## CELEBRATED TENTH ANNIVERSARY OF PASTORATE

LAST SUNDAY MARKED THE TENTH ANNIVERSARY OF REV. CHARLES STRASEN'S PASTORATE AT LOCAL LUTHERAN CHURCH.

July 18, 1915, Rev. Charles Strasen was installed as pastor of the Evangelical Lutheran St. Peter's church of Plymouth. Last Sunday therefore noted the tenth anniversary of his pastorate in this church. After the sermon in the morning, the pastor read a brief report of his work during the last ten years. He told the congregation that the Lord had graciously blessed them, and made St. Peter's church grow and flourish. The voting membership has grown from 18 to 54; the membership of souls from 60 to 281. The church record shows: 90 baptised; 77 confirmed; 32 couples married; 70 buried; 2872 received the Lord's Supper; Sunday school over 40 children; Ladies' Aid society over 50 members. During the ten years, the pastor preached over 1200 sermons; taught religious school, and made thousands of calls at sick and death beds. For all this progress, the pastor asked the congregation to unite with him and give all glory unto God.

After the morning services, the congregation held a meeting without the pastor, passing resolutions, which were later announced to the pastor.

Oliver Goldsmith called as the pastor from the vestry and spoke as follows: Dearly Beloved Pastor:

As you know, and as we all know, the allotted time of our sojourn upon this earth, as fixed by our God and Creator, is three score years and ten. Out of the allotted time of your life, you have served ten years as a servant of God, as a minister of the gospel, as the shepherd of this flock, as our pastor in Plymouth.

Of the spiritual knowledge, which which God has endowed you, you as His servant and as our pastor, have sincerely endeavored to impart to us, the true word of God, and the plain and pure doctrine of the Lutheran church, and if all we members of this congregation have communed with ourselves, have cast aside petty differences of opinion, have prayed to our Lord and Saviour to guide us in our decisions, then, we must all truly and freely confess that you have succeeded—and furthermore, you have succeeded.

Under your guidance and by your labors, this congregation has grown, this church, the house of God, has grown, and our faith has grown. Faith—this wonderful gift of God, which will not exercise it. Faith which makes all evil good to us, and all good better. Faith—which laughs at the shaking of the spear, finds food in famine, and a table in the wilderness.

In the greatest danger, faith says: "I have a great God."

When our outward strength is broken, faith rests on the promises. In the midst of sorrow, faith draws the sting out of every trouble, and takes the bitterness from every affliction; makes life a discipline of goodness; creates new hopes when those of the world vanish; throws over the ocean of life the most gorgeous of all light; and awakens life, even in death.

Thus, dear pastor, you have succeeded, not only in the growth of this congregation and of this church, but you have succeeded in a far greater and more important mission, the mission which God wishes you to fulfill—the strengthening of the christian faith.

Furthermore, during the ten years just drawing to a close, you—as many others assembled here today, have had your trials and tribulations, your joys and your sorrows—your hours of sunshine and your hours of darkness, and you dear pastor, as well as many dear brothers and sisters, have suffered the greatest of all losses, the loss which, sooner or later we must all bow our heads to, in submission and sorrow, the departure of one or perhaps all of our dearly beloved ones.

But, again, thanks to our christian faith, to the beacon light which guides us through all storms, and the darkest hours, ever shines forth to assure us that, when the storms of this life are over, He, our Lord and Saviour, Jesus Christ, will be on the other shore, where we shall meet him face to face.

And again, dear pastor, we, the members of your congregation, wish to assure you that you, as a servant of God, as our pastor, during the ten years just drawing to a close, have given to us, all that any mortal could give, you have given us the best you had. You have rendered sermons to the best of your spiritual knowledge and of your ability. You have comforted the sick, and performed the last sad rites. You have done your best.

Therefore, in love and appreciation of your services, we, the members of your congregation, have this day voted to grant to you, a long delayed and much needed rest. You are to have a leave of absence, or, if you please, a vacation, of two weeks, to be taken at your own convenience, with full pay. But, a vacation without sufficient funds, as we all know, would not be an enjoyable one, so, therefore, in behalf of the congregation and other friends, I herewith present to you this donation—accept it, dear pastor, not as a token, accept it with a free and open heart, accept it in the spirit of love and appreciation, accept it in the same spirit in which it is given—resting assured that it comes from true Christians, with great and noble hearts. And may God grant and give you

health and happiness, may He grant and give you a pleasant and peaceful journey, and may He bring you safely back to us, refreshed in both mind and body, and may He further grant that those of us who are assembled here today, as well as those who are absent, may ever remain steadfast in our faith, and, when this life's journey is over, we may all meet.

Far, oh far beyond the mountains, Where lies that happy, distant land, That land of pleasure, that land of beauty.

Where there are cloudless skies and golden strand.— Where the heart will know no sorrow, Where the tolls of earth shall cease, Where strife and anger are hushed forever.

Where all is rest and perfect peace. In responding to the words of Mr. Goldsmith, the pastor thanked the congregation heartily for all love and kindness shown him in words and deeds, and again asked all to glorify God for his goodness and mercy. The pastor said at the conclusion: "Let us all unite in that prayer to our God, to bless preaching and hearing, shepherd and flock, that when the end comes, we may all of us appear before his throne and I may joyfully say: Lord, here am I, and all, which Thou has given unto me, and we, all of us, may enter into that most glorious temple of heaven."

## SUDDEN DEATH OF FRANCIS HIGGINS

Francis Higgins was born April 11, 1882, at Blantyre, Scotland. He served all during the Boer war, and was honorably discharged in England. He came to America at the age of 22, and most of his time was spent at Scranton, Pa. April 26, 1923, he came to Plymouth, and resided with his brother and wife. Mr. and Mrs. John Higgins, until a few months ago, when he moved to the Plymouth hotel, where he passed away very suddenly, Thursday night, July 16, 1925, at the age of 43 years, 3 months and 5 days.

Mr. Higgins had been in poor health for three years, but had seemed as well as usual when he left his sister's home at nine o'clock. At 9:30 o'clock he was stricken, and before medical aid reached him, he passed away in peaceful sleep, a hemorrhage causing his death.

He leaves to mourn their loss, one sister, Mrs. John Dougan of this place, and three brothers, John, of Plymouth, William of Scranton, Pa., and James of Hamilton, Scotland; also several nieces and nephews, cousins and many friends. The funeral was held Monday morning at nine o'clock from Our Lady of Good Counsel church, Fr. Fefevre officiating. Burial in Riverside cemetery.

## COMMUNITY PICNIC, LET'S GO

The Community Sunday-school will hold a picnic Saturday afternoon, July 25th, on the E. C. Smith farm, 1 1/2 miles west of the Wayne road on the Ford road; this farm was formerly known as the Anton Warner farm. There will be a program consisting of music and addresses, sports and games of various kinds, a ball game at 4:00 o'clock. Five coupons of \$2.00 will be given away to the children, and the dinner will be pot-luck served. Everybody is most cordially invited to attend this picnic. Just bring along something to put on the table, good to eat, and everybody enjoy a pleasant afternoon.

Directions to the picnic grounds: Follow the Wayne road to the Ford road, then west 1/4 mile. There you will see the flags and banners floating which will plainly tell you you have reached the picnic grounds.

## WAYNE COUNTY FOLKS ATTEND FARMERS' DAY AT STATE COLLEGE, FRIDAY, JULY 31ST.

Rather than hold a picnic this year, as has been their custom for some time, Wayne County Farm Bureau members, growers and friends will attend the annual Farmers' Day at the State College at East Lansing, Friday, July 31st.

The program is very attractive and starts with a horse pulling contest at 10:00 a. m. (one entry being a team of oxen). There will be a live stock parade, band concert and an opportunity to tour the farm and study the experimental plots. This annual event is a real opportunity to see what the college is doing and enjoy a good day generally.

Tell your friends and neighbors of the plans, take your basket lunch and be on hand early.

RALPH CARR, County Agricultural Agent.

Miss Marie Boucher of Rochester, N. Y., visited her uncle and aunt, Mr. and Mrs. James Horan, the latter part of last week.

## MUNICIPAL NOTES

Last week the manager found no time to write up his column of notes. There are lots of things doing here in Plymouth.

An electrically lighted sign has been placed in the park front opposite the comfort station on Main street, to call attention to the location of that building. It is hoped that this sign will answer a lot of questions that otherwise would be asked of the various merchants.

Theodore street, between Main street and Farmer street, has been graded and more chiders are here for the grading.

There is so much patronage at our picnic park at the flats, that we have had to build six more tables for the diners. The woods have been cut, and a new road graded in from the Plymouth road to the park.

Monday evening, the 13th, bids were opened for the water pipe for this season's extensions. James B. Clow & Sons will furnish the pipe and valves, and the Detroit Lead Pipe Works the joint material. We have had wonderful delivery service on the pipe. The order was phoned to Ohio, Tuesday morning, the 14th, the first two cars were shipped from Coshocton the 16th and 17th, and were placed ready for unloading the morning of the 20th. Through the courtesy of the General Machine & Iron Works, their traveling crane is unloading the pipe for us.

Water meters have been placed in all houses on Penniman avenue. This is in line with the policy of the village to meter all the town as soon as practical. Taking a whole street at a time this way, simplifies the work of reading and caring for the meters.

The sewer contract is making good progress. The concrete culvert is being put in the creek at Main street, and the big ditch digger is up to the Plymouth road on Holbrook avenue, on its way to the north end of the town.

The order has been placed for this year's installment of street signs. They will be the same as put up last year except for having larger and stronger iron posts.

The Commission Monday evening authorized some new signs to be placed at the village limits at the various entrances. These will consist of the village seal in colors and plates lettered appropriately to indicate the village limits and also the vehicles speed limit.

Two bids were received Monday for the construction of the warehouse so long needed at the rear of the village hall. On account of the small attendance of Commissioners, and to allow further figures to be offered, the bids were held up for a few days.

The manager's office is back in the front room at the hall. The new floor and fresh paint make it very much more pleasant to work in.

## WILL OPEN NEW CONFECTIONERY STORE

Anthony Trupis announces the opening of a new confectionery store in the new Trupis block at 900 North Mill street, in north village, next Saturday, July 25th, at 12:00 noon. Mr. Trupis has not spared any expense in making the new store up-to-date in every particular. The furnishings and fixtures are all modern, and are very attractive in appearance.

Besides a complete line of confectionery, ice cream, sodas and soft drinks of all kinds will be served. The new store will be known as the Trupis Enterprise, and a very cordial invitation is extended to the public to call and inspect the new store on opening day, Saturday, July 25th.

## NORTHVILLE'S NEW THEATRE BUILDING UP TO THE MINUTE

Through the courtesy of Harry Lush of Plymouth, a representative of the Record was shown the plans for Northville's new theatre building, last Friday. The structure will be 50x180 feet in size, with entrance to the theatre in the center. Back of the stores and just off the foyer will be a commodious rest room for ladies and a smoking room for gentlemen, an office for the manager of the theatre and the auditorium proper will contain 743 chairs of the newest and latest pattern. Beneath the stage will be four dressing rooms, an orchestra room, heating plant, fuel room, etc., with orchestra pit directly in front of the stage, which will be large enough to accommodate good size companies for the presentation of home talent attractions.

The new building will be an ornament to our business section and a credit to those who are promoting the enterprise.—Northville Record.

## GREATER BRIGHTMOOR HAS 12,129 PEOPLE

Greater Brightmoor now has a population of 12,129 people, living in 4,014 houses, supplied by 227 stores. These figures supplied by the July census taken by the E. E. Taylor organization, which census has just been completed. It shows that Brightmoor's growth during the last three months has been 810 people, with an attendant increase of 146 homes and 37 local stores.

Additional acreage has been purchased in the Brightmoor section, bringing the total acreage to 4,822, approximately 7.3 square miles. Mr. Taylor estimates that when Brightmoor is completely sold out, the improvements will include 140 miles of water mains, 270 miles of sidewalks and 113 miles of streets. The total number of lots in this development is approximately 34,000. Exactly 14,590 lots have already been platted. Already installed are 62 1/2 miles of water mains, 96 1/2 miles of sidewalks and 49 miles of streets.

Selling property located almost entirely in Brightmoor, the E. E. Taylor organization smashed its record for second highest month, and almost equaled its record month of all time during June.

## D. U. R. WILL INAUGURATE NEW TARIFF AUGUST 12TH

Contrary to expectations the Detroit United Railway is not going to exercise in full its authority, granted by the Michigan Public Utilities Commission, to charge three cents a mile flat for transporting passengers over its several interurban lines.

On this and practically all other divisions, it has placed the maximum charge at two and three-quarter cents, but regular or even semi-regular riders will be carried at even a far lesser rate through the use of commuter tickets. By making the proper purchases rides may be had at two cents a mile. The new tariff goes into effect August 12th.

With the maximum rate at two and three-quarter cents a mile, the following discounts will be charged: 20-ride books good for purchaser, to be used in 90 days at two cents a mile. 30-ride books, good for family, to be used in 90 days, at two cents a mile. 12-ride books good for purchaser, to be used in 30 days, at two and one-fifth cents a mile.

Round trip tickets at 10% off. The discounts apply between all points except within the city of Detroit, where only the city fare of six cents is charged.

"We have no desire to go to the maximum allowed if it is at all possible for us to avoid it," said A. L. Drum, executive manager, in a statement to the public. "We are going to put forth every effort to build up our traffic by cultivating the habit of regular riding. We think it proper to give regular riders a decided advantage, and so we are putting in a liberal system of commuter tickets, liberal not only as to rates, but very liberal as to the time in which such discount tickets can be used. It is very clear, of course, that a man does not need to ride anything like every day to take advantage of the discount rates."

Mr. Drum also announces that to help out in a wide distribution of the commuter books they will be offered for sale at several places along the line, in addition to the waiting rooms. They will not be handled by the conductors owing to the amount of work required in stamping and punching. In the meantime the station agents have copies of the tariffs and further information as to rates between specific points can be obtained from them.

## NEW HOTEL AND RESTAURANT

Announcement is made in this issue of the opening of the new Wolverine Hotel and Restaurant in the new Trupis block on North Mill street in north village. The hotel and restaurant is all newly equipped, and it will be the policy of the management to render the best quality of outs and service. The public is invited to call and give the new management a trial.

## POTATO GROWERS' FIELD DAY

Saturday, July 18th, Wayne County Potato Growers visited six fields of Irish potatoes. This was the final lesson in the series started last winter. There were 15 to 25 men at each stop and all were much interested. Anyone who is interested in the growing of potatoes and who was not able to make the trip will be welcome at any of the places.

The first stop was at Levi Clemens', who has eight acres and has controlled leaf hoppers, flea beetles and potato beetles by the use of liquid spray. B. L. Galpin and William Norman were visited next—both men are using urea instead of liquid. The fields of Landis & McKenney, Gilbert Weller and Arnold Haener were seen in the afternoon—all are using liquid spray. All the growers are using certified north-lake grown seed and generally fields are looking good.

Mr. J. W. Weston, potato specialist from the State College made the trip with the growers. Arnold Naener, who has the largest acreage and expects a yield of 3,000 bushels, treated the crowd to lemonade and cookies.

RALPH CARR, County Agricultural Agent.

Mrs. Amelia Rogers of Ann Arbor, mother of Mrs. W. H. Hoyt of this village, died at her home in that city Sunday, July 19th. Funeral services, conducted by Rev. S. Olinger Hathaway, pastor of the First Presbyterian church of Plymouth, were held Wednesday afternoon from her late home on South Main street in that city. Mrs. Hoyt was the sympathy of many Plymouth friends in her bereavement.

Mr. and Mrs. El Beldor of Pensacola, Florida, visited the first of the week at Mrs. E. Ashton's on Ann street.

## FORMER PLYMOUTH BOY MAKES GOOD

The Capital Times of recent date, gives space to an article complimentary to E. V. Chilson, better known as "Bert" Chilson, who is serving his third term as deputy secretary of state and is a pronounced candidate for the Republican nomination for secretary of state next year at the state convention.

Chilson is a native of Michigan, born at Plymouth 54 years ago. He attended the schools there, and later at the age of 14 years took up the printers' trade in the office of the Williamston Enterprise, where he worked four years. Then he went to Detroit, where he worked on the News and in job offices for two and a half years, attending night school during the time he was earning his living. Together with C. F. Newkirk, he established the South Lyon Pictorial, now the South Lyon Herald.

After his marriage he went to Lansing, where for many years he was connected with the Lansing State Journal. He served about 23 years in newspaper work.

In 1893, he was made assistant secretary of the state senate, and on the resignation of Dennis E. Alward in 1901 was selected as secretary. This position he held for six years, the longest service of his kind save Mr. Alward, who later again assumed the secretaryship, which he still holds.

During his many years in Lansing, Mr. Chilson was successful in business. He was at one time secretary of the Lansing Business Men's Association, now the Chamber of Commerce, and in that capacity played an important part in the organization of many local industries, which today are counted among the larger and most successful business concerns in Lansing. He is interested in manufacturing concerns in Lansing, Jackson, Detroit and other cities.—Capital Times.

## JONES-LONG

Percy D. Jones of Detroit, and Miss Ethel Long, daughter of Mr. and Mrs. William C. Long of Inkster, were married at the bride's home, Thursday evening, July 16th, at 8:30 o'clock. Rev. D. D. Nagle performed the ceremony in the presence of the immediate relatives of the bride couple. The bride was attended by Miss Glenn Jones of Detroit, sister of the groom, while Willard S. Arnold of Detroit, acted as best man. Following the ceremony, refreshments were served.

The bride has been employed in the local telephone office, while the groom is employed at the Detroit Creamery Co. They will make their home in Detroit.

## FARMERS WILL STUDY M. S. C. FIELD TESTS

SPECIAL TOUR ROUTES MAPPED OUT FOR FARMERS DAY GUESTS ON JULY 31.

Guided by special tour routes, which are to be lined out by arrows and signs, thousands of Michigan farmers will inspect the extensive experimental fields at Michigan State College on Friday, July 31st.

While the entertainment side of the farm day is being given a lot of attention this year, the fact that most of the visitors will be interested in the scientific agricultural work at the college is not being lost sight of by those in charge of arrangements. Inspection trips to various parts of the 1,200 acre farm are so planned as to "take in" the most interesting features, are being carefully outlined.

Hundreds of acres of crops and soils test work, forest nurseries and woodlots, truck gardens, orchards, the livestock barns, and the college buildings themselves are included in some one of the several optional tours, which will be ready for inspection.

The horse pulling contest, using the new dynamometer, will rival the tours for morning interest, while everything will center at the big open air meeting in the afternoon. The general meeting is scheduled to start at one o'clock, eastern time, and will include various entertainment features in addition to the strong speaking program.

As usual, farmers are being urged to "bring the whole family" to the July 31st conference. Farmers Day really takes the form of a big informal picnic, the entire family finding interest in the day's program.

Mr. and Mrs. Paul Wiedman entertained the piano and 500 clubs at their home, last Friday evening, in honor of Mr. and Mrs. Walter Westphal, who are moving to Detroit. Cards and music featured the evening, and a lunch was served.

#### OUR FIRE LOSSES

The National Board of Underwriters has just sent out a report of fires in the United States for the year 1924, and it shows a total loss of \$548,000,000, or at a rate of \$1,044 a minute. This breaks all previous records, and would indicate that the American people, instead of growing more careful and working harder to prevent fires are actually growing more careless.

Here is something every Plymouth home owner would do well to study over a while. The money that went up in smoke in this country last year would have paid off more than half of the interest on the national debt. It would have built hundreds of modern schools, hundreds of churches and private buildings and would have built thousands of good, substantial homes.

The report declares that a vast part of this great loss could have been prevented, and that even where there are few fires actual money can be saved by those who are cautious, because fire insurance rates are lowest where fires are fewest and where the general public shows a desire to prevent them. The loss last year was sufficient to have given every citizen of the United States the sum of five dollars. In many instances the property destroyed can never be replaced, and that is the saddest feature of it. It is bad enough for a nation to lose \$548,000,000 through any source. But it is little short of criminal for it to lose almost that much through carelessness.

#### IT HELPS THE BOYS

We read recently where the director of music in the Oakland, California, schools said that "if you'll teach a boy to blow a horn he won't be so apt to blow a safe." And he also deplored the fact that the smaller towns of the country are fast drifting away from the old idea that a brass band was a fine asset. We feel sure Plymouth citizens will agree with him there. Nothing gives our smaller towns more good advertising in territory surrounding them than a well-organized, well-conducted brass band, and nothing aids more in employing the leisure time of our young men than being members of such an organization. We're sorry to see the radio and the phonograph replacing this fine old institution that comes from music rendered by "home town boys," and they can never give the town the fine reputation for progressiveness that the home-town band can give.

#### NOT SO BAD

We've heard quite a few Plymouth people declare that teaching has no future. A few days ago when Glenn Frank, still in his thirties, was engaged as president of Wisconsin University at a salary of \$18,000 a year, we suppose these same people used this to bolster up their argument. But before doing so they should get all of the facts, and facts will show that Glenn Frank was not a teacher but a magazine editor when he got the job. He did teach at one time, before entering the literary field, and would probably never have ascended to his present place unless he had done so. So there is room for argument both ways in this case—whether he could have secured the \$18,000 a year job without having at one time been a teacher, or whether he only secured it because he was no longer a teacher. In the meantime, teachers will go right ahead drawing salaries that are too small.

# FIRST PRESBYTERIAN CHURCH

REV. S. CONGER HATHAWAY, A. M., PASTOR

## THE NEW BOOK OF ACTS

"Scattered abroad" like the early disciples, Plymouth Presbyterians will go "everywhere" during the month of July

### "PREACHING THE WORD"

The church will re-open for public services on Sunday, August 2, 1925.

### METHODIST NOTES

The mid-week service of study and worship is held on Wednesday evening at 7:30. You will find spiritual refreshment in this hour of fellowship.

The Booster Class has a bake sale at the gas office on Saturday of this week in the afternoon. They will appreciate your patronage. You will also be repaid in the good quality of goods you purchase.

The one who lives for self and forgets God will have little to comfort and sustain him in the time of trouble, but he who puts his trust in the Lord will find himself sustained and strengthened and comforted amid life's trials and perplexities.

"I know and am persuaded that He is able to keep that which I have committed to Him against that day."

Attend church and Sunday-school next Sunday.

Miss Mary Hill, one of our Deaconess girls, who is home for the summer will speak to the senior department, next Sunday morning, in the opening exercises.

### BAPTIST NOTES

We were glad to welcome so many strangers at the service, last Sunday. The Sunday-school is doing well, and a very goodly number are present every Sunday. Some of the teachers are away on a vacation.

Rolland Allenbaugh led the B. Y. P. U. Sunday evening, and gave a fine review of Luther. Everyone enjoyed the service. It is the hope of the society that eight or ten may attend the B. Y. P. U. state convention, the last of this month, at Kalamazoo College. This is always held in connection with the summer school for Sunday-school and B. Y. P. U. workers.

Last Tuesday afternoon was to be the Sunday-school picnic at the tourist camp, but the rain hindered, so the event was held at the church in the basement. About fifty sat down to the picnic supper. Another picnic will be arranged soon, so all can come and enjoy themselves.

The pastor was in Pontiac, last Monday, making final arrangements for the Wayne Association, to be held at Rochester Baptist church about September 15th.

### LIVONIA CENTER LUTHERAN CHURCH.

There will be no services at the Livonia Center Lutheran church on Sunday, July 26th, as the pastor has been asked to deliver a sermon at the mission festival at Scharwaag on that day.

### NEWBURG

The sermon Sunday morning by the pastor from 1 Samuel 19-23, gave much food for thought. The attendance in Sunday-school keeps up fine for summer. All are most cordially invited to church service and Sunday-school.

The Union Sunday-school picnic was a great success, last Saturday afternoon. A large number were present from Beech, Perrinsville and Newburg.

It was an ideal day to spend out of door. The flats just below the dam at Nankin mills makes a nice picnic ground. There were sports of all kinds. The tug-of-war caused a good deal of excitement, Newburg winning against Beech, and Perrinsville against Newburg. There were races of all kinds, also an impromptu base ball game was gotten up. Rev. Havens umpiring the game. The young folks enjoyed the swimming pool. At five o'clock the tables were loaded with good things, from which a self-serve lunch, with lemonade for all, was served. The stand was well patronized, and a nice little sum cleared for the Sunday-school. Mr. and Mrs. Charles Barnes of Lansing, and Mr. and Mrs. Purdy and Mr. and Mrs. Trumbull of Detroit, were there to meet old friends. The ladies were former Newburg girls—Nora Smith, Jolie and Etta Sackett.

Mrs. James McNabb entertained eleven ladies from Excelsior W. C. T. U. of Detroit, last Friday. Mrs. McNabb was president there for eleven years. They presented her with a silver sandwich tray as a token of their love and esteem.

Mr. and Mrs. Ed. Hammer and Mr. and Mrs. Pete Mademan of Detroit, spent Sunday with Mr. and Mrs. Jesse Thomas.

Mrs. Mark Joy is spending the week with friends in Owosso.

Miss Clara Grimm has been hired to teach one of the grades at Martinville, for the ensuing year.

Mrs. C. E. Ryder called on Mrs. Sarah Holmington, last Friday afternoon.

Mr. Brady has broken ground for a new house in the new subdivision on Plymouth road, east of Newburg road.

Mr. and Mrs. Donald Ryder and son, Junior, accompanied by Mrs. C. E. Ryder and Mrs. Emily LeVan, motored to South Lyon, Sunday afternoon, calling on Mrs. R. Barnes and Mrs. LeVan's cousin, Mrs. Annie Ellis, and Mr. and Mrs. Frank Dewey.

Misses Anna and Ada Youngs attended a Youngs family reunion at Elizabeth Park, last Sunday.

Mr. and Mrs. James Norris and Mr. and Mrs. Clark Mackinder motored to Jackson, Sunday, to visit Mr. Mackinder's sister, who is just about to leave for California.

Mrs. Ann Farwell's little granddaughter from Detroit, is staying with her for a while.

Division No. 1 of the L. A. S. will hold a bake sale in Blake Fisher's shoe shop, on Main street, Plymouth, Thursday afternoon, July 30th. They are also making plans to hold an old street school, at the hall, August 6th. Further notice later.

A Radio Carnival, Station N. L. A. (Newburg Ladies' Aid) will broadcast a program from the Mitchell farm on Ann Arbor road, just west of Newburg, on Friday evening, July 31st, starting at 8:00 o'clock. Something new. Good program. There will be various stations where you can purchase something good to eat; have your fortunes told; also a grab-bag for the youngsters. Everyone come and enjoy the fun. Mitchell stop on the car line.

A very pleasant social event of last week was in the nature of a miscellaneous shower, given by Miss Miller at her home, for Miss Martha Gayde, who is to be married on the 28th of this month. About 48 were present. It was a complete surprise to Miss Gayde, when she was led up to the altar, which was hanked with ferns and baby's breath, to the strains of the wedding march played by Angeline Rousseau. A mock marriage was performed, with Mrs. Allen acting as the groom. After the ceremony, the bride was showered with numerous gifts. The evening was spent in dancing, after which lunch was served. All wished the "bride" a long and happy wedded life.

**Picked Up About Town**  
Ever notice that all "self-made" men seem to run with the muffer wide open?

Dad Plymouth says that another inducement for the men to go straight these days is the accuracy that women show when they shoot at their husbands.

Who can remember the good old days, when young married women, meeting on the street, talked about babies instead of bobs?

"Father and mother, didn't have to have a horse and buggy before they got married," comments Dad Plymouth, "but it's hard these days to get a girl to accept a fellow who hasn't got a car."

It's getting up courage to drive the first nail that's the hard part about building. You can trump up dozens of reasons for postponing the job—but did you ever know anybody to be sorry he built?

**MAY TAKE SEED CROP OF ALFALFA IN STATE**

CONDITIONS HAVE BEEN EXCELLENT FOR HEAVY SET OF SEED IN MANY SECTIONS, SAYS M. S. C. MAN.

A chance for many farmers of the state to harvest a profitable alfalfa seed crop this year, if they see fit to let part of the second crop go for seed, is shown by observations made throughout the state by members of the crops department at Michigan State College. "Conditions so far have been excellent for the development and pollination of the alfalfa flowers," says Prof. J. F. Cox of the college staff. "If the same condition continues, a heavy set of seed should develop where the alfalfa is not cut for hay. Many alfalfa growers find it profitable to allow part of their alfalfa acreage to make a seed crop. Michigan grown seed has not with unusual favor during the past few years and is in strong demand, particularly the Grimm, Hardigan and the LeBeau varieties. "The second crop should be cut for seed when fifty to seventy-five per cent of the seed pods are brown. After curing for a week or ten days, or longer, it is ready for the threshing, using the ordinary clover huller with alfalfa seed screens. Yields of from one to five bushels per acre are secured. Under favorable conditions, an average yield of three bushels of seed can be expected. The straw secured from threshing makes excellent roughage for cattle feeding. "Dry weather at blooming time usually favors seed production, and to date general seasonal conditions would lead us to expect an unusually favorable alfalfa seed year in Michigan. "The clover seed crop of the state will undoubtedly be short; hence, wherever alfalfa shows a promise of setting seed it should prove a dependable crop."

**Today's Reflections**

A Kansas City man was knocked out of bed the other morning by lightning. It takes that to get some fellows up.

We have met Plymouth women who will admit they are not handsome, but we never have met one who would admit that she wasn't sensible.

The fellows who used to travel about telling fortunes are now going around selling stock in goldless gold mines and oilless oil wells.

There are still a few old-fashioned girls who sit on the floor when they put on their shoes and stockings.

We heard one Plymouth man hoping yesterday for everlasting peace. He said we'll have to have it in order to make enough money to pay for the last war.

Some of us can remember the time when a man always asked a lady's permission before lighting a cigarette.

Plymouth still has a few men who try to impress you that honesty and piety will be getting scarce when people of their own age are gone.

Half the world does not know how the other half lives, but the half that doesn't know is working over time trying to find out.

When prosperity shakes hands too many think the work is all done and signal the picnic train for a ride.

It is because they are cowards, not because they are modest, that most Plymouth men don't shed more clothes in summer.

We see where they're using old auto inner tubes for door mats. They are nice to wipe your feet on when the family has a "blow-out."

Next to his first baby, nothing makes a Plymouth man any prouder than pulling out his first big fish.

Sansen at the Mail office says everybody thinks he knows how to run a newspaper.

We're no exception to that rule.

But we can't afford a newspaper of our own. We're too busy with the Lumber and Building Material business.

So we have arranged for this little corner in the Mail and will devote it to the news of our yard.

We may not talk about lumber and building materials all the time.

We may decide to write poetry or high brow editorials.

But we'll at least try to be interesting, and we hope you'll watch for the Knot Holes each week.

Our editorial policy will be simple:

First—GOOD Lumber and Building Materials.

Second, a better Plymouth.

Third, absolute neutrality in politics. (Safety first).

Mr. Crumble of Crumble & Wood, contractors, is building a fine home on Arthur street.

The annual fish stories are beginning to come in. As usual the biggest one got away.

Fred Rhead, local contractor, is making some extensive alterations to the Newburg school.

Mr. Brady is starting his new home on Plymouth road.

Ever try to follow a strange road after half a dozen local citizens have described it to you.

For that little repair job, you can always find what lumber you need here. And you get the same courtesy with a little order that you do with a big one.

Those White Fir 2x4's of ours are great. They are light and work up good and above all are straight. Try 'em once.

### BASE BALL

Before an enthusiastic crowd of fans which filled the stands to overflowing, the Detroit House of Correction Officers' base ball team won both games of a double header against the pick of Brightmoor and Wayne ball stars.

In the first game, the officers evened up a grudge against the Gottfredson A. C. of Wayne, for the drubbing received at their hands earlier in the season. Howland, hurling for the officers, allowed Gottfredson but eight hits out of which only two runs were allowed to develop. The farm boys, looking for delayed revenge, pounded Goslin, Wayne's star twirler, for twelve hits, making eight good runs out of the deluge. Ferris, one of the officers' stickmen contributed a home run which was the longest ever made on the farm field, the ball clearing the bank back of the road in left field by at least fifty feet. This was his share toward the Waynites' defeat.

The second game which the officers copped, was more hotly contested. The Brightmoor boys held the farmers for five innings at the small end of a 4 to 1 score. For the five innings, Woodgate of Brightmoor had the officers at his mercy, but in the sixth, he weakened and allowed six hits, which the officers, feeling the time had come to end the fans' suspense, turned the hits to good account and romped the circuit seven times. Roman, the best sliker starting for the officers, was hit freely by the left handed batters from Brightmoor, who seemed to delight in this kind of delivery. However, after Rowland took his turn in the box for the second time during the afternoon, the batters from Brightmoor soon faded away.

### PLYMOUTH MERCHANTS DEFEAT STIMPSON'S ALL STARS.

A large crowd witnessed the game which ended in favor of the Merchants after a thrilling ninth inning. The Merchants were leading 9 to 6, at the opening of the ninth inning, but hits by G. Stimpson, Elmer Norzgrove, C. Stimpson and Fleury, and some slow fielding by the locals allowed the All Stars to score four runs. The locals came to bat in the last half of the ninth, trailing by one run. Mitross started the fireworks with a wicked drive to left for two bases, and promptly stole third base, but was thrown out at the plate on a close play, trying to score on a passed ball. Wagonschutz, Walker and Williams singled, filling the bases, and Milliman, after fouling several, crashed a single to left center, scoring Wagonschutz and Walker, and ending the game 11 to 10, in favor of the Merchants.

Sunday, July 26, the Merchants will play Telereka Blue Bird Club on Burroughs field. The following Sunday, August 2nd, the Burroughs Adding Machine Co. of Detroit will play here. Watch for next week's notice.

### SALEM VS. DEKROBO

Salem easily defeated Dekrobo, Sunday, at Eosney's park, by the score of 10 to 2. Batters for Salem—Stump, Rehricks and Schomberger.

### NEWBURG VS. BURROUGHS' INDEPENDENTS.

Burroughs Independents of Detroit, defeated Newburg, last Sunday. Hively's one-base hit in the fourth inning, made it his eleventh straight game that he hit safely.

Burroughs 4 2 3 0 5 5 0 3 0—22  
 Newburg 3 0 0 2 0 0 0 0—5  
 Next Sunday, July 26, Detroit Ring Co. will play at Newburg, at 3:00 p. m.

### STARK

School meeting at the Stark school, also known as Rough & Ready school, was very quiet. The P. T. A. of this school quite forgot the most important event in the school year. Those present were the three officers of the school board and the moderator's son, Charles McKinney was re-elected director; Fred Schmidt, treasurer, and Wm. Love, moderator.

A very fine time was had at the picnic of the three charges of Rev. Havens, Newburg, Beech and Perrinsville. The committee was disappointed at not being able to get the Ford moving pictures. All were content with the promise of them in the near future. Mr. and Mrs. L. Warren Goodell and family of Detroit; Mr. and Mrs. James Love and family of Nankin Mills; and Mr. and Mrs. Wm. Love and son, Robert, spent Sunday enjoying "Carleton Day" at Elizabeth Park.

Mrs. C. Voss left Sunday, with her relatives from Ecorse, for a trip to Buffalo and Niagara Falls. The threshing machine has started out around Nankin Mills.

### KING'S CORNERS

Callers at the Parrish home, Sunday, were Mr. and Mrs. Arthur Walker and son, James, and James King of near Salem; Mr. and Mrs. Otto Kaiser and two sons of Golden road, and J. Frank Parrish and children of the Wayne road.

Mrs. McCracken of Detroit, formerly of this place, called on Mrs. Parrish and other friends during the week-end. Kenneth Lockhart, who was reported as coming home last week, had to stay for further treatment. He is in Harper hospital, Detroit.

Mrs. Albert Roediger and daughters of Southfield, was a visitor during the week-end at the homes of her sisters, Mrs. Robert Johnston and Mrs. Lockhart.

Mrs. Doty of Detroit, is spending a few days with her nieces, Mrs. Robert Johnston and Mrs. Lloyd Lockhart.

Mr. and Mrs. Robert Johnston and Charles Jubenille, were visiting at Ambersburg, Sunday, at the home of Miss E. Dupries.

C. Parrish is still quite poorly at this writing.

The real charm of touring lies in leaving the main-travelled highways and exploring the thousands of alluring side-paths. These dirt roads and trails lead to spots of rare beauty unvisited by the throng—where better camp-sites may be found—finer fishing and lovelier scenery.

In a Ford car, you can enjoy the thrill of exploration and discovery. It is the one satisfactory means of travel for these narrow roads—light—yet so powerful that it will bring you through—easy to handle—sturdy and economical.

It will carry the whole family and the saving in cost often pays for the entire vacation.

#### "HIS SUPREME MOMENT"

Red-hot romance is the dominant keynote of "His Supreme Moment," the new First National picture, which comes to the Penniman Allen, Saturday, July 25th.

Blanche Sweet and Ronald Colman portray the New York actress and the mining engineer, who experiment with love. With her characterization of the luxury-loving daughter of Broadway, Miss Sweet adds new laurels to her long list of screen successes, and Ronald Colman, as the fiery lover restrained by his promise, amply justifies Samuel Goldwyn's prediction that he would be a leading candidate for the 1925 title of "perfect screen lover."

With his characteristic devotion to pictorial beauty, George Fitzmaurice, the producer, presents several important episodes of "His Supreme Moment" in natural color by the improved Technicolor Process. The opening scenes of the picture—a lavish stage production of a Persian harem scene—and a later stage episode depicting a Spanish drama of love are photographed in their entirety in natural color.

In addition to Miss Sweet and Colman, the cast of "His Supreme Moment" includes Jane Winton, Belle Bennett, Cyril Chadwick, Ned Sparks and Nick du Ruiz.

Frances Marion wrote the screen story from May Edington's new novel, and made a good job of it.

#### "DECLASSE"

Corinne Griffith cannot receive too much praise for the superb manner in which she dramatically interprets the role of Lady Helen Haden in the First National production, "Declasse," which comes to the Penniman Allen theatre, Sunday and Monday, July 26 and 27.

Never has the little star lent herself to a part more admirably suited to her dramatic ability. It might have been written for her. Her gowns represented the latest fashions of this country and abroad.

The skillful touch of Director Robert Vignola evidenced itself throughout. Lloyd Hughes, in a not overly sympathetic part in the beginning proves himself capable of handling a difficult role. Clive Brook, a newcomer to motion pictures from the English stage, performs creditably as Solomon. Other members of the cast include Louise Fazenda, Hedda Hopper, Rockliffe Fel-lows, Lilyan Tashman, Joan Standing, Eddie Lyons and Mario Carillo.

The story deals with the unhappy marriage of Lady Helen Haden, and her love for an American, Ned Thayer. Thayer has fallen into the hands of an adventuress and need forces him to become clay in her hands. His reformation and Lady Helen's future happiness are the basis of a thrilling and entertaining story.

"Declasse" was adapted to the screen by Charles E. Whitaker and Bradley King from the stage play which Ethel Barrymore made famous.

#### "THAT DEVIL QUEMADO"

Filled with the dash and fire which has always featured his acting on the screen, replete with good situations, and packed with material which proves that Silver King is undoubtedly the best equine star on the silver sheet today, "That Devil Quemado," the latest of the pictures starring Fred Thomson, has been released by Film Booking Offices, and will be seen for the first time in this community at the Penniman Allen theatre, on Wednesday, July 29th. Dramatic incident follows dramatic incident with just the right amount of comedy in this different and delightful western melodrama by Marvin White and Del Andrews has made a fine job of directing the picture. Gloria Hope has the outstanding feminine role, which she takes to perfection, and a large cast, including Nola Luxford, Albert Priscoe, Bryon Douglas, Joseph Bell, Alan Roscoe and Robert Cantiero are all good. This is the first picture which has appeared featuring the popular western star since his lamentable accident several months ago when he broke his leg doing one of his stunts, and a large and devoted public will be glad to see that he is as well as ever, and just as able an athlete and horseman.

### AROUND ABOUT US

L. C. Bow of Detroit, is the new superintendent of the Redford schools.

The United States Marine band will give two concerts in Dearborn on October 7th.

Plans are under way for the fourth annual picnic of Washtebaw county Masons, which will be held on Labor Day, at North Lake.

Oakland county officials have inaugurated a campaign to clean the highways of sign boards. The people will applaud their efforts.

The total assessed valuation of the village of Redford is rated at \$4,798,150. A tax of \$94,955.95 has been assessed against this valuation.

Farmington electors will vote on September 14th on the proposition of making that village a city of the fifth class, to meet the present day conditions.

The total assessed valuation of Wayne county as agreed upon by the board of supervisors last week, is \$3,520,688,562, representing an increase of \$406,710,114 over last year.

Under the Woodward widening plan between Wayne county line and Pontiac, Oakland county will pay \$800,000 of the cost, half of which is now due the county on state reward roads.

The board of supervisors of Oakland county, at their June session voted to appropriate \$1,500 towards the premiums and expenses of the 1925 county fair, which will be held in Milford in August.

The total valuation of all property in Oakland county has been placed at \$215,819,150 by the board of supervisors, being an increase of \$26,679,919 over the figures of 1924 and represents one of the largest increases in valuation ever put on the county in a single year.—South Lyon Herald.

Oakland county farmers in the vicinity of Orion are being molested with wolves, which no doubt have wandered down from the northern forests. Following reports of raids upon flocks of sheep, the state ordered a Soo coyote hunter to Orion with his three dogs. The dogs have run from cover several of the animals near Orion and Oxford, but so far have been unable to overtake them.

Island Lake State Park and resort section bid fair to rival Belle Isle and other city outing parks, which present more varied attractions to the visiting public. The grounds are crowded with visitors every Sunday and on other days parties from the city and surrounding country as well as transient tourists take advantage of the beautiful park and spacious pavilion, which are free to all. Island Lake promises well to become one of the most popular resorts in the state.—Brighton Argus.

## FIRST BIENNIAL STATE CONVENTION OF RELIGIOUS EDUCATORS—DETROIT, NOV. 4, 5, 6.

A state-wide three-days conversation on the "State of the Commonwealth," in so far as it involves moral and religious education, is now announced for Detroit, November 4, 5 and 6, under the auspices of the Michigan Sunday-school Council of Religious Education. The dominant note running throughout the whole three days program will be "Week Day Religious Instruction," and plans are being taken to bring to the platform an ample number of men and women, who from the various angles of experience will present for discussion their own points of view. The entire field of the Sunday-school, including its extension features, will be covered by special group meetings.

Plans are being laid, according to Executive Secretary J. H. Engle, to make a strong appeal to the public school leaders of the state and to the most influential ministers. It is hoped that out of all the discussion there will be a precipitation that shall crystallize as a sort of norm for the procedure—"Week Day Religious Instruction," says Mr. Engle, "is the most vital subject of the hour, requiring the most careful consideration in order to avoid foolish excess or unwise procedure." The continent is being searched for pioneers in this new field in order that this unusual event may be made worth while to the two thousand or more persons expected to register.

The Michigan Sunday-School Council is a co-operative organization sponsored by seventeen Protestant Evangelical denominations of the state. Prior to 1922 the Michigan Sunday-School Association operated in this capacity but in an unofficial way. The proposed meeting for Detroit marks the departure of this new Council from the old custom of an annual gathering and the beginning of a series of biennial state-wide meetings. The Metropolis of Michigan was wisely chosen for this first gathering. The National Denominational Boards are being requested to release one or more of their specialists to assist in the program. Prof. B. Augustine Smith, the well known Director of Music and Instructor in the Fine Arts in Religion, will be present as will also Dr. D. W. Kurtz of McPherson, Kansas.

This co-operative inter-church event deserves the support and attendance of community minded people, as well as leaders in the field of religious activities.

Delegates from local Sunday-schools will be expected to be named and be in attendance.

### TODAY'S REFLECTIONS

The cross word puzzle fad has about died out since people began fighting over whether or not man sprang from a monkey.

This is the season when many Plymouth people are finding out that a vacation is a good deal like a lottery—you put more into it than you get out of it.

It seems that one sure way for a woman to get into congress is to be the widow of a dead congressman.

You may have beat the locomotive a dozen times, but if you lose out on the thirteenth the public forgets about the other twelve.

Helps Children Over Hot Weather  
Summer complaint makes little headway with children whose careful mothers use Chamberlain's Colic and Diarrhoea Remedy for stomach and bowel complaint, severe and sudden intestinal cramps and weakening diarrhoea. It acts almost instantly and given in a little sweetened water is easy to take. Good for grown persons, too.—Advertisement.

## Coolness For A Carfare

There is really only one method of keeping cool, comfortable and efficient in the hot summer months—making a breeze. And a delightfully cool, refreshing, steadily-blowing breeze can be had at the touch of a button and the cost of a very few cents.

Make your home comfortable in the hot weather. Eat, read, rest, sleep, in the pleasing, health preserving air currents of an electric fan. An ice cream soda costs fifteen cents and cools for five minutes; an electric fan sends out streams of coolness for the whole day at less than half the cost.

You can buy fans cheaply and on easy terms. Come in today and let us show you.
