## REV. AND MRS. D. D. NAGLE GIVEN FAREWELL RECEPTION

### Methodist Community House Well Filled Last Friday Evening, When Members of the Congregation and Others Gathered to Say Farewell.

There was a large gathering of the members of the Methodist congregation and other friends at the Methodist Community House last Friday evening, to attend the farewell reception given in honor of Rev. and Mrs. D. D. Nagle, who were about to leave for their new home at Strathmore, where Rev. Nagle has been assigned to the pastorate of the Methodist church of that place, by the recent conference held at Flint.

A program of short speeches and musical numbers made a very pleasant evening.

Supr. George A. Smith spoke of the splendid co-operation and interest that Rev. Nagle had always manifested in the public schools, and his influence for good through his work with the boys.

Rev. S. Conger Hathaway of the Presbyterian church, and Rev. Sayles of the Baptist church, spoke of the friendly co-operation of Rev. Nagle in all matters pertaining to the work of the church.

Officer Goldsmith gave a reading of a poem in his usual pleasing manner.

Sidney D. Strong spoke of the splendid work that Rev. Nagle had done as the head of the local troop of Boy Scouts, and that his place in that organization would be hard to fill.

R. J. Holcomb, on behalf of the men of the church, presented Mr. Nagle with a splendid white gold watch, and a beautiful floor lamp from the ladies of the church. Kenneth Allen sang a solo in a pleasing manner and on behalf of the choir presented Mr. and Mrs. Nagle with six salad plates and salad forks. On behalf of the Booster

helpmate, Mrs. Nagle has ably met every requirement, and will be greatly missed in the church and social circles of the village.

Rev. and Mrs. Nagle were the recipients of the very best wishes of all present for a happy and successful pastorate in their new field of labor.

**Send Them Away With A Smile.** I don't like "Goodbye Receptions," everybody feels so sad. If we didn't like the Nagles, it wouldn't be so bad.

There's something awful funny about that word "Goodbye." It makes a lump come in your throat and some folks want to cry. But I'm going to tell you just what's the latest style.

The fat should grin, likewise the thin and all the rest should smile. And when we think of all they've done it makes us love them more. They've done a lot for us you know we used to live next door.

How he'd come over anytime when things were on the burner. He may be a minister, but I'll say he's some plumber.

It doesn't matter what it is, he helps in any way. And when it comes to moving, why, he's a human dandy!

A plumber and a drayman, a minister and a friend. And if you're short on smiles, he's got lots of them to lend.

He never seems discouraged, he's always full of life. (Of course, that's partly due, I think, to his little wife.)

His youthful peppy spirit makes a bit of life always share their sorrows and takes part in their joys.

And when he took them camping they had some good lile haws, if all the boys were here tonight, he'd get some good lile haws!

## ANNUAL MISSION FESTIVAL

The annual mission festival of St. Peter's Lutheran church will be celebrated Sunday. There will be three services: German at 10:30—Prof. E. Berg of Suginaw, preaching; English at 2:30—Rev. E. Mossner of Bedford, preaching. At 7:30, Rev. B. Westendorf of Flint, will preach in the English language. In all three services collections will be lifted for missions.

A pot-luck dinner and supper will be served in the church dining hall. All members of the congregation are expected to furnish something, and help entertain the guests at dinner and supper.

## EARL STIMPSON HIGHLY HONORED AT LONDON

A recent issue of a London, Ontario, newspaper, has the following, which will be of interest to Mr. Stimpson's many base ball friends in this village and vicinity:

Before starting this afternoon's game between the Hamilton Clippers and the London Tecumsehs, at Tecumseh Park, the announcement was made that Earl Stimpson, left fielder, was voted the most valuable player to the London club during the present season and was the recipient of the beautiful completely equipped traveling bag presented by S. Fox, President Halligan addressed the throng.

The committee chosen to make the selection admitted they had a very difficult task and one which required viewing the situation from every angle but not only from a playing standpoint but also from a point of view of temperament and mental attitudes of the various players. The committee realize that their selection may not meet with the approval of all local fandom, as there are several players on the club who may have outshone Stimpson during the last month of play, but the decision was based on the whole year's play. Stimpson's batting average for the season is .330. Complete fielding averages are not yet available, but it is thought that the sterling outfielder has an average of close to .985.

Mrs. Will Tregany, Mrs. Jack Fairley and Mrs. Henriette Hight of Detroit; Mrs. A. G. McIntyre of Brightmoor, and Mrs. Fred Phillips of Superior, were Wednesday dinner guests of Mrs. R. Sherman.

## ROTARY DISTRICT GOVERNOR ADDRESSES LOCAL CLUB

### DISTRICT GOVERNOR W. R. YENDALL OF LONDON, ONT., VISITS PLYMOUTH LAST FRIDAY.

At the regular meeting of the Plymouth Rotary Club, last Friday noon, District Governor W. R. Yendall of London, Ontario, was the speaker for the occasion. Mr. Yendall has a most pleasing personality, and through his brief visit here he established a close feeling of friendship with the members of the club and guests who were privileged to hear him.

The speaker emphasized service as the greatest of industrial fundamentals, and he urged all men to look to that phase of their organization with greatest care. Service first in any business is the only sure road to profit, he said, explaining that by the term "service" he did not mean merely the prompt delivery of the grocery parcel to the housewife on time, but that "service" means a complete organization and the adoption of a business policy looking toward the best possible value to the customer in quality, as well as personal attention. A most impressive reference to the far reaching accomplishments of Rotary was very effectively pictured by use of flags from the numerous countries where clubs had already been established, and various incidents which the speaker related indicated the seriousness with which business men in foreign lands are interpreting the Rotary code and applying to their daily life. Guests were present from Ypsilanti, Northville and Plymouth.

## PRIMARY SCHOOL MONEY RECEIVED

### STATE SENDS OUT FUNDS AFTER DELAY. LIBRARY MONEY ALSO RECEIVED.

Mrs. D. F. Murray, secretary of the Board of Education, has received the primary school money for the Plymouth public schools, after a delay of several weeks. The state usually sends school money out during August. The primary school check this year was \$13,045.20. Last year the amount received was \$12,992.40. This is a gain of \$52.80, although the rate this year was slightly lower. At the same time, the primary money was received, the library fund check for \$388.72 was also received. Last year the amount received for this sum was \$383.91.

## WORK ON ANN ARBOR ROAD NEARING COMPLETION

Work on the new concrete highway between Plymouth and Ann Arbor is progressing rapidly. There is yet about two miles of concrete to be laid, and we understand that this will be completed this fall. All of the concrete is laid in Wayne County, and the Washington builders have the grading on the last two miles to the Wayne County line about completed. When completed, the new highway is going to be a great convenience between Plymouth and the University City.

Mrs. Thelma Brunner of Leamington, Ontario, was a guest of Mrs. A. E. Patterson, over Sunday.

## The New Methodist Pastor

REV. FREDERICK A. LENDRUM, D. D.

Rev. Frederick A. Lendrum, D. D., D. D., the new pastor of the First Methodist church of Plymouth, preached his first sermon in the local church last Sunday morning. Rev. Lendrum is a graduate of the Eastern College and Theological Seminary. He took post graduate work in the New York University. He was Registrar of the Drew Theological Seminary and afterwards dean of the

School of Theology of Pueblo, Mexico, serving at the same time as American Consular Agent. For the past five years he has been pastor of the Fremont Ave. Methodist church of Bay City, Mich. He was also a member of the Country Club and Kiwanis Club of that city. The Mail extends a cordial welcome to him and his family to Plymouth.

## FOOT BALL GAME ON LOCAL GRIDIRON TODAY

### Plymouth High Meets Dearborn High On the Tourist Camp Field, This Friday Afternoon at 4:00 O'clock.

## A PRETTY CHURCH WEDDING

The First Presbyterian church of Plymouth, was crowded to capacity, last week Wednesday night, September 23, when Miss Genevieve McClumpha became the bride of Harry S. McClumpha of Amsterdam, New York. The ceremony was performed by the pastor, Rev. S. Conger Hathaway, who used a modified form of the impressive ritual service of the Presbyterian ritual.

Mrs. D. Gilbert Brown, a life-long friend of the bride, presided at the pipe-organ, playing as a prelude, "I Love You Truly," by Carrie Jacobs Bond, and accompanying the soloists, Mrs. Maxwell Moon of Plymouth, and Miss Marjorie Pollock of Detroit. Mrs. Moon sang, "O Promise Me," by De Koven, and Miss Pollock sang, "At Dawning," by Cadman. Then followed the wedding march from "Lohengrin," by Wagner, and the assembling of the bridal party before an artistically constructed altar of white and green, centered with a cross of yellow dahlias and flanked by lighted candles of the same color.

The bride, who was escorted by her cousin, Harry E. McClumpha of Pittsburgh, Pennsylvania, wore a veil, which was held in place by a headband of pearls, a gown of white georgette, and carried a bouquet of pink roses. The matron of honor, Mrs. Zada Chapdelaine, the bride's sister, was gowned in orange georgette, trimmed with tulle velvet, and carried a bouquet of pink and white carnations and snapdragons. H. C. McClumpha of Plymouth, the bride's cousin, attended the bridegroom as best man.

Immediately following the ceremony, to the strains of Mendelssohn's wedding march, the guests retired to the parlors of the church, which had been tastefully decorated with fall flowers and dainty vines, where a reception was given the bridal party by the ladies of the church. New curtains had been previously hung, and never before were the rooms so beautifully arrayed.

During the reception, Miss Marjorie Pollock of Detroit, sang, "The Wedding Eve," both words and music of which were composed and written by William McClumpha, deceased father of the bride. Dainty refreshments were served to the many guests, and the bride and groom departed on a wedding tour to Washington, D. C., and other eastern points. Following the tour, they will be at home to their friends in their newly-built residence awaiting them in Tribes Hill, a suburb of Amsterdam, New York, where Mr. McClumpha is employed as an electrician.

Mrs. McClumpha has been very popular in the schools, churches and social circles of Plymouth. She was graduated from the Plymouth High school with the class of 1903, and for a number of years since that time has been a capable and successful teacher in the local grade schools. As a member of the Presbyterian church she has served in many capacities, especially in the vested choir, of which she has been director for the past two years. Her popularity is evidenced by the numerous "pre-nuptial" showers given in her honor by organizations and individuals in and out of the church, through which many choice and valuable gifts were bestowed upon her. She will be greatly missed by the whole community, which unites in wishing her much joy and prosperity in her married life.

Over three hundred fifty were in attendance at the wedding. Among the many who attended from out of town were: Mr. and Mrs. Harry E. McClumpha, of Pittsburgh, Pennsylvania; Mr. and Mrs. Willis Collar of Mason, Michigan; Mr. and Mrs. E. L. Hull and family and Mrs. Mary Chapdelaine, of Toledo, Ohio, and Mr. and Mrs. William McLott of Grand Rapids, Michigan.

## BIG WESTERN PICTURE COMING

Fred Thomson in "Riding the Wind," comes to the Penniman Allen theatre, Wednesday and Thursday, October 7 and 8. This western star in western plays with his horse, River King, is a great favorite with Plymouth theatre goers.

A most interesting foot ball game is scheduled for this afternoon at 4:00 o'clock, when Plymouth and Dearborn High school teams meet upon the gridiron at the tourist camp, in the third game of the season for the locals.

Coach Contra has been giving the locals some strenuous practice work during the past few days, and the team is in splendid condition for the contest this afternoon. The work of the team at the Northville fair, when they defeated the heavier team of the Northville High, showed a wonderful improvement over the first game of the season.

Everybody who can do so is urged to attend the game this afternoon, and help to cheer the boys on to another victory. Game called at 4:00 o'clock. Admission, 25c. Let's go!

## BOY SCOUTS GIVE FAREWELL TO SCOUTMASTER

The boys of Boy Scout troop No. 1 of Plymouth, met with Mr. Nagle Monday evening, at the Methodist church, for a farewell meeting. For three years, Mr. Nagle has led the boys, and has made an enviable record as Scoutmaster, teaching and helping the boys in their tests and hikes and camping trips. The troop committee, George A. Smith, James C. Gill and Sidney D. Strong, were also present, and acted as Court of Honor, passing seventeen merit badge applications for four first class scouts. Two of these boys, Bob Toff and Stuart Rumba, completed the work necessary to become Eagle Scouts, having obtained 21 merit badges.

The boys and men enjoyed a pot-luck supper, and afterwards the Scouts presented their retiring scoutmaster with one of R. Tate McKeen's Boy Scout sashettes, as a token of their appreciation of Mr. Nagle's work with them.

The troop committee will be responsible for the continuance of the scout troop until another leader can be found.

## BRAKE TEST IN PLYMOUTH OCT. 5 TO 10

Every driver of a motor vehicle is reminded of the brake test campaign which starts in Plymouth next Monday, October 5th, and continues until October 10th.

The local branch of the Detroit Automobile Club and the local police department are co-operating to carry on the campaign here, and it is to be hoped that every driver of a motor vehicle will help to make the test a complete success.

That part of Starkweather avenue between Spring and Farmer streets has been designated as the place where brakes will be tested. Competent mechanics from the several garages in the village will be on duty between the hours of 8 to 11 and 3 to 6 o'clock each day. There will be no charge for the inspection, but no repairing or adjusting will be done.

## PLYMOUTH DAY AT NORTHVILLE FAIR

Plymouth Day at the Northville Wayne County Fair last week Thursday, was a splendid success in every particular. At 11:30, practically all the business places were closed for a half holiday. The parade, which was under the auspices of the Plymouth Chamber of Commerce, formed at Kellogg Park, and got away promptly at 12:30 o'clock. There was a large number of cars in the parade, all bearing a card with the words, "From Plymouth, for Northville." A feature of the parade was the Scotch Highlanders band of Detroit.

The fair this year was one of the best that the association has ever held. The exhibits in every department were above the average. The races were splendid and the fire attractions were of a high order. The ball-games attracted a great number of the followers of this sport. The fair management are to be congratulated on the success of the fifth annual fair.

#### ROAD PROGRESS

In view of the progress now being made in road building in this country, it is amusing to recall the sentiment of Plymouth citizens along this line just a few years back. When it was first proposed in various sections of the country to spend public money to put brick, concrete and macadam on highways, the movement was bitterly resisted, not only by farmers, who saw their taxes leaping to the skies, but by town and city people who saw in the roads only fine speedways for those who could afford to own autos.

Last year 23,000 miles of highway were graded and surfaced in the various states. At the end of 1923 there were 111,140 miles of paved roads in the United States. Adding the 1924 mileage and the mileage done so far this year it is probable that today more than half of the 231,000 miles embraced in the various state roads systems are hard-surfaced. And the end is not yet.

The automobile plants continue their increased activity. There are today at least 17,000,000 automobiles and trucks on the roads of this country. Since there are so many to use and support good roads it will be but a few years until an unimproved highway will be hard to find. And the last communities to build them will be the last communities to prosper. The old idea that good roads were only for the rich has been wiped out, because citizens everywhere have learned that if they get rich, or if they even keep fairly well off in this world's good, they've got to have good roads.

#### QUICK ACTION

Less than two months ago a bandit gang swooped down on a Chicago hotel in broad daylight and killed a hotel clerk. Two of the bandits were slain in the chase that followed, and two were captured. Last week the two taken in the chase were sentenced to be hanged.

Here is an example of quick action, the kind of court work that will do more than anything else to put a stop to increasing crime. Pleas of insanity were entered by attorneys for the bandits—as is usually the case nowadays—but the insanity pleas didn't make much of an impression upon the judge or members of the jury. They went on the theory that if the bandits were sane they ought to be hung and if they were insane they would be worth just as much to the community dead. So they are going to hang.

Reports of the past few weeks indicate that this nation's army of bank and postoffice robbers have deserted the larger cities, and are working the smaller towns. They seem to have more luck in getting away, since it is always an easy matter to steal an auto, and officers of the law are not as numerous in the smaller places. We have often warned Plymouth people not to feel too secure, since the auto makes it possible for these bandits to operate in any section of the country. Keep your eye on the suspicious stranger, and remember that there is no law against asking anyone who acts suspiciously to identify himself. The Chicago case will do much to discourage banditry, but hanging these two isn't going to check it completely. They'll still be bobbing up here and there, and our community may be the next one visited.

#### AS TO MONEY

Uncle Sam's appeal to the public to use silver dollars in place of paper ones has failed of success, so in order to save a little he is going to reduce the size of dollar bills. A dollar buys so little now that the weight of silver seems heavier than in the days when it bought more. There is no doubt

but the paper dollar wears out more quickly, but it doesn't wear out pockets nearly as fast as silver. And the women, with their favorite place for carrying their "bank roll" object to lugging around a pound or two of metal in a stocking that isn't built to withstand much strain. We really see more money in circulation around Plymouth now than we did some months back, and we hope the amount continues to increase. But whether it does or not, Uncle Sam could spend his time to better advantage, it seems to us, in trying to find ways to make the dollar buy more than in trying to find a way to make it last longer.

#### FIGURES DON'T LIE

In 1923 the money spent for advertising in this country averaged \$1,722,861 a day. And while it was paid out directly by men and firms that used it to give their message to the public, the public really paid it in the long run. Advertising is figured as a part of the cost of everything that is bought and sold, and that advertisers found it profitable to spend almost two million dollars a day for printer's ink ought to convince anyone, no matter how dumb he may be, that it must pay. It's hard to get some merchants to understand that if advertising brings big returns to those who use big space, it is bound to bring proportionate returns to those using smaller space. The best selling goods on the shelves are the ones that are best advertised. And since the public pays for advertising in the long run—and expects to pay for it—where is there any argument to support the man or firm that believes as much money can be made without advertising as with it?

#### WAYNE COUNTY TAX RATE LOWER.

Wayne county's tax rate for 1925-6 is estimated at \$1.50 per \$1,000, a drop of 22 cents from the present rate. In the annual report of the Board of County Auditors. The amount to be raised by taxes is placed at \$5,243,168.37, an increase of \$5,800. Revenue for the closing year is estimated at \$2,183,900, and the county's cash balance at \$130,750.

The county's bonded indebtedness is \$6,340,000. Under the law, the county may bond itself for as much as \$106,000,000—Michigan Manufacturer and Financial Record.

#### CHERRY HILL LADIES ORGANIZE SEWING CLUB.

A number of ladies met at the Cherry Hill church last week Tuesday, and organized a class in sewing and a class in nutrition work. Mrs. A. W. Salts and Mrs. Winkle were chosen leaders of the sewing class, and Mrs. Edward Haak will be leader of the nutrition class. Each class will have a meeting each month for six months.

#### AN INTERESTING TRIP IN FOREIGN COUNTRIES.

Athale and Cass Hough, who returned three weeks ago from a three months tour of Europe, have many interesting things to tell of their travels. Landing in Liverpool, they went up the west coast of England, spending a week in the English Lake district before going to Scotland. The Trossachs, Loch Lamond, Glasgow, Ayr, Edinburgh and Melrose gave them an excellent idea of the land of the Scots, and then a week was devoted to a survey of the English Cathedral towns. Oxford, with its many colleges, London, the Hague, Amsterdam, Warken, Brussels, Cologne, Frankfurt and Berlin, all were visited and explored thoroughly—one of the most delightful parts of the trip being a boat ride up the Rhine from Cologne to Rudesheim. The beauties of the Austrian Tyrol were an exquisite beginning for the trip to Venice, Florence and the other great cities of Italy. Italy was found most fascinating, not alone for its artistic wonders, but for the natural beauty as well. The lofty Alps, Lake Geneva, the Jungfrau and Lake Lucerne all combined to make Switzerland the loveliest country for scenery, and then the end of the trip brought a wonderful nine days in Paris, the gayest and most attractive of European capitals. The Houghs sailed home on the "Acania," landing at Montreal on September 8th.

#### MUNICIPAL NOTES

Another much needed stretch of storm sewer is in place—on Spring street from Starkweather avenue west for two blocks. There has been an old sewer of drain tile, in the street, but it was not well laid, and the new one is expected to relieve a number of cellars from periodic flooding.

The next sewer under way is the Forest avenue, south from Wing street. This was authorized last year, but we did not get to it then.

The contractor for the disposal plant, is getting material on the ground for his work. The General Machine & Iron Works is subcontractor for a lot of the steel work.

The quick sand and water are bothering the sanitary sewer work. The progress on the job is very slow. Less than a block remains of the north branch to be completed.

One would suppose that most people know that the light of a lantern is not a very satisfactory aid in filling an automobile gas tank. The driver of one of the A. R. Crow Co. trucks ran out of gas on the road from the Flats to Ann Arbor street, and used a lantern to light the way to refill the tank. The usual thing was the result—a run for the fire department and a ruined truck. This happened last Friday evening.

The work on the interior of the village hall is proceeding nicely. The foundations for the new floors for the truck room and the rest of the space are done, and work on the concrete floor for the truck room is going ahead. The exterior of the new warehouse is complete, except for the composition covering of the roof.

**Picked Up About Town**

Dad Plymouth says that maybe the reason why the Lord made Adam first was to give him a chance to say a few words.

Some folks are pleasant only as an investment, and they never waste kindness where they know it won't pay.

"The reason there are so many societies and lodges," declares Dad Plymouth, "is that some people are forever organizing new ones because they couldn't get an office in the old ones."

Dad Plymouth is authority for the statement that the trouble with the modern bride's "going-away gown," as he sees it pictured in the daily papers, is that it looks like it had already gone.

FORD SERVICE AT CLARENCEVILLE

SHAW BROTHERS

New Ford Dealers

William and Roy are well known in Plymouth, and their many friends will be glad to know they are now Ford Dealers in Clarenceville. They have just completed their new garage and before the equipment is installed the boys are going to put on an old time dance for their opening. The Ford Motor Co., in placing another service station between Redford and Farmington on Grand River, are only carrying out the policy they started many years ago, service to their owners.

The Shaw Boys Will Have Their Opening

Thursday, October 8th at 8 P. M.

BARN DANCE, HUSKING BEE, CIDER AND DOUGHNUTS

Everybody is invited. There will be plenty of room and lots of fun.

BASE BALL

DETROIT POLICE WIN ONE

Detroit Police of the Chene street station, Saturday afternoon at the Farm grounds, trounced the Detroit House of Correction Officers, 12 to 4.

Determined to avenge themselves on the Farmers for the defeat inflicted on them August 29th, the Police used the heavy artillery on Roman, the Farm twirler. Warm, Bach and Martin were the chief offenders, pounding out ten hits between them for six circuits. Curtis and Pasco also hit two clean ones apiece on Roman, who seemed unable to do his regular stuff.

The Cops used Gunn on the mound for six innings, and switched to Hurkley, as Gunn seemed to weaken. Hurkley held the Farmers scoreless the balance of the trip.

The series with the Police now stands as follows:

July 4—Bethune Station 8; D. H. of C. Officers, 20.  
July 5—Hunt St. Station, 4; D. H. of C. Officers, 9.  
August 22—Third Precinct, 2; D. H. of C. Officers, 18.

August 29—Chene St. Station, 5; D. H. of C. Officers, 7.

September 26—Chene St. Station, 12; D. H. of C. Officers, 4.

Sunday afternoon the Detroit House of Correction Officers, with Kuhn on the hurling end, held Brightmoor to five hits, shutting the Suburban Boys out 10 to 0. Kriss for Brightmoor failed to fool the Officers with his delivery, allowing 10 hits for as many runs. Lazor for the Officers, came across for three hits out of three up and contributed two runs to the total.

M. S. C. FARM COURSES TO START OCTOBER 28

The first of a series of special winter courses in agriculture, which will be given at the Michigan State College, this year in connection with the regular college short course work, will open October 28th, according to announcement made here this week.

The sixteen-weeks course in general agriculture, running for two years, is the one which opens on that date. Other courses start just after the first of the year. The sixteen-weeks course is the longest and most comprehensive of all the short courses offered, and is said to give a very complete practical course in scientific agriculture.

Information regarding registration in the college winter courses may be had from the Director of Short Courses, M. S. C., East Lansing.

GRANGE NOTES

Wayne County Pomona Grange will be held at Belleville, Friday, October 2nd. Pomona delegates to be chosen to go to State Grange from Plymouth, at this meeting.

Regular Grange meeting, October 2. Our secretary was notified by State Grange secretary that our new officers were to be elected at the first meeting in October. Many compliments to the committee on the Grange exhibit at the Northville fair, as they won first premium, and as much interest as they took in getting up the exhibit, looks as though the Grange would have some real workers for the coming year.

A Good Thing—Don't Miss It Send your name and address plainly written, together with five cents (and this stip) to Chamberlain Medicine Co., Des Moines, Iowa, and receive in return a trial package containing Chamberlain's Cough Remedy for coughs, colds, croup; Chamberlain's Stomach and Liver Tablets for indigestion, gas, pains that crowd the heart, biliousness and constipation; Chamberlain's Salve for burns, scalds, wounds, piles, etc. Don't miss it—Advertisement.

Communion Service Next Sunday

### BAPTIST NOTES

The following delegates attended the association: Rev. and Mrs. Sayles, Mr. and Mrs. Sewell Bennett, Mr. and Mrs. Lewis Schaal, Mr. and Mrs. George Wilcke. Rev. Sayles is moderator. The association convened in the Baptist church of Rochester, last Tuesday and Wednesday. A goodly number of the B. Y. P. U. were there to enjoy the banquet and young people's program. Rev. Savage, pastor of the First Baptist church of Pontiac, gave the principal address.

The young people's meeting, last Sunday evening, was led by Madeline Shackleton. The missionary topic was, "Modern China." Mr. Allenbaugh gave the young people a splendid description of its history. It was worth-while. Come next Sunday.

Sunday-school rally next Sunday. We urge every member to be present, and call and bring all others who can be persuaded to come. Let each church member be there.

Remember this Friday night is the quarterly meeting. Come and have a good time at the church. Pot-luck supper and a program.

### PRESBYTERIAN NOTES

We congratulate ourselves on our music last Sunday. The solo by Miss Ruth Forsythe, our new choir director, was excellent. We are fortunate to have so able a leader. And Mr. Rogers' violin solos, morning and evening, were received with delight. We hope he will come often.

One of the guests at the wedding gave ten dollars to be distributed among the children of the manse. The mistress at the manse got the wedding fee, and the bride kissed the minister; so all is happy and serene at the pastor's house. Incidentally some of the young men of the church may be asking how to receive a call to the ministry.

The trustees met last Monday night and ordered that a fence be erected to prevent the church property from being used as a public thoroughfare and so endangering its future use for church purposes. The church owns a considerable strip of land, on which the sheds formerly stood, which may be needed soon for building purposes. Last Tuesday night the members of the Christian Endeavor Society gave a reception to the teachers of the public schools and the members of the school board. Over sixty were in attendance. The room was prettily decorated in school colors; the High school orchestra played; the girls' quartette sang, and a contest play was given, in which the eccentricities of the several teachers were humorously featured. Then followed a number of games more or less vociferous. Refreshments gave considerable "punch" to the most active participants, and all departed with the assurance that they had had a good time—and that the Christian Endeavorers are a "live bunch."

### LIVONIA CENTER LUTHERAN CHURCH

There will be regular services at the Livonia Center Lutheran church on Sunday, October 4th, in the German language.

### FRAIN'S LAKE

Will Beatty called at the Fred Sockow home, Friday.

Mrs. Fred Sockow, Sr. is somewhat better at this writing. Her daughter, Mrs. Ida Morgan, is still caring for her. Little Velda Morgan is staying with her aunt. Mrs. Minnie Sowie, nee Mrs. Morgan, is able to leave her mother. Mrs. Sockow is slowly recovering from the stroke she suffered August 8th.

Helen Lidke was thrown out of a Ford truck, Tuesday, and was bruised about the face quite badly. Several from this way attended the Northville fair, last week.

Gus Lidke had his sho filled Monday and Tuesday.  
We are glad to hear that the good roads from Plymouth to Ann Arbor are within two miles of being finished. The gates are down as far as T. W. Lyke's store from the west, and as far as the county line from the east.

### SALEM

Mrs. Louise Niles and Mrs. Crockett were in Ann Arbor, Saturday.

Messrs. J. Herrick and William McCullough are enjoying a two weeks' fishing trip in the northern part of the state, leaving Tuesday.

Mr. and Mrs. Harold Foreman and Harry Olson of Detroit, were Saturday night and Sunday guests of the former's parents, G. Foreman and wife.

Messrs. Carl and Albert Olson of Detroit, were Sunday callers at G. C. Foreman's.  
Frank Ryder, wife and son, Bert, visited at the John Nollar home near Dearborn, Monday. Mrs. Ryder remained for a longer stay, returning home Tuesday.

Mr. and Mrs. Walter Rodgers of Charlevoix, were calling on friends and relatives in town Saturday.

Mrs. G. C. Foreman spent Thursday night and Friday in South Lyon with her mother, Mrs. Mary Dake. Mr. and Mrs. Walter Rodgers of Charlevoix, were also supper guests there.

Miss Ora Rathburn is a guest at the home of her sister, Mrs. J. Herrick.

Mrs. Mary Felesnor was a Sunday caller at the F. Bowers home.  
Mr. and Mrs. Charles VanSickle of Detroit, were Sunday guests of Mr. and Mrs. Harry Atchison.  
Mr. and Mrs. David Gillmore entertained a large company of relatives at a 7:00 o'clock dinner, Wednesday evening, in honor of Mr. and Mrs. Walter Rodgers.

Mrs. Laura Smith entertained a company of twelve friends from Ferndale and Detroit, at a six o'clock dinner, Tuesday evening.

The Bible class of the Congregational church will give a social at the Salem town hall, Friday evening, Oct. 2nd. Ice cream, melons and pie will be served for refreshments. Everybody invited.

# As Modern as The Living Room

People wouldn't think of furnishing their living room with the rough clumsy and uncomfortable furniture of the frontier cabin. Yet, how many otherwise comfortable homes still depend on the outdoor privy instead of the indoor water closet?

Why allow this constant threat to health? Why suffer discomfort—daily and year after year?

The modern indoor water closet adds health protection, as well as comfort to your home. And the cost is far less than many of the other improvements you have paid for cheerfully.

Let us prove it to you by visiting our salesroom. Plan to have this modern plumbing improvement this winter.

# NOW YOU MAY TRY THIS VEGETABLE SYRUP FREE

This Is Your Chance to Prove That Toning Up Your Liver Will End That Tired, Run-Down Feeling. Build Yourself Up! Win Back Sound Digestion, Strength and Energy—Feel Your Very Best Again!

In his private practice Dr. H. S. Thacher demonstrated that such symptoms as Indigestion, Gas on a Sour Stomach, Belching, Dizziness, Colds that Hang On, Sick Headaches, Constipation, that Tired Feeling and a general Run-Down condition of the System are often the result of a sluggish Liver—and that relief in such cases comes quickly when the Liver is properly Cleansed and Toned and the System is working normally again.

**Why This Gives Relief**  
When working as Nature intended your Liver does three things necessary to keep you feeling your best. First, it purifies your BLOOD, every drop of which passes through the Liver every fifteen minutes. Second, your Liver furnishes the essences that are essential to perfect DIGESTION. Third, your Liver supplies the secretions Nature uses to lubricate your intestines so that your Bowels can move naturally, gently and regularly every day. When your Liver becomes sluggish it cannot do these three things; consequently, you suffer from one or more of the symptoms above described.

**Share It With Family!**  
Just to prove to you that you CAN get quick RELIEF, druggists are giving away FREE liberal trial size bottles of Dr. Thacher's Liver and Blood Syrup. It is a syrup of PURELY VEGETABLE ingredients known to Physicians for their CORRECTIVE and HEALTH-BUILDING properties. Each ingredient is chosen to help Nature to cleanse and tone the Liver—to correct this cause of Constipation—to improve Digestion and Appetite—to Nourish and Strengthen the System—to tone the Tired and Overtaxed Nerves, and to send purer, Healthier Blood coursing through your veins.

### CHAMPIONSHIP AUTO RACES NEXT SUNDAY

MANY DRIVERS ENTERED IN 150-MILE EVENT TO BE STAGED ON STATE FAIR GROUNDS, SUNDAY, OCTOBER 4TH.

Next Sunday at 2:30 o'clock Eastern time, fourteen of the fastest race cars in the world, will get the flag and roar away on the second annual 150-mile world's championship auto race to be held on the Michigan State Fair track out Woodward avenue. All records for speed and entry of cars has been broken. Half a hundred race cars drawn from many states are here, and have been practicing during this week on the fine speedway, which has been created by throwing up the turns. There is every indication that all world's marks for dirt tracks will be broken. No clay-dirt track in the country, has the reputation that Detroit has. A regiment of police will go on duty at day-break to protect the gates and the speedway proper. Reservations have been pouring in from all over the middle west for box and other choice seats for the race. The most famous of the world's star pilots have signed the entry blanks. This race—open to the world and for cash and accessory prizes—is looked on as next in importance to the 500-mile battle on the brick at Indianapolis. Representatives of the contest boards under whose direction the race will be run are here, have measured the track, inspected the pits, the score board and pronounce the speedway hard and well oiled and dustless, ready for the big classical battle of brains and daring. Members of the varsity squads of the U. of M. and Michigan State Colleges playing on historic Ferry field the day before the race, will be on hand in a special section. Sunday afternoon, October 4th. The gates open at 9:00, the trials will find the track alive with speeding motors, and the race starts at 2:30 o'clock.

### Today's Reflections

As we understand it, every branch of the government is in favor of economy as long as the other branches do the economizing.

If Uncle Sam wants to get rid of \$2 bills, he might try putting some of them on sale in Plymouth at \$1.49 each.

Somebody is saying the short skirt is sensible. So it won't be long before the girls start wearing the long ones again.

Once upon a time a criminal lawyer was supposed to know the law. Now he has only to think up some new disease.

What does the Plymouth man who never has anything much to do, do when he takes a vacation?

Experience is a very faithful and persevering teacher, but we've seen a lot of other teachers who made things a lot clearer.

It's easy to put up a bluff in a big city, but in a small town everybody knows the size of your overdraft.

Why is it that some Plymouth people can't realize that whatever helps the town helps them as residents?

It's hard for a fellow to tell what to do when there's a savings bank ad in one column of the paper and an auto ad opposite it.

It will soon be Hallowe'en and time for popcorn and cider. If some way can be found to keep the tasty juice from working.

We understand that since his wife started to learn to drive the car, a certain Plymouth man is thinking of having the back end of his garage hung on hinges.

The price of diamonds has gone up. Maybe diamonds are only trying to keep up with the price of coal.

Conscience tells many a Plymouth man when he's doing wrong, but lucky for him it doesn't tell the neighbors.

There might be fewer divorces if men were willing to let their wives have all the money as they are willing to let them have all the religion.

We heard a fellow say yesterday that the reason some women around Plymouth like a party line is so they can keep a line on the other party.

### IN MEMORIAM

In loving memory of our little darling, Orville Eugene McKinney, who passed away one year ago September 30, 1924.

None on earth can take your place. You have left this earth of sorrow. And you are free from pain and harm.

And you rest in peace and comfort in the Blessed Saviour's arms. The days are sad without you. And nothing seems just right. For we daily love the one who has left us so kind and bright. The God who gave her name. With hearts to heaven to dwell. Although our hearts are breaking. For one we love so well. Her mother, Grandparents and Sister.

There's a particular sense of satisfaction which comes to one who saves regularly. The creative instinct appeals and the creation of capital through a savings account becomes peculiarly fascinating.

### OFFICIAL PROCEEDINGS OF THE VILLAGE COMMISSION.

Plymouth, Mich., Sept. 21, 1925  
A regular meeting of the Commission held in the Commission room of the Village Hall, Monday evening, September 21st, at 7:00 p. m. Present—Commissioners Fisher, Hillmer, Humber and Wilcox. President pro tem Hillmer in the chair. Absent—Commissioner Robinson.

The minutes of the adjourned regular meeting of September 9th were approved as read.

On motion the contract for the construction of the Sewage Disposal plant and river crossing, including necessary filter beds was awarded to the A. R. Crow Company of Detroit, and the consulting engineers were authorized to negotiate with the Pacific Flush Tank Company for the necessary dosing equipment and to take steps to provide the necessary filtering material.

An agreement with the Pere Marquette Railway Company was then presented for execution providing for the necessary crossing under the Pere Marquette railway tracks at Ann Arbor street and at York street of the sanitary sewer. This agreement was such as is usual in such cases, and on motion the president pro tem and clerk were authorized to execute this agreement on behalf of the Village.

A petition was then received from the property owners on Holbrook avenue south of Plymouth road, asking that this road be graded and graveled before winter. On motion, this petition was granted.

The report of the auditing committee recommended the payment of the following bills:

Administration pay roll	\$ 35.00
Labor pay roll	953.90
Police pay roll	154.94
Jesse Hake	1.50
Jewell, Blach & McCordle	194.44

Poorless Blue Print Co.	.64
Detroit Lead Pipe Works	5.85
Taylor Supply Company	3.35
Bice & Archibald Company	15.18
Total	\$1,450.87

The committee also approved the payment of the following checks issued since the last meeting:

Plymouth United Savings	
Bank	\$2,575.90
Fidelity Trust Company	8,145.00
Total	\$10,720.00

The Commission then adjourned.  
K. W. Hillmer, President pro tem.  
Sidney D. Strong, Clerk.

NOT ALL ALIKE!

THE MAN WHO SAID "Restaurants are all alike" changed his mind when he ate here.

Mr. Servus-you-right says you have a right to know where you can get wholesome food at the right price. That's why he keeps on talking about this place.

**PLYMOUTH MERCHANTS - VS. BOUGH & READY.**

The Plymouth Merchants suffered their first shut-out of the season at the hands of Bough & Ready, last Sunday at Burroughs Field, which was in better condition for water polo than has been after Saturday night's rain. Britcher, who started for Plymouth, got in trouble in the second inning, when four hits and a misjudged fly by Wagenschutz let two men across the plate. Milross relieved Britcher in the third and held the Stark aggregation in check until the sixth, when Wagenschutz muffed another high fly and batted over another run which was plenty to win.

Plymouth's failure to score can be attributed to one reason, namely, "Heinie" Clement, who decorated the mound for Bough & Ready. "Heinie" sure had the boys stirring up the atmosphere around home plate with their bats, as fourteen strike-outs will attest. There, however, took quite kindly to some of "Heinie's" offerings getting a double and triple in four times up, and through his own hitting and base running was in a position to score on two different occasions only to be left stranded by the rest of the cast, who seemed to be suffering from impaired vision probably caused from too late hours at the World's Fair last week.

Milross, with a double, and Carruthers's single, a total of four were all the hits the home boys could collect off Clement, which explains the row of zeros in their side of the run column.

**NEWBURG**

It was gratifying to our pastor to see so many at church Sunday morning in spite of the rain. He commenced the new conference year with a fine sermon, taking for his theme the words of St. Paul, "Press onward toward the mark of the high calling which is in Christ Jesus our Lord." There were 64 in Sunday-school. Everyone most cordially invited to attend church services and Sunday-school. Epworth League will hold their meeting in the evening.

The first meeting of the Official Board met at the church Tuesday evening. Committees were appointed, and the reports on the church were left in the hands of the trustees. The outlook is for a prosperous year.

The L. A. S. are quite proud of their new curtain for their hall stage. The business men of Plymouth were most generous with their advertising. Consequently, the ladies have ten dollars to add to their treasury.

Mrs. Emily LeVan spent last week Friday afternoon with Mrs. C. E. Ryder.

Miss Edith Pickett is staying at the home of Mr. and Mrs. Hugh Peters at Northville.

The L. A. S. will hold their business meeting at the hall next Wednesday

afternoon, and complete arrangements for the home-coming and fair to be held October 23rd.

Mrs. Clark Mackinder spent from Friday until Monday, caring for her daughter, Mrs. James Norris at Strathmoor, who is quite ill.

Mr. and Mrs. Mark Joy and family visited Mrs. Joy's brother, Floyd Strander and family in Romeo, Sunday.

Mr. and Mrs. C. E. Ryder and Mr. and Mrs. Clyde Smith called on Mr. and Mrs. Bert Hodge near Northville, Sunday afternoon.

Mrs. Gonnell of Detroit, is visiting her daughter, Mrs. Marvin Gutherie, this week.

The latest to endow their lots in Newburg cemetery are Fred Wilson and S. M. Weed.

Mr. and Mrs. A. W. Taylor of Alberia, have come to spend the winter with the former's sister, Mrs. Jesse Jewell.

**NEWBURG SCHOOL NOTES**

A most enjoyable entertainment was given by the children Tuesday evening, after which the P. T. A. held their meeting. Mrs. Thompson was appointed vice president, to succeed Miss Hall, who was married last June. Mrs. Greer was appointed general

chairman of program committee. The question of having the gym in the school was taken up, and will be decided later. Playground equipment will be taken care of by the school board. The meeting then adjourned until the second Tuesday in October. All were pleased to see the wonderful rooms that are being finished upstairs. One feature that adds greatly to the school, is an office and reading room. The P. T. A. ladies, consider adding couch, etc.

**HOUGH SCHOOL NOTES**

By Chrystal Swegies  
Mr. Fisher, Assistant County School Commissioner, visited school a week ago Friday.

Barbara Hix has been ill, and has not started school yet.

We received a book, "Modern Americans," Wednesday, for the prize of our school exhibit at Elizabeth Park.

We have changed the name of our house-keeping club from "Busy Bee Club" to "Cheerful Workers."

Professor Hoppes of the State Normal College visited school a week ago Tuesday afternoon.

We each received a trial size tube of Colgate's Dental Cream last week. The seventh and eighth graders have been working on good health and good

English posters this week. We have some very interesting posters.  
The Autumn Festival is to be held in Ypsilanti, Tuesday evening, October 6th.

**STARK**

The P. T. A. of the Stark school held their first meeting of the year, on Wednesday, September 30th. The school has enrolled 52 pupils.

Two farmers in this vicinity have had geese killed by dogs in the night. Can it be that some of those wild dogs from around Plymouth have found their way down here?

Mrs. Samuel Brown of Carleton, visited her daughter, Mrs. Wm. Love, last week, and attended the Northville fair.

Mr. and Mrs. Wm. Love and cousin, Mrs. Laura Miller of St. Johns, attended a birthday party of Mrs. Love's sister, Mrs. Grace Langly of Royal Oak, on September, 22nd.

The Perrinsville Aid Society will meet at the home of Mrs. Charles Wood, October 14th, for lunch. This

will be a farewell party, as Mrs. Wood will soon move to her new home near Chelsea. All are most cordially invited to come.

Mr. Warner of Saline, was calling in our neighborhood this week.

Mr. and Mrs. Thomas Karrick are entertaining Mrs. Karrick's sister from Detroit, this week.

Fred Schmidt's little son has been very sick, but is some better at this writing.

Mr. and Mrs. L. Warren Goodell and family of Detroit, attended the Northville fair, Saturday.

Mr. and Mrs. Wm. Schnuk of Nankin Mills, are spending a few weeks in Detroit.

**PERRINSVILLE**

Mr. and Mrs. Frank Wald of Strathmoor, visited Mr. and Mrs. Arthur Hanchett and Mr. and Mrs. George Baehr, Sunday.

Rev. Havens preached his first sermon for the conference year last Sunday, to a very small congregation. We hope to see more out to church next

Sunday. Sunday-school at 2:00; church services at 3:00.

Rev. Havens has called a meeting of the church board for the 6th of October. Everyone of the board is requested to be present, and also those who are interested in the welfare of the church.

Alonso Hanchett who has been on the sick list, is out again.

Mrs. Belle Baehr and daughter, Charlotte, took tea with grandma Decker, Sunday.

Grandma Tait is helping care for her son, Archibald and children, while Mrs. Tait is in the hospital at Ypsilanti.

Nearly everyone attended the Northville fair last week.  
**Take With Sweetened Water**

# THE BLANKET DAYS

THE ANNIVERSARY SALE OF THE WELL KNOWN  
**Sleepy Hollow Blankets**  
WILL TAKE PLACE THIS YEAR ON  
**Thursday, Friday and Saturday**  
**October 1st, 2nd and 3rd**

WHY SLEEPY HOLLOW BLANKETS ARE WARM LIKE WOOL. An all-wool blanket is warm because of the air-cells which exclude the cold and retain the body warmth. The adoption of China grown cotton in blanket construction provides the air-cells just like a wool blanket—China cotton has a twisted or curled fibre like wool, and when woven into a blanket and properly napped, gives the warmth of a wool blanket, at a lower price. The Mill has added a special feature for our anniversary sale, combining virgin wool with China cotton, without increasing the price.

The FAMOUS SLEEPY HOLLOW BLANKETS are sold only by selected distributors. We are the distributors for this section of the country. None of these goods are sold by any distributor ahead of the given sale dates in October. Everybody in this part of the United States has the same chance at this wonderful line of goods at the same time and at the same price. We are fortunate that we are the sole distributors of SLEEPY HOLLOW BLANKETS for this section.

COME IN AND GET THEM

## THREE STANDARD SLEEPY HOLLOW COTTON BLANKETS

Made of High Grade American Cotton with Extra Strong Warps and Special Napping

**A STANDARD BLANKET**  
A strong well made blanket with a velvet finish in grey or tan, with bouretted borders of harmonizing colors. Full double bed size. A good big blanket at a small price **2.28**

**EXTRA SIZE—EXTRA WEIGHT**  
Big enough for the largest bed, with plenty to tuck in. Very strong, soft, warm and fleecy. Colors are grey and tan with pink and blue borders. A blanket for real service **3.28**

**ECONOMY PLAIDS**  
This durable blanket comes in three-inch block plaids, colors blue and white, pink and white, grey and white, fawn and white, with an overplaid in the border. Twill weave and splendid weight. Extra double bed size **3.98**

## The Famous Sleepy Hollow Plaids

The quality at \$4.78 is made on strong American cotton warps with China cotton filling. The two qualities at \$5.98, and \$7.28 are made on strong American cotton warps with the filling of virgin wool and China cotton mixed. These wonderful wool and cotton mixed blankets look like all-wool and are as warm as all-wool; at much lower prices.

**POPULAR PRICE PLAIDS**  
Beautiful two-tone, three-inch block plaid styles on cream white grounds. Colors are blue, pink, gold and lavender. A heavyweight warm and durable blanket with an extra deep nap. Extra double bed size. **4.78**

**EXCLUSIVE PART-WOOL PLAIDS**  
A blanket of perfection in full extra double bed size—a six tone color line—harmonious colors for every room—the new wool and China Cotton combination perfectly blended **5.98**

**PERFECTION PART-WOOL PLAIDS**  
A marvelous blanket in the virgin wool and China Cotton construction. A special double bed size for those who wish an extra size blanket. Colors cope, orchid, gold, buff, pink and grey on white. This is a blanket of beauty **7.28**

## The New Idea Double-Woven Blankets—Sterling Mills All-Wool Blankets

Two Blankets of particular merit complete this offering—One a Double Blanket woven single; the other an All Virgin Wool Blanket

**TWO-IN-ONE PLAIDS**

All day trade groups in ten or twelve places for boys and girls, 15 or 16 years of age.

Machine shop work includes auto mechanics—groups working one-half time—take 15 hours a week and academic subjects.

Mr. Hines kept a spirit of humor throughout his explanations, by telling many humorous stories, one of which was of a colored boy who found the machine shop too much for him, and asked that they give him a double dose of epidemic subjects instead.

They have a cafeteria group, where boys and girls are taught to work restaurants, and where they learn to work efficiently. They go to school two weeks and work two weeks.

The story was told of a butcher, who was asked why he chose his trade, and he said that "when a small child he was always fond of animals." And another of a lawyer, who liked the profession "because there was so much arguing."

In advising students as to what they shall take as a course of study, they have a group of counselors who tell them what is available, and the value of certain occupations. They also have a placement or employment group. The aim throughout the work in all of these groups is to do the best possible for the individuals to meet their needs and help them find what is best for them to do, giving them a certain amount of education because a fair education is required today. The demand is for more education and better training for positions everywhere.

Miss Clara Saunders, called the referee of the juvenile court of Detroit, gave a very interesting view of the causes for delinquency—

(1) Truants from school.—Cases are taken up in the justice court of the fault of parents. They are not juvenile unless the act of the child leads to rebellion against order.

(2) Tardiness.—Often habits of tardiness are developed, which lead to difficulties in school and later on in citizenship.

(3) Sometimes caused by congenial conditions, class does not fit child, congenial teacher or school mates or perhaps home condition.

(4) Failure of adjustment between the home and the school.

The responsibility of the Parent-Teacher Association was brought out as a means of better understanding between the child, teacher and home.

Night driving strain, the blind insecurity when you dare to keep glare out of the eyes of an approaching driver—both have been eliminated by the Controllable Beam Headlight, a feature of the Better Buick.

Daytime visibility every inch of the way! Bright light all the time! A simple control on the steering wheel lowers the beam when you near another car.

And this is only one of many 1926 improvements which Buick engineering has given to the Better Buick. 75 horsepower and more; Duotone in Duco finish; Triple Sealed Valve-in-Head engine; light-pedal pressure clutch; approved mechanical 4-wheel brakes; and many other exclusive advancements now make the Better Buick the better car to own and drive.

**SCHOOL NOTES**

**GENERAL HIGH SCHOOL NOTES**

The seniors are giving the freshmen a reception on Friday evening, October 2nd, at 7:30 o'clock. The evening will be spent with good games and good eats. All the teachers are invited to have a good time with the rest.

Last week Tuesday evening, September 22, the Junior Executive Board met at Barbara Bake's home at 8:00 o'clock. The executive board consists of twelve members, namely: President, Katherine Wilcox; vice-president, Ruth Allison; treasurer, Alice Hathaway; secretary, Barbara Horton; also Gaylord Sayles, Grace Lee, Basil Carney, Needham Lockwood, Wilbur Murphy, Ruth Waterman, Robert Hubert and Barbara Bake. Miss Knowles, patroness, and Mr. Ross, patron, were both present. The evening was spent discussing the class colors and class flower, and the saving of money for the Washington trip at the end of the senior year. These points have not yet been decided upon as they have to be brought up to the rest of the Junior class.

Last Thursday, September 24, was as usual, Plymouth day at the Northville Fair. School started Thursday morning at 8:00 o'clock, instead of 8:30, and classes were dismissed at 11:00 o'clock, so that those who wished could join the parade to Northville. This year the Aztec Club took second place in their exhibition of vegetables and fruits.

Those who took part in the judging contest from Plymouth, were as follows: Stock—T. Rodman, C. Travis, V. Lyke, H. Miller and C. Moore; fruit—G. Sayles, M. Nelson, C. Blunk, T. Palmer and W. Curtis; crops—D. Meinsinger, H. Cochran, M. Lyke, C. Wilkin, T. Palmer and O. Partridge.

The commercial class has grown this year so that four extra desks have been installed to accommodate the pupils. The Commercial Club started Wednesday, September 30.

Miss Duffy was unable to direct her classes last Friday, as she fell and sprained her ankle.

Last Tuesday evening, September 29, the Christian Endeavor Society of the Presbyterian church, gave the teachers a reception. It was held at the Presbyterian church, and the evening was spent with good games.

**GRADE NOTES**

The B1 grade, room one, are studying caterpillars and cossens in nature study. The children are bringing plants for their window boxes. The boys and girls also made squirrels and sunflowers for border patterns above the blackboards.

Annette Scurto of the first grade moved to Detroit last week.

The kindergarten has thirty-nine enrolled for the morning session, while the afternoon session has forty-six enrolled.

The second grade has learned the combinations in numbers up to ten. Thursday, twenty-two out of twenty-four received 100 in written work in numbers.

The A1 and B2 cut baskets of fruit free-hand. Donald Carpenter expects to leave soon for Los Angeles, California. A1 and B2 classes are learning a poem about the ocean, "A Little Brown Baby."

In Miss Hartford's room, the B2 hygiene class is making health booklets. In these, each child should be given a part to read. The children have pictures illustrating their ideas. Two September birthdays were celebrated, Harold Thorn's and Paul Tambullo's, in the B2 grade.

Frank Scurto of the sixth grade moved to Springwells last week.

In the physical training classes, the grades are practicing apparatus work.

**FOOTBALL**

The Plymouth High's second foot ball game of this season was played Thursday, September 24th, at the Northville fair grounds, with Northville High's team. The score at the end was 10 to 2 in favor of Plymouth.

In the first three quarters, Plymouth's team scored not even a point, and the opposing team had scored two points, but in spite of this, our team fought, all the more vigorously, and this resulted in the bringing of the victory for Plymouth. The team made sixteen points in the last quarter.

Mrs. Perry Hix and Mrs. Josephine Hix called on Mr. and Mrs. O. A. Trowbridge at Cherry Hill, Monday afternoon.

They are blasting out stumps and scraping new roads in Waynesford subdivision.

Callers at the Hix homestead on Ford road, Sunday, were Mrs. A. Collins and son, Kenneth, Mrs. George White and Mr. and Mrs. Perry Hix and family of Plymouth.

Mr. and Mrs. Owen Hanchett spent last Saturday and Sunday with Mrs. Fred Gulick at Clarkston.

Jason Hix spent a few days at Hamburg, with his daughter, Mrs. Jennie Holmes.

Mrs. Charles Parrish is moving into her new home in Robinson subdivision. The Helping Hand Society will meet Wednesday, October 6th, with Mrs. Arthur Hanchett, on Merriman road. This meeting is open for anyone who wishes to attend. Dinner at noon.

Mr. and Mrs. Walter Schaufele and family, Mrs. Arthur Hanchett and daughters, Mrs. Olive Wagonschutz and Clarissa Hix, spent last week Friday in Pontiac.

## Save Your Health and Strength

As the veins carry to the most distant parts of the body the life-sustaining blood, so in the modern home a system of wiring supplies a source of power that renders housework a pleasure rather than a task—and at a cost that makes it the lowest item of household expense.

You simply cannot afford—if you consult economy—not to use your electric current for the doing of those domestic tasks that ordinarily draw so heavily on the strength of the housewife.

## AROUND ABOUT US

Dearborn is to have its first city directory.

South Lyon's new moving picture theatre was opened last Tuesday.

A four-story office and store building and theatre is being erected at Dearborn.

Brighton's Board of Commerce has hopes of boosting the membership to the 200 mark.

Walled Lake's consolidated school has an enrollment of 302, an increase of 46 over last year.

Ninety bushels of melons on six and one-half acres is this season's record for a melon patch just east of Clyde.

One hundred and fifty dogs were put to death in Royal Oak recently, because nobody had paid the taxes on them.

Miss Ruth Crawford entertained nine young ladies from the Northville and Plymouth Edison offices, Saturday evening, at a shower and dinner in honor of Miss Alice Wagner of Northville.—Milford Times.

The David Hartford Co. of Detroit, are now utilizing the scenery of the Labadie grounds at Kent Lake in the making of the exterior scenes for their big production, "And then Came the Woman." One of the spectacular scenes will be the reproduction of a forest fire, and two stars of the screen, Frank Mayo and Cullen Landis will take part.

E. H. Stiles, dean of auctioneers and a citizen of Fenton village, and who recently celebrated his 88th birthday, began his auctioneering experiences while a sheriff in his home county near Rochester, New York. He moved to Michigan in his early twenties, locating in Deerfield, Livingston county, where he was one of the pioneer settlers. Mr. Stiles has conducted over 2500 sales.

The cucumber crop has been a good one in this locality this year, but it would have been even better had it not been for a blight which attacked the vines about two weeks ago. This appeared in the form of blister spots on the cucumbers and soon killed the vines, which thus were cut short in advance of the frost. The disease is said to have been caused by too much moisture, together with the hot weather.—Milford Times.

Harry S. Wolfe, who has made a remarkable success of Garden Grove subdivision, announces the opening of a general real estate office in Farmington, with temporary offices in the basement of the Farmington State Savings bank building, under the Central Pharmacy. Later he expects to occupy a suite of offices on the second floor of the building.—Farmington Enterprise.

## THE THEATRE

### "THE MAN WHO FOUND HIMSELF"

"Melghan's back in town" is about all need be said to assure picture fans that there's something really worth while in the line of screen entertainment at the Penniman Allen theatre, Sunday and Monday, October 4 and 5. "The Man Who Found Himself," Tom's latest, is an original for the screen by Booth Tarkington—a pleasing romantic-drama against a prison background. Alfred E. Green, who made "Back Home and Broke" and "The Bachelor Duddy," directed. Virginia Valli is Tom's leading woman.

As Tom Macauley, son of the president of a small town bank, Tom has his own ideas of doing business. His father, and so does everyone else, believes he's only wasting his time stepping around with the "high hat" society crowd. In reality, Tom has brought some big accounts to the bank through this association.

One day a shortage is discovered, and Lon Morris, Tom's business and social rival, makes a report to the bank examiners. The result is that Tom is sent to Sing Sing for two years just because his younger brother, who borrowed the money to cover up some losses in Wall Street, will not come out and confess.

Not until the prison gates actually shut him off from the world does Tom realize the full extent of his sacrifice. But he accepts his lot philosophically, becomes a model prisoner and is soon made a trusty. He takes advantage of this position to escape when news reaches him that the "only girl" back home is about to marry Lon Morris, the crooked banker. He arrives just too late to prevent the wedding. He returns to flush out his term in the belief that everyone has turned against him.

The remainder of the picture is taken up with how he enlists the aid of two prison cronies to square things with Morris. It's a happy ending, in which Tom gets the girl and the banker gets the punishment he so richly deserves.

Frank Morgan of stage fame, is cast in the role of Morgan. His brother, Ralph, has the role of Tom's younger brother in the picture. John Harrington, Norman Trevor, Charles Stevenson, Julia Hoyt and Lynn Fontanne are also cast in prominent parts.

Tom Melghan has really "found himself" in "The Man Who Found Himself."

According to business reports, the country seems to be breaking records for orders. And according to police reports, breaking records for disorders.

## Double the Mileage at Half the Cost

Only a few years ago a 32 x 4 cord tire listed over \$50.00. Today, you can buy the highest quality 32 x 4 tire—a Firestone Gum-Dipped Cord—for about \$26.00.

Last spring crude rubber cost tire makers around 40 cents a pound. Today, it is over 90 cents a pound.

It was not so long ago that 7,500 miles represented the average life of a cord tire, while today, 15,000 miles—and more—is only the usual performance for a Firestone Gum-Dipped Cord.

Due to large, concentrated production, specialized machinery and simplified factory methods, together with economical distribution, Firestone is able to keep tire prices low—no matter where the price of crude rubber goes.

And, because of special Firestone processes, chief among which is Gum-Dipping, motorists are today getting thousands of extra

miles by using Gum-Dipped Cords.

Gum-Dipping is an exclusive method used by Firestone. It is an extra process, carried out in special Gum-Dipping plants, after which the cords are put through the usual calendering machines. Gum-Dipping insulates and impregnates every fiber of every cord with rubber, and practically eliminates internal friction and heat, and builds strength and endurance into the tire.

In the day-in and day-out service of taxicabs, buses and trucks—on the cars of hundreds of thousands of motorists everywhere—Gum-Dipped Cords are giving unheard-of mileage, dependability and satisfaction.

Get ready for the coming months of slippery pavements and bad roads. Assure yourself of greater safety, comfort and economy by equipping now with Firestone Full-Size Gum-Dipped Balloons.

### Quality In Building Materials

is very important. Upon this one feature depends attractiveness and durability. Low quality materials may serve the purpose and look well for a time, but the passing of the years tells the story.

Knowing that quality materials endure and give lasting satisfaction, those are the kinds we stock. You are sure of getting standard supplies when you buy from the Plymouth Lumber & Coal Company.
