### SCHOOL BOND ISSUE CALLS OUT A LARGE VOTE

THE VOTERS FAVOR BONDING FOR NEW SCHOOL BUILDING AND TURN DOWN THE GYMNASIUM PROPOSITION BY SMALL MARGIN.

The special election called in School District No. 1, Plymouth, at the high school auditorium, Monday evening, January 28th, for the purpose of voting on two bond issues calling for a total of \$140,000, called out a large crowd.

The meeting was called to order by John W. Henderson, president of the board of education. Supt. George A. Smith explained in detail the two bonding propositions, one of which called for a bond issue of \$95,000 for a new twelve-room school building, and the other called for a bond issue of \$45,000 for a gymnasium. At the conclusion of Mr. Smith's remarks, a few questions were asked by several of the taxpayers, after which President Henderson announced that the polls of the election were open, and the balloting began. The polls remained open from 8:00 o'clock until 10:00.

The vote was as follows:

For the school building without the gymnasium—	Yes	283	124
No		159	
Spilled ballots, 2.			
For the school building with the gymnasium—	Yes	212	25
No		247	25
Spilled ballots, 6.			

We understand the board will proceed with the erection of the new school building as soon as possible, and it is hoped to have it ready for occupancy next fall.

### REV. G. H. WHITNEY DIES IN FLORIDA

Rev. G. H. Whitney of Plymouth, died Monday at Sebring, Florida, where he and his wife went the first of the year to spend the remainder of the winter. Mr. Whitney had been in poor health for a number of years. On his way to Florida, he was taken ill, and was forced to stop over at Jacksonville, for a short time before proceeding to Sebring.

Rev. Whitney was 67 years of age, and retired from the ministry some years ago. For many years he filled pastorates in the Detroit conference, and was a most able and effective minister of the gospel. Since coming to Plymouth, Rev. Whitney, by his genial and courteous manner, has made many friends, who were shocked to learn of his death. He leaves a wife and three children.

The remains were brought to Plymouth, Thursday, and the funeral services will be held this Friday afternoon. Rev. D. D. Nagle, assisted by Rev. W. G. Nixon of Detroit, and Rev. H. A. Leeson of Ann Arbor, will conduct the services. The interment will take place at Birmingham, Mich. An obituary will appear next week.

### A NEW FACTORY FOR PLYMOUTH

The Dunn Steel Products Company of Detroit, have purchased the factory building of the F. Millard Co., Inc., of this village, and will move their plant here from Detroit. It is not expected that the new concern will have the plant in operation before April 1st, or possibly a little later.

The Dunn Steel Products Co. manufactures rivets, bolts, clevis pins, etc., and have a well established business in the city. When the plant is in operation here, they will give employment to a number of men. The Mail extends a most cordial welcome to the new concern to Plymouth.

Fred Millard informs the Mail that he expects to erect another factory building to carry on his machine business.

### WELL KNOWN FARMER OF SUPERIOR TOWNSHIP DIES

George Quackenbush, a prominent farmer of Superior township, passed away Saturday morning, January 26th, at Maplehurst hospital, Ann Arbor, after a week's illness of mastoid. Mr. Quackenbush was born on a farm near Plymouth, March 30, 1857, and has always resided in this vicinity. He is survived by his wife and one brother, E. J. Quackenbush of Ypsilanti. The deceased was a son of the late Capt. T. V. Quackenbush, and was a man highly esteemed and respected in the community in which he had lived. Mr. Quackenbush was a talented musician, and for a number of years was a member of the Plymouth band. The funeral services were held from the residence of his brother, E. J. Quackenbush in Ypsilanti, Monday afternoon. Interment in Ypsilanti cemetery. Plymouth Rock lodge, No. 47, F. & A. M. of this village, of which the deceased was a member, had charge of the funeral services.

### H. A. BRADLEY PASSES AWAY

H. A. Bradley, a resident of Plymouth for over twenty years, passed away very unexpectedly, Sunday morning, January 27th, at his home in Northville. Mr. Bradley, the eldest son of the late George Bradley, was born in Northville, March 6, 1853. In 1896, he married Martha Gilmore of Northville, moving to Plymouth soon after. He is survived by his wife, two daughters and two grandchildren. Funeral services were held from Schrader Bros. Funeral Home, Tuesday afternoon at 2:00 o'clock. B. E. Bennett of First Church of Christ, Scientist, conducted the services. Mrs. W. S. Bake sang two beautiful solos. The body was taken to Detroit for cremation.

If Plymouth debaters win from Ferndale, they will be in the final series. We have been in the state series for four years. Let's boost our team in for the fifth time, Thursday night, February 7th.

### PLYMOUTH GIRL WEDES IN CALIFORNIA

Miss Helen Van De Car, who recently went to California with her parents, Mr. and Mrs. George Van De Car, was married to Edward A. Kellenberger of Glendale, California, Thursday afternoon, January 17th. The bride has resided all her life in Plymouth, is a graduate of the local high school with the class of '13, and has a host of friends who will extend congratulations.

We take the following from the Pomona, California, Bulletin, of Friday, January 18th:

"A very pretty romance was culminated yesterday afternoon, when Miss Helen J. Van De Car of Plymouth, Michigan, was united in marriage to Edward A. Kellenberger of Glendale, Dr. Floyd I. Beckwith officiating. The bride is a daughter of Mr. and Mrs. George E. Van De Car of Plymouth, Michigan, and has been teaching in the public schools of Bay City, Michigan.

It was in Plymouth that Dr. Floyd I. Beckwith of the First Baptist church of this city, began his ministry, twenty-five years ago, next Sunday. Twenty-three years ago, Dr. and Mrs. Beckwith were married in the Plymouth church, of which Dr. Beckwith was then pastor. Helen, the bride of yesterday, was then a little girl of only six years, and was present at the wedding with her mother and father. Mrs. Van De Car headed a group of church ladies who presented the wedding dinner to the young pastor and his bride.

"These were all present at the home of Dr. and Mrs. Beckwith, 334 Columbia avenue, yesterday, when Dr. Beckwith performed the ceremony which made his little friend of Michigan, Mrs. Edward A. Kellenberger. The single ring ceremony was used, and the bride was attended by her sister-in-law, Mrs. L. B. Van De Car, and her brother, L. B. Van De Car, acted as best man. The young couple will reside at Glendale."

### FORMER RESIDENT DIES AT YALE

The family have the deepest sympathy of all in their sorrow. The funeral was held at Yale, Wednesday, with interment in the cemetery at that place.

### TIME TO BE CAREFUL

We're not going to engage in an argument with any man in Plymouth on the question of whether our seasons are changing or not. We know it is a favorite topic, and there can always be found someone ready to declare that we don't have the long, hard winters that this country knew "back in the good old days." Our only idea at all in touching on the subject is to call attention to the fact that an alarming amount of sickness is now being reported all over the country, due, it is said, to unusual weather changes—too many short kinds of weather in so short a space of time.

This is the season when it's hard to dress to conform with the weather. Heavy clothing one day and a lot of it tossed aside the next, means we are constantly subjecting ourselves to illness, and that particular attention must be given to what we wear and how much of it. Colds are easily contracted, and most of us give them little heed until they have developed into something more serious. "Wearing out a cold" is a common expression, yet it is dangerous, because there are too many instances in which the cold did the wearing out. Doctors tell us, and back it up with figures that cannot be disputed, that next to war, nothing causes as many deaths as pneumonia. And pneumonia starts from a cold.

So, whether the winter months are as severe as they once were or not, let us keep in mind the fact that we are now getting into a most dangerous season of the year, a season when sickness is most easily contracted, and let's resolve to use extra precaution to guard against illness while these sudden changes are with us.

### WERE THOSE DAYS GOOD?

When you hear an old-timer sigh for the days of his forefathers, smile to yourself and think of this: Our forefathers got along without autos, soap, stoves, tooth-brushes, window glass, telephones—without the things we consider the essentials of life. There never has been a time when life bettered itself so rapidly and so consistently as now. New conveniences and new comforts are continually being thought out and brought out for our benefit. In order to reap the advantages that are yours today you've got to read the ads of your merchants. They bring you news of all that goes to make home-life more pleasant; they keep you informed of all that is new in the stores; they tell you not only about the goods, the styles, the varieties and prices, but also where and when these things are to be had. The advertisements are messages from the business world to you. Heed them—it means greater comfort, and more money in your pocket.

### SUCKERS STILL PLENTIFUL

Speaking before a convention of bankers in an eastern city a few days ago, H. J. Donnelly, connected with the post-office department, pointed out that suckers are still being born at the rate of about one a minute. He told of some of the mail-order frauds his department have put out of business. Thousands of women, he said, paid 10c for 10 yards of silk thread, believing they were getting "beautiful silk for making shirt waists." He also said many men paid \$18 for 12 quarts of rye grain advertised as "pure Canadian rye." And then he said that while the department is always alert it may never be able to catch and stop all the crookedness pulled off through the mails. We mention this here in the hope that the birth-rate of suckers around Plymouth will be very low this year, and that more of our people will learn that if these mail-order sharks are too smooth for the government, they are certainly too smooth for those who don't know any more than to answer their ads.

### Dark Rings Under Eyes

For the relief of dark rings and blood shot eyes there is nothing better than simple camphor, witchhazel, hydrastis, etc., as mixed in Lavoptik eye wash. The quick action is surprising. Eye pup free. Pinckney's Pharmacy—Advertisement.

Scientists have figured it out that blondes marry earlier than they used to. Yes, and as a rule, oftener.

## C. OF C. MEMBERSHIP CAMPAIGN CLOSES SATURDAY NIGHT

The Plymouth Chamber of Commerce membership campaign, which was to have ended last Saturday, was extended for another week, and closes Saturday night, February 2nd.

The various teams have been working hard, and when the campaign closes, there is no doubt but that the membership roll will show the largest number ever enrolled in the local organization.

If there are any in the village or vicinity who have been overlooked by the solicitors, their membership will be gladly taken by any one of the following team captains: Frank Rambo, C. G. Shear, W. T. Conner, H. J. Fisher, Jesse Hake, Harry Lush, W. J. Burrows, Ralph Lorenz, W. B. Petz, Oliver Goldsmith, Moritz Langendam, A. E. Blunk, R. R. Parrott, W. T. Pettingill, Karl Hillmer, A. J. Richwine, Dr. B. E. Champe.

The barometer in the window of Schrader Bros. store has been steadily mounting all the week, and together with the many prizes on exhibition there has attracted no little attention by passersby.

Remember your local Chamber of Commerce stands for a bigger and better Plymouth. It is a community organization in which every citizen should feel a deep interest and become a member. It is an organization to boost Plymouth, but it must have your whole-hearted support and co-operation if it does the work for which it is intended. The way to show your interest in an organization of this kind, is to become a member, and then put your shoulder to the wheel and help boost for every project that means for the progress and betterment of the town in which you live. Join, boost, push. Don't knock.

### MERCHANTS HAVE VERY ATTRACTIVE WINDOW DISPLAYS

A number of Plymouth merchants have some very clever and attractive window displays, which were made in connection with the Chamber of Commerce membership campaign, which is now on. The C. of C. have offered two prizes for the best decorated windows in that part of the village south of the Pere Marquette railroad, and in the business section on the north side of the village. The people are to be the judges, and that all may have a chance to decide which display is best, a coupon has been placed in this paper, which is to be sent to or left at the Plymouth Mail office, not later than Monday, February 4th. Everybody is urged to fill out the coupon. Do it now.

### NOTICE

It seems that there are some persons in Plymouth who do not, or will not appreciate the efforts the village makes to do things for their comfort. Some persons have started defacing and damaging the public convenience station. The gold letters have been scraped off one of the doors and the fixtures downstairs have been abused. If these parties who have done this damage can be caught it will go hard with them. The co-operation of all citizens is requested in finding out who the perpetrators are.

Sidney D. Strong,  
Village Manager.

Why Farmers are Turning to

for Economical Transportation

In 1922 Chevrolet jumped from seventh to second place in sales of all cars, and to first place in sales of fully equipped modern cars.

Purchases by farmers were the chief factor in this remarkable development.

Farmers want automobiles not only of low first price, but also of low later cost for operation and maintenance.

They want room, comfort, and the ability to stand up under hard conditions.

They find that Chevrolet, fully equipped as sold, is the best value per dollar in the low-priced field, and neighbors tell them it costs less per mile to operate.

EPISCOPAL NOTES

The service was held in the morning, last Sunday, and the rector preached a very impressive sermon on "Service," taking his text from Judges 7:21. "And they stood every man in his place round about the camp." The rector also took charge of the church-school, which assembled immediately after the morning service. There was a fair attendance, and the thermometer was around about zero. Ernest Henry read the secretary's and treasurer's report of the church-school for the month of January, which show very good records.

The Ladies' Guild have started out early and in earnest. Great credit is due this fine organization for their activities of last year, and their report read at the annual meeting of parishioners, showed that the year 1923 had exceeded all previous records. At their last meeting they resolved and voted to double their last year's quota. They have formed themselves into two teams, and there will be keen competition between them.

Tonight (Friday), Wayland D. Stearns, the social service superintendent will meet with and address the Men's Club at Wayne, and Wayne extends a special invitation to the men of Plymouth to hear Mr. Stearns. Mr. Stearns is a real man's man, and in Detroit is doing real social service work, reclaiming many men for the church and the service of the church. Those who can attend tonight will get a warm welcome.

Don't forget the choir practice every Thursday evening at Joseph Tracy's home on Main street.

Tomorrow (Saturday) there will be another baked goods sale at the gas office.

The activities this week are: Meeting of the Ladies' Guild, pot-luck supper; meeting of the Men's Club at Wayne tonight; baked goods sale tomorrow; choir practice.

The service next Sunday will be in the evening at 7:30. The rector invites all our Plymouth friends to join with us in the services.

GRANGE NOTES

Let us not forget the meeting of the Grange, next Thursday, February 7th, and be on hand to help in all the good for which the Grange stands. The more closely we keep in touch the more benefit is derived. Pot-luck lunch at noon, and to economize time, ladies bring dishes. Remember, the first Thursday in the month.

LIVONIA CENTER LUTHERAN CHURCH NOTES.

THE THEATRE

"HALF-A-DOLLAR-BILL"

"Half-a-Dollar-Bill," Max Graf's new production for Merto release, that is announced to be shown at the Penniman Allen theatre, Saturday, February 2nd, is said to be the finest sea story ever screened. It not only has a cast of such prominent players as Anna Q. Nilsson, William T. Carleton, Raymond Hatton, Mitchell Lewis, George MacQuarrie and Alec B. Francis, but it introduces a new juvenile actor in four-year-old Frankie Darro, who gives an exceptional performance as the young boy who is nicknamed "Half-a-Dollar-Bill," because as a baby he is found abandoned with a torn dollar bill pinned to him.

The atmosphere of the sea pervades the whole picture, some of the general views of the good ship, "Grampus," seeming almost to shed salt.

Curtis Benton wrote the story and W. S. VanDyck was director. Andre Barlatier was photographer and Alfred A. Cohen wrote the titles. Max Graf personally supervised the production.

"LITTLE OLD NEW YORK"

Marion Davies has a difficult role, calling for the highest type of acting in her new Cosmopolitan picture, "Little Old New York," which will come to the Penniman Allen theatre, Sunday and Monday, February 3rd and 4th. The young star plays Patricia O'Day, the little Irish girl who comes to America and masquerades as a boy. The role of a boy is difficult at best for any girl to assume. Marie Doro and Maude Adams are among the very few actresses who have attempted such a part and carried it out successfully. Let a woman of round proportions don the masculine guise and she simply becomes ludicrous, no matter how fine her acting ability. Let a woman of slender grace assume such a part, and it is usually marred by over-acting, too much of a bluster and a swagger.

It has remained for Marion Davies to add another distinctive "boy role" to screen annals. She makes of "Pat" a manly, plucky little chap, who is still lovable and appealing. She does not overdo the part, but invests it with a touch of delightful and subtle comedy which marks her characterization as a great achievement. "Pat" fights with the rowdies of the neighborhood, but keeps a loyal, tender heart—a woman's heart—for Larry. "Pat" even takes a beating, which is one of the dramatic climaxes of the picture, all for the sake of the man she loves.

"Little Old New York" was adapted to the screen by Luther Reed, from the stage play by Rida Johnson Young. Sidney Olcott directed and Joseph Urban designed the settings.

"SIX DAYS"

A colorful and highly picturesque original screen story has been told by Elinor Glyn, the famous English writer, in "Six Days," which will be the attraction at the Penniman Allen theatre, Wednesday, February 6th. "Six Days" was produced for Goldwyn Pictures Corporation by Charles Brabin, one of the most highly esteemed directors in the industry. In her new story the famous author of "Three Weeks" has developed a story that is rapid and absorbing in action, with characters that appeal to the sympathies and with thrills and romance that lend themselves to the picture form of presentation.

Quida Bergere made the adaptation and the photography was in the skillful hands of John Mescall. The settings were by Cedric Gibbons, the Goldwyn art director. The cast contains many well-known names. Corrine Griffith, a star in her own right, is featured as Laine Kingston, and Frank Mayo, who has been a star for a number of years, is co-featured as Dion Leslie. Others in the cast are Myrtle Stedman, Claude King, Maude George, Spottiswoode Aiskin, Charles Clary, Evelyn Walsh Hall and others.

Laine Kingston is taken to Europe after the financial failure and death by suicide of her father, by her mother. The latter plots to marry her daughter to the wealthy Englishman, Sir Charles Chetwyn, but after their engagement has been announced, Laine falls in love with Dion Leslie, who is in reality, Sir Charles' son by a famous actress who had deserted him. In a sight-seeing tour over one of France's battlefields, after visiting the grave of her brother, Laine is trapped in a German dugout together with Dion Leslie and the priest who acted as their guide. Facing certain death at the end of a few days, Laine and Dion are married by the priest. Now they are rescued and Laine, believing Dion dead, is married to Sir Charles and later claimed by the latter's son, forms a highly dramatic and absorbing climax in what is regarded as one of the year's biggest pictures.

No Unpleasant "Next Day" Effects Chamberlain's Tablets are amazingly prompt and dependable for keeping the liver active, avoiding sick headaches, periodic bilious attacks, and painful gassy stomach trouble. No calomel. No unpleasant "next day" effect. No griping or nausea. Try them.—Advertisement.

W. H. Barrett and Fred Gleason have purchased 150 acres of land at the corner of Plymouth and Beech roads, extending easterly to the P. M. R. R. They plan to begin subdividing at once. The property is to be improved by the building of sewers and sidewalks and water is to be put in. Messrs. Barrett and Gleason have secured the promise of the P. M. to give 20-minute commuters' service to the subdivision, as soon as there are sufficient homes built there to warrant such service.—Redford Recorder.

According to report, the land deals in White Lake township will eclipse in extent those of the Bluffs region. It is stated that options have been taken or purchases made on a total of over 2,000 acres in White Lake, and that more is being taken every week. The Frank Parks place is being negotiated for, also the old George Teeples farm, and it is stated that part of the McNulty place has been bargained for. Deep mystery still surrounds the purpose for which the land is wanted. It is expected that the "cashing in" will begin next week for the land purchased on the Bluffs.—Milford Times.

#### HOW THE HOLIDAYS COME IN 1924.

Glancing through the calendar for 1924 reveals a number of interesting things:

Of the legal holidays, Lincoln's birthday is the first semi-holiday of the year, falling on a Tuesday.

Washington's birthday, which is observed as a commercial banking holiday in Michigan, will occur on a Friday. Disciples of Isaac Walton will be disappointed to note that Decoration Day will fall on a Friday, depriving them of the chance for a two-day holiday trip.

The Fourth of July will also fall on a Friday. Superstitious folks and advocates of a "safe and sane" Independence Day may take this fact as an omen, although we do not think there is any particular reason why the day will be more eventful on a Friday than on any other day of the week.

Labor Day always falls on the first Monday in September. This year the first day of the month is Monday. Labor Day is not so significant a holiday in smaller communities as are others, but in cities it is generally observed by labor organizations. Thanksgiving Day always comes on Thursday, and this year this holiday will be observed on November 27th. Christmas will fall on a Thursday, the extra day appended to the month of February this year occasioning skipping of Wednesday, which if this had been a normal year would have been Christmas Day. Leap Year will come to an end on a Wednesday.

The lenten season this year begins with Ash Wednesday on March 12, the latest date in many years. Easter Sunday, accordingly, which comes forty days after the beginning of Lent, will not be observed until the spring is well under way. The date is April 20. Four months, March, June, August and November, each have five Sundays.

#### IN MEMORIAM

In loving memory of our dear wife and mother, Mary A. Sherwood, who passed away one year ago today, February 1, 1923.

A loving mother, true and kind,  
No friend on earth like her we'll find;

And God gave her eternal rest.  
Her loving husband,

And Daughters,  
Anna, Eliza, Mabelle.

Don't miss the debate, Ferndale vs. Plymouth, high school auditorium, Thursday evening, February 7th, at 7:30.

The world has never known a family so well-behaved and elegant, but there two things to disgrace it—a family clock that is never right and a family piano that is never in tune.

Just a few more presidential candidates, and there won't be enough voters to go around.

#### If Stomach is Sour Food Won't Digest

No stomach filled with sour poisons can digest food. Everything you eat turns into more poison and gas, making you nervous and weak. Simple buckthorn bark, glycerine, etc., as mixed in Adierika, expels all sour poisons and gas from BOTH upper and lower bowel. Removes foul, decaying food-matter you never thought was in your system which causes sour and gassy stomach. Adierika is EXCELLENT to guard against appendicitis. Pinckney's Pharmacy.—Advertisement.

**THE UNIVERSAL CAR**

**Forecasting A Tremendous Spring Demand**

**739,626**

more Ford cars and trucks were produced last year than the previous year, an increase of over 50 per cent.

In spite of this tremendous increase in production, it was impossible to meet delivery requirements during the spring and summer months when orders for 350,000 Ford Cars and Trucks could not be filled.

This year winter buying for immediate delivery has been more active than ever before—and in addition 200,000 orders have already been booked through the Ford Weekly Purchase Plan for spring delivery.

These facts clearly indicate that the demand during this spring and summer will be far greater than ever, and that orders should be placed immediately with Ford Dealers as a means of protection against delay in securing your Ford Car or Truck or Fordson Tractor.

A small deposit down, with easy payments of the balance arranged, or your enrollment under the Ford Weekly Purchase Plan, will put your order on the preferred list for spring delivery.

**METHODIST NOTES**

Official board meeting at the parsonage next Tuesday evening at 7:30.

Next Thursday evening begins another series of Thursday night programs, as we had last fall, but with greater outlook. This is to be our winter term of the school of religion. Every member of the church and congregation is urged to join with us in these evenings of devotion and study. The pastor is urgent in saying that the one who doesn't attend for these next five weeks is going to miss something of real permanent value in his life.

There will be a pot-luck supper at 6:15 for all who can possibly get there. A committee will be appointed each week to look after the arrangements. Following the supper at 7:00 will be the devotional service, using as a topical theme, "His Body, the Church." We will have our church more when these five devotional hours are through.

At 7:45, comes the study classes. There will be one of Bible stories for children, of course, and the class in teacher training will be continued from the course last fall, using now the New Testament portion of the study. One other class will be organized, namely, one in "World Service," using as a text the wonderful volume recently published by our church with this title. To put it modestly, this is one of the most complete and marvelous books of its kind ever published. If the study of this doesn't give a broader vision of our christian responsibilities for the saving of the world, and a clearer understanding of what our great church is doing to save the world, and a deeper love for the church, then there will be something wrong with our minds and hearts.

Then the climax of the evening will come at 8:30, when Dr. Peter F. Stair of Detroit, member of Bishop Henderson's Area Staff, will be present to discuss with us various phases of Sunday-school work with its needs and problems, also its evangelism. "Sunday-school Methods and Evangelism" will be his theme. Not only Sunday-school teachers and officers will be interested in this, but every member of the church, particularly official members, as these discussions will deal somewhat with the plans and purposes of our new community house.

The public is invited to attend these Thursday night meetings.

Next Wednesday afternoon, the Ladies' Aid society will hold their monthly business meeting at the church at 2:30. Following this a short entertainment will be given by nine of the ladies entitled, "Sewing for the Heathen." The ladies are urged to come and bring a friend. Following the entertainment luncheon will be served. Entertainment and luncheon will be 20c. There will surely be a big turnout.

Attend church next Sunday.
