SMITH-RYDER

A wedding of exceptional interest to Plymouth and Newburg people took place last Saturday afternoon, at 2:30 o'clock, at the pleasant farm home of Mr. and Mrs. Charles Ryder on Plymouth road, when their youngest daughter, Beulah L., became the bride of Clyde E. Smith. Rev. Frank M. Field, pastor of the Martha Holmes church, Detroit, and former pastor of the Newburg church, read the marriage ceremony in the presence of about one hundred guests.

Before the wedding ceremony, Miss Florence Paddock of Detroit, sang impressively, "O Promise Me." To the strains of Lohengrin's wedding march, rendered by Mrs. Henry Grimm, Jr., sister of the bride, the bridal party led by Rev. Field, took their places before a very beautiful arch of ferns and rambler roses. Little Dorothy Armstrong of Detroit, strewed flowers along the path of the bride, while Donald Armstrong carried the ring in the heart of a rose. The bride was given in marriage by her father, Charles E. Ryder.

The bride's gown was of white georgette and duchess lace over white satin, the bridal veil being of tulle with orange blossoms. She carried a shower bouquet of Ophelia and butterfly roses and valley lilies. The bride was attended by Miss Ernestine

Roef of Plymouth, whose gown was of shell pink georgette, ribbon trimmed, and carried a bouquet of Aaron Ward roses. Russell Parr, of Wayne, who recently graduated from the law department of the U. of M., a high school classmate, acted as best man.

After congratulations, the Misses Ila and Merle Roe, Margaret and Gladys Clemens, with Miss Clara Grimm presiding at the punch bowl, served the guests to ice cream and cake. The bride's cake was made by Mrs. Emily LeVan. As the bride ascended the stairs to change her gown for going away, she threw her bouquet to a group of girls, Miss Harriet Casterline of Flint, being the lucky one.

Guests were present from Long Beach, California; Chicago, Illinois; Cincinnati, Ohio; Flint, Mason, Ypsilanti, St. Johns, Brimley, Detroit, and Wayne Michigan.

Many beautiful and useful gifts were received by the young couple, who have the good wishes of many friends. The groom's gift to the bride was a beautiful string of pearls.

Mr. and Mrs. Smith are among the most popular young people at Newburg, and their many friends are pleased to know they will continue to live at Newburg. Mrs. Smith is a graduate of the Plymouth High school, while Mr. Smith is a graduate of the Wayne High school. Amid a shower of rice and confetti, the newlyweds left for a short trip to Buffalo and other points.

SCHIEL-RATTENBURY

Miss Marietta Rattenbury, daughter of Mr. and Mrs. John Rattenbury was married to Herman Schiel of Redford, Saturday evening, at eight o'clock, at the M. E. parsonage, Rev. D. D. Nagle officiating. They were accompanied by Miss Ilene Rattenbury and the groom's brother, George Schiel. The bride was beautifully gowned in gray crepe de chine and carried a shower bouquet of pink roses. The bridesmaid wore orchid orchandy, and carried white roses. After the ceremony they went immediately to the home of the bride's parents, where they partook of a wedding supper, after which they left for their new home in Redford. The young couple have the best wishes of a host of friends for a prosperous and happy wedded life.

BAKER-HALL

The marriage of Henry E. Baker, of Plymouth, and Miss Glendine Hall of Stockbridge, was solemnized at the home of the bride's parents, Mr. and Mrs. A. A. Hall, in that village, last Friday afternoon, June 29th, at 4:30 o'clock, Rev. Campbell of the Methodist church, performing the ceremony, in the presence of the immediate families of the bride and groom. Little Joan Cassidy and Jane Hall acted as ribbon bearers. After the ceremony, a sumptuous wedding supper was served the guests present. The bride is a most accomplished young lady, and for several years has been a teacher in the Plymouth public schools. The groom is the son of Mrs. Hattie Baker of this place, and is one of Plymouth's best and most popular young men. He holds a responsible position with the county road commission. After the wedding ceremony, the happy couple left on a wedding trip to Chicago and a boat trip from that city. They will reside in Plymouth, where the groom has just completed a fine new home in Elm Heights.

KELLAR-SHATTUCK

Miss Minnie Grace Shattuck of Lansing, and William Francis Kellar of Syracuse, N. Y., were married Saturday afternoon, in the parlors of Central Methodist Temple house, Rev. N. A. McCune performed the ceremony. The bride was gowned in white georgette over silk and her corsage bouquet was of pink rosebuds and lilies of the valley. Mr. and Mrs. Frank Shattuck of Lansing, were the only attendants. Mrs. Kellar is a teacher in the Pontiac schools, and Mr. Kellar is employed by the Wilson Company of Pontiac. The young couple left immediately for their new home in Pontiac.—Lansing State Journal.

Mrs. Kellar graduated from the Plymouth High school in 1915, and from the Ypsilanti State Normal College in 1917. They will reside at 27 Henry Clay avenue, Pontiac.

Corduroy Cords

Sidewall Protection

CORDUROY CORDS were designed to achieve the irreducible minimum in sidewall wear.

This has been accomplished by moulding eight graduated corrugations in the sidewall, thus interposing a wall of live rubber between curbs, ruts, etc., and the tire.

In addition Corduroy Cords have a smart, clean-cut air which enhances the appearance of any car.

We carry a complete stock in all sizes. Your next tire should be a CORDUROY CORD.

NEWBURG
There was no preaching service Sunday last. However, there were thirty-four in Sunday-school. It is expected that there will be services next Sunday.

The young people of the Epworth League spent a very pleasant evening at the home of Mr. and Mrs. Henry Grimm, Jr., last week Wednesday evening, to honor the approaching marriage of Beulah Ryder and Clyde E. Smith. Games were played, and refreshments served. Jack Taylor, in behalf of the young people, presented the happy couple with a handsome chair.

Mr. and Mrs. L. C. Otis of Mason, were over Sunday guests at the Ryder homestead.

Mrs. Elizabeth Brown of St. Johns, is visiting her brother, William Smith, and attended the Smith-Ryder wedding.

The 310th Engineers of Detroit, held a reunion and picnic in the grove recently purchased by Fred Schmidt, last Saturday. There were 200 in attendance.

Mrs. Minnie Hilliker spent Monday night with her mother, Mrs. Emily LeVan.

Clarence Clemens took a bunch of young people to Detroit, Saturday afternoon, to see the bride and groom, Mr. and Mrs. Clyde Smith, off on the boat. There was some delay caused by a breakdown. However, they took a street car and succeeded in arriving amid much fun and laughter, before the boat left the dock.

Mrs. Mark Joy, who was quite ill last week, is much better at this time.

Mrs. Edgar Stevens and children are spending a week with her parents, Mr. and Mrs. L. Lewis, near Chelsea.

Plymouth boys would possibly get to play ball oftener if they could make their parents understand that Babe Ruth gets a salary of \$4300 a month.

THE THEATRE

"SHADOWS OF CONSCIENCE"

There are several reasons why Russell's "Shadows of Conscience" which is to be seen at the Penniman Allen theatre, Sunday July 8th, is a distinctly superior offering. It isn't often that you find a picture of the Great West, as this is, so replete with hot action and at the same time so free from cheapness and over-drawn melodramatic situations. This picture was evidently conceived and gauged by an artist. John P. McCarthy, who was the director, is a personality to whom the columns in this paper will henceforth, not be ungenerous.

The story has everything that makes real drama, including heart in a picturesque background, taking place in this country fifty years ago when morals and order were more of an individual matter than a written decree. Briefly the tale concerns the life of Jim Logan, a frontiersman who escapes to California after having been unjustly accused of the crime of murder. Here he brings up a small daughter of a miner who was killed by his partner. The latter trails Logan, and after ten years, finds him happy and prosperous, the guardian of the girl who has turned out to be a beautiful young woman. He decides to "expose" Logan's past, but is thwarted in his schemes by Logan's cleverness in forcing him instead to confess his own guilt. The ending is achieved in a marvelously powerful manner, and serves as the final twist to a fascinating drama.

"THE TRAIL OF THE LONESOME PINE"

An unusually peaceful Gap town of the Cumberland mountains of Kentucky is under martial law. What is the meaning of it? In the case of the Paramount picture, "The Trail of the Lonesome Pine," starring Mary Miles Minter, which comes to the Penniman Allen theatre, Saturday, July 14, the event is the murder trial and subsequent attempt at hanging a certain "Bad" Rufe Tolliver, who has been arrested for the murder of a policeman. These scenes have been described as some of the most thrilling ever taken for motion picture purposes. In this case "Bad" Rufe happens to be none other than Edwin Brady, one of the foremost heavy actors on the screen today. Antonio Moreno and Ernest Torrence are featured in support of the star. Others in the cast are Frances Warner, J. S. Stembridge and Cullen Tate.

EPISCOPAL NOTES

Last Sunday morning, William C. Atwell, layman of St. Barnabas Church, Detroit, had charge of the service, and preached the sermon, taking his text from Isaiah 53-11. "He shall see of the travail of his own soul, and shall be satisfied."

Next Wednesday afternoon the Ladies' Guild will meet at 2:00 o'clock at the home of Mrs. William Bakewell, on the Plymouth road. All members are requested to be present. We regret to learn of the illness of Mrs. Knight at Salt Lake City, widow of the late Dr. W. R. Knight, late member of our vestry. Mrs. Knight, who had arranged a visit to Plymouth early in July, has had to postpone her visit on that account.

ANNUAL SCHOOL MEETING

MONDAY EVENING, JUNE 9

The annual meeting of School Dis-trict No. 1, Fr., will take place at the High school auditorium, Monday evening, July 9th, at 7:30 o'clock. The usual routine business will be transacted, and the election of a trustee to succeed C. H. Bennett, whose term of office expires at this time.

Another important matter that the voters are going to be asked to con-sider at this meeting is the purchase of a site for a ward school building. The continued growth of the village for the past few years is outgrowing our present school facilities, and it is most opportune that we should be getting ready to care for this in-creasing number, and not wait until we are forced to do it in a hurry.

That a ward school is needed now and in the near future will be abso-lutely imperative can best be realized by considering the number accommo-dated at the close of school:

- Kindergarten—a. m., 49; p. m., 21.
- First Grade—50.
- First and Second Grade—49.
- Second Grade—49.
- Third Grade—43.
- Third and Fourth Grade—32.
- Fourth Grade—50.
- Fourth and Fifth Grade—52.
- Fifth Grade—49.
- Sixth Grade (two teachers)—73.

Whenever a grade teacher is given more than forty pupils, she will be unable to give those in her room the individual attention which is so essential, especially in the first three grades. Also, rooms which are built to care for 40 pupils are not properly ventilated in winter, when they are required to house 49 to 73 pupils.

The cause of the above congestion will be apparent when we realize that the number of children between five and twenty years, living in the dis-trict this June, is 74 more than it was one year ago. Census for 1923, 914; while for 1922, 840. This simply means that Plymouth is enjoying a healthy growth, and now is the best time to meet the need of the present and also prepare for the future.

Every person who is interested in the growth of Plymouth and its pub-lic school system should attend this meeting.

The first car out of De-troit for Plymouth will leave at 5:00 a. m., instead of 5:25 a. m. This will be followed by one at 6:15 a. m., while the 8:25 a. m. will be advanced to 8:20 a. m.

**NANKIN TOWNSHIP FARMER
COMMITTS SUICIDE**

Louis Berger, a farmer residing on the King road in Nankin township, committed suicide Monday evening, by hanging himself in the wood lot on his farm. Berger, it seems, had made two trips to Detroit that day with produce, and on his return home from the last trip in the evening, was in an enraged frame of mind, according to the testimony of witnesses as brought out at the inquest. Upon going into the house he became violent and declared several times he was through and proceeded to get a shell for his gun, which was taken away from him by a neighbor who was present at the time. Efforts were made to pacify the man, but to no avail, and breaking from the house, Berger secured a bridle with a rope attached, and started for the wood lot.

A few minutes after Berger left the house, his wife, fearful that her husband might do something rash in his present state of mind, together with her daughter and little son followed him. The boy, at the command of his mother, hurried on in advance with instructions to see what his father was doing. He soon returned saying his father was dead and was blue in the face, whereupon Mrs. Berger and daughter rushed on to the wood lot where they found the unfortunate man hanging from a small tree with the rope about his neck. They quickly unfastened the rope and made frantic efforts to revive him, but he was past all help.

Plymouth officers were notified, and Justice of the Peace Phoebe Patterson proceeded to the Berger farm, where she impaneled a jury, who viewed the body and adjourned to meet at Schrader Bros. Funeral Home, Tuesday evening, where the inquest was held. At the inquest it was brought out that Berger had threatened on various occasions to take his own life, but his family did not regard these threats seriously. After hearing several witnesses, the jury brought in a verdict that the deceased came to his death by suicide.

Berger, who was 44 years of age, leaves a wife and four children. Funeral services were held Thursday afternoon.

Catholic Notes

Last Sunday a class of twenty-five children made their first Holy Communion. All the children of the parish who have made their first communion, received with the class. After mass, they all were invited to the basement of the church, where the ladies served them breakfast which they enjoyed very much. All wished Fr. Schuler could have remained here with them; instead of going on to Northville. The children spoke well for the untiring efforts of their instructor, Fr. Schuler, and his assistants, Miss Mertens and Miss Fish.

There will be no Catechism for the children on Saturdays, during the vacation.

RESOLUTIONS

To the family of Walter R. LeVan, from Tent 338, K. O. T. M., Plymouth, Michigan:

WHEREAS, It has pleased Almighty God to remove from our midst our worthy brother and friend, Walter R. LeVan, to be it

RESOLVED, That we, as a lodge of Maccabees, tender our heartfelt sympathy in their hour of affliction. We feel that in the loss of our brother we have lost a friend, indeed.

During our associations with him we have found him an energetic and faithful member, as well as a useful brother, and while you mourn the loss of a husband and father, we, too, have lost an honored member and his memory will live long in the hearts of his brethren. And we hope and trust that you as a family and we as an entire lodge may meet in that temple not made by hands, whose light is the Lord. Be it further

RESOLVED, That a copy of these resolutions be placed in the records of the lodge, and one be sent to the family, and also be published in the Plymouth Mail.

Signed in behalf of the Lodge,
E. H. BELTON,
J. R. MCLEOD,
C. O. DICKERSON.

STUDEBAKER

The Studebaker Light-Six

was designed by Studebaker engineers and manufactured complete in the NEW STUDEBAKER PLANTS AT SOUTH BEND, IND., which are notable in design, size and equipment for efficient and economical manufacture.

The South Bend Plants contain 4,875,000 square feet of floor space. They employ 12,000 persons. They cost \$33,250,000.

The South Bend Forge Plant cost \$4,000,000, which alone is more than the total assets of many automobile companies.

And then there are
The machine shops which cost \$7,000,000.
The stamping plant which cost \$4,000,000.
The new foundries which will cost over \$2,000,000.
The power plants which cost \$2,500,000.
The assembly and stock plants which cost \$5,000,000, as well as closed and open body plants, spring shops, etc.

Studebaker plants, in cost and size, are the second largest of the world's automobile plants.

Studebaker is the second longest financially of the automobile manufacturers of the world.

These facts show why it is possible for Studebaker to produce the Light-Six—a truly remarkable car—and sell it for less than a thousand dollars.

In actual car value per dollar of price the Light-Six is in a class by itself. No prospective buyer of an automobile should decide on anything until he has seen and driven this car. It is backed by a corporation with \$85,000,000 of actual net assets and a 71-year reputation for honest product and fair dealing.

Vast Resources Make Possible High Value at Low Price in Studebaker Light-Six

Studebaker's vast resources are utilized to manufacture (not assemble) the Light-Six complete in the newest and most modern large automobile plants in the world.

The Corporation's resources, consisting of \$85,000,000 of actual net assets, including \$45,000,000 of plants, make it possible for Studebaker to offer a six-cylinder car, at less than \$1,000, that is emphatically superior in design, construction, performance, comfort and dependability, to any car within hundreds of dollars of its price.

By complete manufacture, Studebaker not only guards the quality of each part, but saves the middlemen's profits, with the result that no other make of car ever built, by anyone, at any price, represents so great a dollar-for-dollar value as the Light-Six.

Evidence of its mechanical superiority is found in its practical freedom from vibration. This is accomplished by the perfect balance of the motor. Perfect balance is obtained largely through the complete machining of all surfaces of the crankshaft and connecting rods. This requires 61 precision operations.

This method is followed exclusively by Studebaker on cars at this price. In fact, very few other cars have this feature, and their prices are from three to ten times as great as that of the Light-Six.

It is significant, therefore, that the sale of more than 80,000 Studebaker cars during the first six months of this year broke all records.

Buyers are justified in expecting more for their money in a Studebaker than in any other car.

Today's Reflections

"I feel sure that the world will get along all right," said a well-known Plymouth man yesterday, "providing the men don't get to wearing ear rings."

Hair doesn't often turn white in a night, but every once in a while some Plymouth girl's cheeks turn red in a few minutes.

One nice thing about having a family is that when you get arrested you can ask the judge to let you off for their sake.

Plymouth women may some day decide that it is proper for them to smoke the same as men. But we don't want to be around when they try to spit across the sidewalk.

Nature passed out a broad hint when she gave a man two ears and only one mouth.

September 15th of last year, Dickinson came home from his work at the Ford plant in Northville, took his automobile and drove to a small lake near South Lyon, saying he was going fishing. When he did not return home the family became alarmed, and a friend drove to the lake to look for him. On the bank of the lake stood his car, empty. In the middle of the lake floated an unmanned rowboat. In the water was found a cap, which was identified as belonging to Dickinson. For days the lake was dragged, but no trace of him was found. Aside from saying he came to Northville from Saginaw, Dickinson refused to discuss his mysterious disappearance. The family formerly resided at Waterford.

COUNTY CLUB CHAMPS TO HAVE STATE MEET

ANNUAL CONFERENCE WILL BRING TOGETHER 300 BOYS AND GIRLS AT M. A. C., JULY 9-13.

County champions in the various phases of Michigan's boys and girls club work for the past year will gather at the Michigan Agricultural College from July 9 to 13, for the annual Club Week and round-up conference. Three hundred youngsters, all winners in various county competitions, will be included in the roll call, according to R. A. Turner, state leader of boys and girls club work with the M. A. C. extension division, who is in charge of arrangements for the meeting.

Those who will attend the conference have earned the right by excelling in their different fields in competition with the nearly 20,000 boys and girls who were enrolled in club work throughout the state last year. It will be a blue ribbon round-up, serving as a prize for winners in the county competitions.

The boys and girls will be guests of M. A. C. during the meeting, being housed in the men's and women's dormitories, respectively, during the week.

Meetings and special conferences will make up the morning program, while games and entertainment features will fill the afternoons and evenings. The state board of agriculture will entertain the entire conference attendance at a big banquet on Thursday evening, July 12, while a trip to the state capital at Lansing will be another outstanding feature of the week's list of events.

SENTENCED TO TWO YEARS IN DETROIT HOUSE OF CORRECTION.

A pale pink kimono spelled out prison sentences for Carl Lahr, 21 years old, of Newburg, Mich., and Lloyd Hamilton, 19 years old, of Plymouth, Mich., Wednesday. The youths were each condemned to two years in the Detroit House of Correction by Judge Arthur J. Tuttle in Federal Court.

Three months ago the depot at Novi, Mich., was broken into, and three sacks of mail were stolen. The stolen mail bags contained three love letters, a pair of spectacles and a flimsy pink kimono. All the articles stolen, with the exception of the kimono, were found near the station. The boys had thrown them away.

"The kimono was the only thing worth keeping," Hamilton explained in court Wednesday. "Lahr and I had planned on giving the kimono to a girl friend, but the police got us before we carried out our intention. You know we had an argument over which of our girl friends was to receive it. When a chap thinks of girls his goose is cooked."

Their automobile was boiling and needed water when they arrived at Novi, the youths explained. Being near the railroad station, they decided to break in and obtain water. Seeing the mail bags, and believing they contained valuable packages, they took them, Hamilton said.—The Detroit News, Thursday, June 28.
