## THE FOURTH IN PLYMOUTH

A LARGE CROWD WAS IN PLYMOUTH DURING THE AFTERNOON AND EVENING AND EVERYBODY HAD A GOOD TIME.

Although the heat was of the sweltering kind, and the farmers were in the midst of the wheat harvest, yet there was a good crowd in town during the afternoon and evening of July 4th, for the celebration staged here under the auspices of the local I. O. O. F. Entertainment Committee.

The first attraction on the forenoon's program was the parade, which took place at 10:00 o'clock. There were three prizes offered for the best decorated vehicle and these were awarded as follows: Plymouth Fire Department, first; Goodwin Crumbie, second, and C. H. Rauch third. The parade was led by the Millard band.

The morning ball game between Eastern lodge, I. O. O. F., of Detroit, and the local I. O. O. F. team was won by the Detroiters by a score of 8 to 2.

At 1:00 o'clock the small sports took place under the shade of the trees in Kellogg Park, and the crowd enjoyed the various events on the program immensely.

An aviator from Detroit performed some daring feats during the afternoon that greatly pleased the crowd.

The ball game in the afternoon between the same two teams of the morning game, was again won by the visitors with the score 11 to 7.

During the evening the Millard band gave one of their splendid concerts in Kellogg Park that was much enjoyed by a large crowd.

As a climax of a successful day's celebration came the fireworks display, which was one of the best that has been seen in Plymouth in some years.

The members of the committee who had the celebration in charge are to be congratulated on the success of the day's program.

## EPOCHAL GATHERING OF YOUTH TO BE ECHOED IN PLYMOUTH SUNDAY EVENING.

The largest institute of young people in all history came to an end last Sunday, in Albion, where more than 1,100 young people had been for a week, studying christian life and work. It is impossible to imagine what is involved in this great gathering.

Plymouth was represented by eleven people, besides Rev. and Mrs. Field, the following spending the entire week in Albion and attending the classes and mass meetings day after day: Lyman Judson, Howard Burden, Perry Richwine, Donald Sutherland, Floyd Lundy, Lloyd Lundy, Charles Sedley, Nellie Huger, Lorena Terry, Hazel Hill and Minnie Curtis. They have come home full of enthusiasm and energy, which ought to have a great bearing. Next Sunday evening these young folks will have full charge of the evening service at 7:30, and everyone who can ought to hear them.

Dr. S. E. Campbell returned Monday from a two months' visit at Greenville, Bay City and Chicago.

Undertaker F. D. Schrader was called to Ypsilanti, last week Thursday, to care for the body of Mrs. Henry Horner, who passed away that day at her home in that city. Mrs. Horner was formerly a resident of Cherry Hill, and had many friends in that vicinity. The funeral was held Saturday afternoon at 4:30 o'clock, with interment at Ypsilanti.

**DAISY DAY**  
Daisy Day picnic at Walled Lake, Saturday, July 10th. We will meet at the Daisy factory in the morning, and leave there at 8:00 o'clock sharp. There will be autos there to take you over and bring you back. Take your own lunch, and the rest will be free to Daisy employees and families.

COMMITTEE.

## HAVE FINANCED TWENTY-ONE HOMES HERE

On another page of this paper, we call your attention to the report of the financial condition of the Plymouth Home Building association for the six months ending June 30th, which shows a substantial, healthy growth over the statement of six months ago.

Since April 1920, the association has financed the building of 21 homes in Plymouth, many of which would not have been built had it not been for the aid of the local association.

Citizens who can do so are urged to lend their support by taking shares for stock in an institution that helps to build homes in Plymouth. Every dollar of it is used in Plymouth, not a cent goes out of town. It is a co-operative association in which the stockholders share in all the profits.

At the last meeting of the board of directors, a dividend of 5 per cent per annum for the six months ending June 30th was declared. Boost the Plymouth Home Building association and you boost Plymouth.

## CHAUTAQUA VISITOR IS STORM'S VICTIM

J. E. WILCOX, 76 YEARS OF AGE, SEVERELY HURT WHEN HEAVY BRANCH FALLS.

We have received the following clipping from a Twin Falls, Idaho, paper, relative to an accident which befell one of our former well known citizens, in that city on Tuesday evening, June 28th, a letter which accompanied the clipping under date of June 30th, states that Mr. Wilcox is unable to help himself and cannot turn his head or body, and that it will be a long time before he will be able to leave his bed. His many Plymouth friends will hope for his speedy recovery.

John E. Wilcox, aged 76, was severely injured during the height of last night's storm, and is today in a weakened condition at his home as a result.

"Mr. Wilcox, who is the father of George E. Wilcox, former county assessor, was struck on the head by a heavy tree branch, sustaining cuts across the scalp which required fifteen stitches to close. The accident victim lost a large quantity of blood, which served to reduce his vitality to almost low ebb. Medical attendants and members of his family today report a satisfactory condition of the patient.

"The accident occurred as Mr. Wilcox, his son and the latter's wife were leaving the Chautauqua grounds while the storm was yet raging. Mrs. Wilcox holding her father-in-law by the arm. The tree branch snapped and broke off the heavy end striking the elder Mr. Wilcox on the head, the lighter branches catching Mrs. Wilcox. Both were thrown to the ground, the aged gentleman being rendered unconscious for some time. Mrs. Wilcox's injuries were of a more or less superficial nature. Dr. H. W. Clomehek was called to care for the injured man, who sustained one scalp cut over the entire length of the head from forehead to the back, and a cross incision extending from left to right several inches."

## FUNERAL OF MRS. J. O. EDDY

The funeral services for Mrs. J. O. Eddy, whose death on Thursday, June 30th, was mentioned in last week's Mail, was held from the Schrader Bros. Funeral Home, Saturday afternoon at 3:00 o'clock, Rev. G. H. Whitney officiating. Interment in Riverside cemetery.

Sarah M. Phelps was born on a farm just west of Plymouth on October 3, 1851. She was married to J. O. Eddy on August 31, 1881. She leaves besides the husband, two children, Mary M. Downer of Chicago, and Mrs. Elsie Joffe of Plymouth, and one grandchild, Mrs. Floyd Bennett of Chicago. One child, Eva May, died in infancy. Early in life the deceased united with the M. E. church of this place.

Mrs. Eddy was a lady highly respected by all who enjoyed her society. Her husband was a member of the same church of this place, and she had resided here long.

## CHURCH AND SUNDAY-SCHOOL PICNIC

ST. JOHN'S EPISCOPAL CHURCH AND SUNDAY-SCHOOL HELD PICNIC LAST WEEK WEDNESDAY.

Wednesday of last week, the members and Sunday-school scholars of St. John's church held their picnic in Benton's grove, and there was a large turnout. Various games were entered into with enthusiasm, after which a fine lunch was provided, then the distribution of prizes. Much fun was caused by the ball game between the men and the boys, which resulted in a victory for the boys. After the distribution of prizes, the men and boys cooled themselves in the river, where water battles and swimming stunts were indulged in. F. L. Gibson, the missionary, gave some special exhibitions in water battles and life saving from drowning.

Everyone returned home, expressing a very enjoyable day. This first picnic being such a success, the members have decided to give another one in September, so that all those members who were unable to attend last week may be present.

## WEDDING ANNIVERSARIES

Mr. and Mrs. J. C. Dunham on South Main street, pleasantly celebrated their fifty-sixth wedding anniversary—at their home, Monday, July 4th. Among the guests were their children, grandchildren and great grandchildren. Other guests were: Miss Stella Susterka and Mr. and Mrs. William Howling of Belleville; Mrs. W. D. Huntley and son, Junior of Akron, Ohio, and Mr. and Mrs. Sylvester Henry of Mason. A sumptuous dinner was served at twelve o'clock, after which a pleasant afternoon was enjoyed. Late in the day the guests departed, wishing their host and hostess many more such pleasant occasions.

Mr. and Mrs. Pizarro Perkins pleasantly celebrated their fifty-seventh wedding anniversary at the home of their daughter, Mrs. Jennie Stay, on Hamilton street, last Monday. About forty guests were present, and dinner and supper were served on the lawn. Mr. and Mrs. Perkins have five grown children, four of whom were with them that day; nineteen grandchildren, fifteen of whom were present, and twenty-five great grandchildren, five being present. It is the wish of many friends that Mr. and Mrs. Perkins may enjoy many more like occasions.

## A Bank's Strength

After all the strength of any bank depends upon the way its deposits (your dollars) are loaned.

It is because of that very fact that this bank has become known as a strong bank.

Not a dollar is loaned carelessly or recklessly. Each loan is made with its ultimate payment in mind.

Savings deposits are invested largely in bonds and mortgages.

These facts should have your consideration when you are selecting a bank for your dollars.

#### FEWER HORSES NOW

The Plymouth man who predicted a dozen years ago, when the auto first gave signs of becoming popular, that it would replace the horse, now has his argument partially verified. He had to wait a long time, and even now with millions of autos, the price of a good horse is as much as it ever was. But in support of his argument that the auto would supplant the horse, he can point to the figures given out by Uncle Sam. These show that there are today 56,539 draft horses in New York city, as compared with 128,224 ten years ago; there are 30,888 draft horses in Chicago now against 68,122 ten years ago. But he should also remember, if he quotes these figures, that this applies to cities only. On the farms—even with the auto and the tractor in use—Uncle Sam's figures show an increase in the number of horses used for general purposes over ten years ago.

#### ALL THE YEAR ROUND

The average Plymouth citizen wants something "light and fluffy" for summer reading, just as he wants his clothes to be of the same material during the hot weather. Maybe he is too tired to sit down at the end of a long, hot day's work and pore through column after column of print that requires study as he goes along. So he picks up the lighter reading matter, and waits until the cooler months to do the bulk of his reading. But the wise man never lets the hot weather interfere with his reading, insofar as keeping posted on the

news of his community is concerned. He doesn't want to fall behind the procession, so he reads the home-town paper during the hot months as faithfully as he does in the dead of winter. He knows that missing a single issue means losing out on the current news of the entire community, in which he is most interested, so he never lets a week pass without reading his home paper. And that is why the warm weather months are just as good as any other for the advertiser. His ad in the home paper is read because it never gets too warm for people to read it.

"No matter where they live there's a nearby U. S. Dealer with his nearby U. S. Factory Branch"

# Who says that "bargain" tires are what the people want

**M**OST everybody knows the easy-going sort of man who never takes a tire seriously until he gets a blow-out.

How long he will resist universal tire education is a question.

But this is sure—

More people are finding out every day that between leaving things to luck and getting *real economy* there is a big difference.

Many a car-owner has come to U. S. Tires because he couldn't afford to keep on *paying* that difference.

Probably seven out of ten users of U. S. Tires came to them only after they'd had enough of "discounts," "bargain offers," "clearance sales of surplus stocks" and other similar appeals.

They have found *economy*—and they stick to it.

They pay a *net* price—not "something off list" that may not mean anything in the first place.

They get *fresh, live tires, being made and shipped* while this message is being written.

No matter where they live there's a nearby U. S. Dealer, with his nearby U. S. Factory Branch.

U. S. Tires keep *moving*.

No opportunity to get old and dried out. No shifting here and there trying to find a market.

Every U. S. Tire a *good* tire, wherever you find it anywhere in the country.

Because the U. S. policy is a *good* policy that serves the car-owner all the time.

Doing the very best for him that human good faith can do.

## THE U. S. CHAIN TREAD

One of the few tires of which it may be said that they deliver economy year in and year out and tire after tire.

The U. S. Chain Tread gives sufficient traction on all ordinary road surfaces. It is probably the handiest, and by all odds the most popular, of the whole U. S. Fabric Tire line.

## BACK TO THE K. P. DUTIES

Louisville, Ky., Legion Men Respond to Appeal From Housekeepers for Housecleaning Helpers.

An alarming shortage of domestics faced the housewives of Louisville, Ky., when they began their spring house-cleaning recently. Unable to do all the scrubbing, window washing, carpet beating and sweeping themselves, with the maids of ante-bellum days continuing their work in mills and factories, the Louisville women feared that their city would not be spick and span for Derby day. Then the American Legion posts of the city came to their rescue.

"All you former kitchen police; here's a chance to ply your honorable calling with pay and with a housewife in charge of the detail," read the

Back to Kitchen Police Duty.

Legion's announcement to unemployed ex-service men. They responded in platoons and squads, doughboys, gobs and gyrenes, each reciting his record with the broom and mop. The housewives made a rush for them.

The plan is being adopted in several cities nearby with entire satisfaction to the employers and employed.

## HOPES TO SERVE UNCLE SAM

Captain Griffith, Late of His Majesty's Air Forces, Seeks Further Thrills.

It will take an act of congress to get him into the air service of the United States navy, but Capt. John S. Griffith, Seattle, Wash., late of his majesty's air forces and wearer of five decorations, is hopeful that Uncle Sam will accept him.

Too young to enter the American army, Captain Griffith left a high school in Seattle to enlist in the royal flying corps at Toronto, Canada. He served through four years of fighting and is officially credited with having shot down nine German airplanes and two balloons. He received the British Distinguished Flying Cross and four Russian decorations.

In the Archangel sector, Captain Griffith, flying for the British, fought the Bolsheviks with such success that they set a price of 15,000 rubles on his head. All the wars having ceased, he was sent to Egypt. Seattle post of the American Legion, which Captain Griffith joined immediately upon his return to his native land, are helping him in his effort to have congress legislate that he may find an occasional thrill in the naval flying squadrons of America.

## GATHERS IN THE RECRUITS

Captain of Wives' and Sisters' Team Obtains Many Kansas Auxiliary Members.

Wives and sisters defeated mothers of American Legion members in obtaining recruits for the Legion's Women's auxiliary in Pratt, Kan. Mrs. Myron Glaser, captain of the wives and sisters, unassisted, persuaded 28 women to sign on the dotted line.

Mrs. Glaser is a charter member of Pratt unit of the auxiliary which was founded last January. It has a membership of 67 and promises to be one of the most active in the state of Kansas.

Mrs. Linda Harrod Endorses Chamberlain's Tablets "I suffered for years with stomach trouble and tried everything I heard of, but the only relief I got was temporary, until last spring I saw Chamberlain's Tablets advertised and procured a bottle of them from our drugstore. I got immediate relief from that dreadful heaviness and pain in my stomach after eating. Since taking two bottles I can eat anything I want without distress," writes Mrs. Linda Harrod, Ft. Wayne, Ind.—Advertisement.

## WOOL POOL ABSORBS 360,000 LBS. WEEKLY

With more than 1,500,000 pounds of wool pooled and graded, wool continues to come into the Michigan State Farm Bureau pool at the rate of 360,000 pounds a week—or 60,000 pounds a day, says the Farm Bureau. It is expected that the 2,000,000 pound mark will be reached by the close of the first week in July. More than \$150,000 has been advanced to wool growers as the initial payment on pooled wool, according to the Farm Bureau wool department, which announces the sale of a block of 150,000 pounds of short staple fine wool at 22 cents a pound. Seventy-five of 150 grading warehouses have been visited.

## FARMERS AS ONE ON LEGISLATIVE NEEDS

The membership of the American Farm Bureau has completely endorsed the agricultural legislative program of sixteen points, recently outlined to 1,052,000 Farm Bureau members in a questionnaire going to 1,473 County Farm Bureaus in forty-seven states, says the Michigan State Farm Bureau. The vote of confidence declared about ten to one for positive action on the sixteen questions of national importance. Berrien, Barry and Cheboygan, first Michigan counties to report, were unanimously in favor of such action.

Questions asked involved farm finance, taxation, transportation and important general problems. Live-stock financing, based on adequate pledge of animal and food, the truth-in-farics legislation, the Great Lakes-St. Lawrence waterway, retention of excess profits tax, abolition of tax free securities system, opposition to a general sales tax, and legislation for co-operative marketing were overwhelmingly favored.

Suffered Intense Pain "A few years ago when visiting relatives in Michigan, something I had eaten brought on an attack of cholera morbus," writes Mrs. Celesta McVicker, Macon, Mo. "I suffered intense pain and had to go to bed. I got a bottle of Chamberlain's Colic and Diarrhoea Remedy, and one dose relieved the pain wonderfully. I only took two or three doses, but they did the work.—Advertisement

Mrs. G. P. Maddocks was in Detroit, Saturday.

### Baptist Notes

Hot weather wilted some people last Sunday, and they did not arrive at church.  
The pastor spoke on Sunday from 2 Cor. 4:8. "In the Face of Jesus Christ."  
Mr. and Mrs. Sayles sang for the morning service, "Grace Enough for Me."  
Sunday-school was well attended for such a hot day, and plans were made for a real picnic. The committee has been appointed to make all arrangements.  
At the covenant meeting last week, we had a very good attendance, and each one gave a personal testimony for their faith in Christ; not one was silent.  
Mr. Allenbaugh, president of the B. Y. P. U., led the meeting on Sunday night, and gave some fine illustrations of men who had been prominent in life, but fell when great temptation came, because they did not trust in God. "It pays to know Christ as Saviour and Friend," he said.  
A meeting of the board of trustees was called for this week Tuesday evening. Part of the board came and considered some problems about church repair.  
Ben Hickey of Detroit, spent Sunday, and the Fourth at William Gayde's on Mill street.  
Mrs. W. C. Hull returned to her home in Lansing, Monday, after a two weeks' visit at the home of her father, Thomas McGill.

### LEGION CHAPLAIN SETS PACE

Iowa Department Official, Elected Sheriff, With Aid of Buddies, Rounds Up Criminals.  
When veterans of the World war in Des Moines la., elected Rev. W. E. Robb, chaplain of the Iowa department of the American Legion, to the office of sheriff of Polk county, they disregarded party lines for the good of the community.  
The Legion chaplain ran far ahead of his opponent in the race of a landside.  
After he assumed his office, Sheriff Robb set a pace that woke up the county. He seized more illicit liquor and bootleggers in the first 60 days of his term than his predecessor obtained in two years. His 21 deputies were almost all members of the American Legion.  
Then he turned his attention to an alleged graft ring composed of Des Moines police officials. He caused the detention of the chief of police, his assistant and the chief of detectives.  
Chaplain Robb was a theological student at Drake university in Des Moines when war was declared. In some manner he succeeded in obtaining a commission as a chaplain in the army before he was ordained and went overseas with the One Hundred and Sixty-eighth Infantry. He served 18 months in France, was decorated with a D. S. C. for bravery under fire and was illuded by the doughboys of his regiment.  
Upon his return he wrote and published "The Price of Our Heritage," a book depicting the prominent part in the World war taken by men of Iowa.

Three Hundred Graduates Are Needed to Serve in New Hospitals for Veterans.  
A nation-wide canvass to obtain three hundred graduate nurses to care for sick and wounded veterans of the World war is being made by Mrs. Mary A. Hickey, assistant superintendent of nurses, U. S. public health service, and a member of Springfield (Mass.) post of the American Legion.

"We are ready to open up two new hospitals for our wounded and disabled men at Chelsea, Mass., and Gulfport, Miss., as soon as we can recruit 300 nurses to take care of the boys," said Mrs. Hickey.  
The record of Mrs. Hickey in the World war includes service as nurse with both the French and American armies. She was a member of Base Hospital unit No. 87 at Toul and later served as chief nurse at Fort McHenry, Baltimore, Md.  
Mrs. Hickey can be reached at the Public hospital, 345 West Fiftieth street, New York city, and will give full information upon request. Application blanks, however, for this service may be obtained from the chief nurse, Polyclinic hospital, or direct from the surgeon general, U. S. public health service, Washington, D. C.

### MANY NURSES BEING SOUGHT

Tommy Atkins and the doughboy might have aired different views when London entertained a portion of the American Expeditionary force, and there are few cases where Tommy followed the Yanks back home.  
Buden Grindle of the London Rifle Brigade did, however. The Americans were his buddies up and down Liverpool Circus and he swapped yarns and magazines with them in London hospitals. He grew homesick for them last summer and caught the next boat out of Liverpool.  
Although he will not be eligible for membership in the American Legion until he becomes an American citizen, Grindle wanted to show the ex-service men's organization where he stood. While in hospital he passed away his idle moments in making a large replica of the American Legion emblem on a brass plate. A buddy lent him a Legion button as a model. He took the plate to national headquarters of the Legion recently as a token of friendship and asked if someone wouldn't have a law passed so he could become a citizen without further ado.  
Grindle is now working in a photographic studio in Indianapolis, Ind., counting the days until he can become a full-fedged buddy.

### Today's Reflections

And still another form of tax that is dangerous is a tax on the patience.

When the average politician can't think of anything else to do, he starts in to coddle the farmer.

Our idea of a coward is a man who knows he is wrong, but refuses to admit it.

And if it hadn't been for moonshine, John Barleycorn would by this time have been in his grave.

It's difficult to convince the Plymouth man who has been up against it for a long time, that he has a lot of good luck coming to him.

An exchange says the war served to bring a lot of historical books into general use. Yes, and a lot of check-books, too.

We read in an eastern paper that future wars will be won by gas. That's what started them in the past.

About the best way to induce a Plymouth woman to keep a secret is to keep it yourself.

Back in the good old days a fellow could change undershirts on Saturday afternoon and feel like he'd had a bath, but he can't do it in these days of union suits.

We sometimes feel that if we could get beefsteak from seed, it wouldn't be but a few hours until the price of seed would go up.

Our idea of a genius is the Plymouth man who can do good work without someone to brag on him.

Some fellows never consider themselves out of luck as long as they can get to serve on a jury.

The dearer the Plymouth woman, the cheaper she can make a man feel.

### LIVONIA CENTER

Mr. and Mrs. Charles Bentley entertained a lawn party at their beautiful farm home Tuesday afternoon, in honor of Mr. Bentley's birthday. Outdoor games and contests were the afternoon's diversion, and a social time was also enjoyed on the spacious lawn. Excellent refreshments were served by the hostess. Mr. Bentley was the recipient of some useful gifts in honor of the occasion. Those present were: Mr. and Mrs. Johns, Walled Lake; Mr. and Mrs. Busha, Mr. and Mrs. Oliver Millard of Redford; Mrs. Waite Whipple of Northville; Mrs. Clyde Bentley of Cass Lake; Mr. and Mrs. Woodruff, Mr. and Mrs. John VanBonn, Mr. and Mrs. Volney Gunning, John Bentley, Mr. and Mrs. George Bentley and family, Miss Margaret Beyer, Mr. and Mrs. Palmer Chilson and Mr. and Mrs. Fred Lee and their guest, Mrs. Jennie Carey of Toledo.

There will be an ice cream social on the lawn at the home of Mr. and Mrs. Barney Turk on the Seven Mile drive, Wednesday evening, July 13th. Proceeds for the benefit of the German church at this place. Everybody is invited.

Miss Helen Hottenstein of Petersburg, was a guest at the Fred Lee home, over the Fourth.

A large number of people from this place, spent the Fourth in Plymouth. The annual school meeting will be held at the school building, Monday evening, July 11th. A moderator will be elected, and other business transacted.

Harold Chilson of Detroit, was a week-end guest of his grandparents, Mr. and Mrs. Palmer Chilson.

Mr. and Mrs. Charles Roberts entertained Mr. and Mrs. Fritz and family of Detroit, July 4th.

### STARK

Mr. and Mrs. Frank Winkler entertained friends from Detroit over the Fourth.

The ball game between Rough and Ready and Detroit, was surely some game. The score was 23-4 in favor of Rough and Ready.

Mr. and Mrs. Schroder of Farmington, visited Mr. and Mrs. Ralph Van-Tassel, Tuesday.

Miss Catherine Paloni of this place, and John Hoberton of Inkster, were quietly married in Detroit, last week Wednesday. We wish them a long and happy wedded life.

Mr. and Mrs. Howard Bentley and children visited at Mr. and Mrs. Roy Clement's, over the Fourth.

Mr. and Mrs. Mack Cook and son are spending a week at Mr. and Mrs. Emil Lerdens.

McKinney & Schaffer gave a pretty exhibition of fireworks, Sunday evening.

### THE THEATRE

Fannie Hurst, author of "Humoresque," showing at the Penniman Allen theatre, Saturday evening, July 9th, learned much of the intensely human side from acting as "sob sister" on a newspaper. Just out of college, Miss Hurst secured a job on the paper at a time when women reporters were practically unknown. She made good from the start, showing an amazing facility for writing up the tears and smiles of ordinary life in an appealing manner. Soon she entered the magazine field, and today she is one of the highest paid writers in America. She receives well over \$2,000 for a single story. "Humoresque" ran serially in a popular magazine, and was later published as a novel. The spirit of the book was transferred to the screen with remarkable fidelity under the direction of Frank Borzage. The work of Alma Rubens, Vera Gordon and Gaston Glass and Dora Davidson in the chief roles is said to be particularly pleasing. Cosmopolitan Productions made the picture, and it is a Paramount Aircraft release.

The same quartet of film celebrities who made "On With the Dance" such a splendid success combined to make "The Right to Love," which will be the screen attraction at the Penniman Allen theatre, Wednesday evening, July 13. George Fitzmaurice produced the picture; Guida Bergere furnished the scenario, and Mae Murray and David Powell are the featured players. The picture is said to be a pleasing combination of beautiful scenes and dramatic action. The locale is Turkey, and the heroine, played by Miss Murray, is the wife of Lord Falkland, English representative there. Falkland plays fast and loose with another woman, and the result is a clash, in which Lord Loring, a young American, slays the dissolute lord. By a clever twist the action is given a happy ending.

### W. C. T. U.

The Plymouth Woman's Christian Temperance Union was entertained by the Newburg members, Thursday afternoon, June 30th, at Newburg hall. There was a large attendance, and all report a most enjoyable time.

Mrs. E. C. Vealey gave a fine report of the state convention, held at Pontiac, June 3-7. This was supplemented by some bright little incidents of the convention given by Mesdames Draper, Bartlett, White and Riggs. The company was then entertained with some delightful recitations by Miss Ellen Gardiner and Miss Anna McGill, after which a fine tea was served by the Newburg ladies.

No meetings will be held during the months of July and August, but there will be a rally day meeting, September 8th at the home of Mrs. Clara Todd of Northville.

### We Lost Your Good Will

If our service station burned down we'd get the insurance.

If burglars stole our cash, we could borrow some.

But if we lost that part of our business called GOOD WILL, we could get it back again only through months, or possibly years, of the hardest kind of work.

That's why we say GOOD WILL is the most valuable thing we own.

Our promptness and thoroughness will show you, if you come in, how much we value your GOOD WILL.

At the annual meeting of the Grand Court of Michigan, Foresters of America, held at Ann Arbor, last week, Lester D. Stage, Sr., of this village, was elected Grand Senior Woodward. This is a distinct honor not only to Mr. Stage, but for the local Court, in which organization he has been a faithful and enthusiastic member for many years.—Northville Record.

The contract for the construction of the gravel portion of the Novi-Northville-Livonia-Farmington highway has been awarded to Frank McGillicuddy of Chicago, his bid being something like \$65,800. The cement portion of the highway down toward Farmington was awarded to Brown & Company. It is understood that work on the contract will be commenced very soon on the Novi end of the job.—Northville Record.

Howell will celebrate on August 22, the fiftieth anniversary of the first appearance of a railroad train in that

village. That reminds us that this year will be the semi-centennial of the completion of the railroad through Milford. "As near as we can remember," it was in September, 1871, that the first train went through and its advent was made the occasion of a big celebration. Ask some of the old-timers.—Milford Times.

The problem of what to do with Warren Banfield, the Farmington lad who shot his younger brother, last winter, has been solved by sending him to the Starr Commonwealth at Albion. After the tragedy he was taken to the psychopathic hospital at Ann Arbor for a month, and after critical observation by physicians was declared to be normal in every respect. The authorities believe the Starr home is the best place to which he could be sent.—Milford Times.

## Boys' and Girls' Clubs Will Star at the 1921 State Fair

Boys' and Girls' clubs, with their exhibitions, demonstrations and judging contests, will be a more important feature this year than ever before at the Michigan State Fair, in Detroit, September 2-11. Forrest A. Lord, of Mt. Clemens, member in charge, and R. A. Turner, of East Lansing, state club leader, superintendent of the club exhibits, plan many extensions over last year.

The fair is comprised in the club's showings of what boys and girls may accomplish in daily life in Michigan towns and on Michigan farms.

Forrest A. Lord, of Mt. Clemens, member of State Fair Board in charge of Boys' and Girls' Club exhibits at 1921 fair.

The boys and girls, through their clubs, will have exhibits of canning, garment-making, sewing, handicraft work; poultry, dairy and beef calf, pig and sheep club entries. Demonstrations will be given by club teams of canning, garment making, handicraft and other work. Egg laying contests will be participated in by club poultry. The clubs will have larger exhibits of their calves, pigs and sheep, with trips to national and international stock shows as rewards for the best judging.

Last year 25 counties were represented in the clubs' showing at the state fair and a big increase is assured for this year, as well as larger exhibits all around. Superintendent Turner has plans for establishing on the state fair grounds a permanent club camp at which all club exhibitors and contestants may be able to find accommodations.

## FARMERS TO INSPECT LARGEST CROP PLOTS

RECORD EXPERIMENT ACREAGE GROOMED FOR FARMERS' DAY AT M. A. C. JULY 29.

The largest farm crops experimental plots ever planted in the state of Michigan will be inspected by visitors at the annual summer Farmers' Day at the Michigan College, to be held on July 29, this year. Practically every crop grown in the state is included in the 142 acres of test plots on the college experiment station grounds. From the common, widely-grown crops down through such plantings as flax, hemp, sunflowers, popcorn and Hubam clover, the list covers the entire range of Michigan grown varieties. Experiments of interest to every farmer in the state, whether he be a general farmer or a specialist in some line, will be found on the plots.

Variety tests to determine adaptability to Michigan conditions, experiments to find the most efficient rate of seeding and the best planting times, and trials on all general cultural methods are included in the work.

Special guides will show visitors over the experimental grounds on "Farmers' Day," the morning of which will be given over to inspection of the college buildings and farm. A general meeting in the afternoon, a basket picnic lunch at noon and recreational programs, including swimming in the big M. A. C. pool for the boys and girls) are features, which are being planned at East Lansing for the day. Hundreds of farmers from all parts of the state are expected to gather for the meeting.

## PRESBYTERIAN PARAGRAPHS

Ten adults were received into church membership, last Sunday morning.

The summer is a good time to "read up" the history of your church. When the American colonies in 1775 took arms in defense of their liberties, Presbyterianism was strong in the colonies of New York, New Jersey and Pennsylvania. In North Carolina, also, there were strong groups of Scotch and Scotch-Irish settlers, Presbyterian by training and conviction, who in some localities made up the bulk of the population. One of these localities was Mecklenburg county, where Alexander Craighead and other faithful Presbyterian preachers had long taught the principles of a free government in church and state. Here the people, on May 19 and 20, 1775, rallied at their courthouse and unanimously adopted the "Mecklenburg Declaration of Independence," one year before such action was taken by the colonies as a whole.

This prominence in the assertion of independence was maintained by the Presbyterians throughout the war. To a man their ministers stood by the patriot cause. In New York, Virginia and other colonies the Church of England was established by law; and Presbyterians stood for a free church in a free country. In the army of Washington, and the ranks of the patriotic orators and delegates, Presbyterians took a leading place.

The only minister in the Continental Congress of 1775, was John Witherspoon, D. D., of New Jersey. He was a lineal descendant of John Knox. In 1768, he had been called from Scotland to be president of Princeton college. He was recognized by all as a trusty patriot and able divine. When the Congress in Philadelphia was hesitating over the fateful step of adopting Jefferson's Declaration, Dr. Witherspoon's ringing speech greatly helped to bring the body to its decision. He continued a member of the Congress till 1779, returned for a year in 1781, and continued to serve as statesman, preacher and educator until his death in 1794.

Rev. S. Conger Hathaway and family and Miss Evelyn Thomas attended the commencement exercises in Ann Arbor, last Thursday morning.

The pastor's Ann Arbor address is 543 Church street.

## GARDEN NOTES

(M. A. C. Horticultural Dept.)  
Mildew on Rambler roses may be controlled by dusting plants, every few days with finely powdered sulphur.

Better cut out and destroy all old canes of raspberries and blackberries soon after the fruit is all harvested. This aids in controlling insects and diseases, and gives one an opportunity to thin out the new shoots so that they make a better growth and bear more fruit the next year.

When renewing the old strawberry bed the tops should be moved and burned as soon as possible after the crop is harvested. When the plants are grown in hills, it is important after cutting the tops to draw a little fresh soil over and around the plants to induce the formation of new roots above the old ones. Matted row plants should be thinned by plowing or deep cultivation each side of the rows, leaving only a narrow row of plants. The remaining plants should then be thinned by hoeing to stand several inches apart in order to leave fresh soil for the new runner plants to develop.

When setting out late cabbage and celery plants, clip off about one-half of the top to prevent wilting and loss of plants.

What to Do When Bilious  
Eat no meats and lightly of other food. Take three of Chamberlain's Tablets to cleanse out your stomach and tone up your liver. Do this and within a day or two you should be feeling fine.—Advertisement.

The Michigan State Fair opens at Detroit this year Friday, September 2 at 2 a. m. and continues for ten days and nights, concluding the evening of Sunday, September 11.

The Michigan State Fair now ranks as the biggest and best fair in all America. Its next exhibition in Detroit will be from September 2-11.

The state fair is a wonderful educator. You can learn something by seeing what it shows in Detroit, September 2-11.

## EMERY THE NEW COMMANDER

Grand Rapids (Mich.) Official Is Elected to Succeed the Late F. W. Galbraith, Jr.

Major John Garfield Emery of Grand Rapids, Mich., was unanimously elected national commander of the American Legion at a meeting of the national executive committee held in Indianapolis.

He succeeds the late Frederick W. Galbraith, Jr., who was recently fatally injured in an automobile accident at Indianapolis.

Major Emery was one of the five vice commanders of the Legion, having been elected to that position at the Cleveland meeting of the organization.

Thomas J. Bunnigan, of Hartford, Conn., was elected vice-commander, succeeding Mr. Emery in that position.

Major Emery saw much fighting during the World war. He entered the second officers' training camp at Fort Sheridan August 27, 1917.

After finishing the course he was commissioned a captain of infantry

JOHN G. EMERY.

and sent to France with the first group of Americans. He at first was assigned to the railway transportation office at Blois, France, and remained there until February 20, 1918. Later he attended the First corps school at Gondrecourt until March 24, when he took charge of company F, Eighteenth Infantry, First brigade, First division.

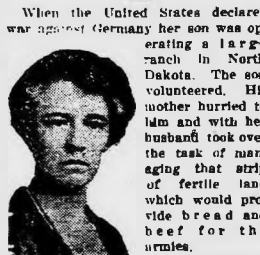

Major Emery participated in all the major actions with his regiment in 1918, at Cantigny in April, May and June; at St. Mihiel in September, and in the Meuse-Argonne offensive in September and October. He was commissioned a major of infantry August 30, 1918.

On October 9, 1918, during the Meuse-Argonne drive, Major Emery was wounded in the left arm and was invalided home, being discharged at Camp Custer. Soon after his return to Grand Rapids, he was elected a member of the Grand Rapids city commission, a position he has held since that time. Before entering the service he was a real estate and insurance broker.

Major Emery was born July 4, 1881, in Grand Rapids. As vice-commander of the American Legion Major Emery was a close friend and confidant of Commander Galbraith.

## WORKER FOR THE AUXILIARY

Devil's Lake (N. D.) Woman Is Elected First Vice President for Her State.

Mrs. Eugene Fenlon, Devil's Lake, N. D., played no spectacular part, therefore, in the world conflict, but she learned the service of sacrifice. There were times when the ranch was running smoothly enough and she spent the hours making bundles of comfort kits and knitting socks and sweaters.

When the mothers, sisters and wives of ex-service men organized a women's auxiliary to the American Legion in her city, Mrs. Fenlon was chosen president. The organization furnished clubrooms for their boys at an expense of \$2,000 during her first administration. Mrs. Fenlon recently was elected first vice president of the Women's auxiliary of North Dakota.

## SOMETHING FOR EVERYONE AT MICHIGAN STATE FAIR

Bring the children with you to the state fair in Detroit, September 2-11. They will learn much of value to them and to you.

Women visitors to the state fair in Detroit, September 2 to 11 will find as much to interest them as will the men.

Whatever you are interested in you will find it at the Michigan State Fair in Detroit, September 2-11.

## STATE FAIR FOSTERING BEE-KEEPING INDUSTRY

The bee-keeping industry is one of the growing lines of business in Michigan, more and more interest being taken in it annually by farmers and others. There are many more bees in Michigan at present than most people imagine. The state fair, which will have a splendid apiary display next Sept. 2-11, has done much to foster this industry and is adding in every possible way to increase it. E. B. Tyrrell, of Detroit, former secretary of the National Beekeepers' Association, will be superintendent of the apiary division and will show all visitors to the fair how an expert handles bees. Mr. Tyrrell has one swarm of bees already that he took off the office wall adjoining the state fair offices in downtown Detroit late in May. It has been making honey at the fair grounds ever since.

## ONLY TUBERCULIN-FREE CATTLE AT STATE FAIR

All cattle presented for exhibition at the Michigan state fair in Detroit, September 2-11, must either be from a tuberculin-free accredited herd, or shall have passed a satisfactory tuberculin test and found to be free from tuberculosis not more than ninety days prior to the opening date of the fair.

This is an official ruling and applies also to all fairs held in Michigan. The cattle exhibit at the state fair will be in personal charge of H. W. Norton, Jr., state livestock sanitary commissioner, and successor in that position of H. H. Halladay, state commissioner of agriculture and chairman of the board of managers of the state fair.

## WILL DEMONSTRATE DAIRY COWS AT THE STATE FAIR

Dairy cow demonstrations will form a daily feature in the dairying department at the state fair in Detroit, September 2-11. They will be conducted by the state dairy bureau and include cow tests as to milk production, quality of milk, amount of butter fats and comparisons of results obtained from different methods of caring for dairy cows. These demonstrations will afford visitors an opportunity to learn the best methods in milk production as developed by experts.

## AUTOS AND ACCESSORIES FEATURES AT STATE FAIR

The very latest in automobile designing and building and the most up-to-date auto accessories will form a big feature of the displays at the state fair in Detroit, September 2-11. A large section has been set aside for the auto show, and manufacturers and dealers will be able to give a first showing there of the advanced 1922 features of the auto world that later in the winter will be displayed at all the big shows of the country.

### PERRINSVILLE

Nearly everyone from here spent the Fourth in Plymouth. All report a fine time.

Miss Charlotte Baehr of Farmington, spent Saturday and Sunday with her parents.

Mr. and Mrs. Frank Outhwaite and Mr. and Mrs. M. Smith of Detroit, spent Sunday at James Cousins'.

The dance given by the Gleasons last Saturday night was well attended.

The hours of church and Sunday-school have been changed—Sunday-school at 10:00, a. m. and church at 7:30 in the evening. There was a nice crowd Sunday night. Let's make it more next Sunday night.

Mr. and Mrs. George Edwards and son, Robert, of Eloise, spent Thursday evening at George Baehr's.

Miss Jessie Love spent Tuesday afternoon and evening with Mrs. Alonzo Hanchett.

Mrs. Arthur Hanchett and daughter, Helen, of Plymouth; Mrs. Alonzo Hanchett and J. E. Edwards spent Thursday afternoon at George Baehr's.

Mr. and Mrs. Ed. Holmes and family, Mr. and Mrs. Carl Thener and family attended the Campbell family reunion, Sunday.

Don't forget the social, Saturday evening.

#### Religion of Good Citizenship.

"In China there existed in the past and there are evidences that it is coming to life again, the religion of good citizenship," says a writer in Asia Magazine. "That is to say, the Chinese theory is that a man does not need to feel the need of physical force to protect himself; he has seldom the need even to call in and use the physical force of the policeman—the state—to protect him. A man in China is supposed to be protected by the sense of justice of his neighbor; he is protected by the readiness of his fellow-men to obey the sense of moral obligation. The ideal of Chinese civilization, therefore, is that a man can not feel the need of using physical force to protect himself because he is sure that right and justice is recognized by all his neighbors as a force higher than physical force, and that moral obligation as recognized by everybody is something that must be obeyed."

#### Ground Must Be Hollow.

In Lassen county, California, is a spot called Dry lake, which is in reality almost an arid plain, with some alkali scattered here and there over it, and its area is two and a half by four miles. On one side are the Pit River mountains and on another are big pine woods, while to the west are the famous lava beds, in which the Indians hid during that last great California struggle with the savages. A winding road leads up from the valley below into the curious basin.

If a horse walks on this road anywhere, even two or three miles outside the border of the Dry lake, he can be heard for many miles up in the interior. The ground all about there sends forth a hollow sound. Reverberations can be heard everywhere. A foot-fall may be heard like a sound in a great cavern.

If you know of an item of news, phone or send it to the Mail office.

### Local Items

Mrs. Marble Dunham of Belleville, is visiting her grandparents, Mr. and Mrs. J. C. Dunham.

M. A. Patterson continues very poorly at his home on East Ann Arbor street.

Sheldon Gale, who was prostrated by the heat, last Friday, is getting along nicely.

Walter Gale and family of Ypsilanti, were callers at his parental home, last Sunday.

Mr. and Mrs. John Moyer and daughter, Alice Leslie, are moving to Ypsilanti, this week.

Mr. and Mrs. Carl Heide and Mrs. Iva Bentley spent the week-end at the Heide cottage at Base Lake.

Mr. and Mrs. Frank Williams of Jackson, spent the Fourth with Mr. and Mrs. T. R. Finn at Canton Center.

Mr. and Mrs. George Beyers and daughter of Toledo, Ohio, were guests of Mr. and Mrs. C. F. LaFever, Sunday and Monday.

A bus line to and from Detroit will be inaugurated Saturday morning at 6:30, and continue every two hours. See ad elsewhere.

The Ladies' Aid of the Baptist church will hold a tea meeting at the home of Gilman Beals, 409 Plymouth road, next Wednesday afternoon, July 13th.

On account of the extremely warm weather, there will be but two shows a week at the Penniman Allen theatre, on Wednesday and Saturday evenings until further notice.

Mr. and Mrs. William Roe, daughter, Helen, and Miss Esther Wiseley left Sunday for an extended automobile trip through western Michigan and north to the Soo and Mackinac.

Miss Lucile Bullock of Cleveland, Ohio, was a guest of Miss Mildred LaFever at the home of her parents, Mr. and Mrs. C. F. LaFever on Blunk avenue, last week from Tuesday until Sunday.

About twenty-five ladies attended the thimble party given by the Lutheran Ladies' Aid society, last Wednesday afternoon. Supper was served at five o'clock, and all report a pleasant time.

Miss McIntyre and Miss Safford returned Saturday from their vacation, which included the National Conference of Social Work at Milwaukee, sight-seeing in Chicago and two days at Whitmore Lake.

Miss Alice Leslie pleasantly entertained a company of girl friends at the home of her grandparents, Mr. and Mrs. William Gates, last Wednesday evening. Miss Leslie is leaving this week for her new home in Ypsilanti.

Miss Ruth E. Huston has returned from a week's visit in Ann Arbor, where she attended the first official reunion of the class of 1918, of the University of Michigan. The festivities included a 1918 dinner at the Michigan Union, a 1918 women's breakfast at the Michigan Union, and the commencement address by Sir Auckland Campbell Gedde, British ambassador to the U. S.

A large crowd attended the picnic given in Schaffer's grove on the Northville road, last Monday, by the parishioners of Our Lady of Good Council church of this place. A fine chicken dinner was served at noon, and in the afternoon games and music furnished the entertainment. A five and drum corps from Detroit composed of about forty young boys, pleased the company with their music. A nice little sum was netted the society from the day's receipts.

There will be no services at the Lutheran church at Livonia Center on July 10th, on account of the dedicatory services of the new Lutheran church at Wayne. All friends of St. John's Lutheran church at Wayne residing in Plymouth and Livonia, are cordially invited to be present at the dedicatory services held in Wayne on that date. The speakers for the day will be the Rev. F. M. Krauss of Lansing and Rev. G. Ehnis of Monroe, in the morning. In the afternoon the Rev. H. Richter and H. Heyn of Detroit, and in the evening the Rev. George Laetke of Toledo, Ohio. The ladies of the Wayne church will serve meals at noon and evening to all present.

### Wirthmor Dresses

You perhaps have said, "I make my little girl's dresses because then I know they can be safely washed, and I can make them cheaper than I can buy them."

But there are some new Children's Wash Dresses on the market—dresses that are striving through every thread of their beautiful gingham; their well-made seams and their unquestionable child-like charm to convince mothers that it does not pay to make or have made, their children's frocks.

### THESE ARE WIRTHMOR DRESSES

Dresses made by the makers of Wirthmor products that have gained a world-wide reputation because of their low prices, prices out of all proportion to the individuality and quality in the garments.

These Little Dresses Are to be Sold for

**\$2.00 AND \$3.00**

Prices made possible through the Wirthmor System of production and distribution. It would be impossible for a mother to make any one of these dresses for the amount we ask. For everything going into their making is of exceptional quality. The buttons are of salt water pearl, holding their lustre through numberless washings—seams neatly and strongly finished, and designs show a wonderful amount of originality.

Ten new styles will be on display here each month. Sizes 7 to 14.

Fantine Double Strand Hair Nets, made of sterilized Human Hair, guaranteed perfect—a quality double strand hair net, at 15c each,

Beautiful Plaid Percales, 36 inches wide, 19c per yard.

36-inch Batistes, at 29c per yard.

Cadet Cotton, Lisle and Silk Hose—they satisfy.
