PRISON FARM A BUSY PLACE

MAIL REPRESENTATIVE SHOWN OVER THE FARM BY SUPT. EDW. DENNISTON.

A mail representative visited the Detroit House of Correction farm a few days ago, where at this time there is much activity in building arrangements. Meeting Supt. Edw. Denniston, that gentleman gave all information as to the "doings" at the site and its ultimate completion. At present all "housing" is but temporary, and nearly all the constructive work is being done by inmates, numbering now about 200 men. There are seventeen men, however, on the regular pay-roll, including guards, engineer and expert mechanics. So far, Supt. Denniston states, only four convicts have taken French leave, which is quite remarkable.

An inspection of the housing conditions of the "colony" convinces one that every precaution is being taken to conserve health and comfort, sanitation being a most important provision. All buildings are of frame, one story high, except the residence of the superintendent, which is a converted farm house. Water is obtained from several wells, piped to a reservoir, where, under air pressure and an auxiliary pump, it is forced through all buildings and is also available in case of fire.

The men are paid ten cents per day, and are not allowed to spend more than \$2.00 per month at the "store," where tobacco, candy and other knick-knacks may be bought at cost price. The farm, located about one mile north and 2 1/2 miles west of Plymouth, contains nearly one thousand acres of land, having a road frontage of one and a half miles. There are on the place 23 head of cows and 40 splendid horses, picked by Supt. Denniston, a great lover of horses, himself. There are also motor trucks and a Ford. It is expected large crops will be gathered this year. Much farm work, however, is yet in an embryonic state, that will take time to develop.

The mile and a half of road mentioned has been materially improved by prison workers, over 3,000 loads of gravel road being used to make it passable. Just now the county is graveling the Becker road from the corners north to Salem road. The east and west road from Phoenix to the west line of the "farm" is to be of cement construction, work thereon to begin as soon as possible, and to be finished this fall. The construction of this four miles of road was brought about mainly through the efforts of Mr. Denniston, who presented to Detroit authorities the advantages to be gained in hauling supplies, transportation of prisoners, etc., from Detroit and Plymouth to the farm.

Altogether the visit of the Mail was most interesting and instructive, and it was a pleasure to meet Supt. Denniston, who unqualifiedly is the man for the place. Visitors to the farm are always welcome, and our citizens are cordially invited to make a "call" whenever possible. They will find every courtesy shown them by Mr. Denniston and his assistants. The Plymouth village commission and other citizens visited the Detroit House of Correction farm, recently.

NEW MASONIC HOME FOR CHILDREN

The Caritas Home, a Masonic home for children, is the name of a new institution which has just been opened. The home is situated on a 20-acre farm on the McKinney road, about a half mile north of the Plymouth road. The building is new and modern with all sanitary appliances. Mrs. Myrtle Terrio is the matron. A nurse is in constant attendance. There is a school in connection with the home. All the regular branches are taught, with piano and dancing lessons as extras. There is also a well equipped gymnasium, and plenty of room for outside sports. All the butter, eggs, milk and vegetables used in the home are raised on the farm. The home was opened several weeks ago, and already about a dozen children are enrolled. There is accommodation for 50 altogether, separate dormitories being provided.

PLYMOUTH WILL OBSERVE

DECORATION DAY

Next Monday, May 30th, is Decoration Day, and a splendid program has been arranged for the proper observance of the day in Plymouth.

At 9:30 in the morning, the local Post of the G. A. R., Spanish American War Veterans and soldiers of the World war will meet at Kellogg Park, and will go in automobiles to Riverside cemetery, where the grave of every soldier will be decorated.

At 1:30 in the afternoon, a procession, headed by the Millard band, veterans of all wars and citizens will form at Kellogg Park, and march to the High school auditorium, where the exercises will take place at 2:00 o'clock, as follows:

Invocation—Rev. F. M. Field
Chorus—Fourth Grade
"Gettysburg Address"—Kenneth Bartlett

Song—Fourth and Fifth Grade
Reading—Eva Griffith
Chorus—Girls' Glee Club
Address—Rev. S. Conger Hathaway
Star Spangled Banner.

After the exercises are concluded, the procession will reform and march to Kellogg park, where the G. A. R. will conduct services at the soldier's monument. Every old soldier who ever wore the blue, soldiers of the Spanish American war and all ex-servicemen of the World war are urged to join in the exercises of the day in paying honor to the soldier dead.

MEMORIAL SUNDAY

Next Sunday, May 29th, the annual Memorial Sunday sermon will be given by Rev. H. E. Sayles, pastor of the Baptist church, at the High school auditorium. The members of the G. A. R., Foreign War veterans and American Legion will meet at their respective halls, at 9:30 a. m., and march to the auditorium, where the services will take place at 10:00 o'clock.

PATRIOTIC SOCIETY MET

The Newburg Patriotic society met with Mr. and Mrs. Oliver Westfall on East Ann Arbor street, Friday of last week, with about fifty in attendance. The day being ideal for the old veterans to get out, there were nine present to do ample justice to the fine dinner given in their honor. It is needless to say the rest enjoyed it. After dinner, the company adjourned to the spacious porch and lawn, where the meeting was held and a short program was enjoyed. Rev. Field gave the story of "The Little Shepherd of Kingdom Come," which was surely wonderfully told and enjoyed. The meeting adjourned to meet with Mrs. Sarah Hoisington in August.

A TWO-PIANO RECITAL

A two-piano recital will be given Monday, June 6th, at Penniman Avenue theatre, by the following pupils of Miss Czarina Penney: Marguerite Wood, Barbara Bahr, Alva Hamill, Francis Coe, Miss Helen Field, Eva Griffith, Miss Marion Kiey, Miss Wanda Schutte, Miss Gladys Schrader, Miss Hanna Strasen, Miss Clara Gayde and Miss Thelma Pitcher of Detroit.

TOLEDO I. O. O. F. VISIT PLYMOUTH

The degree team of Central Grove Lodge, I. O. O. F., of Toledo, the largest Odd Fellows Lodge in Ohio, conferred the third degree upon several candidates for Tompkins Lodge, No. 82, of this place, last Saturday evening. About sixty visiting brethren were present. The Rebekahs served a fine supper to the visitors at the I. O. O. F. hall. It was a most pleasant occasion in the history of the local lodge.

ELECTED MEMBER OF SIGMA DELTA PHI

Thursday evening, May 26th, Miss Ruth E. Hoston went to Ann Arbor for initiation into Sigma Delta Phi, national honorary debating fraternity, to which she has just been elected to membership. Her election came as a result of her work in debate in the past three years, and as a result of her debating work at the University of Michigan, where she was a chess member and first president of "Athlet," which is the university debating society for women.

THE JUNIOR-SENIOR BANQUET

Plymouth High school's first junior-senior banquet since 1914 took place, Friday evening, May 20th, in the High school auditorium. Those present were the twenty-eight seniors, the twenty-five juniors and the members of the High school faculty. The decorations were in dark blue and white; the table covers were blue and white crepe paper, and on each table were deft blue candles. The same color scheme was carried out in dainty programs and place cards. The favors were clusters of sweet peas.

The menu was: Oxtail soup, wafers, pressed chicken, mashed potatoes, buttered peas, fruit salad, radishes, olives, rolls, ice cream, cake, coffee, after dinner mints.

After the bountiful banquet, which was served by the members of the M. E. Aid society, the following toasts were given:

Toastmaster—Charles Chappel
Gracious Reception—Velma Nelson

Response—David Hinnau
Orchestra Selection—Stanley McHale, Russell VanGilder, Harvard Norgrove and Hanna Strasen

At the Sign of the Gavel—Charles Sedley

When the Referee's Signal Sounds—Arnold Freydl
Piano Solo—Hanna Strasen
The Call to the Colors—Ilene Rattenbury

The Meaning of Our Motto—Norma Hake
Orchestra Selection
Nothing About Nobody—Lyman Judson

Tit for Tat—Etha Wiseley
Song—On, Oh Plymouth.

From the very pertinent remarks of the toastmaster, Charles Chappel, to the clever repartee of the last two toasts given by Etha Wiseley and Lyman Judson, in compliment of the senior and junior classes respectively, the whole program would have done credit to a group of adults. Both classes agreed that the revival of the custom of having junior-senior banquets was a happy event for Plymouth High school.

PLYMOUTH'S FOURTH OF JULY CELEBRATION

Large posters announcing Plymouth's Fourth of July celebration are ready for distribution, and everything points to one of the best Fourth of July programs ever pulled off in Plymouth. Among the big attractions are two ball games, aeroplane flights, grand automobile parade, dancing afternoon and evening, grand display of fireworks in the evening. Then, of course, there will be all kinds of small sports to amuse the young and old. The I. O. O. F. entertainment committee, under whose auspices the celebration is given, are leaving nothing undone to make the celebration a great success. Watch the Mail for further particulars.

NOTICE
Clean Up Days Next Week
Wednesday and Thursday of next week, June 1 and 2, are hereby announced as Village Clean-Up Days. On these two days the village teams will make the rounds of the town, collecting whatever cans and rubbish the citizens have placed on the curb or roadside in boxes or barrels convenient to be emptied.

Let everyone make a thorough clean up so that no breeding place may be left for hot weather flies, and that no rubbish may remain which might prove tender to light a conflagration.

The Villagers of Plymouth are noted for the fine looks of their front yards. Let the back yards, alleys and basements be as worthy of good report.

If any are waiting for a place to cart their ashes, the Manager has several sites of sidewalks that need filling, and he will gladly direct teams where they may dump ashes, dirt or brickbats so that they may be of use instead of being an eyesore.

Sidney D. Strong,
Village Manager.

THE THEATRE

"One Man in a Million, the latest Robertson-Cole release, in which George Beban, considered by many the greatest portrayer of foreign types on the American screen and stage, will be shown for the first time at the Pennington Allen theatre Saturday evening, May 28th. This is the strongest vehicle in which Mr. Beban has ever appeared, and critics who have reviewed the picture are unanimous in their verdict that it is the greatest drama ever screened. The story is replete with human interest touches, and has its full quota of comedy relief. In presenting the picture, Mr. Beban climbs into a unique niche in the cinema hall of fame. Not only is he appearing in the stellar role, but to him is due the credit of having written the story of the photoplay, after which he produced and directed it. The author did not rely upon the human equation entirely to "put over" his masterpiece. A score of frolicsome dogs and a really clever parrot help tell the story.

A delightful phase of the production of "The Old Swimm'n' Hole" with Charles Ray as the star, and now to be seen at the Pennington Allen theatre, Monday evening, May 30th, Decoration Day, is that the director, Joseph DeGrasse adhered closely to the time and locale of James Whitcomb Riley's poem. The production was placed in the exact period when Riley wrote it, and the things which he mentioned are all there—sycamore tree included. For fortune so willed it that the swimming hole chosen by Mr. Ray is overhung with a huge sycamore, picturesque and inspiring. Lovers of Riley will be delighted with the fidelity to detail in this latest Charles Ray picture.

The wave of public interest in the occult now sweeping the country is expected to contribute much to the success of "Unseen Forces," a gripping mystery story which has been pictured by Sidney Franklin, and which will be screened at the Pennington Allen theatre, Tuesday evening, May 31st. The story centers around a girl possessed of uncanny powers. From a sheltered, naive country girl, becomes a popular medium for New York's elite. In this roll will be seen Sylvia Breamer, and the cast includes Conrad Nagle, Rosemary Theby, Sam DeGrasse, Bobb. Cain and Edward Martindel. The production is Sidney Franklin's initial Mayflower release for Associated First National Pictures, Inc.

Wallace Reid famous Paramount star, has scored decisively as a screen artist, by his clever dual impersonation in his new picture "A Woman Audacious," which is the attraction at the Pennington Allen theatre, Thursday evening, June 2nd. In his picture Mr. Reid portrays two entirely different types of men, one of the heroes and the other a scheming and villainous crook, and the production both over and under. A delightful romance adds much to the interest of the story. Margaret Loomis is the principal figure in support of the star, and others in the cast are: Clarence Geldart, J. M. Dumont, Elsie Haines, Carmen Phillips, Guy Oliver and Fannie Midgley. The scenario was written by the scenario and James Cross directed.

Rev. Raycraft gave an interesting talk on Martin Luther, also told of the great good that is being accomplished with the Centenary money. There were fifty-two in Sunday-school, and thirty at the Epworth League, last Sunday. Leon Joy played very nicely for Sunday-school. Commencing June 4, the church service will commence at ten o'clock in the morning, with Sunday-school immediately after. The district superintendent, Dr. Leonard, will preach at that time.

Memorial Day exercises will be held Sunday afternoon, May 29th, in Newburg church. Mr. Cochran has charge of the music, and Mrs. L. Clemens the program. Rev. Raycraft will deliver the address. Readings will be given by Miss Mattie Lawton and Mrs. Donald Ryder. Lincoln's

Gettysburg Address will be given by Thomas Davey. Newburg, Patchen and Stark schools will take part in the exercises. All Civil war veterans are invited to be present, and veterans of the World war are asked to don their uniforms and march with the boys in blue. Exercises will commence at 2:30 o'clock. After the exercises, the children will march to the cemetery and decorate the soldier's graves. Everyone is invited to attend. Please bring flowers.

There was a large turnout to the special school meeting, Friday evening. The majority expressed themselves as being satisfied with the work done by Miss Lawton the past year, especially under the crowded conditions of the school. It was decided to hold a meeting this week Thursday evening at Newburg hall, and invite in the neighboring districts to hear Mr. Coffey of Lansing, talk on "The Consolidated School."

Several from here attended the Patriotic meeting, last Friday, at Mr. and Mrs. O. Westfall's in Plymouth. It's a very little that one can do to make it pleasant for these old veterans that are rapidly answering the last roll call, and for their sakes we are glad to have these gatherings which they enjoy so much.

Mrs. Henry Elliott left Harper hospital last week Wednesday, and is at the home of her mother in Detroit. She is taking x-ray treatments.

Howard Cochran, who hurt his knee some time ago, was taken to the Ford hospital, Highland Park, last Friday, where an x-ray was taken of the knee, showing that a bone was broken. His leg was put in a plaster paris cast, the doctor saying it would have to remain for about eight weeks. His classmates in Sunday-school and day school are sending flowers and cards to help him pass the time.

Beulah Ryder attended the May Day exercises at the State Normal, Tuesday, as the guest of Miss Ernestine Roe.

Henry Ford is having the land prepared by a large force of men for ninety acres of orchard, on what was formerly the old Ratter and Bovee farms.

Mrs. Edgar Stevens is very sick with diphtheria. Mrs. Albert Stevens of Plymouth, is caring for her. Her friends hope for her speedy recovery.

Mrs. Charles Ryder called on Mrs. Gardner Kent, last Friday. Her many friends will be sorry to learn of her going to Highland Park hospital, this week Tuesday, for a serious operation.

Miss Ernestine Roe of Plymouth, spent last Friday night with Miss Beulah Ryder.

Mrs. Donald Ryder is spending a few days in Detroit, as the guest of her friend, Miss Willmetta Peters.

Methodist Matters

Worshippers at the Methodist church, last Sunday, were impressed with the touch of homeliness which has been added to the auditorium by the soft brown curtains, which hung at every window. The curtains were planned in such a way as to provide for complete darkening of the auditorium when desired, but they are also a real attractive addition to the room furnishings. Thanks are due Mrs. Robert Jolliffe, Mrs. William Hayball, Mrs. Lemon Baker and Mrs. F. M. Field for the making of the curtains. Sixty-six yards of material were used, and the entire expenses of material and fixtures was about \$35 provided from the picture fund. The darkening apparatus will be put to its first real use on Decoration Day, when the picture, "The Little Shepherd of Kidgom Come" will be shown at four o'clock in the afternoon, with the Civil war veterans as special guests.

A number of Methodist young people from Plymouth will be in Wayne, this afternoon and evening attending a banquet in connection with the Pontiac District convention of the Epworth League. Charles Sedley will give one of the toasts at the banquet. The convention will continue in session tomorrow, and Rev. Frank M. Field is to be one of the speakers in the afternoon.

A canvass of the Methodist constituency last Sunday afternoon and during the past week has resulted in the addition of a number of weekly pledges to the great missionary enterprises of the church. The Plymouth congregation contributes more than \$2,000 a year to missions, and the new givers are needed to take the place of those who have died or moved away. The third year of the Methodist Centenary begins June 1st.

Miss Hulda Haenig of Ann Arbor, home on a furlough from Korea, and who will soon return to her work there, has been chosen Missionary for the new Pontiac district of which Plymouth is a part. Miss Haenig is to be a guest of the local W. F. M. S. Auxiliary on Tuesday evening, May 31st, at the Methodist church. A "seven article supper," to which all the members of the church are invited, will be served at 6 o'clock, after which Miss Haenig will tell of her work in Korea and then an informal reception will be held that all may become acquainted with our representative in the foreign field. At 8 o'clock on the afternoon preceding the supper, will occur the annual meeting and election of officers, and all members of the societies are urged to be present at this important meeting, on account of June being such a busy month, it is being held at this time. It will help materially in closing up the business for the year, if those who have not paid their dues will do so at this meeting.

"diving souvenirs," fell upon the ears of the friendless man. As his turn came to face a counter he was handed out a beautiful rose.

FARMERS MET AT BOARD OF COMMERCE

Farmers from Oakland, Monroe, Macomb, Washtenaw, Wayne and Genesee counties met in the Detroit Board of Commerce, Friday, to assist in forming the program of work for the new agricultural division of the board.

Wayne county was represented by Milton Carmichael, secretary of the Market Gardeners' association. The principal subjects discussed were marketing of farm products from the surrounding counties of Detroit, ways and means for simplification of methods and the co-operation of city business in helping farmers obtain longer termed seasonal credits.

It was pointed out by C. A. Birmingham, organizer of the state farm bureau, now in charge of the Board of Commerce agricultural division, that people in the city rapidly are coming to a realization that farmers have peculiar problems, and that the city folks through the agricultural division are ready to try to work out these problems.

The following were neither absent nor tardy during the last five weeks: Erwin Gates, Billie Henry, Jean Strong, John Musgrove, Joseph Ribar. Senior examinations are to occur June 1 and 2. The only two members of the senior class, Edythe Pierce and Ilene Rattenbury, who took the teachers' examination, received word this week that they had passed. The Alpine-Olympian track meet was held Thursday on the High school field. Stevens broke the high school record on the 100 yard dash, and Tait in the high jump, tied the High school record which Plymouth made last year. A great deal of interest was taken in the meet, and the results indicate not only a good showing for this year's Four-Square

The water's fine for a number of things—but it's especially fine for transporting farm produce. Since the invention of the steam locomotive water routes haven't been of much use except for swimming. But they are coming back into style, says

The COUNTRY GENTLEMAN

The freight-rate increases did it. They made it necessary for many farm areas to find new markets or else cheaper rates to the old. Next week's issue tells the story.

Not only are water highways being opened up, not only is ocean shipping supplanting a great deal of the transcontinental hauling, but the agricultural map of the whole country is being changed. A lot of the produce that used to be brought into this very town from distant centers of production will now have to be grown right here or nearer home.

There's only one farm weekly that can tell you about this situation, because there's only one farm weekly national in its vision. **THE COUNTRY GENTLEMAN** will keep you in touch with every national farm happening that affects us locally, and it will do it for a whole year—52 issues—for One Dollar. DEATH OF DR. FRANK P. KENYON
FUNERAL SERVICE FOR FORMER WELL KNOWN PLYMOUTH CITIZEN HELD IN POMONA, CALIFORNIA.

We take the following from a Pomona, California, paper, regarding the death of a former well known and highly esteemed Plymouth citizen:
Dr. Frank Pierce Kenyon, one of the best known physicians of Pomona, who had been a resident of this city for the past thirteen years, died at 8 o'clock last night at the Pomona Valley hospital, where he had undergone a critical operation on April 25. Dr. Kenyon was taken sick a little more than two weeks ago, and it was decided that an operation was necessary in an effort to save his life. It was found that he was suffering from intestinal trouble of a serious nature caused by the telescoping of the intestines. The operation was of necessity long and a great shock to Dr. Kenyon, who, although he rallied remarkably well after the operation, finally succumbed. He became worse on Friday and Saturday, and a little hope was held for his recovery.
Because of his exceptional services to the community as one of the leading supporters of the Pomona Valley Hospital, where recently he had been head of the laboratory, Dr. Kenyon held a high place in the regard of his fellow physicians, as well as in the esteem of the community. He was a member of the Masonic and Elks lodges, was extremely popular with the members of these organizations, and had a wide circle of friends throughout the city.
Dr. Kenyon was a specialist in the administration of anesthetics and his services at the hospital in this line of work were of great value. He was a highly trained member of his profession, and his death takes from the ranks of Pomona's medical men one of the most respected and useful physicians in this city.
The funeral is to be held at 2 o'clock Wednesday afternoon at the Todd & Patterson chapel. Further announcements with respect to the services will be made later.

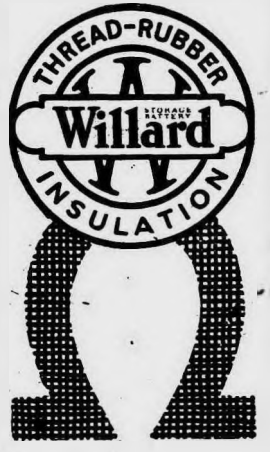

DR. KENYON'S CAREER
Frank Pierce Kenyon was born in Plymouth, Mich., and at 18 years of age was graduated from the Ypsilanti Normal School. He attended the Detroit Medical College, graduating in February, 1875. While a student at the college, he was intern at St. Luke's Hospital in Detroit. In Detroit, he studied under the late Dr. Theodore McGraw, the noted surgeon.
In March, 1875, Dr. Kenyon went to Europe, where he studied for a year in Berlin, and for a year and a half in Vienna, where he was graduated with honors from the medical departments of the leading universities.
In 1877, Dr. Kenyon returned to the United States, and in that year married Miss Gertrude Shattuck, who survives him. He began the practice of medicine in Michigan, but moved soon to Fargo, N. D., where he practiced for several years. The rigorous climate there affected his health so he moved to Middleborough, Ky., where he lived several years and then returned to Plymouth, Mich. In 1908, Dr. and Mrs. Kenyon moved to Pomona, which has been their home since that time.
While in Fargo, Dr. Kenyon was the division surgeon of the Northern Pacific railroad, and while at Middleborough, he served in a similar capacity for the Louisville & Nashville railroad. In the Spanish-American war he was a surgeon with the rank of major in the 4th Kentucky Volunteers. He served in the Philippines one year, but was obliged to return to this country on account of his health.
Dr. Kenyon became a Knight Templar at the age of 21, and was also a 32nd Degree Mason and a member of Al Malaiken Temple, Nobles of the Mystic Shrine. He was a member of Pomona Lodge, No. 789, B. F. O. E. U. He was transferred from the Middleborough Lodge of which he had served as Exalted Ruler.
Besides his wife, Dr. Kenyon leaves several nephews and nieces.

FUNERAL SERVICES
An impressive funeral service was held at two o'clock this afternoon, when friends of the late Dr. Frank Pierce Kenyon, who died Sunday evening at the Pomona Valley hospital, gathered at the Todd and Patterson chapel to pay a last tribute to his memory.
Members of The Knights Templar order of this city attended the funeral service in full dress uniform and the Elks Lodge, of which deceased was also a member, was represented by a large delegation of members. The chapel was crowded with those who were close and intimate friends of Dr. Kenyon, who during his thirteen years of residence in Pomona had made a host of friends both professionally and through the fraternal organizations of which he was a member.
The Knights Templar were in charge of the services with Rev. Stephen C. Clark, Jr., rector of St. Paul's Episcopal church, officiating. High tributes were paid to the services which Dr. Kenyon rendered to the community and to the admirable traits of character, which endeared him to the people of this city.
The floral tributes were numerous and exceedingly beautiful, the casket being surrounded with the floral offerings of Dr. Kenyon's friends. Many friends of the deceased called at the chapel before the hour of service to look upon the face of the man who had long been their friend and medical adviser.
Following the services the body was taken to Pasadena for cremation. The remains were escorted to Pasadena by members of the Elks Lodge.
There is nothing healthier than taking a five mile ride over some of the roads around Plymouth. It brings every muscle of the body into play.
You can't get 'em to confess it, but it's easier for some Plymouth boys to make love than it is to make a living.
Periodic Biliary Attacks
Persons subject to biliary attacks at regular intervals know about when to expect an attack. They find they have no desire for food when an attack is due, but usually rest because it is meal time. Skip one meal and take three of Chamberlain's Tablets and you may be able to avoid the attack. Persons subject to periodic biliary attacks should not drink tea or coffee at any time.—Adv.

FORD PRODUCING 4,000 CARS A DAY
PRESENT PRODUCTION GREATER THAN FOR SAME PERIOD LAST YEAR.

Ford is building cars at full speed. And, according to an official statement from the factory at Detroit, the demand for Ford cars and trucks still exceeds the output, despite the fact that a new high level of production has been reached.
By the first of May the figures representing daily production were in the neighborhood of 4,000 a day so the May schedule was set at 101,125 cars and trucks, not including the output of the Ford Canadian plant or any of the foreign assembling plants. The output mounted daily; May 12th brought forth 4092, the greatest number that have been produced in one day so far this year. Since the month has 25 working days, present indications point to a new high record.
A comparison of Ford production figures for 1920 and 1921 discloses the fact that for April, 1921, the output was greater by 34,514 than for the corresponding month of a year ago. The output for May 1921, will probably overshadow May, 1920, by between fifteen and twenty thousand cars and trucks.
Approximately 43,000 men are at work in the Detroit plant of the Ford Motor Company. The factory is operating full time, six days a week and three shifts a day.
"We were never in a better condition than we are right now," said Henry Ford recently.

Mr. and Mrs. Paul Lee and family were Sunday guests at the parental home.
School closed Wednesday with a basket picnic, which was enjoyed by the pupils and some of the parents were present. They were treated to a liberal supply of ice cream by the teacher. The report of the final examination for the year showed very good standings with a majority of the pupils, and when they were presented with their promotion cards, their faces beamed with pleasure, and in some cases surprise. It is to be regretted that the services of Miss

Hottenstein cannot be secured for another year, as her work has been entirely satisfactory with pupils and parents, as well, and she on the other hand regrets leaving the school, as she has become very much attached to each member, and has had the pleasure of seeing them advance in their work to a very encouraging extent. She expresses gratitude to the district, in general, for their courtesy and help during the school year.

THE STOCKING QUESTION
resolves itself into three things—fit, comfort and wear. When fit is correct, style is assured and comfort is the logical accompaniment. And when a hose is fashioned of select choice yarns, an elegant, smooth appearance and texture is supplemented by satisfactory wearing qualities.
Our line of Cadet Hosiery combines all of the above qualities, and we have them in Cotton, Lisle and Silk. We have a good supply of 920 Silk Hose now in White, Black, Brown, Navy and Gray.

Rev. Marsh of Pontiac, and thirty-five young people came over last Friday night, and gave us a very pleasant evening of song and story. The life of Charles Cary from youth to old age was given.
