## The Magic Carpet that Whisks you Back to Broadway

WHAT a wonderful tapestry of sound is woven for your pleasure by the New Edison phonograph! It is indeed a magic carpet which takes you back to the wonderful dance places where you have had such good times.

The Edison Laboratories through their practise of immediately releasing new records as soon as manufactured, constantly give you a choice of the very latest hits straight from Broadway:

And you can dance almost twice as long to Edison records—instead of the usual 90 lines of music to the inch, they have 150.

How many farm implements have you, Mr. Farmer? When new, how much did they cost you? If we told you that we could save you half their cost, would you be interested?

It has been proved beyond a doubt that implements, which are left in the open last only half as long as those which are properly protected.

If you are interested, we will be glad to give you free estimates for an implement shed that will meet your requirements.

We will close Saturday afternoons during July and August.

## COMMITTEES APPOINTED FOR PLYMOUTH DAY

PLANS BEING MADE FOR A BIG DAY IN PLYMOUTH.

A preliminary meeting of the joint committees from the Plymouth Chamber of Commerce, Plymouth Rotary Club and the Village Commission was held Monday evening at Frank Rambo's office, for the purpose of formulating plans for the Plymouth Day celebration, the date for which has been fixed for Thursday, September 11th. This celebration will mark the opening of the newly paved Plymouth road, and is to be given in honor of this event, which means much to Plymouth.

The meeting was called to order by Harry C. Robinson, as chairman. The matter of finances and a program was discussed at some length and resulted in the selection of the following officers and committees:

General Chairman—Harry C. Robinson.  
Secretary—Carl Shear.  
Treasurer—Fred D. Schrader.  
Finance Committee—J. W. Henderson, chairman; Frank Rambo, George Wilcox, Karl Hillmer, Oliver Martin and W. S. Baise.

Committee on Closing Business Places—F. D. Schrader, chairman; William Pettigill, Henry Fisher, Carl Shear.

Sidney D. Strong was chosen chairman of a committee to be chosen by himself, for placing the High school ball grounds in condition.

Decorations—W. T. Pettigill, Chairman; Daniel F. Murray, George Wilcox, Edward Gayde, Harry Green, Harry Lee, Otto Beyer, A. E. Blunk, Irving Blunk, Carl Heide.

Guest Committee—W. T. Conner, chairman; F. A. Dibble, R. W. Shingleton, E. C. High, E. K. Bennett, C. H. Bennett, C. A. Fisher, J. B. Hubert.

Publicity—L. B. Samsen, chairman; Carl Shear, Harry Lush. H. C. Robinson was appointed to arrange for ball game and bands.

It was a very enthusiastic meeting, everybody pledging himself to do all he could to make the day the success it should be. However, the committees cannot do all the work alone, they must have the co-operation and assistance of everyone in Plymouth. In fact, every man and woman should consider themselves a committee of one to help put across Plymouth Day big. It will be a great advertisement for Plymouth, and that is one of the objects in having the celebration—to let the world know that we have an attractive town and a wide awake and progressive community. Another meeting of the committee was held last evening, but too late for a report for this week's paper. More committees were appointed and these and other details will be given next week.

Just what the program will be has not yet been definitely settled, but among the good things decided upon were a free ball game between two of the strongest teams in the county, a big noon day banquet in the High school auditorium, free band concerts by two bands, free dance upon the pavement and other attractions to be announced later.

It was decided at the meeting that no concessions would be granted to any person reading outside the corporate limits of the village.

The Wayne County Road Commission and presidents and mayors of our neighboring villages, and their ladies, will be invited as our guests for the day and evening.

One of the pleasing features of the day will be two showings of the great picture film "The Covered Wagon" at the Penniman Allen theatre.

Remember, this is Plymouth Day, and that means that every Plymouthite has his or her part in making it a grand success. Invite your friends who have perhaps moved away from the old town, to come back on Plymouth Day. We want everyone to come and enjoy one of the biggest days in the history of the village. Watch next week's paper for further particulars.

## ICE CREAM SOCIAL

The Lecture Division of the Women's Club will hold an ice cream social at Kellogg's Park, Saturday, August 2nd, for the benefit of the building fund.—Advertisement.

## LEAVES SATURDAY FOR ALASKA

WILLIAM WOOD QUALIFIES IN PEORIA LIFE INSURANCE CO.'S \$100,000 CLUB AND GETS A TRIP TO ALASKA.

Mr. and Mrs. William Wood leave here Saturday for a trip to Skagway, Alaska. The Peoria Life Insurance Co., of which Mr. Wood is a district representative, offered a free trip to the North country, to those agents who wrote \$100,000 of life insurance during the period from August 1, 1923, and July 28, 1924. Mr. Wood was one of the lucky ones to qualify for the \$100,000 club, and in company with a large number of agents and their wives, he and Mrs. Wood are making this delightful trip as guests of the Peoria Life Insurance Co. Mr. Wood is a hustler and deserving of his success, and his many friends and patrons are more than pleased that he is one of the successful ones to make this trip.

The Michigan delegation leave Ypsilanti tomorrow morning at 9:30 o'clock, on a special car attached to the Wolverine Flyer of the Michigan

WILLIAM WOOD

Central. Arriving at Chicago, they, with the club members of eleven states, will take a special train on the Chicago Northwestern for Seattle, Washington. Enroute the club members will be entertained by various business organizations in several cities.

Arriving in Seattle, the party will board the S. S. Queen for the voyage to Skagway, stopping enroute at the principal ports. Returning to Seattle, Mr. and Mrs. Wood will leave the party for a trip to San Francisco and Los Angeles, California. They expect to be gone four weeks. During Mr. Wood's absence, his office will be open as usual.

## GREENHOUSE ENTERED

Carl Heide's greenhouse was entered by thieves at an early hour, last Sunday morning. A neighbor saw a sedan parked in front of the garage at 3:00 a. m., but thought nothing of the matter at the time. The thieves gained an entrance through the rear door, which was unlocked. About \$50 worth of chignon was taken, about 100 gladiolas and seven pennies from the cash register. A check protector was taken from the front office, but was left at the rear of the building. All of the gasoline from several of Mr. Heide's trucks was drained from the tanks.

## DEATH OF A FORMER RESIDENT

The remains of Mrs. V. E. Hill, a former Plymouth resident, were brought here Tuesday, from St. Augustine, Florida, where she died at 12:30 o'clock last Sunday morning. Mrs. Hill had been in failing health for the past two years or more. She is survived by her husband and one daughter, Mrs. Roy Lyndon of Dexter, and one son, Lawrence Hill of this place. Funeral services were held from Schrader Bros. Funeral Home, Tuesday afternoon at five o'clock, Rev. D. D. Nagle officiating. Interment in Riverside cemetery.

Mrs. Margaret Chambers of Sheldon, spent the week-end at the home of Mr. and Mrs. C. V. Chambers, and also called on other friends.

## A. D. MACHAM PASSES AWAY

Adam D. Macham passed away at his home at the corner of Williams Street and Blunk Avenue, last Sunday morning, after an illness extending over a period of several months, during which time he underwent several severe operations. Mr. Macham was a man highly respected by all who knew him, being of a kindly and genial nature, he made a large circle of friends and acquaintances who sincerely regret his passing.

For many years the deceased resided in Lenawee county, operating a large farm at Holloway. Disposing of his farm, he removed to Adrian, where he resided for several years previous to his coming to Plymouth seven years ago. During his residence here he became a firm believer in the growth and progress of Plymouth, and has built about a dozen fine residences. He is survived by two daughters, Mrs. L. B. Samsen and Mrs. B. E. Giles, both of this place. His wife passed away about one year ago. The deceased also leaves six brothers and two sisters.

Funeral services were held from his late home, Wednesday morning at 10:00 o'clock. The remains were taken to Holloway, where funeral services were held in the Presbyterian church at that place at 2:00 o'clock. Miss Lina Durfee conducted the Christian Science services at both places. Interment took place in the family lot in Raisin cemetery. Allen D. Macham was born in Grey county, Ontario, April 25, 1852. He came to the states with his parents in 1867, and the family settled in Deerfield, Lenawee county. On January 17, 1877, he was married to Miss Jennie Rector of Tecumseh. To this union two daughters were born, Mrs. L. B. Samsen and Mrs. B. E. Giles of Plymouth, both of whom survive him.

## CELEBRATING THEIR SECOND ANNIVERSARY

In a full page advertisement in today's paper, the Blunk Bros. announce their second anniversary sale, which commences Saturday, August 2nd, and ends Saturday, August 9th, inclusive. Since the opening of their store two years ago, the Blunk Bros. have enjoyed a steadily increasing business. They have found it necessary to enlarge their store building, which has not only given them an opportunity to increase their stocks, but has enabled them to give their customers the best service possible. The Blunk Bros. are to be congratulated on the success and growth of their business on this, their second anniversary. We call attention to the many splendid bargains offered in their advertisement today. It will pay to look it over carefully.

A regular meeting of the Order of the Regular Star will be held in Masonic hall, Tuesday, August 5th, at 7:30 o'clock.

### SEE YOUR OWN STATE

Here we are at the height of the vacation season, and a lot of people around Plymouth climbing into their fivvers and shoving off for strange places in strange states. They'll have a good time, sure they will. And yet we can't help wondering if they wouldn't have a better time if they devoted their vacation days to sight-seeing right here in their own state.

Why not start out and drive to various parts of the state, without crossing its border? Such a trip is sure to result in a revelation. Not only will you see things you did not know your state possessed, but you will come in closer touch with the people who make it a good state. You will form friendships here and there, in town and country, and you'll enjoy the many conversations you will hold with those who live in the same commonwealth as you do and yet you might as well live in foreign lands as far as your past acquaintanceship with them is concerned.

You will get a chance to see how other people are improving their towns and cities, and how farmers in other counties of the state are progressing. You'll learn a lot that will be valuable to you from suggestions you will pick up here and there. Maybe, too, you'll find you are living in a much better state than you had any knowledge of, and you'll return to your home and your work better satisfied with your own conditions. There are scores of reasons why you should see your own state first, and one of them is that the expense will not be as great but the benefits greater than going to some far-off point that offers much and reveals but little.

### "DUDE" HELP

Plymouth citizens who are always interested in the annual problem of how to get this nation's wheat crop harvested are commencing to look on "dude labor" in a far different light. At first these young men who flock to the harvest fields of the bounding west were looked on as high-school or college boys out for a sight-seeing trip and some good, substantial meals at little cost. Today they can be counted by the thousands and they've become so valuable that grain growers, already short of help, are forced to admit they are pretty much of a god-send. They have shown that they really want to work, and that they don't consider it a crime against society to be caught with their sleeves rolled up and the sweat pouring off of their brows. As a result these "dude" farm laborers are solving the greatest problem the rural communities of America have had to face. They, only need encouragement. Give them that and we won't need to look forward with dread each year to a labor shortage at harvest time.

### IT'S STILL GOOD

Here is an old one, but still a good one, and we feel sure many folks around Plymouth will get a laugh out of it: It is related that a Wisconsin editor got tired of people asking him for bids on printing, instead of turning the job over to him and telling him to go ahead and do it at his regular price. So he inserted this ad in his paper:

"On Jan. 1, I will be in need of the following: two pairs of socks, one silk for Sunday use; one pair of good wool pants; six white handkerchiefs for use when needed; one peck of good, unsprouted potatoes; two pounds of rump steak; some souvenir post cards with local views; one quart of molasses. May also be in market for an appendicitis operation for wife. Parties wishing to bid on these supplies should send in sealed offers, with full particulars as to discount for cash and self-addressed envelope for reply in case bid is accepted."

## NEW SCHOOL BUILDING NEARLY COMPLETED

REPAIRS AND ALTERATIONS BEING MADE ON OLD BUILDING; NEW EQUIPMENT PURCHASED.

Work on the new school building is rapidly drawing to a close. The plastering and finishing coat has been completed on the lower floor, and the second and third floors will be completed this week. The wood work finishers are at work on the first floor. It is now expected that the building will be practically completed by the middle of August.

There is some repair work and alterations being made upon the old building that are now well under way, and it is expected will be completed by the time school opens.

The balcony in the auditorium has been torn out, and this will give much more needed room in the auditorium for athletic work. The windows which were placed at the front of the balcony, which has been used for several years as a class room, have been placed along the upper sides of the auditorium. This will also give much more light in the upper corridors. An addition, 22x24 feet in size, is being constructed at the northeast corner of the old building. This will be used for a girls' locker room and shower bath. A ramp has also been constructed from the boiler room to the rear of the building for the wheeling out of ashes. Several of the rooms will be re-decorated, and the whole building will be thoroughly cleaned before school opens. Three hundred and seventy-five seats have been taken out of the various rooms, where they were placed to relieve the congested condition of the school, and will be placed in the new building. These seats have been thoroughly cleaned and re-varnished.

The board has purchased the following new equipment:

- American Seating Co.—12 dozen folding chairs and a quantity of seats.
- Schrader Bros.—Window shades for the new school; 11 teacher's desks; 3 dozen laboratory stools; 2 dozen bent wood chairs.
- W. M. Welch Co.—40 tablet arm chairs.

**Are Your Lamps Clean?**

It is not unusual for people to forget that lamps need cleaning quite as much as other articles in the room—they also collect dust. A neglected lamp may give only from a half to three-quarters of its rated candlepower.

There is a three-fold loss: loss of light absorbed by the dust; loss of eye-comfort from strained vision; loss of money paid for light not utilized.

Lamps ought to be dusted every day; they should be wiped with a damp cloth every week; they should be washed with soap and water every month.

**THE THEATRE**

**"A SOCIETY SCANDAL"**  
After you see "A Society Scandal," which comes to the Penniman Allen theatre, Sunday, August 3rd, you are quite ready to announce to the world that Gloria Swanson is not only the most beautiful woman on the screen and the most gorgeously gowned, but also that she compares favorably with the finest emotional actresses who ever lived.

"A Society Scandal" is all a good picture should be. The events take place within the inner circle of New York Society, and it is not the movie-studio society that parades before our eyes. The settings are authentic, one of the big-scenes actually taking place in the real Ritz ballroom.

Miss Swanson's beautiful gowns do not in any way detract from the emotional power and fire that she throws into her big scenes. The story, which was adapted from the famous Alfred Sutro's "The Laughing Lady," is not the usually jazz-mad society stuff, but is a thoroughly logical, gripping and at all times entertaining drama of love, divorce and a woman's reputation.

In the story Miss Swanson enters upon a cold-blooded attempt to infatuate with her charms the young lawyer, who ruined her reputation in the divorce court. She succeeds only to discover that she cannot go through with her purpose of ruining him as he did her.

Rod LaRoque, one of the most engaging leading men now extant, is the hero, and Ricardo Cortez and Allan Dwan directed. The picture is a Paramount.

**"THE HEART BUSTER"**

"The Heart Buster," the latest William Fox production, starring Tom Mix, which will come to the Penniman Allen theatre, Wednesday, August 6th, has two important reasons why you should not miss it. The first of these is the fact that it is the fiftieth picture in which Mr. Fox features his great western star, thereby creating a record unsurpassed in the annals of the motion picture industry. The second is the picture itself, which is fifty times better than the average "western." There is a thrill in every foot of the entire film, which centers around a scheming foreign crook winning the girl with whom Mix, as a young ranchman is deeply in love. When the girl announces her intention of marrying the foreigner, Tom leaves her in a constating mood. He cannot banish the picture of the successful lover from his brain with the result that he recalls him in another part which was nowise honorable.

He rushes to tell the girl of his discovery, but his unsupported charges only cause the girl to announce more firmly her intention of marrying the man.

With the job of substantiating the charges on his hands, Tom flies into action. He stops at nothing and finally lands in jail as the result of kidnapping the justice of peace and minister in an attempt to delay the wedding ceremony. With the aid of Topy, his wonder horse, he makes a dramatic, but uproariously funny escape from the bastille. In the meantime the foreign crook is about to lead the girl up the steps of the altar, when Tom suddenly breaks in with the damning evidence.

**LIVONIA CENTER LUTHERAN CHURCH.**

There will be regular services at the Livonia Center Lutheran church on Sunday, August 3rd, in the English language. A special offering will be lifted at the door in this service for the good of the kingdom of the Savior outside of our own midst. Please bring your pink envelopes for this purpose. Sunday-school begins at 1:45. Everybody welcome. Come.

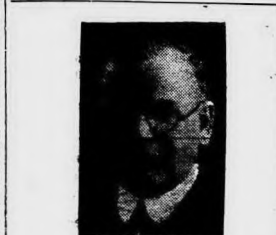

**LAWLESSNESS IN COUNTY ATTACKED BY BROWN**

**REPUBLICAN CANDIDATE FOR PROSECUTOR REFERS TO CROWDED JAIL.**

"Residents of Wayne county who find occasion to visit Detroit, have the right to expect that while in the city they will be afforded the exacting protection of the law," says Frederick B. Brown, Republican candidate for Prosecutor.

"Never in history has Wayne County been overrun with such lawlessness as it is at the present time," says Mr. Brown. "The jail is so filled with persons charged with criminal offenses that the judges are allowing many their liberty pending trial, without asking that they post bail bonds to assure their appearance in court.

"Men and women are assaulted and shot down in their homes

FREDERICK B. BROWN

and places of business by highway-men; pickpockets roam the busy thoroughfares "plying their trade"; drunken motorists run recklessly about Detroit and the County; gamblers war prosperous at the expense of the unsophisticated, and yet it is sad to admit that there is a certain class of voters who will cast their ballots as they are directed by men whose business it is to make public officials.

"Detroit and Wayne County faces the greatest political situation in the state's history, with a multitude of candidates and political issues, and the people have this year, as never before, a duty before them to enquire not only into the personal attributes of the candidates but into the forces behind such candidates."—Advertisement.

**LEAGUE OF WOMEN VOTERS**

The Plymouth Branch of the League of Women Voters held a meeting Tuesday afternoon in the kindergarten room of the school house. Sheriff Walters was to have addressed the meeting, but was unable to be present, so Deputy Sheriff Safford came in his place. He spoke in the highest terms of the work of Sheriff Walters, whom he had known for many years, and whom he pronounced a thoroughly honest man and a most efficient sheriff. He urged upon the voters present the importance of keeping a good sheriff in office rather than to make a change at the coming election.

The next speaker was William J. Harcourt, one of the seven candidates for prosecuting attorney. Mr. Harcourt stated at the beginning of his speech exactly where he stood on the temperance question. He is dry, and, if elected, promises to do all in his power to enforce the liquor law, and the laws against narcotics.

Next Tuesday at 2:30 p. m., there will be another meeting in the kindergarten room. Three circuit judges, Dewitt H. Merriam, Ernest LaJoie and Guy E. Miller, candidates for reelection, will be the speakers, and there may possibly be others. It is hoped that more women will make special efforts to be present.—C.

**DEATH OF MRS. MINNIE CORT**

Mrs. Minnie Cort, nee Schrader was born in Millinburg, in the province of Mecklenberg Schwerin, on the 10th of November, 1839. Here she was baptised and later, after being instructed in the teachings of God's word, confirmed. On August 25th, 1865, she was united in marriage to John Cort, emigrating with him the following year to the United States. This union was blessed with seven children, six sons and one daughter. After a residence of six years in Greenfield township, the deceased moved to Livonia, of which place she was a resident until 1910. Since 1910 she made her home with her daughter, Mrs. Anna Woodruff of Detroit. She passed away last Friday, July 25th, 1924, at the age of 84 years, 8 months and 15 days. She leaves to mourn their loss, two sons, William of Livonia, and George of Birmingham; one daughter, Mrs. Anna Woodruff of Detroit; sixteen grandchildren and two great grandchildren, besides other relatives and friends.

For nearly forty years, the deceased, was a member of Livonia Center Lutheran church, from which place burial took place on Tuesday afternoon, July 29th, with interment at Livonia Center cemetery, Rev. Oscar J. Peters officiating.

**BAPTIST NOTES**

The Sunday-school has held its number very close for the last month. The superintendent announced that they would have rally day the second Sunday in September, and new plans would be used. This month the Sunday-school is committee for decorations at the church. The Ladies' Aid have had a fine display of flowers every Sunday.

The B. Y. P. U. discussed "China Old and New" in their meeting, last Sunday evening. The change is very great, as was shown in the meeting. Ira Kingsley, president, led the meeting.

The pastor hopes to spend one or two days the last of this week at the Lake Orion Bible conference. He also has been invited to speak at a bible conference at Union Lake, August 7th, afternoon and evening.

The Sunday-school scholars had a good time at Phoenix Park, Saturday afternoon. Different classes expect to have special picnics at the nearby lakes soon.

**BOY SCOUTS HAVE GREAT TIME**

In the minds of every boy present, the Scout camping expedition at Silver Lake this summer will be an experience long to be remembered. The weather was almost ideal most of the time for camping, the location was fine, swimming was delightful, eats were at least digestible most of the time, the program of daily events was not too overcrowded, allowing each boy plenty of time for his enjoyment, and the mosquitoes were wonderfully entertaining every night, and the duckings several of the boys received the last night were refreshing. Not a boy but was sorry to start another week. However, this is not saying it didn't seem mighty good to everyone to get back home to mother's cooking and a nice soft bed once more, and just to forget the mosquitoes and dream sweet dreams. Still, just ask anyone who was there if they wouldn't be ready to start out again tomorrow if there was a chance for another week of outdoor life in close proximity to God, and Nature with all her glories. There is something about sleeping out under the open sky with naught but the stars sparkling overhead, that fascinates one. The Scouts dare you to try it, if you have never had the experience.

The following is something of the daily order of program adopted this year: 6:30, morning plunge and calisthenics or hike; 7:30, breakfast; 8:15, air blankets; 8:30, flag raising, followed by a period of 20 or 30 minutes of Bible study; 8:45, instruction in Scoutcraft and passing of tests; 10:30 game; 11:00, swimming; 12:30, dinner; 1:15, tent and health inspection, followed by rest hour; 2:00, games, hikes, etc.; 4:00, swimming; 6:00 supper; 7:00 evening colors, followed by hikes, games, etc.; 8:30, camp fire; 9:30, all quiet to listen to the buzz of the mosquitoes.

On Friday evening, the Scouts enjoyed one of the outstanding parts of the trip, when the Rotary Club, with well-filled baskets and about a ton of watermelons, came out to spend the evening, and eat, play ball and have a jolly good time. The boys will not forget the Rotary Dads in a hurry especially when they can beat the Dads in playing ball and eating watermelon. Incidentally, the Rotary Club took up a collection of fines and handed it over to the troop, amounting to \$4.20, and also a collection of \$2.50 for a new League Ball for "Bud" Schrader.

On Sunday morning, the scouts attended in a body, the services of the Free Methodist church about a half mile from camp. In the evening, some of the "Hi-Y Boys" came out, and around a huge camp-fire sang songs and gave short talks about their experiences at Camp Hayo-Went-Ha. It was a wonderful hour for the boys, and the impressions gained from that hour will stay by the scouts all through the coming year. On Tuesday night, W. E. Hastings of South Lyon, a former Scoutmaster, and a bird naturalist, visited camp and gave the boys a most thrilling and interesting talk about birds and nature.

Wednesday night being the last night in camp, B. J. Holcomb of Plymouth, came to spend the evening, and at camp fire gave a most inspiring and helpful talk to the boys, making this last night a glorious climax to the week of inspiration and growth. Following this, camp honors for the week were announced. A number of scouts' lists having been completed by the boys, the following were invested according to rank, and pins given: Candidate Harold Hubert, tender of Scouts Gill and Barlow, second class; Scouts Dicks and Rattenbury, first class; Scouts Teft and Schrader also successfully completed the Merit Badge tests for life saving, and after appearing before the Court of Honor, will receive their badges.

The goal and aim of the camp being "The Development of the Four-Fold Life," physical, intellectual, social and spiritual, careful observation was made during the week by the Scoutmaster, of each boy according to a standard chart of credits in each one of these four-fold phases of life. An announcement having been made on the first day that the scout receiving an average of 90 points or more to his credit in all four phases would receive a scout monogram, and be classed as an Honor Scout. On this last night the honors were announced, and three scouts were presented with monograms as a distinct account of their ability and development along these four lines. Scouts Teft, Carmichael and Schrader were the honored boys. Announcement also having been made at the beginning that a sterling silver badge would be presented to the best all-around camper, this special honor came to Scout Robert Teft. In addition to this, H. S. Lee had made an offer to the boys of a beautiful new fishing reel to the boy who caught the largest fish while in camp. On the last day of camp, Scout Teft succeeded in pulling the biggest catch, a big-mouthed bass about 18 1/2 inches long.

The Scouts wish to thank the Rotary Club, parents and friends, who so generously helped to make this camping trip a delight and success, and Mr. Schrader for sending his truck to bring the tents, materials, etc., home on the last day. Below is appended a financial report of the expenses of the trip. Eight boys were in camp all the nine days, and five more were there for part time. Only one had to come home on account of illness.

**WOULD ADD MONTH TO PRESENT YEAR**

**Suggestion Made for Reform of the Calendar.**

During the past two years belief in the desirability of simplifying the present calendar has progressed to a point where efforts are being made to bring about an international congress to consider the best way to do this. Prof. C. F. Marvin, chief of the weather bureau of the United States Department of Agriculture, is greatly interested in this movement and advocates that form of simplification which would result in a year based on our present seven-day week as a unit. The year would consist of 13 months of 29 days or exactly four weeks each, and an extra day. The suggestion favored by Doctor Marvin is that this 26th or extra day be given a special name, such as "New Year's Eve" or other equivalent designation, made a world-wide holiday and placed between December 28 and January 1.

The extra month, for which a new name must also be invented, would be least likely to upset our present way of calculating, if introduced in midsummer, between June and July. "Leap year day," by whatever name it may be known, would be acceptable as a midsummer holiday every four years. A slight change in the system of establishing century leap years is also recommended.

The division of the year into months, which are exact multiples of a seven-day week without a fractional remainder, will greatly simplify the assembling of meteorological data, accounting and paying in business and industry generally, computing interest, and making many financial and other reckonings based on the calendar. Business men are in favor of an exact number of weeks in a quarter, and school terms and recesses could be arranged with much less disturbance to the curriculum than at present. It is believed that there will be no insuperable difficulty in arranging a consideration of the matter by representatives of the Roman, Anglican and Greek and other churches, and leading astronomers, if an international congress or council is called, either through the League of Nations or some independent nation, such as Switzerland or the United States. If such a congress succeeds in taking action before 1928, the nearest year in which January 1 falls on a Sunday under our present system, the change can be instituted without inconvenience.

**Shortcomings**  
Moses Diggs, an old Negro, had been arrested for having more than one wife.  
"How many wives have you had?" demanded the judge.  
"Six," was the reply.  
"Why couldn't you get on with them?"  
"Well, sah, de fust two spilled de white folks' clo's when dey washed em; de thud' worn't no cook; de fo'th was jest nacherally lazy; and de fifth—I'll tell you, judge, de fifth, she—"  
"Incompatibility?"  
"No," said the Negro, slowly. "It worn't nothin' like dat. Yo' jest couldn't git on with her unless yo' was somewhars else."—London Tit-Bits.

**Sweetness From Trees**  
It has just been announced that the existence in British Columbia of sugar-bearing fir trees has now been scientifically established, observes London Tit-Bits.

The presence of these trees in that province has for some time been the subject of more than mere conjecture. Two or three years ago it was stated that an American botanist had made exhaustive investigations in the Thompson river valley, and that he had all but satisfied himself that the Douglas fir tree in that locality yields a whitish sugary substance in considerable quantities.

Recently a settler noticed a similar substance lying on some ground he had just bought. At first he was unable to account for its presence there; then he noticed that it invariably appeared after rain, and the fact caused him to transfer his attention to some trees that grew near by. The trees were specimens of the Douglas fir, and the tops of the branches, he was surprised to find, were laden with a substance which, on being washed off by showers crystallized like sugar on the ground. The settler then discovered that the Indians had long used the substance for sweetening purposes.

**NEED SPECIAL LAWS TO PROTECT AIRMEN**

**Present Statutes Decidedly Unfair to Pilots.**

Is an aeronaut legally responsible for the follies of excited spectators who from the ground feast their eyes on his adventure aloft?

The answer is yes, an American court decided more than one hundred years ago.  
This precedent, and others of more recent date, were discovered by persons now engaged in the forementioned task of preparing a sorely needed code of laws for the airways. Their researches indicate that under the common law of several nations, every misadventure that befalls a man watching an aeronautical exploit is the fault of the aviator.

Only enactment of special statutes can relieve the aviator from this responsibility, the savants say. The historic cases dealt with balloonists, but are believed to apply equally to pilots of modern airships and airplanes.

One Guille, a balloonist, descended into the garden of a man named Swan. He called to a workman in Swan's field to help him. There was a crowd pursuing the balloon to see the landing. The basket of the balloon dragged along Swan's garden, damaging potatoes and radishes. More than 200 of the pursuing spectators broke into the garden, beating down vegetables and flowers.

The damage done by the balloon was about \$15, and the damage done by the crowd amounted to about \$75. Swan sued Guille for the entire \$90, and Guille answered that he was not responsible for the damage done by the crowd.

The New York court that heard the case decided Guille was liable for all the injuries sustained by Swan. It was the natural thing, the court held, for a balloon to draw a crowd, and Guille was wholly to blame. All this happened in 1812.

A similar case happened in Germany, where a balloon landed in a meadow near Frankfurt when the balloonist was out. The inhabitants of the neighboring village swarmed out to the scene of the accident, and on the way, tramped a garden to ruin. The owner brought suit against the aeronaut for damage to his vegetables, and a court awarded a judgment in his favor.

Now, this aeronaut did not actually trespass on this vegetable dealer's garden. As a matter of fact, he landed in a meadow a long way off. Nevertheless the German court decided that the balloonist did all the damage by drawing a crowd.

A Belgian court has agreed with the American and German courts. While over a small town in Belgium, a balloon began to collapse from loss of gas. The pilot, finding himself forced to land, selected an open space beyond the town.

He was flying just above the roofs of the house, with his drag rope dangling into the street. The villagers, believing the balloonist wished to be drawn down, seized the rope. The aeronaut cried out to them to let go the rope, but the villagers interpreted his yells as cries for help, and they vigorously and heroically pulled the balloon to the ground.

The pilot was forced to open his valve to release the gas swiftly. In the second story window of a house on a narrow street sat a man who was smoking a cigarette. The cigarette ignited the escaping gas as the balloon settled beside the house, and there was an explosion.

Considerable property was destroyed, several people were killed and many were injured. Although the aeronaut swore he was virtually kidnapped from the air, and explained that the catastrophe was caused entirely by the folly of ignorant villagers, a Belgian court condemned him to pay all the damages.

**METHODIST NOTES**

Owing to the beginning of operations on our new community house on Thursday of this week, the pastor has delayed his vacation until next week. Consequently he will be glad to greet all his folks on next Sunday at church.

Interesting and worth-while reports were given from every department of the church work, at the fourth quarterly conference, last Monday evening. And every department showed a decided increase in its results this year over the previous two years of the pastor's incumbency. We felt great cause for rejoicing and thanksgiving to God for His mercies and blessings.

We wish all the members of the church might have been present at this annual meeting, and have caught the spirit of enthusiasm and earnest loyalty to the cause that was manifested.

The general contract on our new building was let to C. F. Erb of Pontiac, and operations began Thursday morning. The building will likely be completed in the course of about three months or less. The Lord has surely been with us, and has graciously answered the prayers of many of our good folks, who have been anxiously looking forward to the new structure.

Mid-week prayer service on Thursday evening at 7:30.  
 The Epworth League will hold a marshmallow roast at Phoenix Park, on Friday evening of this week, which means tonight. Meet at the church at 7:00.

Howard Burden preaches at this church one week from Sunday, Aug. 10th, at 10:00 a. m.  
 "I am with you always, even unto the end." "Ye believe in God; believe also in Me."

**BATHROOMS**  
 YIELD TWOFOLD BENEFITS  
 Two important advantages result when a modern bathroom is installed in a home:  
 First: The bathroom provides opportunity for the healthful practice of daily bathing. "A bath-a-day keeps you fit every way."  
 Second: A modern bathroom increases the property value, far more than the cost of having it installed. Houses that have modern bathrooms rent and sell for more.  
 A complete modern bathroom with its built-in or attached shower, medicine cabinet, bath stool and small fixtures (towel racks, tumbler holders), is a convenience worth many times its cost. In truth, it proves to be the room, of all, most comfortable.  
 Ask us to show you plans for complete modern bathing facilities in your home. Let the whole household enjoy the healthful practice of daily bathing. Modern fixtures—a complete bathroom—can be purchased for less than the cheapest automobile.

## Porch Screens, Combination Doors

### Screens Stored, Repaired and Painted

We make, paint, repair and store house screens.

Our screens are made as follows: All frames are made of the best quality lumber put together with mortise and tenon joints and pinned. All frames are given one coat of primer before wire is applied and covered with a 16-mesh galvanized wire, making them mosquito and bug proof.

All frames are made 1 1/8 inch thick where building permits. We take the measurements so there will be no mistakes.

We install them if you so desire, so it will not be necessary to hire another man to finish the work. We furnish all hardware, either japanned or brass.

In other words we take care of all of your screen troubles, so if you have old frames to re-cover or paint or want new ones made, it will pay you to get in touch with us at once, for an estimate before you order elsewhere.

### ELECTION AND REGISTRATION NOTICES

According to the following resolutions passed by the Village Commission July 15, 1924.

**RESOLVED**, by the Commission of the Village of Plymouth, State of Michigan, that

WHEREAS, this Commission has heretofore declared the construction of a sanitary sewer from the westerly village limits, and extending thence easterly along West Ann Arbor Street to Main Street, to be a public necessity, and a necessary public improvement; and

WHEREAS, this Commission has heretofore determined to pay, out of the funds of the Village, a certain portion or part of the cost of said sanitary sewer; and

WHEREAS, from estimates made, it has been determined that the cost of that portion of said improvement to be paid by the said Village of Plymouth at large, will be in the amount of Three Thousand, Five Hundred (\$3,500.00) Dollars; and

WHEREAS, it is necessary for the Village of Plymouth to borrow the said sum of Three Thousand, Five Hundred (\$3,500.00) Dollars, for the purpose of paying its part of the expense of said public improvement, and to issue its bonds therefor;

**NOW, THEREFORE, BE IT RESOLVED**, that a special election of the qualified electors of the Village of Plymouth be, and the same is hereby called for Wednesday, the 6th day of August, 1924, for the purpose of submitting to said voters the proposition of borrowing the sum of Three Thousand, Five Hundred (\$3,500.00) Dollars, and issuing the bonds of said Village therefor, for the purpose of paying that part of the expense of the construction of said sanitary sewer to be paid by the Village at large.

**BE IT FURTHER RESOLVED**, that said election shall be held at the voting place in the said Village of Plymouth, to wit, at the Village Hall in said Village, on Wednesday, the 6th day of August, 1924, and that the polls of said election shall be open from seven o'clock in the forenoon until eight o'clock in the afternoon of said day.

**BE IT FURTHER RESOLVED**, that the form of ballot shall be as follows: Shall the Village of Plymouth borrow the sum of Three Thousand, Five Hundred (\$3,500.00) Dollars, and issue its bonds therefor, for the purpose of paying that part of the expense of the construction of a sanitary sewer along West Ann Arbor Street, from the westerly village limits to the intersection of West Ann Arbor Street with Main Street, to be paid by the Village at large? YES ( )

**BE IT FURTHER RESOLVED**, that any elector desiring to authorize the Commission to borrow said sum and issue said bonds therefor, shall place a cross (x) within the bracket following the word "Yes" on said ballot, and any elector desiring to vote against the borrowing of said sum and the issuing of said bonds therefor, shall place a cross (x) within the bracket following the word "No" on said ballot.

**BE IT FURTHER RESOLVED**, that the Clerk of the said Village of Plymouth be, and he hereby is authorized and directed to give notice of such special election to the qualified electors of said Village of Plymouth, called for the 6th day of August, 1924, by causing copies of these resolutions to be posted at the polling place for said election and in ten other public places in said Village, at least fifteen (15) full days before the day set for said election and by causing a copy of said notice to be published in the Plymouth Mail, a newspaper printed and published in the said Village of Plymouth, at least twice, the first publication to be at least fifteen (15) full days prior to the date of such election.

**BE IT FURTHER RESOLVED**, that the Board of Registration of said Village of Plymouth shall meet at the Village Hall in said Village on Saturday, the 26th day of July, 1924, and on Saturday, the 2nd day of August, 1924, from nine o'clock in the forenoon until eight-thirty o'clock in the afternoon of said day for the purpose of completing the registration of voters of said Village qualified to vote at said special election of August 6th, 1924.

**BE IT FURTHER RESOLVED**, that the Village Clerk be, and he is hereby authorized and directed to give notice of the meeting of said Board of Registration, together with and at the same time, and in the same manner that he gives notice of said special election of August 6th, 1924, which notice of the meeting of the said Board of Registration shall be substantially as follows: **NOTICE OF REGISTRATION FOR SPECIAL VILLAGE ELECTION OF AUGUST 6TH, 1924, FOR VOTING OF THREE THOUSAND, FIVE HUNDRED (\$3,500.00) DOLLARS SANITARY SEWER BONDS.** Notice is hereby given that on Saturday, the 26th day of July, 1924, and on Saturday, the 2nd day of August, 1924, the Village Board of Registration will be in session at the Village Hall in said Village of Plymouth from nine o'clock in the forenoon until eight-thirty o'clock in the afternoon, for the purpose of completing the registration of the qualified voters of said Village under and in accordance with the provisions of the statute of the State of Michigan, and with the provisions of the charter of the said Village of Plymouth.

**RESOLVED**, by the Commission of the Village of Plymouth, State of Michigan, that

WHEREAS, this Commission has heretofore declared the paving of West Ann Arbor Street, from Main Street to the westerly village limits, to be a public necessity and a necessary public improvement; and

WHEREAS, this Commission has heretofore determined to pay out of the funds of the Village, for the cost of paving all the remainder of said street, after deducting therefrom

that part to be paid by the County of Wayne; and

WHEREAS, from estimates made, and from bids actually received, it has been determined that the cost of that portion of said improvement to be paid by the said Village of Plymouth will be in excess of the sum of Ten Thousand (\$10,000.00) Dollars; and

WHEREAS, it is necessary for the Village of Plymouth to borrow the said sum of Ten Thousand (\$10,000.00) Dollars, for the purpose of paying its part of the expense of said public improvement, and to issue its bonds therefor;

**NOW, THEREFORE, BE IT RESOLVED**, that a special election of the qualified voters of the Village of Plymouth be, and the same is hereby called for Wednesday, the 6th day of August, 1924, for the purpose of submitting to said voters the proposition of borrowing the sum of Ten Thousand (\$10,000.00) Dollars, and issuing the bonds of said Village therefor, for the purpose of paying the part of the expense of the paving of said West Ann Arbor Street to be paid by the said Village at large.

**BE IT FURTHER RESOLVED**, that said election shall be held at the voting place in the said Village of Plymouth, to wit, at the Village Hall in said Village, on Wednesday, the 6th day of August, 1924, and that the polls of said election shall be open from seven o'clock in the forenoon until eight o'clock in the afternoon of said day.

**BE IT FURTHER RESOLVED**, that the form of ballot shall be as follows:

Shall the Village of Plymouth borrow the sum of Ten Thousand (\$10,000.00) Dollars, and issue its bonds therefor, for the purpose of paying that part of the expense of paving West Ann Arbor Street, from Main Street to the westerly Village limits, to be paid by the Village at large? YES ( )

**BE IT FURTHER RESOLVED**, that any elector desiring to authorize the Commission to borrow said sum and issue said bonds therefor, shall place a cross (x) within the bracket following the word "Yes" on said ballot, and any elector desiring to vote against the borrowing of said sum and the issuing of said bonds therefor, shall place a cross (x) within the bracket following the word "No" on said ballot.

**BE IT FURTHER RESOLVED**, that the Clerk of the said Village of Plymouth be, and he hereby is authorized and directed to give notice of such special election to the qualified electors of said Village of Plymouth, called for Wednesday, the 6th day of August, 1924, by causing copies of these resolutions to be posted at the polling place for said election and in ten other of the most public places in said Village, at least fifteen (15) full days before the day set for said election and by causing a copy of said notice to be published in the Plymouth Mail, a newspaper printed and published in the said Village of Plymouth, at least twice, the first publication to be at least fifteen (15) full days prior to the date of such election.

**BE IT FURTHER RESOLVED**, that the Board of Registration of said Village of Plymouth shall meet at the Village Hall in said Village on Saturday, the 26th day of July, 1924, and on Saturday, the 2nd day of August, 1924, from nine o'clock in the forenoon until eight-thirty o'clock in the afternoon of said day, for the purpose of completing the registration of voters of said Village qualified to vote at said special election of Wednesday, the 6th day of August, 1924.

**BE IT FURTHER RESOLVED**, that the Village Clerk be, and he is hereby authorized and directed to give notice of the meeting of said Board of Registration, together with and at the same time, and in the same manner that he gives notice of said special election of August 6th, 1924, which notice of the meeting of the said Board of Registration shall be substantially as follows:

GILDEMEISTER'S PEERLESS FLOUR

### "THE AWAKENING" "ROME UNDER NERO"

To be produced in Detroit at the Stadium Grotto, August 2nd to the 17th, under the auspices of the Shadukim Grotto by the World Amusement Service Association.

"Home Under Nero," it must be acknowledged will be the greatest pyrotechnic dramatic spectacle ever produced in the history of out-door historical amusements and will include beside the thrilling chariot races the destruction of the Christians by the beasts of the arena and the burning of Rome, the gorgeous balcony of Nero adjoining the beautiful golden palace all to be presented here on a colossal scale.

The set built for The Golden House as it was called, is one of the largest and most lavish ever constructed for an open-air performance. The wicked Emperor, most notable for his debaucheries, his extravagances, his cruel treatment of the Christians, and among other things, the murder of his mother, built the costliest palace that the world has ever known or probably will know. It was called the "Domus Aurea," or Golden House. This is to be one of the many features of this most elaborate spectacle to be given here during the first two weeks in August.

Remains of one end of this colossal dwelling have just been unearthed in course of excavations now being carried on under governmental and scientific supervision. Many extraordinary discoveries have been made and many more still extraordinary ones are sure to follow.

Try a liner in the Mail if you have anything to buy or sell. It costs but little.

### MARKET GROWERS' PICNIC

The twelfth annual excursion of the Detroit Market Growers' Association takes place this year on Tuesday, August 5th, part of destination being Tashmoor Park, with boat leaving the foot of Griswold street, Detroit, at 9:15 a. m.

This is the annual big outing party of the market gardeners within the Detroit area, and is usually attended by about 2,000, which includes the families of the members. Friends are invited, particularly market gardeners who are not members of the organization. The program at the park includes a ball game between the East Siders and the West Siders, the usual tug of war contest and a full line of races for the young folks.

Bernhard Hoste of Warren, is president of the D. M. G. A.; Irving Bohl of Dearborn, secretary, and Harry Maas of Redford, chairman of the excursion committee.

### W. C. T. U.

The Woman's Christian Temperance Union held a well attended meeting Thursday, July 24th, at the home of Mrs. Charles Draper, Rev. Havens of Newburg, gave an interesting talk on temperance and spoke in praise of the Woman's Christian Temperance Union for their long years of labor toward the betterment of the world.

A paper, "Our Heritage of the Fresh Waters," written by Mrs. George Robinson, was read by Mrs. Hillman, and was enjoyed by all.

The next meeting will occur August 28th, with Mrs. Mabel Stewart as hostess.

The Michigan Union for July says: "Everybody registers sometime during this month or next. See to it that there is no mistake about your right to vote in November. The times are too important for anyone to fail. The needs are tremendous. Probably without doubt, the wets will get their beer and wine amendment on the ballot, and that means a campaign to defeat it. Watch your step in regard to your duty as a citizen of the United States of America. Don't forget to register. Don't forget to vote at the Primary. Don't forget to vote at election time in November."

### OBITUARY

Will Gardner Johnson, born March 1, 1860, was the son of Benjamin and Mary Johnson, and last surviving member of that union, his sister, Mrs. Jennie Knapp and brother, Scott Johnson, having departed this life some years ago. His entire life was spent at the residence of his birth at the old family homestead, near Northville. He was married May 19, 1880, to Ada M. Simmons, to which union was born one child, Mrs. Ross B. Northrop, at whose home he died, July 19, 1924, after many years of useful service in his community. During his illness, every attention that loving hearts and hands, medical skill, and nursing could devise, has been unflinchingly bestowed, but the only results were to lessen in some degree the inevitable suffering, no hope being given from the first of ultimate recovery. Funeral services were held at the Northrop home Wednesday afternoon, conducted by Rev. McWilliams of the Redford Presbyterian church and Rev. Jacques of the North Woodward avenue Presbyterian church.—Redford Record.

### Today's Reflections

We agree with the fellow who said that political platforms read like, "Yes, we have no bananas."

Our advice to autoists around Plymouth is to say it with brakes and save the flowers.

An eastern editor says wars are not going to last forever. Certainly not. The earth won't last that long.

We see where a New York broker has bought a newspaper. Pretty soon he'll know the difference between being a broker and being broke.

The Plymouth man who stays out all night will sooner or later get into the habit of looking on the dark side of life.

Our idea of a real news item is something good that happens to somebody that we wish happened to us.

A Plymouth woman may do a lot of foolish things, but you never saw her sit on a box and whittle or spit tobacco juice at a little boy's bare feet.

The nation's wealth is now put at \$362,000,000,000. The last three figures represents our part of it.

It's easy to find fault, and yet some of us keep as busy at it as if there was a reward offered.

About the only time some Plymouth husbands get the last word is when they say, "All right, then, here's the money."

New York bandits took \$43,000 from a jeweler. They got just about enough to pay their bill for a whole week at a fashionable hotel.

With all of the "blocs" that it boasted, we don't see where congress was able to build anything.

Some Plymouth wives never ask their husband's advice in a matter until they decide what they are going to do.

It's always said of the best of them: "He was a good man, but—" and he has to die to get them to quit using that word "but."

A Vermont man is named Dammit. It must be nice to be able to sign that name when you're making out a check to pay a bill.

We hope the Plymouth man who always finds something to harp on will be fortunate in the next world.

### AROUND ABOUT US

The Oakland County Fair of Milford, will be held August 13 to 16, this year.

A swimming beach, with water varying from 40 to 100 feet deep is an added attraction at Whitmore Lake.

Samuel Tucker of Chelsea, one of the oldest residents of Washtenaw county, is dead at the age of 97 years.

The taxpayers of Novi township turned down the proposition to bond the district for a new \$65,000 school building, at a recent special election.

The premium books of the Washtenaw County fair have been distributed the past week. The fair takes place August 26, 27, 28, 29, 30.

The village of Franklin, Oakland County, will celebrate the 100th anniversary of its settlement, with a home coming, Saturday, August 9th.

Forty thousand automobiles traveling over M-10 the road from Detroit to Flint, in fourteen hours, was the number "ticked off" by traffic men who were stationed at various points to estimate the number.—Milford Times.

Workmen for the Wayne County road commission started Monday morning grading for pavement on Waterford road at Division road. A concrete mixer will follow the excavating machine. Officials at the commissioner's office state that Waterford will be paved as far as Grand River avenue, before the end of the season. This section of Waterford road is now under the jurisdiction of Wayne county.—Redford Record.

Florence V. Essery, commissioner of schools, is sending out letters to the directors of the schools of Washtenaw county urging them to see that school children of their schools prepare floats and enter them in the school parade at the Washtenaw County fair, Tuesday, August 26th. Thirteen prizes are offered for the best floats by the Ann Arbor Times News. The parade is scheduled to take place at 2:00 o'clock and all school children will be admitted free.

While taking gravel from a pit on the old Croopie farm, about one-half mile east of the Croopie schoolhouse, the bones of a human skeleton were uncovered. Apparently the body had been buried in a sitting position and only about 18 inches under ground, and is thought to be a full grown man. The bones were in a pretty good state of preservation and the jaw showed an absence of one tooth. The pit is located some distance back from the road and naturally there is no way of finding out anything more as to how it became located here.—Fowlerville Review.

## VICTORIES that build Firestone LEADERSHIP

**Firestone Leads on Speedway with Five Record Breakers**  
When the race driver selects his tires he does so realizing that his life and chances for success depend upon them. It is significant that all of the ten money winners in the Indianapolis race were Firestone shod. Firestone, using gum dipping and other special processes, has developed tires to such a high degree of efficiency that at Indianapolis, May 30th, the following drivers broke the world's record for 500 miles over this brick track, making many rounds at over 100 miles per hour. Never before were tires put to such gruelling service, when it was necessary for every ounce of rubber and every fiber of fabric to work in perfect unison with every other part.

| Driver                | Time       | Miles perhour |
|-----------------------|------------|---------------|
| Joe Boyer—L. I. Corum | 5:06:29.11 | 98.84         |
| Paul Cooper           | 5:08:47.70 | 98.50         |
| Jimmy                 | 5:08:28.23 | 97.97         |
| Harry Hays            | 5:10:44.30 | 96.88         |
| Bennett Hill          | 5:11:07.00 | 96.68         |

**Balloon Tire Leadership**  
Firestone's latest contribution to motoring is the low six pressure or Balloon Tire. This, the original full-size Balloon, was made practical by the special Firestone Gum-Dipping process. Insulating every fiber of each cord, adding great strength and stamina. Firestone has also simplified the application of full-size Balloon tires to your present car by designing a special unit consisting of three, tubes, stims and splices applied by any dealer at a very low cost.

**Leadership Against British Rubber Restriction Act**  
Attacking the unsound and uneconomic character of the British Rubber Restriction Act limiting the exportation of rubber from the Far East, Firestone was the one large tire manufacturer to take up the cause for the car owner. Soon after the agitation was started for America to produce rubber under its own control the cost of crude rubber was reduced and the prices brought back to normal.

**Dealer Leadership Through Tire Quality and Service**  
Through Firestone dealers you can obtain superior service and the absolute value on the market, whether you need a Ford 26-34, Packard, a set of full-size Balloon Gum-Dipped Coords or a 16-inch truck tire.

**Leadership in Everyday Service**  
Millions of motorists are profiting by the long-endured service of Firestone tires. Scores of unqualified testimonials emphasize the long mileage Firestone Gum-Dipped Coords deliver—which builds leadership in service, safety and economy.

**Leadership on Cabs, Buses and Trucks**  
The largest trucking companies in the five largest cities in the United States use Firestone Gum-Dipped Coords exclusively. One fleet alone, the Yellow Cab Co. of Chicago, uses over one-half million the miles per day.

### DAISY EMPLOYEES HELD ANNUAL PICNIC.

Saturday, July 26th, the Daisy Employees held their annual picnic at Walnut Lake. There were twenty-nine cars lined up at the Daisy shop at 8:30 a. m. About 150 persons were determined to have a good time and help others to do the same.

After reaching the grounds, the first amusement was a ball game, which was won by the corn huskers. After the game all partook of a bountiful dinner, with all the ice cream and pop they could possibly eat and drink.

After dinner many took part in the races, the first being the fat ladies race, by Mrs. Cline, Nellie Moe, Mrs. Wilbur and Mrs. Westfall. First prize was won by Nellie Moe, second by Mrs. Wilbur, and last but not least came Mrs. Cline and Mrs. Westfall who consoled themselves with the thought, "It were better to have tried and lost than never to have tried at all."

Then came the fat man's race, which was won by Harry Lang; Clifford Reddeman came in second, and poor Mr. Warren like many others tried hard but failed to win anything but an all-day sucker, with which he amused himself the rest of the day. Many other races were won by the children. All enjoyed themselves, and returned home about 5.00 p. m.—C.

### DEATH OF A YOUNG LADY

Miss Anna Brown, daughter of Mr. and Mrs. Ernest Brown of 197 Amelia street, passed away at her home, Thursday, July 24th, after a long illness, aged 18 years, 11 months and 3 days. The funeral services were held from the Schrader Bros. Funeral Home Monday afternoon at two o'clock, Rev. D. D. Nagle officiating. Interment in Riverside cemetery. The family have the sympathy of the community in their sorrow.
