FIRST PRESBYTERIAN CHURCH

REV. S. CONGER HATHAWAY, A. M., PASTOR

Sun Never Sets on Presbyterian Missions

The man who has not followed missionary developments is amazed at what the Presbyterian Church is doing.

IN INDIA it has organized hundreds of schools where there are no public schools. The poorest classes are shown how to farm scientifically.

IN CHINA our missionaries have reforested the hills in an endeavor to prevent floods.

IN SIAM they have introduced the tanning of leather, and the making of shoes. These are just samples of what is done in addition to preaching by our 1560 missionaries in sixteen countries.

To support this work, the average Presbyterian last year gave \$5.07, which was less than ten cents a week.

Over Fifteen Hundred Missionaries Depend On You.

LUTHERANS DEDICATE REMODELED CHURCH SUNDAY

SPECIAL SERVICES WILL MARK THE RE-OPENING OF EVANGELICAL LUTHERAN ST. PETER'S CHURCH, SUNDAY, MARCH 23.

Next Sunday, March 23, 1924, will mark a most important epoch in the history of the Evangelical Lutheran St. Peter's church of Plymouth, the occasion being the dedication services of the newly remodeled and enlarged church edifice. For the past several months the church has been undergoing some extensive additions and improvements, which are now completed, and the building ready for occupancy again. The whole building has been so completely changed that one would hardly recognize it.

The first noticeable improvement that greets the visitor is the new entrance to the auditorium. The steps of the approach have been enlarged and new doors lead into the vestibule.

The new addition, which is 16x46 feet in size, with a niche, gives much additional space in the auditorium, which now has a seating capacity of three hundred, and by the placing of chairs, additional seating capacity can be made available when occasion demands. The woodwork is decorated in a cream color, while the walls and ceilings have been left in the sand finish and will be decorated later. Comfortable oak pews, donated by the Ladies' Aid society, have been installed. The conveniently arranged hymn boards were given by the Sunday-school. Little Bobby Beyer, one of the youngest members of the Sunday-school, presented the church with new collection plates.

The Ladies' Aid society donated a new oak pulpit, and William A. Blunk made the gift of a beautiful new oak altar to correspond. The handsome new taupe carpet in the auditorium and pulpit was also the gift of the Ladies' Aid. The lighting fixtures were the gift of the Young People's Society. Three handsome chandeliers, a sunflower design, in old gold finish, furnish ample light for the auditorium, while a cluster of five of the same design light the pulpit.

One of the striking features of the auditorium and the new addition is the new cathedral and memorial windows. In the center of the west side of the auditorium, there is a beautiful memorial window, 6x12 feet in size, representing Christ kneeling in prayer in Gethsemane, the gift of F. D. Schrader, in memory of his father and mother, members of this church for many years. On the north side of the niche are three beautiful windows, the gift of Mrs. William Last.

At the right of the pulpit is the vestry room and the pastor's study. This is 10x15 feet in size, and is finished in mahogany. An outside entrance has also been provided to this room from the back of the building. At the left of the pulpit, space has been provided for the pipe organ, which has just been equipped with a new pedal equipment. Back of the organ is a store room.

In the southeast corner of the auditorium is a stairway leading to the dining room in the basement. This room, which is large, well lighted and ventilated, also provides room for the Sunday-school. Folding tables have been provided and nearly one hundred people can be seated at one time. The room has a steel ceiling, and is decorated in light blue and cream colors. The indirect electric lighting system is used.

The kitchen is 16x16 feet in size and is provided with every convenience. Large cupboards have ample room for dishes, and a conveniently arranged serving counter has been provided for. The kitchen is equipped with two gas ranges. An entrance from the outside to the kitchen, is made from the northwest corner of the building. The basement also contains lavatories for both ladies and gentlemen. A new heating plant has been installed, which is equipped with an electric fan ventilating system.

The whole building is beautiful, splendidly arranged and equipped

with the best of everything, and is a credit, not only to the society itself, but to the village of Plymouth as well.

Rev. Charles Strasen, pastor of the church, has been a tireless worker in bringing about the splendid improvements outlined above, and it is to him that a large measure of the credit of their ultimate accomplishment is due. The church has grown and prospered under his leadership, and with the enlarged church, and greater facilities, his work will continue to grow and prosper.

There will be three dedication services—morning, afternoon and evening. The morning service begins at 10:30, and will be in German, the Rev. Frederick Krauss of Lansing, president of the Synod, preaching the sermon. The service in the afternoon at 3:00 o'clock will be in English, with Rev. H. Heyn of Detroit, preaching. The evening service at 7:30 will be in English, Rev. E. Rupp of Bay City, preaching. Rev. Charles Strasen, the local pastor, will read the dedication prayers at the morning service. Special music has been provided for all services, and Prof. R. Held of Detroit, will preside at the organ. The Ladies' Aid Society will serve dinner and supper in the dining room. The public is most cordially invited to attend any or all of these services.

WILL ESTABLISH INFORMATION BOOTH

PLYMOUTH CHAMBER OF COMMERCE WILL ERECT A BOOTH ON MAIN STREET FOR THE CONVENIENCE OF STRANGERS WHO VISIT PLYMOUTH.

The Plymouth Chamber of Commerce have completed plans for the erection of an information booth, to be located on Main street, in the space between the pavement and the sidewalk, near the drinking fountain in front of Kellogg Park. This will be a most sightly and convenient location for a booth of this kind, and that it will be a great help and convenience to the stranger in our city, there is not a doubt, and will be something that will advertise Plymouth and our progressive and up and doing Chamber of Commerce far and wide.

The building, which will be of Colonial design, will be 10x10 feet in size and will be painted blue and white, the official colors of the Chamber of Commerce. On either side of the booth two spruce trees will be planted, which will conform with the recently adopted seal of the village and the Chamber of Commerce. It is going to be a very neat and attractive little building, and one that is going to attract more than passing attention of passersby.

The purpose of the booth is to give every stranger who comes within our gates, any information which he may desire and ask for. A representative of the C. of C. will be in charge of the booth. This representative will be able to tell the stranger where every resident lives, what his telephone number is, etc. Every piece of property will be listed; property that is for sale or rent will be listed, and other information will be available about our town and surrounding country. A telephone will also be installed for the convenience of the public.

The information booth is going to fill a real service, and we don't believe that there will be another town in this part of the state that will have anything that will compare with it, and the C. of C. are to be congratulated in taking this progressive step.

Through the generosity of our public spirited business men, all of the material, equipment and the work for its construction has been donated, and there will be no expense to the

Chamber of Commerce. The Plymouth Lumber & Coal Co. and Towle & Roe Lumber Co. have donated the building material; Eckles & Goldsmith will furnish the cement and cement blocks; Fred Rhead, local contractor, will construct the building; S. T. Corbett of the Corbett Electric Co., will do the wiring; Guy Dunn will take care of the interior finish, plastering and mason work, while Albert Williams, the plumber, will look after the plumbing. The interior and exterior decorating will be done by Moritz Langendam. The necessary furniture for the office has been donated by F. D. Schrader. Work on the building will start as soon as the weather permits.

A PICTURE EXTRAORDINARY COMING TO PLYMOUTH.

Manager H. R. Lush has booked a Rex Beach story, "Big Brother," one of the very latest pictures, for the attraction at the Pennington Allen theatre for Sunday and Monday, March 23 and 24. This picture comes to Plymouth before it is shown in Detroit. This is Rex Beach's finest story. Everybody has heard of the Big Brother movement—the great organization of thousands of business men from clerks to millionaires in every country in the world, who pledged themselves to protect and rear boys and youths in the slum sections of our great cities, especially those subjected to vicious influences through poverty and crime, the children of the streets who don't otherwise get a chance. It is a great story and picture, and Manager Lush is to be congratulated in getting it first for Plymouth.

ROTARY CLUB TO HEAR PROMINENT SPEAKER TODAY.

The Plymouth Rotary Club held their first noon-day luncheon, last Friday, with a good attendance of members. The luncheon was held in the Masonic dining room, and a splendid chicken dinner was served by the ladies of the O. E. S. The club had as their guests, Dr. Edward Lee and Irving Vollbrecht of Wayne, the latter making a short talk to the members of the club.

Today, Friday, the local club will have the pleasure of hearing an address by H. E. Van de Walker of Lansing, a most able speaker and prominent in state and national Rotary circles.

Dr. G. S. Hicks and family, Mr. and Mrs. Gary Watson, Miss Jessie Crawford and Frank Ellis of Milford, were guests at the home of Mr. and Mrs. K. Allen, Sunday.

At a fire drill held at the High school building Wednesday, the entire building was emptied in just 1 1/2 minutes. This is pretty quick work and places the fire hazard of our schools at a low minimum.

When the Going Is Bad.

The true test of endurance comes when the going is bad. To ride the jagged peaks of rough roads and go through bottomless ruts requires an unlimited reserve in power and ability.

When the going is bad financially, it takes a substantial reserve fund to take us over the rough places successfully.

The end of the good roads will have no terrors for those who have built up a good reserve by consistently making deposits in this strong bank.

DOING GOOD WORK

The Village Commission and the
Plymouth Chamber of Commerce
are entitled to a great deal of
credit for the activity they have
shown in the matter of good roads
for Plymouth. For a long time there
has been much speculation as to
which way the new road from De-
troit to Ann Arbor was to pass
through Plymouth. The Chamber of
Commerce sent representatives to
Lansing and Detroit, and have been
right in the job in looking after the
best interests of Plymouth in this
matter, and these efforts were re-
warded, last Friday, when the an-
nouncement was made to a committee
from the C. of C., Village Man-
ager Strong and Supervisor Whit-
beck, that Plymouth was to get two
roads instead of one. All parties
concerned in the matter are to be
congratulated on the good work they
have accomplished in behalf of Ply-
mouth.

REPUBLICANS NAME TICKET

THE CAUCUS HELD LAST SAT-
URDAY NOT LARGELY AT-
TENDED, AND THERE WAS NO
CONTEST FOR ANY OF THE
OFFICES.

The Republican township caucus,
held at the village hall last Saturday
afternoon, was not largely attended,
and the entire ticket was nominated
by acclamation, something that has
not occurred here in years, if ever
before.

J. W. Henderson presided as chair-
man of the caucus, with Arthur
Jones acting as secretary. The tel-
lers were George Robinson and
Floyd Miller. The following ticket
was placed in nomination:
Supervisor—P. E. Whitbeck.
Clerk—Miss Lina Durfee.
Treasurer—John Quartel.
Justice of Peace, fill vacancy for
one year—Oliver H. Loomis.
Justice of Peace, full term—Theod-
ore F. Chilson.
Member Board of Review—Wil-
liam B. Petz.
Highway Commissioner—Bethune
Stark.
Highway Overseer—Jay Sprague.
Constable—George W. Springer.
Eradicator—Fred Steinable, Claude
Pelley.

The chairman appointed Oliver H.
Loomis and Mrs. George Robinson as
the Republican township committee
for the ensuing year.

PLYMOUTH GETS MEMBERS

The following paragraph was taken
from the Detroit Motor News, the
official organ of the Detroit Auto-
mobile Club:

"Right in Wayne county is one
community that boasts a large mem-
bership in the club. That commu-
nity is Plymouth, where William
Wood is ably representing the Club
and obtaining many members. Wil-
liam Pettingill, Plymouth merchant,
who has been a member for a num-
ber of years, has also done a great
deal of work in the western part of
the county for the club. Plymouth
is coming along fine and promises to
report a 100 per cent membership in
the town before very long.

THE PLYMOUTH AND ANN ARBOR ROAD

THE VILLAGE COMMISSION RE-
CEIVES LETTER FROM COUN-
TY ROAD COMMISSION RE-
GARDING THE PROPOSED
NEW HIGHWAY.

For the last year there has been a
great discussion in and around
Plymouth concerning the probable
route of the new concrete road
through Plymouth. Conflicting per-
sonal desires and opinions rendered
the conversations rather heated at
times.

Realizing that it would be of great
benefit to Plymouth to have this
matter settled, the Chamber of Com-
merce and the village got together
and decided to unite in recommend-
ing the old Plymouth road and Ann
Arbor street from the Main street
corner west as the preferred route
through Plymouth. The road com-
mittee of the Chamber of Commerce,
the township supervisor and the
village manager went to Detroit last
Friday, and met with the Board of
Wayne County Road Commissioners,
with the purpose of finding out what
the intentions of the Road Board
were, and, if necessary, to present
arguments in favor of the route de-
cided upon here.

The County Board told the com-
mittee they intended "to make
two roads grow for Plymouth where
only one grew before." One of
these roads, the old Plymouth road
and the Ann Arbor road from the
hotel corner west, would be paved by
the county with concrete, 20 feet
wide, with the co-operation of the
village within the village limits.
The other road, the Golden Road
route, would be paved with the aid
of the State and Federal authorities.
The Plymouth road up to the brick
pavement is on the program for this
season.

The Board also offered to write
the Village a letter, embodying these
proposals. Accordingly, Mr. L. C.
Smith, Engineer-Manager for the
County, wrote the Village Manager
as follows:

March 15, 1924.

Village of Plymouth,
Plymouth, Mich.
Sidney D. Strong, Mgr.

Gentlemen:
Confirming our conversation at the
Board meeting on March 14th in re-
gard to the location of the Plymouth-
Ann Arbor Road thru the Village of
Plymouth:

This Board now expects to build
a road on a new location from the
turn in the Plymouth Road just east
of the Newburg Road southwesterly
across the river, thru Newburg and
joining the Golden Road, hence
westerly on the Golden Road past
Plymouth and joining the Ann Arbor
Road on a new right of way.

In addition to this road it is in-
tended to improve the Plymouth
Road with concrete, 20 feet wide
right up to the brick pavement, also
to improve the Ann Arbor Road to
the village limits, and we will be
willing to co-operate with the Village
in the improving of this street down
to the hotel corner.

Trusting that this gives you the
desired information and will meet
with the approval of your village
authorities, we are

Yours very truly,
Board of County Road Com-
missioners,

Leroy C. Smith, Engineer-Manager.

In carrying out this program the
County Road Board are certainly
doing for Plymouth all that can
reasonably be expected, and the
village is preparing to co-operate
in the paving of the two streets
within the corporate limits. The
manager was authorized last Mon-
day evening by the Commission, to
confer with Mr. Smith concerning
what the village will have to do and
when, in connection with these roads,
and to prepare with him estimates
to be used as bases for bond issues
to finance the village share of the
expense.

Now that the route for the road
is definitely settled, let every
patriotic Plymouth citizen do his
part to carry out this program
which means so much for the village.

Did you ever see corners in a cup?

The Kitchen Maid is complete in labor-saving conveniences. Excellent construction increases its value.

Notice how this corner is made cup-like. Can you see any reason for sticking to the old-fashioned cabinet when you can get such convenience as this?

78 dust-catching corners and cracks are eliminated by the rounded corner and the no-panel doors and sides which do away with useless trouble and make the Kitchen Maid so easy to clean.

IMAGINE any dish full of corners. Food would stick where you could scarcely wash it out. Long ago they learned that the right way to make dishes was with curves instead of corners. Now this same idea has brought about a marvelous improvement in kitchen cabinets.

Corners are eliminated

You no longer need to have all the trouble of cleaning an old-fashioned corner. Your kitchen cabinet will be a real convenience if you get the Kitchen Maid. You can wipe out its rounded corner just as easily as wiping a bowl. It has no panels in its sides and doors; so that you can wipe them like cleaning a table top. It is the only cabinet with this modern construction. It gives you every other convenience plus the important advantage of perfect cleanliness. With all its superiority, it costs no more.

OBITUARY

Mrs. Carrie Finton Tillotson was born near Chelsea, Michigan, Sept. 29, 1867. She received her early education in the usual schools, and later graduated from the Michigan State Normal College. For many years she taught school in the district surrounding Plymouth and Ypsilanti, where she made a host of friends. She was a member of the Methodist church of Ypsilanti until the time of her marriage, when she joined the Baptist church of Plymouth. February 22, 1911, she was united in marriage to Isaac C. Tillotson, who survives her. She also leaves to mourn their loss, one son, LeRoy; four step-sons, Alan, Irving, Frank and Bert; and one step-daughter, Margaret; also an aged mother, who resides with her daughter, Mrs. Nettie Kimmel of New Port, Washington; three brothers, Cassius of Seattle, Washington; Walter of Kansas City, Missouri; and Hubert of Ypsilanti, Michigan. She passed away at her home in Canton township very suddenly following a four days' illness, March 12, 1924. The funeral services were held from Schrader Bros. Funeral Home, Sunday afternoon, March 16th. Rev. H. E. Sayles officiating. Mrs. H. E. Sayles sang two beautiful solos. The interment took place in Highland cemetery, Ypsilanti.

Miss Emily Francilla Starring was born May 10, 1859, at Saugatuck, Allegan County, Michigan. She was married to John J. Wright June 30, 1878, at Amber, Mason county, Michigan. Five children were born to this union. The oldest child, Victor Wright, was killed in the lumber woods August 24, 1905. The four remaining children, Mrs. Fred Toby, Mrs. Peter Wessoline and Mrs. Andy Hink of Plymouth, and Mrs. Leland Coult of Chelsea, were with her at the time of her death. Mr. Wright departed this life January 7, 1902. Mrs. Wright was afterward married to John Larson, October 19, 1907. Besides her four daughters, Mrs. Larson leaves one sister and three brothers to mourn their loss. Mrs. Larson united with the local Methodist church by transfer of membership on November 25, 1923, and was a faithful, loyal member. Funeral services were held last Friday afternoon from Schrader Bros. Funeral Home, Rev. D. D. Nagle officiating.

Thursday, March 13, 1924, Mrs. Ida Helm passed away in this village. Mrs. Helm was born September 21, 1850, in the province of Pomerania, Germany. In 1884, Mrs. Helm came with her husband, the late John Helm, and three children to this country. The family found their first home in the State of New York. Then they went to Chicago, where they resided for nine years, whereupon they moved to Novi, Michigan. Fourteen years ago the husband died, and Mrs. Helm had to carry the burden of life alone. When she became feeble three years ago, she made her home with Mrs. Elizabeth Zander for one year. The last two years she lived at the home of George Pierson. When Mrs. Helm took seriously ill about six weeks ago, her daughter, Friederica Witt, rented a flat on Main street, and nursed her mother until her death. The funeral took place March 15th, from Schrader Bros. Funeral Home, Rev. J. Bollens of Farmington, officiating. On account of weather conditions at this time, the body was placed in the vault, and burial will take place some time in May. Besides the daughter, Mrs. Witt, there are left to mourn their loss, four nieces and three nephews. May those who are left behind find comfort and solace in our Christian hope.

BAPTIST NOTES

The choir gave some excellent music, Sunday morning. The anthem was mentioned by many, as one of the best they had listened to. The Sunday-school orchestra did fine at the opening of the school on Sunday morning. Mr. Hamill's Sunday-school class occupied a good many seats, Sunday. That was some bunch of young people for study. The prayer meeting was well attended on Thursday evening. We are studying the Gospel by John. Next week the prayer meeting will be on Wednesday evening, to give way for the B. Y. P. U. annual meeting on Thursday evening. The church is again in sorrow over the loss of another member, Mrs. Isaac Tillotson, who was called away so suddenly. We shall miss her cheerful face and good counsel. The church extends its sympathy to the husband and family in their deep sorrow. The Ladies' Aid society will hold their Easter bazaar on Thursday afternoon and evening, April 17th. Chicken supper is announced also. The annual meeting of the B. Y. P. U. of the Baptist church will be held at the church the evening of March 27th, with a banquet at 6:30, for members and their invited guests, after which the public is invited to a program to be given in the auditorium at 8:00 o'clock, with Rev. Green of Walled Lake, as speaker of the evening.

A ST. PATRICK PARTY

Miss Jessie Patricia Nelson celebrated her twelfth birthday at the home of her parents, Mr. and Mrs. John K. Nelson, Sunday, March 16. The afternoon was spent in playing games, several of the girls carrying off prizes in the shape of silk flags of Erin, green silk sachet bags, tiny green hats filled with candy, etc. The table was prettily trimmed in green streamers, small green baskets filled with candy being used as favors. The centerpiece was a green frosted birthday cake, bearing twelve candles and a green silk flag. After a dainty luncheon consisting of salads, chicken sandwiches, hot cocoa, maple ice cream and birthday cake, the young guests were returned to their home by automobiles, each washing birthday parties came every day. The young hostess received many beautiful gifts from her guests, who were: Miss Myrtle Siler, George, Will, Helen and Elsie Schwab of Detroit; Bud Egge, Horace Nelson, Miss Helen Beyer, Miss Delores Alder, Miss Almira Minthorn, Miss Dorothy Fish, Miss Norma Brown, Miss Mildred Moore, Miss Esther Egge, Miss Ivel Alder, Miss Hazel Williams.

RESOLUTIONS

Resolutions of Plymouth Rebekah Lodge, No. 182, I. O. O. F.:
WHEREAS, Our Heavenly Father in His divine wisdom, has called home our beloved sister, Francis Larson, leaving four daughters, one sister and several grandchildren in grief, and while we deeply mourn our loss, be it
RESOLVED, That we as a society extend to the relatives and friends our deepest sympathy in this their hour of sadness. While words cannot ease the heartache; we extend to them the warm hand of friendship, in the spirit of those who feel that their loss is also our loss, their sorrow our sorrow. And we commend them to Him who doeth all things well, therefore be it
RESOLVED, That our charter be draped for a period of sixty days, a copy of these resolutions be sent to the bereaved family, and placed on our minutes; also that they be printed in the Plymouth Mail.
There is no flock howe're watched
But one dead lamb is there;
There is no fireside howe're defended,
But has one vacant chair.
There is no Death! We see but dimly through the mists and vapors;
Amid these earthly damps,
What seem to us but funeral tapers,
May be Heaven's distant lamps.
And thou who o'er thy loved one's bier,
Sheddest the bitter drops like rain;
Hope that a brighter, happier sphere,
Will give her to thy arms again.
EVA BURROWS,
MINNIE RAY,
LOUISE WOLLGAST,
Committee.

AN ORDINANCE

An ordinance to amend an ordinance entitled "An ordinance providing for fire limits and for the construction and equipment of buildings within said fire limits, in the Village of Plymouth, State of Michigan."
THE VILLAGE OF PLYMOUTH ORDAINS:
Sec. 1. That Section 1 of said ordinance be amended to read—
The following shall be and are declared to be the fire limits within said village:
All that block lying between Main Street, Church Street, Harvey Street and Penniman Avenue.
All that block lying between Main Street, Ann Arbor Street, Harvey Street and Penniman Avenue.
All that block lying between Main Street, Dodge Street, Union Street and Penniman Avenue.
An area one hundred feet wide lying on each side of Main Street from Ann Arbor Street to Maple Street.
An area one hundred feet wide lying on the South side of Ann Arbor Street from Main Street west to the line between Sections 25 and 27.
An area one hundred feet wide lying on each side of Starkweather Avenue from Spring Street to Pearl Street.
An area one hundred feet wide lying on each side of Liberty Street from Starkweather Avenue to Holbrook Avenue.
That remaining part of the block lying between Liberty Street, Starkweather Avenue, Spring Street and Mill street not included in the above two paragraphs.
Sec. 2. That Section 4, paragraph "b" of said ordinance be amended to read—
No frame building shall be moved from without to within the fire limits, nor within the fire limits to any other part thereof.
Sec. 3. This ordinance shall take effect April 1, 1924.
Made and passed by the Commission of the Village of Plymouth, at a session held on the third day of March, A. D. 1924.
J. W. Henderson, President,
Sidney D. Strong, Clerk.

PRESBYTERIAN NOTES

Miss Auda Gill is transferring her membership to the East Lansing church.
The Phi Deltas met with Miss Hazel Taylor, last Tuesday.
We are beginning to welcome members who are returning from the southland.
Congregations are increasing with the advent of spring.
Mrs. E. E. Foster is at Ford hospital in Detroit. The pastor and Elder Stevens called Tuesday and found her improving rapidly.
Classes desiring the use of the church for suppers and socials must receive permission from the house committee and must have a responsible chaperone.
The Sunday-school library is now open, and books may be drawn.

W. C. T. U.

A meeting of the W. C. T. U. will be held March 27th, at 2:30 p. m., at the home of Mrs. E. R. Daggett, 412 North Main street. Leader, Mrs. Floyd Hillman. As this is Children's Day, no doubt there will be a fine program. Remember the current events. Everyone cordially invited to attend.

Increasing the Value of Telephone Service

The Michigan Bell Telephone Company always is building—always expanding its service in order to efficiently serve the growing needs of Michigan.

Last year the Michigan Bell Telephone Company's expansion was one of the greatest in Michigan's telephone history—and that program is being continued.

108,984 miles of new telephone wires were installed during 1923; 98,501 miles to give additional local service; 10,483 miles of toll and long distance wires.

1,110,369 miles of wire now connect the telephones of this Company's subscribers.

96,805 new telephones were connected with the switchboards of this Company, for a net gain of 36,117, during 1923; 49,686 were added through the purchase of another company, both factors greatly increasing the value of the service to every telephone user in Michigan.

More than 437,000 telephones are served by this Company over its own switchboards; its connecting companies in Michigan serve 112,049 more; 14,000,000 others can be reached elsewhere in the country. \$10,320,380 represents the total increase of telephone plant made by this Company in Michigan last year.

And an organization of 10,279 loyal telephone workers now serves Michigan. It is their unanimous desire to give the people of our state the highest possible grade of telephone service.

NEWBURG SCHOOL NOTES

As a reward for the children's efforts in the P. T. A. drive, the P. T. A. gave them a party at school on Monday, March 17th. For an hour they enjoyed games, then were conducted to the basement and to the tables which had been beautifully decorated and spread by some members of the P. T. A. With cheers for the Parent-Teacher Association and Newburg school, they enjoyed the dainty refreshments, which were so delightfully served. The pupils and teachers appreciate and will remember this party with its many St. Patrick favors. The contest of Parent-Teacher Association resulted in twenty-six for the girls, with Marion Taylor as their leader, and twenty for the boys, with Alexander Gaab as leader.

It is being planned that the P. T. A. give a new play in the near future. "Parson's Perversity" will be repeated at Hough school tonight. In the fifth grade geography stories of Europe, Donald Dunn's story was selected as the best. The sixth grade has completed the memorizing of "Paul Revere's Ride." Three new pupils entered the lower grades last week, making a total of 94 pupils in that room. Dwight and Charles Paddock and Frances Trombley entered. Miss Woodworth and Miss Wylder were callers at school, Wednesday. Miss Wylder explained the poster contest.

Profitable Store Lighting

Storekeepers sometimes wonder why they are not doing more business. The reason, in some cases—perhaps most—is that competing stores are better lighted and therefore more attractive to buyers. Everybody prefers to deal in a brightly lighted store—you do yourself. Nobody likes to buy in a poorly lighted store. If you are not doing the amount of business that you consider you have a right to expect, ask us to inspect your lighting. Perhaps the reason why is there. No charge is made for this service.

SCHOOL NOTES
In one of the fastest and best played games of the season, Plymouth was defeated by Redford on Redford's floor, Friday, March 14, by a score of 26 to 20. Redford's ability to make long shots was the reason for our defeat. The score at the end of the half was 10 to 9, in Redford's favor. The work of Capt. Holmes and Stevens was especially good, the latter scoring four field baskets. Although the team has not made a favorable record this season, it has been feared by all opponents, and it proved to be a stumbling block to Northville's chance for championship, when that team was defeated on our floor by a score of 18 to 16. The Racks were the only team to hold Farmington, champions of the league, and now champions of this district of the state, to as close a score as four points on their own floor.
The line-up for Plymouth—Cline, I. F.; Palmer, R. F.; Kenyon, C.; Stevens, R. G.; Holmes, I. G. Substitutions—Doudt for Cline. Referee—Mr. Yeake.
Our team is entered in class B tournament beginning Thursday. Coach Coatta is taking nine players, Millard, Draper, Abrams, Cline, Palmer, Kenyon, Stevens, Holmes and Doudt.
Grade notes were furnished by Ione Kelley.
Helen Luther of the 6 B has moved to Lyons.
Clarice Hamilton of the 6 A has the mumps.
The 6 A seems to be progressing rapidly, as they have finished their third reading book, the Aldine speller, and are taking up percentage in arithmetic.
The pupils are studying England, Ireland and Scotland by use of pictures, and the 5 B Geography class are making books of the countries of South America, consisting of stories written by themselves, and pictures cut from magazines and papers.
Mrs. Brinkerhoff and Mrs. DePorter were visitors of the 5 A last week. In a spelling contest held in Mrs. Bird's room, Irene Livingston outspelled all of her classmates.

Grade notes were furnished by Ione Kelley.
Helen Luther of the 6 B has moved to Lyons.
Clarice Hamilton of the 6 A has the mumps.
The 6 A seems to be progressing rapidly, as they have finished their third reading book, the Aldine speller, and are taking up percentage in arithmetic.
The pupils are studying England, Ireland and Scotland by use of pictures, and the 5 B Geography class are making books of the countries of South America, consisting of stories written by themselves, and pictures cut from magazines and papers.
Mrs. Brinkerhoff and Mrs. DePorter were visitors of the 5 A last week. In a spelling contest held in Mrs. Bird's room, Irene Livingston outspelled all of her classmates.

METHODIST NOTES
Two weeks from next Sunday, our Easter meetings begin. Have you begun to get ready?
Next Tuesday night the Epworth League will have their monthly social. The losing side in the recent mission study contest gives the party for the benefit of the winning side. Details of the affair will be announced Sunday.
Saturday, March 29th, Albion College Glee Club, assisted by Kenneth Bartlett as reader, will appear here in Plymouth for a concert. See announcement elsewhere in this issue. Tickets are on sale at Parrott's, Kimball's and the Drake Sisters. This will be one of the big events of the season.
Pray for a great spiritual awakening in this church. You need Christ. Christ needs you. Get together and form a partnership.
"The Prestons," who are to have charge of the music during our Easter meetings have recently assisted in very successful meetings in Illinois and Indiana. We are anticipating a glorious time with them here. A big chorus choir will be formed to assist in the meetings.
Mrs. Preston is exceptionally fine at the piano and will give added attraction to the meetings, while Mr. Preston's singing and leadership will make the meetings each night worthwhile. The pastor will do the preaching.
Cottage prayer-meetings will be held at the following places next Tuesday night at 7:30: With Brother and Sister D. A. Jolliffe on N. Main street; with Brother and Sister Sayles on Harvey street; with Brother and Sister Guy Fisher on Maple avenue.
Company D is holding a Spring Bazaar at the church, this, Friday, afternoon.
Sunday night at 7:30—"The Man Who Defeats His Friends."
In the pastoral letters being sent out this week, there is also included a financial statement from the Finance Committee. If it does not accord with your record of payments, the financial secretary, Blake Fisher, will be glad to make corrections.
April 1st is the date when the first payments are due on the Building Fund pledges. We are anxious to have every amount due at that time paid in promptly, so as to pay off our present indebtedness. There is a clause in the pledge which says that 5 per cent interest will be charged on all overdue payments, but we do not want to have to charge any interest. See E. V. Jolliffe or the pastor, or leave at Mr. Parrott's office.

GRANGE NOTES
The Grange will give a carpet rag social at the home of Mr. and Mrs. F. L. Becker, Friday evening, March 28th. Ladies to bring a ball of carpet rags with their name in the center. The balls to be sold at auction. For refreshments bring cake or sandwiches, and plate, cup, fork and spoon.
Monday evening, Mr. and Mrs. Wiseley entertained the officers at their home, the evening being spent in telling stories, guessing contest and other like amusements.
In compliance with a request from the lecturer, three questions will be presented to the Pomona Grange at Romulus, Saturday, March 22nd: "The income tax," "Tax exempt bonds," and "The soliciting of periodicals by school children for school projects."
Begin to plan for the celebration of the fifth anniversary of our Grange, April 10th. A big time is anticipated.
Don't forget the Lily Club party at the hall, Tuesday evening, March 25th. Cards and dancing. Welcome to all.
A CARD—We wish to thank our friends and neighbors for the assistance during our sad bereavement; also the Rebekah lodge and Daisy employes, and the singer for the beautiful songs.
Mrs. Fred Tossing, Mrs. Peter Wesley, Mrs. Leland Poole, Mrs. Andy Blake.
A CARD—I wish to thank my neighbors and friends for their sympathy and acts of kindness during my recent bereavement; also Rev. Bayles for his comforting words.
Mrs. E. W. Everett.

NEWBURG

Rev. Fred Ambler, ably assisted by the pastor and wife, with twenty young people in the choir, held meetings every night last week, continuing all this week. There has been a fine attendance, and splendid interest manifested. Rev. Ambler has the ability to present the gospel message in such a manner that many definite decisions have been made. There were seventy in Sunday-school. Epworth League, under the leadership of Mrs. Donald Ryder, teaching the missionary lesson on Japan, is creating a splendid interest among the young people. A most cordial invitation is extended to old and young to attend all these services.

Mrs. Harriet Casterline of Ypsilanti Normal, spent the week-end with Mrs. Clyde Smith, taking dinner Saturday evening with Mrs. C. E. Ryder.

Mr. and Mrs. William Clark of Detroit, and Mr. and Mrs. Harmon Kingsley and son, Gerald, of Wayne, were Sunday callers at the Ryger homestead.

There have been but few days this winter but what men have been employed on Plymouth road, preparing for the concrete, which will be commenced as soon as the weather permits.

Mrs. Mark Joy visited relatives in Detroit, last week Wednesday.

Mr. and Mrs. Joe Quinn and little daughter, Betty Jane, of Detroit, visited Mr. and Mrs. Mark Joy, last Thursday. Mrs. Schaum also of Detroit, was a week-end guest.

Mrs. Albert Stevens and daughter, Mrs. Ross Gates of Plymouth, spent last week Thursday with Mrs. Edgar Stevens.

Mr. and Mrs. John Thompson called on their brother-in-law, George Henry, of South Lyon, last Sunday.

at the University hospital, Ann Arbor, where he underwent a serious operation for gonorrhea.

Mr. and Mrs. Blake Fisher and daughter, Dorothy of Plymouth, visited Mr. and Mrs. Turnbull, Sunday, and attended church service in the evening.

Thomas Davey has the mumps. Mr. and Mrs. Bennett of Detroit, spent Sunday with their daughter, Mrs. Paul Havens, and attended the Sunday evening service.

Mrs. Ella Wight of Wayne, spent over Sunday with her sister, Mrs. M. Eva Smith.

Mr. and Mrs. Arthur White of Plymouth, spent Friday evening with Mr. and Mrs. William Lomas.

The men's banquet held at the L. A. S. hall, Monday evening, was well attended. Mr. Gursolly as chairman, is to be congratulated on the splendid manner in which it was handled. He had the hearty co-operation of the men, especially Mr. Wellman of Plymouth, and Fred Geney. The men proved to the satisfaction of over one hundred who partook of the fine dinner, that they are fully competent to do the cooking; even the pies made by the pastor, and everyone wanted to sample them. After all had done ample justice to the good things to eat, a short program was given.

Mrs. Havens sang two solos that were heartily enjoyed. A speech was then given by Dr. Leeson of Ann Arbor, who is showing a great interest in the welfare of this rural charge, and the project of building the new parsonage. Then the evangelist, Rev. Ambler, gave a clever talk on the advantage of having a church and school in the community. The men wish to thank all who assisted in any way, also the Gleaser society for the use of tables and dishes, and Mrs. Rousseau for the pretty table decorations.

A CARD—I wish to thank my relatives and friends for the flowers and all their kind acts; also Rev. J. B. Bolens for his comforting words and the singers, during the illness and after the death of my dear mother.

Mrs. Friederica Witt.

JAMES H. BELL, Secretary-Treasurer Detroit Conservatory of Music.

Fifty golden years of constructive artistic education of the Detroit Conservatory of Music, founded by Jacob H. Hahn in 1874, the oldest musical institution in Michigan.

James H. Bell, Secretary-Treasurer of the Detroit Conservatory of Music, has been closely affiliated with the financial activities of the Conservatory.

As Secretary under Mr. Hahn's direction, during sixteen years, it has eminently fitted him as the guiding hand to continue so prosperous and well established an institution. Thirty seven consecutive years of constructive building is Mr. Bell's record to date.

Unusually equipped, with keen vision, an optimism which engenders confidence in his associates, like his predecessor, Mr. Hahn, Mr. Bell's humanity and keen understanding of all problems, and personalities makes him beloved by faculty and students.

As one reviews the accomplishment of the Detroit Conservatory of Music, one is emphatically impressed with its steady growth. Its students are not only from Michigan, but from all parts of the country. This is indeed a golden era for the Detroit Conservatory of Music. Approximately three thousand students are enrolled for the year 1924.

"Flu" Coughs Hang On
Some victims of the "flu" never fully recover the health of the lungs, and coughs that "hang on" are the coughs that threaten. Chamberlain's Cough Remedy puts a soothing, healing coating on the inflamed surfaces, relieves tightness and soreness, raises phlegm easily. Good for bronchial coughs, and night coughs, too.—Advertisement.

We 23,000 Men

Present you the utmost in fine cars

THERE are 23,000 of us building Studebaker cars. Most of us are partners in the business. Thousands of us are stockholders. All of us, after a certain time, get dividends on wages.

All of us, after two years, get vacations with pay. All of us, after one year, get dividends on wages. After five years, that annual dividend adds 10% to our earnings.

The company spends vast sums on co-operative work with us. When we retire, we get pensions.

So Studebaker cars represent the best that we, in combination, know how to offer you.

Some of us belong to management. If we do better than expected, we get 10% of the excess.

So every man among us does his best to make Studebaker cars supreme.

Our fine backing

Behind us is an honored name. For 72 years Studebaker has been the leader in quality and class.

We have \$90,000,000 of assets. We have \$50,000,000 in model plants. We have 12,500 up-to-date machines. So Studebaker cars are built by modern and efficient methods.

We have an engineering department which costs \$500,000 yearly. That to maintain and develop Studebaker standards.

We subject Studebaker cars to 30,000 inspections. That requires 1,200 men. All told over 70,000 machine and hand operations are performed in manufacture of a Studebaker car. In so many operations, though each one is small, there is a

great opportunity for economies and savings.

We have a \$10,000,000 body plant, to maintain the Studebaker standard of coach work. There sons, fathers and grandfathers are working together, to build such bodies as Studebaker always built.

Those bodies are finished by many operations, including 15 coats of paint and varnish.

The open bodies are upholstered

See how Studebaker gained top place

145,167 people last year paid \$201,000,000 for Studebaker cars.

The sales have almost trebled in the past three years. Studebaker growth in fine cars is the marvel of this industry.

Go see the reasons. See the scores of extra values Studebaker offers.

There are 13 models. Prices start at \$1025. They go to the highest price a fine car needs to cost.

Don't buy a car for years to come without knowing how Studebaker gained its amazing popularity.

All Studebaker models are equipped with Timken bearings. There are few cars in America, regardless of price, which equal ours on this point. In our Light-Six, for instance, we put more Timken bearings than are used in any competitive car, within \$1,500 of its price.

We give unusual equipment. On some Big-Six models, for instance, we include two nickel-plated bumpers, one or two extra disc wheels with cord tires, a courtesy light, a motometer, steel trunk, etc.

How we do this

We give you these extra values through quantity production. We build 150,000 cars per year—more than any other fine-car builder. Our large expenses are divided by that enormous output.

We do it by building our own bodies, our own parts. Thus we save outside profits.

We do it because we have up-to-date plants, with all forms of modern equipment.

The results are these: Beauty, quality and luxury such as no maker can surpass.

Prices far below the usual. Our Light-Six, built by ordinary methods, would sell for from \$200 to \$400 more. Our Big-Six can be compared only with the highest-priced cars in the world.

Here are 13 models, from \$1,025 to \$2,685. Each of them offers scores of advantages over any comparable car. They offer such values that the trend toward Studebakers has become overwhelming.

Go analyze the reasons before you buy a quality car.

THE THEATRE

"BLACK OXEN"

Picturegoers are promised a distinct treat in "Black Oxen," a First National Picture produced by Frank Lloyd, and featuring Corinne Griffith and Conway Tearle, which, it has been announced, will be featured at the Penniman Allen theatre, Saturday, March 22nd.

"Black Oxen" relates an unusual story of a woman rejuvenated by science, and who finds at 58, her first true romance. How the woman, bent on keeping her return visit to America a secret, attracts the attention of a newspaper man, who sees in her his ideal, and, following a chance meeting, falls in love with her and continues his devotion in face of criticism of friends and knowledge that his sweetheart is old enough to be his mother. The entrance of a flapper into the odd romance is said to cause many unique climaxes to develop and to add considerable action to the rapidly moving story.

Prominent in support of Miss Griffith and Mr. Tearle are Clara Bow, who plays the peppery Janet; Allan Hale, Kate Lester, Thomas Ricketts, Tom Guise, Claire MacDowell, Lincoln Stedman and Clarissa Seywynne. Mr. Lloyd produced the screen version of "Black Oxen" from a scenario which he, with the aid of Mary O'Hara, prepared from Gertrude Atherton's best selling novel of the same title.

"BIG BROTHER"

The Allan Dwan Paramount production of "Big Brother," a Rex Beach novel, which will be shown at the Penniman Allen theatre, Sunday and Monday, March 23 and 24, is supplemented by a cast of worthiness and repute.

Heading the list of popular players, who bring the famous story to the silver sheet, is Tom Moore in the role of Jimmy Donovan, the leader of the Car Barn gang on New York's lower east side. It is doubtful if Moore ever had a more appropriate role. Edith Roberts, whose recent return to the studios after an illness finds her in greater popularity than ever, plays the feminine lead. Then there is Raymond Hatton, also featured in the role of a dope fiend; Mickey Bennett, the talented seven-year old player; Charles Henderson, Joe King, Paul Panzer, Neil Kelley, William Black, Milton Herman, Florence Ashbrook and Yvonne Hughes play in support.

"THE LONE STAR RANGER"

Tom Mix, beloved king of the saddle, and "Tony," his wonder horse, are coming to the Penniman Allen theatre next Wednesday, March 26, in the William Fox screen version of "The Lone Star Ranger," the popular narrative from the pen of Zane Grey.

It is the story of the life of the daring Texas Rangers who went out "to get their man despite hazard and obstacle." It is such a stirring hard-riding part, replete with romance, that has made Tom the favorite film actor he is.

Lambert Hillyer, who directed the photoplay, took his company to the plains of Texas that he might instill into the picture every element of beauty and interest that has become traditional to the Lone Star state.

Such a combination as Tom Mix and Zane Grey in the Fox production promises to present an excellent picture.

WOMAN'S CLUB

At the regular meeting of the Woman's Club, last Friday afternoon, the members voted to set aside no more special days for outside talent meetings, and endorsed the pre-school age or baby clinic for children at school, as explained by Mrs. D. F. Murray.

The chairman of the program committee, Mrs. W. T. Pettigill, announced the treat for the next regular meeting, March 28th, to be a chance to have the Penniman Allen theatre for the Ypsilanti Players. It was voted to give each member the privilege of inviting five guests. The program of the day was given by Division XI, with Mrs. J. R. Rauch, leader, with "Home" as the subject.

Led by Mrs. D. D. Nagle and Mrs. F. Tighe at the piano, all joined in singing, "Home, Sweet Home." "From the Orchard to the Table" was the subject of an instructive tale, most cleverly written in poetry, by Miss Athalie Hough.

Mrs. F. Tighe then delighted the members by interpreting "The Two Larks" and the "March from Tannhauser."

Mrs. Robert Pollock took one back to childhood by reading "The Evolution of the Patch-work Quilt," making all regret the beautiful lost art. "My Ain Folk" and "The China Tragedy" were sung with much feeling and expression by Mrs. D. D. Nagle.

Mrs. M. A. Patterson, with her usual dignity and earnestness, then became the teacher of the civics class, giving much valuable instruction. Better politics mean better homes, and every woman ought to write to the secretary of state for a copy of the State Election Laws.

Mrs. Paul Weidman reported the library debt canceled and a small surplus.

Next meeting at usual hour in the club room, after which members will meet their guests at the theatre.

SCHOOL NOTES

GIRLS' FIRST TEAM BASKET BALL GAME WITH REDFORD.

With eight points to gain in the last quarter, the Plymouth girls fought against Redford with more pep than they ever showed before, because this was the game which determined the championship, Northville or Plymouth. The first quarter looked rather encouraging although our girls failed to get the signals and everything seemed in a hub-bub to them. The score was 7 to 6 in Plymouth's favor at the end of this quarter.

In the second quarter both teams gained points, but Redford slowly crept ahead so that the score was 17 to 13 in Redford's favor.

The third quarter caused the fans of the Plymouth audience to look downcast. Plymouth gained, but Redford gained more. They were eight points ahead of us before the quarter was over.

The fastest quarter the Plymouth girls ever experienced was played in the Redford gym, Friday evening. Our girls gained slowly ahead of their opponents amid the loud cheering from the audience. There were but twenty seconds to play and Plymouth was one point ahead. Fortunately the ball was not only in our court, but in the hands of the forwards. One basket was made, and the final score was 34 to 32 in our favor.

GIRLS' SECOND TEAM GAME WITH REDFORD

During the first half of the game, the teams were evenly matched. The score was 15 to 4 in Plymouth's favor. In the second half many substitutes were made on Redford's side. With this change of fresh players, Redford gained new courage, as well as energy, and the score soon changed, with Redford gaining, but the final score was 17 to 15 in Plymouth's favor.

HIGH SCHOOL NOTES

Our city manager, Mr. Strong, visited Miss Hayes' civics class last week, and gave them an interesting talk on the government of Plymouth.

The 7th and 8th grade Girl Scouts gave a surprise on Miss Schmid, Monday night.

Plans were made at the Aggie Club meeting for a banquet in honor of their parents, which will be held April 4th.

Work has been started on the annual exhibition of the boys' and girls' physical training classes to be held April 10th.

Our boys' basket ball team goes to Ypsilanti, this Friday afternoon, to take part in the tournament. We hope they will compare with the Farmington boys, who gained first place.

The 7th grade beat the 8th grade in basket ball. The 7th grade girls are equally proficient, as they beat the 8th grade girls.

The 7th grade held a class meeting this week, and chose the blue violet as their flower, and silver and blue as their colors.

The high school orchestra played at the Parent-Teacher association meeting a week ago Monday night, the numbers, Melody of Love, by Engelmann and Melody in F by Rubenstein. The Girls' Glee Club sang, The Moon Hangs Low in the Purple Sky, by Spense, and Sleepy, Sleepy, Sleep, by Scales.

In general assembly, Friday afternoon, Junior Chorus, under the direction of Miss Hall, entertained, giving the folk games of different countries. Thirty-five from the 8th and 9th grades participated, and each group was costumed to represent its particular nationality. The games were as follows: Roman Soldiers—English; Lookey Loo—Scotch; The Musician—German; Here We Go 'Round the Mulberry Bush—American; Character Dance (Sis Naroyinka Do Zeli)—Bohemian; Weaving Game—Swedish; The Duke and the Castle—French. Mr. Hathaway furnished the prologue and epilogue, and Clare Lyke printed the cards which announced each group.

The Sewing Club soon begins work on layettes, which will be distributed in Plymouth to those who can use them.

The 8th grade domestic class has been carrying on a thriving business of late, selling the wares to the country people who eat lunch at school. Pastry making has become a very

"The Best Looking Home in Your Neighborhood"

It isn't so much a matter of design, but of appearance. If the paints and stains are fresh-looking and rich in color—if they harmonize well—your home will be the best-looking one in your neighborhood. And you can get this result by using Low Brothers High Standard Liquid Paint. It's fine paint, finely made for long satisfaction and true economy. It goes on smoothly and evenly. Its rich, even colors retain their original freshness of color. And it surely does withstand the wear of long weathering. That's why it's so economical.

Low Brothers HIGH STANDARD LIQUID PAINT

Our paint department contains everything you need for any kind of painting and decorating—and we think our long experience will be of help in advising you about your painting needs. Come in and see us.

NEW BANK BUYS BUILDING

The new People's State Bank of Plymouth, has purchased the most market building of Frank Rambo on Penniman avenue. The building will be completely remodeled, and a new stone front put in, which will make it a most attractive building when completed, and a splendid addition to the street. An architect is already preparing plans, and work on the building will be started as soon as possible.

Mr. Rambo, who has conducted a meat market in the building for a number of years, will close up his business on Saturday, March 29th. He is undecided as yet as to what he will do in the future, but we are glad to state he will remain a resident of Plymouth.

HOME TALENT PLAY A SUCCESS

The presentation of the five-act comedy drama, "The Country Minister," at the High school auditorium last Friday evening was witnessed by an appreciative audience that taxed the capacity of the big auditorium. The play was given under the auspices of the Ladies' Aid Society of the Methodist church, and was staged and rehearsed by H. J. Green, to whom a great deal of credit is due for its successful presentation. The members of the cast all took their parts exceptionally well indeed, and their work is deserving of the highest praise. The stage settings for the play were above the average for home talent entertainments, and added not a little to the success of the whole production. The Livingston orchestra furnished excellent music for the occasion. Little Kenneth Jewell gave several selections on the snare drum that proclaimed him a real artist on the drum. Mrs. A. W. Moody contributed greatly to the evenings pleasure with two beautiful solos, rendered in her usual pleasing manner.

SEVERAL BALLOTS AT COMING SPRING ELECTION.

At the coming township election, Monday, April 7th, there will be several separate ballots besides the regular township ticket. By a resolution of the township board, passed March 4, 1924, a proposition will be submitted to the voters of the township, providing for a salary of \$900 per annum to the supervisor in lieu of all per diem charges, made in accordance with Act 57, Sec. 35, Acts 1921, which provides that townships where the assessed valuation is five million dollars, and there are 1400 real estate descriptions, may provide for a salary of \$1200 per year for the supervisor. The board feel that in placing the salary at \$900, they have placed it most conservatively, when the great amount of work that the supervisor is called upon to do is considered. Plymouth is growing, and the work of the supervisor has greatly increased. The amount which the supervisor has received the past year has been nearly the amount which is to be voted upon.

The presidential primary election will be held at the regular township election, and there will also be a ballot provided for the voters to express their preference for the members of the National Committee of their respective parties.

A ST. PATRICK'S PARTY

The St. Patrick's dancing party given by the O. L. of G. C., at the Penniman Allen auditorium, Monday evening, was largely attended, and was one of the most delightful parties given here this winter. The Livingston orchestra furnished splendid music for the dancers. The grand march was led by Mrs. Kate E. Allen and Harry C. Robinson. Little Dorothy Fish and Jessie Nelson gave a song specialty number in a most charming manner. William Longden sang several Irish melodies that were very pleasing. During the evening, little Anna Reynolds, in behalf of O. L. of G. C. society, presented Mrs. Kate E. Allen with a bouquet of beautiful flowers.

COMFORT STATION DAMAGE

Sunday afternoon, some boys and girls of this village, whose names are in the possession of the village, entered our Comfort Station and "raised Cain" generally. There have been instances of this before, but this is the first time the culprits have been caught. This time the damage will be repaired and the costs assessed against the boys. The next time this happens and the vandals are caught, names will be published, and prosecutions will be made for damaging public property. It is a pity that some people in this town haven't pride enough in their village and its property, to prevent occurrences like this.

Sidney D. Strong, Village Manager.

LOCAL NEWS

Miss Lelia Chilson of Harper hospital, is spending a few days with her parents, Mr. and Mrs. T. F. Chilson, of Mill street.

Mr. and Mrs. Alfred Bakewell and son of Detroit, spent the week-end with Mrs. Bakewell's mother, Mrs. E. Ashton on Ann street.

Willard Pooler will open a confectionery store and ice cream parlor in the store formerly occupied by the Sanitary meat market, in the hotel block.

Mr. and Mrs. James Tiffin, daughter, Grace, and son, Lewis, of Northville, spent Sunday afternoon with Mr. and Mrs. Clyde Fisher of South Main street.

Camilla Ashton gave a farewell party for Helen and Ileen Arthur, at her home on Ann street last week Wednesday evening. There were nine little girls present. The little folks enjoyed the evening with games after which refreshments were served. All enjoyed a fine time.

Mr. and Mrs. M. C. Hoard of Stryker, Ohio, visited Mr. and Mrs. C. O. Dickerson, over the week-end. Mr. Hoard is totally blind, yet he visits many of the large cities of the country and gets about nearly unassisted. Since his affliction, which struck him some ten years ago, he has perfected several mechanical inventions, which bring him a substantial income. He is by profession a mechanical engineer, and since his blindness makes all his drawings with the end of his finger on his knee, which are as intelligible as if made with a pencil on paper. He is well versed in all the news of the day, quite a literary character and an interesting conversationalist.

SPECIAL TRAVELING ORCHESTRA OF 20

Clyde W. Fisher left Tuesday night on a business trip to Washington, D. C. and New York City.

The vaudeville program at the Penniman Allen theatre, Wednesday evening, drew two packed houses, and was one of the best entertainments of this kind that has been seen in Plymouth in a long time. There were five acts, and everyone of them was a top-liner. The musical numbers by the six young ladies were splendid, as were the song numbers by the Wolverine Male Quartet. The other numbers on the program were well received, and pleased the audience immensely.

Those from out of town who were here to attend the funeral of Mrs. Helm, last Saturday, were: Mr. and Mrs. William Miller, Harold Miller and Mr. and Mrs. Howard Greer of Novi; Mr. and Mrs. William Tesch, Rudolph Witt, Miss Lena Witt, Edward Witt and Miss Gustie Witt of Northville; Mr. and Mrs. Fred Witt, Mr. and Mrs. Herman Witt, Mr. and Mrs. Carl Witt of Detroit, and Charles Zimmerman of Marine City.

Last Saturday, March 15th, saw the Junior Bridge Club launch its first social function at the home of Mrs. Roy Strong. The eight members with the lowest averages were entertained by the other members who were more fortunate. After a delightful time spent at bridge, a delicious luncheon was served, the color scheme and favors being in accord with the emerald of the "Auld Sod," the highest honors of the day being unanimously extended to the entertainers and the patron St. Patrick.
