ELECTION RESULTS HERE AND NEARBY TOWNSHIPS

Election day in Plymouth Monday, did not bring out a very large vote, as only 348 ballots were cast. The Republican ticket was the only ticket in the field as far as the township was concerned. In the first precinct 238 votes were cast, while in the second, a total of 110 were cast. The amendment relative to the incorporation of ports carried by a vote of 208 "yes" to 82 "no." The state and county ticket ran along about the same as the township. At the annual meeting held at one o'clock, at the village hall, the following appropriations recommended by the township board for the several funds were passed upon favorably:

Contingent fund, \$7,000; highway fund, \$3,000; poor fund, \$1,500. The meeting voted a special tax of \$1,200 for the Red Cross nurse, and a special tax of \$2,000 for the improvement of the road known as the Center road, running north from Penniman avenue to the town line road the cement road, leading to the prison farm.

We give below, the vote on the township Republican ticket:

MARIONETTES ARE COMING

SENIORS PRESENT A NEW TYPE OF ENTERTAINMENT.

Puppets, mechanical figures operated by strings, have a very ancient origin. However, for several generations their art disappeared, so that until the present revival of interest in them throughout Europe and America they were practically unknown. They act their plays on a stage proportioned to their size with settings and properties also adapted to them. The operators are hidden from view, so that the spectator soon adapts himself to the illusion that he is viewing human beings. The vogue of marionettes is spreading with amazing rapidity throughout the country, so that an ever-increasing number of people are coming under the spell of these quaint wooden figures as they act their puppet plays.

The numbers on the program prepared by the Puppeteers are carefully arranged to appeal to all classes, to adults and children alike. If the old English fairy tale, "The Three Wishes," especially pleases children; "Androcles and the Lion," appeals to adults. The two negro dancers are successful because of their amusing antics, the dainty Italian toe-dancer charms with her graceful movements, while the violinist is particularly interesting because of his remarkable ability.

The program includes, "Androcles and the Lion," the well known Roman fable parodied by the great English satirist, Bernard Shaw, as well as a temperamental violinist, a dainty Italian toe dancer, and two negroes in a Juba dance. In addition, each number is introduced by a charming announcer. He is an agile little clown who appears in front of the curtain and explains the act of his companions to the audience.

The Puppeteers will present their program in the High school auditorium on Wednesday, April 11, at eight p. m., under the auspices of the Senior class. Admission 25c.

DAVIS-BOLTON

Miss Ethel Bolton of this place, and Glen Davis of Canton township, were married at the Methodist parsonage in Wayne, by Rev. Biddlecombe, Wednesday evening, at eight o'clock. The young couple were attended by the bride's sister, Miss Zadia Bolton, and Clinton Gottschalk. They will reside for the present with the bride's sister, on South Main street. The bride is a popular and efficient clerk at W. T. Pettigill's store. The groom is a carpenter, and is employed by Clinton Gottschalk. They have the best wishes of their many friends for a happy and prosperous wedded life.

ZIEGLER-JOHNSON

A very pretty home wedding took place at the home of Mr. and Mrs. Herman Johnson, Thursday, March 29th, when their youngest daughter, Etta Mae, was united in marriage to Leon Ziegler, both of Livonia. Mrs. Howard Johnson, sister-in-law of the bride, acted as bridesmaid, and Jesse Ziegler, brother of the groom, was best man. The bride's gown was of white silk georgette crepe over white satin. The bridesmaid was gowned in pink crepe de chine. The bride and bridesmaid both wore bouquets of pink rose buds. After the wedding, a beautiful dinner was served, after which the young couple left for Detroit. The table decorations were sweet peas. The out-of-town guests were Mr. and Mrs. Paul Johnson of Pontiac; Mr. and Mrs. Ralph Ziegler and two sons of Detroit. The young couple will reside in Plymouth after April 15.

FIRE DESTROYS LANDMARK

FIRE DESTROY BUILDINGS ON GIBSON FARM.

With the exception of one barn, all of the buildings on what has been known for many years as the Hon. Johnathan Shearer farm, just west of this village on Sutton road, and now owned by Mrs. Esther Gibson, were destroyed by fire, last Monday afternoon. The fire is said to have started from a grass fire in front of the farm house, and before it could be prevented, the flames spread to the house and then to the other buildings. Some of the household furniture was saved by neighbors who were quickly on the scene, as were many from Plymouth. A quantity of hay in one of the barns was destroyed.

The farm house which was destroyed, removes one of the oldest houses in this vicinity. It was nearly one hundred years old, and was a landmark in Plymouth township. Mrs. Gibson wishes through the Mail, to thank everyone who assisted at the time of the fire.

TEMPORARY CUT IN P. O. SERVICE

The postoffice department has advised Postmaster M. G. Hill, that it will be necessary to curtail expenses for the balance of the fiscal year, ending June 30th, 1923, as congress failed to provide any extra money with which to carry on the work that is known as auxiliary to the regular delivery of the first class mail, and that it will be necessary to make some changes during this period in order to keep things moving in the Plymouth office.

It is thought best at present on days when the first-class mail is light, to make one delivery of first class mail and then make a delivery of the parcel post, and in this way he will be able to keep the office from being congested.

PARENT-TEACHERS ASSOCIATION

The Parent-Teachers Association will hold its April meeting, Monday evening, April 9th, in the High school auditorium. Prof. George A. Smith will address the meeting on something of interest along the line of school work. Miss Schmidt will give a talk on the part classical subjects play in the educational program. There will also be special music and community singing. Let's all go and boost the association for Plymouth.

Miss Mable Biery visited friends in Detroit, over Sunday.

The Bank and the School

The bank is just as necessary in a community as the school. In order to do its best work for the people, the bank must have the backing of every citizen just as the school must have the support of the community.

As the school takes human power and trains it, and diverts it into useful channels, so the bank takes money power and diverts it into channels that benefit both the individual and the community.

This bank aims to do with your money what the school does with the child's ability.

We need your help to accomplish this aim.

TALKING BACK
Occasionally, though not often, we encounter in our rambles about Plymouth, the fellow who takes the view that a newspaper is a garbage can into which anything may be dumped. Mistake No. 1. There are some people who believe that a newspaper is published only to serve their selfish interests and throw the harpoon into the other fellow. Mistake No. 2. There are some people who feel that a newspaper should print what is obviously advertising matter without a single cent of compensation. Mistake No. 3. There are many other similar mistakes with regard to the publication of a newspaper.
A paper is not in duty bound to print anything that it doesn't want to print. There is no rule that requires it to print something of absolutely no news value just because somebody wants it printed. It is not obliged to effusively laud some person whose laudation is not earned, or to lambast some individual whose adverse criticism is not deserved. It is not printed for the purpose of satisfying selfish motives. There is not the remotest reason why it should give away its space to somebody who is running something for monetary benefits.
The mission of a newspaper is to print news of general interest. Advertising matter is not news matter. An article skinning some private individual or enterprise or institution is not news. It is not hard for anybody to draw the distinguishing line if they will stop a moment and give the matter logical thought.
True it is that a newspaper gives away much, especially where charity is concerned, but it does not follow that the publisher should adopt charity as an established custom, and open the doors freely to all comers. Since the only thing that a newspaper has to sell is space, the publisher who gives it away is no wiser than the merchant who gives away a hat or suit to the man who comes into his store and asks for them.
DEATH OF MRS. SARAH BALDWIN
Plymouth people were saddened to learn of the death of Mrs. Sarah Baldwin, who passed away last Sunday at the home of her daughter, Mrs. Albert Groth, on Harvey street, after a two weeks' illness of pneumonia. A short funeral service was held from the home of her daughter, Wednesday afternoon, at 2:00 o'clock, Rev. D. D. Nagle officiating. Thursday, the remains were taken to Defiance, Ohio, where funeral services will be held Sunday. The interment will take place there, by the side of her husband, Joshua Baldwin, who died two years ago. She leaves five daughters and three sons. Those relatives residing in Plymouth are: Mr. and Mrs. O. F. Curtis and family, Mrs. A. C. Rodman and family, Mr. and Mrs. Carl Korabacher, Mr. and Mrs. William Hayball, Mr. and Mrs. Albert Groth. An obituary next week.

Choose Your Gasoline with Great Care

You can influence the depreciation of your car investment by using right or wrong gasoline.

You may point with pride to a speedometer that shows 30, 40 or 50 thousand miles or you may wear out a car every year.

You may have a smooth purring motor or a rattle-trap ready for the scrap heap. The influencing factor is the gasoline.

Buick Authorized Service

A Valuable "Part" of Every Buick

Equally important with the universally admired performance ability of Buick cars is Buick Authorized Service.

The insurance that the nation-wide Buick Authorized Service system provides for every Buick owner increases the confidence that comes through testing Buick dependability in every kind of motoring.

Buick Authorized Service of the same uniformly high standard, no matter where it is found, has resulted in conviction on the part of automobile owners that Buick Authorized Service is in itself a valued part of the Buicks they purchase.

EPISCOPAL NOTES

The Ven. J. G. Widdifield, Archdeacon of Detroit, was with us last Sunday morning and preached the Easter sermon. The archdeacon preached a very helpful and inspiring sermon, and the Easter hymns were heartily sung by the congregation. During the offertory, Joseph Tracy sang the solo in his usual clear voice. By resolution of the vestry, the offering on Easter Sunday was handed to our missioner as an Easter offering. On Easter Sunday afternoon there was a special vesper service for young and old. The service was bright and very enjoyable. There was a large congregation who joined heartily in the singing of the hymns. During the service the children presented their Lenten Mite boxes at the altar. The proceeds of these mite boxes goes toward the mission work in Liberia, Africa.

A few Sundays ago, an appeal was made for three new teachers for our church school. Two Sundays ago, a lady and gentleman offered their services, and last Sunday another lady offered herself as a teacher. This makes up our requirements for present needs, and Mr. Gibson very much appreciates the ready response to this appeal for workers in the Master's service.

We regret the illness of our superintendent, Mrs. Murphy, which prevented her from being present at the Easter services, and carrying out some of the programme which she had personally arranged for the children at the afternoon service. The members of the congregation sympathize with her in the death of her brother.

Next Wednesday, March 11, there will be another supper, which will be given in the Grange Hall. The price of the tickets will be 50c for adults and 25c for children. Look over the menu in the business column of the Mail. Supper at 6:00 o'clock.

The Ladies' Guild will meet next Wednesday, April 11, at 2:00 o'clock, at the home of Mrs. George Wilcox, on Penniman avenue.

BAPTIST NOTES

The decorations for Easter were fine, and everyone appreciated the flowers and ferns. The choir gave us a splendid anthem before the morning sermon. The pastor spoke from Luke 24th, "Remember how he spoke with you."

The attendance at Sunday-school last Sunday was large and the offering touched the high notch. The B. Y. P. U. gave up their meeting last Sunday evening, as the society gave the Easter program that evening. It was a little different from the usual plan. The choir gave several selections; the orchestra gave several numbers, one special, "Abide With Me," also Elbert Seger gave a solo on the French horn, "Larrago," Miss Fannie Grainger and Miss Alta Hamill sang a duet, "Easter Lilies." The rose drill by six girls was enjoyed by all. Then came three tableaux, "The Poor little Girl," "Rock of Ages," "Nearer My God to Thee." We closed by singing "Blessed Be Thee that Binds." Mr. and Mrs. Westfall have worked hard to put on this program, and we congratulate them.

There will be no service at the Baptist church next Sunday evening, as the church and congregation have been invited to attend the opening of the First Baptist Church of Northville, which has been repaired and remodeled and put in good shape for better work.

All evening services will begin at 7:30, after April 1st; the B. Y. P. U. at 6:30.

Next Sunday morning, Rev. E. L. Buchanan of Wooster, Ohio, will preach. He is Mr. Sayles' old partner in Christian work. The Ladies' Aid Society held their chicken supper and bazaar last Wednesday afternoon and evening and it was a great success. They netted something over one hundred dollars. The decorations were of lemon and white, and the dining room looked very pretty. The apron and quilt did a rushing business; the candy booth was very tempting and every bit was sold. The president and all the ladies worked hard to make it a success, and they did. The annual meeting of this church occurs the last Thursday in April. Make your plans to come.

Ordinance No. 79

An ordinance regulating the use of water from the water works of the Village of Plymouth, and establishing rates and providing for the collection thereof.

THE VILLAGE OF PLYMOUTH ORDINANCES:

Section 1. All ordinances or portions thereof concerning the water works of this village heretofore in force, are hereby repealed.

Except that the flat rates now in effect shall remain in force until June 30, 1923; and the meter rates now in effect shall remain in force until March 31, 1923.

Section 2. No person or persons shall make connection with the water works system of the Village of Plymouth except by application as hereinafter provided.

Section 3. All applications to make connection with said system of water works shall be made at the office of the Village Treasurer in writing and upon blanks to be furnished by the Village. Such application shall fully describe the locality where such connection is desired. A tapping fee of \$20.00 shall be paid at the time such application is made.

Section 4. Upon the filing of the above application and the payment of the tapping fee, the Village Manager shall cause suitable service pipes to be laid from the water main to and including the curb cock, which shall be located between the curb line and the sidewalk line and provided with a suitable service box. The work of furnishing and laying the pipe up to and including the curb cock shall be done at the expense of the village. The applicant shall furnish and lay the balance of the service pipe at his own expense, subject, however, to the supervision and approval of the Village Manager. Said pipes laid by the applicant shall be laid to the depth of the bottom of the water main, unless otherwise permitted by the Village Manager. All service pipes shall be of extra strong lead pipe, lead lined pipe or galvanized iron pipe and shall be provided with stop and waste valves. The stop valves shall be designated by the Village Manager.

Where premises have cellar or basement, service pipes must be extended into same before any branches are taken therefrom for any purpose whatever. A valve for shutting off the water will be required to be placed on each service pipe immediately inside cellar or basement wall. This valve shall be a straight way cock or gate valve having a full size circular opening, either a Scott drainage gate valve, or one of equivalent quality. No globe valve or flat way cock will be allowed.

Where on services now in place it becomes necessary to replace the inside shut off valve, the new valve shall comply with the specifications for new valves as given above.

If any person in putting in any service connection disregards the direction of the Village Manager in any particular, the permit granted for the use of the water may be revoked by the Village Manager and the tapping fee forfeited to the village.

Section 5. It shall be unlawful for any person or persons to use water without permission, or cause willful or needless waste of water by allowing constant flow of faucet or otherwise, or to allow the occupant of any building not paying water rates to use the water from said premises; and in case of violation of any provision of this section in addition to the penalties hereinafter provided, the offender shall be liable to have his supply of water shut off by the village without notice.

Section 6. It shall be unlawful for any owner or occupant of any building in which water is used from said water works, to refuse to the officers or duly authorized employees of the village admission to all parts of said building and the premises in which the same is situated, whenever and wherever it shall be necessary to have water pipes and fixtures, to ascertain whether there is any waste of water, or for the purpose of installing, repairing or testing any meter used in connection with such water works, or to count the number of fixtures from which water is used.

Section 7. It shall be unlawful for any person not duly authorized to bore any pipe, open any hydrant or stop cock or interfere in any part of said water works system under penalty of this ordinance, and in addition to said penalty, any damages caused by such unlawful interference with said water works system may be collected from the offender or offenders.

Section 8. Where owners or occupants of property desire the village to shut off the water from their premises at the curb cock either because the premises are to be vacant or for the purpose of repairs, a charge of \$1.00 shall be made and collected before the water is turned on again.

METER SERVICES

Section 9. All new services shall be metered and the village reserves the right to place a meter on any service now in without application from the consumer where such action shall be deemed necessary to prevent waste or to protect the interests of the water department or simply to continue the policy of metering all consumers in the course of time. The meters shall be furnished by the village and shall remain the property of the village. The meters will be read and repaired by the water department of the village as often as may be necessary, and no additional charge will be made for such service, except that when a meter is damaged by frost or hot water or otherwise through the fault of the consumer and not of the village, the cost of the repair of such damage shall be paid by the consumer, the bill to be included in the next bill for water.

Consumers or property owners, whose meters are located within the building, must not cover the meters or place obstructions that may prevent convenient access to the meter at any time by the employees of the water department for the purpose of reading or making repairs.

The village reserves the right to determine the size and number of meters required for any service. When water has been used for a period without the meter registering, the water so used shall be estimated by the village, and on the basis of past consumption by the user or by similar users. The current meter schedule shall apply to water used through a meter out of order.

Notice shall at once be given the Village Manager when a meter is found by owner, occupant or tenant, to be out of order.

Section 10. Water bills are payable quarterly during the months of January, April, July and October, for

the preceding quarter. If the water bills are not paid within thirty days after the day that the same are due and payable the water will be shut off without further notice. The water will not be turned on again until all arrearages are paid and in addition thereto the sum of one dollar (\$1.00) will be charged for turning on said water. Failure to receive bill does not entitle the consumer to exemption from the penalty.

METER RATES

Quantities in gallons. Bills quarterly.

Section 11. For each service there shall be a charge for the service and meter, (per quarter) as follows:
 For a service with a 1/2 in. meter \$ 1.50
 For a service with a 3/4 in. meter 2.50
 For a service with a 1 in. meter 3.75
 For a service with a 2 in. meter 7.50
 For a service with a 3 in. meter 15.00
 For a service with a 4 in. meter 22.50
 For a service with a 6 in. meter 45.00

In addition thereto for all water used there shall be charged:
 For the first 25,000 gallons per quarter, or any part thereof, the domestic rate of 15c per 1000 gallons.
 For water used in excess of 25,000 gallons, not exceeding 100,000 gallons per quarter, the intermediate rate of 5c per 1000 gallons.
 For water used in excess of 100,000 gallons per quarter the special rate of 2c per 1000 gallons.

Where in services now in place there is a hydrant or other outlet between the main and the meter as installed, a charge of \$1.00 per quarter shall be made for this outlet, in addition to the meter charge and the charge for water passing through the meter.

Where in order to give a sufficient quantity of water, there are two or more services to a single building or property each with a meter, the appropriate service charge shall be made for each meter, but the total amount of water registered by all the meters shall be used in figuring the charge for water used, and not each amount separately.

FLAT RATES

Section 12. Where meters are not installed, the following charges shall be made for the use of water from the water works of the Village of Plymouth, the same to be annual charges unless otherwise specified. All flat rates are payable semi-annually in advance and are due on the first of January and July of each year. If the water bills are not paid within thirty days after the day that the same are due and payable, the water will be shut off without notice. The water will not be turned on again until all arrearages are paid and in addition thereto the sum of \$1.00 will be charged for turning on said water.

Service Charge: Because, when a consumer has made connection with the village water main and is paying his water bills regularly, the village must hold itself ready and able to serve the consumer up to the maximum capacity of his service pipe, there shall be charged for each service a "ready to serve," "stand by" or service charge according to the size of the service as follows:
 For a 1/2 in. or 3/4 in. pipe, the sum of \$6.00 per year.
 For larger than 1 in., including 2 in. pipe, \$10.00 per year.
 For larger than 2 in. pipe, \$15.00 per year.

In addition thereto, charges shall be made as follows:
 For domestic outlet, \$2.00 per year.
 For water closet, \$3.00 per year.
 For bath tub or shower, \$1.00 per year.
 For hydrant or sill cock, \$2.00 per year.
 For stores, \$5.00 per year.
 For soda fountains, \$5.00 per year.
 For barber shops:
 First two chairs @ \$2.50 per year.
 Other chairs, @ \$1.00 per year.
 First tub or shower, \$5.00 per year.
 Other tubs or showers, \$3.00 per year.
 For stables, each animal, \$1.00 per year.
 For restaurants, \$10.00 per year.
 Churches, \$4.00 per year.

Section 13. Water consumers outside the limits of the Village of Plymouth shall be charged double the rates in force within the corporate limits.

A charge of \$10.00 per year shall be made for each fire hydrant connected to the water mains, the said charge to be paid each year to the water department fund from the general fund.

A discount of 10 per cent shall be allowed on the payment of water bills on or before the 15th of the month in which they are due.

Section 14. Property owners shall be held responsible for the payment of all water rates. Upon written authorization from a property owner, bills may be sent to a tenant, provided, however, that such an authorization is accompanied by a written guarantee by the property owner for the payment of such rates.

Section 15. Special rates may be granted by resolution of the Village Commission.

Section 16. It shall be unlawful for any person to leave open any faucet or hydrant so as to allow water to be discharged through the same, except for the purpose of legitimate use, or to knowingly permit any water pipes upon his premises to remain in a condition where the same shall leak. It shall be the duty of the Village Manager to turn off and refuse water to the person or persons violating any of the provisions of this section until such time as such person shall pay the village such amount as the Village Manager shall after investigation estimate the amount to be.

Section 17. Any person violating any of the provisions of this ordinance shall, upon conviction thereof, be fined in any sum not exceeding one hundred (\$100) dollars, or be imprisoned in the Detroit House of Correction for not exceeding ninety (90) days, or both such fine and imprisonment may be imposed, in the discretion of the court.

Section 18. This ordinance shall take effect April 15th, 1923.

J. W. HENDERSON, President,
 SIDNEY D. STRONG, Clerk.

I hereby certify that the above ordinance had its three readings and was adopted by the Commission of the Village of Plymouth without any dissenting vote of any of the members thereof at a regular meeting held on March 19th, 1923.

SIDNEY D. STRONG,
 Village Clerk.

MR. CAR OWNER

We want you to know that our garage is prepared to meet your every need. We are centrally located and at your service day and night, and our prices are reasonable.

Repair Department

Our repair department is always at your service. We employ first-class mechanics, who know their business. Bring your car in now and let us give it a looking over before you start the Spring and Summer driving. It may not need a thing done to it, but it is better to be safe than sorry.

Car Storage

If you want to store your car, we have ample storage room for you in a clean, warm place. Don't let your car stand out in all kinds of weather, when you are in town, but drive in and know that it is in a safe place and protected from the weather. It pays.

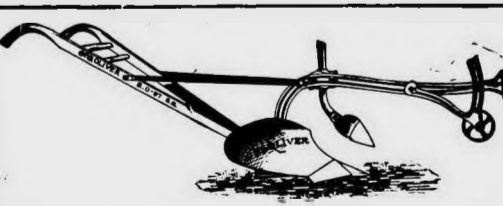

Accessories

We are in position to save you money, because we have the inside prices on Standard Parts and Approved and Tested Accessories. The same applies to TIRES—you can depend on what you get here, because we haven't the time it takes to make apologies for poor merchandise.

Gas and Oil

We have a drive-in, under-cover gasoline filling station where we are ready to serve you day and night with the best gas, oils and greases for your car.

METHODIST NOTES

Our new pipe organ has arrived and is being installed. Dedication services will be held one week from Sunday, the 15th; followed by an organ recital on Monday evening, and an anniversary and dedication banquet on Tuesday night. Further announcements next week.

Eleven little children were christened at the Easter service, Sunday morning, and three adults. Fifteen together were received into membership in the church. We rejoice with these good folks in their dedication of themselves to the service of Christ. May our Lord richly bless them in their purposes to live for Him.

The Easter cantata given by our church quartette on Easter Sunday evening, was very beautiful indeed. Each one sang their parts well, giving a very beautiful rendition of this sacred story of the resurrection. The pianist with her accompaniment added greatly to the effective presentation of the evening program.

A large crowd filled the church both morning and evening on Easter Sunday. We wonder what would prevent many folks who come on Easter Sunday from coming every other Sunday. At least we cordially invite all who were present last Sunday to keep up the habit begun, and honor Him

for whom every Sunday is set aside for Christian worship in memory of that first Resurrection Sunday.

Junior League meets Wednesday afternoon after school.

The Epworth League Indoor Missionary base ball tournament stands at present with a score of 3 to 2 in favor of Captain Williams' side. Two more games with two more chapters to study. Be on hand next Sunday to see who wins the next game.

Prayer meeting on Thursday evening at 7:30.

Mrs. Frank Dicks will sing at the evening service, Sunday 7:30. Sermon, "The Garden of Gethsemane."

The Missionary Society meets next Wednesday afternoon at 2:30, at the home of Mrs. H. S. Duerr on West Ann Arbor street. Home Mission Study Book Review by Mrs. C. R. Ross. Roll call will be responded to by items of interest taken from "Woman's Home Missions."

Company D of the Ladies' Aid will hold a semi-bazaar in the basement of the church, Friday afternoon, April 13. There will be on sale, home-made fried cakes and candy, popcorn, aprons, quilts, children's wearing apparel, novelties extracts, jello, etc.; there will also be a fish pond.

PRESBYTERIAN NOTES

Seventy-eight members have been received into the local church since April 1, 1920; thirty-nine by letter and thirty-nine by confession of faith.

The pastor returned Wednesday from Battle Creek, where he went to officiate at the wedding of Loring Edmunds and Lorabelle Warner. The latter is Mrs. Hathaway's niece. Yes, "Henry II" made the trip.

Mrs. O. Newman and daughter, Ruby, transferred their membership on Easter Sunday to the Eastminster Presbyterian church of Detroit. We wish them much spiritual joy and progress in this new fellowship. Friends may address them at 1045 Chalmers avenue.

The pastor had a birthday last Friday, which he endured with much fortitude.

Get your tickets for excursion over The Broom-Handle Route.

Mrs. Lewis McKay and Miss Margaret McKay of Grand Rapids, and Mrs. Wm. Seath and Miss Margaret Seath of Detroit, spent last week with their cousin, Mrs. George Cramer.

SUPERIOR

Mr. and Mrs. Braneke and son of Detroit, were Sunday afternoon visitors at Russell Trowbridge's.

Easter services at the Free church, Sunday, were very nice, and were enjoyed by a good crowd.

Eugene Strang and daughter, Miss Camilla, were Easter Sunday guests of Mr. and Mrs. Edward Conklin. Mr. Strang is visiting in Grand Rapids.

Joe Shock and family moved from the George McDougall farm to the John Forshee farm, last week. The teacher and pupils of the Free Church school, gave a little party on Friday for the two boys, Howard and Lavorne Shock, who are leaving the school. A fine dinner and peanut hunt, with other games, made the time pass very pleasantly.

Clinton LeFurge and family were guests, Sunday, of his sister and husband Mr. and Mrs. Dwight Peck, of Ypsilanti.

Louis J. Kuhl was a business visitor Thursday, in Dexter, Salem and Ann Arbor, and brought home a new Star touring car.

Mr. and Mrs. Henry Priebe entertained their sons and daughters and other relatives from Detroit, on Easter day.

Mr. and Mrs. Frank King, accompanied by Charles and Ida Thumm drove to the Fields Hatchery at Ypsilanti, Sunday, and inspected the plant.

Mrs. Fred Zimmerman spent Friday with her sister, Mrs. Alfred Augustus, in Ypsilanti.

James Court and wife are enjoying a radio which was installed in their home last week.

Easter guests of Mr. and Mrs. Jack Naiman were: Mrs. Naiman's mother, Mrs. Herman and son; Mr. Naiman's mother and three sons, all of Detroit; Mr. and Mrs. A. Waack and children of Golfredson's farm No. 1. Willie Naiman drove out his new Ford sedan.

Mr. and Mrs. O. A. Trowbridge of Dearborn, are spending some time here, with their son, Russel and family.

Mr. Trowbridge is gaining very nicely since his illness.

Mr. and Mrs. J. Hickman and children were dinner guests of the latter's parents, Mr. and Mrs. A. L. Wilbur, on Sunday.

Charles Sweitzer and family were guests on Sunday, of their daughter, Mrs. Jake Thenn and husband in Ypsilanti.

Mrs. Mary Pankovic returned to Inkster Sunday, with her daughter, Mrs. Floyd Harrison, to spend some time.

Mrs. Elmer Nelson of Detroit, was a guest Sunday, at the home of her uncle, George McKims.

Mr. and Mrs. James Court ate Easter dinner with their children, Grover McDougall and family in Ypsilanti.

Mr. and Mrs. James Hanon had as their guests Saturday, the former's niece and husband, Mr. and Mrs. Patchell of Detroit. All motored to Jackson, Sunday, and spent the day with Mr. and Mrs. D. K. Pitman, the latter a sister of Mr. Hanon.

The Missionary meeting that was to have been held March 28th, at Mrs. Moyer's, has been postponed until April 11th, and will be held in the Free church.

Mrs. E. L. Strang received the sad news of the very sudden death of her brother, Clayton's wife, on Friday, at her home in Detroit. She had pneumonia. The funeral was held at 2:00 o'clock, Monday, from the home.

Services at the Free Church every Sunday. Sunday-school at 10:30. Preaching at 11:30. You are given a cordial invitation to come out to worship, by the pastor, Rev. N. M. Pritchard.

Miss Ivaletta Hickman returned Thursday, from Chicago, where she went on Sunday, with Miss Edna Goodrich of Ypsilanti.

Mr. and Mrs. Harry Morgan and Loretta were callers in Dixboro, Sunday, at the Elijah Gale home.

Mr. and Mrs. Luis J. Kuhl and son, Carl, and grandson, Carl Raymond, visited at Thurman A. Walter's of Tuttle Hill, Sunday. They also entertained their sister, Miss Beril Kuhl of Ypsilanti, over the week-end.

Miss Margaret Priebe came out from Detroit, Friday, to visit at her home until Sunday evening. She called on Mrs. L. J. Kuhl, Friday afternoon.

Mrs. Henry Priebe accompanied Mrs. A. Nass and son, Carl, to Highland on Friday.

Lee Rogers is quite ill at the Edward Conklin home, where he is employed.

Mr. and Mrs. Arthur Mosher and children were guests Sunday, of her sister, Mrs. James Carver and family, of Ypsilanti. Mrs. Carver will be remembered here as Mrs. Letha Sprague. They also attended Easter services at the First Baptist church in Ypsilanti. Little Aletha Whitty, who has been the guest of her Grandmother Heater for the past three weeks, came home with them.

Mrs. Will Clarke of Denton spent Thursday afternoon with Mrs. Arthur Mosher.

Quick work on the part of the neighbors, saved the house of Floyd Markham, when it caught fire Sunday morning. An over heated chimney is thought to have been the cause. Had there been a high wind that morning as there had been during the week, it probably would have burned down.

Clarence Sherwood and Gus Eschel were Sunday morning callers at L. J. Kuhl's.

Peter Michel and family entertained a lot of Detroit relatives on Sunday. Miss Katherine Michels spent the week-end here.

Mrs. Glen Allen spent the week-end with friends at Rochester.

Burglars entered the Walter Hiscock house one night last week, and ransacked everything that was left there when Mr. Hiscock and daughters moved to Ypsilanti last year.

Mr. and Mrs. Arthur E. Union visited Sunday in Ypsilanti, with the latter's sister and husband, Mr. and Mrs. Samuel Russell, on Jefferson avenue.

Mr. and Mrs. Alvin Little are parents of a little daughter, born Sunday morning, April 1st, at the home of Mrs. Little's parents, Mr. and Mrs. Will Engle.

Charles Priebe and family of Perinville, visited at the home of their uncle, Henry Priebe, Sunday.

There was a large turnout at the polls, Monday, and a large vote cast,

which resulted in the election of the following officers for the coming year. Democrats carried away the honors in the first four offices, the rest were Republicans. They stand as follows: Supervisor, George Gill; clerk, Fred Shuart; treasurer, Chas. D. Sweitzer, Jr.; highway commissioner, Emory Mulholland; justice of peace, Bessie Geer; board of review, Bert L. Galpin; constables, Fred Judson, Albert Staebler, A. W. MacFarlane, Ralph Dunham.

IN MEMORIAM
In memory of my mother, Mrs. Charles Wolf, who died one year ago, April 9th, 1822.
I miss her so "My Mother,"
I miss her from her place;
I miss her rare and winning smile,
And the sunshine of her face.
I miss her hand to guide me,
And her earnest loving care;
Life is not the same without her,
For I miss her everywhere.
Her Daughter, Lillian.

FLORENCE

OIL COOK STOVES

The Florence Oil Cook Stove has been tested and approved by the Good Housekeeping Institute, Frisella Proving Plant, Tribune Institute, and is used by Domestic Science teachers and experts everywhere.

It burns kerosene, the cheapest of fuels.

It has no wicks to clean. A match touched to an asbestos kindler heats the oil, which thereupon forms into gas.

The Florence Oil Cook Stove bakes, boils, roasts and fries perfectly, and you may watch your baking through glass oven doors.

It is good-looking. It improves the appearance even of model kitchens. It is made in five sizes—one, two, three, four and five burners.

Examine a Florence Stove. Ask the salesman to light its powerful burner and let you feel its great heat.

GRANGE NOTES

Those who were privileged to hear what Mr. Weston had to say in addressing the Pomona Grange, Saturday, March 24th, on the potato question must have felt paid for the effort, as nearly all phases from the seed to the market were touched upon during this discourse and the discussion which followed; the idea being to make the same outlay of time and labor produce more of a better quality from the same acreage. The raising of early varieties was advocated as more sure of a market. Increased production was not urged, but a more uniform and superior product to be obtained by the different method.

The Lily Club meeting at the hall, Tuesday evening, March 27, was a very pleasant affair due to the hostesses, Mesdames Oscar Matts and B. F. Tyler, who entertained at cards from 8:30 to 10:00, and after refreshments, dancing until after midnight. The next meeting will be at the same place, Tuesday evening, April 24th, Frank Everett and his mother, Mrs. Ed. Everett as entertainers. All Grangers are welcome, and ladies please bring, fork, spoon, plate and cup, and prepare for a good time.

COMMUNITY HAPPENINGS
Tuesday afternoon, March 27th, the Economic Group met at Mrs. Fred Palmer's, having under consideration "Systemizing of our Daily Work." Miss Marian Rogers was in charge. Several of the ladies reported on their effort on working per schedule as near as possible, and found it an advantage. The next meeting will be at Mrs. Ed. Hauk's, Friday, April 20th, for an all-day meeting, it being the first of four monthly meetings to be devoted to sewing, with Miss Ryan of East Lansing as instructor. The first lesson is scheduled for 9:30 a. m. Members will bring box lunches.

Wednesday evening, March 28th, the Canton Community Club held their annual meeting at Mr. and Mrs. Percy D. Campbell's. The newly elected officers are:

President, Walter Postiff.
Vice President, George Gill.
Sec'y-Treas.—L. A. Wiseley.

The meeting was delightfully entertained by Mr. VanVlear's impromptu talk on his trip to California through farming sections. Mr. and Mrs. Walter Postiff will entertain the April 25th meeting in the evening. Cordiality is the keynote at these meetings. Come and bring your friends.

April 12th, at 2:00 p. m., in the domestic science room at the High school building will be held the closing number of the Nutrition Group meetings, to which all are welcome, and will be instructed in nutrition for the school child, by Miss Woodworth. Remember the date and try to be present.

LIVONIA CENTER

Election day passed off quietly and lack of the usual amount of enthusiasm at the township election, was noticeable. The entire Republican ticket of township officers was elected.

The County road commission are getting ready for work on the Sutton road. The grade stakes have been set, and the work of building the road will soon be commenced. The road is to be built of gravel and we understand is to be 30 feet in width. The highway will be built to the Washtenaw county line, where the road has already been improved. When this road has been completed, it will open up an artery of trade west of Plymouth that has hitherto gone elsewhere.

THE THEATRE

"WHAT A WIFE LEARNED"

Replete with the spirit of the twentieth century, with the kaleidoscopic action and restless change of modern days, is "What a Wife Learned," the new Thomas H. Ince production which will be shown at the Penniman Allen theatre on Sunday, April 8, only.

The imagination is captured in the opening of the scenes by a cattle stampede, which is stopped by a lone man on foot. The interest aroused by the courage and forcefulness of this man, who is the very embodiment of the "tempestuous, untrammelled spirit of the west," increases when he is shifted to the strange environment of a big city.

At the moment when his struggles for adjustment are about to win success, chance interposes and he suffers a terrific fall from dizzying heights. Again the man wins through to the doorstep of success, when the project on which he has risked everything he owns and even his life are threatened by the breaking of a great dam. He is entrapped by roaring flood waters, but with his escape and his heroic rescue of the "other man" of the story he finds himself, and arouses in his wife the realization that she loves him more than her career, which separated them.

The photography of the final scenes in which a huge dam is swept away, unleashing vast flood waters, is unique.

Indigestion and Constipation

"Prior to using Chamberlain's Tablets, I suffered dreadfully from indigestion. Nothing I ate seemed to do me and I lost flesh and ran down in health. Chamberlain's Tablets strengthened my digestion and cured me of constipation," writes Mrs. George Stroup, Solway, N. Y.—Advertisement.

SCHOOL NOTES

ALL STAR TEAMS FROM THE FOUR SQUARE LEAGUE

"Stars" have been chosen from the various players of the Four Square League to form an ideal team. Each person was selected because of his capacity for efficient team work, for self-control when on the floor, size, experience and ability to get ahead in aggressive work.

On girls' teams, Brockmiller of Dearborn, and Kiely of Plymouth, were chosen forwards because of their ability to shoot baskets. The former's height is also an advantage and the latter's quickness. VanAtta and Smith of Northville, were placed on the second team, because they are considered the best pair of forwards on any team of the League. Team work on the forward court enabled Northville to win every game at home. Catherman of Farmington, is considered a good floor player, but lacks ability to shoot baskets. Taylor of Wayne, was the only bright spot on a weak team, and with a better team would undoubtedly have won recognition with Kiely on the first team.

Jumping center is considered the weakest spot on all teams, but Goers of Farmington, excels in her ability to get the ball to the other court. She plays the floor well and, is responsible for much of Farmington's excellent team work between the courts. Team work within the center court places both Freydl and Whipple on the second team. Costello of Redford, is placed as side center above Whipple chiefly because with a weaker jumping center she seemed to play Whipple an even game. On the third team, Horan of Northville, lacks experience, and Rudolph of Redford, was not able to keep up the pace set by her opponent in either Redford or Plymouth games.

As guard, Blenkertz of Dearborn, is placed on the first team. There is only one reason for placing DePotty of Redford ahead of Mueller. First class guarding implies relative freedom from fouls; the guard must stay in the game until the end. While DePotty probably did not prevent so many baskets during the season, she was not forced out of the game on fouls and did not give the opposing forward as many scores from the foul line. Blenkertz has the combined qualities of both of these players. Lauray of Northville is inexperienced, but in other respects seems equal to any of these. On the third team, Brockmiller, Dearborn's other guard, and Kreaeger of Farmington, are placed ahead of Hake of Plymouth, Pauline of Farmington, and Hinkle of Redford, because they constantly showed more speed, stamina and defensive ability.

First Team—Brockmiller, Dearborn, left forward; Kiely, Plymouth, right forward; Goers, Farmington, center; Costello, Redford, running center; Blenkertz, Dearborn, left guard; DePotty, Redford, right guard.

Second Team—VanAtta, Northville, left forward; Smith, Northville, right forward; Freydl, Plymouth, center; Whipple, Plymouth, running center; Mueller, Plymouth, left guard; Lauray, Northville, right guard.

Third Team—Catherman, Farmington, left forward; Taylor, Wayne, right forward; Horan, Northville, jumping center; Rudolph, Dearborn, running center; Brockmiller, Dearborn, left guard; Kreaeger, Farmington, right guard.

BOYS' ALL-STAR TEAMS

Sutherland and Dennis were chosen because they are considered the most consistent scorers. Sutherland was Plymouth's key man on all basket shooting. He is a particularly good foul thrower. Ranous and Quinn on the second team, although each scored higher in certain games, were not as dependable even with weak guarding.

The League did not really develop a first class center, but Webster is placed first as the most able floor man of the group. Sallow placed on the second team, can out jump him and in a few games looked better at basket shooting, but he lacks Webster's all-around ability.

As stationary guard, Holmes of Plymouth and LeFever, of Northville, "looked good" in every game they played. LeFever, however, was playing with a team whose general defensive strength was much greater than Plymouth's. As running guard Wagner of Dearborn, and Riley of Northville, were more brilliant players and carried a stronger scoring threat, but no all League team could be considered complete without the strong protection against opponents which is characteristic of Holmes.

In passing it is well to state that this selection is based upon all season performance. Possibly they could be beaten by a team of men who started the season, but did not finish it either through ineligibility or other causes. Such a team might include Merritt of Redford, and Wood of Northville, Smith of Wayne, as center, and Cozadd of Wayne, and Cannell of Dearborn as guards.

In closing it is evident that the teams chosen would show team work to a marked degree with a great defensive strength at every point with high and consistent scoring ability, with stamina, experience and good basket ball judgment.

It is realized that Farmington, League Champion, is not represented on the first team. Their success, however, was due, not to a single man, but to a fortunate combination of men, better than the average. Farmington deserved to win through the most effective team work.

First Team—Sutherland, Plymouth, left forward; Dennis, Redford, right forward; Webster, Dearborn, center; Wagner, Dearborn, right guard; Holmes, Plymouth, left guard.
Second Team—Ranous, Farmington, left forward; Quinn, Farmington, right forward; Sallow, Farmington, center; Riley, Northville, right guard; LeFever, Northville, left guard.

"THE WOMANLESS WEDDING"

The High school auditorium was filled to overflowing, last Wednesday evening, when "The Womanless Wedding" was presented by some of Plymouth's best talent, under the auspices of the Choir Chapter of the Presbyterian church. The entertainment was given in three acts, the prologue, the wedding and the wedding reception. In the prologue, the women of the church, members of the Busy Bee society, were decorating and preparing the church for the wedding service. Their old-fashioned costumes, busy tongues and gossip conversation brought forth many a laugh. While in the midst of their preparations, the janitor came to ring the bell for the wedding, and immediately the guests commenced to arrive, while the members of the Busy Bee society made a hasty departure.

The first arrivals, Mrs. Slippin—Olivia Williams, and Mrs. Spyer—Alton Sayles, brought down the house with their criticism of other guests and their comment on the wedding and members of the bridal party. The bride, Miss Fairy Winton—Gilbert Brown, gowned in white, with flowing veil, was indeed a large fairy, while the jilted sweetheart, Miss Molly Gallagher—Harry Green, was attractive in pink and white, and soon found balm for her jilted affections when her lawyer, after securing five thousand dollars and the return of the diamond engagement ring, proposed to her and a double wedding followed, with E. E. Foster as bishop, tying the knot, and M. G. Hill as Harvey Ford, and George A. Smith as Lawyer Grabbit, acting as groom. The other members of the cast took their parts in a creditable manner, and although unused to wearing skirts, they appeared very "ladylike." The wedding reception closed with the dancing of the Virginia reel by the bridal party and guests.

Among the special numbers, mention should be made of the violin solo by Russell VanGilder; the vocal solos by Harold Roberts of Birmingham; vocal duet by Stephen Jewell and Alfred Bakewell; readings by H. J. Green; song by Frank Hamill as Dr. Cowe; clog dancing by Titus Ruff and Archie Meddaugh, and several numbers by the High school orchestra.

Great credit is due the Misses Nettie and Cora Pelham and H. J. Green for the success of the entertainment, as it was under their direction that the play was presented, the greater part of the play being written by Miss Nettie Pelham. The society netted a nice little sum.

The Choir Chapter wish to thank those who helped in any way to make the entertainment the success that it was, and for the very liberal patronage that the play received.
