated distinctly and showed enthusiasm in delivery.
In the declamation contest, the judges tied their votes for Kenneth Bartlett and Eva Griffith. After a second ballot, Eva Griffith was given first place for her declamation, "Toussaint L. Ouverture" by Wendell Phillips, and Kenneth Bartlett was given second place for his delivery of "America Invincible," by Pitt, Earl of Chatham.
In oration, first place went to Lyman Judson for his oration, "The Romance of Invention," and second place to Charles Chappel for "The Cause of Ireland." "Peace for Ireland" delivered in a most stirring manner by Irene Rattenbury, made both of the winners work for their places. The winners of first place in oration and declamation were awarded bronze medals, while the winners of second places were each given books.
The chairman of the evening was E. W. Henderson of the board of education, and the judges were Rev. Sorenson, Rev. Hathaway, Rev. Field, Rev. Sayles and J. S. Dayton.
As a result of the contest last Tuesday night, Lyman Judson will represent Plymouth in oration at the statewide contest of the Michigan High School Oratorical League and Eva Griffith will represent us in declamation. The contest is scheduled for the first week in April.

GOSPEL PREACHING BY PICTURES

SCREEN BEING USED AS AID TO PULPIT IN EASTER MEETINGS AT METHODIST CHURCH.

The great evangelistic picture, "The Stream of Life," was shown to two large audiences in the Methodist church last Monday night as an opening for two weeks of special Easter meetings. About two hundred boys and girls saw the picture in the afternoon and in the evening the adults and young people completely filled the church. The picture had in it a powerful appeal for those who have had early religious training.
Each night this week Rev. Field has been preaching from the messages of "The Stream of Life," and tonight will give the closing message of the series on "Crossing the Bar." At 7:30 a beautiful moving picture in the brilliant colors of nature produced by the Prizma process will be shown, followed by a brief song service and the sermon.
The messages for Passion Week, beginning next Sunday evening and continuing each evening but Saturday, will be illustrated by beautiful views thrown on the screen. The following themes will be presented:

"The Lopsided Man," "The Meanest Man in Town," "The Man Whose Bed Was Too Short," "God's Welcomes and Man's Refusals," "The Good Shepherd" and "Uncertainty."

Methodist Matters

The beautiful custom of bringing cut flowers and plants to the church for Easter Sunday in memory of some departed loved ones will be observed in the Methodist church here again this year. Last year fifty families were represented by flowers, and the altar was a veritable bower of beauty. The flowers are to be brought to the church on Saturday or early Sunday morning that they may be properly arranged, and may be taken home in the evening or left to be distributed to the sick and shut-ins, as may be desired. Those who desire to participate in this beautiful custom should get their orders in to the florist as soon as possible, as last year many who waited until the last of Easter week were disappointed.
Passion week is to be observed this year, not only by services every night at 7:30, but by each individual and family it is to be made a week of self-denial, in accordance with the suggestions of Bishop Henderson in last week's Advocate, on page two. Thinking of others more and of self less, seeking every opportunity of helpfulness, giving more time than usual to prayer and bible reading, engaging in religious conversation, foregoing some luxury or pleasure, and laying aside the saving for the Easter self-denial offering, are some of the suggestions. This offering will be taken on Easter Sunday morning, and offering envelopes will be ready for distribution next Sunday.
The fourth article of a series running in the Michigan Christian Advocate, entitled, "Where We Get Our Preachers," is from the pen of Rev. Frank M. Field, pastor of the local Methodist church, and appears in last week's issue under the caption, "A High School Boy Decides." Most of the article is made up of personal incidents from the author's own life and ministry.

The March meeting of the Ladies' Aid society, held in the church last Wednesday, was made an all-day gathering for sewing for needy families and busy mothers. At one o'clock a St. Patrick's dinner was served by Mrs. Patterson's division, and a good time was enjoyed by all, as well as much help given to a good cause.

FOR years the demand for Buick cars has always exceeded the supply—even when Buick production mounted to 500 cars daily.
Because of the material curtailment of motor car production this winter, the country faces a decided shortage of quality cars this spring and summer.
Consequently Buick dealers are advising motorists to place their Buick orders now because orders must be sent to factory months in advance of delivery.
The reason why the demand for Buick cars has always exceeded the supply is more pronounced than ever in the 1921 Buick. Coupled with the noted Buick power and dependability are added riding comfort, easier control and a beauty and grace that fittingly express Buick worth.
Authorized Buick Service insures full return on Buick investment.

The Height of Musical Joy
YOU get the height of musical joy when you hear a great living artist. But you get equal joy when you hear the same artist on the New Edison.
The proof of this is convincing, conclusive and concrete.
The NEW EDISON
"The Phonograph with a Soul"
Convincing—for Mr. Edison himself said in a recent interview: "The emotional effects and consequent benefits of music are well known. Through the agency of my new phonograph, I can produce the same effects as would result from the original music."
Conclusive—for you can score, on a Mood Change Chart, the effects of the New Edison's realism on you. Come in and listen to this test of realism.
Concrete—for we will show a big book of proof, that there is no difference between RE-CREATED music and the original music. This proof would be good in any court of law.

THE THEATRE

Charlie Chaplin's super-production "The Kid," which took the comedian a year to make, has been booked for the Penniman Allen theatre, Friday and Saturday, March 18-19. The very seriousness of the part in life that Charlie plays in the production, that of a foster father to a two weeks old baby, makes it one of the most deliciously humorous pictures which he has ever given a joy-loving public. It is full feature length, running six reels, and is comedy of such rank that it is universally known as First National's six reels of joy.

Elaborate wedding scenes are fairly common in motion pictures, but something unusual in nuptial ceremonies is promised in "The World and His Wife," which will be on view at the Penniman Allen theatre, next Tuesday evening, March 22. The scene of the picture is a pretty country district in modern Spain. According to the story, the richest man in the village marries a beautiful young girl and the whole countryside turns out for the attending festivities, turning it into a big gala occasion. Folk dances, gaily dressed troubadours and pretty Spanish girls in mantillas add color to the dance. Alma Rubens is the featured player in "The World and His Wife." The picture is a Cosmopolitan Production and a Paramount Artcraft.

A shining example of the fallacy of employing help solely on the reference plan is presented to employers in a delightful way by Constance Talmadge in her newest picture, "Good Bye, Goodbye," to be shown at the Penniman Allen theatre, Thursday evening, March 24.

THE UNITED GUN CLUB

The hour for the regular club shoot at the United Gun Club, last Sunday, found many automobiles parked and the shooters getting into line for the afternoon's sport. When the squads were written up, thirty-two names graced the score sheets.

At the first call of "pull," J. A. Fessler broke his bird and had a straight run of 39. He finished "high gun" with a score of 48. F. E. Hill's trigger finger seemed to be working in the usual good form, and when the smoke cleared away his score was read 47. V. Gildersleeve came under the wire third with 46. J. Fessler, Jr., a lad of twelve years, and a new shooter this season, broke 28 with a twenty gauge gun. Fred Schooley, 16 years of age, broke 32 in the 50-target program.

Mr. and Mrs. L. G. Vogel, always welcome guests at any shoot, were with us Sunday. Mrs. Vogel joining the United Club.

Baptist Notes

Sunday was a bright day for church and Sunday-school. The special music at the morning hour was enjoyed by all, the double quartette doing fine.

Sunday was Decision day in the Sunday-school. After the opening exercises the male quartet sang, and the superintendent asked the pastor to take charge of the remainder of the Sunday-school hour. He explained in a brief way what the bible called a christian and how we might in a simple way accept Jesus as our Saviour and thus become christians, and as the male quartet sang, "Just As I Am," about twenty-five came forward, and took the pastor by the hand, and afterwards when prayer had been offered each one gave brief testimony of their decision and purpose to live for Christ. It truly was a splendid opportunity for boys and girls without much urging to take the decided stand. The boys and girls meet Wednesday afternoon at 4:30 for instruction in christian life.

Wednesday evening is the regular church prayer meeting, after which the ladies of the Aid society meet to complete arrangements for their bazaar and supper, which takes place, March 24th, afternoon and evening, at the church.

For Easter Sunday a program is being arranged. You will want to enjoy the service. Make your plans to be there.

Callers at the Baptist parsonage last week were: Fred E. Pearsall of Wixom; Rev. and Mrs. Charles Slack of Novi, and Miss Lucile Halsted of Farmington.

Never get the idea that because a man has one foot in the grave that he isn't able to do a lot of kicking.

THE NEXT LECTURE
COURSE NUMBER
 "The Climax," dramatic masterpiece of comedy and music, which will be presented here on the Olinas Entertainment course, Wednesday evening, March 20th, is unique in Lyceum entertainment.
 For two seasons the play thrilled New York. Subsequently five road companies played to capacity audiences. Revival of the production by the Redpath Bureau was made possible by the personal co-operation of the author, Edwin Locke, who organized and coached the present cast.
 "The Climax" bristles with epigram and pleasing comedy. It fairly bubbles with music and good humor. The Redpath production, which will appear here, has been enthusiastically acclaimed.
 Recently at the Ohio Wesleyan University, Delaware, Ohio, the company presented "The Climax" to an audience of nearly two thousand people, and won the highest of commendations.
 The cast is as follows: Adelina VanHagen, the pupil, Dorothy Seeger; Luigi Golfonti, the father, Charles Fleming; Felicia Golfonti, the son, Walter Dale; John Raymond, the doctor, Paul Atherton.
 The entire action takes place in the apartments of Luigi Golfonti, New York.
 The production was staged by William J. Keighley, the Redpath Bureau's general stage director, New York City.

 (Copy for This Department Supplied by the American Legion News Service.)
VETERANS' WAR MEMORIAL
 Fighting Men of Three Wars Identified With Home Erected in Hoquiam, Washington.
 With the recent completion of the American Veterans' building, a war memorial to fighting men of all American wars, the city of Hoquiam, Wash., has added to its architectural attractions a well-constructed and artistic edifice. The erection of the home was made possible by the activities of members of the American Legion, United Spanish War Veterans and Grand Army of the Republic.
 The building is a three-story structure, in the downtown district. The ground floor will be occupied by a

bank and on the other floors are a large rest room, a lounge and ball-room and a ladies' rest room.
 Among the speakers at the formal dedication of the memorial was Robert A. LeRoux, field organizer of national headquarters of the Legion.

LEGION MEMBERS AID POLICE
 Former Service Men in Various Cities Lend Assistance in Combating Crime Wave.
 In conformity with the stand for law and order which the American Legion takes, thousands of Legionnaires are assisting the police in combating the crime wave, which has menaced life and property in larger cities all over the country, according to reports received at Legion national headquarters.

New York department headquarters promptly offered to put 5,000 veterans on the streets to assist the police when the orgy of murder and robbery was at its height, while during the Christmas season a number of Legion members aided in eliminating holdups in the shopping district by serving as guards in large retail stores and wholesale houses.
 Five hundred St. Louis Legionnaires assisted the police in patrolling the city and rounding up suspicious characters. At St. Paul, Minn., the services of Legion members were volunteered in the formation of a series of network patrols.
 Legion leaders explained that their organization in volunteering the services of its members for maintaining law and order did not imply that the police were inefficient, but that there was recognition that an abnormal situation existed under which the Legion was pledged to act if it wished to live up to the principles of its constitution.

IS LEADER IN AMERICANISM
 Philip R. Bangs of Grand Forks, N. D., Also Vice Commander of His State Department.
 One of the leaders in Americanism in the Northwest is Philip R. Bangs of Grand Forks, N. D., who was elected vice commander of the North Dakota department of the American Legion.
 As a doughboy and a scout in the intelligence section of the Thirty-fifth division, Mr. Bangs served overseas. He was wounded by shell fire in the right shoulder during the Argonne-Meuse offensive.
 Mr. Bangs was adjutant of the Legion post at Grand Forks, state chairman of the Americanism committee, and a member of the national Americanism commission of the Legion. A graduate of the law department of the University of North Dakota, Mr. Bangs is now engaged in the practice of law in Grand Forks.

Proposed Oregon Law.
 The action of a \$2,000 farm or home loan cash compensation at the rate of \$15 a month of service for Oregon veterans of the World war will be granted if a bill sponsored by the Legion in the state legislature is passed.

 While suffering with a severe attack of grip and influenza with pneumonia, Miss Annie H. Cooley of Middlefield, Conn., began using Chamberlain's Cough Remedy, and was very much benefited by its use. The pain in the chest soon disappeared, the cough came loose, expectoration was easy, and in a short time she was as well as ever. Mrs. Cooley says she cannot speak to highly of Chamberlain's Cough Remedy.

Contests were also indulged in, and prizes were won by Mrs. John Haze and Miss Lizzie Hewitt. An elaborate pot-luck supper was served. Miss Lizzie Hewitt will entertain the club, Thursday, March 31.

The Junior Sewing Club was entertained by Ethel Smith, Saturday afternoon. On account of the rain, a number of the members were unable to be present, but those present enjoyed indoor games and contests. A dainty lunch was served. Hazel VanBonn will entertain the club, next Saturday afternoon.
