WHAT THEY THINK OF THE SUNDAY-SCHOOL

PRESIDENT HARDING—It is time that we give our attention to the religious instruction of the children of America.

DAVID LLOYD GEORGE—Personally I know what a Sunday-school can do. All the best training I ever had was in a Sunday-school.

EX-PRESIDENT WILSON—No study is more important than the study of the Bible. There is no more effective agency for such study than the Sunday-school.

EX-PRESIDENT TAFT—We all agree—Protestant, Catholic and Jew alike—that Sunday-school education is absolutely necessary.

GEORGE WASHINGTON—We shall preserve our liberty only by the religious education of our youth.

HAVE YOU THOUGHT ABOUT IT AT ALL?

CAPT. DENNISTON ENTER-TAINS AT NOON LUNCHEON

Thirty members of the Plymouth Chamber of Commerce were entertained by Capt. Edward Denniston, president of the C. of C., at a noon-day luncheon at the Detroit House of Correction Farm, last Monday. The genial Captain, who is superintendent at the prison farm, showed his guests about the institution. One of the buildings visited, in which the Captain takes special pride, is the recently completed recreation building, which is equipped with a stage, a booth for showing motion pictures, and has a seating capacity of several hundred. It is well lighted and heated.

About one o'clock the guests were invited into the officers' dining room, where a most sumptuous dinner was served. After the eats were stowed away, Capt. Denniston made a few remarks, in which he expressed the hope that it might be possible for the members of the C. of C. to hold these noon-day luncheons bi-monthly, as had been planned by the executive board, as a means of getting together and talking over matters that might promote the progress and betterment of Plymouth. After an informal discussion of several other matters, Capt. Denniston called upon Dr. J. H. Kimble for a few remarks. The doctor responded with a short talk that was thoroughly enjoyed by all present. After a rising vote of thanks to the Captain for his royal hospitality, the members returned home, feeling that the time had been most profitably and pleasantly spent.

THE O. E. S. PARTY

One of the pretty social affairs of the past week, was the second annual ball given by Plymouth Chapter, No. 116, O. E. S., which was held in the Penniman Allen auditorium, Friday evening, February 16th. About 124 couples were in attendance. The auditorium was decorated with the colors of the order, and an electric star was hung on the front of the orchestra balcony. At 11:00 o'clock all were invited to join in the grand march, led by Mr. and Mrs. Harry Robinson. At this time favors were given the ladies and gentlemen. Refreshments were served in the dining room to a goodly number. The music by the Radio Girls of Detroit, was greatly enjoyed by those present, and all departed feeling that the party of 1923 was a great success, both financially and socially.

NEW STORE FOR CANTON CENTER

Elmer Huston of Birmingham, Mich., will erect a new store building at the intersection of the Canton Center and Cherry Hill roads, near the Canton town house. The new building will be 20x60 feet in size, one story, and will be constructed of brick. The building has already been rented, and when completed a general store and an oil filling station will be opened up there. This is a good location for a store, and no doubt the new enterprise will do a good business.

FORMER RESIDENT DIES

Mrs. Lester Cook received a message the first of the week bearing the sad news that her brother, William G. Hubbell, who for many years was a resident of West Branch, had died after a short illness in Philadelphia, Pa., to which city he and his wife had gone to spend the winter with a sister. Mr. Hubbell was known to a goodly number of Northville people, he having visited here often. A year ago last fall, Mr. and Mrs. Hubbell were here at fair time and he thoroughly enjoyed the outing.

He was born in Plymouth, May 2nd, 1865, and was the son of William and Elizabeth Hubbell. Besides his wife, he is survived by three sisters—who keenly feel the great loss they have sustained—Mrs. J. R. Meyers of Philadelphia, Mrs. C. S. Raymond of West Branch, and Mrs. Lester Cook of Northville.

Mrs. Hubbell is very ill and unable to accompany the remains to Michigan, and in consequence they were placed in a vault and will be brought to West Branch later.—Northville Record.

Mrs. C. DePorter entertained eight ladies last Friday afternoon at her home on Liberty street. After a pleasant social time a "Larkin Club" was organized.

KNIGHTS OF PYTHIAS OBSERVE ANNIVERSARY

The committee in charge of the Knights of Pythias roll call meeting in honor of the 59th anniversary of the order, Tuesday evening, certainly deserve special credit for the manner in which everything was conducted. The banquet, which was served at 6:30 o'clock at the castle hall, was good enough for a king, for which the Pythian Sisters can well feel proud. The program which followed the feed was very entertaining, opening with an address of welcome by Chancellor Commander L. L. Ball. Several other members spoke their sentiments of the occasion, and the Past Grand Chancellor W. D. Clizbe of Birmingham, gave a very interesting talk along Pythianism. The evening concluded with several piano solos. A pleasing feature of the evening was the music furnished by Patterson's orchestra. E. C. Lauffer acted as toastmaster in an appreciable manner.

DEATH OF FORMER PLYMOUTH LADY

Miss Caroline A. Roe, a former Plymouth resident, died at the home of her niece, Mrs. Emma Brown, in Detroit, Tuesday evening, at the age of 72 years. The funeral services will be held from Schrader Bros. Funeral Home, this (Friday) afternoon at 3:00 o'clock, Rev. D. D. Nagle officiating.

LOCAL NEWS

Miss Dorothy Liverance of Livonia, is visiting relatives here, this week.

Burt LaFave and family have moved into the south part of the Wilcox house on Holbrook avenue.

Mrs. A. H. Jones of Detroit, visited her aunt, Mrs. Peter Gayde, and other relatives, Wednesday.

Mr. and Mrs. Sanford Bemis and Mr. and Mrs. William Smith of Inkster, were dinner guests of Mr. and Mrs. Matt. Waldecker, last Sunday.

Word has been received of the death of Charles Bostwick at Vienna, Georgia. Mr. Bostwick was a former resident of Plymouth, and was a brother-in-law of the late Charles Miller.

The dancing party to have been given by the officers of the Detroit House of Correction Farm, this Friday evening, at the Penniman Allen auditorium, has been postponed until Friday evening, March 2nd. See ad.

Mr. and Mrs. Joseph Tracy wish to announce the marriage of their only daughter, Ruth, to Ray Coyell of Northville, which occurred last Saturday evening, February 17th, at the Presbyterian manse, the pastor, Rev. S. Conger Hathaway officiating. They were attended by Douglas Tracy and Miss Ann VanAurich. They will make their home for the present with the bride's parents.

Last Saturday, while James Manzer of this place, was on his way to visit a nephew at Dearborn, he had the misfortune to be struck by an automobile, after leaving the street car, breaking an arm and otherwise bruising him. He was taken to the Eloise hospital, where the fracture was reduced, and he was later brought to the home of his niece, Mrs. Theodore Chilson, in this village, with whom he resides.

The young people of the Lutheran church met Wednesday evening at the home of Elizabeth and Marian Beyer, to organize a young people's society of that church. After a pleasant social hour, the following officers were elected: President, Miss Hazel Reddeman; vice president, Elizabeth Beyer; secretary, Elsie Krater; treasurer, Ola Last. The society decided to meet twice a month. The next meeting will be March 7th, at the home of Miss Sarah Gayde on Mill street. All young people are invited and urged to be present.

Mrs. Frank Dicks, Mrs. George Bowell, Mrs. Oliver Martin, Mrs. Ezra Rotnour, Mrs. Frank Magraw, and Mrs. Fred Sallow were in Detroit, Tuesday evening, attending the public initiatory work put on in the General Motors building by the Detroit Hive of Lady Maccabees. The team doing the work consisted of eighty-five ladies, all gowned in new costumes, colonial style. The effect was very beautiful as the different colored lights were thrown on. The mammoth building was packed to the doors.

FORMER PLYMOUTH MAN DIES AT NORTHVILLE

James H. Woodworth, a former resident of Plymouth, died at his home in Northville, Tuesday, February 20th, at the age of 75 years. Mr. Woodworth was also a resident of Salem at one time. He was the father of Roy Woodworth of this village. The funeral services were held Thursday afternoon at 2:00 o'clock.

James Henry Woodworth was born in Detroit, Mich., October 8, 1847, and passed away Tuesday morning, February 20, 1923, at his home on Rogers street, Northville. He spent nearly all his life in Salem, Plymouth and Northville, having come to Salem with his parents when quite young. On December 28, 1870, he was united in marriage with Mary Lucinda Finckney. Surviving him are his wife and three children, Roy F., of Plymouth; Lydia L. (Mrs. F. A. Burnett) of Holly, Mich., and Frank R. of Northville. The youngest son, J. Clair, having passed away about two years ago. Besides these he leaves three grandchildren and one great-grandchild, and two sisters, Mrs. Margaret Webster and Mrs. William Parks, both of Grand Rapids. Funeral services were held from his late home in Northville, Thursday at 2:00 p. m., Rev. F. A. Burnett of Holly, and Rev. Richards of Northville, officiating. The remains were placed in the receiving vault.

BAZAAR AT GRANGE HALL

A bazaar will be given at the Grange hall for the benefit of the Lily Club, Friday afternoon and evening, March 2. Aprons, fancy work, bake goods, candy and vegetables will be on sale. Also a fishpond for the kiddies. In the evening the play, "Aaron Slick from Pumpkin Crick," will be given. Specialties between acts. Admission, 25c. Everybody come. Curtain at 8:00.—Advertisement.

HAVE YOU BEEN INVITED TO THE WOMANLESS WEDDING?

The Womanless Wedding, one of the cleverest comedies, and most pleasant entertainments of the year, will be given in the High school auditorium on Wednesday evening, March 7th, at 8:00 p. m. Admission, 25c and 50c. This production will be given under the auspices of the Choir Chapter of the Presbyterian church. A very able cast has been chosen, and many of the leading celebrities such as Dr. Coue, Maggie and Jiggs and others will be in attendance. This splendid play is being given under the direction of H. J. Green, he being assisted by Miss Nettie Pelham. Be sure and save the date, March 7th, for the wedding. Come and have a good laugh.—Advertisement.

The budget of the Pere Marquette R. R. for the current year contains an appropriation of \$500,000 for a double track between Michigan avenue, Detroit, and Plymouth.

PLANT NUT TREES
The movement for planting nut-bearing trees along the highways of this country is now getting a great boost from the government and farm magazines, and we expect it to sooner or later take a firm hold on our citizens around Plymouth. Already California has led the way, and along her highways there have been planted and are still being planted, hundreds of black walnut trees. Around Livingston, Mich., there are numerous stretches of these walnut trees alongside the roads, while highways in several southern states are being lined with them, and with hickory and butternut trees.
There are some opponents to the plan, as you'll always find in every movement that tends toward public improvement. Those opposing it claim that it tends to increase vandalism, and that a certain class of people will break down the trees for the nuts. But the fact is, people break off the limbs of nut-bearing trees because they are scarce. If nuts grew in the open along our public highways they would soon be so plentiful that even the vandals wouldn't destroy them.
Why not plant a few walnut trees along the lane, the road in front of the house, or in the woodlot? You may not reap much benefit during your life, for it takes such trees a long time to grow to maturity. But long after you are gone people will enjoy the fruits of your foresight and bless you for your thoughtfulness.

THEODORE J. RICHTER

Forty years of age, was educated in the schools of the city of Detroit and graduated in the High school and the Detroit College of Law. After graduation he practiced law for four years and was then appointed a clerk in the Wayne Circuit Court, which position he held for five years. He was then elected Justice of the Peace of the City of Detroit, which position he held for eight years. During that time eighty-three thousand cases were commenced before him. He also held three grand jury investigations, among which at the direction of the Attorney General of the state, he investigated conditions in Hamtramck, resulting in improved conditions in that section of the county.

Shortly after his election to the third term as Justice, Judge Richter received appointment to the Judgeship of the Wayne Circuit Court, to fill the vacancy on the bench caused by the death of the late Judge George S. Hosmer. Last fall Judge Richter was elected by the voters to fill the balance of Judge Hosmer's unexpired term, which expires this spring, and he is now a candidate at the spring election for a full term as judge of the circuit court. Thus Judge Richter has had the unusual and burdensome experience of having to go through three elections within two years.

While on the circuit bench Judge Richter has taken great interest in divorce cases and domestic relations troubles, especially in the adjustment of decrees in a manner which will afford the wisest and most complete provisions for the children in such cases.—Advertisement.

The Greenville Company is keeping a crew of sixty men busy making extensive repairs in preparation for spring work. They plan to open the pit recently purchased of the Cadillac Company, and by means of a day and night shift, take gravel from both sources.—Brighton Argus.

Robert Guy Robinson, brother of Supervisor Orle J. Robinson of Wayne, has been retired on pay by special action of Congress, the bill of which went to President Harding Tuesday. Robinson bears 21 wounds received while a lieutenant in the marine aviation corps during the war.—Wayne Weekly.

The American Legion of Northville, want to erect a building to be known as a Memorial Hall. It has been suggested that the Legion and the village join forces and erect a building which would house the council offices, fire department, etc., and at the same time provide a home for the local post of the American Legion.

Louis P. Tolettens has purchased of the Taylor estate the Walled Lake Casino Shore, one of the popular resorts on that beautiful sheet of water, and will re-open it to the public on Saturday, April 7. Mr. Tolettens contemplates making many improvements in the place which will add to its present popularity.—Farmington Enterprise.

Sheriff James S. Butler: "It has paid the county to hire Roy Coe, of Walled Lake, to collect the dog tax. Since he started work he has collected \$3,000 of last year's tax and a similar sum has been paid in at the treasurer's office for 1922 taxes on dogs. The 5,000 tags purchased for this year have all been sold and an additional supply has been ordered, so effective has been the campaign to force payment of taxes."—Rochester Era.

The Record is indebted to T. G. Richardson for a box of choice Florida oranges and grape fruit sent us by express, and which were delivered at this office Monday, by E. R. Richardson. Mr. Richardson purchased an orange grove at Clermont a few weeks ago, and the oranges sent are from the home place. Mr. and Mrs. Richardson are enjoying themselves greatly, and friends will be pleased to know that Mrs. Richardson is greatly improved in health.—Northville Record.

McLain Brothers, who for the past eight years have conducted a poultry farm, specializing in baby chicks, are installing a new Smith incubator of 47,000-egg capacity. The cabinet is 10x13 feet and 8 feet high, and so arranged that a person can walk inside and handle the eggs! It is equipped with steam heat and electric fans. This new method of incubation is said to produce unusually large chicks. In addition to their equipment will enable them to handle about 55,000 eggs each setting, or about two tons. They expect to hatch about 250,000 chicks this season, over half of which are already contracted for.—Fenton Independent.

BAPTIST NOTES

The men were on the platform at the morning service, and the music was fine. Messrs. Hamill and Trimble sang the special; Fletcher Campbell the offertory.

The number at Sunday-school was good. Many of the older people were not able to come on account of the ice. Miss Scott began her reading in the new book for the school.

The B. Y. P. U. held their annual meeting last Wednesday evening. The young people sat down to a fine supper. The address was given by Rev. McRea of Northville, and the orchestra furnished the music. The officers will be announced next week. They also voted to send to Kalamazoo the \$10.00, their apportionment for the woman's building at the college. They are doing splendid in their work this winter.

The church voted several weeks ago to hold two weeks of special meetings. Rev. Curry writes at this date that he is sending to us Rev. J. J. Pease, state evangelist, who will assist in our meetings. Rev. Pease for some years has been engaged in special work, and is a wonderful preacher. Everyone is ready to help, March 4th, when the meetings begin.

EPISCOPAL NOTES

We regret to record the death of our much beloved bishop, the suddenness of which came as a shock to all, for even in this small community of Plymouth, Bishop Williams had become endeared and beloved by all. We recall his last visit to us two months ago, the inspiring message he brought to us and the brave and earnest words of encouragement he delivered to those young people who were confirmed as they knelt at the altar rail, and that last visit will always remain in our memories. He had the parish of Plymouth constantly at heart, often inquiring after our mission, and sending encouraging messages from time to time. As an incident of the bigness of his heart, a short time ago our minister, Franklin Gibson, who often joined in the bishop's home circle, upon making his decision, went to the bishop's home as usual, and there informed the bishop of his decision to give himself entirely to the ministry of Jesus Christ. Bishop Williams grasped his hands, fell on his knees, and thanked God for one more laborer added to "His vineyard." Last Sunday morning the usual service was dispensed with, and a memorial service, most of which was taken from the burial service, with special memorial hymns, were substituted. Daniel Murphy read the special Psalms from the funeral service, and Franklin L. Gibson preached the memorial sermon, taking his text from St. John 11:25, "I am the Resurrection and the life; he that believeth in me though he were dead, yet shall he live." And so has passed another great man, a brave and fearless soldier of church and country now at rest awaiting that glorious resurrection. The funeral service was held in St. Paul's Cathedral, Detroit, Monday afternoon, at 2:30, and the service was most impressive. Every denomination was represented, and representatives were present from churches and missions throughout Michigan. Our senior warden, A. J. Lapham being unable to attend, Arthur Torre was present and represented St. John's Plymouth. Admission was free, and the service was crowded with people who were unable to obtain tickets were content to stand in both of the side aisles from 12:30 to 3:50, in order to pay their last respects to our dear bishop.

There was quite a goodly gathering of brothers from the Masonic lodge, Plymouth Rock, No. 47, at the special mid-week service, last Thursday. Franklin L. Gibson welcomed the brothers to our mission and the Rev. C. H. McCurdy, rector of Birmingham and chaplain of Union Lodge, Detroit, preached the sermon, taking his text and subject from Gen. 1:1, "In the beginning God." Although laboring under the strain of the shock received that day, the Rev. McCurdy preached a very helpful and inspiring sermon. J. Tracy sang with feeling and expression, the solo, "Ashamed of Jesus Can It Be," accompanied by Miss Youngs at the organ. Miss M. A. Pierson, the organist played the voluntary during the collection of the offerings, which was devoted to a suitable memorial to Bishop Williams from the parish of Plymouth.

On account of sickness and many having colds, quite a number of our pupils were absent from the church-school, last Sunday morning. We hope as many as can will attend regularly, as Mrs. Murphy, the superintendent, has commenced a series of essays she intends to give during the six Sundays in Lent, accompanied by a picture for each essay. On Easter Sunday these pictures will be exhibited, and the pupils will be asked to repeat what they know about the different pictures, so as these are most interesting and instructive, every pupil be present during the next six Sundays.

Let us put by one evening during the week for our Lenten devotion. Service will be held every Thursday evening during Lent in the church, at 7:30, with a short address. The church doors are open to friends and strangers and members of other churches who do not happen to have a service on that evening. There may be something in this hour's devotion that will help you as it has others—come.

KING'S CORNERS

Miss Emma Speitz received word Saturday of the death of her niece, a daughter of Mr. and Mrs. Otto Genrich. Mrs. Genrich will be remembered as Miss Ella Speitz, who is well known here by many, as her school days were spent at the Patchen school.

School opened Monday in the new school house, but as they have been unable to get another teacher, they are still holding two sessions, which makes it bad for the smaller grades, as some of them have a long way to go.

Mr. and Mrs. Roy Lane have the sympathy of their many friends in this vicinity, in their late bereavement in the death of their son, William.

Barbara, daughter of Mr. and Mrs. Perry Hix, is still quite sick at this writing.

Charles Parrish took dinner at the home of his daughter and husband, Mr. and Mrs. Charles Kaiser, Tuesday.

Mrs. Mary Hix spent Saturday with her daughter, Mrs. Walter Schaffe, in Plymouth.

The weather was so cold last week everyone had to stay at home, and news is scarce.

PEAK NAMED FOR INDIAN GIRL

Honor Awarded for Valuable Services Rendered to Expedition Led by Lewis and Clark.

Sacajawea, which in the Indian tongue means "Bird Woman," was born in a little Indian village on the banks of Snake river, just west of the Bitter Root mountains, in what is now the state of Idaho, in 1790.

When Sacajawea was nine years of age, her people, the Shoshones, or Snake River Indians, were suddenly attacked by their foes, the Minnatarees of Knife river. While Sacajawea was making her way alone across the river she was caught and taken prisoner. Later she was sold as a slave to Toussaint Chaboneau, a French half-breed wanderer, at Brunswick, N. D. He married her when she was fourteen years old.

Sacajawea and her husband, and their papoose accompanied a party of white explorers, led by Lewis and Clark, on a long journey.

One day the Indian girl risked her own life to save some valuable papers, maps, instruments, books, magazines and medicine, when their boat nearly capsized. Sacajawea swam out and brought the articles back to the boat in safety.

When the travelers reached the land of Sacajawea's birth her presence saved the white men from being killed by the hostile Indians. Sacajawea also foiled a plot to steal all of the horses of the expedition by warning the leaders of the plans of the Snake River tribe.

A few years ago the geographical survey named for Sacajawea the great peak in the Bridger range, where she was captured during her childhood, and where she later pointed out the pass over the mountain now used by one of the great railways.

GROTESQUE DOLLS OF JAPAN

Little Girl Will Dress Up Cushion to Look Like Live Baby and Tie It on Her Back.

The Japanese have a genius for making dolls. They make them of any thing—flowers, fruit, beans, even of a few wisps of straw. Their quaint humor finds free play in this field; the children are pleased with the odd ones, the more grotesque the better.

They children draw and cut out surprisingly clever dolls from paper. A little girl will dress up a cushion and get some one to tie it on her back; one has to look twice to see if it is a real baby.

For the girls' doll festival in March of every year, and the boys' festival in May, such an array of dolls is set out as could not be matched for originality and beauty.

These dolls are extremely small, but represent with surprising skill and exactness the imperial court (in the girls' festival) or figures from history, myth, the drama or everyday life.—Asia Magazine.

How Male Albatross Makes Love. Little is known of the habits of the albatross, although many persons are familiar with this bird as it is depicted in "The Ancient Mariner."

A distinguished British writer, in describing their mating habits, informs us that "when a male albatross makes love he stands by the female on the nest, raises his wings, spreads his tail and elevates it, throws up his head with the bill in the air or stretches it straight out forward as far as he can, and then utters a curious cry. While uttering the cry, the bird sways his neck up and down. The female responds with a similar note and they bring the tips of their bills lovingly together. This sort of thing goes on for half an hour or so at a time."

Admission to the Bar.

Each state prescribes its own rules and regulations with reference to admission to the bar. These are not uniform. Most of them require the applicant to pass an examination, and if he can do so and will subscribe to the oath of office he will be admitted to practice regardless of where he obtained his legal education. The oath of office is usually to the effect that the applicant will support the Constitution and laws of the United States and the constitution and laws of the particular state in which he makes application for admission.

Word "Jade" of Spanish Origin.

The name jade is derived from the Spanish piedra de Ijda, or "stone of the loins." Early Spanish explorers found natives of Central and South America wearing precious stones as amulets, to protect them against pain. One of the most interesting jade ornaments worn in olden times was a girdle which gave out a musical tinkle when the wearer walked. Jade is thought to instill virtue into the heart of its wearer. Imperial personages were never permitted to remove their jade jewels, as each was worn for some symbolic purpose.

Informal.

At a school in the mill district of a certain manufacturing town in the East a teacher received first-hand impression of how the other half of the world lives. A little Russian was painfully progressing through his reading lesson till he was finally stumped on the word "plate." To help him the schoolma'am kindly inquired, "What is it mother brings in the bread on?" The little chap's eyes lit up with the light of understanding. "The newspaper," he said.

CHERRY HILL

A thank offering for the Missionary society will be held at the church Sunday, at 11:30. Miss Cady of Wayne, will be the speaker.

About sixty attended the farewell party given for Mr. and Mrs. Albert and Walter Marquardt, Friday evening. A bountiful supper was served.

Miss Mildred Strong of Ypsilanti, spent the week-end with Miss Mabel Pool.

William West was in Detroit, Tuesday, on business.

Mrs. Bert Stuart spent the week-end with her sister, Mrs. Bert Towne, in Detroit.

Mrs. Ed. Gotts entertained the missionary society, Thursday.

Several young people from here attended the Dixboro school social and dance at Dixboro hall, Tuesday evening.

Everett Burrell spent the week-end with her grandmother, Mrs. Gardner, in Highland Park.

Mrs. Henry Newton is on the sick list.

Chamberlain's Cough Remedy Aids Nature

Medicines that aid nature are always most effectual. Chamberlain's Cough Remedy acts on this plan. It allays the cough, relieves the lungs, aids expectoration, opens the secretions and aids nature in restoring the system to a healthy condition. Thousands have testified to its good qualities. Try it when you have a cough or cold.—Advertisement.

Four Reasons Why You Should Buy Your Ford Car this Month

I. THE UNPRECEDENTED DEMAND FOR FORD CARS THROUGHOUT THE WINTER MONTHS HAS TAKEN THE ENTIRE OUTPUT OF THE FORD PLANTS WORKING AT CAPACITY, INDICATING THAT THE DEMAND THIS SPRING WILL BE FAR IN EXCESS OF THE NUMBER OF FORD CARS THAN CAN POSSIBLY BE BUILT.

II. JANUARY WAS THE TENTH CONSECUTIVE MONTH IN WHICH RETAIL DELIVERIES EXCEEDED 100,000 FORD CARS AND TRUCKS. REQUIREMENTS FOR FEBRUARY, THE MONTH WHEN PREPARATIONS ARE ALREADY UNDER WAY FOR SPRING BUSINESS, CALLED FOR 148,407 CARS AND TRUCKS—MORE THAN 24,000 IN EXCESS OF THE NUMBER WE CAN POSSIBLY PRODUCE.

III. FORD DEALERS IN MANY PARTS OF THE COUNTRY ARE ALREADY FINDING IT NECESSARY TO SPECIFY FUTURE DELIVERY DATES ON FORD PRODUCTS BECAUSE THERE ARE NO RESERVE STOCKS TO DRAW FROM.

IV. YOUR ORDER PLACED NOW WILL PROTECT YOU AGAINST DELAY OR DISAPPOINTMENT LATER ON—IT IS THE ONLY WAY YOU CAN BE ASSURED OF REASONABLY PROMPT DELIVERY.

We consider it important to give these facts, so that if you are planning to purchase a Ford Car, Truck or Fordson Tractor for use this Spring or Summer you can list your order at once and take advantage of our dealer's first opportunity to make delivery.

METHODIST NOTES

Mrs. Sallow's company will give their birthday supper, next Friday night, March 2, instead of tonight. The Missionary Society will have a social afternoon next Wednesday, at the home of Mrs. Dickerson. All the ladies are invited. The Men's Class are planning a big Father and Son banquet week after next. Keep this in mind and watch for further announcement. The Third Annual Older Boys' and Older Girls' Conference will be held at the Central Methodist church, Detroit, on March 9, 10, 11. The Ladies Aid society held a delightful gathering at the church, Wednesday afternoon of this week. It was the occasion of a kitchen shower. We are sure the kitchen feels exceptionally proud and will take on a brighter and happier appearance. Well, think of this. Folks outside of town are getting interested in our new pipe organ. Miss Mabel Spicer of Indianapolis, sent us a nice check for \$25.00 to help the cause along. Thanks. How about some folks at home who haven't handed in their pledge yet? We will thank them, too, most heartily, and promise not to refuse them the privilege. We still lack just \$69 from being at the end of the goal. Whose next? The pastor is necessarily away again this week a good share of the time, helping in the educational canvass. The radio program broadcast from Central Methodist church, last Sunday night, was surely a great treat. A great deal of interference from somewhere made it difficult at times to quite catch all that Dr. Hough said in his sermon. But it was a worth-while demonstration of the possibilities of the radio. Thanks to Mr. Daggett. We will have a week night program from the Detroit News station sometime soon, which we believe will be at least 75 per cent clearer and better. "Cue-ism Applied to Religion," is the sermon topic next Sunday evening at 7:30. Hear about it. Week-night prayer service and study classes, Thursday evening, 7:30 to 8:30. Next Sunday is the last Sunday of the second quarter of this conference year, closing the first six months. Next week financial statements will be sent out to each subscriber to our church fund, showing how the church stands with its accounts, and also how each individual stands in account with the church. This will enable each one more clearly to see and appreciate our church problems. If anyone's subscription is fully paid up or over paid, this statement will be a receipt in full, and if not fully paid up, it will show just how much one is back. Let us make next Sunday to be Settlement Sunday for these first six months of the conference year. Co. E of the Aid society will have a bake sale, next Saturday, at Plymouth Auto Supply Co.

Notice the announcement given elsewhere in this paper, of the special meeting for women, to be held in the church, Wednesday, February 28. The Choir Chapter requires the choir, and requests all others to reserve from other engagements the evening of March 7. Wedding bells! The pastor is to address a convention at Bay City next Wednesday; so the mid-week topic announced for Wednesday night, will be considered at the next regular meeting. The Choir Chapter had a good idea recently, and took all of Thursday evening for "haters" but you will have to "ax" them about the success of their Washington's Birthday Dinner. All I know is that "Miss Detroit a la Mode" was a special guest, and a favorite with all. The unusual happened last Sunday, when elder A. D. Stevens did not attend the church services. Of course it was sickness that prevented. No one is more faithful than this "Grand Old Man of the Presbyterian Church," only he is not so old as this title would imply. May he have a speedy recovery. During March we shall make preparation for Easter. The pastor will teach a communicant class at the Sunday-school hour each Sunday, for those who desire to unite with the church on Easter Sunday. Join it. A regular meeting of the church and congregation for the election of additional trustees and elders, and for the transaction of such other business as shall be brought before the meeting will be held Monday evening, March 5th, following a pot-luck supper.

A Good Thing—Don't Miss It. Send your name and address plainly written, together with 5 cents (and this slip) to Chamberlain's Medicine Co., DeWitt Bros. and receive in return a trial package containing Chamberlain's Cough Remedy for coughs, colds, bronchitis, "flu" and whooping coughs, and tickling throat; Chamberlain's Stomach and Liver Tablets for stomach troubles; indigestion, gassy pains that crowd the heart, biliousness, and constipation; Chamberlain's Salve, needed in every family for burns, scalds, wounds, piles, and skin affections; these valued family medicines for only 5 cents. Don't miss it.—Advertisement.

PRESBYTERIAN NOTES

Notice the announcement given elsewhere in this paper, of the special meeting for women, to be held in the church, Wednesday, February 28. The Choir Chapter requires the choir, and requests all others to reserve from other engagements the evening of March 7. Wedding bells! The pastor is to address a convention at Bay City next Wednesday; so the mid-week topic announced for Wednesday night, will be considered at the next regular meeting. The Choir Chapter had a good idea recently, and took all of Thursday evening for "haters" but you will have to "ax" them about the success of their Washington's Birthday Dinner. All I know is that "Miss Detroit a la Mode" was a special guest, and a favorite with all. The unusual happened last Sunday, when elder A. D. Stevens did not attend the church services. Of course it was sickness that prevented. No one is more faithful than this "Grand Old Man of the Presbyterian Church," only he is not so old as this title would imply. May he have a speedy recovery. During March we shall make preparation for Easter. The pastor will teach a communicant class at the Sunday-school hour each Sunday, for those who desire to unite with the church on Easter Sunday. Join it. A regular meeting of the church and congregation for the election of additional trustees and elders, and for the transaction of such other business as shall be brought before the meeting will be held Monday evening, March 5th, following a pot-luck supper.

WHO KNOWS?

The Mail is desirous of collecting some historical data regarding the early days of Plymouth, and we are going to ask a series of questions, which, we hope, may bring about some interesting facts relating to the early history of the village. If you can give any information regarding these questions, write to the Mail office. If anyone has any questions they would like to ask in this column, please send or bring them to the Mail office. Here is a question for this week: Who knows anything about the military companies organized here during the Civil War? What year was Plymouth named? And by whom? Who is the oldest resident of Plymouth today?

NEWBURG

Rev. Wise preached an excellent sermon Sunday last. There were twenty-eight in Sunday-school. In the absence of the superintendent, Jack Taylor filled the place in a creditable manner. As the secretary was absent, Jack also acted as secretary. Epworth League meeting every Sunday evening. All welcome. There were thirty-six in attendance at the Patriotic Society held last week Thursday at the home of Mr. and Mrs. Albert Stevens in Plymouth. All enjoyed a fine oyster dinner, after which the meeting was called to order by the president, Miss Hattie Hoisington. As the next meeting occurs the later part of May, the committee for Decoration Day was appointed at this time: Charles Westfall and William Farley to place flags on the graves; Miss Ada Young to have charge of the music, and Miss Beulah Ryder committee on entertainment. A short program was then given, consisting of singing, "America," and several readings, followed by a social hour. Three old veterans of the Civil war were present: Comrades Chas. Westfall, Bunyan and Manser. This society feels amply repaid if it can afford any pleasure for the few remaining "Boys in Blue." All wish to thank Mr. and Mrs. Stevens for the very pleasant day spent in their home. Owing to the blizzard that swept over this section, last week Wednesday, the L. A. S. were unable to hold their meeting, which is postponed until the March meeting. Henry Grimm commenced work at the Northway General Motor Co., in Detroit, Wednesday morning. Mrs. Wight still remains very ill. Mrs. M. Eva Smith and Thelma Davey are on the sick list. Mr. and Mrs. C. D. Ryder's little son is still a very sick baby. Beulah Ryder is helping to care for him. Miss Ella Wight of Wayne, spent Monday with her sister, Mrs. M. Eva Smith. Leigh and Earl Ryder have about 20,000 cabbage plants transplanted, and Clyde Smith is busy with plants. George Clements motored out from Detroit, last Saturday afternoon, bringing his brother, Clarence and sister, Margaret, to spend over Sunday at the parental home.

SOUTH SALEM

W. B. Rorabacher returned Saturday from Beyer hospital, Ypsilanti. His fractured leg is now in a cast, and he hopes soon to be about on crutches. Mr. and Mrs. Coda Savery and daughters were in Ann Arbor, Tuesday afternoon. Mrs. Otha Cole and daughter, Margaret, are recent victims of the grippe. Angus Heeney has been chosen juror from Salem, for the next term of court at Ann Arbor. Harry Brinkman has a position in Detroit. Mae Mager has a position in the telephone office at Ann Arbor. Louis Siefeloff and Louise Rorabacher were home from their respective schools for the week-end. The girls of the Worden church will give a Washington social at the church, Friday evening, March 2nd. There will be refreshments and a program. All cordially invited. The Federated Aid met yesterday with Mr. and Mrs. Lewis Haab on the Base Line. Dinner was served. Mrs. Edith Rorabacher and Bruce Rorabacher were in Ann Arbor, Wednesday, and called on Dorothy McClumpha at University hospital. Dorothy is improving, and hopes soon to be home. School was closed in the Jarvis district, Wednesday and Thursday of last week, owing to the blocking of the roads. The Plymouth, Rushton and Salem rural mail carriers, serving this vicinity, failed to make their rounds last Wednesday. Velma Nelson was calling in Plymouth, Sunday afternoon. Glen Whittaker took a truck load of cattle to Detroit, Monday, for Olin Tait. Mr. and Mrs. Kenneth Rich were recent callers on Mr. and Mrs. Roy Lyke in Plymouth. Mr. and Mrs. Nelson Bender called on Mr. and Mrs. Glenn Whittaker, Tuesday evening. Mr. and Mrs. Whittaker spent the day in Plymouth, and dined with Mr. and Mrs. William Tait.

TIMEPIECE VARIES

One's Watch Often Affected by Moods of the Wearer.

Modern Vest-Pocket Machinery So Delicately Adjusted That It Responds to Personal Magnetism.

It is not every one who can wear a watch, according to an article by a watchmaker, observes the North China Herald. At least, not every watch works with such regularity on one body's person as on another. The explanation is simple. Modern vest-pocket machinery is often so delicately adjusted that it becomes affected by the temperament of its wearer—that is, affected by personal magnetism.

For example, a couple of months back a woman brought me her watch as often as once every three days, complaining it was either too fast or too slow, the contributor continues. Each time I tried it it ran beautifully, but once on the woman's person the irregularity of the watch was noticeable.

On inquiry, I found that she was of a highly nervous temperament while at other times she suffered from attacks of melancholia. Whatever her mental state, the watch recorded it. When she was vivacious it worked fast. When she was in a low mood it went slow.

Not only are men's watches similarly affected, but the timepieces are also greatly influenced by excess bodily electricity. Even a peculiar gait necessitating an awkward movement of the body is responsible for the throwing of some watches out of gear, and more than one man has had to abandon the watch-repairing business because he magnetized the delicate hair springs.

Engine drivers have often declared their watches kept excellent time while on a regular route. But once a new route was being worked the accuracy of their watches suffered until accustomed to the change, while a man who worked on a long stretch followed by a long rest failed to keep his watch working with regularity.

Motorists' watches are sometimes affected in like manner. Even the simple act of changing the position—say, from one pocket to the other—has been known to disturb the delicate mechanism of an otherwise good watch and impair its time-keeping qualities.

Very often it is impossible to regulate such watches unless the conditions under which they went wrong are known beforehand. If the temperament of each customer is briefly defined at the time, so much the better for the watchmaker and client alike.

Another reason why shop testing sometimes fails is that watches connected with the same wall, or shelf, have such a sympathetic effect in keeping time that they stop those which heat in an irregular way, and if any are at rest they set a-going those which heat accurately.

Commonly speaking, the autumn of the year is not favorable to the regularity of most watches. This is because of the extreme changes of temperature. A watch which has been carried in one's pocket all day, and kept more or less warm, suffers the effects of shock when placed on a cold marble slab at night, or where there is a direct window draught.

So there you are next time anything goes wrong!

Projected Airship Service.
The project for an airship service between Spain and Argentina has progressed so far that airship stations are being erected at Seville and Buenos Aires. The stations are enormous circular sheds revolving under electric power so that an air liner may be housed safely no matter how hard the wind is blowing, or from what direction.

The ships to be used will have nine motors and carry 40 passengers, in addition to the officers and crews, and will accommodate also 11 tons of baggage and mail.

A trip is contemplated each day weekly, the westward trip occupying three days and the eastward four days and six hours.

Taking Chances.
"One of the most difficult things to do," said a superintendent of one of the large office buildings as he finished reading an account of a window cleaner in New York falling from the tenth floor, "is to make employees take ordinary precautions. We make it a rule to discharge window cleaners who resist to make use of the lift belt with which each one is equipped when working on the outside of the premises. Do you know that I am constantly discharging them for their carelessness? And our jobs are worth having. Men working at high elevations are cool-headed, familiarity makes the careless; hooking the lifeline is too much trouble, so they take a chance. This chap who fell did that."—Exchange.

The Lady of the Kismet!
A respected native of Mecca, Al-Imony, failed to appear for his supper of date soup and fig tenderloin. When he finally reached home, just as the renders of cups of milk were making their rounds, his spouse sat waiting for him with a marble volume of the Encyclopaedia Arabiana balanced warily on her arm.

"Where have you been, Al-Imony?" her tones stilled forth.

"Why—er—I was detained at a lodge meeting."—New York Herald.

M. A. C. HAS STRIKING EXHIBITS FARMERS' WEEK

During the year the college students work out experiments to be shown Farmers' Week for which credit is received the same as for any other outside work. The Plymouth pupils who attended the judging contest took especial interest in the "Pig Feeding Experiment."

What good is skim milk? This question has been asked many times, but perhaps nothing shows its value as well as the two pigs on exhibit in the pavilion of the Agricultural Building at M. A. C. These pigs were taken from the same litter, but one was fed corn and milk, and the other, corn and water. The pigs always had corn before them. Both weighed 36 pounds when this feeding was started, and at the end of two months the pig fed on corn and milk weighed 193 pounds, while the other weighed 45 pounds.

The first pig was well developed, fat and ready for market, while the second was very thin, undeveloped, immature and probably never would be ready for market. This shows that milk is necessary even in the diet of a pig. It is the common opinion that a pig will thrive on anything or nothing, but this experiment ought to show that it will not.

The following from the "Michigan Farmer" gives the results of the fruit judging contest. Those from the other contests are not as yet available.

JUDGING CONTEST AT FARMERS' WEEK
Boys and girls who attended Farmers' Week were to be seen at many of the meetings, but no spellbinder had half the attraction for them that the high school students' judging contests had. There were 180 entrants in the grain judging, 110 in the live stock judging, sixty in the poultry judging and eighty in the fruit judging. Results of the fruit judging were the earliest to be compiled. Bangor High School took first place with 562 points out of a possible 600. Allegan was second with 507, while St. John's followed closely with 506 for third. Plymouth placed fourth with 479 and Benton Harbor fifth with 445. Other schools entered were Hillsdale, Ypsilanti, Ionia, Traverse City, Cass City, Paw Paw, Holly, Howell, Hazlett and Buchanan.—H.

Today's Reflections
Two things we don't have to worry about any more are pug dogs and lightning rod salesmen.

As one Plymouth man said yesterday, in towns like Chicago you're run down by autos and in the smaller towns by gossips.

If you think clothes don't count for anything, try going without them for awhile.

Any Plymouth man can get his wife's undivided attention by talking in his sleep.

Woman's love for dry goods has broken up almost as many homes as man's love for wet goods.

Lightning and good looks are somewhat alike. They seldom strike twice in the same place.

It has been our observation that a Plymouth man never generates more enthusiasm than when he is trying to sell something he has no use for.

Uncle Sam is complaining that he can't get all the money due for income tax. Neither can the fellows who have to pay the tax.

For over 2000 years Europe has been feeling with the buzz saw, yet she still acts surprised when she gets a finger nipped off.

Some Plymouth women seem to think that the nice thing about having a husband is they can tell him who else they could have married.

The man who tells a girl he would die for her wouldn't be so rash if he had ever tried it.

Virtue is its own reward, but some people seem to think that it requires a lot of advertising.

About the time the average Plymouth man thinks he can make both ends meet, somebody comes along and moves the ends.

A hen is about the only living critter that can set still and produce dividends.

GRANGE NOTES
The March 1st meeting will be the fulfillment of the arrangements for February 15th, which failed to materialize on account of weather conditions. Ralph Carr, Miss Woodworth and Mr. Wagner, if possible, will bring gleanings from Farmers' Week at M. A. C., as will also others of our number privileged to attend. Pot-luck dinner at noon, and dishes, too.

We are glad to announce Worthy Master Postoff on the improve.

We call attention to the change of date of the Lily Club bazaar, from February 24th to Friday, March 2nd, where there will be various booths presided over by competency personified. In the evening will be the play, with a 25c admission. Don't forget the date, Friday, March 2.

SCHOOL NOTES

For this column, Alice VanArsdale furnished the high school material; Bonnie Mueller, that for the grades; Clara Hauk, that on the M. A. C. exhibit; and Avis Blackmore, that on the Smith-Hughes Law.

On Thursday evening, the Girl Scouts met at Grace Herrick's home. Elizabeth Beyer and Irene Kelley successfully passed the tenderfoot tests. Then all brains, working in harmony with the crunching of pop corn and apples, did their best to compose odes to their dearest Scout chums. The Girl Scout group is rapidly increasing.

The following High school students took advantage of the opportunity of seeing Robert Mantell and Genevieve Hamper in the "Merchant of Venice," at the New Detroit, on Saturday: Juanita Coe, Thelma Peck, Mildred Shogren, Janet Whipple, Irene Truesdell, Elizabeth Beyer, Julia Wilcox, Grace Herrick, Grace Tillotson, Dorothy Melow, Mary Parrot, Florence Cline, Madeleine Shackleton, Pierre Kenyon and Glenn Arnold. Two shepherdesses, Miss Boggs and Miss Schmid, carefully watched over this goodly flock.

Last week the Senior French class wrote a long French letter to Dorothy McClumpha. This week each of the members wrote a French letter to Gladys Schrader.

On account of the very good work done by Carol and Eudora Birch in the sixth B class, they were promoted to the seventh grade, after spending only a half year in the Sixth grade.

Evelyn Hillmer from Detroit, has just been enrolled in the Fourth A class.

Eljean Briggs also from Detroit, has just been enrolled in the fifth B class.

The children in the first grade are dramatizing story plays which are very appropriate for this time of the year. Some of these are: The Play Ground, Putting in Coal, Building a Fire in the Stove, Jack Frost, and A Play in the Snow.

Short program was given by the sixth grade in honor of Washington's birthday. Poems were read by various pupils, and the story of Washington's life was read by Mr. Walker.

Owing to the illness of the superintendent and several of the teachers, as well as of the pupils, the Northville schools were closed last week Wednesday. This means that the games scheduled to be played there with Plymouth had to be canceled. Our own schools are not hitting on all cylinders because of the gripe and the weather. Mrs. Hillman has been supplying for Miss Streng and Miss Traut's classes have not been called. There were 84 absent in High school the day of the blizzard and 45 on Monday last.

The credit of installing the radio is given to the physics class of this year. The class last year started to set up the apparatus, but because they were not able to obtain some of the parts it was never completed.

Last week Wednesday was Aggie Club meeting and also Valentine Day. Names were drawn so that everyone would get a valentine. The weather was so cold, that the meeting was postponed until Thursday.

Lincoln's birthday was celebrated by the seventh and eighth grade English classes, writing themes for the occasion.

Because of the winter conditions last week, the eighth grade have been very enthusiastic over "Snow Bound," a poem they have finished reading, which tells about the home life of New England in the winter time.

WHAT IS A SMITH-HUGHES SCHOOL?
In order that a high school course in agriculture may be justifiable and so that it may be a matter of practice as well as of theory, Congress has passed the Smith-Hughes law, which provides federal money amounting to fifty thousand dollars this year for Michigan, to aid vocational schools. This money, which increases each year, is divided among eighty schools, and is matched with one-half as much by the state. For Plymouth the amount which is to be used only for teachers' salaries, is fifteen hundred dollars this year. Each state has the right to supervise its own schools, and there must be at least twelve students taking the course provided in each school in order to obtain federal aid. Since agriculture is the only course given here under the Smith-Hughes provisions, one-fourth of the subjects taken each year must be agriculture; the complete course being Botany, Farm Crops and Horticulture, Animal Husbandry and Chemistry of Soils and Farm Management; and one-fourth a related science, which includes Zoology, Chemistry and Physics. Students must carry on six months of project work, which necessitates an instructor for twelve months.

A vocational school aims to help the student in applying his knowledge in the actual practice of earning his living. Thus it is to enable the boy or girl to earn rather than to learn that the Smith-Hughes law was introduced into High schools.

Place Your Order for a New Chevrolet Car Now!

FOR ECONOMICAL TRANSPORTATION

It is very evident at this time that the Chevrolet Motor Co. is not going to be able to supply the demand for new Chevrolet Cars, this spring.

The result will be that you won't be able to get your car when you want it.

Right now the factory is running at maximum production, and today they are not able to fill orders. What will the condition be when warmer weather comes, and the outlying districts call for their quota?

You can overcome that by placing your order with us now for delivery some time in the near future. That will enable us to get your car in the meantime.

We would appreciate your getting in touch with us at once. Call us up—drop us a card—and we will immediately call on you with our proposition—or better still come in and see us.
