The Strength of the Pilgrims

It was their faith in God. They came here church members. They were poor and many soon died, but their impact on civilization was tremendous. We may count them oversteer in some of their ways, but we cannot fail to admire the character they gave their descendants and the heritage they gave to this country.

PLYMOUTH DEBATERS DEFEAT BAD AXE 3 TO 0

The Plymouth-Bad Axe debate, last Friday evening, March 25, was an expensive and a rather hard debate, but the results 3 to 0 for Plymouth more than offset the difficulties. Bad Axe High school's debating team consisted of three girls, Florence Pangborn, Jessie Murphy and Verneta Richardson, who upheld the negative. Their case was much stronger than that of the four other negative arguments, which we have met, but their rebuttal was weak, in that two of the speakers failed to meet our affirmative points directly, relying instead upon general statements. Every one of the Bad Axe girls had a pleasing personality, and all three spoke with unusual enthusiasm and interest. The Plymouth team gave their main speeches as effectively as they have done here at home, and their work in rebuttal was better than they have done before, so that Plymouth has a right to feel proud of Lyndon Jackson, Etha Wiseloy and Charles Chappel.

Throughout the debate the Bad Axe audience were very courteous, and extended to our speakers the same applause and cheers which they gave their own debaters. The Bad Axe High school auditorium was comfortably filled with 200 people, two-thirds of whom were High school students.

The judges who gave Plymouth the 3 to 0 decision were Superintendent of Schools Bravender of Deckerville; Superintendent of Schools Warren of Harbor Beach; and Dr. B. C. Warren of Education Department of Alma college.

The only regrettable thing about the Plymouth-Bad Axe debate was the failure of the team to return when they were expected. Neither the team nor the coach would have been so late if the transportation had been arranged for them. They will never come to regret that they returned via Port Huron instead of via Sibley. Nevertheless the reception planned for the debaters was not in vain, and the debating squad wish to use this opportunity to express their appreciation for the way they were treated in any way in the future. They also wish to express their appreciation to the Penniman Allen theatre management for its arrangement of the debate results. The Ladies' All-School of the Baptist church will hold a conference April 5 and 6 about sixteen Lutheran ministers will meet for conference at St. Peter's Lutheran church. Papers will be read by the Rev. W. Bodamer of Sci. Mich., and H. Hays of Detroit, Mich. Tuesday evening at 7:30, there will be English services, the Rev. A. Mann of Northfield, Mich., presiding. The sermon in this service the pastor will celebrate the Lord's Supper.

REMAINS OF PLYMOUTH SOLDIER ARRIVES FROM FRANCE

THE BODY OF SERGEANT MYRON H. BEALS ARRIVED HERE FROM FRANCE THURSDAY MORNING AND A MILITARY FUNERAL WILL BE HELD SATURDAY AFTERNOON.

The remains of Sergeant Myron H. Beals, son of Mr. and Mrs. Frank Beals of this village, arrived here, Thursday morning, from France where they were interred after his death in a military hospital there from wounds received in battle during the world war. A military funeral will be held Saturday afternoon at 2:30 o'clock.

WILL GIVE FINE MUSICAL ENTERTAINMENT

MISS MORRISEY WILL GIVE CONCERT AT THE HIGH SCHOOL AUDITORIUM NEXT WEDNESDAY EVENING, APRIL 6TH.

Marie Morrissey, who will be heard in a concert on Wednesday evening, April 6th, at the High school auditorium, is one of these dreadful "new women." In the first place she has a career, and follows it ardently. Of course, this isn't so bad, for if a woman happens to be gifted with a beautiful voice like Miss Morrissey's, tradition says it is her duty to exercise it for the benefit of her fellow men.

In the second place, Miss Morrissey is an athlete. She is an enthusiastic swimmer and an expert diver. One of her favorite ways of spending her vacation is by taking long tramps in the woods. She thinks nothing of walking eight to twelve miles a day in the summer time, and she rejoices greatly in the hardening of her muscles that results. Her latest hobby is horseback riding. She has just been learning to ride and can talk of nothing else just now.

"You see, riding isn't so easy as it looks," she says, rather ruefully. "It has a technique all its own." And then she mourns because she isn't able to take a horse along with her in her pocket when she goes on a concert tour.

In the third place, Miss Morrissey is a suffragist—not only since the amendment was passed, but for a long time before that. She is perfectly convinced women should have the privilege of putting the right person in the right office. But the worst thing of all is that Miss Morrissey is furious because she isn't a man. However, she made that statement while we were at war with Germany, and can be forgiven accordingly. Perhaps she feels differently now. At any rate she got herself commissioned "Lieutenant" by the boys of Company M, 310th United States Infantry, not for peculiar aptitude for military action, however, but as a mark of gratitude and affection from the boys for the concert she gave them.

Miss Morrissey's activities seem only to increase the power and richness of her voice, as all Plymouth will be able to testify next Wednesday evening.

Appearing with Miss Morrissey will be Harold Lyman, fiddler; Walter Chapman, pianist; and Mr. Thomas A. Edman's three million-dollar photograph.

WILL HOLD CONFERENCE HERE

The illustrated lecture on "The Story of American Art" given by Professor Herbert Richard Cross under the auspices of the Woman's Club in the Presbyterian church last Friday evening was well attended.

His talk on both the architecture of the different periods and various styles of painting by noted artists was illustrated by stereopticon views.

ELECTION NEXT MONDAY

The annual township election takes place next Monday, April 4th. The Republicans of Plymouth township, have the field all to themselves this year, the Democrats having failed to put up a ticket. Aside from the township officers to be elected, there are the following state and county officers to be elected, also an amendment to be voted upon:
Two Justices of the Supreme Court, two Regents of the University of Michigan, Superintendent of Public Instruction, Member of the State Board of Education, Two Members of the State Board of Agriculture, State Highway Commissioner, Judge to fill vacancy in the Third Judicial Circuit, County Auditor and the Constitutional Amendment authorizing the state to borrow not to exceed \$30,000,000.00 to compensate persons who served in the late world war, and who were residents of the state at the time of entering the service.

EASTER AT THE PRESBYTERIAN CHURCH

Easter Sunday was appropriately observed in the First Presbyterian church. At the morning service special music was beautifully rendered by the choir, also singing by Harry T. Morgan of Ann Arbor. A splendid sermon, "Monumental Day" was delivered by the pastor, Rev. S. Conger Hathaway. At four o'clock a vesper service was held. Beautiful Easter songs were rendered by a quartet composed of the following: Mrs. R. E. Cooper, Mrs. Chapman, Calvin Whipple and C. H. Rauch, Miss Evelyn Thomas organist. H. T. Morgan of Ann Arbor, also assisted at this service. The Easter story, told yet ever new, was told in an interesting manner by the pastor. The church was handsomely decorated in green and white, a symbol of the day.

EASTER AT EPISCOPAL CHURCH

Easter services were held in St. John's Episcopal church, Rev. H. Midworth officiating, assisted by J. Pemberton of St. Peter's, Detroit. Rev. Midworth preached a very eloquent sermon. The service was choral, and the choir is to be congratulated on the way the service was rendered, considering the short practice they had. Much credit also is due to Miss Parson, who so efficiently presided at the organ.
Good Friday "three hour service," with the "Seven Words from the Cross," was held in the church, and was in charge of J. Pemberton of St. Peter's, Detroit. The service was well attended, and it was gratifying to note the spirit of Good Friday shown not by the church's members only, but by those of other churches, who came in during the three hours to join in this devotion.

THE AMERICAN LEGION

(Copy for This Department supplied by the American Legion News Service.)

ONE OF LEGION'S FOUNDERS

Walter H. A. Coleman, Adjutant London Post, No. 1, Organized Body in British Capital.

Although he is thousands of miles from National Headquarters, Walter H. A. Coleman, adjutant of London Post No. 1 of the American Legion, is in close touch with the entire Legion program. Mr. Coleman was one of the founders of the Legion at its first caucus in Paris and organized the post in the British capital.

Born in Philadelphia, Pa., Mr. Coleman was educated in private schools in that city and in New York. During his business experience in various departments of the Pennsylvania railroad, he lived in Philadelphia, New York City, Albany, N. Y., Indianapolis, Ind., and Bethlehem, Pa.

During the war Mr. Coleman served in the American Destroyer Flotilla, which had its base at Queenstown, Ireland. Since the war he has been connected with the United States Embassy in London.

London Post of the Legion took a leading part in decorating the graves of American soldiers buried in England Memorial Day, 1920.

HAS HUSTLING LABOR BUREAU

Nashville, Tenn., Post Tackles Hard Problem and Makes Most Efficient Showing.

In accordance with the general activity of American Legion posts in meeting the unemployment crisis as it affects the ex-service man, Nashville, Tenn., Post has tackled the situation with a considerable degree of Argonne enthusiasm.

An employment bureau has been established in charge of a Legion member, who devotes his full time to it. Both job applicants and employers seeking men are listed in a word index, according to their abilities and needs.

When a man applies at the Legion headquarters for a job, he is required to fill out a blank giving the following information: Name, address, date of birth, married or single; if he is an ex-service man, if he has dependents, special training and schools attended, with the extent of the education gained.

Trade test questions are: "Can you speak any foreign language?" "Do you understand card-index system?" "Can you operate a typewriter?" "Can you use a typewriter efficiently?" "Are you good at figures?" "Can you run an automobile or truck?"

Trades included in the list of job applicants for one day were electrician, druggist, salesman, accounting clerk, bookkeeper, draftsman, insurance salesman, machinist and mattress maker.

When the job seeker has filed his application, he is given a card to show that he has registered with the Legion bureau. When he is sent to an employer in response to a call, he is given a card of introduction stating that he is sent by the Legion bureau. His original application, together with the secretary's indorsement or estimate of the man, is forwarded to the prospective employer.

By arrangement with the negro post of the Legion, the employment bureau is able to answer calls for negro labor, applicants for work being listed with the negro secretary.

The work of the employment bureau is supported by funds available in the Legion treasury from a post show given last year. Another entertainment will be given soon to raise money for further operation of the bureau.

STATE JOBS FOR VETERANS

Chairman Women's Auxiliary Committee of New York Assents World War Men Should Be Honored.

"If any class is favored in handing out state jobs it should be the veterans of the World War."

The speaker was Miss Ray C. Sawyer, chairman of the Women's Auxiliary Committee of the New York Department of the American Legion. Her audience was composed of members of the New York Assembly Judiciary committee. Miss Sawyer spoke before the committee in behalf of a bill to give preference to veterans in civil service employment in New York. The bill was backed by the New York Legion organization.

Josephus Daniels, Retiring Secretary, Expresses Appreciation for Part in World War.

A message of greeting and appreciation to the members of the American Legion was written by Josephus Daniels, former secretary of the navy, just previous to his retirement from office. The message follows:

"Upon my retirement as the directing head of the navy, which place I was privileged to hold during the World War, I wish to send a word of greeting and appreciation to all who belong to the American Legion and all who served their country in the army and navy during those crucial days. It was a privilege I shall regard as the most sacred in my life to have been their comrade in those great days. They truly saved the civilization of the world by their spirit and their valor. In the days that are to come the world depends upon them for saving it from the perils of peace. I have profound faith that they will not be wanting in the new call upon them for the same courage and wisdom in peace which they manifested in war.

Relieves Rheumatic Pains

"I am subject to rheumatism and when I have a spell of it one or two applications of Chamberlain's Liniment relieves the pain and makes rest and sleep possible. I would not think of doing without it," writes Mrs. O. Wsley, Moberly, Mo.—Advt.

Are you waiting for rents to come down?

Are you one of the millions who are patiently paying rents that are from 20 per cent to 50 per cent too high?

If you are, do you know the facts?

Do you know that Plymouth is short a large number of homes that experts estimate the United States to be four years behind in building requirements?

The law of supply and demand always fixes prices. So long as there is a home shortage, landlords will demand high rents and tenants will be forced to pay them.

The one way out is to become a home owner yourself.

You can build now cheaper than at any time in the past five years, and almost as cheap, we believe, as at any time in the next five years.

Lumber and building materials have taken a tremendous drop. The complete cessation of building has caught manufacturers with big stocks, which they have been forced to sell at cost.

If you buy now you can take advantage of their situation. If you wait, you will buy when everyone else is buying, and you will find the increasing demand forcing prices upward.

In our opinion, right now is a good time to build.

You owe it to yourself to investigate thoroughly. Call and see us, or a letter or phone call will bring us to you at once.

ON GUARD AGAINST FORGERS

Man of Money Devises Secret Signs Which Inform Bank Cashiers That Checks Are Genuine.

So clever is the modern forger that the man who relies on a signature which is hard to copy is liable at any moment to find himself victimized and his account depleted.

In order to prevent the successful uttering of a forged check, several men have hit upon devices which even the smartest criminal could hardly detect.

For instance, there is an American millionaire who makes a tiny blot on some part of the check as a sign to the bank cashier that it is genuine. Not one forger in a thousand would attribute a blot to anything but carelessness, and quite a number of would-be swindlers have found themselves pulled up sharply on presenting an unblotted check over the counter.

Another man has hit upon the idea of apparently making a mistake in the date in the right-hand top corner of the check, which mistake is rectified by the crossing out of the wrong numeral and the substitution of the correct one. The check forger would hardly regard such an apparent blunder as the result of deliberate intention.

A Frenchman with whom this subject was discussed stated that his own method is an almost infallible one. Whenever he writes a check, he takes the precaution of tearing it out of his check book in such a manner that a tiny hole in the counterfoil remains attached to the check. This is an infallible sign to the bank that the check is genuine.

Perhaps, however, the most ordinary device is that adopted by a wary Hebrew. He makes a point of carefully perfuming every check before signing it with a certain scent which is very difficult to obtain.

Johnson's Tour of 1866.

Johnson's "Swing 'round the Circle" was an expression frequently to be met with in the fall of 1866, and was applied to a speech-making tour made by President Johnson about that time. President Johnson left Washington August 28, 1866, in compliance with a request that he would lay the cornerstone of a monument to be erected to Stephen A. Douglas, in Chicago, September 6. He was attended by a distinguished party, including several members of his cabinet, General Grant and Admiral Farragut also were in the party. The route was by way of Philadelphia, New York and Albany. In one of his speeches the president referred to himself as one having "swung around the entire circle" of public service, from alderman to president. The phrase "took" with newspaper reporters, and so came to be generally applied to his tour. Johnson's welcome was mixed, for passions ran high in those times. The general attitude was, however, courteous, and even cordial. In this respect St. Louis contrasted very favorably with some other large cities. Cleveland, Chicago and Springfield had extended to him no official recognition, while at Indianapolis he was booed. On the whole, Johnson's tour did not strengthen his position in the country, serving, as it did, but to intensify the fury of the opposition.—Kansas City Star.

Tasmania's Artesian Water.

The dry season experienced in Tasmania last summer caused the state government to examine the county known as the Midlands for artesian water. The area surveyed was approximately 500 square miles. The investigation has shown that there is no artesian water in the Midlands, but that there exist definite sub-artesian basins from which appreciable quantities of water of very fair quality may be drawn. The investigation, the first of its kind in Tasmania, will make a valuable asset of the Midlands, and will furnish data from which valuable conclusions can be drawn as to the conditions affecting irrigation.

Soldiers Make Money of Rats.

Inducements in the way of bounties are offered to the French soldiers to induce them to hunt the rats which infest the barracks. The bounty takes the form of money considerations and an increased allowance of wine. One man obtained a release from duty for a few days and spent the nights in hunting the rodents, and his success was so great that one man from each company was assigned to the same duty and the results of these assaults was astonishing.

Students Compete With Profiteers.

Charcoal, salmon, codfish and other commodities will be sold at several points in Tokio by students of Waseda university who have organized to raise funds for their studies on social problems and at the same time to cut into the trade of retail shops which ask unreasonable prices. The goods are to be sold at a 40 per cent discount from the ordinary price.—Japan Advertiser.

Dominant Policy.

"I can't quite decide whether our distinguished colleague is for protection or free trade."
"He is still sounding out his constituency," replied Senator Sorghum. "The only policy on which he is absolutely consistent is self-preservation."

No Women in U. S. Mines.

There is one industry which women have not attempted to invade. It is that of coal mining. In which not a single female person in this country is employed.

For a Severe Cold

"Chamberlain's Cough Remedy cured my daughter, Anna, of a severe cold and cough a few years ago, and ever since then, I have never missed an opportunity to recommend this medicine to anyone suffering from throat or lung troubles. I cannot speak too highly in praise of it," writes Mrs. D. J. Shelby, Earlville, N. Y. Chamberlain's Cough Remedy contains no narcotic and may be given to children with perfect confidence. It is a pleasant syrup, so they do not object to taking it.—Adv.

THE UNITED GUN CLUB

Ten contestants entered the 50-target event at the Sunday club shoot. The wind swept across the traps causing the targets to cut all sorts of wild capers; consequently no perfect scores were made. Handicapped though he was, H. Passage found the right spot 41 times and finished high. George Peterson of Detroit, was second with 40. In a special 25-target event, C. Merritt broke 23 and tied with M. Powell and H. Passage on a string of 50 birds. In a 20-yard handicap, George McCann and H. Passage tied with 41 out of 50.

Mr. and Mrs. McCann and son of London, Ont. and Mr. and Mrs. Henderson of Detroit, were among the highest scorers. The next semi-monthly club shoot will be held April 10, and will be registered by the A.-T. A. The program consists of 75 targets, divided into four events. Three trophies will be awarded to club members making the highest scores. Below are the scores of the Sunday shoot:

Banish Pain

There is no use talking—no one can work or play when they are not feeling well and strong. Life, without health and strength, is a mere painful, pleasureless existence. One of the most important conditions of good health is to keep the kidneys normal and active. When weak or diseased, they do not filter out of the blood the impurities that should be eliminated from the system. When these impurities remain, the blood stream is poisoned and pain and suffering result.

W. B. Fox, 105 W. Washington St., N. B. N. W. D. C., writes: "After suffering many months with kidney trouble, and after having tried every remedy for the same, I purchased a bottle of Foley's Kidney Pills and took them. They not only did me more good than any other kidney medicine I ever have used, but they positively set my kidneys right. Other people who have used them with similar results. HOLDS TWO LEGION OFFICES

Winchester, Va., Man is State Historian as Well as Chairman of Americanism Commission.

B. M. Roszel of Winchester, Va., has been entrusted with two offices by the Virginia department of the American Legion. He is state historian as well as chairman of the department's Americanism Commission. He also serves as historian of his post. Born in Baltimore, Md., Mr. Roszel was educated in the schools of his state and received the A. B. and Ph. D. degrees from Johns Hopkins University. Afterwards he was a fellow in astronomy and an instructor in mathematics in that institution, and later a teacher of physics, mathematics and chemistry in the Washington high school system, Washington, D. C. From 1906 to 1908 Mr. Roszel was head master of the Shenandoah Grammar School, in charge of the preparatory department of the University of the South. Since 1908 he has been superintendent of the Shenandoah Valley Academy, a military school at Winchester, Va. Mr. Roszel served eighteen months in this country and overseas in the Army and was discharged a major. He has since accepted a similar commission in the Reserve Corps.

TRAVEL PICTURES FOR POSTS

Films Embracing One Thousand Topics, for Use of All Legion Organizations.

By arrangement between the American Legion and the bureau of commercial economics, the most complete and valuable collection of educational and travel motion picture films in existence will be placed at the disposal of the Legion for free exhibition under the auspices of all posts. The films, which embrace 1,000 separate topics, are the property of the bureau, an altruistic institution the sole aim of which is to advance education and pride in American institutions.

At the instance of national headquarters, the bureau has prepared a special catalogue in which each film is numbered and described. A copy of this catalogue will become the property of each Legion post. The only expense attached to posts ordering the films will be the payment of express charges to and from the nearest distributing center of the bureau. No admission fee may be charged by the post.

A distributing center for the films will be established in almost every state. Responsibility for the transmission of the catalogues and the information concerning the location of distributing centers to which each post must apply for films, rests with the state departments.

The story of the establishment of the bureau of commercial economics is that of a fulfillment of a vow which a blind man took years ago, should his sight be restored. Dr. Francis Holley, the founder and director of the bureau, vowed to work for the betterment of mankind when he recovered his sight, and the bureau is the result.

LEGION IS HIS MIDDLE NAME

Adjutant and Americanism Director of Chicago Post First to Name Himself After Organization.

"Every American ought to have an American name," said Jacob Tenny, adjutant and Americanism director of Chicago Post First to Name Himself After Organization. "I'm retaining my first name, Jacob, of course, but I'm adding Legion as a brand new middle name. So far as I know, I'm the first man who has named himself after the American Legion. There couldn't be any better name for a he-man son of an American service man than Legion." Tenny enlisted with the first contingent of eighteen men from the West side of Chicago and served overseas. He is a lawyer and at the last primary election was a Democratic candidate for municipal judge.

They speak well of it. "I frequently hear Chamberlain's Cough Remedy praised by friends and acquaintances, which only tends to strengthen my good opinion of it," writes Mrs. Fred Arter, Zanesville, Ohio. "Try it when you have a cough or cold and see for yourself what an excellent medicine it is."—Advt.

Nothing upsets a Plymouth man more than to have to wheel his baby through a crowd of women in which are two or three he used to keep company with.

LEGION MEN HIT BY RULING

National Judge Advocate Decides Organization Officer Ineligible if Holding Public Office.

A decision of far-reaching importance as affecting the participation in politics of men holding office in the American Legion has just been handed down by Robert A. Adams, national judge advocate of the Legion, in response to an inquiry from the Inter-Post Council of Los Angeles, Cal. At its annual election held in December a Los Angeles post elected Clanning Follette as commander for 1921. A short time afterwards Follette was appointed justice of the peace by the board of supervisors of Los Angeles county.

The question arose whether, in view of the fact that Follette had been appointed to an office which, in its nature, is an elective, salaried public office, he was eligible to serve as an officer of the Legion. In his official ruling, the national judge advocate says: "This being a salaried, elective public office, it is my opinion that the method of filling a vacancy is not essential in determining the eligibility of a Legionnaire holding such office. The office is elective, although the case with which we deal is that of an appointment. 'The purpose of the constitutional provision is, of course, to prevent, so far as possible, the use by a member of the Legion of his Legion membership in furthering a political career. Consequently, the effect of an appointment is in no wise dissimilar from an election, and it is my opinion that the incumbent is, by the acceptance of his office, rendered ineligible for the office of the American Legion.' It is believed that many Legion members, appointed to political offices will be affected by this ruling.

Mr. and Mrs. William Mager and family spent Tuesday evening at Mr. Sieloff's, in the Detroit of Ann Arbor, Mich. Mr. and Mrs. Will Cole was to market in Detroit, Thursday. Mr. and Mrs. Will Cole and family spent Sunday with Mr. and Mrs. J. J. Lucas.

There are two kinds of people—those who wear comfortable shoes and those who think they have pretty feet. A CARD—We wish to thank the many kind friends and neighbors who assisted us in so many ways during the illness and death of our dear one. Mere words convey but a little of our appreciation, but our hearts are warm with memory of the many kindnesses great and small, which were rendered her and to us for her sake. Dr. S. E. Campbell, Mr. and Mrs. Eugene R. Campbell, Mr. and Mrs. J. Maurice Campbell, Mr. and Mrs. Howard N. Brown, Mr. and Mrs. E. Fletcher Campbell.

TWO HEROES AS HONOR GUARD

Distinguished Illinois Buddies Deputed to Save National Commander on Inspection Trip.

When F. W. Galbraith, Jr., national commander of the American Legion, inspected Illinois posts, he was provided with an honor guard of two heroes of the World war, who have received medals and citations for bravery between them.

Left—Sergeant Jack Riley, M. C. of Chicago, Illinois' most decorated war hero. He wears the Congressional Medal of Honor, French Military Medal, Croix de Guerre with palm and star, D. S. C., Navy Cross, Belgian War Cross, Victory Medal with five battle clasps and four citation stars. Right—Robert Waterhouse, a veteran of the 23rd Division of Chicago, holder of the Distinguished Service Cross, British Distinguished Service Order, Croix de Guerre and Belgian War Cross.

GOVERNOR NEFF AIDS LEGION

Chief Executive of Texas Urges All Eligibles to Become Members of the Organization.

Governor Pat Neff of Texas has recognized the importance of the American Legion's effort to extend its influence in that state by giving an unqualified endorsement of the membership campaign now under way. "Officials of the department of Texas, American Legion, the organization which stands as a living perpetuation of the spirit of the American soldier during the World war, are now making an earnest effort to draw more ex-service men into their ranks," said Governor Neff.

"The record set by the men who form the department of Texas, during that period preceding November 11, 1918, and the principles advocated by these men since they have welded themselves into the American Legion," he continued, "leads me to suggest that the public would be serving its own ends, as well as those of the American Legion, by lending active support to the membership campaign the latter has launched. The former service man who has not affiliated with the American Legion should need no one to point out the advantage to be derived by him and his country through his support of this organization; but in the rush of modern life, some things are overlooked and those who have not the privilege of eligibility for the American Legion may aid by calling this to the attention of their acquaintances who have been in the service."

Baptist Notes

Sunday morning, the pastor preached an Easter sermon and the choir gave two anthems. They were much enjoyed by the congregation. The Easter program of last Sunday evening was carried out to perfection, and a large audience listened attentively to the music and recitations. The pantomime by Mrs. Sayles'.

class, "Holy, Holy, Holy" and "Nearer My God to Thee," by Miss Fannie Grainger, Miss Dortha Hinman and Miss Alta Hamill were exceptionally good. One more Easter has passed with all of its joy and gladness. The decorations were simple, but much in keeping with the day. While our hearts were glad, still one was gone who so often met with us in church and Sunday-school, and for years had taken part in all departments of the church. For some years acting as superintendent of the Sunday-school, where her earnestness and consecration has proved a great blessing to all under her care and instruction. As a church we keenly feel the loss, as we are sure the community does also. The church extends its sympathy and Christian love to the husband and children of the family, and pray that the comfort and consolation of the gospel may be theirs.

The annual meeting of the Women's Missionary society meets with Mrs. Florence Beals, this week Wednesday at 2:00 p. m. Election of officers and reports will be given. The bazaar and supper of the Ladies' Aid will be held at the church, Wednesday afternoon and evening, April 6th.

There are two kinds of people—those who wear comfortable shoes and those who think they have pretty feet. A CARD—We wish to thank the many kind friends and neighbors who assisted us in so many ways during the illness and death of our dear one. Mere words convey but a little of our appreciation, but our hearts are warm with memory of the many kindnesses great and small, which were rendered her and to us for her sake. Dr. S. E. Campbell, Mr. and Mrs. Eugene R. Campbell, Mr. and Mrs. J. Maurice Campbell, Mr. and Mrs. Howard N. Brown, Mr. and Mrs. E. Fletcher Campbell.

 Mr. and Mrs. Delbert Lee of Redford, the five year old daughter of Mr. and Mrs. Dan Smith, has been quite ill, but is better at this writing.
 Miss Etta May Johnson and her grandfather, Chas. Smith, were Redford visitors, Friday.
 A number from this place attended the farewell party given Mr. and Mrs. Gus Pankow, Monday evening.

It was necessary for a few of the number to walk part of the way home. In fact that is the experience of others who venture more than one-half mile from home, on account of the condition of the roads. It is a disgrace to a township to allow the roads to be in such shape, and those living on good roads do not realize what hardships their neighbors are experiencing.

SCHOOL NOTES
 The percentage of attendance for March was 90 per cent. The following pupils, by being present each day, helped to attain the above percentage: John Redding, Grace Lee, Lena and John Rieger, Earl Smith, Ethel Smith, Albert Smith, Mabel VanBonn, Viola Baze, Harold Benjamin and Thea Hopkins.
 The fifth grade have been reviewing decimal fractions.
 The school has been making posters to be used during the "milk campaign" of Wayne county. We expect to send three of the best posters to the Farm Bureau, where they will be judged.
 We enjoy our piano, and find we are in a much better spirit to begin a day's work, after singing a few of our "favorites."
 Be sure to attend the dinner given by the school in the church parlors election day.

STARK
 Mrs. Ralph VanTassel has been on the sick list.
 Miss Lucinda Fisher is spending a few days with Mrs. Mack Cook.

 Mr. and Mrs. Howard Bentley and children visited at Mrs. William Johnson's, Saturday and Sunday.
 Mr. and Mrs. Mack Cook of Plymouth, have moved in George Smith's tent house on the Plymouth road.

FREE CHURCH

 Mr. and Mrs. E. Pruner of Detroit, have been visiting Mr. and Mrs. Thomas Gardner and Mr. and Mrs. William Grammel, a few days last week.
 In spite of the bad roads, there was a very large attendance at the community meeting, which was held at the home of Mrs. Hauk, and a very pleasant day was spent by all. Our next meeting will be held on Wednesday evening, April 27th, at the home of Mr. and Mrs. L. Kelley.
 Elwin Pooler is staying in Plymouth, helping to care for his father, who is seriously ill.
 (Mr. and Mrs. Thomas Gardner attended a shower, which was given in honor of Mr. Gardner's sister on Saturday evening.
 Louise and Elizabeth Spicer spent Saturday afternoon with Ronald Heise.
 Joseph Grammel of Redford, visited his daughter, Mrs. T. Gardner, on Friday.

Methodist Matters
 Mrs. F. M. Field attended sub-district gatherings of the W. F. M. S. at South Lyon on Tuesday and at Wayne, Wednesday of this week and gave addresses on "Children's Work." She had charge of this phase of the missionary work in the Pontiac district.
 Rev. F. M. Field attended the Detroit preachers' meeting last Monday and reported the results of the Easter campaign in Plymouth. Very inspiring reports were given from Methodist churches in and around Detroit.
 A dozen new kindergarten chairs were added to the equipment of the primary department recently and already they have been filled and more must be ordered.
 Steps are being taken to provide darkening apparatus for the church auditorium, so that moving pictures can be shown to advantage in the day time. When this has been accomplished special moving picture programs for school children will be shown in the afternoon, as there is not enough room to accommodate both the children and the adults who wish to see the pictures on Monday evenings.
 About thirty-five women spent last Wednesday at the church, sewing for families in this vicinity and a large number of dresses and other garments were made. The L. O. T. M. M. co-operated in furnishing part of the material for the garments. The meeting was in charge of Mrs. Newton's division, which served a splendid dinner at one o'clock.
 "Poor Relations," King W. Vidor's latest production, which will be the picture play shown at the Methodist church recreation tonight next Monday evening, is a delightful mingling of love, pathos and humor, which contrasts the sham culture of the aristocracy with the genuineness of common folks.
 "Poor Relations" aren't always cultured. Uncertainty may take off his shoes in the parlor, inhale soup audibly, and eat peas with a knife. But is breeding merely refined manners or is it kindness of heart? Is success the attaining of one's ambitions and entrance into polite society, or is it the contentment found in the appreciation of life's simple pleasures? These questions find an answer in "Poor Relations," the Brentwood picture featured next Monday evening.
 "Ann of Green Gables," the popular girls' story, had to be switched over to Monday, April 11th, to make way for "Poor Relations." "Jes' Call Me Jim" with Will Rogers, who recently appeared here in "Honest Hutch" is coming April 25th.

SCHOOL NOTES
 The final report of the money received from the plays given last week for the Plythean, showed receipts of over \$100, and a balance of over \$60, when all the expenses were paid. The heaviest expense was, of course, the rent of costumes for "In the Haymarket."
 Plans are under way for a fair or carnival, similar to the one held last year, to be held Friday evening, April 8th, the proceeds to go into the Athletic association treasury. Among the events planned will be movies, dancing gallery, minstrel, fish pond and other events whose popularity last year justifies their return.
 Work has been pushed this week on the running track around the base ball field, and the cinders available spread on the straightaway for the 100-yard dash. The track will have five laps to the mile, and is the best available for the annual meet of the Four Square League, which will be held here in June.
 The basket ball season closed last week Friday with the Howell games, both of which were fast and exciting from start to finish. The final score of each falls to represent the closeness of the game.
 The girls "started things" with a rush, and before the first quarter was over it was evident that Plymouth would win. Edith Pierce was the star factor in getting the ball to the forwards, and M. Kieley in basket shooting. With the others, their opponents were more equal. The final score was 32 to 5. The line-up follows:
 Plymouth—M. Kieley, r. f.; L. Wright, l. f.; E. Pierce, j. c.; M. Roe, s. c.; B. Mueller, r. g.; W. Shuts, l. g.; Howell—Vogt, r. f.; Sheffer, West, l. f.; West, Dolph, j. c.; Wrigglesworth, s. c.; Peavy, Curdy, r. g.; McDowell, l. g.
 Baskets—Kieley, 10; Wright, 5; West, 1.
 Free Throws—Wright, 1 in 3; Kieley, 1 in 1; Vogt, 1 in 5; Sheffer, 2 in 4.
 In the boys' game, Plymouth played with a dash and vigor that has not been in evidence since the Tron-ton game. Their scoring was the best of the season, but Crittenden and Edwards of Howell, have been best basket shooters that have been seen here this year. The former made a field basket every time the ball was passed to him in the first half, and the closest of guarding could not prevent Edwards from counting nine baskets. The score was 27 to 11 in the first half, and in the second, 15 to 12; the total 42 to 23. The line-up: Plymouth—Tait, r. f.; Walker, Stevens, l. f.; Wiseley, T. Strasen, c.; Sayles, l. g.; Wilcox, r. g.
 Howell—Crittenden, Edwards, r. f.; McPherson, l. f.; Edwards, Gregory, c.; Strobel, l. g.; Brayton, r. g.
 Baskets—Crittenden, 8; Edwards, 9; McPherson, 1; Brayton, 1; Tait, 3; Walker, 1; Wiseley, 4; Sayles, 1.
 Free Throws—Edwards, 4 in 10; Tait, 1 in 3; Wilcox, 4 in 4.
 This was the last game for the five boys who started the game, all of whom are seniors. It was the last for Edith Pierce and Merle Roe, also, unless post season games are played. Birmingham's claim of "State Champions" has been challenged, and it is hoped that a game can be arranged.
 George Loomis is building a new house on Junction avenue.
 A number from here attended the farewell party at the farm home of Mr. and Mrs. Gus Pankow in Livonia, Monday night. Cards and dancing was the program for the evening. Mr. and Mrs. Pankow will move to town in the near future.

NEWBURG
 There was a good attendance Sunday to listen to an earnest Easter message by the pastor; also fine music by the choir. The Easter exercises by the Sabbath-school consisted of a song by the little folks; recitations by several of the juniors; a reading, entitled, "Palestine," by Mrs. Donald Ryder, and a solo by Marguerite Thomas. The superintendent, Mrs. Clemens then gave a talk on the meaning of Easter to the primary department. The children who had attended regularly for the past three months were presented with new pins. There were quite a number out to the evening service, Rev. Rycraft preaching and fine singing by the young people's choir. Raymond Grimm playing the violin, accompanied by his sister, Clara, on the piano, gave two selections. Mr. Meeker presided at the piano for the rest of the music. Miss Ada Youngs will lead next Sunday evening.
 Don't forget the entertainment given by a group of U. of M. students under the auspices of the Perrinville Epworth League, at Newburg hall, this (Friday) evening, April 1st. If you want to enjoy a good laugh, come for the sum of 35c, commencing at 8 o'clock sharp.
 Burt Paddock and two boys, Charles and Dwight of Detroit, spent Easter at the farm homestead.
 L. Clemens set out cabbage plants, last week.
 Word was received from the Kramer family that they arrived O. K. in Denver, and were nicely located. The youngest child, Dorothy, had the misfortune to fall and break her arm soon after their arrival.
 Mr. and Mrs. Morrow entertained several from Detroit, Easter.
 Dr. Wilber Caster and family of Detroit, called at C. E. Ryder's, Sunday afternoon.
 A Red Cross meeting was held Monday evening at the home of Mr. and Mrs. Mark Joy, Miss Ada Safford being present. The object of the meeting was to find out if people are interested in the work the community nurse is doing in the schools and community. You are asked to vote on this, town meeting day. The question will be brought up after dinner, when matters pertaining to the township will be voted on.
 Mrs. A. E. Ryder and daughters, Mrs. Henry Grimm, Jr., and Beulah, called on Mrs. Gardner and daughter, Ellen, also called on Grandma LeVan and Mrs. E. Woods, and Mrs. Burch at E. Roe's, Tuesday afternoon.
 Word was received Tuesday night of the death of Evelyn Campbell, after an operation for appendicitis, over a week ago at Harper hospital. She was the eldest daughter of Mr. and Mrs. Campbell of Birmingham.
 Mrs. Campbell was formerly Sarah Rice of Newburg. They have the sympathy of a large circle of friends.
 Barred Plymouth Rock eggs, \$1.00 for setting of 15 or \$5.00 for 100 for incubator. Inquire of C. E. Ryder, Plymouth road.
 The L. E. S. will hold their regular meeting, Wednesday afternoon, April 13th, at the hall. The annual election of officers will be held. Anyone having blocks for quilts will please have them ready to hand in at this time.
 The comedy, "A Curious Mishap" will be presented on the evening of April 1st, at Newburg hall, Newburg. The scene of the play, which was written by Carlo Goldoni, a celebrated Italian comedy writer, is laid in Holland, and it is easily adaptable to any time. It was, however written in the 18th century. No English copy of "A Curious Mishap" has been published, and it was after some difficulty that a translation was secured. The production is full of amusing situations, and very human characters. The plot arises from the blunders of an egotistical but glib and easily deceived father, and

the cunning scheme of the young people. There is a love story, and there is the usual marriage, but not in the customary way for there is "A Curious Mishap."

THE THEATRE
 More than the usual interest attaches to the announcement of the forthcoming engagement of James Oliver Curwood's "Nomads of the North" at the Pennington Allen, Saturday, April 2. All those who saw "Back to God's Country" and "The River's End," masterpieces from the workshop of this author, realize they are justified in expecting something extraordinary in the latest picturization of his brand of outdoors, Far North fiction. This film is an Associated First National attraction, and it is said to be one of the very best features ever offered by this organization. The three high-lights in the production, according to advance information, are: The remarkable performance of animals, including many wild ones in general and a pet bear and dog in particular; a forest fire which is accredited with setting a new high mark in realism and thrill; and a romance of all-absorbing qualities quite different than the ordinary run of love affairs so universal in the movies.
 "Crooked Streets," the new Ethel Clayton picture, coming to the Pennington Allen theatre, Tuesday, April 5th, is declared to be strikingly different in theme from any of the star's recent vehicles. The story, written by Samuel Mervin, is laid in Shanghai, and is packed with the adventure and romance for which the "Paris of the East" is famed. Paul Powell directed, and Jack Holt and Clyde Fillmore are included in the supporting cast. It is a Paramount Artcraft picture.
 "Harriet and the Piper," Anita Stewart's latest First National picture, which will be screened at the Pennington Allen theatre, Thursday, April 7th, is from Kathleen Norris' story of the same name. The story, which has a Greenwich village setting, ran serially in the Pictorial Review, and has since been published in book form. Supporting Miss Stewart is an all-star cast, including Ward Crane, Charles Richman, Irving Cummings, Byron Munson, Myrtle Steadman, Margaret Landis, Barbara La Marr, Dealey and Loyola O'Conner. Bertram Bracken directed the production. Those who have already seen "Harriet and the Piper," both at the coast and in New York, are unanimous in declaring it the best film vehicle in which Miss Stewart has yet appeared, not excepting "In Old Kentucky," which was one of the most successful of last season's productions.

Ford
 THE UNIVERSAL CAR
 Surest Thing in the World

Two and two have always made four. There would not be more than three million five hundred thousand Ford cars in daily service—which is just about one-half of all the automobiles in America—if the Ford, as a reliable motor car, did not meet the demands of all classes of people everywhere and under all circumstances.

Two and two have always made four. If the material, the iron and the marvelous Vanadium steel used in the construction of the Ford chassis, were not of the highest quality known to the science of Metallurgy, then the Ford car could not have won its world-wide reputation for reliability.

Two and two have always made four. When replacements and repairs are required on Ford cars, the Ford owner will be wise in bringing his car to our place, because we use only the Genuine Ford Parts, and we have the Ford skilled mechanics, and all the Ford knowledge that goes to maintain the high standard of quality which is original in the Ford car.

When you want a Ford car or a Ford truck, and when you want repairs or replacements for the same, we earnestly solicit your business, assuring you of prompt attention, real Ford service, and economical Ford prices.

The patrol system of road maintenance is being adopted in all parts of the country. It has proven that real care will keep common dirt roads in good, usable condition practically the year around. Its costs is only a fraction of the annual interest cost on a hard road.

For this work a grader has been developed by the Smith & Sons Mfg. Co. of Kansas City, Mo., especially for use with the Moline Tractor. One man handles both tractor and grader and the entire outfit backs as one unit. The grader itself is strongly built and is adjustable for all kinds of road maintenance work. Together with the Moline Tractor it forms a fast working, easily handled outfit which enables one man to patrol more road, do better work and at less cost per mile.

You are vitally interested in better roads. Investigate the patrol system and this power patrol outfit today.

LEGION MEN WANT P. M. FIRED

Lincoln (Neb.) Post Takes Exceptions to Government Official's Demand for Use of German.

A resolution requesting the government to relieve Henry C. Jarms, postmaster of Emerald, Neb., from his office was passed by Lincoln (Neb.) Post No. 3 of the American Legion, as a result of the postmaster's efforts to supplant the American language by the German language in a church of Emerald.

The trouble started when the pastor of the church invited two Legion members to deliver patriotic addresses in the church. When the speakers appeared, Jarms objected to their presence and called for a vote of the congregation to decide whether they should be ousted. It was the will of the majority that the Legionnaires should not be heard. After the vote, the Legion members quietly left the church.

The pastor, whose invitation to the Legion men was made in an endeavor to conciliate the pro-German and American elements of his church in their controversy over the use of the American or German language, then took the floor and expressed his surprise at the turn of events and left the meeting.

In commendation of the patience of the American Legion members a Lincoln newspaper expresses the following sentiment in its editorial columns:

"The policy of the Legion to send speakers to address meetings on invitation only and to teach Americanism by example rather than by force, has everything to commend it. The small groups of unassimilated foreigners in this country can readily be curbed into compact masses by hate. On the other hand, they can be dissolved in time by patience and friendship. The American Legion is honoring the name it bears when it adopts the latter course."

MEMORIAL AT CLINTON, MICH.

Pelper Post Unveils Monument in Honor of Veterans Who Served in Last Four Wars.

Frederick E. Pelper Post of the American Legion at Clinton, Mich., has unveiled a monument erected by the post in honor of sons of Clinton who served in the last four wars of the country.

Patriotic citizens of the town donated a plot of ground surrounding the monument, which will be converted

Memorial to Men of Four Wars.

into a beautiful park. The monument is built of stone with a bronze tablet bearing the following inscription:

"In Memoriam—Dedicated to her sons who gave their lives for Freedom's cause in four wars, by the village of Clinton, the Mexican War 1846 War of the Rebellion 1861-1865, Spanish-American War 1898, Great World War 1914-1918."

WOULD AID G. A. R. VETERAN

Schuyler (Neb.) Post Endeavoring to Assist Grand Army Man Who Has Been Stricken.

The gratitude and loyalty of members of the American Legion to their comrades of the Grand Army of the Republic is illustrated by the Legion post at Schuyler, Neb., which is endeavoring to obtain aid for a Civil War veteran of that city, who is suffering from cancer.

"The post is in need of advice as to how we can assist this hero of another war," the post commander writes. "He is stopping with relatives, who are doing all they can, but since they have to employ a nurse, I know that they cannot continue to care for him because of lack of funds."

"Now, we would like to have you take it up and see if something can't be done for the old veteran. This is a worthy case and I believe anything the Legion can do for the old boys who wore the blue will be appreciated. There are but a few of them left, and I think the Legion would do well to look after them, since no one else will do so."

In Harmony With Legion.

Following an address by Robert A. LaBoux, national field organizer of the American Legion before a joint session of both houses of the Nevada legislature, C. W. Farrington, state organizer for the American Federation of Labor in Nevada, and a number of union members of the bodies stated that they were in harmony with the Legion's policies and that their organization stood with the Legion in its fight against radicalism.

OBITUARY

Jennie Elizabeth Reynolds, daughter of Mr. and Mrs. Fletcher H. Reynolds was born in Canisteo, New York, September 7, 1862. At the age of six she went with her parents to Bay City, Mich., which remained her home until she was married. At the age of fourteen she consecrated her life to the service of the Church, and became the pathway of the Holy Spirit. She was a devoted wife and mother, and was ever one of happiness and trust. She resided at that time with the Fremont Avenue Baptist church, and to the day of her death was active in all branches of the work in the denomination she had chosen. She received her education in the Bay City public schools, graduating from High school in 1881, and a year and a half later from the Bay City Training School for Teachers. She was assigned to the sixth ward schoolhouse at Bay City and taught there for six years. On January 12, 1888, she was married to Dr. S. E. Campbell of Harrisville, Mich. To them were born five children, one of whom, Marion, died in infancy. She went to live with God on March 24, 1921, after a brief illness of only four days. Until Sunday, the day upon which she was stricken, she had been active in many lines of civic betterment as well as club and church interests. Her passing is a loss to the community, as well as to her sorrowing family, for her wise counsel, kind words and never failing sympathy were sought by many. The funeral was held on Friday afternoon at the Plymouth Baptist church, and the remains were taken to Bay City, Saturday morning, and after a brief prayer service at the grave, conducted by Rev. H. E. Bayles, the body was laid to rest. Besides many friends in Plymouth and elsewhere, she leaves to mourn their loss, her husband, three sons, Maurice of Detroit; Eugene of Chicago; Fletcher of Wayne; a daughter, Mrs. Grace Brown of Greenville, Mich., and three small grandchildren; also an older brother, Albert E. Reynolds of Paw Paw, Mich.
