LECTURE COURSE TO OPEN OCTOBER 31

J. COATES LOCKHART AND HIS
SCOTCH LASSIES WILL GIVE
FIRST NUMBER.

The first number of the Citizens
Entertainment Course for the years
1922 and 1923, will be given on
Tuesday evening, October 31, at the
Penniman Allen theatre. The course
will be opened by J. Coates Lock-
hart and his Scotch Lassies, concert
artists and entertainers, in a pro-
gram of classic, humorous and
Scottish numbers.

Mr. Lockhart has a most enviable
reputation as a concert artist in the
United States and Canada. As a
soloist of the Kilties Band, he did a
lot to establish the reputation of
that organization through his splen-
did vocal work and personality.

He has recently returned after an
absence of some years abroad, where
he has been singing with some well
known Opera and Concert Compan-
ies, has just finished an extensive
tour through Canada and the States
from coast to coast for the third
time. Mr. Lockhart had the honor
of singing twice for His Late Ma-
jesty King Edward VII and Queen
Alexandra at Balmoral Castle and
Sandringham House; also the present
King and Queen when Prince and
Princess of Wales, their Royal High-
nesses, the Duke and Duchess of Con-
naught, the King of Greece and Cap-
tain and Lady Scott and many other
eminent people.

Too much cannot be said of those
whom Mr. Lockhart has selected for
his assistants. The very high order
of work which he does himself is a
guarantee that he would be content
with only those who can stand the
real test of the critical audience.

Miss Irene Masters, violinist and
pianist, and Miss Ilene Davidson,
saxophonist and soprano, are excep-
tionally brilliant players, and have
had a long experience in concert
work. They have received very high
commendations by those whose criti-
cism is valued.

Miss Masters is an excellent pianist
and possesses a lyric soprano voice.
Added to her gift as an artist is a
pleasing personality and style which
make her a genuine favorite.

Miss Davidson plays with a charm
and grace which is most pleasing.
She has a sweet plaintive mezzo-
soprano voice, a keen sense of humor
and a very attractive personality.

Miss Mabel Forrester, soprano
soloist and pianist, has a bright, dra-
matic voice, full of richness and tim-
bre well suited to concert work. She
is a musician of recognized ability.

The season tickets for the entire
course of five numbers are only
\$1.50. Student tickets are \$1.00 and
single admission has been placed at
50c. The ticket sale is in charge of
the senior class of the Plymouth
High school. The course promises to
be a very fine one and should be,
as it doubtless will, royally support-
ed by the people of Plymouth and
vicinity.

FRANK BEALS BREAKS HIS LEG

Plymouth friends deeply regret the
serious and painful accident that be-
fell Frank Beals, while spending a
Grand Rapids Savings Bank build-
ing. Mr. Beals fell last Friday in the
Grand Rapids Savings Bank build-
ing, and fractured his limb near his
hip. He was taken to the Blodgett
Memorial hospital in that city, and
Wednesday his limb was placed in a
cast. His relatives and friends there
are looking after him, and every-
thing is being done to make him as
comfortable as possible, and it is
hoped he will make a speedy recovery.
Mrs. Beals will take care of the
business here during his absence.

RED CROSS ROLL CALL

WEEK OF OCTOBER 30 TO NO-
VEMBER 4 SET FOR THIS
GREAT CAMPAIGN IN PLYM-
OUTH.

The dates for the annual Red Cross
Roll Call in Plymouth have been set
for the week of October 30th to Nov.
4th, inclusive. The campaign in
Plymouth will be carried on this year
along the same lines as has been
done in former years. Plymouth has
always been the first to respond in
the county outside of the city, and it
is to be hoped that this splendid
record will be maintained again this
year. Our citizens have responded
nobly to the call of the Red Cross,
and that there will be a general re-
newal of memberships in this great
organization, next week, there is not
a doubt.

Mrs. C. H. Bennett, to whom a
great deal of credit for the success
which has always been attained by
the Plymouth Branch of the Red
Cross in former membership cam-
paigns, has consented to again act
as general chairman.

Booths will be established in several
of the business places as usual, where
memberships can be renewed for
\$1.00. These booths will be open
from 8:30 a. m. to 11:30 a. m., and
from 1:00 p. m. to 5:30 p. m., each
day, commencing Monday, October
30th. The booths will open all the
evening on Saturday, November 4th.

Persons renewing their mem-
berships are requested to display the
flag, which they will receive at the
time of renewing, in the window of
their home, so they will not be so-
licitated again.

Remember, that for every dollar
received by the Red Cross in Wayne
county outside of the city of Detroit,
that \$10 is expended in the county,
outside of the city, by the Red Cross.
This campaign starts in Plymouth,
Monday, October 30th, and ends,
Saturday, November 4th, and \$100
renews your membership.

Anyone who will volunteer to work
at the booths during roll call week
will please call phone 175.

Plymouth, Mich., October 25, 1922.
Resolved by the Board of Directors
of the Plymouth Chamber of Com-
merce that they are in sympathy
with the Red Cross roll call in Ply-
mouth, Michigan, and it is to be hoped
that enrollment of said organization,
to be held in Plymouth from Monday,
October 30th, to Saturday, November
4th, inclusive, may have the loyal
support of the people of Plymouth
and vicinity, as heretofore given.

DEMOCRATIC MEETING SATURDAY, OCTOBER 28

Ex-Governor Woodbridge N. Ferris,
candidate for United States Senator,
and Alva M. Cummins, candidate
for governor, will speak at a Demo-
cratic meeting to be held at the Pen-
niman Allen theatre, Saturday after-
noon, October 28th, at 1:30 o'clock.
Everybody is cordially invited to
come out and hear the political issues
of the day discussed. The ladies are
especially invited.

MASQUERADE PARTY AT LIVONIA

There will be a masquerade party
given by the Livonia Grange school,
at the town hall this (Friday) even-
ing, at 8:00 o'clock. There will be a
candy and popcorn stand and a fish-
pond. Dancing will be one of the
amusements of the evening. Music
will be furnished by the Coaley or-
chestra of Redford. Everybody is
urged to wear a mask and enjoy the
fun. The proceeds are to be used to
furnish play ground equipment for
the school. The cause is worthy of
patronage.

Mr. and Mrs. Pierre Bennett left
Wednesday for a two weeks' trip to
New York and Boston.

CHAMBER OF COM- MERCE BANQUET

ABOUT SEVENTY MEMBERS EN-
JOY SPLENDID DINNER AT
PLYMOUTH HOTEL RESTAU-
RANT, TUESDAY EVENING.

About seventy members of the
Plymouth Chamber of Commerce sat
down to a dinner, arranged for by a
committee of that body, in the Ply-
mouth Hotel Restaurant, Tuesday even-
ing. It was a three-course dinner,
the menu consisting of soup, roast
pork with dressing and gravy, mashed
potatoes, green peas, apple pie a la
mode, the usual "trimmings" and
coffee. The service was very satis-
factory and the genial proprietor of
the restaurant, Mr. Mathewson, al-
most a newcomer here, received many
expressions of gratification.

Dinner over, President George A.
Smith of the Chamber of Commerce,
introduced first, F. R. Johnson, sec-
retary of the Wayne County Red
Cross society. Mr. Johnson outlined
some of the work done by the so-
ciety in the past, and what it hoped
to do in the future. He placed Ply-
mouth in the front rank for good work
done in the county outside of Detroit,
giving high praise to Mrs. C. H.
Bennett, who always took the lead
in this worthy undertaking. He took
occasion to say that some people
seem to believe that this money is
all spent in Detroit, refuting this
idea with the statement that for
every dollar received by the society
outside of Detroit, ten dollars had
been paid back to the country dis-
tricts. He hoped Plymouth would
again be at the top in the drive soon
to be inaugurated.

Dr. C. B. Ford, of the department
of modern languages of Ypsilanti
Normal College, was the next speak-
er. He congratulated Plymouth on
having a Chamber of Commerce, and
spoke of some of the valuable things
to be derived from such an organiza-
tion in the village. But his main
talk was of the experience he and
his family had last summer in a trip
to England, France and Italy. It
was very interesting, and good humor
was maintained when the gentleman
told of some of the funny episodes
that occurred in his travels. Prof.
Ford proved himself a very interest-
ing talker.

IN APPRECIATION

I wish to take this opportunity to
thank the citizens of Plymouth for
their splendid gifts of piano, bible
and lecture to the Detroit House of
Correction Farm, and the personal
gift of the beautiful basket of flowers
to myself, on the afternoon of October
17th. It was a most kindly and
thoughtful action, and one that is
deeply appreciated by both myself
and the officers of the prison farm.

Supt. Detroit House of

What Shall the Harvest Be?

"If we sow to the flesh, we shall of the flesh reap corrup-
tion. But if we sow to the spirit, we shall of the spirit
reap life everlasting."

From the above we naturally conclude, that if we put only cheap, trashy literature, or
light fiction into the Home and consequently into the Mind and Heart, we will reap
a generation of light-headed, fickle, cheap-charactered people.

Sow good, helpful literature, wholesome Books and Magazines, that present high
moral ideals and normal, religious Motives in Life, and we will reap a generation
of strong, virile, capable, whole-souled Men and Women.

Likewise, if we only have Secular literature in the home, we will have a generation of
secular and worldly-minded Folks.

But put along with this, plenty of Religious Literature: the Bible, Sunday-school and
other Religious Publications of the various churches and publishing houses, in-
cluding your own Church Weekly; and reap a generation of normal, wholesome, Reli-
gious-minded Folks.

A DIFFICULT TASK

There are still a lot of things an editor can't understand, and one of them is why some people will call him on a legal holiday or out of bed at night to give him an earful of scandal, or to tell him a report they heard about somebody's shortcomings and insist that he publish it in bold black and white, while the informant would not for the world sign their own name to such an article. They want the editor to be the goat at all times. And these same people whenever a relative dies expect the editor to write an obituary, oh, so sweet and nice—probably going on the theory that it will serve as an entrance credential to be presented to St. Peter when the departed has rapped at the pearly gates. We have sometimes thought that the editor who can run a good paper, make both ends meet, and get along smoothly with all mankind and womankind, is fit for any job, no matter how big it is. And we don't think we'll ever have occasion to change our opinion.

LOOK AT THIS, BOYS.

Recently a New York reporter interviewed the business men in several blocks in that city. He found that seventy per cent of them were born on farms or in small towns—exclusive of those who were foreign born. That ought to make the average Plymouth boy sit up and take notice. It ought to spur him on to better work in the school room, for business conditions are not going to change much in the years to come. The business of this country will be in the hands of the men who were born and reared in small towns or on the farms, where they had opportunities the city-bred boy knows nothing of. There is a more encouraging atmosphere in these places than where there is push and scramble, and people are so herded together that they haven't the time, and seldom the inclination to reach down and lend a boy a helping hand. Think it over boys—think hard. And then ask yourself if it isn't good.

ing to be best for you to stay right here at home with your studies until you, too, have reached the point where you can become one of those seventy per cent who are running business affairs in our big cities.

A NOSE FOR NEWS

Not everyone has a nose for news. In fact, if we started out to count noses in Plymouth today, we feel sure we'd find very few that could actually "scent" a news item, unless it was of tremendous importance. And yet every day something is occurring in your home or your neighborhood that is actual news. The comings and goings of yourself and your neighbor; unusual crop harvests; stock or farm product sales above the market figure—all that is of interest to someone. It may appear small on the surface, yet of such things are readable newspapers made. We can't be everywhere at the same time, and we can't hear all of the things that are going on that should be in the paper. That is why we'd like to have you—and your neighbor—train your noses for news, and send us or bring us or telephone us items which you feel we haven't heard. It all goes to make up your home-town paper, and your home-town paper goes a long way toward reflecting the hustle and progress of the community in which it is published.

BUILDER OR DESTROYER

Bickering, fault finding and back biting will retard the growth of any town. There can be no real prosperity where these are uppermost in the minds of a considerable portion of the population. Consideration and energetic cooperation will materially advance the interests of any community. These form the ground-work of all great municipalities.

Natural advantages have much to do with future success, but natural advantages alone will not suffice. Co-operation is an essential element, but it never marches side by side with bickering and fault finding. The latter are destroyers—not builders.

Possibly we are not over burdened by the destroying element in this community, but such as we have is entirely too much.

Community advancement means personal security to the individual, and this is best achieved through energetic and persistent co-operation. Builder, or Destroyer—which are you?

Some People

hold the idea that you have to have a fortune in order to buy a home in Plymouth. Maybe it is the exception that proves the rule, but that five-room house for \$1500 is certainly an exceptional bargain, especially when you realize that there are two lots with it, and that we will consider most any reasonable down payment.

What if it isn't as fancy as some of the Penniman avenue homes, it would be better than paying rent. Get busy before the other fellow beats you to it.

EPISCOPAL NOTES

The wienie supper given at the tourists' camp park on the flats, last week, was a great success. The next gathering of the church-school children will be at the home of Mrs. George Wilcox, corner of Penniman avenue and union street, next week. The exact day and time will be given out next Sunday.

The special social, which was given last week at the home of Mrs. Annie Henderson was largely attended by members and friends of the Ladies' Guild. The room was tastefully decorated with red, white and blue festoons and everybody reported a good time.

Arrangements are being concluded for holding our parish conference. As far as Mr. Gibson knows at present the date will be Sunday, November 26th. This conference will last all day, and a special speaker will come from Detroit and have charge of the conference. These conferences are being held during October and November in practically every Episcopal church and parish in the United States. The speaker will speak of the plans which have been made to extend the work of the church in Michigan during the coming year. In addition he will discuss the work of the church among the Negroes, Indians, mountaineers of the south and other groups. He will explain the foreign mission program, which the church is carrying on in China, Japan, Liberia, South America, Philippines, Hawaii, Porto Rico, Mexico and other parts of the world. We understand that these interesting addresses will be illustrated by lantern slides. The date and further particulars of the conference will be issued later, when arrangements are finally completed.

This week the members of the Ladies' Guild will meet with Miss Emma Oliver, at the home of Mrs. Winfield Burch on South Main street, and we hope there will be a full attendance.

A Remarkable Record

Chamberlain's Cough Remedy has a remarkable record. It has been in use for colds, croup and whooping cough for almost half a century and has constantly grown in favor and popularity as its good qualities became better known. It is the standard and main reliance for these diseases in thousands of homes. The facts that it can always be depended upon and safe and pleasant to take are greatly in its favor when it is wanted for children.—Advertisement.

PRESBYTERIAN NOTES

The Daisy Class entertainment was well attended and much enjoyed.

One of the best social occasions of recent years, was held last Monday night, under the auspices of the Ready Service Class. After a most enjoyable pot-luck supper to which some five score sat down, little Barbara Hubble recited. Then followed readings by Mrs. Martin Stringer, a solo by Calvin Whipple and an address by Rev. Ralph MacClay Crissman, D. D., pastor of the Highland Park Presbyterian church. His subject was, "The Golden Age of To-day."

The Ladies Auxiliary are preparing to send a barrel of clothing to the missionaries. Articles available for this purpose may be brought to the homes of Mrs. Martin Stringer and Mrs. Charles Roberts. Or they will be called for when requested.

The public is invited to attend the play to be given Wednesday afternoon, Nov. 1st, at three-fifteen. A silver offering will be taken.

Miss Ruth G. Payne desires to meet the young people's choir Sunday afternoon, at two-thirty. The senior choir will practice at nine o'clock.

Alton Trumbull, president of the Senior Y. P. S. C. E., desires a very full attendance at the meeting next Sunday night, as matters of importance are to be discussed.

BEECH

The ghosts and goblins of the Willing Workers society will serve an old-fashioned supper at the church, Tuesday evening, October 31, (Halloween) from 6:30 to 8:30 o'clock. Come and let the girls serve you a meal "like mother used to make." Adults, 30c; children, 20c.

The rally day exercises held at the church, last Sunday was well attended and the children did their part fine; also the several hymns by the choir were thoroughly enjoyed by all present.

Next Sunday we are to have special music on violin and piano, by Mrs. Wise's brother and sister from Detroit. It is hoped we can have a good crowd out to hear these talented young people. Show them that we enjoy their coming out to help us in the good work trying to be done here. Everyone come for this Sunday.

The annual bazaar—a chicken-pie supper at this place, will be held Saturday evening, November 25th. The menu will appear later. Try and keep this date open for this event.

NEWBURG

The church was filled last Sabbath, the occasion being the Sunday-school rally. Miss Iva Bassett had charge of the program, and Leona Joy presided at the piano. The children acquitted themselves nicely. Miss Lawton with her pupils from the Perrinsville day school were trained to perfection. The beautiful christian sentiment expressed in the singing, marches and speaking was as good as a sermon. Rev. Wise gave a talk on "The Essentials of Character Building." There is no reason why there shouldn't be a large attendance in Sunday-school, this winter. Everyone invite someone else to attend.

To Gain a Good Reputation

The way to gain a good reputation is to endeavor to be what you appear. That is precisely the manner in which Chamberlain's Cough Remedy has gained its reputation as a cure for coughs, colds, croup and whooping cough. Every bottle that has ever been put out by the manufacturers has been fully up to the high standard of excellence claimed for it. People have found that it can be depended upon for the relief and cure of these ailments and that it is pleasant and safe to take.—Advertisement.

FORD REDUCES PRICES

According to a statement just issued by Edsel B. Ford, president of the Ford Motor Company, Detroit, a general reduction of \$60.00 a car has been made in the prices of Ford Model T cars and Ford one-ton truck, effective October 17th.

"The reduction in prices," said Mr. Ford, "is the result of the increased volume of business which our company has enjoyed during the present year, and also to the fact that we now own and operate many of our own sources of raw material, which enables us to continue increasing the quality of our product, and at the same time keep the price so low that Ford cars are in reach of everybody."

"Our production for 1922 is upward in excess of a million, which has been an important factor in bringing down costs. Our present daily output is averaging better than 5,000 cars and trucks, which means a complete Ford car or truck every 5 1/2 seconds of every eight-hour working day. It is in anticipation of this continued demand that price adjustments are again being made in order to keep in effect the policy of selling Ford products at the lowest price consistent with quality."

"Quality, as usual," said Mr. Ford, "will continue to be a prime consideration in the building of Ford cars. As our business has increased, we have constantly increased our equipment and manufacturing facilities, so that this price reduction merely reflects the progressive methods which come as a result of increased volume."

"This reduction, which is the sixth since March, 1920, brings the price of the Ford touring car from \$575, the price in effect early in 1920, to the present extremely low level of \$298, which is nearly 50 per cent less. Corresponding reductions have been made on all other types."

The new prices by types follows: Touring, \$298; roadster, \$269; chassis, \$235; Coupe, \$530; Sedan, \$595; truck, \$380.
