Chamber of Commerce Membership Campaign January 21-26

A Whirlwind Campaign for Five Hundred Members for 1924 Has Been Organized, Teams Selected, and a Friendly Rivalry for Liberal Prizes Will Make a Lively Contest for New Members.

The third annual membership drive of the Plymouth Chamber of Commerce will take place from Monday, January 21st, to Saturday, January 26th, inclusive. A special meeting of the board of directors was held last Friday evening to hear a report from the membership committee, regarding the arrangements for the most intensive campaign for memberships in the local organization that has yet been launched. There was a goodly attendance of business men and others, and it was one of the best and most enthusiastic meetings that has yet been held.

President Shear called the meeting to order, and stated the purpose for which it had been called, and then called upon H. S. Lee, president and general manager of the H. S. Lee Foundry & Machine Co., of this village, who is chairman of the membership committee, to outline to the meeting the plans of the committee for carrying on the campaign for memberships.

Before giving out the plans formulated by the committee, Mr. Lee took occasion to give a most interesting talk on the work and duties of a Chamber of Commerce. "A great many times," the speaker said, "the question is asked, what real benefit do we derive from a Chamber of Commerce? It is and it is not a difficult question to answer. To outline the exact duties of an organization of this kind would be practically impossible, because they are so varied and cover so many different purposes." The speaker gave the following objects of a Chamber of Commerce:

To guard the citizens of Plymouth and vicinity in every way possible. To promote good will. To assist and aid in the development of the village and county. To serve each individual in every way they possibly can.

He said, "It is the duty of every loyal citizen to assist or aid in some way or to do something for the community in which he lives. Do you know," he said, "that a man who is a booster has a value that cannot be computed in dollars and cents. And if you will take notice and observe you will find that the booster is the successful man in your community."

Speaking of future possibilities of the village, he said: "The possibilities of our growth due to vast improvements that will be made in the next few years are not to be conceived, but we do know that certain improvements will be made that will benefit our community if properly guarded by a body of representative citizens."

In touching on the coming membership campaign, the speaker said it was the duty of every member to add at least one name to the membership roll. And then he said, "Your work is only half begun, for if a man merely puts his name on the roll, and the fact that he has paid his dues, means that he has only made one step in the right direction—he must take an active interest."

Mr. Lee touched upon the knockers, the ones who are always ready to criticize, but never do anything themselves, but to find fault with what others are trying to do. His remarks were full of "pep" and right to the point, and at the conclusion of his talk, he was given a hearty round of applause.

The slogan adopted at the meeting for the coming membership drive is "500 for 1924." The coming drive promises to be a "blinger," full of "pep" and enthusiasm, and the goal has been set at five hundred members. This number is more than double the present membership, but the leaders of the drive are going to put forth every effort to reach this number.

do so should become a member of an organization that can and will do much for the future growth and prosperity of Plymouth, if its citizens will give it the support which it must have and is entitled to.

Teams captained as follows will make the drive: Frank Rambo, C. G. Shear, W. T. Conner, H. J. Fisher, Jesse Hake, Harry Lush, W. J. Burrows, Ralph Lorenz, William B. Petz, Oliver Goldsmith, Moritz Langendam, A. E. Blunk, R. R. Parrott, W. T. Pettingill, Karl Hillmer, A. J. Richwine, Dr. B. E. Champe.

To give the proper incentive to the workers, and to create a little rivalry and excitement, the merchants of Plymouth have hung up a most liberal and attractive list of prizes as follows:
 Fred Schrader—Chair.
 Fred Dibble—\$15.00 worth of Merchandise.
 John Proctor—Case of Peas.

A BAD FIRE

A most disastrous fire occurred early Monday morning, when the plant of the Plymouth Agricultural Association and the Plymouth Preserving Co. was burned to the ground. How the fire originated is unknown, but when first seen by railroad employes in the yard, the flames were coming through the roof. An alarm was sent in, but owing to the burning of a light pole, which stood near the burning building, the wires were burned and the electric service was temporarily out of commission, and the operator at central was unable to sound the electric fire siren. The operator then began calling the firemen and also the Detroit Edison Co. at Northville, who soon had a crew of men here, and re-established service in a very short time.

When the firemen arrived at the scene of the fire, the building, which owing to its wooden construction, burned rapidly, was a mass of flames, and they could do but little. Nothing in the building was saved, even the books in the office, which were kept in a metal case, were destroyed. The building and contents were insured. George C. Raviler, manager of the Plymouth Preserving Co., which occupied the building is undecided as to his future plans at present.

HELD ANNUAL MEETING

The annual meeting of the shareholders of the Plymouth Home Builders' Association was held at the Village hall, Monday evening, January 14th, for the election of directors. The balloting resulted in the election of the following members to succeed themselves for a term of three years: Edward Gayde, William J. Burrows and Evered V. Jolliffe. The following members were elected on the auditing committee for the year 1924: Frank J. Pierce, Arthur White and Claud Baird.

LIKES IT IN FLORIDA

In a letter to the Mail, last week, William B. Wilake, who with his wife, is spending the winter at St. Petersburg, Florida, says that city is the only place to live during the winter months, at least. On the day the letter was written, January 3rd, the thermometer stood at 85 degrees above zero. Quite a contrast to Michigan weather on that day. Mr. Wilake, T. P. Sherman and R. W. Reed, all of Plymouth, have purchased lots there, and have built upon them. Although the Plymouth folks are delighted with their present abode in the land of sunshine, Mr. Wilake says they will be back in Plymouth, when the sun shines on both sides of the fence again.

NOTICE

A special meeting of the taxpayers of Plymouth District No. 1, fr., will be held at the high school auditorium from 7:00 to 10:00 p. m., on Saturday, January 19th, for the purpose of considering and voting upon bonding propositions. MORE ROOM NEEDED IN VILLAGE SCHOOLS

People of Plymouth are to vote on a bonding proposition, Monday evening, January 28th, from 8 to 10 p. m., at the high school auditorium. Since the erection of the present building, which was completed in 1917, and considered adequate for an almost unlimited number of years has been, due to Plymouth's rapid growth, completely outgrown as shown by the following data:

Enrollment
Kindergarten—86.
1st Grade—67 (double session—32 a. m. and 35 p. m.)
2 A and 2 B—44
3 B—55
4 A and 4 B—42
4 B and 4 A—41
5 B—49
5 B and 5 A—47
6 B—73; two teachers.
Grades 7 to 12—377.

The present building was designed to care for 400 pupils in the grades, instead of 549, and the high school to care for 264 instead of 377. The increased pupils in the high school have been cared for by crowding laboratories together and placing assembly rooms in what were originally laboratories, and re-seating original assembly rooms so as to make them care for more pupils than they were originally intended. One room, which was intended to accommodate 66, is forced to accommodate 105 at present.

The congestion in the grades is to be further increased on Monday, January 28th, due to the fact that at that time 40 pupils, who have been in the kindergarten for one year, will start first grade work, and an additional group of beginners will take their place in the kindergarten. The addition of 40 more pupils in the already congested first three grades will necessitate having, during the second semester this year, at least three grade rooms, not counting the kindergarten, on double sessions.

This is a statement of conditions as they are in the school at the present time, and the only solution for the problem lies in rushing our new building to completion before school opens in September. This solution by the problem is possible if we start at once. No community can afford to neglect the educational advantages for its children, and therefore I, as superintendent of schools, ask you to consider the above data carefully and seriously.

GEORGE A. SMITH.

WOMAN'S CLUB

The University of Michigan was in Plymouth last Friday evening, and Plymouth had a night school of one hundred and ten pupils. A free chance at a wonderful lesson by Prof. Henderson, a splendid talker gifted with a simple, yet powerful, expression. The audience was thrilled by his interpretation of "The New Patriotism," leaving much food for thought. "Do Americans like to think? Define exactly," said the professor, "patriotism, democracy, liberty and nationality."

"A special concert, so much enjoyed, preceded the lecture. Daniel Patterson, accompanied by Miss Czarina Penney, rendered violin solos—"Mazurka," "Mlynarski," and "Tambourin," Kreisler. Mrs. Roderick Cassidy, assisted by Mrs. Gilbert Brown, sang "To The Sun," Curran, and "Star Eyes"—Speaks. Daniel Patterson then rendered two saxophone solos. This lecture was under auspices of Woman's Club, whose regular meeting is today. A special musical program should have a large audience.

Mr. and Mrs. C. V. Chambers were guests of relatives in Detroit, last Sunday.

THE UNIVERSAL CAR

Looking Ahead

LAST Spring a total of 350,000 people were disappointed in not being able to obtain deliveries of Ford Cars and Trucks, as orders were placed faster than cars could be produced.

The demand for Ford Cars and Trucks this Spring will, according to all indications, be far greater than last Spring.

Winter buying has been increasing at a greater rate than ever before.

Actual retail deliveries the past 60 days totaled 308,170 Ford Cars and Trucks, an increase of 1,961 a day over a year ago.

Over 200,000 people have already ordered Ford products on our purchase plan, the majority of whom will take delivery in the Spring.

The above facts are given with the suggestion that you list your order promptly with a Ford dealer if you contemplate the purchase of a Ford Car or Truck for use this Spring or Summer and wish to avoid delay in delivery.

SCHOOL NOTES

The high school notes were furnished by Camilla Fisher, and the grade notes by Alta Hamill.

HIGH SCHOOL NOTES

Our team is to debate with Northville, Saturday night, January 19th, at eight o'clock in the high school auditorium. Plymouth supports the affirmative side of the question, "Resolved, that the adoption of a ship subsidy would be a wise national policy." Plymouth still has a chance for the elimination series, as this is only the third debate. The first debate was lost to Howell by a decision of 2 to 1; the second won from Wayne by a decision of 3 to 2. The team asks for the support of the people in a good attendance, Saturday night.

An unusual record was brought to light, last Monday morning, by Helen LaFave of the seventh grade. She was tardy for the first time in her school career, because of illness in the family.

At least twenty-five words a minute are required for second year type, a half semester subject, and twenty words a minute for first year type. Mena Bolton of second year class has written forty-one words a minute. At the end of the first semester Ida Bennett of first year class, has written twenty-eight, and William Hancock twenty-two.

The eighth grade domestic science class began serving hot lunches to the country people last week. One or two hot dishes are prepared for each day. These lunches are not served for the purpose of making money, since no more is charged than is necessary to pay for the food.

The semester examinations are to begin Wednesday, January 23. Report cards will be given out January 30.

The Aggie Club voted to pay the expenses of judging teams for the state contests to be held at M. A. C. Farmer's Week. Five contests are open this year for judging live stock, poultry, fruit, grains and potatoes.

With rosy cheeks and bright eyes a group of Girl Scouts arrived at Northville last Friday night, at seven o'clock. Four miles an hour gave them a very good appetite, and so they visited the restaurant before going to the basket ball game.

The seventh and eighth grade art classes are making and binding books. By doing this they will become accustomed to the way in which books and magazines we buy are bound.

The girls of the seventh grade Domestic Art class like to sew and chat, so they have formed "The Snapping Scissors Sewing Club," which meets every week.

Familiar poems and songs, such as "Old Black Joe," "Maude Muller," and "The Village Blacksmith," were presented by the Senior class, last Friday afternoon in Senior assembly. The poems were read behind the screen, while members of the class, dressed in costume, acted them. Group songs were sung, and Alta Hamill gave a very interesting reading. This was one of the most enjoyable programs of the year.

GRADE NOTES

Measles and chicken-pox seem to be under control as the number of absences is steadily decreasing.

The following in Mr. Walker's room have been neither absent nor tardy since school began in September: Lawrence Blunk, Adele Carson, Gaylen Doudt, Clarice Hamilton, Dorothy Freiheit, Carrie Gorton, Hazel Rathburn, Louis Straub and LeRoy Van Arsdale.

Vaughn Taylor and Charles Melow, in Miss McClumpha's room, have returned after two weeks' absence from illness.

The sixth grade language classes are taking up letter writing. An Eskimo project is being worked out by the second grade. Mrs. Paul Nash visited the second grade Friday afternoon.

The following pupils in Miss Sundling's room have been neither absent nor tardy during the last five weeks: Billie Henry, Mary Lorenz, Irene Larson, Evelyn Stanley, Merle Weiher, Grant Miller, Gladys Zeitach and Louis Pavneck.

GIRLS' GAME

By a score of 31 to 22, the Plymouth girls were defeated by Northville at Northville, last Friday night. Northville girls kept the ball nearly all the first half, when they made 24 points to Plymouth's seven. Our girls realized they would have to hurry during the second half, and therefore played much better. Plymouth made fifteen points, and Northville six, making the final score 31 to 22. Miss McGrain of Ypsilanti was referee. Each side had twenty-one fouls.

The line-up, Plymouth—M. Amrhein, r. f.; I. Bird, l. f.; G. Herrick, j. c.; J. Whipple, r. c.; M. Bolton, l. g.; E. England, r. g. Substitutions: Hake for Bolton, White for I. Bird, G. Bird for Herrick. Line-up for Northville—V. Smith, r. f.; H. Van Atta, l. f.; M. Moran, j. c.; B. Blackburn, r. c.; M. Louray, r. g.; L. Riley, l. g.

BOYS' GAME

With a final score of 14 to 22, Plymouth met defeat at Northville, Friday, January 17. Plymouth's defeat was due to their inability to take advantage of the many shots that were available, and to our poor offensive play. The score at the end of the first quarter was 13 to 5, in Northville's favor. The Plymouth boys picked up in the last half, each team making only nine points. Two baskets were made by Hickey, one by Palmer, two baskets and one free throw by Kenyon, and one basket and one free throw by Stevens.

The Plymouth line-up was as follows: Stevens, r. f.; Cline, l. f.; Kenyon, j. g.; Holmes, r. g.; Hickey, l. g. Substitutions: Palmer for Cline, Cline for Stevens, Stevens for Hickey. Referee, Mr. Brown of the Michigan State Normal College.

AROUND ABOUT US

Northville will observe father and son week, with a community banquet the week of Feb. 10-17.

Ten thousand, two hundred fish, yellow perch, wall-eyed pike and bass, from three to six inches long, were planted in Walled Lake recently.

Gorge Rattenbury of Walled Lake, and formerly of Northville, has opened a general store and meat market at Wixom. He also has a store at Milford.

Fowlerville has just completed a fine new school building. The building was contracted for at \$100,000, but the Review states that the actual cost was nearer \$130,000.

Raymond Champe of Walled Lake, is one of the beneficiaries of the estate of his aunt, Mrs. Elizabeth Champe, who died in Detroit, December 31. His bequest amounts to \$150,000.

The busiest road in Michigan is a continuation of Woodward avenue, leading northward out of Detroit. Wayne county recently widened Woodward avenue into a broad concrete double highway to its northern limit, now Oakland county has begun the next link—204 foot concrete highway between Pontiac and the Wayne county line.

Mrs. Nellie E. Truesdell and Everett L. Larned were united in marriage by Rev. J. J. Halliday of Detroit, at the home of Mr. Larned west of the village, on Sunday last at one o'clock. Only the immediate friends were present at the ceremony—Mrs. Halliday of Detroit, Dr. and Mrs. C. S. Larned of Battle Creek, Berle E. Larned of the University of Michigan, and Mr. and Mrs. Glen Northrop and three children of Plymouth.—Northville Record.

The 1924 Model Studebaker Light-Six closed cars are quality cars.

They are built to endure—to give lasting satisfaction.

Both body and chassis are produced in Studebaker plants where painstaking craftsmanship has always been the rule—and the practice.

By manufacturing complete motors, transmissions, axles, frames, bodies, tops, castings, forgings, and stampings, parts-makers' profits are eliminated from costs, and one profit only is included in Studebaker prices.

PRESBYTERIAN NOTES

Mrs. Jennie Chaffee has presented the church with a fine pulpit Bible, containing both authorized and revised versions, apocrypha, concordance and metrical version of psalms. It was needed and is much appreciated.

The pastor and Mr. and Mrs. H. J. Green drove to Howell, last Friday, to confer with the pastor of the First Presbyterian church, who is to be our special evangelist. You will like him and his messages. Incidentally the beautiful church was inspected. Mrs. Hathaway, Francis and the baby were also in the party. We went by way of Milford, and came home after dark, missing some of the turns, but, altogether, it was ninety-one miles of pleasant driving.

The Ready Service Class had an all day meeting, last Tuesday, at the home of Mr. and Mrs. A. D. Stevens. A pot-luck dinner was served at the close of the business session.

The new song books, which are to be used at the special meetings came Tuesday, and may be had of the pastor. Those wishing to purchase their own may do so at fifteen cents each. It is a good collection of standard hymns.

Our own Calvin Whipple will lead the congregational singing during the special meetings. Let's give him our hearty support and show that we appreciate "the man in our midst." The music committee is also providing a special number for each service.

The pastor has been invited by the Men's Brotherhood of Bedford to give an address at their Father and Sons' Banquet, February 15th. Members of the Woman's Auxiliary went to Northville, last Wednesday, as guests of the Northville society.

The pastor and Rev. John Orr will be present at a banquet at the Wolverine Hotel next Tuesday noon. The banquet is given for the pastors of Detroit Presbytery and their visiting evangelists.

Prayer meetings were held this week at the homes of William Kaiser and Henry Hondorp. Let private prayers continue during the days of awakening.

PERRINSVILLE

Mr. and Mrs. Harold Wilson entertained Mr. and Mrs. Pearl Wilson and family and Mr. and Mrs. Emory Hawkins and family for dinner, Sunday.

Mr. and Mrs. John Kubik visited friends in Detroit, Sunday. A fine crowd at church, Sunday. Rev. Haven delivered a fine sermon. All come again next Sunday.

Mr. and Mrs. E. T. Bridge and family visited Mr. and Mrs. George Baehr, Sunday evening.

Mr. and Mrs. Frank Outwaite visited the latter's parents, Mr. and Mrs. James Cousins, Sunday. Gracie Mae Avery spent the week-end with Miss Margaret Kubik.

Mr. and Mrs. Harold Wilson visited her mother, Mrs. Everett, Monday.

Mr. and Mrs. George Baehr and family visited Mr. and Mrs. Carl Hjerpe in Detroit, Saturday.

George Hix, Jr., had the bad luck to break his arm, while cranking his Ford, one cold morning last week.

The M. W. A. held their annual meeting at the home of Charles Losey, Saturday night. The same officers kept their positions for the following year.

Epworth League social at the church next Monday night. The young folks are all invited. Next Wednesday night there is to be another men's gathering at the church. A month ago a delightful occasion was held at the time of the annual beefsteak supper. At that time also plans were begun to continue these meetings of the men once a month. As it being at the holiday season when the supper was held, quite a number of men were unable to be present to enjoy the fellowship. This month the gathering is to be in the nature of a good social gathering under the leadership of Fred Thomas. An interesting program of games, music and fellowship will make it a well worth while meeting for men, such as men enjoy. Refreshments will also be served. In addition to this, Dr. William Dawe of Dearborn, formerly of the Methodist church there, and now retired, will also give an address. Dr. Dawe is a very fine speaker, and will bring a message of inspiration to every man. He has also been the president of the Original Ford-Ford-President Club of Dearborn. Come out to hear him next Wednesday, men. Attend church next Sunday. Notice the announcements for the speakers for the same, and the topics.

DONT BURN BLACKENED LAMPS

At this season when so many hours are spent under the lamplight, Edison customers would do well to inspect their lights.

A lamp that has had 1000 hours of burning—say, six months of daily use—has dropped perhaps 40 per cent in efficiency. In other words, it is burning up current that does you no service—and you pay the loss.

Edison Service includes the exchange of bright new lamps for your old blackened or burned out lamps, as follows:

40, 60 AND 100 WATT SIZES

Residences (paying regular lighting rates) Free
Stores (paying regular lighting rates) Free
Factories (paying regular lighting rates) Free
(Other sizes at reduction from list)

Bring your old lamps to our office and get new ones in exchange.

BAPTIST NOTES

Sunday was a pleasant day, and more people were at church. The pastor spoke on "Sin and Its Results and Punishment—also a Remedy," taking newspaper reports from cities as illustrations where sin was uncovered during the holidays. Text was 2 Kings, 2:19-25.

Sunday-school seemed to have a good spirit, and the singing was hearty last Sunday. The meeting of the teachers and those interested in making the Sunday-school bigger and better, was held a week ago Thursday evening. After the pot-luck supper, the superintendent read to us, some of the things which are helpful to the school. The discussion on these topics was helpful and gave real pep to the meeting.

The B. Y. P. U. is doing very well. The topic Sunday evening was "Prayer and its Place in Our Lives." Miss Madeline Shackleton led.

The basement of the church is in readiness to seat the congregation for next Sunday, and everyone is invited to a seat with us. The auditorium is being re-decorated, and can not be occupied for two or three weeks. The Hymnals have been rebound and are in splendid form, and back at the church again for service.

Mrs. Sayles was back at her usual place Sunday morning, again playing the organ. Mrs. Stoneburner has been in her place while Mrs. Sayles has been in Florida.

The prayer meeting was at Mr. and Mrs. Sewell Bennett's last Thursday evening. Next week Thursday it will be held at Mrs. H. H. Daly's. Everyone try and come.

LIVONIA LUTHERAN CHURCH

There will be regular services at the Livonia Lutheran church on Sunday, January 20th, in the German language. The installation of the newly elected officers will take place. Henry Pankow was elected as trustee for three years, and John Staman was re-elected as member of the church council. The church looks back upon the year 1923 as one of the most prosperous years in the history of the church.

Sunday-school begins at 1:45, and is conducted entirely in the English language. Come and join us in the services. You are welcome.

Gas on Stomach
Won't Let You Sleep

Gas often presses on heart and other organs, causing a restless, nervous feeling which prevents sleep. Simple buckthorn bark, glycerine, etc., as mixed in Adlerika, expels gas and relieves pressure almost INSTANTLY, inducing restful sleep. Adlerika often removes surprising old matter from BOTH upper and lower bowel, which poisoned stomach and caused gas. EXCELLENT to guard against appendicitis. Pinckney's Pharmacy.—Advertisement.

D. J. & C. WILL SELL COMMUTERS' TICKETS

Under authorization of the Michigan Public Utilities Commission, interurban fares on the Detroit, Jackson & Chicago Railway on January 15 advanced to two and three-eighths cents per mile where such transportation is paid for singly.

However, for the benefit of regular riders the Detroit, Jackson & Chicago Railway at the same time inaugurates a sixty day trial period with a series of commuters' tickets that will permit such riders to travel between two given points at practically the same average rate as has existed. These commuters' tickets are issued in three forms as follows: Twenty rides to be used in 20 days on local and express cars by the purchaser only; thirty rides to be used in 60 days on local and express cars by the purchaser or members of his family when traveling together; fifty rides to be used in six months on any passenger car, including limited, good for the holder thereof and party. These commuters' tickets will generally be sold at waiting rooms, but they will not be sold by conductors on the cars. The commuters' ticket sale is purely experimental and their continuance depends wholly upon an increased amount of riding. Under the order of the commission the company has not only a right to issue commuters' tickets, but it has a right to make special arrangements with municipalities providing rates offered one community must be offered another, if officially asked for providing the cases are substantially the same.

But says the order "the existence of the competition of other means of transportation and the relative extent or severity thereof shall be deemed to affect the similarity of conditions."

THE THEATRE

"STEPHEN STEPS OUT"

Boys and girls of all ages, everywhere, will rejoice at the news of the presentation of Douglas Fairbanks, Jr.'s, first Paramount picture, "Stephen Steps Out," at the Penniman Allen theatre, next Saturday, January 19. The story is one of a typical American boy, a high school pupil. Stephen Harlow, Jr., like most red-blooded boys of his age, has an aversion for text books. As the story progresses, Stephen goes to Constantinople, where his father has sent him to study Turkish history. Contrary to expectations, Constantinople is full of excitement for Stephen—if a revolution, the kidnapping of the Sultan's son and street fights galore count for anything.

"Stephen Steps Out" is a fast-moving comedy throughout. It is a picture all will enjoy. Theodore Roberts is featured in support of the star and others in the cast include Noah Beery, Harry Myers and Frank Currier. Joseph Henabery was the director.

"WILD BILL HICKOK"

Three noted players appear in the cast of William S. Hart's big Paramount production, "Wild Bill Hickok," which comes to the Penniman Allen theatre, Sunday and Monday, January 20 and 21. Omar Whitehead has the role of Abraham Lincoln, Charles Dudley that of ill-fated General Custer and William DeVaul as doughty General Phil Sheridan. The trio, besides being excellent actors bear striking resemblance to the famous historical personages they portray.

Probably no photoplay has had a greater historical interest than "Wild Bill Hickok," which reveals intimate glimpses of the great American statesmen and soldiers. Besides showing the capitol life in the stirring sixties, the story is colored with the thrilling incidents of the turbulent frontier. The supporting cast includes Ethel Grey Terry, Kathleen O'Connor, Jack Gardner, Carl Gerard, James Farley, Naida Carle and others.

"TO THE LADIES"

Extinguishing a factory fire and then rekindling another for the sake of putting it out a second time before an audience with the intent of being considered a hero for saving the Kincaid Piano Factory from destruction, is Leonard Beebe's idea of one of the only ways of attracting favorable attention to himself. He is a candidate for the position of manager in the Kincaid plant, but it has always been said of him that he has not enough gumption to assert himself. But friend wife takes him in tow, and then things begin to happen in rapid succession. A salesman's banquet is arranged at which Mrs. Beebe delivers a speech supposed to have been prepared by her husband. It is true that he has prepared a short talk for the occasion, but his rival, introduced by the toastmaster before him, delivered the self-same speech that Beebe had memorized. There was but one thing to do, and the wife did it. See how Leonard fares when the truth is discovered at the Penniman Allen theatre next Wednesday, January 23. It is a James Cruze production, featuring Edward Horton, Theodore Roberts, Helen Jerome Eddy and Louise Dresser.

EPISCOPAL NOTES

Last Sunday our service was in the morning. The rector had to be late in coming to the service, owing to the bishop's visit to the church-school at St. John's, Wayne, earlier in the morning, so the service was commenced by Mr. Strong. The Psalms were read by Daniel Murphy, and the rector arrived in time to conclude the service and to preach a very helpful sermon.

In the evening some of our people went over to St. John's, Wayne, to hear Bishop Page. There was a crowded congregation who listened to a most inspiring sermon from the text, 2 Cor. 13:14, "The Grace of Our Lord Jesus Christ." The bishop personally verified his intention of visiting St. John's, Plymouth, on February 17.

We regret to record the illness of

the mother of our organist. Mrs. Pierson has been confined to her bed for the past two weeks, and the family have the prayers and sympathy of our congregation. Mrs. Pierson has for the past two years or so, been very faithful in her duty of taking care of the church, and we all appreciate her services.

We are reminded that the sale of baked goods will take place at the gas office tomorrow (Saturday) afternoon at 2:00 o'clock.

Activities of this week are: Reception to Bishop and Mrs. Page at the Statler Hotel, Detroit; meeting of the Ladies' Guild; annual meeting and parish supper; election of the vestry and church officers and the sale of baked goods.

Next Sunday the service will be in the evening at 7:30. The rector will preach, and he invites all those who can to join in with us, Sunday evening.

ATTENTION FRUIT GROWERS!

THE WORLD'S END Millions Now Living Will Never Die

THE MOST MOMENTOUS EVENT OF EARTH'S

HISTORY is the near establishment of God's Kingdom among men; but, strange to say, this dominating theme of the Bible has been almost entirely overlooked by those who profess the Christian religion. Every one of the inspired writers testified concerning a time of everlasting happiness for the human race—"times of restoration" of lost blessings and possessions. Jesus and his Apostles preached that this gospel of blessing is for the vast majority, not a message of woe for all except a few.

THE KINGDOM OF GOD which they heralded is the same as foretold by the prophets in such thrilling and positive language. Not a mysterious, intangible arrangement having no meaning for the toiler and the sufferer, but one which will bring such practical and understandable things as complete health, beautiful homes, luxuriant vegetation, sublime climate, righteous laws and—greatest of all—unending life upon the earth.

THE SCRIPTURES are clear in their proclamation

that many people will be so favored as to live through the present transition period when mankind passes from the thralldom of Satan's mixture to the glorious liberty of the kingdom of God, and these will actually never die; that those who have died in the past will be brought forth from the tomb to be given an opportunity to share in these blessings, for "Christ Jesus is Lord of both the Quick and the Dead." It is your privilege to inform yourself concerning the cause of the present universal unrest and the wonderful blessings to follow by attending the lecture by

WHO SAYS FLORIDA?

When we are finding bats in Plymouth in January, Harry Purdy, while sorting apples in the cellar on the Ed Cook farm on January 7th, 1924, discovered a bat clinging to a beam. He was quite dumfounded from cold, but when warmed up, he flew around as lively as in August. Some naturalists claim the bat hibernates, while others claim they are migratory, but in my opinion they are not seen until some time after warm weather sets in. This bat is now mounted and placed in the Purdy museum.

IN MEMORIAM

In memory of our dear mother, Mrs. Richard Smith, who died one year ago, January 21, 1923. Dearest Mother, we've missed you, in the year that has rolled by; You left us sad and lonely, For the home up in the sky. You are gone, but not forgotten, Your memory shall never fade; Living thoughts shall always linger, Around the grave where you are laid. Her Children—Mrs. A. Schrader, Mrs. Ira Wilson, Mrs. Dan McKinney, John W., Isaac E., Richard S., Marshall P., and E. C. Smith.

JAMES B. PURDY.
