VOTE "FOR THE ORDINANCE"

In Iowa, in 1917, when an attempt was made there to revive some of the ancient and ridiculous blue laws, the proposed legislation was laughed out of existence by the circulation of the following poem composed for the occasion by a wit of state-wide renown:

ON SUNDAY, ANYMORE

By Mal Rose

You must not do a tap of work
On Sunday, anymore.
You must not farm, nor cook, nor clerk
On Sunday, anymore.
You must not pack your trunk or grip.
You must not ride on train or ship,
Nor even take or give a nip.
On Sunday, anymore.

You've little use for life or limb.
On Sunday, anymore.
You must not hunt, nor fish, nor swim,
On Sunday, anymore.
You must not golf, nor ride, nor row.
Nor take the kids to see a show,
And as for baseball, gracious, no
On Sunday, anymore.

If you are ill you must not die,
On Sunday, anymore.
"The law's the law," they alibi,
On Sunday, anymore.
You must not call the doc, they warn,
To pull your tooth or treat your corn,
And there shall be no infants born!
On Sunday, anymore.

Your stomach's really not your own,
On Sunday, anymore.
Those chicken dinners you'll postpone,
On Sunday, anymore.
You must not eat, you must not drink,
You must not wag your ears or wink,
It's ten bones' fine to even think!
On Sunday, anymore.

You must not play the phonograph,
On Sunday, anymore.
You'll sure get in bad if you laugh,
On Sunday, anymore.
You must not whistle, hum or sing,
Or turkey trot, or highland fling,
Or hesitate—or anything—
On Sunday, anymore.

The rich man with his limousine,
On Sunday, anymore,
Will have to steal his gasoline,
On Sunday, anymore.
And he who dares to crank a "Liz,"
And down the public highway whiz,
Geta thirty days in jail for his,
On Sunday, anymore.

With stone-age statutes raising Ned,
On Sunday, anymore.
A fellow may as well be dead,
On Sunday, anymore.
If there must be a woeful death,
Of music, movies, maids and mirth,
There's no use hanging 'round this earth,
On Sunday, anymore.

SCHRADER-PLACE

A pretty home wedding was solemnized last Wednesday evening at the home of Mr. and Mrs. Edward Place on Canton Center road, when their daughter, Maude, was united in marriage to Owen Schrader, son of Mr. and Mrs. Harmon Schrader, also of Canton. Rev. Chester Brewer, pastor of the Denton church, read the marriage service at eight o'clock, in the presence of only the immediate families of the bride and groom. The house was attractively decorated with pink and green and the occasion was of double interest, it being the thirtieth wedding anniversary of the groom's parents. After the ceremony, a fine wedding supper was served and later in the evening, the bride and groom left for a short wedding trip. On their return, they will reside with the groom's parents until their new home on Canton Center road is ready for occupancy. They have the best wishes of many friends.

LOCAL NEWS

Born, a son, to Mr. and Mrs. Henry Mesner, on East Ann Arbor street, Wednesday, March 1st.
The bridge club met at the home of Mrs. L. B. Warner on Harvey street, Thursday afternoon.
Kathleen Grey entertained six little girl friends at her home, Tuesday afternoon, the occasion being her birthday. Games were played, and a dainty luncheon was served, and the little guests report a delightful time.
Mrs. Frank Ray pleasantly entertained the Rebekah Degree Staff club at her home on Hamilton street, last Wednesday afternoon. Twenty-two guests were present, and after the business meeting a delicious pot-luck supper was served.

A GOOD CITIZEN PASSES AWAY

Asher Burns Freeman was born in Denton, Michigan, September 4, 1851, and passed away at his home in Plymouth, Thursday, February 23rd, 1922. On February 24, 1875, he was united in marriage with Eva Corwin at Sable, Michigan, and to this union three children were born, Floyd Freeman of Tecumseh, Mich.; Mrs. Frank Dicks and Clare Freeman of Plymouth. The early part of his life was spent in Denton, four years in Gratiot county, twenty-five years in Northville, and the remainder of his life in Plymouth. He had been in failing health for more than a year, and since November had been confined to his home. He leaves to mourn their loss, a wife, three children; one brother, Nelson Freeman of Ypsilanti, and two grandchildren, Howard and Floyd Dicks of Plymouth.

The funeral services were held from the home, last Sunday afternoon at three o'clock, Rev. D. D. Nagle officiating. The remains were placed in the receiving vault at Riverside cemetery.

SECOND DINNER FOR C. OF C.

The second monthly dinner of the Plymouth Chamber of Commerce will take place at the High school auditorium, next Tuesday evening at six o'clock. Edward Denniston, superintendent of the Detroit House of Correction Prison Farm, will be the speaker. Mr. Denniston is a most entertaining and interesting speaker, and every member should hear him. Every member is urged to be present at this dinner.

PLYMOUTH HIGH SCHOOL'S DEBATING TEAM

The Plymouth High school debating team continued their success of the season, last week Thursday evening by winning a unanimous decision from the Farmington High school representatives at the Plymouth High auditorium. The Farmington three presented strong argument in opposition of the closed shop, but were unable to break down the solid opposition of the affirmative, taken by the Plymouth team. The Plymouth speakers were stronger in delivery, giving every evidence of thorough preparation and broad knowledge of their subject. They were unquestionably the winners in every respect, but Farmington presented a very creditable opposition.

This is the fifth debate of the season, ending the first series of the Michigan State Debating League. Only those schools of the state having won sufficient points in the first series will be given a chance in the debate, beginning in March, for determining the state championship. Plymouth has won eighteen out of a possible twenty points, having won every debate, and without doubt will be among the schools to participate in the elimination series.

DIES SUDDENLY OF PNEUMONIA

The grim shadow of death entered the home of Mr. and Mrs. Lemon Baker on Elizabeth street last Monday afternoon and claimed the husband and father of that household. Mr. Baker was about thirty-five years of age and his death came as a shock to his many friends as he had been ill only a few days with pneumonia. He is survived by his wife, one little daughter, Ardith, his mother and five brothers, besides other distant relatives. Mr. Baker had been engaged in the building and contracting business here for several years, and was well and favorably known. The funeral was held Thursday afternoon at 2:30 o'clock, from the Methodist church, of which the deceased was a member, Rev. D. D. Nagle, pastor, conducting the services. Mrs. Baker, wife of the deceased, is threatened with pneumonia at the present time, and the bereaved family have the deep sympathy of many friends in their affliction. An obituary will be given next week.

Theodore Ruthroff has purchased a new Overland sedan of Floyd Hillman, the local agent for Overland cars.

MILK NOW SOLD

AT THE SCHOOL

220 BOTTLES PER DAY FURNISH INCREASE OF ENERGY FOR GRADE PUPILS

Under the direction of the Civic Committee of the Woman's Club of Plymouth, consisting of the following members: Mrs. Frank Millard, chairman; Mrs. William L. Freyman, Mrs. Frederick Thomas, Mrs. Louis Hillmer and Mrs. E. T. Cope, the boys and girls of the grades are furnished the privilege of buying a half a pint bottle of fresh milk and graham wafers for the small sum of three cents per day.

The first week this committee dispensed 175 bottles the first and second day; 215 the third day, and since then have been serving 220 bottles per day. While this means a large amount of work for the committee in charge, they seem to feel that it is really worth their while, because the teachers are unanimous in their opinion that the grade children are less restless in the latter part of the forenoon period, and that they are able to accomplish more than they were able to do before giving the children increased energy in the form of milk.

The handling of the milk in the school is not a charity, but good solid business, as the boys and girls buy their milk each day, paying cash for the same. Children whose parents are unable to buy the milk, and who are in need of the same because of indigent join most heartily in their support of the plan, and extend their thanks to those back of it. If you want to really enjoy five minutes of some forenoon, come to the high school between 9:15 and 10:00, and see the boys and girls enjoying their milk.

JOHN FISHER DIES SUDDENLY

Word was received by Deputy Sheriff Springer, last Wednesday evening, saying that John Fisher of this place, who was on a west-bound car out of Detroit, that evening, was taken ill at the intersection of Michigan avenue and the boulevard, and was taken into a drug store, where he passed away shortly after. The coroner was called, and the remains taken to the county morgue. Mr. Fisher resided on South Main street, and was engaged in manufacturing cement blocks. He was a member of Plymouth Rock Lodge, No. 47, F. & A. M., also the I. O. O. F. At the time of going to press we understand efforts are being made to locate his sister, and the funeral arrangements have not yet been made.

METHODIST EPISCOPAL CHURCH

What Great Americans Say of the Sabbath

LINCOLN: "As we keep or break the Sabbath Day, we nobly save or meanly lose the last, best hope by which man rises."

WILLIAM MCKINLEY: "I am in favor of Sunday legislation and a strict observance of the Christian Sabbath."

THEODORE ROOSEVELT: "Experience shows that a day of rest is essential to mankind; that it is demanded by civilization, as well as by Christianity."

JUSTICE HARLAN, U. S. Supreme Court: "I believe that the due observance of the Sabbath as a day for religious worship and contemplation is required by commandment of God, and is vital to the purity and integrity of the social organism."

DANIEL WEBSTER: "The longer I live the more highly do I esteem the proper observance of the Christian Sabbath and the more grateful do I feel toward those who impress its importance on the community."

JUSTICE McLEAN, U. S. Supreme Court: "Where there is no Christian Sabbath, there is no Christian morality; and without this, free institutions cannot long be sustained."

WHAT GOD SAYS OF THE SABBATH

"If thou turn away thy foot from the Sabbath, FROM DOING THY PLEASURE ON MY HOLY DAY; and call the Sabbath a delight, the holy of the Lord, honorable; and shalt honor it, not doing thine own ways, nor FINDING THINE OWN PLEASURE, nor speaking thine own words; then shalt thou delight thyself in the Lord; and I will cause thee to ride upon the high places of the earth, and feed thee with the heritage of Jacob thy father; for the MOUTH OF THE LORD HATH SPOKEN IT." SOROSIS CLASS PARTY
The regular monthly business meet-
ing of the Sorosis Class of the M. E.
church, was held at the home of Mrs.
Frederick Thomas, 497 North Harvey
street, Friday evening. The meeting
was presided over by Mrs. Nagle.
Election of officers for the coming
year was in line, and the following
officers were elected:
President—Mrs. Margaret Woods
Vice Pres.—Mrs. Pearl E. Grove
Secretary—Mrs. William Hayball
Lookout Committee—Miss Winifred
Jolliffe, Mrs. Beattie McCullough.
After a few splendid remarks by
the teacher, Mrs. Nagle, the program
was turned over to Mrs. Thomas. A
contest was given the ladies in the
form of a floral love story. Miss Ruby
Drake was the winner in the contest,
and was awarded a pot of Sharon
roses. Mrs. Thomas then presented
the ladies with material to make
their spring or Easter hats, with a
time limit of twenty minutes. It
was indeed a hard question to decide,
for the hats as a whole were very
artistic. However, it was decided
that Mrs. Nagle's creation had the
best lines.
Refreshments were then served by
the hostess, assisted by Mrs. Woods,
which consisted of plates of brick ice
cream, garnished with rose buds and
nabiscoes. The twenty ladies left at a
late hour, assuring their hostess that
the evening would long be remem-
bered.

THINK IT THROUGH
Decision of U. S. Supreme Court,
1886: "Laws setting aside Sunday
as a day of rest are upheld, not from
any right of the government to legis-
late for the promotion of religious
observances, but from its right to
protect all people from the PHYSI-
CAL and MORAL DEBASEMENT,
which comes from uninterrupted
labor. Such laws have always been
deemed beneficent and merciful laws,
especially to the poor and dependent,
to the laborer in the factories and
workshops, and in the heated rooms
of our cities: AND THEIR VALID-
ITY HAS BEEN SUSTAINED BY
THE HIGHEST COURTS OF THE
STATES."
If we permit one line of business
to run open on Sunday, why not other
lines of business? It is not suf-
ficient to say that it is a rest or
amusement. It is WORK for money.
It is BUSINESS for others. It is
PROFIT for the owners of the busi-
ness, and they have no more right to
run the business of Sunday movies
than others have to run the business
of Sunday prize-fights, or boxing
matches, or hardware stores, or dry
goods or grocery stores, or any other
secular business. The fundamental
principle is the same: profit and
commercialism is at the heart of it
all.
The contention of the Churches
and right-thinking people of this
community is not at all to do away
with all picture shows, as the cry
and has raised by the opposition has
declared to deceive many, but only
to do away with Sunday commercial-
ized picture shows, which have no
more right to do business on Sunday

BASKET BALL GAMES

Girls' Basket Ball Game The Wayne girls played basket ball at Plymouth, Friday night. They held the Plymouth team very well during the first quarter, but lost out as the game progressed. D. Freydl got the tip-off nearly every time, and usually hit into our forward's court, but when the ball was played in the center, the Wayne centers really outplayed the Plymouth centers. In the guarding and basket shooting, the Plymouth girls excelled. The game was rather rough during the first half, but was quieted down and became more real basket ball during the last half. The final score was 41 to 8 in favor of Plymouth. The line-up scores and fouls are as follows:

Wayne— Taylor, R. F., 1 2-point baskets, 1 free throw. Truesdell, L. F., 2 2-point baskets, 1 free throw. Carmichael, J. C. McCollum, J. C., 1 technical foul. Ditmore, S. C., 1 technical foul. Nicole, R. G. Reiser, R. G., 1 technical foul. Herman, L. G., 3 technical fouls, 1 personal foul. Herman, L. G. Plymouth— M. Kiely, R. F., 16 2-point baskets, 1 1-point basket, 1 free throw. M. Amrhein, L. F., 2 2-point baskets, 2 1-point baskets, 1 free throw, 4 technical fouls. D. Freydl, J. C. R. Kidder, S. C. B. Mueller, R. G., 2 technical fouls, 3 personal fouls. W. Shuttles, L. G. Referee—Miss Venus Walker from Ypsilanti.

Well, I guess they did it! Fine game! Another good one! What do you know about that? They are all right. Such were a few of the remarks you would have heard if you had been at the basket ball game, last Friday night. About 350 Plymouth basket ball fans had been satisfied for the second time this season for they had seen the "Rocks" trim Wayne for the first time this year, the other satisfactory game being when the "Rocks" defeated Northville in an over time game two weeks ago.

It was a close game all the way, as can be seen by the fact that Wayne tied the score in the second half. If any basket ball team showed a reversal of form, "Walker's Five" certainly did. A week ago at Farmington, they had every disease known to the medical world and a few more besides. They played what will probably be the poorest game in the league this year. But last Friday they had entirely recovered and proceeded to give Wayne the worst drubbing they have received this year.

The game seemed to go in streaks; the first Plymouth would be way ahead and then Wayne would add one or two baskets and about tie the score. Plymouth, however, was never in the short end. At the start of the game, Doud, playing guard, threw two of the prettiest baskets that have ever been seen on the local court. Stevens added a free throw, and the "Rocks" were off to a good start.

Toward the close of the quarter, Stevens was taken out, and Hickey took his place, the reason being that Walker probably wanted to talk to someone who knew the game, and so called Stevens out. He was put back in the game later on in Hickey's place. Hickey played a good game while he was in. The half ended 7 to 9 in Plymouth's favor.

The last half was similar to the first, except that Wayne put up a better game. Saylor was high scorer with 4 field goals. Doud, a close second with 3. Holmes played the prettiest guarding game seen here in many years. Stevens and Sutherland played their usual good game.

Dearborn plays here a week from tonight. Come out and see the game. For "Revenge is sweet."

Do you know the mottoes of the United States and of Michigan? The Caesar class not only knows these, but has discovered that many other states have interesting Latin mottoes. The Juniors have installed one of the most modern shoe shining chairs in existence, and are conducting a flourishing business every noon hour.

The Sophomores are deeply interested in following the fortune of Silas Marner and Godfrey Cass in George Eliot's classic. Are you going to laugh at the sly old bishop, in "Nothing But the Truth?"

The highest score in Typewriting II, Margaret Streng, 40 words a minute; second, Minnie Curtis, 37; third, Daniel Patterson, 34. Highest speed in Typewriting I, Ruth Mecklenburg, 26 words; Dorothy Waterman, 25, and Marie Johnson, 22 words per minute.

Roger Hoffman of the fourth grade, was absent last week on account of illness. The Four A class of Miss Hallahan's room are memorizing a Japanese lullaby, "The Little Blue Pigeon."

The sixth grade sewing class of nine girls has been organized. Mrs. Randall visited the third grade, February 22nd.

One of the third grade girls reported that she saw two robins last week. The third grade, taught by Mrs. Whipple are studying how rubber is grown.

The geography class of the fifth grade made product maps of South America, last week. Mrs. Willett, Mrs. Lorson, Mrs. Gray and Miss Norgrove were second grade visitors, last week.

Mrs. L. M. Hickok visited the A first grade, last Monday. The following children in the A first and B second grades were neither absent nor tardy during the month of January: Virginia Kincaid, Alice Lee, Marion Taylor, Woodrow Wilson, Mary Lorenz, Helen Crompton, Alvin Wagenschutz and Grant Miller.

E. E. Gallup of Lansing, state supervisor of agricultural education, gave a most inspiring talk in general assembly, Friday last. He developed the idea that team-work, co-operation, community spirit, all culminated in what we call Americanism, and that they are called forth in the American public school.

A conference was held, last Friday afternoon of the agricultural teachers and superintendents of the district. Besides Supt. Smith and Mr. Holcomb, there were present, Ward Andrews of Howell, Mr. Hiller of Monroe, and K. D. Baker and Supt. Davis of Holly. Mr. Gallup, state supervisor, was present, and reported the facts of special interest, which he found in various schools through the state. Among other topics discussed were changes in the course of study, closer supervision of summer project work, and the outlook for the coming school year. All the agriculture teachers of Michigan will meet at Ann Arbor during the week of spring vacation.

Episcopal Notes

H. G. Foucher of Detroit, took the service and preached last Sunday morning. Mr. Gibson having been called to relatives in Canada last week.

There will be a meeting of the Plymouth Chapter of the Junior Brotherhood of St. Andrew's, and also a vestry meeting this week. Both of these meetings will take place in the office of Sidney Strong in the village hall.

Daniel Murphy is quite a help to Mr. Gibson in the church. Daniel reads the lessons and takes part in the morning service, every Sunday morning. This is a fine beginning for a young man to start out with, and it demonstrates the true spirit of the Brotherhood of St. Andrew's, of which Dan is a member. He is vice president of the Plymouth Chapter of that noble order. We look forward to see more of our young men taking a more active part.

Last week the Ladies' Guild met at the home of Mrs. Will Henry on East Ann Arbor road, when a fine lunch was served and enjoyed by all. Next week the Guild will meet at the home of Mrs. Sidney Strong on Penniman

avenue, Wednesday, March 8th. A full attendance is requested.

Beginning Friday, March 3rd, and continuing through Lent, Dean Rogers of St. Paul's Cathedral will give a series of Noon-day addresses from 11:45 to 12:25. The subject of the addresses will be "Personal Religion." This course is a distinct novelty in the diocese of Detroit, and is open to the public. Those from Plymouth parish who happen to be in Detroit at this time, should take the opportunity and hear these addresses.

The church-school had a special booklet given out to the pupils, last Sunday, entitled, "A Call to Service for the Days of Lent." It contains six pledges of things to be done during the season of Lent, and special prayers and bible readings for every day during the seven weeks of Lent. This special service arises from the fact that, "In my baptism I was made a soldier of Christ, and because of this I must now volunteer for service." Church-school pupils, read this little booklet thoroughly and look out for the service you will render—remember the little story related to you by Mrs. Murphy, last Sunday morning.

Water—When and How Much

Hundreds of batteries die of thirst every year.

Not because their owners didn't know water was necessary.

Not because they didn't know the neglect was shortening battery life and costing them money.

But simply because they overlooked it—hadn't the distilled water handy or didn't know just how much to put in.

We can't do your remembering, but we can take all the rest of the job off your hands. Drive around anytime and ask us to see if your battery needs water.

NEW MICHIGAN RECORD SET BY M. A. C. COW

JUNIOR TWO-YEAR OLD PRODUCES NEARLY 80,000 POUNDS OF MILK IN YEAR.

Breaking the state record for milk production at her age, Pauline Colantha Fayne, No. 460,895, a two-year old Holstein cow, has just finished a year's mark of 19,884.6 pounds of milk at the Michigan Agricultural College. Pauline's record tops the old record for junior two-year olds by more than 400 pounds. Born and bred at M. A. C. the new record holder is an all-Michigan product. The former state record for the class was held by a cow owned by the Embury Dairy, at Marquette, and stood at 19,478 pounds of milk. The year's butter fat total for the new champion is 606.29 pounds.

FARM SHORT COURSES TO OPEN AT M. A. C.

ICE CREAM MAKERS AND TRACTOR SCHOOLS TO CLOSE YEAR'S LIST OF SPECIAL WINTER COURSES.

A two-weeks' course for ice cream makers, to open on March 6th, and a four weeks' course in truck and tractor operation, to begin on March 6th also, are the last of a long list of special winter courses in agriculture, given under the direction of the Short Course department at the Michigan Agricultural college, this winter.

Nearly 100 farmers and others from all parts of the state, are expected to register for the tractor course, which is the fourth and last of a series of similar courses given at the college this year. Interest in operation of gasoline machinery on the farm is on the increase in Michigan, and the "truck" courses are drawing heavy enrollment.

Most of the entrants for the ice cream makers course will represent different creameries and ice cream manufacturers of the state. The work of this course is of a practical nature, actual processes of manufacture being gone through by the class.

Methodist Matters

Studies in Stewardship are the mid-week topics on Thursday night. Teacher Training Class at 8:00.

Robert Jolliffe was recently elected superintendent of the Sunday-school in place of Evered Jolliffe, who has resigned after holding the office for nine years. The church regrets very much that Brother Evered Jolliffe has seen fit to take this step, as he has been a very efficient superintendent and was loved and respected by all, young and old. But owing to pressure of other work, he has felt he could no longer give the time to the Sunday-school work which it demands. We are sorry to lose him as our superintendent, but welcome the new one and wish him all success.

There is to be a Mother's and Daughter's Banquet at the church next Tuesday night, the 7th. A fine program is being arranged which will make it a delightful occasion and get-together time for mothers and daughters.

The Official Board will meet on Wednesday night at 7:30.

The Missionary Societies meet next Wednesday at the church. Luncheon will be served at the noon hour, with the District officers as guests.

A Young Woman's Missionary Society was organized last Monday night, and chose as their cognomen, "The Two-In-One." If they are any relation to the shoe polish by the same name, this new society bids fair to "shine" some. Miss Eva Griffith was elected the first president.

A five-reel feature film entitled, "Americans, That's All," will be given next Monday night. Also a one-reel comedy.

Saturday is the last Registration Day. Have you done your duty?

NEWBURG

All services at Newburg church were well attended last Sunday. Everybody welcome.

Born, Thursday, February 23rd, to Mr. and Mrs. C. D. Ryder, a son, Charles Junior.

One of the charter members of the Ladies Aid Society, Mrs. Mary Ruter, mother of Mrs. Fred Secord, passed away at her home in Detroit, Monday. Her funeral services were held at the Newburg church on Thursday afternoon. Burial in Newburg cemetery.

Charles Ryder arrived home from his California trip Tuesday afternoon. Mrs. Ryder had to remain at the home of her son in Chicago on account of illness. They had rather an unfortunate homeward trip, being snowbound in the mountains in California, and both contracted severe colds.

Mr. Kidder and family are moving this week to their new farm near Saline.

SALEM

F. C. Wheeler of Ann Arbor, was in town, Friday.

Mrs. C. O. Hammond and mother, Mrs. Foss of Northville, visited in Lansing from Friday until Monday.

Mrs. Bugbee returned to her home at Hillsdale, Saturday, after spending several weeks with her sister, Mrs. John VanSickle. Mrs. VanSickle's daughter-in-law, Mrs. Jay VanSickle, is caring for her this week.

Mrs. Mary Wheeler was a South Lyon visitor, Thursday.

Mrs. Frank Rider visited Mrs. George Roberts, Saturday.

Mr. and Mrs. M. Briggs of Milford, were Sunday visitors at Ed. Young's.

Mr. and Mrs. Jay VanSickle of Dundee, visited at John VanSickle's, Sunday.

The Ladies of Federated Aid will serve dinner at the town hall, town meeting day. Everyone welcome.

Mr. and Mrs. E. Sutherland and daughter of Pontiac, were Sunday guests of his sister, Mrs. Judd Taylor and husband.

WAYNE COUNTY FARM BUREAU

The board of directors of the Michigan State Farm Bureau have approved of plans to establish a "Produce Sales Department," with the first unit located in Detroit, which will also serve communities nearby with home grown goods direct from the farmers through their local stores. This step is the first local endeavor to meet up with the merchandising plans made possible by recent congressional co-operative legislation, as approved by President Harding for the benefit of the agricultural industry of the entire country. This is strictly a co-operative movement, not in any way affiliated with any stock selling proposition. Storage facilities are now available to care for the products of local farms, and the plan will be placed in operation for the coming season. Fruits and vegetables, poultry, butter and eggs, dressed hogs and veals and kindred farm products will be handled. Particular attention will be given to the marketing of the fruit crop produced in this part of Michigan, storing same where desired until best time for marketing. This will furnish local fruit dealers with a service never before available, and provide for them a merchandising method, whereby they will secure the full price for their products, less storage and handling charges. The preliminary organization work has been placed in charge of Milton Carmichael, 401 Buhl block, Detroit, who can give farmers detailed information. This new service of the State Farm Bureau will be ready for business about April 1st.

The annual meeting of the Wayne County Farm Bureau will be held at the Grange hall, Romulus, on Saturday, the 11th of March, business sessions starting at 10:30 o'clock in the morning sharp. The morning session of the delegates, which is open to all members, as well as the public, will be devoted to hearing reports of the past year, financial and otherwise, also the election of a new executive board and making plans for the future. A new feature during the morning will be a meeting of the women farm bureau folks, wives and daughters of the member families, at the church in Romulus, to form a county-wide organization to look after the program of their activities. Mrs. Campbell, state leader of home demonstration agents, and Mrs. Wager, the woman member of the State Farm Bureau board of directors, will be in attendance. The invitation to the meeting of women is general, and a large attendance is desired.

The afternoon program of the Farm Bureau meeting will include an address by C. L. Brady, secretary-manager of the State Farm Bureau; also a talk by Mrs. Mary Sweeney, dean of home economics department of the Michigan Agricultural college.

The women folks of the Romulus Grange will serve dinner at noon.

"We had nearly four hundred at the annual meeting one year ago," explains Secretary Carmichael, "in urging a large attendance. We want to break that record this year, and every member of the organization is invited to attend. The meeting in the morning for the women folks is something along new lines, is part of our program to broaden the scope of the organization and its activities, which we hope will be well received in Farm Bureau circles."

PRESBYTERIAN PARAGRAPHS

Last Monday night, the trustees met at the church. For the first time in many months every member was present. Twelve lockers were ordered for use in the Sunday-school, and provisions made for adapting the dining room for recreational purposes.

Church attendance, both morning and evening, has been steadily increasing of late. Next Sunday, the pastor will preach on "Dramatic Incidents in the Bible."

The pastor has been invited to address a men's meeting in the Weston Community church, near Adrian, next Thursday night. Mrs. Hathaway and the baby will accompany him and visit friends in Adrian.

Several classes in the Sunday-school are using record charts with good effect.

W. R. Shaw drove the teachers to the Caritas Home, last Sunday afternoon. Miss Ellen Gardiner has returned from her visit in Rochester, and has resumed her position as teacher. Mrs. Charles Merz acted as substitute during her absence.

The church was pleased to provide flowers for Calvin Whipple's business opening, last Wednesday. Mr. Whipple is an elder in the church, and has rendered faithful service in the choir and in various other departments of church activity. We wish him all success in his new enterprise.

The pastor received an interesting letter last week from Mrs. Katherine Scott Finn, of the Federated Women's Clubs of Detroit, commending him for his stand on Sabbath observance. Among other things she said: "The mayor of Marquette, is working for Sunday closing, and it has already been secured in Sault Ste. Marie and one other town in the northern peninsula. Pomona, California, secured it after a desperate fight by 50 votes. As they said, more than five times as many as were needed to save Sodom and Gomorrah."

LIVONIA LUTHERAN CHURCH

Regular service will be conducted at the Lutheran church of Livonia Center, on Sunday, March 5th, at 2:30 p. m., in the English language. Everybody welcome. Sunday-school at 1:45. Come.

On Friday evening, 7:30 eastern standard time, there will be Lent services in the German language. These Lent services will continue every Wednesday evening thereafter until Holy Week. The services on March 15th and April 5th will be in the English language, the others will be in German.

PROBATE NOTICE

STATE OF MICHIGAN, County of Wayne, ss.

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the twenty-third day of February in the year one thousand nine hundred and twenty-two.

Present, Henry S. Hulbert, Judge of Probate.

In the matter of the estate of Adna G. Burnett, deceased.

An instrument in writing purporting to be the last will and testament of said deceased having been delivered into this court for probate.

It is ordered, that the twenty-ninth day of March next, at ten o'clock in the forenoon at said Court Room be appointed for proving said instrument.

And it is further ordered, that a copy of this order be published three successive weeks previous to said time of hearing, in the Plymouth Mail, a newspaper printed and circulating in said County of Wayne.

HENRY S. HULBERT,
Judge of Probate.
Edmund R. Downey,

After the Storm

"How soon can we use the phone?" That is the question in thousands of minds when storm rages over the community, downing wires and poles and disrupting service.

Let's talk it over.

The Telephone Company is human. We have our limits. We have difficulties. But the people of the Telephone Company are striving all the time to give service that will command public good will—and never more earnestly than when storm has impaired our service facilities.

Then every available repair man is on the job.

Hours and weather conditions are disregarded.

Not for a minute, night or day, until service is fully restored, do repair men relax their efforts. The job is done as promptly as is humanly possible.

The same earnest effort, we may say without exaggeration, characterizes the people of the Telephone Company at all times in all their relations with the public.

We're doing our level best to satisfy you. Together with public understanding and appreciation of our problems, that spirit is operating steadily toward our fixed goal: "Ideal Telephone Service for Michigan."

JUMP IN DEATHS BY ALCOHOLISM

In Other Respects Rate Is Lowest in History.

DROPS 13.7 PER CENT IN 1921

Death Rate Cut Chiefly Because Fewer Victims Were Claimed by Tuberculosis, Pneumonia, Influenza, Bright's Disease and Industrial Accidents—Indicates More Effective Public Health Work—Automobile Causes Greater Ravages Than Ever in 1921.

Deaths from alcoholism increased 30 per cent in 1921 against 1920. In the experience of the Metropolitan Life Insurance company, which announces that in other respects 1921 had the lowest death rate ever recorded in the United States and Canada.

The rate was 8.54 per thousand lives, a rate indicated by statistics based on the experience of nearly 14,000,000 industrial policy holders. This is lower by 13.7 per cent than the 1920 death rate, and lower by 31.9 per cent than the death rate of 1911.

Shows Fewer Victims.
The death rate has been cut chiefly because few victims were being claimed by tuberculosis, pneumonia, influenza, Bright's disease and industrial accidents.

"In the period of 11 years," the company says, "mortality from tuberculosis has been cut almost in half. This in itself is an unparalleled accomplishment in the history of public health. But more amazing still is the fact that the decline is continuing at an increasing rate from year to year. Despite the fact that it was marked by a business depression, unemployment and other consequences, 1921 showed a greater decline in the tuberculosis death rate than any year on record. We have no better evidence of the effectiveness of the public health movement for the control of tuberculosis.

"The lower death rates for organic heart disease and for Bright's disease are additional evidences that the public health work of the last twenty years has been effective in reducing the incidence of the infectious diseases and local infections."

The cause of death which resulted in greater ravages than ever in 1921 is said to have been the automobile.

Due to Automobiles.
"For ten successive years," the bulletin continues, "the death rate from this cause has registered an increase. The 1921 death rate is more than five times that recorded for 1911; it is four times as high as the death rate recorded for 1915, and 61 per cent higher than the figure for the year 1910. The control of the rising death rate from this cause is one of the unsolved problems of police and accident prevention work in American cities. There is small consolation in the fact that the number of automobiles has also increased, and that, in consequence, there are fewer deaths in automobile accidents per automobile in operation than there were five or ten years ago. The outstanding fact is that, whether being killed by the first or fifth or tenth automobile, the number of deaths caused by motor vehicles and the automobile death rate continue to grow year after year.

"The most conspicuous bad spot in the record of the year is the increased death rate for diphtheria. The mortality from this disease was higher than in any year since 1917. This is all the more deplorable because the means for the suppression of case incidence and case fatality should be known to every health officer and every physician in the United States and Canada.

"The scarlet fever rate was higher than for any year since 1914."

HORSE SOUGHT OLD MASTER

Travelled Seven Miles to Find Him After Two Years' Absence.

"Nigger," a thirty-year-old horse, escaped from his stable one Thursday night and travelled seven miles to find his master. Lute Helm, owner of the horse, is a retired farmer and has lived in Moore's Hill, Ind., for several years.

Helm says the horse is an old family pet and was left in the charge of tenants on the Helm farm, but for the last two years has not been off the farm.

Helm was surprised on arising one Friday to find the animal standing at the back door neighing. In the future Nigger will have a comfortable home near his master.

GOLDFISH FIREBUGS

Woman Accuses These in Bowl of Setting Blaze in Her Place.

Since the time of Jonah all kinds of fish stories have been told, but in insisting that a bowl of goldfish set fire to her house the other afternoon, Mrs. W. B. Shortman of Porterville, Cal., takes laurels.

Mrs. Shortman had been out and returned to find her house filled with a mass of dense smoke.

Search revealed books and papers on a table near the bowl of goldfish smoldering into flames. The sun shining into the bowl of goldfish had converted it into a burning glass and set fire to the papers.

Found a Cure for Indigestion
"I use Chamberlain's Stomach and Liver Tablets for indigestion, and find they suit my case better than any dyspepsia remedy I have ever tried, and I have used many different medicines. I am nearly fifty-one years of age and have suffered a great deal from indigestion. I can eat almost anything I want to, now," writes George W. Emory, Rock Mills, Ala. These tablets contain no poison, but strengthen the stomach and enable it to digest the food naturally.—Advertisement.

The oyster supper held at the church, last week Wednesday evening, was not largely attended, but those who did go were treated to a fine supper. The men took charge of the kitchen and dining room, and just did fine. The oysters, cooked by Mr. Magee, couldn't have been better. A short program was given by "George and Martha Washington," which brought the evening to a close.

Miss Grace Hawkins entertained a number of her friends at the home of Mr. and Mrs. Clayton Rohde on Center road, last Friday evening. After games and a social evening, dainty refreshments were served by the hostess.

IT CAN BE SAFELY GIVEN under all circumstances, for coughs, colds, croup, bronchitis, coughs caused by influenza and La Grippe, as well as whooping cough and measles cough. It contains no harmful drugs or opiates.

"I used Foley's Honey and Tar for my children this winter. I had better results from it than from any other cough medicine, and I find also it is good for grown people as for children." Mrs. Clarence E. Webber, Knoxville, Md.

LIVONIA CENTER

Mr. and Mrs. Charles Smith and family were in Wyandotte, Sunday. The little girls' club met at the home of Hazel VanBonn, Saturday afternoon. A very pleasant time was had and a beautiful lunch was served. The prize for the guessing contest was won by Leona Garchow. The next meeting will be held at the home of Elizabeth Haybali.

A meeting of the Farm Bureau will be held at the town hall, Monday evening, March 6th, at 8:00 p. m. Everybody is urged to come.

The Help One Another Club was held at the home of Mrs. Fred Gergee last Thursday afternoon. There were a goodly number present, both ladies and gentlemen, in spite of the terrible roads and strong wind. The shooting contest was very enjoyable, but most of the ladies are very poor marksmen. Miss Helen Tuck won the first prize. We think she would make the best marksman by a little more practice. The bouby was won by Mrs. Wheeler. The next meeting will be held at Mrs. Riley Wolfson's, Thursday, March 9th.

Joe Hewelt was in Detroit, Tuesday. Last Friday evening, about thirty friends and neighbors gathered at the home of Mr. and Mrs. William Garchow, and gave them a happy surprise. A fine time was enjoyed by all. Come again. Miss Eva Bennett was a week-end guest of Miss Mae Garchow. Mr. and Mrs. William Hawley, Sr., entertained a host of Detroit friends, Sunday.

WEST TOWN LINE

Mr. and Mrs. Bolton and daughter, Lora, visited at John Schomberger's, recently. Gertrude and Norman Stacey attended the foot social, Friday. Edwin Stacey spent Saturday and Sunday at Mrs. Hattie Forshee's. John Mullen was able to return to Detroit with his son, after two weeks' stay with his cousin, Mr. Honeywell.

Baptist Notes

The community supper on the 22nd of February was a great success. A good crowd came to enjoy the supper, and many stayed to see the pictures of the Baptist school and colleges. Last Sunday the B. Y. P. U. was one year old, and after a year of the best, the young people told of the benefits they had received through the year. The pastor led the meeting. We all look forward to another year of spiritual gain and growth.

The Woman's Missionary society met at the parsonage on Wednesday afternoon. They are keeping pace with the work of our state in home and foreign missions.

Mrs. Sayles' Sunday-school class met with Miss Louva Rowland, at the home of her father and mother on Mill street. They enjoyed a fine supper together, and pieced a large number of blocks for a quilt, and spent the rest of the evening singing songs from gospel hymns. They meet every two weeks.

Miss Scott did not lead the prayer meeting, last week on account of sickness.

The prayer meeting at the Hart-sough sisters' on Thursday evening this week, had for its topic, "What has the promise of the Lord meant to you at any special time in your life, in other words, answered prayer."

Register and vote for the amendment. Be sure about it.

REGISTRATION NOTICE

Notice is hereby given that the Board of Registration for the Village of Plymouth, Wayne County, State of Michigan, will meet at the Village Hall in the Village of Plymouth on Saturday, March 4, 1922, from 10:00 o'clock a. m. to 9:30 o'clock p. m. eastern standard time, for the purpose of completing the registration of the electors of said village.

Dated, Plymouth, Mich., Feb. 21, 1922.
Sidney D. Strong, Village Clerk.

ELECTION NOTICE

Notice is hereby given to the qualified electors of the Village of Plymouth, Wayne County, State of Michigan, that the regular spring election will be held in Plymouth Village Hall, in said village, on Monday, March 13, 1922, for the purpose of electing two Commissioners to hold office for two years, beginning March 27, 1922.

The polls of said election will be open at 8:00 o'clock a. m. and will remain open until 6:00 o'clock p. m. eastern standard time, on the day of said election.

There will also be submitted to the electors for passage or rejection an ordinance in accordance with the following resolution:

Resolved by the Commission of the Village of Plymouth, State of Michigan,—

Whereas, in the opinion of this Commission, the subject of regulating theatres and moving picture shows in this village should be decided by the people,

Therefore, be it resolved that the Village Commission submit to the electors of said village for approval or disapproval the following "Ordinance providing for the licensing and regulating of theatres and moving picture shows in the Village of Plymouth, State of Michigan," at the regular election to be held on March 13, 1922.

AN ORDINANCE providing for the licensing and regulating of theatres and moving picture shows in the Village of Plymouth, State of Michigan.

The Village of Plymouth Ordains: Section 1. From and after the taking effect of this ordinance, it shall be unlawful for any person or persons, firm or corporation, to establish, maintain or operate, within the limits of the Village of Plymouth, any theatre or moving picture show until a license therefor shall have been given by the Village Commission.

Section 2. Application for licenses shall be made to the Village Commission and shall be filed with the Village Clerk for presentation to the Village Commission. Application shall set forth the full name of applicant or applicants and of every person interested in the issuance of the license applied for, together with the business and residence addresses of such persons. PROVIDED that if the applicant be a corporation, this provision shall apply to the officers and directors of said corporation only.

Each application shall set forth the place or places where it is proposed to establish, maintain or operate the said theatre or moving picture show, for which such license is asked.

Section 3. The Village Clerk shall keep a record of all applications for licenses hereunder and shall present such applications at the next meeting of the Village Commission after they shall have been filed by him. If the commission, upon examination of the matter, shall deem the issuing of a license consistent with the safety and good government of the village and the welfare of its inhabitants, the clerk may be directed to issue the license upon the payment of the fee hereinafter provided for.

Section 4. Before any license shall issue under the terms of this ordinance the applicant or applicants shall pay to the Village Clerk as a license fee for establishing, maintaining or operating such theatre or moving picture show, the sum of one dollar per annum. The payment of the aforesaid sum shall entitle the licensee or licensees to establish, maintain and operate such theatre or moving picture show for the period of one year, subject to the provisions of this ordinance. PROVIDED, that licenses under the provisions of this ordinance shall begin to run and date from the first day of May in each year and no license shall be issued for less than the full annual fee, except when the application is filed more than six months after the first day of May and in such case the applicant shall pay one half the annual fee for the remainder of the year up to the first day of the following May.

Section 5. The commission shall have the power to appoint a committee to censure and examine all films for all moving picture shows and no films depicting the commission of crimes of any kind shall be exhibited and the commission shall have the power to suppress any questionable exhibition.

Licenses issued hereunder may be revoked at any time by the Village Commission for violation of the terms of this ordinance, violation of any state or federal law or violation of any reasonable police regulations of the Village Commission generally imposed upon licensees under this ordinance.

Section 6. All theatres and moving picture shows licensed under the provisions of this ordinance shall be closed to the public from midnight until eight o'clock the following forenoon. PROVIDED, that no such theatre or moving picture show shall be open to the public from midnight Saturday night until eight o'clock Monday forenoon. Q. and good order shall be maintained upon the premises and adjacent streets and no person or persons shall be permitted to loiter or stand in or about the doorway or in front of said premises.

Section 7. Any person or persons violating this ordinance or interested in the license, permitting or being in any way responsible for the violation of its provision may, upon conviction before a court of competent jurisdiction, be sentenced to pay a fine not exceeding One Hundred Dollars and the costs of prosecution and in default of payment thereof may be sentenced to the Detroit House of Correction or such other place of confinement as may be lawfully determined, for a period not

exceeding ninety days or the court, in its discretion, may sentence the offender to suffer both fine and imprisonment within the limits prescribed by law.

Section 8. This ordinance shall take effect on the 31st day of March, A. D., 1922.

Resolved further, that the form in which the said ordinance shall be on the ballot at said election is as follows:

Ordinance providing for the licensing and regulating of theatres and moving picture shows in the Village of Plymouth, State of Michigan.

For the Ordinance
Against the Ordinance

Resolved that the Village Clerk be, and he is hereby instructed to cause the proper notices of the submission of the above proposed ordinance to be published in connection with the notices of the regular election, in accordance with the provisions of the charter of the Village of Plymouth.

Dated, Plymouth, Mich., Feb. 21, 1922.
Sidney D. Strong, Village Clerk.

To All Whom It May Concern

Notice is hereby given that it is the intention of the Commission of the Village of Plymouth to construct a public sanitary sewer together with the necessary laterals along the following route in the Village of Plymouth, to-wit: Beginning at the intersection of Starkweather avenue and Main street and running thence northerly along said Starkweather avenue to Division street, and also from the north side of the P. M. R. R. tracks, North to a point 450 feet North of Pearl Street.

That two-thirds of the expense of said improvement will be assessed on the lots or lands particularly benefited by said improvement in proportion as may be to the benefit which each of the said pieces or said parcels of land so particularly benefited will receive by reason of said public improvement, the property to be so assessed being as follows, to-wit: All lots and parts of lots fronting on Starkweather avenue beginning at the intersection of Starkweather avenue with Main street and extending thence northerly along Starkweather avenue to 450 feet North of Pearl street.

That maps, plans, specifications, drawings, diagrams and estimates of the cost of said sewer are now on file in the Office of the Village Clerk subject to public inspection and that the commission of said Village of Plymouth will meet at the Village Hall in said Village on Monday, the 6th day of March, A. D. 1922, at 7:00 o'clock p. m., for the purpose of hearing objections and suggestions in regard to the construction of said improvement.

Sidney D. Strong, Village Clerk.
Dated, February 20th, 1922.

To All Whom It May Concern

Notice is hereby given that it is the intention of the Commission of the Village of Plymouth to pave Starkweather avenue from its intersection with Main street and extending thence northerly to the northerly line of said Village.

That a portion of the expense of said improvement will be assessed on the lots or lands particularly benefited by said improvement in proportion as may be to the benefit which each of said pieces or parcels of land will receive by reason of said improvement, the property to be so assessed being all those lots or parcels of land fronting on Starkweather avenue from its intersection with Main street to the said northerly limits of said Village of Plymouth.

That maps, plans, specifications, drawings, diagrams and estimates of the cost of said pavement are now on file in the Office of the Village Clerk subject to public inspection, and that the Commissioners of said Village of Plymouth will meet in the Village Hall in said Village of Plymouth on Monday, the 6th day of March, A. D. 1922, at 7:00 o'clock p. m., for the purpose of hearing objections and suggestions in regard to the construction of said improvement.

Sidney D. Strong, Village Clerk.

W. C. T. U.

The meeting of the Woman's Christian Temperance Union, Thursday, February 23rd, at the home of Mrs. Walter LeVan was well attended, although the day was exceedingly stormy and disagreeable. The speaker, Mrs. Falcomer, failed to put in an appearance, but the program prepared by Mrs. Coello Hamilton proved very entertaining. Violin selections by Ruth Hamilton, with Mrs. Hamilton accompanying on the piano, and a recitation and pianologue by Dorothy Hillman, were greatly enjoyed by all. Mrs. Hamilton also gave a very interesting talk upon the great men whose birthdays occurred in February, and taken all in all, the program was especially pleasing.

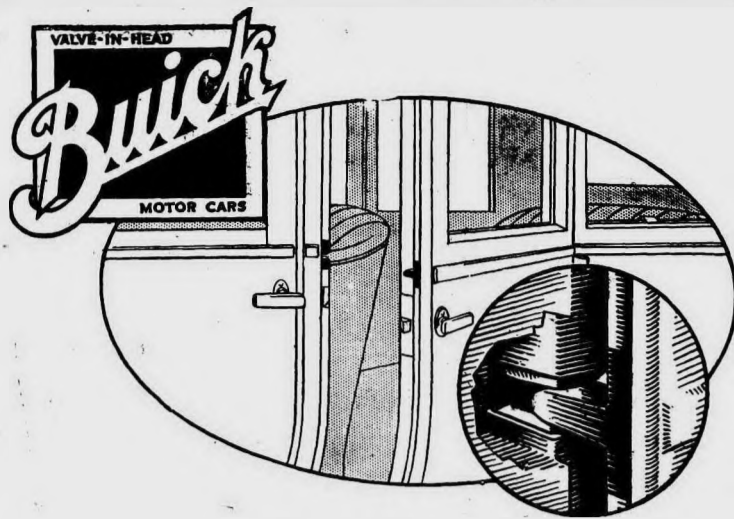

Members, who have not yet registered should not fail to do so tomorrow, at village hall, so that they may be eligible to vote at the village election, which occurs Monday, March 13th. The W. C. T. U. always stands for law and order, and Sabbath observance, and members should vote accordingly.

The next meeting of the W. C. T. U. will be held Thursday, March 9th, at the home of Mrs. C. E. Smith on Mill street. Leader, Mrs. Sarah Bartlett. Topic, "A Backward Glance." Reminiscences by older members. Everyone welcome.

A CARD—We wish to thank our friends and neighbors for their many acts of kindness and sympathy during our sad bereavement, for the beautiful floral offerings, those who furnished automobiles, and also Rev. Nagle for his comforting words.

Consider the Door Construction on the Buick Four Sedan

This is merely another example of the care with which Buick bodies are built and of the attention to details which contribute so much to ownership comfort.

Notice the solid steel lug on the door. When the door is closed this lug fits into a slot on the door post. It is held firmly in place within the slot by means of two heavy pieces of metal.

This device holds the door rigid—prevents its rattling no matter how rough the roads and also prevents wear in the tongue of the lock—a characteristic occurrence when the door is held closed only by the lock itself. This is a feature on all Buick closed cars.

KING'S CORNERS

Mr. and Mrs. Lloyd Lockhart and son, Kenneth, and Mr. and Mrs. Charles F. Jubenville attended a party at the home of the latter's son, Lewis, last Saturday, at Royal Oak.

Mr. and Mrs. Charles Parrish spent last week at the home of Mr. and Mrs. Otto Kaiser. Mr. Kaiser has been ill, but is better at this writing.

The Kaiser Bros. are busy working in their greenhouses. They have their early cabbage transplanted, and which are growing rapidly at this writing.

Mr. and Mrs. L. E. Kaiser and two daughters, Lillian and Lottie, and son, Norman, were guests Saturday night at a party given at the home of the former's brother, Walter Kaiser, near Utica, Mich. They returned home Sunday.

Mrs. Josephine Hix spent several days last week at the home of her son, Perry and family, near Plymouth.

Sunday visitors at the home of Charles Kaiser and family were as follows: Mr. and Mrs. Charles Parrish; Mrs. Kohntz and son, Lawrence, and daughter, Hazel, and Phyllis of Detroit; Mr. and Mrs. Clarence Hix, Gerald Hix and lady friend, Mr. and Mrs. Otto Kaiser.

The Helping Hand society met this month at the home of Mr. and Mrs. Ed Pettibone on the Warren avenue road.

The teacher and pupils of the Hough school, gave a very interesting program, Friday evening. A very interesting talk was given by Rev. Nagle of Plymouth, at which time a Parent-Teacher Association was organized, with Ray Mettetal, president; Mr. Swegles, vice president; Otis Rowe, secretary-treasurer. Mr. Nagle's talk was very much enjoyed by all present.

Emory Hix was a week-end guest of his aunt, Mrs. Kohntz, in Detroit. Emil and Benjamin Kaiser spent Sunday evening at the home of their brother, Louis and family.

Mr. and Mrs. Henry Utter and daughter, and the former's mother were calling on their uncles, Jacob and Benjamin Rhead, last Saturday.

Mr. and Mrs. Charles Parrish have received word of the death of Charles A. Treat, February 13th, at his home in Belding, Mich. Mr. Treat was a former resident of this place and well known here. His death was due to tuberculosis. He leaves his wife and three daughters, one brother, several half-brothers and a host of other relatives and friends to mourn their loss.

A CARD—We wish to thank the friends for their kindness shown during our recent bereavement; to those who furnished autos; to Mrs. Bake; also to Rev. Mr. Field.

The Pneumonia Month

March is a typical pneumonia month and usually gives a high rate of mortality for the disease. After a long and hard winter, the system loses much of its resistance and people grow careless. When every cold, no matter how slight, is given prompt and intelligent attention, there is much less danger of pneumonia. It should be borne in mind that pneumonia is a germ disease and breeds in the throat. Chamberlain's Cough Remedy is an expectorant and cleans out the germ laden mucus, and not only cures a cold, but prevents its resulting in pneumonia. It is pleasant to take. Children take it willingly.—Advertisement.

FRAIN'S LAKE

The men's dinner, which was given by the Dixboro society at Ed. Lyke's, was sure a success in every way. After serving 150 guests they enjoyed the best program by the ladies that they have been able to hear, which consisted of the following numbers: Band music by a hand organ; piano duet by Mrs. Morris Galpin and Dorothy Hollis; reading, Ethel Muholland; solo, Mrs. Glen Bird; reading, Mrs. Harry White; song by the Ladies' Quartet; reading, Mrs. Fishbeck; dialogue by little Wilson Kock and Evelyn Lyke; song, Flossie Quackenbush; reading by Edith Townsend; song by Mrs. Ed. Lyke, and closed with a piano duet. They decided to let the men serve another one of those good dinners next year. Guests were present from Ann Arbor, Ypsilanti, Plymouth, Salem and Warden.

The Arbor Farmers' Club will be entertained March 8th at the home of Mr. and Mrs. Charles Freeman.

The Free Church Ladies' Aid will give another dinner, March 11th, at

the home of Mr. and Mrs. Albert Staebler. Everyone welcome.

Mrs. Carrie Lyke has returned home, after spending a week with her son in Plymouth, who has been seriously ill with pneumonia.

Mrs. Helen Kelley of South Ypsilanti, is visiting her daughter, Mrs. C. H. Freeman.

Master Clare Whipple of town line, is spending some time with his grandparents here.

The Queen Esther Circle was pleasantly entertained, Saturday night, at the home of Miss Emily Freeman. After the business hour, progressive dominoes were played, in which Winifred Fishbeck and Ivan Galpin were champion players.

Mrs. Sarah Spence of Belleville has returned to her home, after spending a few weeks with her daughter, Mrs. Ed. Lyke.

George Slyfield, Jr., spent Sunday with the Wales family.

William Schrader's Sunday guests were: James Kincaid and family of Plymouth; Mr. and Mrs. Ritchie and Fred Judson and wife.

Mrs. Lulu Lyke entertained her sister, Mrs. Henry Fair and family of Wyandotte, Sunday. Miss Dorothy, who was so seriously ill with ptomaine poisoning, has recovered.

Miss Martha Miller, near Dixboro, is ill with rheumatism.

John Campbell, formerly of this vicinity, was buried at Dixboro cemetery, Monday.

STARVING ELK RESCUED BY TWO FOREST RANGERS

Tip That Animals Were Snow-bound Came From An Aerial Mail Flyer.

After an arduous trip of 50 miles into the mountainous region at the headwaters of Dungeness river, two forest rangers succeeded in releasing a herd of 30 or 40 wild elk, snowbound in a draw or hole and which were on the verge of death by starvation.

By a queer coincidence Eddie Hubbard, carrying mail by airplane between Seattle and Victoria, Canada, routed his homeward trip inland over the foothills of the Olympic mountains to avoid a strong gale on Puget Sound. Skirting close to the tops of the forest trees he observed the wild elk snowbound in a natural inclosure of drifted snow. When he reached home he notified the state game commissioner's office of his belief, who at once ordered an investigation.

Alex McPherson and George Gates of Quilcene, Wash., started at once over a well-known trail carrying provisions on pack horses. The 50 miles into the wilderness was made in two days and the elk located. The animals were belly deep in snow hounding about, subsisting on fir boughs and moss. Breaking through a snow-drift barrier, the elk gamely followed the two men and their horses down into the valley where grazing material flourished in abundance. Of the exhausted animals but two fell dead after release.

The brave act is being heralded throughout Elkdom fraternity and the two rangers will be presented with a suitable reward.

The Olympic elk usually foretell big snowstorms and hurry into the valleys, but this bunch herded up together in a sheltered hole and were cut off from food.

PERRINSVILLE

Ed. Erwin had the misfortune to break his arm, Sunday morning, while cranking a car.

It will be Fish next week, Rattlers, hoping 'twil taste better. You must strike hard though, for the Fish are pretty fast.

The Chumps don't seem to like hooch, either. They refused to even look at the Moonshiners basement. Well, the Bums might be a little more sociable next week. Bums are as a rule.

The Dubs and Bums had the first game, 634 apiece. The winner was decided on the result of the first frame in the next game.

Ed. Gayde was a real anchor man. On his last heave of 199 points, the anchor took hold, which held their ship long enough to land one game, Fish. You're successful in everything you do, Ed., why don't you get—

CANTON

Canton Community Club met with Mr. and Mrs. Elwin C. Pooler, Feb. 22. There was a large attendance, and a fine program and refreshments were enjoyed by all. Delegates from Canton township to the annual Farm Bureau meeting at Romulus, March 11th, were elected as follows: Louis Truesdell, Perry Campbell and A. L. Wisely. The next meeting of the Community Club will be held at the home of Mr. and Mrs. C. E. McClumpha, Wednesday evening, March 29. This is the annual meeting, and officers will be elected for the ensuing year.

The Canton Community Club will hold a box social at the home of Mr. and Mrs. Matt Swegles, Friday evening, March 17th.

We found a Plymouth man yesterday, who was trying to buy a cold cure that wasn't advertised as the old reliable.

The price of brown sugar is dropping, so we expect maple sugar to be quite plentiful this year.

If it is a get-rich-quick proposition the Plymouth man who hesitates doesn't lose.

BUSINESS OPPORTUNITIES FOR WOMEN IN MEXICO

Catherine Elizabeth Butterfield, who refused to be called "Mrs." because the title is "undignified" for a business woman, is in California for a short rest from her mining labors near Rosaria, Simulon, Mex. "If women want to make money, if they want to be treated with genuine respect, if they want to be happy and safe, my advice to them is to go to Mexico," she declared. Mrs. Butterfield has been engaged in gold and silver mining in Mexico for 16 years and is said to be one of the most successful miners in Mexico. She admits that the handits carried off her gold and silver, but says they never touched either she or any of her employees. She is very strong for Mexico.

LINER WAKES WHALES

Boat Bears Down on Seven Giants Snoozing Peacefully on Top of Water.

Capt. F. J. Holland of the Pacific mail liner Cuba, on a visit to Los Angeles harbor, told a story of how he rang the breakfast bell for seven whales in the Pacific ocean.

They were big fellows, ranging from sixty to ninety feet in length. The seven were "snoozing" peacefully on top of the water as the Cuba bore down upon them. The captain said he didn't hear them snoozing, but he knew they were sleeping, because when whales sleep they ride high in the water.

Evidently one whale was afflicted with insomnia, for as the vessel drew near he shook himself into action and proceeded to pour water on the others. Aroused from their slumbers under the rays of the early morning sun, the seven whales scampered away, frothing the water with their rushes and seeming to protest against the rude steamship that had so suddenly broken their beauty naps.

Confidence that she will start the next time he cranks her, has made a pessimist out of many an opti-

MATERIALS THAT WEAR

If you have money to burn and don't care how soon it's consumed, any old kind of material will suit you as well as any.

But if you are one of the millions of good Americans who wants full value for every dollar spent, look at the wearing qualities of the goods you buy. Our goods are second to none in attractiveness and style, and we are particularly proud of the way they stand the test of time, strain and wear.
