## WILL BUILD FIFTY MILES OF GOOD ROADS

COUNTY FORCE WILL START IN APRIL TO BUILD MORE CONCRETE HIGHWAYS.

We take in part an article in Sunday's Detroit Free Press regarding the building of county roads in Wayne County during the coming year, that will be of interest to the people of this community:

Fifty miles of new concrete roads will be added to the Wayne county roads system during 1923, Edward N. Hines, chairman of the board of road commissioners has announced. Sixty miles of road already are graded, the major portion of the drainage structures built and yards and sidings installed for the working crews, he said.

Weather conditions permitting, the season's road work will begin early in April. Materials already are stocked in sufficient quantities to build at least 15 miles of concrete highways.

The Middle Belt road south of Michigan avenue road will be built of concrete, 20 feet wide, 30 feet over all, as far as the Eureka road. This road is all graded and ready for an early start at Michigan avenue road. In 1924 the Middle Belt road will be extended to connect with the Huron River drive.

"Another widening job of considerable importance is that of the Canton Center road. Grading operations are now under way and a concrete mixer will be started at an early date to widen this road from 15 to 27 feet of concrete. The Five-mile road will be built of concrete, 20 feet wide, 30 feet over all, from the city limits of Detroit to the Plymouth-Northville road, where it makes a connection by Henry Ford's dam on the River Rouge with the house of correction farm three miles to the west. We expect to complete about half of this 20-mile stretch this year.

"Coon avenue, between the city limits and the Town Line road, which is part of the new federal project for Plymouth road, will be started in May. Grading operations and underdrainage have been completed. This will be a 40-foot concrete road, and when the city has completed the new right-of-way will make a direct outlet to the west from Grand River through Plymouth, Ann Arbor, Jackson and Chicago.

"Plymouth road will be paved with concrete from the Town Line road to the Washtenaw county line, the state and federal governments paying 75 per cent of the cost. The contract, however, does not call for completion until the fall of 1924. The grading on the westerly end from Plymouth to the Washtenaw county line will be completed this year and allowed to settle, as there are many heavy cuts and fills. Concrete operations will be started at the Town Line road between Redford and Greenfield townships. Several miles of concrete will be poured this season, and the whole road completed in 1924.

## A NEW BUSINESS FIRM HERE

Jacob Simon & Son will open their new store in the building they recently purchased of Floyd Hillman, and lately occupied by Jewell, Blach & McCordle, Saturday, March 17th. The new firm have made some extensive improvements in the interior of the store and a new front has been constructed, and the whole presents a very handsome appearance. They will carry a complete line of dry goods, men's and boys' shoes, ladies' and gents' furnishings. They have taken a half-page advertisement in today's paper, in which they extend a cordial invitation to the people to visit their new store on opening day. They are also offering some attractive bargains for opening day.

Mr. and Mrs. William H. Wakeley and daughter, Geraldine, of Detroit, were Friday evening dinner guests of Mr. and Mrs. H. A. Spicer.

Dr. Carl F. January, osteopathic physician, a graduate of the American School of Osteopathy of Kirksville, Mo., has opened an office in the post-office building, on Penniman avenue, Plymouth. Dr. January was formerly house physician for the Delaware Springs Sanitarium, Delaware, Ohio.

## HOME TALENT PLAY

The home talent play, "Molly Bawn," given at the High school, Wednesday night, was attended by a large and appreciative audience, the large auditorium being packed to the doors. The stage settings were very attractive and added much to the enjoyment of the performance. Each member of the cast took their part in a very splendid manner. Their costumes fitted each scene. The specialties between acts were much enjoyed by all. Taken all in all, it was one of the best home talent plays given here in a long time, and reflects not only credit upon those who took the parts, but those who had the play in charge as well.

## VILLAGE ELECTION RESULTS

The annual village election held last Monday, brought out a very light vote, only 188 voters casting their ballots at the polls. Three ballots were spoiled. The following is the vote cast for each candidate:

John W. Henderson	124
Roy R. Parrott	122
Edwin R. Daggett	119
George H. Robinson	102
Henry J. Fisher	75

The first three are elected commissioners.

## Church Visitation Day

NEXT SUNDAY AFTERNOON

When an attempt will be made to visit every home in our Methodist constituency. If anyone is missed be sure it will not be intentional. Just a friendly, personal, social visit by Christian folks to get better acquainted, and show our personal interest in one another. These are messengers going out in the name of Christ. We pray you receive them as such.

**PRAY! PRAY! PRAY!**

Christian folks ought to spend much time in prayer these days that God's blessing may rest on our efforts for him during these important weeks before Easter. Pray that Easter Sunday may witness the ingathering of many souls reborn by the resurrection power of Christ.

Are You the Seventh or Just One of the Six?

Authorities claim that six men out of every seven, after working forty-five years, from the time they are twenty until they are sixty-five, must either keep on working or depend upon someone else for support.

The deplorable part is not that they should work, but that they should work only for a living. Think of it—forty years of work with nothing to reward him but three meals a day, and in many cases those supplied by someone else.

### STARTLING FIGURES

According to an article in a magazine reaching this office, if taxes increase in the next seventeen years at the same rate they've increased since war ended, they will eat up just 50c of every dollar earned. In 46 years, this writer says, taxes would absorb the net earnings of laborers, salaried men and most corporations. Taxes in 41 states in 1919 were 82 per cent higher than in 1912. In 1920 they increased 21 per cent over the preceding year, and in 1921 a 12 per cent increase was shown. In 1917 our taxes amounted to \$5.97 per \$100 of income; in 1921 this amount had risen to \$14.31 out of every \$100. Reforms in taxation have got to come, or this country is going to meet the fate of other nations, which, history tells us, fell into a decline when tax burdens heavier than the people could bear were hung about their necks. It has happened, and it can happen again. Unless the American people demand reforms it may happen here.

### SAFETY LAST

In the hope that the auto driver who won't pay any attention to the "Safety First" slogan, may give attention to one favoring safety as a last resort, a Detroit man has written out a number of epitaphs he suggests be kept handy and placed on the gravestones of speeders when the final crash comes—as it does come, sooner or later. We believe Plymouth citizens will be interested in these epitaphs, because they contain more truth than poetry. So here are a few of them:  
"Lies slumbering here one William Lake; he heard the bell, but had no brake."  
"At fifty miles drove Arthur Pidd; he thought he wouldn't skid, but did."  
"At ninety miles drove Eddie Shawn; the motor stopped, but Ed kept on."  
"Down in the creek sleeps Jerry Bass; the bridge was narrow—he tried to pass."  
"Beneath this stone lies William Raines; ice on the hill—he had no chains."  
"Here lies the body of William Jay; who died maintaining his right of way."  
"Here rests the remains of Percival Sapp; drove his machine with a girl on his lap."  
"And here's what's left of Samuel Small; he paid no attention to Slow signs a-tall."  
"That ash pile there is Billy Hatch; he looked in his gas tank with a lighted match."

## BASKET BALL

### GIRLS' BASKET BALL GAME

Were you with the crowd that went to Farmington on the special car, to witness the winning fight between P. H. S. and F. H. S. girls last Friday night? One side of the room was packed with Plymouth people, who did not hesitate to make their presence known by the continuous yelling and stamping their feet.

During the first quarter, the Farmington girls got the best of our girls by just 4 points. In the second quarter, because of their excellent teamwork, our girls made that all up and one point more. Farmington did not score a basket in the second quarter, the score being 8 to 9. The third quarter was hardly started before one of our best players, Bonnie Mueller, had her side severely hurt, as Trema Catherman, the Farmington forward, and Bonnie went tumbling half way across the floor in pursuit of the ball. It was a serious injury to the whole team, because she was unable to play any of the rest of the game.

In the latter half of the game, first Plymouth would score a basket and then Farmington, putting each team in the lead alternately. Every time Farmington's team would make a basket, the Plymouth people would hold their breath for fear the final whistle would blow before the ball could be passed back to our court. Luck did come our way just as the whistle, as Marian Kiely put the ball in the basket, making the final score 21-20.

Everyone be sure to attend the last game of the season—Redford at Plymouth, next Friday night, March 16th.

Farmington line-up—

Catherman, r. f., 4 2-point baskets, 2 free throws, 1 P.; Hambleton, l. f., 5 2-point baskets, 2 P.; Goyer, i. c.; Nichols, s. c.; Kresger, r. g., 2 T., 1 P.; Pauline, l. g., 1 T. Spaller—substituted for Hambleton—1 T.

Plymouth's line-up—

Kiely, r. f., 7 2-point baskets, 1 free throw; Amrhein, l. f., 2 2-point baskets, 2 free throws, 1 T.; Freydl, j. c., 2 P.; Whipple, s. c.; Mueller, r. g., 2 P.; T.; Shogren, l. g.; Hake, l. g., 3 T. Bolton substituted for Mueller 1 T. 1 P.

Referee—Miss Nickoli, Ypsilanti.

### LOCALS DEFEATED AFTER HOT FRAY IN OVERTIME PLAY

Farmington defeated the "Rocks," last Friday night, by a score of 19 to 18. The "Rocks" were in the best of condition, due to their severe training, and the hard work on the part of the boys. The game started with a fighting spirit which lasted throughout.

Plymouth was the first to score, getting a basket in the first few minutes, but Farmington made it interesting by immediately doing likewise.

The "Rocks" were wide awake, and by good passing and strong teamwork, managed to get one or more baskets in the first quarter. Capt. "Suds" also taking advantage of his one chance, made a foul shot to close the quarter. The score at this time was 7 to 2, with the "Rocks" in the lead.

Plymouth basketekers slowed down during the second quarter, making only one free throw, while Farmington dropped in three free throws and one field basket, closing the half with the score of 8 to 7, the "Rocks" still in the lead.

Farmington was at her best, and they rapidly scored three field baskets and one free throw, while the "Rocks" made only three points, thus putting Farmington in the lead for the first time, with a score of 14 to 11.

Although the "Rocks" outplayed Farmington all during the last quarter, they were still two points behind, when just as the final whistle blew, the referee called a personal on one of the Farmington men for holding, giving Capt. "Suds" two free throws, which he successfully made. A wild cheer arose from the Plymouth crowd, as they realized that our boys still had a chance of beating the best team in the Four-Square League.

Before the whistle blew for starting the five minutes of overtime play, all of the Plymouth people gathered in one corner and gave cheer after cheer. This helped as the team fought with all the strength and vim they had left. As the Farmington team made the first basket, Williams of Plymouth, sprained his ankle, making it necessary for Coach Walker to put in a substitute. Our team then got a basket, tying the score again, but a foul was called on Holmes, giving Farmington two chances, and they were winners by one point.

Plymouth line-up—

Sutherland, r. f.; Stevens, l. f.; Strasen, c.; Bartlett, r. g.; Holmes, l. g.; Williams for Bartlett, Birch for Williams.

Farmington line-up—

Ranus, r. f.; Clark, l. f.; Sallow, c.; Harmon, r. g.; Wixom, l. g. Stamann for Harmon. Quinn for Clark

### BOYS' SECOND TEAM GAME AT FARMINGTON

For the first time this year, the second team played with good teamwork, Plymouth having the lead throughout the game. At the final whistle the score was 22 to 4. The playing was fast and exciting through the whole game. Hickey gained all baskets in the first quarter, the score of which was 5 to 1. The second quarter was even closer than the first, with only 1 point to our credit. In the second quarter Hickey was re-

placed by Millard at left forward. He returned in the fourth quarter, but was soon compelled to leave the floor because of four personal fouls. This loss appeared to nerve the men to greater effort instead of to discourage it. With the score eight and three, our boys started a rush. Breaking up Farmington's defense, Plymouth was everywhere upon the floor gaining six baskets in five minutes. Farmington was able to score only one more point, the final score being 23 to 4. Following is the line-up.

Taylor, 1 2-point basket; Cline 1 2-point basket; Goyer, 4 2-point baskets; Hickey, 4 personal fouls, 2 2-point baskets, 1 free throw; Draper; Millard, 4 free throws, 1 2-point basket.

### GIRLS' SECOND TEAM GAME AT FARMINGTON

Plymouth's second team girls played one of the closest games of the season, losing by a two-point basket, on Farmington's floor, last Friday afternoon. Being unfamiliar with the floor, our girls were slow in getting started in the first quarter. In the first half, Bird missed repeated chances at the basket, scoring only twice. The half ended 6 and 4 in Farmington's favor. In the second half, M. Bolton was substituted for M. Griffith, Herrick for White, and Shogren for Herrick, which resulted in a score of 14 to 12 in favor of Farmington. Farmington had no fouls called, while they scored seven points from the 14 fouls called on our girls. Catherman of Farmington's first team refereed the game. The line-up.

I. Bird, r. f., 6 2-point baskets, 3 T.; D. Hinnau, l. f., 1 T.; G. Bird, j. c., 2 T.; E. White, s. c., 1 T., 1 P.; M. Griffith, r. g., 1 T., 1 P.; M. Bolton, sub. r. g., 1 T.; G. Herrick, l. g.; M. Shogren, sub. l. g., 2 T., 1 P.

### THE THEATRE

**"MIGHTY LAK' A ROSE"**  
"Mighty Lak' a Rose," Edwin Carew's new production released by First National, will be the attraction at the Pennington Allen theatre, Sunday and Monday, March 18 and 19. This picture tells the story of a poor young girl whose sweet appealing nature is enhanced by the wonderful appeal in the music of her violin. When Providence transports her into the midst of a band of crooks who intend to use her in their schemes, a thrilling battle between the forces of good and evil begins and ends with good not only winning, but having its conquered foe bow smilingly before it.

**"QUINCY ADAMS SAWYER,"**  
FAMOUS NEW ENGLAND STORY. TO BE SHOWN AT PENNINGTON ALLEN THEATRE.  
One of the most widely heralded of this season's photoplays is announced as coming on Wednesday and Thursday, March 21-22, to the Pennington Allen theatre. It is "Quincy Adams Sawyer," a Metro-SL picture based on the famous story of New England life which was a phenomenal best seller when it appeared a decade or so ago. So great was the popularity of the printed narrative by Charles Felton Pidgin that it was dramatized, and in this form it won more favor. The elaborate photoplay version is even more interesting than the book or the play.  
"Everybody knows the story of "Quincy Adams Sawyer." Everybody knows and loves its quaint rustic characters. The story of the young lawyer from Boston, Quincy Adams Sawyer; his coming to the small town of Mason's Corner; his experiences in running down a dishonorable scoundrel; his great love affair—all this is part of the attractive novel which is now a screen play. The delightful rural characters are fun-provoking to the extreme, and the fresh, clean, humor will appeal to all lovers of better photoplays.  
A lavish production has been given this famous story. To enact the roles in the picture, the entire motion picture industry was searched for its best material. As a result, one of the highest-priced assemblies of talent is seen, and in the list are players who have been starred in their own right. Among the more important are Blanche Sweet, Lon Chaney, Barbara La Marr, John Bowers, Elmo Lincoln, Louise Fazenda, June Elvidge, Hank Mann, Zasu Pitts, and many others.  
"Quincy Adams Sawyer" was adapted from the novel by Bernard McConville. It was directed by Clarence B. Badger. The production was made by S. L. (Arthur Sawyer-Herbert Lubin) and is released by Metro.

### SCHOOL NOTES

#### HIGH SCHOOL NOTES

"Farming is not a drudgery, it is a business—one of the greatest businesses in the world," declared the field agent for the American Agricultural Chemical Company in a talk to Mr. Ross's horticulture class, Wednesday, during their trip to Eckles & Goldsmith's, and then he told them how to improve the business by the intelligent use of fertilizers. The trip was made as a supplement to the study of fertilizers, especially in connection with garden crops.

"Did you ever try to see how fast you could read, and still 'get' the story?" Psychologists have proved that the faster a person can read, the greater his mental efficiency, and the more unified his comprehension of the story, because he sees it as a whole, and not as a series of words. In a silent reading contest the other day, five pupils attained the maximum rate of 700 words a minute, while the eighth grade standard was from 200-240 words a minute.

The High school orchestra and the Boys' Glee club contributed several selections of music at the Methodist play, "Molly Bawn," Wednesday night.

In spending a profitable as well as an amusing hour with the birds, Friday afternoon in assembly, classes were forgotten. Mr. McCormick, who has visited the school twice before—in 1905 and 1912—gave a delightful program, including imitations of the songs of several different birds, what sort of bird houses attract each, stories of Brownie, his dog, who for twelve years assisted him in his entertainments, and miscellaneous imitations of barnyard fowls, flies, a boat on the Detroit river, a Roman candle on the Fourth of July and a lumber mill. Mr. McCormick's summer home is at Onekama, Michigan.

As a variation of the routine of class work, Mr. Ross' physics class went on an inspection tour of the round house, last Thursday afternoon, and after completely exploring the building, found they still had time to visit Hill's milk house, where an ammonia refrigerating process is used. The textbook study of this subject had been finished only a few days before, and this trip gave practical proof of the efficiency of the system.

An Aggie Club pot-luck shadow social will be held at Clara Hawk's, tomorrow (Saturday) night at 8:00 o'clock.

Group singing was the feature at the Aggie Club meeting, Wednesday noon.

#### GRADE NOTES

The eighth grade manual training boys are interested in the construction of table lamps, hall trees and other small pieces of furniture, which they are making to take home.

Mrs. Guy Weeks visited Mrs. Root's room last Wednesday afternoon.

Leah Seiting, who was a pupil of the first grade, has moved to Detroit.

The first grade pupils, in their nature study, are talking about the work and the play of the wind. They are also studying Holland, the land of windmills.

The third grade pupils in Miss Dixon's room are doing stick printing in drawing. It is a simple method for use in making border designs, and is preparatory to the use of water colors.

In Miss Sundling's room the pupils are making rows of trees for use in spring border designs.

The fourth grade pupils in Miss McClumpha's room are making out paper landscapes of brilliantly colored fields and hills. They are learning the artistic relationship of the shapes and sizes of hills and the proper colors to be used for the fields and hills.

The girls in section three physical training class have learned Checco-Slovakian dances. The name of the dance is "Kam-ty-jedes," (where are you riding?) Pupils enjoy these because they have so much vim.

The first and second grades are playing, "Around the Mulberry Bush."

Miss Harris has been ill with the "Flu" for the past week, and Deris Burnett has been substituting.

Miss McClumpha was ill last week, and Mrs. Hillman and Mrs. Nagle were substitutes.

Last Friday afternoon, Mr. McCormick, "The Bird Man," from Onekama, Michigan, talked to the third, fourth, fifth and sixth grades. He imitated many songs of birds, told them how to build bird houses, and lastly, told them a story of his dog, Brownie, who helped him to give his entertainments for twelve years.

The Girl Scouts held a "hard times shadow social" Thursday evening of last week, over Beyer's Pharmacy. There was a good crowd in attendance. After an evening of games, etc., the shadows were sold, netting the Scouts a neat little sum for their treasury. Prizes were given for the most ridiculous costumes. Gladys Hake and Mena Bolton received the honors.

Manager H. R. Lush of the Penniman Allen theatre, announces that he has secured the great picture film, "When Knighthood Was in Flower," with Marion Davies as the star, to be shown at the local theatre, April 1, 2 and 3. This picture has had a phenomenal run in all the large city theatres. It is a most wonderful picture, and only the larger city theaters are able to run this film because of its great cost. Manager Lush is to be congratulated for bringing the very best pictures that he can secure to the local theatre.

### Today's Reflections

The Plymouth girl with a mole on her nose can't understand why anybody should worry about a little thing like hardening of the arteries or appendicitis.

We heard one Plymouth woman tell another that eating pickles makes people beautiful. But getting into one doesn't.

We'll bet the fellow who invented kissing was surprised at the result.

Another difference between death and taxes is that you can do all your dying at one time and get through with it.

There's one secret that a Plymouth woman can and will keep. That is when she has had her last year's hat made to wear over again.

As a rule the Plymouth man who fails to chip in when the plate is passed is first to criticize the sermon.

There were more pleasant days, however, when ladies didn't stand up for their rights, and men did stand up for the ladies.

A Plymouth doctor told us recently that it's best to smoke only after a meal. But who wants to run home and get a meal every time he wants to smoke.

### LOCAL NEWS

Mrs. Harold Joffe was taken to Harper hospital for treatment, Saturday.

Mr. and Mrs. H. S. Lee of West Ann Arbor street, entertained guests from Detroit for dinner, last Friday.

Dr. S. E. Campbell, who has been visiting his son in Chicago since last fall, returned home, Wednesday evening.

M. G. Hill left this morning for Plymouth, Indiana, to attend the funeral of Mrs. Hill's mother, Mrs. VanGilder, who passed away Thursday morning, March 15th.

Friends here will be sorry to learn of the death of Mrs. Charles Reeb, which occurred at Bowling Green, Ohio, last February. Mr. Reeb was formerly superintendent of the Plymouth schools.

Born, March 11th, to Mr. and Mrs. William Fishlock, a girl, at the Sessions private hospital, Northville. Mr. and Mrs. Fishlock just recently moved into their new home on Schoolcraft road near Phoenix.

At the last meeting of Plymouth Rebekah Lodge, No. 182, held last Friday evening, March 9, the Degree Staff with its Degree Captain, Carrie Jewell, conferred the degree upon ten candidates. After the work, light refreshments were served, 75 being present.

Those from out of town who were here to attend the funeral of George Bridger, Saturday, were: Claude Bridger of California; Mr. and Mrs. Floyd Wilson and daughter, Ruth, of Grand Rapids; Mr. and Mrs. Ed. Pullen and son of Belleville; Milo Pullen of Wayne; Mr. and Mrs. Eugene Palmer, son, Lyndon, and daughter, Janitta, and Charles Pullen of Ann Arbor; Mr. and Mrs. Charles Eddy of Fowlerville; Mr. and Mrs. Theodore Sheldon and sons, Burt and Glen, of Ann Arbor.

### LIVONIA CENTER

There was no school this week Monday and Tuesday, on account of the illness of the teacher, Miss Carrier. So many of the pupils have been sick during the past month that the attendance has not exceeded half of the enrollment.

The eighth grade is studying, "Snow Bound."

Eric Smith entered school last week, which enlarges the class to an even dozen.

The wind storm Monday did considerable damage to trees and fences, but the fox farm suffered the heaviest loss, as a part of the high board fence, which surrounds the pens, was blown down. Mr. McTavish of Detroit, president of the Michigan Silver Fox Co., is at the ranch looking after repairs.

### CHERRY HILL

The Ladies' Aid dinner, held at the home of Mr. and Mrs. A. W. Salts, Tuesday of last week, was well attended. A beautiful dinner was served by the committee, composed of Mrs. J. Dicks, Mrs. A. Dunston and Mrs. Ed. Gotts. A short business meeting was held, after which a program prepared by Mrs. Mervel Huston was given.

The children of Cherry Hill and Hartford schools assisted in the pageant that was held at the Canton Center school house, Saturday afternoon.

The Parent-Teachers Association gave a seven o'clock dinner at West's hall, Monday evening which was well attended. A pageant and historical program was very much enjoyed.

Mr. and Mrs. Lee Johnson of Detroit, have a little son, John.

Mr. and Mrs. Matthew Swegles are the parents of a 14-pound boy. They were formerly residents of this place.

Mr. and Mrs. James Burrell called on their sister, Mrs. Ray Bogart of Northville, Sunday. Mr. and Mrs. Bogart are the parents of a daughter, born March 1st.

Mrs. Heckert is entertaining her sister and niece from Kansas, this month.

Mrs. Newton, who has been ill, has recovered.

Elsie Bell of Detroit, is spending the week with her sister, Mrs. Mervel Huston.

Helping teachers from the Normal, visited the school, Sunday.

W. H. West has been drawn on the jury for the months of March and April.

Mervel Huston is ill with the grippe.

### OBITUARY

George Bridger was born in Sumner, Michigan, November 23, 1863, and departed this life March 7, 1923, from his farm home in Plymouth township, aged 59 years, 3 months and 14 days. March 20, 1887, he was married to Myrtle Pullen of Romulus. Four children were born of this union, three sons and a daughter. Claude, of California; George and Henry of this place, and Mrs. Floyd Wilson, also of this place; three grandchildren, Donna Ruth Bridger, Ruth Marie Wilson and George Bridger, Jr., who with his wife and one sister, Mrs. Fred Bovee of Plymouth, many nieces and nephews and a host of sorrowing friends survive him.

The most of his life had been spent in and around Sumner, Romulus and Plymouth, with the exception of a few years at Hamburg and Mooreville. He was a good husband and father and a kind neighbor. Never too busy to do a kindness for his fellowman. Those who knew him best loved him most. The one in trouble found in him a ready sympathy and an open hand and heart.

The first link has been broken. How it rends our hearts to know; How we'll miss his loving presence, As in and out we go.

But in our memory lingers, We who knew and loved him best. Thoughts of many kind deeds rendered, And we know he is at rest.

Funeral occurred Saturday from the funeral home, Rev. D. D. Nagle officiating. Burial at Riverside.

### A BIT OF EARLY HISTORY

Out where Golden street crosses South Main street, there was quite a flourishing settlement in the early days of Plymouth. There were thirteen dwelling houses and a grocery store clustered about the corners, and the place was called South Plymouth. One of the houses which stood there in those early days is still standing, and in a good state of preservation, and is now the home of William Lyndon. The building in 1837 stood across the road from where it now stands, and at one time was used as a farming mill shop.
