Many of you can remember when
Every Christmas was a time of
Real joy, both in prospect and
Retrospect, because of gifts received from
Your relatives and friends.

Can you say that this coming one will
Have a more worthy foundation for
Rejoicing than the getting of gifts?
If you have, through experience, come to
See what Christ really means, and if you
Try to make other people happy as
Much as He did, I am sure that your
Attempt will make this Christmas a
Surprisingly merry one.

GETTING READY FOR BIG POULTRY SHOW

The premium lists for the fourth annual show of the Plymouth Poultry Association are out, and are now being distributed. The show this year promises to be the biggest and best ever pulled off by the chicken fanciers of Plymouth, and the officers of the local association are making all arrangements for a large number of birds here on January 10, 11, 12 and 13, 1923, the dates for the big event. The show will be held in Penniman Hall. Among the prizes to be competed for are sixteen beautiful silver trophy cups. The grand prize of the show, a most beautiful trophy cup, has been donated by the Plymouth Chamber of Commerce. This cup is now on display in C. G. Draper's store window. Anyone desiring entry blanks, premium lists, or any information regarding the coming show, please phone or write Wm. P. Wernett, secretary, Route 4, Plymouth.

LOCAL SCHOOL REPRESENTED AT FRUIT JUDGING CONTEST

December 6, 1922, the Plymouth High School Fruit Judging team entered the contest put on this year for the first time by the State Horticultural society. The contest was open to all schools teaching agriculture in the state, but only eight sent teams. The contest was held in connection with the "Hort" show in Grand Rapids, and the annual meeting of the society. Members of the Plymouth High school who went were: Clara Hauk, Faith Wolfe, Herbert Miller and Carl Ash. The trip was made in an automobile. Wednesday morning, and the club arrived just in time for the contest. The fruit judging was the same as that used in the morning by the contestants for M. A. C. judging contest. Forty plates of apples of different varieties were identified, and those of the same variety placed in order of merit. St. Johns won the contest with the team which eliminated the members of the same school placed second in a similar contest at M. A. C. last year. The highest individual place was won by a contestant from Benton Harbor, whose team, however, placed only seventh. Plymouth's placing of sixth was only sixty points of a possible 2100 behind second place won by Belding. The members of the team gained experience, which it is hoped will be valuable for the annual state contest at M. A. C. next January.

PLYMOUTH BOY ON ALBION COLLEGE DEBATING TEAM

Lyman Judson, who for two years debated on the local High school teams, and who last year represented the Albion College Freshmen on the "All Fresh" team, is this year a member of the Varsity debating team. Judson is the first speaker on the affirmative side of the question, "Resolved, that the United States should enter the League of Nations, immediately." For years Albion College has maintained an enviable debating record. It is this record which has given to Albion a Chapter of Delta Sigma Rho. The national honorary forensic fraternity. Albion is the only college in the state, excepting the University of Michigan, which has a Chapter of Delta Sigma Rho. This year an inter-state triangle is being arranged, which will include Albion, Lawrence, Wis., and probably Illinois Wesleyan. The negative teams will travel.

JUNIOR RED CROSS WILL REMEMBER KIDDIES

For several days this week there has been on display in the windows of the Plymouth United Savings Bank, a collection of dolls, toys and Christmas cards, exhibited by the Junior Red Cross of the Plymouth schools, who are filling 100 stockings with these articles, together with some candy and nuts for the children at the tuberculosis sanatorium at Northville. The dolls were made in the domestic science department, the toys in the manual training department and the Christmas cards in the art department. The articles from each one of these departments are excellent, indeed, and reflect much credit upon both pupils and teachers. It is needless to say that the kiddies at the sanatorium will be delighted with these gifts.

BIG PICTURES FOR JANUARY

Because of the number of big productions coming to the Penniman Allen theatre, during the month of January, the management has decided to show most of these extraordinary feature pictures on two nights, that all may have an opportunity to see them. The Sunday pictures will be shown again on Monday evening; the Wednesday pictures will also be shown on Thursday nights, and the Saturday picture will be shown only one night. The following is the big list of pictures that will be seen here during the month of January:

- Sunday and Monday, Jan. 7-8—"Shadows," featuring Lou Chaney.
- Wednesday and Thursday, Jan. 10-11—"Manalughter."
- Saturday, Jan. 13—"Katherine MacDonald, in 'Heroes and Husbands.'"
- Also a two-reel feature comedy, Buster Keaton in "The Frozen North."
- Sunday and Monday, Jan. 14-15—"Jackie Coogan in 'Oliver Twist.'"
- Wednesday and Thursday, Jan. 17-18—"Burning Sands."
- Saturday, Jan. 20—"Valley of Silent Men."

- Sunday and Monday, Jan. 28-29—"The Dangerous Age."
- Wednesday and Thursday, Jan. 31 and Feb. 1—"Omar the Tent Maker."

DEATH OF MRS. ANNA STENDER

Mrs. Anna Stender, nearly seventy-eight years of age, passed away at the home of her daughter, Mrs. Charles Strebbing, Friday, December 15th. The deceased had recently returned home from a several weeks' visit with her son and family in Flint, and her last illness was of only four days' duration. She is survived by her daughter, Mrs. Charles Strebbing; one son, Robert Stender of Flint; one step-daughter, three step-sons and six grandchildren, her husband, Frederick Stender, having preceded her to the higher life sixteen years ago. The deceased was born at Sharon Hollow, on the Raisin river, near Jackson, Mich., January, 1846, and was the daughter of Mr. and Mrs. Robert Torbert. She was a member of the Methodist church of this place and assisted in church work whenever possible. Owing to a quarantine at the home of Mr. and Mrs. Strebbing, Mrs. Strebbing being ill with smallpox, the regular funeral services were omitted and only a short service was held at the grave, Rev. D. D. Nagle officiating, with singing by the Whipple brothers. Burial took place in Riverside cemetery, Sunday morning, December 17th, at eleven o'clock. Plymouth friends extend sympathy to the bereaved family.

CHRISTMAS AT DETROIT HOUSE OF CORRECTION FARM

Capt. Edward Denniston, superintendent of the Detroit House of Correction Farm, has made arrangements to give the several hundred men at the farm a merry Christmas. A chicken dinner with all the fixin's will be served at noon, and there will be a Christmas tree, upon which presents for the men may be placed by relatives and friends. Then the Capt. will have a generous bag of candy, fruit and nuts for each man there. Rev. Kranke of Detroit, will hold services during the afternoon, which will be followed by a program appropriate for the occasion.

ENTERTAINED THE MILLARD BAND

Mr. and Mrs. Frank Millard agreeably entertained at their home on Northville road, last Saturday evening, the members of the Millard band and other guests. Cards and music were the entertainment of the evening, and at eleven-thirty a fine rabbit supper was served. During the evening the guests presented Mr. Millard with a shower of tobacco and pipes, traveling bag and brief case. The gathering was in the nature of a farewell party, as Mr. Millard expects to go to Sandusky, Mich., the first of January, where he has accepted a position as City Band Master. Mr. Millard's family will remain here for the present. Although Mr. Millard's friends deeply regret his leaving Plymouth, the best wishes for success go with him.

BASKET BALL SCHEDULE

The first call for basket ball candidates was issued last week, following a two weeks' rest at the close of the foot ball season. About thirty-five have responded and have been working out whenever it has been possible to hold practice. At the end of the first week, the squad was reduced to fifteen of the most promising players. Five regulars are back from last year's team, and two reserves, who were on the squad at the end of the season. Some of the old players will have to work if they expect to retain their former positions, or watch the game from the side lines.

Captain Sutherland is showing much improvement over last season's form, and is probably the only sure starter in the first game on the squad at the present time. The following are the most promising aspirants for the first team: Sayles, Holmes, Hickney, Williams, Stevens, Richwine, Palmer, Kenyon, Goyer, Millard, Cline, Birch, Reiman and Henry. The first game will be played on the local floor, January 12th, with Northville furnishing the opposition. The schedule for both boys and girls is as follows:
Jan. 12—Northville at Plymouth
Jan. 19—Wayne at Wayne
Jan. 26—Dearborn at Dearborn
Feb. 2—Farmington at Plymouth
Feb. 9—Redford at Redford
Feb. 16—Northville at Northville
Feb. 23—Wayne at Plymouth
Mar. 2—Dearborn at Plymouth
Mar. 9—Farmington at Farmington
Mar. 16—Redford at Plymouth
March 22, 23, 24—Basket ball tournament at the Michigan State Normal, Ypsilanti, Michigan.

GIRLS' BASKET BALL

Many girls are out for Basket Ball this season, and the practices so far show lots of fight and vim. The girls left on the last year's team that are out to practice are Marion Kiely, Bonnie Mueller, Dorothy Freydl and Margaret Amrhein, and the substitutes, Gladys Hake, Mena Bolton and Dorothy Hinnau. The other girls that are out regularly to practice and are doing well are Elsie White, Ione Bird, Mildred Shogren, Janet Whipple, Margaret Griffith, Blanche Freeman and Dorothy Caldwell. Besides these there are many girls who are just starting basket ball, and who will make the teams of the future.

SMALL-POX SITUATION MUCH IMPROVED

The number of small-pox cases in the village is decreasing rapidly. Only one new case has been reported in more than a week. If no more arise, by the time this paper is being read, there will be only twelve families under quarantine, and on Sunday morning only seven families will remain quarantined. Vaccination has been quite general, almost the entire school population being immunized.

Rev. F. M. Field of Detroit, and a nephew of Lims, Peru, were calling on Plymouth friends, yesterday.

CHRISTMAS

Again the Spirit of Christmas is in the air. There is a softening of hearts one toward another, there is a new flash of happiness in the eyes, a new firmness is felt in the grip of our daily handshakes; something again seems to whisper to us that we are in the midst of a season so sacred that it is not to be compared with any other time of year.

From that time almost two thousand years ago when the One whose birth we are soon to celebrate stood upon the Mount and gave to humanity a new rule—a Golden Rule—the approach of Christmas finds the whole world with a song upon its lips. Men may war against men; disease may sweep vast sections and the grim reaper may swing his scythe with an unflinching hand, yet the approach of Christmas brings back joy to the hearts of the stricken, bolsters them up for whatever fate may have in store, and make them, for the season, as light and happy-hearted as the children who romp about our feet.

There is a something about the Christmas season it has not been given man to understand. Changed conditions, a greater desire to live and to be of service to those about us; a hope and a prayer for greater blessings of health and prosperity for all humanity—these fall upon us in a shower along about this time each year, and yet we pass through it still unable to fathom its mystery. We know, somehow, some way, that it is the spirit of the Master of all Mankind coming into our hearts—we seem to feel that His smile is being shed upon us and that we are receiving a benediction of happiness which fills our hearts to the fullest.

With the arrival of the Yuletide season once again we want to take this method of thinking in our own feeble way all those to whom this greeting may come for the cheer and helpfulness they have passed on to us during the year soon closing. We want to hope that this has been a prosperous and a happy year for them—we want to extend to them our prayer for the year to come may be equally so. We are passing this way but once. If we have said or done that which would in a measure return the kindness shown us, we are glad. If we can say or do in the future the things that will lighten the heart of those about us, we shall be happy.

May Providence continue to shield and bless you and yours. May your Christmas be a happy, a merry, a contented one. And may you be spared to celebrate many more of them.

WHAT AND HOW

What do we most need in this town? How are going to get it? Answer those two questions in a satisfactory manner and you will have performed a wonderful service for your community.

There are many ways of improving a city and its adjacent countryside, but probably the best way will be found through the spirit of cooperation. There are many people who have ideas and suggestions for improvement, but it is also a matter that they cannot all be adapted with the limited facilities at our command, neither can they all be worked out at once.

The obvious thing to do is to get our various ideas together and into the limelight, where they can be scrutinized for objectionable features and where they can be ranged side by side and weighed as to the desirability and feasibility. This done it should be an easy matter to decide upon the single suggested improvement which would be of greatest benefit to all of our people. With

Tubercular Tested Milk and Cream

You Are Cordially Invited To Visit Our Sanitary Dairy At Any Time.

S. H. HILLS & SON
PHONE 282-27 265 BLUNK AVE.

one question answered we would be face to face with the problem of how to convert that suggested improvement into an accomplished fact. Again will come into play the various ideas of people who are in the habit of making a study of local conditions, and from the many suggestions offered we might undoubtedly be able to decide upon the one best suited to the requirements of the situation.

Dig down under the surface of the towns that are always forging ahead and you will invariably find that they are operating along lines much similar to those suggested above.

It makes no difference from whose brain the original idea springs, results are the only thing that are wanted, and the best results can only be obtained through the spirit of cooperation when all pull together and pool their efforts for the common good. The village of Plymouth needs many things if it is to grow bigger and better in the years to come. Let us therefore get together and organize ourselves so that we may pull together for big results. This is our home town. We are proud of it. But we want it to improve and to grow, and we can all help to bring this condition about if we co-operate intelligently toward this end.

SCHOOL NOTES

The grades are planning the usual Christmas entertainments, with Christmas trees and presents, also refreshments.

Sixteen people in the art classes have completed 125 Christmas cards for the children at the Tuberculosis Sanatorium.

The fifth grade had a spell-down, last Friday. LeRoy VanArsdale held the honor of champion speller.

The sixth grade have been making Christmas booklets.

The sixth grade language classes are studying the parsing of sentences.

The sixth A reading class are reading, "Modern Americans," a book containing some of the lives of present prominent men.

The Girls' Glee Club will entertain at assembly, Friday. A two-act play, "Aunt Sabrin's Christmas," will be given, with songs by the quartette, Pierre Kenyon, Perry Richwine, Olivias Williams and Martin Strazen.

In the seventh and eighth assembly room, a Christmas stamp contest has been held between the boys, led by Mac Donnelly and Jack Caldwell, and the girls, led by Ruth Waterman and Val Dee Caughey. Up to this time, the boys have sold 482 and the girls 339.

Wednesday, December 20th, the Aggie Club held a Christmas program and entertainments for members, in the sixth grade room. Presents were distributed to all the members, and Christmas recitations were given by the various and variously talented (?) members of the organization. Appropriate refreshments were served, and the results were declared fully up to the reputation of the always efficient entertainment committee.

The seniors furnished one of the most mirth-provoking programs of the year for general assembly, December 15th. The teachers appeared in the persons of the seniors—mannerisms, dress and all. A faculty meeting was in progress, with Perry Richwine as Mr. Smith, because of his monstrous little voice, and Wilma Briggs as Miss Allen, walk, "n everything." Juhvia Rowland as Miss Schmid, tried to learn to walk with small steps from Fannie Grainger as Miss Glenadine Hall, graceful and fearful of hurting the feelings. Gladys Schrade looked more like Miss Fern Hall than does her own sister, and has earned the threat that she must direct a real orchestra some day. Dorothy Hinnau, with her laboratory coat on required some study to place as a senior because she really did look like Miss Traut. Herbert Miller and Martin Strazen took the parts of Mr. Holcomb and Mr. Ross, the latter asking for a flower garden on the roof. There was a great deal more of it than this brief notice would indicate, and much less airing of family skeletons than the teachers had expected. We cannot be as queer as we had thought ourselves.

Second Foot Ball Team Celebrates

Saturday night, December 9th, Mr. Holcomb, the second team coach, gave his team a supper. All of the second team were present, and Mr. Walker, the first team coach. After a fine supper, Mr. Walker was asked to speak. He told us our faults and our merits, and finally said that we had experienced a very successful season. Mr. Holcomb, as toastmaster, introduced the speakers, and he also summed up our season. We had been defeated twice, tied once, and we had won six times. Our first five games were winning ones for us. In the first five of our games we were not scored upon, but six touchdowns were made by opponents in the season, for a total of thirty-one points to our one hundred eighty-three. One of the members of the team who is a senior and who attended the first team banquet, told us about the speakers and gave some of the main ideas of their speeches. Finally to finish up the evening, we were each called upon for a speech, which we managed to give, and after a fine time we went home. The spirit of the talks may be judged by these quotations from the different ones: "It isn't the score that makes a victory or a defeat, it's how hard you fight." "I wish I could be with the team next year—I think I could do more for the team." "Next year I shall try to work harder, to make the team even better than this year." "When a team is working, coaching is fine; when a team lies down, coaching is hard work."

BAPTIST NOTES

The Ladies Bazaar and supper last Friday afternoon and evening, was very well attended. Nearly all the aprons were sold, and the candy closed out before the evening was over. The supper was well patronized, and a good number sat down to enjoy the repast. It netted the ladies a nice sum.

At the Sunday-school hour last Sunday, Miss Scott read a description of the Typhoon in China, written to her by her aunt who is a missionary there. The great tidal wave came in and swept the low country clean of everything, taking houses, barns, all kinds of stock, as well as men, women and their families. For miles, nothing was left but a thin layer of salt and brine. The letter also stated that it would be two years before the land would produce again, and that there is also much suffering. The government is sending relief.

The older people went to the basement during the Sunday-school hour last Sunday for study, while the boys and girls rehearsed their parts for the Christmas exercises which take place next Sunday evening. Every one is invited to come.

The B. Y. P. U. was led last Sunday evening, by Madeline Shackleton and Esther Estep. The subject was "How Can We Make Others Happy."

Taking Desperate Chances
It is true that many men contract severe colds and recover from them without taking any precaution or treatment, and a knowledge of this fact leads others to take their chances instead of giving their colds the needed attention. It should be borne in mind that every cold weakens the lungs, lowers the vitality, makes the system less able to withstand each succeeding attack and paves the way for the more serious diseases. Can you afford to take such desperate chances when Chamberlain's Cough Remedy, famous for its cures of bad colds may be had for a trifle?—Advertisement.

EPISCOPAL NOTES

Last Friday, Bishop Williams held his annual visitation to Plymouth, and in the evening confirmed a class of seven. Considering the prevailing epidemic in the town, there was a very good congregation, and the bishop gave a very inspiring address on, "Lights and Bushels," giving his charge to the newly confirmed in very earnest words of advice. The candidates were presented to the bishop by Archdeacon Widdfield, supported by Franklin L. Gibson, the missionary. Bishop Williams expressed himself as being very pleased at the progress the mission was making in all the organizations of the church, and the improvements made since his last visit, just a year ago.

This week we are going to have a real Christmas party and a Christmas tree in the church. There will be Christmas songs and recitations by the pupils of the church-school and exchanges of Christmas gifts among the children, teachers and members of the church, and we hope that nobody will have to be absent from this Christmas social gathering.

The members of the Ladies' Guild held their sale of work and bake sale, last week, and considering the epidemic in the town the sales were satisfactory. This organization wish to thank Mr. and Mrs. Fox for the loan of the space in the gas office, and also those who kindly donated articles and baked goods.

Franklin Gibson gave one of his usual inspiring addresses, last Sunday morning, taking as his subject, "There was a man sent from God whose name was John," appropriate to St. John's day. Next Sunday will be special Christmas communion Sunday, and the service will be in charge of the Very Rev. J. H. Widdfield, archdeacon of Detroit. Those members who were confirmed last week, and those who were confirmed last year, are asked to endeavor to come for their Christmas communion with the older members of the congregation.

MANY FARM GROUPS GATHER FARMERS WEEK

THIRTY STATE ASSOCIATIONS AND ORGANIZATIONS SCHEDULE ANNUAL MEETINGS DURING M. A. C. CONGRESS, JAN. 29-FEB. 2.

Thirty different farm organizations, representing every phase of Michigan agriculture and rural life, will gather for their annual meetings during Farmers Week at the Michigan Agricultural College this winter, according to announcement made this week by Ashley M. Berridge, chairman of the farm week committee.

The Michigan Livestock Breeders and Feeders Association, with its dozen or more separate breed associations, will gather during Farmers Week for the first time. In former years the livestock men have held their annual gathering early in January, rather than during the Farmers Week period. Their decision to meet with the other "Farmers Week" groups this year is responsible for the increased number of convening organizations, and will result in the greatest gathering of state agricultural interests ever held.

Prominent among the long list of state associations who will gather during the week of Jan. 29-Feb. 2 are: Michigan State Farm Bureau, Michigan Crop Improvement Association, Michigan Potato Producers Association, Michigan Bee-Keepers Association, Michigan Rural Press Association, Michigan Muck Farmers Association, Michigan Poultry Association, the annual Housewives Congress, County Agricultural Agents Association, Michigan Home Demonstration Agents, Michigan Boys and Girls Club Leaders, County Y. M. C. A. Secretaries High School agricultural students, and the Livestock Breeders and Feeders Association, with its special breed organizations which include sheep, beef cattle, horse and swine groups to the number of fourteen.

Special agricultural exhibits, a list of speakers which will include some of the country's leading agricultural authorities and various entertainment features are being planned to make the 1923 Farmers Week a larger and more effective rural congress than any of the past.

CHRISTMAS PROGRAM BY METHODIST SUNDAY-SCHOOL

The Methodist Sunday-school is arranging for one of the finest programs for Christmas it has ever had. The committee, of which Mrs. O. B. Bork is chairman, is preparing a beautiful program of pageantry and songs entitled, "White Gifts for the King," a message of victorious peace. This service is intended to make the birth of Jesus stand out in view as the world's greatest and most blessed event. The gifts of self, service and substance are the ideals set forth. The White Gift offering of the Sunday-school will be given for the Methodist Children's Home at Farmington. The public is cordially invited to attend this service.

AROUND ABOUT US

Milford wants a tourist camp. Mr. and Mrs. Jesse Youngs of Ypsilanti, celebrated their 62nd wedding anniversary last week.

Leonard Field of Ypsilanti township, is building a poultry hatchery with a capacity of 10,000 chicks a week.

The Washtenaw County Fair Association have approved plans for a \$10,000 merchants' building to be erected on the fair grounds.

The Ypsi Ann Land Co. has bought the old Peck farm which has been in the possession of that family since 1825, when it was bought for \$1.25 an acre. The deed of the original homestead was written on parchment and signed by John Quincy Adams. Charles Peck, the present owner of the farm, has retained possession of 20 acres. The land just sold will be plotted into city lots.—Washtenaw Post, Ann Arbor.

Mrs. Eliza Childers, aged 98, died at Howell December 9. She was born in slavery in Tennessee in 1824. When she was eight, her family was sold at auction and scattered, her mother went to New Orleans traders, and she never saw her again. Eliza was sold into Kentucky, and after the war came north. She had lived in Howell since 1872 and was much respected.—Milford Times.

Editor Klamsner, of the Chelsea Tribune, estimates that the average citizen of that town spends his life as follows: Sleeping, 23 years, 4 months; work, 19 years, 8 months; recreation and worship, 10 years, 2 months; eating and drinking, 6 years, 10 months; traveling, 6 years; illness, 4 years; dressing, 2 years. And he might have added that the average housewife spends about five years washing dishes.—Chelsea Cor., Washtenaw Post.

A cloudy day is such an unusual thing in St. Petersburg, Florida, that as an advertisement the Daily Independent gives away its entire circulation on each day that the sun fails to shine on the city at the hour, 3 P. M., of going to press. November 18 was one of the unlucky days. Mr. Fred M. Warner, who with his wife is sojourning in that city of sunshine, sends a clipping from the Independent notifying its subscribers that the paper is free.—Farmington Enterprise.

The Washtenaw boys who attended the Chicago cattle exposition last week, had a great time, and were placed fourth in the honors distributed. It was stated that Washtenaw county stood highest of any county in Michigan. Education was blended with entertainment, so that the boys returned to their homes with renewed enthusiasm for club work. They were under the care of County Boys' and Girls' Club agent, A. L. Wait, who said he was congratulated on the appearance the boys made.—The Washtenaw Post.

Here's a Christmas Special

I have for the youngsters a full line of BOXES WITH WATER AND OIL COLORS. This will make a splendid Christmas gift, something that will last a long time. See our window display.

BIG CHRISTMAS PICTURE

In "Remembrance," the big Goldwyn special, coming to the Penniman Allen theatre, Sunday and Monday, December 24 and 25, Rupert Hughes has again demonstrated himself a film craftsman of the first order. The new photoplay is a companion picture to Mr. Hughes' screen masterpiece, "The Old Nest," which was one of the few really big pictures of last year.

"Remembrance" does for father what "The Old Nest" did for mother; it presents the head of the house in a sympathetic light. He "comes first after everyone else" but in the end he comes out strong. "Pop" Grout is the head of a household which has developed into "spenders;" they look upon "Pop" as a "good thing" to be worked to the limit—and "Pop" works to the limit for his family. When the limit is reached, "Pop" has an illness which nearly carries him off to a better world and his family awake to a belated sense of his importance in their little world of the present. Mrs. Grout becomes again the helpful, sympathetic wife; the worthless son who was on the point of stealing the securities upon which the rehabilitation of the family fortune depended, awakens to his worthlessness and repents; and the daughters find they have a real affection for their father.

Mr. Hughes directed the picture as a film of this sort should be directed—with imagination and insight as well as in workmanlike way. There are in it hundreds of the deft little touches that go to make a Rupert Hughes picture infinitely closer to real human beings than the average run of photoplays. It reaches the heart of the spectator and is not merely a pleasant means of passing an hour.

The cast ranks in ability, intelligence and convincingness with the best that Goldwyn has ever selected for any picture. Claude Gillingwater is "Pop" Grout to the very life. He is an actor of long-established reputation on the stage and a screen acquisition of which filmdom should be proud. Kate Lester is "Mom" and the children are acted by Cullen Landis, Patsy Ruth Miller, Richard Tucker, Nell Craig and Dana Todd, Esther Ralston, Arthur Trimble, Lucille Rickson, Max Davidson, William Carroll and Helen Hayward complete the cast.

If you enjoyed "The Old Nest," do not miss "Remembrance."

WOMANS' CLUB

The regular December meeting of the Woman's Club was held in the club room, last Friday afternoon, December 16th, with about twenty-five members in attendance. The meeting was called to order by the president, Mrs. George H. Robinson, and a short business session followed. The chairman of the bazaar, Mrs. F. A. Campbell, gave a splendid report and figures showing that about five hundred dollars had been netted from the sale of cook books and the bazaar. Over one hundred cook books are still unsold, and each member is urged to sell at least one more book.

This was the Christmas meeting, and the room had been attractively decorated with Christmas bells and Yule-tide colors, by the members of the fifth division, with Mrs. Martin Stringer, leader. The music was in charge of Mrs. J. L. Olsvater, and the following program was presented: Piano solo, Schubert's "Impromptu in A flat," with encore, Mrs. Gilbert Brown; an interesting paper on the home life of Edgar A. Guest, was given by Miss Rose Hillmer; a Christmas duet, "O Little Town of Bethlehem," words by Philip Brooks and music by John Frindle Scott, was pleasingly rendered by Mrs. Maxwell Moon and Mrs. Roderick Cassidy, with violin obligato by Doniel Patterson and piano, Mrs. Gilbert Brown; Mrs. Martin Stringer gave two humorous readings from Edgar A. Guest, "Ma and the Auto" and "Visitors," after which the members were invited to stand and sing "America" in unison. Mrs. William Shaw then recited the beautiful poem, "Answering," by Edgar A. Guest. "Sleep, Baby, Sleep," a lullaby by Mildenberg, was sweetly rendered by Mesdames Moon and Cassidy, and the program closed with a pianologue, "It Takes a Heap of Livin' to Make a Home," by Mrs. Stringer, with Mrs. Brown at the piano.

Friday afternoon, January 5th, at three o'clock, a lecture will be given in the club room, by Charles McKenny, president of the State Normal College at Ypsilanti. Mr. McKenny's subject will be, "The Promise of Education," and as he has spoken in Plymouth before, we can safely say that a splendid talk will be given. All members are urged to attend this lecture, and an invitation has also been extended to the members of the W. C. T. U. The date is January 5th.

HIS GIFT TO HER AND THE FAMILY

A Mutual Christmas Gift That Provides Usefulness, Health and Happiness For Them All

Millions of dollars are spent annually for family Christmas gifts. The purpose is to express good will and bring happiness to all.

How better can this be accomplished than by pooling the family Christmas fund and applying it on the purchase of a Chevrolet automobile?

Here, for example, is illustrated the Utility Coupe; an ideal all-year car for the small family. Then there is the 5-passenger sedan or the 4-passenger Sedanette for the larger family.

If open models are preferred there remain the 2-passenger Roadster and 5-passenger Touring.

There is nothing the modern family needs so much as economical transportation. A quality car like Chevrolet delights every member of the family and makes Christmas joys last for years.

Think it over, consult the wife, then arrange with Allison-Bachelder Motor Sales to deliver your car on Christmas morning.

DEATH OF MRS. A. L. HANCHETT

Plymouth friends were saddened the first of the week to hear of the death of Mrs. Mabel Hanchett, aged 41 years, wife of Arthur L. William Bentley, a life-long resident of Plymouth, passed away at the home on Mill street, Sunday morning, December 17th, aged 78 years. Mr. Bentley was a mason by trade, and followed that occupation for many years. He is survived by one brother, Daniel Bentley of this village, and one sister, Mrs. Althea Pulcifer of Owosso. Today's Reflections

The Plymouth chap who believes two can live as cheaply as one changes his opinion when he sees a married man's bills coming in.

The trouble with too many of our people is they think the best place to make money is some other place.

Our idea of a rattling good time would be to get a dog and name him "Taxes," and then tie a tin can to his tail.

Maybe you didn't know it, but a Plymouth girl likes to be caught getting kissed just as much as she pretends not to.

The forehand man who intends to turn over a new leaf January 1st, also lays in a supply of blotters.

The sensible Plymouth man always picks out something for his wife for Christmas that she can't throw.

Here are two short but sensible New Year resolutions—Resolve to subscribe to your home town paper, and resolve to tell your borrowing neighbor to do the same thing.

Our idea of an experienced wife is the Plymouth woman who can make over a last year's coat, and make such a mess of it that her husband has to buy her a new one.

Mrs. Santa Claus must lead an awfully disagreeable life, with her husband at home a whole year, waiting for Christmas eve.

For a few weeks to come more than one Plymouth man will be wondering how many miles he is going to get out of his Christmas socks.

From reading the daily papers one would conclude that the grim reaper has traded his scythe for an automobile.

It isn't so hard to love your neighbor, as the bible tells you to. Unless he refuses to laugh at your jokes.

When You Are Constipated

To insure a healthy action of the bowels and correct disorders of the liver, take two of Chamberlain's Tablets immediately after supper. They will not only cause a gentle movement of the bowels, without unpleasant effects, but banish that dull, stupid feeling that often accompanies constipation.—Advertisement.

FORD SALES RECORD BROKEN

According to a statement issued by the Ford Motor Company, deliveries of Ford cars and trucks to retail buyers during the month of November totalled 106,327. This is a new high sales record that has never before been approached by the company at this season of the year and one which stands out in marked contrast to the November, 1921, retail delivery figures, which totalled slightly over 58,000 cars and trucks. For eight consecutive months, beginning with April 1st of this year, retail deliveries have exceeded 100,000 Ford cars and trucks each month; the accumulated total for the first eleven months of 1922 being approximately 1,200,000. While the company points out that it is not unusual for Ford retail sales to exceed the 100,000 mark during the spring and early summer months, when the demand is at its peak, the manner in which business has held up throughout the balance of the year is without precedent.

Credit for this remarkable showing is attributed by the Ford Motor Company to the many improvements which have lately been made on Ford cars, and particularly to the new low level of Ford prices, recently put into effect. These new low prices not only broaden the field of prospective Ford purchasers, but go still further in making the Ford car the best value from the standpoint of the retail buyer, that it has ever been.

Although the Ford factories have been operating at capacity for the past eight months, sales have equalled production, and judging from the unusual manner in which orders are coming in at this season of the year, Ford dealers will be unable to accumulate an adequate stock of cars during the winter months for delivery next spring.

In the opinion of the Ford Motor Company, November sales are an indication that many prospective purchasers, realizing the exceptional value now being offered in Ford cars, are beginning to anticipate an unusual spring demand, and are therefore placing orders during the fall and will continue to do so throughout the winter to avoid disappointing delays in delivery later on. While this will relieve the situation to some extent, it is pointed out that the steadily increasing demand for Ford cars is nevertheless sure to create an acute shortage as the season advances. Accordingly, the Ford Sales organization is urging prospective Ford purchasers to arrange for delivery during the winter months in order that the demand next spring will be relieved as far as possible.
