PLYMOUTH, MICHIGAN, FRIDAY, MARCH 4, 1927

\$1.50 PER YEAR

PLYMOUTH HIGH WON FROM DEARBORN

LOCAL BASKETEERS NOW STAND AT THE TOP IN THE SUBURBAN LEAGUE RACE FOR CHAMPIONSHIP

The Plymouth High school basketball team looks better this year than it has ever looked in the past. Last Friday night, they went out and added another to their list by defeating Dearborn, 25 to 19. It was a hard fought and close game from start to finish.

Plymouth needs one more game to clinch the championship of the Suburban League. They have two more games to play, and it is hoped can keep their record clear by winning both.

Table with 2 columns: Team Name, Points. Rows include Dearborn, Farmington, Dearborn, Farmington, Dearborn, Farmington, Dearborn, Farmington.

Substitutions—Rambo for Doudt, Stanton for Arndt. Goals—Doudt, 6; C. Foster, 3; Munroe, 3; Carney, 2; Lauther, 2; Hickey, 1; Scott, 1; Rhodes, 1. Points after foul—Doudt, 1; Scott, 4; Arndt, 1.

Tonight they go to Farmington to play. The second team game starts at 7:00, and the first team game at 8:00. This game will be a hard one for our boys, because the Farmington floor is much smaller.

Last Friday night, the auditorium was filled, and they would like to see it so again on Monday night, March 7th, when Roosevelt High will play here. It will be the last game in the league. Support the team—your team—at Farmington, tonight, and Monday night, here.

Table with 3 columns: Team Name, W, L, Pct. Rows include Plymouth, Northville, Farmington, Dearborn, Wayne, Roosevelt.

"YIMMIE YONSON'S JOB"

A comedy of three acts, "Yimmie Yonson's Job," will be given by Newburg P. T. A. Wednesday and Thursday evenings, March 9 and 10, at Ladies' A.S. hall, Newburg, at 8 o'clock. Admission 35c and 25c.

Characters

- Yimmie from Massachusetts—Raymond Grimm.
Pal, the detective—Raymond Levandowski.
Frank, the clerk—Joseph Rowland.
Mickey, the farm hand—William Prysop.
Mr. Kent, the father—Alfred Bakewell.
Belle, the foster-daughter—Miss Clara Grimm.
Sylvia, the niece—Miss Hazel Reddeman.
Peg, the cook—Mrs. Arthur Allen.
Kittie, the helper—Miss Marion Taylor.
Mrs. Kent, the mother—Mrs. Jesse Thomas.
Place—Living room of Kent farm home.
Time—Present.

FIRE DEPARTMENT RESPONDS TO TWO CALLS

The fire department was called to the home of Roy Wilkie, six miles south of town, about noon Wednesday, where the fire brick house just rebuilt last year, was destroyed. The flames had gained such headway when the department arrived, that they could do little to save the building. Practically all of the household goods were saved.

About four o'clock, a second alarm called out the department to put out a gas fire near the home of Henry Wanda, on West Ann Arbor street.

VILLAGE ELECTION MONDAY, MARCH 14

The annual village election will take place on Monday, March 14th. The following names will appear upon the ballot, for the office of village commissioner: Frank J. Pierce, Carl G. Shear, Henry J. Fisher, Frank K. Learned, Warren B. Lombard, Paul Nash. There are three commissioners to be elected. The terms of Commissioners H. C. Robinson, Henry J. Fisher and Frank J. Pierce expire this spring. Messrs. Fisher and Pierce are candidates for re-election.

VILLAGE ATTORNEY WEDS

Announcement is made of the marriage of John S. Dayton, prominent attorney of this place, and Mrs. Caroline O. Meurin, which took place at the manse of the Northminister Presbyterian church at Toledo, Ohio, Monday, February 14th. Rev. Thomas McDowell performing the ceremony. Mr. Dayton has been a popular attorney in this village for a number of years, and at the present time, is village attorney. The bride has been a resident of Plymouth since last September, and has held a position in Mr. Dayton's office, and during this time has made many friends. Mr. and Mrs. Dayton have the best wishes of a host of friends, for a happy and prosperous wedded life.

TELEPHONE CO. WILL BUILD NEW TOLL LINE

CONSTRUCTION CREWS WILL SOON COMMENCE WORK OF NEW TOLL CABLE BETWEEN PLYMOUTH AND NORTHVILLE.

Building of new telephone toll cable to carry the circuits between Plymouth and Northville will be started at once by the district plant construction crews of the Michigan Bell Telephone company, according to an announcement made this week by R. E. Crowe, telephone manager for the Plymouth and Northville area. Delivery of the cable already has been made.

This is one of the largest toll line construction projects ever undertaken in this district by the Michigan Bell. Mr. Crowe says. The placing of 149 new poles, 10,540 feet of aerial cable, 2,137 feet of underground cable, 1,500 feet of conduit and the building of necessary manholes represent only a portion of the work included in the project. Following the placing of the aerial and underground cable, the work of splicing the hundreds of tiny copper wires will be rushed with the purpose of putting the new circuits into service by early September.

Because of the increasing industrial importance of Northville and Plymouth and their proximity to Detroit, Ann Arbor and Ypsilanti, the business and social use of the telephone between the two points and to the larger cities has grown enormously.

Contained in the new cable are approximately 200 pairs of wires, which will provide sufficient circuit facilities to allow for the establishment of a more rapid operating method in the handling of telephone calls between Northville and Plymouth and to other points. The increased facilities also will care for the growth of telephone traffic that likely will develop over these lines during the next few years. At present an average of 4,000 calls are placed monthly between Plymouth and Northville, a daily average of 180.

This is one of the many improvements that the Michigan Bell company has been making in the telephone plant serving this area. When completed the new toll cable will represent an added investment in this neighborhood approximating \$40,000.

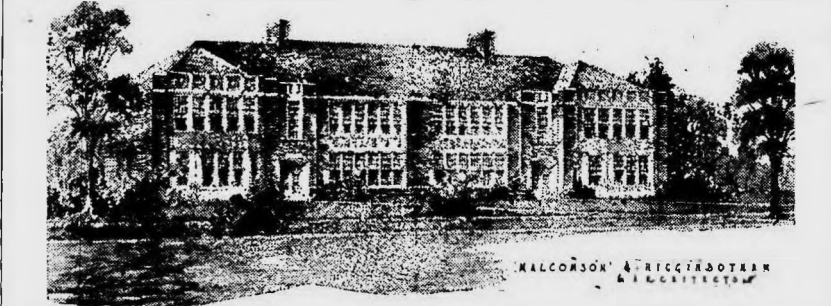

PRIMARY ELECTION NEXT MONDAY

A primary election for the nomination of candidates of the several political parties for the offices of County Auditor and School Commissioner, will be held next Monday, March 7th. The polls in both precincts of Plymouth township will be open from 8:00 o'clock a. m. until 6:00 o'clock p. m.

GREEN & JOLLIFFE HAVING BIG SALE

Green & Jolliffe have a page announcement today of a big reduction sale which is now in full swing at their store. Some money saving prices are being made on good seasonal merchandise that will appeal to the thrifty buyer. Read the ad.

The New Starkweather School

CONTRACTS LET AND BONDS SOLD FOR NEW STARKWEATHER SCHOOL

Work On the New Building Will Soon Be Started and Completed By September 1st.

The Board of Education of School District No. 1 Fr. opened the bids for the construction of the new Starkweather school, to be erected in north village, last Monday afternoon at a meeting of the board at 1:00 o'clock. There were thirty-two bidders in all.

On the general contract Talbot & Meter were low bidders, their bid being \$98,185, and were awarded the contract. There were seventeen construction companies who bid on the general contract.

The contract for heating and plumbing was awarded to W. J.

Phillips, of Royal Oak, for \$30,115. There were seven companies bidding on this contract. The electrical contract was awarded to the Corbett Electric Co. of Plymouth, for \$7,440. There were eight companies bidding on the electrical contract.

The brick for the new building is to be selected by the architect and school board today.

With five trust companies and bond houses bidding for the new school building 4 1/2% bonds, the Bank of the City of Detroit was the successful bidder and bought the issue of \$148,

000, paying par and a premium of \$3,660.04 on the bonds. Work on the new building will be started soon, and will be completed in time for the opening of the school next September. The new building will be a handsome addition to the number of fine public buildings that Plymouth already possesses. The members of the Board of Education are to be congratulated in their efforts to give the taxpayers a building that embodies the best ideas and conveniences in school construction, that meets with our requirements at the lowest possible cost.

CHAMBER OF COMMERCE TAKE DEFINITE STEPS REGARDING SOLICITORS

At the last meeting of the board of directors definite action was taken regarding solicitors.

During the last few months solicitors have been more prevalent than ever; not only are they canvassing the business men and manufacturers, but the residential sections are being covered also. The person who goes around getting advertising for books or magazines that are to be published, or the one soliciting funds for an orphanage, in the majority of cases reaps the most benefit.

It is very easy for someone to start out with a petition for funds or a scheme for advertising that possibly on the face of it would justify a merchant in lending aid to the movement, but after a thorough investigation would prove illegitimate.

A solicitation committee, consisting of three business men, has been appointed, and in order for the solicitor to get a permit it will be

necessary that he have the O. K. of each of these men.

And now, should a solicitor call on you, just ask if he has a permit from the Chamber of Commerce, if not, send him to the office in the information booth in Kellogg park.

With the close co-operation of everyone in Plymouth by not subscribing to any fund unless it has the Chamber of Commerce endorsement, it is believed that this will be a very hard field in which to work.

DEATH OF MRS. WILLIAM GATES

Mrs. William Gates died at her home at 173 North Harvey street, early last Wednesday morning, after a several months' illness. Mrs. Gates was born in Plymouth township, August 19, 1862. The funeral services will be held this Friday afternoon, at 2:00 o'clock, from her late home, Rev. Walter Nichol of the First Presbyterian church, officiating. The interment will be made in Riverside cemetery.

GENERAL MACHINE AND IRON WORKS, INC., MOVES OFFICES TO PLANT

The General Machine & Iron Works, Inc., have moved their offices from what was formerly known as the Park house on Main street, to their plant in East Lawn subdivision. They are now nicely settled in their new quarters, which being at the plant, will greatly facilitate the work of the office. The annual meeting of the company was held last Friday evening. The same officers were re-elected for the ensuing year. The company have done a large business during the year just closed, and the outlook for the coming year is unusually bright.

ROOSEVELT HIGH BASKETEERS COMING

Roosevelt High, Ypsilanti, will play basket ball here Monday, March 7th, in the high school auditorium. The second team game starts at 7:00 o'clock, and the first team game at 8:00 o'clock.

FUNERAL SERVICES FOR FORMER RESIDENT

Funeral services for Mrs. Caroline Millard, who died at the home of her daughter, Miss Flora Millard, 6907 Vinewood avenue, Detroit, last week Tuesday morning, following an illness of but a few days, were held last Friday, from her daughter's home. The interment took place in the family lot in Riverside cemetery, Plymouth.

Mrs. Millard was 92 years of age, and is one of the few people of this age, who had spent her entire life in Wayne county and this vicinity. She was born on the Plymouth road, near what is called Beech station, her parents being among the first settlers in this section. She resided in Plymouth for many years, going to Detroit about fifteen years ago. She was the mother of twelve children, seven girls and three boys still living. Her health had been good up until recently.

Mrs. Millard was known to many of the older residents of this vicinity, who admired her kindly ways; and she had a large circle of friends and acquaintances.

Mrs. S. E. Cranson of Northville, is a daughter of the deceased.

LEAGUE OF WOMEN VOTERS PLAN ANNUAL MEETING

LEAGUE OF WOMEN VOTERS PLAN ANNUAL MEETING

Monday, March 14, is the regular meeting day of the Plymouth League of Women Voters. There will be the annual election of officers, for whom a nominating committee was appointed February 14.

The March meeting will be a luncheon meeting, to which those interested in civic matters are invited. The speaker will be our State League President, Mrs. Henry Gray Sherrard of Grosse Pointe, who will speak on her experiences at the International Women Suffrage Alliance Convention in Paris, last June. All who have met Mrs. Sherrard know what an extraordinary pleasure is in store for Plymouth women.

There will also be a brief discussion of the issues in our spring election. Mrs. Coello Hamilton is chairman of the committee in charge of the luncheon. Tickets are \$1.00, and may be secured from League members next week. The luncheon will be served by the St. John's Episcopal ladies, at their church, at 12:00 o'clock.

Keep March 14th for the League of Women Voters' luncheon and help us give our state president a fitting welcome.

PLYMOUTH WINS TWO FROM ADRIAN

The M. E. church girls' basket ball team broke their short losing streak last week Thursday, at the expense of the Adrian Y. W. C. A. girls. Dorothy Hillman starting for the first time this season with the church team, dropped in five baskets in the first quarter, and gave the home team such a lead that the score was never even close, the first half ending 22-6, and the game, 30-8.

The game was faster and more interesting than the score would indicate, marked by clean play throughout. The second half, particularly, indicated that Plymouth will not have such an easy time in the return game, March 26th.

The Plymouth line-up was as follows: Forwards, Dorothy Hillman, Winifred Draper; centers, Gladys Hake, Mena Bolton; guards, Bonnie Titus, Norma Brown. Substitutions: Velma Petz for Draper, Draper for Hillman, Hillman for Hake, Hake for Brown. Baskets, Hillman 7, Draper 4, Petz 4.

In the second game, the Wolverine A. C. team, after taking a wide lead in the first half, barely nosed out the visitors, 22-19, after the first line-up was changed.

Last Tuesday night, the Wolverines lost to Chelsea, 26-22, after leading 7-1 in the first quarter, and by a still wider margin at the half. The game was slow, and fouling frequent on both sides, and the lack of team work particularly noticeable.

The Belleville girls, who were to play those of the M. E. church, were forced to postpone their game till next Friday, March 11, and will be here at that time.

Mrs. Charles Lapo, of Lake Odessa, Michigan, has been a guest at the home of her daughter, Mrs. J. W. Buchanan, the past few days.

LOCAL DEBATERS IN ELIMINATION CONTEST

PLYMOUTH HIGH SCHOOL ONE OF SIXTY-FOUR IN THE STATE DEBATING LEAGUE, ELIGIBLE TO ENTER RACE FOR STATE HONORS.

Of the 235 high schools of the state who have been participating in the debates of the Michigan High School Debating League, only 64 schools have earned the right to enter the race for state honors.

All of these 64 schools will receive the University of Michigan Wall Plaque Trophy. The design of this plaque is taken from the University of Michigan Shield. The base is of beautifully finished American Walnut and is seventeen inches in height, fifteen inches across the top and one inch thick. The medallion, which is nine inches in diameter and three-eighths of an inch thick, is cast in solid bronze, with all lettering embossed.

Ecorse High school, one of the 64 schools, will uphold the affirmative against Plymouth High school on the negative, at Ecorse, on Friday evening, March 4th.

On this date, the 64 schools will meet in debate throughout the state, and only 32 victorious schools will meet in the second debate of the elimination series on March 18th. The three following debates, held at intervals of every two weeks, will reduce the number of schools to two, which will come to Ann Arbor for the State Championship debate in May.

Each of the six debaters participating in final State Championship debate will receive a gold watch as a testimonial of individual merit in debate. To the schools winning first and second honors in this final debate, trophy cups will be awarded. These cups are of bronze, gold-lined. Grotto finish, to which has been applied a sterling silver scroll design.

The subject of this debate is, "Resolved, That the United States Government should own the coal mines."

The Michigan High School Debating League was organized by the Board of Regents of the University of Michigan in 1917.

The Michigan High School Debating League is the largest organization of its kind in the United States.

Plymouth High School's debating team is one of 64 schools that have succeeded in entering the five elimination debates of the Michigan High School Debating League. Out of 240 schools, 64 were chosen for this honor.

Plymouth won 13 points in the preliminary debates by defeating Ferris, Hazel Park and Dearborn with unanimous decisions, and by gaining one point in the debate with Royal Oak.

Our debating team, consisting of Wilbur Murphy, Franklin Atkinson and Josephine Schmidt, with Leona Beyer as alternate, deserve great credit for achieving this honor for our school. Their pictures will appear in the Rotogravure section of the Detroit Free Press soon, and the school will be awarded a handsome wall plaque debate trophy by the same paper.

The next debate is Friday evening, March 4, at 8:00 o'clock, at Ecorse High school.

ROTARY BIRTHDAY OBSERVED

The members of the educational committee, George A. Smith, chairman, John S. Dayton, Merle Bennett and Roy Woodworth, were in charge of the meeting of the club last Friday. Short talks were given emphasizing the 23rd birthday anniversary of the club, telling of its varied national activities since the organization. The program was preceded by the weekly luncheon served in the dining room at the Lutheran church.

THE BOWLING TOURNAMENT

The bowling tournament, which has been in progress at the Peanman Albee Bowling Alleys since February 18th, was concluded on February 23rd, with the following scores.

Table with 2 columns: Team Name, Score. Rows include I. O. O. F., Michigan No. 1, P. A. Five, Plymouth Bricks, and Doubles with individual names and scores.

REMEMBER THE OLD STORY OF THE FROGS? — By A. B. CHAPIN

Comic strip titled 'REMEMBER THE OLD STORY OF THE FROGS?' by A. B. CHAPIN. It features several panels with frogs and humorous text. The first panel shows two frogs falling into a deep can of milk. The second panel shows a frog slipping on a banana peel. The third panel shows a frog slipping on a banana peel. The fourth panel shows a frog slipping on a banana peel. The fifth panel shows a frog slipping on a banana peel. The sixth panel shows a frog slipping on a banana peel. The seventh panel shows a frog slipping on a banana peel. The eighth panel shows a frog slipping on a banana peel. The ninth panel shows a frog slipping on a banana peel. The tenth panel shows a frog slipping on a banana peel. The eleventh panel shows a frog slipping on a banana peel. The twelfth panel shows a frog slipping on a banana peel. The thirteenth panel shows a frog slipping on a banana peel. The fourteenth panel shows a frog slipping on a banana peel. The fifteenth panel shows a frog slipping on a banana peel. The sixteenth panel shows a frog slipping on a banana peel. The seventeenth panel shows a frog slipping on a banana peel. The eighteenth panel shows a frog slipping on a banana peel. The nineteenth panel shows a frog slipping on a banana peel. The twentieth panel shows a frog slipping on a banana peel. The twenty-first panel shows a frog slipping on a banana peel. The twenty-second panel shows a frog slipping on a banana peel. The twenty-third panel shows a frog slipping on a banana peel. The twenty-fourth panel shows a frog slipping on a banana peel. The twenty-fifth panel shows a frog slipping on a banana peel. The twenty-sixth panel shows a frog slipping on a banana peel. The twenty-seventh panel shows a frog slipping on a banana peel. The twenty-eighth panel shows a frog slipping on a banana peel. The twenty-ninth panel shows a frog slipping on a banana peel. The thirtieth panel shows a frog slipping on a banana peel. The thirty-first panel shows a frog slipping on a banana peel. The thirty-second panel shows a frog slipping on a banana peel. The thirty-third panel shows a frog slipping on a banana peel. The thirty-fourth panel shows a frog slipping on a banana peel. The thirty-fifth panel shows a frog slipping on a banana peel. The thirty-sixth panel shows a frog slipping on a banana peel. The thirty-seventh panel shows a frog slipping on a banana peel. The thirty-eighth panel shows a frog slipping on a banana peel. The thirty-ninth panel shows a frog slipping on a banana peel. The fortieth panel shows a frog slipping on a banana peel. The forty-first panel shows a frog slipping on a banana peel. The forty-second panel shows a frog slipping on a banana peel. The forty-third panel shows a frog slipping on a banana peel. The forty-fourth panel shows a frog slipping on a banana peel. The forty-fifth panel shows a frog slipping on a banana peel. The forty-sixth panel shows a frog slipping on a banana peel. The forty-seventh panel shows a frog slipping on a banana peel. The forty-eighth panel shows a frog slipping on a banana peel. The forty-ninth panel shows a frog slipping on a banana peel. The fiftieth panel shows a frog slipping on a banana peel. The fifty-first panel shows a frog slipping on a banana peel. The fifty-second panel shows a frog slipping on a banana peel. The fifty-third panel shows a frog slipping on a banana peel. The fifty-fourth panel shows a frog slipping on a banana peel. The fifty-fifth panel shows a frog slipping on a banana peel. The fifty-sixth panel shows a frog slipping on a banana peel. The fifty-seventh panel shows a frog slipping on a banana peel. The fifty-eighth panel shows a frog slipping on a banana peel. The fifty-ninth panel shows a frog slipping on a banana peel. The sixtieth panel shows a frog slipping on a banana peel. The sixty-first panel shows a frog slipping on a banana peel. The sixty-second panel shows a frog slipping on a banana peel. The sixty-third panel shows a frog slipping on a banana peel. The sixty-fourth panel shows a frog slipping on a banana peel. The sixty-fifth panel shows a frog slipping on a banana peel. The sixty-sixth panel shows a frog slipping on a banana peel. The sixty-seventh panel shows a frog slipping on a banana peel. The sixty-eighth panel shows a frog slipping on a banana peel. The sixty-ninth panel shows a frog slipping on a banana peel. The seventieth panel shows a frog slipping on a banana peel. The seventy-first panel shows a frog slipping on a banana peel. The seventy-second panel shows a frog slipping on a banana peel. The seventy-third panel shows a frog slipping on a banana peel. The seventy-fourth panel shows a frog slipping on a banana peel. The seventy-fifth panel shows a frog slipping on a banana peel. The seventy-sixth panel shows a frog slipping on a banana peel. The seventy-seventh panel shows a frog slipping on a banana peel. The seventy-eighth panel shows a frog slipping on a banana peel. The seventy-ninth panel shows a frog slipping on a banana peel. The eightieth panel shows a frog slipping on a banana peel. The eighty-first panel shows a frog slipping on a banana peel. The eighty-second panel shows a frog slipping on a banana peel. The eighty-third panel shows a frog slipping on a banana peel. The eighty-fourth panel shows a frog slipping on a banana peel. The eighty-fifth panel shows a frog slipping on a banana peel. The eighty-sixth panel shows a frog slipping on a banana peel. The eighty-seventh panel shows a frog slipping on a banana peel. The eighty-eighth panel shows a frog slipping on a banana peel. The eighty-ninth panel shows a frog slipping on a banana peel. The ninetieth panel shows a frog slipping on a banana peel. The ninety-first panel shows a frog slipping on a banana peel. The ninety-second panel shows a frog slipping on a banana peel. The ninety-third panel shows a frog slipping on a banana peel. The ninety-fourth panel shows a frog slipping on a banana peel. The ninety-fifth panel shows a frog slipping on a banana peel. The ninety-sixth panel shows a frog slipping on a banana peel. The ninety-seventh panel shows a frog slipping on a banana peel. The ninety-eighth panel shows a frog slipping on a banana peel. The ninety-ninth panel shows a frog slipping on a banana peel. The hundredth panel shows a frog slipping on a banana peel.

IT'S A MISTAKE

The Plymouth citizen who told us not long ago that he is depending more and more on a mail order catalogue for household supplies and family necessities because of parking difficulties and traffic ordinances is not only setting a bad example but he is not helping the community in which he makes his home. It is absolutely necessary to have some kind of auto regulations, even though they may discommode us a little. Human life depends on such regulations. And it is selfish and little to wish for ourselves privileges that our neighbors do not enjoy. The mail order man doesn't contribute a cent to the streets or roads you drive over. Catalogue houses don't keep up the schools you can now get your children to in an auto quickly and safely. Whether you have farm products or only labor to sell—the mail order people won't buy it from you. But you can sell either, or both, right here in your own community or somewhere in your own state. Why buy from somebody who won't buy something from you?

PECULIAR WEATHER.

Citizens of Plymouth who complained last summer of a lack of warm days, and who have since been discussing the absence of an "old-fashioned winter," are now wondering what is back of the peculiar February weather. They are also anxious to know if there is anything in signs and omens, and especially that one which declares that "thunder in February means snow in May."

For the past several weeks newspapers throughout the country have been commenting on what they term the most unusual temperatures since 1883. In the month of February of that year temperature climbed as high as 72 degrees in states north of the Ohio and west of the Mississippi rivers. It didn't get that high this year, but it reached the 60 mark early in February in many sections. And that is high enough to endanger the fruit crops. Several states reported trees budding in bloom in the middle of the month, fully six or eight weeks ahead of time. Right at a time when zero weather would have been seasonable in some sections it was warm enough to go without an overcoat.

It is too early to determine what effect the peculiar run of February weather is going to have on vegeta-

tion. But there is a general feeling that it was not for the best and that before the time for such temperatures really arrives many sections are going to find their fruit prospects destroyed. Nature knows her business, however. On that alone we hang our hope that everything will come out all right, and that we will have the bumper fruit crop the nation always anxiously looks forward to.

POOR GARDENERS.

We're far enough into 1927 for thoughts to turn to gardening, and with the season for such activities just around the corner it may interest our readers to know that Uncle Sam has been doing some thinking along the same line. The result is an official report to the effect that a recent survey of farm and small town gardens throughout the U. S. shows that the farm garden is the poorest of all.

The average Plymouth citizen will probably be surprised at this statement. And yet, on second thought, it will be found to be true. The farmer doesn't as a rule cultivate the garden patch back of or alongside his house—he leaves that to members of the family. He has enough to do to cultivate the farm, and after a long, hard day in the field, and the stock to be looked after by the light of a lantern, there really isn't any time, nor energy, left for the garden. The good wife has her hands full with the housework and the cows. The boys and girls look after their chores and hurry to school. The result is the hurried sowing of seed and a determination to have a better garden than last year—and that is as far as it gets. The farm garden is seldom weeded as it should be; it is left to struggle for itself, while the town gardener, with more time at his command, keeps his in the best of shape. There are exceptions, of course. But just notice a little later on and see if Uncle Sam isn't about half right, or even more than half right, when he says town gardens are better than those to be found on the farms.

DON'T GROW CARELESS.

Just because the general health of this community is satisfactory is no cause for growing careless or neglecting to look closely after our physical well-being at this season of the year. The open winter has brought serious epidemics in various sections of the country and there are really more deaths occurring now from "flu" than we hear of in Plymouth. Some parts of the U. S. have been exceptionally hard hit. Your own family doctor will tell you that right now, and for the next several weeks, when the thermometer rises and falls rapidly, with one day warm and the next day cold, is about the most dangerous

time of year. Especially is it necessary to guard the health of the children at this time, because a touch of warm sun is apt to cause them to expose their bodies more than is good for them. We've passed through the winter very nicely up to this point as regards the health of the community. Let's not court a serious epidemic of disease now.

FAMILIAR BULLIES

The school in most every town has its bully. He sticks out his chin, jeers at his smaller mates and occasionally beats up a weaker boy. A coward at heart, he blubbers like a baby when a real fighter puts up his fists.

But he is not alone, for in recent years there has been bred a new kind of bully, also to be found in almost every town. He is the "intellectual bully," who jeers at common beliefs and convictions and terrorizes the less educated by his adjectives and slang expressions. The average human being is unable to defend his opinions when the "intellectual bully" is around; he is sure to be jeered at and laughed down when the bully has no argument with which to offset those opinions. Sarcasm is the "intellectual bully's" strongest weapon, and when he cannot win an argument on facts he resorts to sarcasm to win it for him. He considers himself a victor in any discussion in which he can laugh down the man who has facts behind him and figures at his command.

Maybe Plymouth people have never recognized him by the name of "intellectual bully." It may be that they know him as the Smart Aleck. At any rate he is one and the same and his methods are always alike. He takes his place along with the gossip as a common nuisance, and no one has discovered a means of ridding a community of his presence. Be sure that your boy is not growing up as the bully of the school. He might later on degenerate into an "intellectual bully" of the community in which he finally decided to make his home.

BOOST FOR CHAMBER OF COMMERCE.

NASH

Leads the World in Motor Car Value

The New
Special Sedan
Special Six Chassis
\$1485
L. S. B. Factory

A New Body Style Reigns in America
Created by Nash

Revealing an alluring French-type rear contour, this ultra-new and arresting original body design has now entirely changed American ideas of motor car style.

First exemplified by the new Ambassador and Cavalier models this unique body conception was immediately hailed as the most important creative achievement in the history of American enclosed car craftsmanship.

Today this inimitably distinguished body mode is available in the new Special Sedans just introduced on both the Special Six and Advanced Six chassis at prices of wider popular appeal.

The Special Sedan on the Special Six

chassis, colorfully finished in an exquisite new blue tone is pictured above.

The extreme luxury of its interior is emphasized by the gray tufted genuine Chase Velmo Mohair Velvet upholstery, real walnut steering wheel, and select hardware in chaste pattern.

All inside window moldings and door panels are of walnut finish, as is the instrument board and the crowned panel above the instrument board.

The same fittings and appointments grace the larger Advanced Six model and both are powered with the big Nash 7-bearing motor—the world's smoothest type. 4-wheel brakes and 5 disc wheels are standard equipment.

Neighbors that Mean Real Friends

There's a difference about Hough Park Subdivision when you compare it with other districts and communities. Not only because of its accessible location, its remarkable combination of improvements and conveniences, but in its restrictions. Nowadays the careful buyer of home sites insists upon a definite assurance of the character of the community in which he is buying. And no greater assurance can be had than the uniform building restrictions fixed upon the properties of every buyer in Hough Park Subdivision. When you buy a lot in this subdivision you secure the protection of reasonable building restrictions and the assurance that the folks in the entire Hough Park Subdivision will be the kind of people you will be proud to call neighbors and friends.

Improvements now in ready for building. For prices, terms and restrictions, see

NEWBURG SCHOOL NOTES.

By Donald Dunn.
Don't forget "Yimble Yousou's Yob" March 9 and 10 at 8 o'clock at Newburg Ladies' Aid hall. Admission 25c and 25c. Everybody welcome.
Thelma Holmes and Doris Cochran have recently started to school.
The third, fourth and fifth grades have started their supplementary readers. The fifth grade is studying Africa.
The percentage of attendance for February was 91 per cent.
P. T. A. meeting is Tuesday, March 8. Dr. N. Sinal, from the University of Michigan, will lecture on "Facts and Fads of Health."

CHERRY HILL

Miss Alma, Mr. Ralph and Howard Wagonschutz were Sunday guests of Mr. and Mrs. Milo Corwin.
Mr. Kenneth Freeman, of Kalamazoo, spent the week-end with his grandmother, Mrs. Susan Corwin.
Mr. and Mrs. William Hauk and Jane Oliver spent Friday in Detroit.
Mrs. Louise Sherwood, of Detroit, spent last week at the home of Edward Minehart.
Mr. and Mrs. Milo Corwin spent Monday in Detroit with Mrs. Earle Hamilton.
Mrs. Clinton Reno, of Ypsilanti, spent Friday with Mrs. A. W. Salts.
Mrs. George Gill called on Mrs. Carleton Lewis Rushton Friday morning.
Mrs. Susan Corwin, Mrs. Ella Webster and Hattie Corwin spent Tuesday afternoon with Mrs. Elmer Sears, of Milan.
Mr. and Mrs. Gordon Gill moved to the Frank Hesse farm Monday.
Z. A. Bashura, of Philadelphia, Pa., who has been visiting friends in Detroit the past week, spent Friday night with Mr. and Mrs. George Gill. He left Saturday morning for Philadelphia.
Mrs. Bert Stuart spent last week with Mrs. Bert Towne, of Detroit. She also spent Saturday with Mr. and Mrs. William Cross.
Melvin Corwin had the misfortune to break his arm at school last Monday noon. The bone was broken above the elbow and the elbow dislocated. He was taken to University

hospital at Ann Arbor Tuesday morning, where he will remain for some time.

Mrs. E. W. Moyer spent last Thursday with Mrs. Elwin Pooler, of Ypsilanti.

Mr. James Burrell was drawn to serve on the circuit court jury for March.

The Cherry Hill Ladies' Aid will serve a dinner March 2nd to a group of fifty Ypsilanti people.

The school had a program and party Friday afternoon. Pop corn, apples, cakes and candy were served.

Mr. William Hauk and sons, Irving and William, Jr.; A. C. Dunstan and George, Edward Gots and Percy, Nelson Mason and Harold, Knendit Jorgenson and Junior Oliver, A. E. Cole, Ray and Donald Wiles, George Gill, Gordon and Charles, William West and Alfred, Elton, Jerome, Wilbert, Earl, Stanley and Joe attended the father and son banquet given at the Denton church Thursday evening by the Men's Community league. The Ladies' Aid served the supper.

There was no no church service held here Sunday on account of a union meeting of the Rawsonville, Denton and Cherry Hill churches, held at Denton.

Mr. Henry Hauk has purchased the Ira Pool farm.

ELM SCHOOL NOTES

Elm school finished its sixth month of school Friday, February 25.

The sixth grade again win the banner for the highest scholastic records.

In spelling the sixth and seventh grades spell together. The following people left off head for the month: George Shepherd, George Stelner, Florence Atkins, Joseph Schroeder, Walter Eskra, Ward Haines and Franklin Goodling.

The following pupils in the upper room were neither absent nor tardy: Franklin Goodling, Willie Cort, Doris Haines, Helen Wolfram, George Shepherd, Henry Petsch, Audrae Dunfee, Harley Beck, Lorna Schaffer, Henry Grimm and Eunice Peters.

These pupils have the best scholastic records: Doris Haines, Helen Wolfram, Bruce Hawkins, Walter Eskra, Ward Haines, Florine Atkins and George Stelner.

We are using thermometers in the sixth, seventh and eighth grades. Each perfect lesson raises the mercury for the person attaining a goal. Competition seems keen to see whose thermometer will read the highest.

Mrs. George Bentley gave a very interesting Pathfinder lesson to our room. The subject was "Education vs. Graduation: Which or Both?"

Our sixth and seventh grades are starting a race in composition. The subject being discussed is "The History and Resources of Michigan." We will let you know next month how this battle comes out.

Mrs. Lelah Appleton.

Elm P. T. A.

The Elm Parent Teacher association will hold their annual election of officers at the next regular meeting (the second Monday evening), March 14th. A short program will be given and all members are cordially urged to attend.

MUNICIPAL
NOTES

BY THE MANAGER

The records of the water department for February do not show much change from January, in the amount of water used, nor in the average reservoir level. The average daily use of water amounted to 301,900 gallons, and the water in the reservoir averaged 86.9 inches deep.

Don't forget the registration Saturday. This applies especially to those living in the area annexed last September.

The score for sewer and water taps for 1927 stands five and six respectively, up to the first of March.

From now on, the grader or the float will be out each day that the superintendent thinks it practical, to put in condition some of the streets which are in the worst condition on account of the sewer trenches of last Fall.

The fire department, Wednesday noon, answered a call to the home of Roy Wilkie, six miles south of town. The fine brick house just rebuilt last year, was destroyed. The high wind and the length of the run, made it impossible for the department to be of much service. Nearly all the interior furnishings were saved.

"I was bothered with a hard persistent cough, and tried other medicines, but none were so good and so relieving as Foley's Honey and Tar Compound."

E. Boggess, Pomona, Calif.
Coughs and throat irritations, hard bronchial coughs, Hoarseness, "Whooping" coughs, yield quickly to

LOCAL NEWS

The Friendly Neighbors met with Mrs. F. L. Becker of Palmer Acres, Wednesday.

Mr. and Mrs. C. A. Cable of Detroit, were Sunday guests at the home of Mr. and Mrs. LeRoy Jewell.

Mr. and Mrs. George S. Smith of Grand Rapids, visited at C. O. Dickerson's, from Saturday until Monday.

Arthur White, rural carrier on Route No. 5, who has been ill for the past five weeks, is again back on his route.

Mr. and Mrs. Howard Driver and son, Billie of Lansing, were guests of Mr. and Mrs. Henry Steinmetz, Sunday.

The Young Ladies' Society of the Lutheran church held a pot-luck supper in the basement of the church Tuesday evening.

Announcement is made of the opening of the new grocery and meat market, on the Ann Arbor road, opposite the Mastick garage, near the corner of Canton Center and Ann Arbor roads. See ad.

The girls' and boys' basket ball teams from the First M. E. church at Monroe, Dr. Leadrum's former charge, will play the teams of the local church at 7:30 tonight, Friday, in the M. E. Church House.

Mr. and Mrs. O. F. Beyer entertained twenty guests at a six o'clock dinner Monday evening. The out-of-town guests were Mr. and Mrs. Walter Westphal, of Detroit, and Mr. and Mrs. Ed. Schuman, of Ypsilanti.

Several ladies attended the thimble party in the basement of the Lutheran church Wednesday afternoon, given by Mrs. Oscar Freiheit and Mrs. Ernest Revald. The ladies made curtains for the orphan home at Bay City. Lunch was served.

Thirty relatives and friends from Chelsea, Salem, Northville and Plymouth, gathered at the home of Mrs. Archie Herrick, last Wednesday, to honor her birthday anniversary. The pot-luck dinner was fine, and everyone enjoyed a pleasant time.

The Newburg Epworth League extends a hearty invitation for everyone to attend their St. Patrick's box social, to be held Friday evening, March 11th, at 7:00 o'clock, in the Newburg Ladies' Aid hall. There will also be an entertainment.

Last Saturday evening, Mrs. James Horan entertained sixteen ladies at her home. Five hundred was the entertainment of the evening. Mrs. Ed. Drews taking first honors, Mrs. E. J. Allison second honors, and Mrs. Arthur White the consolation. All report an enjoyable evening.

Theodore Chilson was in Ann Arbor last Friday to attend the funeral of a relative, Elbert V. Chilson, whose death was mentioned in last week's paper. The deceased was born in Plymouth and was prominent in Republican state politics. He leaves a wife and two sons and a sister, Mrs. Emma Furlong. The remains were placed in a receiving vault in Ann Arbor to await burial later.

"Judge's Joke"

HANK BEDDOW FIGGERED HOW TO GO AWAY WITH BACK-SEAT DRIVING. HE BOUGHT A COUPE.

Meow!
Bertha—Tom says he'll go crazy if I don't marry him.
Her Friend—Poor Tom! There's not much hope for him either way.

Simply Ridiculous
Barking—Did you catch that fox on horseback?
Dog—How silly! Foxes don't ride horses.

Inefficient
Upstart—Does Jack make a good policeman?
Down—Shucks, no, He couldn't even arrest your attention.

A Tough Babe!
A wonderful swimmer named Mark Went swimming one day in the Dark.
A splash and a Swish
And oh the poor Fish
'Cause Mark is inside of a shark.

Blonde Bess Opines
And also remember, Archibald, just because a man may be of very high culture, doesn't say he's a big gun.

Ed. Purdy's Philos
The trouble with most humor censors is that they haven't got a censor humor.

That's Fair Enough
Visitor—What is that historic-looking dwelling?
Native of Trenton—That's the house at which Washington would have stopped if he had come down this street.

Years And Their Toll
He—Marie must think quite a bit of her chin.
She—How come?
He—Well, she's growing another one.
Not May Be, But Is
"You needn't look so disgusted," said the Joke to the Editor, "for you may be old yourself some day."

THE WAYNE-PLYMOUTH BASKET BALL GAME.

Regarding the recent basket ball game of Plymouth High and Wayne, the Wayne Weekly says in part: "Wayne was trounced last Friday night in their game with Plymouth, and it was a real defeat. Little sympathy can be shown the local boys—they just don't try. Plymouth threw in baskets at will, and Doudt, one of the foremost basketeers in this section of Michigan, did his share of the damage. The Plymouth flash was in form and didn't hesitate to take advantage of his condition. Although Doudt may have been the whole team in one sense, nevertheless the fast passing of his teammates was the thing that enabled him to put in the baskets."

PERRINSVILLE

Rev. Davis took for his text, Sunday, "So ye sow, so ye shall reap." A good Sunday-school session was held. We wish the Garden City people and their children would feel a greater interest in our Sunday-school. Every one welcome. Church at ten o'clock. Sunday-school at eleven o'clock.

THE FATHER AND SON BANQUET WAS A GREAT SUCCESS.

The hall was decorated with red, white and blue, and the tables with flags and primroses, brought forth a very pretty setting for the occasion. Mr. and Mrs. George Baehr spent Thursday with friends in Detroit.

A VERY PLEASANT SURPRISE PARTY WAS GIVEN MR. AND MRS. JOSEPH BOCK AND FAMILY, LAST FRIDAY NIGHT, AT THE GLEANER HALL.

The Bocks will move to their new home west of Saline. They will be greatly missed in this community. We wish them good luck and prosperity in their new home.

CHARLES LOSEY IS MOVING TO HIS NEW HOME, WEST OF PLYMOUTH.

LIVONIA UNION CHURCH NOTES.

The penny carnival held last Wednesday evening was a decided success, both socially and financially. About one hundred were in attendance. The program was fine and the committee wishes to thank each and every one who helped in any way to make it such a splendid success.

THE AID SOCIETY OF THE CHURCH HELD A VERY PLEASANT MEETING AT THE HOME OF MR. AND MRS. GUS ZOEHL LAST THURSDAY AFTERNOON.

Two new members were added to the membership. Final arrangements were made and committees appointed for the Easter bazaar. The date was set for March 31st.

ABOUT TWENTY-FIVE OF THE CHURCH FAMILY MOTORED OVER TO THE FORD REPUBLIC LAST FRIDAY EVENING AND GAVE THE BOYS A DELICIOUS EVENING'S ENTERTAINMENT.

The Burch orchestra, of which Roger Sherwood is director, gave several fine selections. Mr. Sidney Baxtresser rendered several vocal selections, also the male quartet. Mr. and Mrs. Kingsley gave two comic selections. Mr. Carl Flynn acted as toastmaster and announcer and told the boys several fine stories. The superintendent thanked all for the splendid entertainment they had given the boys and said he could see that the Livonia Union church knew the secret of happiness and that was to help make others happy.

DR. ELL J. FORSYTHE, OF THE FORT STREET CONGREGATIONAL CHURCH, HAS EXTENDED A MOST CORDIAL INVITATION TO THE CHURCH FAMILY TO ATTEND HIS CHURCH IN A BODY FOR A SUNDAY SERVICE.

Service some time in the near future. The Burch orchestra and our regular church male quartet will furnish the music on this occasion. This matter was taken before the church last Sunday morning and it was decided to accept Dr. Forsythe's invitation.

RESIDENT OF WAYNE DIES.

Mrs. Fred Latzka was born in Germany in 1857 and died at Wayne, where she resided for a number of years, February 14. She is survived by her husband and eight children: Mrs. W. H. Adams of Goodrich, Mich.; Mrs. E. M. Wilsey, Plymouth; Mrs. E. O. Lemon, Skaiwanika, Washington; Carl Latzka, Plymouth; Mrs. August Reamer, Detroit; Mrs. Leo J. Miller, Wayne; Albert Latzka, Northville; Mrs. Kieghley, Wayne, and eleven grandchildren; also three sisters, Mrs. August Newman, of Grosse Ile; Mrs. Fred Riemer, of Detroit, and Mrs. John Nicholas, of Michigan City, Indiana.

Funeral services were held at the Livonia Union church and interment was made at the Livonia cemetery.—Wayne Weekly.

Wife Takes Vinol Feels Fine Now

"I was weak and had no strength. Since taking Vinol, I feel fine now and do my work again."—Mrs. G. Barce-terra. "The very FIRST week you take Vinol, you begin to feel stronger, eat and sleep better. Vinol is a simple, strengthening iron and cod liver compound in use for over 25 years by weak, nervous women, run-down men and sickly children. Contains no oil—pleasant to take. Dodge's Drug Store. Your Birthday

MARCH 6-12

If your birthday is this week you are aggressive and headstrong, and have an indomitable will power. You have a magnetic and dominant personality, and you are exceedingly positive in your makeup. You are very shrewd and keen, and when necessary you can be very secretive, concealing your thoughts and motives so successfully that neither words nor expression of face will reveal them.

Your foresight into human nature, and your intuitions are very strongly marked. You are very observant, and small details never escape your notice. You are critical and exacting, and at times very sarcastic. You have a materialistic nature, and love comfort, ease and luxury. You are pleas-

ure loving, and you are fond of the theatre, social entertainment and public gatherings. You are inclined to be argumentative, and display a very fiery temper at times, when you are contradicted or criticized. You can be extremely stubborn, and seldom give in.

Men born during these dates are better suited for commercial work than artistic work. They become manufacturers, brokers, bankers, salesmen and politicians. Women born during these dates become teachers, actresses, office executives and saleswomen.

Arthur Gorman, politician, was born March 11

Lillie Langtry, actress, was born March 12.

OBITUARY.

Mrs. Orrilla Sowle, passed away at the home of her son, Francis Sowle, Plymouth, February 21, 1927.

Orrilla Francis was born April 7, 1847. She lived most of her life in Farmington and near Northville. The last eight years, she lived in Plymouth. On February 16, 1882, she was married to Joseph Sowle, who died September 3, 1904. She was the mother of one child, Francis Sowle of Plymouth. She also leaves one grandson. She was a loving mother, grandmother and friend to everyone who knew her.

The funeral services were held at Schrader Bros. Funeral Home, Thursday afternoon at 2:00 o'clock. Rev. Nichol officiating. Interment was made in Oakwood cemetery, Farmington.

DETROIT UNITED LINES

PLYMOUTH TIME TABLE

Effective December 5, 1926

FOR WAYNE—7:15 p. m.

FOR NORTHVILLE, FARMINGTON AND REDFORD—5:44 p. m.

CAR LEAVES WAYNE at 7:51 p. m. at 8:02 p. m.; Jackson at Detroit p. m.

REPUBLICAN CAUCUS.

A Republican caucus will be held in the village hall, Plymouth, Saturday afternoon, March 12th, at 2:00 o'clock, for the purpose of placing in nomination candidates for the various township offices and such other business as may properly come before the meeting.

BRIGGS SCHOOL NOTES.

By Carl Reding, Secretary.

Three pupils are going to move away Friday, March 4th. They are Lily Hayball, Donald Hayball and Alma Hayball. Mr. Hayball has bought a farm about ten miles from Jackson.

Our per cent of attendance for February was 95.8.

Those who had perfect attendance in February are: Elmer, Henry, Marvin, Nettle and Walter Bannerman, Dorothy and Ruth Hobbins, Irving Keehl, Aime Melow, Floyd and George Rexin, Harold Rossov, Charley Rutenbar and Everett Salow.

Mrs. Watson, our teacher, attended the zone meeting at Hough school last Saturday.

A SMALL BLAZE.

A small blaze on the roof of a shed at the Plymouth Lumber & Coal Co. called out the fire department Thursday noon. Slight damage was done.

She Wasn't Geographical

Old Colored Mammy—"Ah wants ticket to Florence."

Ticket Agent (after ten minutes of wearily thumbing over railroad ticket guides)—"Where is Florence, Madam?"

Old Colored Mammy—"Settin' over dar on de bench, suh."

BUILD YOUR OWN HOME

Surely you must know that it is much cheaper to build than to buy. Your ideas are as good as any one's else. Plan your own home with the help of some good plan books; then make little changes if you want, to suit yourself. Have your new home and everything in it just the way you want it.

The most important thing to consider is Sound Construction. Use the best building materials, it will pay you big. Use 2x10 joists, 2x6 overlays and rafters, solid oak flooring, best grade of plumbing fixtures, copper flashings and troughing. They speak for themselves. Plan a home of beauty, convenience and comfort.

Your home is your permanent receipt for the money that it cost you; a daily reminder; either a pleasant one of money well spent, or a discouraging reminder of a foolish investment.

Why not give me a ring and let me show you a number of plans and talk things over? You will not be obligated in any way.

NEWBURG

Rev. Walker preached a fine sermon Sunday, from Acts 25:23. There were eighty in Sunday-school.

Mrs. James McNabb, Miss Alice Gilbert and Milton Roe had charge of the home mission study classes last Sunday evening. Miss Shier, Deaconess of the Central M. E. Church, Detroit, accompanied by a young Chinese, Dr. Wang, were the speakers of the evening. Miss Shier gave a most interesting talk of her work in connection with the Chinese Sunday-school, which is held every Sunday afternoon in the Central M. E. Church. Dr. Wang, who has been in this country nine years, having graduated from the medical college, talked on conditions in his own country. He thinks they have not had a fair deal, except by the missionaries. He plans to return to China this year.

There were thirteen young people in the choir. Mrs. E. J. Cutler sang a solo, accompanied on the piano by Miss Leona Joy. Thanks are due the pastor, in securing such fine speakers as the Newburg church has had for the evening services during the winter. On account of the condition of the cross roads, it is thought best to discontinue the evening services.

Epworth League will meet as usual. Everyone cordially invited to all the services.

The stork visited the home of Mr. and Mrs. Henry Mielbeck last Saturday morning February 26th, leaving a little son, Henry Wesley. Their many friends extend congratulations.

Leigh Ryder is under the doctor's care, suffering from a bad abscess.

Mr. and Mrs. Ira Carney spent the week-end with Mr. and Mrs. A. L. Fishburn, at Toledo.

Mr. and Mrs. Dale Liscom and children of Brighton, were dinner guests of Mrs. James McNabb and Mrs. Vera Joy, Monday. Miss Mattie Jones and Miss Eva Downer of Detroit, also called there Monday morning.

Donald Ryder, in company with William Wood of Plymouth, attended a noon luncheon and afternoon meeting of the Peoria Life Insurance Co. in Ypsilanti, last Saturday.

Ye correspondent wishes to correct an item in last week's issue, which should have read South Division of the L. A. S., instead of North.

Mr. and Mrs. Ralph Raymo of Wayne, were Sunday visitors of Mr. and Mrs. Clark Mackinder. They also attended church services.

Mr. and Mrs. Leonard Thomas and daughter, Gene, of Detroit, spent over Sunday at the parental home.

James McNabb, who is enjoying the California sunshine, writes there is no place like Michigan, after all, especially the little old town of Newburg.

The Alexander Tait estate endowed a lot in Newburg cemetery, last week.

Thieves broke into Elmer Barlow's house last Sunday evening, while Mr.

and Mrs. Barlow and family were in Detroit. They seemed to be hungry, as they took everything in sight that was edible, as well as the children's banks.

Mr. and Mrs. George Clemens and little Carol of Detroit, and Miss Gladys Clemens of M. S. C. spent over Sunday at the parental home.

Mr. and Mrs. George Henry of South Lyon, visited at John Thompson's, Tuesday. They also called on Leigh Ryder.

STARK

Born to Mr. and Mrs. Henry Mielbeck, a son, February 26.

Mrs. Stacey Mrzener and children of Detroit, spent the week-end with Mr. and Mrs. R. E. Vantassel.

The infant son of Wm. Jordan was taken to the Ann Arbor hospital, and is likely to undergo an operation for stomach trouble.

Thomas Berkett and Miss Hart of Detroit, and Mr. and Mrs. Harry Grin of Wayne, spent Sunday with R. E. Vantassel and family.

Mrs. Wm. Johnson and family and Roy Clemens and family of Salem; George Mining and Miss Gladys Vandine of Plymouth, and Robert Colte-man spent Sunday with Mrs. Johnson's daughter, Mrs. Howard Bentley, in Detroit.

Mrs. John Maynard is visiting her mother, Mrs. James Smith, at Fowlerville.

Born to Mr. and Mrs. Roy Fisher, of Plymouth, a daughter, February 24.

STARK SCHOOL NOTES

The February P. T. A. meeting was held last Wednesday. In spite of bad roads, quite a large number of members were present. After the business meeting, Mrs. Bentley of Plymouth, gave an interesting talk on "Child Welfare." She compared the parents in an army, telling the part each officer played in every day life, and how in the end with each member striving to do his part, the P. T. A. was able to accomplish their work for their children. Mrs. Smith delightfully entertained with a few selections.

The Zone B meeting will be held at the school on Saturday, March 5th. Everyone is invited. Come and bring your friends.

Mrs. Cochrane-Mains visited the school Thursday afternoon. She heard lessons in arithmetic.

Miss Corbett was also a visitor. She entertained the children with her "kypsy."

Finding strange hairpins in hubby's auto isn't as common these days—which may account for the origin and popularity of the bob.

THREE NEW TRAFFIC BILLS BEFORE LEGISLATURE

Three bills which incorporate the traffic program of the Michigan conference on street and highway safety were introduced in the House and Senate the first of this week.

Senator Howard F. Baxter, of Grand Rapids, introduced a bill regulating the operation of vehicles on highways, road and traffic signs, motor vehicle equipment.

This bill, according to Howard D. Brown, head of the legal department of the Detroit Automobile club and chairman of the Michigan Safety conference, embodies the definitions and uniform recommendations of the Hoover code. This bill is aimed to unify motor vehicle operations throughout the state of Michigan, making it uniform with Detroit's new ordinance which now exists in 205 cities and towns throughout the state.

Complete reciprocity of the bill permits out-of-state drivers to operate in Michigan on complying with their home state law. All holders of operators' licenses, under any law in the state of Michigan, will be eligible to the new license without examination unless an examination is deemed necessary by the vehicle commissioner.

The second bill proposed by the conference to unify Michigan's motor vehicle code is the operator's and chauffeur's license bill to be introduced by Senator Chester M. Howell, of Saginaw, Michigan. This bill, according to Senator Howell, provides for the licensing of motor vehicle operator and chauffeurs no less often than every three years, to be determined by the motor vehicle commissioner, which office is created by all of the bills.

It is further stipulated that in case of enactment of this bill, new drivers' licenses would be issued without examination to all present holders whose licenses have not been revoked at a previous date. In the same way periodical cancellations of all outstanding licenses would not require an examination for renewal to those operators who hold a bona fide license at the time. The chauffeurs' licenses extend for only one year, according to the bill, and are revocable the same as operators' licenses upon conviction of certain offenses or upon mental or physical incapacitation.

This bill, according to Mr. Brown, makes possible a three year driver's license which is designed to keep a permanent check upon the address and physical condition of operators. The bill provides power for the vehicle commissioner to re-examine applicants where sufficient evidence has been gathered at the department of state to warrant a cancellation.

The fee of 50 cents on operator's licenses and \$2.00 for chauffeur's licenses are designed by the bill to provide schools, bureaus and examination posts throughout the state to foster better driving and a constant check upon the ability of license holders.

The third bill, expected to be introduced within the next few days by Representative Joseph E. Warner, of Ypsilanti requires the registration of all motor vehicles and trailers and regulates the fee thereof.

These three bills aim to make motor vehicle legislation throughout the entire state of Michigan uniform with the fundamentals of the Hoover code which is being presented in more than forty state legislatures of the union, according to officers of the Michigan conference, who met in Detroit November 15 and 16. These bills simplify present Michigan traffic laws considerably.

The National Commission of Uniform Laws endorsed the entire Hoover traffic code at its last meeting in Denver. If these three acts are passed Michigan will be the first state in the union to completely recodify its motor vehicle legislation in accordance with the national program of uniformity.

EVANGELISTIC MEETINGS AT LIVONIA COMMUNITY CHURCH

Coming to Livonia Town Hall, March 13th to March 27th Dr. A. W. Littrell, who has met with phenomenal and marvelous success in evangelistic campaigns. The meetings will be held with the Livonia Community church, of which Dr. Helen R. Phelps is the pastor, in the Livonia Town Hall, corner of Farmington and Five Mile roads.

The thriving little Livonia Center Community church has purchased lots in the beautiful section of Rosedale Gardens, and will soon erect a community temple there.

All churches in this far-reaching community are given a very cordial invitation to attend these services and are assured of a hearty welcome and splendid and powerful sermon. Dr. Littrell is a man of God, whom everybody loves. You will love him also. Come and bring your friends.

Services every evening except Saturday, at 7:30 p. m. Plan to come in time for the rousing song service. Splendid music, powerful sermons, gracious welcome; a most happy occasion for all of you. You cannot afford to miss them. Begin to plan now to attend every meeting.

Mrs. Henry J. Lezotte was a guest at a tea Wednesday afternoon, given by the Meadow Lark Bridge club of Wayne.

Mr. and Mrs. O. H. Bolton and son, Clayton, of Owosso, are the guests of Mrs. and Mrs. Ralph Beeman, for a few days.

Mrs. Orrin Handy, of Detroit, and Mrs. Abbie Harlow, of Norwalk, Ohio, spent last Thursday at William Glympse's.

Mr. and Mrs. Murray Wanty and son, Hugh, of Ann Arbor, were dinner guests of Mr. and Mrs. Perry Woodward Monday.

The Ex-Service Men's Club will give a dancing party at the I. O. O. F. temple, Wednesday evening, March 16. Charles Stone's orchestra will furnish the music.

Albert Trinkaus says he has been reading in the Mail, about the laying record of hens, and he thinks it is about time to give the ducks a chance. He has a duck that has laid 35 eggs in 35 days. Who can beat it?

There was a large crowd in attendance at the dancing party given by the Detroit House of Correction officers' baseball club at the I. O. O. F. temple, Monday evening. Green's six-piece orchestra furnished splendid music and everybody had a most enjoyable evening.

The Plymouth and Rosedale Gardens troops of Boy Scouts were the guests of Manager Harry R. Lush of the Penniman Allen theatre last Saturday afternoon, where they saw Fred Thomson in "A Regular Scout." It is needless to say that the Scouts enjoyed the picture and also the hospitality of Manager Lush.

The Stark Millwork Supply is the name of a new enterprise that is getting ready to start business at Stark station. Machinery is now being installed, and the plant will soon be ready for operation. An announcement will appear in the Mail in the near future. Perwinkler Brothers of Redford, are the proprietors.

About forty friends and relatives from Northville and Plymouth, spent last Saturday evening at the home of Mr. and Mrs. William Powell. Progressive pedro was the entertainment of the evening, after which delicious refreshments were served. There was also a short program. First honors were awarded to Mrs. Huey and Claude Simmons; second honors to Mrs. Stanley and Mr. Hearn, while Mrs. Johnson and Mr. Conroy were consoling. All reported a delightful time.

The property located on South Harvey street, known as the Henry S. Doerr Farm Implement establishment, was recently sold to Mrs. Margaret Hill, wife of the late S. H. Hill. Mrs. Hill expects to start a creamery business on the premises in the very near future. Mr. Doerr has leased the rear end of the property from Mrs. Hill, where he intends to maintain his business. Edward M. Flachs, local Realtor, located in the Plymouth United Savings Bank building on Liberty street, represented both parties in the transaction.

F. D. Schrader was in Lansing on business Monday.

Mrs. C. H. Johnston, of Detroit, was a guest of Mrs. George H. Wilcox last Monday.

Clinton Gottschalk, contractor and builder, has started a new house for Irwin Pierce on Arthur street.

MAKES SPLENDID RECORD AS JUSTICE OF PEACE

In Wayne county there are less than half a dozen women who are serving as Justices of the peace. Plymouth is one of the townships that has a woman who is active in the discharge of her duties as a Justice of the peace. Mrs. Phoebe Patterson, who is now rounding out her eighth year in this capacity, has made a record that will compare more than favorably with judges of the sterner sex.

It is interesting to note that during the time Mrs. Patterson has served on the judicial bench, she has heard 1000 county criminal cases, from the more serious offenses to the minor cases. She has had 469 village cases for various misdemeanors and violations of village ordinances. She has conducted 17 coroners' inquests and has officiated at 11 marriage ceremonies.

Besides the cases which Judge Patterson has heard, she has had hundreds of other cases where she has acted in the capacity of an arbitrator, and the matter in question has been satisfactorily settled out of court, and thus has saved much expense to litigants and the county as well.

Judge Patterson's work has received favorable notice from neighboring townships, and many cases have been heard in her court from outside of Plymouth township. Mrs. Patterson gives practically her entire time to the duties of her office. She is well versed in the technicalities of the law, and presides over her court with judicial dignity.

During the years Mrs. Patterson has held the office, she has held court in her own home, thus saving the expense to the township of furnishing a place for holding court.

Mrs. Patterson is an ardent Republican, and is vice-president of the Plymouth League of Women Voters, and takes an active part in its affairs.

During the years Judge Patterson has served as justice she has worked in perfect harmony with the county authorities, and they speak in highest terms of her efficiency and judgment in the conduct of her office, and she has been the recipient of many compliments upon her work from them. We understand there is no justice of the peace in Wayne county in which the prosecutor's office places greater confidence.

Her present term of office expires next July, and she will be a candidate for the office again this spring, at the urgent request of her many friends.

LOCAL NEWS

Mr. and Mrs. W. S. Bake are spending several weeks at St. Petersburg, Florida.

Quite a good many from Plymouth attended the Eastern Star dancing party at Northville, last Friday evening.

A. G. Taylor, formerly of Essex, Ont., has opened a watch, clock and jewelry repair shop, in a part of the Teft Radio Shoppe, at 293 Main street.

There was a good crowd at the High school auditorium, Wednesday evening, to hear the Jackson Plantation Singers. The entertainment was splendid, and everyone enjoyed the program immensely.

The Pleasure Club met at the home of Mr. and Mrs. A. Hartung, Wednesday evening. Honors for the evening's entertainment of progressive petro, were awarded to Mrs. Ralph Cole and Russell Cook, while Mrs. Russell Cook and Fred Bovee were consoled. Late in the evening, refreshments were served.

Mr. and Mrs. J. F. Sugden very pleasantly entertained a company of friends at their home in Palmer Acres, Monday evening. Five hundred furnished entertainment. First honors were awarded Mrs. LeRoy Jewell and L. Felton; and consolations to Mrs. Floyd Wilson and Carl Blaisch. The house prize was taken by Floyd Wilson. A delicious luncheon was served by the hostess. The guests departed at a late hour, declaring Mr. and Mrs. Sugden royal entertainers.

The examination of Ellwood Williams, John Clark, R. Muldee and Thomas Bradley was held in Justice Patterson's court Tuesday afternoon. The men are charged with the larceny of an automobile belonging to Earl Mastick of this place, last January. All four pleaded not guilty, and were bound over to the circuit court for trial, with bonds fixed at \$1,000 each, with two sureties. John D. Watts represented the prosecuting attorney's office and attorneys Delacy C. Havens and James Atkinson appeared for the defendants.

AN INTERESTING LETTER FROM CALIFORNIA

MRS. O. M. SOUTHWORTH, FORMER RESIDENT OF PLYMOUTH, WRITES ANOTHER LETTER FOR THE MAIL.

1606 Electric Ave., Venice Calif., February 28, 1927.

L. B. Samsen, Editor Plymouth Mail.
I thought perhaps another letter from California might be of interest to the Plymouth friends.
I suppose many are wondering about the storm here, as the Eastern papers have had different accounts of it. Well, here in Venice, several blocks from us, in a low part of town, the water stood on the ground and a few little houses were flooded; bridges through the state were washed out in some places, but where we live in what is called the "City Hall District," no damage was done. To tell the truth, I did not feel nearly as nervous as when a living back East, when a hard wind storm came up and the lightning played blue blazes around us.

Well, that is enough about the storm; now we will talk about more interesting things. A few days ago, in one day, the following former Plymouth people called on us: Mr. and Mrs. George VanDeCar, who came with Mrs. Calvin Stevens, her son and two daughters, who are spending the winter in California. We had a very nice visit. Then a little later on, Mr. and Mrs. Hadley Underwood of Detroit, drove up, and had with them Mrs. Amy McLaren of Plymouth, and Mrs. William VanVleet of Trinidad, Colorado, who formerly lived in Plymouth. About a half hour after they drove away, Mrs. Kate Harmon and granddaughter, Miss Virginia of Watertown, South Dakota, came and spent the afternoon with us. We enjoyed every one of them, and had a nice visit. Miss Virginia Harmon is the daughter of Theron Harmon, formerly of Plymouth, and a very charming and pretty girl. She is attending college out here. A few days ago, I heard the phone ring; I took down the receiver, and it was Nell McLaren, a former Plymouth girl, who is now in Los Angeles, with her brother, Dr. Jay McLaren, who is a successful surgeon in the above mentioned city.

I do not know whether Ezra Wilkie and wife have succeeded in getting home or not, but the last we heard of them, they were waiting somewhere in Arkansas, for the water to subside, and wrote back to John Lundy's folks in Hollywood, that the water there was eight feet deep across the road where they were waiting, and that they had been there a week and might have to wait ten days longer. They started back altogether too early, as there is always lots of water through there in winter, where further north it is snow.

The governor of California stated that for every dollar's worth of damage the storm done in California, there would be ten dollars in benefit to the crops and assuring plenty of water for the state, so no one here feels very badly about the storm. Altogether, this winter, we have had 13 inches of rain, which is about normal.

Mr. and Mrs. Charles Riggs live right next door to us, and are well. Mrs. John Wilcox lives on the other side of us, and so you see we have plenty of former friends around us.

We are pleased to hear of the progress of Plymouth, as we will always have a warm spot in our hearts for this old home town.

W. C. T. U.

The Woman's Christian Temperance Union had a delightful meeting Thursday, February 24, at the home of the treasurer, Mrs. Clara Todd.

The excellent program, arranged by Mrs. Coello Hamilton, opened with a fine talk, by Mrs. Floyd Hillman, upon her work on the Federal jury. The talk was very enlightening, and the cases related by the speaker, were of unusual interest. Mrs. Hamilton concluded the program with the narration of a short story entitled, "A Perfect Juror." Mrs. Hamilton has a wonderful gift as a story teller, and gave the narrative in such a bright, humorous manner, that she delighted her hearers.

The hostesses then treated her guests to light refreshments, consisting of delicious patties, cakes and tea, and a social hour was enjoyed.

The next meeting occurs March 24, the place to be announced later.

FRANK CODY TO ASSIST ALUMNI DRIVE

DETROIT SCHOOL HEAD CHAIRMAN OF HONORARY NORMAL ALUMNI FUND COMMITTEE.

Frank Cody, superintendent of schools, Detroit, has endorsed the \$500,000 Union building campaign of the Michigan State Normal College by acceptance of the chairmanship of the campaign honorary committee which will act in an advisory capacity. Other members are President Stratton D. Brooks, University of Missouri; Congressman William W. Chalmers, Ninth Ohio district; Wilford L. Coffey, state superintendent of public instruction; Dr. Hugh Conklin, Battle Creek; A. M. Freeland and Frederick A. Jeffers, state board of education; Mrs. F. W. Keefer and Mrs. Fred Raymond, respectively, former and present president State Parents' and Teachers' association; Dr. William McAndrew, superintendent of schools, Chicago; John Munson, president Michigan Educational association, and Dean of Women Bessie Leach Priddy, University of Missouri.

Eight divisions in the state and one outside are provided in the campaign plan. They and their chairmen are: A. Detroit-Wayne county, Norman Arthur; B. Southeastern Michigan, except Wayne county, A. A. Riddering, Marysville; C. Lansing-Jackson, Charles E. LeFurge, Lansing; D. Battle Creek-Kalamazoo, Eva Palmer, Battle Creek; E. Saginaw-Bay City-Flint, Thurman Clay, Vassar; F. Grand Rapids, Earl H. Babcock, Grand Haven; G. Northwestern Lower Peninsula, Albin S. Taylor, Cadillac; H. Upper Peninsula, M. B. Travis, Iron Mountain; I. rest of U. S., Prof. J. Stuart Lathers, Ypsilanti.

Mayor Clarence E. Gittins of Highland Park is chairman of the campaign executive committee. Other members are F. W. Frostic, Wyandotte, and Mrs. Dessalee R. Dudley, Battle Creek, vice-chairmen; M. R. Keyworth, Hamtramck; Leslie A. Butler, Grand Rapids, President Charles McKenny, Prof. Ella M. Wilson, Prof. H. Z. Wilber, Prof. Elmer A. Lyman, C. P. Steimle and Dan L. Quirk, Jr., all of Ypsilanti, and Frances Brown and Robert E. Barber, Detroit.

Preparations for the campaign are in full swing. Many meetings have been held about the state and others are scheduled. The general campaign in the state will begin April 20, and last four weeks.

They All Do
He—Darling, would you like to help me choose a suit?
She—No, dear, but I'll pick the pockets.

That Never Will Do
He parked the car in the darkest part of the road. As her arm stole around his neck, she asked, "Do you love me still, dear?"
Yes, sweetheart, but you never are."

EAT FISH!

HIGHEST FOOD VALUE FOR LEAST MONEY A WORD TO THE PUBLIC

Our week-end fish sales are becoming popular. However, these sales cannot be continued much longer, and next week may mark the last one this winter. Some customers have returned for more fish two or three times during the same sale. Plymouth business and professional men are numbered among our patrons. Last week's sale, intended for all day Friday and Saturday, finished at 1:00 p. m. the first day. "There's a reason."

We have increased the quantity again this week, yet advise folks to come early if possible. It is suggested that in case the sale cannot be reached before noon on Saturday that the intending patron first call phone 81 to inquire about supply of fish on hand.

LATE CAUGHT PICKEREL **20c lb.**
LATE CAUGHT PERCH **15c lb.**

Our source of supply is around the northwestern shore of Lake Michigan. The fish are frozen alive as soon as caught. They are shipped to Plymouth by fast express and you get them in their original frozen condition. Thaw them out in cold water—it takes but a few minutes—then use immediately. Sold on "cash and carry" plan.

-Picked Up About Town

Dad Plymouth says that in this day of women handits there's no better protection than to carry a live mouse in your pocket.

After all, the greatest relief the farmer ever gets out of congress is in hearing that it has adjourned.

"Hard times," says Dad Plymouth, "are those in which the people pay off the bonds they voted in good times."

All the world loves a lover, and it also loves to snicker at his love letters

when they're read in a breach of promise suit.

"My faith in humanity is great," declares Dad Plymouth, "but some times I just can't help doubting the fellow who wears side-whiskers."

If you want to be regarded as queer and erratic just start telling the truth. There is scarcely any competition in this line.

Dad Plymouth says the best way to get the swelling out of your head is to start out to borrow \$10 and see how few friends you have.

"The theory that the Lord will pro-

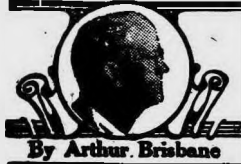

vide is a poor one," asserts Dad Plymouth, "for the fellow who wants to own an automobile."

America doesn't need additional education right now as much as she does another edition of the cook book.

This Week

**HORSES WILL GO.
BABE RUTH AND MILTON.
FAT GIRLS NOT WANTED.
A KILLER AT ELEVEN.**

William Durland, president of a great riding school, retiring, says the automobile will never replace the saddle horse. Nevertheless, the saddle horse will vanish, and be only a memory to the children of today's children.

When the musket came in, men thought it couldn't take the place of bow and arrow. And, of course, it couldn't replace the hawk that rode out on its owner's wrist and flew up to bring down the game bird.

The horse will linger on farms for a while and then disappear, as farming becomes really scientific. The work that requires three hundred days of the farmer's time now, will be done in about forty days or less. And the "horse" will be a machine, run by gas, electricity or wireless power.

Many good investments in this world for those that hang on. When Edward Fitzgerald published his translation of the Rubaiyat, that first edition sold for one penny in England. Last week J. F. Drake paid \$3,200 for a copy.

When John Bunyon's "Pilgrim's Progress" was first published, wise book people said, "Only servants will buy a book of that kind. One of the copies, originally sold for two pence, is worth thousands of dollars now.

Of 118,000,000 Americans, only 3,000,000 own stocks or bonds. This small number of stockholders, estimated by the American Bankers' Association, is encouraging to brokers and those that have good stocks and bonds for sale.

Wages are high, money is piling up in the savings banks, millions that own no stocks COULD own them, if proper inducements as to return and safety were offered.

If you like miracles, consider this. Peter Kraus, sailor on a freight ship in mid-ocean, drove particles of iron into his right eye while using a drill, and suffered agonies. Far away, Dr. Francis, ship's surgeon, picked up by radio, details of the sailor's trouble. He sent wireless directions, ordering them to stop using cocaine, telling them how to make a magnet. The magnet attracted the iron particles instantly, pain stopped, the man went back to work.

Mr. Burgert, bachelor member of a very "old family" in Ohio, leaves money to build a home for girls "between the ages of sixteen and twenty-eight, of small stature, bright, ambitious and good to look at." Fat girls are not to be admitted.

That will be made by a foolish bachelor. Young girls ought to be reasonably fat, with tissue and energy stored up for their duty as mothers. Girls of the skeleton type have barely energy enough for themselves, to say nothing of a family.

What counts is not how you start, but how you finish. Years ago, a boy named Hamburger took a job at \$4 a week to run errands; glad to get the job, glad to run. It was a start. Now, to his \$22,000,000 dry goods plant in Newark, he builds a \$10,000,000 addition. And men from bigger cities go to Newark to study his ways of running a business.

The thoughtless may point out that Babe Ruth gets, in one year, for hitting that ball, about a thousand times as much as Milton got for writing "Paradise Lost." That is no argument. For one American that wants to read "Paradise Lost," at least a million want to see Babe Ruth play baseball.

A eleven-year-old boy, Michael Ponkraskow, ran away from home after a beating, killed a shopkeeper in an attempted holdup, and is wondering what will be done with him. It is said that he cannot be treated as a youthful delinquent, because he refuses to say that he is sorry he committed the murder. A childish reason, for lack of repentance is only one more proof of youthful delinquency.

In any case, the boy will not be executed, even if put on trial for murder. Capital punishment survives, but killing children is no longer part of "civilization."

Many a farmer around Plymouth still wonders why city motorists drive fifteen or twenty miles just to scatter their papers.

STATE COWS SHOW PRODUCTION BOOST.

Dairy cows under test in Michigan's 104 cow testing associations exceeded all previous state records in milk and butter fat production averages when they produced an average of 301.9 pounds butter fat and 7,634 pounds of milk for the year closing December 1, 1926.

More than 28,000 cows were under test, scattered over 62 Michigan counties. The average Michigan cow, according to the U. S. census of 1920, produces 3,700 pounds milk and a 160 pounds butter fat.

The high averages among the test associations are said to show the value of proper selection and care.

THEY ALL LOVE FLOWERS

Whenever you are in doubt as to what would be the most acceptable gift think of flowers. She is sure to appreciate them above all else and keep them in view in remembrance of you when you are far away. If this is a new suggestion come to us and give it a trial. Our flowers speak for themselves.

HOUGH SCHOOL ENTERTAINS ZONE A.

Miss Corbett seemed to be the all-important person during the forenoon. First she taught a lesson in music appreciation from the standpoint of presentation. She told us that what we wanted to teach in one lesson should be simple, clear and definite, with a short, interesting introduction. Her lesson was on the Woodwind choir. Pictures, names, characters and sound of instruments were taken up, then Miss Corbett gave practical guides and information about food.

Mrs. Mains taught a lesson in classification of current history.

The ladies of the community served

a chicken dinner.

At the afternoon meeting there were 14 adults and 24 children of the community.

The school sang "Moon Boat." Flora Gerst and Doris Fogarty played a piano duet.

Raphel and Mary Martetal sang a duet.

The primary children dramatized See-Saw.

Professor Ford, of Ypsilanti Normal College, told us of his boyhood school and of German schools.

About the only advantage of being a city fireman these days is that you can park in front of a water plug.

FERRINSVILLE SCHOOL NOTES

A shadow social will be given at the Ferrinsville school, Friday evening, March 4, 1927, by the P. T. A. and Citizen's Junior Club. The proceeds will be used to buy baseball equipment for the school.

Miss Corbett came to visit us Tuesday. She gave us a music appreciation lesson. She talked to the girls about the Sewing Club, and examined the work.

We have a new third grader, Roberta Reil.

Marion, Raymond and Shirley Marlock are leaving our school. They

are moving to their new home in Lenawee county.

The Valentine-Lincoln party was very largely attended, and everyone enjoyed the evening.

Ralph Carr was out the other day, and talked to the boys about Handcraft.

—Margaret Knorfske, Reporter

THE THEATRE

"THE KID BROTHER"

Lovers of the great outdoors have a treat in store for them when Harold Lloyd's next gloom chaser, "The Kid Brother," comes to the Penniman Allen theatre, Sunday, Monday and Tuesday, March 6, 7 and 8, because the greater portion of the picture was made in the open spaces of California. The Lasky Ranch in Dark Canyon, just outside of Hollywood, provided a large measure of the locale in "The Kid Brother," while the beautiful waters of Avalon Bay also provided their quota of "shots."

The story of "The Kid Brother" is set in a tiny town nestling in the mountain foothills. Lloyd gets away from the stereotyped feud yarn, which has been done to death in motion pictures, and throughout the entire picture not a gun is fired. It's just a human interest comedy, ripe with carefully correlated romance, drama, and thrills, the type of plot in which the bespectacled comedian revels.

Harold is back in the sympathetic type of characterization which was so popular in "The Freshman," "Girl Shy," "Grandma's Boy," and other of his most successful pictures.

That "The Kid Brother" will be another great success, is beyond question, for those who have seen Paramount's current release acclaim it as being in a class with Harold's best. What more could any audience possibly ask of a picture.

"TWINKLETOES"

A story with a hunchy plot and a picturesque background, touched with pathos and comedy, supplies Colleen Moore with her latest First National vehicle, "Twinkletoes," which comes to the Penniman Allen theatre, Wednesday and Thursday, March 9 and 10.

Kenneth Harlan, Gladys Brockwell, Warner Oland, Tully Marshall, Julianne Johnston, Lucian Littlefield and John Philip Kolb support the charming little star in "Twinkletoes," in which Colleen, because the story calls for a blonde heroine, appears in golden curls.

She's more appealing than ever in the role and the blonde hair. The story is one of Thomas Burke's best, with a background of the famous London Limehouse district lending a won-

derful variety of colorful characters and settings of quaint, picturesque charm.

The fast developing plot plunges Colleen into all sorts of dangers and thrills in rapid succession.

She is a dancer in a Limehouse theatre, the manager of which is a thorough villain. She's in love with a Limehouse purist and incurs the jealousy of a dangerous woman and her father is at outs with the law.

But wholesome comedy and a happy ending make "Twinkletoes" a screen play that should appeal to picture-goers of all ages; it's real entertainment from the first glimpse of the Limehouse street to the last sight of Colleen in her golden curls. Charles Brabin directed. John McCormick managed the production for First National.

And Time to Think It Over
"That's a good gag," exclaimed the robber, as he stuffed his victim's mouth.

The Official Count
Part of a report handed in to the Watchman-Called Weekly: "A lively debate was held on the subject of fools. There were eighty present at the gathering."

COMMISSIONER'S NOTICE
No. 127857

In the matter of the estate of Emogene Heeman, deceased.

We, the undersigned, having been appointed by the Probate Court for the County of Wayne, State of Michigan, Commissioners to receive, examine and adjust all claims and demands of all persons against said deceased, do hereby give notice that we will meet at the home of Cora Kelly, 188 N. Harvey St., Plymouth, Mich., in said County, on Monday, the 11th day of April, A. D. 1927, and on Friday, the 10th day of June, A. D. 1927, at 2 o'clock P. M. of each of said days, for the purpose of examining and allowing said claims, and that four months from the 10th day of February, A. D. 1927, were allowed by said Court for creditors to present their claims to us for examination and allowance.

Dated, February 10, 1927.

OLIVER H. LOOMIS,
CLAUDE A. HEARN,
Commissioners.

Long Distance Brings Buyers to Pre-Inventory Sale

A. KROLIK & COMPANY
WHOLESALE DAY GOODS
1200 W. WASHINGTON ST., DETROIT, MICH.
JANUARY 29th, 1927

Gentlemen:

The year 1926 has been a successful one for us and one of the important contributions towards this success has been the long distance telephone service. Our organization has always been known for its special information and service in getting into action in special cases.

We never hesitate to use the long distance service to keep our customers informed in getting into action in special cases.

We take great pride in the use of the long distance telephone service in getting into action in special cases.

We have held one of the largest and most successful pre-inventory sales in our history. The success of our department was due to the fact that we had our trade through the medium of direct mail advertising. We had the use of the long distance telephone service in getting into action in special cases.

The usefulness of the long distance telephone has proven itself over and over again during the year just closed.

Yours very truly,
A. Krolik & Company

A. Krolik & Company uses Long Distance to render additional service to customers.

Where You Want 'em I've Got 'em

I make it a point never to list a house or unimproved property unless I believe it is a good buy, either as an investment or home place. If you want a home I have it in any of the following sections:

- MAPLECROFT—VIRGINIA PARK
- ELM HEIGHTS—PURITAN HOMES
- NORTH VILLAGE—SUTHERLAND
- PALMER ACRES—PENNIMAN
- BLUNK'S SUB.—ALLEN'S SUB.

PRICES FROM \$4,000 AND UP. YOUR TERMS.

I have some good unimproved property in Maplecroft, Plymouth Gardens, Virginia Park, Elm Heights—Oh, well, ask me what I haven't got—it's easier. Prices? They're right, of course, otherwise I mark 'em off the book.

NATIONAL FLOWER SHOW TO BE HELD IN DETROIT

ONE OF THE LARGEST FLOWER SHOWS EVER HELD IN DETROIT, MARCH 12-20.

Detroit will be the center of interest for flower lovers all over the country from March 12 to 20, when the National Flower Show will be held at Convention Hall. The displays which have already been entered indicate that the hall will become a place of beauty and fragrance that will lead those in attendance from everyday life into a world of lasting charm. Who can resist the enchantment of the appeal of a flower? To stand before the countless blossoms which will be gathered from all over the country at the height of their beauty will be to get a new understanding of the perfection of Nature. In one corner there will be baskets of the beauties of the rose world; in another the algerette of the flower kingdom, the orchid, will hold sway; the delightfulness of an old-fashioned garden will draw a visitor to another spot; there will be bowers of gleaming, glowing greenness in displays of palms and ferns. Pictures painted in all the glory of loving colors and fragrance, appealing to every higher sense of man, and expressing the thoughts of inmost graciousness, will be the impression a visitor to the flower show will carry away. The slogan of the florist today, "Say it With Flowers," tells in a few words what flowers mean to the world. In joy, in sadness, when the heart is expressing paeons of happiness, or when the grief of life seems overpowering, the flower will carry the message. The language of flowers is infinite, and has no racial barriers. The world over the flower is used to express sentiment of various sorts. In the formal garden of a French estate, in the recesses of a Japanese garden; lovely with green pools, glistening fountains, and flower hidden pagodas, or in the informal hospitality of an English garden, the beauty and gorgeousness of an Italian garden, in flowers of Spain, of Russia, of Germany, in any country of the world, there is beauty. To bring bits of this beauty from all over, and to arrange them at the National Flower Show, has been the task assumed by the Society of American Florists and Ornamental Horticulturists. Success has been granted to these workers, and the show will be one of outstanding beauty and appeal to every person who visits Convention hall from March 12 to 20.

OFFICIAL PROCEEDINGS OF THE VILLAGE COMMISSION

Plymouth, Mich., Feb. 7, 1927
 A regular meeting of the Commission in the Commission Room of the Village Hall, Monday evening, February 7th, 1927, at 7:30 p. m. Present—All five commissioners.
 The minutes of the regular meeting of January 17th, were approved as read.
 The President and Clerk were authorized to sign a release of right of way on Wing street west of Main, to the Wayne County Drain Commissioner to permit work on the Toniquish creek improvement.
 The matter of a street light north of Main street on Amelia street, which had been removed during some pole changes, was brought up, and the Manager directed to investigate and request a return of the light to service.
 By unanimous vote, the pay of firemen in the Plymouth Fire Department, beginning with February 15, 1927, was raised to the following:
 \$2.00 for each call.
 \$1.00 per hour after the first hour.
 \$1.50 for officers' attendance at monthly meetings.
 \$1.00 for firemen attendance at monthly meetings.
 An annual inventory of village property was directed to be made as of 31st of March.
 A letter from German & Sons of Northville, was received, expressing thanks and appreciation for the services of the Plymouth Fire Department at the recent Northville garage fire.
 A note for \$14,500.00 of sewer fund money was directed to be renewed at the Plymouth United Savings Bank.
 The Treasurer's report for the month of January was then received, and the President and Clerk authorized to borrow money if necessary, to complete the payment of current bills.
 The report of the auditing committee recommended the payment of the following bills:
 Administration payroll \$ 379.37
 Fire payroll 80.25
 Labor payroll 450.29
 Police payroll 333.07

 Total \$3,508.57
 They also approved payment of the following bill issued since last meeting:
 Sidney D. Strong \$ 50.00
 The three storm sewer rolls, York street, Hollbrook avenue and the Forest-Corol, were then reported by the Assessor as having been approved by the Board of Review. George Wilcox spoke against the assessment of his property on Hollbrook avenue at the corner of Hardenburg, and on motion taken off the roll.
 These three sewer rolls were then confirmed and the President directed to sign the warrant authorizing their collection by the Treasurer.
 The Commission then adjourned.
 H. C. Robinson, President.
 Sidney D. Strong, Clerk.

RED ARROW VETERAN CANDIDATE FOR AUDITOR.
 Former service men who served with Major Milton L. Hinkley on the Mexican border and in France are active in promoting the major's campaign for the Republican nomination for county auditor at the primary March 7.
 Major Hinkley has been a resident of Detroit for 19 years, coming here from Pontiac in 1908. He was educated at the Michigan Military Academy at Orchard Lake, at the University of Chicago and the University of Michigan. From 1905 to 1912 he was in the automobile business. After two years in the west he returned to Detroit in 1914 to enter the insurance business.
 In 1916 he commanded Company E, 31st Michigan Infantry, on the Mexican border. Overseas he commanded the First Battalion, 125th Infantry, in the 32nd (Red Arrow) Division. He was cited by the French for distinguished service at Juvigny and awarded the Croix de Guerre with star.
 On his return from France, Major Hinkley re-entered the insurance business. In 1921 he was appointed superintendent of the Michigan Employment Institution for the Blind in Saginaw. He served until 1924, when he entered the Army War College at Washington. He is now in the insurance business.

Guaranteed Battery Repairs
 When you bring your battery here—any battery—it is in safe hands. We save many a battery the owner has given up as worn out. If it can be fixed, we fix it, tell you beforehand what it will cost, and guarantee the work. Drive in. Get our low prices on new batteries.

6:30 p. m.—Young People

society last Friday afternoon and evening was another big success. The booths, in charge of the leaders of the divisions, Mrs. J. M. Larkins, Mrs. Arlo Roth and Mrs. George W. Wickwire, were decorated in the national colors. In keeping with the spirit of the season. The desire of the society to have the social atmosphere predominate seemed to meet with general approval, and the women felt well repaid for their effort.

The Women's Missionary society will meet with Mrs. F. A. Lendrum at the parsonage. This is “President's Day,” and the program will be in charge of Mrs. I. N. Dickerson. Please note the change in place. The usual luncheon will be served at noon.

The “Church Training Night” in connection with the mid-week prayer service will be resumed next Wednesday evening at 7:15 o'clock. There will be classes for mission study and for Bible study.

CATHOLIC NOTES

On Tuesday afternoon the Altar Sodality met in the Mahogany Room, but owing to the illness of Mrs. J. Rousseau and Mrs. P. Miller, not much business was accomplished. Plans were made for the fifth annual St. Patrick's ball, March 17th. The following arrangements have thus far been taken care of: Thursday, March 17th, the O. L. of G. C. will give their fifth annual St. Patrick's ball at the Masonic temple, with Patterson's orchestra on the stand. Features and extra entertainment as has been had in previous years will be eliminated this year. Favors appropriate for the evening and the grand march will be the only features. Dancing from 9 until 12 o'clock. Tickets are on sale at the Rectory or may be had from any of the Altar Sodality ladies. The St. Patrick's ball has always been an outstanding dance of the season, and we trust our friends will again assist us in keeping this dance a feature of the year. Further announcements will be found in our notes next week.

The Nethen Club met Tuesday night in the Mahogany Room and made final arrangements for their dance, which was given on March 3rd, in the Masonic temple. They put their best endeavor into this dance, as it was their first appearance as a club in public. They are to be congratulated for their zeal and pep, and wonderful spirit.

The men are very grateful to the ladies for the splendid banquet tendered them last week. All left the Mahogany Room, smiling, happy and satisfied. About seventy-five men were present to do justice to the delicious chicken prepared by the ladies. It was our happy privilege to have with us at the banquet, Corktown's famous after dinner humorist, Mart. Ryan and his associate in song, Wm. Harrigan, accompanied at the piano by Joe Emil. We were glad to see F. C. Donovan and his son Jerry of Detroit, with us. The Rev. F. McQuilton of Plunkney, and the Rev. W. G. Peck of Northfield were present and each gave a very inspiring talk on the accomplishments of the Holy Name Society. The pastor was well pleased to see such a splendid turnout and congratulated them for their hearty co-operation and response to all requests. Joseph J. Rousseau acted as chairman and toastmaster, and deserves much credit for the program.

Mr. and Mrs. R. McIntyre of Rosedale Gardens, are receiving felicitations upon the birth of a daughter, Madeline.

Mr. and Mrs. J. Campbell are receiving felicitations upon the birth of a daughter, Rose Marie.

Mutt Bund on the Five Mile road, is still at Harper hospital, and reported improving very slowly.

Mrs. Wm. LeDue has been confined to her home on account of illness, and her daughter, Mrs. George Roth, shares in her mother's misfortune by being ill herself. We trust both will be well soon, and able to be out.

We are pleased to learn that Mrs. H. P. Lezotte is able to get about again, and we hope she has no bad results from her fall.

New families will kindly report at the rectory.

Arrangements are under way to organize a base ball team. If enough material can be found.

Lenten devotions are held each Tuesday and Friday night at 8:00 o'clock. Make a little sacrifice and be present at these devotions.

New stations have been placed in the church, so no more eye straining will be necessary.

Next Sunday is financial report Sunday. Rev. John Dowdle of Deerfield, called at the rectory, this week.

Permanent streets are a good investment—not an expense

Don't Let Your Community Make the Same Mistake

Within recent years many communities have made the mistake of paving their highways at what they considered a “bargain price.” The taxpayers thought they would save thousands of dollars.

In many instances the maintenance has not only wiped out the hoped for saving, but has exceeded original cost. And in many cases also it has been necessary to build entirely new streets—of permanent construction.

There are communities, however, which know the cheapest is not always the best. Many of these also built streets several years ago. And they built for permanence with concrete.

These concrete streets, built in accordance with approved standards of highway construction, are in as good condition today as when they were built.

Which of these communities will yours be?

Send today for our free illustrated booklet—“Concrete Streets for Your Town”

EPISCOPAL NOTES

Last Sunday's services were very bright and impressive; the singing was hearty, and the solo by Joseph Tracy was well rendered. Rev. Wesley gave a very earnest and impressive address, taking his text, “What Think Ye of Christ?”

The Sunday-school was again largely attended.

The week-day Lenten services will be held on Thursday evenings, during Lent, at 7:30. Rev. Wesley will give a course of instructive addresses each Thursday evening, of which we will all be anxious to take advantage, and to attend these services.

The Ladies' Guild will meet on Wednesday afternoon next, in the Parish House, for their regular meeting.

Commencing next Monday evening, and every Monday evening during Lent, a Bishops' Round Table Conference and supper will be held at St. Paul's Cathedral House for Men. There will be special well known speakers at each meeting. Last year, quite a number of our men from Plymouth attended, and found these Round Table Conferences very enjoyable and instructive, and we are looking forward to attend in larger numbers this year, commencing next Monday evening. Men of Plymouth are welcome, and those who wish to go can notify Rev. Wesley, Sidney Strong, Harry Wrench, or any member of the Men of St. John's Club. So that Plymouth can all be together at the supper and conference.

Last Sunday, leaflets were given out in the church, in connection with the “Bishop's Crusade,” now being held. These leaflets offer suggestions for special Bible readings, family prayers, etc., for each day during Lent. Those who have not these leaflets should procure them at the church. They will be found exceedingly helpful and instructive.

PRESBYTERIAN NOTES

The annual meeting of the First Presbyterian church, Plymouth, will be held on Monday evening, March 7th. The congregation will sit down to a pot-luck dinner at 6:30 p. m., following which the business meeting will be conducted. Reports from the different organizations in connection with the church, will be presented, as also from the Board of Trustees and the Session. Officers will be elected to fill the vacancies, and the general business of the church transacted. All the members and friends of the congregation are urged to be present.

At 4:00 o'clock Monday afternoon, March 7th, the Woman's Auxiliary of the First Presbyterian church, will hold its annual meeting in the lecture room of the church, followed by the annual church supper, served at 6:30 p. m., to which a most cordial invitation is extended to the members of the church and congregation to be present.

BAPTIST NOTES

Harry Foster of the University of Michigan Baptist Guild, will conduct the services again next Sunday. The morning topic is, “Prayer as Communion with God,” and the evening topic is, “The Crowning Challenge.” The evening services are of special interest to the young people. You miss a worth while service if you do not come.

The week after, the Evangelistic Band from the Baptist Guild, consisting of several students studying to be doctors and engineers, will conduct an evening of entertainment for young and old, Friday evening; calling on shut-ins and the sick Saturday, and will conduct all the services Sunday. We hope everyone connected with the church, will come and hear them.

METHODIST NOTES

The Philathea class met with the president, Mrs. William Taik, last Thursday evening to enjoy another chapter of history making. The reports indicate progress, and plans were made for the installation of officers. The program was in charge of Mrs. Luther Passage and Mrs. W. G. Tows.

The bazaar of the Ladies' Aid

Keep your engine young

WITH a crank case full of Havoline, you get the maximum power from your car. Cheap oil is power-less. Old oil is power-less. Havoline, fine quality, correct grade is power.

Poor oil makes cars wear out too fast. Owners lose in depreciation a hundred-fold more than they save by buying cheap oil.

Havoline is power-proven oil. When power is there, everything else is a luxury. Buy up with Havoline today.

Dr. Frank Crane Says

TWO SIDES—BOTH NEED ATTENTION.

The trouble is: We don't have time. We don't have time to get acquainted with those who live around us and we don't have time to get acquainted with ourselves. Just keeping the machinery of life going takes all our time. The two sides of our lives are the material and the spiritual. We can cave in on the spiritual side easier than we can on the material side. We are propped up on that side with pointed props. We have to eat, and we have to pay for what we eat. The earnest creditor and the importunate landlord dogs our steps. Life is, real and life is earnest around the first of each month. If we shirk our responsibilities on that side of life we come up against hard actuality with a bang. Materialism is not a theory; it is an actuality. The consequences of shirking on the other side of life—the spiritual—are not so soon apparent, but they are equally disastrous.

Those who do become shallow and cold. And he whose soul is flat—the sky will cave in on him by and by. The thing we need most is time—time to discover ourselves; time to think our own thoughts; time to stop before we have to decide; time to think before we say the biting word; time to put ourselves in the other person's shoes before we make our condemnation; time to romp with the fairies of childhood in the turmoil of maturity. Time is what we need most of all. And more than any of these we need to visit our own souls, our City of Refuge in times of trouble. Says Matthew Arnold: "In its lonely moonlight, lives the soul. Mountains surround it, and sweet virgin air. Cold plashing past it, crystal waters roll: We visit it by moments, ah, too rare!" (Copyright, 1927)

"GREATER DETROIT MILLION DOLLAR CAMPAIGN"

Indorsements from all sections of Greater Detroit are being received by the officials behind the "Greater Detroit Million Dollar Campaign," which is to start within a few weeks. Charles F. Kettering, vice president of the General Motors Corporation, has been chosen general chairman of the drive, which is to raise funds for a fund of \$1,000,000 for a national advertising program, exceeding anything Detroit has ever attempted. Arthur T. Waterfall, vice-president of Dodge Brothers, Inc.; Fred Wardell, president of the Enreka Vacuum Cleaner Company, and Louis G. Palmer, first vice-president of the Detroit Real Estate Board, have accepted posts as vice-chairmen. Preston G. Emley, general traffic manager of Dodge Brothers, Inc., was elected chairman of the transportation organization committee. All have enthusiastically indorsed the movement. Among the committeemen are: Thomas S. Merrill, president of the Detroit Board of Commerce; Charles W. Brooke, Jay Grinnell, William E. Metzger, Oscar Webber, Harvey J. Campbell, Edward A. Loveley, R. G. Lambrecht, Verne Burnett, Ward Marsh, Joseph Meadon, W. R. Angel, Charles Weeks, William J. Chittenden, Wells Utley, John Brown, George Walbridge, Phillip Breitmeyer, Harry Hogan, Jacob Allen and John Lovett. The aim of those behind the movement is to spread word of Detroit's activities, its attractions and opportunities to all parts of the world. Last year 352 conventions were held in Detroit, 90 more than the previous year. The tourist and convention business now constitutes Michigan's second industry. There were 450,000 convention delegates and 1,500,000 tourists in Detroit in 1926 and they spent a total of approximately \$105,000,000. This influx means much to the permanent growth of Detroit, it is pointed out by J. Lee Barrett, of the Detroit Convention and Tourist Bureau. The bureau, in co-operation with the Ad-craft Club and other organizations, conducted a survey which brought out that one out of every 20 residents of Detroit came here originally as a visitor. "We should not consider this a philanthropic appeal," said Mr. Palmer in accepting the offer to serve as vice-chairman. "The time and money we expend in advertising Detroit is a sound investment. We could not make a better investment. The entertainment of visitors is a big business in Detroit and the rest of Michigan. We should let the world know what we have here and we must advertise to do it."

Today's Reflections

We are with Turkey. If reports are true that Turkey is for peace, then we're with her, heart and soul. What makes some Plymouth men sore is to think of all the money they would have to spend on themselves if they didn't have to give the wife some of it to run the house on. Another mystery is why no one can put your hat on your head so it will feel as if you had put it there yourself. Most of the "ideas for mothers" in the magazines sound very much as if they had been written by fathers. Ever notice that when a Plymouth man wins a bet or makes the best guess in a contest he never gets through talking about his good judgment? Some enter politics to leave foot-prints on the sands of time. Others are lucky if they get off without having their fingerprints taken. On the question of whether women should wear cotton stockings instead of silk to help the cotton planter—the eyes have it. As a usual thing the Plymouth citizen who can "turn his hand to most anything" does the most loading. A man takes a day off when he celebrates his birthday, and a woman takes a year off. Glancing at the daily papers, we are inclined to believe a lot of women think more of catching a man than they do of holding him. About the first thing a Plymouth boy learns about girls is that they won't scream as often as they threaten to. It has gotten so in the city that every time a fellow gets too much moonshine he goes around to some dance hall and invents a new dance. Two of London's biggest distillers are touring America. Maybe they are studying this country's methods of merchandising. Any Plymouth father can tell you it isn't always the high-stepper who goes over the top when it comes to footing the hills. Great Britain has stricken the word "obey" from the marriage vow. And come to think of it, it really didn't mean very much.

AMATEUR GARDENERS TO LEARN NEW WAYS

BEAUTIFICATION OF THE HOME GROUNDS WILL FORM BASIS FOR M. S. C. SHORT COURSE MARCH 21-26.

Ways of beautifying the home grounds will be studied by "amateur" gardeners of the state who will gather for a special short course at Michigan State College March 21-26. In addition to the ornamental side of the course, material of a more utilitarian nature will be offered along general gardening lines. Everything from rose culture and flower arrangement to vegetable varieties and fertilizer problems will be included in the class discussion. Many householders and garden enthusiasts, both men and women, are expected to take advantage of the opportunity to get first hand information. The departments of horticulture and landscape gardening at M. S. C. will combine to furnish the lecture and laboratory work. The short courses at the college are open, without charge, to any one in Michigan over 16 years of age.

Tempting—Satisfying—Healthful! Fresh, rich milk daily is a normal health food which has no equal. The human body generates greater energy when properly nourished. QUALITY AT LOW COST

SCHOOL NOTES

Physical Training
The High school physical training classes are doing apparatus work and marching.

Band
The Plymouth High school band played for the first time at the basketball game Friday, February 18th, and played last Friday at the Plymouth-Dearborn game. During the time between the halves, the band played the high school songs, and everyone sang. There were thirty-two members.

Grade Notes
Last semester, there were 48 children going to the kindergarten in the morning, and 23 in the afternoon. The following were neither absent nor tardy all last semester: Dorothy O'Leary, Donald Melbeck, Robert Perkins and Douglas Sockow.

The pupils of the 1-B in Mrs. Root's room, are starting to read the Elson Primer. For phonetic work, they are mastering the sounds of consonants and a few of the blends. They are making border patterns for the month of March. On one board will be the pictures of "The Girl from Holland and her Geese"; the other will be of windmills.

The children of Miss Stader's room have made Washington booklets. They are getting stars for good behavior; row 4 has the most. There were no people tardy last week.

Miss Harrison's A class are doing a great deal of silent reading. Both A and B classes are making health posters. Also they are working for stars on the attendance chart.

Evelyn Johnston of the 3-B, has moved to Detroit. Norman VanArsdale has been absent two weeks. The house has been quarantined for scarlet fever.

Francis Hart of Miss Dixon's third grade, has been absent all semester.

Raymond Pelky of Mrs. Mole's room has been absent all month because of a broken leg.

The pupils of Mrs. Lee's room have studied and written about George Washington. They made Washington booklets, Tuesday. The 5-A class is reading "Robinson Crusoe." The B class has finished the study of South America, and are reviewing and drawing maps of the continent.

Evelyn Smith of Mrs. Lee's room, was the only one to get all A-plus this month in spelling. Mrs. Egge was the teacher Wednesday afternoon, in Mrs.

Lee's absence. They had their first picture study last week, of "Sir Gallahad," by Watts. Gertrude Miller, Margaret McGonee, Wilbur Kincaid, Mary Kincaid, Burton Toby, Ruth McVain and Albertina Drews received ten stars in the honor roll contest.

The sixth grade girls of Miss Fenner's room have organized a sewing club. The following officers were elected: President, Anna Filzik; vice president, Rose Albrecht; treasurer, Catherine Mandel; secretary, Jean Maskell.

Miss Hallahan's sixth graders have made Washington booklets. In them they put the story of George Washington's life. They had their picture study booklets, and their first picture by Thursday. They studied "Sir Gallahad," by Watts.

A correction is made on last week's grade notes. Margaret Haskell is vice president of the seventh grade, instead of C. Woodward.

—Clifton Sockow.

DEARBORN-PLYMOUTH GAME

In the hardest fought game of the season, Plymouth defeated Dearborn for the second time. Both teams played their best. Doudt, Hickey, C. Foster, R. Hubert and B. Carney started; Doudt was replaced by Rambo in the fourth quarter. Dearborn drew first blood, scoring five points in close succession. Doudt made a basket, then Hickey sunk a field goal. B. Carney also scored, making the tally Plymouth 6, Dearborn 5. But the score did not stay there long. Dearborn scored a field goal. C. Foster immediately returned the compliment by scoring from the field. Dearborn added another basket to her credit. Then Doudt was fouled, and scored one point, making the score 9 all. Dearborn scored one on a foul shot, then scored also on a field goal. Doudt then added two more points, and the half ended, Dearborn 12, Plymouth 11.

In the second half, Plymouth came back full force. Doudt made a basket at the start; Dearborn added one on a foul throw, and the score was a tie again for the last time during the game, at 13-13. Doudt scored again; then C. Foster scored. Dearborn made two more points on a field goal. Then Doudt scored twice from the field, and the third quarter ended with Plymouth 21, and Dearborn 15.

At the beginning of the fourth quarter, Dearborn scored twice on foul throws. C. Foster then made a field goal. Dearborn scored a field goal and B. Carney scored a basket, so the game ended Plymouth 25, Dearborn 19.

—Clifton Sockow.

AROUND ABOUT US

Don Hamilton, of Nori, sold \$50.00 worth of muskrat pelts recently, which represented a fortnight's catch.

Ed Keeney of Northville, and well known in Plymouth, has opened a general insurance agency in that village.

As a result of increase in business, C. Frid, owner of the Northville laundry, has purchased a new business site and expects to erect a model laundry plant.

Fowlerville schools held school one evening recently, when work went on just as at regular sessions. The parents, many of whom cannot visit the schools during the day, were invited.

The Garden Club of Dearborn have arranged to have Jack Miner, who has become world famous for his bird sanctuary near Kingsville, Ont., give one of his interesting lectures in that village, on March 18th.

Mrs. Julia A. Bloss, a former resident of Northville, and a long-time resident of Detroit, died February 14, and was buried at Nori. Mrs. Bloss was a granddaughter of President John Tyler, and related to John Quincy Adams.

A. E. Fuller of Northville, has been appointed a member of the State Fair Board by Governor Fred W. Green. Mr. Fuller is probably one of the best known fair men in this section of the state. He is one of the oldest breeders of standard bred poultry in Michigan, as well as a nationally known fish culturist for the federal government.

Subscribers of the Michigan Bell Telephone Company, from Worden and Silver Lake, were guests of R. E. Crowe, of Plymouth, commercial manager of the company, to witness a telephone demonstration at the K. O. T. M. hall in South Lyon, last week Thursday evening. Kenneth Wingrove, plant chief of Plymouth, assisted in the demonstration.

More than ten per cent of the sheep raised in Michigan, are products of Washtenaw county. On January first, there were estimated 1,314,000 sheep in the state, of which Washtenaw county gets credit for 146,290. Having an average value per head of \$10.44, the county's herds assume a valuation of \$1,527,267.60. Washtenaw leads the state in sheep growing, its nearest rival being its neighbor, Lenawee county, with 108,840 head of the 81 breeders.

A liner ad in the Mail will dispose of that used article. The cost is small and the results are satisfying.

PROBATE NOTICE
No. 125678

Greenville, Mich., Nov. 18, 1926
"I have used 'AA Quality' Fertilizers more than 25 years, ever since starting my farming career in Montcalm County at Greenville. I was the first farmer to use commercial fertilizers, and used to have them shipped out in small quantities for use on my farm.
"My first use of fertilizers convinced me that they were very profitable and that any farmer could not really afford to plant a crop without fertilizing it. I found the use of fertilizers especially profitable on potatoes.
"I am proud to say that my potatoes grown with fertilizers were awarded the Sweepstakes prize at the 1926 Western Michigan potato show."
—E. W. Lincoln

Why not make every crop on the farm a money crop?

FARMERS who are making the most out of their farms make money on every crop.
It doesn't cost much more to plant, cultivate and harvest big, heavy, quality crops from every field than it does to get only one or two good crops.

The use of high-grade fertilizers makes the profitable difference in yield per acre, in crop quality and a most welcome difference in the bank account.

See the man in your community who handles "AA Quality" Fertilizers. He will tell you why there is

a special "AA Quality" Fertilizer for every crop. He will show you why an investment in "AA Quality" Fertilizers is the most profitable one you, as a profit-seeking farmer, can make.

"AA Quality" Fertilizers are made of the finest materials obtainable. The ingredients are so scientifically prepared, so thoroughly blended and cured that they are always in perfect condition.

Backed by sixty years of experience. Proved by thousands of tests. Guaranteed by an unbroken record of crop successes.

GENERAL MOTORS' LATEST ACHIEVEMENT
The New and Finer
PONTIAC SIX

SEDAN \$775

Oakland today announces an entirely new line of Pontiac Sixes, notably enhanced in beauty, incorporating numerous refinements in design, and carrying new low prices.

New Fisher Bodies
Never in any low-priced six have been achieved such commanding beauty and luxury as in this latest achievement of General Motors. Lending luster to even the Fisher tradition of masterly craftsmanship, the new bodies by Fisher are longer, lower and superbly executed to the slightest detail.

All New Duco Colors
All body types are finished in new combinations of Duco colors. Original and fresh, these colors range from Beverly Blue and Black on the Sedan to Cherokee Gray on the Sport Cabriolet.

New Beauty and Style
Pontiac Six beauty has always been outstanding. But now in these new and finer models has been achieved not only new beauty but also an arresting attractiveness—the results of a deeper radiance; larger, heavier, and more sweeping crown fenders; and more massive headlamps. Windshield and body

pillars are narrowed to conform to the accepted custom-built vogue and to provide a wider arc of visibility. Window ledges are smartly recessed and finished in a contrasting color.

Mechanical Refinements
In addition to the numerous elements of greater beauty and style, the new and finer Pontiac Six introduces many new features and refinements in engineering design—such as tilting-beam headlights with foot control, new transmission and brake levers, steering wheel with aluminum spider, a clutch even smoother and more positive in action and an oil-sealed universal joint.

Two New Body Types
Two entirely new body types of characteristic beauty have been added to the Pontiac Six line. These are a dashing, youthful Sport Roadster, finished in Lacerne Blue, striped with Faerie Red; and a 4-passenger Sport Cabriolet, with Brevoort Green top and fenders, and body in Cherokee Gray, striped with orange to rival in smartness the highest priced cars of the day. Come in and see the New and Finer Pontiac Six!
