PLYMOUTH WILL HAVE NEW MODERN HOTEL

R. J. Lorenz, Proprietor of the Plymouth Hotel Announces that He Has Sold the Property.

A Modern Four Story Fire-Proof Hotel Will Be Erected On Present Site.

Ralph Lorenz advises us that he has sold his hotel property to some local business men and Detroit parties, who have the plans nearly completed for the erection of a modern four story fire-proof hotel and store buildings on the present hotel site. The proposition is to be controlled locally, and will be strictly up to the last minute in every respect. A more detailed account of the proposition, together with a picture, will be ready to publish soon.

CHAMBER OF COMMERCE HELD GOOD MEETING

The first meeting of the Chamber of Commerce for the season, was held last Tuesday evening, in the club rooms and was exceptionally well attended. Every director was present as well as a good representation of the membership in general. The main subject for discussion was the establishment of a Community Fund for Plymouth. Mrs. C. H. Bennett was present with members of the staff of the American Red Cross and the Detroit Community Fund who spoke briefly on the work of charitable organizations and the Community Fund. Mrs. Bennett expressed her desire for a Chamber of Commerce Community Fund to take over the local work of the Red Cross. After much discussion pro and con, a vote was taken and it was unanimously decided to organize a Community Fund for Plymouth. A special meeting for next Tuesday night was called to appoint the executive committee and work out the plan.

It is hoped to limit Plymouth citizens to but one drive for funds each year for charitable purposes. This fund will be disbursed on the budget plan by the executive committee to needy persons and approved organizations. This plan should receive the hearty approval and co-operation of everyone, and it will give us all an opportunity to turn down all collectors of every sort and refer them to the Fund Committee who will be in a position to thoroughly investigate the organization, and if it is found worthy, write them a check for all of Plymouth's contribution to them. The plan will not only serve to keep unworthy collectors out of the field, but will save the time and cost of many separate campaigns. Thus we will be assured that 100% of our contribution goes directly to those for whom it is intended. Tambourine and hat passing will soon be a thing of the past and more money will be available for those who really need it. The organization plan and further details are yet to be worked out, and further announcement will appear at that time.

Some gentlemen were also present to ask Chamber of Commerce approval and co-operation for a plan to build a \$300,000.00 hotel in Plymouth with local capital. No definite action was taken, but the gentlemen were asked to submit their proposition in writing for the consideration of the board at their next meeting.

Another meeting will be held next Tuesday night, and every person interested in the welfare of Plymouth is requested to be present. Next year gives promise of being a banner year for our native town, and we must all put our shoulders to the wheel and boost to make it possible. The Chamber of Commerce is the best means for boosting, and your help and voice are needed.

PLYMOUTH LEAGUE OF WOMEN VOTES MEET MONDAY AFTERNOON

Mrs. Henry G. Sheppard of Grosse Pointe, chairman of International Co-operation to Prevent War, Wayne County League of Women Voters, will have charge of the program at a meeting to be held in the kindergarten room at the High school building, on Monday, October 12th, at 2:30 o'clock. Prof. F. Meneses of Detroit, will give an address on the World Court. Light refreshments will be served.

A cordial invitation to attend this meeting is extended to the citizens of Plymouth.

YOUNG PLYMOUTH HUNTER KILLED, SHOT ACCIDENTAL

COMPANION, WHOSE GUN DISCHARGED, EXONERATED OF BLAME BY OFFICERS.

We take the following from the Daily Ypsilanti-Press:

Stanley Wudika, 16, Plymouth, was fatally injured Sunday afternoon when hunting in a woods in Wayne county when a shot gun carried by a companion accidentally discharged, the shot entering beneath the right arm.

Wudika was brought at once to Beyer hospital where he died later in the day. Undersheriff Dick Elliott was summoned and with Coroner Borefield, conducted an investigation, which determined death was accidental.

According to testimony of Antonia Gaffolo, Detroit, whose gun discharged, and John Cramer, Plymouth, who was with the hunters, all three were walking through the woods. Gaffolo just behind Wudika. Neither could say how the gun happened to discharge. Wudika's mother works in the Ford plant near Plymouth. His father is ill and he has contributed towards the support of three younger brothers and a sister.

The body has been taken to Plymouth for burial. The funeral services were held from Our Lady of Good Counsel church, Wednesday morning at 9:00 o'clock. Rev. Fr. Lefevre officiating. Interment in Riverside cemetery.

PLAN EXTENSIVE HIGHWAY IMPROVEMENT IN 1926

The Wayne County Highway Commissioners will ask the board of supervisors for \$5,100,000 for highway purposes for the year 1926. The present year's program calls for the expenditure of six million dollars. For 1926 attention will be especially directed to the work of widening pavements already constructed and not many miles of new cement will be laid. The stretch between Northville and Plymouth will be re-constructed and laid with concrete. The Canton Center road will be widened from Warren avenue pavement to the village limits at Plymouth.

The commissioners recommend that a tax of \$1.00 on each \$1,000 of assessed valuation be raised for highway purposes.

During the past year two new parks have been dedicated to the county, without cost. One is the generous gift of the late Cass R. Benton, who served with Edward N. Hines and Henry Ford as one of the original board of county road commissioners. It is a beautiful site on the Northville road between Plymouth and Northville. Steps are being taken to properly improve this gift.

At the junction of the Huron River drive with Belleville and Sumpster roads another park site known as Victory park, also has been deeded to the county. A public comfort station has been erected at this point to take care of the public in a proper, sanitary way.

AUTO RACES SUNDAY

The second annual 150-mile auto race for the national championship will be held on the state fair grounds track in Detroit, Sunday afternoon, October 11. Rain postponed the event last Sunday. Although it rained for two hours from 1 to 3 o'clock, eight thousand people were present. Forty-four drivers, the cream of the country's speed pilots, had signed release blanks and were ready to start in the qualifying trials. All of these cars are remaining here this week and will be on hand for the race Sunday, which starts at 2:30 o'clock, with the gates opening at 9:00 o'clock in the morning.

They're Not All in Pittsburgh

THE BEGINNING OF GRAND RIVER AVENUE

DETROIT HISTORIAN TELLS OF WHEN THE ROAD WAS BUT A TRAIL.

George B. Catlin in the Sunday Free Press, tells the story of the beginning of Grand River road, over which so many Mail readers have traveled.

In 1838 settlers began straggling across Michigan and establishing settlements along the course of the Grand river and its tributaries. The little Indian trading post of Louis Cassau at Grand Rapids began to develop into a village about the nucleus of "Crab Corners," which is now the heart of Michigan's second city. These settlers wanted mail delivered to them from Detroit.

"There was nothing but a series of Indian trails across the state at this time and these were meandering and divergent. The government offered a modest price for the carrying of mail to Grand Rapids, and the only man who was reckless enough to undertake the contract was Benjamin Fox, who lived at Redford, Wayne county.

"On July 4, 1834, Mr. Fox induced a group of adventurous men to go over the route with him on horseback. They carried the first mail, but none of them dared to repeat the experience. Fox hired several men, one after another, but one trip was generally enough for any of them. Matters went on in this way for two years with very uncertain mail deliveries, and the government authorities threatened to proceed against the bondsmen.

"At this time Augustus C. Fox, 17 years old, a nephew of the contractor, undertook the carrying of the mail, after a long interval of no service, and attempted a series of short cuts to save some of the distance involved in following the Indian trails. He carried a hatchet and blazed trees as he passed to mark his route for the return trip. He started July 6 and got along very well until he came to a great marsh northwest of the present site of Fowlerville, where he fell into a deep bog and had great difficulty in getting his horse back to solid ground.

"On his way back to Detroit, young Fox found a better way across the swamp, and gradually made his way along the trail, which afterward became Grand River road and Grand River avenue into Detroit."

PLYMOUTH GIRL INJURED IN AUTO ACCIDENT

Miss Mable Redden of Plymouth, and Joseph Chapman of Ypsilanti, were taken to the University hospital, Ann Arbor, last Sunday afternoon, suffering with painful injuries sustained in an automobile accident, when the car in which they were riding went into the ditch on the Saline road and turned over. Leona Bittner, Plymouth, and Edward Wilson, Ypsilanti, were less seriously injured.

The four were riding in a small coupe with Miss Bittner driving, when a car ahead, driven by George Patterson, Detroit, swerved out to avoid going through a puddle of water. Miss Bittner was just about to pass the Patterson car, and to avoid hitting it, went into the ditch.

The accident occurred about 9:30 Sunday afternoon.

PLEASANT HOME WEDDING

A quiet home wedding was celebrated last Saturday afternoon, at the home of Mr. and Mrs. Martin S. Stringer of Plymouths when her brother Rutherford B. Miller of Belleville was united in marriage to Miss Jenny M. Kelly of Highland Park. Rev. S. Conger Hathaway pastor of the First Presbyterian church performed the ceremony using the Presbyterian rite.

Miss Onnie Taylor of Detroit the bridegroom's niece presided at the piano playing the wedding march from "Lohengrin" by Wagner, to the strains of which the bridal party assembled under a bower of dainty green which was enlivened with touches of fall color.

The bride was escorted by her genial host, Martin S. Stringer of Plymouth and wore a gown of flowered georgette crepe. Little Eola Miller of Detroit, a four-year-old niece of the bridegroom, was ringbearer and carried this "symbol of enduring love" on a cushion of embroidered white. Her father, Dr. Frank H. Miller of Detroit, the bridegroom's brother acted as best man. After the ceremony, an elaborate three course luncheon was served the guests.

Those present were: Mrs. Mary L. Miller, the bridegroom's mother, of Belleville; the bride's sister and husband, Mr. and Mrs. George Clement of Windsor, Ont.; Dr. and Mrs. Frank H. Miller and daughter, Eola, of Detroit; Mr. and Mrs. H. F. Miller and son, Stanley of Belleville; James Taylor of Romulus; Miss Angeline Taylor of Detroit, and Rev. and Mrs. S. Conger Hathaway and son, Bohadill, of Plymouth.

Mrs. Miller is a popular member of the Eastern Star, and received many beautiful gifts from her friends in Highland Park, Belleville and elsewhere. Mr. Miller is a graduate of the University of Michigan, holds a life certificate from the Ypsilanti Normal School, and is connected with the public schools, being formerly a superintendent of public schools at Memphis, Michigan. They will make their home in Belleville, where they were enthusiastically received by nearly a hundred of their local friends when they returned Monday from the Fort Shelby Hotel of Detroit, where they were guests of honor of the manager who is a personal friend of the bridegroom.

ANNOUNCES BIG SALE

In a double page announcement, R. W. Shingleton announces a big sale. Some extraordinary bargains are offered, and we call your attention to the big ad.

RATHBUN-WAGNER

Oral Rathbun of this place, and Miss Alice Wagner, daughter of Mr. and Mrs. Gustav F. Wagner, of Northville, were married Thursday, October 1st, at the Methodist parsonage in Northville, by Rev. William Richards. The young couple took a short wedding trip to Ohio and Michigan points. The groom is employed in the Plymouth United Savings Bank, and has a host of friends who extend congratulations. They will reside on Kellogg street.

JAMES B. PATTISON PASSES AWAY

James B. Pattison, son of Caleb and Ezuba Andrews Pattison, was born February 28, 1838, at Raisin, Michigan, and died Tuesday, October 6th, 1925, aged 87 years, 7 months and 8 days. He was united in marriage to Julia E. Bennett, November 29, 1864. To this union was born one child, Elizabeth F. Pattison, who died in infancy.

Mr. Pattison was one of a family of seven children of whom but one sister now remains. He is survived also by his adopted daughter, Mrs. Fred Ballen, of this place, with whom he made his home during the closing period of his life. Several nieces and nephews also remain to mourn their loss.

Most of his active life was spent in farming in Michigan and in North Dakota. Since the death of his wife about fifteen years ago, he has made his residence at the Bullen home on South Main street, where funeral services will be conducted this afternoon, Friday, October 9th, at three o'clock. Rev. S. Conger Hathaway, pastor of the First Presbyterian church, officiating. Mr. Pattison was a member of the Presbyterian church and of the local Plymouth Rock Lodge No. 47, F. & A. M. Interment will be in Riverside cemetery.

ROSEDALE GARDENS A FINE SUBDIVISION

Rosedale Gardens, the new subdivision on the Plymouth road, five miles east of Plymouth, is the scene of a great deal of activity these days. More than forty houses have already been sold, to be erected at once, and over twenty-five are now under course of construction. These houses are all strictly modern and high-class buildings. Rosedale Gardens comprises an area of 640 acres square, lying along the Plymouth road between Farmington and McKinney roads. The subdivision is traversed by paved streets of concrete construction. Among the improvements are water, sidewalks, sewers, shade trees, electricity, telephone and ample restrictions. The Detroit Motorbus Co. buses furnish excellent transportation to and from Rosedale Gardens. Sheldon Sons, 500 Hull Bldg., Detroit, are developing Rosedale Gardens, which is destined to become one of the finest residential subdivisions in this vicinity.

BIG STORM VISITS PLYMOUTH

One of the most severe rain storms for many years visited this section last Friday forenoon. The water fell in torrents for several hours. It became as dark as night, and it was necessary to turn on the lights in homes, business places and streets. Automobiles were upon the streets with their lights lighted just as they would be if it were night time. Our oldest inhabitant fails to recall a similar occurrence of this kind.

The creek that flows in the rear of the business places, overflowed its banks, and water was backed up into the cellars of business places on Main street and Penniman avenue. Where the creek crosses South Main street, the water was several feet deep. The Plymouth Artificial Ice Plant was put out of commission for several days. In various parts of the village people had water in the cellars and yards flooded.

BRAKE TESTING ON STARKWEATHER AVE.

POLICE ARE ON HAND TO ASSIST WITH THE WORK; GARAGES CO-OPERATING.

The local branch of the Detroit Automobile Club, with the Plymouth police department co-operating, are testing brakes on motor vehicles on Starkweather avenue, between Main and Farmer streets. The brake testing campaign opened Monday and will close Saturday, October 10th. Motorists are urged to have the brakes of their motor vehicles tested free of charge today, Friday, and tomorrow, Saturday, the last two days of the campaign. Competent mechanics from the several garages in the village are on duty between the hours of 8 to 11, and 3 to 6 o'clock each day.

The work of making the tests is simple. Cars start at a given point, and at another line are to stop. If their brakes do not permit them to stop within a certain distance, mechanics advise the owners as to what their brakes need. No repair work is done on the grounds.

If brakes make the required test, auto owners are given a card which protects them in case of any subsequent accident, of the possible charge that their brakes were not working perfectly, as the card specifies the auto passed official brake inspection in October 1925.

FIRE BREAKS OUT IN SHATTUCK HOME

The family of Harry Shattuck were awakened shortly before twelve o'clock Sunday night, by a strong smell of smoke. Going out into the hall on the second floor of their handsome new home on Pomona avenue, they found the entire stairway enveloped in flames, cutting off their escape in that direction, and as the smoke became suffocating, they were compelled to jump out of the windows to the ground below. Mr. and Mrs. Shattuck alighted on the soft ground and escaped unhurt, but their daughter, Ruth, struck the brick sidewalk, spraining an ankle and being considerably jarred.

The house telephone was located in the stairway, and could not be reached on account of the fire. However, neighbors were awakened and sent in an alarm. The fire department responded promptly, and soon had the fire under control. The cause of the fire is thought to have originated from defective wiring. The damage will reach several hundred dollars.

DYE'S RESTAURANT CHANGES HANDS

H. J. Dye has sold his restaurant business on Starkweather avenue to Jesse H. Wagner and Ralph W. Huntsinger, who take possession of the same after October 15th. Mr. and Mrs. Dye have conducted the business very successfully for the past six years, and they have built up a wonderful patronage, not only in Plymouth, but from the surrounding towns and the traveling public in general. Mr. Dye will not engage in any business for the present, but will take a much needed rest for a while.

The new proprietors are experienced in the restaurant business, and will maintain the same excellent service and quality eats that has characterized the Dye restaurant in the past. Mr. Wagner has been conducting the Plymouth Hotel restaurant for several months past, and Mr. Huntsinger has been employed at the Dye restaurant. Mr. and Mrs. Dye have an announcement in this issue of the Mail.

Plymouth Grange will hold their annual fair and festival Saturday, October 31st, at the Grange hall.

Friday, October 2nd, the Woman's Club of Plymouth met for the first time after the summer vacation, at the M. E. Community House. In spite of the inclement weather, about sixty members and guests were present to enjoy the delicious luncheon served by the social committee, Mrs. J. Lawrence Johnson, chairman.

After luncheon the club held a short business meeting, in which reports were given by the secretary, treasurer and various committees. Mrs. Mary Hillmer and Mrs. Sidney D. Strong of the program committee outlined some very interesting topics that might be used for study next year, after which the members were asked to express their wishes in the matter.

Mrs. R. O. Chappel then asked Mrs. W. T. Pettigill to take the chair, and the program for the afternoon was given. The club is indebted to Mrs. Milton Laible for the very fine musical program given by Detroit talent, and a talk on "Progress" by John Dodge of the firm of Sinclair & Dodge, Realtors.

The musical program consisted of violin solos by Harold Kanner, baritone solos by Virgil Brown, who sings for WWJ, and piano numbers by Miss Rose Collins of the Rose Collins Orchestra of Detroit.

Mrs. Florence Webber gave a very interesting paper, an account of the ways by which the club women of Royal Oak secured a club home for themselves. Their efforts might well be an inspiration to us.

The next meeting of the club will be held at the home of Mrs. J. R. Ranch, Friday, October sixteenth.

CELEBRATE MISSION FESTIVAL

Last Sunday, St. Peter's Evangelical Lutheran congregation of Plymouth celebrated its mission festival in the church of Spring street. The church auditorium was beautifully decorated with oak and maple branches, cut flowers and potted plants. Saturday night's rain kept quite a few at home, but the attendance at the morning's services was fair. These services were in German, and were conducted by Prof. E. Berg, from the Lutheran sanctuary at Saginaw, Mich. Everybody was glad to be present to hear the sincere admonition of this able speaker, firstly to save your own soul and then help save the souls of others.

After services, the local pastor invited all to dinner in the church dining hall in the basement. Not one left the dining hall dissatisfied, for the dinner was one great feast.

At 2:30, the second service of the day commenced, whilst during the noon hours the members and guests visited in the church and outside. The afternoon service was in English, and the Rev. H. H. Dinson from the Lutheran church at Brighton preached the sermon. On account of rain, many who attend mission festival in the afternoon, did not come, but about two hundred were there to hear the earnest encouraging words of the young speaker.

From five to seven, a very good supper was served to about 125, and there was enough left for many more.

At 7:30, a congregation of about two hundred gathered in the church auditorium, to hear the Rev. Bernhard Westendorf of the Lutheran church in Flint, Mich. He spoke in English, and his message, "Help save souls, because you love Jesus," was very impressive.

In all three services, collections were lifted for missions, which amounted to \$190.00. Such as could not be present on Sunday, still have an opportunity to do their duty, by sending or bringing their contributions to the pastor.

Now let us go and do the bidding of our Saviour, "Go ye therefore and preach the gospel to all creatures," with greater faithfulness.

RECEPTION FOR NEW PASTOR

A reception, welcoming Rev. and Mrs. Lendrum, will be given at the Community hall, next Tuesday evening, October 13th, at 8:00 o'clock. Everyone is cordially invited to come and get acquainted with these splendid people who have come to live among us and help in the uplift of our community.

BETTER SHOOT THIS ONE

People have lots of fun with the weather man, but Plymouth residents who make it a rule to watch his forecasts all the time are agreed that month in and month out, he hits it pretty regularly. We have nothing but kind words for those who predict our weather by scientific methods, but we do not agree with the man who last week issued a statement to the newspapers that "after careful investigation," he has to report that next winter will be the coldest in 165 years. He does not say where he got his information. He isn't admitting that he has a tip from the squirrels, the thickness of the corn husk, or any of the old familiar signs. He just belches out the sad information that "it's going to be the coldest winter in 165 years." Naturally we do not take any stock in his predictions. We are not going to worry, either.

MORE ABOUT SPANKING

People seem to be arguing the question of spanking from all points of view—except that of the youngster who is spanked. We would suggest that if those who are now arguing for or against spanking would occasionally interview some of the boys or girls who get spankings, they could probably clear up their arguments. Plymouth parents look on spanking as one of the world's oldest institutions. It has existed because it always seemed the easiest way of parental control. But many parents of today appear either too busy or too negligent to attend to this domestic detail, which is perhaps one reason why so many children need spanking. At any rate, the spanking argument seems to have spread to every section of the country, with the result that many communities are now neglecting other matters to argue over whether it is better to "spare the rod and spoil the child."

BETTER BUSINESS

New York trade letters and retail market reports agree that the month of September was the best business month so far this year. The crop money is now being put in circulation, and we note in several papers that retail merchants report the heaviest sale of any September for three years. But the best news of all is the forecast that October, November and December will be even better, and that it is now safe to predict that the country will enter the new year with every sign pointing to prosperity. Fall goods are moving fine—in every section where merchants are pushing them with advertising. The mail order houses are evidently doing a tremendous business, for a glance at any daily paper will show that their stock is quoted at a firm figure or is advancing day by day. Merchants who advertise, however, have little occasion to worry—they're doing a good business and expect to do even better this month. Good times are really here, and especially for those who depend upon printer's ink to sell their merchandise.

HUNTING ACCIDENTS

Many lives are sacrificed each season because men and boys are careless in handling guns. Evidently many never were given safe instructions by experienced hunters; they have failed to learn by observation, and they have not taken a lesson from the tragedies of other years. Each year many lives are lost by hunters pulling their guns through fences they have climbed, or in pushing through heavy weeds or

underbrush with cocked guns. If these people had been under the direction of an experienced hunter, when they first started out the dangers of using a gun that way would have been explained to them. They would have been instructed in safety in getting their guns over or through the fences encountered. But they never learned, and as a result newspapers are forced to chronicle many unnecessary deaths each hunting season.

PLAN HARVEST HOME GATHERING AT M. S. C.

CROP IMPROVEMENT ASSOCIATION MEMBERS TO HAVE FALL GATHERING AT EAST LANSING.

There will be something new in farm gatherings in the state this fall. Members of the Michigan Crop Improvement Association and their families will gather at the Michigan State College for a special Harvest Home meeting on November 6 and 7.

Winter and summer meetings of various kinds have been held at the state college for years by various farm organizations, but the coming conference of Crop Improvement Association people is said to be the first "harvest" festival of its kind.

In addition to inspection of the crops and seed work of the college farm crops department, a variety of entertainment and general "picnic" features will be planned for the November meeting. These will include a Halloween party and attendance at a foot ball game, it is said.

H. C. Rather, secretary of the Michigan Crop Improvement Association and extension specialist at M. S. C., is arranging the program for the gathering.

NORTHVILLE GRATEFUL FOR LARGE CROWD ON PLYMOUTH DAY.

Our good neighbors over at Plymouth observed Plymouth Day in large numbers, and more than 100 automobiles bearing neatly printed cards, "From Plymouth to Northville," passed through the gates. A Bag Pipe band accompanied the visitors, and added a color and dash to the procession. The cars bearing the Plymouth people were parked on the west side of the grounds, and as they paraded around the track they were greeted with generous applause. Northville people appreciate the cooperation of their neighbors over at Plymouth in their efforts to make the fair a success, and the fair management is especially grateful for the large number of Plymouth people who joined in the procession.—Northville Record.

MUNICIPAL NOTES

The past week saw one of the worst rain storms—as far as amount of runoff to be taken care of goes—that has struck Plymouth for many years. We suffered some damage, but not as much as places around us. The Rouge went on a rampage and is still high. Our steel bridge on the Flats is out of service for a while. Tonquish Creek went out of bounds more than it has for fifteen years or more. The bridge on Moreland avenue south of Yerlik's, is also out of commission.

Speaking of Tonquish Creek, we sent in a petition this summer to the County Drain Commissioner, to make this creek a sanitary drain. This has been granted, but the county will not be able to get at the work this season. The village, likely, will go in and do some of this cleaning out, the cost of which will go in with the county work next season.

The work on the north branch of the sanitary sewer is complete except for cleaning up and final inspection. The sewer crew is working on Ann Arbor street now.

The village crew is laying the Forest avenue storm sewer. Use will be made the rest of the season, where practical, of the big trench digger belonging to the Nolan company.

For the month of September, the average amount of water per day in Plymouth, was 452,350 gallons. This is a slight increase over the August figure of 443,100 gallons. The reservoir level has varied from 71 inches to 120 inches, averaging 93 inches.

Bills for the metered users for the third quarter have just been mailed.

The inside of the Village Hall begins to look very different. The jail cells are being bricked in a room in the basement. The rough flooring is in over that part of the old theatre room not occupied by the new fire truck room, and the re-inforced concrete floor for the latter is in place. The footings for the wire fence around the back yard have been poured.

At 1:30 p. m. Sunday night, the fire department answered an alarm from Harry Shattuck's new house on Penniman avenue. The stairway was destroyed, and much redecorating made necessary. The big chemical tanks on both trucks were used to extinguish the flames. The fire chief was overcome by the smoke, and was out of business for a few minutes.

PRESBYTERIAN NOTES

At the Christian Endeavor meeting last Sunday night, the following officers were elected for the ensuing year: President, Ruth Waterman; vice-president, Henrietta Hondorp; recording secretary, Albert Harrison; treasurer, Elton Ashford; corresponding secretary, Winifred Draper.

The regular meeting of the Busy Woman's Bible Class will meet next Thursday, October 15th, with Mrs. Ida Stevens. A pot-luck dinner at noon.

The Woman's Auxiliary of the First Presbyterian church will hold its regular monthly business meeting in the lecture room of the church at 2:00 p. m., Wednesday, October 14. We have the honor and pleasure of entertaining the Woman's Union of the First Presbyterian church of Northville, at this meeting. The ladies of the Woman's Union will furnish the program, and the Auxiliary the refreshments. An earnest invitation is extended to all the ladies to be present.

Elder A. D. Stevens took charge of the prayer meeting last Wednesday night, in the absence of the pastor.

In response to a request by the pastor brought before a regularly called meeting of the Session held last Wednesday night after the mid-week prayer service, September 30, it was voted to call, and the Session does hereby call, and announce, a meeting of the congregation to be held in the church auditorium next Sunday evening, October 11th, 1925, at the close of Divine Service, to consider and take action upon the following resolution, namely: "Resolved that this congregation unites with the pastor in his request to Detroit Presbytery for a dissolution of the pastoral relation at present existing between him and this church; and to make such arrangements as shall be necessary for the supplying of the pulpit thereafter; and for the calling of a new pastor and spiritual leader. Signed by W. E. Shaw, Clerk of Session."

The pastor's request, which was presented to Detroit Presbytery last Monday, is as follows: HAVING received information from an authorized committee appointed by, and representing, the members of the congregation of the First Presbyterian church of Ypsilanti, Michigan, that they had voted at a regularly called meeting of the congregation held September 28th, 1925, to petition Detroit Presbytery to place in my hands, when the way is clear, an urgent call to become the pastor of their church; and

DESIRING to accept it after prayerfully considering the peculiar needs of that field which, in our mutual judgment, I seem qualified to meet; and on account of the unusual advantages for education which such a community would afford my children:

REALIZING that there is no present grievance on the part of the pastor or, as far as I am able to learn, of this congregation over which I am now set;

ACKNOWLEDGING the many unusual favors and kindnesses, and the very loyal support which the now active members of this congregation have shown me and the members of my family during the nearly six years of our co-operation and service;

BELIEVING that all the organizations of our church are flourishing, and that the general condition of our departmental life is so healthy and promising that it will be very easy for them to call a new leader who will be able, under the hand of God, to advance the interests of the congregation to higher levels and more pronounced successes;

FEELING the deepest of personal regrets at the separation which this action will necessarily involve, I nevertheless

REGARD it as a sacred duty to tender, and hereby do tender, to the Presbytery of Detroit, my resignation of the pastoral office in this church; to take effect, if agreeable to all the parties concerned, on, or before, the 25th day of October, 1925. I hereby

REQUEST that the Session call a meeting of the congregation to be held in the church auditorium at the close of Divine Service next Sunday evening, October 11, 1925, to consider and take action upon the matters here involved; and to join with me in a request to Detroit Presbytery that the pastoral relation existing between us be dissolved and the pulpit of this church be declared vacant on, or before, the date specified above; and to make such arrangements as shall be necessary for the supplying of the pulpit after that date; and for the calling of a new pastor and spiritual leader. Respectfully, S. Conger Hathaway.

After hearing this request last Monday, Detroit Presbytery adjourned to meet in the First Presbyterian Church of Detroit at twelve o'clock Monday, October 19, 1925. At that time the pastor and representatives of the two churches will be present to advance their respective causes.

METHODIST NOTES

BAPTIST NOTES

The Sunday-school rally was very good last Sunday. Quite a number more than usual came at the usual hour, but we hope each week more will come.

The B. Y. P. U. will have a lobo social at the church parlor, this Friday night. Put on your old clothes and come and have a good time.

The Ladies' Aid Society will meet with Mrs. McCrum, next week Wednesday, at her home on Golden road, one mile south of the village. Let every member be sure and come. Everyone is urged to be there, and bring someone.

The Wayne Association was well attended, large delegations coming from all the churches. Fifteen young people drove from Plymouth to attend the banquet and evening program, last week Tuesday. They gave their report last Sunday evening before the pastor preached his sermon on, "Worshipping God." Rev. A. K. MacRea of Northville, was elected moderator for the coming year. The association meets next year with the Baptist church at Wixom. Next Sunday morning the meeting will be known as Layman's Service. They will have charge, and announce and have part in the program. They will sit on the platform. A male quartet will sing. The pastor will preach from Romans 12:1, 2. Plan to be there.

The Ladies' Aid Society contest came to a close last Wednesday evening. A fine program was given, consisting of violin, piano and vocal solos, duets, quartets, readings, etc. After the program, the roll was called, and each lady responded by turning over to the treasurer the money she had collected. Mrs. Emma Thomas received the first prize for turning in the most. The money which has been earned during this contest is to be used for building the new kitchen, and painting the church. When the money was counted, it was found the ladies had raised \$465.00, which is indeed a neat little sum, as this contest has only been running about a month.

A supper will be given at the church Friday evening, October 9th, at 6:00 o'clock. Everybody is invited to come and make this a success. E. C. Smith of Dearborn has donated 75 pounds of roast beef and one bushel of potatoes, to which the ladies have added all such good things as brown gravy, cabbage salad, sliced tomatoes, pickles, buttered rolls, coffee and apple pie. All for the price of fifty cents. The proceeds are to be used for building fund.

Many Here Poison Themselves Daily

Carelessness of Modern Living Results in Digestive Disorders, Sick Headache, Gas, Biliousness—Dr. H. S. Thacher's Remarkable Prescription Relieves Many.

A neglected liver can often cause more trouble than a bottle of poison. When the liver is clogged and inactive, it fails to secrete the juices necessary to digestion and elimination. Worst of all, it fails to purify the blood properly. When this happens annoying symptoms tell you that a state of self-poisoning exists in your body.

Symptoms Lead to Sick Bed
It explains why a sluggish liver is attended by such symptoms as constipation, biliousness, sick-headaches, sourness and gas on a weak stomach, loss of appetite, pains in the back and sides, and a nervous, run-down condition—symptoms that lead to the dangerous and expensive sick-bed unless corrected in time.
Dr. H. S. Thacher, noted medical practitioner, perfected a wholesome vegetable prescription to keep the liver healthy. It is giving quick relief and renewed strength, energy and vigor to numbers here. This prescription, known pharmaceutically as Dr. Thacher's Liver and Blood Syrup, doesn't cost much, pleasant to take and contains only ingredients that are known to physicians for their corrective and health-building properties.

Notice Quick Difference
Try this great prescription yourself. Notice the quick difference in the way you look, eat, sleep and feel. You will be completely satisfied; otherwise, there will be no cost.

Mr. Thacher's Liver and Blood Syrup is sold and recommended by the Dodge Drug Store and all leading druggists.

Learn how quality is attained with modern production methods! This week we are making a special photographic exhibit illustrating the precision methods by which quality is achieved in the manufacture of the modern motor car.

Showing the Reason for
Quality at Low Cost

The exhibit consists of 40 remarkable photographs of the most interesting processes in modern automobile manufacture. It will provide the same interesting knowledge that you would get by taking a trip through the plants where Chevrolet cars are built. Each picture is accompanied by a full description of the operation it illustrates. It is an exhibit of unusual interest and value. Bring the children.

KENYON SCHOOL NOTES

A hot lunch club has been formed in this school recently. Officers were elected by the school. Clyde Dethloff was elected president; Avis Forshee, secretary; Kenneth Holcomb, treasurer. The eighth grade pupils are making Hiawatha books.

Everyone is busy trying to win the spelling contest which was started recently.

The members of the honor roll are: Ethel Rehrzke, 93%; Edsel Forshee, 93%; John Miller, 92.5-8%; Margaret Holcomb, 92%; Clyde Dethloff, 91.5-8%; Estella Miller, 90.1-8%; Helen Rehrzke, 89%.

The fifth graders have just completed learning "America for Me" by Henry VanDyke. They are also studying fractions in Arithmetic.

The P. T. A. met at the school house on October 6th. There was a large attendance. The meeting was called to order by Mrs. Holcomb. The minutes of the last meeting were read and approved. It was voted to hold the zone meeting at our school in November. The first grade next dramatized "The Three Bears," "The Three Pigs," and "Little Red Riding Hood." Clyde Dethloff gave a short talk on the Hot Lunch Club. Supt. G. A. Smith of Plymouth Schools, gave a very interesting talk, which was enjoyed by all. The district wishes to thank him for coming out. Last, a contest was put on called "An Auto Marriage." Mary Parrott won first prize, and Mrs. Henry Root and Mrs. Carman Root tied for second place. Meeting adjourned. A fine supper was then served, which all enjoyed very much.

The agricultural class planted beans, and are very interested in watching them grow, and learn the different parts.

Physical exercises are being practiced every morning before beginning work.

The school is the proud owner of some fine new dishes which will be used for hot lunches.

The eighth graders have been learning "Columbus."

IN MEMORIAM

In loving memory of husband and father, Eli Nowland:
His weary hours, his days of pain,
His weary nights have passed;
His ever patient worn out frame
Has found sweet rest at last.
Tears and silence often flow,
Fond memory keeps him ever near us,
Tho' he died one year ago
He will always be remembered
By the ones who love him best.
His Loving Wife and
Daughters.

BARGAINS IN USED CARS

We are selling more new Buick cars than ever before in our history.

This means that we must create a bigger market for used cars, and we are doing that by giving the public greater values at lesser prices.

Buick Standard Six Coupe. Very late model. This car is in excellent condition and worth more than we ask.

Buick Master Six Touring. Late model. Motor in fine mechanical shape. Upholstering as good as new, and two spare tires. A bargain at \$500.00

Studebaker Special Six Touring. Late model. Brand new paint job, tires in fine shape, and mechanically perfect. You must see this job to appreciate it.

Dodge Business Coupe. Very late model. Finish and tires as good as new, very-low mileage. A bargain at \$625.00

Ford Sedan. Late 1925. Balloon tires. Here is the job you can save some money on if you are figuring on getting a new car.

Ford Coupe. Late model, at a price that you can't afford to pass up. Drive this one away for \$300.00

We also have several good cars which we can sell you from \$25.00 to \$200.00.

Don't forget, we are headquarters in Plymouth, for good used car bargains. All our cars are re-conditioned before we sell them.

CANTON CENTER

Miss Alta Ellen Furlong, daughter of Mr. and Mrs. Peter Furlong, and Norman R. Hart of Detroit, were married Wednesday at 8:30, by Father Linsky of Ypsilanti. Miss Martha Campbell was bridesmaid, and Joseph McCarthy of Ann Arbor was best man. A wedding breakfast was served at the Hotel Huron. Immediately after, Mr. and Mrs. Hart left for a trip to Chicago. With them were left the hearty wishes of their friends. Mrs. Hart has taught the Canton Center school for four years, and will finish her work this year. Mr. Hart has been in business in Detroit, and will continue.

CANTON CENTER SCHOOL NOTES

Canton Center school opened September 8th. Misses Bernice Finnegan and Mabel Blackmore, Walter Krueger, Sherman Chute, Forest Truesdell; also Miss Winnie of Detroit, were visitors at the school.

Prof. W. C. Hoppes of the Rural Educational department, and Mr. Brown were Wednesday visitors at the school.

The first Parent-Teacher meeting was held at the school building Wednesday evening, with a large attendance for the first meeting. Our president, Mrs. A. O. Huston being absent, our vice-president, Mrs. Nelson Mason, took charge of the meeting. The minutes of the last meeting were read by our secretary, Mrs. Colburn Dennis. The program was as follows:

Music—Mr. and Mrs. Nelson Mason Recitation, "Modesty"—Lorraine Sommer

Recitation, "The Motor Car"—Harold Mason

Recitation—Dorothy White
Solo—Master Tape, son of Supt. Tape of the Lincoln Consolidated school.

Song—"What Became of Sally"—Villis Dennis, Christine Chute, Alberta Chute, Grace White, Dorothy White, Juanita Dennis

Recitation—Louis Sommer
Recitation—Addie Chute
Song—"Just Like a Flower"—Villis Dennis

Recitation—Howard Shock
Recitation—Alberta Chute
Recitation—Christina Chute

Song, "Pal That I Love"—The Girls
Recitation—Edmund Krueger
Recitation—Villis Dennis
Recitation—Grace White

Song, "Yes, Yes In Your Eyes"—The four girls
Dutch Polka—Albert Chute, Christina Chute

Several violin solos by Mr. Langs of Ypsilanti, who is the director in the agricultural department, and who plays in the 50-piece band.

The speaker of the evening was Mr. Tape, superintendent of the Lincoln Consolidated school. His address was much appreciated, both by the children and the parents.

Guests of the evening were, Mrs. Tape and son, Miss Maud Dennis and Mr. Langs of Ypsilanti. The next meeting will be the third Wednesday evening of October.

The Canton Center school is quite proud of itself, on winning first premium on their school work at the Northville fair. This is the fourth year the school has won the first premium. Everyone of the exhibits were made since school began this year.

Those who attended the fair Plymouth day, were: Mr. and Mrs. Charles Finnegan and daughters Donna and Doris Marie, Mr. and Mrs. Frank Mott and daughter, Irene, Clarence Mott, Miss Thelma Salts, Mr. and Mrs. Clyde Truesdell and daughter, Beatrice, and son, Forest, Mr. and Mrs. John Mott, Mrs. Colburn Dennis and daughters, Juanita, Vilis and Charlotte, and son, Colburn, Alberta Chute, Christina Chute, Addie Chute, Arthur Huston and daughter, Naomi, Walter Krueger, Mr. and Mrs. William Green and children, Mr. and Mrs. Gordon Way and son, Lawrence, Mr. and Mrs. Louis Sommer.

Mr. and Mrs. Nelson Mason, daughter Ellen, and son, Harold, attended

the dance at Cherry Hill, Thursday evening.

Mr. and Mrs. Albert Griffin were Detroit visitors Wednesday evening.

Fred VanHousen filled his silo Wednesday.

Mrs. Colburn Dennis was a Detroit visitor recently.

Mrs. Colburn Dennis entertained the Booster Club of Plymouth. A well prepared program was presented by the members. One part of the program was a children's parade, after which each child received several prizes for their work. Progressive perdo was one of the features of the evening. A most delicious luncheon was served, consisting of sandwiches, pickles, cheese, cake, ice cream and cantaloupes. All present considered Mrs. Dennis a royal entertainer.

AROUND ABOUT US

There seems to be a deluge of skunks this year. In Howell's third ward the citizens were recently obliged to call on the police to help get rid of the pests.

Tom Leith's home at Island Lake was burglarized recently, while the family was away, and the thieves got away with \$225 in cash and jewelry.

Dearborn has three candidates for village president at the coming village election, October 12th.

Walter Burt, Telegraph and Waterford roads, was awarded the sweepstakes cup for the best display of poultry at the Northville Fair, last week, all breeds exhibited competing. Mr. Burt made the winning with his Rhode Island Reds. A number of other Redford poultrymen and dog breeders won many high prizes, but Mr. Burt came home with the much sought cup.—Redford Record.

James Oliver Curwood, noted Michigan author, is at home again in Owosso, after spending three months in Europe, and with his wife and son, has been visiting Mr. and Mrs. T. S. Fausett of Howell. He is working day and night to get caught up with "The Black Hunter," which is now running in the Cosmopolitan magazine. Mr. and Mrs. Curwood are very glad to be back on American soil.—Brighton Argus.

The people of Southfield, a little settlement a few blocks from Fourth Gate, have recently completed a community house 50x70 feet in size, which is a credit to the enterprising residents residing in that section. Every man and woman residing in that community helped in the project, each contributing of their time and money to put the proposition over, and now they have the building completed. Such a spirit builds up a small community into a larger one, and Southfield will be a better place in which to live and rear a family because of this community effort. Northville people will do well to visit Southfield and learn how to work along lines of community upbuilding and uplift.—Northville Record.

OFFICERS DEFEAT DETROIT TEAM

Saturday, October 3rd, the Detroit House of Correction defeated the St. Stanislaus Y. M. C., 3 to 2, in one of the hardest fought contests on the Farm grounds this season. Roman, the Officers' pitcher, and Hurkley, the Saints' twirler, each pitched a brilliantly consistent game. Hurkley allowed but six hits and Roman seven.

The Saints and Officers each put one across in the second, followed by another one for the Salots in the third. The Officers came back with one to tie in the fourth. The tie remained unbroken until the last of the eighth, when Jaska, hitting for two bases, was followed by Spencer who nicked Hurkley for a three base hit that sewed the game up.

Umpires—Nash and Shannon.
Next Sunday, October 10, Detroit Police Department, Bethune Station will play on the Farm grounds.

THE THEATRE

"THE ISLE OF HOPE"
Dick Talmadge is one of the outstanding picture stars who seems able to infuse each starring vehicle with new life, new atmosphere and new stunts; and in "The Isle of Hope" he has touched the high mark of his screen achievement. This latest F. B. O. production takes for its theme the comparatively familiar "Treasure Island" motif; but the story of piratical plunder buried in the South Seas has been so dressed up by James Bell Smith that it seems entirely fresh; and certainly no story offers more possibilities and is more usually delightful entertainment than this. Apparently limitless are the complications into which the author has thrown the adventure-loving son of a wealthy and choleric father; and when he finally reaches the island where his one-time ancestor's map marks the treasure, the difficulties into which he is plunged but commence. Jack Nelson has directed the picture very ably, and plenty of comedy is injected in between sequences of hair-raising excitement. "The Isle of Hope" will be shown here on the screen of the Pennington Allen theatre, Saturday evening, October 10th.

"WILD HORSE MESA"
Zane Grey's genius for story-telling and Paramount's superlative skill in transferring his colorful tales of the old West in all their gripping realism to the screen, find dynamic expression in a new and unique melodramatic photoplay, "Wild Horse Mesa," directed by George B. Seitz from Mr. Grey's widely read novel of the same name. "Wild Horse Mesa" will be shown at the Pennington Allen theatre, Sunday and Monday, October 11 and 12. Here is a stirring story of the rugged West, staged against nature's own wilderness backgrounds, and filled with thrilling episodes of wild horse hunting and capturing, of horse thieves, perilous trails, faithful Indians, roving romance and adventurous drama. The exciting action centers about Chane Weyner, a daring and fearless nomad of the plains, whose desire to capture Panguitch, a magnificent wild stallion, prompts him to join a hunting expedition, headed by Lige Melberne. The plot sweeps along irresistibly, developing its powerful situations with compelling force and ever-increasing suspense until it reaches a crashing climax in the terrific stampede of several thousand fear-crazed wild horses—one of the most spectacular and awe-inspiring scenes ever flashed on the screen. Jack Holt has the picturesque role of the dare-devil hero; Noah Berry, as usual, is admirably effective as the two-gun outlaw; Billie Dove makes an appealing heroine; and Douglas Fairbanks, Jr., gives an excellent account of himself as Holt's younger brother.

"SHORE LEAVE"
"Shore Leave," the First National attraction which comes to the Pennington Allen theatre next Wednesday and Thursday, October 14 and 15, is the comedy hit of Richard Barthelmess' career. The story was adapted from the David Belasco success by Hubert Osborne, in which Frances Starr appeared several seasons ago. Barthelmess plays the role created on the stage by James Rennie of the tough gob so successfully wooed by the little New England dressmaker. The picture, which was adapted by John S. Robertson, is an amusing comedy of the Navy. Many of the scenes were taken with the co-operation of the United States Navy on board the "Arkansas" at Hampton Roads. The story tells of Bilge Smith, who, on a visit to shore, meets Connie Martin, the dressmaker in a fishing village. Connie immediately falls in love with the "gob" and lays plans to trap the unwary sailor whose intentions are far from being serious. For Connie has been born with a love of the sea, inherited from her father, who was a sea captain. When the gob mentions a passing ambition to be the captain of a freighter, Connie sets about salvaging her father's ship, which has foundered in a river in India. Bilge, the gob, returns after a long cruise to find Connie and her ship waiting. But to her sorrow she finds that the sailor not only never has given her a thought, but doesn't recognize her when he sees her. The working out of this unusual romance is played with rare comedy by Barthelmess and his leading woman, Dorothy Mackall. In fact, Barthelmess is said to register one of the comedy hits of the year.

Firestone

Why Gum-Dipping is so Important to Car Owners

GUM-DIPPING—the Firestone extra process builds into tires extra quality by impregnating and insulating every fiber of every cord with rubber.

This exclusive method is carried out in special Gum-Dipping plants, after which the cords are put through the usual calendaring process.

By this method, added strength and flexibility are imparted to the cords, making Gum-Dipped Balloons most serviceable and enduring over rough roads.

JACOB RAUSCHENBERGER

PROPRIETOR
FORREST BONNETT, Clerk

Have you tried a liner ad in The Mail? Many people have found them very satisfactory.

"ABIE" TO ENTER TWENTY-FOURTH WEEK.

"Abie's Irish Rose," Anne Niehol's stupendous success at the Garrick Theatre, seems to be the world's nearest approach so far to perpetual motion. The famous Irish-Jewish comedy will begin its twenty-fourth week in Detroit on Sunday, with no end in sight. Last Monday marked the 200th performance, and according to present indications the show will stay at the Griswold Street playhouse at least until after Christmas holidays.

The crowds which attend this production, which is the most popular ever staged, continue to fill the house to capacity almost every night, and many people have traveled some distance to Detroit to see the show two or three times.

They say that even when they know what is coming they get just as big laughs as the first time they saw the play, and the continuous roar of hilarity which can be heard on Griswold Street every night is proof of their statement that the show is the funniest ever produced.

Does Active Work at 88

R. R. Woodring of Nampa, Idaho, cannot play golf like the senior Rockefeller, but upon the occasion of the old magnate's recent birthday when he played a round of golf and got much publicity, Mr. Woodring pointed out to the newspaper reporters that he himself of similar age, was quite active. He mowed the lawn while the reporters stood by recording the prof. Mr. Woodring mows grass for eight to ten hours daily as a regular vocation.—Chicago Post.

Homecoming Proved Fatal

Thomas O'Rourke of Liverpool, England, at the age of sixty-nine, decided to revisit his boyhood home in Belfast, Ireland. As he reached the beautiful Mourne mountains near Killebeg, he stepped at the foot of the hill leading upward to his old home and after a few seconds dropped dead. Physicians say his death was caused by the emotional excitement and joy which were too much for his physical condition at his age.

If your car is not included in above list, ask for special "Moto-n-All" price at any of our stations.

These service stations want your business—and we are trying to deserve it! Here you get Havoline—the power oil now so widely demanded. Our gas pumps are quick, clean and accurate—and our name is a synonym for top-notch motor fuel in all parts of the city. To top it all off, we offer "Moto-n-All" Drive in and give us a try!

For the first time in Plymouth

Complete Car Lubrication, at a low, Flat Price

With modern equipment to speed up the job and lubricants as good as money can buy—all Havoline. New and different! Look at the pictures of the Rotary Lift. Where have you ever been offered such service before?

That's what we mean by "Moto-n-All"—a system of lubrication that includes crank case refill, Aletiteing—everything right down to your wheel hubs—all in one sitting. No longer need you shop hither and yon buying piecemeal jobs and trusting to luck. And you pay one flat price based on the make of the car you own—a price you know in advance.

"MOTOR-n-ALL"

Flat-rate Lubrication System

WHAT YOU GET

MOTOR—Drained, flushed and refilled with Havoline, the power oil of grade recommended by Havoline Oil Power Guide—a chart based on thousands of tests of actual cars on the Watson Motor Check. Ask to see it.

CHASSIS—A complete Aletite job. Havoline grease forced under pressure to every part of the chassis. Grease cups replenished. (Aletite parts always on hand for installation or replacement, if requested, at regular rates).

TRANSMISSION—The proper lubricant—Havoline grease or oil—added in whatever quantity is required upon examination.

DIFFERENTIAL—Attendant will open gear housing and add enough Havoline Gear Compound or Gear Oil to bring lubricant to proper level.

"Moto-n-All" is a big step forward in filling station service. A new word today, tomorrow people will use it as a matter of course. We believe car owners are anxious to give their cars proper care. In the past, proper lubrication has not been easy to buy. Now that's changed. Here is all the lubrication your car needs—offered in one "package."

"Moto-n-All" sweeps away every objection—every nit. Service is quick, the work thorough. Havoline is a top-notch quality product. And the whole job costs but little more than you've been used to paying for crank case filling.

WHEELS—Caps removed and hubs thoroughly greased by hand.

SPRINGS—Car jacked up to open leaves and light oil forced in by pressure spray, which is part of Rotary Lift special equipment. This service alone adds noticeably to driving comfort.

HOW YOU GET IT

We call for and deliver your car if you're unable to bring it. Quick action whenever you phone. "Moto-n-All" service takes only 20 to 40 minutes, according to make of car. Convenient to have done while you shop, attend the theater or carry on your business.

"Moto-n-All" station easy to reach from all parts of the city. Drive around any time. Or make an appointment and we'll be ready for you when you arrive.

The Difference

It used to be that one day in the week was the trial of the housewife and the terror of her family. Wash-day was a day of unrest, confusion and back-breaking toil, of hasty meals and general discomfort. Today, electricity does the family washing, quickly, perfectly and cheaply; the peace and comfort of the household are undisturbed. The Electric Washer is indispensable; and it is within the means of every family. We supply them.

ANNOUNCEMENT

To the General Public—

WE wish to announce the purchase of Dye's Restaurant by Jesse H. Wagner and Ralph W. Huntsinger of Plymouth, who assume possession after October 15th.

The business having grown beyond our physical ability to handle, it has made it necessary for us to sell.

We wish to thank the general public for their patronage since the beginning of this business, and for their kind words to friends and acquaintances, which have put it on its present basis.

We believe Mr. Huntsinger and Mr. Wagner to be thoroughly capable, and trust they will not only serve well the present clientele, but also further develop the business which is now in their hands.

Withering Comment on Result of World War

The Recorder sat in a tower on the wall of the Eternal city and thumbed an ancient book. The book contained the record of man's achievements.
The entries were surprisingly few. On the first yellow page were two words: "Fire discovered." The second entry, obviously made many centuries later, was equally terse: "The wheel discovered." It was evident that the Recorder took no notice of trifles and made entries only on those rare occasions when men took a step forward.

There was a brief note concerning the beginning of organized government, when men sacrificed personal liberty to win safety, and another to mark the beginning of democracy.

The discovery of printing received three lines.

The Recorder thumbed the pages of his book and yawned. And even as he yawned there was a great stir on the earth below and a war was in progress.

Nations jaded themselves for the conflict and young men marched in countless millions. Guns bellowed, gases crept along the ground, mighty ships were shattered. Orators denounced the evil that had been let loose in the world; idealists pictured a world free from human nature; valiant men died without whimpering because their cause seemed just. Cities were destroyed; children starved; fields lay idle.

And when the orgy of killing was over, men gathered up the shattered remains of the civilization they had been so long in building, taxed themselves to pay for their follies and wrote their memoirs.

The world was dotted with new graves; new prejudices formed. The man who hobbled on every street. The Recorder, leaning on a window sill, had watched the commotion with some show of eagerness. Apparently he had hopes.

But when the world had returned to its accustomed way he yawned and closed his book.

A messenger appeared at the door with a question.
"Tell him," said the Recorder, "that nothing has happened."—Baltimore Sun.

VAN ATTA, husband and wife, of the Village of Plymouth, Wayne County, Michigan, to the LAFAYETTE STATE SAVINGS BANK of Northville, Wayne County, Michigan, a corporation organized under the general banking laws of the State of Michigan, which said mortgage is dated the 30th day of June, A. D. 1925, and recorded in the office of the Register of Deeds for said County on the 11th day of July, A. D. 1925, in Liber 1249 of Mortgages, on page 6, which said mortgage was duly assigned by said Lafayette State Savings Bank of Northville, Wayne County, Michigan, a corporation organized under the laws of the State of Michigan, on the 28th day of July, A. D. 1925, to LE ROY NAYLOR, of Plymouth, Wayne County, Michigan, which said assignment was on the 4th day of August, A. D. 1925, duly recorded in the office of said Register of Deeds in Liber 110 of Assignments, page 225 thereof, and which said mortgage contains a power of sale, and on which said mortgage there is claimed to be due for principal the sum of TWO THOUSAND (\$2,000.00) DOLLARS and interest thereon from the 30th day of December, A. D. 1924 to the 30th day of July, A. D. 1925, the sum of EIGHTY-ONE and sixty-seven hundredths (\$81.67) DOLLARS, and Attorneys fees of THIRTY DOLLARS (\$30.00) as provided in said mortgage; and no proceedings at law having been instituted to recover the money secured by said mortgage, or any part thereof, and said mortgage having elected to declare the full amount thereof due; NOTICE is hereby given that, by virtue of the power of sale contained in said mortgage and the statute in such case made and provided, on WEDNESDAY, THE 11TH DAY OF NOVEMBER, A. D. 1925, at twelve (12:00) o'clock noon, eastern standard time, at the southerly or Congress Street entrance to the County Building in the City of Detroit, Wayne County, Michigan, (that being the place where the Circuit Court for the County of Wayne is held), the undersigned will sell at public auction to the highest bidder, the premises described in the said mortgage, or so much thereof as may be necessary to pay the amount due on said mortgage, with interest thereon at the rate of seven (7%) per centum, per annum, from July 30th, A. D. 1925, and all legal costs together with said attorneys fees, which said premises are described as follows:

The west fifty-four (54 ft.) feet of Lot Nine (9) and the east six (6 ft.) feet of Lot Ten (10), of Kellogg's Subdivision of a part of section twenty-six (26), Town One (1) South, Range Eight (8) East, Michigan, according to the plat thereof duly recorded in Wayne County records, in Liber one (1) of Plats, pages eighty-eight (88) and eighty-nine (89) thereof.

DATED: This 5th day of August, A. D. 1925.

LE ROY NAYLOR, of Plymouth, Michigan, Mortgagee.

JOHN L. CRANDALL, Attorney for Mortgagee.

Picked Up About Town

"When she marries for money it's hers," says Dad Plymouth. And he adds that "when he marries for money it's also hers."

Maybe the reason we like babies is because babies do not go around repeating the smart things their parents say.

Dad Plymouth says he can remember when a fellow gave up along about the time he was 25 and started in to grow a beard.

Mother used to worry about the whereabouts of her wandering boy. And now as a general thing she doesn't know where her girl is either.

Dad Plymouth recalls the day when women kept both their servants and their husbands longer than they seem able to keep them now.

Most any young man would like to have a \$6,000 a year income if he could get it by jerking soda water instead of farming or laying brick.

"It's a wise cow that stays near the barn during the hunting season," declares Dad Plymouth.

"I've seen a lot of things in my day," says Dad Plymouth, "but I've seen mighty few people who were profiting much from their mistakes."

Before starting trouble it's always a pretty good idea to look around and see if there isn't already enough of it in the world.

"An auto is certainly a persevering thing," says Dad Plymouth. "None of them ever buried a train off of the track and yet they keep right on trying to."

Happiness is a kind of perfume that you can't put on others without getting some of it on yourself.

David said in his haste that all men are liars, and according to Dad Plymouth that lets the women out.

SCHOOL NOTES

The grade notes were furnished by J. R. Carter, those for the High school by Henrietta Houdorp and Marian Williams.

GRADE NOTES

The pupils of the 1-B class are learning the "eleven health rules." Although a casual visitor would say that the room was well decorated, the pupils are cutting and coloring leaves for decoration.

The children in the 1-A and 2-B classes are learning one health rule each week. The pupils of the same classes who had 100% in arithmetic all month, are: Wilford Kirby, George Strazell, Ferdinand Fround, Jennette Beauman, Edna Lisell, Norman Kincaid, Laura Ford and George Weller. Miss Stader has a loose-leaf chart of her own invention, which comes in handy with all subjects.

The scholars of another 2-B class are making "health booklets." They are also making Halloween decorations. Fourteen of them have been neither absent nor tardy so far this semester.

It looks as if the pupils of the 2-A class will be artists. Their teacher has them draw a picture corresponding to each health rule they learn.

The 3-A and 3-B classes regret that the Mae Warner and Julia Blizman have moved from Plymouth.

Health posters are being made by the children in the 3-A and 4-B classes. Of the pupils in the 4-B and 4-A, twenty-one have been neither absent nor tardy.

The scholars in 4-A class are making and coloring maps of New England. They bring to class raw and manufactured materials to show what the factories of New England use and what they make with it.

The 5-A and 5-B classes have a program every Friday morning. This Friday, the 5-A class will entertain the 5-B class; next Friday the 5-B class will entertain the 5-A class, and so on.

The pupils of the 6-A and 6-B classes are making maps of South America. They regret the departure of Lydia Burtram.

The Physical Training teacher says she doesn't like rainy days, because she has to have her classes indoors then.

Unusual interest in their manual training work has been shown by the sixth grade boys, which is a very large class. Mr. Snavely announces the birth of a baby daughter.

HIGH SCHOOL NOTES

The Farm Carpentry class shows unusual interest this year, and have already made some very practical things, such as garden gates and step ladders.

Miss Knowles' English eleven class wrote a newspaper for class use, which turned out very successfully.

The Freshman Civics class has written several creeds for class purposes. The following was written by Sybil Watson:

"I believe that we should have a rule; To keep a clean and spotless school. Let's all dig in and help keep right. The seats and halls that are a sight. Put your gum where it belongs. Pick up paper between gangs. Come on you Sophs and Juniors, too! Show the Freshies what you can do. Come on you Seniors, get up pep. And show how clean school can be kept.

Debating try-outs for the school team are to start Monday, October 12. The question for debate in 1925 is: "Resolved, That the proposed Child Labor amendment to the National Constitution should be adopted by the United States."

The Aggie Club held an apple auction, Thursday night after school. The highest priced apple went for twenty-four cents. Their net proceeds were \$7.50, but they didn't sell all of the apples.

The Juniors were measured for their class rings, Monday.

The Junior Girl Scouts have reorganized and expect to receive new members next week. Miss Gretchen Smith is their new captain.

The annual Senior-Freshman reception was held Friday night at the school house. They played several games and had a match-box race. Elmer Carney and George Barlow threaded needles with one eye shut, while one of the Seniors blacked their eye that was shut with coal soot. After playing games, the Seniors served hot chocolate, sandwiches and wafers.

Mr. Camp, from the Camp Publishing Co., hopes to take all group pictures for the annual, during October, so that Plymouth can get a 15-per cent discount from the engravers.

Miss Johnson intends to reorganize the Commercial Club this year, and is hoping to make the members realize the importance of commercial studies outside of school, as well as in school.

ATHLETIC NOTES

The Physical Training classes were unable to meet out of doors this week, owing to the fact that the foot ball field is almost completely covered with water.

At the present time the game of soccer is most popular in the physical training classes.

PLYMOUTH DEFEATS DEARBORN

An extremely interesting and exciting foot ball game was played here, Monday afternoon, October 6th, at the tourist camp. The Dearborn boys

showed up promptly and they were ready to start the game at five minutes after four.

The referee blew his whistle, and the game started, but no sooner had it begun than one of the Dearborn players received the ball, and with some of the rest of the team slipped through our line, and made a touchdown, scoring six points. They missed the goal when they kicked ball, so the first quarter ended without any more scores.

The second quarter started and the boys played with vim, but nothing was made, and so at the end of the half the score remained six to nothing in Dearborn's favor.

At the beginning of the third quarter, the ball was carried back to the center. Both teams entered the field wearing a look of determination. They both fought hard, but when the whistle blew at the end of the third quarter, no points had been scored.

Only one more quarter remained. Were our boys discouraged? No, nothing like it. They started to work earnestly at the beginning of the last quarter. Something was sure to happen, so when they had been playing only a short while, Hickey carried the ball over the line, but he lost it.

Then a Dearborn player succeeded in getting it but it got away from him also, and Hickey recovered it and made a touchdown for Plymouth. Don't kicked goal, and made another point, which made the final score seven to six in Plymouth's favor.

Today's Reflections

It's hard to be a leader in America. You can't tell which way the darned crowd is going.

The average Plymouth man's nose is kept so close to the grindstone he doesn't have time to turn it up at other people.

You can't blame an old maid for being particular. If she hadn't been particular she wouldn't have been an old maid.

To some Plymouth girls an engagement ring means that they have got some man wrapped around their finger.

The mother who used to say her little girl was six years old so she could ride for nothing, now says she is 16 so she can drive the car.

Nothing renews a Plymouth man's faith in himself like being able to pick a good watermelon.

The wolf doesn't always knock at the door. Sometimes he rides on the running board of the auto.

This government is never going to be satisfactory to everybody so long as there is a limit to the number of public offices.

Occasionally we glimpse a dress on the streets of Plymouth that looks like it was merely intended to starve the moth to death.

Another definition of "home" is a place where we grumble the most and are treated the best.

Crime is estimated to cost the U. S. ten billion dollars a year, and we contend that it isn't worth it.

They used to have a whatnot in the corner and kept many strange things on it. Now they have a radio in the corner and get many strange things out of it.

Whisky is being shipped from Hawaii to the United States in blue apples, but the average drinker will be satisfied with the kind that comes in an ear of corn.

Some Plymouth men's idea of a good wife is one who tells him what a good provider he is instead of what a poor driver he is.

THE other day when THAT heavy rain came UP, we were standing IN THE store window, WATCHING the downpour AND a small boy about FOUR or five years old CAME down the street WITH his little pants ROLLED as high as HE could get them, AND he had the time OF his young life WADING up and down THE curbing, and we COULD guess what he WOULD get when he got HOME and his mother GOT a glimpse of those clothes, but in spite OF HIS prospects we COULDN'T help envying HIM the fun of that WADE, and we had half A NOTION to roll ours UP and go out there IN the rain with him. So when in trouble, get A BOX of our fancy CANDY, this may cover UP a multitude of Sin.

PLYMOUTH GIRL ACCEPTS POSITION IN THE EAST.

The new Minister of Music and Director of Pipe Arts in Bethlehem Presbyterian Church of Philadelphia, Pa., will be Miss Nellie Beatrice Huger of Detroit, former of Plymouth. This great church in the heart of Philadelphia offers one of the most desired opportunities in religious music in America. Miss Huger was secured for this position through the School of Sacred Music at Winona Lake, Ind., where she was an associate instructor of Homer Rodeheaver.

Miss Huger will direct three choirs, and orchestra and will build a musical program in all of the departments of the church. She will have a studio in the church, where she will give a part of her time training musical talent. She also will have charge of the church and community nights, where pageantry will be one of the usual features. Bethlehem church is also known to be a great missionary church and music will be a part of the missionary program.

Miss Huger goes to this position well qualified in experience and schooling. She is a graduate of Plymouth High school, the Chicago Training school, The Detroit Institute of Musical Art, and has had college work at Ypsilanti, besides studying with some of the best leaders of church music. The three years that Miss Huger has been in Detroit, she has become known as a missionary, director of music, music teacher and leader of young people's activities in the Methodist church. Her work in children's music has been outstanding and has been secured by the Chicago Council of churches, the Detroit Council of churches and several private schools to teach children's methods in religious education.

Plymouth folk have watched this young woman who has always possessed a most genial spirit, and has had so interesting a life developing her talents and devoting her energies to the cause of the church. She will speak Sunday evening in the Methodist church, on the picture, "Christ in the Wheatfields."
