FIRE INSPECTION DAY IN PLYMOUTH NOVEMBER 12TH

Michigan Fire Prevention Association Will Make Inspection of Business and Industrial Plants Here.

A Luncheon Will be Given at Masonic Temple at Noon; Prizes Will be Given School Children for Best Essays on Fire Prevention.

Next Thursday, November 12th, the Michigan Fire Prevention Association will make a fire inspection of the mercantile houses and industrial plants in the village. Once every month the association designates one town in the state where inspections of this kind are made, and Plymouth was the fortunate town to have this inspection made this month. The inspection here will be made under the auspices of the Plymouth Chamber of Commerce, with the local insurance agents co-operating.

The inspection is made by about fifty of the state agents of the leading fire insurance companies.

At 12:15, a luncheon will be served at the Masonic temple, to which the business and professional men of the village and any citizen, who is interested in fire prevention, is cordially invited. Tickets for the luncheon are \$1.00 each, and can be purchased from any of the local fire insurance agents. Tickets must be purchased on or before Tuesday, November 10th, so that the committee will know how many to prepare for.

Following the luncheon hour a short program will be given, consisting of an address of welcome by President Harry C. Robinson, and talks on fire prevention by several speakers.

The Chamber of Commerce rooms will be headquarters for the day. The members of the fire department and fifteen Boy Scouts will assist the state agents in making their tour of inspection.

The pupils of the local schools from the fifth grade up, will write essays of not over 400 words on fire prevention. For which prizes will be given for the three best compositions, as follows: First prize, \$10 in gold; second prize, \$5.00 in gold; third prize, \$2.50 in gold. Prizes will be awarded at the luncheon at the Masonic temple at noon, with the winners present. Home inspection blanks will be given to all children up to the eighth grade. A silver cup or shield will be given to the room with the best group of competent reports.

Talks on fire prevention will be made in the schools, and motion pictures on fire prevention will be shown for the children at the Penniman Allen theatre at 4:00 o'clock p. m.

An inspection such as is to be made in Plymouth next Thursday is of great value to Plymouth. It may be the means of preventing a serious conflagration in the future, and it should receive the co-operation and hearty endorsement of every citizen. It is especially urged that the business men and others where inspections are made give every assistance to the inspectors in their work.

WILL HOLD BANQUET

The Wayne County rural letter carriers will hold a banquet Saturday, November 7th, at 7:30 o'clock, at Launchwood Inn, Dearborn. All carriers and their wives are expected to attend. State and local officers will speak, and an interesting and entertaining evening is promised. Robert Walker of Plymouth, is president of the Wayne County Rural Letter Carriers' Association.

BIG CROWDS ATTEND INDOOR CIRCUS.

Phillips' "Panorize" circus opened at the Tonquish temple, last Monday evening, and will continue throughout the week. There was a good crowd present, and everybody enjoyed the program presented. The acrobatic acts were especially good, and, of course the dog and pony show and the clowning pleased the little folks, and the big folks, too.

On Wednesday evening, Betty Bryden's Ambassador Girls pleased a large audience with their splendid musical numbers.

Two good programs are scheduled for tonight (Friday) and tomorrow (Saturday) evenings. Don't fail to see the circus.

Miss Lulu Barnes entertained the Junior Bridge Club, Thursday, October 23rd.

DEDICATION OF I. O. O. F. TEMPLE A SUCCESS

The dedication of the new I. O. O. F. temple here, last Saturday afternoon and evening, was a complete success in every particular. The handsome new temple was thronged with visitors from neighboring lodges, and all were unstinted in their praise of the new home of the local lodge. It is estimated that there were five hundred visiting Odd Fellows present during the afternoon and evening.

The beautiful lodge room was prettily decorated with flags, flowers and ferns.

The dedicatory program was carried out by the Grand Lodge officers as outlined in last week's Mail, in a very impressive manner.

The Grand Master, E. Eugene Hanson of East Tawas, and the General Sire of Odd Fellowship of the World, Herbert Thompson of Detroit, both took the opportunity to speak words of congratulation to the local lodge on their acquiring such a fine lodge home, saying that it would be a great credit to a town many times larger than Plymouth.

Owing to the lateness of the arrival of the degree teams, the public drill on the Main street by Jericho Canton Uniform Rank and the drill by the Ladies' Auxiliary, Canton No. 490, of Detroit, had to be omitted, otherwise the entire program as given last week was carried out.

Thirty-three members of Past Grand F. B. Ibehead's class of sixty members were given the first, second and third degrees of the order.

The ladies of the Rebekah Degree Staff served a most excellent dinner to several hundred people.

DEATH OF DANIEL LOW

Daniel Low, passed away at his home in this village, Monday morning, November 2, of heart trouble. Mr. Low was born December 8, 1845, in Scotland, and came to this country when a lad. He resided in Tawas City, Michigan, for fifty years, moving to Plymouth three years ago. He is survived by his widow and three daughters, Mrs. W. H. Parks of Plymouth; Mrs. Wm. Long of Tawas City, and Mrs. John Kennedy of Flint. A short service was conducted at the home Tuesday afternoon at 1:30 o'clock, by Dr. Lendrum, pastor of the Methodist church. The remains were taken to Tawas City for interment.

PIERCE-NORGRÖVE

Frank J. Pierce, Jr. and Miss Margaret Norgröve were married at the Collingwood Presbyterian church of Toledo, Ohio, by Rev. R. Lincoln Long, Monday, November 2nd. They will make their home in Detroit. Both bride and groom are popular young people of Plymouth, and they have the best wishes of a host of friends for a happy and prosperous wedded life.

GATES-RAYMER

On Wednesday afternoon, October 21st, Albert Gates of Plymouth brought his bride, Nedra Raymer of Northville to be united in marriage by the Rev. William Richards at the M. E. parsonage at 5:00 o'clock.

Dorothy Gates acted as bridesmaid and Arthur Gates as best man. The bride is well known to this community, and was a graduate last year from the Northville High school. The happy couple will make their home in Plymouth.—Northville Record.

The Ladies' Aid of the Lutheran church held their annual meeting with election of officers, Wednesday afternoon. The treasurer's report showed that over \$2,000 had been paid off of the church debt. The following officers were elected: President, Mrs. A. Kehrl; vice president, Mrs. O. Fehel; secretary, Mrs. J. Strasen; treasurer, Mrs. Wm. Gayde; flower fund, Mrs. George Springer and Mrs. H. B. Fisher.

In the Danger Zone

AMATEUR NIGHTS AT LOCAL THEATRE

BEGINNING NEXT WEDNESDAY AND THURSDAY EVENINGS, NOVEMBER 11 AND 12, THE PENNIMAN ALLEN THEATRE WILL INAUGURATE A SERIES OF AMATEUR NIGHT PROGRAMS.

Commencing next Wednesday and Thursday, November 11 and 12, the management of the Penniman Allen theatre has made arrangements for an extra attraction aside from the regular picture show. On these two nights, amateur performers will be given an opportunity to do their various acts. These amateur actors and actresses will be largely from Detroit, where the amateur circuit is made up from the various show houses and "strungs" arranged throughout the state.

These amateur circuits are the kindergarten of the actor. Those who make their entry into the actor's world through their doors do not, as a rule, aspire to the legitimate stage. They are headed for vaudeville, and some of the headliners in that style of entertainment have been graduated from the amateur night performances.

The amateurs always draw large crowds, and when a boy or girl local to the neighborhood can be obtained, the interest is materially increased in these amateur nights. While it is expected that the larger part of the program for amateur nights will be furnished by Detroit amateurs, the boys and girls of Plymouth and vicinity are also invited to take part in these amateur night performances. Some of the best talent on the stage today developed from these amateurs.

Among the vaudeville performers who have been graduated from the Detroit amateurs to prominence on the big circuits are Bobby Caster, who is popular on the coast; Jim Rooney and Thelma Harris, now with prominent companies; Joe Gronki, violinist, with a revue company; Joe McDonald, successful in a musical act; Leon, principal clown with Robbins' circus; Bennet Miller, who recently played in Detroit; Bobby Grant, impersonator; Jimmy Coogrove, with a school act, and Jim Larkins, dancer. They were in the local amateurs within the past three or four years.

It is safe to say that amateur nights at the local theatre will be a popular innovation, and capacity houses will be the rule. Besides the amateur program next Wednesday and Thursday evenings there will be the feature picture, Gloria Swanson in "The Coast of Folly." The regular prices of admission will prevail.

ARMISTICE DAY DANCE

An Armistice Day Dancing party will be given by the Ex-Service Men's Club, at the Penniman Allen auditorium, Plymouth, Wednesday evening, November 11th. Music will be furnished by the Country Club dance orchestra. Tickets are \$1.10. Ladies free. A cordial invitation is extended to the public to come and enjoy the evening, and at the same time help the boys.

Edward A. Smith has purchased the interest of his partner, S. L. Beck of Jackson, in the Oakland Motor Sales.

WEBERLEIN-KOPP

A quiet home wedding took place at the home of Mr. and Mrs. O. F. Beyer, at eight o'clock last Saturday evening, when Miss Gretchen Kopp and Herman Weberlein were united in marriage. Rev. Charles Strasen performing the ceremony in the presence of only the near relatives of the bride and groom. Miss Sophia Weberlein, sister of the groom was bridesmaid, and Max Trucks was best man. Lohengrin's Wedding March was played by Miss Marion Beyer. Following the ceremony, a luncheon was served, a feature of which was a large wedding cake baked by the groom for the occasion. The young couple were the recipients of many beautiful and useful gifts.

The bride has made her home with Mr. and Mrs. Beyer the past three years, and is highly esteemed by all who know her. The groom is the proprietor of the Plymouth Bakery, and is one of Plymouth's popular young business men. They will reside in the apartments over the bakery on Main street.

There will be a meeting of the League of Women Voters, Monday, November 9th, at 2:30, at the home of Miss Lina Durfee, 1222 Penniman avenue. The program is being prepared by Mrs. Armstrong and Miss Durfee, and all members are urged to be present.

COLLEGE SINGING GIRLS OPEN ENTERTAINMENT COURSE NOVEMBER 10

The first of the five numbers of the Redpath Lyceum course, sponsored by the Senior class, will be given by the College Singing Girls, Tuesday evening, November 10th, at the High school auditorium.

A unique and pleasing attraction is the popular novelty company, the College Singing Girls. This organization, composed of four remarkably talented and versatile young women, presents clean-cut, up-to-the-minute programs which have won the warmest applause from audiences everywhere.

Almost every type of song is presented in their grand concert. In addition to songs of the campus, selections from grand operas and light operas are featured. Popular airs

A FATAL AUTO ACCIDENT

A fatal automobile accident occurred on the Plymouth road at the Newburg road, last Wednesday night, when an automobile, driven by two young men living at Romulus, struck Earl Bennett, who had just alighted from the Detroit bus, and stepped directly in the path of the approaching car, which was traveling east. The unfortunate man was a son of Mrs. George Shaffer of Newburg. He was about 30 years of age, and leaves a wife and two children. An inquest was held by Justice Phoebe Patterson last evening at the Schrader Bros. Funeral Home.

GRAY-GOTTS

Another Plymouth boy in the person of Earl Gray, took another Northville bride in the person of Edna Gotts of Randolph street, on Saturday, October 24th, Rev. William Richards performing the ring ceremony at the Methodist parsonage at 2:00 in the afternoon. Fred Gotts, brother of the bride, acted as best man, and Helen Waterman of Waterford was the bridesmaid.

Mr. Gray is employed as an engineer and will take his bride to live at Plymouth.—Northville Record.

Mr. and Mrs. Orr Elder and daughter, June, have arrived at Fruitland Park, Florida, and are the guests of Mr. and Mrs. Harry Bovee, formerly of Northville.

PLYMOUTH WILL HAVE LEGION FUND DRIVE

WORK OF RAISING FUNDS HERE UNDER AUSPICES OF NORTHVILLE POST OF AMERICAN LEGION.

Commencing Saturday, November 7th, Lloyd H. Green Post 147, of Northville, will launch its campaign to raise the quota for the American Legion Endowment Fund for the disabled and the orphans of veterans, which has been assigned to Northville and Plymouth, as a part of the campaign which is being carried on throughout Wayne county. There will be no personal canvass made for subscriptions to this fund, but it is expected that our citizens will volunteer their contributions, as the cause is a very worthy one, and Plymouth must do its share in raising the amount of its apportionment.

Donations, to the fund may be made in cash or checks or in pledges covering a period of ten months or any shorter time desired. Almost everyone can give a little toward this fund, and all contributions, large or small will be gratefully received. Anyone desiring to contribute something to the fund can do so to L. H. Alexander, at the Plymouth United Savings Bank.

The American Legion Endowment Fund is being raised by national, state and local committees on which mutual service is being given by public-spirited men and women and by members of the American Legion and its auxiliary bodies. The spirit of public co-operation is such that no heavy expense is involved, and the cost of financing this work for the disabled and the orphans for all time will be smaller than the cost of marketing first mortgage bonds on sound business property. The Legion is justly proud of its own spirit, and that of the very fine type of citizens co-operating with it, which makes this business-like operation possible in an endeavor of such importance and appealing character.

LUTHERAN SYNOD CONVENED HERE

The conference of the Michigan District of the Joint Synod of Wisconsin, Michigan and other states, which held its sessions at St. Peter's Lutheran church of Plymouth, October 27-29, was attended by forty-five pastors from all over the state. The meetings were opened by the local pastor, Rev. Charles Strasen, with a short service. Rev. H. Richter from Detroit, was elected chairman, and Rev. Louis Mielke of Saginaw, as secretary.

Papers were read by Rev. C. Binhammer of Allegan; Rev. Oscar Frey of Saginaw, and Rev. Leonard Bernthal of Clare, Mich.

On Wednesday evening at 7:30 o'clock, services were held. Rev. Karl Krauss of Lansing, preaching the sermon. The confessional sermon was preached by Rev. H. Richter of Detroit. All the pastors celebrated holy communion, the local pastor officiating.

Dinner and supper were served in the church dining hall, by members of the Ladies' Aid Society. On Thursday a special dinner of noodle soup and chicken was served the pastors, in honor of the local pastor, who celebrated his sixtieth birthday. The members of the church vestry were present, because H. J. Fisher also celebrated his birthday. Rev. William Bodammer of Scio, Mich., addressed the pastor and Mr. Fisher, and extended the congratulations of the conference unto them.

At four o'clock, a birthday cake baked by Herman Weberlein, the Plymouth baker, was served to the pastors. When leaving, the pastors all said, "We had one great time."

NUTRITION CLASS MEETS

About twenty women of North Canton met Tuesday at the home of Mrs. C. W. Root, for the first of a series of meetings to study nutrition, through the Extension Department of the Michigan State College. The class is organized on the local leadership plan, with Mrs. Ed. Hauk and Mrs. Blanche Hutton-Wagner as local instructors, they having received their training for the work from Miss Hunter, the nutrition specialist from the college.

Another group of about twenty women of North Canton will meet at the home of Mrs. B. W. Epicer, Tuesday, November 10, for the first of a series of meetings for advanced study in clothing, with Mrs. Wilkey and Mrs. Sals as local instructors, they having received their instructions from Miss Agnes Sorenson, the clothing specialist from the college.

CELEBRATES NINETIETH BIRTHDAY SATURDAY

Next Saturday, November 7th, marks the ninetieth birthday anniversary of one of Plymouth's most honored citizens, Edward J. Leach, who was born in Livonia Township on November 7, 1835, and he is one of the oldest, if not the oldest man in Plymouth.

A representative of the Mail called on Mr. Leach the other day, and found him enjoying unusually good health, and a remarkably well preserved man for one of his years. A slight deafness and failing eyesight are his only infirmities.

Mr. Leach recalled to the writer his boyhood days spent in the old log house in Livonia in the woods on the farm, one mile from Livonia Center. He attended the district school at the Center and later attended the Normal school at Ypsilanti.

In those early days there were no roads in Livonia leading to Detroit, and it was necessary for the settlers in that township to come to Plymouth and then take the road east by way of what was then known as Swartzburg. In the days of Mr. Leach's boyhood, Plymouth was only a small hamlet, and Detroit was but an overgrown village.

E. J. LEACH

In 1863, Mr. Leach was married to Miss Kate Louisa Ketchum of Southfield, and for sixty-two years they have journeyed through life together. About thirty-eight years ago, Mr. and Mrs. Leach moved from the farm to Plymouth, where they have since resided. For a number of years after coming to Plymouth he continued to operate his farm, and also a cheese factory in Livonia township.

Mr. Leach served as president of the Plymouth State Savings Bank for twelve years, and gave a great deal of his time and attention to the affairs of the bank, thereby contributing much to its success and growth.

Looking backward over a span of ninety years seems like a long, long time. What changes Mr. Leach has witnessed during these years! But unlike a great many men, he has progressed with the years, and he bears the burden of his age lightly. Indeed, he is Plymouth's grand old man, and the whole village will extend congratulations and best wishes on the attainment of his ninetieth birthday.

BASKET BALL SCHEDULE FOR COMING SEASON

Plymouth High school will be represented in Suburban League basket ball contest again this season. The prospects for two good teams this season are very good, and some interesting games will be played on the local floor there is not a doubt. Before the regular league schedule is commenced there will be several preliminary games that have yet to be arranged for, but will be announced later. The league schedule is as follows:

- January 8—Northville at Plymouth; Redford at Farmington; Wayne at Dearborn.
- January 15—Plymouth at Wayne; Dearborn at Redford; Farmington at Northville.
- January 22—Plymouth at Dearborn; Northville at Redford; Wayne at Farmington.
- January 29—Farmington at Plymouth; Dearborn at Northville; Redford at Wayne.

The Comfy Habit Makes Healthier, Happier Children

The first rule of health for the little ones should be—keep their feet dry and warm. In damp rainy weather, see that they change into snug, warm Comfys as soon as they come inside. Comfys will give the little feet room to breathe and grow. Let them rest from the confinement of stiff leather shoes. They will enjoy romping in the freedom and ease of soft, restful Comfys.

There are so many special designs for children in Daniel Green Comfys—little ones are delighted with them. Bring them with you and let them pick out Comfys that appeal to them. And while you are here, you will be delighted to see the new charming and colorful styles and dainty fabrics that Daniel Green has made for the woman of taste and refinement.

UPSETTING THE "DOPE"

There is nothing more interesting around Plymouth just now than to behold the puzzled look on the faces of our amateur weather forecasters. No two of them agree in normal times on what the future will bring forth in the way of weather, but the closing weeks of October seem to have separated them more widely than ever in their opinions.

The fellow who predicted that we would have a beautiful fall and an open winter had his forecast "shot to pieces" when snow fell as far south as the Ohio river on the nineteenth of October. The fellow who said this country wouldn't get a touch of winter until after Thanksgiving day woke up on October 22 to learn that snow had fallen as deep as three inches over the Middle Western, several Eastern and almost every one of our Western states. And now the chap who relies on the thickness of the corn husk or the amount of moss growing on the side of a tree is busy declaring "I told you so."

Old-timers say they cannot remember when snow fell east of the Mississippi river as early as it has fallen this year, while others are quick to recall that during the summer a Chicago weather prophet came out with a statement in the newspapers that this would be the longest and most severe winter this country has passed through for 100 years. At any rate, there has been enough "weather" this early to upset all the calculations of our amateur weather prophets, though we feel sure that even if it should snow in July it would not discourage some of them from prophesying.

A TAX REDUCTION

Word from Washington City is to the effect that when congress re-assembles in December, Sec. Mellon will ask that income taxes again be reduced and that instead of having to pay two percent on taxable incomes up to the sum of three thousand dollars the tax be placed at one percent. He also favors a cut to two percent on the fourth and to four percent on the next four thousand.

The majority of citizens around Plymouth who pay on their incomes will fall within the first class, because there are not many in this section who can count earnings of \$3,000 clear every year after they have taken advantage of all the exemptions allowed. So the relief will be readily felt in this community. If a man paid \$40 on a taxable income of \$2,000 last time, it will mean that his tax on the same income next year will be but one-half of this amount, or \$20. Every man who pays income taxes will pay less in 1926, and that means he will have the difference to put into other channels. With many thousands spending this extra money, instead of banking it, it is only natural that trade of all kinds should be better next year.

It will be a good many years before Uncle Sam gets his war bills paid. But so long as he keeps trying to lessen our burdens by cutting taxes whenever it is safe and possible to do so, the average citizen is going to be a better citizen because he will have less to grumble about.

THRIFT IN SCHOOL

More than once we've suggested to teachers around Plymouth that they make use of every opportunity to teach their pupils the value of thrift. Now we are convinced still more of the merits of such teaching when, in looking over a government report, we find that in the last school year pupils in this country practiced the saving

habit to the extent of \$18,961,560, or two million dollars more than they ever saved in a single school year. There is something to think about—school children saving their pennies and nickels until they reach the staggering total of almost \$17,000,000 in a single year! And it is something that should set the older heads to thinking, too. If saving pennies will pile up such a sum, what would saving a few dollars each week amount to? Thrift is in the air in the United States, and the school child who isn't being taught it now is going to lag behind the procession when he gets out into the world.

OLD CRUSOE KNEW

Every business man in Plymouth knows the story of Robinson Crusoe, how he was stranded on an island with only a goat, a parrot and a black man as his companions, and how badly he wanted to get off of that island. But most of them do not know that it was advertising that got him off. He had only a ragged shirt with which to do his advertising, but he stuck it on a pole, planted the pole in the ground, and waited. He didn't get discouraged when no one came the first day—no good advertiser does. But he kept advertising his predicament by means of that old shirt waving in the air—and finally he got results. If Robinson Crusoe, with one old shirt could reach the people he sought, how much more easy is it for merchants in this territory to reach the people they want to sell goods to through the columns of a modern, home-town newspaper? Now that the winter buying season is in full swing, this is a pretty good thing to devote a little study to.

VARIED PROGRAM FOR CHICAGO INTERNATIONAL.

A program which will appeal to everyone, young and old, country or city dweller, has been prepared by the management of the International Live Stock Exposition for the thousands of visitors who will attend that show in Chicago from November 28th to December 5th. Many new features have been added this year, according to Secretary-Manager B. H. Heide, making the coming exhibition by far the most complete and interesting ever offered to the public.

In the cattle carload display out in open stock yards there will be pens of calves in county groups which will show the possibilities of raising market beefers from cows kept for dairy purposes by using pure-bred beef bulls. This year the carloads of fat cattle will be judged by breeds and the winners arranged in pens according to their merits that visitors may have an opportunity to compare the different loads more easily.

Another new contest will be between carloads of lambs by pure-bred rams out of grade, range-bred ewes, demonstrating the practicability of lamb producing from western foundation stock. Each night during the spectacular entertainment in the Amphitheatre there will be exhibitions of handling sheep by "Spot," the 1923 British International Champion sheep dog.

State champion teams of farm boys and girls will be brought to the Exposition to give daily illustrated talks on their club projects in the junior building on the show grounds. The states and subjects which will be represented are Florida, canning; Michigan, use of meat in diet; Connecticut, clothing; Iowa, looked rugs; Kansas, clothing; Missouri, baby beef; Virginia, poultry; South Dakota, swine; Idaho, sheep, and Pennsylvania, swine. Teams of Indian youths will also give club demonstrations. The champion health boy and girl of each state will compete in the National Health Contest, which will be a feature of the Fourth National Boys' and Girls' Club Congress.

White entries in the International Grain and Hay Show do not close until November 10th, the number received up to November 1st indicated that last year's record would be far surpassed. Educational exhibits from agricultural colleges are being gathered together by W. F. Graham of Purdue University and they will present to the visitors a vast amount of timely and valuable information along both production and consumption lines.

The evening horse show in the arena will include the foremost strings of riding, driving and jumping horses in the country. In addition to the thrilling maneuvers of the massive six-horse teams, this year there will be an exhibition of eight horses averaging a ton each in weight driven to a three-ton show wagon.

Every moment of a visitor's time will be taken up by a glittering array of interesting events during the week of the "Stock Show" in Chicago.

Today's Reflections

A bachelor is a man who only gets 100 miles out of a pair of socks.

It's hard for the average Plymouth citizen to realize that 40 years ago there was no such thing as a spark plug and every road was a detour.

Here's the way it goes: The more traffic the more rules, and the more rules the more violations.

When a Plymouth man goes to buy an auto the one thing he can't understand is why it's a new car as long as the salesman is driving it and a used car after he has bought it and driven it a mile.

Many a fellow proposes to an heiress on his knees in the hope that she will put him on his feet.

There is much talk of the "go-getter," but is he of any more importance than the "come-backer?"

More than one Plymouth young man has discovered when he started out in the world to "bring home the bacon" that it was an easy matter to get the wrong sow by the ear.

Children raised with great care sometimes do almost as well as those who just happen to grow up.

Most anyone can repent, but it takes a while of a person to resist.

Somehow we never seem to get very far in an argument with the Plymouth man who is always wanting a law passed about something.

We may run out of coal in this country, but there's no indications now that there'll ever be a shortage of strikes.

This is the season of the year when the fellow who runs the motor of his car in a closed garage doesn't get a chance to tell about it.

One thing about the Plymouth woman who has a grouchy husband—she doesn't feel obliged to worry when he stays out late.

We've always noticed that it's easier for a rich old man to make a fool of himself than it is for a poor old man to do so.

About the only thing that will cure some fellows of the itch for office is to have to scratch for a living.

We've some pretty brave men around Plymouth, but we've never yet heard of one brave enough to tell his wife that she married him because he was her last hope.

NASH CARS REDUCED IN PRICE

The Nash Motors Company has announced price reductions ranging up to \$300.00 on the Advanced Six and Special Six lines. The new low prices are effective November 1st. No change has been made in the Nash models themselves, and the character and quality of the cars remain exactly as before. This sweeping Nash cut in prices is, in effect, a double reduction according to E. H. McCarty, general sales manager of the Nash Motors Company. "When the new Nash models were nationally introduced July 23rd," says Mr. McCarty, "they presented new and original body designs, far reaching improvements in construction and many refinements in engineering and equipment all of which entailed large increases in manufacturing cost. If Nash sales and production had not been smashing all records for volume at that time, we would certainly have been compelled to increase prices materially. But Nash prices were held at the same figure and the response on the part of the public to this offering of greater value and greater quality was instantaneous and country wide. In the three months' period since national Nash Inaugural day, July 23rd, when these new cars were first placed on display, sales have more than equalled one-half the sales for the entire year of 1924, which was a banner year for Nash. So that it is now possible for us to make these sweeping reductions on the Advanced Six and Special Six lines and thus pass on the earned benefits of record-breaking production to buyers.

There has been no cheapening of materials, construction or manufacturing. The same high standards of quality and workmanship that have earned a world-wide reputation for C. W. Nash as a builder of high-grade cars are strictly maintained. And the aim of The Nash Motors Company to continually give greater quality and greater value in its product is now attained in higher degree than ever before. Unquestionably this present series of Advanced Six and Special Six models are the finest cars that have ever borne the Nash name plate. And the soaring demand from all sections of the world is the best evidence of that."

How Can Oakland do it?

How can any maker add more than 100 improvements to a product already unmatched in performance, appearance and value—and at the same time lower prices \$70 to \$350?

That is the question which is bringing motor car buyers everywhere flocking to Oakland salesrooms. That is the question which puzzles them more and more after they see and drive this car.

The answer is, Oakland and General Motors determined to lift the New Oakland Six to unexampled heights of value and dedicated all their resources to this purpose, knowing that the reward would equal the achievement.

Now, with Oakland sales mounting week after week to new high levels, it is competition that asks—"How can Oakland do it?"

FARM WOMEN PLAN BIG STATE PROGRAM

FIVE HUNDRED LOCAL HOME ECONOMICS LEADERS CONSIDER PROBLEMS AT M. S. C. MEETING.

A more complete and satisfactory life in thousands of Michigan rural homes is expected to result from plans made at a big meeting of state home demonstration leaders, held at the Michigan State College on Friday, October 30.

There were 500 women in conference at the meeting, representing the local leadership of many counties of the state. These women, under the general direction of the home economics specialists on the college extension staff, are responsible for the home-makers extension work in the state.

Speakers of both state and national prominence addressed the assembled delegates, pointing out the importance of the "better homes" work being done and laying plans for future programs in the state. Miss Florence Ward, U. S. department of agriculture, Washington; Miss Fannie Buchanan, music specialist from Camden, N. J.; Mrs. Dora Stockman, member of the state board of agriculture; R. J. Baldwin, director of Michigan extension work; and Dean R. S. Shaw, of the agricultural division at the Michigan State College, were leading speakers. Mrs. Louise H. Campbell, state leader of home demonstration work under the college extension division, presided.

Counties represented by especially large delegations were: Kent, Livingston, Genesee, Monroe, Wayne, Oakland, Lenawee, Eaton, Clinton, Washtenaw, Hillsdale, Ionia, Branch, Barry, Ottawa, Jackson, Allegan and Kalamazoo.

More complete coverage of the state with the educational work in home-making, with its resultant important benefits for the rural housewives of Michigan, is expected to follow the meeting. It was the first annual "rally day" for the home economics leaders.

I hereby give notice that I will not be responsible for any debts contracted by my wife, Mrs. Stella Ruthruff, after this date, Nov. 3, 1925.
John Ruthruff.

Schrader Bros. will build a new business block at Northville, for their funeral parlors and display rooms. The following Plymouth firms have been awarded contracts: Crumble & Wood, carpenter work; Jewell, Blatch & McCordie, plumbing and heating.

The Frains Lake school will have the next Trail Blazers meeting November 7th. The morning will be devoted to new methods of teaching by the helping teachers of the M. S. N. C. Dinner will be served by the ladies of the district, and the afternoon is open to visitors.

The Cherry Hill Poultry Club held the last meeting of the year, October 23, at the home of Charles Gill. After the business meeting a social time was enjoyed. The club voted to send Robert Holding to the International Stock Show at Chicago. Their local leader, Wesley Elliott was presented with a fountain pen and an Ever-sharp pencil. Refreshments of apples, candy and pop corn were served.

A serious fire was prevented at Whitmore Lake recently by the prompt and efficient service of the Boy Scouts of that place. The Scouts worked bravely and untriflingly to prevent the spread of the flames and in carrying furniture and belongings from the burning house. The Whitmore Lake troop is under the guidance and supervision of Thomas Pryor, a senior student at the University.—Brighton Argus.

Mr. and Mrs. Ned Seger of Plymouth have just received a letter from their son, William, who has been touring the west with Jack Bell's musical troupe from Detroit. William writes that he is now in California and has visited Hollywood where he saw some of the famous movie stars. While there he also met Jack Dempsey, the celebrated pugilist. It seems that Mr. Dempsey is engaged in other lines of business as well as that of fighting, and owns several fine hotels in Hollywood as well as a large new one in Santa Barbara where William played with the troupe on its opening night. William also writes that Bell's troupe has disbanded and that he is now a member of another and larger one which is touring the state. He expects to be in California all winter.—Brighton Argus.

THE THEATRE

"THE TROUBLE WITH WIVES"

Imagine what a jam you'd let yourself in for if you came home from business with an old college chum. While eating dinner with the little woman, he mentions in a casual tone that you and he had lunched with a pretty little shoe designer. Wifey picks up the cue and launches into a tirade on the trouble with husbands.

She accused you of so much interest in the other woman that you forgot to bring home her watch from the jeweler. Vehemently you deny it, saying it's at the shop. Then you go to get it, only to discover that you've left it at the other girl's apartment. After it you go, to have the infatuated girl fake a sprained ankle and swoon in your arms.

The effects of your little jaunt show all too plainly—two hip prints on your collar, perfume that insists on clinging, etc. That settles it—and you, as well.

Imagine all this and you have a pretty good idea of how Tom Moore must feel when his wife discovers him in just such a predicament in the Paramount picture, "The Trouble With Wives," coming to the Penniman Allen theatre, Saturday, November 7.

The story is a screen original by Sada Cowan and Howard Higgin, directed by Malcolm St. Clair. Florence Vidor is the wife; Esther Ralston is the shoe designer and Ford Sterling, of comedy fame, is the blundering college chum. All are featured.

Other prominent names in the cast are Lucy Beaumont, Edward Kennedy, Etta Lee and William Courtright.

"THE DARK ANGEL"

For real entertainment we can unhesitatingly recommend George Fitzmaurice's latest offering, "The Dark Angel," coming to the Penniman Allen theatre, Sunday and Monday, November 8 and 9. It is a First National picture presented by Samuel Goldwyn, and one calculated to please the most hardened picture-goer.

Ronald Colman is at his very best as Hillary Trent, the young and handsome army officer, and the story concerns his love for Vilma Banks, as the beautiful Kitty Vane. This is Miss Banks' initial bow to American audiences, and we prophesy a great future for the talented and beautiful young lady. She is the Budapest "find" of Samuel Goldwyn while in Europe some time ago.

The direction is most capable, and the supporting cast, which includes Wynham Standing, Frank Elliott, Florence Turner, Helen Jerome Eddy, Charles Lane and other well known players, is well chosen and very capable.

Fitzmaurice, as usual, has overlooked no opportunity for artistic effects, his settings are magnificent, and he has injected some gorgeous episodes in natural color photography. Comedy relief is plentiful, and thrills galore are interspersed throughout the production, which is a screen version of H. B. Trevelyn's famous stage success of the same title.

SNOW BOUND VS. SOOT BOUND

The snow had begun in the gloaming. And busily all the night Had been heaping field and highway With a silence deep and white. You fixed your furnace at bedtime. Then you worried half of the night. For it puffed and smoked, it smoked and puffed. Out something that wasn't so white. Then you opened it up in the morning. On a scene that was dark and drear. You raved and you swore that you would stand it no more. But would call Perkins at 273.

All kinds of metal work, furnaces cleaned, repaired and installed, also plumbing.

"THE COAST OF FOLLY"

"The Coast of Folly," Gloria Swanson's latest starring picture for Paramount, which will be the feature at the Penniman Allen theatre on Wednesday and Thursday, November 11 and 12, has an American background of the aristocracy of wealth as best exemplified in the exclusive orbit of Palm Beach, the "coast of folly," and New York.

In the prologue to "The Coast of Folly," Nadine Gathway, a young, beautiful and tempestuous girl, is married to a middle-aged millionaire who is prosy and narrow by nature.

Bored by the dull rigidity of her married life she deserts him and her baby, sailing forth in the world to seek the romance her heart craves.

But mother love triumphs in the end. Years later after a colorful career, she is drawn irresistibly to her daughter when the latter becomes involved in a difficulty.

Miss Swanson portrays Nadine Gathway, and also Joyce Gathway, the daughter. She brings a dramatic finesse that is fairly genius into the characterizations.

True to life, the husband passes into the discard. How his wife finds happiness eventually on the very brink of destruction is a powerful theme of the story.

Picked Up About Town

"Marriage would bring more happiness," says Dad Plymouth, "if it didn't bring so many bills and poor relations."

One of the first and best things to learn in life is that you have to like other people if you want other people to like you.

Dad Plymouth says "a penny isn't worth much when it comes to buying something these days, and there was a time when a yard of goods wasn't considered enough for a dress."

Tourists spent \$15,000,000 in Canada this year. And their gas tanks were not the only tanks they filled.

"Some people get red noses from working in the sunshine," says Dad Plymouth, "and others from the moonshine."

According to Dad Plymouth, a good wife is one who knows more than her husband but who doesn't let him suspect it.

Reformers are folks who think that the world is going to the dogs, which is probably why they spend so much time and energy growling.

"The hardest part about enforcing prohibition," declares Dad Plymouth, "is to get people to stop looking for a drink."

NASH

Again!

OFFERS GREATER VALUE

July 23rd Nash introduced new models—by long odds the finest motor cars Nash ever built.

These new models presented new and uniquely original body designs, far-reaching improvements in construction, and many notable refinements in engineering and equipment—all at far greater manufacturing cost.

BUT—NASH DID NOT INCREASE PRICES!

NOW!

PRICES REDUCED

Reductions up to \$300

The above price reductions are effective November 1st on exactly these same models.

It is possible to make such price reductions only because of the tremendous volume of sales inspired by the manifestly GREATER QUALITY and GREATER VALUE of the Nash product.

In the first 3 months these cars have been on the market the total sales have more than equaled one-half the sales for the entire year of 1924.

SCHOOL NOTES

HIGH SCHOOL NOTES

Thursday and Friday of last week there was no school because of the Teachers' Institute in Detroit.

At the last Girl Scout meeting, Elizabeth Burrows was elected first lieutenant; Ruth Hamilton, secretary, and Clarice Hamilton, treasurer. The tenderfoot tests will be completed by the middle of this month, and by the last of this month they will be a fully registered troop. Miss Cary is the Scout Mistress.

October 29th, the following of the debating squad went to Ann Arbor to hear the University of Michigan and Cambridge, England, debate: Franklin A. Atchinson, Josephine Schmitt, Malcolm Cutler, Dorothy Hillman and Julia Learned.

Thursday, October 29th, an Aggie Club Halloween party was given at the home of Helen Tyler. About forty were present and all had a very good time.

Last Monday evening, the H-Y boys had their first banquet of the year at the High school. New members of this club are: Harry Miller, Stillman Warner, Clare Travis, Harley Sallow and William Curtis.

GRADE NOTES

Eighth graders are enjoying Hawthorne's story of "The Great Carbuncle," containing many valuable lessons, which they may use for the development of their own characters.

Miss Mildred Donsen, teacher of the Sixth grade, has been ill for several weeks, and is still absent.

The Sixth grade history class is studying the colonization of America. The 4A arithmetic classes are learning to divide in long division.

Very neat and good looking product maps are decorating the bulletin board in the Sixth grade room.

A celluloid penmanship overseer was placed over the writing of the students of the 4-A and 5-B grades, and nineteen pupils were found to make perfect Palmer Method o's.

Jane Adams, a pupil of the 3-B grade, has moved to Alpena, Mich.

One new pupil, William Hildley, entered the 2-B grade, Monday.

Pupils of 2-B grade are studying about squirrels.

Last Wednesday afternoon the 2-B class celebrated all October birthdays of the little people in the room, with a Halloween party.

The following students of the 1-A and 2-B grades received 100 for their written work in arithmetic during the month of October: Edna Lisull, Janette Vannam, George Stanzel and Wilford Kirkley.

The 1-B grade is working on very attractive Thanksgiving decorations of Indians and Pilgrims, which will be used as border decorations.

In the nature study for October, the students of 1-B room are observing carefully the weather each day, and marking the results down on an Indian calendar of "The Moon and Snow Myth."

Marguerite Moon, who has been absent from her studies on account of illness, returned to school Monday morning.

Every year since 1922, a stock judging contest has taken place at the Northville fair. The High school that won three contests out of four got a cup, which was donated by the Plymouth United Savings Bank. In 1922, Plymouth won the contest, with the team, Herbert Miller, Carl Ash and Donald Beyer. Howell won the contest in 1923, but the next year Plymouth won again, and this time T. Rodman, L. Sletoff and C. Travis were on the team. Then Plymouth won the contest for the third time in 1925, and this time Russell Miller, Myrlin Lyke and Harry Miller were on the team. This makes another cup for Plymouth High school.

FOOT BALL

On Friday, October 29th, Plymouth went to Farmington. On account of the wet field, Plymouth was unable to pass, and so it was necessary to make line plunges. Plymouth's score was made in the second quarter, when Curtiss intercepted one of Farmington's passes. The team was loyally supported from the side lines. The boys enjoyed a free mud beauty bath, and they looked somewhat like chocolate bars as they trooped victorious off the field, having won by a score of 6 to 0.

GIRL RESERVE NOTES

The business of the Girl Reserve meeting that was held Tuesday, October 27, was to vote on the applications handed in by those girls who wished to belong. It was also decided that there be a mock initiation. All day Wednesday the new girls wore blue and white ribbons on their hair. Monday, each girl wore one light and one dark colored stocking, and Tuesday they rose and saluted every Girl Reserve, whenever they entered, the room.

The recognition service was held Tuesday evening, November 3, at the Wilcox home. "The Circle of Light" was the ceremony used, and those that were recognized were: Leona Joy, Julia Learned, Ivo Campbell, Dorothy Hillman, Dorothea Lombard, Val De Caughey, Marie Miller, Letha Rowland, Lestie Rowland, Edna Gottschalk, Beulah Fisher, Leona Beyer and Margaret Tillotson.

At the recognition service, which is beautiful with its candles of symbolism, there was a discussion, led by the president, Julia Wilcox, as to what constituted the ring standards, the

real meaning of health, knowledge, spirit standards that the blue triangle represents. It was found that the highest attainment lay, not in things done as accomplishments, but in ideals lived up to.

Before the ceremony, popcorn and apples were served, and some of the Girl Reserve Songs were sung.

The club now has a total of twenty-seven members, and is planning to accomplish much this semester.

STARK

The P. T. A. of the Stark school gave a Halloween party, last week Wednesday. About twenty-five of the children were in fancy dress and masked. Prizes were given, and all enjoyed the fine program, after which a lunch of fried cakes, pumpkin pie and cider were served.

School closed last week Wednesday for the rest of the week.

Mrs. William Schunk is back to her home for a couple of weeks.

James Love of Nankin Mills, had the misfortune to have his truck destroyed last week, on the way to the Eastern market. Arthur Frost, the driver has a badly hurt arm, but was able to get home, after being treated at Receiving hospital.

Word has been received of the death of John Tyre, who lived with his mother and sister on Warren and Inkster roads. The family have the sympathy of this entire neighborhood, as they are old residents here.

William Love of Farmington road and Town Line, is preparing to move next week to the farm he recently purchased from Herman Gross, near Saline.

SOUTH SALEM

Mr. and Mrs. Frank Boyle had as a week-end guest, Mrs. Boyle's niece, Miss Hazel Quackenbush of 602 Pearl street, Ypsilanti.

A fair-sized crowd attended the Arthur Walker auction, Monday. Mr. Walker has purchased a home in South Lyon, and will move his family there in March.

Sunday guests of Mr. and Mrs. Mayford Sletoff were: Mr. and Mrs. William Rendell and daughters, Myrtle, Marian and Melva. Mrs. Ferris Brady and children, Minerva, Jean, Robert and Billy of Iritton; Mr. and Mrs. Henry Collins and sons, Harold and Harry of South Ypsilanti; Mr. and Mrs. Frank Harwood and daughter, Virginia Mae, of Ypsilanti.

Louise Borabacher was in Plymouth on business, Tuesday morning.

Mr. and Mrs. Howard Stein of Ypsilanti, are the parents of a son, Howard Edgar, born Friday, October 30th. Mrs. Stein was Irene Quackenbush, formerly of Salem.

Mrs. Adams is ill. Her sister is caring for her.

Mr. and Mrs. Glenn Whittaker and son and Mr. and Mrs. William Tait were week-end guests of relatives in Lansing.

Mr. and Mrs. George Wright and daughter, Twila, of South Ypsilanti, were Saturday callers of Mrs. Mayford Sletoff.

Mr. and Mrs. Coda Savery, Bert Ryder and his mother and the Clin-smith boys were on Detroit market with produce, Tuesday.

May Hoban spent Tuesday with Mrs. Adams.

Mrs. Carlton Lewis was in Dearborn, Friday, and brought her niece, Josephine Lewis, home with her for the week-end.

Armistice Day

A DAY to be thankful for, is Armistice Day.

Recurring anniversaries of that day when fighting ceased in the World War serve to emphasize anew the service we owe to our country and ourselves.

To carry on for prosperity and security, national and individual, we are here to cooperate.

CHANCERY NOTICE
No. 127356

STATE OF MICHIGAN, The Circuit court for the County of Wayne, in Chancery.
Charles A. Fisher, plaintiff, vs. E. C. Matthews, John Dickerson, Earl Holsington, Peter Fraick, Elam P. Warner, Isaac B. Merritt, R. S. Durfee, Isaac B. Merritt, R. S. Durfee, William Starkweather, A. M. Hurd and Company, William C. King, William C. King, George B. Martin, Thomas Briggs, and Charles H. Bennett, or their unknown heirs, devisees, legatees and assigns, defendants.

ORDER FOR PUBLICATION
AT A SESSION OF SAID COURT, Held at the Court Room thereof in the City of Detroit, said County and State on the 16th day of October, A. D. 1925.

PRESENT: The Hon. JOSEPH A. MOYNIHAN, Presiding Circuit Judge.
ON READING AND FILING The Bill of Complaint in this cause, from which it satisfactorily appears to the Court that titles, interests, claims or possible rights to the premises described in said Bill, and hereinafter described, which titles, interests, claims and possible rights of said defendants and each of them, if they ever had any validity, said plaintiff avers to be barred by the quiet, peaceable, open, notorious, adverse, hostile, undisputed, exclusive and continuous possession of plaintiff and his grantors for more than fifteen (15) years and for more than ten (10) years, since the several appraisals in said respective defendants, which said possession has been, during all of said time, and still is, adverse and hostile to the titles, interests, claims or possible rights of said respective defendants, and upon reading the affidavit of JOHN L. CRANDALL, attorney for said plaintiff, that it is not known and could not be ascertained after diligent search and inquiry whether their titles, interests, claims or possible rights have been disposed of by will and that it cannot be ascertained in what State or County said defendants reside:

ON MOTION OF JOHN L. CRANDALL, Attorney for Plaintiff;
IT IS ORDERED, That E. C. Matthews, John Dickerson, Earl Holsington, Peter Fraick, Elam P. Warner, Isaac B. Merritt, R. S. Durfee, Isaac B. Merritt, R. S. Durfee, William Starkweather, A. M. Hurd and Company, William C. King, William C. King, George B. Martin, Thomas Briggs, and Charles H. Bennett, or their unknown heirs, devisees, legatees and assigns, and the unknown persons who are or may be known to claim under them, cause their several appearances to be entered herein in the manner provided by Law on or before THREE (3) MONTHS from the date hereof, and that this Order be published or served as required by Law.

JOSEPH A. MOYNIHAN,
Circuit Judge.

MUNICIPAL NOTES

We have had two small fires recently: one Monday evening at the Frank Markel house, corner of Harvey and Church streets, where a small hole was burned by the roof next the chimney. The other, Wednesday morning, at F. Wilson's, on Deer street, was also a roof fire, damaging shingles and roof boards.

The firemen will assist the underwriters next Thursday, when Plymouth is visited by these men. This village knows of various basements under Main street and Pennington avenue stores that had better be cleaned out before that date.

The sewer contractor and our engineers conferred with the commission Monday night, about the progress on this work. Mr. Nolan promises the Ann Arbor street trunk line before Christmas, sure, and as much of the Maple and Wing street line as he can before winter shuts down on him.

The A. R. Crowe Company is making good progress now on the disposal site contract.

Clinton Gottschalk is making the hall look quite different inside. The rooms are ready to plaster, and the concrete floor of the warehouse may be poured by the time these notes are read. We have had many compliments on the warehouse and fence.

Mr. Reddeman and Mr. Black have laid a lot of water main since last week. Pipe has been put in on Sheridan avenue, Pennington avenue, Moreland avenue between Ann Arbor and Farmington, and is now going in on Junction avenue, west of Arthur. The weather has been more in our favor this week. Four new fire hydrants now protect this end of town.

Our records show that 73 water tap permits have been issued this year. Ten have been given the last month. This beats the record, at least, that of the last five years.

88 years. Funeral services were held at St. Patrick's church, Northfield, at 10:00 o'clock Monday morning. Mrs. Nany was the mother of twelve children, five of whom preceded her in death. The seven children who survive are: William and Charles of Northfield; John J. of Superior; Edward, Mary, Anna and Theresa at home. Mrs. Nany was beloved by all who knew her.

Mrs. Rose Beveridge of Detroit, is a guest of her sister, Mrs. Joseph Grammel.

Mr. and Mrs. Gust Eschel entertained Mr. and Mrs. John Eschels and children, Charles Eschel and John Battige of Detroit, Sunday.

Mrs. Olin Tait entertained the class in household management, October 28, from 10:30 to 4:00.

The children of Frain's Lake school began their Hot Lunch Club, Monday.

Mrs. John Harwood and Alice Wright visited with Mrs. Carl Renkert, Monday afternoon.

OBITUARY

Nellie M. Shackleton, daughter of John and Martha Shackleton, was born November 27, 1873, at Farmington, Mich., and died October 28, 1925, at Harper hospital, Detroit, aged 52 years, 11 months and one day. She was married to Harry B. Northrop on September 23, 1891. Three children were born to this union, Maud, Glenn L. and Gladys N. Mrs. Northrop has lived in Plymouth ever since she was married. She leaves to mourn their loss, her husband, Harry B. Northrop; one son, Glenn, and one daughter, Mrs. Gladys Bulmon. Mrs. Paul Wood, the eldest daughter died March 15, 1922. She also leaves six grandchildren, one brother, John Shackleton, and a large number of relatives and friends. For about twenty-five years she has been a member of the Plymouth Baptist church.

She will be missed very much, especially in the Ladies' Aid Society, where she was very active. She has for some years been a loyal member of the Lady Maccabees.

The community extends sympathy to the family in this hour of their sorrow.

Funeral services were held from the Schrader Bros. Funeral Home, Saturday afternoon at 2:00 o'clock, Rev. H. E. Sayles officiating. Burial at Northville.

A New Way to Heat Your Home

Here is a new and unique heating plant for your home—the Sunbeam Cabinet Heater. It's as attractive as a fine piece of furniture and doesn't take up any more room than a phonograph.

It heats while it ventilates. And it gives you this heating result with the greatest possible economy. It burns either hard or soft coal or wood and easily heats five to seven rooms.

The Sunbeam Cabinet Heater takes the place of two or three stoves. It is clean, wholesome and healthful. Come in today and let us tell you more about this wonderful new heater, or ask us to send you descriptive literature.

MRS. GRIFFITH'S LETTER IS REVEALED TO THE PUBLIC

Alabama Woman Has Used Dr. Thacher's Liver and Blood Syrup Thirteen Years and Is still Enthusiastic About It.

Dr. Thacher's celebrated Liver and Blood Syrup has always met with general favor among all classes and for more than half a century has been recognized as a tried and true remedy. Some remarkable evidence of the widespread popularity of this preparation has come to light in the form of letters received by the manufacturer. Among the most interesting shown is one from Mrs. Lydia Griffith, E. F. D. No. 1, Tallahassee, Ala., who writes:

"I consider Dr. Thacher's Liver and Blood Syrup an old friend of mine, as I have used it in my family for thirteen years and in all that time it has never failed in a single instance of giving the desired relief. I gladly recommend it to all who suffer from indigestion, stomach troubles and impure blood." If one may judge from present indications as shown by the large number of people who are calling for it, Dr. Thacher's Liver and Blood Syrup bids fair to break all records in the near future for number of bottles passed over the counter, which alone is one of the strongest recommendations that can be made in its favor, for people would not buy it so continuously and advise their friends to take it if they were not perfectly satisfied that it was doing them good. The public is reminded that Dr. Thacher's Liver and Blood Syrup is sold in Plymouth, by the Dodge Drug Store, with the positive guarantee that your money will be returned if it does not benefit you.

PARENT-TEACHER NEWS

For the benefit of the local Parent-Teacher Association in this section, the Plymouth Mail will print the news and meetings of the Wayne County Council.

It is the desire of the council to help and support every local association in every way possible, and we hope that all members of local organizations will come to the meetings of the council, and profit thereby. Mrs. George Michelin, the chairman of the rural division, has just recently moved to Plymouth, and will be glad to do all in her power to assist at the local meetings at any time, if you will just let her know.

The next meeting of the County Council will be held at River Rouge High school, Saturday, November 21. Everybody is especially invited to come. These are all day meetings, from 10:00 to 4:00 o'clock—10:00 to 11:00 special instruction in parliamentary law; 11:00 to 12:00 business meeting; 12:00 to 1:00 lunch hour—dinner will be served for 50 cents a plate; 1:00 to 2:00 special conferences, pre-school, rural, grade and High school, each person attending the one that she is most interested in; 2:00 to 4:00 the big assembly meeting with a special program.

Mrs. George Michelin attended the rural luncheon held in the Eastern Star cafe, Grand River and Boulevard, Detroit, October 29th, given by the rural teachers attending the Michigan State Teachers Institute. About 150 teachers and friends were present. Mr. Fisher, county commissioner, was toastmaster, and several short talks were given by visiting commissioners of surrounding counties. The meeting was most inspiring.

In the afternoon, Mrs. Michelin attended a meeting of the Parent-Teachers Division of the M. S. T. Institute at Central High School in Detroit. W. M. Lewis, president of George Washington University, D. C., was the principal speaker. Mr. Lewis gave a splendid talk on the treatment of our youth today, and that home life must be given more consideration; we must devote more of our time to our children. He suggested we have a home night at least once a week, laying aside all duties and do things then as a unit, as a family. He said we were making mistakes giving elaborate presents to our children. The boy who makes his own radio set gets more enjoyment and more real benefit than from the best set you can buy. America must teach the youth three things: First, The Battle of Love; second, Dignity of Labor; third, Privilege of doing an honest day's work. It is also very essential that we teach our youth economic habits. He stated we were neglecting physical education, by thinking we were giving him proper training with specialized athletics, and called our attention to the fact that in specialized athletics we picked the eleven best youth in the school and trained them, while the youth that needed the training and exercise, sat in the bleachers and did the cheering. With proper physical education it required the services of a school doctor, nurse and playground supervisor. Mr. Lewis, in speaking of the immigration and foreign situation, said we ourselves had isolated them and made it necessary for them to gather in groups. The foreigner was all right so long as he reads, writes and thinks in terms American, and treat them as a "stranger within our gates."

Mrs. E. J. Ottaway, national chairman of music, gave a very good talk on music in the home, and greetings and short talks were given as Mrs. Raymond, the state president, called on Mrs. Kiefer, past state president; Mr. Strong, vice president; Miss Thomas, U. of M. librarian; Mrs. Christensen, state program chairman; Mrs. Peterson, state recording secretary; Mrs. Gage, corresponding secretary, and several other state chairmen. The Hamtramck High school orchestra, with Stacey Holmes as director, furnished the music for the afternoon, giving a brief talk on the instruction given the children and the instruments furnished by the school.

After the meeting we all had an opportunity to meet and talk with our new state president, and Mrs. Kiefer, our beloved past president.

NEWBURG

Rev. Paul Havens preached an evangelistic sermon last Sunday, taking his text from Jeremiah 8:20. "The harvest is past, the summer is ended, and we are not saved." A fine interest is shown in all activities of the church. Services at the usual hour next Sunday. Rev. Champlon of Detroit, will preach.

Mrs. Clyde Smith entertained her Sunday-school class of girls at a Halloween party at her home Saturday afternoon.

Callers at the Ryder homestead Sunday afternoon, were Mr. and Mrs. Warren Brown of Milford, Mr. and Mrs. William Clark of Highland Park, and Mrs. Edith Lapham and daughter, Grace of Detroit.

We are glad to note that John Adams is convalescing nicely at the Herman Kiefer hospital, Highland Park, and will soon be home.

The L. A. S. hall was nicely decorated for the Halloween party the Epworth League gave Saturday night. Melvin Guthrie had charge of the entertainment. A lady friend of Mrs. Havens sang several beautiful selections. Joy McNabb, was voted as hav-

ing the prettiest costume, and David Geney the funniest. Ruth Cochrane won the pie eating contest, and Henry Melbeck won the marshmallow contest.

Leigh and Earl Ryder accompanied by Henry Grimm and Clyde Smith, went on a hunting trip to Stockbridge, last Saturday, getting pheasants and rabbits, and also taking dinner with Mr. and Mrs. H. V. Jesse.

Rev. Paul Havens underwent quite a serious operation on his nose in Detroit, Monday morning. His many friends extend sympathy, and hope for his speedy recovery.

Mrs. C. E. Ryder, Mrs. M. Eva and Mrs. Clyde Smith and Mrs. L. Clemens called on Mesdames Emily and Ada LeVan, Monday afternoon. They also called on Mrs. Harmon Smith in her new home.

Mr. and Mrs. Thomas Wilson, daughter, Loretta, and son, Marvin, visited Mr. and Mrs. Nichols and Mr. and Mrs. Wilson in Detroit, Sunday.

The Horton and Lomas greenhouse is coming on fine. They have had radishes for market, and other things are coming on.

Several houses are under construction in the Bakewell subdivision on Plymouth road, west of Newburg road.

There are lots of potatoes being dug this week. There are probably very few that remember digging potatoes in November, in this locality.

(Items left from last week.)

Mrs. Emily LeVan of Plymouth and Mrs. Casterline of Flint, spent Sunday with Mrs. C. E. Ryder.

Mr. and Mrs. Verne Mackinder and children, Harold and Vern Marion of Grand Rapids, visited their parents, Sunday. Those who called there Sunday, to congratulate Mr. and Mrs. Mackinder on their 45th wedding anniversary were, Mr. and Mrs. Ralph Raymo of Wayne, Mr. and Mrs. James Norris and little son of Strathmoor.

There were fifteen girls at the Queen Esther Circle Tuesday, at the home of Miss Joy McNabb. They are commencing work on radiograms.

Raymond and Clara Grimm entertained quite a number of young people from Detroit, at a Halloween party at the Gleason hall, Saturday Night.

EAST PLYMOUTH

Mrs. Harold Cook has been sick with tonsillitis, but is now able to be back to work again.

The Helping Hand Society met with Mrs. Parrish, Wednesday, November 4th, with a good attendance. New officers were elected, and everyone had a good time.

Mr. and Mrs. Charles Hurrell Mr. and Mrs. Brien, William Delafid of Detroit; Mr. and Mrs. Archie Collins and son, Kenneth, of Plymouth, spent Sunday with Mrs. Clara Weltzer in Plymouth.

Mrs. Agnes Schaefele is able to be out again.

Mr. and Mrs. Will Rengert of Plymouth, have moved into their new house in Robison subdivision.

Robert Trombley returned from the hospital, Wednesday, November 4th. He is doing nicely.

We have new neighbors in Mr. Robinson's house, Mr. Tolby and family.

KENYON SCHOOL NOTES

Helen Rebitzke and Estella Miller are ahead in the spelling contest.

The eighth graders have been doing some fine work in their history and Agricultural note books.

We are expecting the well diggers here this week. We shall certainly appreciate a new well.

The P. T. A. meeting was held on Tuesday evening. The meeting was called to order by the president, Mrs. Ray Holcomb. Minutes of the last meeting were read and approved.

Some arrangements were then made concerning the zone meeting that will be held at our school on November 21.

The program then opened by a song and physical demonstration given by the entire school. Alice Williams then spoke, followed by an exercise given by Estella Miller and Margaret Holcomb.

Owen Williams next spoke, "A Spooky Hollow." "The Music of the Brook" was next sung by Margaret Holcomb and Helen Rebitzke. Recitations were given by Ethel Rebitzke and Edsel Forshee. Lee Eldred then played several selections on his accordion. After a recitation by Johnnie Sakhaus, a short play was given and story told by John Miller.

Miss Bird then closed the program by giving three readings. The meeting then adjourned.

The Third, Fourth and Fifth grades are enjoying some new Story Hour Readers.

The children of the school enjoyed a two days vacation, while the teacher was attending the Institute in Detroit.

The children enjoyed a Halloween party this year. They drew names, and gave that person some Halloween trinkets. Some of the games consisted of peanut hunt, candy race, etc. Pop corn, candy and apples were served.

Don't forget Zone meeting. When? November 21st. Where? Kenyon school.

Contracts having been awarded, the contractors are already getting their materials on the ground ready to commence work on the new Schrader block in Northville.

If you would build well, build now and buy your materials from the Judson Lumber Co.

Why so depressed, Jimmy?"
"The horrible cost of living, old chap; constant bills for materials, paint and shingling."
"What, house?"
"No, daughters."

We have just received a new shipment of No. 3 Redheart Shiplap, which runs extra good. Better drop in and look it over.

There is very little difference in price between our millwork and lots of others, but there is lots of difference in quality. Let us bid on your next job.

Clarence Hix has his new home on Canton Center road well under construction.

Wife: "Just think of it! A couple got married a few days ago after a courtship which lasted fifty years."
Husband: "I suppose the poor old man was too feeble to hold out any longer."
—Sawdust.

We make no extra charge for quality.

When you talk quality—talk Judson. Down to the basement our steps now turn us.

FIRST PRESBYTERIAN CHURCH

Rev. Robert Brown of Ann Arbor, will supply the pulpit of the Presbyterian church, next Sunday, November 8th.

Morning service at 10:00 o'clock.

Sunday-school at 11:30 o'clock.

Christian Endeavor at 6:00 o'clock.

Evening Service at 7:00 o'clock.

METHODIST NOTES

Mrs. Gill's division of the Ladies' Aid Society served dinner for the Kiwanis Club in the dining room of the Community House, Tuesday.

The General Aid Society held their regular monthly meeting in the Ladies' Aid parlor, Wednesday afternoon.

The discussions in the men's class of the Sunday-school are growing in interest. Levi Clemens leads the general discussion next Sunday. Dr. Lendrum is the teacher of the class.

The offertory number Sunday evening will be a violin selection by Floyd Dicks.

The Woman's Missionary Society will meet with Mrs. Lendrum at the parsonage on Wednesday. A pot-luck dinner will be served at one o'clock. An interesting program has been arranged for the afternoon.

BAPTIST NOTES

Last Sunday morning found the ladies of the church in charge of the services, which were as follows:

Organ Prelude
Doxology
Invocation—Mrs. H. Daly, in charge of program
Hymn 209
Responsive Reading—Miss E. Scott
Scripture Reading—Mrs. A. Collins
Hymn 231
Prayer—Mrs. Sewell Bennett
Ladies Trio
Announcement—Mrs. N. Humphries
Offering
Ladies Trio
Sermon—Pastor
Hymn 509
Benediction—Pastor
Trio—Mrs. H. Sayles, Miss G. Granger, Mrs. R. Allenbaugh
Fishers—Mrs. Joseph Stanley, Sarah Daly

We had some new scholars in Sunday-school last Sunday. Mrs. Patterson's new class is growing.

Several brought gifts for the children's home. These gifts consisted of both money and provisions. It is delightful to help these homeless children.

Prayer meeting last Wednesday was held at the home of Mr. and Mrs. Sewell Bennett, November 11th, the meeting will be held at the parsonage, November 18th at the home of Joseph Stanley, and November 25th at the home of Mrs. Noel.

SALEM

The Ladies of the Federated church will hold their annual bazaar at the church, December 4th, for dinner. Everybody invited.

Miss Natalie Morgan of Adrian, and James Tait of Detroit, spent the weekend at the home of Rev. Halliday.

Mr. and Mrs. G. C. Brockow and daughter, Miss Frances of Detroit, called Sunday evening, at the Rev. Halliday home.

Sunday dinner guests of Mrs. Jennie Smith were Mrs. Nellie Bird and daughters of Plymouth; E. Alsbro of Lansing, and Mr. and Mrs. Harmon Gale and family.

Ellsworth Alsbro of Lansing, visited his sister, Mrs. Jennie Smith and other relatives last week-end, returning home Sunday.

Sunday dinner guests at the G. Roberts home were Mr. and Mrs. Frank Murray and daughter, Fern, and friend, Mr. and Mrs. Arthur Blunk and daughter, Zerepha, and Mr. and Mrs. Glenn Lyke and family.

Harry Atchison, wife and family were Sunday dinner guests at the Nathan Brokaw home.

Mrs. Sarah Stanbro is spending the week with Mr. and Mrs. Norman Miller and family.

Mr. and Mrs. Harold Foreman and Miss Dorothy, all of Detroit, were week-end guests of their parents.

The ladies of the Federated, Aid will hold their Thanksgiving dinner in the church parlors, November 18th, instead of the 20th, on account of the Congregational bazaar being on the latter date.

Mr. and Mrs. J. Youngs of Ypsilanti, were Sunday guests of Mr. and Mrs. E. Youngs.

Mr. and Mrs. J. Youngs of Ypsilanti, were Friday evening dinner guests of Mr. and Mrs. G. Roberts.

Mrs. Mary Baker and Mrs. J. Dickie of South Lyon, were Thursday afternoon callers at the G. Foreman home.

Miss Ruth Foreman was a Wednesday night guest of Mr. and Mrs. Merrel Renwick of Ypsilanti.

The ladies of Mrs. Johnson's class in home economics, met at the Federated church in Salem, Wednesday, October 28th. Twenty-one members were present. At the previous organization meeting, Mrs. Johnson was unanimously chosen to continue as our leader. Mrs. Judson Taylor was re-elected president, and as Mrs. Hershel Munn wished to be relieved, Mrs. J. Halliday was elected secretary-treasurer. It was also decided to continue the name, Salem Sisters. The subject of home management was studied; also the problem of so arranging our kitchens that we can do the most work with the fewest steps. An interesting feature of the lesson was a kitchen score sheet. We scored our kitchens as they are now, and we will have to score them again at the end of the course. The lesson was very helpful and instructive, and we are hopeful of making a record in step reduction in our home work.

MICHIGAN MAN BUYS CHAMPION COW

Michigan became the home of the championgrade Holstein cow in America, when Mollie adjudged the best cow of her type by the Judges of the National Dairy Show held at Indianapolis, was sold to James E. Larowe, of the Larowe Research Farm, Detroit, Michigan. Mollie, who is five years old, is a granddaughter of Cedar Lawn Canary Paul, who won the championship of the National Dairy Show in 1920 and whose head, neck, crest and rump were chosen by the Holstein Friesian association as typical of the true Holstein bull. In the 322 days that she was in milk last year, Mollie produced 12,904 pounds of milk and 571.9 pounds of butterfat. She is rated as of almost perfect dairy type.

Michigan also brought another blue ribbon back from the National Dairy Show. Strathglass Roamer, owned by James E. Davidson of Bay City, was chosen by the judges as the grand champion Ayrshire bull of the show.

Wisconsin proved the sensation of the show by capturing eleven cattle championships. These include the grand champion Holstein bull, the junior champion Holstein cow; the grand champion Brown Swiss cow, the junior champion bull and junior champion cow in this breed; the champion Brown Swiss calf, the Ayrshire champion calf, and the champion grade cows in Holsteins, Ayrshires, Brown Swiss and Guernseys, New Jersey showed the grand champion Jersey bull, the junior champion bull, the junior champion Jersey cow, and the Jersey national champion calf in the club classes; while Massachusetts had the grand champion Ayrshire cow, the junior champion cow, and the junior champion Ayrshire bull. Minnesota claimed honors for the junior champion Guernsey cow, the junior champion Guernsey bull, and the champion Holstein calf. The blue ribbons for the grand champion Holstein cow and junior champion Holstein bull went to Ontario, Canada. Of the remaining winners, Vermont took the champion Jersey grade cow; New York, the grand champion Guernsey cow; Ohio, the grand champion Brown Swiss bull; Iowa, the champion Guernsey calf; Missouri, the grand champion Jersey cow; and Idaho, the grand champion Guernsey bull.

Filipino Laborers Have Happy Lives in Hawaii

The Filipino laborer on Hawaiian sugar plantations has taken to the automobile as kindly as his ancestors did to the bolo. After he has been on a Hawaiian plantation for a few months the automobile becomes his customary vehicle for travel. Many laborers own machines and hundreds rent cars, which are kept solely for their patronage. They call a taxi to go to the plantation, moving-picture house or store, although the distance may be short.

According to a bulletin of the Hawaiian Sugar Planters' association, the lot of the Filipino laborer in the land of straw skirts is a happy one.

Employment is continuous, and the laborers are provided with rent-free homes, fuel, drinking water and adequate medical attention and hospital care. They wear practically the same clothing throughout the year. They send \$800,000 a year to the folks back home. Their assured wage with a bonus is \$44.33 a month and a further ten-per cent bonus is paid on a profit-sharing plan when sugar is at a normal price. In the Philippines the highest average daily wage is but 50 cents a day, without food; or \$13 a month.

LOTS OF 'EM WON'T

"Has your wife much will power?"
"Well, not as much as she has wot power, I'd say."

Junk Industry Important

In the United States there are about 150,000 junkmen whose business of collecting scrap iron runs into the millions of dollars annually. For these 150,000 collectors of scrap iron there are about 3,000 dealers who employ about 50,000 persons and a relatively small number of brokers who act for them. The customers for this scrap iron range all the way down from the United States Steel corporation to the smallest of independents. Annually the junkmen collect and sell about 20,000,000 tons of scrap iron and other metals, all of which practically goes back to the steel mills for remelting or recasting.

India's New Port

Dredging operations are in progress at Vizagapatam, India, with a view to making that place a major port. Huge steam dredgers are at work on the task. Regarding the proposed railway extension from Vizagapatam to Raipur, the chief engineer, deputy engineers and the architect of the Bengal-Nagpur railway visited Vizagapatam port recently in connection with the construction of the new marshaling yards, station and other buildings. It is understood land is now being acquired for this line. The secretary of state for India in council accorded sanction for both projects in March last.—London Mail.

Conserve Elephants

Extirpation of elephants in South Africa is feared, unless steps are taken for their preservation. The herd, which has dwindled to about forty, lives in a reserve 8,000 acres in extent, in the Addo bush, near Port Elizabeth. The animals leave the reserve nightly in search of water, and as the neighboring farmers are allowed to shoot the elephants when they trespass on their land the survivors will soon be killed off. The government is being urged to purchase land so as to give the elephants, which form a distinct subspecies, access to the Sunday river.—London Mail.

Danger in Bolting Food

The common habit of bolting your food is an extremely dangerous one, according to Dr. J. D. Osmond of Cleveland, Ohio, who, in Popular Science Monthly, declares that it is largely responsible for the increase of cancer in the United States. When a man under nervous strain, swallows his food in chunks, he says, it tends to be retained in the gullet instead of going on to the stomach. This irritates the gullet and frequently causes cancer.

Plans Peculiar Study in Counter-Evolution

A German scientist named Rudolf Requadt intends to make experiments to determine whether there is a counter-evolution in nature; that is, whether there is a reversion of type. American scientists, it is reported, will be asked to take part in the rather bizarre experiments performed by Professor Requadt.

He will experiment on colored babies in Portuguese East Africa. About a dozen African babies will be taken from their mothers and isolated in a lonely spot. The babies will be observed by means of special mirrors, dictaphones and movie cameras. They will be shifted from time to time by a long mechanical arm. The plan is to keep them entirely from other human beings. After the test is completed the babies will be brought into contact with civilized conditions to check their reactions. Professor Requadt says the isolation will by no means mean neglect of the babies; they will be properly fed, and treated if they become ill.—Pathfinder Magazine.

Evidently Case of Being Led to Altar

He was an instructor in one of the state colleges. He seemed much younger than his years and was quite timid among the girls at the school. But, he explained, that was because he "had a girl back home." They had "had an understanding" some years before, back in high school days, it seems, but no definite date had ever been set for the marriage ceremony.

Spring vacation came and he went home and returned with a bride who from the start showed who was going to be boss.

He met one of his friends on the street and said, "Weren't you surprised about my wedding?"
"Why, no, I thought it had been understood long ago. I wasn't especially surprised."
"Gee, I was," the new bridegroom admitted.—Indianapolis News.

Bulgar Boys Help State

Compulsory labor laws introduced in Bulgaria four years ago have achieved useful results. Originally all men and unmarried women between the ages of eighteen and forty had to work for the state ten days each year. Men used to mend roads, work on the railways and do various odd jobs. Women were employed indoors at sewing and cleaning. Now women have been released from compliance with this law and only schoolboys have to give the state ten days' labor. The work is unremunerated, but as far as possible is done in the localities to which the boys belong. This summer groups of schoolboys have been tidying and improving the public parks in Sofia. As the work is out of doors it is by no means unpopular.

Giant Halibut

Four huge halibut, weighing altogether something like 1,148 pounds, or an average of 280 pounds each, were landed at the Aberdeen fish market by the local trawler Ben Hellen. This vessel had been away on a trip to the Faroe fishing grounds, where she secured besides a fair haul of other classes of fish, a good number of big flats. The four giant halibut on being exposed for sale met with keen bidding, and were knocked down at £31 (\$155) for the four.—Family Herald.

First in Electricity

Herbert Hoover, secretary of commerce, puts America first among all nations in the development of electrical progress. He backs up his statement by citing America's 15,000,000 telephones, 27,000 telegraph offices, 9,000,000 homes wired for electricity and 27,000,000 horse power in electrical energy capacity.

Boat Travels Fast

What is believed to be one of the fastest boats ever built has been constructed by H. N. Sherburne of Plaquemine, La. It is a craft driven by a 90-horsepower airplane motor mounted on the stern. With a full load the boat will attain a speed of more than 60 miles an hour.

By No Means All Right

"I say," exclaimed Mr. Brown in a worried tone, "I'm sorry my dog bit you last week!"
"Oh, that doesn't matter a bit," said his friend. "That's all right!"
"No, it isn't!" declared Mr. Brown. "The poor thing has been ill ever since!"

A Power prescription for your car

WE offer this suggestion to owners whose cars are shy on power—
Drain your crank case.
Clean it, using flushing oil (not kerosene).
Then refill with Havoline.
Oil is power. Judge it by no other thing. Poor oil is what's wrong with most cars that aren't right.
Don't worry about your car until you've tried it out with good oil. We give free crank-case service. Get a Havoline refill today.

No puttering here. Come and see the Rotary Lift handle automobiles. Saves time, saves bother, saves danger. It has set this town talking! It is a real part of "Motor-n-All."

"It Means Everything!"

What means everything?

"MOTOR-N-ALL."

When you say that to a man he knows you mean ALL of your car.

When you say that to us, it means even more. It means: "Fill my crank case with Havoline, the power oil, and oil and grease my chassis, transmission, differential and springs."

One word tells the story. "Motor-n-All!" Makes lubrication easy to remember and easy to buy.

Power! Comfort! Safety! Less expense, longer life! One more instance of the quality of service that makes our stations stand out from the crowd.

Price low enough to surprise you.

Drive around now! Try this service.

Just Say "MOTOR-n-ALL"

(Flat rate lubrication system)

BRIGGS SCHOOL NOTES

By Carl Denton, 7th and 8th grades.

The Briggs Sunshine Club met Monday morning, and the following officers for November were elected:

President—Carl Peck
Vice-Pres.—Carl Denton
Secretary—Gladys Smith
Treasurer—Eleanor Delaney
Health Officer—George Greenlee.

All the language classes are studying about Indians.

Evelyn Schmidt has left school, because of moving to near South Lyon. The Citizenship Club presented Joe Armetto with a Dr. West tooth brush and a tube of Colegate's tooth paste, Tuesday.

A very beautiful painting of "Old Ironsides" was sent to us by the Save Old Ironsides Committee. We have it framed, and it is hanging on our front wall.

There was no school Thursday and Friday, because of Teachers' Institute in Detroit.

BAND-GRIP

PATENTED SHOE

for
WOMEN

At last a "different" oxford—embodies all the good features of the standard orthopedic shoe, plus many more.

The picture above indicates how YOU can regulate the pressure of the band for true comfort. The picture below shows the band (invisible), which is adjusted by the special lacing arrangement seen in the first illustration.

The BAND-GRIP looks like a standard oxford; but it supports the ENTIRE FOOT as does no other foot-wear.

\$8.00

Illustrations show only one of several styles we have.

Please call and try on this extraordinary shoe—price no higher than for the average good oxford—and "feel the difference."

The DIAMOND
~ more popular than Ever

THE present vogue of the diamond is due in no small measure to the very attractive new White Gold Mountings, which Fashion has decreed shall take the place of yellow and green gold.

And these diamond rings ARE more than a vogue—never did gems sparkle with such contrasting beauty before. We have long been known as experts in the matter of diamonds and have a selected stock from which you may choose. Diamonds, of course, are an INVESTMENT.

The new line of W. W. W. 18-K Diamond Rings in White Gold settings strike an absolutely new note. As in the case of all W. W. W. Rings, they are guaranteed.

Come and see this remarkable exhibit of diamond rings. (We specialize in re-mountings, with a wide selection of White Gold designs—creations of the present season).

Asa Whipple has sold his house on Irving street to Joseph Stanley. The R. R. Parrott real estate agency negotiated the deal.

Frank Hawk has sold his farm in Canton, and bought one near Saline, Michigan. They will move the latter part of November. The family will be greatly missed in this community.

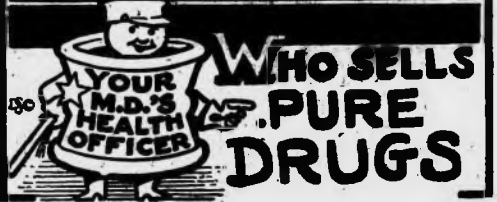

Keep Thursday, November 19th, on your calendar vacant, so that you may attend the bazaar and two delicious dinners served at the church by the Woman's Auxiliary of the First Presbyterian church.

Mr. and Mrs. W. H. Tait accompanied their daughter and husband, Mr. and Mrs. Glenn Whitaker and family of Salem, to Lansing, Saturday, to spend the week-end with Mrs. Tait's sister, Mrs. Wilber Jarvis and family.

Come on and laugh! Now set yourselves for the gosh-funniest, side-splittingest new serial about Mark Tidd that Clarence Buddington Kelland ever wrote. M-Mark T-Tidd on a c-camel! S-start laughing in the D-December n-number, at MARK TIDD IN EGYPT—Mr. Tidd, Mark, Binney, Taylor and Plunk begin by losing their money. They try to trade in Egyptian—and boy, what a scream it is! Then Mark stumbles on a mummy-mystery, full blown—somebody's walked off with one, and it's up to Mark to find it. There's plenty more to it. That's only the beginning. You'll want to start this new serial with Chapter 1 and read it to the end. Look for it in December issue of The American Boy. \$2.00 for one year. Bring or mail subscriptions to Woodworth's Bazaar, Plymouth, Mich. 5012

Don't forget the bazaar and supper in the basement of the Lutheran church of Livonia, Saturday, November 7th, afternoon and evening.
