MOTHERS OF AMERICA

OBSERVE MOTHERS' DAY IN MOTHERS' WAY

DETROIT FIRM BUYS RIGGS' STOCK

The Detroit Salvage Co. have purchased the remainder of the E. L. Riggs stock, and will continue the closing out sale of the stock, Friday, Saturday and Monday, May 12, 13 and 15. The goods will then be shipped to the company's warehouse in Detroit.

For twenty-five years Mr. Riggs has done a successful business in Plymouth, and during that time has made many friends and patrons, who regret to see him retire from the business life of the village. During the past two years or more, while Mr. Riggs has been in California, the store has been ably managed by his son, Charles Riggs.

JUNIOR PLAY GREAT SUCCESS

The Junior play given Thursday evening, May 4th, was eminently successful. The girls, Gladys Schrader, Wilma Briggs and Fannie Grainger, who had to learn new parts Tuesday morning on account of the illness of Carol Pierce, certainly showed no sign of forgetting their lines and their acting was entirely up to the standard of the play. Olivia Williams, as the truth teller for twenty-four hours, brought down the house. Perry Richwine, Max Trucks and Daniel Murphy, as his enemies, were mighty entertaining "rascals." Martin Strasen made a canny young bishop, not so slow at business after all. The "vamps," Dorothy Hinnau and Dorothy McClumpha, brought a laugh in their interview with Marion Kiely as a dignified matron. The Juniors are to be congratulated on their success.

JACKIE COOGAN IN NEW PRODUCTION

The attraction at the Penniman Allen theatre for Sunday evening, May 14th, Mothers' Day, is Jackie Coogan, the six year old film star, who is to appear there in, "My Boy," his latest picture, an Associated National Film attraction.

As Jackie Blair, a little immigrant orphan, the diminutive actor makes an appealing figure. Buffeted about by fate, he finds himself without a place to sleep or anything to eat in the bustling city of New York. Forced from place to place and finding no sympathy or help anywhere, it is up to the little chap to take care of himself in spite of his tender age. And how he does it makes one of the finest pictures of the year. Claude Dillingwater and Mathilda Brundage are in the supporting cast.

CHAMBER OF COMMERCE TWILIGHT BASE BALL

The season for bowling being over, members of the C. of C. were desirous of a summer sport, and at a meeting Monday evening four teams were organized for base ball, with the following captains: Frank Rambo, Charles Rathburn, Sanford Shattuck, William Wood.

All members of the Chamber of Commerce desirous of renewing their younger days, should be on hand at the school grounds, Monday or Tuesday night at 6:30.

JUNIOR CLASS WILL REPEAT PLAY

On Thursday evening, May 18th, the Junior class of the Plymouth High school, will repeat their play, "Nothing but the Truth," at the High school auditorium. Curtain rises at 8:00 o'clock. Admission, 25c.—Advertisement.

WILL OPEN NEW STORE

Arthur E. Blunk and Irving E. Blunk will open a new department store in the building formerly occupied by E. L. Riggs on Main street, under the firm name of Blunk Bros. The interior of the store building will be remodelled and re-decorated, and a new and modern store front installed, and when completed will make an attractive and splendid improvement to the business district.

Mrs. A. G. Burnett, who has been clerking at the Riggs' store for some time has been engaged to take a similar position with the new firm. The Blunk Bros. will put in a complete and entirely new stock of merchandise, no old stock whatever, but all fresh and new, and it will be their endeavor to conduct a strictly up-to-date department store that will be a credit to Plymouth and vicinity. They expect to be ready to commence business about the middle of June. Watch next week's Mail for further announcement.

A CLASS OF TEN WILL BE CONFIRMED

Sunday, May 21st, a class of ten will be confirmed at St. Peter's Evangelical Lutheran church. It will be an impressive service, at which the pastor of the local church will officiate. The order of the service will be: An opening hymn; examination of the class; song by Sunday-school children; address by the pastor; song by class; confession of faith and solemn vow of members of class; the rite of confirmation, prayers and benediction; doxology.

The church will be appropriately decorated. Miss Hanna Strasen will preside at the organ.

In the evening at 8:00 o'clock, a special memorial service will be held, for which all who have been confirmed in the Lutheran church are especially invited. Come and attend the reunion. After the evening service the Ladies Aid Society will serve cream and cake.

All who wish to attend these services are heartily welcome. Both services will be in English.

BOND ISSUE CARRIED

The special election held Tuesday to vote on the proposition of bonding the village for the sum of \$10,000 and issuing bonds therefor, for the purpose of paying the cost of that part of the expense to be borne by the village at large for the paving of Starkweather avenue, resulted in an overwhelming vote for the improvement. The vote was 234 yes and 23 no. The paving of Starkweather avenue will make a fine improvement, and one that is certainly needed.

HAS TAKEN OVER PLYMOUTH HOTEL

Ralph Lorenz, who has been manager of the Atlantic and Pacific store in this village for the past two years, has again taken over the Plymouth Hotel, of which he is the owner, and will conduct the same in the future.

The hotel is now undergoing a thorough renovating, and will be newly redecorated. Mr. Lorenz is a splendid hotel man, and the traveling public, with whom he is very popular, will be pleased to see him back in the hotel again, as mine host.

There will be an Epworth League business meeting and social at the home of Lawrence Holmes, Newburg, Friday night, May 12th. Everybody come and have a good time.

A PLEASING RECITAL

The piano recital presented in Penniman Allen theatre, last Tuesday evening, by Marguerite Wood, pupil of Miss Czarina Penney, assisted by Miss Alta Hamill, reader, pupil of Miss Jane Clarken of Detroit, was well attended. Marguerite is only ten years of age, but possesses much grace and dignity. She wore a dainty gown of pink crepe de chine, and did honor to herself and teacher in each selection rendered. On the program was a vocal solo by Marguerite, which was also enjoyed. Miss Hamill, gowned in light blue, presented an attractive appearance and each number given by her was greatly appreciated. Both girls possess marked ability and have prospects of a brilliant future if they continue in their work. Several times during the evening they were presented with flowers from admiring friends, and at the close all present declared it a very pleasing program.

NORMAL GLEE CLUB WILL GIVE CONCERT

The Normal Glee Club will give a concert in the High school auditorium, Monday evening, May 15th, at eight o'clock, under the auspices of Plymouth Choral society. The Normal College at Ypsilanti boasts of having this year the best men's voices it has had for many years past. The Glee Club has been rehearsing under the direction of Frederick Alexander for some months, and is in wonderful condition. Choral songs by Mendelssohn, von Weber, Victor Harris and folk songs from several nations will be given. Vocal solos will be given by Henry Malloche, John Finch, Neal Greene and Robert Luscombe, and piano and violin solos. A delightful evening is in store for all who come to the concert. A really splendid male chorus is very rare. Ypsilanti is very fortunate in having such an organization this year. Tickets, 25c—no tax.

PLYMOUTH MASONS WILL VISIT ESSEX, ONTARIO

Plymouth Rock Lodge, No. 47, F. & A. M., will go to Essex, Ontario Wednesday, May 17th, where the local lodge will exemptify the work of the third degree. About one hundred of the local brethren expect to make the trip, which will be made by motor, and will leave Plymouth at 1:00 p. m.

A GOOD ARGUMENT

We heard a Plymouth man advance a mighty good argument a few days ago when he declared that "anything that is worth owning is worth insuring." Almost every week we read our exchanges where a farmer lost his house or barn, and that is not covered by insurance. We should never allow ourselves to lose sight of the fact that fire protection is not as efficient in the smaller towns as it is in the cities, where they have modern apparatus and well-paid firemen. And protection from fire in rural districts is even less than it is in the small towns. In fact, hardly once in a hundred times is it possible to save a farm house or barn, once the flames have gained headway. The farmer can't maintain a properly equipped farm and a fire department, too.

Even in town where it is necessary to depend upon volunteer firemen, the danger is far too great to be overlooked. The gentleman was right when he declared that anything that is worth owning is worth insuring.

FARMERS OF THE FUTURE

At the graduating exercises of the National Farm School, near Doylestown, Pa., when diplomas were awarded to the largest class in its history, the interesting announcement was made that every one of these young men had already secured a position, presumably in an occupation where his knowledge of scientific farming and practical agriculture can be put to good account. Of what other school can this be said? It furnishes convincing proof, if any were needed, of the growing importance of the farmer in our national life. For many years emphasis has been placed largely on the development of manufacturers in order to make America as independent as possible of other countries. Since the world war, when our farmers had to raise food not only for our own people but for a large part of Europe as well, much greater attention has been given to the problems of the farm. We are getting more and more to be an agricultural nation.

And more and more there is an opening for the young man who possesses actual knowledge of modern farming and its methods.

NUTRITION

BY IVA M. CHURCH
Red Cross Nutritional Worker for Wayne County

Foods that Help Build the Body.

A house is not built from one material, but from such materials as stones, bricks, cement, wood, etc., likewise the body is not built from one type of food. These building foods are divided into two classes—those building muscle tissue, and those building bone tissue and teeth.

The first group, or the tissue building foods, are called protein foods. Every farmer knows that nitrogen is one of the elements which neither his crops nor his stock can do without. He also knows that it costs more than any other necessary element.

The same is true of the nitrogen of the human body. It is absolutely necessary for the building and repairing of the muscular tissue. Also it is the most expensive type of food. This protein or tissue building group includes: Whole and skimmed milk, buttermilk, lean meats, poultry, shell fish, eggs, cheese, cottage cheese, dried seeds of beans, peas, lentils, etc., cereals.

It is not difficult for most people to realize the place and importance of meat in the diet, but it is difficult for them to realize that either eggs, milk, cheese or fish will entirely replace meat. Since this is the case, it is not necessary to have meat and eggs at the same meal, or to serve cheese with a meal which already includes a meat dish. Then too, with all the demonstrations we have had proving the value of milk for children and adults, it is not necessary to dwell at length upon this, but to re-stress these facts: That milk is a food and not a drink; that every child under six should have one quart of milk each day, and every child over six should have at least one pint of milk each day. Since milk satisfactorily replaces meat and at the same time is exceptionally well adapted to the needs of children, we can readily see why a child receiving its daily quota of milk needs very small servings of meat.

In the list of tissue building foods, the seeds of beans, peas, lentils, peanuts and cereals were listed. These foods do contain some of the elements for tissue building, but cannot entirely replace meat, unless they are combined with either eggs, milk or cheese.

The second group of building foods, or those building bone tissue and teeth are composed of milk, fruits and vegetables. This group dare not be ignored for what would a prospective buyer think of a house with a poor framework. In order that the framework of our bodies develop properly it is necessary to provide the suitable mineral foods. Have you ever examined a bone that has been exposed to the weather for several months, and have you observed how white and chalk like it has become? This shows how a large part of the bone is composed of lime. A lack of lime in a child's diet results in soft bones, which in turn produces the abnormal shape and structure of the bones. This lime is more easily obtained and more easily utilized in the form of milk. For this reason no child should receive less than one pint of milk a day. In order to obtain the daily requirement of lime this pint of milk must be supplemented by other mineral containing foods, such as, whole grain cereals, fresh fruit and green vegetables, which will be discussed in the following article.

Lumbago.

This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Liniment applied and a quick recovery may be expected.

Mrs. F. J. Dann, Brockport, N. Y., writes: "I can honestly say that Chamberlain's Liniment cured me of lumbago a year ago last summer. When I began using it, I was flat on my back in bed and could not turn to the left or right. I had a bottle of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pains and aches."

MOTHERS' DAY

In his proclamation appointing May 14, as Mothers' Day, Governor Groesbeck says:

"In the watchful, tender care which guided our earliest footsteps, in the constant planning for our welfare and our happiness, in the unflinching love that has blessed us all through the years up to manhood and womanhood, and that still blesses and cheers us, though it be but a dear memory, in these things we find abundant reason for humble and grateful acknowledgment of the debt we owe our mothers. The very name of mother is a synonym for love and devotion and willing sacrifice.

Therefore, I call upon our people, both old and young, to gather in their several places of worship, and take part in services appropriate to the day.

And let absent sons and daughters, take this occasion to visit the mother in the old home, or where such a visit is impossible, let them send a message of cheer and greeting.

In accordance with a resolution of the congress of the United States, I further request the people of Michigan on the day aforesaid to display the U. S. flag in their homes and other suitable places, as a fitting expression of their desire to pay homage to American motherhood."

Bible Students
Ezek. 16 for Sunday, May 14th. There are many interesting things spoken of in this long chapter. Not the least the beautiful adornments of the christian's character mentioned in verses 9-13. Also a hope for the world in verses 33-35, "When the captivity is released, and the return to the former estate," takes place. "When thy sisters, Sodom and her daughters, shall return to their former estate.... then thou and thy daughters shall return to your former estate." Acts 24:15; 3:19-21. Can we afford to miss this chapter? Welcome.

We can say this for the Plymouth men who have short chins—they are the most peaceful tobacco chewers.

PRESBYTERIAN NOTES

The pastor has been invited to give the baccalaureate sermon to the members of the High school graduating class on June 18th.
The Busy Women's Bible class held its monthly meeting, Tuesday, at the home of Mrs. I. W. Hummel Ann street. A pot-luck dinner was served at noon.
A benefit entertainment for the Caritas Home will be given at the Presbyterian church, Friday, May 26. The Senior Christian Endeavor society will have a pot-luck supper at the church, next Tuesday at 6:30. This will be the last social meeting until fall.
The Junior C. E. society repeated their entertainment, last Thursday night. Results will be reported next week.
O. H. Loomis is collecting money to pay for our share of the expense of week-day religious education in the public schools. Hand your subscription to him.
The pastor served as substitute teacher in the week day bible school, last Thursday. At the close of the hour, three classes came together for a "sing," and to hear the story of "The Third Finger." Much interest is being shown in this work, members of the upper grades frequently asking, "When can we be included in the bible classes?"

It has also been the experience of a good many people that the wages of sin never skip a pay day.

Wherever You Go You Will Find Buick Authorized Service

When you buy a Buick you buy something more than a high grade, thoroughly dependable car.

You buy a car that is backed by nation-wide service, so complete and well organized that you are assured of the uninterrupted use of that car no matter where you may be.

You will find Buick service in practically every city, town and village in the entire country. If, through accident, any replacement becomes necessary, that service will supply you with a part identically the same in design, quality of material and workmanship as the part originally in your car. And the work will be done for you by Buick-trained mechanics.

SCHOOL NOTES

Clyde Ferguson, of Miss Hallahan's room, is absent because of illness. The fourth grade have been keeping a weather record for the months of April and May. The High school orchestra entertained the audience between the acts of the Junior Play, May 4th. Their splendid music was enjoyed by all. The drawing classes are preparing for the exhibit to be held tonight. The High School orchestra is anticipating a trip to Detroit in the near future for the purpose of hearing some good professional orchestra. Leon Parks, Sanford Knapp, Watson Hoover and Inez Curtis of the first grade, have been ill during the past week.

Gladys Zietch won first place in the reading contest held in the first grade, while Eleanor Thoms, Margaret Stoneburner, Steve Dudek, Edward Mertens, Dorothy Wnuk and Alva Simpson came very near to first place. Caroline Rathburn, of the kindergarten, is back after an illness of three weeks. David Mather, of the kindergarten, has also returned after a very serious illness. David Daly of class A of the first grade is very ill with appendicitis. Several Plymouth debate fans attend the Durand-Allegan debate in Ann Arbor tonight. This is the state championship contest. Training on the part of the girls for the track meet of the Four-Square League to be held June 9th, started last Monday. The girls' events scheduled are:—50 yard dash, 50 yard relay, base ball throw, standing broad jump, eight pound shot put. There are thirty-five girls out for this work. The county eighth grade examinations being held in the high school Thursday and Friday have crowded classes into every available space, even to the stairways. The 5th and 6th grades have been divided into three squads and six teams, and are playing German ball, newcomb and long ball. The girls' physical training classes of the high school have just started indoor base ball. The girls are also working on the playground and recreation basic tests. Those passing all events will be awarded bronze badges. These badge tests are standards which every normal girl ought to be able to attain. The label on your paper tells how your subscription stands. Radio will probably never be popular with politicians. There are no wires to be pulled.

Corduroy Cord Tires

They are not the oldest tires in the country, but they are the Latest Design in Construction of Cord Tires.

Cash or Terms if Desired

Like in all other things there are improvements made in automobile tires. Those designed and built 15 years ago are not expected to give the same service given by those designed within the last two or three years. The first automobile built is still in existence. Today it is a curiosity. If you could but see a Corduroy Cord section and note the double-breaker strip, the double duty cushion stock and the corrugated stop walls, you would have to admit Corduroy Cords to be the tire of the day. Don't be misled by low prices on tires. You can buy a cheap suit of clothes, but don't get in the rain. You can buy cheap tires, but don't go far from home. Corduroy Cords list with other standard makes.

NEWBURG

Rev. Wise preached from the 11th chapter of Isaiah, his subject being, "National Unity," this being especially for the men. However, the women were much interested in the subject, as they are voters as well as the men. Next Sabbath is Mother's Day. All are requested to wear a flower in honor of their mother. Arrangements are being made to celebrate Decoration Day on Memorial Sunday. Further notice later on.

The Newburg Patriotic society will hold their quarterly dinner at the home of William Farley on Adams street in Plymouth, Thursday, May 18th. Picnic dinner at noon. All are cordially invited to attend. Mr. and Mrs. Donald Ryder and son took dinner with Mr. and Mrs. Glen Smith of Plymouth, Sunday, after which they motored to Ann Arbor to visit their mother at the hospital. Mrs. M. Eva Smith came home from the homeopathic hospital, Tuesday.

Mr. and Mrs. W. R. LeVan and mother, Mrs. Emily LeVan, spent Sunday at the home of Mrs. Worden in South Lyon.

Week-end visitors at the Clemens home were: Mrs. E. Matheson and brother, John, George Clemens and Miss Zenia Clemens of Detroit.

Mrs. C. E. Ryder and daughter, Beulah, called at the Herman Kiefer hospital to inquire about little Charles Paddy, who is ill of diphtheria, instead of smallpox as stated in last week's Mail. They found him going nicely. Mrs. Mark Joy had the misfortune to sprain her ankle at the Gleaner meeting, last Thursday evening. Mr. and Mrs. William Amrhein of Plymouth, are moving in one part of Mr. and Mrs. Ed. Quinn's house on Plymouth road. Little Betty Quinn of Detroit, spent the week-end with her aunt, Mrs. Mark Joy. Mr. and Mrs. Mittlebush of Detroit, have rented Mark Joy's house at Newburg.

Mr. and Mrs. William Roe have a new boy, born in Florida. They expect to return home June 1st.

Mr. Dunn is quite sick with asthma. Alvin Spengler and Mrs. Clara Bowman were married in Detroit, Monday, May 8th. Their friends extend congratulations.

A party will be held at the home of Mr. and Mrs. Alvin Spengler, this Friday evening.

Mrs. C. E. Ryder and daughter, Beulah, called at E. A. Paddock's and Mrs. Mary Paddock's in Detroit, also on Mrs. Charles Dunning of Redford, Tuesday afternoon, finding the latter quite improved in health.

SALEM

Bert Rider was in Ann Arbor, Saturday, on business.

Harold Bronson and wife of Pontiac, visited his mother, Mrs. Anna Bronson, from Thursday till Saturday.

Glen Whittaker was in Detroit, Thursday, and brought home a new tractor.

C. O. Hammond was an Ann Arbor visitor, Monday.

Mrs. M. Wheeler was a South Lyon and Plymouth visitor, Monday.

Mr. and Mrs. Bert Stanbro and Mrs. Earl Stanbro were Northville shoppers, Tuesday.

Mrs. George Carey was a Monday caller at the home of her son, Frank.

Mrs. Sarah Stanbro returned home, Friday, after a week's visit at the home of her son, L. W., of South Lyon.

Miss Dodge of Detroit, spent the week-end with Mrs. Ed. Youngs and family.

Mrs. C. O. Hammond and mother were Northville shoppers, Tuesday.

Mrs. Ralph Shackleton went to visit her sister at Redford on Wednesday, expecting to stay until Sunday.

Word has been received here of the illness of John Munn of Lansing. Mr. Munn's many friends here will be glad to hear he is somewhat better at this writing.

On Monday, May 1st, the sixtieth anniversary of Mr. and Mrs. A. F. VanAtta, their children, Mr. and Mrs. Orlomann, Mr. and Mrs. B. R. Solonky, Mr. and Mrs. L. W. VanAtta, all of Detroit, visited them. Greekings were received from old friends and relatives from Seattle, Long Beach, California; Traverse City, Ann Arbor, Holly and Detroit. L. W. VanAtta and wife remained through the week, as his mother was ill.

Mr. and Mrs. C. O. Hammond and his mother visited relatives at Rochester, Mich., Sunday.

PROBATE NOTICE

STATE OF MICHIGAN, County of WAYNE, ss.

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the twenty-sixth day of April in the year one thousand nine hundred and twenty-two.

Present Henry S. Hulbert, Judge of Probate.

In the matter of the estate of Clinton James Knapp, deceased.

On reading and filing the petition of Elsie Jane Knapp praying that administration of said estate be granted to Frazier M. Smith or some other suitable person.

It is ordered that the thirty-first day of May next, at ten o'clock in the forenoon at said Court Room be appointed for hearing said petition.

And it is further ordered, that a copy of this order be published three successive weeks previous to said time of hearing, in the Plymouth Mail, a newspaper printed and circulating in said County of Wayne.

HENRY S. HULBERT,
(A true copy) Judge of Probate.

PLYMOUTH HIGH
LOSES TWO GAMES

Plymouth High School played the third game of the season at Northville, Tuesday, May 2, but came home defeated, 17 to 7. L. German pitched five innings for Northville and held Plymouth to his mercy. He then was relieved by H. German, who was less effective, and Plymouth put across seven runs in the last four innings.

Stevens started for Plymouth but wasn't very effective and Northville hit him at will. Nine of Northville's ten hits were made off from him. Trimble went in to pitch in the fifth inning, but with poor support, he was taken for three runs in the fifth and three more in the eighth.

Plymouth 0 0 0 0 1 4 2 0
Northville 15 4 12 10 3 x
Plymouth—Runs, 7; hits, 7; errors, 8.
Northville—Runs, 17; hits, 10; errors, 3.

Batteries—Plymouth, Stevens, Trimble and Holcomb; Northville, L. German, H. German and E. Freydl.

'NOTHER DEFEAT

The fourth game was played at Dearborn, May 5th. Plymouth High was defeated 9 to 4. The game was very interesting throughout. It was a pitching duel between Trimble of Plymouth, and Scott of Dearborn. Trimble pitched for the best game, striking out sixteen batters, but received poor support. All Dearborn runs resulted from errors made by Plymouth. Plymouth hit Scott hard, but he received sensational support.

Plymouth 0 1 2 0 0 0 1 0
Dearborn 0 3 1 2 1 0 2 0 x
Plymouth—Runs, 4; hits, 11; errors, 6.
Dearborn—Runs, 9; hits, 12; errors, 2.

Batteries—Trimble and Holcomb for Plymouth; Scott and Lapham for Dearborn.

Farmington plays here Friday, May 12th. Everyone out.

BEECH

The funeral of Mrs. Charles Rutenbar was held Thursday afternoon from the German Lutheran church on Plymouth road, Rev. Hontwig officiating. Interment at Bell Branch cemetery. Mrs. Rutenbar had been sick about a year, and was great sufferer at the last. The bereaved family have the sympathy of the community.

Mrs. Clyde Ford and daughter, Rylna, spent a few days last week with her parents, Mr. and Mrs. J. E. Glass.

Mr. and Mrs. George Bench have moved to Detroit, Mr. and Mrs. W. Hertlet having rented their place for this year.

Mr. and Mrs. Claude Simmons and two sons visited relatives in Pontiac, over Sunday.

The Ladies' Aid will meet at the church next Wednesday afternoon. Come early as there will be work to do. A pot-luck supper will be served. Everyone invited.

Mother's Day will be observed, Sunday with special singing. We hope the mothers won't get scared out of coming, as the husbands did last Sunday. Everybody especially invited to come.

LIVONIA CENTER

There will be a dancing party at the town hall, this Friday night (tonight). It will be given by the girls sewing club, and at this time the quilt, which they have made, will be disposed of. Everybody is welcome to attend. Come and have a good time. Remember, Friday, May 12th.

Mrs. Frank Lewis of Adrian, spent Wednesday and Thursday of last week with Mrs. Herman Johnson.

Mr. and Mrs. Jesse Ziegler entertained at dinner, Saturday, the following: Mr. and Mrs. Charles Bentley, Mr. and Mrs. Herman Johnson, Mr. and Mrs. William Garchow and Mrs. Adie Ziegler. A very enjoyable time was had by all. Games were the feature of the day.

The Ladies Help One Another club met at the home of Mrs. Denbeck, Thursday, May 4th. A large crowd was present, and an elaborate luncheon was served. The memory contest was very interesting. The first prize was won by Mrs. Palmer Childson. The consolation went to Mrs. Emma Tuck. The next one will be at Mrs. John VanBonn's, Thursday, May 18th. Hope to see another large crowd.

Mrs. Delbert Lee spent last week with her parents, Mr. and Mrs. Johnson. She is quite improved in health. Robert and Fred Bredin were Sunday evening guests at William Garchow's. Fred Bredin left for Arizona Wednesday.

Miss Lizzie Hewitt spent Monday with her brother, Joe. Howard Johnson and Miss Hazel Rutenbar were quietly married at Redford, April 29th. Only the near relatives were present. We wish to extend to them our congratulations and best wishes for a long and happy married life. At present they will reside in Plymouth.

The surveyors are busy at work surveying and staking the Livonia road. It looks as though we will soon have another cement road through our township, which we all are glad to see.

Mr. and Mrs. William Hawley, Sr., entertained city company, Sunday. Miss Eva Nacker of Flint, is visiting her aunt, Mrs. Ida Stringer. Charles Wolfrom has a new radio installed in his home.

A number of friends and neighbors gathered at the home of John VanBonn and gave him a happy surprise. Dancing was the feature of the evening. Refreshments were served before departing.

METHODIST NOTES

Our Thursday night gatherings are manifesting an increasing amount of attendance and interest. If you haven't yet started, come next Thursday night. It will do you good, and incidentally do someone else good at the same time, to see you there. Special program for the social period next week, namely, the Ann Arbor District quartet, composed of young preachers, will render an evening's entertainment.

The Hudson orchestra is to give a concert in this church on May 26th. Keep that date open.

If there are any shut-ins who cannot get out to the Mother's Day service, Sunday morning, and would like to have a conveyance call for them, the Epworth League young folks will be glad to do so, if you notify the pastor.

There were twenty of the women of this church who attended the missionary luncheon at the Hotel Statler

on Tuesday. A fine time is reported, and 1,000 women from various parts of the state in attendance and many others turned away.

The missionary societies met at the parsonage, last Wednesday. Mrs. Thoma had charge of the study book in home missions. At the close of the meeting a reception was held in honor of Miss Anna Smith, who has long been an active worker in the church and society, and soon leaves for a trip in the west.

If any are interested in contributing to the building fund of this church, the pastor, or treasurer, Mr. Richwick, would be glad to receive any amount. Interest on our mortgage is due this month. We already have nearly \$1,000 on hand to pay down, and would be glad to receive more to make it an even \$1,000.

Long Distance Service Restored

EVERY important point in Michigan can again be reached by Long Distance. Poles and wires crushed by storm have been replaced sufficiently to meet demands of business.

It was an appalling task. Nearly 20,000 poles and 6,500 miles of circuits were destroyed, with tremendous losses in money.

But the people of the Telephone Company realized the dependence of the industrial and social welfare of every community on the wires and made every effort to restore service. Not a minute, night or day, did they relax their efforts.

Today, therefore, their first task—that of establishing emergency circuits—is finished. And they appreciate the patience and understanding of their difficulties shown by users of the Toll wires.

We are pleased to announce that Long Distance is again at your service.

EPISCOPAL NOTES

The new rector of St. John's church, Detroit, the Rev. J. Woodruff took up his duties and preached his first sermon in that church, last Sunday. The Rev. Woodruff comes from Cleveland, where he had charge of a large parish. He is a very fine preacher and an excellent organizer. Woodruff says he heard so much about St. John's mission church, Plymouth, while he was in Cleveland,

through one of his parishioners who happened to be visiting here, and attended one of our Sunday services, that he wants to come out and speak to the people of Plymouth, and Mr. Gibson will arrange the date with him to be announced later.

The Ven. F. B. Jermin, archdeacon of the northern peninsula, was with us last Sunday, and gave a very fine address at the community service, Sunday evening. There was a good congregation and a bright service.

The archdeacon hopes to be with us again in the near future when he happens to be in Detroit.

The ladies of the church will hold a candy and bake sale at the gas office on Saturday afternoon next.

Sunday will be Mothers' Day. Let all the mothers make a special effort to attend this service in the morning.

The ordinary monthly vestry meeting was held in the church on Tuesday evening of last week, when the

general matters of the church were discussed. The members of the vestry present were: Franklin L. Gibson, A. J. Lapham, Sidney D. Strong, A. J. E. Torre and Dr. Jennings. The attendance and finance of the mission church was reported and considerable improvement is noted. Several of our members have suggested that we now form a vested choir, so as to render the beautiful Episcopal service as it should be rendered, and as some of our church school children

have good voices, this matter will be under consideration.

The alteration and redecoration of the inside of the church is almost complete now, and a great improvement. The handsome altar rail, also the pulpit paneling, which is of oak finely carved, are gifts from St. John's church, Detroit, and Mr. Strong and Dr. Jennings have been most energetic in the planning and arranging the work. Mr. Gibson preached from the new pulpit for the

first time, last Sunday morning, and he gave a very fine address on, "The Supreme Good—Holiness."

The Ladies' Guild will meet next Wednesday, May 17th, at 2:00 o'clock at the home of Mrs. Philip Angelo and Mrs. Sweet. A full attendance is requested.

Howell is to have a special election May 15th, to say whether the city shall be bonded for \$10,000 to improve its streets and alleys.

AROUND ABOUT US

Lansing has moved the time ahead an hour, so that the towns on the Pere Marquette from Detroit to the capitol city are all on eastern standard time now.

B. J. Thompson has finished setting out 1,200 peach trees on the John Thompson farm one mile west of Northville, for Mrs. Whipple.—Northville Record.

Rev. W. G. Evans of South Lyon, has the appointment from the Detroit Presbytery as delegate to General Assembly which convenes at Des Moines, Iowa, on May 17th.

Eddie Riokenacker, the world famous speed king, who has won over \$80,000 in automobile race prizes, was a guest of the J. O. Hearn Company at Island Lake, Sunday. He drove out on wheels instead of in the air, as he usually travels.—Brighton Argus.

The Oakland county road commission will put six Fordson tractors into commission on the road maintenance gangs this summer. Special rim equipment will be added to the machines to adapt them for the road work. It is expected that each tractor will supplant at least three teams.

The Grand River Wash Sand & Gravel Company has just completed the sinking of a 6-inch flowing well, which increases their pumping capacity from 1,000 gallons of water per minute to 1,500 gallons per minute. The force of the water brought up stones as large as the pipe.—Brighton Argus.

Many noticeable improvements have been made this spring at the Meadowbrook Country club. The golf links are in fine condition for the season's enjoyment, and additional room has been provided about the club house for the accommodation of the members and their friends.—Northville Record.

The members of the Wayne Odd Fellows lodge are already making plans for their annual home coming to be held Friday and Saturday, August 11 and 12. These events are always looked forward to by both the present and former residents of Wayne, and the committee in charge of this year's celebration promises a better event than ever been staged locally before.—Wayne Weekly.

Will Ford, brother of Henry Ford, Tuesday, completed the deal whereby he became owner of the well-known Woodruff Mills property four miles east of Brighton. This property was bought for the purpose of developing the water power which is known to be available in the stream there. There are not many details to this purchase, but there will be many stories afloat before the ink is cold on this sheet. Nevertheless, there are apparently grounds that friend Henry may take a Brighton in time.—Brighton Argus.

BAPTIST NOTES

The pastor spoke on Sunday morning on, "What Do Baptists Believe?" It is expected that once each year every pastor will take up this theme and explain "The Declaration of Faith," as set forth in the Baptist Church Manual. There are eighteen in number, and only scripture for foundation and reference as well as proof. Such as, the scripture, the true God, the fall of man, the way of salvation, justification, grace of regeneration, gospel church, baptism and Lord's supper, the christian sabbath, civil government, the righteous and wicked, and the world to come, etc. The pastor gave a brief review of the organization of the first Baptist churches of Michigan. Pontiac came first, 1822; Farmington in 1826; Detroit in 1827; Epsilanti and Ann Arbor, 1828; Plymouth, 1830. The first pastor's salary was \$100, one-half cash, the rest produce. Rev. H. C. Beals at the time made his home in Plymouth, (his sons now reside here) and began his work as general missionary for the Baptist state convention in 1875, and for over twelve years was the inspiring leader in home missionary work. His death in 1888 was a great loss to the denomination.

Next Sunday is Mother's Day, and the pastor expects to preach on that subject. The choir is making special plans for the music. Won't you come and enjoy the day with us?

Delegates elected to the state convention at Jackson are: Mr. and Mrs. Wisliskie and Mr. and Mrs. Bayles. The convention begins next Tuesday at 2:00 p. m., May 16th. Ministers' conference begins May 15.

B. Y. P. U. state convention convenes at Jackson from Friday afternoon, May 12th, until close of service on Sunday evening. The delegates elected are: Henry Holcomb, Liars and Alton Sayles and Albert Sagar.

Mrs. Collins and her Sunday-school class enjoyed a real good time, Monday afternoon, on the flats on Plymouth road, and after a fine supper around the fire roasting venies, they (thirteen in all) came home happy.

A good meeting of the Ladies' Aid at the home of Mrs. Grainger on Mill street, Wednesday afternoon. A good program made it a pleasant gathering.

Last Sunday evening, the B. Y. P. U. had a live topic, "How shall we Observe the Sabbath." A great many opinions were expressed, but all decided it was best to keep it as the bible said. Alton Sayles led the meeting. Lavern Ward will lead the meeting next Sunday evening at 6:30.

Today's Reflections

Maybe the reason Missouri stands at the head in raising bales is because it's the only safe place to stand.

What has become of the old fashioned Plymouth boy who used to do most of his courting on the way to and from church?

The wise candidate is the one who comes out on a platform of more than one spring bonnet a season.

If there is a man in Plymouth who thinks he has too much money or advice is try running a newspaper for awhile.

One sure way for a Plymouth woman to keep her husband home at night is to ask him to take her some place.

SWEET CLOVER PROVES VALUE AS HAY CROP

TESTS AT THE MICHIGAN AGRICULTURAL COLLEGE BRING OUT FEEDING WORTH.

Proving its value as a pasture and hay crop, and as a soil builder, sweet clover is rapidly gaining recognition among Michigan farmers, according to C. R. Megee, of the Michigan Agricultural College crops department.

Once classed as a weed, this crop is now esteemed highly. During the past season, when June grass was cut short by the drought, sweet clover produced abundant pasture on a number of Michigan farms where observations were made by the college authorities. Tests at the college experiment station also brought out the value of the crop for feeding, it being shown that stock soon learn to like it as a pasture.

When properly handled, sweet clover hay contains practically as much digestible protein as other legume hays. As a soil builder, sweet clover ranks high. It will produce considerable growth on soils that are deficient in available plant food and organic matter, where alfalfa and red clover usually fail. It does not do well on acid soils, however.

In securing a stand of sweet clover, the use of lime, inoculation, and a firm, well compacted seed bed should not be overlooked.

Ample seed of northern grown sweet clover is available for Michigan farmers at a considerable cheaper price than now prevails for clover and alfalfa.

LOCAL NEWS

Ralph Lorenz is confined to his home by illness.

Mrs. D. C. McLaren of Chelsea, spent last week with Mrs. J. D. McLaren.

Merle Weiher has returned from the Ann Arbor hospital, where he underwent an operation for mastoid.

Walter Riggs of Reed City, Mich., is visiting his brothers, Ed. and Eugene Riggs, this week.

Mr. and Mrs. Andrew Taylor, Jr., and Mr. and Mrs. Frank Ray visited friends at Howell, Sunday.

Roland Allenbaugh is building a new bungalow a short distance south of town in Canton township.

F. C. Pitcher of Kalamazoo, visited his brother, Charles Pitcher, over Sunday and the first of the week.

W. C. Terry of Detroit, visited Roland Allenbaugh, Wednesday, at the home of Mr. and Mrs. E. C. Vealey on Ann Arbor street.

While working at carpenter work, last Tuesday, E. C. Vealey had the misfortune to run a nail in his right foot, which has since confined him to his home, but he is improving at this writing.

Little Ira, the small son of Grover Place, was taken to Harper hospital the first of the week, where he underwent an operation, Thursday. His grandmother, Mrs. Ira Wilson, is staying with him.

Mrs. Harry Green and Miss Evelyn Thomas attended a dinner and annual meeting, given at St. Paul's Cathedral church house, Detroit, last week Thursday evening, by the American Guild of Organists, of which society Miss Thomas is a member.

A pleasant family gathering was held at the home of Mr. and Mrs. Charles Pitcher on Main street, last Wednesday, when Mr. Pitcher's two brothers were their guests for the day. Dinner was served at noon, and following are the names of the out of town relatives present: Mr. and Mrs. Eugene Pitcher and son, Frank of Belleville; Crosby Pitcher of Bay City, and Mr. and Mrs. Fred Felt and daughter, Elizabeth of Toledo.

Last Tuesday afternoon, a man, barefooted, without hat and wearing neither coat or vest, was picked up on Penniman avenue by Officers Springer and Roy Reiman, and taken to the village hall. On being questioned by Officer Springer and the state police, he gave his name as James Deuhan, but did not tell a coherent story in regard to his residence. He was confined in the cell over night, and while there destroyed a mattress by tearing it to pieces, and broke one of the windows near his cell, by throwing a quart can through it. Wednesday morning his mind had cleared considerably, and on being taken before Justice Phoebe Patterson, charged with malicious destruction of property, he pleaded guilty, and was given a fine of \$25 and costs, or 65 days in the House of Correction. He chose the latter.

PERRINSVILLE

Rev. William Wise preached a very interesting sermon for the men, Sunday, but not many wives brought their husbands. However, a few ventured out and were well paid.

Ed. Holmes and daughter, Beatrice, have been confined to their beds the past week, with the "flu." Also Mrs. Holmes burned her hand and arm badly while tightening the cover on a can of hot water. All have been under the care of Dr. Roy Tupper, and at this writing all are improving.

Callers at Mrs. L. M. Decker's, Sunday, were: Mr. and Mrs. Frank Lee, Mrs. Armitage and daughter, Margaret, of Detroit.

Mrs. Alma Tait called on Mrs. John Kubik, Monday.

Mothers' Day will be observed by Rev. Wise, Sunday. Every mother should be there and children, too.

VANITY CASE A WEAPON

Girl Hits Holdup Man With It and He Shoots Himself.

A woman's vanity case earned its right to be classed as a weapon of defense when dexterous use of one by Miss Millie Congdon of Stockton, Cal., caused a bandit to shoot himself in the leg.

The bandit, Frank Lynons, attempted to hold up Miss Congdon and Edward Epstein, with whom she was riding in an automobile. Lynons and another bandit boarded the machine when a tire blew out. Epstein was ordered to drive to a secluded spot.

Miss Congdon beat off the second robber, standing on the running board with her vanity case. She then brought it down on the wrist of Lynons, who pointed his pistol at her. The weapon was discharged and the bullet entered his leg. He was overpowered by Epstein.

This old, reliable cough syrup promptly helps coughs, colds, croup and whooping cough. Contains no opiates. Children like it. Sold Everywhere in Plymouth.

PROLONG ARMY OFFICERS' LIVES

Surgeons Are Taking Steps Which Promise Good Results.

WILL LOOK FOR INFECTION

Surgeon General Ireland Recommends More Rigid Annual Physical Examinations—In View of the Results Already Achieved He Would Extend Examinations to Officers' Reserve—Insurance Officials and Statisticians Pledge Hearty Co-operation.

Army surgeons are hopeful that a "very appreciable prolongation of life" among regular army officers will result from steps now being taken as a result of the annual physical examination of the commissioned personnel. Under special instructions issued by Surgeon General Ireland, when the January physical examinations began, efforts are being made to locate "definitely any focal infections (abscess, tooth, diseased tonsils, infected sinuses, etc.) or other conditions which may be responsible for chronic degenerative changes."

"The removal of such underlying causes," General Ireland says in a memorandum to Major General Harbord, deputy chief of staff, "may result in return to a normal condition and very appreciable prolongation of life."

Stress Health Preservation. The memorandum points out that the annual examinations were undertaken fourteen years ago primarily with a view to eliminating those officers "found incapacitated," but that of recent years the value of the work toward "health preservation" had been stressed. As a part of this development, "a very thorough investigation of the medical records of all commissioned officers of the army" is in contemplation with the object of detecting correctible abnormal conditions which might have a bearing on life expectancy.

Determination of "the influence of the World war on physique" and also the effect of tropical service in the army on health will be a part of this study, Gen. Ireland adds, and "life expectancy tables for the commissioned personnel" can be prepared on the data obtained.

"Among the results to be anticipated," he continues, "from the practical use of the information so obtained, would be: An actual prolongation of life expectancy for officers of the army, correction of many physical defects, with resulting increase in efficiency, and demonstration of the fact that the average age at death among officers of the army exceeds that in civil life, notwithstanding wars, accidents and service in the tropics." If the latter point be demonstrated it should result in placing army officers in a preferred class for life insurance with lower premium rates.

Insurance officials and statisticians have pledged hearty co-operation in the work outlined.

Physical Survey Work.

General Ireland urges that extension of the physical survey work to the reserve officers corps and to the civilian military training groups personnel each year is an important function of the medical corps. It will, he says, "promulgation throughout the nation of the principles concerned in disease prevention and health preservation." Discussing means of carrying the work on among civilians who turn out for military training he adds:

"In the case of those having correctible abnormalities the parents will be advised as to the nature of the defects and the steps necessary for their correction. From the viewpoint of disease prevention, vaccination against smallpox and the typhoid-paratyphoid fevers will be required and thereby popularized."

"When the organized reserves are more definitely developed," Gen. Ireland's memorandum concludes, "it is my opinion that it will be possible to institute a system of period physical examinations of the reserve commissioned personnel which will very materially influence and accelerate the development of life extension work in civil communities throughout the nation. When that is undertaken it should be stressed that the main purpose is to determine abnormal conditions which are responsible for inefficient or advanced chronic degenerative changes, the correction of which will tend to prolong life."

GUN CLOSE TO BIBLE

Rev. Harry Andrews, negro minister of Rob Roy, Ark., was arrested the other day by Deputy Sheriff J. L. McBurnett on a charge of carrying a pistol and disturbing the peace.

It seems that the reverend gentleman for some time had not been getting along very well with some members of his flock, and recently has had a habit of decorating his pulpit with a "gun" as well as the Bible.

This action on the minister's part was caused by some of his recalcitrant members wanting him to leave the community.

FORD SALES SHOW RAPID INCREASE

RUSH OF ORDERS BOOSTS APRIL OUTPUT TO 101,164.

Ford retail sales showed a rapid increase in volume during March, says a report from the Ford Motor Company, Detroit, and have necessitated the building of 101,164 Ford cars and trucks in April in order to meet the requirements.

This is the largest output of Ford cars ever scheduled for April, being 10,164 above the same month of a year ago. It also marks an early opening of the spring and summer buying and seems to indicate that even more Ford cars and trucks will be sold in 1922 than in 1921, which was a banner year.

Orders for Ford cars and trucks have already exceeded the supply in many parts of the country, and purchasers are finding it necessary to accept deferred delivery. The Ford factory at Detroit is getting into capacity production as fast as possible, with the hope of preventing a similar shortage when the spring-summer rush begins.

Ford dealers throughout the United States are urging Ford customers to place their orders early, and thus prevent the possibility of having to wait for delivery.

As we see it there's more "con" than anything else in these world conferences they've been holding recently.

The meanest man in Plymouth is the one who blames it on the printer because he can't raise vegetables as pretty as the pictures in the seed catalogue.

Whooping Cough

This is a very dangerous disease, particularly to children under five years of age, but when no paregoric, codeine or other opiate is given, is easily cured by giving Chamberlain's Cough Remedy. Most people believe that it must run its course, not knowing that the time is very much shortened, and that there is little danger from the disease when this remedy is given. It has been used in many epidemics of whooping cough, with pronounced success. It is safe and pleasant to take.—Advertisement.

Cadet 920 Silk Hose

WHY ARE CADET LADIES' FULL FASHIONED SILK HOSE THE BEST?

Because—They are finer than any competing silk hose at the same price.

Because—They are neither artificially weighted nor starched to make them appear heavier and thus fool the public.

Because—The Tops are actually fashioned—8 times—shaped in the knitting and not stretched (boarded) into shape.

Because—The Tops are very elastic, actually acting as if they were made of rubber, comfortable yet closely fitting any size limb.

Because—The Tops are made extra strong to successfully resist garter strain.

Because—The ankles are fashioned—25 times—shaped in the knitting, not stretched (boarded) into shape, to closely fit ankles without straining the silk fabric.

Because—High spliced Heels, Heels, Soles and Toes are scientifically reinforced to assure long wear.

Because—Toes are extra strongly reinforced to successfully meet the extra strain on toes in slippers while dancing, etc. This is a unique feature in Cadet Ladies' Full Fashioned Silk Hose.

Because—They are built on NATURE'S lines—from Top to Toe—with just enough elasticity everywhere to fit any size leg closely yet comfortably without strain on fabric.

Because—They wear Best.
