EBEN ASHTON SHOT AND KILLED AT LIVONIA FARM

Eben Ashton, 48 years old, who resided on Ann street in this village, was shot and killed Tuesday forenoon, by Guy McMillan, who resides on the Ashton farm, just east of Newburg. The trouble, which resulted in the shooting arose over the division of the hay crop, according to McMillan, who is being held in the county jail charged with murder. McMillan has been working the Ashton farm on shares. On the morning of the shooting, hay balers were at the farm baling Ashton's share of the hay. It was during the progress of the work, it seems, that the trouble about the division of the hay crop came up. McMillan went to the farm house nearby, and returning with a shot gun, fired it point blank at Ashton, the charge striking him in the breast. Alfred Bakewell, Ashton's son-in-law, who was present, placed Ashton in his motor car to take him home, but Ashton died on the way. Local officers were notified of the shooting, and Deputy Sheriff Springer, accompanied by Officer Leroy Reiman, went to the farm, where McMillan was placed under arrest, and later taken to the county jail. McMillan made no attempt to resist arrest.

At the prosecutor's office, McMillan said he had not intended to kill Ashton, wishing merely to threaten him. Justice W. G. Jennings empaneled a jury, who, after viewing the remains, adjourned until seven o'clock that evening. After hearing several witnesses at that time, the jury rendered a verdict that Ashton came to his death from a gun shot wound, said gun being in the hands of Guy McMillan, being the weapon which caused Eben Ashton's death. It is said McMillan borrowed a gun from a neighbor the morning of the tragedy, evidently with a purpose. There had been trouble between the two men for some time, over the settlement of their personal affairs. McMillan has a wife and two small children.

Mr. Ashton purchased a home on Ann street about two years ago, and moved his family to the village. He leaves a wife and four children. The funeral services will be held this (Friday) afternoon at 2:00 o'clock from Schrader Bros' funeral home, Rev. S. Conger Hathaway officiating. Interment in Riverside cemetery. The tragedy, which caused Mr. Ashton's untimely death, has cast a gloom over the whole community, and the sorrow stricken family have the sympathy of all.

Mr. Ashton was a member of Plymouth Rock Lodge, No. 47, E. & A. M., and Northville Chapter, R. A. M., also the First Presbyterian church of Plymouth. The local Masons will have charge of the services at the grave.

Mrs. Louis Hillmer and daughter, Rose, visited relatives in Detroit, over Sunday.

PROMINENT LIVONIA MAN KILLED BY TRAIN

John Bentley, aged 72 years, for many years a well known and respected resident of Livonia township, was instantly killed at Elm, early Wednesday morning. Mr. Bentley had been serving on jury in Detroit for several weeks, and this was his last morning to go into the city. The train had been signaled to stop at Elm station, but on account of the dense fog that morning, the signal was unseen until too late to stop at the regular stopping place, and the train ran a short distance past the station. Mr. Bentley, hurrying to catch the train, crossed the track in front of the approaching engine, and was instantly killed. He leaves two sons, George and Clyde, and three grandchildren, all of Elm, also other more distant relatives and friends. The funeral services will be held Saturday afternoon at 2:00 o'clock, at the home of his son, George N. Bentley, interment at Riverside cemetery. Obituary next week.

MRS. ALBERT GATES DIES SUDDENLY

Plymouth friends were shocked to hear of the sudden death of Mrs. Albert Gates of this place, who died at her home on York street, Monday afternoon, at one-thirty o'clock, after only a few hours illness. Mrs. Gates was in her usual good health and the family were preparing to move into their new home in about two weeks. Sunday evening, she suffered a stroke of paralysis, from which she never regained consciousness, passing away early Monday afternoon. She is survived by her husband and three children, Aubrey, Mildred and Lloyd, all of whom resided with their parents. The deceased was a member of the Plymouth Chapter, Order of the Eastern Star and also a member of the Pythian Sisters. The funeral services were held from Schrader Bros. Funeral Home, Thursday afternoon, at two o'clock, Rev. Hathaway officiating. Burial in Riverside cemetery. The bereaved family has the deep sympathy of a host of friends in their affliction. Mary Elizabeth Rowe was born at Erie, Colorado, August 19, 1874. On December 19, 1899, she was married to Albert A. Gates, at Greeley, Colorado. Four children were born to this union, one having died in infancy.

THE RED CROSS CAMPAIGN

The Red Cross Roll Call membership campaign has been in progress this week in Plymouth, and many of our citizens have renewed their memberships. Remember the campaign closes Saturday night, and it is urged that everybody, who has not already done so, join the Red Cross before that time. It only costs a dollar to become a member of this great organization. Plymouth has always gone over the top in former campaigns, help put her over again this year. The work at Waterford is in charge of Mrs. Fred Jackson, while Mrs. George Bentley has had charge of the work at Elm.

FERRIS AND CUMMINS SPOKE HERE SATURDAY

A good-sized crowd heard ex-Governor Woodbridge N. Ferris, candidate for United States senator, and Aaa M. Cummins, candidate for governor on the Democrat ticket, discuss the political issues of the day, at the Penniman Allen theater, last Saturday afternoon. Dr. J. H. Kimble presided over the meeting. The Millard band furnished music for the occasion. The speakers were entertained at dinner at the Plymouth Hotel Restaurant, by the local Democrat committee and other leading Democrats of the village, preceding the speaking.

Does Prohibition Prohibit?

Mr. Gifford Gordon of Victoria, Australia, recently spent nearly a year in this country investigating results of Prohibition before an anti-liquor Campaign should be begun in his own country. Below is stated the results of his personal investigations:

He traveled 25,000 miles, visiting almost every large city, many smaller cities, and many rural communities. He talked with employers of labor, labor leaders, criminologists, doctors, alienists, national, state and city officials. He read the newspapers and magazines. He omitted no source of information. He says: "PROHIBITION IN AMERICA HAS SUCCEEDED."

Judge Gemmill of Chicago, states: "20 per cent of the jails have been without prisoners since prohibition went into effect; and in 80 per cent of them the number of prisoners has been reduced anywhere from 15 per cent to 80 per cent." In Detroit, there was a decrease of over 10,000 cases of drunkenness in one year after Prohibition went into effect.

THEY'LL LEARN LATER ON

Nothing disgusts a sensible person more than to hear some young upstart deploring the fact that he or she is a resident of a town the size of Plymouth, and longing for broader fields, "where everybody doesn't know everybody's business." We've heard the remark more than once, and each time it has grated on our ears. Because we know about life in the congested cities of this country, and we know how much more enjoyable is life in the smaller towns and in the rural sections.

Very shortly after reaching the big city, "where everybody doesn't know everybody's business," there comes to the town-bred boy or girl the longing for a smile of recognition, a nod of the head or a cheery "hello," from someone who really has an interest in them. Possibly a little spell of sickness is encountered. Then they note the absence of the kindly neighbors and the touch of parental hands that are better than medicine. Very often, too, finances get low. There is no need in seeking credit. Strangers always remain strangers in the big city, and credit is only for those who can show a bank account. "Charge it to father" doesn't mean anything to the big city merchant, whose acquaintance doesn't take in more than one father, and that one his own. We live to learn, and that's the only consolation we have when we hear a boy or girl yearning for the life of a big city. They'll learn later on, and generally through experience, that when it comes to actual happiness the farm home or the small town stands first and always will.

WOMAN'S CLUB ENTERTAINS TEACHERS

The annual reception to the teachers of the Plymouth schools by the Woman's Club, which was held in the Presbyterian church, Friday evening, was a most successful affair, both in large numbers and great inspiration. The teachers were made to feel that Plymouth has a warm heart and a hearty grip, and to realize that their responsibilities for a better community were enormous when they held the love and faith of so many young hearts. Members and friends were reminded to co-operate with the teachers and think more seriously of the welfare of our little citizens that they be kept physically and mentally clean, both in school and home and between times. Inspiring ideas were presented in various ways from the many talented sources.

Mrs. F. D. Schrader, in behalf of the Woman's Club, heartily welcomed the teachers, encouraged them in their work, and pledged their support in every way.

APPRECIATION

October 25, 1922.

Mr. John Henderson, Village President, Plymouth, Mich.

Dear Sir:

On behalf of the Board of Commissioners of the Detroit House of Correction, I desire to express to you our thanks for the large number of courtesies extended to the House of Correction on October 17th, 1922, when we had as our guests at the House of Correction Farm, the delegates to the American Prison Congress. We are highly gratified that there is such a cordial feeling on the part of the citizens toward the personnel of our force, located at the Farm, near Plymouth.

We were very much pleased to welcome such a large number of business men and prominent citizens, and to receive from them expressions of their cordiality in the substantial and useful gifts presented to the Farm on that occasion.

When a community of prominence and importance, such as you represent, is willing of its own accord to close business houses, and take a general interest in a movement for the correction of men who have fallen into crime, and who need the assistance of the stronger members of society to help them up, the influence cannot be but of the best.

Respectfully yours,
H. S. MORGAN,
President,
Board of Commissioners

The reason the radio will never take the place of our daily newspapers is radio can't picture a girl in a bathing suit.

Some People

hold the idea that you have to have a fortune in order to buy a home in Plymouth. Maybe it is the exception that proves the rule, but that five-room house for \$1500 is certainly an exceptional bargain, especially when you realize that there are two lots with it, and that we will consider most any reasonable down payment.

What if it isn't as fancy as some of the Penniman avenue homes, it would be better than paying rent. Get busy before the other fellow beats you to it.

LILY CLUB HAVE PLEASANT EVENING
On the evening of October 30, the Lily Club met at the pleasant home of Mr. and Mrs. William Grammel. The house was prettily decorated in the season's colors. Black and yellow crepe paper festooned all ways from the center of each room, and beautiful oak branches hanging on the sidewalls, while in one corner was represented a shock of corn around a dish of apples. The black cat was everywhere present. The guests were ushered from the cars to the dressing room by two of the white robes, and then to the reception in the genial hospitality of the host and hostess. Several were dressed in costume, making the whole effect very pleasing. After a short business session, progressive pedro was indulged in until a late hour, when refreshments were announced. Mrs. Rodman and Mr. Matis carried off the honors, consolations falling to Mrs. Ed. Smith and Ed. Quackenbush. On departing, all felt they had had a delightful evening, though a feeling of deep sympathy went out to those of our number in bereavement.

The population of the world is now computed at 1,702,000,000, and we suppose most of them are grumpy at breakfast time.
Every Plymouth wife should remember that if her husband was as good as she thinks he ought to be, she'd have to call a doctor to treat her for nervous prostration.

SCHOOL NOTES

Walter Taylor of the first grade, pleasantly entertained his class mates at a party given at his home, Monday after school.

Cecil Parker of the sixth grade, is ill.

The boys and girls of the sixth grade, have been having a contest this past week. The object was to see which would have the least absent marks. The boys won by quite a majority, totaling thirteen half-days, while the girls totaled thirty-one half days of absence.

The following children were either absent nor tardy during the month of October, from the second B grade: Melvin Blunk, Roberta Chappel, Phila Ferguson, Winifred Holcomb, Lucille Ruthuff. From the first A were: Alfred Gates, Donald Potter, George Straub, Margaret Stoneburner, Margaret Mault.

Lewis Sherman returned to the sixth grade, Monday morning, after a six weeks' absence.

The box social given by the Juniors, Friday evening, was a success. A large crowd gathered at 7:30. The auditorium was tastefully decorated with Hallowe'en colors, cornstalks and leaves. Games were played and several pleasing recitations were given by Alta Hamill. The boxes were auctioned by James Hickey, who was sure born to be an auctioneer. Sandwiches and cider were sold, the sandwiches for those who did not have boxes.

Much enthusiasm is being shown by the boys in the manual training classes in the making of Christmas toys for the children at the Tuberculosis sanatorium.

A tenth grade class masquerade party was held in the auditorium, Wednesday evening. A prize was given for the prettiest costume.

Sections 1 and 2 of girls' physical training played a soccer game, last week, section 2 winning by a score of 2 to 0. The week before sections 2 and 3 played, section 2 winning. This week sections 1 and 2 will play and the winners of the game will play section 2 for championship.

Pupils who have not been absent nor tardy since the beginning of the school year from the fourth B grade are: Camilla Ashton, Georgiana Britcher, Ardeh Connell, Doris Dietrich, Evelyn Drews, Carl Holtz, Emma Myers, Homer Scheyre, Doris Williams. From the third A are: Joseph Ribar, Margaret Myers, Steven Harvath.

The manager of the Portland Cement Company, gave a lecture to the Aggie Club, Tuesday noon.

will be held in Plymouth on the 26th of November. A Parish Conference Committee has been formed consisting of A. J. Lapham, Sidney D. Strong, Dr. W. G. Jennings, A. J. E. Torre, Mrs. George Wilcox and Mrs. D. P. Murphy, with the Ven. Archdeacon, J. G. Widdifield and Franklin L. Gibson as leaders. The purpose of these conferences is to strengthen the forward movement of the church, and to make plans for the purpose of extending the work of the church in Michigan. The committee will carry out an Every Member canvass in the community in an effort to re-awaken interest in the work of the church. The first meeting of the conference committee will take place in the church this week.

The church school was well attended last Sunday, and Mrs. Murphy, the superintendent, expresses her pleasure at the progress the school is making. We were pleased also to welcome Dr. W. G. Jennings, who will take the class of elder boys.

Confirmation classes are now being formed as the Bishop will make his annual visitation to Plymouth early in December, it is requested that those desirous of being confirmed, will send in their names or be present at one of the following classes:

For children, every Thursday afternoon, 4:00 to 5:00.

For adults, every Thursday evening, 6:30 to 7:30.

Commencing next Sunday, the church hymnals will come into use again at the morning service instead of the mission hymn books. The church hymnal contains 650 of the finest hymns and best tunes composed. The mission hymn books will probably be used for special occasions and the church school.

There was a very large gathering of the Ladies Guild and their friends, last week, when they met with Miss Emma Oliver. During the meeting little Miss Carol Birch very pleasingly recited an appropriate poem, entitled, "America for Me." This was much enjoyed by all present. The Guild is now planning details for a bazaar which is to be given shortly. The next meeting of the Ladies Guild will be at the home of Mrs. Wilcox, next Wednesday, Nov. 8th, at 2:00 o'clock, and every member is asked to be present.

Mrs. George Wilcox will entertain the members of the church school next Friday evening, at 7:00 o'clock, at her home on Penniman avenue. Every pupil is asked to be present, and a good time is promised.

EPISCOPAL NOTES

Although there was a large congregation present at last Sunday morning's service, there were some absent who certainly missed the very fine and helpful address given by Mr. Gibson, the missioner, who took his text from St. Luke 9:45, "And they were all amazed at the mighty power of God."

NEWBURG

There was a very good attendance at church, last Sabbath, Rev. Wise preaching from St. Luke 13:18. The theme was, "The Love of Money." Mr. Wise's sister and brother helped to make the service an impressive one by their assistance in the music.

Everyone is urged to attend Sunday-school and Epworth League.

The L. A. S. will hold their regular meeting at their hall, next Wednesday, November 8th. Dinner will be served at noon. Everyone most cordially invited, especially the men, as a good 25c dinner will be served. There are several nice comforters left from the bazaar for sale.

Several from here attended the M. E. bazaar and supper at Plymouth, Friday night; also a number went to Ferrisville, Saturday night, for the same purpose. A big crowd and fine supper at both places.

Mrs. M. Clemens, Ryder and Gunsolly attended the W. C. T. U. meeting at Mrs. Phoebe Patterson's, last Thursday afternoon. They had the pleasure of listening to an instructive talk, which pertained to the coming election.

This community is greatly agitated over the tragedy that occurred here, Tuesday morning. The innocent parties have the sympathy of the neighborhood in their great trouble.

Mrs. L. Clemens spent two days last week in Detroit, visiting her sister, Mrs. E. Matherson.

Mark Joy has moved his family from Plymouth road into their house at Newburg for the winter.

Mr. and Mrs. Edgar Cochran and family have moved into their new house just beyond the old Pickett place.

Mrs. M. Eva Smith returned to her home, Sunday, after a two weeks' stay with her daughter, Mrs. Donald Ryder.

Leigh Ryder left last Saturday for a two weeks' hunting trip up on Lake Vanette. He went in company of Mr. and Mrs. George Henry of South Lyon. Miss Beulah Ryder also accompanied them, and will visit Mr. and Mrs. Arthur LeVan.

Ike Gunsolly was run into as he was crossing Warren avenue, last Saturday morning, when he was returning from Wayne. The trailer that was attached to his machine, was wrecked.

Mr. Shields is very poorly at this time. He has been unable to lie down for the past week.

Miss Sthorston of Marlette, spent over Sunday with Miss Beatrice Davey.

Mrs. Newbaugh, who has been staying at the home of Mr. and Mrs. I. Gunsolly for the past four weeks, passed away Tuesday afternoon, at five o'clock.

The Epworth League Hallowe'en party, held at Floyd Bassett's Tuesday evening, was a great success. There was a large crowd and lots of fun.

A Timely Suggestion

This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is almost sure to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the first indication of a cold appears, and before it has become settled in the system. There is no danger in giving it to children as it contains no opium or other harmful drug.—Advertisement.

RODENTS CAUSE BIG FRUIT TREE DAMAGE

MICE AND RABBITS GNAW BARK OF YOUNG TREES, UNLESS WINTER PROTECTION IS GIVEN, SAYS M. A. C.

That mice and rabbits are often the cause of serious damage to young fruit trees, gnawing the bark to such an extent that the trees die or become greatly weakened, is the warning sent out by Prof. R. E. Lorse, of the Michigan Agricultural College horticultural department.

While some trees which are girdled in this way can be saved by properly done bridge grafting early in the spring before growth starts, the injury with many is beneath the ground and of such a nature that it is not practical attempts to save them.

The only safe course is to protect the trunks of young trees during the late fall and winter months when there is any possibility of injury from mice and rabbits.

"Galvanized wire screen, three or four meshes to the inch, is recommended for this purpose by the M. A. C. horticultural department," says Professor Lorse. "Protectors made from this material are expensive, but they will last for several years and they do not need to be removed. Wood veneer and building paper may be used successfully, but such protectors must be removed each spring, and replaced in the fall. Heavy wrapping paper or even newspapers, when well bound around the trunks of the young trees, will give protection for a season."

"As an extra precaution, grass and weeds should be kept from growing near trees, and all trash which will serve as a nesting place for mice should be cleared away from the trunks in the fall, for a distance of a foot or more in each direction.

"Mounding with soil to a height of about six inches around the base of the trees is sometimes practiced to prevent rodent injury, and is often an advantage. The mounds should be removed in the spring."

VOTE NOVEMBER 7 for the re-election of United States Senator Charles E. Townsend, Governor Alex J. Groesbeck and the whole Republican Ticket.

SENATOR TOWNSEND is opposed to the U. S. entering the League of Nations. Were we in the League today the blood of American boys would be staining the sands of Asia Minor in a war that would serve only the selfish interests of Europe.

SENATOR TOWNSEND is the National Leader of the Great St. Lawrence Waterway Project, which will give lake ports direct access to the sea. He is the National Good Roads Leader, sponsor of Welfare Laws Governing Child Labor and Virile Worker for all Real Progressive Legislation.

In voting for Townsend you vote for America's best interests.

GOVERNOR GROESBECK is giving Michigan an efficient, economical, able administration. In the past year he and the State Administrative Board have saved the State \$1,839,617.63 in expenses. The general tax levy for 1922 is \$3,140,489.85 less than that of 1921, and the lowest since 1918. Even greater accomplishments are expected next year.

The tea meeting which was held at the home of Mrs. Phoebe Patterson, on October 28th, was a splendid success in every way. First, because it was such a beautiful day there was a large attendance; next, because the speaker, Mr. Levett, gave a very interesting talk mainly on the importance of voting at the primary election, do not stay at home, neglect to vote, then rave because the election does not turn out the way you want it to. Go to the primaries and vote. And last but not least, a splendid tea was served that was more like a dinner and was much enjoyed as was the social hour which accompanied it.

The next meeting will be at the home of Mrs. C. G. Draper on Nov. 28th, and should be a very pleasant meeting as we are going to depart a little from the usual routine and have something new, that date being the birthday of Mrs. Floyd Hillman, one of our members, it will be turned into a birthday party for the Union, and each one is expected to come and bring as many pennies as they are years old. In that way there should be considerable amusement furnished, at the same time adding to our finances. So don't forget the date, come and bring your pennies. The program will be in charge of the Misses Pelham.

PRESBYTERIAN NOTES

PLYMOUTH HIGH WINS 21-0

DEFEATS FORD CITY ON LOCAL GROUNDS.

The second home game of the season was played with Ford City, Friday, on the High school athletic field. The "Rocks" registered their third victory in five starts. In the five games, Plymouth has scored seventy-two points to their opponents forty-eight.

As a result of injuries, several changes were made in the line-up against Ford City. Sayles and Williams were on the side lines, but are expected back for the Dearborn game, Wednesday.

The first score of the game came when Plymouth blocked a Ford City punt, which resulted in a safety, giving the "Rocks" two points. During the remainder of the game, the "Rocks" succeeded in making three touchdowns by the aerial route. Only one try for point was successful, making the final score 21-0.

The spirit of the blue and white appeared much better in this game than for some time past. They showed the red foot ball fight and are out to give any team a battle that beats them.

The crowd was small, Friday, and as a result very little enthusiasm was shown. The team needs the combined support of the entire town and student body. It is hoped that the community will realize their responsibility and be present at the next game with Dearborn, on our field, Friday, November 10th, at 3:45 o'clock. The team is out for revenge for the 7-0 defeat received from Farmington last year, on a snow-covered field.

Line-up: Holmes, l. e.; Wilson, r. g.; Kenyon, l. h.; Richwine, l. t.; Strasen, r. f.; Millard, f.; Reiman, l. g.; Stevens, r. g.; Mitchell, r. h.; Gates, c.; Capt. Bartlett, q. b.
Substitutions: Birch, Hickey, Seger.
"Four Square League" Standings:

Team	Won	Lost	Pct.
Plymouth	1	0	1000
Dearborn	2	0	1000
Redford	2	1	666
Wayne	1	1	500
Farmington	1	2	333
Northville	1	2	333

Results of the above games are as follows:

Dearborn, 26; Redford, 6.
Farmington, 7; Northville, 1.
Dearborn, 20; Wayne, 0.
Wayne, 27; Farmington, 0.
Redford, 13; Northville, 12.
Redford, 27; Farmington, 13.
Plymouth, 20; Northville, 0.

Miss Louise Rorabacher spent the week-end at home.

Don't forget the social this week-end.

BAPTIST NOTES

The male quartette gave the special number Sunday morning, and all enjoyed the music.

Mrs. Grainger, who has always been one of the choir, was taken to Harper hospital last Wednesday afternoon, where she underwent a serious operation. She is improving and hopeful today. We missed her in the service last Sunday, for she is always in her place.

Wayne Association will hold a ministers' conference in Plymouth, November 27 and 28. All the ministers are planning to be here. The church will entertain.

The special mention for the week is the coming next Sunday, of Rev. Horace F. Sayles of Chicago, to begin a series of revival meetings. For forty years Mr. Sayles has been engaged in this special work, and has been used of God in winning many to Christ. The opening service is always by pictures from the Life of Christ. The pictures and songs are thrown on the screen for about a half hour. Mr. Sayles has some of the best pictures and a splendid stereopticon. We want every one to come every night for the next two weeks.

RURAL CARRIER EXAMINATION

The United States Civil Service Commission has announced an examination to be held at Plymouth, Mich., on Nov. 25, 1922, to fill the position of rural carrier at Romulus, and vacancies that may later occur on rural routes from that post office. The salary of a rural carrier on a standard daily wagon route of 24 miles is \$1,200 per annum, with an additional \$30 per mile per annum for each mile or major fraction thereof in excess of 24 miles. The salary on motor routes ranges from \$2,450 to \$2,600 per annum, according to length. Separate examinations for motor routes and wagon routes are no longer held. Appointments to both positions will be made from the same register. The examination will be open to citizens who are actually domiciled in the territory of the post office where the vacancy exists, and who meet the other requirements set forth in Form 1977. Rose Hawthorne, Sec'y Local Board.

How Not to Take Cold

Some persons are subject to frequent colds, while others seldom, if ever, have a cold. You will find that the latter take good care of themselves. They take a shower or a cold sponge bath every day in a warm room, avoid overheated rooms, sleep with a window open or partly open, avoid excesses, over eating, becoming over heated and then chilled and getting the feet wet. Then, when they feel the first indication of a cold, they take Chamberlain's Cough Remedy without delay and it is soon over.—Advertisement.

Mrs. Wm. Smitherman was called to Detroit last week, on account of sudden death of her niece's husband, Robert Lee Fleming, who was killed on Warren avenue last week Tuesday, by an interurban freight car, while crossing the track in a delivery car.

Mr. and Mrs. F. I. Packard of Fargo, North Dakota, and daughter and husband, Mr. and Mrs. Leo W. Smith and daughter, Barbara, of Detroit, were guests of Mrs. Louisa B. Packard and Mr. and Mrs. Charles Bovee at their home on Church street, last week.

Mrs. Kate Harmon is spending a few days in Ann Arbor, and the latter part of the week will go to Battle Creek for a few weeks' stay with her sister, Mrs. Martha Berdan, before leaving for Watertown, South Dakota, where she will spend the winter with her son, Theron, and family.

The opening number of the Citizen's Entertainment Course was given in the Penniman Allen theatre, last Tuesday evening, when the J. Coates Lockhart Company presented a pleasing entertainment. Several Scotch numbers were rendered in costume, also classic and humorous selections. Miss Ilene Davidson, saxophonist, played exceedingly well, and the pianist of the company played two fine piano selections. Although the theatre was not filled, it was an appreciative audience, and from the expression of those present, the concert was well received. The second number will be given Friday evening, December 1st.

Does Watch Keep Good Time?

If it does not you should have it attended to

To get good time from any watch it should have all the old oil and dirt cleaned out and then oiled with good fresh watch oil, every 18 months.

If you should drop your watch have it examined—if a jewel should be cracked it will wear the pivot and cause more expense when you finally have to have it looked after. Get an estimate of the cost of the repairs before leaving your watch, it may save considerable hard feelings to all concerned.

We use genuine material, and guarantee all our work for one year. Give us a trial.

INTERNATIONAL EGG CONTEST AT M. A. C.

MOST NOTED POULTRY BREEDERS IN THE WORLD ENTER PENS FOR EVENT STARTING NOVEMBER 1ST.

With pens entered from several foreign countries, as well as from many of the states in America, the first Michigan Agricultural College International Egg Laying Contest got under way at East Lansing this week. The contest will run from November 1, 1922, until November 1, 1923.

Some of the most famous poultry breeders in the world have entered their best stock for the competition, according to Prof. E. C. Foreman, head of the M. A. C. poultry department, who is in charge of the contest. The result is that high records are expected to be made during the event, which will be one of the biggest of its kind ever held.

One hundred pens, all told, are entered with birds from most of the popular breeds represented. Included in the list of breeds are: Leghorns, Rocks, Reds, Wyandottes, Orpingtons and others.

Six new poultry houses, constructed at the college for the express purpose of housing the contest entries, were completed last week in time for the incoming birds.

"Laying contests are popular now in all sections of the country and are the only medium the utility poultryman has for getting official record on his stock," says Professor Foreman.

"Records will also be available on all the interesting economic problems, such as the amount of food required by the various breeds and varieties, the number of eggs produced, the seasonal distribution, cost of production, and all the other facts involved in poultry economics."

"The prospective poultryman will also have an opportunity to study poultry characteristics before making final decision on the breed he intends to carry for commercial purposes."

"Records will also be available on all the interesting economic problems, such as the amount of food required by the various breeds and varieties, the number of eggs produced, the seasonal distribution, cost of production, and all the other facts involved in poultry economics."

Today's Reflections

Modesty may be a virtue, but the Plymouth merchant who stays out of the advertising columns is not the one who boasts about the business he is doing.

One of the saddest things about being born is that you have nothing to say about the selection of your parents.

We wonder why it is that people always yell for front seats at a theatre and then hunt out back seats at church.

The less a Plymouth young man knows about singing, the more he tries to qualify for a place in the church choir.

A wise woman never faints unless there is a handsome man nearby to catch her when she falls.

Most any editor can read an obituary notice and tell at a glance if the decedent's subscription to his home-town paper was paid up.

Some Plymouth men would benefit greatly if they'd spend at least fifty per cent of their time getting the other fellow's business alone.

About the only time the average Plymouth man thinks he has too much cheek is when he goes to shave.

Fewer Plymouth men would have axes to grind, if they had to furnish the motive power for turning the grindstone.

In Chicago six bandits robbed a jewelry store of \$40,000 worth of diamonds. But they didn't get any coal.

How does it come that the things the average Plymouth man calls economy in himself are what he calls stinginess in others.

We have observed that love, like fake jewelry, is the real thing until it commences to wear off.

Chamberlain's Tablets Have Done Her World of Good.

"Chamberlain's Tablets have done me a world of good," writes Mrs. Ella L. Button, Kirkville, New York. "I have recommended them to a number of my friends and all who have used them praise them highly." When troubled with indigestion or constipation, give them a trial and realize for yourself what an excellent medicine it is.—Advertisement.

WILL GRAVEL ROAD

Through the efforts of people living on Penniman avenue in the village and west of the village limits to the town line, the county road commission have decided to give us a gravel road from the village limits to the Washtenaw county line, which connects with the gravel road to Ann Arbor. Work will start this fall, if the weather continues favorable. This will be a great convenience for people who travel this important highway, and will be a much needed improvement.
