Annual Red Cross

Roll Call Next Week

WEEK OF OCTOBER 29 TO NOVEMBER 3 SET FOR THE ANNUAL CAMPAIGN IN PLYMOUTH.

The dates for the annual Red Cross Roll Call in Plymouth have been set for the week of October 29 to November 3, inclusive. The campaign in Plymouth will be carried on this year, along the same lines as that of former years. Plymouth has always been quick to respond to the call of the Red Cross, and it is to be hoped that the splendid record which we have always had, will be maintained in the coming campaign.

That there will be a general renewal of memberships in this great organization again this year by our citizens, there is not a doubt.

Mrs. C. H. Bennett, who has always given freely of her time and efforts in the work of the local branch of the Red Cross, will act as general chairman of the campaign next week. In order that the work may be carried on successfully, it is necessary that there be a generous response of volunteer workers. It should not be left for a few to carry on the burden of the work of the campaign, and it is hoped that workers will come forward without solicitation, and give a small portion of their time to make the campaign the success that it should be. Anyone who will volunteer their services at the booths during roll call week, please call phone 175.

Booths will be established in several of the business places as usual, where memberships can be renewed for \$1.00. These booths will be open from 8:30 a. m. to 11:00 a. m. and 12:30 p. m. to 5:00 p. m. each day, commencing Monday, October 29th. The booths will be open all the evening on Saturday, November 3rd.

Persons renewing their memberships are requested to display the flag, which they will receive at the time of renewing, in the window of their home, so they will not be solicited again.

For every \$1.00 membership received in Plymouth, one-half of it is spent in this community, while the other half goes to the National Red Cross for its great work of relief throughout the world in great disasters, etc. For larger sums contributed, 50c goes to the National Red Cross, and the rest is available for use in this community whenever it is needed.

It is interesting to note that the Red Cross quota for the Japanese Relief Fund was \$5,250,000, and the amount subscribed was \$9,893,700. The splendid work of the Red Cross in Japan is claiming the attention of the world.

From July 1, 1917, to June 30, 1923, the American Red Cross spent nationally and through its Chapters more than \$163,000,000 in service to the men who wore the American uniform in the world war and to their families. During the last fiscal year \$7,000,000 was spent in this work.

Under the direction of its Chapters 1,038 Red Cross Public Health Nurses, in rural communities are relieving suffering and teaching people how to keep well.

Remember, the campaign starts in Plymouth, Monday, October 29th, and ends Saturday, November 3rd, and \$1.00 renews your membership.

CANTON COMMUNITY CLUB

The Canton Community Club will meet Wednesday evening, October 31, at the home of J. F. Root. Prof. C. R. Ross and B. J. Holcomb of Plymouth High school will be speakers of the evening. Everyone is welcome to come. A pot-luck supper will be served. Ladies please remember to bring dishes for her own family.

Mrs. Henry Steinmetz was a Sunday guest of her sister, Mrs. T. W. Driver, at Ann Arbor.

Mr. and Mrs. George Robinson spent Wednesday and Thursday of this week in Detroit. While there, Mrs. Robinson visited friends at Sandwich, Ont.

YOUNG MAN PASSES AWAY

Roscoe Ira Miller, son of Mr. and Mrs. Frank Miller, was born July 28, 1902, and died October 19, 1923, aged 21 years, two months and 21 days. All his life was spent in this vicinity, where he attended school, was a member of the Grange and of the Canton Center Community Club. Besides his parents, he leaves to mourn their loss, four brothers, Laurence, Kinyon, Walter and John, and two sisters, Esther and Stella, and a large circle of distant relatives and friends.

Funeral services were held from his late home, Monday, October 22, at two o'clock, conducted by Rev. S. Conger Hathaway, pastor of the First Presbyterian church. Miss June Pooler sang two beautiful solos. The interment took place in Kinyon cemetery.

O. E. S. INITIATE CANDIDATES

Last Tuesday evening, October 23, a special meeting of the Order of the Eastern Star was held in Masonic hall, when two candidates were initiated into the order. A fine six o'clock dinner was served to about one hundred and twenty-five members and visitors. The tables were very attractive in Hallowe'en colors and emblems, with pumpkin jack of lanterns forming the centerpiece. Potted ferns decorated the lodge room. At the conclusion of the work, the worthy matron, Mrs. George A. Smith, gave an interesting report of the Grand Chapter meeting, recently held in Grand Rapids. Several chapters were represented, guests being present from Detroit, Stockbridge, Manchester, Belleville, Northville and other nearby places.

WOMAN'S CLUB

A regular meeting of the Woman's Club occurred in the Conner block, last Friday afternoon, with the presiding, Mrs. Charles Humphries presiding. Officers reports were given; also some who attended the State Federation reported some good things. Little business was in order, and air castles for a new home were built. An instructive program was in charge of Division II, and as follows:

Roll Call—Fables. Paper, "Holland and The Netherlands"—Mrs. Irving Ulrich. Songs from Operetta, "Windmills of Holland"—Poppies Red and White; In Dreamland—High School Girls in charge of Miss Hall. "Scenic Beauties of Northern Michigan," written by Mrs. R. L. Hills, and read by Mrs. W. T. Pettingill. "Long Distance Transportation of Heat, Light, Oil"—Mrs. D. D. Nagle. "Ten Minute Talk on River Rouge Plant"—Mrs. R. O. Chappel. November 2nd is to be devoted to a study of Japan, and members are requested to bring cup, plate and silver.

AN OLD RESIDENT PASSES AWAY.

Isaiah Gleason, for many years a highly respected resident of Plymouth, passed away at his home on Starkweather avenue, at an early hour Thursday. Mr. Gleason was 89 years, 5 months and 7 days of age. The funeral will be held from his late home on Starkweather avenue, Saturday afternoon at two o'clock. More extended notice will appear next week.

REBEKAS WILL SERVE SUPPER

L. O. T. M. INSTALL NEW OFFICERS.

The yearly installation of officers of the L. O. T. M. took place in their hall, Thursday evening, October 18th, at which time they had for their guests their husbands and families. District Deputy and Great Hive Auditor, Carrie E. Gilbert of Detroit, who has acted as installing officer for Plymouth Hive every year, but one, since its organization, installed the officers in her usual pleasing manner, the officers looking very lovely in their new regalia, which was finished expressly for this occasion. After the ceremonies of installation, ice cream and cake were served to the guests and members, and Lady Gilbert, in behalf of Plymouth Hive, presented the retiring commander, Lady Dicks, with a beautiful lamp, as an expression of the Hive's gratitude to her for her years of service as commander. The new commander, Lady Martin, was the recipient of a beautiful basket of roses, and Lady Gilbert was given a fancy box of choice candy, from the Hive. The Misses Gladys Welher and Corinne Howell, daughters of two of the ladies, acted as flag bearers during the entire evening. And thus Plymouth Hive, No. 156, turned another page in its history, and trusts that it may prosper, and be able to serve the community as well in the future as it has in the past.

The regular meeting of Plymouth Hive, No. 156, L. O. T. M., will take place Thursday evening, November 1st, at which time a number of candidates will be initiated by the new officers, and a miscellaneous shower will be given in honor of one of the members, who has recently become a bride. Members of out-of-town Hives are always welcome, and the captains of the contest, which is now taking place, will be very glad to have their members present.

DEATH OF MRS. E. K. SIMONDS

Mrs. E. K. Simonds passed away, Thursday morning, at the residence of her niece, Mrs. W. T. Conner. Funeral services will be held at 10:00 a. m., Saturday, 881 Penniman avenue, Plymouth. More extended notice next week.

PLYMOUTH MAN WILL DIRECT LITTLE THEATRE PLAYERS.

"The Little Theatre Players" has just been organized in Detroit, with P. Ralph Miller of Plymouth, as director. This organization is composed largely of young Catholic men and women, and has for its purpose the furtherance of the American drama as an art; the presentation of plays of only the highest standard, and the production of any satisfactory attempts at play-writing made by members of the club.

Mr. Miller is a student at the University of Detroit, and has had experience on the legitimate stage, having been for some time with the Bonstelle Company of Detroit. The new organization will begin rehearsals within a few days.

THE WILL TO SAVE

There is no secret to saving.

Anyone with the will to save can save. It simply means regularly putting aside part of one's income before any of it is spent. It means spending just a little less than is earned.

The result is well worth while. Money saved makes possible the realization of one's most cherished hopes.

The way to develop the will to save is to have an account at this bank, which offers you a convenient place to safely keep the amounts you save from week to week.

THIS MAN KNOWS

Charles E. Blackwell owns a store at Okanogan, Wash., a town of 1015 people, but he is declared to be the most successful merchant in the entire state. Recently he spoke at a convention in Seattle, and he provided that he practices what he preaches. He also gave out the secret of his wonderful business success in a way that every merchant in and around Plymouth can appreciate and profit by. Here is his secret in his own words:

"There are many lines of publicity that the country store can use to advantage, but the one he can use to best advantage is his home-town paper. I venture to say that if the money spent each year for fancy calendars and other knock-knock give-aways were invested—I say invested, not spent or donated—in carefully planned newspaper advertising, the actual net returns to the advertiser would be ten times as great, to say nothing of the advantage the small-town paper would derive from the additional and much-needed revenue. And we know that as a business builder, it is without an equal in any town."

DUE FOR A RISE

Just as we predicted shortly after the Japanese earthquake, that government is coming to America to purchase lumber and hardware for rebuilding her thousands of destroyed home and business buildings. She is even now bidding against American contractors for lumber, and there's no telling just how high it will go by next spring. It is not going to be a local proposition—the increased cost of lumber is going to be felt in every state in the union. We fully believe that the Plymouth man who contemplates building next spring, would do well to let his contract now—providing he can find a contractor willing to take a chance. And the man who has hesitated about making needed repairs around his place, or building an addition to house or barn, or a new garage, will find he has saved considerable money if he purchases his material now, before the tremendous orders which Japan has started to make shoot the market toward the highest point in history, as many believe will be the case.

U. S. CIVIL SERVICE EXAMINATION FOR POSTMASTER

The United States Civil Service Commission, at the request of the Postmaster General, announces a competitive examination for postmaster in Plymouth.

This examination is held under the President's Order of May 10, 1921, and not under the civil service act and rules.

Competitors will not be required to report for examination at any place, but will be rated upon their education and training, business experience and fitness.

Apply to the secretary of the board of civil service examiners at the postoffice in Plymouth or to the United States Civil Service Commission, Washington, D. C., for application Form 2241, and Form 2213, containing definite information in regard to the examination.

Applications must be properly executed on form 2241 and filed with the Civil Service Commission, Washington, D. C., prior to the hour of closing business on the date specified in Form 2213.

THE PERRY FARM

SCHOOL FOR BOYS

At the invitation of Rev. D. D. Nagle of the M. E. church, H. L. Brownell, executive secretary, Perry Farm School for Boys, made a short address on the work of the organization, at the morning service, Sunday. Mr. Brownell also addressed the Baptist church congregation at the invitation of Rev. Sayles. He said in part: "I wish to point out to you good people another way that you may serve in christian citizenship. The need of this day and age is a more active part of church people in citizenship. Who are our future citizens, who will make and enforce the laws for your children and children's children? The boy of today and how are we now treating that boy? Do we give him our help if he needs same? There are at least one thousand boys in the City of Detroit today, that if not given help such as our work gives and will enlarge to give further, that will start on a life of crime within the year. Will you get back of the movement and help us? Such work must be done now if you would make it safe for your boy and girl. Develop your activities in the work of christian citizenship. Our work is with boys that are in great need and would not receive help in any other way."

The Perry Farm is located near Charlotte in Eaton County, Michigan, and consists of a beautiful rolling tract of land, with orchard and woodlot, as well as fine tillable soil and pasture lands. It is well adapted to diversified farming and within a mile of a small lake, where the boys may frolic and swim to their hearts' content when the day's work is over.

The school provides only what is usually termed a common school education, but its credits are accepted by higher institutions of learning for such as desire to continue in school, and it features practical farming, business and industrial training and makes every boy independent because he has studied some method of self support.

"Will You Help a Worthy Boy Make Good?" by Frederick A. Perry
Pres. and Gen. Mgr.

The problem confronting parents, and especially parents of very limited means, who live in congested portions of our cities, is very acute, and but little understood by those living in more favorable circumstances. The father must leave home at an early hour and return late, leaving the care of the children almost entirely to the mother, who in many cases also goes out to work, and thus the children are left largely to shift for themselves. But even if the mother is at home, she lives in a crowded apartment and it is next to impossible to keep the children indoors. She would be obliged to devote all her time to keeping them quiet, and of course that is impossible. Consequently, the children spend their time outside of school hours on the street. It matters not how greatly the parents may desire to have the children brought up right, it is inevitable that they will be contaminated by evil influence, and soon get beyond control.

It does not follow that the children are naturally bad, or that they could not develop into good citizens if conditions were different. They are simply victims of an unfavorable environment.

The Perry Farm School for Boys co-operates with worthy parents by taking the boys out of the crowded city streets and placing them on farms, where there is something to do. Boys are better off if they are employed, but there are no chores to speak of in a three-room apartment on the fourth floor of a tenement house. On the farm there is much to engage the time and energy of a growing boy outside of school hours. The parents are glad to assist in paying the expenses of keeping the boys on the farm, although, of course, they cannot pay the whole amount.

The work is primarily a philanthropic endeavor, but it is also economic, because these boys are made an asset rather than a liability to the state, and they increase its worth and productivity instead of being a burden upon the already overburdened producers. Once this work is thoroughly understood everyone will be glad to support it as an aid to the nation and a cure for the ever-growing menace of radicalism.

Saturday of this week, October 27, the citizens of Plymouth will be given an opportunity to assist this good cause by buying a tag, and surely everyone can afford at least a small gift for the sake of helping a worthy boy to make good.

POTATOES NEED GOOD STORAGE CONDITIONS

PREVENTION OF LOSS DEPENDS ON PROPER HANDLING AND HOUSING, SAYS M. A. C. MAN.

That great annual losses in Michigan's potato crop could be prevented if proper storage facilities were provided and proper methods of handling were employed, is the opinion of H. C. Moore, extension specialist at the Michigan Agricultural College.

Growers, warehouse men and others must give the questions of harvesting and storage more consideration before best results can be obtained. The following are among the pointers which Moore gives on storing tubers. Detailed information can be had from the crops department, Michigan Agricultural College, East Lansing.

"Potatoes should be stored in a dark, frost-proof cellar that is well ventilated, and where a uniform temperature of 34 to 40 degrees F. can be maintained. Before being placed in storage, potatoes should be carefully graded, and all cut, fork-punctured or ill-shaped stock should be discarded.

"Potatoes that have been exposed to frost should not be placed in permanent storage, since they are likely to rot during the storage period. Every year considerable loss is also suffered by growers who place their potatoes in storage early in the fall while the weather is warm. Much of the early stock is immature, and when placed in large piles in poorly ventilated houses it is very likely to heat and spoil.

"During mild weather in the fall, the windows and ventilators of the storage cellar should be left open nights so that the temperature can be lowered quickly.

"Do not place potatoes in large piles without providing adequate ventilation for the pile. Potatoes must have free access to air or they will develop black heart, button rot and other types of breakdown, and they will be spoiled for eating and seed purposes.

"When filling large bins with potatoes, false partitions or ventilating frames that reach from the floor to the top of the bins should be placed at intervals of from six to eight feet."

ARE WARNED OF DIPHTHERIA SPREAD.

"All children must be closely watched this fall." Thus spoke Dr. O. L. Olin, state health commissioner, when asked about the menacing condition of diphtheria throughout Michigan. "Much light diphtheria and diverse throat troubles are about, and a doctor ought to be called immediately, should a child manifest suspicious symptoms. Youngsters are often easy victims of diphtheria and the utmost care must be observed in their behalf."

RESOLUTIONS
Resolutions of respect and condolence of Tonquish Lodge, No. 32, I. O. O. F.:
WHEREAS, the Divine Ruler of the universe has silently closed the eyes and sealed the lips of our late and beloved brother, Earl C. Robinson, leaving bereft in grief a sorrowing wife and three daughters, and
WHEREAS, that while we submit to the will of God, we deeply mourn with sorrowing hearts our sad loss and bereavement.
RESOLVED, That we as a society, deeply sympathetic with the relatives and friends in this their sad hour of bereavement, and would extend to them that sympathy and consolation which warm hearts can give, who feel that their sorrow is our sorrow, that their loss is our loss, and above all, we would commend them to Him who doeth all things well.
Just at the sunset, the west glows with radiant colors, so our horizon of memory glows with tints painted by his life's work. He was faithful to his ideals, to his friends, to his loved ones, to the Order that he loved. He invested in friendship and received back the love and respect of the whole fraternity.
We shall miss him from our councils. The voice is hushed and the hand is cold, but his influence will live on to bless and inspire us.
RESOLVED, That our charter be draped in mourning for thirty days, and a copy of our resolutions be spread on our minutes and one be sent to the bereaved family of our deceased brother.
Oh, thou who mournest on thy way, With longing for the closing day, Bear up, bear up, the end shall tell, The dear Lord doeth all things well.
Committee—
GEO. C. KNAPP,
JOSEPH TRACY,
F. S. WILSON.

A CARD—I want to thank my neighbors and friends for their kind assistance during my long illness; also the Ladies' Aid society and the Missionary society for the beautiful flowers and remembrances that were sent to me.
Mrs. George Huger, Sr.

Today's Reflections

Why is it that it's the easiest thing in the world to be optimistic when you're making money?

What has become of the old-fashioned Plymouth man who used to think school teachers were overpaid when they got \$40 a month?

Why is it that the fellow who knows nobody can fool him always gets humbugged worse than anybody else?

There's mighty little to be said for the Plymouth girl who is so ignorant of housework she thinks a thimble is a shield for a sore thumb.

Blessed are the peacemakers—even though it does seem like all of them are dead.

Let us all join in hoping that cheaper gasolene doesn't mean an increase in the number of funerals.

Wouldn't it be terrible if the women around Plymouth wanted new washing machines every time their husbands decided to trade in the old car for a new one?

We read where a scientist says lady mosquitoes do all the biting. Then she's no lady.

Things have changed a lot since Barnum's time. In his day only one sucker was born every minute.

One of the biggest mistakes the average Plymouth man makes is believing that he can play truant from the school of experience.

Over in Mongolia they've just dug up an egg six inches long and said to be thousands of years old. Scientists appear able to dig up everything but pre-war prices.

Argentine is going to raise more cotton next year. That's fine news for the boll weevil that likes to travel.

The longer you go with them, the more their candy costs," was the remark we overheard a Plymouth boy make the other day as he bought 15c worth of gumdrops.

We've still got a few old-fashioned men in this country. We see where one was arrested near Buffalo, N. Y., for stealing a horse.

The law of supply and demand doesn't always work out. Look how many reformers we have and how little reform.

Since the coal investigation it has gone to \$15 a ton in some cities. Isn't it about time we quit "investigating."

Eyes Bad? Try Camphor

For eye trouble there is nothing better than simple camphor, by drastics, witchhazel, etc., as mixed in Lavantik eye wash. One small bottle helps any case sore, weak or strained eyes. Aluminum eye cup free. Pinkney's Pharmacy.—Advertisement.

SOUTH SALEM

James Carragher, who lived nearly all of his sixty-two years on the town line, died October 14th. He is survived by his daughter, Mrs. May Jeddle of Ann Arbor, and one son, Louis, of Detroit. The funeral was held Wednesday morning, October 17th, at St. Patrick's church, Northfield.

Mr. and Mrs. B. A. Nelson were in South Salem, calling on Mr. Nelson's grandmother, Mrs. Giles Waters. Mrs. Waters will be 92 years old on October 26th.

Mr. and Mrs. Glenn Whittaker and Mrs. Orlin, of Lapham's Corners; Mr. and Mrs. Nelson Bender of Worden, and Mr. and Mrs. William Tait of Plymouth, motored to Highland Park, Sunday, and were guests of Mr. and Mrs. E. Quackenbush.

Mrs. Arthur Budd is driving a new Star touring car.

Mr. and Mrs. Kenneth Rich were in Holly, last Friday.

Mr. and Mrs. John Renwick and daughter, Mrs. Hines, Mrs. James Lucas, Mrs. Edith Rorabacher, Mrs. Ellen Cole, Mr. and Mrs. Will Cole, Mr. and Mrs. Henry Brinkman and daughter, Edith, attended the funeral of Mrs. George Merritt at Northville, Thursday afternoon of last week.

Grace Thompson of Highland Park, is spending the week with relatives in this vicinity.

Louise Rorabacher was in Ann Arbor, Friday evening, attending the Choral Union concert, and heard Galli-Curci sing.

No church service was held at Worden, Sunday morning, but in the evening a large congregation was present to hear Rev. Otto Keller of Kisumu Kenya Colony, East Africa, tell of his work in the missionary field. Mrs. Keller sang in the African language. At the close of the service, a missionary offering was taken. Mr. and Mrs. Keller left for Canada, Monday morning.

William Hamilton has gone to Cobalt, Canada, to visit his uncle, Joel Hamilton.

Mrs. Laura Smith was a guest of Mrs. Ada Harbin-Thompson in Brighton, last week.

Mr. and Mrs. Dwell Smith, who are not in good health, have gone to Ann Arbor to spend the winter with their son, Floyd. Mr. and Mrs. James Spencer have moved into the Smith house.

Mrs. Emily Lewis and Mrs. Grace Lewis and children attended the Aid Society at the home of Mrs. James Dicks at Cherry Hill, Thursday.

Mr. and Mrs. Leland N. Wooster of Ann Arbor, are the parents of a baby girl, born, October 12th. Mrs. Wooster was Miss Marie Ryder, daughter of Mr. and Mrs. Fred Ryder of Salem.

William Mager, Charles Carter and Mr. and Mrs. Edward Smith were on the curb market in Ypsilanti, Saturday morning.

Mr. and Mrs. Will Clinansmith and family of Windsor, Ont., spent the week-end with their uncle, Manley Clinansmith.

The Ladies' Aid society of the Worden church, were entertained at the pleasant home of Mrs. E. Vandolson, Thursday, October 18th.

Mr. and Mrs. Charles VanSickle expect soon to leave their farm home to live in Detroit. A large company of neighbors and friends gave them a farewell surprise party recently.

SCHOOL NOTES

The football and High school notes are by Alta Hamill, the grade notes by James Hickey and the business notes by Ione Kelley.

To receive a diploma in penmanship, the twenty-seven pupils who are working for one, must complete the drills in the Palmer Method book, which are to be sent in to the Palmer Company, and diplomas will be awarded to those whose writing has been accredited by the judges.

Other classes have joined together and there are one hundred and seventeen pupils who are working for a progressive pin, which indicates that they have mastered the Palmer Method, and have completed one hundred and seventy-two drills in the Palmer book.

In the Plymouth High School, a pupil takes two years of stenography and at the end of this term, he must be able to take dictated matter at the rate of one hundred twenty words a minute. As soon as the pupils complete this course, they are able to hold a clerical position, as they have business training and office practice. The standard for an ordinary stenographer is from one hundred ten to one hundred twenty-five words a minute, while in business college the requirement is from one hundred to one hundred fifty a minute. A stenographer, in a circuit court, must be much quicker than one doing business work, because there are different notes to deal with, and the matter to be taken and transcribed is different.

The Girl Scouts had a meeting Monday, October 22, and agreed to keep Girl Scouts Week. Eleven years ago Mrs. Juliette Low organized the first patrol in Savannah, Georgia. This week is to be kept by all the Girl Scouts all over America. Each girl, as special Home Service, is going to plan and cook supper and care for some small child. The Scouts will also attend the Presbyterian church in a body on Girl Scout Sunday.

The fourth, fifth and sixth hour classes in Physical Training are taking up Speed Ball. There have been several soccer games between the three classes. They seem to be evenly matched as several games neither side was able to score.

FRAIN'S LAKE

The neighbors and friends of Mr. and Mrs. George Slyfield gave them a farewell party, Saturday evening. The time was spent in dancing, after which a fine lunch was served. Mr. and Mrs. Slyfield will move next week.

John Root and wife are spending the week in Mackegog as delegates from Plymouth Grange.

Vernon Lyke of Plymouth, spent the week-end with his grandparents.

Mrs. Ed. Lyke received word from a friend in Oscoda, that the fisherman had just caught a 600 pound sturgeon from the lake—largest catch in many years.

The Parent-Teachers' Club met at the school house, Tuesday night, and had a business meeting, after which they chose sides for getting new members. The losing side will banquet the winners. Mrs. Charles Freeman and Ed. Lyke are captains.

Mrs. Everett Whipple is visiting friends in Detroit, Flint and Orion.

Fred Tackman is still seriously ill. Foster Thornberry and family of Belleville, spent Sunday with George Lyke and wife.

Jack Schrader of Detroit, spent the week-end with his brother and family.

Mrs. Fred Fishbeck went to Detroit, Saturday, for treatment.

The good roads men lost a valuable horse in the sink-hole at Mud Lake, last week.

Glen and Emily Freeman attended a Fraternity party in Ann Arbor, Saturday night.

William Grammel and wife spent Friday in Detroit.

Rev. and Mrs. Pritchard were called in this vicinity, Sunday.

Mrs. William Grammel entertained her sister, Miss Beatrice Douglas of Redford, and Miss Josephine White of Maryland, through the week-end, and all attended the Slyfield party, Saturday night.

Mrs. Mabelle Sherwood, who fell last week, is able to be out again.

Our school will give a cap social and dance, next Tuesday night, at the home of George Slyfield. Each lady is asked to bring two caps alike, one being sold to the highest bidder. Pumpkin pie, doughnuts and coffee will be served by the district. Everybody welcome.

GRADE NOTES

Mrs. Joe Fleury and Mrs. E. C. Drey were visitors in Miss Clough's second grade room, the latter part of last week.

Having recovered from his illness, Claude Bauman has returned to the first grade room after two weeks' absence.

The first grade room was visited during the month of October by Mrs. Frank Reynolds, Mr. Chris DePorter, Mrs. Rosalind Cassard and Mrs. Wm. L. Bauman. The faculty would be glad to see the mothers visit the High school, as rarely occurs.

Having completed their preliminary mechanical drawing work, the manual training pupils of the eighth grade are now ready to begin work on the bench.

In the third and fourth grade room the following pupils have been neither absent nor tardy since the beginning of school in September: Marion Taylor, Alvin Wagenschutz, Gladys Zeitsch, Helen Compton and Merle Weiber.

After being absent for four weeks on account of illness, Allen Foster re-entered the sixth grade, Monday.

The sixth grade pupils have been busy writing Hallowe'en stories, and cutting out pumpkins.

SECOND TEAM GAME

Plymouth's second team played its first game away from home, at Redford, Tuesday, October 23rd. Although they lost by a 13 to 7 score, they showed wonderful improvement in each department of the game over their performance against Strathmoor last week. But for the breaks of luck neither team would have scored, Redford scoring both their touchdowns from the only two

JUNIOR RED CROSS

Our public school last year had approximately 100 per cent membership in the Junior Red Cross. This membership carries with it no dues, but a pledge to work and serve needy humanity.

Among the different projects possible for our school to undertake, the one considered most worthy was that of supplying the children's ward of the Tuberculosis Sanatorium with a manual appreciated Christmas. Our manual training department, domestic art department and drawing departments in the school constructed toys, made dolls and bean bags and painted appropriate cards with a cheery Christmas message. These articles were placed in large Christmas stockings, together with one-fourth pound of candy, one orange and assorted nuts, and given to the boys and girls at the Sanatorium.

In the spring time our manual training department turned upon the lathe a number of ball clubs and painted them in very attractive colors, which were given to the Sanatorium along with a number of rubber balls and playground balls.

The actual cost for material purchased was borne by the General Red Cross. There was no expense in the construction of dolls, and the only expense in the manufacture of toys was for the enamel. The total amount expended during the year was approximately \$45.00.

Our public school this year plans to provide Christmas for the Sanatorium boys and girls similar to that of last year. The expense of the same will probably be provided for by giving an entertainment or similar method. The time and money expended in providing such Christmas-masses as described above is more than compensated for by the joy it brings to the little sufferers to whom this service is rendered.

FOOT BALL

By a final score of 13 to 0, Plymouth's second team went down to defeat before Strathmoor's more experienced team, on the home grounds, Wednesday, October 17.

Strathmoor has the same team on the team that she had last year, while only Carruthers and Palmer had ever before played for the locals. This was Strathmoor's fourth game of the season, and Plymouth's first. Plymouth's quarter-back, was the spirit of the team. Our chief weakness was in the line.

The Plymouth line-up is as follows: Carruthers, l. e.; Rodman, l. t.; Raviler, l. g.; Daly, c.; Draper, r. g.; Rorabacher, r. t.; Doudt, Holcomb, r. e.; Sump, l. h.; Taylor, f. b.; Holcomb, Doudt, r. h.; Palmer, Arnold, q. b.

Referee, Mr. Smith. Linesman, Charles Substitutes—Wilson, Kurze, Howell, Wiselley, Sieloff, Becker, Tefft, Kingsley.

FIRST TEAM GAME

"This will be an easy victory," some one exclaimed at the Farmington high game on Friday afternoon, October 19, at Farmington, when at the end of the first quarter the score was 13 to 0 in Plymouth's favor. The tide turned, however, and Farmington carried off the victory with a score of 16 to 13.

The first touchdown by Cline was made possible by Trimble, who received a pass on a forward pass. Cline's blocking enabled Stevens to make a thrilling 40-yard run and secure the second touchdown.

The Plymouth team was handicapped by the absence of Captain Sayles, our right tackle, and Holmes, one of our strongest ends, due to illness and injuries. After the first quarter, Plymouth did not score again as Farmington had found our weak point in the line left by Sayles, and continually pounded this spot.

Farmington's back field was heavier than ours, but the lines were about the same.

Plymouth was well represented, since our crowd was nearly as large as that of Farmington. The line-up was as follows: Stevens (Capt.), l. e.; Wilson, l. t.; Heine, l. g.; Reiman, c.; Ambrus, r. g.; Mills, r. t.; Trimble, r. e.; Millard, q.; Kenyon, l. h.; Cline, r. h.; Mitchell, f. Substitutes—Rodman for Heine; Palmer for Hickey; Hickey for Cline; Cline for Trimble. Referee, Mr. Olds, Ypsilanti. Linesman, Mr. Kern.

CHIROPRACTOR

Plymouth, Mich.

Hours—2-5; 7-8.

PRESBYTERIAN NOTES

The season of hob-goblins, witches, and black cats is here again. Two Hallowe'en socials are to be held at the church, one tonight, Friday, October 20th, and one next Monday night, October 23rd. The first is under the auspices of the Choir Chapter; the second under the auspices of the Christian Endeavor Society. You are invited to both.

The monthly meeting of the Board of Trustees will be held next Monday night, in the lecture-room of the church. The Session will hold a meeting at the same time, in the pastor's study.

To have cottage prayer meetings, it is necessary to have cottages or homes and leaders. Will you volunteer the one or the other or both? During November, the Wednesday night meetings will be held each week in a different home; with additional meetings as places become available. Pray now for increase in spirit and numbers.

Beginning next Sunday, October 28, Dr. G. Campbell Morgan, noted London preacher and orator, will speak daily in the First Congregational Church of Detroit, corner Woodward and Forest avenues. The meetings will continue until Friday at four o'clock each afternoon, and seven-fifty-five each evening. At the afternoon meetings Dr. Morgan will discuss, "Some Sayings of Jesus" in the evening his theme will be, "The Man of Nazareth." It will pay you to hear him.

If any literature comes into your home which claims to expound the Scripture or to aid in the development of the Christian life, let your pastor have a copy of it to examine. He can tell you whether it is genuine or not. There is a lot of "religious boot-legging" these days; and some of the stuff is very poisonous.

WATERFORD

The members of the Waterford Club spent a very enjoyable evening, Thursday, October 18, at the home of Mr. and Mrs. Long, when a chicken dinner was served in honor of Mrs. Ida Stevens and family. Fifty-six people were present. The next meeting of the club will be with Mrs. A. Ebersole, Thursday, November 2.

The Waterford school will hold their Hallowe'en Carnival, Tuesday evening, October 30, between 7:30 and 9:30; instead of Friday evening, as was given out in last week's Mail. Everyone is cordially invited.

Mr. and Mrs. Edmond Watson spent the week-end with the latter's parents, Mr. and Mrs. Charles Peck, at their home near Ortonville.

BAPTIST NOTES

The choir gave us a good anthem, last Sunday. We are glad to have the new voices in song.

The pastor used as his text, Sunday morning, 1 Cor. 3:11, "The Right Foundation."

Walter Postiff read the program for the Bible and Missionary Conference to be held in the Woodward Avenue Baptist church, Detroit, next week, October 29, 30, 31. This is one of thirty-five conferences to be held in the Northern Baptist Convention. Plan to go. Register with Mrs. H. H. Daly.

Next week at the prayer meeting hour, there will be placed upon the screen pictures from one of our missionary fields. It is the desire to have these each week until holidays.

The leader of the B. Y. P. U. was absent last Sunday evening. The president, Elbert Soger, led the meeting. The discussion was on, "A Christian Citizen—What He Ought to Be."

The Ladies' Aid of the Baptist church met with Mrs. Murray, last Wednesday, at 388 Plymouth road, to tie costumes. Mrs. Murray is chairman of the fourth division.

Get your new year book of the pastor, so you will enjoy the blessing of knowing what the church did last year, and the outlook for the future.

IN MEMORIAM

In loving memory of our daughter and sister, Shreta A. McLeod, who died five years ago today, October 26, 1918.

One sweet blossom drooped and died,
When blighted by the frost;
Faded from before our eyes,
Then all too soon was lost.
But in God's garden, free from pain,
Where grow his fairest flowers,
We know that we will find again,
This vanished flower of ours.
Her Loving Parents and Sisters.

A LETTER FROM CALIFORNIA

The following letter has been received by the Mail, and will be of interest to the many Plymouth friends of Mr. and Mrs. Ernest Vealey who recently left here by auto for California:

Venice, Calif., October 15, 1923.
Plymouth Mail:
We are settled in our new home here in Venice close to the Riggs and also to John Wilcox. We have a very pleasant little apartment, and after the Plymouth Mail begins coming to us every week, we shall be perfectly happy.

We are both well, and we think we are going to like it very much. Our trip lasted just one month, and we were glad to get to our journey's end and rest. We had beautiful weather all the way except for two days' rain before we reached Omaha, where we stayed for two days, waiting for the mud to dry up. We found terrible roads in New Mexico and Arizona, owing to the awful rains and cloud bursts they had there early in September. Many bridges were washed out, so we had to go right down steep banks and cross the beds of the streams and up the bank on the other side. The earth was washed off the road bed entirely, for more than two hundred miles, leaving rocks of all sizes bare, and we had to drive over them because it was worse out of the road, so at times we were going at five miles an hour.

We saw many beautiful and interesting things on our way, and much that was new, and met with no serious mishaps on the way. Our trusty Ford stood the trip nobly.

Mr. and Mrs. Roberts were here yesterday, and last night, Mr. and Mrs. Will Todd came for a short time. Every one seems to be filled with enthusiasm over California.

Mr. Vealey went to work this morning, remodeling Mr. Wilcox's house, and has several other jobs waiting for him when that is done.

Venice is a very busy place, and real estate is certainly booming.

Please send us the Mail as soon as you can, so we can keep up with Plymouth a little.

Yours very truly,
MRS. ERNIE VEALEY.
614 Superba Ave., Venice, California.

QUALITY SHEEP TO BE SOLD FOR ADVERTISING

MICHIGAN SHEEP BREEDERS AND FEEDERS ASSOCIATION PLANS INTERESTING SALE AT EAST LANSING.

Quality sheep from many of Michigan's best sheep raisers will go on the block the second week in December, in the interests of the sheep raising industry of the state.

Believing that a consignment sale of high quality stock would be of value in creating interest in sheep raising in the state, members of the Michigan Sheep Breeders and Feeders Association, decided to hold the coming event. Various breeds, will be included.

That the sale will prove of value in aiding new breeders to get a good start with high quality stock, is the opinion of V. E. Freeman, extension specialist at M. A. C.

THE THEATRE

"THE MAN NEXT DOOR"

"The Man Next Door," by Emerson Hough, author of "The Covered Wagon," "North of 36," "54-40 of Fight," and "The Mississippi Bubble," will be shown at the Penniman Allen theatre, next Saturday, October 27th.

This is one of the most famous of the long list of novels of American life by this popular writer. It deals with life on a great ranch in Wyoming, and tells the story of a motherless girl who is reared by hard-fisted cow punchers.

Bonnie Bell Wright is the daughter of the richest cattleman in the state, and the girl is petted and pampered but never spoiled by her indulgent father and curly, the foreman of the Circle Arrow ranch. When the girl is sixteen, Old Man Wright sends her to a finishing school in the East, and upon her return the old cattleman believes that Bonnie Bell must have the luxuries of an eastern metropolis.

There Bonnie Bell learns that riches do not guarantee friendships, and it is the struggle of this girl to find happiness that makes "The Man Next Door" one of the most human comedy dramas offered on the screen. The production was directed by Victor Schertzinger, is headed by David Torrence, Frank Sheridan, James Morrison, and Alice Calhoun. David Torrence plays the old cattleman and Alice Calhoun his daughter, Bonnie Bell.

"THE ETERNAL STRUGGLE"

The marvelous beauty of the silent vast spaces of the frozen Canadian north and is the background for the massive Metro spectacle, "The Eternal Struggle," which is coming to the Penniman Allen Theatre, Sunday and Monday, October 28 and 29. It was produced by Reginald Barker, credited with being the greatest director for this kind of pictures in the entire film world.

There are many thrilling episodes in "The Eternal Struggle" that will remain unrivaled for a long time. With great danger to himself and the big group of players he took with him, as well as at great expense, Mr. Barker spent many months in the bitter cold of the Arctic Circle filming dangerous scenes among gorges, ice-jams and hurrying rapids.

"The Eternal Struggle" is a Metro-Louis B. Mayer presentation adapted by J. G. Hawks and Monte M. Katterjohn from G. B. Lancaster's novel, "The Law-Bringers." It was photographed by Percy Hilburn.

"TO THE LAST MAN"

Shiaks may come and shiaks may go—but the motion picture cowboy hero will apparently go on forever. But it will be a different kind of a rough rider who comes back across the silver sheet this season.

In "To the Last Man," a Paramount picture which will be the feature at the Penniman Allen theatre next Wednesday, October 31, new types of cowboys will be shown. This Zane Grey production is the story of a feud between rival factions in Arizona, which was fought literally to the last man. Many old-time cowboy actors will take part.

To Richard Dix, who plays a leading role in this photodrama and Victor Fleming, director, goes the credit for the introduction of this new type of screen hero. Besides Mr. Dix, the featured players are, Lois Wilson, Noah Beery, Robert Edeson and Frank Campeau.

Mr. and Mrs. Charles Parrish spent Saturday night and Sunday with their daughter, Mrs. O. R. Kaiser and family.

Mrs. Anna Sprague spent Sunday with her daughter, Mrs. Fred Durham and family of Dearborn. Her little granddaughter, Dorothy, accompanied her home.

Mr. and Mrs. J. C. Sprague, Fred Kaiser and two sons, O. R. Kaiser and son, Wesley, Mr. and Mrs. Charles Kaiser and family, Mr. and Mrs. Albert Kaiser and two sons of Detroit; Mr. and Mrs. George Kaiser and daughter, Betty, and the former's mother, Mrs. Ewers, Mrs. F. A. Kohnitz and two sons, Lawrence and Kenneth, and daughters, Hazel and Phyllis, also of Detroit; and Mr. and Mrs. Charles Parrish were visitors at L. E. Kaiser's Sunday.

M. A. C. FARM COURSES TO OPEN OCTOBER 29

SPECIAL SHORT TERM WORK PROVIDES PRACTICAL TRAINING IN AGRICULTURE—RUNS 16 WEEKS.

A sixteen-weeks' course in general agriculture, the first of a series of a dozen which will be given at the Michigan Agricultural College during the coming winter in connection with the regular "short course" work at the college, will open on October 29 and run until March 6 this year, according to announcement made here this week by E. B. Hill, director of special winter courses at M. A. C.

"This course in general agriculture is designed for men and women who are actually farming, or who expect to become farmers, farm foremen, or farm managers," said Mr. Hill in discussing the work. "Running 16 weeks in each of two years, it gives a broad training and excellent education in modern agricultural practice.

"For the man who cannot afford the time to take the full four year course at the college, this course offers an opportunity for a well rounded agricultural education. It is easily the most popular of our special winter courses."

An eight weeks' two-year course in general agriculture will open on January 7, while special courses on different branches of agriculture will be given during January, February and March. Catalog and general information on these courses may be had from E. B. Hill, director M. A. C. winter courses, East Lansing.

Mr. and Mrs. Charles Beyer and daughter, Ethel, and Mr. and Mrs. C. H. Wurz and daughter, Esther, of Buffalo, N. Y., who are on their way to California for the winter, are spending the week with Mr. and Mrs. O. F. Beyer and Mr. and Mrs. Walter Ebert.

Mr. and Mrs. W. H. Smith entertained a company of relatives and friends, Sunday, in honor of the 76th birthday of Mrs. Smith's father, J. F. Criger. Guests were present from Detroit, Farmington, Livonia, Lapham's Corners, Ypsilanti and Ann Arbor.

Several from here attended the funeral of Mrs. George Merritt of Northville, on Thursday of last week. Mrs. Merritt was fatally injured in an automobile accident a few days previous to her death. Her husband is still critically ill at the home of his daughter, Mrs. Roy Larkins, in Northville.

Mr. and Mrs. George Robinson were in Ypsilanti, Monday night, at the initiation of the Order of the Eastern Star, at the Masonic Temple in that city. The following guests accompanied them home and attended the initiation of the O. E. S. here on Tuesday evening, remaining over Wednesday, Mrs. Josephine Robinson, Mrs. George L. Robinson and Mrs. Elizabeth Hannan, all of Detroit.

Facts About CADET Scientifically Made Sweater Coats

All Cadet Sweaters have that warm and comfy feeling that so appeals to all sweater wearers.

Sleeves are fashioned in the knitting to cover closely but comfortably the arms of the wearer.

Button holes are scientifically reinforced. They cannot become ragged and are so constructed that they may out last the sweater.

Shoulders are reinforced to prevent sagging, and thus assure a continued perfect fit of garment.

CADET Sweaters stand for warmth, fit, comfort, service, economy, dressy appearance and style.

Men's, Boys', Ladies' Girls' and Children's. All prices.

C. OF C. PASS RESOLUTION

The following resolution was adopted at a regular meeting of the Board of Directors, Tuesday, October 9, 1923.

WHEREAS, An emergency due to war-time conditions in 1917 and 1918 did exist which made it expedient to cause a special tax to be placed on passenger, express, and freight transportation and on telephone and telegraph communication, and

WHEREAS, The emergency has ceased to the extent that the tax was removed from transportation in 1922, therefore, be it

RESOLVED, That in the judgment of the Board of Directors of the Plymouth Chamber of Commerce that the tax on wire communication is an unnecessary burden on business and should be removed, and be it further

RESOLVED, That a copy of this resolution be mailed to our representative in Congress, given for publication to the local press, and to the Chamber of Commerce of the United States of America.
