WILL VOTE ON GYMNASIUM BOND ISSUE AGAIN

At a meeting of the Board of Education held Monday evening, the bonds for the new school building in the sum of \$95,000 were sold to the Plymouth United Savings Bank at a premium of \$3,163.50, the highest offer among fifteen bidders.

The board also received a petition signed by a number of taxpayers asking that the proposition of bonding in the sum of \$45,000 for a new gymnasium be re-submitted to a vote of the taxpayers.

In accordance with the wish of the petitioners, the board has called a special school meeting and election which will take place on Wednesday, February 20th, 1924, when the proposition of bonding for a new gymnasium will again come before the taxpayers. A mass meeting will be held at 3:00 o'clock, and the polls of the election will be open from 3:30 p. m. until 9:00 p. m.

The gymnasium proposition lost out by a margin of 25 votes the first time it was submitted to the taxpayers.

BISHOP PAGE COMING TO PLYMOUTH.

It is announced that Bishop Herman Page, the newly appointed Bishop of Michigan, will preach at St. John's Episcopal mission on Sunday evening, and the people of Plymouth will have an opportunity of meeting the bishop and to hear his address. The bishop is a powerful and impressive speaker, and being a missionary bishop has the mission in the outlying districts of the diocese at heart. The pastor extends a cordial invitation to all.

BASKET BALL GAME TONIGHT

Northville High school boys' and girls' basket ball teams will play Plymouth High teams on the local floor tonight, Friday, February 15. The basket ball games with our neighboring town always bring out a large crowd, and Northville fans are coming over in large numbers to cheer for their teams. The first game will be called at 7:30. Admission, 25c.

WILL GIVE COLONIAL PAGEANT

On February 28th, the L. O. T. M. will put on public initiatory work in the Penniman Allen auditorium. It will be in the form of a colonial pageant. About sixty ladies will take part, each dressed in colonial costume. There will also be special music. No admission will be charged, and the public is cordially invited and urged to attend this exemplification of the work of the Maccabee Hive.

PLYMOUTH'S OLDEST BUSINESS MAN

When A. J. Lapham disposed of his interests in the general store, which he has conducted most successfully, he completed over 57 years in the mercantile business in Plymouth, and in the same location. Mr. Lapham is Plymouth's oldest business man, and is still actively engaged in the coal business at the age of 83 years. Not a business man is living today, who was engaged in business when Mr. Lapham started his business career here. He has seen many changes in the business circles of the village, and has seen the village grow from a few hundred people to the thriving town that it is today. For one of his years, Mr. Lapham is still active, and takes a keen interest in his business and the affairs of his home town.

FAMOUS QUARTETTE COMING

As a special attraction at the Penniman Allen theatre next Wednesday evening, Manager Lush has secured the famous Wolverine quartette of Detroit, for several song numbers. They are one of the best quartettes in the city, and everyone should hear them. See half page ad.

SUPPER AND SOCIAL

There will be a supper and social evening given by the St. John's Episcopal Guild, at the Grange hall, Thursday evening, February 28th. Supper at 5:30, price 50c. Save the date and your appetite.

PLYMOUTH WINS DEBATE

In a close debate with Ferndale here, last week Thursday evening, the team representing Plymouth high school won a two to one decision from the judges. The question was the same as has been used for all the debates this season, "Resolved, that the adoption of a ship subsidy would be a wise national policy." For the second time this year, Plymouth, which was represented by James Hickey, Ira Kingsley and Julia Wilson, upheld the affirmative side.

The contest Thursday evening, was one of the best held this year. Ferndale was represented by Marquitt Walton, Harold Deabler and Ronald Westlake. These young people were very good speakers, and they presented some very good reasons for opposing a subsidy. Both teams fought hard, and both deserve much praise for their work. The judges were: Supt. Finch of Wayne; W. A. Goudy of Ypsilanti and a teacher from Northwestern high school, Detroit.

This debate was the fourth one in which Plymouth has participated this year, and it is the last debate in the preliminary series of the Michigan High School Debating League. Plymouth's first debate was with Howell, which our team lost by a two to one decision. The next two with Wayne and Northville, however, were won unanimously. These, with the points from the last debate gives the team a total of twelve points. Whether or not this is sufficient to permit us to go into the elimination contests is still to be determined. In these contests only the teams who have the highest number of points in the preliminary series will be allowed to enter. Whether or not we are fortunate enough to win a place in these, we have a right to feel proud of our team. These young people, who are representing Plymouth, have never debated before this year, but they worked very hard, and have been very successful in upholding the reputation of our high school in debating. Too much praise cannot be given these debaters for their work.

DEATH OF MRS. LOUIS PAVNICK

Mrs. Louis Pavnick died at her home on Union street, last Friday morning, after a long illness, at the age of 37 years. The deceased leaves a husband and five children to mourn their loss. The family came to Plymouth from Oklahoma about six months ago.

PARENT-TEACHER ASSOCIATION MET.

The Parent-Teacher Association met Monday evening in the High school auditorium, with over a hundred in attendance. After a short business session, the freshmen, under the direction of Miss Streng and Miss Kenny, gave a musical sketch in costume, which had been given a short time ago, as an entertainment for assembly. This was much enjoyed. It was followed by a very interesting talk by Mr. Westfall, state superintendent of physical education, on "The General Benefits to Children of Physical Education." The point especially emphasized was the factor which good health plays in the mental development of the child. This good health can only be obtained through proper physical education, which our schools should provide. A half hour of community games was then enjoyed by a large number present.

NOTICE

A special meeting of the taxpayers of District No. 1, Fractional, Plymouth and Northville Townships, will be held at the High School Auditorium, Wednesday afternoon, February 20th, 1924, for the purpose of voting upon the proposition of borrowing money for the purpose of constructing a gymnasium. Mass meeting called at 3:00 p. m. Polls open for voting between the hours of 3:30 p. m. and 9:00 p. m.

EVERED JOLIFFE,
Secretary.
The above special meeting is called by the Board of Education at the legal request of taxpayers.

PLYMOUTH LADY HURT IN ACCIDENT

Mr. and Mrs. Fred Bovee of this village, met with a serious auto accident, two miles this side of Ypsilanti, last Friday morning, while on their way to Ann Arbor, about 10:30 o'clock. Mrs. Bovee sustained three fractured ribs and other minor injuries, and was taken to Beyer hospital, Ypsilanti.

A truck belonging to the Gordon-Pagel Co. of Detroit, was passing the Bovee car, when a tire blew up, and the truck skidded and hit the coupe driven by Mr. Bovee. Mrs. Bovee was hurled from her seat, and was badly injured, but Mr. Bovee escaped without injury.

Mrs. Bovee was brought home from the hospital Tuesday, and is recovering nicely from her injuries.

SUBURBAN SERVICE

With the development of the Plymouth road building activities, Plymouth citizens should bend every effort to induce the Pere Marquette R. R. to put into operation a suburban service between this village and Detroit. There are many families in Detroit, who would be glad to come to Plymouth to live, if there was quick commuters' transportation facilities to and from the city. It would mean much for the growth and development of Plymouth if such a service could be secured. The railroad company have double tracks between Plymouth and the city, and it would seem that if the right efforts were brought to bear, they could be induced to establish such a service, now that the development of the property along the line of the railroad between Plymouth and Detroit is assured. It is worth trying for, at least.

NO MORE CROSSINGS

We read where a New York state commission has declared after an extensive investigation that most crossing accidents are at the open crossings in the open country, where the traveler on the highway has disregarded a safe speed in approaching the danger point. The report urges the elimination of grade crossings everywhere, even though the cost will be enormous. Yet, even if every state began now to wipe out grade crossings it would be years and years before the last one is gone. There isn't an auto driver in Plymouth who will be here when the last grade-crossing is abolished. That's why, even though we agree with the New York commission and heartily approve of the abolishment of every grade-crossing in America, we must not forget that they have not been abolished, and that it's a little too early to flirt with the undertaker by closing our eyes when approaching a grade-crossing, or by still laboring under the impression that we can beat the train across.

YOUR WALKING LEGS

"I've found my walking legs again," said a Plymouth man yesterday to the editor. He went on to explain that since he got his auto a couple of years ago, he has almost forgotten how to walk. He used to think nothing of walking a mile or two into the country—now he seems to think he has to use his auto if he is only going a square away from the house. What he said is probably true of a great many others, and it is regrettable. One way to have good health is to get all the exercise that the body demands, and no form of exercise is more valuable than walking. It may be hard to decide to walk when it is just as easy to ride, but somehow we can't help thinking that the man who uses his legs for walking instead of pushing down the gear clutch and brake pedals is going to add a few more days to his life, besides being better able to enjoy a ride when he does decide to take one.

METHODIST NOTES

All aboard, men for the father and son banquet next Tuesday evening at 6:30. Dr. Walter R. Fruit of Flint, pastor of the Court St. Methodist church, is to be the speaker. Subject: "The Sport or Sportsman." A good program of music and speech. Get a boy if you haven't one, and come along.

Join the Thursday night crowd. Dr. Stair's talks on Sunday-school methods and Evangelism are a rare treat, at 8:30 each Thursday. The fellowship of the pot-luck supper at 6:15 is really worthwhile. Devotions come at 7:00, and the study classes at 7:45.

This is the month of great Americans. Hear the sermon Sunday evening: "Footprints on the Sands of Time." Honor the memory of Lincoln, Washington, and others by attending this service, which will present lessons from the lives of some great Americans.

Company C of the Ladies' Aid meets at the home of Mrs. Floyd Hillman on Church street next Wednesday at 2:30 p. m.

The Epworth League is to have a Washington Birthday party next Wednesday night. Further announcement next Sunday.

Remember the Father and Son banquet.

The True Blue Sunday-school class desires to thank those who so generously patronized their supper Monday night, and also to express their regrets for the delay which was caused by a misunderstanding in regard to the preparation of some of the food.

The Chemist and the Cow

A chemist is the first man to enter every car of raw material that reaches the LARRO mill. Samples are taken and carefully tested—they must be up to LARRO quality standard or that car is rejected. Every ingredient gets this preliminary test—there is no guesswork—it must be "right" before it is considered good enough to go into LARRO.

And LARRO in its finished state is analyzed every fifteen minutes for protein, fat and fibre content. Everything must be exact. Cows don't go off feed on LARRO, because LARRO never goes off standard.

Put your cows on this better ration and watch your milk profits grow.

THE THEATRE

"THREE WISE FOOLS"

King Vidor is one of those progressive young directors who has established a precedent. In writing the screen version of "Three Wise Fools," which comes to the Penniman Allen theatre next Saturday evening, February 16th, the matter came up of planning an escape from prison. This part, of course, was not handled in the stage production. Vidor went back into criminal history and dug up one of the most sensational escapes on record.

The escape, a fairly recent one, from the California State Prison, Folsom, occurred in May, 1920. Four prisoners rushed a locomotive in the prison yard, opened the throttle and crashed their way out of the grounds into open country. Vidor secured all the newspaper clippings of this sensational escape and has followed them closely in making the picture.

"ROSITA"

When "Rosita" is shown at the Penniman Allen Theatre next Sunday and Monday, February 17 and 18, the public of this city will see an entirely new and a different Mary Pickford.

In this, her latest United Artists' attraction, she appears as a grown-up young woman.

The famous Mary Pickford curls, of golden hue, are coiffed high in Spanish style in the Nineteenth century, while Miss Pickford, wearing gorgeous gowns with long streaming train, appears lithe and sinuous, revealing a seldom seen phase of the personality loved the world around.

"Rosita" is an entirely different story from anything Mary Pickford ever before has been identified with. Its appeal will be to the grown-ups rather than to the children, and an entirely new Mary Pickford audience will be created. Men especially, and there are a few, perhaps, who have never seen Mary Pickford on the screen will see and adore her in "Rosita."

A thrilling tale of Spanish romance is unfolded in swiftly moving scenes, glimpses of carnival and palatial splendor blended into a story of dramatic intensity interspersed with human frailties, comedy intrigue, suspense and mounted on a production of gigantic proportions, abounding in melodrama and love.

As Rosita, Mary Pickford appears in many scenes of dramatic intensity, and while she is seen in the role of an emotional actress, Miss Pickford has played many emotional scenes heretofore, but in this one, in this sense, be a new Mary—just grown-up Mary Pickford never fully revealed until the present.

"The Steadfast Heart"

Clarence Budington Kelland, who has already taken to the screen some wonderful stories of small town and juvenile life, has come forward once more with "The Steadfast Heart," which comes Wednesday, February 20, at the Penniman Allen theatre. "The Steadfast Heart" is the story of a small town, of its hates and dislikes, of its loves and likings, and of its happiness and sorrow.

A waif, forced to do murder by sheer terror of an awful fate, is brought to trial. A great attorney is beaten by a youngster in defense of the child—and a hate is born which lasts through a generation. Sons and daughters are embroiled in the squabble, and an entire town is turned against the waif until his friends send her away to college. Years later she returns, and for the love of a girl, beats down the barred doors of society, shows what and who he is and in a series of startling episodes brings the picture to a breath-taking climax.

Sheridan Hall directed this photoplay, and working with an all-star cast, has made a wonderful job of it. In the feminine lead is the delectable, winsome Marguerite Courtot, who is reaching the high spot of her career. The young waif is Joey Depew, a child whose ability causes a stir wherever pictures are made. When the boy grows up, Joseph Striker enters the scene, and the handsome young hero straightway wins his way to the hearts of the audience. Besides these are Hugh Huntley, the young Australian actor, William B. Mack, one of the great artists of the screen and stage, Mary Alden of world-wide fame, and Miriam Battista.

The General Motors Co. has purchased 1075 acres of land in the "Bluffs," near Brighton. It is proposed to develop on this tract a system of roadways in which will be represented all types and conditions of roads, such as the most modern paving, good and poor country roads and hills of all kinds, as well as roads specially constructed to determine various factors in car performance. When the development is completed, practically all road testing will be made on the corporation's private property. There has been much speculation of late as to just what this land was being purchased for, by the citizens in that vicinity.

They Paid \$200,000,000

for Studebaker cars last year

Find out why folks did it

LAST year 145,000 people paid over \$200,000,000 for Studebaker cars.

The demand for these cars has almost tripled in three years. It has become the sensation of Motortorium.

There is a new situation in the fine-car field. You should learn what it means to you.

We spend \$500,000 yearly on an engineering staff. There are 125 skilled men employed in our department of Research and Experiment. They make 500,000 tests per year.

We employ 1,200 inspectors. Each Studebaker car must pass 30,000 inspections during manu-

Then on some steels we pay makers a 15 per cent bonus to insure exactness in them.

Every Studebaker car is Timken-equipped. The Special-Six and the Big-Six have more Timken bearings than any car selling under \$5,600 in America.

The Light-Six more than any competitive car within \$1,000 of its price.

We use genuine leather upholstery.

We use Chase-Mohair for the closed car upholstery. Some good upholstery would cost \$100 less.

To curb vibration, we machine all surfaces of crank shafts, as was done in Liberty Airplane Motors. Very few cars do that.

How such prices?

How can we give such extra values—yet sell at our low prices?

Because these values brought us buyers—145,000 last year. The major extra costs are divided by enormous output.

Let us show you the extras you get, because of these matchless facilities.

Learn Why 145,162 Bought Studebakers in 1923.

Studebakers hold the top place in the fine car field today.

In 1919, the public paid over \$80,000,000 for 39,356 Studebaker cars.

In 1920, the public paid over \$160,000,000 for 51,474 Studebaker cars, an increase of 31% over 1919.

In 1921, the public paid over \$120,000,000 for 66,643 Studebaker cars, an increase of 29% over 1920.

In 1922, the public paid over \$155,000,000 for 110,269 Studebaker cars, an increase of 66% over 1921.

In 1923, the public paid over \$201,000,000 for 145,162 Studebaker cars, an increase of 32% over 1922.

In 1924, business has opened with Studebaker as never before.

Learn why all these buyers preferred Studebakers.

factory before it leaves the factory. Those enormous facilities enabled us to produce the utmost in a car. And we had the will to do it.

No stinted costs

We never stint on costs. Every steel used is the best steel for its purpose, regardless of the price.

NEWBURG

Rev. Larson preached an Evangelistic sermon Sunday, from Ezekiel 37:9. There were forty-six in Sunday-school, with Mrs. L. Davey's class of boys ahead in the contest. Thirty-two were in attendance at Epworth League. A fine interest is being shown by the young people.

An official board meeting was held at the home of Mr. and Mrs. Clark Mackinder, Monday evening. Arrangements were made for special meetings to be held commencing the tenth of March. The matter of building a parsonage was also brought up, and committees appointed to see about it. A prayer meeting was announced to be held in the chapel next Thursday evening.

L. Clemens attended the Farmers' Week at M. A. C. Lawrence Holmes also attended, being sent from the Aggie Club, Plymouth High school.

Miss Harriett Casterline of the Ypsilanti Normal spent the week-end with Mr. and Mrs. Clyde Smith. She also took Sunday dinner at C. E. Ryder's.

A letter recently received from Raymond Ryder, who is connected with the Rand & McNally Pub. Co., Chicago, having been with them 21 years the 1st of December, states that their new 1924 Commercial Atlas put Newburg on the map, giving it's population as 69. He wonders if it is correct. Newburg is surely growing.

Mrs. Mark Joy is under the doctor's care.

Mr. and Mrs. Wm. Smith attended the exhibition given by members of the Passion Play of Oberammergau, at Convention hall, Detroit, Tuesday. They thought it a most wonderful display, and well worth seeing.

Mr. and Mrs. Clyde Smith left Tuesday morning by motor to visit relatives and friends at Lansing, St. John's and Mason.

Mrs. Allen Geer called Wednesday on Mrs. Sarah Hoisington, who was quite badly burned last Monday; also called on Mrs. Emily LeVan.

The Newburg Patriotic society will meet next Thursday, February 21, at the home of Mr. and Mrs. Isaac Gonsolly, dinner at noon. Everyone cordially invited to attend.

ARMY AND NAVY BANQUET

The event of the season occurred last week Thursday evening, at the L. A. S. hall, when the Epworth League gave their Army and Navy banquet. The hall was prettily decorated with streamers of the Valentine colors, red and white. Covers were laid for ninety, with Valentine favors. A delicious two course dinner was served by members of the L. A. S., assisted by Fred Gency, who acted as chef. During dinner, yells by the Army and Navy were led by Clyde Smith and Lloyd Yeoman, interspersed with songs led by Miss Marion Bennett of Detroit. Rev. Paul Haven gave a short talk, introducing the president of the League, Mrs. Clyde Smith, who welcomed the Army and Navy and honored guests, Dr. Stair and Dr. Leeson of Ann Arbor, expressing the sentiment of the young people in giving credit to Rev. and Mrs. Haven for the tireless efforts put forth on their behalf. She then introduced Mrs. Donald Ryder as toastmistress, who, with some humorous remarks, took charge of the program.

Miss "The United States Marines" —Misses Anna and Ada Youngs.

CANTON

Fred Kaiser, Mr. and Mrs. J. C. Sprague, Mrs. Anna Sprague and son, Orr, and daughter, Elsie, were in Dearborn, Friday, attending the funeral of Mrs. Anna Sprague's little granddaughter.

Transplanting cabbage seedlings is the order of the day among many of the greenhouse owners in this vicinity.

A. J. Kaiser and Fred Kaiser and son, Seely, were Tuesday evening visitors at L. E. Kaiser's.

Mr. and Mrs. Leith Swegles and baby daughter, and Miss Theo Swegles of Ypsilanti, spent Sunday at the home of Mr. and Mrs. J. M. Swegles of this place.

While working with a gasoline engine recently, Perry Hix had the misfortune to have a finger of his right hand cut off at the first joint. It is reported to be much better at this writing.

Little Madelyn Kaiser is on the sick list this week.

M. Swegles was in Ypsilanti Tuesday evening, representing zone 3, at a meeting held at the Normal. He also attended a banquet at the Harmon hotel.

Mrs. James Gates entertained the lady club at her home Wednesday evening.

The Grange will give an oyster supper at the Grange hall, Friday evening, February 22nd.

Hough school will give a Valentine social at the home of Mr. and Mrs. J. H. Fogarty Friday evening, February 15th. Ladies please bring cake or sandwiches.

NEWBURG SCHOOL NOTES

The Parent-Teacher meeting on Tuesday of this week, was well attended, and much was accomplished. A drive for new members was planned, to be conducted by the children with two leaders, a boy and a girl, to be appointed by the teacher. We hope in this way to be able to swell our membership, and trust that all will gladly help the pupils in this contest, which closes March 17th, after which a party is planned for the children.

A concert consisting of special numbers, and a playette called "Parson's Perversity" had been planned at previous meetings, and is now well under way, (adults), details of which were given at this meeting. The full program and cast of characters will be given next week. Date of play set for Tuesday, February 26th, and to be held at the school hall. The matter of tickets and posters was left to Mrs. Harmon Gates, price of which will be kindly donated by Mr. Stonehouse. Admission, 35c, children 15c. Judging by the efforts of those taking part, we promise you a very enjoyable evening, and well worth your effort to attend.

Today's Reflections

There's one thing the average Plymouth woman can do, the patent washing machine won't do, and that's to hold six clothespins in its mouth while hanging clothes on the line.

The hardest thing some politicians have to overcome is to keep people from laughing at them.

The doctors can cut out your tonsils and your appendix for you, but you have to cut out your own foolishness.

"The trouble with some folks," said a well-known Plymouth man yesterday, "is they use their grouch as an umbrella when showers of blessings are falling."

Two men can live together for a year and remain good friends. Why can't a man and woman do the same thing?

The Plymouth girl who won't go very far on the matrimonial road is the one who uses a lipstick oftener than she uses a broomstick.

It may be true that the old home isn't what it used to be, but some of its glory could be recovered if our girls would learn to make real pies.

What has become of the old-fashioned father who could always manage to get his hands on a razor strap when one of his kids showed a streak of temper?

Our advice to the young men around Plymouth is to stick to their jobs. By working hard eight hours a

day they may get to be boss, and then they can work twelve hours a day.

Much of this present-day wisdom is said to be aged in the wood, but the undertaker furnishes the wood.

They claim that contentment makes you fat. But you can bet that all the fat women around Plymouth are not that way because they are contented.

Our advice to the Plymouth man who wants to say exactly what he thinks is to stay out of the newspaper business.

We have some fellows in Plymouth who could settle the argument between the French and German, but who can't make their own kids take a doctor pill.

One disappointment about a visit to your boyhood home is you always meet so many people who hadn't missed you.

Any married man in Plymouth can tell you that it's easier to get expenses down to pre-marriage times than down to pre-marriage times.

One time when distance doesn't lend enchantment is when your car breaks down and you're nine miles from a garage.

When we're feeling tough nothing irritates us more than to meet the fellow who is determined to scatter sunshine.

Horse owners around Plymouth know that the auto has a lot of advantages, but they also know you

don't have to go out on a cold morning and pour a bucket of hot water into a horse to get it started.

Please bring in your spring poetry early—if we can get it all in one bunch we can save a lot of coal.

"Some things," remarked a Plymouth man yesterday, "can't be bought with either love or money, but money can buy a lot of things love can't."

It isn't fear of an accident that keeps some Americans from touring Europe—it's a fear that they might not be able to get back to this country.

A Few Cents Does It

One of the "saw" "toys" for bridge had failed at the last moment and a friend from next door consented to fill the gap.

She had slight knowledge of the game and before long committed elementary "howlers," playing the king unnecessarily on her opponent's ace.

"But, partner," exclaimed the host, "surely you knew a king cannot beat an ace."

"I know that," was the reply, "but I thought I'd let it have a try!"

Not All Alone

"Yes, your honor," said the aggrieved woman, as she dabbed her eyes, "he neglected me shamefully. Why, he never was at home."

"And I suppose you had to spend your evenings all by yourself, with no companionship whatever?"

"W-w-well," she sobbed, "I had two goldfish."

FEW WILD TURKEYS LEFT IN AMERICA

Game Birds Almost Extirpated in the United States.

One of the most spectacular of all American birds is the wild turkey. It is distinctly an American product and is found in no other place but North America.

Woven in the clothing wrapped about mummified remains of cliff dwellers in Arizona and New Mexico are found the feathers of turkeys. There are other evidences in the caves showing that the birds were kept in a state of domestication by the aborigines. When early in the sixteenth century the Spanish conquerors invaded Mexico, they found turkeys that had been domesticated by the Indians. Some of these they took back with them to Spain, where it was found they would breed in captivity. Their descendants were removed to France and England, and later brought to the United States by settlers. This is the history of the common domestic turkey which people are wont to have on the table when celebrating Christmas or Thanksgiving day. A short time ago, as time goes, wild turkeys were to be met within almost any suitable locality southward from a line drawn through southern Maine, southern Ontario and South Dakota. All over the eastern United States they were abundant, as well as among the hills and canyons of Colorado and the semi-arid deserts of New Mexico. Every year one may find on some magazine cover the picture of an old Puritan father with his blunderbuss on one shoulder and a wild turkey on the other. Thus do our men of art keep before our attention one of the most glorious of New England.

Where on Cape Cod may one find a wild turkey today? Where may you seek for it in Rhode Island, New York, Iowa or Indiana, or in many other states of its former range? In a few isolated out-of-the-way parts of our country some of these wonderful birds still exist. Ten years ago I found a number in Lee county, Florida. But soon a thousand hunters were in the field after them and the turkeys are vanishing from south Florida. There are still some to be found about the great southern swamps, as, for example, in North and South Carolina, Mississippi and Louisiana, and one may see signs of the great turkey in southern Texas, but here chiefly on a few great ranches where hunting is restricted. As a game bird the wild turkey has practically ceased to function.—T. Gilbert Pearson in the World's Work.

SCHOOL NOTES

HIGH SCHOOL NOTES

At a recent meeting of the Aggie Club, the following people were elected for the second semester: Louva Rowland, president; Levi Wisely, vice-president; Irene Brown, secretary; Doyle Rowland, treasurer and member of the executive committee.

The people who missed seeing the Michigan State Normal College gymnastic team perform between the girls' and boys' basketball games last Friday night, will have a second chance to see their splendid work at the High school carnival later in the year. The five young men put on these exhibitions of matwork and apparatus exercises to advertise their school.

The ice which covers the athletic field has been a source of much enjoyment for the younger people, who have been taking advantage of their recess periods to slide and skate.

Every boy in Plymouth High school and in the grades has an equal chance to learn how to play basketball, because of the schedule adopted recently, and as a result of this our teams will be much stronger in the years to come because of increased competition for positions.

GRADE NOTES

The grade notes and girls' first team games were reported by A. Hamill; the high school notes and boys' first team games by James Hickey, and the second team games by Helen Fish.

Preparation is being made for Valentine boxes in the grade rooms. Miss Dixon's pupils have already drawn names.

Two new pupils, Robert Bredin and Albert Grabman, entered the 6A last week, this making a total of 75. Until new seats can be put in, two of the pupils will have to occupy chairs.

The sixth grade history classes are studying the Revolutionary War. The following from Miss Hraris' room were neither absent nor tardy during the first semester: John Randall, June Jewell, Horace Nelson, Marion Tefft and Maurice Ferguson.

Dean Herrick of the B first grade was neither absent nor tardy during the whole of the last semester.

There are one hundred and four children enrolled in the first grade. The children in the first grade enjoyed a Valentine box on Thursday, St. Valentine's day.

"ROCKS" LOSE TO REDFORD HIGH

Because of their inability to take advantage of the numerous chances offered them at the foul line, Plymouth High school boys met defeat last Friday night, at the hands of Redford High school boys, before the largest crowd of the season, by the close score of 17 to 16. Out of a possible ten points from the foul line, the locals secured but three, while the Redford quintet took advantage of a majority of their free throws, and retained the lead to the final whistle.

In the second half the game was slowed considerably, due to the long shots each team was forced to attempt, due to too close guarding on both sides. How evenly matched the teams were, can be easily judged by the fact that Redford could only score six baskets while Plymouth secured five.

In spite of their defeats this season, our team may prove a stumbling block to a championship for the Northville boys. Come out and help them tonight, at the home gymnasium.

Line-up: Draper, g.; Holmes, g.; Kline, c.; Kinyon, f.; Palmer, f.

GIRLS' GAME

Excitement was not lacking in the game played here last Friday night, in which the Plymouth girls won from Redford by a final score of 27 to 25. The score at the end of the first half was 15 to 14 in Redford's

favor, while after the third quarter the score was a tie. Plymouth failed to make baskets when they had a chance. Her fouls were made on progress. The guards played especially well; Gladys Hake and Genevieve Bird deserve special mention.

The line-up was as follows: Forwards—Amrhein, I. Bird; Centers—G. Bird, Whipple; Guards—Bolton, England; Subs.—Hake for Bolton; Bolton for England.

Referee—Raimor, Michigan State Normal College.

The crowd helped the players by giving their support last Friday—let's all come tonight. Plymouth has a chance for the championship this year. Plymouth and Northville are tie for first place, each having won three out of four games. Dearborn and Redford are for second place, each having won two out of four games. Farmington has third place. We play Northville tonight, to determine the championship.

BOYS' SECOND TEAM GAME

Because of the poor basket shooting of Redford, the Plymouth boys' second team defeated the Redford boys' second team here, last Friday afternoon, with a score of 10 to 3.

The floor work of Redford and Plymouth was about equal, but it was evident from the beginning that Redford lacked good basket shooters.

Our second team has played four games so far, and although we lost two out of these four, the following scores show our progress. The first game with Ypsi Central's second team was lost by a score of 19 to 7; the second played with Farmington was lost by a score of 10 to 9. In the next, played with Northville, the second team won by a score of 10 to 10; and in the last game played with Redford, the Plymouth team won by a score of 10 to 3.

Referee, Mr. Coatta. Score at end of half, 4 to 1.

Line-up—Grigware, r. f.; Holcomb, l. f.; Reiman, c.; Hickey, r. g.; Ambrus, l. g. Substitutions—Carruthers for Grigware; Mills for Ambrus; Ambrus for Reiman; Cummins for Mills.

GIRLS' SECOND TEAM GAME

The Plymouth girls' second team defeated the Redford girls' second team here last Friday afternoon, by a score of 14 to 10. Although the ball was in our forwards' court most of the time, we failed to make many baskets.

Score at end of half, 9-2 in favor of Plymouth. Referee—Mrs. half, Jane Bird; second half, Miss DePotty of Redford.

Line-up—F. Cline, r. f.; W. Draper, l. f.; I. Bennett, r. c.; E. Schrader, c.; A. Hathaway, l. g.; L. Schryer, r. g. Substitutions—Miller for Hathaway, Caldwell for Miller.

BOYS' SECOND TEAM

In a game with Northville boys' second team played here last Tuesday afternoon, February 5, the home boys' second team won by a score of 13 to 10. Northville's defense was very good. Our forwards and center, who usually score, never got a point, but Ambrus, Plymouth's left guard, got five points, and Hickey, Plymouth's right guard, got eight points.

Referee—Mr. Coatta. Score at end of half, 9 to 6. The line-up for Plymouth:

Grigware, r. f.; Carruthers, l. f.; Reiman, c.; Hickey, r. g.; Ambrus, l. g. Substitutions—Holcomb for Grigware; Moyer for Ambrus; Cummins for Reiman.

GIRLS' SECOND TEAM GAME

Because the Plymouth girls had lost one game to Northville this year, the home girls' second team played Northville girls' second team last Tuesday afternoon, February 5. They determined to win, and did with a score of 27 to 9. The game was a fast and interesting one. There were many fouls on both sides. Referee, Janette Whipple.

Line-up: Draper, g.; Holmes, g.; Draper, l. f.; I. Bennett, r. c.; E. Schrader, j. c.; D. Caldwell, r. g.; L. Schryer, l. g. Substitutions—Hathaway for Schryer; Miller for Caldwell; White for Draper, Draper for White; Schryer for Hathaway.

M. A. C. TRIP

Plymouth High school was again represented at the annual judging contest, which was held at the Michigan Agricultural College, the latter part of last week. Although our teams, in the other two years that we were represented, have won state championships in some event; we will be proud of them this year no matter how few points they get, because they were competing with forty-five schools who were represented by a total of six hundred students, which was the greatest number of people ever to attend the annual contest.

The people who represented our school in live stock and poultry judging were Lawrence Holmes, Donald Beyer and Clarence Mott. In grain and fruit judging: Joe Rowland, Doyle Rowland, Howard Hearn, Levi Wisely and Russell Partridge.

The boys went up on the train accompanied by Mr. Holcomb, and arrived in time to see the basket ball game between the University of Michigan and the M. A. C. The trip was financed by the Aggie Club, and it would not be out of place here, to compliment them on their fine spirit.

Next Spring—

With over 200,000 orders for Ford Cars and Trucks already placed for delivery during the next few months, we are facing a record-breaking spring demand.

Each successive month this winter has witnessed a growth in sales far surpassing that of any previous winter season. This increase will be even greater during the spring months, always the heaviest buying period.

These facts suggest that you place your order early to avoid disappointment in delivery at the time desired.

It is not necessary to pay cash for your car in order to have your name placed on the preferred delivery list. You can make a small payment down, or you can buy, if you wish, under the convenient terms of the Ford Weekly Purchase Plan.

Although the crowd was not so large as usual, all had a very pleasant time at the L. A. S. at E. L. Clark's, last Thursday. The men gave a very fine program. The next meeting, which will be held on February 22nd, is the annual men's dinner and will be at the Ed. Lyke home.

Mr. and Mrs. James Court entertained all their children and grandchildren of Ypsilanti, Sunday. They experienced no trouble in getting through the snow drift near the Thumm farm, although they had to help others who were not so fortunate.

Mrs. Samuel Dixon of Denton, was a supper guest of Mrs. Arthur Mosher and family, and also spent the evening there, on Thursday.

Mrs. R. L. Clark received a card from her sister, Mrs. Libby Fowler, of San Diego, California, saying that she is recovering from her illness of several weeks.

Mr. and Mrs. John Caroen and children of Wayne, were Sunday guests of her sister, Mrs. George McKim and family.

Mrs. Frank King spent Wednesday and Thursday in Ypsilanti, helping in the care of her sister, Mrs. Olive Miller, who is nearly helpless. Mrs. Lucy Smith, another sister, who is helping to care for her had to go home to Plymouth, for a few days on business.

Mr. and Mrs. W. E. Hawthorne of Ypsilanti, while out for a ride in their new Ford coupe purchased last week, called on the former's sister, Mrs. James Hannon and husband, Sunday.

Mrs. Mary Pankonie is at home again, after visiting her daughter at Inkster.

Wm. MacFarlane spent the weekend with his Grandmother MacFarlane, in Detroit.

Mr. Matthews of Plymouth, was a caller at E. A. Trowbridge's Friday.

Mr. and Mrs. Carl Dolby, attended the funeral of an infant niece, in Dearborn, Friday.

Mrs. Henry Priebe and daughter, Miss Clara, and Mr. and Mrs. Fred Nollar and three children spent Wednesday evening at Luis J. Kuhl's.

In a recent letter to her son, Harry, Mrs. Edward Morgan states that she is visiting with former Middleville, Mich., people at Los Angeles, California. The weather there is fine, and they are enjoying both fruit and flowers. She says that on February 1st, they sat on the north porch of a club house to eat their lunch, and also to watch the bathers who were enjoying a dip in the ocean. Imagine, if you can, what the difference is between our weather here and that there. Here we are glad to get in the sunniest spot we can find, and be very sure it isn't on the north side of the house either.

Mr. and Mrs. George Whipple of Salem, were Saturday visitors at the home of their daughter, Mrs. Fred Nollar. Mr. Whipple is serving on a Detroit jury.

Four Normal student helping teachers were the speakers at the Parent-Teacher meeting, Friday evening, at the Free Church school. They gave some very interesting and instructive talks which were greatly enjoyed by the crowd. They are planning to hold a special meeting the second Friday in March, when they hope to have the County Organizer present.

Miss Beryl Kuhl is out again after an attack of the grip.

Kenneth Strang has gone to Ypsilanti, where he is under the doctor's care. He is suffering with jaundice, following a severe attack of the flu.

Russel Trowbridge was a business visitor in Plymouth, Thursday.

There is to be a box social and dance at the Superior town hall, Friday evening, February 22nd, given by the Free Church school.

Howard Mosher is still confined to his bed, and has been suffering with rheumatism for the past few days.

Henry Priebe was home from Detroit, over the week-end.

Mrs. Frank Raymond, daughter of Mr. and Mrs. L. J. Kuhl, is quite ill at her home on N. Prospect street, Ypsilanti. Mrs. Thurman Walters, another daughter, had the bad luck to step on the icy stairs, and take quite a fall, which bruised her quite badly, one day last week, at her home on East Cross street.

Mrs. Fred Nollar spent Thursday with Mrs. Laurence Wagner on the Warren avenue road.

A Good Thing—Don't Miss It. Send your name and address plainly written together with five cents (and this slip) to Chamberlain Medicine Co., Des Moines, Iowa, and receive in return a trial package containing Chamberlain's Cough Remedy for coughs, colds, croup; Chamberlain's Stomach and Liver Tablets for indigestion, gassy pains that crowd the heart, biliousness and constipation; Chamberlain's Salve for burns, scalds, wounds, piles, etc. Don't miss it.—Advertisement.

BAPTIST NOTES

The pastor is home again, having spent the most of two weeks at Hartley, Mich., assisting Rev. C. H. Myers, pastor of the First Baptist Church, in special revival meetings, from which he was called to Hillsdale, where the entire family drove by auto to attend the funeral of his mother, Mrs. C. H. Sayles, whose age lacked only three months of ninety years. Her life slipped away without a struggle. She was buried in Oak Grove cemetery, February 3.

For more than 67 years she had been a member of the College Baptist church. The pastor, Rev. W. F. Roberts, and ex-president Manck of the college, spoke at the funeral.

Sunday morning the service was in the church parlors. The pastor spoke about "The Unmixed Glory," in the paradise of God. We were all glad to be back together once more in church service.

The Sunday-school was full of people and the songs rang out in a hearty way. It's a little crowded at the Sunday-school hour, but everyone keeps sweet.

The B. Y. P. U. has the old time interest, and the meeting was led Sunday evening by the president, Elbert Seger. They also arranged for a Valentine social next Saturday evening at the church. All young people are invited. Come and have a good time.

The alcove built in the church parlor by the Aid Society, is very neat and cozy, and will be a great help at their annual bazaar.

The Ladies' Aid Society met with Mrs. Sewell Bennett last Wednesday afternoon.

Last Wednesday evening the teachers and officers and others interested in the growth and development of every branch of the school, met for a pot-luck supper at the church, and listened to the superintendent talk about some of the new plans for the same.

Last Tuesday afternoon was a church cleaning day, and everything was made spick and span, as the men and women rubbed, scrubbed, dusted, and removed the dust and dirt.

Last Thursday evening the cottage prayer meeting was at the parsonage. They are praying that the way may be opened for a Revival of Religion this winter.

Sunday, February 24, is the day set for the re-opening of the church, when we hope everything will be in readiness for the event. The new decorations, new carpet, and we want to invite every Baptist in Plymouth to be on hand that day and meet each other, and worship together. Not only Baptists are invited, but anyone and everyone will be welcome. The Sunday-school will have a special program, and every scholar is urged to come. And new ones will find good classes and teachers.

The B. Y. P. U. will plan some special service for that evening.

Why Your Electric Light Bills Go Up and Down

In Winter you depend upon artificial lighting nearly three times as many hours in each 24 as in summer.

In June the average use of electric light, in a residence, is 2 hours and 35 minutes a day.

In December the average use of electric light, in a residence, is 6 hours and 50 minutes a day.

This is perfectly natural. As the summer days lengthen, the "electric light hours" become shorter. So on until January when the days grow shorter and the "electric light hours" grow longer.

There are other reasons, too, why your bills in fall and winter are larger than in the spring and summer, good reasons that show it is simply the result of the season's changes; your more extensive use of electric light, and not the fault of the electric light company at all.

When summer is over, vacations are over. Everybody is home again; more rooms are occupied; more light is needed.

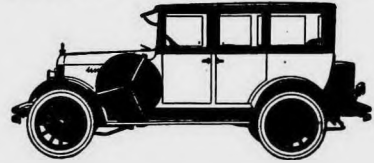

Long evenings—late bedtimes. The outside cold keeps us indoors. The soft, cozy glow of electric light makes reading a pleasure. More people stay home on this account. The newspapers, magazines, study or a good book, music and games pass the evening all too quickly. It is bedtime before one knows it!

More entertaining is done—parties at home for the grown-ups and little folks. Sometimes the house fairly radiates with the good cheer of electric light.

Think this all over carefully and you will see why your winter electric light bills can reasonably triple those of summer.

WOMAN'S CLUB

A new broom sweeps clean and a new audience has a similar bright effect. The exchange of programs between the Woman's Club of this place, and the Arche Club of Wayne, proved to be two pleasant affairs. Friday, the local club gave the program for the Arche Club, consisting of piano duets, solos, songs by the woman's quartet, and two papers, after which a dainty lunch was served for the social hour, and the fifty Plymouth members present gained enthusiasm.

Last week Thursday evening, an illustrated lecture was given in the club rooms by Prof. Leroy Waterman of the U. of M. on "Recent Archaeological Discoveries in Egypt," and it was a keen pleasure to imagine being a U. of M. student and getting a thrill in the class room.

Today the program has a big calling-card, and members are to be treated to a surprise.

The Ready Service class of the Presbyterian church will hold its regular monthly meeting Tuesday, February 19th, at the home of Mrs. W. Luten on Adams street. Pot-luck dinner at noon.

The Whosoever class of the M. E. Sunday-school gave a Valentine party at the home of Mrs. Frederick Thomas on Main street. Thirty ladies were in attendance, and all report an enjoyable time.

There will be a tea at the Presbyterian church parlors, Wednesday, February 20, from three to five o'clock. Bring work and have a social time. A silver offering will be taken. Everybody welcome.

Mrs. Walter Westfall entertained the Five Hundred club at her home on Liberty street, Tuesday afternoon. Mrs. Paul Weidman winning first honors and Mrs. Fred Ballen the consolation. Dainty refreshments were served.

Mr. and Mrs. B. W. Blunk entertained a number of their neighbors at their home, last Friday evening. Progressive pedro furnished entertainment, the honors going to Mrs. Otto Wagenschutz and Albert Powell. Supper was served by the hostess, and all enjoyed the evening.

We have heard of several complaints regarding the dog nuisance in the village, and that many dogs are running at large without tags. As we understand the law, the local authorities have no jurisdiction in the enforcement of the law, but that it is up to the county officers to see that it is enforced.

COMMUNITY HAPPENINGS

A mistake was made last week in announcing the North Canton Home Economics meeting for Feb. 12, instead of Tuesday, February 26th, at 2:00 p. m., at Mrs. A. C. Huston's. The day following will be the Community meeting at the same place.

GRANGE NOTES

A goodly number were present at the regular meeting February 7th, to enjoy the good time. We regret that more of our number are not able to arrange to be with us to aid in and derive from the benefits of the meetings.

Plans were made and a committee in charge appointed for an oyster supper to be held at the hall Friday evening, February 22nd.

At the next meeting, February 21, Washington's birthday will be observed in a measure. Also Mr. Carr will talk on "Farmers' Week at M. A. C." as a feature. Don't forget the pot-luck dinner at noon.

The Lily club wishes to announce a regular meeting to be held with Mr. and Mrs. James Gates, Tuesday evening, February 19th. Pot-luck refreshments, and please bring dishes.

THE GIRL SCOUTS WILL GIVE SUPPER

The Girl Scouts will give a supper at the Presbyterian church on Thursday evening, February 21. The funds will be used to purchase camp equipment for the summer. The members of the patrols will prepare the entire dinner themselves, even to the dressing of the chicken! The bill of fare is as follows:

Soup
 Celery
 Creamed Chick on the Wing
 Mashed Potatoes
 Peas a la Tenderfoot
 Coffee
 Girl Scout Salad
 Rolls
 Cherry Ice
