METHODIST CHURCH DEDICATE NEW ORGAN

The long-looked-for and patiently-awaited event for local Methodists has arrived at last, when they are to have the pleasure and inspiration of a pipe organ as a distinct aid to their worshipping. A new Estey organ, (without question one of the richest toned and best quality organs made,) has been installed, and will be dedicated next Sunday morning. The local church is fortunate in being able to secure such an instrument, and its members feel grateful to all those who have helped to make it possible.

Dedication services will be held next Sunday morning, at 10:00 o'clock with a sermon by Dr. William H. Phelps, editor of the Michigan Christian Advocate, Detroit, a humorous and very popular preacher and leader. Following the sermon, a fitting and brief service of dedication will be held. The church quartette will render some special music. Also at 7:30 in the evening, Dr. Howard Field, pastor of Wesley Methodist Church, Detroit, will preach, and the quartette will sing. Dr. Field is one of the leading pastors of Detroit, and will bring a worth-while message for the people of Plymouth. The public is cordially invited to attend these services, and enjoy the pleasure of hearing the new pipe organ.

Following these services, a dedication organ recital will be rendered Monday evening, by Guy Filkins of Detroit, organist of Central Methodist Church, and one of the leading musicians of the city. A silver offering will be taken at the door to help defray expenses. Several soloists will assist Mr. Filkins. This will be an exceptional opportunity for the people of this community to appreciate the qualities of a pipe organ, and undoubtedly the church will be filled to capacity at 8:00 o'clock.

On Tuesday evening following, an Anniversary and Dedication Banquet will be held at the church at 6:30. This being also the sixth anniversary of the dedication of the new church, this will be the celebration of a double victory. The ladies are preparing a fine banquet for 50c, and 35c for children under twelve. Rev. Frank M. Field, former pastor of the local church, will be present to act as toastmaster. Mr. Field was pastor here while the new church was being built, and also had considerable to do with getting things under way for the installing of the new pipe organ. Besides a delightful program of toasts and music by local talent, Dr. Russell H. Bready, pastor of Central Methodist Church of Pontiac, and Mayor Pro Tem of that city, is to be present to make an address. Dr. Bready is one of the big speakers of this section of the state, and travels widely, making addresses to various types of gatherings. Tickets for the banquet will be on sale at R. R. Parrott's and O. B. Borck's places of business.

All in all, this is to be an exceptionally worth-while program for the local church, and will be a time of great rejoicing and thanksgiving to God, for victories achieved.

PIPE ORGAN OPENING AT PENNIMAN ALLEN THEATRE

THE PATRONS OF THIS POPULAR THEATRE WILL HEAR THE NEW PIPE ORGAN ON SUNDAY AND MONDAY EVENINGS, APRIL 15-16.

Sunday and Monday evenings, April 15-16, will mark an important epoch in the history of the Penniman Allen theatre, when the patrons of this popular playhouse will hear for the first time, the new pipe organ that is now being installed in the theatre. The Penniman Allen theatre is one of the finest to be found in any town of ten times the size in the state, and the installation of the pipe organ will make it one of the best equipped theatres to be found anywhere. The new pipe organ is up to the very last minute in pipe organ construction for theatre use. It has every attachment that goes to make moving pictures more pleasing and realistic, such as chimes, bass drum, kettle drums, snare drums, human voice, fire whistle, steam boat whistle, surf, xylophone, castanets, sleighbells, wind, doorbell, telephone, etc. Manager Lush has secured Mr. Sidney P. Harris of Detroit, to play the organ. Mr. Harris is a musician of rare ability, and formerly played a pipe organ in the California theatre in Los Angeles, California, one of the largest in the country.

As an extra attraction for the pipe organ opening dates, Manager Lush has secured the great feature picture, Jackie Coogan in "Daddy," his latest and best picture. Mr. Harris will give a pipe organ recital from 8:45 to 7:00 p. m., on each evening. There will be two shows each night at regular prices. Everybody will want to hear this great pipe organ, and it is safe to guess that there will be some record breaking crowds for each performance.

The sale will consist of the following articles: 10 Climbing American Beauty Roses, 50 Dorothy Perkins Roses, 50 Excelsa Roses, 50 Phlox assorted, 10 Wistaria, 200 Spirea Van H., 10 Purple Lilacs, 100 Concord Grapes, 50 Niagara Grapes. Besides these, there will be the usual bulbs, bedding plants, and cut flowers.

Because of the short time allowed for selling these plants and flowers, the sale will start in the afternoon and last until all are sold. Don't forget the time and place. High school, afternoon and night of April 27.

Fordson Tractor

The demand for the Fordson tractor has never been as great as it is right now.

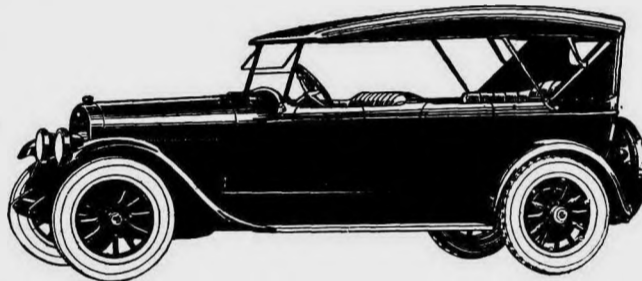

The factory is making 400 per day and is way behind on filling orders. This tractor is very well known in every neighborhood in the county and is the one that the farmer can well afford to have on his farm to do his work. The price of this tractor delivered to your farm filled with oil and fuel is only

\$410

FOUR DOOR SEDAN

The Ford four door sedan which has just recently come on the market is certainly a beauty. The workmanship on this body and the inside finish and trimmings are just fine and what might be expected on a high priced car. The body is made of aluminum and the total weight of this Sedan, which is quite a bit more roomy, is about the same as the two door job. The local delivery price of this car with tax included is only,

\$762

LINCOLN

This ad would not be complete in regard to automobiles if we did not mention the celebrated Lincoln car as representing the very climax in automobiles. This car is made in nine different styles of bodies and one has three options in color of outside and inside finish. The range in price **\$3800 and \$6100** of these cars is between To know what the highest grade cars are like is to ride in a Lincoln. plows that are made especially for the Fordson tractor will be delivered with the tractor for \$87.50.

Farm Implements

We have a number of Roderick Lean disc harrows which we will deliver to you for \$98.00 each. We can also furnish you with an 8-ft. cultipacker for \$94.00; fertilizer drill with grass seeder for \$160.60, and the best feed mills at popular prices.

Ford Ton Truck

This truck is one that may be seen on every highway doing business in almost every line. It is a truck that can handle a load of a ton to a ton-and-a-half, and because of its speed makes a great saving of handling goods other than any other way. They damage the roads but very little because of the total weight being at the minimum. The selling price of the truck with stake body and cab, tax included, local delivery is only \$546. The Chassis is but \$396.

Accessories

Our stock of accessories is quite limited as to variety but the quantity of the good things for the Ford car is unusually large. We do not believe in adding a large number of "jimmies" to the Ford car for there are a very large number of them of no particular value. We carry nothing but the very best and are ready to advise anyone as to what they should install on their car to get the very best satisfaction.

The latest that we have taken on is the Stromberg Carburetor. This carburetor has shown a very large increase in mileage and at the same time it has made each car run very much better when installed. We have been able to show by actual test that was positive to the utmost a gain of 60 per cent on the mileage per gallon. We install the carburetor for \$17.50 and satisfaction is guaranteed.

As an accessory to the Fordson tractor we are still selling the Handy Governor. This governor has proved to be the very best in every test up to the present time. It is a governor that we have been selling for two years and it is one that has always given satisfaction.

We have very high grade fenders to go on the Fordson tractor that we retail at \$24.15. These fenders have a very neat platform at the rear of the tractor so that a person can stand up if he desires.

All Sizes of Automobile and Truck Tires

We have a very large stock of tires on hand. We handle the very best tires on the market. Goodyear, United States and Firestone and have other tires in stock that we are able to sell in competition with all mail order tires that are worth considering. The price of Ford sizes range from \$7.75 to \$16.50.

Used Cars

We always have a line of used cars and trucks on hand. These cars are all for sale at a reasonable and fair price, and the range in price is from \$45.00 up. At the present time we have Fords, Overlands, Chevrolets and Studebakers. We guarantee the cars to be worth the price or the money will be refunded. In other words it is not our plan to "sting" anyone when they buy a used car of us.

Repair Department

Quite a number of labor saving tools have been added recently to the shop equipment so that the work done upon automobiles and tractors must be of the best. No one is working in our shop at the present time who has not had a least 4 or 5 years of experience in this line of work. Our claim is that we are able to turn out work in the very best possible manner in the shortest time that it possibly can be done.

If you are having any kind of trouble with your car drive it right into our shop and your troubles will soon vanish away for our men know exactly where to find it and know just the right thing to do to make everything just right. Our work is guaranteed.

Our shop has, no doubt, the largest stock of genuine Ford and tractor parts, as well as implement parts, to draw upon that there is in southern Michigan. It is almost never that we have to tell our customer that we are out of anything. We want everyone to feel that when there is any need of anything for their Ford car or Fordson tractor, that they are sure to find it in our stock. We believe in giving the very best kind of service in every way.

FORMER PLYMOUTH MAN DIES IN NEW YORK

CAPTAIN HARRISON BERDAN,
WELL KNOWN IN PLYMOUTH
YEARS AGO, HAD PARALYTIC
STROKE.

We take the following article from the Charlevoix, Michigan, Courier, relative to the death of Capt. Harrison Berdan, who is well known to many of our older citizens:

Captain Harrison Berdan died at twelve o'clock midnight, Tuesday, March 20th, in New York City, at the home of his daughter, Mrs. A. E. Clayton, where he had been spending the winter. His wife in this city received a telegram early this morning to the effect that the captain had suffered what appeared to be a light paralytic stroke and a few hours later another message reached her announcing his death. He was ninety-three years of age.

Harrison Berdan was born in Plymouth, Wayne County, Michigan, in 1829, his early manhood being spent in the town of his birth following the calling of a carpenter. In 1862, at the age of 33, Mr. Berdan enlisted in the Fifth Michigan Cavalry, as sergeant, and serving with his regiment in many of the principal engagements of the great civil struggle, received rapid promotion, passing to the grade of first sergeant; then commissioned as second lieutenant, in which capacity he took part in the Battle of the Wilderness, receiving a wound and distinguishing himself to the extent that he was afterwards promoted to a first lieutenant and, in February, 1865, was made Captain of Company I, Fifth Michigan Cavalry, which was his rank until mustered out in June of that year at Fort Leavenworth. At one time he was captured by the enemy and was on his way to a Southern prison but succeeded in company with two of his comrades, in escaping from his captors after a brisk fight.

Captain Berdan located in Canton, Mich., near his old home, after the war and for some eleven years ran a hotel there. He came to Charlevoix some forty years ago, where he has since taken a prominent part in our social and political life, having held the offices of chief of police, marshal and sheriff of the county. He was postmaster here for eight years prior to 1894, and served several terms as supervisor of the third ward of Charlevoix. His first wife died many years ago, leaving a son and daughter, who survive their parents. He was married again on November 8, 1893, to Mrs. Mary Budd, of this city.

Besides his wife, his son, E. A. Berdan, eastern representative of the Cincinnati Times-Star, whose home is in New York, his daughter, Mrs. A. E. Clayton, also of New York, there are two living grandsons, one twenty-three and the other twenty-five years of age, and a sister, now eighty-five years old, Mrs. William Hannan of Wayne, Mich.

The remains will arrive in this city Saturday afternoon at four o'clock, accompanied by the son and his wife and the daughter and her husband. The funeral will be held from the house Monday morning at ten-thirty o'clock, Rev. C. W. Long, of the Congregational church, officiating. Aside from the attack which caused his death, Captain Berdan appeared to be in the best of health considering his advanced age and retained unusual vigor and activity up to the past few years. Being of powerful physique and more than average height, he was a forceful personality in our community, and in his passing Charlevoix has suffered a distinct loss.

Chester Waldro spent Saturday night with Howard Baehr.

Mrs. Ed. Holmes spent Monday afternoon with Mrs. May Kubik.

The young people's party given at Carl Theuer's, last Friday night, was not largely attended, but those who ventured out sure made the evening a round of enjoyment.

Is there going to be any end to snow this spring? It seems not after the heavy fall of snow Tuesday morning.

Miss Matie Lawton has resumed her school work, after the Easter vacation, which she spent with her sister in Cincinnati.

LIVONIA LUTHERAN CHURCH

There will be regular services at the Livonia Lutheran church on Sunday, April 15th, in the German language. Sunday-school conducted entirely in the English language, begins at 1:45.

The materials for raising the church and placing basement under same are now on the grounds. On Easter Sunday the congregation elected a committee to make a house to house canvass for gifts for this purpose. Basement is to contain furnace, kitchen and dining room, or Sunday-school room. As soon as the roads become a little more settled the committee will begin its canvass.

IN MEMORIAM

In loving and constant memory of our dear wife and mother, who passed away four years ago on April 11th.

Gone But Not Forgotten

We loved her, yes, we loved her,
But Jesus loved her more;
And he has sweetly called her,
To yonder shining shore.

The golden gates were opened,
A gentle voice said, "Come;"
And with farewell unspoken,
She calmly entered in.

Husband and Daughter,
William and Leona Beyer.

Preventative Medicine

The tendency of medical science is toward preventative measures. It is easier and better to prevent than to cure. Pneumonia, one of the most dangerous diseases that medical men have to contend with, often follows a cold or attack of grip. The cold prepares the system for the reception and development of the pneumonia germ. The longer the cold hangs on, the greater the danger. Take Chamberlain's Cough Remedy as soon as the first indication of a cold appears so as to get rid of it with the least possible delay. It is folly to risk an attack of pneumonia when this remedy may be obtained for a trifle.—Advertisement.

SCHOOL NOTES

For the school news this week Julia Rowland furnished the High school notes; Lucie Dickerson the grade notes; Fannie Grainger the write-up of the declamation and oratory contest, and Gladys Schrader that for the debate.

GRADE NOTES

Paul Strickland of the first grade, has moved to Detroit.

Nellie Small entered the sixth grade from Milford, last week.

The morning section of the kindergarten began their first real school work by starting chart reading this week.

In order that the pupils of the first grade may mark their own health charts, they are making little booklets containing colored pictures of the various health chores, as they cannot read sufficiently well to identify the different chores by printed words.

Miss Dixon, who has been ill for some time, and whose place was taken by Mrs. Smith, returned Monday morning.

The following children of the second grade, are on the honor roll in spelling for this week: Melvin Blunk, Elva Hill, Rosalind O'Hara, Edessa Seeley, Wilhelmine Rocker, Herbert Burley, Winifred Holcomb, Katherine Mandel, Margaret Cline, Jean Weeks, Russell Micol, Irene Humphries, Alice Lee, Berton Schwab, Woodrow Wilson, Dorothy Wnuk, Elmer Horvath, Lucie Ruthruff.

Because they are excellent readers, Alice Lee, Mary Jane Hamilton and

David Daly of the second grade, read out of fourth grade books for the fourth grade, Thursday morning.

To make their geography more interesting and tangible, the fifth grade pupils are preparing a product map of Africa—an outline map of that continent upon which they paste pictures of the physical features and resources of the land. This is only one of a series of similar maps. The children have previously finished a very fine one of South America.

The sixth grade English classes are reviewing parts of speech.

Mrs. Chappel is teaching the fourth grade, since Miss McClumpha is unable to be there on account of illness.

In a contest in seventh grade arithmetic, Lawrence Rattenbury took first place with an average of 100 per cent; Frazer Carmichael, second place, with an average of 97.1-3 per cent, and Margaret Guat, third place, with an average of 92.2-3 per cent.

The W. C. T. U. has adopted three children to whom they furnish milk for the remainder of the year.

In the sixth grade, Velma Petz is the only pupil neither absent nor tardy since school began in September.

The following fifth grade pupils have been neither absent nor tardy since September: Lawrence Blunk, Wilma Deseck, Dorothy Freiheit, Carrie Gorton. The value of this habit of being regularly on time cannot be over estimated.

DECLAMATION AND ORATORY CONTEST.

Winning first place in declamation and second in oratory in the sub-district contest, which was held in the High school auditorium, Friday, April 6, 1923, Plymouth High school received more honors than any other school. Those schools represented in declamation were: Redford, Monroe, Farmington, Ecorse, Plymouth, Howland, Dearborn, Ypsilanti and Dearborn. The judges were: Supt. Helfrich of Northville; Supt. Sawyer of Redford, and Supt. McDonald of River Rouge, who judged both the declamations and orations on delivery. Miss Muriel Bovee of Plymouth, received first place, and Miss Audrey Prey of Ypsilanti, second place.

The schools represented in the oratorical contest were Howell, Ann Arbor, Dearborn, Ypsilanti, Monroe, Plymouth and Wyandotte. Besides the judges on delivery, Prof. McKay, Prof. Wilber and Prof. Harvey of Normal College at Ypsilanti, judged orations on thought and composition. First place was given to Leslie Butler of Ann Arbor, and second place to better Alta Hamilton of Plymouth. The contestant in declamations must come from the ninth and tenth grades, while those in oratory may come from the ninth, tenth, eleventh or twelfth grades.

VICTORY FOR PLYMOUTH DEBATORS.

With six previous victories, the Plymouth High debating team continued their success of the season by winning a 2 to 1 decision from Highland Park, at the Plymouth High school auditorium, last week Thursday evening. The Plymouth team, Kenneth Bartlett, Eva Griffith and Perry Richwine, presented strong argument in opposition to the St. Lawrence waterway project and were much better in constructive speeches, but Highland Park's team, Paul Mertes, Helen Marshall and Martin Palmer, came back stronger in rebuttal, and gave Plymouth a real fight. Plymouth has three more debates to win if they get into the state championship debate, and because our team has successfully debated both sides of the question, everyone feels that they have promising possibilities of winning the state honors. The judges were: Superintendent Leonard of Farmington, Supt. Miller of Ecorse, and Supt. Adams of Dearborn. The chairman was J. S. Dayton. The next debate will be with Hastings, Friday, April 20th, at Hastings, when the locals will defend the negative.

THE THEATRE

JACKIE COOGAN REVEALS GREAT GENIUS IN "DADDY."

With his appearance in "Daddy," little Jackie Coogan about completes the cycle of human emotions for in this newest picture play, written for their boy by Mr. and Mrs. Jack Coogan, the youthful genius is called upon, in one scene, to sound the deepest of tragic notes. It was the performance of this role and scene that evoked from Will H. Hays his tribute of tears and the remark that "the world needs more pictures like this."

While "Daddy" sounds depths of tragedy and pathos, it is mainly devoted to the surface of smiles and laughter. Jackie, after every discouragement, plods on, and after every misfortune finds comfort; in the end he achieves complete happiness—if complete happiness is ever found.

Nobody better than Jackie's parents could write a story for him, calculated to explore every angle of the boy's versatile genius. In "Peck's Bad Boy," the impishness of the lad was especially revealed; in "Trouble" the note of pathos was injected with the merit that is Jackie's birthright; in "My Boy" humor abounded and in "Oliver Twist" the courage, tenderness and nobility of an upright youth were revealed. In "Daddy," the capacity of Jackie Coogan as a tragic emotionalist is so superbly disclosed that his work in this picture will forever stamp him as one of the greatest actors of all time, regardless of age.

"Daddy" is a First National picture, and will appear at the Peniman Allen theatre, Sunday and Monday, April 15 and 16, the dates for the pipe organ opening.

ANOTHER GREAT PHOTOPLAY COMING TO THE PENNIMAN ALLEN THEATRE.

We take the following from the Detroit Free Press, regarding the picture film, "Poor Men's Wives," which ran last week at the Broadway Strand, Detroit, and which comes to the Peniman Allen theatre, Wednesday and Thursday, April 18 and 19.

"Poor Men's Wives," starring Barbara La Marr and David Butler, is the result of an ambitious effort to make capital of a moral that moral being that the work-a-day family should be content with its lot and not strive to imitate its rich neighbors in manners or possessions. It is a companion picture to "Rich Men's Wives," which was a favorite with patrons of the Broadway recently. Where that film depicted a rich man turning his wife out of his home because she was over-friendly with a tango artist, the current picture reveals a rough and ready taxi driver putting his wife into the streets because she has robbed him of his savings to pay for a gown to wear to a ball. Some effective touches are put into the film to bring out the craving of the poor wife for the luxuries enjoyed by her rich husband who married a rich boarder.

"The picture maintains interest largely because of the abundance of color. There is a rich amount of it in the ball episode. In fact, this scene is the high spot of the film, for it points the way to a melodramatic conflict when the taxi driver discovers that his wife has been at the ball and misunderstands the situation surrounding her departure from it minus one shoe just enough to turn her out. The next morning after the ball the poor wife's babies ruin the gown she had on approval for the function, and then the chauffeur-husband learns the truth.

"Miss LaMarr and Butler handle their roles in such a way as to offer completely genuine characterization. The rich husband and wife are played by Richard Tucker and Betty Francisco. The picture is admirably staged and its audience appeal is strong. Two child actors, whose work in this picture entitles them to stand in the forefront of juvenile screen players are Mickey McBan and Muriel McCormac who are programmed as 'the Heavenly twins.'"

EPISCOPAL NOTES

Franklin L. Gibson was the preacher, last Sunday morning, his subject being, "Victory Over Death," 1 Cor. 15:56, 57. Next Sunday, Mr. Gibson will take as his subject, "Doubting Followers," John 20:29. These subjects of Mr. Gibson's are very interesting and always most instructive and inspiring.

Our church school is gradually increasing although through sickness there were still a few absent Sunday. We were glad to welcome three new pupils last Sunday morning. Our superintendent, Mrs. D. Murphy, has been away the past two Sundays through sickness, which has caused some anxiety, but we are glad to learn that she is improving in health and we hope to have her among us next Sunday. In the absence of the superintendent, Arthur Torre took the superintendency last Sunday.

Next Sunday a memorial service to the late Bishop Williams will be held in the Orchestra Hall, Detroit, at 3:00 o'clock. Several organizations will participate in the service, and the special speakers to include Dr. Shailer Matthews of Chicago University, James Schermerhorn and Dr. Lynn H. Hough of the Central M. E. Church. Dean Warren Rogers will preside.

The annual meeting of the Re-organized Southern Archdeaconry will be held in Christ Church, Detroit, Wednesday, April 18th. At the 3:00 o'clock sessions several names will be considered for voting on, at the annual convention to be held early in May, to fill the vacancy caused by the death of our beloved bishop. Among these will be some almost, not totally unknown to Detroit. It is these clergy who will be considered, and about whom information will be obtained at next Wednesday's meeting, so that their records may not be altogether unknown to us when the voting time comes at the General Convention in May. Our local clergy will not be considered or discussed, as most of them are well known to us all. Dr. W. G. Jennings has been appointed to represent the parish of Plymouth at next Wednesday's Archdeaconry meeting, and also at the General Diocesan Convention in May.

GAS FROM FOOD

Presses on Heart

If food does not digest it turns into poisons which form gas. This often presses on heart and other organs causing a nervous, restless feeling. Simple buckthorn bark, glycerine, etc., as mixed in Adlerika, removes foul, decaying food-matter you never thought was in your system, which caused gas and pressure on heart. Adlerika expels poisons and gas from BOTH upper and lower bowels. EXCELLENT to guard against appendicitis. Pinckney's Pharmacy.—Advertisement.
